commission is satisfied that emergency circumstances exist for any 3266  
peace officer or trooper for whom a request was made under this 3267  
division, the executive director may approve the request for that 3268  
peace officer or trooper and grant an extension of the time within 3269

5751.07 of the Revised Code and any other section of the Revised 3715  
Code under which a person is required to remit taxes by electronic 3716  
funds transfer. The rules shall govern the modes of electronic 3717  
funds transfer acceptable to the treasurer of state and under what 3718  
circumstances each mode is acceptable, the content and format of 3719  
electronic funds transfers, the coordination of payment by 3720  
electronic funds transfer and filing of associated tax reports and 3721

sections. 3727

Upon failure by a person, if so required, to remit taxes by 3728  
electronic funds transfer in the manner prescribed under section 3729

Disbursements from the fund to county governments shall be made at

least once per year and shall be allocated proportionately so that 3762  
each county receives an equal percentage of its total cost for 3763  
operating its county public defender system, its joint county 3764  
public defender system, its county appointed counsel system, or 3765  
its system operated under division (C)(7) of section 120.04 of the 3766  
Revised Code and division (B) of section 120.33 of the Revised 3767  
Code. The state public defender may use not more than ~~twelve~~ 3768  
seventeen per cent of the money in the fund for the purposes of 3769  
appointing assistant state public defenders, providing other 3770  
personnel, equipment, and facilities necessary for the operation 3771  
of the state public defender office, and providing training, 3772  
developing and implementing electronic forms, or establishing and 3773  
maintaining an information technology system used for the uniform 3774  
operation of this chapter. 3775

**Sec. 120.18.** (A) The county public defender commission's 3776  
report to the board of county commissioners shall be audited by 3777  
the county auditor. The board of county commissioners, after 3778  
review and approval of the audited report, may then certify it to 3779  
the state public defender for reimbursement. If a request for the 3780  
reimbursement of any operating expenditure incurred by a county 3781  
public defender office is not received by the state public 3782  
defender within sixty days after the end of the calendar month in 3783  
which the expenditure is incurred, the state public defender shall 3784  
not pay the requested reimbursement, unless the county has 3785  
requested, and the state public defender has granted, an extension 3786  
of the sixty-day time limit. Each request for reimbursement shall 3787  
include a certification by the county public defender that the 3788  
persons provided representation by the county public defender's 3789  
office during the period covered by the report were indigent and, 3790  
for each person provided representation during that period, a 3791  
financial disclosure form completed by the person on a form 3792

prescribed by the state public defender. The state public defender 3793  
shall also review the report and, in accordance with the 3794  
standards, guidelines, and maximums established pursuant to 3795  
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 3796  
prepare a voucher for fifty per cent of the total cost of each 3797  
county public defender's office for the period of time covered by 3798  
the certified report and a voucher for ~~fifty~~ one hundred per cent 3799  
of the costs and expenses that are reimbursable under section 3800  
120.35 of the Revised Code, if any, or, if the amount of money 3801  
appropriated by the general assembly to reimburse counties for the 3802  
operation of county public defender offices, joint county public 3803  
defender offices, and county appointed counsel systems is not 3804  
sufficient to pay fifty per cent of the total cost of all of the 3805  
offices and systems, for the lesser amount required by section 3806  
120.34 of the Revised Code. For the purposes of this section, 3807  
"total cost" means total expenses minus costs and expenses 3808  
reimbursable under section 120.35 of the Revised Code and any 3809  
funds received by the county public defender commission pursuant 3810  
to a contract, except a contract entered into with a municipal 3811  
corporation pursuant to division (E) of section 120.14 of the 3812  
Revised Code, gift, or grant. 3813

(B) If the county public defender fails to maintain the 3814  
standards for the conduct of the office established by rules of 3815  
the Ohio public defender commission pursuant to divisions (B) and 3816  
(C) of section 120.03 or the standards established by the state 3817  
public defender pursuant to division (B)(7) of section 120.04 of 3818  
the Revised Code, the Ohio public defender commission shall notify 3819  
the county public defender commission and the board of county 3820  
commissioners of the county that the county public defender has 3821  
failed to comply with its rules or the standards of the state 3822  
public defender. Unless the county public defender commission or 3823  
the county public defender corrects the conduct of the county 3824  
public defender's office to comply with the rules and standards 3825

within ninety days after the date of the notice, the state public 3826  
defender may deny payment of all or part of the county's 3827  
reimbursement from the state provided for in division (A) of this 3828  
section. 3829

**Sec. 120.28.** (A) The joint county public defender 3830  
commission's report to the joint board of county commissioners 3831  
shall be audited by the fiscal officer of the district. The joint 3832  
board of county commissioners, after review and approval of the 3833  
audited report, may then certify it to the state public defender 3834  
for reimbursement. If a request for the reimbursement of any 3835  
operating expenditure incurred by a joint county public defender 3836  
office is not received by the state public defender within sixty 3837  
days after the end of the calendar month in which the expenditure 3838  
is incurred, the state public defender shall not pay the requested 3839  
reimbursement, unless the joint board of county commissioners has 3840  
requested, and the state public defender has granted, an extension 3841  
of the sixty-day time limit. Each request for reimbursement shall 3842  
include a certification by the joint county public defender that 3843  
all persons provided representation by the joint county public 3844  
defender's office during the period covered by the request were 3845  
indigent and, for each person provided representation during that 3846  
period, a financial disclosure form completed by the person on a 3847  
form prescribed by the state public defender. The state public 3848  
defender shall also review the report and, in accordance with the 3849  
standards, guidelines, and maximums established pursuant to 3850  
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 3851  
prepare a voucher for fifty per cent of the total cost of each 3852  
joint county public defender's office for the period of time 3853  
covered by the certified report and a voucher for ~~fifty one~~ 3854  
hundred per cent of the costs and expenses that are reimbursable 3855  
under section 120.35 of the Revised Code, if any, or, if the 3856  
amount of money appropriated by the general assembly to reimburse 3857

counties for the operation of county public defender offices, 3858  
joint county public defender offices, and county appointed counsel 3859  
systems is not sufficient to pay fifty per cent of the total cost 3860  
of all of the offices and systems, for the lesser amount required 3861  
by section 120.34 of the Revised Code. For purposes of this 3862  
section, "total cost" means total expenses minus costs and 3863  
expenses reimbursable under section 120.35 of the Revised Code and 3864  
any funds received by the joint county public defender commission 3865  
pursuant to a contract, except a contract entered into with a 3866  
municipal corporation pursuant to division (E) of section 120.24 3867  
of the Revised Code, gift, or grant. Each county in the district 3868  
shall be entitled to a share of such state reimbursement in 3869  
proportion to the percentage of the total cost it has agreed to 3870  
pay. 3871

(B) If the joint county public defender fails to maintain the 3872  
standards for the conduct of the office established by the rules 3873  
of the Ohio public defender commission pursuant to divisions (B) 3874  
and (C) of section 120.03 or the standards established by the 3875  
state public defender pursuant to division (B)(7) of section 3876  
120.04 of the Revised Code, the Ohio public defender commission 3877  
shall notify the joint county public defender commission and the 3878  
board of county commissioners of each county in the district that 3879  
the joint county public defender has failed to comply with its 3880  
rules or the standards of the state public defender. Unless the 3881  
joint public defender commission or the joint county public 3882  
defender corrects the conduct of the joint county public 3883  
defender's office to comply with the rules and standards within 3884  
ninety days after the date of the notice, the state public 3885  
defender may deny all or part of the counties' reimbursement from 3886  
the state provided for in division (A) of this section. 3887

**Sec. 120.33.** (A) In lieu of using a county public defender or 3888

the amount of money paid in that fiscal year pursuant to sections 4097  
120.18, 120.28, and 120.33 of the Revised Code to each county for 4098  
the fiscal year shall be reduced proportionately so that each 4099  
county is paid an equal percentage of its total cost in the fiscal 4100  
year for operating its county public defender system, its joint 4101  
county public defender system, and its county appointed counsel 4102  
system. 4103

of conducting the defense in capital cases shall not exceed the 4107  
total amount appropriated for that fiscal year by the general 4108  
assembly for the reimbursement of the counties for conducting the 4109  
defense in capital cases. If the amount appropriated by the 4110  
general assembly in any fiscal year is insufficient to pay ~~fifty~~ 4111  
one hundred per cent of the counties' total costs and expenses of 4112

equal percentage of its costs and expenses of conducting the 4117  
defense in capital cases in the fiscal year. 4118

If any county receives an amount of money pursuant to section 4119  
120.18, 120.28, 120.33, or 120.35 of the Revised Code that is in 4120  
excess of the amount of reimbursement it is entitled to receive 4121  
pursuant to this section, the state public defender shall request 4122  
the board of county commissioners to return the excess payment and 4123  
the board of county commissioners, upon receipt of the request, 4124  
shall direct the appropriate county officer to return the excess 4125  
payment to the state. 4126

Within thirty days of the end of each fiscal quarter, the 4127  
state public defender shall provide to the office of budget and 4128  
management and the ~~legislative budget office of the~~ legislative 4129

Revised Code. 4133

**Sec. 120.35.** The state public defender shall, pursuant to 4134  
section 120.18, 120.28, 120.33, or 2941.51 of the Revised Code, 4135  
reimburse ~~fifty~~ one hundred per cent of all costs and expenses of 4136

expenses as provided in section 120.34 of the Revised Code. 4140

**Sec. 120.36.** (A)(1) Subject to division (A)(2), (3), (4), 4141  
(5), or (6) of this section, if a person who is a defendant in a 4142  
criminal case or a party in a case in juvenile court requests or 4143  
is provided a state public defender, a county or joint county 4144

public defender, or any other counsel appointed by the court, the 4145  
court in which the criminal case is initially filed or the 4146  
juvenile court, whichever is applicable, shall assess, unless the 4147  
application fee is waived or reduced, a non-refundable application 4148  
fee of twenty-five dollars. 4149

The court shall direct the person to pay the application fee 4150  
to the clerk of court. The person shall pay the application fee to 4151  
the clerk of court at the time the person files ~~an affidavit of~~ 4152  
~~indigency or~~ a financial disclosure form with the court, a state 4153  
public defender, a county or joint county public defender, or any 4154  
other counsel appointed by the court or within seven days of that 4155  
date. If the person does not pay the application fee within that 4156  
seven-day period, the court shall assess the application fee at 4157  
sentencing or at the final disposition of the case. 4158

(2) For purposes of this section, a criminal case includes 4159  
any case involving a violation of any provision of the Revised 4160  
Code or of an ordinance of a municipal corporation for which the 4161  
potential penalty includes loss of liberty and includes any 4162  
contempt proceeding in which a court may impose a term of 4163  
imprisonment. 4164

(3) In a juvenile court proceeding, the court shall not 4165  
assess the application fee against a child if the court appoints a 4166  
guardian ad litem for the child or the court appoints an attorney 4167  
to represent the child at the request of a guardian ad litem. 4168

(4) The court shall not assess an application fee for a 4169  
postconviction proceeding or when the defendant files an appeal. 4170

(5)(a) Except when the court assesses an application fee 4171  
pursuant to division (A)(5)(b) of this section, the court shall 4172  
assess an application fee when a person is charged with a 4173  
violation of a community control sanction or a violation of a 4174  
post-release control sanction. 4175

(b) If a charge of violating a community control sanction or 4176  
post-release control sanction described in division (A)(5)(a) of 4177  
this section results in a person also being charged with violating 4178  
any provision of the Revised Code or an ordinance of a municipal 4179  
corporation, the court shall only assess an application fee for 4180  
the case that results from the additional charge. 4181

(6) If a case is transferred from one court to another court 4182  
and the person failed to pay the application fee to the court that 4183  
initially assessed the application fee, the court that initially 4184  
assessed the fee shall remove the assessment, and the court to 4185  
which the case was transferred shall assess the application fee. 4186

(7) The court shall assess an application fee pursuant to 4187  
this section one time per case. For purposes of assessing the 4188

initiating a case that arises out of a single incident or a series 4192  
of related incidents, or when one individual is charged with two 4193  
or more offenses that the court handles simultaneously. The court 4194  
may waive or reduce the fee for a specific person in a specific 4195  
case upon a finding that the person lacks financial resources that 4196  
are sufficient to pay the fee or that payment of the fee would 4197  
result in an undue hardship. 4198

(B) No court, state public defender, county or joint county 4199  
public defender, or other counsel appointed by the court shall 4200  
deny a person the assistance of counsel solely due to the person's 4201  
failure to pay the application fee assessed pursuant to division 4202  
(A) of this section. A person's present inability, failure, or 4203  
refusal to pay the application fee shall not disqualify that 4204  
person from legal representation. 4205

(C) The application fee assessed pursuant to division (A) of 4206  
this section is separate from and in addition to any other amount 4207

assessed against a person who is found to be able to contribute 4208  
toward the cost of the person's legal representation pursuant to 4209  
division (D) of section 2941.51 of the Revised Code. 4210

(D) The clerk of the court that assessed the fees shall 4211  
forward all application fees collected pursuant to this section to 4212  
the county treasurer for deposit in the county treasury. The 4213  
county shall retain eighty per cent of the application fees so 4214

indigent persons. Not later than the last day of each month, the 4216  
county auditor shall remit twenty per cent of the application fees 4217  
so collected in the previous month to the state public defender. 4218  
The state public defender shall deposit the remitted fees into the 4219  
state treasury to the credit of the client payment fund created 4220  
pursuant to division (B)(5) of section 120.04 of the Revised Code. 4221  
The state public defender may use that money in accordance with 4222  
that section. 4223

(E) On or before the twentieth day of each month beginning in 4224  
February of the year 2007, each clerk of court shall provide to 4225  
the state public defender a report including all of the following: 4226

or were provided a state public defender, county or joint county 4228  
public defender, or other counsel appointed by the court; 4229

(2) The number of persons in the previous month for whom the 4230  
court waived the application fee pursuant to division (A) of this 4231

and has successfully solicited private investors to make capital 4760  
contributions in support of the plan may apply to the development 4761  
services agency for certification as a rural business and 4762  
high-growth industry fund. The application shall include all of 4763  
the following: 4764

(1) The total eligible investment authority sought by the 4765  
applicant under the business plan; 4766

(2) Documents and other evidence sufficient to prove, to the 4767  
satisfaction of the agency, that the applicant meets all of the 4768  
following criteria: 4769

(b) As of the date the application is submitted, the 4774  
applicant has invested more than one hundred million dollars in 4775

(7) A nonrefundable application fee of five thousand dollars. 4803

(B)(1) Except as provided in division (B)(2) of this section, the development services agency shall review and make a determination with respect to each application submitted under division (A) of this section within sixty days of receipt. The agency shall review and make determinations on the applications in the order in which the applications are received by the agency. Applications received by the agency on the same day shall be deemed to have been received simultaneously. Except as provided in division (C) of section 122.154 of the Revised Code, the agency shall approve not more than one hundred million dollars in eligible investment authority and not more than sixty million dollars in credit-eligible capital contributions under this section. Not more than one-third of the eligible investment authority and credit-eligible capital contributions approved under this section may be awarded to a single rural business and high-growth industry fund and its affiliates. 4804

(2) If the agency denies an application for certification as a fund, and approving a subsequently submitted application would result in exceeding the dollar limitation on eligible investment 4820  
4821  
4822

authority or credit-eligible contributions prescribed by division 4823  
(B)(1) of this section assuming the previously denied application 4824  
were completed, clarified, or cured under division (D) of this 4825  
section, the agency may refrain from making a determination on the 4826  
subsequently submitted application until the previously denied 4827  
application is reconsidered or the fifteen-day period for 4828  
submitting additional information respecting that application has 4829  
passed, whichever comes first. 4830

(C) The agency shall deny an application submitted under this 4831  
section if any of the following are true: 4832

(1) The application is incomplete. 4833

(2) The application fee is not paid in full. 4834

(3) The applicant does not satisfy all the criteria described 4835  
in division (A)(2) of this section. 4836

(4) The revenue impact assessment submitted under division 4837  
(A)(5) of this section does not demonstrate that the applicant's 4838  
business plan will result in a positive economic impact on this 4839  
state over a ten-year period that exceeds the cumulative amount of 4840  
tax credits that would be issued under section 122.152 of the 4841  
Revised Code if the application were approved. 4842

(5) The credit-eligible capital contributions described in 4843  
affidavits submitted under division (A)(6) of this section do not 4844  
equal sixty per cent of the total amount of eligible investment 4845  
authority sought under the applicant's business plan. 4846

(6) The agency has already approved the maximum total 4847  
eligible investment authority and credit-eligible capital 4848  
contributions allowed under division (B) of this section or the 4849  
maximum amount allowed with respect to the applicant fund under 4850  
that division. 4851

(D) If the agency denies an application under division (C) of 4852

this section, the agency shall send notice of its determination to 4853  
the applicant. The notice shall include the reason or reasons that 4854  
the application was denied. If the application was denied for any 4855  
reason other than the reason specified in division (C)(6) of this 4856  
section, the applicant may provide additional information to the 4857  
agency to complete, clarify, or cure defects in the application. 4858  
The additional information must be submitted within fifteen days 4859  
after the date the notice of denial was dispatched by the agency. 4860  
If the person submits additional information within fifteen days, 4861  
the agency shall reconsider the application within thirty days 4862  
after receiving the additional information. The application shall 4863  
be reviewed and considered before any pending application 4864  
submitted after the original submission date of the reconsidered 4865  
application. If the person does not submit additional information 4866  
within fifteen days after dispatch of the notice of denial, the 4867  
person may submit a new application with a new submission date at 4868  
any time. 4869

(E) If approving multiple simultaneously submitted 4870  
applications would result in exceeding the overall eligible 4871  
investment limit prescribed by division (B) of this section, the 4872  
agency shall proportionally reduce the eligible investment 4873  
authority and the credit-eligible capital contributions for each 4874  
approved application as necessary to avoid exceeding the limit. 4875

(F) The agency shall not deny a rural business and 4876  
high-growth industry fund application or reduce the requested 4877  
eligible investment authority for reasons other than those 4878  
described in divisions (C) and (E) of this section. If the agency 4879  
approves such an application, the agency shall issue all of the 4880  
following notices: 4881

(1) To the applicant, a written notice certifying that the 4882  
applicant qualifies as a rural business and high-growth industry 4883  
fund and specifying the amount of the applicant's eligible 4884

investment authority; 4885

(2) To each investor whose affidavit was included in the 4886  
application, a notice specifying the amount of credit-eligible 4887  
capital allocated to the investor and the associated tax credit 4888  
amount; 4889

(3) To the tax commissioner, a notice of the amount and 4890  
utilization schedule of the tax credits allocated to each investor 4891  
receiving a notice under division (F)(2) of this section. 4892

(G) A fund shall do all of the following within sixty days of 4893  
receiving the certification issued under division (F)(1) of this 4894  
section: 4895

(1) Collect the credit-eligible capital contributions from 4896  
each investor in the amount set forth in the notice provided to 4897  
the investor under division (F)(2) of this section; 4898

(2) Collect one or more investments of cash that, when added 4899  
to the contributions collected under division (G)(1) of this 4900  
section, equal the fund's eligible investment authority. At least 4901  
ten per cent of the fund's eligible investment authority shall be 4902  
comprised of equity investments contributed by affiliates of the 4903  
fund, including employees, officers, and directors of such 4904  
affiliates. 4905

Within sixty-five days after receiving the certification 4906  
issued under division (F)(1) of this section, the fund shall send 4907  
to the agency documentation sufficient to prove that the amounts 4908  
described in divisions (G)(1) and (2) of this section have been 4909  
collected. If the fund fails to fully comply with division (G) of 4910  
this section, the fund's certification shall lapse. 4911

Eligible investment authority and corresponding 4912  
credit-eligible capital contributions that lapse under this 4913  
division do not count toward limits on total eligible investment 4914  
authority and credit-eligible capital contributions prescribed by 4915

division (B) of this section. Once eligible investment authority 4916  
has lapsed, the agency shall first award lapsed authority pro rata 4917  
to each fund that was awarded less than the requested eligible 4918  
investment authority under division (E) of this section. Any 4919  
remaining eligible investment authority may be awarded by the 4920  
agency to new applicants. 4921

(H) Application fees submitted to the agency pursuant to 4922  
division (A)(7) of this section shall be credited to the Ohio 4923  
rural and high-growth industry jobs fund, which is hereby created, 4924  
and shall be used by the agency to administer this section and 4925  
sections 122.15 to 122.156 of the Revised Code. 4926

**Sec. 122.152.** (A) There is hereby allowed a nonrefundable tax 4927  
credit for owners of tax credit certificates issued by the 4928  
development services agency under division (B) of this section. 4929  
The credit may be claimed against the tax imposed by section 4930  
3901.86, 5725.18, 5726.02, 5729.03, or 5729.06 of the Revised 4931  
Code. 4932

(B) On the closing date, a taxpayer that made a 4933  
credit-eligible capital contribution to a rural business and 4934  
high-growth industry fund shall earn a vested credit equal to the 4935  
amount specified in the notice issued under division (F)(2) of 4936  
section 122.151 of the Revised Code. On or before the third, 4937  
fourth, fifth, and sixth anniversary dates of the closing date, 4938  
the agency shall issue a tax credit certificate to the taxpayer 4939  
specifying the corresponding anniversary date and a credit amount 4940  
equal to one-fourth of the total credit authorized under this 4941  
section. The owner of the certificate may claim the credit amount 4942  
for the taxable year that includes the date specified on the 4943  
certificate. A tax credit certificate issued under section 122.151 4944  
of the Revised Code may not be sold or transferred except to an 4945  
affiliate of the taxpayer that is subject to the tax imposed by 4946

section 3901.86, 5725.18, 5726.02, 5729.03, or 5729.06 of the 4947  
Revised Code. The taxpayer making a credit-eligible capital 4948  
contribution and the issuance of a tax credit by the agency does 4949  
not represent a verification or certification by the agency of 4950  
compliance with the recapture provisions of section 122.153 of the 4951  
Revised Code. The tax credit earned and vested under this division 4952  
is subject to recapture under section 122.153 of the Revised Code. 4953

(C) The credit shall be claimed in the order required under 4954  
section 5725.98, 5726.98, or 5729.98 of the Revised Code as 4955  
applicable. If the amount of the credit for a taxable year exceeds 4956  
the tax otherwise due for that year, the excess shall be carried 4957  
forward to ensuing taxable years until fully used. A taxpayer 4958  
claiming a credit under this section shall submit a copy of the 4959  
tax credit certificate with the taxpayer's return for each taxable 4960  
year in which the credit is claimed. 4961

**Sec. 122.153.** (A) The development services agency shall 4962  
recapture tax credits claimed under section 122.152 of the Revised 4963  
Code if any of the following occur with respect to a rural 4964  
business and high-growth industry fund before the fund is 4965  
decertified under division (C) of this section: 4966

(1) The fund in which the credit-eligible capital 4967  
contribution was made does not invest fifty per cent of its 4968  
eligible investment authority in growth investments within one 4969  
year of the closing date and one hundred per cent of its eligible 4970  
investment authority in growth investments in this state within 4971  
two years of the closing date. 4972

(2) On the second anniversary of the closing date, the fund 4973  
has not invested fifty per cent of its eligible investment 4974  
authority in growth investments in rural business concerns in this 4975  
state and fifty per cent of its eligible investment authority in 4976  
growth investments in high-growth industry business concerns in 4977

this state. 4978

(3) The fund, after investing one hundred per cent of its 4979  
eligible investment authority in growth investments in this state, 4980  
fails to maintain that investment until the sixth anniversary of 4981  
the closing date. For the purposes of this division, an investment 4982  
is "maintained" even if the investment is sold or repaid so long 4983  
as the fund reinvests an amount equal to the capital returned or 4984  
recovered by the fund from the original investment, exclusive of 4985  
any profits realized, in other growth investments in this state 4986  
within twelve months of the receipt of such capital, provided that 4987  
the fund shall make the reinvestment even if such twelve-month 4988  
anniversary occurs after the fifth anniversary of the closing 4989  
date. Amounts received periodically by a fund shall be treated as 4990  
continually invested in growth investments if the amounts are 4991  
reinvested in one or more growth investments by the end of the 4992  
following calendar year, provided that the fund shall make the 4993  
reinvestment even if the end of the following calendar year occurs 4994  
after the fifth anniversary of the closing date. Except as 4995  
otherwise provided by this division, a fund is not required to 4996  
reinvest capital returned from growth investments if the capital 4997  
is returned after the fifth anniversary of the closing date, and 4998  
such growth investments shall be considered held continuously by 4999  
the fund through the sixth anniversary of the closing date. 5000

(4) The fund makes a distribution or payment after the fund 5001  
complies with division (G) of section 122.151 of the Revised Code 5002  
and before the fund decertifies under division (D) of this section 5003  
that results in the fund having less than one hundred per cent of 5004  
its eligible investment authority invested in growth investments 5005  
in this state or held in cash and other marketable securities. 5006

(5) The fund makes a growth investment in a rural business 5007  
concern or high-growth industry business concern that directly or 5008  
indirectly through an affiliate owns, has the right to acquire an 5009

ownership interest, makes a loan to, or makes an investment in the 5010  
fund, an affiliate of the fund, or an investor in the fund. 5011

Division (A)(5) of this section does not apply to investments in 5012  
publicly traded securities by a rural business concern, a 5013  
high-growth industry business concern, or an owner or affiliate of 5014  
either such business concerns. 5015

Before recapturing one or more tax credits under this 5016  
division, the agency shall notify the fund of the reasons for the 5017  
pending recapture. If the fund corrects the violations outlined in 5018  
the notice to the satisfaction of the agency within one hundred 5019  
eighty days of the date the notice was dispatched, the agency 5020  
shall not recapture the tax credits. 5021

(B)(1) Except as otherwise provided in division (B)(2) of 5022  
this section, the amount by which one or more growth investments 5023  
by a fund in the same rural business concern or high-growth 5024  
industry business concern exceeds twenty per cent of the fund's 5025  
eligible investment authority shall not be counted as a growth 5026  
investment for the purposes of division (A) of this section. 5027

(2) The reinvestment of capital that was returned to or 5028  
recovered by a fund from a growth investment that was sold or 5029  
repaid shall be counted as a growth investment for the purposes of 5030  
division (A) of this section even if the reinvestment results in 5031  
more than twenty per cent of the fund's eligible investment 5032  
authority being invested in the same rural business concern or 5033  
high-growth industry business concern. 5034

(3) A growth investment in an affiliate of a rural business 5035  
concern or high-growth industry business concern shall be treated 5036  
as a growth investment in that rural business concern or 5037  
high-growth industry business concern for the purposes of division 5038  
(B) of this section. 5039

(C)(1) If the agency recaptures a tax credit under division 5040

(A) of this section, the agency shall notify the tax commissioner 5041  
and the superintendent of insurance of the recapture. The 5042  
superintendent or the commissioner shall make an assessment under 5043  
Chapter 5725., 5726., or 5729. of the Revised Code for the amount 5044  
of the credit claimed by each certificate owner associated with 5045  
the fund before the recapture was finalized. The time limitations 5046  
on assessments under those chapters do not apply to an assessment 5047  
under this division, but the superintendent or the commissioner 5048  
shall make the assessment within one year after the date the 5049  
agency notifies the superintendent or the commissioner of the 5050  
recapture. Following the recapture of a tax credit under division 5051  
(A) of this section, no tax credit certificate associated with the 5052  
fund may be utilized. Notwithstanding division (B) of section 5053  
122.152 of the Revised Code, if a tax credit is recaptured under 5054  
division (A) of this section the agency shall not issue future tax 5055  
credit certificates to taxpayers that made credit-eligible capital 5056  
contributions to the fund. 5057

(2) If tax credits are recaptured, the associated eligible 5058  
investment authority and credit-eligible capital contributions do 5059  
not count toward the limit on total eligible investment authority 5060  
and credit-eligible capital contributions described by division 5061  
(B) of section 122.151 of the Revised Code. The agency shall first 5062  
award reverted authority pro rata to each fund that was awarded 5063  
less than the requested eligible investment authority under 5064  
division (E) of section 122.151 of the Revised Code. Any remaining 5065  
eligible investment authority may be awarded by the agency to new 5066  
applicants. 5067

(D)(1) On or after the sixth anniversary of the closing date, 5068  
a fund that has not committed any of the acts described in 5069  
division (A) of this section may apply to the agency to decertify 5070  
as a rural business and high-growth industry fund. The agency 5071  
shall respond to the application within thirty days after 5072

receiving the application. In evaluating the application, the fact 5073  
that no tax credit has been recaptured with respect to the fund 5074  
shall be sufficient evidence to prove that the fund is eligible 5075  
for decertification. The agency shall not unreasonably deny an 5076  
application submitted under this division. 5077

(2) The agency shall send notice of its determination with 5078  
respect to an application submitted under division (D)(1) of this 5079  
section to the fund. If the application is denied, the notice 5080  
shall include the reason or reasons for the determination. 5081

(3) The agency shall not recapture a tax credit due to any 5082  
actions of a fund that occur after the date the fund's application 5083  
for decertification is approved under division (D) of this 5084  
section. This division does not prohibit the agency from 5085  
recapturing a tax credit due to the actions of a fund that occur 5086  
before the date the fund's application for decertification is 5087  
approved, even if those actions are discovered after that date. 5088

**Sec. 122.154.** (A) Each rural business and high-growth 5089  
industry fund shall submit a report to the development services 5090  
agency on or before the first day of each March following the end 5091  
of the calendar year that includes the closing date until the year 5092  
after the fund has decertified. The report shall provide an 5093  
itemization of the fund's growth investments and shall include the 5094  
following documents and information: 5095

(1) A bank statement evidencing each growth investment; 5096

(2) The name, location, and industry class of each business 5097  
that received a growth investment from the fund and evidence that 5098  
the business qualified as a rural business concern or high-growth 5099  
industry business concern at the time the investment was made. If 5100  
the fund obtained a written opinion from the agency on the 5101  
business's status as a rural business concern or high-growth 5102  
industry business concern under division (A) of section 122.156 of 5103

the Revised Code, or if the fund requests such an opinion and the 5104  
agency failed to respond within fifteen days as required by that 5105  
division, a copy of the agency's favorable opinion or a dated copy 5106  
of the fund's unanswered request, as applicable, shall be 5107  
sufficient evidence that the business qualified as a rural 5108  
business concern or high-growth industry business concern at the 5109  
time the investment was made. 5110

(3) The number of employment positions that existed at each 5111  
business described in division (A)(2) of this section on the date 5112  
the business received the growth investment; 5113

(4) The number of new job years resulting from each of the 5114  
fund's growth investments made or maintained in the preceding 5115  
calendar year, the proportion of those new job years that are with 5116  
rural business concerns, and the proportion of those new job years 5117  
that are with high-growth industry business concerns; 5118

(5) Any other information required by the agency. 5119

(B) Each fund shall submit a report to the agency on or 5120  
before the fifth business day after the second anniversary of the 5121  
closing date that provides documentation sufficient to prove that 5122  
the fund has met the investment thresholds described in divisions 5123  
(A)(1) and (2) of section 122.153 of the Revised Code and has not 5124  
implicated any of the other recapture provisions described in 5125  
divisions (A)(3) to (5) of that section. 5126

(C) Not later than the first day of February each year, the 5127  
development services agency shall compute the amount of an annual 5128  
fee to be paid by each certified fund and give notice of the fee 5129  
to each such fund by mail or by electronic means. The amount of 5130  
the fee shall equal the quotient obtained by dividing fifty 5131  
thousand dollars by the number of certified funds on the first day 5132  
of January of that year. The initial annual fee required of a fund 5133  
shall be due and payable to the agency along with the submission 5134

of documentation required under division (G) of section 122.151 of 5135  
the Revised Code. Each subsequent annual fee is due and payable on 5136  
the last day of February following the first and each ensuing 5137  
anniversary of the closing date. If the fund is required to submit 5138  
an annual report under division (A) of this section, the annual 5139  
fee shall be submitted along with the report. No fund shall be 5140  
required to pay an annual fee after the fund has decertified under 5141  
division (D) of section 122.153 of the Revised Code. 5142

(D) The director of development services, after consultation 5143  
with the tax commissioner and the superintendent of insurance and 5144  
in accordance with Chapter 119. of the Revised Code, shall adopt 5145  
rules necessary to implement sections 122.15 to 122.156 of the 5146  
Revised Code, including rules pertaining to the computation of new 5147  
job years, the state reimbursement amount, and the number of 5148  
retained jobs under section 122.155 of the Revised Code. 5149

**Sec. 122.155.** (A)(1) For each calendar year in which a rural 5150  
business and high-growth industry fund makes or maintains a growth 5151  
investment in a rural business concern or high-growth industry 5152  
business concern in this state, the fund shall determine the 5153  
number of new job years produced at the business concern as a 5154  
result of the investment. New job years shall be computed by 5155  
subtracting the number of employment positions at the business 5156  
concern on the date of the fund's initial growth investment in the 5157  
business concern from the number of employment positions at the 5158  
business concern on the last day of the calendar year in which the 5159  
investment was made or maintained. If the computation results in a 5160  
number less than zero, the number of new job years produced by the 5161  
fund's growth investment for that calendar year period shall be 5162  
zero. 5163

(2) A fund may determine and include, for the purposes of 5164  
this section and section 122.154 of the Revised Code, the number 5165

of new job years produced at a business concern after the year in 5166  
which the fund's growth investment is repaid or redeemed. The new 5167  
job years shall be computed in the same manner as in division 5168  
(A)(1) of this section based on reporting information provided by 5169  
the business concern to the fund. 5170

(B) After a fund's application for decertification is 5171  
approved under division (D) of section 122.153 of the Revised 5172  
Code, the fund shall determine the state reimbursement amount. The 5173  
state reimbursement amount shall equal the amount by which the 5174  
fund's credit-eligible capital contributions exceed the product 5175  
obtained by multiplying thirty thousand dollars by the aggregate 5176  
number of new job years for the fund. If that product is greater 5177  
than the fund's credit-eligible capital contributions, the state 5178  
reimbursement amount shall equal zero. In the absence of 5179  
additional information provided by the fund or discovered by the 5180  
agency, the number of new job years for the purposes of this 5181  
division equals the sum of all new job years reported by the fund 5182  
on the annual reports required under division (A) of section 5183  
122.154 of the Revised Code. 5184

(C) After the state reimbursement amount is computed under 5185  
division (B) of this section, the fund shall not be permitted to 5186  
make further distributions to equity holders of the fund without 5187  
first remitting to the agency the lesser of the state 5188  
reimbursement amount or the remaining balance of the fund after 5189  
all persons holding equity in the fund receive a payment or 5190  
distribution equal to the person's equity investment and the 5191  
person's federal and state tax liability, including penalties and 5192  
interest, related to the person's ownership, management, or 5193  
operation of the fund. All amounts received by the agency under 5194  
this division shall be credited to the general revenue fund. 5195

(D) The director of development services, upon the request of 5196  
a fund, may waive all or a portion of the remission required under 5197

division (C) of this section if the director determines, based on 5198  
an affidavit of the chief executive officer or president of a 5199  
rural business concern or high-growth industry business concern, 5200  
that the growth investments of the fund resulted in the retention 5201  
of employment positions that would have otherwise been eliminated 5202  
at rural business concerns and high-growth industry business 5203  
concerns in this state. The amount waived shall not exceed the 5204  
product of thirty thousand dollars multiplied by the number of 5205  
retained employment positions multiplied by the number of years in 5206  
which the fund made or maintained a growth investment in the 5207  
business concern that retained the employment positions. 5208

**Sec. 122.156.** (A) A rural business and high-growth industry 5209  
fund, before investing in a business, may request a written 5210  
opinion from the development services agency as to whether the 5211  
business qualifies as a rural business concern or a high-growth 5212  
industry business concern based on the criteria prescribed by 5213  
section 122.15 of the Revised Code. The request shall be submitted 5214  
in a form prescribed by rule of the agency. The agency shall issue 5215  
a written opinion to the fund within fifteen business days of 5216  
receiving such a request. Notwithstanding division (I) of section 5217  
122.15 of the Revised Code, if the agency determines that the 5218  
business qualifies as a rural business concern or high-growth 5219  
industry business concern, or if the agency fails to timely issue 5220  
the written opinion as required under this section, the business 5221  
shall be considered a rural business concern or high-growth 5222  
industry business concern for the purposes of sections 122.15 to 5223  
122.156 of the Revised Code. 5224

(B) Upon the request of a fund or an operating company, the 5225  
agency may certify an operating company as a high-growth industry 5226  
business concern, irrespective of the industry in which the 5227  
operating company is engaged, if the agency determines that a 5228  
growth investment in the operating company would be beneficial to 5229

the economic growth of the state. 5230

**Sec. 122.17.** (A) As used in this section: 5231

(1) "Payroll" means the total taxable income paid by the 5232  
employer during the employer's taxable year, or during the 5233  
calendar year that includes the employer's tax period, to each 5234  
employee or each home-based employee employed in the project to 5235  
the extent such payroll is not used to determine the credit under 5236  
section 122.171 of the Revised Code. "Payroll" excludes amounts 5237  
paid before the day the taxpayer becomes eligible for the credit 5238  
and retirement or other benefits paid or contributed by the 5239  
employer to or on behalf of employees. 5240

(2) "Baseline payroll" means Ohio employee payroll, except 5241  
that the applicable measurement period is the twelve months 5242  
immediately preceding the date the tax credit authority approves 5243  
the taxpayer's application or the date the tax credit authority 5244  
receives the recommendation described in division (C)(2)(a) of 5245  
this section, whichever occurs first, multiplied by the sum of one 5246  
plus an annual pay increase factor to be determined by the tax 5247  
credit authority. 5248

(3) "Ohio employee payroll" means the amount of compensation 5249  
used to determine the withholding obligations in division (A) of 5250  
section 5747.06 of the Revised Code and paid by the employer 5251  
during the employer's taxable year, or during the calendar year 5252  
that includes the employer's tax period, to ~~each~~ the following: 5253

(a) An employee employed in the project who is a resident of 5254  
this state, as defined in section 5747.01 of the Revised Code, to 5255  
each including a qualifying work-from-home employee not designated 5256  
as a home-based employee by an applicant under division (C)(1) of 5257  
this section; 5258

(b) An employee employed at the project site location who is 5259

not a resident and whose compensation is not exempt from the tax 5260  
imposed under section 5747.02 of the Revised Code pursuant to a 5261  
reciprocity agreement with another state under division (A)(3) of 5262  
section 5747.05 of the Revised Code, ~~or to each;~~ 5263

(c) A home-based employee employed in the project, ~~to the~~ 5264  
~~extent.~~ 5265

"Ohio employee payroll" excludes any such compensation to the 5266  
extent it is not used to determine the credit under section 5267  
122.171 of the Revised Code. ~~"Ohio employee payroll", and~~ 5268  
excludes amounts paid before the day the taxpayer becomes eligible for the 5269  
credit under this section. 5270

(4) "Excess payroll" means Ohio employee payroll minus 5271  
baseline payroll. 5272

(5) "Home-based employee" means an employee whose services 5273  
are performed primarily from the employee's residence in this 5274  
state exclusively for the benefit of the project and whose rate of 5275  
pay is at least one hundred thirty-one per cent of the federal 5276  
minimum wage under 29 U.S.C. 206. 5277

(6) "Full-time equivalent employees" means the quotient 5278  
obtained by dividing the total number of hours for which employees 5279  
were compensated for employment in the project by two thousand 5280  
eighty. "Full-time equivalent employees" excludes hours that are 5281  
counted for a credit under section 122.171 of the Revised Code. 5282

(7) "Metric evaluation date" means the date by which the 5283  
taxpayer must meet all of the commitments included in the 5284  
agreement. 5285

(8) "Qualifying work-from-home employee" means an employee 5286  
who is a resident of this state and whose services are supervised 5287  
from the employer's project location and performed primarily from 5288  
a residence of the employee located in this state. 5289

(9) "Resident" or "resident of this state" means an individual who is a resident as defined in section 5747.01 of the Revised Code.

(B) The tax credit authority may make grants under this section to foster job creation in this state. Such a grant shall take the form of a refundable credit allowed against the tax imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 5747.02 or levied under Chapter 5751. of the Revised Code. The credit shall be claimed for the taxable years or tax periods specified in the taxpayer's agreement with the tax credit authority under division (D) of this section. With respect to taxes imposed under section 5726.02, 5733.06, or 5747.02 or Chapter 5751. of the Revised Code, the credit shall be claimed in the order required under section 5726.98, 5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of the credit available for a taxable year or for a calendar year that includes a tax period equals the excess payroll for that year multiplied by the percentage specified in the agreement with the tax credit authority.

(C)(1) A taxpayer or potential taxpayer who proposes a project to create new jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section.

An application shall not propose to include both home-based employees and employees who are not home-based employees in the computation of Ohio employee payroll for the purposes of the same tax credit agreement, except that a qualifying work-from-home employee shall not be considered to be a home-based employee unless so designated by the applicant. If a taxpayer or potential taxpayer employs both home-based employees and employees who are not home-based employees in a project, the taxpayer shall submit separate applications for separate tax credit agreements for the

project, one of which shall include home-based employees in the 5322  
computation of Ohio employee payroll and one of which shall 5323  
include all other employees in the computation of Ohio employee 5324  
payroll. 5325

The director of development services shall prescribe the form 5326  
of the application. After receipt of an application, the authority 5327  
may enter into an agreement with the taxpayer for a credit under 5328  
this section if it determines all of the following: 5329

(a) The taxpayer's project will increase payroll; 5330

(b) The taxpayer's project is economically sound and will 5331  
benefit the people of this state by increasing opportunities for 5332  
employment and strengthening the economy of this state; 5333

(c) Receiving the tax credit is a major factor in the 5334  
taxpayer's decision to go forward with the project. 5335

(2)(a) A taxpayer that chooses to begin the project prior to 5336  
receiving the determination of the authority may, upon submitting 5337  
the taxpayer's application to the authority, request that the 5338  
chief investment officer of the nonprofit corporation formed under 5339  
section 187.01 of the Revised Code and the director review the 5340  
taxpayer's application and recommend to the authority that the 5341  
taxpayer's application be considered. As soon as possible after 5342  
receiving such a request, the chief investment officer and the 5343  
director shall review the taxpayer's application and, if they 5344  
determine that the application warrants consideration by the 5345  
authority, make that recommendation to the authority not later 5346  
than six months after the application is received by the 5347  
authority. 5348

(b) The authority shall consider any taxpayer's application 5349  
for which it receives a recommendation under division (C)(2)(a) of 5350  
this section. If the authority determines that the taxpayer does 5351  
not meet all of the criteria set forth in division (C)(1) of this 5352

section, the authority and the development services agency shall 5353  
proceed in accordance with rules adopted by the director pursuant 5354  
to division (I) of this section. 5355

(D) An agreement under this section shall include all of the 5356  
following: 5357

(1) A detailed description of the project that is the subject 5358  
of the agreement; 5359

(2)(a) The term of the tax credit, which, except as provided 5360  
in division (D)(2)(b) of this section, shall not exceed fifteen 5361  
years, and the first taxable year, or first calendar year that 5362  
includes a tax period, for which the credit may be claimed; 5363

(b) If the tax credit is computed on the basis of home-based 5364  
employees, the term of the credit shall expire on or before the 5365  
last day of the taxable or calendar year ending before the 5366  
beginning of the seventh year after September 6, 2012, the 5367  
effective date of H.B. 327 of the 129th general assembly. 5368

(3) A requirement that the taxpayer shall maintain operations 5369  
at the project location for at least the greater of seven years or 5370  
the term of the credit plus three years; 5371

(4) The percentage, as determined by the tax credit 5372  
authority, of excess payroll that will be allowed as the amount of 5373  
the credit for each taxable year or for each calendar year that 5374  
includes a tax period; 5375

(5) The pay increase factor to be applied to the taxpayer's 5376  
baseline payroll; 5377

(6) A requirement that the taxpayer annually shall report to 5378  
the director of development services full-time equivalent 5379  
employees, payroll, Ohio employee payroll, investment, the 5380  
provision of health care benefits and tuition reimbursement if 5381  
required in the agreement, and other information the director 5382

needs to perform the director's duties under this section; 5383

(7) A requirement that the director of development services 5384  
annually review the information reported under division (D)(6) of 5385  
this section and verify compliance with the agreement; if the 5386  
taxpayer is in compliance, a requirement that the director issue a 5387  
certificate to the taxpayer stating that the information has been 5388  
verified and identifying the amount of the credit that may be 5389  
claimed for the taxable or calendar year; 5390

(8) A provision providing that the taxpayer may not relocate 5391  
a substantial number of employment positions from elsewhere in 5392  
this state to the project location unless the director of 5393  
development services determines that the legislative authority of 5394  
the county, township, or municipal corporation from which the 5395  
employment positions would be relocated has been notified by the 5396  
taxpayer of the relocation. 5397

For purposes of this section, the movement of an employment 5398  
position from one political subdivision to another political 5399  
subdivision shall be considered a relocation of an employment 5400  
position unless the employment position in the first political 5401  
subdivision is replaced. The movement of a qualifying 5402  
work-from-home employee to a different residence located in this 5403  
state or to the project location shall not be considered a 5404  
relocation of an employment position. 5405

(9) If the tax credit is computed on the basis of home-based 5406  
employees, that the tax credit may not be claimed by the taxpayer 5407  
until the taxable year or tax period in which the taxpayer employs 5408  
at least two hundred employees more than the number of employees 5409  
the taxpayer employed on June 30, 2011. 5410

(E) If a taxpayer fails to meet or comply with any condition 5411  
or requirement set forth in a tax credit agreement, the tax credit 5412  
authority may amend the agreement to reduce the percentage or term 5413

of the tax credit. The reduction of the percentage or term may 5414  
take effect in the current taxable or calendar year. 5415

(F) Projects that consist solely of point-of-final-purchase 5416  
retail facilities are not eligible for a tax credit under this 5417  
section. If a project consists of both point-of-final-purchase 5418  
retail facilities and nonretail facilities, only the portion of 5419  
the project consisting of the nonretail facilities is eligible for 5420  
a tax credit and only the excess payroll from the nonretail 5421  
facilities shall be considered when computing the amount of the 5422  
tax credit. If a warehouse facility is part of a 5423  
point-of-final-purchase retail facility and supplies only that 5424  
facility, the warehouse facility is not eligible for a tax credit. 5425  
Catalog distribution centers are not considered 5426  
point-of-final-purchase retail facilities for the purposes of this 5427  
division, and are eligible for tax credits under this section. 5428

(G) Financial statements and other information submitted to 5429  
the development services agency or the tax credit authority by an 5430  
applicant or recipient of a tax credit under this section, and any 5431  
information taken for any purpose from such statements or 5432  
information, are not public records subject to section 149.43 of 5433  
the Revised Code. However, the chairperson of the authority may 5434  
make use of the statements and other information for purposes of 5435  
issuing public reports or in connection with court proceedings 5436  
concerning tax credit agreements under this section. Upon the 5437  
request of the tax commissioner or, if the applicant or recipient 5438  
is an insurance company, upon the request of the superintendent of 5439  
insurance, the chairperson of the authority shall provide to the 5440  
commissioner or superintendent any statement or information 5441  
submitted by an applicant or recipient of a tax credit in 5442  
connection with the credit. The commissioner or superintendent 5443  
shall preserve the confidentiality of the statement or 5444  
information. 5445

(H) A taxpayer claiming a credit under this section shall 5446  
submit to the tax commissioner or, if the taxpayer is an insurance 5447  
company, to the superintendent of insurance, a copy of the 5448  
director of development services' certificate of verification 5449  
under division (D)(7) of this section with the taxpayer's tax 5450  
report or return for the taxable year or for the calendar year 5451  
that includes the tax period. Failure to submit a copy of the 5452  
certificate with the report or return does not invalidate a claim 5453  
for a credit if the taxpayer submits a copy of the certificate to 5454  
the commissioner or superintendent within the time prescribed by 5455  
section 5703.0510 of the Revised Code or within thirty days after 5456  
the commissioner or superintendent requests it. 5457

(I) The director of development services, after consultation 5458  
with the tax commissioner and the superintendent of insurance and 5459  
in accordance with Chapter 119. of the Revised Code, shall adopt 5460  
rules necessary to implement this section, including rules that 5461  
establish a procedure to be followed by the tax credit authority 5462  
and the development services agency in the event the authority 5463  
considers a taxpayer's application for which it receives a 5464  
recommendation under division (C)(2)(a) of this section but does 5465  
not approve it. The rules may provide for recipients of tax 5466  
credits under this section to be charged fees to cover 5467  
administrative costs of the tax credit program. For the purposes 5468  
of these rules, a qualifying work-from-home employee shall be 5469  
considered to be an employee employed at the applicant's project 5470  
location. The fees collected shall be credited to the ~~business~~ 5471  
~~assistance~~ tax incentives operating fund created in section 5472  
122.174 of the Revised Code. At the time the director gives public 5473  
notice under division (A) of section 119.03 of the Revised Code of 5474  
the adoption of the rules, the director shall submit copies of the 5475  
proposed rules to the chairpersons of the standing committees on 5476  
economic development in the senate and the house of 5477  
representatives. 5478

(J) For the purposes of this section, a taxpayer may include 5479  
a partnership, a corporation that has made an election under 5480  
subchapter S of chapter one of subtitle A of the Internal Revenue 5481  
Code, or any other business entity through which income flows as a 5482  
distributive share to its owners. A partnership, S-corporation, or 5483  
other such business entity may elect to pass the credit received 5484  
under this section through to the persons to whom the income or 5485  
profit of the partnership, S-corporation, or other entity is 5486  
distributed. The election shall be made on the annual report 5487  
required under division (D)(6) of this section. The election 5488  
applies to and is irrevocable for the credit for which the report 5489  
is submitted. If the election is made, the credit shall be 5490  
apportioned among those persons in the same proportions as those 5491  
in which the income or profit is distributed. 5492

(K)(1) If the director of development services determines 5493  
that a taxpayer who has received a credit under this section is 5494  
not complying with the requirements of the agreement, the director 5495  
shall notify the tax credit authority of the noncompliance. After 5496  
receiving such a notice, and after giving the taxpayer an 5497  
opportunity to explain the noncompliance, the tax credit authority 5498  
may require the taxpayer to refund to this state a portion of the 5499  
credit in accordance with the following: 5500

(a) If the taxpayer fails to comply with the requirement 5501  
under division (D)(3) of this section, an amount determined in 5502  
accordance with the following: 5503

(i) If the taxpayer maintained operations at the project 5504  
location for a period less than or equal to the term of the 5505  
credit, an amount not exceeding one hundred per cent of the sum of 5506  
any credits allowed and received under this section; 5507

(ii) If the taxpayer maintained operations at the project 5508  
location for a period longer than the term of the credit, but less 5509  
than the greater of seven years or the term of the credit plus 5510

three years, an amount not exceeding seventy-five per cent of the 5511  
sum of any credits allowed and received under this section. 5512

(b) If, on the metric evaluation date, the taxpayer fails to 5513  
substantially meet the job creation, payroll, or investment 5514  
requirements included in the agreement, an amount determined at 5515  
the discretion of the authority; 5516

(c) If the taxpayer fails to substantially maintain the 5517  
number of new full-time equivalent employees or amount of payroll 5518  
required under the agreement at any time during the term of the 5519  
agreement after the metric evaluation date, an amount determined 5520  
at the discretion of the authority. 5521

(2) If a taxpayer files for bankruptcy and fails as described 5522  
in division (K)(1)(a), (b), or (c) of this section, the director 5523  
may immediately commence an action to recoup an amount not 5524  
exceeding one hundred per cent of the sum of any credits received 5525  
by the taxpayer under this section. 5526

(3) In determining the portion of the tax credit to be 5527  
refunded to this state, the tax credit authority shall consider 5528  
the effect of market conditions on the taxpayer's project and 5529  
whether the taxpayer continues to maintain other operations in 5530  
this state. After making the determination, the authority shall 5531  
certify the amount to be refunded to the tax commissioner or 5532  
superintendent of insurance, as appropriate. If the amount is 5533  
certified to the commissioner, the commissioner shall make an 5534  
assessment for that amount against the taxpayer under Chapter 5535  
5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the 5536  
amount is certified to the superintendent, the superintendent 5537  
shall make an assessment for that amount against the taxpayer 5538  
under Chapter 5725. or 5729. of the Revised Code. The time 5539  
limitations on assessments under those chapters do not apply to an 5540  
assessment under this division, but the commissioner or 5541  
superintendent, as appropriate, shall make the assessment within 5542

one year after the date the authority certifies to the 5543  
commissioner or superintendent the amount to be refunded. 5544

(L) On or before the first day of August each year, the 5545  
director of development services shall submit a report to the 5546  
governor, the president of the senate, and the speaker of the 5547  
house of representatives on the tax credit program under this 5548  
section. The report shall include information on the number of 5549  
agreements that were entered into under this section during the 5550  
preceding calendar year, a description of the project that is the 5551  
subject of each such agreement, and an update on the status of 5552  
projects under agreements entered into before the preceding 5553  
calendar year. 5554

