administrative officer of the school that the parent or guardian 30785  
does not wish to have the student take the elementary assessments 30786  
prescribed for the student's grade level under division (A) of 30787  
section 3301.0710 of the Revised Code. If a parent or guardian 30788  
submits an opt-out notice, the school shall not administer the 30789  
assessments to that student. This option does not apply to any 30790  
assessment required for a high school diploma under section 30791  
3313.612 of the Revised Code. 30792

(2) A chartered nonpublic school may submit to the 30793  
superintendent of public instruction a request for a waiver from 30794  
administering the elementary assessments prescribed by division 30795  
(A) of section 3301.0710 of the Revised Code. The state 30796  
superintendent shall approve or disapprove a request for a waiver 30797  
submitted under division (K)(2) of this section. No waiver shall 30798  
be approved for any school year prior to the 2015-2016 school 30799  
year. 30800

To be eligible to submit a request for a waiver, a chartered 30801  
nonpublic school shall meet the following conditions: 30802

(a) At least ninety-five per cent of the students enrolled in 30803  
the school are children with disabilities, as defined under 30804  
section 3323.01 of the Revised Code, or have received a diagnosis 30805  
by a school district or from a physician, including a 30806  
neuropsychiatrist or psychiatrist, or a psychologist who is 30807  
authorized to practice in this or another state as having a 30808  
condition that impairs academic performance, such as dyslexia, 30809  
dyscalculia, attention deficit hyperactivity disorder, or 30810  
Asperger's syndrome. 30811

(b) The school has solely served a student population 30812

described in division (K)(1)(a) of this section for at least ten 30813  
years. 30814

(c) The school provides to the department at least five years 30815  
of records of internal testing conducted by the school that 30816  
affords the department data required for accountability purposes, 30817  
including diagnostic assessments and nationally standardized 30818  
norm-referenced achievement assessments that measure reading and 30819  
math skills. 30820

(3) Any chartered nonpublic school that is not subject to 30821  
division (K)(1) of this section may participate in the assessment 30822  
program by administering any of the assessments prescribed by 30823  
division (A) of section 3301.0710 of the Revised Code. The chief 30824  
administrator of the school shall specify which assessments the 30825  
school will administer. Such specification shall be made in 30826  
writing to the superintendent of public instruction prior to the 30827  
first day of August of any school year in which assessments are 30828  
administered and shall include a pledge that the nonpublic school 30829  
will administer the specified assessments in the same manner as 30830  
public schools are required to do under this section and rules 30831  
adopted by the department. 30832

(4) The department of education shall furnish the assessments 30833  
prescribed by section 3301.0710 of the Revised Code to each 30834  
chartered nonpublic school that is subject to division (K)(1) of 30835  
this section or participates under division (K)(3) of this 30836  
section. 30837

(L) If a chartered nonpublic school is educating students in 30838  
grades nine through twelve, the following shall apply: 30839

(1) For a student who is enrolled in a chartered nonpublic 30840  
school that is accredited through the independent schools 30841  
association of the central states and who is attending the school 30842  
under a state scholarship program, the student shall either take 30843

all of the assessments prescribed by division (B) of section 30844  
3301.0712 of the Revised Code or take an alternative assessment 30845  
approved by the department under section 3313.619 of the Revised 30846  
Code. However, a student who is excused from taking an assessment 30847  
under division (C) of this section or has presented evidence to 30848  
the chartered nonpublic school of having satisfied the condition 30849  
prescribed by division (A)(1) of section 3313.618 of the Revised 30850  
Code to qualify for a high school diploma prior to the date of the 30851  
administration of the assessment prescribed under division (B)(1) 30852  
of section 3301.0712 of the Revised Code shall not be required to 30853  
take that assessment. No governing authority of a chartered 30854  
nonpublic school shall prohibit a student who is not required to 30855  
take such assessment from taking the assessment. 30856

(2) For a student who is enrolled in a chartered nonpublic 30857  
school that is accredited through the independent schools 30858  
association of the central states, and who is not attending the 30859  
school under a state scholarship program, the student shall not be 30860  
required to take any assessment prescribed under section 3301.0712 30861  
or 3313.619 of the Revised Code. 30862