(M) There is hereby created the tax credit authority, which 5555  
consists of the director of development services and four other 5556  
members appointed as follows: the governor, the president of the 5557  
senate, and the speaker of the house of representatives each shall 5558  
appoint one member who shall be a specialist in economic 5559  
development; the governor also shall appoint a member who is a 5560  
specialist in taxation. Terms of office shall be for four years. 5561  
Each member shall serve on the authority until the end of the term 5562  
for which the member was appointed. Vacancies shall be filled in 5563  
the same manner provided for original appointments. Any member 5564  
appointed to fill a vacancy occurring prior to the expiration of 5565  
the term for which the member's predecessor was appointed shall 5566  
hold office for the remainder of that term. Members may be 5567  
reappointed to the authority. Members of the authority shall 5568  
receive their necessary and actual expenses while engaged in the 5569  
business of the authority. The director of development services 5570  
shall serve as chairperson of the authority, and the members 5571  
annually shall elect a vice-chairperson from among themselves. 5572  
Three members of the authority constitute a quorum to transact and 5573  
vote on the business of the authority. The majority vote of the 5574

membership of the authority is necessary to approve any such 5575  
business, including the election of the vice-chairperson. 5576

The director of development services may appoint a 5577  
professional employee of the development services agency to serve 5578  
as the director's substitute at a meeting of the authority. The 5579  
director shall make the appointment in writing. In the absence of 5580  
the director from a meeting of the authority, the appointed 5581  
substitute shall serve as chairperson. In the absence of both the 5582  
director and the director's substitute from a meeting, the 5583  
vice-chairperson shall serve as chairperson. 5584

(N) For purposes of the credits granted by this section 5585  
against the taxes imposed under sections 5725.18 and 5729.03 of 5586  
the Revised Code, "taxable year" means the period covered by the 5587  
taxpayer's annual statement to the superintendent of insurance. 5588

(O) On or before the first day of March of each of the five 5589  
calendar years beginning with 2014, each taxpayer subject to an 5590  
agreement with the tax credit authority under this section on the 5591  
basis of home-based employees shall report the number of 5592  
home-based employees and other employees employed by the taxpayer 5593  
in this state to the development services agency. 5594

(P) On or before the first day of January of 2019, the 5595  
director of development services shall submit a report to the 5596  
governor, the president of the senate, and the speaker of the 5597  
house of representatives on the effect of agreements entered into 5598  
under this section in which the taxpayer included home-based 5599  
employees in the computation of income tax revenue, as that term 5600  
was defined in this section prior to the amendment of this section 5601  
by H.B. 64 of the 131st general assembly. The report shall include 5602  
information on the number of such agreements that were entered 5603  
into in the preceding six years, a description of the projects 5604  
that were the subjects of such agreements, and an analysis of 5605  
nationwide home-based employment trends, including the number of 5606

home-based jobs created from July 1, 2011, through June 30, 2017, 5607  
and a description of any home-based employment tax incentives 5608  
provided by other states during that time. 5609

(Q) The director of development services may require any 5610  
agreement entered into under this section for a tax credit 5611  
computed on the basis of home-based employees to contain a 5612  
provision that the taxpayer makes available health care benefits 5613  
and tuition reimbursement to all employees. 5614

(R) Original agreements approved by the tax credit authority 5615  
under this section in 2014 or 2015 before ~~the effective date of~~ 5616  
~~this division~~ September 29, 2015, may be revised at the request of 5617  
the taxpayer to conform with the amendments to this section and 5618  
sections 5733.0610, 5736.50, 5747.058, and 5751.50 of the Revised 5619  
Code by H.B. 64 of the 131st general assembly, upon mutual 5620  
agreement of the taxpayer and the development services agency, and 5621  
approval by the tax credit authority. 5622

(S)(1) As used in division (S) of this section: 5623

(a) "Eligible agreement" means an agreement approved by the 5624  
tax credit authority under this section on or before December 31, 5625  
2013. 5626

(b) "Reporting period" means a period corresponding to the 5627  
annual report required under division (D)(6) of this section. 5628

(c) "Income tax revenue" has the same meaning as under this 5629  
section as it existed before September 29, 2015, the effective 5630  
date of the amendment of this section by H.B. 64 of the 131st 5631  
general assembly. 5632

(2) In calendar year 2016 and thereafter, the tax credit 5633  
authority shall annually determine a withholding adjustment factor 5634  
to be used in the computation of income tax revenue for eligible 5635  
agreements. The withholding adjustment factor shall be a numerical 5636  
percentage that equals the percentage that employer income tax 5637

withholding rates have been increased or decreased as a result of 5638  
changes in the income tax rates prescribed by section 5747.02 of 5639  
the Revised Code by amendment of that section taking effect on or 5640  
after June 29, 2013. 5641

(3) Except as provided in division (S)(4) of this section, 5642  
for reporting periods ending in 2015 and thereafter for taxpayers 5643  
subject to eligible agreements, the tax credit authority shall 5644  
adjust the income tax revenue reported on the taxpayer's annual 5645  
report by multiplying the withholding adjustment factor by the 5646  
taxpayer's income tax revenue and doing one of the following: 5647

(a) If the income tax rates prescribed by section 5747.02 of 5648  
the Revised Code have decreased by amendment of that section 5649  
taking effect on or after June 29, 2013, add the product to the 5650  
taxpayer's income tax revenue. 5651

(b) If the income tax rates prescribed by section 5747.02 of 5652  
the Revised Code have increased by amendment of that section 5653  
taking effect on or after June 29, 2013, subtract the product from 5654  
the taxpayer's income tax revenue. 5655

(4) Division (S)(3) of this section shall not apply unless 5656  
all of the following apply for the reporting period with respect 5657  
to the eligible agreement: 5658

(a) The taxpayer has achieved one hundred per cent of the new 5659  
employment commitment identified in the agreement. 5660

(b) If applicable, the taxpayer has achieved one hundred per 5661  
cent of the new payroll commitment identified in the agreement. 5662

(c) If applicable, the taxpayer has achieved one hundred per 5663  
cent of the investment commitment identified in the agreement. 5664

(5) Failure by a taxpayer to have achieved any of the 5665  
applicable commitments described in divisions (S)(4)(a) to (c) of 5666  
this section in a reporting period does not disqualify the 5667

taxpayer for the adjustment under division (S) of this section for 5668  
an ensuing reporting period. 5669

**Sec. 122.171.** (A) As used in this section: 5670

principles, but does not include any of the following: 5676

(a) Payments made for the acquisition of personal property 5677  
through operating leases; 5678

(2) "Eligible business" means a taxpayer and its related 5684

(b) The taxpayer makes or causes to be made payments for the 5690  
capital investment project of one of the following: 5691

(i) If the taxpayer is engaged at the project site primarily 5692

the director of development services by rule, at least twenty 5700  
million dollars in the aggregate at the project site during a 5701

(3) "Full-time equivalent employees" means the quotient 5708  
obtained by dividing the total number of hours for which employees 5709  
were compensated for employment in the project by two thousand 5710  
eighty. "Full-time equivalent employees" shall exclude hours that 5711  
are counted for a credit under section 122.17 of the Revised Code. 5712

(4) "Ohio employee payroll" has the same meaning as in 5713  
section 122.17 of the Revised Code. 5714

(5) "Manufacturer" has the same meaning as in section 5715

section, within a fifteen-mile radius where a taxpayer is 5719  
primarily operating as an eligible business. 5720

(7) "Related member" has the same meaning as in section 5721  
5733.042 of the Revised Code as that section existed on the 5722  
effective date of its amendment by Am. Sub. H.B. 215 of the 122nd 5723  
general assembly, September 29, 1997. 5724

(8) "Taxable year" includes, in the case of a domestic or 5725  
foreign insurance company, the calendar year ending on the 5726  
thirty-first day of December preceding the day the superintendent 5727  
of insurance is required to certify to the treasurer of state 5728

under section 5725.20 or 5729.05 of the Revised Code the amount of 5729  
taxes due from insurance companies. 5730

(B) The tax credit authority created under section 122.17 of 5731  
the Revised Code may grant a nonrefundable tax credit to an 5732  
eligible business under this section for the purpose of fostering 5733  
job retention in this state. Upon application by an eligible 5734  
business and upon consideration of the determination of the 5735  
director of budget and management, tax commissioner, and the 5736  
superintendent of insurance in the case of an insurance company, 5737  
and the recommendation and determination of the director of 5738  
development services under division (C) of this section, the tax 5739  
credit authority may grant the credit against the tax imposed by 5740  
section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, 5747.02, or 5741  
5751.02 of the Revised Code. 5742

The credit authorized in this section may be granted for a 5743  
period up to fifteen taxable years or, in the case of the tax 5744  
levied by section 5736.02 or 5751.02 of the Revised Code, for a 5745  
period of up to fifteen calendar years. The credit amount for a 5746  
taxable year or a calendar year that includes the tax period for 5747  
which a credit may be claimed equals the Ohio employee payroll for 5748  
that year multiplied by the percentage specified in the agreement 5749  
with the tax credit authority. The credit shall be claimed in the 5750  
order required under section 5725.98, 5726.98, 5729.98, 5733.98, 5751  
5747.98, or 5751.98 of the Revised Code. In determining the 5752  
percentage and term of the credit, the tax credit authority shall 5753  
consider both the number of full-time equivalent employees and the 5754  
value of the capital investment project. The credit amount may not 5755  
be based on the Ohio employee payroll for a calendar year before 5756  
the calendar year in which the tax credit authority specifies the 5757  
tax credit is to begin, and the credit shall be claimed only for 5758  
the taxable years or tax periods specified in the eligible 5759  
business' agreement with the tax credit authority. In no event 5760

shall the credit be claimed for a taxable year or tax period 5761  
terminating before the date specified in the agreement. 5762

If a credit allowed under this section for a taxable year or 5763  
tax period exceeds the taxpayer's tax liability for that year or 5764  
period, the excess may be carried forward for the three succeeding 5765  
taxable or calendar years, but the amount of any excess credit 5766  
allowed in any taxable year or tax period shall be deducted from 5767  
the balance carried forward to the succeeding year or period. 5768

(C) A taxpayer that proposes a capital investment project to 5769  
retain jobs in this state may apply to the tax credit authority to 5770  
enter into an agreement for a tax credit under this section. The 5771  
director of development services shall prescribe the form of the 5772  
application. After receipt of an application, the authority shall 5773  
forward copies of the application to the director of budget and 5774  
management, the tax commissioner, and the superintendent of 5775  
insurance in the case of an insurance company, each of whom shall 5776  
review the application to determine the economic impact the 5777  
proposed project would have on the state and the affected 5778  
political subdivisions and shall submit a summary of their 5779  
determinations to the authority. The authority shall also forward 5780  
a copy of the application to the director of development services, 5781  
who shall review the application to determine the economic impact 5782  
the proposed project would have on the state and the affected 5783  
political subdivisions and shall submit a summary of the 5784  
director's determinations and recommendations to the authority. 5785

(D) Upon review and consideration of the determinations and 5786  
recommendations described in division (C) of this section, the tax 5787  
credit authority may enter into an agreement with the taxpayer for 5788  
a credit under this section if the authority determines all of the 5789  
following: 5790

(1) The taxpayer's capital investment project will result in 5791  
the retention of employment in this state. 5792

(2) The taxpayer is economically sound and has the ability to complete the proposed capital investment project. 5793  
5794

(3) The taxpayer intends to and has the ability to maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years. 5795  
5796  
5797

(4) Receiving the credit is a major factor in the taxpayer's decision to begin, continue with, or complete the project. 5798  
5799

(E) An agreement under this section shall include all of the following: 5800  
5801

(1) A detailed description of the project that is the subject of the agreement, including the amount of the investment, the period over which the investment has been or is being made, the number of full-time equivalent employees at the project site, and the anticipated Ohio employee payroll to be generated. 5802  
5803  
5804  
5805  
5806

(2) The term of the credit, the percentage of the tax credit, the maximum annual value of tax credits that may be allowed each year, and the first year for which the credit may be claimed. 5807  
5808  
5809

(3) A requirement that the taxpayer maintain operations at the project site for at least the greater of (a) the term of the credit plus three years, or (b) seven years. 5810  
5811  
5812

(4) A requirement that the taxpayer retain at least five hundred full-time equivalent employees at the project site and within this state for the entire term of the credit, or a requirement that the taxpayer maintain an annual Ohio employee payroll of at least thirty-five million dollars for the entire term of the credit. 5813  
5814  
5815  
5816  
5817  
5818

(5) A requirement that the taxpayer annually report to the director of development services full-time equivalent employees, Ohio employee payroll, capital investment, and other information the director needs to perform the director's duties under this 5819  
5820  
5821  
5822

section. 5823

(6) A requirement that the director of development services 5824  
annually review the annual reports of the taxpayer to verify the 5825  
information reported under division (E)(5) of this section and 5826  
compliance with the agreement. Upon verification, the director 5827  
shall issue a certificate to the taxpayer stating that the 5828  
information has been verified and identifying the amount of the 5829  
credit for the taxable year or calendar year that includes the tax 5830  
period. In determining the number of full-time equivalent 5831  
employees, no position shall be counted that is filled by an 5832  
employee who is included in the calculation of a tax credit under 5833  
section 122.17 of the Revised Code. 5834

(7) A provision providing that the taxpayer may not relocate 5835  
a substantial number of employment positions from elsewhere in 5836  
this state to the project site unless the director of development 5837  
services determines that the taxpayer notified the legislative 5838  
authority of the county, township, or municipal corporation from 5839  
which the employment positions would be relocated. 5840

For purposes of this section, the movement of an employment 5841  
position from one political subdivision to another political 5842  
subdivision shall be considered a relocation of an employment 5843  
position unless the movement is confined to the project site. The 5844  
transfer of an employment position from one political subdivision 5845  
to another political subdivision shall not be considered a 5846  
relocation of an employment position if the employment position in 5847  
the first political subdivision is replaced by another employment 5848  
position. 5849

(8) A waiver by the taxpayer of any limitations periods 5850  
relating to assessments or adjustments resulting from the 5851  
taxpayer's failure to comply with the agreement. 5852

(F) If a taxpayer fails to meet or comply with any condition 5853

or requirement set forth in a tax credit agreement, the tax credit 5854  
authority may amend the agreement to reduce the percentage or term 5855  
of the credit. The reduction of the percentage or term may take 5856  
effect in the current taxable or calendar year. 5857

(G) Financial statements and other information submitted to 5858  
the department of development services or the tax credit authority 5859  
by an applicant for or recipient of a tax credit under this 5860  
section, and any information taken for any purpose from such 5861  
statements or information, are not public records subject to 5862  
section 149.43 of the Revised Code. However, the chairperson of 5863  
the authority may make use of the statements and other information 5864  
for purposes of issuing public reports or in connection with court 5865  
proceedings concerning tax credit agreements under this section. 5866  
Upon the request of the tax commissioner, or the superintendent of 5867  
insurance in the case of an insurance company, the chairperson of 5868  
the authority shall provide to the commissioner or superintendent 5869  
any statement or other information submitted by an applicant for 5870  
or recipient of a tax credit in connection with the credit. The 5871  
commissioner or superintendent shall preserve the confidentiality 5872  
of the statement or other information. 5873

(H) A taxpayer claiming a tax credit under this section shall 5874  
submit to the tax commissioner or, in the case of an insurance 5875  
company, to the superintendent of insurance, a copy of the 5876  
director of development services' certificate of verification 5877  
under division (E)(6) of this section with the taxpayer's tax 5878  
report or return for the taxable year or for the calendar year 5879  
that includes the tax period. Failure to submit a copy of the 5880  
certificate with the report or return does not invalidate a claim 5881  
for a credit if the taxpayer submits a copy of the certificate to 5882  
the commissioner or superintendent within the time prescribed by 5883  
section 5703.0510 of the Revised Code or within thirty days after 5884  
the commissioner or superintendent requests it. 5885

(I) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report required under division (E)(5) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(J)(1) If the director of development services determines that a taxpayer that received a certificate under division (E)(6) of this section is not complying with the requirements of the agreement, the director shall notify the tax credit authority of the noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the authority may terminate the agreement and require the taxpayer, or any related member or members that claimed the tax credit under division (N) of this section, to refund to the state all or a portion of the credit claimed in previous years, as follows:

(a) If the taxpayer fails to comply with the requirement under division (E)(3) of this section, an amount determined in accordance with the following:

(i) If the taxpayer maintained operations at the project site for less than or equal to the term of the credit, an amount not to exceed one hundred per cent of the sum of any tax credits allowed and received under this section.

(ii) If the taxpayer maintained operations at the project

site longer than the term of the credit, but less than the greater 5918  
of seven years or the term of the credit plus three years, the 5919  
amount required to be refunded shall not exceed seventy-five per 5920  
cent of the sum of any tax credits allowed and received under this 5921  
section. 5922

(b) If the taxpayer fails to substantially maintain both the 5923  
number of full-time equivalent employees and the amount of Ohio 5924  
employee payroll required under the agreement at any time during 5925  
the term of the agreement or during the post-term reporting 5926  
period, an amount determined at the discretion of the authority. 5927

(2) If a taxpayer files for bankruptcy and fails as described 5928  
in division (J)(1)(a) or (b) of this section, the director may 5929  
immediately commence an action to recoup an amount not exceeding 5930  
one hundred per cent of the sum of any credits received by the 5931  
taxpayer under this section. 5932

(3) In determining the portion of the credit to be refunded 5933  
to this state, the authority shall consider the effect of market 5934  
conditions on the taxpayer's project and whether the taxpayer 5935  
continues to maintain other operations in this state. After making 5936  
the determination, the authority shall certify the amount to be 5937  
refunded to the tax commissioner or the superintendent of 5938

information required by the director to perform the director's 6235

agreement to verify the information reported under division (E)(5) 6239  
of this section and compliance with the agreement. Upon 6240  
verification, the director shall issue a certificate to each such 6241  
taxpayer stating that the information has been verified and that 6242  
the taxpayer remains eligible for the exemption specified in the 6243  
agreement. 6244

(7) A provision providing that the taxpayers subject to the 6245  
agreement may not relocate a substantial number of employment 6246  
positions from elsewhere in this state to the project site unless 6247  
the director of development services determines that the 6248  
appropriate taxpayer notified the legislative authority of the 6249  
county, township, or municipal corporation from which the 6250  
employment positions would be relocated. For purposes of this 6251  
paragraph, the movement of an employment position from one 6252  
political subdivision to another political subdivision shall be 6253  
considered a relocation of an employment position unless the 6254  
movement is confined to the project site. The transfer of an 6255  
employment position from one political subdivision to another 6256  
political subdivision shall not be considered a relocation of an 6257  
employment position if the employment position in the first 6258  
political subdivision is replaced by another employment position. 6259

(8) A waiver by each taxpayer subject to the agreement of any 6260  
limitations periods relating to assessments or adjustments 6261  
resulting from the taxpayer's failure to comply with the 6262  
agreement. 6263

(F) The term of an agreement under this section shall be 6264  
determined by the tax credit authority, and the amount of the 6265  
exemption shall not exceed one hundred per cent of such taxes that 6266  
would otherwise be owed in respect to the exempted computer data 6267  
center equipment. 6268

(G) If any taxpayer subject to an agreement under this 6269  
section fails to meet or comply with any condition or requirement 6270  
set forth in the agreement, the tax credit authority may amend the 6271  
agreement to reduce the percentage of the exemption or term during 6272  
which the exemption applies to the computer data center equipment 6273  
used or to be used by the noncompliant taxpayer at an eligible 6274  
computer data center. The reduction of the percentage or term may 6275  
take effect in the current calendar year. 6276

(H) Financial statements and other information submitted to 6277  
the department of development services or the tax credit authority 6278  
by an applicant for or recipient of an exemption under this 6279  
section, and any information taken for any purpose from such 6280  
statements or information, are not public records subject to 6281  
section 149.43 of the Revised Code. However, the chairperson of 6282  
the authority may make use of the statements and other information 6283  
for purposes of issuing public reports or in connection with court 6284  
proceedings concerning tax exemption agreements under this 6285  
section. Upon the request of the tax commissioner, the chairperson 6286  
of the authority shall provide to the tax commissioner any 6287  
statement or other information submitted by an applicant for or 6288  
recipient of an exemption under this section. The tax commissioner 6289  
shall preserve the confidentiality of the statement or other 6290  
information. 6291

(I) The tax commissioner shall issue a direct payment permit 6292  
under section 5739.031 of the Revised Code to each taxpayer 6293  
subject to an agreement under this section. Such direct payment 6294  
permit shall authorize the taxpayer to pay any sales and use taxes 6295  
due on purchases of computer data center equipment used or to be 6296  
used in an eligible computer data center and to pay any sales and 6297  
use taxes due on purchases of tangible personal property or 6298  
taxable services other than computer data center equipment used or 6299  
to be used in an eligible computer data center directly to the tax 6300  
commissioner. Each such taxpayer shall pay pursuant to such direct 6301  
payment permit all sales tax levied on such purchases under 6302  
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 6303  
Code and all use tax levied on such purchases under sections 6304  
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 6305  
consistent with the terms of the agreement entered into under this 6306  
section. 6307

During the term of an agreement under this section each 6308  
taxpayer subject to the agreement shall submit to the tax 6309  
commissioner a return that shows the amount of computer data 6310  
center equipment purchased for use at the eligible computer data 6311  
center, the amount of tangible personal property and taxable 6312  
services other than computer data center equipment purchased for 6313  
use at the eligible computer data center, the amount of tax under 6314  
Chapter 5739. or 5741. of the Revised Code that would be due in 6315  
the absence of the agreement under this section, the exemption 6316  
percentage for computer data center equipment specified in the 6317  
agreement, and the amount of tax due under Chapter 5739. or 5741. 6318  
of the Revised Code as a result of the agreement under this 6319  
section. Each such taxpayer shall pay the tax shown on the return 6320  
to be due in the manner and at the times as may be further 6321  
prescribed by the tax commissioner. Each such taxpayer shall 6322  
include a copy of the director of development services' 6323  
certificate of verification issued under division (E)(6) of this 6324

section. Failure to submit a copy of the certificate with the 6325  
return does not invalidate the claim for exemption if the taxpayer 6326  
submits a copy of the certificate to the tax commissioner within 6327  
~~sixty days after the tax commissioner requests it the time~~ 6328  
prescribed by section 5703.0510 of the Revised Code. 6329

(J) If the director of development services determines that 6330  
one or more taxpayers received an exemption from taxes due on the 6331  
purchase of computer data center equipment purchased for use at a 6332  
computer data center that no longer complies with the requirement 6333  
under division (E)(3) of this section, the director shall notify 6334  
the tax credit authority and, if applicable, the taxpayer that 6335  
applied to enter the agreement for the exemption under division 6336  
(C) of this section of the noncompliance. After receiving such a 6337  
notice, and after giving each taxpayer subject to the agreement an 6338  
opportunity to explain the noncompliance, the authority may 6339  
terminate the agreement and require each such taxpayer to pay to 6340  
the state all or a portion of the taxes that would have been owed 6341  
in regards to the exempt equipment in previous years, all as 6342  
determined under rules adopted pursuant to division (K) of this 6343  
section. In determining the portion of the taxes that would have 6344  
been owed on the previously exempted equipment to be paid to this 6345  
state by a taxpayer, the authority shall consider the effect of 6346  
market conditions on the eligible computer data center, whether 6347  
the taxpayer continues to maintain other operations in this state, 6348  
and, with respect to agreements involving multiple taxpayers, the 6349  
taxpayer's level of responsibility for the noncompliance. After 6350  
making the determination, the authority shall certify to the tax 6351  
commissioner the amount to be paid by each taxpayer subject to the 6352  
agreement. The tax commissioner shall make an assessment for that 6353  
amount against each such taxpayer under Chapter 5739. or 5741. of 6354  
the Revised Code. The time limitations on assessments under those 6355  
chapters do not apply to an assessment under this division, but 6356  
the tax commissioner shall make the assessment within one year 6357

after the date the authority certifies to the tax commissioner the amount to be paid by the taxpayer.

(K) The director of development services, after consultation with the tax commissioner and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section. The rules may provide for recipients of tax exemptions under this section to be charged fees to cover administrative costs incurred in the administration of this section. The fees collected shall be credited to the ~~business assistance tax incentives operating~~ fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(L) On or before the first day of August of each year, the director of development services shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax exemption authorized under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the eligible computer data center that is the subject of each such agreement, and an update on the status of eligible computer data centers under agreements entered into before the preceding calendar year.

(M) A taxpayer may be made a party to an existing agreement entered into under this section by the tax credit authority and another taxpayer or group of taxpayers. In such a case, the taxpayer shall be entitled to all benefits and bound by all obligations contained in the agreement and all requirements described in this section. When an agreement includes multiple taxpayers, each taxpayer shall be entitled to a direct payment

permit as authorized in division (I) of this section. 6390

Code and that, in making the agreement, as it relates to patents, 6409

the economic welfare of the people of the state through promoting 6440  
the development of new commercial technology. 6441

committed in the computation of the credit amount. 6667

examine the company's production expenditures to identify the 6675  
expenditures that qualify as eligible production expenditures. The 6676  
certified public accountant shall issue a report to the company 6677  
and to the director of development services certifying the 6678  
company's eligible production expenditures and any other 6679  
information required by the director. Upon receiving and examining 6680  
the report, the director may disallow any expenditure the director 6681  
determines is not an eligible production expenditure. If the 6682  
director disallows an expenditure, the director shall issue a 6683  
written notice to the motion picture production company stating 6684  
that the expenditure is disallowed and the reason for the 6685  
disallowance. Upon examination of the report and disallowance of 6686  
any expenditures, the director shall determine finally the lesser 6687  
of the total budgeted eligible production expenditures stated in 6688  
the application submitted under division (B) of this section or 6689  
the actual eligible production expenditures for the purpose of 6690  
computing the amount of the credit. 6691

(E) No credit shall be allowed under section 5726.55, 6692  
5733.59, 5747.66, or 5751.54 of the Revised Code unless the 6693  
director has reviewed the report and made the determination 6694  
prescribed by division (D) of this section. 6695

(F) This state reserves the right to refuse the use of this 6696  
state's name in the credits of any tax credit-eligible motion 6697

picture production. 6698

(G)(1) The director of development services in consultation 6699  
with the tax commissioner shall adopt rules for the administration 6700

tax credit-eligible production; activities that constitute the 6703  
production of a motion picture; reporting sufficient evidence of 6704  
reviewable progress; expenditures that qualify as eligible 6705  
production expenditures; a competitive process for approving 6706

~~incentives operating~~ fund created in section 122.174 of the 6714  
Revised Code. All grants, gifts, fees, and contributions made to 6715

~~director shall use money in the fund to pay expenses related to~~ 6718  
~~the administration of the Ohio film office and the credit~~ 6719  
~~authorized by this section and sections 5726.55, 5733.59, 5747.66,~~ 6720  
~~and 5751.54 of the Revised Code.~~ 6721

(H)(1) After the director of development services makes the 6722  
determination required under division (D) of this section, a 6723  
motion picture company to which a tax credit certificate is issued 6724  
may transfer the authority to claim all or a portion of the amount 6725  
of the tax credit the motion picture company is authorized to 6726  
claim pursuant to that certificate under section 5726.55, 5733.59, 6727

(d) The tax identification number of each transferee; 6738

(e) The date of the transfer; 6739

(f) Any other information required by the director; 6740

The director shall deliver a copy of any submission received 6742  
under division (H)(1) of this section to the tax commissioner. 6743

(2) A transferee may not claim a credit under section 6744  
5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless 6745  
and until the transferring motion picture company complies with 6746  
division (H)(1) of this section. A transferee may claim the 6747  
transferred amount of any credit or portion of a credit for the 6748  
same taxable year or tax period for which the transferring motion 6749  
picture company was authorized to claim the credit or portion of a 6750  
credit pursuant to the certificate. A motion picture company shall 6751  
make no transfer under division (H)(1) of this section after the 6752  
last day of the tax period or taxable year for which the motion 6753  
picture company is required to claim the credit pursuant to the 6754  
certificate. 6755

A motion picture company may make not more than one transfer 6756

authority to claim a portion of the credit to more than one 6759

(G)(1) The board of education may contract with an architect, 9153  
professional engineer, or other person experienced in the design 9154

construction commission, a baseline analysis of actual energy 9165  
consumption data for the preceding three years with the utility 9166

preceding twelve months, and estimates of the amounts by which 9168  
energy consumption and resultant operational and maintenance 9169  
costs, as defined by the commission, would be reduced. 9170

If the board finds after receiving the report that the amount 9171  
of money the district would spend on such installations, 9172  
modifications, or remodeling is not likely to exceed the amount of 9173  
money it would save in energy and resultant operational and 9174  
maintenance costs over the ensuing fifteen years, the board may 9175  
submit to the commission a copy of its findings and a request for 9176  
approval to incur indebtedness to finance the making or 9177  
modification of installations or the remodeling of buildings for 9178

interest of the school district. 9186

No district board of education of a school district that is 9187  
in a state of fiscal emergency pursuant to division (B) of section 9188  
3316.03 of the Revised Code shall submit a request without 9189  
submitting evidence that the installations, modifications, or 9190

the Revised Code. 9193

No board of education of a school district ~~that, for three or~~ 9194

~~more consecutive years, has been declared to be in a state of~~ 9195  
~~academic emergency under section 3302.03 of the Revised Code, as~~ 9196  
~~that section existed prior to March 22, 2013, and has failed to~~ 9197  
~~meet adequate yearly progress, or has met any condition set forth~~ 9198  
~~in division (A) of for which an academic distress commission has~~ 9199  
been established under section 3302.10 of the Revised Code shall 9200  
submit a request without first receiving approval to incur 9201  
indebtedness from the district's academic distress commission 9202

report shall include cost estimates detailing the return on 9209  
investment over the life of the alternative fuel vehicles and 9210

shall include estimates of all costs associated with alternative 9212  
fuel transportation, including facility modifications and vehicle 9213  
purchase costs or conversion costs. 9214

If the board finds after receiving the report that the amount 9215  
of money the district would spend on purchasing alternative fuel 9216  
vehicles or vehicle conversion is not likely to exceed the amount 9217  
of money it would save in fuel and resultant operational and 9218  
maintenance costs over the ensuing five years, the board may 9219  
submit to the commission a copy of its findings and a request for 9220  
approval to incur indebtedness to finance the purchase of new 9221  
alternative fuel vehicles or vehicle conversions for the purpose 9222  
of reducing fuel costs. 9223

The facilities construction commission, in consultation with 9224  
the auditor of state, may deny a request under division (G)(2) of 9225  
this section by the board of education of any school district that 9226

No board of education of a school district for which an academic distress commission has been established under section 3302.10 of the Revised Code shall submit a request without first receiving approval to incur indebtedness from the district's academic distress commission established under that section, for so long as such commission continues to be required for the district.

(a) The commission determines that the board's findings are reasonable.

(b) The request for approval is complete.

(c) ~~The~~ If the request was submitted under division (G)(1) of this section, the installations, modifications, or remodeling are consistent with any project to construct or acquire classroom facilities, or to reconstruct or make additions to existing classroom facilities under sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised Code.

Upon receipt of the commission's approval, the district may issue securities without a vote of the electors in a principal

amount not to exceed nine-tenths of one per cent of its tax 9258  
valuation for the purpose ~~of making such installations,~~ 9259  
~~modifications, or remodeling~~ specified in division (G)(1) or (2) 9260  
of this section, but the total net indebtedness of the district 9261

sections of the Revised Code, except section 3318.052 of the 9263  
Revised Code, shall not exceed one per cent of the district's tax 9264  
valuation. 9265

~~(3)~~(4)(a) So long as any securities issued under ~~this~~ 9266  
division (G)(1) of this section remain outstanding, the board of 9267  
education shall monitor the energy consumption and resultant 9268  
operational and maintenance costs of buildings in which 9269  
installations or modifications have been made or remodeling has 9270  
been done pursuant to ~~this~~ that division. Except as provided in 9271

(b) An amount determined by rules adopted by the treasurer of 9619  
state that set forth the criteria for determining the aggregate 9620

and soundness of the public depository as determined by a 9625  
third-party rating organization. 9626

(2) The treasurer of state shall monitor the eligibility, 9627

(C) The public depository shall designate a qualified trustee 9642  
approved by the treasurer of state and place with such trustee for 9643  
safekeeping the eligible securities pledged pursuant to division 9644  
(B) of this section. The trustee shall hold the eligible 9645  
securities in an account indicating the treasurer of state's 9646  
security interest in the eligible securities. The treasurer of 9647  
state shall give written notice of the trustee to all public 9648

securities pledged to secure such public deposits in a manner and 9651  
frequency as determined by the treasurer of state. 9652

under this section, the public depository and the treasurer of 9654  
state shall first execute an agreement that sets forth the entire 9655  
arrangement among the parties and that meets the requirements 9656  
described in 12 U.S.C. 1823(e). In addition, the agreement shall 9657  
authorize the treasurer of state to obtain control of the 9658  
collateral pursuant to division (D) of section 1308.24 of the 9659  
Revised Code. 9660

(E) The securities or other obligations described in division 9661  
(D) of section 135.18 of the Revised Code shall be eligible as 9662  
collateral for the purposes of division (B) of this section, 9663

provided no such securities or obligations pledged as collateral 9664  
are at any time in default as to either principal or interest. 9665

(F) Any federal reserve bank or branch thereof located in 9666  
this state or federal home loan bank, without compliance with 9667  
Chapter 1111. of the Revised Code and without becoming subject to 9668  
any other law of this state relative to the exercise by 9669

itself or to an affiliate as defined in section 1101.01 of the 9678  
Revised Code. 9679

(G) The public depository may substitute, exchange, or 9680  
release eligible securities deposited with the qualified trustee 9681  
pursuant to this section, provided that such substitution, 9682  
exchange, or release is effectuated pursuant to written 9683  
authorization from the treasurer of state, and such action does 9684  
not reduce the total market value of the securities to an amount 9685  
that is less than the amount established pursuant to division (B) 9686  
of this section. 9687

(H) Notwithstanding the fact that a public depository is 9688  
required to pledge eligible securities in certain amounts to 9689  
secure public deposits, a qualified trustee has no duty or 9690  
obligation to determine the eligibility, market value, or face 9691  
value of any securities deposited with the trustee by a public 9692  
depository. This applies in all situations including, but not 9693  
limited to, a substitution or exchange of securities, but 9694

director. The right of such holders and owners to payment of bond 10321  
service charges is limited to all or that portion of the pledged 10322  
receipts and those special funds pledged thereto pursuant to the 10323  
bond proceedings in accordance with this section, and each such 10324  
obligation shall bear on its face a statement to that effect. 10325

(D) Obligations shall be authorized by resolution or order of 10326

charges, which pledges may be made either prior or subordinate to 10345

other expenses, claims, or payments, and may be made to secure the obligations on a parity with obligations theretofore or thereafter issued, if and to the extent provided in the bond proceedings. The pledged receipts and special funds so pledged and thereafter received by the state are immediately subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledges is valid and binding against all parties having claims of any kind against the state or any governmental agency of the state, irrespective of whether such parties have notice thereof, and shall create a perfected security interest for all purposes of Chapter 1309. of the Revised Code, without the necessity for separation or delivery of funds or for the filing or recording of the bond proceedings by which such pledge is created or any certificate, statement or other document with respect thereto; and the pledge of such pledged receipts and special funds is effective and the money therefrom and thereof may be applied to the purposes for which pledged without necessity for any act of appropriation. Every pledge, and every covenant and agreement made with respect thereto, made in the bond proceedings may therein be extended to the benefit of the owners and holders of obligations authorized by this section, and to any trustee therefor, for the further security of the payment of the bond service charges.

(E) The bond proceedings may contain additional provisions as to:

(1) The redemption of obligations prior to maturity at the option of the issuing authority at such price or prices and under such terms and conditions as are provided in the bond proceedings;

(2) Other terms of the obligations;

(3) Limitations on the issuance of additional obligations;

(4) The terms of any trust agreement or indenture securing

the obligations or under which the same may be issued; 10377

(5) The deposit, investment and application of special funds, 10378  
and the safeguarding of moneys on hand or on deposit, without 10379  
regard to Chapter 131. or 135. of the Revised Code, but subject to 10380  
any special provisions of this chapter, with respect to particular 10381  
funds or moneys, provided that any bank or trust company which 10382  
acts as depository of any moneys in the special funds may furnish 10383  
such indemnifying bonds or may pledge such securities as required 10384  
by the issuing authority; 10385

(6) Any or every provision of the bond proceedings being 10386  
binding upon such officer, board, commission, authority, agency, 10387  
department, or other person or body as may from time to time have 10388  
the authority under law to take such actions as may be necessary 10389  
to perform all or any part of the duty required by such provision; 10390

(7) Any provision that may be made in a trust agreement or 10391  
indenture; 10392

(8) Any other or additional agreements with the holders of 10393  
the obligations, or the trustee therefor, relating to the 10394  
obligations or the security therefor, including the assignment of 10395  
mortgages or other security obtained or to be obtained for loans 10396  
under section 122.43, 166.07, or 166.16 of the Revised Code. 10397

(F) The obligations may have the great seal of the state or a 10398  
facsimile thereof affixed thereto or printed thereon. The 10399  
obligations and any coupons pertaining to obligations shall be 10400  
signed or bear the facsimile signature of the issuing authority. 10401  
Any obligations or coupons may be executed by the person who, on 10402  
the date of execution, is the proper issuing authority although on 10403  
the date of such bonds or coupons such person was not the issuing 10404  
authority. If the issuing authority whose signature or a facsimile 10405  
of whose signature appears on any such obligation or coupon ceases 10406  
to be the issuing authority before delivery thereof, such 10407

signature or facsimile is nevertheless valid and sufficient for 10408  
all purposes as if the former issuing authority had remained the 10409  
issuing authority until such delivery; and if the seal to be 10410  
affixed to obligations has been changed after a facsimile of the 10411  
seal has been imprinted on such obligations, such facsimile seal 10412  
shall continue to be sufficient as to such obligations and 10413  
obligations issued in substitution or exchange therefor. 10414

(G) All obligations are negotiable instruments and securities 10415  
under Chapter 1308. of the Revised Code, subject to the provisions 10416  
of the bond proceedings as to registration. The obligations may be 10417  
issued in coupon or in registered form, or both, as the issuing 10418  
authority determines. Provision may be made for the registration 10419  
of any obligations with coupons attached thereto as to principal 10420  
alone or as to both principal and interest, their exchange for 10421  
obligations so registered, and for the conversion or reconversion 10422  
into obligations with coupons attached thereto of any obligations 10423  
registered as to both principal and interest, and for reasonable 10424  
charges for such registration, exchange, conversion, and 10425  
reconversion. 10426

(H) Obligations may be sold at public sale or at private 10427  
sale, as determined in the bond proceedings. 10428

Obligations issued to provide moneys for the loan guarantee 10429  
fund or the innovation Ohio loan guarantee fund may, as determined 10430  
by the issuing authority, be sold at private sale, and without 10431  
publication of a notice of sale. 10432

(I) Pending preparation of definitive obligations, the 10433  
issuing authority may issue interim receipts or certificates which 10434  
shall be exchanged for such definitive obligations. 10435

(J) In the discretion of the issuing authority, obligations 10436  
may be secured additionally by a trust agreement or indenture 10437  
between the issuing authority and a corporate trustee which may be 10438

any trust company or bank having a place of business within the 10439  
state. Any such agreement or indenture may contain the resolution 10440  
or order authorizing the issuance of the obligations, any 10441  
provisions that may be contained in any bond proceedings, and 10442  
other provisions which are customary or appropriate in an 10443  
agreement or indenture of such type, including, but not limited 10444  
to: 10445

(1) Maintenance of each pledge, trust agreement, indenture, 10446  
or other instrument comprising part of the bond proceedings until 10447  
the state has fully paid the bond service charges on the 10448  
obligations secured thereby, or provision therefor has been made; 10449

(2) In the event of default in any payments required to be 10450  
made by the bond proceedings, or any other agreement of the 10451  
issuing authority made as a part of the contract under which the 10452  
obligations were issued, enforcement of such payments or agreement 10453  
by mandamus, the appointment of a receiver, suit in equity, action 10454  
at law, or any combination of the foregoing; 10455

(3) The rights and remedies of the holders of obligations and 10456  
of the trustee, and provisions for protecting and enforcing them, 10457  
including limitations on rights of individual holders of 10458  
obligations; 10459

(4) The replacement of any obligations that become mutilated 10460  
or are destroyed, lost, or stolen; 10461

(5) Such other provisions as the trustee and the issuing 10462  
authority agree upon, including limitations, conditions, or 10463  
qualifications relating to any of the foregoing. 10464

(K) Any holders of obligations or trustees under the bond 10465  
proceedings, except to the extent that their rights are restricted 10466  
by the bond proceedings, may by any suitable form of legal 10467  
proceedings, protect and enforce any rights under the laws of this 10468  
state or granted by such bond proceedings. Such rights include the 10469

right to compel the performance of all duties of the issuing 10470  
authority, the director of development, the Ohio air quality 10471  
development authority, or the division of liquor control required 10472  
by this chapter or the bond proceedings; to enjoin unlawful 10473  
activities; and in the event of default with respect to the 10474  
payment of any bond service charges on any obligations or in the 10475  
performance of any covenant or agreement on the part of the 10476  
issuing authority, the director of development, the Ohio air 10477  
quality development authority, or the division of liquor control 10478  
in the bond proceedings, to apply to a court having jurisdiction 10479  
of the cause to appoint a receiver to receive and administer the 10480  
pledged receipts and special funds, other than those in the 10481  
custody of the treasurer of state, which are pledged to the 10482  
payment of the bond service charges on such obligations or which 10483  
are the subject of the covenant or agreement, with full power to 10484  
pay, and to provide for payment of bond service charges on, such 10485  
obligations, and with such powers, subject to the direction of the 10486  
court, as are accorded receivers in general equity cases, 10487  
excluding any power to pledge additional revenues or receipts or 10488  
other income or moneys of the issuing authority or the state or 10489  
governmental agencies of the state to the payment of such 10490  
principal and interest and excluding the power to take possession 10491  
of, mortgage, or cause the sale or otherwise dispose of any 10492  
project facilities. 10493

Each duty of the issuing authority and the issuing 10494  
authority's officers and employees, and of each governmental 10495  
agency and its officers, members, or employees, undertaken 10496  
pursuant to the bond proceedings or any agreement or lease, 10497  
lease-purchase agreement, or loan made under authority of this 10498  
chapter, and in every agreement by or with the issuing authority, 10499  
is hereby established as a duty of the issuing authority, and of 10500  
each such officer, member, or employee having authority to perform 10501  
such duty, specifically enjoined by the law resulting from an 10502

office, trust, or station within the meaning of section 2731.01 of 10503  
the Revised Code. 10504

The person who is at the time the issuing authority, or the 10505  
issuing authority's officers or employees, are not liable in their 10506  
personal capacities on any obligations issued by the issuing 10507  
authority or any agreements of or with the issuing authority. 10508

(L) The issuing authority may authorize and issue obligations 10509  
for the refunding, including funding and retirement, and advance 10510  
refunding with or without payment or redemption prior to maturity, 10511  
of any obligations previously issued by the issuing authority. 10512  
Such obligations may be issued in amounts sufficient for payment 10513  
of the principal amount of the prior obligations, any redemption 10514  
premiums thereon, principal maturities of any such obligations 10515  
maturing prior to the redemption of the remaining obligations on a 10516  
parity therewith, interest accrued or to accrue to the maturity 10517  
dates or dates of redemption of such obligations, and any 10518  
allowable costs including expenses incurred or to be incurred in 10519  
connection with such issuance and such refunding, funding, and 10520  
retirement. Subject to the bond proceedings therefor, the portion 10521  
of proceeds of the sale of obligations issued under this division 10522  
to be applied to bond service charges on the prior obligations 10523  
shall be credited to an appropriate account held by the trustee 10524  
for such prior or new obligations or to the appropriate account in 10525  
the bond service fund for such obligations. Obligations authorized 10526  
under this division shall be deemed to be issued for those 10527  
purposes for which such prior obligations were issued and are 10528  
subject to the provisions of this section pertaining to other 10529  
obligations, except as otherwise provided in this section; 10530  
provided that, unless otherwise authorized by the general 10531  
assembly, any limitations imposed by the general assembly pursuant 10532  
to this section with respect to bond service charges applicable to 10533  
the prior obligations shall be applicable to the obligations 10534

issued under this division to refund, fund, advance refund or 10535  
retire such prior obligations. 10536

(M) The authority to issue obligations under this section 10537  
includes authority to issue obligations in the form of bond 10538  
anticipation notes and to renew the same from time to time by the 10539  
issuance of new notes. The holders of such notes or interest 10540  
coupons pertaining thereto shall have a right to be paid solely 10541  
from the pledged receipts and special funds that may be pledged to 10542  
the payment of the bonds anticipated, or from the proceeds of such 10543  
bonds or renewal notes, or both, as the issuing authority provides 10544  
in the resolution or order authorizing such notes. Such notes may 10545  
be additionally secured by covenants of the issuing authority to 10546  
the effect that the issuing authority and the state will do such 10547  
or all things necessary for the issuance of such bonds or renewal 10548  
notes in appropriate amount, and apply the proceeds thereof to the 10549  
extent necessary, to make full payment of the principal of and 10550  
interest on such notes at the time or times contemplated, as 10551  
provided in such resolution or order. For such purpose, the 10552  
issuing authority may issue bonds or renewal notes in such 10553  
principal amount and upon such terms as may be necessary to 10554  
provide funds to pay when required the principal of and interest 10555  
on such notes, notwithstanding any limitations prescribed by or 10556  
for purposes of this section. Subject to this division, all 10557  
provisions for and references to obligations in this section are 10558  
applicable to notes authorized under this division. 10559

The issuing authority in the bond proceedings authorizing the 10560  
issuance of bond anticipation notes shall set forth for such bonds 10561  
an estimated interest rate and a schedule of principal payments 10562  
for such bonds and the annual maturity dates thereof, and for 10563  
purposes of any limitation on bond service charges prescribed 10564  
under division (A) of section 166.11 of the Revised Code, the 10565  
amount of bond service charges on such bond anticipation notes is 10566

deemed to be the bond service charges for the bonds anticipated 10567  
thereby as set forth in the bond proceedings applicable to such 10568  
notes, but this provision does not modify any authority in this 10569  
section to pledge receipts and special funds to, and covenant to 10570  
issue bonds to fund, the payment of principal of and interest and 10571  
any premium on such notes. 10572

(N) Obligations issued under this section are lawful 10573  
investments for banks, societies for savings, savings and loan 10574  
associations, deposit guarantee associations, trust companies, 10575  
trustees, fiduciaries, insurance companies, including domestic for 10576  
life and domestic not for life, trustees or other officers having 10577  
charge of sinking and bond retirement or other special funds of 10578  
political subdivisions and taxing districts of this state, the 10579  
commissioners of the sinking fund of the state, the administrator 10580  
of workers' compensation, the state teachers retirement system, 10581  
the public employees retirement system, the school employees 10582  
retirement system, and the Ohio police and fire pension fund, 10583

adopted pursuant thereto by any governmental agency of the state 10585  
with respect to investments by them, and are also acceptable as 10586  
security for the deposit of public moneys. 10587

(O) Unless otherwise provided in any applicable bond 10588  
proceedings, moneys to the credit of or in the special funds 10589  
established by or pursuant to this section may be invested by or 10590  
on behalf of the issuing authority only in notes, bonds, or other 10591  
obligations of the United States, or of any agency or 10592  
instrumentality of the United States, obligations guaranteed as to 10593  
principal and interest by the United States, obligations of this 10594  
state or any political subdivision of this state, and certificates 10595  
of deposit of any national bank located in this state and any 10596  
bank, as defined in section 1101.01 of the Revised Code, subject 10597  
to inspection by the superintendent of banks. If the law or the 10598

instrument creating a trust pursuant to division (J) of this 10599  
section expressly permits investment in direct obligations of the 10600  
United States or an agency of the United States, unless expressly 10601  
prohibited by the instrument, such moneys also may be invested in 10602  
no-front-end-load money market mutual funds consisting exclusively 10603  
of obligations of the United States or an agency of the United 10604  
States and in repurchase agreements, including those issued by the 10605  
fiduciary itself, secured by obligations of the United States or 10606  
an agency of the United States; and in common trust funds 10607  
established in accordance with section 1111.20 of the Revised Code 10608  
and consisting exclusively of any such securities, notwithstanding 10609  
division (A)(4) of that section. The income from such investments 10610  
shall be credited to such funds as the issuing authority 10611  
determines, and such investments may be sold at such times as the 10612  
issuing authority determines or authorizes. 10613

(P) Provision may be made in the applicable bond proceedings 10614  
for the establishment of separate accounts in the bond service 10615  
fund and for the application of such accounts only to the 10616  
specified bond service charges on obligations pertinent to such 10617  
accounts and bond service fund and for other accounts therein 10618  
within the general purposes of such fund. Unless otherwise 10619  
provided in any applicable bond proceedings, moneys to the credit 10620  
of or in the several special funds established pursuant to this 10621  
section shall be disbursed on the order of the treasurer of state, 10622  
provided that no such order is required for the payment from the 10623  
bond service fund when due of bond service charges on obligations. 10624

(Q) The issuing authority may pledge all, or such portion as 10625  
the issuing authority determines, of the pledged receipts to the 10626  
payment of bond service charges on obligations issued under this 10627  
section, and for the establishment and maintenance of any 10628  
reserves, as provided in the bond proceedings, and make other 10629  
provisions therein with respect to pledged receipts as authorized 10630

by this chapter, which provisions are controlling notwithstanding 10631  
any other provisions of law pertaining thereto. 10632

(R) The issuing authority may covenant in the bond 10633  
proceedings, and any such covenants are controlling 10634  
notwithstanding any other provision of law, that the state and 10635  
applicable officers and governmental agencies of the state, 10636  
including the general assembly, so long as any obligations are 10637  
outstanding, shall: 10638

(1) Maintain statutory authority for and cause to be charged 10639  
and collected wholesale and retail prices for spirituous liquor 10640  
sold by the state or its agents so that the pledged receipts are 10641  
sufficient in amount to meet bond service charges, and the 10642  
establishment and maintenance of any reserves and other 10643  
requirements provided for in the bond proceedings, and, as 10644  
necessary, to meet covenants contained in contracts of guarantee 10645  
made under section 166.06 of the Revised Code; 10646

(2) Take or permit no action, by statute or otherwise, that 10647  
would impair the exemption from federal income taxation of the 10648  
interest on the obligations. 10649

(S) There is hereby created the economic development bond 10650  
service fund, which shall be in the custody of the treasurer of 10651  
state but shall be separate and apart from and not a part of the 10652  
state treasury. All moneys received by or on account of the 10653  
issuing authority or state agencies and required by the applicable 10654  
bond proceedings, consistent with this section, to be deposited, 10655  
transferred, or credited to a bond service fund or the economic 10656  
development bond service fund, and all other moneys transferred or 10657  
allocated to or received for the purposes of the fund, shall be 10658  
deposited and credited to such fund and to any separate accounts 10659  
therein, subject to applicable provisions of the bond proceedings, 10660  
but without necessity for any act of appropriation. During the 10661  
period beginning with the date of the first issuance of 10662

obligations and continuing during such time as any such 10663  
obligations are outstanding, and so long as moneys in the 10664  
pertinent bond service funds are insufficient to pay all bond 10665  
services charges on such obligations becoming due in each year, a 10666  
sufficient amount of the gross profit on the sale of spirituous 10667  
liquor included in pledged receipts are committed and shall be 10668  
paid to the bond service fund or economic development bond service 10669  
fund in each year for the purpose of paying the bond service 10670  
charges becoming due in that year without necessity for further 10671  
act of appropriation for such purpose and notwithstanding anything 10672  
to the contrary in Chapter 4301. of the Revised Code. The economic 10673  
development bond service fund is a trust fund and is hereby 10674  
pledged to the payment of bond service charges to the extent 10675  
provided in the applicable bond proceedings, and payment thereof 10676  
from such fund shall be made or provided for by the treasurer of 10677  
state in accordance with such bond proceedings without necessity 10678  
for any act of appropriation. 10679

(T) The obligations, the transfer thereof, and the income 10680  
therefrom, including any profit made on the sale thereof, shall at 10681  
all times be free from taxation within the state. 10682

purposes of the preceding sentence, "other sources" include the 10712  
annual investment income on special funds to the extent it will be 10713

determined as of any date within sixty days immediately preceding 10719  
the date of issuance of the bonds in respect of which the 10720

under section 6341 of the Internal Revenue Code, 26 U.S.C. 6341, 10722

state-supported or state-assisted institutions of higher	12910
education.	12911
(12) "Pledged receipts" means, as and to the extent provided	12912
for in the applicable bond proceedings:	12913
(a) Pledged tobacco settlement receipts;	12914
(b) Accrued interest received from the sale of obligations;	12915
(c) Income from the investment of the special funds;	12916
(d) Additional or any other specific revenues or receipts	12917
lawfully available to be pledged, and pledged, pursuant to the	12918
bond proceedings, including but not limited to amounts received	12919
under credit enhancement facilities, to the payment of debt	12920
service.	12921
(13) "Pledged tobacco settlement receipts" means all amounts	12922
received by the issuing authority pursuant to division (B) of this	12923

section. 12924

(14) "Principal amount" means the aggregate of the amount as 12925  
stated or provided for in the applicable bond proceedings as the 12926  
amount on which interest or interest equivalent on particular 12927  
obligations is initially calculated. "Principal amount" does not 12928  
include any premium paid to the issuing authority by the initial 12929  
purchaser of the obligations. "Principal amount" of a capital 12930  
appreciation bond, as defined in division (C) of section 3334.01 12931  
of the Revised Code, means its original face amount and not its 12932  
accrued value, and "principal amount" of a zero coupon bond, as 12933  
defined in division (J) of section 3334.01 of the Revised Code, 12934  
means the discounted offering price at which the bond is initially 12935  
sold to the public, disregarding any purchase price discount to 12936  
the original purchaser, if provided in or for pursuant to the bond 12937  
proceedings. 12938

(15) "Special funds" or "funds," unless the context indicates 12939  
otherwise, means the bond service fund, and any other funds, 12940  
including any reserve funds, created under the bond proceedings 12941  
and stated to be special funds in those proceedings, including 12942  
moneys and investments, and earnings from investments, credited 12943  
and to be credited to the particular fund. "Special funds" does 12944  
not include any improvement fund or investment earnings on amounts 12945  
in any improvement fund, or other funds created by the bond 12946  
proceedings that are not stated by those proceedings to be special 12947  
funds. 12948

(B) The state may assign and sell to the issuing authority, 12949  
and the issuing authority may accept and purchase, all or a 12950  
portion of the amounts to be received by the state under the 12951  
tobacco master settlement agreement for a purchase price payable 12952  
by the issuing authority to the state consisting of the net 12953  
proceeds of obligations and any residual interest, if any. Any 12954  
such assignment and sale shall be irrevocable in accordance with 12955

its terms during the period any obligations secured by amounts so 12956  
assigned and sold are outstanding under the applicable bond 12957  
proceedings, and shall constitute a contractual obligation to the 12958  
holders or owners of those obligations. Any such assignment and 12959  
sale shall also be treated as an absolute transfer and true sale 12960  
for all purposes, and not as a pledge or other security interest. 12961  
The characterization of any such assignment and sale as a true 12962  
sale and absolute transfer shall not be negated or adversely 12963  
affected by only a portion of the amounts to be received under the 12964  
tobacco master settlement agreement being transferred, the 12965  
acquisition or retention by the state of a residual interest, the 12966  
participation of any state officer or employee as a member or 12967  
officer of, or providing staff support to, the issuing authority, 12968  
any responsibility of an officer or employee of the state for 12969  
collecting the amounts to be received under the tobacco master 12970  
settlement agreement or otherwise enforcing that agreement or 12971  
retaining any legal title to or interest in any portion of the 12972  
amounts to be received under that agreement for the purpose of 12973  
these collection activities, any characterization of the issuing 12974  
authority or its obligations for purposes of accounting, taxation, 12975  
or securities regulation, or by any other factors whatsoever. A 12976  
true sale shall exist under this section regardless of whether the 12977  
issuing authority has any recourse against the state or any other 12978  
term of the bond proceedings or the treatment or characterization 12979  
of the transfer as a financing for any purpose. Upon and following 12980  
the assignment and sale, the state shall not have any right, 12981  
title, or interest in the portion of the receipts under the 12982  
tobacco master settlement agreement so assigned and sold, other 12983  
than any residual interest that may be described in the applicable 12984  
bond proceedings for those obligations, and that portion, if any, 12985  
shall be the property of the issuing authority and not of the 12986  
state, and shall be paid directly to the issuing authority, and 12987  
shall be owned, received, held, and disbursed by the issuing 12988

authority and not by the state. 12989

The state may covenant, pledge, and agree in the bond 12990  
proceedings, with and for the benefit of the issuing authority, 12991  
the holders and owners of obligations, and providers of any credit 12992  
enhancement facilities, that it shall: (1) maintain statutory 12993  
authority for, and cause to be collected and paid directly to the 12994  
issuing authority or its assignee, the pledged receipts, (2) 12995  
enforce the rights of the issuing authority to receive the 12996  
receipts under the tobacco master settlement agreement assigned 12997  
and sold to the issuing authority, (3) not materially impair the 12998  
rights of the issuing authority to fulfill the terms of its 12999  
agreements with the holders or owners of outstanding obligations 13000  
under the bond proceedings, (4) not materially impair the rights 13001  
and remedies of the holders or owners of outstanding obligations 13002  
or materially impair the security for those outstanding 13003  
obligations, and (5) enforce Chapter 1346. of the Revised Code, 13004  
the tobacco master settlement agreement, and the consent decree to 13005  
effectuate the collection of the pledged tobacco settlement 13006  
receipts. The bond proceedings may provide or authorize the manner 13007  
for determining material impairment of the security for any 13008  
outstanding obligations, including by assessing and evaluating the 13009  
pledged receipts in the aggregate. 13010

As further provided for in division (H) of this section, the 13011  
bond proceedings may also include such other covenants, pledges, 13012  
and agreements by the state to protect and safeguard the security 13013  
and rights of the holders and owners of the obligations, and of 13014  
the providers of any credit enhancement facilities, including, 13015  
without limiting the generality of the foregoing, any covenant, 13016  
pledge, or agreement customary in transactions involving the 13017  
issuance of securities the debt service on which is payable from 13018  
or secured by amounts received under the tobacco master settlement 13019  
agreement. Notwithstanding any other provision of law, any 13020

covenant, pledge, and agreement of the state, if and when made in 13021  
the bond proceedings, shall be controlling and binding upon, and 13022  
enforceable against the state in accordance with its terms for so 13023  
long as any obligations are outstanding under the applicable bond 13024  
proceedings. The bond proceedings may also include limitations on 13025  
the remedies available to the issuing authority, the holders and 13026  
owners of the obligations, and the providers of any credit 13027  
enhancement facilities, including, without limiting the generality 13028  
of the foregoing, a provision that those remedies may be limited 13029  
to injunctive relief in circumstances where there has been no 13030  
prior determination by a court of competent jurisdiction that the 13031  
state has not enforced Chapter 1346. of the Revised Code, the 13032  
tobacco master settlement agreement, or the consent decree as may 13033  
have been covenanted or agreed in the bond proceedings under 13034  
division (B)(5) of this section. 13035

Nothing in this section or the bond proceedings shall 13036  
preclude or limit, or be construed to preclude or limit, the state 13037  
from regulating or authorizing or permitting the regulation of 13038  
smoking or from taxing and regulating the sale of cigarettes or 13039  
other tobacco products, or from defending or prosecuting cases or 13040  
other actions relating to the sale or use of cigarettes or other 13041  
tobacco products. Except as otherwise may be agreed in writing by 13042  
the attorney general, nothing in this section or the bond 13043  
proceedings shall modify or limit, or be construed to modify or 13044  
limit, the responsibility, power, judgment, and discretion of the 13045  
attorney general to protect and discharge the duties, rights, and 13046  
obligations of the state under the tobacco master settlement 13047  
agreement, the consent decree, or Chapter 1346. of the Revised 13048  
Code. 13049

The governor and the director of budget and management, in 13050  
consultation with the attorney general, on behalf of the state, 13051  
and any member or officer of the issuing authority as authorized 13052

by that issuing authority, on behalf of the issuing authority, may 13053  
take any action and execute any documents, including any purchase 13054  
and sale agreements, necessary to effect the assignment and sale 13055  
and the acceptance of the assignment and title to the receipts 13056  
including, providing irrevocable direction to the escrow agent 13057  
acting under the tobacco master settlement agreement to transfer 13058  
directly to the issuing authority the amounts to be received under 13059  
that agreement that are subject to such assignment and sale. Any 13060  
purchase and sale agreement or other bond proceedings may contain 13061  
the terms and conditions established by the state and the issuing 13062  
authority to carry out and effectuate the purposes of this 13063  
section, including, without limitation, covenants binding the 13064  
state in favor of the issuing authority and its assignees and the 13065  
owners of the obligations. Any such purchase and sale agreement 13066  
shall be sufficient to effectuate such purchase and sale without 13067  
regard to any other laws governing other property sales or 13068  
financial transactions by the state. 13069

Not later than two years following the date on which there 13070  
are no longer any obligations outstanding under the bond 13071  
proceedings, all assets of the issuing authority shall vest in the 13072  
state, the issuing authority shall execute any necessary 13073  
assignments or instruments, including any assignment of any right, 13074  
title, or ownership to the state for receipt of amounts under the 13075  
tobacco master settlement agreement, and the issuing authority 13076  
shall be dissolved. 13077

(C) The issuing authority is authorized to issue and to sell 13078  
obligations as provided in this section. The aggregate principal 13079  
amount of obligations issued under this section shall not exceed 13080  
six billion dollars, exclusive of obligations issued under 13081  
division (M)(1) of this section to refund, renew, or advance 13082  
refund other obligations issued or incurred. At least seventy-five 13083  
per cent of the aggregate net proceeds of the obligations issued 13084

under the authority of this section, exclusive of obligations 13085  
issued to refund, renew, or advance refund other obligations, 13086  
shall be paid to the state for deposit into the school building 13087  
program assistance fund created in section 3318.25 of the Revised 13088  
Code. 13089

(D) Each issue of obligations shall be authorized by 13090  
resolution or order of the issuing authority. The bond proceedings 13091  
shall provide for or authorize the manner for determining the 13092  
principal amount or maximum principal amount of obligations of an 13093  
issue, the principal maturity or maturities, the interest rate or 13094  
rates, the date of and the dates of payment of interest on the 13095  
obligations, their denominations, and the place or places of 13096  
payment of debt service which may be within or outside the state. 13097  
Unless otherwise provided by law, the latest principal maturity 13098  
may not be later than the earlier of the thirty-first day of 13099  
December of the fiftieth calendar year after the year of issuance 13100  
of the particular obligations or of the fiftieth calendar year 13101  
after the year in which the original obligation to pay was issued 13102  
or entered into. Sections 9.96, 9.98, 9.981, 9.982, and 9.983 of 13103  
the Revised Code apply to the obligations. 13104

The purpose of the obligations may be stated in the bond 13105  
proceedings in general terms, such as, as applicable, "paying 13106  
costs of capital facilities for a system of common schools" and 13107  
"paying costs of facilities for state-supported and state-assisted 13108  
institutions of higher education." Unless otherwise provided in 13109  
the bond proceedings or in division (C) of this section, the net 13110  
proceeds from the issuance of the obligations shall be paid to the 13111  
state for deposit into the applicable improvement fund. In 13112  
addition to the investments authorized in Chapter 135. of the 13113  
Revised Code, the net proceeds held in an improvement fund may be 13114  
invested by the treasurer of state in guaranteed investment 13115  
contracts with providers rated at the time of any investment in 13116

the three highest rating categories by two nationally recognized 13117  
rating agencies, all subject to the terms and conditions set forth 13118  
in those agreements or the bond proceedings. Notwithstanding 13119  
anything to the contrary in Chapter 3318. of the Revised Code, net 13120  
proceeds of obligations deposited into the school building program 13121  
assistance fund created in section 3318.25 of the Revised Code may 13122  
be used to pay basic project costs under that chapter at the times 13123  
determined by the Ohio ~~school~~ facilities construction commission 13124  
without regard to whether those expenditures are in proportion to 13125  
the state's and the school district's respective shares of that 13126  
basic project cost; provided that this shall not result in any 13127  
change in the state or school district shares of the basic project 13128  
costs as determined under that chapter. As used in the preceding 13129  
sentence, "Ohio ~~school~~ facilities construction commission" and 13130  
"basic project costs" have the same meanings as in section 3318.01 13131  
of the Revised Code. 13132

(E) The issuing authority may, without need for any other 13133  
approval, appoint or provide for the appointment of paying agents, 13134  
bond registrars, securities depositories, credit enhancement 13135  
providers or counterparties, clearing corporations, and transfer 13136  
agents, and retain or contract for the services of underwriters, 13137  
investment bankers, financial advisers, accounting experts, 13138  
marketing, remarketing, indexing, and administrative agents, other 13139  
consultants, and independent contractors, including printing 13140  
services, as are necessary in the judgment of the issuing 13141  
authority to carry out the issuing authority's functions under 13142  
this section and section 183.52 of the Revised Code. The attorney 13143  
general as counsel to the issuing authority shall represent the 13144  
authority in the execution of its powers and duties, and shall 13145  
institute and prosecute all actions on its behalf. The issuing 13146  
authority, in consultation with the attorney general, shall select 13147  
counsel, and the attorney general shall appoint the counsel 13148  
selected, for the purposes of carrying out the functions under 13149

this section and related sections of the Revised Code. Financing 13150  
costs are payable, as may be provided in the bond proceedings, 13151  
from the proceeds of the obligations, from special funds, or from 13152  
other moneys available for the purpose, including as to future 13153  
financing costs, from the pledged receipts. 13154

(F) The issuing authority may irrevocably pledge and assign 13155  
all, or such portion as the issuing authority determines, of the 13156  
pledged receipts to the payment of the debt service charges on 13157  
obligations issued under this section, and for the establishment 13158  
and maintenance of any reserves, as provided in the bond 13159  
proceedings, and make other provisions in the bond proceedings 13160  
with respect to pledged receipts as authorized by this section, 13161  
which provisions are controlling notwithstanding any other 13162  
provisions of law pertaining to them. Any and all pledged receipts 13163  
received by the issuing authority and required by the bond 13164  
proceedings, consistent with this section, to be deposited, 13165  
transferred, or credited to the bond service fund, and all other 13166  
money transferred or allocated to or received for the purposes of 13167  
that fund, shall be deposited and credited to the bond service 13168  
fund created in the bond proceedings for the obligations, subject 13169  
to any applicable provisions of those bond proceedings, but 13170  
without necessity for any act of appropriation. Those pledged 13171  
receipts shall immediately be subject to the lien of that pledge 13172  
without any physical delivery thereof or further act, and shall 13173  
not be subject to other court judgments. The lien of the pledge of 13174  
those pledged receipts shall be valid and binding against all 13175  
parties having claims of any kind against the issuing authority, 13176  
irrespective of whether those parties have notice thereof. The 13177  
pledge shall create a perfected security interest for all purposes 13178  
of Chapter 1309. of the Revised Code and a perfected lien for 13179  
purposes of any other interest, all without the necessity for 13180  
separation or delivery of funds or for the filing or recording of 13181  
the applicable bond proceedings by which that pledge is created or 13182

any certificate, statement, or other document with respect 13183  
thereto. The pledge of the pledged receipts shall be effective and 13184  
the money therefrom and thereof may be applied to the purposes for 13185  
which pledged. 13186

(G) Obligations may be further secured, as determined by the 13187  
issuing authority, by an indenture or a trust agreement between 13188  
the issuing authority and a corporate trustee, which may be any 13189  
trust company or bank having a place of business within the state. 13190  
Any indenture or trust agreement may contain the resolution or 13191  
order authorizing the issuance of the obligations, any provisions 13192  
that may be contained in any bond proceedings, and other 13193  
provisions that are customary or appropriate in an agreement of 13194  
that type, including, but not limited to: 13195

(1) Maintenance of each pledge, indenture, trust agreement, 13196  
or other instrument comprising part of the bond proceedings until 13197  
the issuing authority has fully paid or provided for the payment 13198  
of debt service on the obligations secured by it; 13199

(2) In the event of default in any payments required to be 13200  
made by the bond proceedings, enforcement of those payments or 13201  
agreements by mandamus, the appointment of a receiver, suit in 13202  
equity, action at law, or any combination of them; 13203

(3) The rights and remedies of the holders or owners of 13204  
obligations and of the trustee and provisions for protecting and 13205  
enforcing them, including limitations on rights of individual 13206  
holders and owners. 13207

(H) The bond proceedings may contain additional provisions 13208  
customary or appropriate to the financing or to the obligations or 13209  
to particular obligations including, but not limited to, 13210  
provisions for: 13211

(1) The redemption of obligations prior to maturity at the 13212  
option of the issuing authority or of the holder or upon the 13213

occurrence of certain conditions, and at a particular price or	13214
prices and under particular terms and conditions;	13215
(2) The form of and other terms of the obligations;	13216
(3) The establishment, deposit, investment, and application	13217
of special funds, and the safeguarding of moneys on hand or on	13218
deposit, in lieu of the applicability of provisions of Chapter	13219
131. or 135. of the Revised Code, but subject to any special	13220
provisions of this section with respect to the application of	13221
particular funds or moneys. Any financial institution that acts as	13222
a depository of any moneys in special funds or other funds under	13223
the bond proceedings may furnish indemnifying bonds or pledge	13224
securities as required by the issuing authority.	13225
(4) Any or every provision of the bond proceedings being	13226
binding upon the issuing authority and upon such governmental	13227
agency or entity, officer, board, authority, agency, department,	13228
institution, district, or other person or body as may from time to	13229
time be authorized to take actions as may be necessary to perform	13230
all or any part of the duty required by the provision;	13231
(5) The maintenance of each pledge or instrument comprising	13232
part of the bond proceedings until the issuing authority has fully	13233
paid or provided for the payment of the debt service on the	13234
obligations or met other stated conditions;	13235
(6) In the event of default in any payments required to be	13236
made by the bond proceedings, or by any other agreement of the	13237
issuing authority made as part of a contract under which the	13238
obligations were issued or secured, including a credit enhancement	13239
facility, the enforcement of those payments by mandamus, a suit in	13240
equity, an action at law, or any combination of those remedial	13241
actions;	13242
(7) The rights and remedies of the holders or owners of	13243
obligations or of book-entry interests in them, and of third	13244

parties under any credit enhancement facility, and provisions for 13245  
protecting and enforcing those rights and remedies, including 13246  
limitations on rights of individual holders or owners; 13247

(8) The replacement of mutilated, destroyed, lost, or stolen 13248  
obligations; 13249

(9) The funding, refunding, or advance refunding, or other 13250  
provision for payment, of obligations that will then no longer be 13251  
outstanding for purposes of this section or of the applicable bond 13252  
proceedings; 13253

(10) Amendment of the bond proceedings; 13254

(11) Any other or additional agreements with the owners of 13255  
obligations, and such other provisions as the issuing authority 13256  
determines, including limitations, conditions, or qualifications, 13257  
relating to any of the foregoing or the activities of the issuing 13258  
authority in connection therewith. 13259

The bond proceedings shall make provision for the payment of 13260  
the expenses of the enforcement activity of the attorney general 13261  
referred to in division (B) of this section from the amounts from 13262  
the tobacco master settlement agreement assigned and sold to the 13263  
issuing authority under that division or from the proceeds of 13264  
obligations, or a combination thereof, which may include provision 13265  
for both annual payments and a special fund providing reserve 13266  
amounts for the payment of those expenses. 13267

The issuing authority shall not, and shall covenant in the 13268  
bond proceedings that it shall not, be authorized to and shall not 13269  
file a voluntary petition under the United States Bankruptcy Code, 13270  
11 U.S.C. 101 et seq., as amended, or voluntarily commence any 13271  
similar bankruptcy proceeding under state law including, without 13272  
limitation, consenting to the appointment of a receiver or trustee 13273  
or making a general or specific assignment for the benefit of 13274  
creditors, and neither any public officer or any organization, 13275

entity, or other person shall authorize the issuing authority to 13276  
be or become a debtor under the United States Bankruptcy Code or 13277  
take any of those actions under the United States Bankruptcy Code 13278  
or state law. The state hereby covenants, and the issuing 13279  
authority shall covenant, with the holders or owners of the 13280  
obligations, that the state shall not permit the issuing authority 13281  
to file a voluntary petition under the United States Bankruptcy 13282  
Code or take any of those actions under the United States 13283  
Bankruptcy Code or state law during the period obligations are 13284  
outstanding and for any additional period for which the issuing 13285  
authority covenants in the bond proceedings, which additional 13286  
period may, but need not, be a period of three hundred sixty-seven 13287  
days or more. 13288

(I) The obligations requiring execution by or for the issuing 13289  
authority shall be signed as provided in the bond proceedings, and 13290  
may bear the official seal of the issuing authority or a facsimile 13291  
thereof. Any obligation may be signed by the individual who, on 13292  
the date of execution, is the authorized signer even though, on 13293  
the date of the obligations, that individual is not an authorized 13294  
signer. In case the individual whose signature or facsimile 13295  
signature appears on any obligation ceases to be an authorized 13296  
signer before delivery of the obligation, that signature or 13297  
facsimile is nevertheless valid and sufficient for all purposes as 13298  
if that individual had remained the authorized signer until 13299  
delivery. 13300

(J) Obligations are investment securities under Chapter 1308. 13301  
of the Revised Code. Obligations may be issued in bearer or in 13302  
registered form, registrable as to principal alone or as to both 13303  
principal and interest, or both, or in certificated or 13304  
uncertificated form, as the issuing authority determines. 13305  
Provision may be made for the exchange, conversion, or transfer of 13306  
obligations and for reasonable charges for registration, exchange, 13307

conversion, and transfer. Pending preparation of final 13308  
obligations, the issuing authority may provide for the issuance of 13309  
interim instruments to be exchanged for the final obligations. 13310

(K) Obligations may be sold at public sale or at private 13311  
sale, in such manner, and at such price at, above, or below par, 13312  
all as determined by and provided by the issuing authority in the 13313  
bond proceedings. 13314

(L) Except to the extent that rights are restricted by the 13315  
bond proceedings, any owner of obligations or provider of or 13316  
counterparty to a credit enhancement facility may by any suitable 13317  
form of legal proceedings protect and enforce any rights relating 13318  
to obligations or that facility under the laws of this state or 13319  
granted by the bond proceedings. Those rights include the right to 13320  
compel the performance of all applicable duties of the issuing 13321  
authority and the state. Each duty of the issuing authority and 13322  
that issuing authority's officers, staff, and employees, and of 13323  
each state entity or agency, or using district or using 13324  
institution, and its officers, members, staff, or employees, 13325  
undertaken pursuant to the bond proceedings, is hereby established 13326  
as a duty of the entity or individual having authority to perform 13327  
that duty, specifically enjoined by law and resulting from an 13328  
office, trust, or station within the meaning of section 2731.01 of 13329  
the Revised Code. The individuals who are from time to time 13330  
members of the issuing authority, or their designees acting 13331  
pursuant to section 183.52 of the Revised Code, or the issuing 13332  
authority's officers, staff, agents, or employees, when acting 13333  
within the scope of their employment or agency, shall not be 13334  
liable in their personal capacities on any obligations or 13335  
otherwise under the bond proceedings, or for otherwise exercising 13336  
or carrying out any purposes or powers of the issuing authority. 13337

(M)(1) Subject to any applicable limitations in division (C) 13338  
of this section, the issuing authority may also authorize and 13339

provide for the issuance of: 13340

(a) Obligations in the form of bond anticipation notes, and 13341  
may authorize and provide for the renewal of those notes from time 13342  
to time by the issuance of new notes. The holders of notes or 13343  
appertaining interest coupons have the right to have debt service 13344  
on those notes paid solely from the moneys and special funds, and 13345  
all or any portion of the pledged receipts, that are or may be 13346  
pledged to that payment, including the proceeds of bonds or 13347  
renewal notes or both, as the issuing authority provides in the 13348  
bond proceedings authorizing the notes. Notes may be additionally 13349  
secured by covenants of the issuing authority to the effect that 13350  
the issuing authority will do all things necessary for the 13351  
issuance of bonds or renewal notes in such principal amount and 13352  
upon such terms as may be necessary to provide moneys to pay when 13353  
due the debt service on the notes, and apply their proceeds to the 13354  
extent necessary, to make full and timely payment of debt service 13355  
on the notes as provided in the applicable bond proceedings. In 13356  
the bond proceedings authorizing the issuance of bond anticipation 13357  
notes the issuing authority shall set forth for the bonds 13358  
anticipated an estimated schedule of annual principal payments the 13359  
latest of which shall be no later than provided in division (D) of 13360  
this section. While the notes are outstanding there shall be 13361  
deposited, as shall be provided in the bond proceedings for those 13362  
notes, from the sources authorized for payment of debt service on 13363  
the bonds, amounts sufficient to pay the principal of the bonds 13364  
anticipated as set forth in that estimated schedule during the 13365  
time the notes are outstanding, which amounts shall be used solely 13366  
to pay the principal of those notes or of the bonds anticipated. 13367

(b) Obligations for the refunding, including funding and 13368  
retirement, and advance refunding, with or without payment or 13369  
redemption prior to maturity, of any obligations previously issued 13370  
under this section and any bonds or notes previously issued for 13371

the purpose of paying costs of capital facilities for: (i) 13372  
state-supported or state-assisted institutions of higher education 13373  
as authorized by sections 151.01 and 151.04 of the Revised Code, 13374  
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution, 13375  
and (ii) housing branches and agencies of state government limited 13376  
to facilities for a system of common schools throughout the state 13377  
as authorized by sections 151.01 and 151.03 of the Revised Code, 13378  
pursuant to Sections 2i and 2n of Article VIII, Ohio Constitution. 13379  
Refunding obligations may be issued in amounts sufficient to pay 13380  
or to provide for repayment of the principal amount, including 13381  
principal amounts maturing prior to the redemption of the 13382  
remaining prior obligations or bonds or notes, any redemption 13383  
premium, and interest accrued or to accrue to the maturity or 13384  
redemption date or dates, payable on the prior obligations or 13385  
bonds or notes, and related financing costs and any expenses 13386  
incurred or to be incurred in connection with that issuance and 13387  
refunding. Subject to the applicable bond proceedings, the portion 13388  
of the proceeds of the sale of refunding obligations issued under 13389  
division (M)(1)(b) of this section to be applied to debt service 13390  
on the prior obligations or bonds or notes shall be credited to an 13391  
appropriate separate account in the bond service fund and held in 13392  
trust for the purpose by the issuing authority or by a corporate 13393  
trustee, and may be invested as provided in the bond proceedings. 13394  
Obligations authorized under this division shall be considered to 13395  
be issued for those purposes for which the prior obligations or 13396  
bonds or notes were issued. 13397

(2) The principal amount of refunding, advance refunding, or 13398  
renewal obligations issued pursuant to division (M) of this 13399  
section shall be in addition to the amount authorized in division 13400  
(C) of this section. 13401

(N) Obligations are lawful investments for banks, savings and 13402  
loan associations, credit union share guaranty corporations, trust 13403

companies, trustees, fiduciaries, insurance companies, including 13404  
domestic for life and domestic not for life, trustees or other 13405  
officers having charge of sinking and bond retirement or other 13406  
special funds of the state and political subdivisions and taxing 13407  
districts of this state, notwithstanding any other provisions of 13408  
the Revised Code or rules adopted pursuant to those provisions by 13409  
any state agency with respect to investments by them, and are also 13410  
acceptable as security for the repayment of the deposit of public 13411  
moneys. The exemptions from taxation in Ohio as provided for in 13412  
particular sections of the Ohio Constitution and section 5709.76 13413  
of the Revised Code apply to the obligations. 13414

(O)(1) Unless otherwise provided or provided for in any 13415  
applicable bond proceedings, moneys to the credit of or in a 13416  
special fund shall be disbursed on the order of the issuing 13417  
authority. No such order is required for the payment, from the 13418  
bond service fund or other special fund, when due of debt service 13419  
or required payments under credit enhancement facilities. 13420

(2) Payments received by the issuing authority under interest 13421  
rate hedges entered into as credit enhancement facilities under 13422  
this section shall be deposited as provided in the applicable bond 13423  
proceedings. 13424

(P) The obligations shall not be general obligations of the 13425  
state and the full faith and credit, revenue, and taxing power of 13426  
the state shall not be pledged to the payment of debt service on 13427  
them or to any guarantee of the payment of that debt service. The 13428  
holders or owners of the obligations shall have no right to have 13429  
any moneys obligated or pledged for the payment of debt service 13430  
except as provided in this section and in the applicable bond 13431  
proceedings. The rights of the holders and owners to payment of 13432  
debt service are limited to all or that portion of the pledged 13433  
receipts, and those special funds, pledged to the payment of debt 13434  
service pursuant to the bond proceedings in accordance with this 13435

section, and each obligation shall bear on its face a statement to 13436  
that effect. 13437

(Q) Each bond service fund is a trust fund and is hereby 13438  
pledged to the payment of debt service on the applicable 13439  
obligations. Payment of that debt service shall be made or 13440  
provided for by the issuing authority in accordance with the bond 13441  
proceedings without necessity for any act of appropriation. The 13442  
bond proceedings may provide for the establishment of separate 13443  
accounts in the bond service fund and for the application of those 13444  
accounts only to debt service on specific obligations, and for 13445  
other accounts in the bond service fund within the general 13446  
purposes of that fund. 13447

(R) Subject to the bond proceedings pertaining to any 13448  
obligations then outstanding in accordance with their terms, the 13449  
issuing authority may in the bond proceedings pledge all, or such 13450  
portion as the issuing authority determines, of the moneys in the 13451  
bond service fund to the payment of debt service on particular 13452  
obligations, and for the establishment and maintenance of any 13453  
reserves for payment of particular debt service. 13454

(S)(1) Unless otherwise provided in any applicable bond 13455  
proceedings, moneys to the credit of special funds may be invested 13456  
by or on behalf of the issuing authority only in one or more of 13457  
the following: 13458

(a) Notes, bonds, or other direct obligations of the United 13459  
States or of any agency or instrumentality of the United States, 13460  
or in no-front-end-load money market mutual funds consisting 13461  
exclusively of those obligations, or in repurchase agreements, 13462

obligations, or in collective investment funds consisting 13464  
exclusively of those obligations; 13465

this state; 13467

financial institutions; 13471

(d) The treasurer of state's pooled investment program under 13472  
section 135.45 of the Revised Code; 13473

(e) Other investment agreements or repurchase agreements that 13474  
are consistent with the ratings on the obligations. 13475

(2) The income from investments referred to in division 13476  
(S)(1) of this section shall be credited to special funds or 13477  
otherwise as the issuing authority determines in the bond 13478  
proceedings. Those investments may be sold or exchanged at times 13479  
as the issuing authority determines, provides for, or authorizes. 13480

(T) The treasurer of state shall have responsibility for 13481  
keeping records, making reports, and making payments, relating to 13482  
any arbitrage rebate requirements under the applicable bond 13483  
proceedings. 13484

(U) The issuing authority shall make quarterly reports to the 13485  
general assembly of the amounts in, and activities of, each 13486  
improvement fund, including amounts and activities on the subfund 13487  
level. Each report shall include a detailed description and 13488  
analysis of the amount of proceeds remaining in each fund from the 13489  
sale of obligations pursuant to this section, and any other 13490  
deposits, credits, interest earnings, disbursements, expenses, 13491  
transfers, or activities of each fund. 13492

(V) The costs of the annual audit of the authority conducted 13493  
pursuant to section 117.112 of the Revised Code are payable, as 13494  
may be provided in the bond proceedings, from the proceeds of the 13495  
obligations, from special funds, or from other moneys available 13496  
for the purpose, including as to future financing costs, from the 13497

pledged receipts. 13498

Sec. 190.01. "The Health Care Compact" is hereby ratified, 13499  
enacted into law, and entered into by the state of Ohio as a party 13500  
to the compact with any other state that has legally joined in the 13501  
compact as follows: 13502

Whereas, the separation of powers, both between the branches 13503  
of the Federal government and between Federal and State authority, 13504  
is essential to the preservation of individual liberty; 13505

Whereas, the Constitution creates a Federal government of 13506  
limited and enumerated powers, and reserves to the States or to 13507  
the people those powers not granted to the Federal government; 13508

Whereas, the Federal government has enacted many laws that 13509  
have preempted State laws with respect to Health Care, and placed 13510  
increasing strain on State budgets, impairing other 13511  
responsibilities such as education, infrastructure, and public 13512  
safety; 13513

Whereas, the Member States seek to protect individual liberty 13514  
and personal control over Health Care decisions, and believe the 13515  
best method to achieve these ends is by vesting regulatory 13516  
authority over Health Care in the States; 13517

Whereas, by acting in concert, the Member States may express 13518  
and inspire confidence in the ability of each Member State to 13519  
govern Health Care effectively; and 13520

Whereas, the Member States recognize that consent of Congress 13521  
may be more easily secured if the Member States collectively seek 13522  
consent through an interstate compact; 13523

NOW THEREFORE, the Member States hereto resolve, and by the 13524  
adoption into law under their respective State Constitutions of 13525  
this Health Care Compact, agree, as follows: 13526

for its State, and that number shall be binding upon that Member 13560

Commerce. 13579

**Sec. 2. Pledge.** The Member States shall take joint and 13580  
separate action to secure the consent of the United States 13581  
Congress to this Compact in order to return the authority to 13582

goals and principles articulated in this Compact. The Member 13584  
States shall improve Health Care policy within their respective 13585  
jurisdictions and according to the judgment and discretion of each 13586

(a) Each Federal fiscal year, each Member State shall have 13603  
the right to Federal monies up to an amount equal to its Member 13604  
State Current Year Funding Level for that Federal fiscal year, 13605  
funded by Congress as mandatory spending and not subject to annual 13606  
appropriation, to support the exercise of Member State authority 13607  
under this Compact. This funding shall not be conditional on any 13608  
action of or regulation, policy, law, or rule being adopted by the 13609  
Member State. 13610

(b) By the start of each Federal fiscal year, Congress shall 13611

each Member State, based upon reasonable estimates. The final 13613  
Member State Current Year Funding Level shall be calculated, and 13614

The Commission shall make this information and data available to 13643  
the legislatures of the Member States. Notwithstanding any other 13644  
provision in this Compact, no Member State shall disclose to the 13645

agreed to by the Member States. The Commission shall have the 13649  
responsibilities and duties as may be conferred upon it by 13650  
subsequent action of the respective legislatures of the Member 13651

States in accordance with the terms of this Compact. 13652

(f) The Commission shall not take any action within a Member State that contravenes any State law of that Member State. 13653  
13654

**Sec. 7. Congressional Consent.** This Compact shall be effective on its adoption by at least two Member States and consent of the United States Congress. This Compact shall be effective unless the United States Congress, in consenting to this Compact, alters the fundamental purposes of this Compact, which are: 13655

of a center established under this section shall enter into an 14646  
agreement with the department of rehabilitation and correction 14647  
under section 5120.161 of the Revised Code for the custody and 14648  
rehabilitation in the center of persons who are designated by the 14649  
department, who plead guilty to or are convicted of a felony of 14650  
the fourth or fifth degree, and who satisfy the other requirements 14651  
listed in that section, in exchange for a per diem fee per person. 14652  
Persons incarcerated in the center pursuant to an agreement 14653  
entered into under this division shall be subject to supervision 14654  
and control in the manner described in section 5120.161 of the 14655

court to directly sentence a person who is convicted of or pleads 14657  
guilty to a felony to the center in accordance with section 14658  
2929.16 of the Revised Code. 14659

(D) Pursuant to section 2929.37 of the Revised Code, each 14660  
board of county commissioners and the legislative authority of 14661

each municipal corporation that enters into a contract under 14662

(E) Notwithstanding any contrary provision in this section or 14673  
section 2929.18, 2929.28, or 2929.37 of the Revised Code, the 14674  
corrections commission of a center may establish a policy that 14675  
complies with section 2929.38 of the Revised Code and that 14676  
requires any person who is not indigent and who is confined in the 14677  
multicounty, municipal-county, or multicounty-municipal 14678  
correctional center to pay a reception fee, a fee for medical 14679

section 341.26 of the Revised Code. 14682

(F)(1) The corrections commission of a center established 14683  
under this section may establish a commissary for the center. The 14684  
commissary may be established either in-house or by another 14685  
arrangement. If a commissary is established, all persons 14686  
incarcerated in the center shall receive commissary privileges. A 14687  
person's purchases from the commissary shall be deducted from the 14688  
person's account record in the center's business office. The 14689  
commissary shall provide for the distribution to indigent persons 14690  
incarcerated in the center of necessary hygiene articles and 14691

benefits for employees of the center, or for any other persons, 14702  
who work in or are employed for the sole purpose of providing 14703  
service to the commissary. The corrections commission shall adopt 14704  
rules and regulations for the operation of any commissary fund it 14705  
establishes. 14706

(G) In lieu of forming a corrections commission to administer 14707  
a multicounty correctional center or a municipal-county or 14708  
multicounty-municipal correctional center, the boards of county 14709

corporations contracting to establish the center may also agree to 14711  
contract for the private operation and management of the center as 14712  
provided in section 9.06 of the Revised Code, but only if the 14713  
center houses only misdemeanor inmates. In order to enter into a 14714  
contract under section 9.06 of the Revised Code, all the boards 14715  
and legislative authorities establishing the center shall approve 14716  
and be parties to the contract. 14717

(H) If a person who is convicted of or pleads guilty to an 14718  
offense is sentenced to a term in a multicounty correctional 14719  
center or a municipal-county or multicounty-municipal correctional 14720

has not been released on bail is confined in a multicounty 14724  
correctional center or a municipal-county or multicounty-municipal 14725

of state. The sworn affidavit and evidence shall be submitted in 14790  
the format prescribed by rule of the auditor of state under 14791  
section 117.45 of the Revised Code. A person who makes a false 14792

and convincing evidence, the auditor of state shall submit those 14801  
findings in writing to the county auditor and the person 14802  
initiating the sworn affidavit. If the auditor of state finds by 14803  
clear and convincing evidence that an allegation is supported by 14804  
the evidence, the auditor of state shall submit those findings in 14805  
writing to the attorney general, the county auditor, and the 14806  
person who initiated the sworn affidavit. The findings shall 14807  
include a copy of the sworn affidavit and the evidence submitted 14808  
under division (A)(1) of this section. 14809

general shall determine whether clear and convincing evidence 14814

allegation is supported by clear and convincing evidence, the 14816  
attorney general, by certified mail, shall notify the auditor of 14817

state, the county auditor, and the person who initiated the sworn affidavit, that no complaint for the removal of the county auditor from public office will be filed.

The court of common pleas of the county in which the county auditor holds office has exclusive original jurisdiction of the action. The action shall proceed de novo as in the trial of a civil action. The court is not restricted to the evidence that was presented to the auditor of state and the attorney general before the action was filed. The action is governed by the Rules of Civil

(b) If the court finds by clear and convincing evidence that 14851  
the county auditor purposely, knowingly, or recklessly failed to 14852  
perform a fiscal duty expressly imposed by law with respect to the 14853  
fiscal duties of the office of county auditor or purposely, 14854  
knowingly, or recklessly committed any act expressly prohibited by 14855  
law with respect to the fiscal duties of that office, the court 14856  
shall issue an order removing the county auditor from office and 14857  
any order necessary for the preservation or restitution of public 14858  
funds. 14859

(2) Except as otherwise provided in this division, an action 14860  
for removal from office under this section is stayed during the 14861  
pendency of any criminal action concerning a violation of an 14862

the office of county auditor or to the person's actions as the 14869  
county auditor. The stay may be lifted upon motion of the 14870  
prosecuting attorney in the related criminal action. 14871

(3) Prior to or at the hearing, upon a showing of good cause, 14872  
the court may issue an order restraining the county auditor from 14873  
entering the county auditor's office and from conducting the 14874  
affairs of the office pending the hearing on the complaint. If 14875  
such an order is issued, the court may continue the order until 14876

receiving the sworn affidavit and evidence, unless, for good 15279

cause, additional time is required, the auditor of state shall 15280  
determine whether clear and convincing evidence supports the 15281  
allegations. If the auditor of state finds that no allegation is 15282  
supported by clear and convincing evidence, the auditor of state 15283  
shall submit those findings in writing to the county treasurer and 15284  
the person who initiated the sworn affidavit. If the auditor of 15285  
state finds by clear and convincing evidence that an allegation is 15286  
supported by the evidence, the auditor of state shall submit those 15287  
findings in writing to the attorney general, the county treasurer, 15288  
and the person who initiated the sworn affidavit. The findings 15289  
shall include a copy of the sworn affidavit and the evidence 15290  
submitted under division (A)(1) of this section. 15291

(3)(a) The attorney general shall review the auditor of 15292  
state's findings and the sworn affidavit and evidence. Within ten 15293  
business days after receiving them, unless, for good cause, 15294  
additional time is required, the attorney general shall determine 15295  
whether clear and convincing evidence supports the allegations. If 15296  
the attorney general finds that no allegation is supported by 15297  
clear and convincing evidence, the attorney general, by certified 15298  
mail, shall notify the auditor of state, the county treasurer, and 15299  
the person who initiated the sworn affidavit, that no complaint 15300  
for the removal of the county treasurer from public office will be 15301  
filed. 15302

(b) If the attorney general finds by clear and convincing 15303  
evidence that an allegation is supported by the evidence, the 15304  
attorney general, by certified mail, shall notify the auditor of 15305  
state, the county treasurer, and the person who initiated the 15306  
sworn affidavit of that fact, and shall commence an action for the 15307  
removal of the county treasurer from public office under division 15308  
(B) of this section. 15309

(c) Nothing in this section is intended to limit the 15310  
authority of the attorney general to enter into mediation, 15311

settlement, or resolution of any alleged violation before or 15312  
following the commencement of an action under this section. 15313

(B)(1)(a) The attorney general has a cause of action for 15314  
removal of a county treasurer who purposely, knowingly, or 15315  
recklessly fails to perform a fiscal duty expressly imposed by law 15316  
with respect to the fiscal duties of the office of county 15317  
treasurer or purposely, knowingly, or recklessly commits any act 15318  
expressly prohibited by law with respect to the fiscal duties of 15319  
the office of county treasurer. Not later than forty-five days 15320  
after sending a notice under division (A)(3)(b) of this section, 15321  
the attorney general shall cause an action to be commenced against 15322  
the county treasurer by filing a complaint for the removal of the 15323  
county treasurer from public office. If any money is due, the 15324  
attorney general shall join the sureties on the county treasurer's 15325  
bond as parties. The court of common pleas of the county in which 15326  
the county treasurer holds office has exclusive original 15327  
jurisdiction of the action. The action shall proceed de novo as in 15328  
the trial of a civil action. The court is not restricted to the 15329  
evidence that was presented to the auditor of state and the 15330  
attorney general before the action was filed. The action is 15331  
governed by the Rules of Civil Procedure. 15332

(b) If the court finds by clear and convincing evidence that 15333  
the county treasurer purposely, knowingly, or recklessly failed to 15334  
perform a fiscal duty expressly imposed by law with respect to the 15335  
fiscal duties of the office of county treasurer or purposely, 15336  
knowingly, or recklessly committed any act expressly prohibited by 15337  
law with respect to the fiscal duties of that office, the court 15338  
shall issue an order removing the county treasurer from office and 15339  
any order necessary for the preservation or restitution of public 15340  
funds. 15341

(2) Except as otherwise provided in this division, an action 15342  
for removal from office under this section is stayed during the 15343

pendency of any criminal action concerning a violation of an 15344  
existing or former municipal ordinance or law of this or any other 15345  
state or the United States that is substantially equivalent to any 15346  
criminal violation in Title ~~29~~ XXIX of the Revised Code related to 15347  
conduct in office, if the person charged in the criminal action 15348  
committed the violation while serving as a county treasurer and 15349  
the conduct constituting the violation was related to the duties 15350  
of the office of county treasurer or to the person's actions as 15351  
the county treasurer. The stay may be lifted upon motion of the 15352  
prosecuting attorney in the related criminal action. 15353

(3) Prior to or at the hearing, upon a showing of good cause, 15354  
the court may issue an order restraining the county treasurer from 15355  
entering the county treasurer's office and from conducting the 15356  
affairs of the office pending the hearing on the complaint. If 15357  
such an order is issued, the court may continue the order until 15358  
the conclusion of the hearing and any appeals under this section. 15359

(4) The board of county commissioners shall be responsible 15360  
for the payment of reasonable attorney's fees for counsel for the 15361  
county treasurer. If judgment is entered against the county 15362  
treasurer, the court shall order the county treasurer to reimburse 15363  
the board for attorney's fees and costs up to a reasonable amount, 15364  
as determined by the court. Expenses incurred by the board in a 15365  
removal action shall be paid out of the county general fund. 15366

(C) The judgment of the court is final and conclusive unless 15367  
reversed, vacated, or modified on appeal. An appeal may be taken 15368  
by any party, and shall proceed as in the case of appeals in civil 15369  
actions and in accordance with the Rules of Appellate Procedure. 15370  
Upon the filing of a notice of appeal by any party to the 15371  
proceedings, the court of appeals shall hear the case as an 15372  
expedited appeal under Rule 11.2 of the Rules of Appellate 15373  
Procedure. The county treasurer has the right of review or appeal 15374  
to the supreme court. 15375

(D) If a final judgment for removal from public office is 15376  
entered against the county treasurer, the office shall be deemed 15377  
vacated, and the vacancy shall be filled as provided in section 15378  
305.02 of the Revised Code. Except as otherwise provided by law, 15379  
an individual removed from public office under this section is not 15380  
entitled to hold any public office for four years following the 15381  
date of the final judgment, and is not entitled to hold any public 15382  
office until any repayment or restitution required by the court is 15383  
satisfied. 15384

(E) For the purposes of this section: 15385

(1) A person acts purposely when it is the person's specific 15386  
intention to cause a certain result, or, when the gist of the 15387  
offense is a prohibition against conduct of a certain nature, 15388  
regardless of what the person intends to accomplish thereby, it is 15389  
the person's specific intention to engage in conduct of that 15390  
nature. 15391

(2) A person acts knowingly, regardless of the person's 15392  
purpose, when the person is aware that the person's conduct will 15393  
probably cause a certain result or will probably be of a certain 15394  
nature. A person has knowledge of circumstances when the person is 15395  
aware that such circumstances probably exist. 15396

(3) A person acts recklessly when, with heedless indifference 15397  
to the consequences, the person perversely disregards a known risk 15398  
that the person's conduct is likely to cause a certain result or 15399  
is likely to be of a certain nature. A person is reckless with 15400  
respect to circumstances when, with heedless indifference to the 15401  
consequences, the person perversely disregards a known risk that 15402  
such circumstances are likely to exist. 15403

(F) The proceedings provided for in this section may be used 15404  
as an alternative to the removal proceedings prescribed under 15405  
sections 3.07 to 3.10 of the Revised Code or other methods of 15406

removal authorized by law. 15407

**Sec. 321.46.** (A) To enhance the background and working 15408  
knowledge of county treasurers in governmental accounting, 15409  
portfolio reporting and compliance, investments, cybersecurity, 15410

treasurers shall be held between the first day of December and the 15417  
first Monday of September next following that person's election to 15418

may also be provided to any county treasurer who is appointed to 15420  
fill a vacancy or who is elected at a special election. 15421

(B)(1) The auditor of state shall determine the manner and 15422  
content of the initial education programs in the subject areas of 15423  
governmental accounting and portfolio reporting and compliance. In 15424  
those areas, newly elected county treasurers shall take at least 15425  
thirteen hours of education before taking office. 15426

(2) The treasurer of state shall determine the manner and 15427  
content of the initial education programs in the subject areas of 15428  
investments and cash management. In those areas, newly elected 15429  
county treasurers shall take at least thirteen hours of education 15430  
before taking office. 15431

(3)(a) After completing one year in office, a county 15432  
treasurer shall take not less than twenty-four hours of continuing 15433  
education during each biennial cycle. For purposes of division 15434

taxes, ethics, and any other subject area that the treasurer of 15440  
state determines is reasonably related to the duties of the office 15441  
of the county treasurer. The auditor of state shall determine the 15442  
manner and content of the continuing education courses in the 15443  
subject areas of governmental accounting, portfolio reporting and 15444  
compliance, office management, cybersecurity, and any other 15445  
subject area that the auditor of state determines is reasonably 15446  
related to the duties of the office of the county treasurer. 15447

(b) A county treasurer who accumulates more than twenty-four 15448  
hours of continuing education in a biennial cycle described in 15449  
division (B)(3)(a) of this section may credit the hours in excess 15450  
of twenty-four hours to the next biennial cycle. However, 15451  
regardless of the total number of hours earned, no more than six 15452  
hours in continuing education determined by the treasurer of state 15453  
pursuant to division (B)(3)(a) of this section and six hours in 15454  
continuing education determined by the auditor of state pursuant 15455  
to that division shall be carried over to the next biennial cycle. 15456

(c) A county treasurer who participates in a training program 15457  
or seminar established under section 109.43 of the Revised Code 15458  
may apply the three hours of training to the twenty-four hours of 15459  
continuing education required in a biennial cycle under division 15460  
(B)(3)(a) of this section. 15461

(C) The auditor of state and the treasurer of state may each 15462  
charge counties a registration fee that will meet actual and 15463  
necessary expenses of the training of county treasurers, including 15464  
instructor fees, site acquisition costs, and the cost of course 15465  
materials. The necessary personal expenses of county treasurers as 15466  
a result of attending the initial education programs and 15467  
continuing education courses shall be borne by the counties the 15468  
treasurers represent. 15469

(D) The auditor of state and the treasurer of state may allow 15470  
any other interested person to attend any of the initial education 15471  
programs or continuing education courses held pursuant to this 15472  
section, provided that before attending any such program or 15473  
course, the interested person shall pay to either the auditor of 15474  
state or the treasurer of state, as appropriate, the full 15475  
registration fee set for the program or course. 15476

(E)(1) If a county treasurer fails to complete the initial 15477  
education programs required by this section before taking office, 15478  
the treasurer's authority to invest county funds and to manage the 15479  
county portfolio immediately is suspended, and this authority is 15480  
transferred to the county's investment advisory committee until 15481  
full compliance with the initial education programs is determined 15482  
by the treasurer of state. 15483

(2) If a county treasurer fails to complete continuing 15484  
education as required by this section, the county treasurer is 15485  
subject to divisions (B) to (E) of section 321.47 of the Revised 15486  
Code, including possible suspension of the treasurer's authority 15487  
to invest county funds and to manage the county portfolio and 15488  
transfer of this authority to the county's investment advisory 15489  
committee. 15490

(F)(1) Notwithstanding divisions (B) and (E) of this section, 15491  
a county treasurer who fails to complete the initial education 15492  
programs or continuing education required by this section shall 15493  
invest only in the Ohio subdivisions fund pursuant to division 15494  
(A)(6) of section 135.35 of the Revised Code, in no load money 15495

or deposit accounts pursuant to division (A)(3) of section 135.35 15498  
of the Revised Code. 15499

(2) A county treasurer who has failed to complete the initial 15500  
education programs required by this section and invests in other 15501

than the investments permitted by division (F)(1) of this section 15502  
immediately shall have the county treasurer's authority to invest 15503  
county funds and to manage the county portfolio suspended, and 15504  
this authority shall be transferred to the county's investment 15505  
advisory committee until full compliance with the initial 15506  
education programs is determined by the treasurer of state. 15507

(3) If a county treasurer fails to complete continuing 15508  
education required by this section and invests in other than the 15509  
investments permitted by division (F)(1) of this section, the 15510  
county treasurer is subject to divisions (B) to (E) of section 15511  
321.47 of the Revised Code, including possible suspension of the 15512  
treasurer's authority to invest county funds and to manage the 15513  
county portfolio and transfer of this authority to the county's 15514  
investment advisory committee. 15515

(G)(1) There is hereby created in the state treasury the 15516  
county treasurer education fund, to be used by the treasurer of 15517  
state for actual and necessary expenses of initial education 15518  
programs and continuing education held pursuant to this section 15519  
and section 135.22 of the Revised Code. All registration fees 15520  
collected by the treasurer of state under this section and section 15521  
135.22 of the Revised Code shall be paid into that fund. 15522

(2) All registration fees collected by the auditor of state 15523  
under this section shall be paid into the auditor of state 15524  
training program fund established under section 117.44 of the 15525  
Revised Code. 15526

(H) The treasurer of state, with the advice and consent of 15527  
the auditor of state, may adopt reasonable rules not inconsistent 15528  
with this section for the implementation of this section. 15529

note issued pursuant to a court order in the reorganization of a 15586  
railroad company under section 77 of the Bankruptcy Act. 15587

Notwithstanding any other provision of law to the contrary, 15588  
with respect to all payments received in settlement of claims 15589  
arising from delinquent property tax charges and ordered to be 15590  
paid by a railroad company under a plan of reorganization as 15591  
ordered by a federal district court in accordance with provisions 15592

of Chapter VIII of the "Federal Bankruptcy Act," 11 U.S.C.A. 15593  
201-208, the following provisions shall apply: 15594

(A) Except as provided in division (H) of this section, all 15595  
of such payments shall be made payable, and delivered, to the 15596  
county in which the taxing district sharing in a claim for 15597  
delinquent taxes is located. Any notes included in such payment 15598  
shall be issued to such county treasurer, who shall be the 15599  
custodian of all of said notes, and who shall be liable therefor 15600  
upon ~~his~~ the treasurer's bond until such time as said notes 15601  
mature, are sold, or otherwise lawfully pass from ~~his~~ the 15602  
treasurer's custody. 15603

(B) Upon receipt of a payment by cash or check, the county 15604  
treasurer shall immediately cause such funds to be paid into the 15605  
county treasury and credited to a special fund established for 15606  
this purpose, which shall be known as the "undivided bankruptcy 15607  
claims fund." All of such moneys so received, including any earned 15608  
interest, shall be credited to said fund. 15609

(C) When the total claim for each county has been satisfied 15610  
by the receipt of cash or notes, or both, the county auditor shall 15611  
remit from the tax list and duplicate of real and public utility 15612  
property in each county, all charges appearing thereon in the name 15613  
of the railroad company for which such payment has been made, 15614  
which are delinquent and unpaid from any year previous to the tax 15615  
year 1977. 15616

(D) At any time that funds are present in the undivided 15617  
bankruptcy claims fund, either upon initial settlement or at any 15618  
later time, the county auditor shall, forthwith, distribute by 15619  
auditors' warrant, such funds to the various taxing districts of 15620  
the county, in which the property taxes, from which the claim in 15621  
bankruptcy has derived, were originally charged. The funds so 15622  
distributed shall be apportioned among the various taxing 15623  
authorities within each taxing district in the same proportions as 15624