(3)(a) Except as provided in division (L)(3)(b) of this 30863  
section, for a student who is enrolled in a chartered nonpublic 30864  
school that is not accredited through the independent schools 30865  
association of the central states, regardless of whether the 30866  
student is attending or is not attending the school under a state 30867  
scholarship program, the student shall do one of the following: 30868

(i) Take all of the assessments prescribed by division (B) of 30869  
section 3301.0712 of the Revised Code; 30870

(ii) Take only the assessment prescribed by division (B)(1) 30871  
of section 3301.0712 of the Revised Code, provided that the 30872  
student's school publishes the results of that assessment for each 30873  
graduating class. The published results of that assessment shall 30874  
include the overall composite scores, mean scores, twenty-fifth 30875

percentile scores, and seventy-fifth percentile scores for each 30876  
subject area of the assessment. 30877

(iii) Take an alternative assessment approved by the 30878  
department under section 3313.619 of the Revised Code. 30879

(b) A student who is excused from taking an assessment under 30880  
division (C) of this section or has presented evidence to the 30881  
chartered nonpublic school of having satisfied the condition 30882  
prescribed by division (A)(1) of section 3313.618 of the Revised 30883  
Code to qualify for a high school diploma prior to the date of the 30884  
administration of the assessment prescribed under division (B)(1) 30885  
of section 3301.0712 of the Revised Code shall not be required to 30886  
take that assessment. No governing authority of a chartered 30887  
nonpublic school shall prohibit a student who is not required to 30888  
take such assessment from taking the assessment. 30889

(M)(1) The superintendent of the state school for the blind 30890  
and the superintendent of the state school for the deaf shall 30891  
administer the assessments described by sections 3301.0710 and 30892  
3301.0712 of the Revised Code. Each superintendent shall 30893  
administer the assessments in the same manner as district boards 30894  
are required to do under this section and rules adopted by the 30895  
department of education and in conformity with division (C)(1)(a) 30896  
of this section. 30897

(2) The department of education shall furnish the assessments 30898  
described by sections 3301.0710 and 3301.0712 of the Revised Code 30899  
to each superintendent. 30900

(N) Notwithstanding division (E) of this section, a school 30901  
district may use a student's failure to attain a score in at least 30902  
the proficient range on the mathematics assessment described by 30903  
division (A)(1)(a) of section 3301.0710 of the Revised Code or on 30904  
an assessment described by division (A)(1)(b), (c), (d), (e), or 30905  
(f) of section 3301.0710 of the Revised Code as a factor in 30906

retaining that student in the current grade level. 30907

(O)(1) In the manner specified in divisions (O)(3), (4), ~~and~~ 30908  
(6), and (7) of this section, the assessments required by division 30909  
(A)(1) of section 3301.0710 of the Revised Code shall become 30910  
public records pursuant to section 149.43 of the Revised Code on 30911  
the thirty-first day of July following the school year that the 30912  
assessments were administered. 30913

(2) The department may field test proposed questions with 30914  
samples of students to determine the validity, reliability, or 30915  
appropriateness of questions for possible inclusion in a future 30916  
year's assessment. The department also may use anchor questions on 30917  
assessments to ensure that different versions of the same 30918  
assessment are of comparable difficulty. 30919

Field test questions and anchor questions shall not be 30920  
considered in computing scores for individual students. Field test 30921  
questions and anchor questions may be included as part of the 30922  
administration of any assessment required by division (A)(1) or 30923  
(B) of section 3301.0710 and division (B) of section 3301.0712 of 30924  
the Revised Code. 30925

(3) Any field test question or anchor question administered 30926  
under division (O)(2) of this section shall not be a public 30927  
record. Such field test questions and anchor questions shall be 30928  
redacted from any assessments which are released as a public 30929  
record pursuant to division (O)(1) of this section. 30930

(4) This division applies to the assessments prescribed by 30931  
division (A) of section 3301.0710 of the Revised Code. 30932

(a) The first administration of each assessment, as specified 30933  
in former section 3301.0712 of the Revised Code, shall be a public 30934  
record. 30935

(b) For subsequent administrations of each assessment prior 30936  
to the 2011-2012 school year, not less than forty per cent of the 30937

questions on the assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The preceding sentence does not apply to field test questions that are redacted under division (O)(3) of this section.

(c) The administrations of each assessment in the 2011-2012, 2012-2013, and 2013-2014 school years shall not be a public record.