If any funds received pursuant to this section represent 15637  
taxes which, if collected, would have resulted from any general or 15638  
emergency levy which has since expired, such funds may be credited 15639  
to the general operating fund and expended as though they are 15640  
proceeds from a current levy, and if any of such funds represent 15641  
taxes from any current general bond retirement levy or one which 15642  
has since expired, said funds may be credited to the current bond 15643  
retirement fund and used to service any current bond indebtedness, 15644  
or may be credited to the general operating fund of the district, 15645  
if so designated by a majority of the members of the taxing 15646  
authority of the taxing district. 15647

(E) Except as provided in division (H) of this section, when, 15648  
as a part of the settlement of a claim in bankruptcy of a 15649  
reorganized railroad company a county receives notes on behalf of 15650  
a taxing authority in partial payment of said claim, the county 15651  
treasurer shall, within a reasonable length of time, notify the 15652  
taxing authority of each taxing district sharing in the claim that 15653  
such notes are in ~~his~~ the treasurer's custody. Within sixty days 15654  
of receipt of such notice, each taxing authority shall decide by a 15655  
resolution approved by a majority of its members whether: 15656

(1) The notes shall remain in custody of the county treasurer, as issued, and allowed to mature according to the terms presented on their face with the proceeds to be distributed upon maturity pursuant to division (D) of this section; or

(2) The railroad notes shall be exchanged for several new notes in denominations equal to the proportionate share, or portion thereof, of the taxing district having a share in the claim in bankruptcy as determined in division (D) of this section. The new notes shall be distributed, upon receipt, to each taxing authority in full satisfaction of its claim or in full satisfaction of the portion of its claim represented by the notes so received. If notes cannot be issued in denominations equal to the taxing district's proportionate share, the treasurer shall certify to the taxing authority of the district the amount of notes held by the treasurer on behalf of the district and for which notes cannot be issued pursuant to the taxing authority's decision under this subdivision. The sheriff may call such aid as is necessary in guarding, 16379  
transporting, or returning such person. Whoever neglects or 16380

in the county or staff based upon the minimum standards for jails 16393  
in Ohio promulgated pursuant to section 5120.10 of the Revised 16394  
Code, instead of conveying a person in a category described in 16395

that division, the Lawrence county sheriff may convey the person 16397  
to the Ohio river valley facility in accordance with section 16398

(B) The board of county commissioners of Lawrence county and 16420  
the director of administrative services may enter into an 16421

into an agreement with the sheriff pursuant to division (B)(2) of 16436  
section 341.12 of the Revised Code for the confinement of such 16437

it, and shall keep those persons safely, attend to that portion of 16452  
the facility, and regulate that portion of the facility according 16453  
to the minimum standards for jails in Ohio promulgated pursuant to 16454  
section 5120.10 of the Revised Code; 16455

confined in it, and conveyance to and from that portion of the 16461  
facility of persons who are to be or who have been confined in it, 16462  
in the same manner as if that facility was a Lawrence county jail; 16463

(c) The sheriff may enter into one or more shared service 16464  
agreements with any other entity leasing buildings at the Ohio 16465  
river valley facility regarding any of the responsibilities and 16466  
duties described in division (B)(3)(b) of this section or 16467

except for sections 341.13 to 341.18 of the Revised Code, apply 16471  
with respect to the specified portion of the Ohio river valley 16472

(E) For the purposes of this section: 16905

(1) A person acts purposely when it is the person's specific 16906  
intention to cause a certain result, or, when the gist of the 16907  
offense is a prohibition against conduct of a certain nature, 16908  
regardless of what the person intends to accomplish thereby, it is 16909  
the person's specific intention to engage in conduct of that 16910  
nature. 16911

(2) A person acts knowingly, regardless of the person's 16912  
purpose, when the person is aware that the person's conduct will 16913  
probably cause a certain result or will probably be of a certain 16914  
nature. A person has knowledge of circumstances when the person is 16915  
aware that such circumstances probably exist. 16916

(3) A person acts recklessly when, with heedless indifference 16917

that the person's conduct is likely to cause a certain result or 16919  
is likely to be of a certain nature. A person is reckless with 16920  
respect to circumstances when, with heedless indifference to the 16921

the legislative authority, ~~and or, in the alternative, at a 16937~~  
general or special election as provided for by the board of 16938  
elections under division (B)(1) of this section. The election 16939  
shall be conducted, canvassed, and the result certified and made 16940

election is in favor of ~~such~~ the surrender, the village clerk or, 16942  
in the alternative, the board of elections shall certify the 16943

(B)(1) If the legislative authority of a village fails to act 16949  
upon the petition within thirty days after receipt of the 16950

3501.38 of the Revised Code. The petition shall be filed with the 16954  
board of elections of the county in which the largest portion of 16955  
the population of the village resides. If the petition is 16956  
sufficient, the board of elections shall submit the question 16957  
"Shall the village of ..... surrender its corporate powers?" 16958  
for the approval or rejection of the electors of the village at 16959  
the next general or special election, in any year, occurring after 16960  
the period ending ninety days after the filing of the petition 16961  
with the board. If the result of the election is in favor of the 16962  
surrender, the board of elections shall certify the results to the 16963  
secretary of state, the auditor of state, and the county recorder, 16964  
who shall record it in their respective offices. The corporate 16965  
powers of the village shall cease upon the recording of the 16966  
certified election results in the county recorder's office. 16967

(2) In addition to filing the petition with the board of 16968  
elections as provided in division (B)(1) of this section, a copy 16969  
of the petition shall be filed with the board of township trustees 16970

(C) The auditor of state shall assist in facilitating a 16972  
timely and systematic manner for complying with the requirements 16973  
of section 703.21 of the Revised Code. 16974

**Sec. 703.21.** (A) The surrender of corporate powers by a 16975  
village under section 703.20 or 703.201 of the Revised Code does 16976  
not affect vested rights or accrued liabilities of the village, or 16977  
the power to settle claims, dispose of property, or levy and 16978  
collect taxes to pay existing obligations, or to operate its 16979  
utilities, including collection of existing rates and charges for 16980  
services rendered, until the ownership and operation of each 16981  
utility is transferred to another entity. But, after the 16982  
presentation of the petition mentioned in section 703.20 of the 16983

Revised Code or receipt of the audit report and notice mentioned 16984  
in section 703.201 of the Revised Code, the legislative authority 16985  
of the village shall not create any new liability until the result 16986  
of the election under section 703.20 of the Revised Code is 16987  
declared or the decision of the court of common pleas under 16988  
division (C) of section 703.201 of the Revised Code is declared, 16989  
or thereafter, if the result, in either case, is for the surrender 16990  
of the village's corporate powers, except to the extent such 16991  
liability is necessary in connection with the operations of the 16992  
village's utilities consistent with prudent utility practice. If 16993  
the auditor of state notifies the village that the attorney 16994  
general may file a legal action under section 703.201 of the 16995  
Revised Code, but the attorney general does not file such an 16996  
action, the village shall not create any new liability for thirty 16997  
days after receipt of the auditor of state's notice, except to the 16998  
extent such liability is necessary in connection with the 16999  
operations of the village's utilities consistent with prudent 17000  
utility practice. 17001

(B) Due and unpaid taxes may be collected after the surrender 17002  
of corporate powers, and all moneys or property remaining after 17003  
the surrender belongs to the township or townships located wholly 17004  
or partly within the village, subject to the agreements entered 17005  
into as provided for in this section for the timely transfer of 17006  
real and personal property and subject to the report of an audit 17007  
or, at the discretion of the auditor of state, an agreed-upon 17008  
procedure audit performed by the auditor of state under section 17009  
117.11 or 117.114 of the Revised Code. The auditor of state shall 17010  
commence the audit or agreed-upon procedure audit within thirty 17011  
days after receipt of the notice of dissolution as provided in 17012  
division (E) of section 117.10 of the Revised Code. Cash balances 17013  
shall be transferred at the completion of the audit or agreed-upon 17014  
procedure audit performed by the auditor of state. ~~If~~ Except as 17015  
otherwise provided by agreement of the affected village and 17016

townships, if more than one township is to receive the remaining 17017  
money or property, the money and property shall be divided among 17018  
the townships in proportion to the amount of territory that each 17019  
township has within the village boundaries as compared to the 17020  
total territory within the village. 17021

(C)(1) Village real and personal property, other than 17022  
electric, water, and sewer utility property, shall be transferred 17023  
in a timely manner in accordance with agreements between or among 17024  
the affected village and township or townships. If no such 17025  
agreements have been reached within sixty days after the 17026  
certificate of dissolution is filed with the county recorder, 17027  
title to real and personal property other than any electric, 17028  
water, and sewer utility property vests by operation of law in the 17029  
affected township or townships. If more than one township is 17030  
affected, and agreements have not been reached within sixty days 17031  
after the certificate of dissolution is filed, title vests by 17032  
operation of law in proportion to the amount of territory that 17033  
each township has within the village boundaries as compared to the 17034  
total territory within the village. 17035

(2) Any agreements entered into under this section regarding 17036  
the transfer of real property shall be recorded with the county 17037  
recorder of the county in which the affected real property is 17038  
situated, along with affidavits stating facts relating to title as 17039  
provided for in section 5301.252 of the Revised Code. The county 17040  
recorder shall make appropriate notations in the county records to 17041  
reflect the conveyance of the village's interest in real property 17042  
in accordance with the recorded agreements resulting from the 17043  
surrender of corporate powers. The notations shall include a 17044  
reference to the county's recorded certificate of dissolution. 17045

In the absence of any agreements and upon the recording of 17046  
affidavits relating to title, the county recorder shall make 17047  
appropriate notations in the county records to reflect the 17048

conveyance of the village's interest in real property and to 17049  
evidence that title vested by operation of law in the township or 17050  
townships as otherwise provided for in this section and as a 17051  
result of the surrender of corporate powers. The recording of a 17052  
certificate of dissolution or a certified copy of it, any 17053  
agreements regarding the transfer of real property, and supporting 17054  
affidavits serve as sufficient evidence of a transfer of title 17055  
from the former village to a township or townships. These 17056  
documents shall be recorded in the same manner as a deed of 17057  
conveyance, except that the affected township or townships are 17058  
exempt from any fees specified under section 317.32 of the Revised 17059  
Code. 17060

(3) Cash balances shall be transferred at the completion of 17061  
the audit, or, at the discretion of the auditor of state, the 17062  
agreed-upon procedure audit performed by the auditor of state. 17063

(D)(1) Electric and water and sewer utility property shall be 17064  
transferred by agreement entered into by the village and the 17065  
entity that will be taking over the electric and water and sewer 17066  
utility property and assets. Cash balances shall be transferred at 17067  
the completion of the audit, or, at the discretion of the auditor 17068  
of state, the agreed-upon procedure audit performed by the auditor 17069  
of state. The provision of utility and other services shall be 17070  
uninterrupted during the transition period following the surrender 17071  
of corporate powers. 17072

(a) Following the filing of the certificate of dissolution, 17073  
if it is determined that a county, or a regional water and sewer 17074  
district organized under Chapter 6119. of the Revised Code, is 17075  
obligated to assume water and sewer utility property and assets by 17076  
default, the board of county commissioners or board of trustees of 17077  
the district, as appropriate, may petition the court of common 17078  
pleas of the county in which the village was located, for an order 17079  
to revise the current user fees, rates, and charges charged, or 17080

assessments levied, by the utility. The board of county 17081  
commissioners or board of trustees of the district shall file with 17082  
the petition a systems audit of the utility. The systems audit 17083  
shall address the financial solvency of the utility; the utility's 17084  
debt service obligations and operating revenue stream, including 17085  
user fees, rates, charges, and assessments; the utility's 17086  
compliance with operating permit requirements; the necessary 17087  
system maintenance, upgrades, and operational modifications and 17088  
their associated costs for the utility; outstanding, pending, or 17089  
potential enforcement actions against the utility; and any other 17090  
relevant matters impacting the operational viability and financial 17091  
solvency of the utility. 17092

When considering whether to grant the order, the court shall 17093  
review the systems audit and any other relevant evidence. The 17094  
order of the court shall assure that the operational viability and 17095  
financial solvency of the utility is maintained, and that an 17096  
unreasonable financial burden is not placed upon the county or 17097  
district due to the acquisition of the utility property and 17098  
assets. 17099

(b) In the case of a village electric utility, the village 17100  
shall be required to take all necessary steps to transfer its 17101  
ownership and operation, including continuing with normal 17102  
operations and activities, fulfilling its contractual and other 17103  
obligations, and transferring its contractual and other 17104  
obligations to a successor entity in a timely manner following the 17105  
filing of the certificate of dissolution. Such steps shall include 17106  
hiring a third-party engineer knowledgeable about the operation of 17107  
municipal electric systems to conduct a systems audit of the 17108  
electric utility, addressing such items as set forth in division 17109  
(D)(2) of this section. The systems audit shall commence not later 17110  
than sixty days after the filing of the certificate of 17111  
dissolution. Such systems audit is a proper expense of the 17112

village's electric utility fund. If the village's electric utility 17113  
fund has a balance of zero or a negative fund balance, the 17114  
absorbing entity shall pay for the systems audit. During this 17115  
period, the village's electric utility shall continue with all 17116  
normal operations and activities, shall continue fulfilling its 17117  
contractual and other obligations, including with its customers 17118  
and users and licensees of its poles, conduits, and rights-of-way, 17119  
and shall collect charges for service at the rates in effect on 17120  
the date the certificate of dissolution is filed. 17121

(2) The systems audit required under division (D)(1)(a) or 17122  
(b) of this section shall not prevent the auditor of state from 17123  
conducting the audit, or, at the discretion of the auditor of 17124  
state, the agreed-upon procedure audit, required by this section. 17125

(E) As used in divisions (C) and (D) of this section, 17126  
"certificate of dissolution" means the certified election results 17127  
approving the surrender of corporate powers as recorded by the 17128  
county recorder under section 703.20 of the Revised Code. 17129

After the surrender of corporate powers, all resolutions of 17130  
the township or townships into which the village's territory was 17131  
dissolved shall apply throughout the township's newly included 17132  
territory. 17133

**Sec. 705.22.** At the end of each year the legislative 17134  
authority of a municipal corporation shall have an annual report 17135

shall be allowed as a deduction, for that taxable year and the 17394  
following five taxable years, against any other net profit of the 17395  
resident or the resident's distributive share of any net profit 17396

pass-through entity until fully utilized, subject to division 17398

subsequent year for use by that taxpayer. In no event shall the 17415  
cumulative deductions for all taxable years with respect to a 17416  
taxpayer's net operating loss exceed the original amount of that 17417  
net operating loss available to that taxpayer. 17418

(2) In the case of nonresidents, all income, salaries, 17419  
qualifying wages, commissions, and other compensation from 17420  
whatever source earned or received by the nonresident for work 17421

a majority of the electors of the municipal corporation voting on 17444  
the question of whether to permit the taxation of that type of 17445  
intangible income after 1988 voted in favor thereof at an election 17446

thousand dollars for the taxable year may be subject to taxation 17467

require the payer of such compensation to withhold any tax from 17469  
that compensation. 17470

section does not apply with respect to the municipal corporation 17553  
in which the employee resided at the time the employee earned the 17554  
qualifying wages. 17555

(c) The exemption provided in division (C)(16)(a) of this 17556  
section does not apply to qualifying wages that an employer elects 17557

is an individual who resides in the municipal corporation or the 18141  
taxpayer is an electric company, combined company, or telephone 18142  
company that is subject to and required to file reports under 18143  
Chapter 5745. of the Revised Code. 18144

(A) Except as otherwise provided in division (B) of this 18145  
section, net profit from a business or profession conducted both 18146  
within and without the boundaries of a municipal corporation shall 18147  
be considered as having a taxable situs in the municipal 18148

business or profession in the municipal corporation during the 18153  
taxable period to the average original cost of all of the real and 18154

and services, wherever made or performed. 18173

(B)(1) If the apportionment factors described in division (A) 18174  
of this section do not fairly represent the extent of a taxpayer's 18175  
business activity in a municipal corporation, the taxpayer may 18176  
request, or the tax administrator of the municipal corporation may 18177  
require, that the taxpayer use, with respect to all or any portion 18178  
of the income of the taxpayer, an alternative apportionment method 18179

(a) Separate accounting; 18181

(b) The exclusion of one or more of the factors; 18182

(c) The inclusion of one or more additional factors that 18183  
would provide for a more fair apportionment of the income of the 18184  
taxpayer to the municipal corporation; 18185

(d) A modification of one or more of the factors. 18186

(2) A taxpayer request to use an alternative apportionment 18187  
method shall be in writing and shall accompany a tax return, 18188  
timely filed appeal of an assessment, or timely filed amended tax 18189  
return. The taxpayer may use the requested alternative method 18190  
unless the tax administrator denies the request in an assessment 18191  
issued within the period prescribed by division (A) of section 18192  
718.12 of the Revised Code. 18193

(3) A tax administrator may require a taxpayer to use an 18194

alternative apportionment method as described in division (B)(1) 18195  
of this section only by issuing an assessment to the taxpayer 18196  
within the period prescribed by division (A) of section 718.12 of 18197  
the Revised Code. 18198

(4) Nothing in division (B) of this section nullifies or 18199  
otherwise affects any alternative apportionment arrangement 18200  
approved by a tax administrator or otherwise agreed upon by both 18201  
the tax administrator and taxpayer before January 1, 2016. 18202

(C) As used in division (A)(2) of this section, "wages, 18203  
salaries, and other compensation" includes only wages, salaries, 18204  
or other compensation paid to an employee for services performed 18205  
at any of the following locations: 18206

(1) A location that is owned, controlled, or used by, rented 18207  
to, or under the possession of one of the following: 18208

(a) The employer; 18209

(b) A vendor, customer, client, or patient of the employer, 18210  
or a related member of such a vendor, customer, client, or 18211  
patient; 18212

described in division (C)(1)(b) of this section, or a related 18214  
member of such a vendor, customer, client, or patient. 18215

(2) Any location at which a trial, appeal, hearing, 18216  
investigation, inquiry, review, court-martial, or similar 18217  
administrative, judicial, or legislative matter or proceeding is 18218  
being conducted, provided that the compensation is paid for 18219  
services performed for, or on behalf of, the employer or that the 18220  
employee's presence at the location directly or indirectly 18221  
benefits the employer; 18222

(3) Any other location, if the tax administrator determines 18223  
that the employer directed the employee to perform the services at 18224

the other location in lieu of a location described in division 18225  
(C)(1) or (2) of this section solely in order to avoid or reduce 18226  
the employer's municipal income tax liability. If a tax 18227  
administrator makes such a determination, the employer may dispute 18228  
the determination by establishing, by a preponderance of the 18229  
evidence, that the tax administrator's determination was 18230  
unreasonable. 18231

(D) For the purposes of division (A)(3) of this section, 18232  
receipts from sales and rentals made and services performed shall 18233  
be sitused to a municipal corporation as follows: 18234

(1) Gross receipts from the sale of tangible personal 18235  
property shall be sitused to the municipal corporation ~~in which~~ 18236  
~~the sale originated. For the purposes of this division, a sale of~~ 18237

of where title passes, the property meets ~~any~~ either of the 18239  
following criteria: 18240

(a) The property is shipped to or delivered within the 18241  
municipal corporation from a stock of goods located within the 18242  
municipal corporation. 18243

(b) The property is delivered within the municipal 18244  
corporation from a location outside the municipal corporation, 18245  
provided the taxpayer is regularly engaged through its own 18246  
employees in the solicitation or promotion of sales within such 18247  
municipal corporation and the sales result from such solicitation 18248  
or promotion. 18249

~~(c) The property is shipped from a place within the municipal~~ 18250  
~~corporation to purchasers outside the municipal corporation,~~ 18251  
~~provided that the taxpayer is not, through its own employees,~~ 18252  
~~regularly engaged in the solicitation or promotion of sales at the~~ 18253  
~~place where delivery is made.~~ 18254

(2) Gross receipts from the sale of services shall be sitused 18255

to the municipal corporation to the extent that such services are performed in the municipal corporation. 18256  
18257

(3) To the extent included in income, gross receipts from the sale of real property located in the municipal corporation shall be sitused to the municipal corporation. 18258  
18259  
18260

(4) To the extent included in income, gross receipts from rents and royalties from real property located in the municipal corporation shall be sitused to the municipal corporation. 18261  
18262  
18263

(5) Gross receipts from rents and royalties from tangible personal property shall be sitused to the municipal corporation based upon the extent to which the tangible personal property is used in the municipal corporation. 18264  
18265  
18266  
18267

(E) The net profit received by an individual taxpayer from the rental of real estate owned directly by the individual or by a disregarded entity owned by the individual shall be subject to tax only by the municipal corporation in which the property generating the net profit is located and the municipal corporation in which the individual taxpayer that receives the net profit resides. 18268  
18269  
18270  
18271  
18272  
18273

A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit sitused under this division to the municipal corporation in which the property is located. 18274  
18275  
18276  
18277

(F)(1) Except as provided in division (F)(2) of this section, commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be sitused to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to a municipal corporation based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the municipal corporation to the commissions received from the sale, purchase, or lease of real 18278  
18279  
18280

18282  
18283  
18284  
18285  
18286

estate everywhere in the taxable year. 18287

(2) An individual who is a resident of a municipal 18288  
corporation that imposes a municipal income tax shall report the 18289  
individual's net profit from all real estate activity on the 18290  
individual's annual tax return for that municipal corporation. The 18291  
individual may claim a credit for taxes the individual paid on 18292  
such net profit to another municipal corporation to the extent 18293  
that such a credit is allowed under the municipal income tax 18294  
ordinance, or rules of the municipal corporation of residence. 18295

(G) If, in computing a taxpayer's adjusted federal taxable 18296  
income, the taxpayer deducted any amount with respect to a stock 18297  
option granted to an employee, and if the employee is not required 18298  
to include in the employee's income any such amount or a portion 18299  
thereof because it is exempted from taxation under divisions 18300  
(C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a 18301  
municipal corporation to which the taxpayer has apportioned a 18302  
portion of its net profit, the taxpayer shall add the amount that 18303  
is exempt from taxation to the taxpayer's net profit that was 18304  
apportioned to that municipal corporation. In no case shall a 18305  
taxpayer be required to add to its net profit that was apportioned 18306  
to that municipal corporation any amount other than the amount 18307  
upon which the employee would be required to pay tax were the 18308  
amount related to the stock option not exempted from taxation. 18309

This division applies solely for the purpose of making an 18310  
adjustment to the amount of a taxpayer's net profit that was 18311  
apportioned to a municipal corporation under this section. 18312

(H) When calculating the ratios described in division (A) of 18313  
this section for the purposes of that division or division (B) of 18314  
this section, the owner of a disregarded entity shall include in 18315  
the owner's ratios the property, payroll, and gross receipts of 18316  
such disregarded entity. 18317

(1) "Affiliated group of corporations" means an affiliated 18319  
group as defined in section 1504 of the Internal Revenue Code, 18320  
except that, if such a group includes at least one incumbent local 18321  
exchange carrier that is primarily engaged in the business of 18322  
providing local exchange telephone service in this state, the 18323  
affiliated group shall not include any incumbent local exchange 18324

(2) "Consolidated federal income tax return" means a 18326  
consolidated return filed for federal income tax purposes pursuant 18327

(5) "Local exchange telephone service" has the same meaning 18339  
as in section 5727.01 of the Revised Code. 18340

(B)(1) For taxable years beginning on or after January 1, 18341  
2016, a taxpayer that is a member of an affiliated group of 18342  
corporations may elect to file a consolidated municipal income tax 18343  
return for a taxable year if at least one member of the affiliated 18344  
group of corporations is subject to the municipal income tax in 18345  
that taxable year and if the affiliated group of corporations 18346  
filed a consolidated federal income tax return with respect to 18347

that taxable year. The election is binding for a five-year period 18348  
beginning with the first taxable year of the initial election 18349  
unless a change in the reporting method is required under federal 18350  
law. The election continues to be binding for each subsequent 18351  
five-year period unless the taxpayer elects to discontinue filing 18352  
consolidated municipal income tax returns under division (B)(2) of 18353  
this section or a taxpayer receives permission from the tax 18354  
administrator. The tax administrator shall approve such a request 18355  
for good cause shown. 18356

(2) An election to discontinue filing consolidated municipal 18357  
income tax returns under this section must be made in the first 18358  
year following the last year of a five-year consolidated municipal 18359  
income tax return election period in effect under division (B)(1) 18360  
of this section. The election to discontinue filing a consolidated 18361  
municipal income tax return is binding for a five-year period 18362  
beginning with the first taxable year of the election. 18363

(3) An election made under division (B)(1) or (2) of this 18364  
section is binding on all members of the affiliated group of 18365  
corporations subject to a municipal income tax. 18366

(4) When a taxpayer makes the election allowed under section 18367  
718.80 of the Revised Code, a valid election made by the taxpayer 18368  
under division (B)(1) or (2) of this section is binding upon the 18369  
tax commissioner for the remainder of the five-year period. 18370

(5) When an election made under section 718.80 of the Revised 18371  
Code is terminated, a valid election made under section 718.86 of 18372  
the Revised Code is binding upon the tax administrator for the 18373  
remainder of the five-year period. 18374

(C) A taxpayer that is a member of an affiliated group of 18375  
corporations that filed a consolidated federal income tax return 18376  
for a taxable year shall file a consolidated municipal income tax 18377  
return for that taxable year if the tax administrator determines, 18378

by a preponderance of the evidence, that intercompany transactions 18379  
have not been conducted at arm's length and that there has been a 18380  
distortive shifting of income or expenses with regard to 18381  
allocation of net profits to the municipal corporation. A taxpayer 18382  
that is required to file a consolidated municipal income tax 18383  
return for a taxable year shall file a consolidated municipal 18384  
income tax return for all subsequent taxable years unless the 18385  
taxpayer requests and receives written permission from the tax 18386  
administrator to file a separate return or a taxpayer has 18387  
experienced a change in circumstances. 18388

(D) A taxpayer shall prepare a consolidated municipal income 18389  
tax return in the same manner as is required under the United 18390  
States department of treasury regulations that prescribe 18391  
procedures for the preparation of the consolidated federal income 18392  
tax return required to be filed by the common parent of the 18393  
affiliated group of which the taxpayer is a member. 18394

(E)(1) Except as otherwise provided in divisions (E)(2), (3), 18395  
and (4) of this section, corporations that file a consolidated 18396  
municipal income tax return shall compute adjusted federal taxable 18397  
income, as defined in section 718.01 of the Revised Code, by 18398  
substituting "consolidated federal taxable income" for "federal 18399  
taxable income" wherever "federal taxable income" appears in that 18400  
division and by substituting "an affiliated group of 18401  
corporation's" for "a C corporation's" wherever "a C 18402  
corporation's" appears in that division. 18403

(2) No corporation filing a consolidated municipal income tax 18404  
return shall make any adjustment otherwise required under division 18405  
(E) of section 718.01 of the Revised Code to the extent that the 18406  
item of income or deduction otherwise subject to the adjustment 18407  
has been eliminated or consolidated in the computation of 18408  
consolidated federal taxable income. 18409

(3) If the net profit or loss of a pass-through entity having 18410

at least eighty per cent of the value of its ownership interest 18411  
owned or controlled, directly or indirectly, by an affiliated 18412  
group of corporations is included in that affiliated group's 18413  
consolidated federal taxable income for a taxable year, the 18414  
corporation filing a consolidated municipal income tax return 18415  
shall do one of the following with respect to that pass-through 18416  
entity's net profit or loss for that taxable year: 18417

(a) Exclude the pass-through entity's net profit or loss from 18418  
the consolidated federal taxable income of the affiliated group 18419  
and, for the purpose of making the computations required in 18420  
section 718.02 of the Revised Code, exclude the property, payroll, 18421  
and gross receipts of the pass-through entity in the computation 18422  
of the affiliated group's net profit situated to a municipal 18423  
corporation. If the entity's net profit or loss is so excluded, 18424  
the entity shall be subject to taxation as a separate taxpayer on 18425  
the basis of the entity's net profits that would otherwise be 18426  
included in the consolidated federal taxable income of the 18427  
affiliated group. 18428

(b) Include the pass-through entity's net profit or loss in 18429  
the consolidated federal taxable income of the affiliated group 18430  
and, for the purpose of making the computations required in 18431  
section 718.02 of the Revised Code, include the property, payroll, 18432  
and gross receipts of the pass-through entity in the computation 18433  
of the affiliated group's net profit situated to a municipal 18434  
corporation. If the entity's net profit or loss is so included, 18435  
the entity shall not be subject to taxation as a separate taxpayer 18436  
on the basis of the entity's net profits that are included in the 18437  
consolidated federal taxable income of the affiliated group. 18438

(4) If the net profit or loss of a pass-through entity having 18439  
less than eighty per cent of the value of its ownership interest 18440  
owned or controlled, directly or indirectly, by an affiliated 18441  
group of corporations is included in that affiliated group's 18442

consolidated federal taxable income for a taxable year, all of the 18443  
following shall apply: 18444

(a) The corporation filing the consolidated municipal income 18445  
tax return shall exclude the pass-through entity's net profit or 18446  
loss from the consolidated federal taxable income of the 18447  
affiliated group and, for the purposes of making the computations 18448  
required in section 718.02 of the Revised Code, exclude the 18449  
property, payroll, and gross receipts of the pass-through entity 18450  
in the computation of the affiliated group's net profit sitused to 18451  
a municipal corporation; 18452

(b) The pass-through entity shall be subject to municipal 18453  
income taxation as a separate taxpayer in accordance with this 18454  
chapter on the basis of the entity's net profits that would 18455  
otherwise be included in the consolidated federal taxable income 18456  
of the affiliated group. 18457

(F) Corporations filing a consolidated municipal income tax 18458  
return shall make the computations required under section 718.02 18459

718.95 of the Revised Code, applicable to the tax commissioner's 18868

18873

Sec. 718.81. If a term used in sections 718.80 to 718.95 of the Revised Code that is not otherwise defined in this chapter is used in a comparable context in both the laws of the United States relating to federal income tax and in Title LVII of the Revised Code and the use is not consistent, then the use of the term in the laws of the United States relating to federal income tax shall have control over the use of the term in Title LVII of the Revised Code, unless the term is defined in Chapter 5703. of the Revised Code, in which case the definition in that chapter shall control. Any reference in this chapter to the Internal Revenue Code includes other laws of the United States related to federal income taxes. If a term is defined in both this section and section 718.01 of the Revised Code, the definition in this section shall control for all uses of that term in sections 718.80 through 718.95 of the Revised Code. 18874

18890

(A) "Municipal taxable income" means income apportioned or situated to the municipal corporation under section 718.82 of the Revised Code, as applicable, reduced by any pre-2017 net operating loss carryforward available to the person for the municipal corporation. 18891

1221 or 1231 of the Internal Revenue Code. 18920

(b) Division (B)(4)(a) of this section does not apply to the 18921

corporations includes that net profit in the group's federal 18940  
taxable income in accordance with division (E)(3)(b) of section 18941  
718.86 of the Revised Code. 18942

(10) Add any loss incurred by a pass-through entity owned 18943  
directly or indirectly by the taxpayer and included in the 18944  
taxpayer's federal taxable income unless an affiliated group of 18945  
corporations includes that loss in the group's federal taxable 18946  
income in accordance with division (E)(3)(b) of section 718.86 of 18947

18983  
18984

(E) "Taxable year" means the calendar year or the taxpayer's fiscal year ending during the calendar year, or fractional part thereof, upon which the calculation of the taxpayer's adjusted federal taxable income is based pursuant to this chapter. If a taxpayer's taxable year is changed for federal income tax purposes, the taxable year for purposes of sections 718.80 to 718.95 of the Revised Code is changed accordingly but may consist of an aggregation of more than one taxable year for federal income tax purposes. The tax commissioner may prescribe by rule an appropriate period as the taxable year for a taxpayer that has had a change of its taxable year for federal income tax purposes, for 18985

**Sec. 718.82.** This section applies to any taxpayer that is 19001  
engaged in a business or profession in a municipal corporation and 19002  
that has made the election under section 718.80 of the Revised 19003  
Code. 19004

(A) Except as otherwise provided in division (B) of this 19005  
section, net profit from a business or profession conducted both 19006  
within and without the boundaries of a municipal corporation shall 19007  
be considered as having a taxable situs in the municipal 19008  
corporation for purposes of municipal income taxation in the same 19009  
proportion as the average ratio of the following: 19010

(1) The average original cost of the real property and 19011  
tangible personal property owned or used by the taxpayer in the 19012  
business or profession in the municipal corporation during the 19013  
taxable period to the average original cost of all of the real and 19014  
tangible personal property owned or used by the taxpayer in the 19015  
business or profession during the same period, wherever situated. 19016

As used in the preceding paragraph, tangible personal or real 19017  
property shall include property rented or leased by the taxpayer 19018  
and the value of such property shall be determined by multiplying 19019  
the annual rental thereon by eight; 19020

(2) Wages, salaries, and other compensation paid during the 19021  
taxable period to individuals employed in the business or 19022  
profession for services performed in the municipal corporation to 19023  
wages, salaries, and other compensation paid during the same 19024  
period to individuals employed in the business or profession, 19025

wherever the individual's services are performed, excluding 19026  
compensation from which taxes are not required to be withheld 19027  
under section 718.011 of the Revised Code; 19028

(3) Total gross receipts of the business or profession from 19029  
sales and rentals made and services performed during the taxable 19030  
period in the municipal corporation to total gross receipts of the 19031  
business or profession during the same period from sales, rentals, 19032  
and services, wherever made or performed. 19033

(B)(1) If the apportionment factors described in division (A) 19034  
of this section do not fairly represent the extent of a taxpayer's 19035  
business activity in a municipal corporation, the taxpayer may 19036  
request, or the tax commissioner may require, that the taxpayer 19037  
use, with respect to all or any portion of the income of the 19038  
taxpayer, an alternative apportionment method involving one or 19039  
more of the following: 19040

(a) Separate accounting; 19041

(b) The exclusion of one or more of the factors; 19042

(c) The inclusion of one or more additional factors that 19043  
would provide for a more fair apportionment of the income of the 19044  
taxpayer to the municipal corporation; 19045

(d) A modification of one or more of the factors. 19046

(2) A taxpayer request to use an alternative apportionment 19047  
method shall be in writing and shall accompany a tax return, 19048  
timely filed appeal of an assessment, or timely filed amended tax 19049  
return. The taxpayer may use the requested alternative method 19050  
unless the tax commissioner denies the request in an assessment 19051  
issued within the period prescribed by division (A) of section 19052  
718.90 of the Revised Code. 19053

(3) The tax commissioner may require a taxpayer to use an 19054  
alternative apportionment method as described in division (B)(1) 19055

of this section only by issuing an assessment to the taxpayer 19056  
within the period prescribed by division (A) of section 718.90 of 19057  
the Revised Code. 19058

(C) As used in division (A)(2) of this section, "wages, 19059  
salaries, and other compensation" includes only wages, salaries, 19060  
or other compensation paid to an employee for services performed 19061  
at any of the following locations: 19062

(1) A location that is owned, controlled, or used by, rented 19063  
to, or under the possession of one of the following: 19064

(a) The employer; 19065

(b) A vendor, customer, client, or patient of the employer, 19066  
or a related member of such a vendor, customer, client, or 19067  
patient; 19068

(c) A vendor, customer, client, or patient of a person 19069  
described in division (C)(1)(b) of this section, or a related 19070  
member of such a vendor, customer, client, or patient. 19071

(2) Any location at which a trial, appeal, hearing, 19072  
investigation, inquiry, review, court-martial, or similar 19073  
administrative, judicial, or legislative matter or proceeding is 19074  
being conducted, provided that the compensation is paid for 19075  
services performed for, or on behalf of, the employer or that the 19076  
employee's presence at the location directly or indirectly 19077  
benefits the employer; 19078

(3) Any other location, if the tax commissioner determines 19079  
that the employer directed the employee to perform the services at 19080  
the other location in lieu of a location described in division 19081  
(C)(1) or (2) of this section solely in order to avoid or reduce 19082  
the employer's municipal income tax liability. If the tax 19083  
commissioner makes such a determination, the employer may dispute 19084  
the determination by establishing, by a preponderance of the 19085  
evidence, that the tax commissioner's determination was 19086

unreasonable. 19087

(D) For the purposes of division (A)(3) of this section, 19088  
receipts from sales and rentals made and services performed shall 19089  
be sitused to a municipal corporation as follows: 19090

(1) Gross receipts from the sale of tangible personal 19091  
property shall be sitused to the municipal corporation only if, 19092  
regardless of where title passes, the property meets either of the 19093  
following criteria: 19094

(a) The property is shipped to or delivered within the 19095  
municipal corporation from a stock of goods located within the 19096  
municipal corporation. 19097

(b) The property is delivered within the municipal 19098  
corporation from a location outside the municipal corporation, 19099  
provided the taxpayer is regularly engaged through its own 19100  
employees in the solicitation or promotion of sales within such 19101  
municipal corporation and the sales result from such solicitation 19102  
or promotion. 19103

(2) Gross receipts from the sale of services shall be sitused 19104  
to the municipal corporation to the extent that such services are 19105  
performed in the municipal corporation. 19106

(3) To the extent included in income, gross receipts from the 19107  
sale of real property located in the municipal corporation shall 19108  
be sitused to the municipal corporation. 19109

(4) To the extent included in income, gross receipts from 19110  
rents and royalties from real property located in the municipal 19111  
corporation shall be sitused to the municipal corporation. 19112

(5) Gross receipts from rents and royalties from tangible 19113  
personal property shall be sitused to the municipal corporation 19114  
based upon the extent to which the tangible personal property is 19115  
used in the municipal corporation. 19116

(E) Commissions received by a real estate agent or broker relating to the sale, purchase, or lease of real estate shall be situated to the municipal corporation in which the real estate is located. Net profit reported by the real estate agent or broker shall be allocated to a municipal corporation based upon the ratio of the commissions the agent or broker received from the sale, purchase, or lease of real estate located in the municipal corporation to the commissions received from the sale, purchase, or lease of real estate everywhere in the taxable year. 19117

(F) If, in computing a taxpayer's adjusted federal taxable income, the taxpayer deducted any amount with respect to a stock option granted to an employee, and if the employee is not required to include in the employee's income any such amount or a portion thereof because it is exempted from taxation under divisions (C)(12) and (R)(1)(d) of section 718.01 of the Revised Code by a municipal corporation to which the taxpayer has apportioned a portion of its net profit, the taxpayer shall add the amount that is exempt from taxation to the taxpayer's net profit that was apportioned to that municipal corporation. In no case shall a taxpayer be required to add to its net profit that was apportioned to that municipal corporation any amount other than the amount upon which the employee would be required to pay tax were the amount related to the stock option not exempted from taxation. 19126

19141  
19142

(G) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity. 19143

Sec. 718.83. (A) On or before the last day of each month, the tax commissioner shall certify to the director of budget and management the amount to be paid to each municipal corporation, based on amounts reported on annual returns and declarations of estimated tax under sections 718.85 and 718.88 of the Revised Code, less any amounts previously distributed and net of any audit adjustments made or refunds granted by the commissioner, for the calender month preceding the month in which the certification is made. Not later than the fifth day of each month, the director shall provide for payment of the amount certified to each municipal corporation from the municipal income tax fund, plus a pro rata share of any investment earnings accruing to the fund since the previous payment under this section. Each municipal corporation's share of such earnings shall equal the proportion that the municipal corporation's certified tax payment is of the total taxes certified to all municipal corporations in that quarter. All investment earnings on money in the municipal income tax fund shall be credited to that fund.

(B) If the tax commissioner determines that the amount of tax paid by a taxpayer and distributed to a municipal corporation under this section for a taxable year exceeds the amount payable to that municipal corporation under sections 718.80 to 718.95 of the Revised Code after accounting for amounts remitted with the annual return and as estimated taxes, the commissioner shall proceed according to divisions (A) and (B) of section 5703.77 of the Revised Code.

Sec. 718.84. (A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by sections 718.80 to 718.95 of the Revised Code is confidential, and no person shall disclose such information, except for official purposes, in accordance with a proper judicial

order, or as provided in section 4123.271 or 5703.21 of the 19179  
Revised Code. The tax commissioner may furnish the internal 19180  
revenue service with copies of returns filed. This section does 19181  
not prohibit the publication of statistics in a form which does 19182  
not disclose information with respect to particular taxpayers. 19183

(B) In March of each year, the tax commissioner shall provide 19184  
each tax administrator with the following information for every 19185  
taxpayer that filed tax returns with the commissioner under 19186  
sections 718.80 to 718.95 of the Revised Code and that had 19187  
municipal taxable income apportionable to the municipal 19188  
corporation under this chapter for any prior year: 19189

(1) The taxpayer's name, address, and federal employer 19190  
identification number; 19191

(2) The taxpayer's apportionment ratio for, and amount of 19192  
municipal taxable income apportionable to, the municipal 19193

(3) The amount of any pre-2017 net operating loss 19195  
carryforward utilized by the taxpayer; 19196

(4) Whether the taxpayer requested that any overpayment be 19197  
carried forward to a future taxable year; 19198

(5) The amount of any credit claimed under section 718.94 of 19199  
the Revised Code. 19200

(C) Not later than thirty days after each distribution made 19201  
to municipal corporations under section 718.83 of the Revised 19202  
Code, the tax commissioner shall provide to each municipal 19203  
corporation a report stating the name of every taxpayer that made 19204  
estimated payments that are attributable to the municipal 19205  
corporation and the amount of each such taxpayer's estimated 19206  
payment. 19207

(D) Not later than the thirty-first day of January of each 19208

year, every municipal corporation shall provide to the tax commissioner, in a format prescribed by the commissioner, the name and mailing address of up to two persons to whom the municipal corporation requests that the commissioner send the information described in division (B) of this section. The commissioner shall not provide such information to any person other than a person employed by the municipal corporation or by a tax administrator, as defined in section 718.01 of the Revised Code, that administers the municipal corporation's income tax, except as may otherwise be provided by law. 19209

referral based on the information in the referral and any other 19243

require the commissioner to conduct any audit. 19248

**Sec. 718.85.** (A)(1) For each taxable year, every taxpayer 19249  
shall file an annual return. Such return, along with the amount of 19250

affiliated group of corporations filed a consolidated federal 19385  
income tax return with respect to that taxable year. The election 19386  
is binding for a five-year period beginning with the first taxable 19387  
year of the initial election unless a change in the reporting 19388  
method is required under federal law. The election continues to be 19389  
binding for each subsequent five-year period unless the taxpayer 19390  
elects to discontinue filing consolidated tax returns under 19391

binding upon the tax administrator for the remainder of the 19412  
five-year period. 19413

(C) A taxpayer that is a member of an affiliated group of 19414  
corporations that filed a consolidated federal income tax return 19415  
for a taxable year shall file a consolidated tax return for that 19416

(D) A taxpayer shall prepare a consolidated tax return in the same manner as is required under the United States department of treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.

(E)(1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated tax return shall compute adjusted federal taxable income, as defined in section 718.81 of the Revised Code, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.

(2) No corporation filing a consolidated tax return shall make any adjustment otherwise required under division (B) of section 718.81 of the Revised Code to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.

(3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:

(a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in

19492  
19493  
19494  
19495

(F) Corporations filing a consolidated tax return shall make the computations required under section 718.82 of the Revised Code by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section. 19496

liability for the taxable year, the taxpayer shall increase or 19566

installments to result in a more accurate payment of estimated 19568

payment of estimated taxes exceeds the amount of the payment 19605  
presently due. 19606

(3) All amounts collected under this section shall be 19607

municipal corporations in accordance with section 718.83 of the 19610

Sec. 718.89. (A) In addition to any other penalty imposed by 19627  
sections 718.80 to 718.95 or Chapter 5703. of the Revised Code, 19628

(a) For each of the first two failures, five per cent of the amount required to be reported on the return; 19644  
19645

(b) For the third and any subsequent failure, ten per cent of the amount required to be reported on the return. 19646  
19647

(3) If a taxpayer that has made the election allowed under section 718.80 of the Revised Code fails to timely pay an amount of tax required to be paid under this chapter, the commissioner may impose a penalty equal to fifteen per cent of the amount not timely paid. 19648  
19649  
19650  
19651  
19652

(4) If a taxpayer files what purports to be a tax return required by sections 718.80 to 718.95 of the Revised Code that does not contain information upon which the substantial correctness of the return may be judged or contains information that on its face indicates that the return is substantially incorrect, and the filing of the return in that manner is due to a position that is frivolous or a desire that is apparent from the return to delay or impede the administration of sections 718.80 to 718.95 of the Revised Code, a penalty of up to five hundred dollars may be imposed. 19653  
19654  
19655  
19656  
19657  
19658  
19659  
19660  
19661  
19662

(5) If a taxpayer makes a fraudulent attempt to evade the reporting or payment of the tax required to be shown on any return required under sections 718.80 to 718.95 of the Revised Code, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the tax required to be shown on the return. 19663  
19664  
19665  
19666  
19667  
19668

(6) If any person makes a false or fraudulent claim for a refund under section 718.91 of the Revised Code, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the claim. Any penalty imposed under this division, any refund issued on the claim, and interest on any refund from the date of the refund, may be assessed under section 19669  
19670  
19671  
19672  
19673  
19674

718.90 of the Revised Code without regard to any time limitation 19675  
for the assessment imposed by division (A) of that section. 19676

(B) For purposes of this section, the tax required to be 19677  
shown on a tax return shall be reduced by the amount of any part 19678  
of the tax paid on or before the date, including any extensions of 19679  
the date, prescribed for filing the return. 19680

(C) Each penalty imposed under this section shall be in 19681  
addition to any other penalty imposed under this section. All or 19682  
part of any penalty imposed under this section may be abated by 19683  
the tax commissioner. The commissioner may adopt rules governing 19684  
the imposition and abatement of such penalties. 19685

(D) All amounts collected under this section shall be 19686  
considered as taxes collected under sections 718.80 to 718.95 of 19687  
the Revised Code and shall be credited and distributed to 19688  
municipal corporations in the same proportion as the underlying 19689  
tax liability is required to be distributed to such municipal 19690  
corporations under section 718.83 of the Revised Code. 19691

**Sec. 718.90.** (A) If any taxpayer required to file a return 19692  
under section 718.80 to 718.95 of the Revised Code fails to file 19693  
the return within the time prescribed, files an incorrect return, 19694  
or fails to remit the full amount of the tax due for the period 19695  
covered by the return, the tax commissioner may make an assessment 19696  
against the taxpayer for any deficiency for the period for which 19697  
the return or tax is due, based upon any information in the 19698  
commissioner's possession. 19699

The tax commissioner shall not make or issue an assessment 19700  
against a taxpayer more than three years after the later of the 19701  
date the return subject to assessment was required to be filed or 19702  
the date the return was filed. Such time limit may be extended if 19703  
both the taxpayer and the commissioner consent in writing to the 19704  
extension. Any such extension shall extend the three-year time 19705

limit in section 718.91 of the Revised Code for the same period of 19706  
time. There shall be no bar or limit to an assessment against a 19707  
taxpayer that fails to file a return subject to assessment as 19708  
required by sections 718.80 to 718.95 of the Revised Code, or that 19709  
files a fraudulent return. The commissioner shall give the 19710  
taxpayer assessed written notice of the assessment as provided in 19711  
section 5703.37 of the Revised Code. With the notice, the 19712  
commissioner shall provide instructions on how to petition for 19713  
reassessment and request a hearing on the petition. 19714

(B) Unless the taxpayer assessed files with the tax 19715  
commissioner within sixty days after service of the notice of 19716  
assessment, either personally or by certified mail, a written 19717  
petition for reassessment signed by the authorized agent of the 19718  
taxpayer assessed having knowledge of the facts, the assessment 19719  
becomes final, and the amount of the assessment is due and payable 19720  
from the taxpayer to the treasurer of state. The petition shall 19721  
indicate the taxpayer's objections, but additional objections may 19722  
be raised in writing if received by the commissioner prior to the 19723  
date shown on the final determination. If the petition has been 19724  
properly filed, the commissioner shall proceed under section 19725  
5703.60 of the Revised Code. 19726

(C) After an assessment becomes final, if any portion of the 19727  
assessment remains unpaid, including accrued interest, a certified 19728  
copy of the tax commissioner's entry making the assessment final 19729  
may be filed in the office of the clerk of the court of common 19730  
pleas in the county in which the taxpayer has an office or place 19731  
of business in this state, the county in which the taxpayer's 19732  
statutory agent is located, or Franklin county. 19733

Immediately upon the filing of the entry, the clerk shall 19734  
enter a judgment against the taxpayer assessed in the amount shown 19735  
on the entry. The judgment may be filed by the clerk in a 19736  
loose-leaf book entitled "special judgments for municipal income 19737

taxes," and shall have the same effect as other judgments. 19738

Execution shall issue upon the judgment upon the request of the 19739

tax commissioner, and all laws applicable to sales on execution 19740

shall apply to sales made under the judgment. 19741

If the assessment is not paid in its entirety within sixty 19742

days after the day the assessment was issued, the portion of the 19743

assessment consisting of tax due shall bear interest at the rate 19744

per annum prescribed by section 5703.47 of the Revised Code from 19745

the day the commissioner issues the assessment until the 19746

assessment is paid or until it is certified to the attorney 19747

general for collection under section 131.02 of the Revised Code, 19748

whichever comes first. If the unpaid portion of the assessment is 19749

certified to the attorney general for collection, the entire 19750

unpaid portion of the assessment shall bear interest at the rate 19751

per annum prescribed by section 5703.47 of the Revised Code from 19752

the date of certification until the date it is paid in its 19753

entirety. Interest shall be paid in the same manner as the tax and 19754

may be collected by issuing an assessment under this section. 19755

(D) All money collected under this section shall be credited 19756

to the municipal income tax fund and distributed to the municipal 19757

corporation to which the money is owed based on the assessment 19758

issued under this section. 19759

(E) If the tax commissioner believes that collection of the 19760

tax will be jeopardized unless proceedings to collect or secure 19761

collection of the tax are instituted without delay, the 19762

commissioner may issue a jeopardy assessment against the taxpayer 19763

liable for the tax. Immediately upon the issuance of the jeopardy 19764

assessment, the commissioner shall file an entry with the clerk of 19765

the court of common pleas in the manner prescribed by division (C) 19766

of this section. Notice of the jeopardy assessment shall be served 19767

on the taxpayer assessed or the taxpayer's legal representative in 19768

the manner provided in section 5703.37 of the Revised Code within 19769

five days of the filing of the entry with the clerk. The total 19770  
amount assessed is immediately due and payable, unless the 19771  
taxpayer assessed files a petition for reassessment in accordance 19772  
with division (B) of this section and provides security in a form 19773  
satisfactory to the commissioner and in an amount sufficient to 19774  
satisfy the unpaid balance of the assessment. Full or partial 19775  
payment of the assessment does not prejudice the commissioner's 19776  
consideration of the petition for reassessment. 19777

(F) Notwithstanding the fact that a petition for reassessment 19778  
is pending, the taxpayer may pay all or a portion of the 19779  
assessment that is the subject of the petition. The acceptance of 19780  
a payment by the treasurer of state does not prejudice any claim 19781  
for refund upon final determination of the petition. 19782

If upon final determination of the petition an error in the 19783  
assessment is corrected by the tax commissioner, upon petition so 19784  
filed or pursuant to a decision of the board of tax appeals or any 19785  
court to which the determination or decision has been appealed, so 19786  
that the amount due from the taxpayer under the corrected 19787  
assessment is less than the portion paid, there shall be issued to 19788  
the taxpayer, its assigns, or legal representative a refund in the 19789  
amount of the overpayment as provided by section 718.91 of the 19790  
Revised Code, with interest on that amount as provided by that 19791  
section. 19792

**Sec. 718.91.** (A) An application to refund to a taxpayer the 19793  
amount of taxes paid on any illegal, erroneous, or excessive 19794  
payment of tax under sections 718.80 to 718.95 of the Revised 19795  
Code, including assessments, shall be filed with the tax 19796  
commissioner within three years after the date of the illegal, 19797  
erroneous, or excessive payment of the tax, or within any 19798  
additional period allowed by division (A) of section 718.90 of the 19799  
Revised Code. The application shall be filed in the form 19800

prescribed by the tax commissioner. 19801

(B)(1) On the filing of a refund application, the tax 19802  
commissioner shall determine the amount of refund to which the 19803  
applicant is entitled. If the amount is greater than ten dollars 19804  
and not less than that claimed, the commissioner shall certify 19805  
that amount to the director of budget and management and the 19806  
treasurer of state for payment from the tax refund fund created in 19807  
section 5703.052 of the Revised Code. If the amount is greater 19808  
than ten dollars but less than that claimed, the commissioner 19809  
shall proceed in accordance with section 5703.70 of the Revised 19810  
Code. 19811

(2) Upon issuance of a refund under this section, the 19812  
commissioner shall notify each municipal corporation of the amount 19813  
refunded to the taxpayer attributable to that municipal 19814  
corporation, which shall be deducted from the municipal 19815  
corporation's next distribution under section 718.83 of the 19816  
Revised Code. 19817