(5) Each assessment prescribed by division (B)(1) of section 3301.0710 of the Revised Code shall not be a public record.

(6) ~~Beginning with the spring administration for~~ (a) Except as provided in division (O)(6)(b) of this section, for the administrations in the 2014-2015, 2015-2016, and 2016-2017 school year years, questions on the assessments prescribed under division (A) of section 3301.0710 and division (B)(2) of section 3301.0712 of the Revised Code and the corresponding preferred answers that are used to compute a student's score shall become a public record as follows:

~~(a)~~(i) Forty per cent of the questions and preferred answers on the assessments on the thirty-first day of July following the administration of the assessment;

~~(b)~~(ii) Twenty per cent of the questions and preferred answers on the assessment on the thirty-first day of July one year after the administration of the assessment;

~~(e)(iii)~~ The remaining forty per cent of the questions and preferred answers on the assessment on the thirty-first day of July two years after the administration of the assessment.

The entire content of an assessment shall become a public record within three years of its administration.

The department shall make the questions that become a public record under this division readily accessible to the public on the department's web site. Questions on the spring administration of each assessment shall be released on an annual basis, in accordance with this division.

(b) No questions and corresponding preferred answers shall become a public record under division (O)(6) of this section after July 31, 2017.

(7) Division (O)(7) of this section applies to the assessments prescribed by division (A) of section 3301.0710 and division (B)(2) of section 3301.0712 of the Revised Code.

Beginning with the assessments administered in the spring of the 2017-2018 school year, not less than forty per cent of the questions on each assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the corresponding statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The department is not required to provide corresponding standards and benchmarks to field test questions that are redacted under division (O)(3) of this section.

(P) As used in this section: 31000

(1) "Three-year average" means the average of the most recent 31001  
consecutive three school years of data. 31002

(2) "Dropout" means a student who withdraws from school 31003  
before completing course requirements for graduation and who is 31004  
not enrolled in an education program approved by the state board 31005  
of education or an education program outside the state. "Dropout" 31006  
does not include a student who has departed the country. 31007

(3) "Graduation rate" means the ratio of students receiving a 31008  
diploma to the number of students who entered ninth grade four 31009  
years earlier. Students who transfer into the district are added 31010  
to the calculation. Students who transfer out of the district for 31011  
reasons other than dropout are subtracted from the calculation. If 31012  
a student who was a dropout in any previous year returns to the 31013  
same school district, that student shall be entered into the 31014  
calculation as if the student had entered ninth grade four years 31015  
before the graduation year of the graduating class that the 31016  
student joins. 31017

(4) "State scholarship programs" means the educational choice 31018  
scholarship pilot program established under sections 3310.01 to 31019  
3310.17 of the Revised Code, the autism scholarship program 31020  
established under section 3310.41 of the Revised Code, the Jon 31021  
Peterson special needs scholarship program established under 31022

project scholarship program established under sections 3313.974 to 31024  
3313.979 of the Revised Code. 31025

**Sec. 3301.0712.** (A) The state board of education, the 31026  
superintendent of public instruction, and the chancellor of higher 31027  
education shall develop a system of college and work ready 31028  
assessments as described in division (B) of this section to assess 31029  
whether each student upon graduating from high school is ready to 31030

enter college or the workforce. Beginning with students who enter 31031  
the ninth grade for the first time on or after July 1, 2014, the 31032  
system shall replace the Ohio graduation tests prescribed in 31033  
division (B)(1) of section 3301.0710 of the Revised Code as a 31034  
measure of student academic performance and one determinant of 31035  
eligibility for a high school diploma in the manner prescribed by 31036  
rule of the state board adopted under division (D) of this 31037  
section. 31038

(B) The college and work ready assessment system shall 31039  
consist of the following: 31040

(1) Nationally standardized assessments that measure college 31041  
and career readiness and are used for college admission. The 31042  
assessments shall be selected jointly by the state superintendent 31043  
and the chancellor, and one of which shall be selected by each 31044  
school district or school to administer to its students. The 31045  
assessments prescribed under division (B)(1) of this section shall 31046  
be administered to all eleventh-grade students in the spring of 31047  
the school year. 31048

(2) Seven end-of-course examinations, one in each of the 31049  
areas of English language arts I, English language arts II, 31050  
science, Algebra I, geometry, American history, and American 31051  
government. The end-of-course examinations shall be selected 31052  
jointly by the state superintendent and the chancellor in 31053  
consultation with faculty in the appropriate subject areas at 31054  
institutions of higher education of the university system of Ohio. 31055  
Advanced placement examinations and international baccalaureate 31056  
examinations, as prescribed under section 3313.6013 of the Revised 31057  
Code, in the areas of science, American history, and American 31058  
government may be used as end-of-course examinations in accordance 31059  
with division (B)(4)(a)(i) of this section. Final course grades 31060  
for courses taken under any other advanced standing program, as 31061

prescribed under section 3313.6013 of the Revised Code, in the 31062  
areas of science, American history, and American government may be 31063  
used in lieu of end-of-course examinations in accordance with 31064  
division (B)(4)(a)(ii) of this section. 31065

(3)(a) Not later than July 1, 2013, each school district 31066  
board of education shall adopt interim end-of-course examinations 31067  
that comply with the requirements of divisions (B)(3)(b)(i) and 31068  
(ii) of this section to assess mastery of American history and 31069  
American government standards adopted under division (A)(1)(b) of 31070  
section 3301.079 of the Revised Code and the topics required under 31071  
division (M) of section 3313.603 of the Revised Code. Each high 31072  
school of the district shall use the interim examinations until 31073  
the state superintendent and chancellor select end-of-course 31074  
examinations in American history and American government under 31075  
division (B)(2) of this section. 31076

(b) Not later than July 1, 2014, the state superintendent and 31077  
the chancellor shall select the end-of-course examinations in 31078  
American history and American government. 31079

(i) The end-of-course examinations in American history and 31080  
American government shall require demonstration of mastery of the 31081  
American history and American government content for social 31082  
studies standards adopted under division (A)(1)(b) of section 31083  
3301.079 of the Revised Code and the topics required under 31084  
division (M) of section 3313.603 of the Revised Code. 31085

(ii) At least twenty per cent of the end-of-course 31086  
examination in American government shall address the topics on 31087  
American history and American government described in division (M) 31088  
of section 3313.603 of the Revised Code. 31089

(4)(a) Notwithstanding anything to the contrary in this 31090  
section, beginning with the 2014-2015 school year, both of the 31091  
following shall apply: 31092

(i) If a student is enrolled in an appropriate advanced placement or international baccalaureate course, that student shall take the advanced placement or international baccalaureate examination in lieu of the science, American history, or American government end-of-course examinations prescribed under division (B)(2) of this section. The state board shall specify the score levels for each advanced placement examination and international baccalaureate examination for purposes of calculating the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.

(ii) If a student is enrolled in an appropriate course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, that student shall not be required to take the science, American history, or American government end-of-course examination, whichever is applicable, prescribed under division (B)(2) of this section. Instead, that student's final course grade shall be used in lieu of the applicable end-of-course examination prescribed under that section. The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades that demonstrate the level of academic achievement necessary to earn a high school diploma.

Division (B)(4)(a)(ii) of this section shall apply only to courses for which students receive transcribed credit, as defined in ~~division (U) of~~ section 3365.01 of the Revised Code. It shall not apply to remedial or developmental courses.

(b) No student shall take a substitute examination or examination prescribed under division (B)(4)(a) of this section in place of the end-of-course examinations in English language arts I, English language arts II, Algebra I, or geometry prescribed under division (B)(2) of this section.

(c) The state board shall consider additional assessments

that may be used, beginning with the 2016-2017 school year, as 31125  
substitute examinations in lieu of the end-of-course examinations 31126  
prescribed under division (B)(2) of this section. 31127

(5) The state board shall do all of the following: 31128

(a) Determine and designate at least five ranges of scores on 31129  
each of the end-of-course examinations prescribed under division 31130  
(B)(2) of this section, and substitute examinations prescribed 31131  
under division (B)(4) of this section. Each range of scores shall 31132  
be considered to demonstrate a level of achievement so that any 31133  
student attaining a score within such range has achieved one of 31134  
the following: 31135

(i) An advanced level of skill; 31136

(ii) An accelerated level of skill; 31137

(iii) A proficient level of skill; 31138

(iv) A basic level of skill; 31139

(v) A limited level of skill. 31140

(b) Determine a method by which to calculate a cumulative 31141  
performance score based on the results of a student's 31142  
end-of-course examinations or substitute examinations; 31143