(C) Any portion of a refund determined under division (B) of 19818  
this section that is not issued within ninety days after such 19819  
determination shall bear interest at the rate per annum prescribed 19820  
by section 5703.47 of the Revised Code from the ninety-first day 19821  
after such determination until the day the refund is paid or 19822  
credited. On an illegal or erroneous assessment, interest shall be 19823  
paid at that rate from the date of payment on the illegal or 19824  
erroneous assessment until the day the refund is paid or credited. 19825

Sec. 718.92. (A) If any of the facts, figures, computations, 19826  
or attachments required in an annual return filed by a taxpayer 19827  
that has made the election allowed under section 718.80 of the 19828  
Revised Code and used to determine the tax due under sections 19829  
718.80 to 718.95 of the Revised Code must be altered as the result 19830

of an adjustment to the taxpayer's federal income tax return, 19831  
whether initiated by the taxpayer or the internal revenue service, 19832  
and such alteration affects the taxpayer's tax liability under 19833  
those sections, the taxpayer shall file an amended return with the 19834  
tax commissioner in such form as the commissioner requires. The 19835  
amended return shall be filed not later than sixty days after the 19836  
adjustment is agreed upon or finally determined for federal income 19837  
tax purposes or after any federal income tax deficiency or refund, 19838  
or the abatement or credit resulting therefrom, has been assessed 19839  
or paid, whichever occurs first. If a taxpayer intends to file an 19840  
amended consolidated municipal income tax return, or to amend its 19841  
type of return from a separate return to a consolidated return, 19842  
based on the taxpayer's consolidated federal income tax return, 19843  
the taxpayer shall notify the commissioner before filing the 19844  
amended return. 19845

(B) In the case of an underpayment, the amended return shall 19846  
be accompanied by payment of any combined additional tax due 19847  
together with any penalty and interest thereon. An amended return 19848  
required by this section is a return subject to assessment under 19849  
section 718.90 of the Revised Code for the purpose of assessing 19850  
any additional tax due under this section, together with any 19851  
applicable penalty and interest. The amended return shall not 19852  
reopen those facts, figures, computations, or attachments from a 19853  
previously filed return no longer subject to assessment that are 19854  
not affected, either directly or indirectly, by the adjustment to 19855  
the taxpayer's federal tax return. 19856

(C) In the case of an overpayment, an application for refund 19857  
may be filed under this division within the sixty-day period 19858  
prescribed for filing the amended return, even if that period 19859  
extends beyond the period prescribed in section 718.91 of the 19860  
Revised Code, if the application otherwise conforms to the 19861  
requirements of that section. An application filed under this 19862

division shall claim refund of overpayments resulting from 19863  
alterations to only those facts, figures, computations, or 19864  
attachments required in the taxpayer's annual return that are 19865  
affected, either directly or indirectly, by the adjustment to the 19866  
taxpayer's federal income tax return unless it is also filed 19867  
within the time prescribed in section 718.91 of the Revised Code. 19868  
The application shall not reopen those facts, figures, 19869  
computations, or attachments that are not affected, either 19870  
directly or indirectly, by the adjustment to the taxpayer's 19871  
federal income tax return. 19872

Sec. 718.93. (A) The tax commissioner, or any authorized 19873  
agent or employee thereof, may examine the books, papers, records, 19874  
and federal and state income tax returns of any taxpayer or other 19875  
person that is subject to sections 718.80 to 718.95 of the Revised 19876  
Code for the purpose of verifying the accuracy of any return made 19877  
or, if no return was filed, to ascertain the tax due as required 19878  
under those sections. Upon written request by the commissioner or 19879  
a duly authorized agent or employee thereof, every taxpayer or 19880  
other person subject to this section is required to furnish the 19881  
opportunity for the commissioner, authorized agent, or employee to 19882  
investigate and examine such books, papers, records, and federal 19883  
and state income tax returns at a reasonable time and place 19884  
designated in the request. 19885

(B) The records and other documents of any taxpayer or other 19886  
person that is subject to sections 718.80 to 718.95 of the Revised 19887  
Code shall be open to the tax commissioner's inspection during 19888  
business hours and shall be preserved for a period of six years 19889  
following the end of the taxable year to which the records or 19890  
documents relate, unless the commissioner, in writing, consents to 19891  
their destruction within that period, or by order requires that 19892  
they be kept longer. The commissioner may require any person, by 19893  
notice served on that person, to keep such records as the 19894

commissioner determines necessary to show whether or not that 19895  
person is liable, and the extent of such liability, for the income 19896  
tax levied by a municipal corporation. 19897

(C) The tax commissioner may examine under oath any person 19898  
that the commissioner reasonably believes has knowledge concerning 19899  
any income that was or would have been returned for taxation or 19900  
any transaction tending to affect such income. The commissioner 19901  
may, for this purpose, compel any such person to attend a hearing 19902  
or examination and to produce any books, papers, records, and 19903  
federal income tax returns in such person's possession or control. 19904  
The person may be assisted or represented by an attorney, 19905  
accountant, bookkeeper, or other tax practitioner at any such 19906  
hearing or examination. This division does not authorize the 19907  
practice of law by a person who is not an attorney. 19908

(D) No person issued written notice by the tax commissioner 19909  
compelling attendance at a hearing or examination or the 19910  
production of books, papers, records, or federal income tax 19911  
returns under this section shall fail to comply. 19912

**Sec. 718.94.** (A) A credit, granted by resolution or ordinance 19913  
of a municipal corporation pursuant to section 718.15 or 718.151 19914  
of the Revised Code, shall be available to a taxpayer that has 19915  
made the election allowed under section 718.80 of the Revised 19916  
Code, against the municipal corporation's tax on income, provided 19917  
that the municipal corporation submits the following information 19918  
to the tax commissioner on or before the later of January 31, 19919  
2018, or the thirty-first day of January of the first year in 19920  
which the municipal corporation allows the credit: 19921

(1) A copy of the agreement entered into by the municipal 19922  
corporation and taxpayer under section 718.15 or 718.151 of the 19923  
Revised Code; 19924

(2) A copy of the municipal ordinance or resolution allowing 19925

the credit. 19926

(B)(1) Each taxpayer that claims a credit shall submit, with 19927  
the taxpayer's tax return, documentation issued by the municipal 19928  
corporation granting the credit that shows the following: 19929

(a) The taxpayer is entitled to claim the credit for the tax 19930  
year; 19931

(b) The amount of the credit to which the taxpayer is 19932  
entitled. 19933

(2) Nothing in this section shall be construed to authorize 19934  
the tax commissioner to enter into an agreement with a taxpayer to 19935  
grant a credit or to determine if a taxpayer meets the conditions 19936  
of a tax credit agreement entered into by a municipal corporation 19937  
and taxpayer under section 718.15 or 718.151 of the Revised Code. 19938

(C) The tax commissioner may adopt rules to delineate the 19939  
documentation necessary to verify that a taxpayer claiming a 19940  
credit under this section is entitled to the credit and the amount 19941  
of the credit. 19942

**Sec. 718.95.** (A) Except as provided in division (B) of this 19943  
section, whoever recklessly violates division (A) of section 19944  
718.84 of the Revised Code shall be guilty of a misdemeanor of the 19945  
first degree and shall be subject to a fine of not more than one 19946  
thousand dollars or imprisonment for a term of up to six months, 19947  
or both. 19948

(B) Any person who recklessly discloses information received 19949  
from the internal revenue service in violation of division (A) of 19950  
section 718.84 of the Revised Code shall be guilty of a felony of 19951  
the fifth degree and shall be subject to a fine of not more than 19952  
five thousand dollars plus the costs of prosecution, or 19953  
imprisonment for a term not exceeding five years, or both. 19954

(C) Each instance of access or disclosure in violation of 19955

division (A) of section 718.84 of the Revised Code constitutes a 19956  
separate offense. 19957

following: 20735

(1) Establish technically feasible and economically 20736  
reasonable standards to achieve a level of management and 20737  
conservation practices in farming operations that will abate wind 20738  
or water erosion of the soil or abate the degradation of the 20739  
waters of the state by residual farm products, manure, or soil 20740

for determination of the acceptability of such management and 20742

(2) Establish procedures for administration of rules for 20744  
agricultural pollution abatement and for enforcement of those 20745

pursuant to section 3704.03 or 6111.041 of the Revised Code. 20777

liability for noncompliance with air or water quality standards 20779  
adopted pursuant to section 3704.03 or 6111.041 of the Revised 20780  
Code. The application of a level of management and conservation 20781  
practices recommended under this section to control windblown soil 20782

life. Failure to maintain a cost share practice for its useful 20790  
life shall subject the landowner to full repayment to the 20791  
department. 20792

necessary for the performance of the work prescribed by Chapter 20794  
940. of the Revised Code, for performance of work of the 20795  
department under this chapter, and as agreed to under working 20796  
agreements or contractual arrangements with soil and water 20797  
conservation districts, prescribe their duties, and fix their 20798  
compensation in accordance with schedules that are provided by law 20799  
for the compensation of state employees. All such employees of the 20800  
department, unless specifically exempted by law, shall be employed 20801  
subject to the classified civil service laws in force at the time 20802

improvements affecting soil and water resources, including surface 20806  
and subsurface drainage: 20807

(1) Provide engineering service that is mutually agreeable to 20808  
the Ohio soil and water conservation commission and the director 20809

which the projects are executed, soil and water conservation 20813  
districts, and authorities responsible for such projects; 20814

letters of credit forfeited. The chief thereupon shall certify the 21613  
total forfeiture to the attorney general, who shall proceed to 21614  
collect the amount of the bond, cash, securities, certificates, or 21615  
letters of credit. 21616

In lieu of total forfeiture, the surety, at its option, may 21617

section. 21623

(C) The chief may grant easements and leases on portions of 21624  
the state forest lands and state forest nurseries under terms that 21625  
are advantageous to the state, and the chief may grant mineral 21626  
rights on a royalty basis on those lands and nurseries, with the 21627  
approval of the attorney general and the director. 21628

(D) All moneys received from the sale of state forest lands, 21629  
or in payment for easements or leases on or as rents from those 21630  
lands or from state forest nurseries, shall be paid into the state 21631  
treasury to the credit of the state forest fund, which is hereby 21632  
created. In addition, all moneys received from federal grants, 21633  
payments, and reimbursements, from the sale of reforestation tree 21634  
stock, from the sale of forest products, other than standing 21635  
timber, and from the sale of minerals taken from the state forest 21636  
lands and state forest nurseries, together with royalties from 21637  
mineral rights, shall be paid into the state treasury to the 21638  
credit of the state forest fund. Any other revenues derived from 21639  
the operation of the state forests and related facilities or 21640  
equipment also shall be paid into the state treasury to the credit 21641  
of the state forest fund, as shall contributions received for the 21642

The state forest fund shall not be expended for any purpose 21646

development, or utilization of the state forests, forest 21648  
nurseries, and forest programs, for facilities or equipment 21649  
incident to them, ~~or~~ for the further purchase of lands for state 21650  
forest or forest nursery purposes, or for wildfire suppression 21651

payments and, in the case of contributions received pursuant to 21652  
section 4503.574 of the Revised Code, for fire prevention 21653  
purposes. 21654

All moneys received from the sale of standing timber taken 21655  
from state forest lands and state forest nurseries shall be 21656  
deposited into the state treasury to the credit of the forestry 21657  
holding account redistribution fund, which is hereby created. The 21658  
moneys shall remain in the fund until they are redistributed in 21659  
accordance with this division. 21660

The redistribution shall occur at least once each year. To 21661  
begin the redistribution, the chief first shall determine the 21662  
amount of all standing timber sold from state forest lands and 21663  
state forest nurseries, together with the amount of the total sale 21664  
proceeds, in each county, in each township within the county, and 21665  
in each school district within the county. The chief next shall 21666  
determine the amount of the direct costs that the division of 21667  
forestry incurred in association with the sale of that standing 21668  
timber. The amount of the direct costs shall be subtracted from 21669  
the amount of the total sale proceeds and shall be transferred 21670  
from the forestry holding account redistribution fund to the state 21671  
forest fund. 21672

The remaining amount of the total sale proceeds equals the 21673  
net value of the standing timber that was sold. The chief shall 21674  
determine the net value of standing timber sold from state forest 21675  
lands and state forest nurseries in each county, in each township 21676  
within the county, and in each school district within the county 21677  
and shall send to each county treasurer a copy of the 21678  
determination at the time that moneys are paid to the county 21679  
treasurer under this division. 21680

Thirty-five per cent of the net value of standing timber sold 21681  
from state forest lands and state forest nurseries located in a 21682  
county shall be transferred from the forestry holding account 21683

redistribution fund to the state forest fund. The remaining 21684  
sixty-five per cent of the net value shall be transferred from the 21685  
forestry holding account redistribution fund and paid to the 21686  
county treasurer for the use of the general fund of that county. 21687

The county auditor shall do all of the following: 21688

(1) Retain for the use of the general fund of the county 21689  
one-fourth of the amount received by the county under division (D) 21690  
of this section; 21691

(2) Pay into the general fund of any township located within 21692  
the county and containing such lands and nurseries one-fourth of 21693  
the amount received by the county from standing timber sold from 21694  
lands and nurseries located in the township; 21695

(3) Request the board of education of any school district 21696  
located within the county and containing such lands and nurseries 21697  
to identify which fund or funds of the district should receive the 21698  
moneys available to the school district under division (D)(3) of 21699  
this section. After receiving notice from the board, the county 21700  
auditor shall pay into the fund or funds so identified one-half of 21701  
the amount received by the county from standing timber sold from 21702  
lands and nurseries located in the school district, distributed 21703  
proportionately as identified by the board. 21704

The division of forestry shall not supply logs, lumber, or 21705  
other forest products or minerals, taken from the state forest 21706  
lands or state forest nurseries, to any other agency or 21707  
subdivision of the state unless payment is made therefor in the 21708  
amount of the actual prevailing value thereof. This section is 21709  
applicable to the moneys so received. 21710

(E) The chief may enter into a personal service contract for 21711  
consulting services to assist the chief with the sale of timber or 21712  
other forest products and related inventory. Compensation for 21713  
consulting services shall be paid from the proceeds of the sale of 21714

timber or other forest products and related inventory that are the 21715  
subject of the personal service contract. 21716

The director of budget and management, in consultation with the chief, shall establish an accounting code for purposes of tracking expenditures made as required under this division.

(C)(1) Upon determining that the owner of a well has failed to properly plug and abandon it or to properly restore the land surface at the well site in compliance with the applicable requirements of this chapter and applicable rules adopted and

orders issued under it or that a well is an abandoned well for 21966  
which no funds are available to plug the well in accordance with 21967  
this chapter, the chief shall do all of the following: 21968

(a) Determine from the records in the office of the county 21969  
recorder of the county in which the well is located the identity 21970  
of the owner of the land on which the well is located, the 21971  
identity of the owner of the oil or gas lease under which the well 21972  
was drilled or the identity of each person owning an interest in 21973  
the lease, and the identities of the persons having legal title 21974  
to, or a lien upon, any of the equipment appurtenant to the well; 21975

(b) Mail notice to the owner of the land on which the well is 21976  
located informing the landowner that the well is to be plugged. If 21977  
the owner of the oil or gas lease under which the well was drilled 21978  
is different from the owner of the well or if any persons other 21979  
than the owner of the well own interests in the lease, the chief 21980  
also shall mail notice that the well is to be plugged to the owner 21981  
of the lease or to each person owning an interest in the lease, as 21982  
appropriate. 21983

(c) Mail notice to each person having legal title to, or a 21984  
lien upon, any equipment appurtenant to the well, informing the 21985  
person that the well is to be plugged and offering the person the 21986  
opportunity to plug the well and restore the land surface at the 21987  
well site at the person's own expense in order to avoid forfeiture 21988  
of the equipment to this state. 21989

(2) If none of the persons described in division (C)(1)(c) of 21990  
this section plugs the well within sixty days after the mailing of 21991  
the notice required by that division, all equipment appurtenant to 21992  
the well is hereby declared to be forfeited to this state without 21993  
compensation and without the necessity for any action by the state 21994  
for use to defray the cost of plugging and abandoning the well and 21995  
restoring the land surface at the well site. 21996

(D) Expenditures from the fund for the purpose of division 21997  
(B)(1) of this section shall be made in accordance with either of 21998  
the following: 21999

(1) The expenditures may be made pursuant to contracts 22000  
entered into by the chief with persons who agree to furnish all of 22001  
the materials, equipment, work, and labor as specified and 22002  
provided in such a contract for activities associated with the 22003  
restoration or plugging of a well as determined by the chief. The 22004  
activities may include excavation to uncover a well, geophysical 22005  
methods to locate a buried well when clear evidence of leakage 22006  
from the well exists, cleanout of wellbores to remove material 22007  
from a failed plugging of a well, plugging operations, 22008  
installation of vault and vent systems, including associated 22009  
engineering certifications and permits, restoration of property, 22010  
and repair of damage to property that is caused by such 22011  
activities. Expenditures shall not be used for salaries, 22012  
maintenance, equipment, or other administrative purposes, except 22013  
for costs directly attributed to the plugging of an idle and 22014  
orphaned well. Agents or employees of persons contracting with the 22015  
chief for a restoration or plugging project may enter upon any 22016  
land, public or private, on which the well is located for the 22017  
purpose of performing the work. Prior to such entry, the chief 22018  
shall give to the following persons written notice of the 22019  
existence of a contract for a project to restore or plug a well, 22020  
the names of the persons with whom the contract is made, and the 22021  
date that the project will commence: the owner of the well, the 22022  
owner of the land upon which the well is located, the owner or 22023  
agents of adjoining land, and, if the well is located in the same 22024  
township as or in a township adjacent to the excavations and 22025  
workings of a mine and the owner or lessee of that mine has 22026  
provided written notice identifying those townships to the chief 22027  
at any time during the immediately preceding three years, the 22028  
owner or lessee of the mine. 22029

(2)(a) The owner of the land on which a well is located who 22030  
has received notice under division (C)(1)(b) of this section may 22031  
plug the well and be reimbursed by the division of oil and gas 22032  
resources management for the reasonable cost of plugging the well. 22033  
In order to plug the well, the landowner shall submit an 22034  
application to the chief on a form prescribed by the chief and 22035  
approved by the technical advisory council on oil and gas created 22036  
in section 1509.38 of the Revised Code. The application, at a 22037  
minimum, shall require the landowner to provide the same 22038  
information as is required to be included in the application for a 22039  
permit to plug and abandon under section 1509.13 of the Revised 22040  
Code. The application shall be accompanied by a copy of a proposed 22041  
contract to plug the well prepared by a contractor regularly 22042  
engaged in the business of plugging oil and gas wells. The 22043  
proposed contract shall require the contractor to furnish all of 22044  
the materials, equipment, work, and labor necessary to plug the 22045  
well properly and shall specify the price for doing the work, 22046  
including a credit for the equipment appurtenant to the well that 22047  
was forfeited to the state through the operation of division 22048  
(C)(2) of this section. Expenditures under division (D)(2)(a) of 22049  
this section shall be consistent with the expenditures for 22050  
activities described in division (D)(1) of this section. The 22051  
application also shall be accompanied by the permit fee required 22052  
by section 1509.13 of the Revised Code unless the chief, in the 22053  
chief's discretion, waives payment of the permit fee. The 22054  
application constitutes an application for a permit to plug and 22055  
abandon the well for the purposes of section 1509.13 of the 22056  
Revised Code. 22057

(b) Within thirty days after receiving an application and 22058  
accompanying proposed contract under division (D)(2)(a) of this 22059  
section, the chief shall determine whether the plugging would 22060  
comply with the applicable requirements of this chapter and 22061  
applicable rules adopted and orders issued under it and whether 22062

the cost of the plugging under the proposed contract is 22063  
reasonable. If the chief determines that the proposed plugging 22064  
would comply with those requirements and that the proposed cost of 22065  
the plugging is reasonable, the chief shall notify the landowner 22066  
of that determination and issue to the landowner a permit to plug 22067  
and abandon the well under section 1509.13 of the Revised Code. 22068  
Upon approval of the application and proposed contract, the chief 22069  
shall transfer ownership of the equipment appurtenant to the well 22070  
to the landowner. The chief may disapprove an application 22071  
submitted under division (D)(2)(a) of this section if the chief 22072  
determines that the proposed plugging would not comply with the 22073  
applicable requirements of this chapter and applicable rules 22074  
adopted and orders issued under it, that the cost of the plugging 22075  
under the proposed contract is unreasonable, or that the proposed 22076  
contract is not a bona fide, arm's length contract. 22077

(c) After receiving the chief's notice of the approval of the 22078  
application and permit to plug and abandon a well under division 22079  
(D)(2)(b) of this section, the landowner shall enter into the 22080  
proposed contract to plug the well. 22081

(d) Upon determining that the plugging has been completed in 22082  
compliance with the applicable requirements of this chapter and 22083  
applicable rules adopted and orders issued under it, the chief 22084  
shall reimburse the landowner for the cost of the plugging as set 22085  
forth in the proposed contract approved by the chief. The 22086  
reimbursement shall be paid from the oil and gas well fund. If the 22087  
chief determines that the plugging was not completed in accordance 22088  
with the applicable requirements, the chief shall not reimburse 22089  
the landowner for the cost of the plugging, and the landowner or 22090  
the contractor, as applicable, promptly shall transfer back to 22091  
this state title to and possession of the equipment appurtenant to 22092  
the well that previously was transferred to the landowner under 22093  
division (D)(2)(b) of this section. If any such equipment was 22094

removed from the well during the plugging and sold, the landowner 22095  
shall pay to the chief the proceeds from the sale of the 22096  
equipment, and the chief promptly shall pay the moneys so received 22097  
to the treasurer of state for deposit into the oil and gas well 22098  
fund. 22099

The chief may establish an annual limit on the number of 22100  
wells that may be plugged under division (D)(2) of this section or 22101  
an annual limit on the expenditures to be made under that 22102  
division. 22103

As used in division (D)(2) of this section, "plug" and 22104  
"plugging" include the plugging of the well and the restoration of 22105  
the land surface disturbed by the plugging. 22106

(E) Expenditures from the oil and gas well fund for the 22107  
purpose of division (B)(2) of this section may be made pursuant to 22108  
contracts entered into by the chief with persons who agree to 22109  
furnish all of the materials, equipment, work, and labor as 22110  
specified and provided in such a contract. The competitive bidding 22111  
requirements of Chapter 153. of the Revised Code do not apply if 22112  
the chief reasonably determines that an emergency situation exists 22113  
requiring immediate action for the correction of the applicable 22114  
health or safety risk. A contract or purchase of materials for 22115  
purposes of addressing the emergency situation is not subject to 22116  
division (B) of section 127.16 of the Revised Code. The chief, 22117  
designated representatives of the chief, and agents or employees 22118  
of persons contracting with the chief under this division may 22119  
enter upon any land, public or private, for the purpose of 22120  
performing the work. 22121

(F) Contracts entered into by the chief under this section 22122  
are not subject to any of the following: 22123

(1) Chapter 4115. of the Revised Code; 22124

(2) Section 153.54 of the Revised Code, except that the 22125

contractor shall obtain and provide to the chief as a bid guaranty 22126  
a surety bond or letter of credit in an amount equal to ten per 22127  
cent of the amount of the contract; 22128

(3) Section 4733.17 of the Revised Code. 22129

(G) The owner of land on which a well is located who has 22130  
received notice under division (C)(1)(b) of this section, in lieu 22131  
of plugging the well in accordance with division (D)(2) of this 22132  
section, may cause ownership of the well to be transferred to an 22133  
owner who is lawfully doing business in this state and who has met 22134  
the financial responsibility requirements established under 22135  
section 1509.07 of the Revised Code, subject to the approval of 22136  
the chief. The transfer of ownership also shall be subject to the 22137  
landowner's filing the appropriate forms required under section 22138  
1509.31 of the Revised Code and providing to the chief sufficient 22139  
information to demonstrate the landowner's or owner's right to 22140  
produce a formation or formations. That information may include a 22141  
deed, a lease, or other documentation of ownership or property 22142  
rights. 22143

The chief shall approve or disapprove the transfer of 22144  
ownership of the well. If the chief approves the transfer, the 22145  
owner is responsible for operating the well in accordance with 22146  
this chapter and rules adopted under it, including, without 22147  
limitation, all of the following: 22148

(1) Filing an application with the chief under section 22149  
1509.06 of the Revised Code if the owner intends to drill deeper 22150  
or produce a formation that is not listed in the records of the 22151  
division for that well; 22152

(2) Taking title to and possession of the equipment 22153  
appurtenant to the well that has been identified by the chief as 22154  
having been abandoned by the former owner; 22155

(3) Complying with all applicable requirements that are 22156

necessary to drill deeper, plug the well, or plug back the well. 22157

(H) The chief shall issue an order that requires the owner of 22158  
a well to pay the actual documented costs of a corrective action 22159  
that is described in division (B)(2) of this section concerning 22160  
the well. The chief shall transmit the money so recovered to the 22161  
treasurer of state who shall deposit the money in the state 22162  
treasury to the credit of the oil and gas well fund. 22163

(I) The chief may engage in cooperative projects under this 22164  
section with any agency of this state, another state, or the 22165  
United States; any other governmental agencies; or any state 22166  
university or college as defined in section 3345.27 of the Revised 22167  
Code. A contract entered into for purposes of a cooperative 22168  
project is not subject to division (B) of section 127.16 of the 22169  
Revised Code. 22170

If the application is determined to be incomplete, the chief or the chief's designee shall provide to the applicant a notice explaining the deficiency and the additional information needed to eliminate the deficiency. The applicant may submit such additional information needed to eliminate the deficiency. Not later than five business days after additional information is received from an applicant for purposes of remedying a deficiency, the chief shall review the additional information, determine if the additional information eliminates the deficiency in the application, and provide notice to the applicant if any deficiency remains. 22195

If notice is not provided by the chief or chief's designee to the applicant within five business days after receipt of the application or, if applicable, within five business days after the chief receives additional information for purposes of remedying a deficiency, the application shall be determined to be complete. Notwithstanding anything in this section to the contrary, the chief shall hold a hearing on an application not later than forty-five days after the application was submitted. However, the chief may grant a continuance of the hearing of not more than fourteen calendar days upon a request by a person owning an 22209

prior to the scheduled hearing. 22220

The applicant shall attempt to notify all unleased mineral 22221  
rights owners, all nonconsenting owners, and all working interest 22222  
owners proposed to be included in the unit of the hearing by 22223  
certified mail at least fourteen calendar days prior to the 22224  
scheduled hearing date. At the scheduled hearing, the applicant 22225  
shall provide to the chief proof of certified mailing to such 22226  
owners. The applicant also shall publish notice of the hearing in 22227  
a newspaper of general circulation in the county or counties, as 22228  
applicable, in which the proposed unit is to be located. If such a 22229  
newspaper is not available in the applicable county or counties, 22230  
the applicant shall publish the notice in the newspaper of general 22231  
circulation that is nearest to the proposed unit. At the hearing, 22232  
the chief shall consider the need for the operation as a unit of 22233

(B) The chief shall ~~make~~ issue an order providing for the 22235  
unit operation of a pool or part thereof not later than thirty 22236  
days after the date of the hearing if the chief finds that such 22237  
operation is reasonably necessary to increase substantially the 22238  
ultimate recovery of oil and gas, and the value of the estimated 22239  
additional recovery of oil or gas exceeds the estimated additional 22240  
cost incident to conducting the operation. ~~The~~ However, if the 22241  
chief does not receive either a transcript of the hearing or 22242  
substantive information regarding an application that was 22243  
requested by the chief from the applicant at the hearing within 22244  
thirty days of the date of the hearing, the chief may delay 22245  
issuing the order. However, the chief shall issue the order not 22246  
later than five business days after receiving either the 22247  
transcript or the substantive information. 22248

Notwithstanding anything in this section to the contrary, the 22249  
chief shall issue an order under this section not later than 22250

forty-five days after the date of the hearing, unless the 22251  
forty-five-day period is waived by the applicant in writing and 22252  
submitted to the chief. 22253

(C) An order providing for the unit operation of a pool or 22254  
part thereof shall be upon terms and conditions that are just and 22255  
reasonable and shall prescribe a plan for unit operations that 22256  
shall include: 22257

(1) A description of the unitized area, termed the unit area; 22258

(2) A statement of the nature of the operations contemplated; 22259

(3) An allocation to the separately owned tracts in the unit 22260  
area of all the oil and gas that is produced from the unit area 22261  
and is saved, being the production that is not used in the conduct 22262  
of operations on the unit area or not unavoidably lost. The 22263  
allocation shall be in accord with the agreement, if any, of the 22264  
interested parties. If there is no such agreement, the chief shall 22265  
determine the value, from the evidence introduced at the hearing, 22266  
of each separately owned tract in the unit area, exclusive of 22267  
physical equipment, for development of oil and gas by unit 22268  
operations, and the production allocated to each tract shall be 22269  
the proportion that the value of each tract so determined bears to 22270  
the value of all tracts in the unit area. 22271

(4) A provision for the credits and charges to be made in the 22272  
adjustment among the owners in the unit area for their respective 22273  
investments in wells, tanks, pumps, machinery, materials, and 22274  
equipment contributed to the unit operations; 22275

(5) A provision providing how the expenses of unit 22276  
operations, including capital investment, shall be determined and 22277  
charged to the separately owned tracts and how the expenses shall 22278  
be paid; 22279

(6) A provision, if necessary, for carrying or otherwise 22280  
financing any person who is unable to meet the person's financial 22281

obligations in connection with the unit, allowing a reasonable 22282  
interest charge for such service that, for an unleased mineral 22283  
rights owner, is two hundred per cent; 22284

(7) A provision for the supervision and conduct of the unit 22285  
operations, in respect to which each person shall have a vote with 22286  
a value corresponding to the percentage of the expenses of unit 22287  
operations chargeable against the interest of that person; 22288

(8) The time when the unit operations shall commence, and the 22289  
manner in which, and the circumstances under which, the unit 22290  
operations shall terminate; 22291

(9) A provision that if the plan for unit operation includes 22292  
unleased mineral rights, each unleased mineral rights owner shall 22293  
receive a one-eighth royalty on production that is allocated to 22294  
each tract, or portions of each tract, included in the unit area 22295  
in which the unleased mineral rights owner has an interest. 22296  
However, nothing in a provision included under division (C)(9) of 22297  
this section precludes the chief from including in the plan for 22298  
unit operation another provision allocating to an unleased mineral 22299  
rights owner its proportionate share of working interest net 22300  
revenues on production allocated to the tract or portions of the 22301  
tract, after accounting for the royalty and the recovery of the 22302  
reasonable interest charge under division (C)(6) of this section. 22303  
If an unleased mineral rights owner owns less than the entire 22304  
undivided mineral interest in a tract, the royalty and working 22305  
interest net revenues on production allocated to the tract, or 22306  
portions thereof, shall be paid only in the proportion that the 22307  
unleased mineral rights owner's interest bears to the entire 22308  
undivided mineral interest in the tract; 22309

(10) Such additional provisions as are found to be 22310  
appropriate for carrying on the unit operations, and for the 22311  
protection or adjustment of correlative rights. 22312

~~(B)~~(D) No order of the chief providing for unit operations 22313  
shall become effective unless and until the plan for unit 22314  
operations prescribed by the chief has been approved in writing by 22315  
those owners who, under the chief's order, will be required to pay 22316  
at least sixty-five per cent of the costs of the unit operation, 22317  
and also by the royalty or, with respect to unleased acreage, fee 22318  
owners of sixty-five per cent of the acreage to be included in the 22319  
unit. If the plan for unit operations has not been so approved by 22320  
owners and royalty owners at the time the order providing for unit 22321  
operations is made, the chief shall upon application and notice 22322  
hold such supplemental hearings as may be required to determine if 22323  
and when the plan for unit operations has been so approved. If the 22324  
owners and royalty owners, or either, owning the required 22325  
percentage of interest in the unit area do not approve the plan 22326  
for unit operations within a period of six months from the date on 22327  
which the order providing for unit operations is made, the order 22328  
shall cease to be of force and shall be revoked by the chief. 22329

An order providing for unit operations may be amended by an 22330  
order made by the chief, in the same manner and subject to the 22331  
same conditions as an original order providing for unit 22332  
operations, provided that: 22333

(1) If such an amendment affects only the rights and 22334  
interests of the owners, the approval of the amendment by the 22335  
royalty owners shall not be required. 22336

(2) No such order of amendment shall change the percentage 22337  
for allocation of oil and gas as established for any separately 22338  
owned tract by the original order, except with the consent of all 22339  
persons owning interest in the tract. 22340

The chief, by an order, may provide for the unit operation of 22341  
a pool or a part thereof that embraces a unit area established by 22342  
a previous order of the chief. Such an order, in providing for the 22343  
allocation of unit production, shall first treat the unit area 22344

previously established as a single tract, and the portion of the 22345  
unit production so allocated thereto shall then be allocated among 22346  
the separately owned tracts included in the previously established 22347  
unit area in the same proportions as those specified in the 22348  
previous order. 22349

Oil and gas allocated to a separately owned tract shall be 22350  
deemed, for all purposes, to have been actually produced from the 22351  
tract, and all operations, including, but not limited to, the 22352  
commencement, drilling, operation of, or production from a well 22353  
upon any portion of the unit area shall be deemed for all purposes 22354  
the conduct of such operations and production from any lease or 22355  
contract for lands any portion of which is included in the unit 22356  
area. The operations conducted pursuant to the order of the chief 22357  
shall constitute a fulfillment of all the express or implied 22358  
obligations of each lease or contract covering lands in the unit 22359  
area to the extent that compliance with such obligations cannot be 22360  
had because of the order of the chief. 22361

Oil and gas allocated to any tract, and the proceeds from the 22362  
sale thereof, shall be the property and income of the several 22363  
persons to whom, or to whose credit, the same are allocated or 22364  
payable under the order providing for unit operations. 22365

No order of the chief or other contract relating to the sale 22366  
or purchase of production from a separately owned tract shall be 22367  
terminated by the order providing for unit operations, but shall 22368  
remain in force and apply to oil and gas allocated to the tract 22369  
until terminated in accordance with the provisions thereof. 22370

Notwithstanding divisions (A) to (H) of section 1509.73 of 22371  
the Revised Code and rules adopted under it, the chief shall issue 22372  
an order for the unit operation of a pool or a part of a pool that 22373  
encompasses a unit area for which all or a portion of the mineral 22374  
rights are owned by the department of transportation. 22375

Except to the extent that the parties affected so agree, no order providing for unit operations shall be construed to result in a transfer of all or any part of the title of any person to the oil and gas rights in any tract in the unit area. All property, whether real or personal, that may be acquired for the account of the owners within the unit area shall be the property of such owners in the proportion that the expenses of unit operations are charged.

(E) An order of the chief providing for unit operation under this section does not authorize an owner to use the surface of unleased land unless that use is consistent with a separate agreement between the surface rights owner of that land and the owner.

(F) An unleased mineral rights owner of any tract included in a unit by an order of the chief issued under this section shall not incur liability for any personal or property damage associated with any drilling, testing, completing, producing, operating, or plugging activities related to a well within the unit unless the damage arises from a purposeful or grossly negligent act of the unleased mineral rights owner.

(G) As used in this section, "unleased mineral rights owner" means an owner that has not leased the owner's mineral rights for oil or gas, unless the chief separately defines that class of owner in an order for unit operation.

**Sec. 1513.18.** (A) All money that becomes the property of the state under division (G) of section 1513.16 of the Revised Code shall be deposited in the reclamation forfeiture fund, which is hereby created in the state treasury. Disbursements from the fund shall be made by the chief of the division of mineral resources management for the purpose of reclaiming areas of land affected by coal mining under a coal mining and reclamation permit issued on

or after September 1, 1981, on which an operator has defaulted. 22407

(B) The fund also shall consist of all money from the 22408  
collection of liens under section 1513.081 of the Revised Code, 22409  
~~any moneys transferred to it under section 1513.181 of the Revised~~ 22410  
~~Code from the coal mining and reclamation reserve fund created in~~ 22411  
~~that section,~~ all money credited to the fund from the fee levied 22412  
by division (F)(8)(c) of section 1513.16 of the Revised Code, 22413  
fines collected under division (E) of section 1513.02 and section 22414  
1513.99 of the Revised Code, fines collected for a violation of 22415  
section 2921.31 of the Revised Code that, prior to July 1, 1996, 22416  
would have been a violation of division (G) of section 1513.17 of 22417  
the Revised Code as it existed prior to that date, and ~~moneys~~ 22418  
money collected and credited to it pursuant to section 5749.02 of 22419  
the Revised Code. Disbursements from the fund shall be made by the 22420  
chief in accordance with division (D) of this section for the 22421  
purpose of reclaiming areas that an operator has affected by 22422  
mining and failed to reclaim under a coal mining and reclamation 22423  
permit issued under this chapter. 22424

The chief may expend ~~moneys~~ money from the fund to pay 22425  
necessary administrative costs, including engineering and design 22426  
services, incurred by the division of mineral resources management 22427  
in reclaiming these areas. The chief also may expend ~~moneys~~ money 22428  
from the fund to pay necessary administrative costs of the 22429  
reclamation forfeiture fund advisory board created in section 22430  
1513.182 of the Revised Code as authorized by the board under that 22431  
section. Expenditures from the fund to pay such administrative 22432  
costs need not be made under contract. 22433

(C) Except when paying necessary administrative costs 22434  
authorized by division (B) of this section, expenditures from the 22435  
fund shall be made under contracts entered into by the chief, with 22436  
the approval of the director of natural resources, in accordance 22437  
with procedures established by the chief, by rules adopted in 22438

accordance with section 1513.02 of the Revised Code. The chief may 22439  
reclaim the land in the same manner as set forth in sections 22440  
1513.21 to 1513.24 of the Revised Code. Each contract awarded by 22441  
the chief shall be awarded to the lowest responsive and 22442  
responsible bidder, in accordance with section 9.312 of the 22443  
Revised Code, after sealed bids are received, opened, and 22444  
published at the time and place fixed by the chief. The chief 22445  
shall publish notice of the time and place at which bids will be 22446  
received, opened, and published, at least once and at least ten 22447  
days before the date of the opening of the bids, in a newspaper of 22448  
general circulation in the county in which the area of land to be 22449  
reclaimed under the contract is located. If, after advertising, no 22450  
bids are received at the time and place fixed for receiving them, 22451  
the chief may advertise again for bids, or, if the chief considers 22452  
the public interest will best be served, the chief may enter into 22453  
a contract for the reclamation of the area of land without further 22454  
advertisement for bids. The chief may reject any or all bids 22455  
received and again publish notice of the time and place at which 22456  
bids for contracts will be received, opened, and published. The 22457  
chief, with the approval of the director, may enter into a 22458  
contract with the landowner, a coal mine operator or surface mine 22459  
operator mining under a current, valid permit issued under this 22460  
chapter or Chapter 1514. of the Revised Code, or a contractor 22461  
hired by the surety or trustee, if the performance security is 22462  
held in trust, to complete reclamation on land affected by coal 22463  
mining on which an operator has defaulted, or with a contractor 22464  
hired by the trust administrator of an alternative financial 22465  
security that is provided in accordance with division (F)(8) of 22466  
section 1513.16 of the Revised Code to provide long-term water 22467  
treatment or a long-term alternative water supply on areas 22468  
affected by coal mining on which a permittee has defaulted or not 22469  
fully funded an alternative financial security, without 22470  
advertising for bids. 22471

(D)(1) The chief shall expend money credited to the 22472  
reclamation forfeiture fund from the forfeiture of the performance 22473  
security applicable to an area of land to pay for the cost of 22474  
completing reclamation to the standards established by this 22475  
chapter and rules adopted under it. 22476

(2) If the performance security for the area of land was 22477  
provided under division (C)(1) of section 1513.08 of the Revised 22478  
Code, the chief shall use the money from the forfeited performance 22479  
security and any alternative financial security provided under 22480  
division (F)(8) of section 1513.16 of the Revised Code to complete 22481  
the reclamation that the operator failed to do under the 22482  
operator's applicable coal mining and reclamation permit issued 22483  
under this chapter. 22484

(3) If the performance security for the area of land was 22485  
provided under division (C)(2) of section 1513.08 of the Revised 22486  
Code, the chief shall use the money from the forfeited performance 22487  
security and any alternative financial security provided under 22488  
division (F)(8) of section 1513.16 of the Revised Code to complete 22489  
the reclamation that the operator failed to do under the 22490  
operator's applicable coal mining and reclamation permit issued 22491  
under this chapter. If the money credited to the reclamation 22492  
forfeiture fund from the forfeiture of the performance security 22493  
provided under division (C)(2) of section 1513.08 of the Revised 22494  
Code and any alternative financial security provided under 22495  
division (F)(8) of section 1513.16 of the Revised Code is not 22496  
sufficient to complete the reclamation to the standards 22497  
established by this chapter and rules adopted under it, the chief 22498  
shall notify the reclamation forfeiture fund advisory board of the 22499  
amount of the insufficiency. The chief may expend money credited 22500  
to the reclamation forfeiture fund under section 5749.02 of the 22501  
Revised Code, or credited to the reclamation forfeiture fund from 22502  
the fee levied by division (F)(8)(c) of section 1513.16 of the 22503

~~Revised Code, or transferred to the fund under section 1513.181 of~~ 22504  
~~the Revised Code~~ to complete the reclamation to the standards 22505  
established by this chapter and rules adopted under it. Except as 22506  
provided in division (D)(5) of this section, the chief shall not 22507  
expend money from the fund in an amount that exceeds the 22508  
difference between the amount of the performance security provided 22509  
under division (C)(2) of section 1513.08 of the Revised Code and 22510  
the estimated cost of reclamation as determined by the chief under 22511  
divisions (B) and (E) of that section. 22512

(4) Except as provided in division (D)(5) of this section, 22513  
money from the reclamation forfeiture fund shall not be used for 22514  
reclamation of land or water resources affected by mine drainage 22515  
that requires extended water treatment after reclamation is 22516  
completed under the terms of the permit. In addition, money from 22517  
the reclamation forfeiture fund shall not be used to supplement 22518  
the performance security of an applicant or permittee that has 22519  
provided performance security in accordance with division (C)(1) 22520  
of section 1513.08 of the Revised Code. 22521

(5) If a permittee relies in part on the reclamation 22522  
forfeiture fund for alternative financial security under division 22523  
(F)(8)(c) of section 1513.16 of the Revised Code, money from the 22524  
reclamation forfeiture fund may be used for reclamation of the 22525  
land or water resources affected by mine drainage that requires 22526  
water treatment after reclamation is completed under the terms of 22527  
the permit or an alternative water supply after reclamation is 22528  
completed under the terms of the permit in an amount not to exceed 22529  
the balance of the alternative financial security provided by the 22530  
reclamation forfeiture fund under that division. 22531

(E) The chief shall keep a detailed accounting of the 22532  
expenditures from the reclamation forfeiture fund to complete 22533  
reclamation of the land or water resources, as applicable, and, 22534  
upon completion of the reclamation, shall certify the expenditures 22535

to the attorney general. Upon the chief's certification of the 22536  
expenditures from the reclamation forfeiture fund, the attorney 22537  
general shall bring an action for that amount of money. The 22538  
operator is liable for that expense in addition to any other 22539  
liabilities imposed by law. ~~Moneys~~ Money so recovered shall be 22540  
credited to the reclamation forfeiture fund. The chief shall not 22541  
postpone the reclamation because of any action brought by the 22542  
attorney general under this division. Prior to completing 22543  
reclamation, the chief may collect through the attorney general 22544  
any additional amount that the chief believes will be necessary 22545  
for reclamation in excess of the forfeited performance security 22546  
and any alternative financial security amount applicable to the 22547  
land or water resources that the operator should have, but failed 22548  
to, reclaim. 22549

(F) Except as otherwise provided in division (H) of this 22550  
section, if any part of the ~~moneys~~ money in the reclamation 22551  
forfeiture fund remains in the fund after the chief has caused the 22552  
area of land to be reclaimed and has paid all the reclamation 22553  
costs and expenses, the chief may expend those ~~moneys~~ money to 22554  
complete other reclamation work performed under this section on 22555  
forfeiture areas affected under a coal mining and reclamation 22556  
permit issued on or after September 1, 1981. 22557

(G) The chief shall require every contractor performing 22558  
reclamation work pursuant to this section to pay workers at the 22559  
greater of their regular rate of pay, as established by contract, 22560  
agreement, or prior custom or practice, or the average wage rate 22561  
paid in this state for the same or similar work as determined by 22562  
the chief under section 1513.02 of the Revised Code. 22563

(H) All investment earnings of the fund shall be credited to 22564  
the fund and shall be used only for the reclamation of land for 22565  
which performance security was provided under division (C)(2) of 22566  
section 1513.08 of the Revised Code. 22567

**Sec. 1513.20.** The chief of the division of mineral resources 22568  
management, with the approval of the director of natural 22569  
resources, may purchase or acquire by gift, donation, or 22570  
contribution any eroded land, including land affected by strip 22571  
mining, for which no cash is held in the reclamation forfeiture 22572  
fund created by section 1513.18 of the Revised Code. For this 22573  
purpose the chief may expend ~~moneys~~ money deposited in the 22574  
~~unreclaimed lands~~ mining regulation and safety fund created by 22575  
section 1513.30 of the Revised Code. All lands purchased or 22576  
acquired shall be deeded to the state, but no deed shall be 22577  
accepted or the purchase price paid until the title has been 22578  
approved by the attorney general. 22579

**Sec. 1513.25.** After completion of the reclamation of a tract 22580  
of land acquired pursuant to section 1513.20 of the Revised Code, 22581  
the chief of the division of mineral resources management may, if 22582  
the land is suitable to the uses of any other department, 22583  
division, office, or institution of the state, transfer the land 22584  
or tract to that department, division, office, or institution, 22585  
subject to the approval of the director of natural resources. 22586

With the approval of the attorney general and the director, 22587  
the chief may sell any such land or tract, after completion of the 22588  
plan of reclamation, when the sale is advantageous to the state. 22589

With the approval of the attorney general and the director, 22590  
the chief may grant easements and leases on the land or tract 22591  
under terms advantageous to the state, and may grant mineral 22592  
rights on a royalty basis. 22593

All ~~moneys~~ money received from the sale of reclaimed lands, 22594  
or in payment for easements, leases, or royalties, shall be paid 22595  
to the ~~unreclaimed lands~~ mining regulation and safety fund created 22596  
in section 1513.30 of the Revised Code. 22597

**Sec. 1513.27.** As used in this section and sections 1513.28, 22598  
1513.30, 1513.31, and 1513.32 of the Revised Code, "damage to 22599  
adjacent property" means physical injury or harm to nearby 22600  
property caused by the unreclaimed condition of lands mined prior 22601  
to April 10, 1972, or pursuant to a license issued prior to April 22602  
10, 1972, including, without limitation, injury or harm to 22603  
vegetation on adjacent property, pollution of surface or 22604  
underground waters on adjacent property, loss or interruption of 22605  
water supply on adjacent property, flow of acid water onto or 22606  
across adjacent property, flooding of adjacent property, 22607  
landslides onto or across adjacent property, erosion of adjacent 22608  
property, or deposition of sediment upon adjacent property. Damage 22609  
to adjacent property does not include any diminution of the market 22610  
value of adjacent property caused exclusively by the visual or 22611  
aesthetic appearance of such unreclaimed lands. 22612

The chief of the division of mineral resources management, 22613  
with the approval of the director of natural resources, may enter 22614  
into a written agreement, which may be in the form of a contract, 22615  
with the owner of any unreclaimed land affected by mining before 22616  
April 10, 1972, or pursuant to a license issued before April 10, 22617  
1972, that causes or may cause pollution of the waters of the 22618  
state or damage to adjacent property, is not likely to be mined in 22619  
the foreseeable future, and lies within the boundaries of a 22620  
project area approved by the chief under section 1513.30 of the 22621  
Revised Code, under which the state or its agents may enter the 22622  
land to reclaim it at state expense with ~~moneys~~ money from the 22623  
~~unreclaimed lands~~ mining regulation and safety fund by 22624  
establishing vegetative cover and substantially reducing or 22625  
eliminating erosion, sedimentation, landslides, pollution, 22626  
accumulation or discharge of acid water, flooding, and damage to 22627  
adjacent property. The agreement may include provisions pertaining 22628  
to liability for damages and any other provisions necessary or 22629

desirable to achieve the purposes of this section. 22630

If the chief makes a finding of fact that land or water 22631  
resources have been adversely affected by past coal mining 22632  
practices; if the adverse effects are at a stage where, in the 22633  
public interest, action to restore, reclaim, abate, control, or 22634  
prevent the adverse effects should be taken; and if the owners of 22635  
the affected land or water resources either are not known or 22636  
readily available or will not give permission for the state, 22637  
political subdivisions, or their agents, employees, or contractors 22638  
to enter on the property to restore, reclaim, abate, control, or 22639  
prevent the adverse effects, the chief or the chief's agents, 22640  
employees, or contractors may enter on the affected property in 22641  
order to do all things necessary or expedient to restore, reclaim, 22642  
abate, control, or prevent the adverse effects. Prior to entering 22643  
on the property, the chief or the chief's agents, employees, or 22644  
contractors shall give notice by mail to the owners, if known, or, 22645  
if not known, by posting notice on the premises and advertising 22646  
once in a newspaper of general circulation in the county or 22647  
municipal corporation in which the land lies. Such an entry shall 22648  
be construed as an exercise of the police power for the protection 22649  
of public health, safety, and welfare and shall not be construed 22650  
as an act of condemnation of property or of trespass. The ~~moneys~~ 22651  
money expended for the work and the benefits accruing to any 22652  
premises so entered upon shall be chargeable against land and 22653  
shall mitigate or offset any claim in or any action brought by any 22654  
owner of any interest in the premises for any alleged damages by 22655  
virtue of the entry. This provision is not intended to create new 22656  
rights of action or eliminate existing immunities. 22657

Each agreement entered into pursuant to this section shall 22658  
contain provisions for the reimbursement of a portion of the costs 22659  
of the reclamation that is commensurate with the increase in the 22660  
fair market value of the property attributable to the reclamation 22661

work thereon, as determined by appraisals made before and after 22662  
reclamation in the manner stated in the agreement, unless the 22663  
determination discloses an increase in value that is 22664  
insubstantial. For reimbursement of the portion, the agreement may 22665  
include provisions for any of the following: 22666

(A) Public use for soil, water, forest, or wildlife 22667  
conservation or public recreation purposes; 22668

(B) Payment to the state of the share of the income from the 22669  
crops or timber produced on the land that is stated in the 22670  
agreement; 22671

(C) Imposition of a lien in the amount of the increase in 22672  
fair market value payable upon transfer or conveyance of the 22673  
property to a new owner. All such reimbursements and payments 22674  
shall be credited to the ~~unreclaimed lands~~ mining regulation and 22675  
safety fund. 22676

(D) Payment to the state in cash of the amount of the 22677  
increase in fair market value, payable upon completion of the 22678  
reclamation. 22679

For the purpose of selecting lands to be reclaimed within the 22680  
boundaries of approved project areas, the chief shall consult the 22681  
owners of unreclaimed lands, may consult with local officials, 22682  
civic and professional organizations, and interested individuals, 22683  
and shall consider the feasibility, cost, and public benefits of 22684  
reclaiming particular lands, their potential for being mined, and 22685  
the availability of federal or other assistance for reclamation. 22686  
Before entering into the agreement, the chief shall prepare or 22687  
approve a detailed plan with topographic maps indicating the 22688  
reclamation improvements to be made. The plan may include 22689  
improvements recommended by the owner, but may not include 22690  
improvements that the chief finds are not necessary to establish 22691  
vegetative cover or substantially reduce or eliminate erosion, 22692

sedimentation, landslides, pollution, accumulation or discharge of 22693  
acid water, flooding, or damage to adjacent property. 22694

With the approval of the director and upon entering into the 22695  
agreement with the owner, the chief may carry out the plan of 22696  
reclamation or any part thereof with the employees and equipment 22697  
of any division of the department of natural resources, or the 22698  
chief may carry out the plan or any part thereof by contracting 22699  
therefor. 22700

The chief, with the approval of the director and written 22701  
consent of the owner, may enter into a contract with an operator 22702  
mining adjacent land under a current, valid permit to carry out 22703  
the plan of reclamation on the unreclaimed land or any part of the 22704  
plan without advertising for bids. Contracts entered into with 22705  
operators mining adjacent land are not subject to division (B) of 22706  
section 127.16 of the Revised Code. 22707

The chief shall require every operator mining adjacent land 22708  
who performs reclamation work pursuant to this section to pay 22709  
workers at the greater of their regular rate of pay, as 22710  
established by contract, agreement, or prior custom or practice, 22711  
or the average wage rate paid in this state for the same or 22712  
similar work performed in the same or similar locality by private 22713  
companies doing their own reclamation work. Each contract awarded 22714  
by the chief to other than an operator mining adjacent land shall 22715  
be awarded to the lowest responsible bidder after sealed bids are 22716  
received, opened, and published at the time and place fixed by the 22717  
chief. The chief shall publish notice of the time and place at 22718  
which bids will be received, opened, and published, at least once 22719  
at least ten days before the date of the opening of the bids, in a 22720  
newspaper of general circulation in the county in which the area 22721  
of land to be reclaimed under the contract is located. If, after 22722  
so advertising for bids, no bids are received by the chief at the 22723  
time and place fixed for receiving them, the chief may advertise 22724

again for bids, or, if the chief considers the public interest 22725  
will be best served, the chief may enter into a contract for the 22726  
reclamation of the area of land without further advertisement for 22727  
bids. The chief may reject all bids received and again publish 22728  
notice of the time and place at which bids for contracts will be 22729  
received, opened, and published. The chief, with the approval of 22730  
the director and written consent of the owner, may enter into a 22731  
contract with a licensed mine operator mining adjacent land under 22732  
a valid permit to carry out the plan of reclamation on the 22733  
unreclaimed land or any part of the plan without advertising for 22734  
bids. 22735