(c) Determine the minimum cumulative performance score that 31144  
demonstrates the level of academic achievement necessary to earn a 31145  
high school diploma; 31146

(d) Develop a table of corresponding score equivalents for 31147  
the end-of-course examinations and substitute examinations in 31148  
order to calculate student performance consistently across the 31149  
different examinations. 31150

A score of two on an advanced placement examination or a 31151  
score of two or three on an international baccalaureate 31152  
examination shall be considered equivalent to a proficient level 31153  
of skill as specified under division (B)(5)(a)(iii) of this 31154

section.	31155
(6)(a) A student who meets both of the following conditions shall not be required to take an end-of-course examination:	31156 31157
(i) The student received high school credit prior to July 1, 2015, for a course for which the end-of-course examination is prescribed.	31158 31159 31160
(ii) The examination was not available for administration prior to July 1, 2015.	31161 31162
Receipt of credit for the course described in division (B)(6)(a)(i) of this section shall satisfy the requirement to take the end-of-course examination. A student exempted under division (B)(6)(a) of this section may take the applicable end-of-course examination at a later date.	31163 31164 31165 31166 31167
(b) For purposes of determining whether a student who is exempt from taking an end-of-course examination under division (B)(6)(a) of this section has attained the cumulative score prescribed by division (B)(5)(c) of this section, such student shall select either of the following:	31168 31169 31170 31171 31172
(i) The student is considered to have attained a proficient score on the end-of-course examination from which the student is exempt;	31173 31174 31175
(ii) The student's final course grade shall be used in lieu of a score on the end-of-course examination from which the student is exempt.	31176 31177 31178
The state superintendent, in consultation with the chancellor, shall adopt guidelines for purposes of calculating the corresponding final course grades and the minimum cumulative performance score that demonstrates the level of academic achievement necessary to earn a high school diploma.	31179 31180 31181 31182 31183
(7)(a) Notwithstanding anything to the contrary in this	31184

section, the state board may replace the algebra I end-of-course examination prescribed under division (B)(2) of this section with an algebra II end-of-course examination, beginning with the 2016-2017 school year for students who enter ninth grade on or after July 1, 2016.

(b) If the state board replaces the algebra I end-of-course examination with an algebra II end-of-course examination as authorized under division (B)(7)(a) of this section, both of the following shall apply:

(i) A student who is enrolled in an advanced placement or international baccalaureate course in algebra II shall take the advanced placement or international baccalaureate examination in lieu of the algebra II end-of-course examination.

(ii) A student who is enrolled in an algebra II course under any other advanced standing program, as described in section 3313.6013 of the Revised Code, shall not be required to take the algebra II end-of-course examination. Instead, that student's final course grade shall be used in lieu of the examination.

(c) If a school district or school utilizes an integrated approach to mathematics instruction, the district or school may do either or both of the following:

(i) Administer an integrated mathematics I end-of-course examination in lieu of the prescribed algebra I end-of-course examination;

this section. 31640

(2) "Cost" means any expenditure for operating expenses made 31641  
by a school district excluding any expenditures for debt 31642  
retirement except for payments made to any commercial lending 31643  
institution for any loan approved pursuant to section 3313.483 of 31644  
the Revised Code. 31645

(K) Any person who removes data from the information system 31646  
established under this section for the purpose of releasing it to 31647  
any person not entitled under law to have access to such 31648  
information is subject to section 2913.42 of the Revised Code 31649  
prohibiting tampering with data. 31650

(L)(1) In accordance with division (L)(2) of this section and 31651  
the rules adopted under division (L)(10) of this section, the 31652

department of education may sanction any school district that 31653  
reports incomplete or inaccurate data, reports data that does not 31654  
conform to data requirements and descriptions published by the 31655  
department, fails to report data in a timely manner, or otherwise 31656  
does not make a good faith effort to report data as required by 31657  
this section. 31658

(2) If the department decides to sanction a school district 31659  
under this division, the department shall take the following 31660  
sequential actions: 31661

(a) Notify the district in writing that the department has 31662  
determined that data has not been reported as required under this 31663  
section and require the district to review its data submission and 31664  
submit corrected data by a deadline established by the department. 31665  
The department also may require the district to develop a 31666  
corrective action plan, which shall include provisions for the 31667  
district to provide mandatory staff training on data reporting 31668  
procedures. 31669