**Sec. 1513.28.** The chief of the division of mineral resources 22736  
management, with the approval of the director of natural 22737  
resources, may make grants of ~~moneys~~ money from the ~~unreclaimed~~ 22738  
~~lands~~ mining regulation and safety fund created by section 1513.30 22739  
of the Revised Code for the payment by the state of up to 22740  
seventy-five per cent of the reasonable and necessary reclamation 22741  
expenses incurred by the owner of any unreclaimed land affected by 22742  
mining before April 10, 1972, or pursuant to a license issued 22743  
before April 10, 1972, that causes or may cause pollution of the 22744  
waters of the state or damage to adjacent property, is not likely 22745  
to be mined in the foreseeable future, and lies within the 22746  
boundaries of a project area approved by the chief under section 22747  
1513.30 of the Revised Code. 22748

The owner shall submit application for a grant on forms 22749  
furnished by the division, together with detailed plans and 22750  
topographic maps indicating the reclamation improvements to be 22751  
made, an itemized estimate of the project's cost, a description of 22752  
the project's benefits, and such other information as the chief 22753  
prescribes. The plan of reclamation may be prepared in 22754  
consultation with a local soil and water conservation district. 22755

The chief may award the applicant a grant only after finding 22756  
that the proposed reclamation work will establish vegetative cover 22757  
and substantially reduce or eliminate erosion, sedimentation, 22758  
landslides, pollution, accumulation or discharge of acid water, 22759  
flooding, and damage to adjacent property. 22760

For the purpose of establishing priorities for awarding 22761  
grants under this section and section 1513.31 of the Revised Code, 22762  
the chief shall consider each project's feasibility, cost, and 22763  
public benefits of reclaiming the particular land, its potential 22764  
for being mined, and the availability of federal or other 22765  
financial assistance for reclamation. 22766

The chief shall determine the amount of a grant under this 22767  
section based upon the chief's determination of what constitutes 22768  
reasonable and necessary expenses actually incurred for 22769  
establishing vegetative cover, substantially reducing or 22770  
eliminating erosion, sedimentation, landslides, pollution, 22771  
accumulation or discharge of acid water, flooding, or damage to 22772  
adjacent property, and preparing the plan of reclamation. The 22773  
owner may elect to have other improvements made concurrently, but 22774  
in no event shall any part of the grant be made for such other 22775  
improvements, and in no event shall the amount of the grant exceed 22776  
seventy-five per cent of the total amount, determined by the 22777  
chief, of what constitutes reasonable and necessary expenses 22778  
actually incurred for the reclamation measures listed in this 22779  
section. 22780

The chief shall enter into a contract for funding with each 22781  
applicant awarded a grant to ensure that the ~~moneys~~ money granted 22782  
are used for the purposes of this section and that the reclamation 22783  
work is properly done. The final payment may not be made until the 22784  
chief inspects and approves the completed reclamation work. 22785

Each such contract shall contain provisions for the 22786  
reimbursement of a portion of the costs of the reclamation that is 22787

commensurate with the increase in the fair market value of the 22788  
property attributable to the reclamation work thereon, as 22789  
determined by appraisals made before and after reclamation in the 22790  
manner stated in the agreement, unless such determination 22791  
discloses an increase in value that is insubstantial in comparison 22792  
to the benefits to the public from the abatement of pollution or 22793  
prevention of damage to adjacent property, considering the 22794  
applicant's share of the reclamation cost. For reimbursement of 22795  
such portion, the contract may include provisions for: 22796

(A) Public use for soil, water, forest, or wildlife 22797  
conservation or public recreation purposes; 22798

(B) Payment to the state of the share of the income from the 22799  
crops or timber produced on the land that is stated in the 22800  
agreement; 22801

(C) Imposition of a lien in the amount of the increase in 22802  
fair market value payable upon transfer or conveyance of the 22803  
property to a new owner; 22804

(D) Payment to the state in cash in the amount of the 22805  
increase in fair market value, payable upon completion of the 22806  
reclamation. 22807

All such reimbursements and payments shall be credited to the 22808  
~~unreclaimed lands~~ mining regulation and safety fund. 22809

Not more than forty per cent of the money credited to the 22810  
fund during the preceding calendar year may be expended during a 22811  
calendar year for grants under this section. 22812

The chief shall require every landowner performing 22813  
reclamation work pursuant to this section to pay workers at the 22814  
greater of their regular rate of pay, as established by contract, 22815  
agreement, or prior custom or practice, or the average wage rate 22816  
in this state for the same or similar work performed in the same 22817  
or similar locality by private companies doing their own 22818

reclamation work. 22819

**Sec. 1513.30.** (A) There is hereby created in the state 22820  
treasury the ~~unreclaimed lands~~ mining regulation and safety fund, 22821  
to be administered by the chief of the division of mineral 22822  
resources management ~~and~~. The fund shall be used for the purpose 22823  
of reclaiming following purposes: 22824

(1) Reclaiming land, public or private, affected by mining, 22825  
or controlling mine drainage, for which no cash is held in the 22826  
reclamation forfeiture fund created in section 1513.18 of the 22827  
Revised Code ~~or the surface mining fund created in section;~~ 22828

(2) Specified purposes in sections 1514.06, 1514.11, and 22829  
1561.48 of the Revised Code; 22830

(3) Administration and enforcement of Chapter 1513. of the 22831  
Revised Code. 22832

All investment earnings of the fund shall be deposited into 22833  
the fund. 22834

(B) In order to direct expenditures from the ~~unreclaimed~~ 22835  
~~lands~~ mining regulation and safety fund toward reclamation 22836  
projects that fulfill priority needs and provide the greatest 22837  
public benefits, the chief periodically shall consider projects to 22838  
be financed from the ~~unreclaimed lands~~ mining regulation and 22839  
safety fund. For the purpose of selecting project areas and 22840  
determining the boundaries of project areas, the chief shall 22841  
consider the feasibility, cost, and public benefits of reclaiming 22842  
the areas, their potential for being mined, the availability of 22843  
federal or other financial assistance for reclamation, and the 22844  
geographic distribution of project areas to ensure fair 22845  
distribution among affected areas. 22846

(C) The chief shall give priority to areas where there is 22847  
little or no likelihood of mining within the foreseeable future, 22848

reclamation is feasible at reasonable cost with available funds, 22849  
and either of the following applies: 22850

~~(A)(1)~~ The pollution of the waters of the state and damage to 22851  
adjacent property are most severe and widespread. 22852

~~(B)(2)~~ Reclamation will make possible public uses for soil, 22853  
water, forest, or wildlife conservation or public recreation 22854  
purposes, will facilitate orderly commercial or industrial site 22855  
development, or will facilitate the use or improve the enjoyment 22856  
of nearby public conservation or recreation lands. 22857

(D) Expenditures from the ~~unreclaimed lands~~ mining regulation 22858  
and safety fund for reclamation projects may be made only for 22859  
projects that are within the boundaries of project areas approved 22860  
by the chief. Expenditures from the ~~unreclaimed lands~~ mining 22861  
regulation and safety fund shall be made by the chief, with the 22862  
approval of the director of natural resources. 22863

~~The chief may expend an amount not to exceed twenty per cent 22864  
of the moneys credited annually by the treasurer of state to the 22865  
unreclaimed lands fund for the purpose of administering the fund. 22866~~

(E) The chief may engage in cooperative projects under this 22867  
section with any agency of the United States, appropriate state 22868  
agencies, or state universities or colleges as defined in section 22869  
3345.27 of the Revised Code and may transfer money from the fund 22870  
to other appropriate state agencies or to state universities or 22871  
colleges in order to carry out the reclamation activities 22872  
authorized by this section. 22873

~~If the director of natural resources determines it to be 22874  
necessary, the director may request the controlling board to 22875  
transfer an amount of money from the fund to the coal mining 22876  
administration and reclamation reserve fund created in section 22877  
1513.181 of the Revised Code. 22878~~

(F) Notwithstanding any other provisions of law to the 22879

contrary, money credited to the mining regulation and safety fund 22880  
that is derived from taxes levied in division (A)(3) or (4) of 22881  
section 5749.02 of the Revised Code shall not be used for any 22882  
purposes authorized under this chapter. 22883

**Sec. 1513.31.** For the purpose of promoting local or regional 22884  
economic or community development, the chief of the division of 22885  
mineral resources management, with the approval of the director of 22886  
natural resources, may make grants of money from the ~~unreclaimed~~ 22887  
~~lands~~ mining regulation and safety fund created by section 1513.30 22888  
of the Revised Code for the payment by the state of up to 22889  
seventy-five per cent of the reasonable and necessary expenses 22890  
incurred by a political subdivision, community improvement 22891  
corporation incorporated under Chapter 1724. of the Revised Code, 22892  
or other nonprofit corporation incorporated under Chapter 1702. of 22893  
the Revised Code for the reclamation of any unreclaimed land 22894  
affected by mining before April 10, 1972, or pursuant to a license 22895  
issued before April 10, 1972, that is owned by the political 22896  
subdivision or corporation, is to be reclaimed for the purpose of 22897  
commercial or industrial site development by the political 22898  
subdivision or corporation or the development of recreational 22899  
facilities by the political subdivision, and lies within the 22900  
boundaries of a project area approved by the chief. 22901

The owner shall submit an application for a grant on forms 22902  
furnished by the division of mineral resources management together 22903  
with detailed plans and topographic maps indicating the 22904  
reclamation improvements to be made, an itemized estimate of the 22905  
project's cost, a description of the project's benefits, and such 22906  
other information as the chief prescribes. The chief may award the 22907  
applicant a grant only after finding that the proposed reclamation 22908  
work will render the unreclaimed land suitable for commercial, 22909  
industrial, or, if the land is owned by a political subdivision, 22910  
recreational site development and will substantially reduce or 22911

eliminate the damage, if any, to adjacent property that is or may  
be caused by the condition of the unreclaimed land. 22912  
22913

The chief shall determine the amount of the grant based upon 22914  
the chief's determination of what constitutes reasonable and 22915  
necessary expenses actually incurred for preparing the plan of 22916  
reclamation; preparing the unreclaimed land for commercial, 22917  
industrial, or, in the case of land owned by a political 22918  
subdivision, recreational site development, including backfilling, 22919  
grading, resoiling, planting, or other work to restore the land to 22920  
a condition suitable for such development; and, if the condition 22921  
of the unreclaimed land so requires, establishing vegetative cover 22922  
or substantially reducing or eliminating erosion, sedimentation, 22923  
landslides, pollution, accumulation or discharge of acid water, 22924  
flooding, or damage to adjacent property. The owner may have other 22925  
improvements made concurrently with the reclamation work, but 22926  
shall not spend any part of the grant for such other improvements. 22927  
No grant shall exceed seventy-five per cent of the total amount, 22928  
as determined by the chief, of what constitutes reasonable and 22929  
necessary expenses actually incurred for the reclamation measures 22930  
listed in this section. 22931

The chief shall enter into a contract for funding with each 22932  
applicant awarded a grant in order to ensure that the ~~moneys~~ money 22933  
granted are used for the purposes of this section and that the 22934  
reclamation work is properly done. The final payment under a grant 22935  
may not be made until the chief inspects and approves the 22936  
completed reclamation work. 22937

**Sec. 1513.32.** For the purpose of promoting local or regional 22938  
economic or community development, the chief of the division of 22939  
mineral resources management, with the approval of the director of 22940  
natural resources, may enter into a written agreement, which may 22941  
be in the form of a contract, with a political subdivision, 22942

community improvement corporation incorporated under Chapter 1724. 22943  
of the Revised Code, or other nonprofit corporation incorporated 22944  
under Chapter 1702. of the Revised Code that owns any unreclaimed 22945  
land affected by mining before April 10, 1972, or pursuant to a 22946  
license issued before April 10, 1972, under which the state or its 22947  
agents may enter upon the land to reclaim it at state expense with 22948  
~~moneys~~ money from the ~~unreclaimed lands~~ mining regulation and 22949  
safety fund created by section 1513.30 of the Revised Code for the 22950  
purpose of commercial or industrial site development if the land 22951  
is owned by a political subdivision or corporation or the 22952  
development of recreational facilities if the land is owned by a 22953  
political subdivision. The agreement may include provisions 22954  
pertaining to liability for damages and any other provisions 22955  
necessary or desirable to achieve the purposes of this section. 22956

For the purpose of selecting lands to be reclaimed for 22957  
commercial, industrial, or, if the lands are owned by a political 22958  
subdivision, recreational site development, the chief shall 22959  
consult with the owners of unreclaimed lands and with local 22960  
officials, civic and professional organizations, and interested 22961  
individuals and shall consider the feasibility, cost, and public 22962  
benefits of reclaiming particular lands and the availability of 22963  
federal or other assistance for the reclamation. The chief shall 22964  
select for reclamation under this section only lands that lie 22965  
within the boundaries of a project area approved by the chief. 22966

Before entering into the agreement, the chief shall prepare 22967  
or approve a detailed plan with topographic maps indicating the 22968  
reclamation improvements to be made, an itemized estimate of the 22969  
project's cost, a description of the project's benefits, and such 22970  
other information as the chief considers appropriate. The plan 22971  
shall include only reclamation work that is necessary to render 22972  
the unreclaimed land suitable for commercial, industrial, or, if 22973  
the land is owned by a political subdivision, recreational site 22974

development and will substantially reduce or eliminate the damage, 22975  
if any, to adjacent property that is or may be caused by the 22976  
condition of the unreclaimed land. The plan may include 22977  
improvements recommended by the owner, but may not include any 22978  
improvements that the chief finds are not necessary to prepare the 22979  
unreclaimed land for commercial, industrial, or, if the land is 22980  
owned by a political subdivision, recreational site development, 22981  
or if the condition of the unreclaimed land so requires, are not 22982  
necessary to establish vegetative cover or substantially reduce or 22983  
eliminate erosion, sedimentation, landslides, pollution, 22984  
accumulation or discharge of acid water, flooding, or damage to 22985  
adjacent property. 22986

With the approval of the director and upon entering into an 22987  
agreement with the owner, the chief may carry out the plan of 22988  
reclamation or any part thereof with the employees or equipment of 22989  
the department, or the chief may carry out the plan or any part 22990  
thereof by contracting therefor in accordance with the procedures 22991  
prescribed in section 1513.27 of the Revised Code. The chief shall 22992  
keep an itemized record of the state's expense in carrying out the 22993  
plan. 22994

Expenditure of not more than twenty per cent of the ~~moneys~~ 22995  
money credited to the ~~unreclaimed lands~~ mining regulation and 22996  
safety fund during the preceding fiscal year may be approved by 22997  
the chief during a fiscal year for conducting reclamation projects 22998  
under this section and for making grants under section 1513.31 of 22999  
the Revised Code, provided that such expenditures are primarily 23000  
for the pollution abatement purposes of section 1513.30 of the 23001  
Revised Code. 23002

**Sec. 1513.33.** The amount of any grant to a community 23003  
improvement corporation or nonprofit corporation made under 23004  
section 1513.31 of the Revised Code or the state's expenses 23005

incurred in reclaiming unreclaimed land owned by a community 23006  
improvement corporation or nonprofit corporation under section 23007  
1513.32 of the Revised Code shall constitute a loan by the state 23008  
to the corporation. Entry into a grant contract under section 23009  
1513.31 of the Revised Code or into a reclamation agreement under 23010  
section 1513.32 of the Revised Code by the chief of the division 23011  
of mineral resources management constitutes the designation of the 23012  
community improvement corporation or nonprofit corporation as the 23013  
state's agent for the commercial or industrial development of the 23014  
land named in the contract or agreement. 23015

Each grant contract under section 1513.31 of the Revised Code 23016  
or reclamation agreement under section 1513.32 of the Revised Code 23017  
shall include terms for repayment of the grant or reimbursement of 23018  
the state for its reclamation expenses, which shall require 23019  
repayment of the loan in full upon the first sale, lease, or 23020  
rental of the land reclaimed under the contract or agreement if 23021  
the entire parcel of reclaimed land is sold, leased, or rented. If 23022  
the corporation establishes a business enterprise on the entire 23023  
parcel of reclaimed land, the contract shall require repayment of 23024  
the loan in full upon the commencement of operation of the 23025  
business enterprise. If the reclaimed land is sold, leased, or 23026  
rented in portions or the corporation establishes a business 23027  
enterprise on any portion of the reclaimed land, the contract or 23028  
agreement shall require repayment of that portion of the loan that 23029  
corresponds to the portion of the reclaimed land sold, leased, or 23030  
rented upon the first sale, lease, or rental of that portion, or 23031  
upon commencement of operation of the business enterprise on that 23032  
portion, by the corporation in the proportion that the acreage of 23033  
the reclaimed land sold, leased, rented, or used in business by 23034  
the corporation bears to the total acreage of land reclaimed under 23035  
the contract or agreement. 23036

To secure repayment of the ~~moneys~~ money granted under section 23037

1513.31 of the Revised Code or of the state's reclamation expenses 23038  
under section 1513.32 of the Revised Code to or on behalf of a 23039  
community improvement corporation or nonprofit corporation, the 23040  
state shall have a lien on the land owned by the corporation that 23041  
is land reclaimed under section 1513.31 or 1513.32 of the Revised 23042  
Code equal to the amount of the grant made under section 1513.31 23043  
of the Revised Code or to the state's expenses incurred in 23044  
reclaiming the land under section 1513.32 of the Revised Code. 23045  
Within thirty days after the final grant payment is made under 23046  
section 1513.31 of the Revised Code or after the completion of the 23047  
reclamation work under section 1513.32 of the Revised Code, the 23048  
chief shall cause to be recorded in the office of the county 23049  
recorder of the county in which the reclaimed land is located a 23050  
statement that shall contain an itemized accounting of the grant 23051  
paid under section 1513.31 of the Revised Code or an itemized 23052  
record of the state's expenses incurred in reclaiming the land 23053  
under section 1513.32 of the Revised Code. The statement shall 23054  
constitute a notice of lien and operate as of the date of delivery 23055  
as a lien on the land reclaimed in the amount of the grant ~~moneys~~ 23056  
money paid out or the reclamation expenses incurred by the state 23057  
and shall have priority as a lien second only to the lien of real 23058  
property taxes imposed upon the land. The notice of lien and the 23059  
lien shall not be valid as against any mortgagee, pledgee, 23060  
purchaser, or judgment creditor whose rights have attached prior 23061  
to the date of filing of the statement by the chief or to any 23062  
prior or subsequent lien for real property taxes imposed pursuant 23063  
to section 5719.04 of the Revised Code. 23064

The county recorder shall record and index the chief's 23065  
statement, under the name of the state and the corporation, in the 23066  
official records maintained by the county recorder's office. The 23067  
county recorder shall impose no charge for the recording or 23068  
indexing of the statement. If the land is registered, the county 23069  
recorder shall make a notation and enter a memorial of the lien 23070

upon the page of the register in which the last certificate of 23071  
title to the land is registered, stating the name of the claimant, 23072  
amount claimed, volume and page of the record where recorded, and 23073  
exact time the memorial was entered. 23074

The lien shall continue in force so long as any portion of 23075  
the amount granted under section 1513.31 of the Revised Code or 23076  
the state's reclamation expenses incurred under section 1513.32 of 23077  
the Revised Code remains unpaid. Upon repayment in full of those 23078  
~~moneys~~ money or expenses, the chief promptly shall issue a 23079  
certificate of release of the lien. Upon presentation of the 23080  
certificate of release, the county recorder of the county where 23081  
the lien is recorded shall record the lien as having been 23082  
discharged. 23083

A lien imposed under this section shall be foreclosed upon 23084  
the substantial failure of a corporation to repay any portion of 23085  
the amount granted under section 1513.31 of the Revised Code or 23086  
the state's reclamation expenses incurred under section 1513.32 of 23087  
the Revised Code in accordance with the terms of the grant 23088  
contract or reclamation agreement. Before foreclosing any lien 23089  
under this section, the chief shall make a written demand upon the 23090  
corporation to comply with the repayment terms of the contract or 23091  
agreement. If the corporation does not pay the amount due within 23092  
sixty days, the chief shall refer the matter to the attorney 23093  
general, who shall institute a civil action to foreclose the lien 23094  
of the state. 23095

All ~~moneys~~ money collected from loan repayments and lien 23096  
foreclosures under this section shall be credited to the 23097  
~~unreclaimed lands~~ mining regulation and safety fund created by 23098  
section 1513.30 of the Revised Code. 23099

**Sec. 1513.37.** (A) There is hereby created in the state 23100  
treasury the abandoned mine reclamation fund, which shall be 23101

administered by the chief of the division of mineral resources 23102  
management. The fund shall consist of grants from the secretary of 23103  
the interior from the federal abandoned mine reclamation fund 23104  
established by Title IV of the "Surface Mining Control and 23105  
Reclamation Act of 1977," 91 Stat. 445, 30 U.S.C.A. 1201, 23106  
regulations adopted under it, and amendments to the act and 23107  
regulations. Expenditures from the abandoned mine reclamation fund 23108  
shall be made by the chief for the following purposes: 23109

(1) Reclamation and restoration of land and water resources 23110  
adversely affected by past coal mining, including, but not limited 23111  
to, reclamation and restoration of abandoned strip mine areas, 23112  
abandoned coal processing areas, and abandoned coal refuse 23113  
disposal areas; sealing and filling of abandoned deep mine entries 23114  
and voids; planting of land adversely affected by past coal 23115  
mining; prevention of erosion and sedimentation; prevention, 23116  
abatement, treatment, and control of water pollution created by 23117  
coal mine drainage, including restoration of streambeds and 23118  
construction and operation of water treatment plants; prevention, 23119  
abatement, and control of burning coal refuse disposal areas and 23120  
burning coal in situ; and prevention, abatement, and control of 23121  
coal mine subsidence; 23122

(2) Acquisition and filling of voids and sealing of tunnels, 23123  
shafts, and entryways of noncoal lands; 23124

(3) Acquisition of land as provided for in this section; 23125

(4) Administrative expenses incurred in accomplishing the 23126  
purposes of this section; 23127

(5) All other necessary expenses to accomplish the purposes 23128  
of this section. 23129

(B) Expenditures of ~~moneys~~ money from the fund on land and 23130  
water eligible pursuant to division (C) of this section shall 23131

reflect the following priorities in the order stated:	23132
(1) The protection of public health, safety, general welfare, and property from extreme danger of adverse effects of coal mining practices;	23133 23134 23135
(2) The protection of public health, safety, and general welfare from adverse effects of coal mining practices;	23136 23137
(3) The restoration of land and water resources and the environment previously degraded by adverse effects of coal mining practices, including measures for the conservation and development of soil and water (excluding channelization), woodland, fish and wildlife, recreation resources, and agricultural productivity;	23138 23139 23140 23141 23142
(4) Research and demonstration projects relating to the development of coal mining reclamation and water quality control program methods and techniques;	23143 23144 23145
(5) The protection, repair, replacement, construction, or enhancement of public facilities such as utilities, roads, recreation facilities, and conservation facilities adversely affected by coal mining practices;	23146 23147 23148 23149

(C)(1) Lands and water eligible for reclamation or drainage abatement expenditures under this section are those that were mined for coal or were affected by such mining, wastebanks, coal processing, or other coal mining processes and that meet one of the following criteria:	23154 23155 23156 23157 23158
(a) Are lands that were abandoned or left in an inadequate reclamation status prior to August 3, 1977, and for which there is no continuing reclamation responsibility under state or federal	23159 23160 23161

laws; 23162

(b) Are lands for which the chief finds that surface coal 23163  
mining operations occurred at any time between August 4, 1977, and 23164  
August 16, 1982, and that any ~~moneys~~ money for reclamation or 23165  
abatement that are available pursuant to a bond, performance 23166  
security, or other form of financial guarantee or from any other 23167  
source are not sufficient to provide for adequate reclamation or 23168  
abatement at the site; 23169

(c) Are lands for which the chief finds that surface coal 23170  
mining operations occurred at any time between August 4, 1977, and 23171  
November 5, 1990, that the surety of the mining operator became 23172  
insolvent during that time, and that, as of November 5, 1990, any 23173  
~~moneys~~ money immediately available from proceedings relating to 23174  
that insolvency or from any financial guarantee or other source 23175  
are not sufficient to provide for adequate reclamation or 23176  
abatement at the site. 23177

(2) In determining which sites to reclaim pursuant to 23178  
divisions (C)(1)(b) and (c) of this section, the chief shall 23179  
follow the priorities stated in divisions (B)(1) and (2) of this 23180  
section and shall ensure that priority is given to those sites 23181  
that are in the immediate vicinity of a residential area or that 23182  
have an adverse economic impact on a local community. 23183

(3) Surface coal mining operations on lands eligible for 23184  
remining shall not affect the eligibility of those lands for 23185  
reclamation and restoration under this section after the release 23186  
of the bond, performance security, or other form of financial 23187  
guarantee for any such operation as provided under division (F) of 23188  
section 1513.16 of the Revised Code. If the bond, performance 23189  
security, or other form of financial guarantee for a surface coal 23190  
mining operation on lands eligible for remining is forfeited, 23191  
~~moneys~~ money available under this section may be used if the 23192  
amount of the bond, performance security, or other form of 23193

financial guarantee is not sufficient to provide for adequate 23194  
reclamation or abatement, except that if conditions warrant, the 23195  
chief immediately shall exercise the authority granted under 23196  
division (L) of this section. 23197

(D) The chief may submit to the secretary of the interior a 23198  
state reclamation plan and annual projects to carry out the 23199  
purposes of this section. 23200

(1) The reclamation plan generally shall identify the areas 23201  
to be reclaimed, the purposes for which the reclamation is 23202  
proposed, the relationship of the lands to be reclaimed and the 23203  
proposed reclamation to surrounding areas, the specific criteria 23204  
for ranking and identifying projects to be funded, and the legal 23205  
authority and programmatic capability to perform the work in 23206  
accordance with this section. 23207

(2) On an annual basis, the chief may submit to the secretary 23208  
an application for support of the abandoned mine reclamation fund 23209  
and implementation of specific reclamation projects. The annual 23210  
requests shall include such information as may be requested by the 23211  
secretary. 23212

(3) The costs for each proposed project under this section 23213  
shall include actual construction costs, actual operation and 23214  
maintenance costs of permanent facilities, planning and 23215  
engineering costs, construction inspection costs, and other 23216  
necessary administrative expenses. 23217

(4) The chief may submit annual and other reports required by 23218  
the secretary when funds are provided by the secretary under Title 23219  
IV of the "Surface Mining Control and Reclamation Act of 1977," 91 23220  
Stat. 445, 30 U.S.C.A. 1201, regulations adopted under it, and 23221  
amendments to the act and regulations. 23222

(E)(1) There is hereby created in the state treasury the acid 23223  
mine drainage abatement and treatment fund, which shall be 23224

administered by the chief. The fund shall consist of grants from 23225  
the secretary of the interior from the federal abandoned mine 23226  
reclamation fund pursuant to section 402(g)(6) of Title IV of the 23227  
"Surface Mining Control and Reclamation Act of 1977," 91 Stat. 23228  
445, 30 U.S.C.A. 1201. All investment earnings of the fund shall 23229  
be credited to the fund. 23230

(2) The chief shall make expenditures from the fund, in 23231  
consultation with the United States department of agriculture, 23232  
soil conservation service, to implement acid mine drainage 23233  
abatement and treatment plans approved by the secretary. The plans 23234  
shall provide for the comprehensive abatement of the causes and 23235  
treatment of the effects of acid mine drainage within qualified 23236  
hydrologic units affected by coal mining practices and shall 23237  
include at least all of the following: 23238

(a) An identification of the qualified hydrologic unit. As 23239  
used in division (E) of this section, "qualified hydrologic unit" 23240  
means a hydrologic unit that meets all of the following criteria: 23241

(i) The water quality in the unit has been significantly 23242  
affected by acid mine drainage from coal mining practices in a 23243  
manner that has an adverse impact on biological resources. 23244

(ii) The unit contains lands and waters that meet the 23245  
eligibility requirements established under division (C) of this 23246  
section and any of the priorities established in divisions (B)(1) 23247  
to (3) of this section. 23248

(iii) The unit contains lands and waters that are proposed to 23249  
be the subject of expenditures from the reclamation forfeiture 23250  
fund created in section 1513.18 of the Revised Code or the 23251  
~~unreclaimed lands~~ mining regulation and safety fund created in 23252  
section 1513.30 of the Revised Code. 23253

(b) The extent to which acid mine drainage is affecting the 23254  
water quality and biological resources within the hydrologic unit; 23255

(c) An identification of the sources of acid mine drainage within the hydrologic unit;	23256 23257
(d) An identification of individual projects and the measures proposed to be undertaken to abate and treat the causes or effects of acid mine drainage within the hydrologic unit;	23258 23259 23260
(e) The cost of undertaking the proposed abatement and treatment measures;	23261 23262
(f) An identification of existing and proposed sources of funding for those measures;	23263 23264
(g) An analysis of the cost-effectiveness and environmental benefits of abatement and treatment measures.	23265 23266
(3) The chief may make grants of <del>moneys</del> <u>money</u> from the acid mine drainage abatement and treatment fund to watershed groups for conducting projects to accomplish the purposes of this section. A grant may be made in an amount equal to not more than fifty per cent of each of the following:	23267 23268 23269 23270 23271
(a) Reasonable and necessary expenses for the collection and analysis of data sufficient to do either or both of the following:	23272 23273
(i) Identify a watershed as a qualified hydrologic unit;	23274
(ii) Monitor the quality of water in a qualified hydrologic unit before, during, and at any time after completion of the project by the watershed group.	23275 23276 23277
(b) Engineering design costs and construction costs involved in the project, provided that the project is conducted in a qualified hydrologic unit and the chief considers the project to be a priority.	23278 23279 23280 23281
A watershed group that wishes to obtain a grant under division (E)(3) of this section shall submit an application to the chief on forms provided by the division of mineral resources management, together with detailed estimates and timetables for	23282 23283 23284 23285

accomplishing the stated goals of the project and any other 23286  
information that the chief requires. 23287

For the purposes of establishing priorities for awarding 23288  
grants under division (E)(3) of this section, the chief shall 23289  
consider each project's feasibility, cost-effectiveness, and 23290  
environmental benefit, together with the availability of matching 23291  
funding, including in-kind services, for the project. 23292

The chief shall enter into a contract for funding with each 23293  
applicant awarded a grant to ensure that the ~~moneys~~ money granted 23294  
are used for the purposes of this section and that the work that 23295  
the project involves is done properly. The contract is not subject 23296  
to division (B) of section 127.16 of the Revised Code. The final 23297  
payment of grant ~~moneys~~ money shall not be made until the chief 23298  
inspects and approves the completed project. 23299

The chief shall require each applicant awarded a grant under 23300  
this section who conducts a project involving construction work to 23301  
pay workers at the greater of their regular rate of pay, as 23302  
established by contract, agreement, or prior custom or practice, 23303  
or the average wage rate paid in this state for the same or 23304  
similar work performed in the same or a similar locality by 23305  
private companies doing similar work on similar projects. 23306

As used in division (E)(3) of this section, "watershed group" 23307  
means a charitable organization as defined in section 1716.01 of 23308  
the Revised Code that has been established for the purpose of 23309  
conducting reclamation of land and waters adversely affected by 23310  
coal mining practices and specifically for conducting acid mine 23311  
drainage abatement. 23312

(F)(1) If the chief makes a finding of fact that land or 23313  
water resources have been adversely affected by past coal mining 23314  
practices; the adverse effects are at a stage where, in the public 23315  
interest, action to restore, reclaim, abate, control, or prevent 23316

the adverse effects should be taken; the owners of the land or 23317  
water resources where entry must be made to restore, reclaim, 23318  
abate, control, or prevent the adverse effects of past coal mining 23319  
practices are not known or are not readily available; or the 23320  
owners will not give permission for the state, political 23321  
subdivisions, or their agents, employees, or contractors to enter 23322  
upon the property to restore, reclaim, abate, control, or prevent 23323  
the adverse effects of past coal mining practices; then, upon 23324  
giving notice by mail to the owners, if known, or, if not known, 23325  
by posting notice upon the premises and advertising once in a 23326  
newspaper of general circulation in the municipal corporation or 23327  
county in which the land lies, the chief or the chief's agents, 23328  
employees, or contractors may enter upon the property adversely 23329  
affected by past coal mining practices and any other property to 23330  
have access to the property to do all things necessary or 23331  
expedient to restore, reclaim, abate, control, or prevent the 23332  
adverse effects. The entry shall be construed as an exercise of 23333  
the police power for the protection of the public health, safety, 23334  
and general welfare and shall not be construed as an act of 23335  
condemnation of property nor of trespass on it. The ~~moneys~~ money 23336  
expended for the work and the benefits accruing to any such 23337  
premises so entered upon shall be chargeable against the land and 23338  
shall mitigate or offset any claim in or any action brought by any 23339  
owner of any interest in the premises for any alleged damages by 23340  
virtue of the entry, but this provision is not intended to create 23341  
new rights of action or eliminate existing immunities. 23342

(2) The chief or the chief's authorized representatives may 23343  
enter upon any property for the purpose of conducting studies or 23344  
exploratory work to determine the existence of adverse effects of 23345  
past coal mining practices and to determine the feasibility of 23346  
restoration, reclamation, abatement, control, or prevention of 23347  
such adverse effects. The entry shall be construed as an exercise 23348  
of the police power for the protection of the public health, 23349

safety, and general welfare and shall not be construed as an act of condemnation of property nor trespass on it.

(3) The chief may acquire any land by purchase, donation, or condemnation that is adversely affected by past coal mining practices if the chief determines that acquisition of the land is necessary to successful reclamation and that all of the following apply:

(a) The acquired land, after restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices, will serve recreation and historic purposes, serve conservation and reclamation purposes, or provide open space benefits.

(b) Permanent facilities such as a treatment plant or a relocated stream channel will be constructed on the land for the restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal mining practices.

(c) Acquisition of coal refuse disposal sites and all coal refuse thereon will serve the purposes of this section or public ownership is desirable to meet emergency situations and prevent recurrences of the adverse effects of past coal mining practices.

(4)(a) Title to all lands acquired pursuant to this section shall be in the name of the state. The price paid for land acquired under this section shall reflect the market value of the land as adversely affected by past coal mining practices.

(b) The chief may receive grants on a matching basis from the secretary of the interior for the purpose of carrying out this section.

(5)(a) Where land acquired pursuant to this section is considered to be suitable for industrial, commercial, residential, or recreational development, the chief may sell the land by public sale under a system of competitive bidding at not less than fair

market value and under other requirements imposed by rule to 23381  
ensure that the lands are put to proper use consistent with local 23382  
and state land use plans, if any, as determined by the chief. 23383

(b) The chief, when requested, and after appropriate public 23384  
notice, shall hold a public meeting in the county, counties, or 23385  
other appropriate political subdivisions of the state in which 23386  
lands acquired pursuant to this section are located. The meetings 23387  
shall be held at a time that shall afford local citizens and 23388  
governments the maximum opportunity to participate in the decision 23389  
concerning the use or disposition of the lands after restoration, 23390  
reclamation, abatement, control, or prevention of the adverse 23391  
effects of past coal mining practices. 23392

(6) In addition to the authority to acquire land under 23393  
division (F)(3) of this section, the chief may use money in the 23394  
fund to acquire land by purchase, donation, or condemnation, and 23395  
to reclaim and transfer acquired land to a political subdivision, 23396  
or to any person, if the chief determines that it is an integral 23397  
and necessary element of an economically feasible plan for the 23398  
construction or rehabilitation of housing for persons disabled as 23399  
the result of employment in the mines or work incidental to that 23400  
employment, persons displaced by acquisition of land pursuant to 23401  
this section, persons dislocated as the result of adverse effects 23402  
of coal mining practices that constitute an emergency as provided 23403  
in the "Surface Mining Control and Reclamation Act of 1977," 91 23404  
Stat. 466, 30 U.S.C.A. 1240, or amendments to it, or persons 23405  
dislocated as the result of natural disasters or catastrophic 23406  
failures from any cause. Such activities shall be accomplished 23407  
under such terms and conditions as the chief requires, which may 23408  
include transfers of land with or without monetary consideration, 23409  
except that to the extent that the consideration is below the fair 23410  
market value of the land transferred, no portion of the difference 23411  
between the fair market value and the consideration shall accrue 23412

as a profit to those persons. No part of the funds provided under 23413  
this section may be used to pay the actual construction costs of 23414  
housing. The chief may carry out the purposes of division (F)(6) 23415  
of this section directly or by making grants and commitments for 23416  
grants and may advance money under such terms and conditions as 23417  
the chief may require to any agency or instrumentality of the 23418  
state or any public body or nonprofit organization designated by 23419  
the chief. 23420

(G)(1) Within six months after the completion of projects to 23421  
restore, reclaim, abate, control, or prevent adverse effects of 23422  
past coal mining practices on privately owned land, the chief 23423  
shall itemize the ~~moneys~~ money so expended and may file a 23424  
statement of the expenditures in the office of the county recorder 23425  
of the county in which the land lies, together with a notarized 23426  
appraisal by an independent appraiser of the value of the land 23427  
before the restoration, reclamation, abatement, control, or 23428  
prevention of adverse effects of past coal mining practices if the 23429  
~~moneys~~ money so expended result in a significant increase in 23430  
property value. The statement shall constitute a lien upon the 23431  
land as of the date of the expenditures of the ~~moneys~~ money and 23432  
shall have priority as a lien second only to the lien of real 23433  
property taxes imposed upon the land. The lien shall not exceed 23434  
the amount determined by the appraisal to be the increase in the 23435  
fair market value of the land as a result of the restoration, 23436  
reclamation, abatement, control, or prevention of the adverse 23437  
effects of past coal mining practices. No lien shall be filed 23438  
under division (G) of this section against the property of any 23439  
person who owned the surface prior to May 2, 1977, and did not 23440  
consent to, participate in, or exercise control over the mining 23441  
operation that necessitated the reclamation performed. 23442

(2) The landowner may petition, within sixty days after the 23443  
filing of the lien, to determine the increase in the fair market 23444

value of the land as a result of the restoration, reclamation, 23445  
abatement, control, or prevention of the adverse effects of past 23446  
coal mining practices. The amount reported to be the increase in 23447  
value of the premises shall constitute the amount of the lien and 23448  
shall be recorded with the statement provided in this section. Any 23449  
party aggrieved by the decision may appeal as provided by state 23450  
law. 23451

(3) The lien provided in division (G) of this section shall 23452  
be recorded and indexed, under the name of the state and the 23453  
landowner, in the official records in the office of the county 23454  
recorder of the county in which the land lies. The county recorder 23455  
shall impose no charge for the recording or indexing of the lien. 23456  
If the land is registered, the county recorder shall make a 23457  
notation and enter a memorial of the lien upon the page of the 23458  
register in which the last certificate of title to the land is 23459  
registered, stating the name of the claimant, amount claimed, 23460  
volume and page of the record where recorded, and exact time the 23461  
memorial was entered. 23462

(4) The lien shall continue in force so long as any portion 23463  
of the amount of the lien remains unpaid. If the lien remains 23464  
unpaid at the time of conveyance of the land on which the lien was 23465  
placed, the conveyance may be set aside. Upon repayment in full of 23466  
the ~~moneys~~ money expended under this section, the chief promptly 23467  
shall issue a certificate of release of the lien. Upon 23468  
presentation of the certificate of release, the county recorder of 23469  
the county in which the lien is recorded shall record the lien as 23470  
having been discharged. 23471

(5) A lien imposed under this section shall be foreclosed 23472  
upon the substantial failure of a landowner to pay any portion of 23473  
the amount of the lien. Before foreclosing any lien under this 23474  
section, the chief shall make a written demand upon the landowner 23475  
for payment. If the landowner does not pay the amount due within 23476

sixty days, the chief shall refer the matter to the attorney general, who shall institute a civil action to foreclose the lien. 23477  
23478

(H)(1) The chief may fill voids, seal abandoned tunnels, shafts, and entryways, and reclaim surface impacts of underground or strip mines that the chief determines could endanger life and property, constitute a hazard to the public health and safety, or degrade the environment. 23479  
23480  
23481  
23482  
23483

(2) In those instances where mine waste piles are being reworked for conservation purposes, the incremental costs of disposing of the wastes from those operations by filling voids and sealing tunnels may be eligible for funding, provided that the disposal of these wastes meets the purposes of this section. 23484  
23485  
23486  
23487  
23488

(3) The chief may acquire by purchase, donation, easement, or otherwise such interest in land as the chief determines necessary to carry out division (H) of this section. 23489  
23490  
23491

(I) The chief shall report annually to the secretary of the interior on operations under the fund and include recommendations as to its future uses. 23492  
23493  
23494

(J)(1) The chief may engage in any work and do all things necessary or expedient, including the adoption of rules, to implement and administer this section. 23495  
23496  
23497

(2) The chief may engage in cooperative projects under this section with any agency of the United States, any other state, or their governmental agencies or with any state university or college as defined in section 3345.27 of the Revised Code. The cooperative projects are not subject to division (B) of section 127.16 of the Revised Code. 23498

(3) The chief may request the attorney general to initiate in any court of competent jurisdiction an action in equity for an injunction to restrain any interference with the exercise of the right to enter or to conduct any work provided in this section, 23504  
23505  
23506  
23507

which remedy is in addition to any other remedy available under 23508  
this section. 23509

(4) The chief may construct or operate a plant or plants for 23510  
the control and treatment of water pollution resulting from mine 23511  
drainage. The extent of this control and treatment may be 23512  
dependent upon the ultimate use of the water. Division (J)(4) of 23513  
this section does not repeal or supersede any portion of the 23514  
"Federal Water Pollution Control Act," 70 Stat. 498 (1965), 33 23515  
U.S.C.A. 1151, as amended, and no control or treatment under 23516  
division (J)(4) of this section, in any way, shall be less than 23517  
that required by that act. The construction of a plant or plants 23518  
may include major interceptors and other facilities appurtenant to 23519  
the plant. 23520

(5) The chief may transfer money from the abandoned mine 23521  
reclamation fund and the acid mine drainage abatement and 23522  
treatment fund to other appropriate state agencies or to state 23523  
universities or colleges in order to carry out the reclamation 23524  
activities authorized by this section. 23525

(K) The chief may contract for any part of work to be 23526  
performed under this section, with or without advertising for 23527  
bids, if the chief determines that a condition exists that could 23528  
reasonably be expected to cause substantial physical harm to 23529  
persons, property, or the environment and to which persons or 23530  
improvements on real property are currently exposed. 23531

The chief shall require every contractor performing 23532  
reclamation work under this section to pay its workers at the 23533  
greater of their regular rate of pay, as established by contract, 23534  
agreement, or prior custom or practice, or the average wage rate 23535  
paid in this state for the same or similar work as determined by 23536  
the chief under section 1513.02 of the Revised Code. 23537

(L)(1) The chief may contract for the emergency restoration, 23538

reclamation, abatement, control, or prevention of adverse effects 23539  
of mining practices on eligible lands if the chief determines that 23540  
an emergency exists constituting a danger to the public health, 23541  
safety, or welfare and that no other person or agency will act 23542  
expeditiously to restore, reclaim, abate, control, or prevent 23543  
those adverse effects. The chief may enter into a contract for 23544  
emergency work under division (L) of this section without 23545  
advertising for bids. Any such contract or any purchase of 23546  
materials for emergency work under division (L) of this section is 23547  
not subject to division (B) of section 127.16 of the Revised Code. 23548

(2) The chief or the chief's agents, employees, or 23549  
contractors may enter on any land where such an emergency exists, 23550  
and on other land in order to have access to that land, in order 23551  
to restore, reclaim, abate, control, or prevent the adverse 23552  
effects of mining practices and to do all things necessary or 23553  
expedient to protect the public health, safety, or welfare. Such 23554  
an entry shall be construed as an exercise of the police power and 23555  
shall not be construed as an act of condemnation of property or of 23556  
trespass. The ~~moneys~~ money expended for the work and the benefits 23557  
accruing to any premises so entered upon shall be chargeable 23558  
against the land and shall mitigate or offset any claim in or any 23559  
action brought by any owner of any interest in the premises for 23560  
any alleged damages by virtue of the entry. This provision is not 23561  
intended to create new rights of action or eliminate existing 23562  
immunities. 23563

**Sec. 1514.03.** Within thirty days after each anniversary date 23564  
of issuance of a surface or in-stream mining permit, the operator 23565  
shall file with the chief of the division of mineral resources 23566  
management an annual report, on a form prescribed and furnished by 23567  
the chief, that, for the period covered by the report, shall state 23568  
the amount of and identify the types of minerals and coal, if any 23569  
coal, produced and shall state the number of acres affected and 23570

the number of acres estimated to be affected during the next year 23571  
of operation. An annual report is not required to be filed if a 23572  
final report is filed in lieu thereof. 23573

Each annual report for a surface mining operation shall 23574  
include a progress map indicating the location of areas of land 23575  
affected during the period of the report and the location of the 23576  
area of land estimated to be affected during the next year. The 23577  
map shall be prepared in accordance with division (A)(11) or (12) 23578  
of section 1514.02 of the Revised Code, as appropriate, except 23579  
that a map prepared in accordance with division (A)(12) of that 23580  
section may be certified by the operator or authorized agent of 23581  
the operator in lieu of certification by a professional engineer 23582  
or surveyor registered under Chapter 4733. of the Revised Code. 23583  
However, the chief may require that an annual progress map or a 23584  
final map be prepared by a registered professional engineer or 23585  
registered surveyor if the chief has reason to believe that the 23586  
operator exceeded the boundaries of the permit area or, if the 23587  
operator filed the map required under division (A)(11) of section 23588  
1514.02 of the Revised Code, that the operator extracted ten 23589  
thousand tons or more of minerals during the period covered by the 23590  
report. 23591

Each annual report for an in-stream mining operation shall 23592  
include a statement of the total tonnage removed by in-stream 23593  
mining for each month and of the surface acreage and depth of 23594  
material removed by in-stream mining and shall include a map that 23595  
identifies the area affected by the in-stream mining if the 23596  
in-stream mining for the year addressed by the report occurred 23597  
beyond the area identified in the most recent approved map, 23598  
soundings that depict the cross-sectional views of the channel 23599  
bottom of the watercourse if the soundings depict a 23600  
cross-sectional view of the channel bottom that is different from 23601  
the most recent approved map, and water elevations for the 23602

watercourse if water elevations are different from those indicated 23603  
on the most recent approved map. 23604

Each annual report shall be accompanied by a filing fee in 23605  
the amount of five hundred dollars, except in the case of an 23606  
annual report filed by a small operator or an in-stream mining 23607  
operator. A small operator, which is a surface mine operator who 23608  
intends to extract fewer than ten thousand tons of minerals and no 23609  
coal during the next year of operation under the permit, or an 23610  
in-stream mining operator shall include a filing fee in the amount 23611  
of two hundred fifty dollars with each annual report. The annual 23612  
report of any operator also shall be accompanied by an acreage fee 23613  
in the amount of seventy-five dollars multiplied by the number of 23614  
acres estimated in the report to be affected during the next year 23615  
of operation under the permit. The acreage fee shall be adjusted 23616  
by subtracting a credit of seventy-five dollars per excess acre 23617  
paid for the preceding year if the acreage paid for the preceding 23618  
year exceeds the acreage actually affected or by adding an 23619  
additional amount of seventy-five dollars per excess acre affected 23620  
if the acreage actually affected exceeds the acreage paid for the 23621  
preceding year. 23622

With each annual report the operator shall file a performance 23623  
bond in the amount, unless otherwise provided by rule, of five 23624  
hundred dollars multiplied by the number of acres estimated to be 23625  
affected during the next year of operation under the permit for 23626  
which no performance bond previously was filed. Unless otherwise 23627  
provided by rule, the bond shall be adjusted by subtracting a 23628  
credit of five hundred dollars per excess acre for which bond was 23629  
filed for the preceding year if the acreage for which the bond was 23630  
filed for the preceding year exceeds the acreage actually 23631  
affected, or by adding an amount of five hundred dollars per 23632  
excess acre affected if the acreage actually affected exceeds the 23633  
acreage for which bond was filed for the preceding year. 23634

Within thirty days after the expiration of the surface or 23635  
in-stream mining permit, or completion or abandonment of the 23636  
operation, whichever occurs earlier, the operator shall submit a 23637  
final report containing the same information required in an annual 23638  
report, but covering the time from the last annual report to the 23639  
expiration of the permit, or completion or abandonment of the 23640  
operation, whichever occurs earlier. 23641

Each final report shall include a map indicating the location 23642  
of the area of land affected during the period of the report and 23643  
the location of the total area of land affected under the permit. 23644  
The map shall be prepared in accordance with division (A)(11) or 23645  
(12) of section 1514.02 of the Revised Code, as appropriate. 23646

In the case of a final report for an in-stream mining 23647  
operation, the map also shall include the information required 23648  
under division (A)(18) of section 1514.02 of the Revised Code, as 23649  
applicable. 23650

If the final report and certified map, as verified by the 23651  
chief, show that the number of acres affected under the permit is 23652  
larger than the number of acres for which the operator has paid an 23653  
acreage fee or filed a performance bond, upon notification by the 23654  
chief, the operator shall pay an additional acreage fee in the 23655  
amount of seventy-five dollars multiplied by the difference 23656  
between the number of acres affected under the permit and the 23657  
number of acres for which the operator has paid an acreage fee and 23658  
shall file an additional performance bond in the amount, unless 23659  
otherwise provided by rule, of five hundred dollars multiplied by 23660  
the difference between the number of acres affected under the 23661  
permit and the number of acres for which the operator has filed 23662  
bond. 23663

If the final report and certified map, as verified by the 23664  
chief, show that the number of acres affected under the permit is 23665  
smaller than the number of acres for which the operator has filed 23666

a performance bond, the chief shall order release of the excess 23667  
bond. However, the chief shall retain a performance bond in a 23668  
minimum amount of ten thousand dollars irrespective of the number 23669  
of acres affected under the permit. The release of the excess bond 23670  
shall be in an amount, unless otherwise provided by rule, equal to 23671  
five hundred dollars multiplied by the difference between the 23672  
number of acres affected under the permit and the number of acres 23673  
for which the operator has filed bond. 23674

The fees collected pursuant to this section and section 23675  
1514.02 of the Revised Code shall be deposited with the treasurer 23676  
of state to the credit of the ~~surface~~ mining regulation and safety 23677  
fund created under section ~~1514.06~~ 1513.30 of the Revised Code. 23678

If upon inspection the chief finds that any filing fee, 23679  
acreage fee, performance bond, or part thereof is not paid when 23680  
due or is paid on the basis of false or substantially inaccurate 23681  
reports, the chief may request the attorney general to recover the 23682  
unpaid amounts that are due the state, and the attorney general 23683  
shall commence appropriate legal proceedings to recover the unpaid 23684  
amounts. 23685

**Sec. 1514.051.** (A) If an operator or a partner or officer of 23686  
the operator forfeits a performance bond, the division of mineral 23687  
resources management shall have a priority lien in front of all 23688  
other interested creditors against the assets of that operator for 23689  
the amount that is needed to perform any reclamation that is 23690  
required as a result of the operator's mining activities. The 23691  
chief of the division of mineral resources management shall file a 23692  
statement in the office of the county recorder of each county in 23693  
which the mined land lies of the estimated costs to reclaim the 23694  
land. Estimated costs shall include direct and indirect costs of 23695  
the development, design, construction, management, and 23696  
administration of the reclamation. The statement shall constitute 23697

a lien on the assets of the operator as of the date of the filing. 23698  
The lien shall continue in force so long as any portion of the 23699  
lien remains unpaid or until the chief issues a certificate of 23700  
release of the lien. If the chief issues a certificate of release 23701  
of the lien, the chief shall file a certificate of release in the 23702  
office of each applicable county recorder. 23703

(B) The chief promptly shall issue a certificate of release 23704  
under any of the following circumstances: 23705

(1) Upon the repayment in full of the money that is necessary 23706  
to complete the reclamation; 23707

(2) Upon the transfer of an existing permit that includes the 23708  
areas of the surface mine for which reclamation was not completed 23709  
from the operator that forfeited the performance bond to a new 23710  
operator; 23711

(3) Any other circumstance that the chief determines to be in 23712  
the best interests of the state. 23713

(C) The chief may modify the amount of a lien under this 23714  
section. If the chief modifies a lien, the chief shall file a 23715  
statement in the office of the county recorder of each applicable 23716  
county of the new amount of the lien. 23717

(D) The chief may authorize a closing agent to hold a 23718  
certificate of release in escrow for a period not to exceed one 23719  
hundred eighty days for the purpose of facilitating the transfer 23720  
of unreclaimed mine land. 23721

(E) All money from the collection of liens under this section 23722  
shall be deposited in the state treasury to the credit of the 23723  
~~surface mining regulation and safety~~ fund created in section 23724  
~~1514.06~~ 1513.30 of the Revised Code. 23725

**Sec. 1514.06.** (A) ~~There is hereby created in the state~~ 23726

~~treasury the surface mining fund consisting of all~~ All money that 23727  
becomes the property of the state pursuant to sections 1514.05 and 23728  
1514.051 of the Revised Code, money ~~credited to the fund~~ collected 23729  
under divisions (C)(1) and (2) of section 1514.071, and other 23730  
money specified in section 1514.11 of the Revised Code shall be 23731  
credited to the mining regulation and safety fund created in 23732  
section 1513.30 of the Revised Code. ~~All investment earnings of~~ 23733  
~~the fund shall be credited to the fund. Expenditures from the fund~~ 23734  
~~shall be made by the~~ The chief of the division of mineral 23735  
resources management may expend such money for the purpose of 23736  
reclaiming areas of land affected by surface or in-stream mining 23737  
under a permit issued under this chapter that the operator has 23738  
failed to reclaim. ~~Provided that the chief maintains a balance in~~ 23739  
~~the fund that is sufficient to achieve that purpose and, in doing~~ 23740  
~~so, considers the timeliness of reclamation activity, the chief~~ 23741  
~~may use the fund for other purposes specified in section 1514.11~~ 23742  
~~of the Revised Code.~~ 23743

(B) Expenditures of ~~moneys~~ money from the fund for the 23744  
purposes specified in division (A) of this section, except as 23745  
otherwise provided by this section, shall be made pursuant to 23746  
contracts entered into by the chief with persons who agree to 23747  
furnish all of the materials, equipment, work, and labor, as 23748  
specified and provided in the contracts, for the prices stipulated 23749  
therein. With the approval of the director of natural resources, 23750  
the chief may reclaim the land in the same manner as the chief 23751  
required of the operator who failed to reclaim the land. Each 23752  
contract awarded by the chief shall be awarded to the lowest 23753  
responsive and responsible bidder, in accordance with section 23754  
9.312 of the Revised Code, after sealed bids are received, opened, 23755  
and published at the time and place fixed by the chief. The chief 23756  
shall publish notice of the time and place at which bids will be 23757  
received, opened, and published, at least once at least ten days 23758  
before the date of the opening of the bids, in a newspaper of 23759

general circulation in the county in which the area of land to be 23760  
reclaimed under the contract is located. If, after so advertising 23761  
for bids, no bids are received by the chief at the time and place 23762  
fixed for receiving them, the chief may advertise again for bids, 23763  
or, if the chief considers the public interest will be best 23764  
served, the chief may enter into a contract for the reclamation of 23765  
the area of land without further advertisement for bids. The chief 23766  
may reject any or all bids received and again publish notice of 23767  
the time and place at which bids for contracts will be received, 23768  
opened, and published. 23769

(C) With the approval of the director, the chief, without 23770  
advertising for bids, may enter into a contract with the 23771  
landowner, a surface or in-stream mine operator or coal mine 23772  
operator mining under a current, valid permit issued under this 23773  
chapter or Chapter 1513. of the Revised Code, or a contractor 23774  
hired by a surety to complete reclamation, to carry out 23775  
reclamation on land affected by surface or in-stream mining 23776  
operations that an operator has failed to reclaim. 23777

(D) With the approval of the director, the chief may carry 23778  
out all or part of the reclamation work on land affected by 23779  
surface or in-stream mining operations that the operator has 23780  
failed to reclaim using the employees and equipment of any 23781  
division of the department of natural resources. 23782

(E) The chief shall require every contractor performing 23783  
reclamation work under this section to pay workers at the greater 23784  
of their regular rate of pay, as established by contract, 23785  
agreement, or prior custom or practice, or the average wage rate 23786  
paid in this state for the same or similar work, as determined by 23787  
the chief under section 1513.02 of the Revised Code. 23788

(F) Each contract entered into by the chief under this 23789  
section shall provide only for the reclamation of land affected by 23790  
the surface or in-stream mining operation or operations of one 23791

operator and not reclaimed by the operator as required by this 23792  
chapter. If there is money in the fund derived from the 23793  
performance bond deposited with the chief by one operator to 23794  
ensure the reclamation of two or more areas of land affected by 23795  
the surface or in-stream mining operation or operations of one 23796  
operator and not reclaimed by the operator as required by this 23797  
chapter, the chief may award a single contract for the reclamation 23798  
of all such areas of land. 23799

(G) The cost of the reclamation work done under this section 23800  
on each area of land affected by surface or in-stream mining 23801  
operations that an operator has failed to reclaim shall be paid 23802  
out of the money in the fund derived from the performance bond 23803  
that was deposited with the chief to ensure the reclamation of 23804  
that area of land. ~~If the amount of money is not sufficient to pay~~ 23805  
~~the cost of doing all of the reclamation work on the area of land~~ 23806  
~~that the operator should have done, but failed to do, the chief~~ 23807  
~~may expend from the reclamation forfeiture fund created in section~~ 23808  
~~1513.18 of the Revised Code or the surface mining fund created in~~ 23809  
~~this section the amount of money needed to complete reclamation to~~ 23810  
~~the standards required by this chapter. The operator is liable for~~ 23811  
that expense in addition to any other liabilities imposed by law. 23812  
At the request of the chief, the attorney general shall bring an 23813  
action against the operator for the amount of the expenditures 23814  
from ~~either~~ the mining regulation and safety fund. ~~Moneys~~ Money so 23815  
recovered shall be deposited in the state treasury to the credit 23816  
of ~~the~~ that fund ~~from which the expenditures were made.~~ 23817

~~(H) If any part of the money in the surface mining fund~~ 23818  
~~remains in the fund after the chief has caused the area of land to~~ 23819  
~~be reclaimed and has paid all the reclamation costs and expenses,~~ 23820  
~~or if any money remains because the area of land has been~~ 23821  
~~repermitted under this chapter or reclaimed by a person other than~~ 23822  
~~the chief, the chief may expend the remaining money to complete~~ 23823

~~other reclamation work performed under this section. The chief 23824  
shall prepare an annual report that summarizes the money credited 23825  
to the fund and expenditures made from the fund and post the 23826  
report on the division of mineral resources management's web site. 23827~~

**Sec. 1514.071.** (A) In addition to any other penalties 23828  
established under this chapter, the chief of the division of 23829  
mineral resources management may assess a civil penalty against 23830  
any person who fails to comply with an order issued by the chief 23831  
under section 1514.07 of the Revised Code by the date specified in 23832  
the order or as subsequently extended by the chief. 23833

(B) Civil penalties assessed under this section shall not 23834  
exceed one thousand dollars for each occurrence of noncompliance 23835  
with an order. Each day of continuing noncompliance, up to a 23836  
maximum of thirty days, may be deemed a separate occurrence for 23837  
purposes of penalty assessments. In determining the amount of the 23838  
assessment, the chief shall consider the seriousness of the 23839  
noncompliance, the effect of the noncompliance, and the operator's 23840  
history of noncompliance. 23841

(C) Upon issuance of a notice of noncompliance with an order, 23842  
the chief shall inform the person to whom the notice of 23843  
noncompliance is issued of the amount of any civil penalty to be 23844  
assessed and provide an opportunity for an adjudicatory hearing 23845  
with the reclamation commission pursuant to section 1514.09 of the 23846  
Revised Code. The person charged with the penalty shall have 23847  
thirty days from receipt of the assessment to pay the penalty in 23848  
full or, if the person wishes to contest the amount of the 23849  
penalty, file a petition for review of the assessment with the 23850  
commission pursuant to section 1514.09 of the Revised Code and 23851  
forward the amount of the penalty to the secretary of the 23852  
commission as required by this division. Failure to forward the 23853  
money to the secretary within thirty days after the chief informs 23854

the person of the amount of the penalty shall result in a waiver 23855  
of all legal rights to contest the amount of the penalty. 23856

If, after a hearing, the commission affirms or modifies the 23857  
amount of the penalty, the person charged with the penalty shall 23858  
have thirty days after receipt of the written decision to file an 23859  
appeal from the commission's order in accordance with section 23860  
1514.09 of the Revised Code. 23861

At the time that the petition for review of the assessment is 23862  
filed with the secretary, the person shall forward the amount of 23863  
the penalty to the secretary for placement in the reclamation 23864  
penalty fund created in division (F)(3) of section 1513.02 of the 23865  
Revised Code. Pursuant to administrative or judicial review of the 23866  
penalty, the secretary shall do either of the following: 23867

(1) If it is determined that the amount of the penalty should 23868  
be reduced, within thirty days, remit the appropriate amount of 23869  
the penalty to the person, with interest, and forward any balance 23870  
of the penalty, with interest, to the chief for deposit in the 23871  
~~surface~~ mining regulation and safety fund created in section 23872  
~~1514.06~~ 1513.30 of the Revised Code for reclamation of abandoned 23873

created under ~~that~~ section 1513.30 of the Revised Code for the 23886  
administration and enforcement of this chapter, for the 23887  
reclamation of land affected by surface or in-stream mining under 23888  
a permit issued under this chapter that the operator failed to 23889  
reclaim and for which the performance bond filed by the operator 23890  
is insufficient to complete the reclamation, and for the 23891  
reclamation of land affected by surface or in-stream mining that 23892  
was abandoned and left unreclaimed and for which no permit was 23893  
issued or bond filed under this chapter. Also, the chief may use 23894

section, the chief shall expend ~~moneys~~ money in the fund in 23899

with those sections. Notwithstanding any section of the Revised 23909  
Code relating to the distribution or crediting of fines for 23910  
violations of the Revised Code, all fines imposed under section 23911  
1514.99 of the Revised Code shall be credited to the fund. 23912

**Sec. 1514.46.** If the operator of a surface mining operation 23913  
requests the division of mineral resources management to conduct 23914  
mine safety training, the chief of the division of mineral 23915  
resources management shall conduct mine safety training for the 23916

employees of that operator. For persons who are not employed by a 23917  
holder of a surface mining permit issued under this chapter and 23918  
who seek the training, the chief may charge a fee in an amount 23919  
established in rules for conducting it. The safety training shall 23920  
be conducted in accordance with rules and shall emphasize the 23921  
standards adopted in rules and include any other content that the 23922

**Sec. 1521.06.** (A) No dam may be constructed for the purpose 23927  
of storing, conserving, or retarding water, or for any other 23928  
purpose, nor shall any levee be constructed for the purpose of 23929  
diverting or retaining flood water, unless the person or 23930  
governmental agency desiring the construction has a construction 23931  
permit for the dam or levee issued by the chief of the division of 23932  
water resources. 23933

A construction permit is not required under this section for: 23934

(1) A dam that is or will be less than ten feet in height and 23935  
that has or will have a storage capacity of not more than fifty 23936  
acre-feet at the elevation of the top of the dam, as determined by 23937  
the chief. For the purposes of this section, the height of a dam 23938  
shall be measured from the natural stream bed or lowest ground 23939  
elevation at the downstream or outside limit of the dam to the 23940  
elevation of the top of the dam. 23941

(2) A dam, regardless of height, that has or will have a 23942  
storage capacity of not more than fifteen acre-feet at the 23943  
elevation of the top of the dam, as determined by the chief; 23944

(3) A dam, regardless of storage capacity, that is or will be 23945  
six feet or less in height, as determined by the chief; 23946

(4) A dam or levee that belongs to a class exempted by the chief;	23947 23948
(5) The repair, maintenance, improvement, alteration, or removal of a dam or levee that is subject to section 1521.062 of the Revised Code, unless the construction constitutes an enlargement or reconstruction of the structure as determined by the chief;	23949 23950 23951 23952 23953
(6) A dam or impoundment constructed under Chapter 1513. of the Revised Code.	23954 23955
(B) Before a construction permit may be issued, three copies of the plans and specifications, including a detailed cost estimate, for the proposed construction, prepared by a registered professional engineer, together with <del>the</del> <u>any</u> filing fee specified by <u>rules adopted by the chief in accordance with division (I) of this section</u> and the bond or other security required by section 1521.061 of the Revised Code, shall be filed with the chief. The detailed estimate of the cost shall include all costs associated with the construction of the dam or levee, including supervision and inspection of the construction by a registered professional engineer. <del>The filing fee shall be based on the detailed cost estimate for the proposed construction as filed with and approved by the chief, and shall be determined by the following schedule unless otherwise provided by rules adopted under this section:</del>	23956 23957 23958 23959 23960 23961 23962 23963 23964 23965 23966 23967 23968 23969
<del>(1) For the first one hundred thousand dollars of estimated cost, a fee of four per cent;</del>	23970 23971

~~In no case shall the filing fee be less than one thousand  
dollars or more than one hundred thousand dollars. If the actual  
cost exceeds the estimated cost by more than fifteen per cent, an  
additional filing fee shall be required equal to the fee  
determined by the preceding schedule less the original filing fee.~~  
All fees collected pursuant to this section, and all fines  
collected pursuant to section 1521.99 of the Revised Code, shall  
be deposited in the state treasury to the credit of the dam safety  
fund, which is hereby created. Expenditures from the fund shall be  
made by the chief for the purpose of administering this section  
and sections 1521.061 and 1521.062 of the Revised Code.

(C) The chief shall, within thirty days from the date of the  
receipt of the application, fee, and bond or other security, issue  
or deny a construction permit for the construction or may issue a  
construction permit conditioned upon the making of such changes in  
the plans and specifications for the construction as the chief  
considers advisable if the chief determines that the construction  
of the proposed dam or levee, in accordance with the plans and  
specifications filed, would endanger life, health, or property.

(D) The chief may deny a construction permit after finding  
that a dam or levee built in accordance with the plans and  
specifications would endanger life, health, or property, because  
of improper or inadequate design, or for such other reasons as the  
chief may determine.

In the event the chief denies a permit for the construction  
of the dam or levee, or issues a permit conditioned upon a making  
of changes in the plans or specifications for the construction,  
the chief shall state the reasons therefor and so notify, in  
writing, the person or governmental agency making the application  
for a permit. If the permit is denied, the chief shall return the  
bond or other security to the person or governmental agency making  
application for the permit.

The decision of the chief conditioning or denying a construction permit is subject to appeal as provided in Chapter 119. of the Revised Code. A dam or levee built substantially at variance from the plans and specifications upon which a construction permit was issued is in violation of this section. The chief may at any time inspect any dam or levee, or site upon which any dam or levee is to be constructed, in order to determine whether it complies with this section.

(E) A registered professional engineer shall inspect the construction for which the permit was issued during all phases of construction and shall furnish to the chief such regular reports of the engineer's inspections as the chief may require. When the chief finds that construction has been fully completed in accordance with the terms of the permit and the plans and specifications approved by the chief, the chief shall approve the construction. When one year has elapsed after approval of the completed construction, and the chief finds that within this period no fact has become apparent to indicate that the construction was not performed in accordance with the terms of the permit and the plans and specifications approved by the chief, or that the construction as performed would endanger life, health, or property, the chief shall release the bond or other security. No bond or other security shall be released until one year after final approval by the chief, unless the dam or levee has been modified so that it will not retain water and has been approved as nonhazardous after determination by the chief that the dam or levee as modified will not endanger life, health, or property.

(F) When inspections required by this section are not being performed, the chief shall notify the person or governmental agency to which the permit has been issued that inspections are not being performed by the registered professional engineer and that the chief will inspect the remainder of the construction.

Thereafter, the chief shall inspect the construction and the cost 24042  
of inspection shall be charged against the owner. Failure of the 24043  
registered professional engineer to submit required inspection 24044  
reports shall be deemed notice that the engineer's inspections are 24045  
not being performed. 24046

(G) The chief may order construction to cease on any dam or 24047  
levee that is being built in violation of this section, and may 24048  
prohibit the retention of water behind any dam or levee that has 24049  
been built in violation of this section. The attorney general, 24050  
upon written request of the chief, may bring an action for an 24051  
injunction against any person who violates this section or to 24052  
enforce an order or prohibition of the chief made pursuant to this 24053  
section. 24054

(H) The chief may adopt rules in accordance with Chapter 119. 24055  
of the Revised Code, for the design and construction of dams and 24056  
levees for which a construction permit is required by this section 24057  
or for which periodic inspection is required by section 1521.062 24058  
of the Revised Code, ~~for establishing a filing fee schedule in~~ 24059  
~~lieu of the schedule established under division (B) of this~~ 24060  
~~section,~~ for deposit and forfeiture of bonds and other securities 24061  
required by section 1521.061 of the Revised Code, for the periodic 24062  
inspection, operation, repair, improvement, alteration, or removal 24063  
of all dams and levees, as specified in section 1521.062 of the 24064  
Revised Code, and for establishing classes of dams or levees that 24065  
are exempt from the requirements of this section and section 24066  
1521.062 of the Revised Code as being of a size, purpose, or 24067  
situation that does not present a substantial hazard to life, 24068  
health, or property. The chief may, by rule, limit the period 24069  
during which a construction permit issued under this section is 24070  
valid. The rules may allow for the extension of the period during 24071  
which a permit is valid upon written request, provided that the 24072  
written request includes a revised construction cost estimate, and 24073

may require the payment of an additional filing fee for the 24074  
requested extension. If a construction permit expires without an 24075  
extension before construction is completed, the person or agency 24076  
shall apply for a new permit, and shall not continue construction 24077  
until the new permit is issued. 24078

(I) The chief shall adopt rules in accordance with Chapter 24079  
119. of the Revised Code establishing a filing fee schedule for 24080  
purposes of division (B) of this section. 24081

**Sec. 1521.063.** (A) Except for the federal government, the 24082

Revised Code and subject to section 1521.062 of the Revised Code 24085

Any owner who fails to pay any annual fee required by this section within sixty days after the due date shall be assessed a penalty of ten per cent of the annual fee plus interest at the rate of one-half per cent per month from the due date until the date of payment.

There is hereby created the compliant dam discount program to be administered by the chief of the division of water resources. Under the program, the chief may reduce the amount of the annual fee that an owner of a dam is required to pay in accordance with rules adopted by the chief under division ~~(A)(1), (2), or (3)~~ (B) of this section if the owner is in compliance with section 1521.062 of the Revised Code and has developed an emergency action plan pursuant to standards established in rules adopted under this section. custodian under the Ohio transfers to minors act, a member in 25341  
trust for a beneficiary, a fiduciary or custodian in trust for a 25342  
member beneficiary, or a fiduciary or custodian in trust upon the 25343  
death of a member. Redemption of such shares or payment of such 25344  
share accounts to a member, to the extent of the payment, 25345  
discharges the liability of the credit union to the member and the 25346

beneficiary, and the credit union shall be under no obligation to see to the application of the payment. Unless prior to the death of a member, the member has notified the credit union in writing in a form approved by the credit union of a different beneficiary to receive the proceeds of such shares or share accounts, then the proceeds shall be paid to the beneficiary or to the beneficiary's parent or legal representative. (I)(1) Except as otherwise provided in the articles or regulations, and subject to the provisions thereof, a minor may purchase shares, share accounts, or other depository instruments, and except for qualification as a voting member, the credit union may deal with the minor with respect to shares, share accounts, or other depository instruments owned by the minor as if the minor were a person of legal age.

(2) If shares, share accounts, or other depository instruments are issued in the name of a minor, redemption of any part or all of the shares or withdrawal of funds by payment to the minor of the shares or funds and any declared dividends or interest releases the credit union from all obligation to the minor as to the shares reduced or funds withdrawn.

2151.414 of the Revised Code that the child cannot be placed with 26439  
one of the child's parents within a reasonable time or should not 26440

permanent commitment is in the best interest of the child. If the 26443  
court grants permanent custody under this division, the court, 26444  
upon the request of any party, shall file a written opinion 26445  
setting forth its findings of fact and conclusions of law in 26446  
relation to the proceeding. 26447

(5) Place the child in a planned permanent living arrangement 26448

with a public children services agency or private child placing agency, if a public children services agency or private child placing agency requests the court to place the child in a planned permanent living arrangement and if the court finds, by clear and convincing evidence, that a planned permanent living arrangement is in the best interest of the child, that the child is sixteen years of age or older, and that one of the following exists:

(a) The child, because of physical, mental, or psychological problems or needs, is unable to function in a family-like setting and must remain in residential or institutional care now and for the foreseeable future beyond the date of the dispositional hearing held pursuant to section 2151.35 of the Revised Code.

(b) The parents of the child have significant physical, mental, or psychological problems and are unable to care for the child because of those problems, adoption is not in the best interest of the child, as determined in accordance with division (D)(1) of section 2151.414 of the Revised Code, and the child retains a significant and positive relationship with a parent or relative.

(c) The child has been counseled on the permanent placement options available to the child, and is unwilling to accept or unable to adapt to a permanent placement.

(6) Order the removal from the child's home until further order of the court of the person who committed abuse as described in section 2151.031 of the Revised Code against the child, who caused or allowed the child to suffer neglect as described in section 2151.03 of the Revised Code, or who is the parent, guardian, or custodian of a child who is adjudicated a dependent child and order any person not to have contact with the child or the child's siblings.

(B)(1) When making a determination on whether to place a

child in a planned permanent living arrangement pursuant to 26480  
division (A)(5)(b) or (c) of this section, the court shall 26481  
consider all relevant information that has been presented to the 26482  
court, including information gathered from the child, the child's 26483  
guardian ad litem, and the public children services agency or 26484  
private child placing agency. 26485

(2) A child who is placed in a planned permanent living 26486  
arrangement pursuant to division (A)(5)(b) or (c) of this section 26487  
shall be placed in an independent living setting or in a family 26488  
setting in which the caregiver has been provided by the agency 26489  
that has custody of the child with a notice that addresses the 26490  
following: 26491

(a) The caregiver understands that the planned permanent 26492  
living arrangement is intended to be permanent in nature and that 26493  
the caregiver will provide a stable placement for the child 26494  
through the child's emancipation or until the court releases the 26495  
child from the custody of the agency, whichever occurs first. 26496

(b) The caregiver is expected to actively participate in the 26497  
youth's independent living case plan, attend agency team meetings 26498  
and court hearings as appropriate, complete training, as provided 26499  
in division (B) of section 5103.035 of the Revised Code, related 26500  
to providing the child independent living services, and assist in 26501  
the child's transition into adulthood. 26502

(3) The department of job and family services shall develop a 26503  
model notice to be provided by an agency that has custody of a 26504  
child to a caregiver under division (B)(2) of this section. The 26505  
agency may modify the model notice to apply to the needs of the 26506  
agency. 26507

(C) No order for permanent custody or temporary custody of a 26508  
child or the placement of a child in a planned permanent living 26509  
arrangement shall be made pursuant to this section unless the 26510

complaint alleging the abuse, neglect, or dependency contains a 26511  
prayer requesting permanent custody, temporary custody, or the 26512  
placement of the child in a planned permanent living arrangement 26513  
as desired, the summons served on the parents of the child 26514  
contains as is appropriate a full explanation that the granting of 26515  
an order for permanent custody permanently divests them of their 26516  
parental rights, a full explanation that an adjudication that the 26517  
child is an abused, neglected, or dependent child may result in an 26518  
order of temporary custody that will cause the removal of the 26519  
child from their legal custody until the court terminates the 26520  
order of temporary custody or permanently divests the parents of 26521  
their parental rights, or a full explanation that the granting of 26522  
an order for a planned permanent living arrangement will result in 26523  
the removal of the child from their legal custody if any of the 26524  
conditions listed in divisions (A)(5)(a) to (c) of this section 26525  
are found to exist, and the summons served on the parents contains 26526  
a full explanation of their right to be represented by counsel and 26527  
to have counsel appointed pursuant to Chapter 120. of the Revised 26528  
Code if they are indigent. 26529

If after making disposition as authorized by division (A)(2) 26530  
of this section, a motion is filed that requests permanent custody 26531  
of the child, the court may grant permanent custody of the child 26532  
to the movant in accordance with section 2151.414 of the Revised 26533  
Code. 26534

(D) If the court issues an order for protective supervision 26535  
pursuant to division (A)(1) of this section, the court may place 26536  
any reasonable restrictions upon the child, the child's parents, 26537  
guardian, or custodian, or any other person, including, but not 26538  
limited to, any of the following: 26539

(1) Order a party, within forty-eight hours after the 26540  
issuance of the order, to vacate the child's home indefinitely or 26541  
for a specified period of time; 26542

(2) Order a party, a parent of the child, or a physical 26543  
custodian of the child to prevent any particular person from 26544  
having contact with the child; 26545

(3) Issue an order restraining or otherwise controlling the 26546  
conduct of any person which conduct would not be in the best 26547  
interest of the child. 26548

(E) As part of its dispositional order, the court shall 26549  
journalize a case plan for the child. The journalized case plan 26550  
shall not be changed except as provided in section 2151.412 of the 26551  
Revised Code. 26552

(F)(1) The court shall retain jurisdiction over any child for 26553  
whom the court issues an order of disposition pursuant to division 26554  
(A) of this section or pursuant to section 2151.414 or 2151.415 of 26555  
the Revised Code until the child attains the age of eighteen years 26556  
if the child is not mentally retarded, developmentally disabled, 26557  
or physically impaired, the child attains the age of twenty-one 26558  
years if the child is mentally retarded, developmentally disabled, 26559  
or physically impaired, or the child is adopted and a final decree 26560  
of adoption is issued, except that the court may retain 26561  
jurisdiction over the child and continue any order of disposition 26562  
under division (A) of this section or under section 2151.414 or 26563  
2151.415 of the Revised Code for a specified period of time to 26564  
enable the child to graduate from high school or vocational 26565  
school. The court shall retain jurisdiction over a person who 26566  
meets the requirements described in division (A)(1) of section 26567  
5101.1411 of the Revised Code and who is subject to a voluntary 26568  
participation agreement that is in effect. The court shall make an 26569  
entry continuing its jurisdiction under this division in the 26570  
journal. 26571

(2) Any public children services agency, any private child 26572  
placing agency, the department of job and family services, or any 26573  
party, other than any parent whose parental rights with respect to 26574

the child have been terminated pursuant to an order issued under 26575  
division (A)(4) of this section, by filing a motion with the 26576  
court, may at any time request the court to modify or terminate 26577  
any order of disposition issued pursuant to division (A) of this 26578  
section or section 2151.414 or 2151.415 of the Revised Code. The 26579  
court shall hold a hearing upon the motion as if the hearing were 26580  
the original dispositional hearing and shall give all parties to 26581  
the action and the guardian ad litem notice of the hearing 26582  
pursuant to the Juvenile Rules. If applicable, the court shall 26583  
comply with section 2151.42 of the Revised Code. 26584

(G) Any temporary custody order issued pursuant to division 26585  
(A) of this section shall terminate one year after the earlier of 26586  
the date on which the complaint in the case was filed or the child 26587  
was first placed into shelter care, except that, upon the filing 26588  
of a motion pursuant to section 2151.415 of the Revised Code, the 26589  
temporary custody order shall continue and not terminate until the 26590  
court issues a dispositional order under that section. In 26591  
resolving the motion, the court shall not order an existing 26592  
temporary custody order to continue beyond two years after the 26593  
date on which the complaint was filed or the child was first 26594  
placed into shelter care, whichever date is earlier, regardless of 26595  
whether any extensions have been previously ordered pursuant to 26596  
division (D) of section 2151.415 of the Revised Code. 26597

(H)(1) No later than one year after the earlier of the date 26598  
the complaint in the case was filed or the child was first placed 26599  
in shelter care, a party may ask the court to extend an order for 26600  
protective supervision for six months or to terminate the order. A 26601  
party requesting extension or termination of the order shall file 26602  
a written request for the extension or termination with the court 26603  
and give notice of the proposed extension or termination in 26604  
writing before the end of the day after the day of filing it to 26605  
all parties and the child's guardian ad litem. If a public 26606

children services agency or private child placing agency requests 26607  
termination of the order, the agency shall file a written status 26608  
report setting out the facts supporting termination of the order 26609  
at the time it files the request with the court. If no party 26610  
requests extension or termination of the order, the court shall 26611  
notify the parties that the court will extend the order for six 26612  
months or terminate it and that it may do so without a hearing 26613  
unless one of the parties requests a hearing. All parties and the 26614  
guardian ad litem shall have seven days from the date a notice is 26615  
sent pursuant to this division to object to and request a hearing 26616  
on the proposed extension or termination. 26617

(a) If it receives a timely request for a hearing, the court 26618  
shall schedule a hearing to be held no later than thirty days 26619  
after the request is received by the court. The court shall give 26620  
notice of the date, time, and location of the hearing to all 26621  
parties and the guardian ad litem. At the hearing, the court shall 26622  
determine whether extension or termination of the order is in the 26623  
child's best interest. If termination is in the child's best 26624  
interest, the court shall terminate the order. If extension is in 26625  
the child's best interest, the court shall extend the order for 26626  
six months. 26627

(b) If it does not receive a timely request for a hearing, 26628  
the court may extend the order for six months or terminate it 26629  
without a hearing and shall journalize the order of extension or 26630  
termination not later than fourteen days after receiving the 26631  
request for extension or termination or after the date the court 26632  
notifies the parties that it will extend or terminate the order. 26633  
If the court does not extend or terminate the order, it shall 26634  
schedule a hearing to be held no later than thirty days after the 26635  
expiration of the applicable fourteen-day time period and give 26636  
notice of the date, time, and location of the hearing to all 26637  
parties and the child's guardian ad litem. At the hearing, the 26638

court shall determine whether extension or termination of the order is in the child's best interest. If termination is in the child's best interest, the court shall terminate the order. If extension is in the child's best interest, the court shall issue an order extending the order for protective supervision six months.

(2) If the court grants an extension of the order for protective supervision pursuant to division (H)(1) of this section, a party may, prior to termination of the extension, file with the court a request for an additional extension of six months or for termination of the order. The court and the parties shall comply with division (H)(1) of this section with respect to extending or terminating the order.

(3) If a court grants an extension pursuant to division (H)(2) of this section, the court shall terminate the order for protective supervision at the end of the extension.

(I) The court shall not issue a dispositional order pursuant to division (A) of this section that removes a child from the child's home unless the court complies with section 2151.419 of the Revised Code and includes in the dispositional order the findings of fact required by that section.

(J) If a motion or application for an order described in division (A)(6) of this section is made, the court shall not issue the order unless, prior to the issuance of the order, it provides to the person all of the following:

(K) The jurisdiction of the court shall terminate one year 26670  
after the date of the award or, if the court takes any further 26671  
action in the matter subsequent to the award, the date of the 26672  
latest further action subsequent to the award, if the court awards 26673  
legal custody of a child to either of the following: 26674

(1) A legal custodian who, at the time of the award of legal 26675

the date of the award or, if the court takes any further action in 26681  
the matter subsequent to the award, one year after the date of the 26682  
latest further action subsequent to the award. 26683

The court in the county in which the legal custodian resides 26684  
then shall have jurisdiction in the matter. 26685

**Sec. 2151.417.** (A) Any court that issues a dispositional 26686  
order pursuant to section 2151.353, 2151.414, or 2151.415 of the 26687  
Revised Code may review at any time the child's placement or 26688  
custody arrangement, the caseplan prepared for the child pursuant 26689  
to section 2151.412 of the Revised Code, the actions of the public 26690  
children services agency or private child placing agency in 26691  
implementing that case plan, the child's permanency plan if the 26692  
child's permanency plan has been approved, and any other aspects 26693  
of the child's placement or custody arrangement. In conducting the 26694  
review, the court shall determine the appropriateness of any 26695  
agency actions, the safety and appropriateness of continuing the 26696  
child's placement or custody arrangement, and whether any changes 26697  
should be made with respect to the child's permanency plan or 26698  
placement or custody arrangement or with respect to the actions of 26699

the agency under the child's placement or custody arrangement. 26700  
Based upon the evidence presented at a hearing held after notice 26701  
to all parties and the guardian ad litem of the child, the court 26702  
may require the agency, the parents, guardian, or custodian of the 26703  
child, and the physical custodians of the child to take any 26704  
reasonable action that the court determines is necessary and in 26705  
the best interest of the child or to discontinue any action that 26706  
it determines is not in the best interest of the child. 26707

(B) If a court issues a dispositional order pursuant to 26708  
section 2151.353, 2151.414, or 2151.415 of the Revised Code, the 26709  
court has continuing jurisdiction over the child as set forth in 26710  
division (F)(1) of section 2151.353 of the Revised Code. The court 26711  
may amend a dispositional order in accordance with division (F)(2) 26712  
of section 2151.353 of the Revised Code at any time upon its own 26713  
motion or upon the motion of any interested party. The court shall 26714  
comply with section 2151.42 of the Revised Code in amending any 26715  
dispositional order pursuant to this division. 26716

(C)(1) Any court that issues a dispositional order pursuant 26717  
to section 2151.353, 2151.414, or 2151.415 of the Revised Code 26718  
shall hold a review hearing one year after the earlier of the date 26719  
on which the complaint in the case was filed or the child was 26720  
first placed into shelter care to review the case plan prepared 26721  
pursuant to section 2151.412 of the Revised Code and the child's 26722  
placement or custody arrangement, to approve or review the 26723  
permanency plan for the child, and to make changes to the case 26724  
plan and placement or custody arrangement consistent with the 26725  
permanency plan. The court shall schedule the review hearing at 26726  
the time that it holds the dispositional hearing pursuant to 26727  
section 2151.35 of the Revised Code. 26728

(2) The court shall hold a similar review hearing no later 26729  
than every twelve months after the initial review hearing until 26730  
the child is adopted, returned to the parents, or the court 26731

otherwise terminates the child's placement or custody arrangement, 26732  
except that the dispositional hearing held pursuant to section 26733  
2151.415 of the Revised Code shall take the place of the first 26734  
review hearing to be held under this section. The court shall 26735  
schedule each subsequent review hearing at the conclusion of the 26736  
review hearing immediately preceding the review hearing to be 26737  
scheduled. 26738

(3) The court is not required to continue holding review 26739  
hearings under divisions (C)(1) and (2) of this section regarding 26740  
a child subject to an order of legal custody under section 26741  
2151.353 or 2151.415 of the Revised Code, if all of the following 26742  
apply: 26743

(a) The child is not subject to an order of protective 26744  
supervision under section 2151.353 or 2151.415 of the Revised 26745  
Code. 26746

(b) A public children services agency or private child 26747  
placing agency is not providing services to the child. 26748

(c) The court finds that further review under divisions 26749  
(C)(1) and (2) of this section are no longer necessary to serve 26750  
the child's best interests. 26751

(D) If, within fourteen days after a written summary of an 26752  
administrative review is filed with the court pursuant to section 26753  
2151.416 of the Revised Code, the court does not approve the 26754  
proposed change to the case plan filed pursuant to division (E) of 26755  
section 2151.416 of the Revised Code or a party or the guardian ad 26756  
litem requests a review hearing pursuant to division (E) of that 26757  
section, the court shall hold a review hearing in the same manner 26758  
that it holds review hearings pursuant to division (C) of this 26759  
section, except that if a review hearing is required by this 26760  
division and if a hearing is to be held pursuant to division (C) 26761  
of this section or section 2151.415 of the Revised Code, the 26762

hearing held pursuant to division (C) of this section or section 26763  
2151.415 of the Revised Code shall take the place of the review 26764  
hearing required by this division. 26765

(E) If a court determines pursuant to section 2151.419 of the 26766  
Revised Code that a public children services agency or private 26767  
child placing agency is not required to make reasonable efforts to 26768  
prevent the removal of a child from the child's home, eliminate 26769  
the continued removal of a child from the child's home, and return 26770  
the child to the child's home, and the court does not return the 26771  
child to the child's home pursuant to division (A)(3) of section 26772  
2151.419 of the Revised Code, the court shall hold a review 26773  
hearing to approve the permanency plan for the child and, if 26774  
appropriate, to make changes to the child's case plan and the 26775  
child's placement or custody arrangement consistent with the 26776  
permanency plan. The court may hold the hearing immediately 26777  
following the determination under section 2151.419 of the Revised 26778  
Code and shall hold it no later than thirty days after making that 26779  
determination. 26780

(F) The court shall give notice of the review hearings held 26781  
pursuant to this section to every interested party, including, but 26782  
not limited to, the appropriate agency employees who are 26783  
responsible for the child's care and planning, the child's 26784  
parents, any person who had guardianship or legal custody of the 26785  
child prior to the custody order, the child's guardian ad litem, 26786  
and the child. The court shall summon every interested party to 26787  
appear at the review hearing and give them an opportunity to 26788  
testify and to present other evidence with respect to the child's 26789  
custody arrangement, including, but not limited to, the following: 26790  
the case plan for the child; the permanency plan, if one exists; 26791  
the actions taken by the child's custodian; the need for a change 26792  
in the child's custodian or caseworker; and the need for any 26793  
specific action to be taken with respect to the child. The court 26794

shall require any interested party to testify or present other 26795  
evidence when necessary to a proper determination of the issues 26796  
presented at the review hearing. In any review hearing that 26797  
pertains to a permanency plan for a child who will not be returned 26798  
to the parent, the court shall consider in-state and out-of-state 26799  
placement options and the court shall determine whether the 26800  
in-state or the out-of-state placement continues to be appropriate 26801  
and in the best interests of the child. In any review hearing that 26802  
pertains to a permanency plan for a child, the court or a citizens 26803  
board appointed by the court pursuant to division (H) of this 26804  
section shall consult with the child, in an age-appropriate 26805  
manner, regarding the proposed permanency plan for the child. 26806

(G) After the review hearing, the court shall take the 26807  
following actions based upon the evidence presented: 26808

(1) If an administrative review has been conducted, determine 26809  
whether the conclusions of the review are supported by a 26810  
preponderance of the evidence and approve or modify the case plan 26811  
based upon that evidence; 26812

(2) If the hearing was held under division (C) or (E) of this 26813  
section, approve a permanency plan for the child that specifies 26814  
whether and, if applicable, when the child will be safely returned 26815  
home or placed for adoption, for legal custody, or in a planned 26816  
permanent living arrangement. A permanency plan approved after a 26817  
hearing under division (E) of this section shall not include any 26818  
provision requiring the child to be returned to the child's home. 26819

(3) If the child is in temporary custody, do all of the 26820  
following: 26821

(a) Determine whether the child can and should be returned 26822  
home with or without an order for protective supervision; 26823

(b) If the child can and should be returned home with or 26824  
without an order for protective supervision, terminate the order 26825

for temporary custody; 26826

(c) If the child cannot or should not be returned home with 26827  
an order for protective supervision, determine whether the agency 26828  
currently with custody of the child should retain custody or 26829  
whether another public children services agency, private child 26830  
placing agency, or an individual should be given custody of the 26831  
child. 26832

The court shall comply with section 2151.42 of the Revised 26833  
Code in taking any action under this division. 26834

(4) If the child is in permanent custody, determine what 26835  
actions are required by the custodial agency and of any other 26836  
organizations or persons in order to facilitate an adoption of the 26837  
child and make any appropriate orders with respect to the custody 26838  
arrangement or conditions of the child, including, but not limited 26839  
to, a transfer of permanent custody to another public children 26840  
services agency or private child placing agency; 26841

(5) Journalize the terms of the updated case plan for the 26842  
child. 26843

(H) The court may appoint a referee or a citizens review 26844  
board to conduct the review hearings that the court is required by 26845  
this section to conduct, subject to the review and approval by the 26846  
court of any determinations made by the referee or citizens review 26847  
board. If the court appoints a citizens review board to conduct 26848  
the review hearings, the board shall consist of one member 26849  
representing the general public and four members who are trained 26850  
or experienced in the care or placement of children and have 26851  
training or experience in the fields of medicine, psychology, 26852  
social work, education, or any related field. Of the initial 26853  
appointments to the board, two shall be for a term of one year, 26854  
two shall be for a term of two years, and one shall be for a term 26855  
of three years, with all the terms ending one year after the date 26856

on which the appointment was made. Thereafter, all terms of the board members shall be for three years and shall end on the same day of the same month of the year as did the term that they succeed. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of the term.

(I) A copy of the court's determination following any review hearing held pursuant to this section shall be sent to the custodial agency, the guardian ad litem of the child who is the subject of the review hearing, and, if that child is not the subject of a permanent commitment hearing, the parents of the child.

(J) If the hearing held under this section takes the place of an administrative review that otherwise would have been held under section 2151.416 of the Revised Code, the court at the hearing held under this section shall do all of the following in addition to any other requirements of this section:

(1) Determine the continued necessity for and the safety and appropriateness of the child's placement;

(2) Determine the extent of compliance with the child's case plan;

(3) Determine the extent of progress that has been made toward alleviating or mitigating the causes necessitating the child's placement in foster care;

(4) Project a likely date by which the child may be safely returned home or placed for adoption or legal custody.

(K)(1) Whenever the court is required to approve a permanency plan under this section or section 2151.415 of the Revised Code, the public children services agency or private child placing agency that filed the complaint in the case, has custody of the child, or will be given custody of the child shall develop a

permanency plan for the child. The agency must file the plan with 26888  
the court prior to the hearing under this section or section 26889  
2151.415 of the Revised Code. 26890

(2) The permanency plan developed by the agency must specify 26891  
whether and, if applicable, when the child will be safely returned 26892  
home or placed for adoption or legal custody. If the agency 26893  
determines that there is a compelling reason why returning the 26894  
child home or placing the child for adoption or legal custody is 26895  
not in the best interest of the child, the plan shall provide that 26896  
the child will be placed in a planned permanent living 26897  
arrangement. A permanency plan developed as a result of a 26898  
determination made under division (A)(2) of section 2151.419 of 26899  
the Revised Code may not include any provision requiring the child 26900  
to be returned home. 26901

(3)(a) Whenever a court is required under this section or 26902  
section 2151.415 or 2151.419 of the Revised Code to conduct a 26903  
review hearing to approve a permanency plan, the court shall 26904  
determine whether the agency required to develop the plan has made 26905  
reasonable efforts to finalize it. If the court determines the 26906  
agency has not made reasonable efforts to finalize the plan, the 26907  
court shall issue an order finalizing a permanency plan requiring 26908  
the agency to use reasonable efforts to do the following: 26909

(i) Place the child in a timely manner into a permanent 26910  
placement; 26911

(ii) Complete whatever steps are necessary to finalize the 26912  
permanent placement of the child. 26913

(b) In making reasonable efforts as required in division 26914  
(K)(3)(a) of this section, the agency shall consider the child's 26915  
health and safety as the paramount concern. 26916

**Sec. 2151.43.** In cases against an adult under sections 26917

2151.01 to 2151.54 of the Revised Code, any person may file an affidavit with the clerk of the juvenile court setting forth briefly, in plain and ordinary language, the charges against the accused who shall be tried thereon. When the child is a recipient of aid pursuant to Chapter 5107. ~~or 5115.~~ of the Revised Code, the county department of job and family services shall file charges against any person who fails to provide support to a child in violation of section 2919.21 of the Revised Code, unless the department files charges under section 3113.06 of the Revised Code, or unless charges of nonsupport are filed by a relative or guardian of the child, or unless action to enforce support is brought under Chapter 3115. of the Revised Code.

In such prosecution an indictment by the grand jury or information by the prosecuting attorney shall not be required. The clerk shall issue a warrant for the arrest of the accused, who, when arrested, shall be taken before the juvenile judge and tried according to such sections.

The affidavit may be amended at any time before or during the trial.

The judge may bind such adult over to the grand jury, where the act complained of constitutes a felony.

**Sec. 2151.49.** In every case of conviction under sections 2151.01 to 2151.54 of the Revised Code, where imprisonment is imposed as part of the punishment, the juvenile judge may suspend sentence, before or during commitment, upon such condition as the juvenile judge imposes. In the case of conviction for nonsupport of a child who is receiving aid under Chapter 5107. ~~or 5115.~~ of the Revised Code, if the juvenile judge suspends sentence on condition that the person make payments for support, the payment shall be made to the county department of job and family services rather than to the child or custodian of the child.

The court, in accordance with sections 3119.29 to 3119.56 of the Revised Code, shall include in each support order made under this section the requirement that one or both of the parents provide for the health care needs of the child to the satisfaction of the court.

**Sec. 2301.56.** (A) A facility governing board that proposes or establishes one or more community-based correctional facilities and programs or district community-based correctional facilities and programs may apply to the division of parole and community services of the department of rehabilitation and correction for state financial assistance for the cost of renovation, maintenance, and operation of any of the facilities and programs. If the facility governing board has proposed or established more than one facility and program and if it desires state financial assistance for more than one of the facilities and programs, the board shall submit a separate application for each facility and program for which it desires the financial assistance.

An application for state financial assistance under this section may be made when the facility governing board submits for approval of the division of parole and community services its proposal for the establishment of the facility and program in question under division (B) of section 2301.51 of the Revised Code, or at any time after the division has approved the proposal. All applications for state financial assistance for proposed or approved facilities and programs shall be made on forms that are prescribed and furnished by the department of rehabilitation and correction, and in accordance with section 5120.112 of the Revised Code.

(B) The facility governing board may submit a request for funding of some or all of its community-based correctional facilities and programs or district community-based correctional

facilities and programs to the board of county commissioners of 26980  
the county, if the facility governing board serves a 26981  
community-based correctional facility and program, or to the 26982  
boards of county commissioners of all of the member counties, if 26983  
the facility governing board serves a district community-based 26984  
correctional facility and program. The board or boards may 26985  
appropriate, but are not required to appropriate, a sum of money 26986  
for funding all aspects of each facility and program as outlined 26987  
in sections 2301.51 to 2301.58 of the Revised Code. The facility 26988  
governing board has no recourse against a board or boards of 26989  
county commissioners if the board or boards of county 26990  
commissioners do not appropriate money for funding any facility 26991  
and program or if they appropriate money for funding a facility 26992  
and program in an amount less than the total amount of the 26993  
submitted request for funding. 26994

(C) Pursuant to section 2929.37 of the Revised Code, a board 26995  
of county commissioners may require a person who was convicted of 26996  
an offense and who is confined in a community-based correctional 26997  
facility or district community-based correctional facility as 26998  
provided in sections 2301.51 to 2301.58 of the Revised Code to 26999  
reimburse the county for its expenses incurred by reason of the 27000  
person's confinement. 27001

(D)(1) Community-based correctional facilities and programs 27002  
and district community-based correctional facilities and programs 27003  
are public offices under section 117.01 of the Revised Code and 27004  
are subject to audit under section 117.10 of the Revised Code. The 27005  
audits of the facilities and programs shall include financial 27006  
audits and, in addition, in the circumstances specified in this 27007  
division, performance audits by the auditor of state. If a private 27008  
or nonprofit entity performs the day-to-day operation of any 27009  
community-based correctional facility and program or district 27010  
community-based correctional facility and program, the private or 27011

nonprofit entity also is subject to financial audits under section 27012  
117.10 of the Revised Code, and, in addition, in the circumstances 27013  
specified in this division, to performance audits by the auditor 27014  
of state. The auditor of state shall conduct the performance 27015  
audits of a facility and program and of an entity required under 27016  
section 117.10 of the Revised Code and this division and, 27017  
notwithstanding the time period for audits specified in section 27018  
117.11 of the Revised Code, shall conduct the financial audits of 27019  
a facility and program and of an entity required under section 27020  
117.10 of the Revised Code and this division, in accordance with 27021  
the following criteria: 27022

(a) For each facility and program and each entity, the 27023  
auditor of state shall conduct the initial financial audit within 27024  
two years after March 31, 2003, or, if the facility and program in 27025  
question is established on or after March 31, 2003, within two 27026  
years after the date on which it is established. 27027

(b) After the initial financial audit described in division 27028  
(D)(1)(a) of this section, for each facility and program and each 27029  
entity, the auditor of state shall conduct the financial audits of 27030

fiscal years. 27032

(c) At any time after March 31, 2003, regarding a facility 27033  
and program or regarding an entity that performs the day-to-day 27034

rehabilitation and correction or the facility governing board that 27036  
established the facility and program may request, or the auditor 27037  
of state on its own initiative may undertake, a performance audit 27038  
of the facility and program or the entity. Upon the receipt of the 27039  
request, or upon the auditor of state's own initiative as 27040

the court of claims shall not take into consideration any expenses 27832  
incurred by the state or any of its political subdivisions in 27833  
connection with the arrest, prosecution, and imprisonment of the 27834  
wrongfully imprisoned individual, including, but not limited to, 27835  
expenses for food, clothing, shelter, and medical services. The 27836  
court shall reduce that sum by the amount of the payment to the 27837  
wrongfully imprisoned individual described in division (B)(4) of 27838  
this section. 27839

(2) If the wrongfully imprisoned individual was represented 27840  
in the civil action under this section by counsel of the 27841  
wrongfully imprisoned individual's own choice, the court of claims 27842  
shall include in the judgment entry referred to in division (F)(1) 27843  
of this section an award for the reasonable attorney's fees of 27844  
that counsel. These fees shall be paid as provided in division (G) 27845  
of this section. 27846

(3) The state consents to be sued by a wrongfully imprisoned 27847  
individual because the imprisonment was wrongful, and to liability 27848  
on its part because of that fact, only as provided in this 27849  
section. However, this section does not affect any liability of 27850  
the state or of its employees to a wrongfully imprisoned 27851

individual on a claim for relief that is not based on the fact of 27852  
the wrongful imprisonment, including, but not limited to, a claim 27853  
for relief that arises out of circumstances occurring during the 27854  
wrongfully imprisoned individual's confinement in the state 27855  
correctional institution. 27856

(G) The clerk of the court of claims shall forward a 27857  
certified copy of a judgment under division (F) of this section to 27858  
the president of the controlling board. The board shall take all 27859  
actions necessary to cause the payment of the judgment out of the 27860  
emergency purposes special purpose account of the board. 27861

(H) To be eligible to recover a sum of money as described in 27862  
this section because of wrongful imprisonment, both of the 27863

former sundry claims board that resulted in an award of 27869  
compensation for the wrongful imprisonment. 27870

(2) The wrongfully imprisoned individual shall commence a 27871  
civil action under this section in the court of claims no later 27872

denial of access to public records in violation of division (B) of 27878  
section 149.43 of the Revised Code, except for a court that hears 27879  
a mandamus action pursuant to that section, the court of claims 27880  
shall be the sole and exclusive authority in this state that 27881  
adjudicates or resolves complaints based on alleged violations of 27882

that section. The clerk of the court of claims shall designate one 27883

work. 27892

(B) The clerk of the court of common pleas in each county 27893

(D)(1) of this section, accepting filing fees for those 27896  
complaints, and serving those complaints. 27897

(C)(1) Subject to division (C)(2) of this section, a person 27898  
allegedly aggrieved by a denial of access to public records in 27899  
violation of division (B) of section 149.43 of the Revised Code 27900  
may seek relief under that section or under this section, 27901  
provided, however, that if the allegedly aggrieved person files a 27902  
complaint under either section, that person may not seek relief 27903  
that pertains to the same request for records in a complaint filed 27904  
under the other section. 27905

(2) If the allegedly aggrieved person files a complaint under 27906  
this section and the court of claims determines that the complaint 27907  
constitutes a case of first impression that involves an issue of 27908  
substantial public interest, the court shall dismiss the complaint 27909  
without prejudice and direct the allegedly aggrieved person to 27910  
commence a mandamus action in the court of appeals with 27911  
appropriate jurisdiction as provided in division (C)(1) of section 27912

(D)(1) An allegedly aggrieved person who proceeds under this 27914  
section shall file a complaint, on a form prescribed by the clerk 27915  
of the court of claims, with the clerk of the court of claims or 27916  
with the clerk of the court of common pleas of the county in which 27917  
the public office from which the records are requested is located. 27918  
The person shall attach to the complaint copies of the original 27919  
records request and any written responses or other communications 27920  
relating to the request from the public office or person 27921  
responsible for public records and shall pay a filing fee of 27922  
twenty-five dollars made payable to the clerk of the court with 27923  
whom the complaint is filed. The clerk shall serve a copy of the 27924  
complaint on the public office or person responsible for public 27925  
records for the particular public office in accordance with Civil 27926  
Rule 4.1 and, if the complaint is filed with the clerk of the 27927  
court of common pleas, shall forward the complaint to the clerk of 27928  
the court of claims, and to no other court, within three business 27929  
days after service is complete. 27930

(2) Upon receipt of a complaint filed under division (D)(1) 27931  
of this section, the clerk of the court of claims shall assign a 27932  
case number for the action and a special master to examine the 27933  
complaint. Notwithstanding any provision to the contrary in this 27934  
section, upon the recommendation of the special master, the court 27935  
of claims on its own motion may dismiss the complaint at any time. 27936  
The allegedly aggrieved person may voluntarily dismiss the 27937  
complaint filed by that person under division (D)(1) of this 27938  
section. 27939

(E)(1) Upon service of a complaint under division (D)(1) of 27940  
this section, except as otherwise provided in this division, the 27941  
special master assigned by the clerk under division (D)(2) of this 27942  
section immediately shall refer the case to mediation services 27943  
that the court of claims makes available to persons. If, in the 27944  
interest of justice considering the circumstances of the case or 27945

the parties, the special master determines that the case should 27946  
not be referred to mediation, the special master shall notify the 27947  
court that the case was not referred to mediation, and the case 27948  
shall proceed in accordance with division (F) of this section. If 27949  
the case is referred to mediation, any further proceedings under 27950  
division (F) of this section shall be stayed until the conclusion 27951  
of the mediation. Any mediation proceedings under this division 27952  
may be conducted by teleconference, telephone, or other electronic 27953  
means. If an agreement is reached during mediation, the court 27954  
shall dismiss the complaint. If an agreement is not reached, the 27955  
special master shall notify the court that the case was not 27956  
resolved and that the mediation has been terminated. 27957