(b) Withhold up to ten per cent of the total amount of state 31670  
funds due to the district for the current fiscal year and, if not 31671  
previously required under division (L)(2)(a) of this section, 31672  
require the district to develop a corrective action plan in 31673  
accordance with that division; 31674

(c) Withhold an additional amount of up to twenty per cent of 31675  
the total amount of state funds due to the district for the 31676  
current fiscal year; 31677

(d) Direct department staff or an outside entity to 31678  
investigate the district's data reporting practices and make 31679  
recommendations for subsequent actions. The recommendations may 31680  
include one or more of the following actions: 31681

(i) Arrange for an audit of the district's data reporting 31682  
practices by department staff or an outside entity; 31683

(ii) Conduct a site visit and evaluation of the district;	31684
(iii) Withhold an additional amount of up to thirty per cent of the total amount of state funds due to the district for the current fiscal year;	31685 31686 31687
(iv) Continue monitoring the district's data reporting;	31688
(v) Assign department staff to supervise the district's data management system;	31689 31690
(vi) Conduct an investigation to determine whether to suspend or revoke the license of any district employee in accordance with division (N) of this section;	31691 31692 31693
(vii) If the district is issued a report card under section 3302.03 of the Revised Code, indicate on the report card that the district has been sanctioned for failing to report data as required by this section;	31694 31695 31696 31697
(viii) If the district is issued a report card under section 3302.03 of the Revised Code and incomplete or inaccurate data submitted by the district likely caused the district to receive a higher performance rating than it deserved under that section, issue a revised report card for the district;	31698 31699 31700 31701 31702
(ix) Any other action designed to correct the district's data reporting problems.	31703 31704
(3) Any time the department takes an action against a school district under division (L)(2) of this section, the department shall make a report of the circumstances that prompted the action. The department shall send a copy of the report to the district superintendent or chief administrator and maintain a copy of the report in its files.	31705 31706 31707 31708 31709 31710
(4) If any action taken under division (L)(2) of this section resolves a school district's data reporting problems to the department's satisfaction, the department shall not take any	31711 31712 31713

further actions described by that division. If the department 31714  
withheld funds from the district under that division, the 31715  
department may release those funds to the district, except that if 31716  
the department withheld funding under division (L)(2)(c) of this 31717  
section, the department shall not release the funds withheld under 31718  
division (L)(2)(b) of this section and, if the department withheld 31719  
funding under division (L)(2)(d) of this section, the department 31720  
shall not release the funds withheld under division (L)(2)(b) or 31721  
(c) of this section. 31722

(5) Notwithstanding anything in this section to the contrary, 31723  
the department may use its own staff or an outside entity to 31724  
conduct an audit of a school district's data reporting practices 31725  
any time the department has reason to believe the district has not 31726  
made a good faith effort to report data as required by this 31727  
section. If any audit conducted by an outside entity under 31728  
division (L)(2)(d)(i) or (5) of this section confirms that a 31729  
district has not made a good faith effort to report data as 31730  
required by this section, the district shall reimburse the 31731  
department for the full cost of the audit. The department may 31732  
withhold state funds due to the district for this purpose. 31733

(6) Prior to issuing a revised report card for a school 31734  
district under division (L)(2)(d)(viii) of this section, the 31735  
department may hold a hearing to provide the district with an 31736  
opportunity to demonstrate that it made a good faith effort to 31737  
report data as required by this section. The hearing shall be 31738  
conducted by a referee appointed by the department. Based on the 31739  
information provided in the hearing, the referee shall recommend 31740  
whether the department should issue a revised report card for the 31741  
district. If the referee affirms the department's contention that 31742  
the district did not make a good faith effort to report data as 31743  
required by this section, the district shall bear the full cost of 31744  
conducting the hearing and of issuing any revised report card. 31745

(7) If the department determines that any inaccurate data reported under this section caused a school district to receive excess state funds in any fiscal year, the district shall reimburse the department an amount equal to the excess funds, in accordance with a payment schedule determined by the department. The department may withhold state funds due to the district for this purpose.

(8) Any school district that has funds withheld under division (L)(2) of this section may appeal the withholding in accordance with Chapter 119. of the Revised Code.