(2) Within ten business days after the termination of the 27958  
mediation or the notification to the court that the case was not 27959  
referred to mediation under division (E)(1) of this section, the 27960  
public office or person responsible for public records shall file 27961  
a response, and if applicable, a motion to dismiss the complaint, 27962  
with the clerk of the court of claims and transmit copies of the 27963  
pleadings to the allegedly aggrieved party. No further motions or 27964  
pleadings shall be accepted by the clerk of the court of claims or 27965  
by the special master assigned by the clerk under division (D)(2) 27966  
of this section unless the special master directs in writing that 27967  
a further motion or pleading be filed. 27968

(3) All of the following apply prior to the submission of the 27969  
special master's report and recommendation to the court of claims 27970  
under division (F)(1) of this section: 27971

(a) The special master shall not permit any discovery. 27972

(b) The parties may attach supporting affidavits to their 27973  
respective pleadings. 27974

(c) The special master may require either or both of the 27975  
parties to submit additional information or documentation 27976

supported by affidavits. 27977

(F)(1) Not later than seven business days after receiving the 27978  
response, or motion to dismiss the complaint, if applicable, of 27979  
the public office or person responsible for public records, the 27980  
special master shall submit to the court of claims a report and 27981  
recommendation based on the ordinary application of statutory law 27982  
and case law as they existed at the time of the filing of the 27983  
complaint. For good cause shown, the special master may extend the 27984  
seven-day period for the submission of the report and 27985  
recommendation to the court of claims under this division by an 27986  
additional seven business days. 27987

(2) Upon submission of the special master's report and 27988  
recommendation to the court of claims under division (F)(1) of 27989  
this section, the clerk shall send copies of the report and 27990  
recommendation to each party by certified mail, return receipt 27991  
requested, not later than three business days after the report and 27992  
recommendation is filed. Either party may object to the report and 27993  
recommendation within seven business days after receiving the 27994  
report and recommendation by filing a written objection with the 27995  
clerk and sending a copy to the other party by certified mail, 27996  
return receipt requested. Any objection to the report and 27997  
recommendation shall be specific and state with particularity all 27998  
grounds for the objection. If neither party timely objects, the 27999  
court of claims shall promptly issue a final order adopting the 28000  
report and recommendation, unless it determines that there is an 28001  
error of law or other defect evident on the face of the report and 28002  
recommendation. If either party timely objects, the other party 28003  
may file with the clerk a response within seven business days 28004  
after receiving the objection and send a copy of the response to 28005  
the objecting party by certified mail, return receipt requested. 28006  
The court, within seven business days after the response to the 28007  
objection is filed, shall issue a final order that adopts, 28008

modifies, or rejects the report and recommendation. 28009

(3) If the court of claims determines that the public office 28010  
or person responsible for the public records denied the aggrieved 28011  
person access to the public records in violation of division (B) 28012  
of section 149.43 of the Revised Code and if no appeal from the 28013  
court's final order is taken under division (G) of this section, 28014  
both of the following apply: 28015

(a) The public office or the person responsible for the 28016  
public records shall permit the aggrieved person to inspect or 28017  
receive copies of the public records that the court requires to be 28018  
disclosed in its order. 28019

(b) The aggrieved person shall be entitled to recover from 28020  
the public office or person responsible for the public records the 28021  
amount of the filing fee of twenty-five dollars and any other 28022  
costs associated with the action that are incurred by the 28023  
aggrieved person, but shall not be entitled to recover attorney's 28024  
fees, except that division (G)(2) of this section applies if an 28025  
appeal is taken under division (G)(1) of this section. 28026

(G)(1) Any appeal from a final order of the court of claims 28027  
under this section or from an order of the court of claims 28028  
dismissing the complaint as provided in division (D)(2) of this 28029  
section shall be taken to the court of appeals of the appellate 28030  
district where the principal place of business of the public 28031  
office from which the public record is requested is located. 28032  
However, no appeal may be taken from a final order of the court of 28033  
claims that adopts the special master's report and recommendation 28034  
unless a timely objection to that report and recommendation was 28035  
filed under division (F)(2) of this section. If the court of 28036  
claims materially modifies the special master's report and 28037  
recommendation, either party may take an appeal to the court of 28038  
appeals of the appellate district of the principal place of 28039  
business where that public office is located but the appeal shall 28040

be limited to the issue in the report and recommendation that is 28041  
materially modified by the court of claims. In order to facilitate 28042  
the expeditious resolution of disputes over alleged denials of 28043  
access to public records in violation of division (B) of section 28044  
149.43 of the Revised Code, the appeal shall be given such 28045  
precedence over other pending matters as will ensure that the 28046  
court will reach a decision promptly. 28047

(2) If a court of appeals in any appeal taken under division 28048  
(G)(1) of this section by the public office or person responsible 28049  
for the public records determines that the public office or person 28050  
denied the aggrieved person access to the public records in 28051  
violation of division (B) of section 149.43 of the Revised Code 28052  
and obviously filed the appeal with the intent to either delay 28053  
compliance with the court of claims' order from which the appeal 28054  
is taken for no reasonable cause or unduly harass the aggrieved 28055  
person, the court of appeals may award reasonable attorney's fees 28056  
to the aggrieved person in accordance with division (C) of section 28057  
149.43 of the Revised Code. No discovery may be conducted on the 28058  
issue of the public office or person responsible for the public 28059  
records filing the appeal with the alleged intent to either delay 28060  
compliance with the court of claims' order for no reasonable cause 28061  
or unduly harass the aggrieved person. This division shall not be 28062  
construed as creating a presumption that the public office or the 28063  
person responsible for the public records filed the appeal with 28064  
the intent to either delay compliance with the court of claims' 28065  
order for no reasonable cause or unduly harass the aggrieved 28066  
person. 28067

(H) The powers of the court of claims prescribed in section 28068  
2743.05 of the Revised Code apply to the proceedings in that court 28069  
under this section. 28070

(I)(1) All filing fees collected by a clerk of the court of 28071  
common pleas under division (D)(1) of this section shall be paid 28072

to the county treasurer for deposit into the county general 28073  
revenue fund. All such money collected during a month shall be 28074  
transmitted on or before the twentieth day of the following month 28075  
by the clerk of the court of common pleas to the county treasurer. 28076

(2) All filing fees collected by the clerk of the court of 28077  
claims under division (D)(1) of this section shall be ~~kept~~ 28078  
deposited into the state treasury to the credit of the public 28079  
records fund, which is hereby created. Money credited to the fund 28080  
shall be used by the court of claims to assist in paying for its 28081  
costs to implement this section. All investment earnings of the 28082  
fund shall be credited to the fund. Not later than the first day 28083  
of February of each year, the clerk of the court of claims shall 28084  
prepare a report accessible to the public that details the fees 28085  
collected during the preceding calendar year by the clerk of the 28086  
court of claims and the clerks of the courts of common pleas under 28087  
this section. 28088

(J) Nothing in this section shall be construed to limit the 28089  
authority of the auditor of state under division (G) of section 28090  
109.43 of the Revised Code. 28091

the community control sanction. 28596

The duration of all community control sanctions imposed upon 28597  
an offender under this division shall not exceed five years. If 28598  
the offender absconds or otherwise leaves the jurisdiction of the 28599  
court in which the offender resides without obtaining permission 28600  
from the court or the offender's probation officer to leave the 28601  
jurisdiction of the court, or if the offender is confined in any 28602  
institution for the commission of any offense while under a 28603  
community control sanction, the period of the community control 28604  
sanction ceases to run until the offender is brought before the 28605  
court for its further action. If the court sentences the offender 28606  
to one or more nonresidential sanctions under section 2929.17 of 28607  
the Revised Code, the court shall impose as a condition of the 28608  
nonresidential sanctions that, during the period of the sanctions, 28609  
the offender must abide by the law and must not leave the state 28610  
without the permission of the court or the offender's probation 28611  
officer. The court may impose any other conditions of release 28612  
under a community control sanction that the court considers 28613  
appropriate, including, but not limited to, requiring that the 28614  
offender not ingest or be injected with a drug of abuse and submit 28615  
to random drug testing as provided in division (D) of this section 28616  
to determine whether the offender ingested or was injected with a 28617  
drug of abuse and requiring that the results of the drug test 28618  
indicate that the offender did not ingest or was not injected with 28619  
a drug of abuse. 28620

(2)(a) If a court sentences an offender to any community 28621

control sanction or combination of community control sanctions 28622  
authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the 28623  
Revised Code, the court shall place the offender under the general 28624  
control and supervision of a department of probation in the county 28625  
that serves the court for purposes of reporting to the court a 28626  
violation of any condition of the sanctions, any condition of 28627  
release under a community control sanction imposed by the court, a 28628  
violation of law, or the departure of the offender from this state 28629  
without the permission of the court or the offender's probation 28630  
officer. Alternatively, if the offender resides in another county 28631  
and a county department of probation has been established in that 28632  
county or that county is served by a multicounty probation 28633  
department established under section 2301.27 of the Revised Code, 28634  
the court may request the court of common pleas of that county to 28635  
receive the offender into the general control and supervision of 28636  
that county or multicounty department of probation for purposes of 28637  
reporting to the court a violation of any condition of the 28638  
sanctions, any condition of release under a community control 28639  
sanction imposed by the court, a violation of law, or the 28640  
departure of the offender from this state without the permission 28641  
of the court or the offender's probation officer, subject to the 28642  
jurisdiction of the trial judge over and with respect to the 28643  
person of the offender, and to the rules governing that department 28644  
of probation. 28645

If there is no department of probation in the county that 28646  
serves the court, the court shall place the offender, regardless 28647  
of the offender's county of residence, under the general control 28648  
and supervision of the adult parole authority for purposes of 28649  
reporting to the court a violation of any of the sanctions, any 28650  
condition of release under a community control sanction imposed by 28651  
the court, a violation of law, or the departure of the offender 28652  
from this state without the permission of the court or the 28653  
offender's probation officer. 28654

(b) If the court imposing sentence upon an offender sentences 28655  
the offender to any community control sanction or combination of 28656  
community control sanctions authorized pursuant to section 28657  
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 28658  
offender violates any condition of the sanctions, any condition of 28659  
release under a community control sanction imposed by the court, 28660  
violates any law, or departs the state without the permission of 28661  
the court or the offender's probation officer, the public or 28662  
private person or entity that operates or administers the sanction 28663  
or the program or activity that comprises the sanction shall 28664  
report the violation or departure directly to the sentencing 28665  
court, or shall report the violation or departure to the county or 28666  
multicounty department of probation with general control and 28667  
supervision over the offender under division (A)(2)(a) of this 28668  
section or the officer of that department who supervises the 28669  
offender, or, if there is no such department with general control 28670  
and supervision over the offender under that division, to the 28671  
adult parole authority. If the public or private person or entity 28672  
that operates or administers the sanction or the program or 28673  
activity that comprises the sanction reports the violation or 28674  
departure to the county or multicounty department of probation or 28675  
the adult parole authority, the department's or authority's 28676  
officers may treat the offender as if the offender were on 28677  
probation and in violation of the probation, and shall report the 28678  
violation of the condition of the sanction, any condition of 28679  
release under a community control sanction imposed by the court, 28680  
the violation of law, or the departure from the state without the 28681  
required permission to the sentencing court. 28682

(3) If an offender who is eligible for community control 28683  
sanctions under this section admits to being drug addicted or the 28684  
court has reason to believe that the offender is drug addicted, 28685  
and if the offense for which the offender is being sentenced was 28686  
related to the addiction, the court may require that the offender 28687

be assessed by a properly credentialed professional within a 28688  
specified period of time and shall require the professional to 28689  
file a written assessment of the offender with the court. If a 28690  
court imposes treatment and recovery support services as a 28691  
community control sanction, the court shall direct the level and 28692  
type of treatment and recovery support services after 28693  
consideration of the written assessment, if available at the time 28694  
of sentencing, and recommendations of the professional and other 28695  
treatment and recovery support services providers. 28696

(4) If an assessment completed pursuant to division (A)(3) of 28697  
this section indicates that the offender is addicted to drugs or 28698  
alcohol, the court may include in any community control sanction 28699  
imposed for a violation of section 2925.02, 2925.03, 2925.04, 28700  
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 28701  
2925.37 of the Revised Code a requirement that the offender 28702  
participate in alcohol and drug addiction services and recovery 28703  
supports certified under section 5119.36 of the Revised Code or 28704  
offered by a properly credentialed community addiction services 28705  
provider. 28706

(B)(1) If the conditions of a community control sanction are 28707  
violated or if the offender violates a law or leaves the state 28708  
without the permission of the court or the offender's probation 28709  
officer, the sentencing court may impose upon the violator one or 28710  
more of the following penalties: 28711

(a) A longer time under the same sanction if the total time 28712  
under the sanctions does not exceed the five-year limit specified 28713  
in division (A) of this section; 28714

(b) A more restrictive sanction under section 2929.16, 28715  
2929.17, or 2929.18 of the Revised Code; 28716

(c) A prison term on the offender pursuant to section 2929.14 28717  
of the Revised Code and division (B)(3) of this section, provided 28718

that a prison term imposed under this division for any technical violation of the conditions of a community control sanction imposed for a felony of the fifth degree or for any violation of law committed while under a community control sanction imposed for such a felony that consists of a new criminal offense and that is not a felony shall not exceed ninety days.

(2) If an offender was acting pursuant to division (B)(2)(b) of section 2925.11 of the Revised Code and in so doing violated the conditions of a community control sanction based on a minor drug possession offense, as defined in section 2925.11 of the Revised Code, the sentencing court may consider the offender's conduct in seeking or obtaining medical assistance for another in good faith or for self or may consider the offender being the subject of another person seeking or obtaining medical assistance in accordance with that division as a mitigating factor before imposing any of the penalties described in division (B)(1) of this section.

(3) The prison term, if any, imposed upon a violator pursuant to this division shall be within the range of prison terms available for the offense for which the sanction that was violated was imposed and shall not exceed the prison term specified in the notice provided to the offender at the sentencing hearing pursuant to division (B)(2) of section 2929.19 of the Revised Code. The court may reduce the longer period of time that the offender is required to spend under the longer sanction, the more restrictive sanction, or a prison term imposed pursuant to this division by the time the offender successfully spent under the sanction that was initially imposed.

(C) If an offender, for a significant period of time, fulfills the conditions of a sanction imposed pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary manner, the court may reduce the period of time under the sanction

or impose a less restrictive sanction, but the court shall not 28751  
permit the offender to violate any law or permit the offender to 28752  
leave the state without the permission of the court or the 28753  
offender's probation officer. 28754

(D)(1) If a court under division (A)(1) of this section 28755  
imposes a condition of release under a community control sanction 28756  
that requires the offender to submit to random drug testing, the 28757  
department of probation or the adult parole authority that has 28758  
general control and supervision of the offender under division 28759  
(A)(2)(a) of this section may cause the offender to submit to 28760  
random drug testing performed by a laboratory or entity that has 28761  
entered into a contract with any of the governmental entities or 28762  
officers authorized to enter into a contract with that laboratory 28763  
or entity under section 341.26, 753.33, or 5120.63 of the Revised 28764  
Code. 28765

(2) If no laboratory or entity described in division (D)(1) 28766  
of this section has entered into a contract as specified in that 28767  
division, the department of probation or the adult parole 28768  
authority that has general control and supervision of the offender 28769  
under division (A)(2)(a) of this section shall cause the offender 28770  
to submit to random drug testing performed by a reputable public 28771  
laboratory to determine whether the individual who is the subject 28772  
of the drug test ingested or was injected with a drug of abuse. 28773

(3) A laboratory or entity that has entered into a contract 28774  
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 28775  
shall perform the random drug tests under division (D)(1) of this 28776  
section in accordance with the applicable standards that are 28777  
included in the terms of that contract. A public laboratory shall 28778  
perform the random drug tests under division (D)(2) of this 28779  
section in accordance with the standards set forth in the policies 28780  
and procedures established by the department of rehabilitation and 28781  
correction pursuant to section 5120.63 of the Revised Code. An 28782

offender who is required under division (A)(1) of this section to 28783  
submit to random drug testing as a condition of release under a 28784  
community control sanction and whose test results indicate that 28785  
the offender ingested or was injected with a drug of abuse shall 28786  
pay the fee for the drug test if the department of probation or 28787  
the adult parole authority that has general control and 28788  
supervision of the offender requires payment of a fee. A 28789  
laboratory or entity that performs the random drug testing on an 28790  
offender under division (D)(1) or (2) of this section shall 28791  
transmit the results of the drug test to the appropriate 28792  
department of probation or the adult parole authority that has 28793  
general control and supervision of the offender under division 28794  
(A)(2)(a) of this section. 28795

motion, the sentencing court may reduce the eligible offender's 28846  
aggregated nonmandatory prison term or terms through a judicial 28847  
release under this section. 28848

(C) An eligible offender may file a motion for judicial 28849  
release with the sentencing court within the following applicable 28850  
periods: 28851

(1) If the aggregated nonmandatory prison term or terms is 28852  
less than two years, the eligible offender may file the motion ~~not~~ 28853  
~~earlier than thirty days~~ at any time after the offender is 28854  
delivered to a state correctional institution or, if the prison 28855  
term includes a mandatory prison term or terms, ~~not earlier than~~ 28856  
~~thirty days~~ at any time after the expiration of all mandatory 28857

(2) If the aggregated nonmandatory prison term or terms is at 28859

judicial release for that eligible offender on a subsequent motion 28891  
filed by that eligible offender unless the court denies the motion 28892  
with prejudice. If a court denies a motion with prejudice, the 28893  
court may later consider judicial release on its own motion. If a 28894

If the court schedules a hearing for judicial release, the court promptly shall give notice of the hearing to the prosecuting attorney of the county in which the eligible offender was indicted. Upon receipt of the notice from the court, the prosecuting attorney shall do whichever of the following is applicable:

(1) Subject to division (E)(2) of this section, notify the victim of the offense or the victim's representative pursuant to division (B) of section 2930.16 of the Revised Code;

(2) If the offense was an offense of violence that is a felony of the first, second, or third degree, except as otherwise provided in this division, notify the victim or the victim's representative of the hearing regardless of whether the victim or victim's representative has requested the notification. The notice of the hearing shall not be given under this division to a victim or victim's representative if the victim or victim's representative has requested pursuant to division (B)(2) of section 2930.03 of the Revised Code that the victim or the victim's representative not be provided the notice. If notice is to be provided to a victim or victim's representative under this division, the prosecuting attorney may give the notice by any reasonable means, including regular mail, telephone, and electronic mail, in accordance with division (D)(1) of section

the opt-out information described in division (D)(1) of section 28941  
2930.16 of the Revised Code. The prosecuting attorney, in 28942  
accordance with division (D)(2) of section 2930.16 of the Revised 28943  
Code, shall keep a record of all attempts to provide the notice, 28944  
and of all notices provided, under this division. Division (E)(2) 28945

2967.28, and division (A)(2) of section 5149.101 of the Revised 28950  
Code enacted in the act in which division (E)(2) of this section 28951  
was enacted, shall be known as "Roberta's Law." 28952

(F) Upon an offender's successful completion of 28953  
rehabilitative activities, the head of the state correctional 28954  
institution may notify the sentencing court of the successful 28955  
completion of the activities. 28956

(G) Prior to the date of the hearing on a motion for judicial 28957  
release under this section, the head of the state correctional 28958  
institution in which the eligible offender is confined shall send 28959  
to the court an institutional summary report on the eligible 28960  
offender's conduct in the institution and in any institution from 28961  
which the eligible offender may have been transferred. Upon the 28962  
request of the prosecuting attorney of the county in which the 28963  
eligible offender was indicted or of any law enforcement agency, 28964  
the head of the state correctional institution, at the same time 28965  
the person sends the institutional summary report to the court, 28966  
also shall send a copy of the report to the requesting prosecuting 28967  
attorney and law enforcement agencies. The institutional summary 28968  
report shall cover the eligible offender's participation in 28969  
school, vocational training, work, treatment, and other 28970

rehabilitative activities and any disciplinary action taken 28971  
against the eligible offender. The report shall be made part of 28972  
the record of the hearing. A presentence investigation report is 28973  
not required for judicial release. 28974

(H) If the court grants a hearing on a motion for judicial 28975  
release under this section, the eligible offender shall attend the 28976  
hearing if ordered to do so by the court. Upon receipt of a copy 28977  
of the journal entry containing the order, the head of the state 28978  
correctional institution in which the eligible offender is 28979  
incarcerated shall deliver the eligible offender to the sheriff of 28980  
the county in which the hearing is to be held. The sheriff shall 28981  
convey the eligible offender to and from the hearing. 28982

(I) At the hearing on a motion for judicial release under 28983  
this section, the court shall afford the eligible offender and the 28984  
eligible offender's attorney an opportunity to present written 28985  
and, if present, oral information relevant to the motion. The 28986  
court shall afford a similar opportunity to the prosecuting 28987  
attorney, the victim or the victim's representative, and any other 28988  
person the court determines is likely to present additional 28989  
relevant information. The court shall consider any statement of a 28990  
victim made pursuant to section 2930.14 or 2930.17 of the Revised 28991  
Code, any victim impact statement prepared pursuant to section 28992  
2947.051 of the Revised Code, and any report made under division 28993  
(G) of this section. The court may consider any written statement 28994  
of any person submitted to the court pursuant to division (L) of 28995  
this section. After ruling on the motion, the court shall notify 28996  
the victim of the ruling in accordance with sections 2930.03 and 28997  
2930.16 of the Revised Code. 28998

(J)(1) A court shall not grant a judicial release under this 28999  
section to an eligible offender who is imprisoned for a felony of 29000  
the first or second degree, or to an eligible offender who 29001  
committed an offense under Chapter 2925. or 3719. of the Revised 29002

Code and for whom there was a presumption under section 2929.13 of 29003  
the Revised Code in favor of a prison term, unless the court, with 29004  
reference to factors under section 2929.12 of the Revised Code, 29005  
finds both of the following: 29006

(a) That a sanction other than a prison term would adequately 29007  
punish the offender and protect the public from future criminal 29008  
violations by the eligible offender because the applicable factors 29009  
indicating a lesser likelihood of recidivism outweigh the 29010  
applicable factors indicating a greater likelihood of recidivism; 29011

(b) That a sanction other than a prison term would not demean 29012  
the seriousness of the offense because factors indicating that the 29013  
eligible offender's conduct in committing the offense was less 29014  
serious than conduct normally constituting the offense outweigh 29015  
factors indicating that the eligible offender's conduct was more 29016  
serious than conduct normally constituting the offense. 29017

(2) A court that grants a judicial release to an eligible 29018  
offender under division (J)(1) of this section shall specify on 29019  
the record both findings required in that division and also shall 29020  
list all the factors described in that division that were 29021  
presented at the hearing. 29022

(K) If the court grants a motion for judicial release under 29023  
this section, the court shall order the release of the eligible 29024  
offender, shall place the eligible offender under an appropriate 29025  
community control sanction, under appropriate conditions, and 29026  
under the supervision of the department of probation serving the 29027  
court and shall reserve the right to reimpose the sentence that it 29028  
reduced if the offender violates the sanction. If the court 29029  
reimposes the reduced sentence, it may do so either concurrently 29030  
with, or consecutive to, any new sentence imposed upon the 29031  
eligible offender as a result of the violation that is a new 29032  
offense. Except as provided in division (R)(2) of this section, 29033  
the period of community control shall be no longer than five 29034

years. The court, in its discretion, may reduce the period of 29035  
community control by the amount of time the eligible offender 29036  
spent in jail or prison for the offense and in prison. If the 29037  
court made any findings pursuant to division (J)(1) of this 29038  
section, the court shall serve a copy of the findings upon counsel 29039  
for the parties within fifteen days after the date on which the 29040  
court grants the motion for judicial release. 29041

If the court grants a motion for judicial release, the court 29042  
shall notify the appropriate person at the department of 29043  
rehabilitation and correction, and the department shall post 29044  
notice of the release on the database it maintains pursuant to 29045  
section 5120.66 of the Revised Code. The court also shall notify 29046  
the prosecuting attorney of the county in which the eligible 29047  
offender was indicted that the motion has been granted. Unless the 29048  
victim or the victim's representative has requested pursuant to 29049  
division (B)(2) of section 2930.03 of the Revised Code that the 29050  
victim or victim's representative not be provided the notice, the 29051  
prosecuting attorney shall notify the victim or the victim's 29052  
representative of the judicial release in any manner, and in 29053  
accordance with the same procedures, pursuant to which the 29054  
prosecuting attorney is authorized to provide notice of the 29055  
hearing pursuant to division (E)(2) of this section. If the notice 29056  
is based on an offense committed prior to March 22, 2013, the 29057  
notice to the victim or victim's representative also shall include 29058  
the opt-out information described in division (D)(1) of section 29059  
2930.16 of the Revised Code. 29060

(L) In addition to and independent of the right of a victim 29061  
to make a statement pursuant to section 2930.14, 2930.17, or 29062  
2946.051 of the Revised Code and any right of a person to present 29063  
written information or make a statement pursuant to division (I) 29064  
of this section, any person may submit to the court, at any time 29065  
prior to the hearing on the offender's motion for judicial 29066

release, a written statement concerning the effects of the 29067  
offender's crime or crimes, the circumstances surrounding the 29068  
crime or crimes, the manner in which the crime or crimes were 29069  
perpetrated, and the person's opinion as to whether the offender 29070  
should be released. 29071

(M) The changes to this section that are made on September 29072  
30, 2011, apply to any judicial release decision made on or after 29073  
September 30, 2011, for any eligible offender. 29074

(N) Notwithstanding the eligibility requirements specified in 29075  
division (A) of this section and the filing time frames specified 29076  
in division (C) of this section and notwithstanding the findings 29077  
required under division (J) of this section, the sentencing court, 29078  
upon the court's own motion and after considering whether the 29079  
release of the offender into society would create undue risk to 29080  
public safety, may grant a judicial release to an offender who is 29081  
not serving a life sentence at any time during the offender's 29082  
imposed sentence when the director of rehabilitation and 29083  
correction certifies to the sentencing court through the chief 29084  
medical officer for the department of rehabilitation and 29085  
correction that the offender is in imminent danger of death, is 29086  
medically incapacitated, or is suffering from a terminal illness. 29087

(O) The director of rehabilitation and correction shall not 29088  
certify any offender under division (N) of this section who is 29089  
serving a death sentence. 29090

(P) A motion made by the court under division (N) of this 29091  
section is subject to the notice, hearing, and other procedural 29092  
requirements specified in divisions (D), (E), (G), (H), (I), (K), 29093  
and (L) of this section, except for the following: 29094

(1) The court may waive the offender's appearance at any 29095  
hearing scheduled by the court if the offender's condition makes 29096  
it impossible for the offender to participate meaningfully in the 29097

proceeding. 29098

(2) The court may grant the motion without a hearing, 29099  
provided that the prosecuting attorney and victim or victim's 29100  
representative to whom notice of the hearing was provided under 29101  
division (E) of this section indicate that they do not wish to 29102  
participate in the hearing or present information relevant to the 29103  
motion. 29104

(Q) The court may request health care records from the 29105  
department of rehabilitation and correction to verify the 29106  
certification made under division (N) of this section. 29107

(R)(1) If the court grants judicial release under division 29108  
(N) of this section, the court shall do all of the following: 29109

(a) Order the release of the offender; 29110

(b) Place the offender under an appropriate community control 29111  
sanction, under appropriate conditions; 29112

(c) Place the offender under the supervision of the 29113  
department of probation serving the court or under the supervision 29114  
of the adult parole authority. 29115

(2) The court, in its discretion, may revoke the judicial 29116  
release if the offender violates the community control sanction 29117  
described in division (R)(1) of this section. The period of that 29118  
community control is not subject to the five-year limitation 29119  
described in division (K) of this section and shall not expire 29120  
earlier than the date on which all of the offender's mandatory 29121  
prison terms expire. 29122

(S) If the health of an offender who is released under 29123  
division (N) of this section improves so that the offender is no 29124  
longer terminally ill, medically incapacitated, or in imminent 29125  
danger of death, the court shall, upon the court's own motion, 29126  
revoke the judicial release. The court shall not grant the motion 29127

without a hearing unless the offender waives a hearing. If a 29128  
hearing is held, the court shall afford the offender and the 29129  
offender's attorney an opportunity to present written and, if the 29130  
offender or the offender's attorney is present, oral information 29131  
relevant to the motion. The court shall afford a similar 29132  
opportunity to the prosecuting attorney, the victim or the 29133  
victim's representative, and any other person the court determines 29134  
is likely to present additional relevant information. A court that 29135  
grants a motion under this division shall specify its findings on 29136  
the record. 29137

**Sec. 2929.34.** (A) A person who is convicted of or pleads 29138  
guilty to aggravated murder, murder, or an offense punishable by 29139  
life imprisonment and who is sentenced to a term of life 29140  
imprisonment or a prison term pursuant to that conviction shall 29141  
serve that term in an institution under the control of the 29142  
department of rehabilitation and correction. 29143

(B)(1) A person who is convicted of or pleads guilty to a 29144  
felony other than aggravated murder, murder, or an offense 29145  
punishable by life imprisonment and who is sentenced to a term of 29146  
imprisonment or a prison term pursuant to that conviction shall 29147  
serve that term as follows: 29148

(a) Subject to divisions (B)(1)(b) ~~and~~, (B)(2), and (B)(3) of 29149  
this section, in an institution under the control of the 29150  
department of rehabilitation and correction if the term is a 29151  
prison term or as otherwise determined by the sentencing court 29152  
pursuant to section 2929.16 of the Revised Code if the term is not 29153  
a prison term; 29154

(b) In a facility of a type described in division (G)(1) of 29155  
section 2929.13 of the Revised Code, if the offender is sentenced 29156  
pursuant to that division. 29157

(2) If the term is a prison term, the person may be 29158

imprisoned in a jail that is not a minimum security jail pursuant 29159  
to agreement under section 5120.161 of the Revised Code between 29160  
the department of rehabilitation and correction and the local 29161  
authority that operates the jail. 29162

(3)(a) As used in divisions (B)(3)(a) to (d) of this section: 29163

(i) "Target county" means Franklin county, Cuyahoga county, 29164  
Hamilton county, Summit county, Montgomery county, Lucas county, 29165  
Butler county, Stark county, Lorain county, and Mahoning county. 29166

(ii) "Voluntary county" means any county in which the board 29167  
of county commissioners of the county and the administrative judge 29168  
of the general division of the court of common pleas of the county 29169  
enter into an agreement of the type described in division 29170  
(B)(3)(b) of this section and in which the agreement has not been 29171  
terminated as described in that division. 29172

(b) In any county other than a target county, the board of 29173  
county commissioners of the county and the administrative judge of 29174  
the general division of the court of common pleas of the county 29175  
may agree to having the county participate in the procedures 29176  
regarding local and state confinement established under division 29177  
(B)(3)(c) of this section. A board of county commissioners and an 29178  
administrative judge of a court of common pleas that enter into an 29179  
agreement of the type described in this division may terminate the 29180  
agreement, but a termination under this division shall take effect 29181  
only at the end of the state fiscal biennium in which the 29182  
termination decision is made. 29183

person shall instead serve the sentence as a term of confinement 29190  
in a facility of a type described in division (C) or (D) of this 29191  
section. Nothing in this division or in section 5120.116 of the 29192  
Revised Code relieves the state of its obligation to pay for the 29193  
cost of confinement of the person in a community-based 29194  
correctional facility under division (D) of this section. 29195

control of the department of rehabilitation and correction. 29211

(C) A person who is convicted of or pleads guilty to one or 29212

that term in a county, multicounty, municipal, municipal-county, 29215  
or multicounty-municipal jail or workhouse; in a community 29216  
alternative sentencing center or district community alternative 29217  
sentencing center when authorized by section 307.932 of the 29218  
Revised Code; or, if the misdemeanor or misdemeanors are not 29219  
offenses of violence, in a minimum security jail. 29220

(D) Nothing in this section prohibits the commitment, 29221  
referral, or sentencing of a person who is convicted of or pleads 29222

(B) The board of county commissioners shall establish a 29238  
schedule of fees by case or on an hourly basis to be paid by the 29239  
county for legal services provided by appointed counsel. Prior to 29240  
establishing such schedule, the board shall request the bar 29241  
association or associations of the county to submit a proposed 29242  
schedule for cases other than capital cases. The schedule 29243  
submitted shall be subject to the review, amendment, and approval 29244  
of the board of county commissioners, except with respect to 29245  
capital cases. With respect to capital cases, the schedule shall 29246  
provide for fees by case or on an hourly basis to be paid to 29247

attorney fee council pursuant to division (D) of section 120.33 of 29249  
the Revised Code, and the board of county commissioners shall 29250  
approve that amount or rate. 29251

(D) The fees and expenses approved by the court under this 29260  
section shall not be taxed as part of the costs and shall be paid 29261  
by the county. However, if the person represented has, or 29262  
reasonably may be expected to have, the means to meet some part of 29263  
the cost of the services rendered to the person, the person shall 29264  
pay the county an amount that the person reasonably can be 29265  
expected to pay. Pursuant to section 120.04 of the Revised Code, 29266  
the county shall pay to the state public defender a percentage of 29267  
the payment received from the person in an amount proportionate to 29268  
the percentage of the costs of the person's case that were paid to 29269  
the county by the state public defender pursuant to this section. 29270  
The money paid to the state public defender shall be credited to 29271  
the client payment fund created pursuant to division (B)(5) of 29272  
section 120.04 of the Revised Code. 29273

(E) The county auditor shall draw a warrant on the county 29274  
treasurer for the payment of such counsel in the amount fixed by 29275  
the court, plus the expenses that the court fixes and certifies to 29276  
the auditor. The county auditor shall report periodically, but not 29277  
less than annually, to the board of county commissioners and to 29278  
the Ohio public defender commission the amounts paid out pursuant 29279  
to the approval of the court under this section, separately 29280  
stating costs and expenses that are reimbursable under section 29281  
120.35 of the Revised Code. The board, after review and approval 29282  
of the auditor's report, may then certify it to the state public 29283

defender for reimbursement. The request for reimbursement shall be 29284  
accompanied by a financial disclosure form completed by each 29285  
indigent person for whom counsel was provided on a form prescribed 29286  
by the state public defender. The state public defender shall 29287

pursuant to divisions (B) and (C) of section 120.03 of the Revised 29299  
Code or the standards established by the state public defender 29300  
pursuant to division (B)(7) of section 120.04 of the Revised Code, 29301  
the commission shall notify the board of county commissioners of 29302  
the county that the county system for paying appointed counsel has 29303  
failed to comply with its rules. Unless the board corrects the 29304  
conduct of its appointed counsel system to comply with the rules 29305  
within ninety days after the date of the notice, the state public 29306  
defender may deny all or part of the county's reimbursement from 29307  
the state provided for in this section. 29308

this section the requirement that one or both of the parents 30045  
provide for the health care needs of the child to the satisfaction 30046  
of the court. 30047

**Sec. 3119.05.** When a court computes the amount of child 30048  
support required to be paid under a court child support order or a 30049  
child support enforcement agency computes the amount of child 30050  
support to be paid pursuant to an administrative child support 30051  
order, all of the following apply: 30052

(A) The parents' current and past income and personal 30053  
earnings shall be verified by electronic means or with suitable 30054  
documents, including, but not limited to, paystubs, employer 30055  
statements, receipts and expense vouchers related to 30056  
self-generated income, tax returns, and all supporting 30057  
documentation and schedules for the tax returns. 30058

(B) The amount of any pre-existing child support obligation 30059  
of a parent under a child support order and the amount of any 30060  
court-ordered spousal support actually paid shall be deducted from 30061  
the gross income of that parent to the extent that payment under 30062  
the child support order or that payment of the court-ordered 30063  
spousal support is verified by supporting documentation. 30064

(C) If other minor children who were born to the parent and a 30065  
person other than the other parent who is involved in the 30066  
immediate child support determination live with the parent, the 30067  
court or agency shall deduct an amount from that parent's gross 30068  
income that equals the number of such minor children times the 30069  
federal income tax exemption for such children less child support 30070  
received for them for the year, not exceeding the federal income 30071  
tax exemption. 30072

(D) When the court or agency calculates the gross income of a 30073  
parent, it shall include the lesser of the following as income 30074  
from overtime and bonuses: 30075

(1) The yearly average of all overtime, commissions, and 30076  
bonuses received during the three years immediately prior to the 30077  
time when the person's child support obligation is being computed; 30078

(2) The total overtime, commissions, and bonuses received 30079  
during the year immediately prior to the time when the person's 30080  
child support obligation is being computed. 30081

(E) When the court or agency calculates the gross income of a 30082  
parent, it shall not include any income earned by the spouse of 30083  
that parent. 30084

(F) The court shall issue a separate order for extraordinary 30085  
medical or dental expenses, including, but not limited to, 30086  
orthodontia, psychological, appropriate private education, and 30087  
other expenses, and may consider the expenses in adjusting a child 30088  
support order. 30089

(G) When a court or agency calculates the amount of child support to be paid pursuant to a court child support order or an administrative child support order, if the combined gross income of both parents is an amount that is between two amounts set forth in the first column of the schedule, the court or agency may use the basic child support obligation that corresponds to the higher of the two amounts in the first column of the schedule, use the basic child support obligation that corresponds to the lower of the two amounts in the first column of the schedule, or calculate a basic child support obligation that is between those two amounts and corresponds proportionally to the parents' actual combined gross income.

(H) When the court or agency calculates gross income, the court or agency, when appropriate, may average income over a reasonable period of years.

(I) Unless it would be unjust or inappropriate and therefore not in the best interests of the child, a court or agency shall not determine a parent to be voluntarily unemployed or underemployed and shall not impute income to that parent if either of the following conditions exist:

(1) The parent is receiving recurring monetary income from means-tested public assistance benefits, including cash assistance payments under the Ohio works first program established under Chapter 5107. of the Revised Code, ~~financial assistance under the disability financial assistance program established under Chapter 5115. of the Revised Code,~~ supplemental security income, or means-tested veterans' benefits;

(2) The parent is incarcerated or institutionalized for a period of twelve months or more with no other available assets, unless the parent is incarcerated for an offense relating to the abuse or neglect of a child who is the subject of the support order or an offense under Title XXIX of the Revised Code when the

obligee or a child who is the subject of the support order is a 30122  
victim of the offense. 30123

(J) When a court or agency requires a parent to pay an amount 30124  
for that parent's failure to support a child for a period of time 30125  
prior to the date the court modifies or issues a court child 30126  
support order or an agency modifies or issues an administrative 30127  
child support order for the current support of the child, the 30128  
court or agency shall calculate that amount using the basic child 30129  
support schedule, worksheets, and child support laws in effect, 30130  
and the incomes of the parents as they existed, for that prior 30131  
period of time. 30132

(K) A court or agency may disregard a parent's additional 30133  
income from overtime or additional employment when the court or 30134  
agency finds that the additional income was generated primarily to 30135  
support a new or additional family member or members, or under 30136  
other appropriate circumstances. 30137

(L) If both parents involved in the immediate child support 30138  
determination have a prior order for support relative to a minor 30139  
child or children born to both parents, the court or agency shall 30140  
collect information about the existing order or orders and 30141  
consider those together with the current calculation for support 30142  
to ensure that the total of all orders for all children of the 30143  
parties does not exceed the amount that would have been ordered if 30144  
all children were addressed in a single judicial or administrative 30145  
proceeding. 30146

**Sec. 3121.03.** If a court or child support enforcement agency 30147  
that issued or modified a support order, or the agency 30148  
administering the support order, is required by the Revised Code 30149  
to issue one or more withholding or deduction notices described in 30150  
this section or other orders described in this section, the court 30151  
or agency shall issue one or more of the following types of 30152

notices or orders, as appropriate, for payment of the support and 30153  
also, if required by the Revised Code or the court, to pay any 30154  
arrearages: 30155

(A)(1) If the court or the child support enforcement agency 30156  
determines that the obligor is receiving income from a payor, the 30157  
court or agency shall require the payor to do all of the 30158  
following: 30159

(a) Withhold from the obligor's income a specified amount for 30160  
support in satisfaction of the support order and begin the 30161  
withholding no later than fourteen business days following the 30162  
date the notice is mailed or transmitted to the payor under 30163  
section 3121.035, 3123.021, or 3123.06 of the Revised Code and 30164  
division (A)(2) of this section or, if the payor is an employer, 30165

business days following the date the notice is mailed or 30167  
transmitted; 30168

(b) Send the amount withheld to the office of child support 30169  
in the department of job and family services pursuant to section 30170  
3121.43 of the Revised Code immediately but not later than seven 30171  
business days after the date the obligor is paid; 30172

(c) Continue the withholding at intervals specified in the 30173  
notice until further notice from the court or child support 30174  
enforcement agency. 30175

To the extent possible, the amount specified to be withheld 30176  
shall satisfy the amount ordered for support in the support order 30177  
plus any arrearages owed by the obligor under any prior support 30178  
order that pertained to the same child or spouse, notwithstanding 30179  
any applicable limitations of sections 2329.66, 2329.70, 2716.02, 30180  
2716.041, and 2716.05 of the Revised Code. However, in no case 30181  
shall the sum of the amount to be withheld and any fee withheld by 30182  
the payor as a charge for its services exceed the maximum amount 30183

permitted under section 303(b) of the "Consumer Credit Protection Act," 15 U.S.C. 1673(b). 30184  
30185

(2) A court or agency that imposes an income withholding requirement shall, within the applicable time specified in section 3119.80, 3119.81, 3121.035, 3123.021, or 3123.06 of the Revised Code, send to the obligor's payor by regular mail or via secure federally managed data transmission interface a notice that contains all of the information applicable to withholding notices set forth in section 3121.037 of the Revised Code. The notice is final and is enforceable by the court. 30186  
30187  
30188  
30189  
30190  
30191  
30192  
30193

(B)(1) If the court or child support enforcement agency determines that the obligor has funds that are not exempt under the laws of this state or the United States from execution, attachment, or other legal process and are on deposit in an account in a financial institution under the jurisdiction of the court that issued the court support order, or in the case of an administrative child support order, under the jurisdiction of the common pleas court of the county in which the agency that issued or is administering the order is located, the court or agency may require any financial institution in which the obligor's funds are on deposit to do all of the following: 30194  
30195  
30196  
30197  
30198  
30199  
30200  
30201  
30202  
30203  
30204

(a) Deduct from the obligor's account a specified amount for support in satisfaction of the support order and begin the deduction no later than fourteen business days following the date the notice was mailed or transmitted to the financial institution under section 3121.035 or 3123.06 of the Revised Code and division (B)(2) of this section; 30205  
30206  
30207  
30208  
30209  
30210

(b) Send the amount deducted to the office of child support in the department of job and family services pursuant to section 3121.43 of the Revised Code immediately but not later than seven business days after the date the latest deduction was made; 30211  
30212  
30213  
30214

(c) Provide the date on which the amount was deducted; 30215

(d) Continue the deduction at intervals specified in the 30216  
notice until further notice from the court or child support 30217  
enforcement agency. 30218

To the extent possible, the amount to be deducted shall 30219  
satisfy the amount ordered for support in the support order plus 30220  
any arrearages that may be owed by the obligor under any prior 30221  
support order that pertained to the same child or spouse, 30222  
notwithstanding the limitations of sections 2329.66, 2329.70, and 30223  
2716.13 of the Revised Code. 30224

(2) A court or agency that imposes a deduction requirement 30225  
shall, within the applicable period of time specified in section 30226  
3119.80, 3119.81, 3121.035, or 3123.06 of the Revised Code, send 30227  
to the financial institution by regular mail or via secure 30228  
federally managed data transmission interface a notice that 30229  
contains all of the information applicable to deduction notices 30230  
set forth in section 3121.037 of the Revised Code. The notice is 30231  
final and is enforceable by the court. 30232

(C) With respect to any court support order it issues, a 30233  
court may issue an order requiring the obligor to enter into a 30234  
cash bond with the court. The court shall issue the order as part 30235  
of the court support order or, if the court support order has 30236  
previously been issued, as a separate order. The cash bond shall 30237  
be in a sum fixed by the court at not less than five hundred nor 30238  
more than ten thousand dollars, conditioned that the obligor will 30239  
make payment as previously ordered and will pay any arrearages 30240  
under any prior court support order that pertained to the same 30241  
child or spouse. 30242

The order, along with an additional order requiring the 30243  
obligor to immediately notify the child support enforcement 30244  
agency, in writing, if the obligor begins to receive income from a 30245

payor, shall be attached to and served on the obligor at the same 30246  
time as service of the court support order or, if the court 30247  
support order has previously been issued, as soon as possible 30248  
after the issuance of the order under this section. The additional 30249  
order requiring notice by the obligor shall state all of the 30250  
following: 30251

(1) That when the obligor begins to receive income from a 30252  
payor the obligor may request that the court cancel its bond order 30253  
and instead issue a notice requiring the withholding of an amount 30254  
from income for support in accordance with this section; 30255

(2) That when the obligor begins to receive income from a 30256  
payor the court will proceed to collect on the bond if the court 30257  
determines that payments due under the court support order have 30258  
not been made and that the amount that has not been paid is at 30259  
least equal to the support owed for one month under the court 30260  
support order and will issue a notice requiring the withholding of 30261  
an amount from income for support in accordance with this section. 30262  
The notice required of the obligor shall include a description of 30263  
the nature of any new employment, the name and business address of 30264  
any new employer, and any other information reasonably required by 30265  
the court. 30266

The court shall not order an obligor to post a cash bond 30267  
under this section unless the court determines that the obligor 30268  
has the ability to do so. 30269

A child support enforcement agency may not issue a cash bond 30270  
order. If a child support enforcement agency is required to issue 30271  
a withholding or deduction notice under this section with respect 30272  
to a court support order but the agency determines that no 30273  
withholding or deduction notice would be appropriate, the agency 30274  
may request that the court issue a cash bond order under this 30275  
section, and upon the request, the court may issue the order. 30276

(D)(1) If the obligor under a court support order is 30277  
unemployed, has no income, and does not have an account at any 30278  
financial institution, or on request of a child support 30279  
enforcement agency under division (D)(1) or (2) of this section, 30280  
the court shall issue an order requiring the obligor, if able to 30281  
engage in employment, to seek employment or participate in a work 30282  
activity to which a recipient of assistance under Title IV-A of 30283  
the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, 30284  
as amended, may be assigned as specified in section 407(d) of the 30285  
"Social Security Act," 42 U.S.C.A. 607(d), as amended. The court 30286  
shall include in the order requirements that the obligor register 30287  
with the OhioMeansJobs web site and to notify the child support 30288  
enforcement agency on obtaining employment, obtaining any income, 30289  
or obtaining ownership of any asset with a value of five hundred 30290  
dollars or more. The court may issue the order regardless of 30291  
whether the obligee to whom the obligor owes support is a 30292  
recipient of assistance under Title IV-A of the "Social Security 30293  
Act." The court shall issue the order as part of a court support 30294  
order or, if a court support order has previously been issued, as 30295  
a separate order. If a child support enforcement agency is 30296  
required to issue a withholding or deduction notice under this 30297  
section with respect to a court support order but determines that 30298  
no withholding or deduction notice would be appropriate, the 30299  
agency may request that the court issue a court order under 30300  
division (D)(1) of this section, and, on the request, the court 30301  
may issue the order. 30302

(2) If the obligor under an administrative child support 30303  
order is unemployed, has no income, and does not have an account 30304  
at any financial institution, the agency shall issue an 30305  
administrative order requiring the obligor, if able to engage in 30306  
employment, to seek employment or participate in a work activity 30307  
to which a recipient of assistance under Title IV-A of the "Social 30308  
Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as amended, 30309

may be assigned as specified in section 407(d) of the "Social Security Act," 42 U.S.C.A. 607(d), as amended. The agency shall include in the order requirements that the obligor register with the OhioMeansJobs web site and to notify the agency on obtaining employment or income, or ownership of any asset with a value of five hundred dollars or more. The agency may issue the order regardless of whether the obligee to whom the obligor owes support is a recipient of assistance under Title IV-A of the "Social Security Act." If an obligor fails to comply with an administrative order issued pursuant to division (D)(2) of this section, the agency shall submit a request to a court for the court to issue an order under division (D)(1) of this section.

described in divisions (A)(1) and (B)(1) of this section. Each	30358

promoted to the fourth grade. The state board shall review and 30372  
adjust upward the level of achievement designated under this 30373  
division each year the test is administered until the level is set 30374  
equal to the level designated in division (A)(2)(c) of this 30375  
section. 30376

(4) Each school district or school shall teach and assess 30377  
social studies in at least the fourth and sixth grades. Any 30378  
assessment in such area shall be determined by the district or 30379  
school and may be formative or summative in nature. The results of 30380

(B)(1) The assessments prescribed under division (B)(1) of 30383  
this section shall collectively be known as the Ohio graduation 30384

achievement assessments, one each designed to measure the level of 30386  
reading, writing, mathematics, science, and social studies skill 30387  
expected at the end of tenth grade. The state board shall 30388  
designate a score in at least the range designated under division 30389  
(A)(2)(c) of this section on each such assessment that shall be 30390  
deemed to be a passing score on the assessment as a condition 30391  
toward granting high school diplomas under sections 3313.61, 30392  
3313.611, 3313.612, and 3325.08 of the Revised Code until the 30393  
assessment system prescribed by section 3301.0712 of the Revised 30394  
Code is implemented in accordance with division (B)(2) of this 30395  
section. 30396

(2) The state board shall prescribe an assessment system in 30397  
accordance with section 3301.0712 of the Revised Code that shall 30398  
replace the Ohio graduation tests beginning with students who 30399  
enter the ninth grade for the first time on or after July 1, 2014. 30400

(3) The state board may enter into a reciprocal agreement 30401  
with the appropriate body or agency of any other state that has 30402

similar statewide achievement assessment requirements for 30403  
receiving high school diplomas, under which any student who has 30404  
met an achievement assessment requirement of one state is 30405  
recognized as having met the similar requirement of the other 30406  
state for purposes of receiving a high school diploma. For 30407  
purposes of this section and sections 3301.0711 and 3313.61 of the 30408  
Revised Code, any student enrolled in any public high school in 30409  
this state who has met an achievement assessment requirement 30410  
specified in a reciprocal agreement entered into under this 30411  
division shall be deemed to have attained at least the applicable 30412  
score designated under this division on each assessment required 30413  
by division (B)(1) or (2) of this section that is specified in the 30414  
agreement. 30415

(C) The superintendent of public instruction shall designate 30416  
dates and times for the administration of the assessments 30417  
prescribed by divisions (A) and (B) of this section. 30418

In prescribing administration dates pursuant to this 30419  
division, the superintendent shall designate the dates in such a 30420  
way as to allow a reasonable length of time between the 30421  
administration of assessments prescribed under this section and 30422  
any administration of the national assessment of educational 30423  
progress given to students in the same grade level pursuant to 30424  
section 3301.27 of the Revised Code or federal law. 30425

(D) The state board shall prescribe a practice version of 30426  
each Ohio graduation test described in division (B)(1) of this 30427  
section that is of comparable length to the actual test. 30428

(E) Any committee established by the department of education 30429  
for the purpose of making recommendations to the state board 30430  
regarding the state board's designation of scores on the 30431  
assessments described by this section shall inform the state board 30432  
of the probable percentage of students who would score in each of 30433  
the ranges established under division (A)(2) of this section on 30434

the assessments if the committee's recommendations are adopted by 30435  
the state board. To the extent possible, these percentages shall 30436  
be disaggregated by gender, major racial and ethnic groups, 30437  
limited English proficient students, economically disadvantaged 30438  
students, students with disabilities, and migrant students. 30439

**Sec. 3301.0711.** (A) The department of education shall: 30440

required by divisions (A)(1) and (B)(1) of section 3301.0710 of 30442  
the Revised Code to be administered by city, local, exempted 30443  
village, and joint vocational school districts, except that each 30444  
district shall score any assessment administered pursuant to 30445  
division (B)(10) of this section. Each assessment so furnished 30446  
shall include the data verification code of the student to whom 30447  
the assessment will be administered, as assigned pursuant to 30448  
division (D)(2) of section 3301.0714 of the Revised Code. In 30449  
furnishing the practice versions of Ohio graduation tests 30450  
prescribed by division (D) of section 3301.0710 of the Revised 30451  
Code, the department shall make the tests available on its web 30452  
site for reproduction by districts. In awarding contracts for 30453  
grading assessments, the department shall give preference to 30454  
Ohio-based entities employing Ohio residents. 30455

(2) Adopt rules for the ethical use of assessments and 30456  
prescribing the manner in which the assessments prescribed by 30457  
section 3301.0710 of the Revised Code shall be administered to 30458  
students. 30459

(B) Except as provided in divisions (C) and (J) of this 30460  
section, the board of education of each city, local, and exempted 30461  
village school district shall, in accordance with rules adopted 30462  
under division (A) of this section: 30463

(1) Administer the English language arts assessments 30464

division (A)(2)(c) of section 3301.0710 of the Revised Code. 30468

(2) Administer the mathematics assessment prescribed under 30469

(6) Administer the assessments prescribed under division 30481  
(A)(1)(e) of section 3301.0710 of the Revised Code at least once 30482

enrolled, the board of a joint vocational school district shall 30502

also administer such an assessment to any student described in 30508  
division (B)(8)(b) of this section. 30509

(10) If the district has a three-year average graduation rate 30510

Except as provided in section 3313.614 of the Revised Code 30515  
for administration of an assessment to a person who has fulfilled 30516