(9) In all cases of a disagreement between the department and a school district regarding the appropriateness of an action taken under division (L)(2) of this section, the burden of proof shall be on the district to demonstrate that it made a good faith effort to report data as required by this section.

(10) The state board of education shall adopt rules under Chapter 119. of the Revised Code to implement division (L) of this section.

(M) No information technology center or school district shall acquire, change, or update its student administration software package to manage and report data required to be reported to the department unless it converts to a student software package that is certified by the department.

(N) The state board of education, in accordance with sections 3319.31 and 3319.311 of the Revised Code, may suspend or revoke a license as defined under division (A) of section 3319.31 of the Revised Code that has been issued to any school district employee found to have willfully reported erroneous, inaccurate, or incomplete data to the education management information system.

(O) No person shall release or maintain any information about any student in violation of this section. Whoever violates this

division is guilty of a misdemeanor of the fourth degree. 31777

(P) The department shall disaggregate the data collected 31778  
under division (B)(1)(n) of this section according to the race and 31779  
socioeconomic status of the students assessed. 31780

(Q) If the department cannot compile any of the information 31781  
required by division (H) of section 3302.03 of the Revised Code 31782  
based upon the data collected under this section, the department 31783  
shall develop a plan and a reasonable timeline for the collection 31784  
of any data necessary to comply with that division. 31785

**Sec. 3301.0715.** (A) Except as required under division (B)(1) 31786  
of section 3313.608 or as specified in division (D)(3) of section 31787  
3301.079 of the Revised Code, the board of education of each city, 31788  
local, and exempted village school district shall administer each 31789  
applicable diagnostic assessment developed and provided to the 31790  
district in accordance with section 3301.079 of the Revised Code 31791  
to the following: 31792

(1) Any student who transfers into the district or to a 31793  
different school within the district if each applicable diagnostic 31794  
assessment was not administered by the district or school the 31795  
student previously attended in the current school year, within 31796  
thirty days after the date of transfer. If the district or school 31797  
into which the student transfers cannot determine whether the 31798  
student has taken any applicable diagnostic assessment in the 31799  
current school year, the district or school may administer the 31800  
diagnostic assessment to the student. However, if a student 31801  
transfers into the district prior to the administration of the 31802  
diagnostic assessments to all students under division (B) of this 31803  
section, the district may administer the diagnostic assessments to 31804  
that student on the date or dates determined under that division. 31805

(2) Each kindergarten student, not earlier than the first day 31806  
of the school year and not later than the first day of November. 31807

However, a board of education may administer the selected response 31808  
and performance task items portion of the diagnostic assessment up 31809  
to two weeks prior to the first day of the school year. 31810

For the purpose of division (A)(2) of this section, the 31811  
district shall administer the kindergarten readiness assessment 31812  
provided by the department of education. In no case shall the 31813  
results of the readiness assessment be used to prohibit a student 31814  
from enrolling in kindergarten. 31815

(3) Each student enrolled in first, second, or third grade. 31816

Division (A) of this section does not apply to students with 31817  
significant cognitive disabilities, as defined by the department 31818  
of education. 31819

(B) Each district board shall administer each diagnostic 31820  
assessment when the board deems appropriate, provided the 31821  
administration complies with section 3313.608 of the Revised Code. 31822  
However, the board shall administer any diagnostic assessment at 31823  
least once annually to all students in the appropriate grade 31824  
level. A district board may administer any diagnostic assessment 31825  
in the fall and spring of a school year to measure the amount of 31826  
academic growth attributable to the instruction received by 31827  
students during that school year. 31828

(C) Any district that received a grade of "A" or "B" for the 31829  
performance index score under division (A)(1)(b), (B)(1)(b), or 31830  
(C)(1)(b) of section 3302.03 of the Revised Code or for the 31831  
value-added progress dimension under division (A)(1)(e), 31832  
(B)(1)(e), or (C)(1)(e) of section 3302.03 of the Revised Code for 31833  
the immediately preceding school year may use different diagnostic 31834  
assessments from those adopted under division (D) of section 31835  
3301.079 of the Revised Code in order to satisfy the requirements 31836  
of division (A)(3) of this section. 31837

(D) Each district board shall utilize and score any 31838

diagnostic assessment administered under division (A) of this 31839  
section in accordance with rules established by the department. 31840  
After the administration of any diagnostic assessment, each 31841  
district shall provide a student's completed diagnostic 31842  
assessment, the results of such assessment, and any other 31843  
accompanying documents used during the administration of the 31844  
assessment to the parent of that student, and shall include all 31845  
such documents and information in any plan developed for the 31846  
student under division (C) of section 3313.608 of the Revised 31847  
Code. Each district shall submit to the department, in the manner 31848  
the department prescribes, the results of the diagnostic 31849  
assessments administered under this section, regardless of the 31850  
type of assessment used under section 3313.608 of the Revised 31851  
Code. The department may issue reports with respect to the data 31852  
collected. The department may report school and district level 31853  
kindergarten diagnostic assessment data and use diagnostic 31854  
assessment data to calculate the measure prescribed by divisions 31855  
(B)(1)(g) and (C)(1)(g) of section 3302.03 of the Revised Code. 31856

(E) Each district board shall provide intervention services 31857  
to students whose diagnostic assessments show that they are 31858  
failing to make satisfactory progress toward attaining the 31859  
academic standards for their grade level. 31860

(F) Beginning in the 2018-2019 school year, any chartered 31861  
nonpublic school may elect to administer the kindergarten 31862  
readiness assessment to all kindergarten students enrolled in the 31863  
school. If the school so elects, the chief administrator of the 31864  
school shall notify the superintendent of public instruction not 31865  
later than the thirty-first day of March prior to any school year 31866  
in which the school will administer the assessment. The department 31867  
shall furnish the assessment to the school at no cost to the 31868  
school. In administering the assessment, the school shall do all 31869  
of the following: 31870

(1) Enter into a written agreement with the department 31871  
specifying that the school will share each participating student's 31872  
assessment data with the department and, that for the purpose of 31873  
reporting the data to the department, each participating student 31874  
will be assigned a data verification code as described in division 31875  
(D)(2) of section 3301.0714 of the Revised Code; 31876

(2) Require the assessment to be administered by a teacher 31877  
certified under section 3301.071 of the Revised Code who either 31878  
has completed training on administering the kindergarten readiness 31879  
assessment provided by the department or has been trained by 31880  
another person who has completed such training; 31881

(3) Administer the assessment in the same manner as school 31882  
districts are required to do under this section and the rules 31883  
established under division (D) of this section. 31884

and students who take an assessment receive progressively larger weights dependent upon the level of skill attained on the assessment. The department shall assign additional weights to students who have been permitted to pass over a subject in accordance with a student acceleration policy adopted under section 3324.10 of the Revised Code. If such a student attains the proficient score prescribed under division (A)(2)(c) of section 3301.0710 of the Revised Code or higher on an assessment, the department shall assign the student the weight prescribed for the next higher scoring level. If such a student attains the advanced score, prescribed under division (A)(2)(a) of section 3301.0710 of the Revised Code, on an assessment, the department shall assign to the student an additional proportional weight, as approved by the state board. For each school year that such a student's score is included in the performance index score and the student attains the proficient score on an assessment, that additional weight shall be assigned to the student on a subject-by-subject basis.

the achievement assessments prescribed by section 3301.0710 of the 31957  
Revised Code. The "value-added progress dimension" shall be 31958

(v) A score that is not greater than two standard errors of 32048  
measure below the mean score shall be designated as an "F." 32049

Whenever the value-added progress dimension is used as a 32050  
graded performance measure, whether as an overall measure or as a 32051  
measure of separate subgroups, the grades for the measure shall be 32052  
calculated in the same manner as prescribed in division (A)(1)(e) 32053  
of this section. 32054

(f) The value-added progress dimension score for a school district or building disaggregated for each of the following subgroups: students identified as gifted, students with disabilities, and students whose performance places them in the lowest quintile for achievement on a statewide basis. Each subgroup shall be a separate graded measure.

(2) Not later than April 30, 2013, the state board of education shall adopt a resolution describing the performance measures, benchmarks, and grading system for the 2012-2013 school year and, not later than June 30, 2013, shall adopt rules in accordance with Chapter 119. of the Revised Code that prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, including performance benchmarks for each letter grade.

At least forty-five days prior to the state board's adoption of rules to prescribe the methods by which the performance measures under division (A)(1) of this section shall be assessed and assigned a letter grade, the department shall conduct a public presentation before the standing committees of the house of representatives and the senate that consider education legislation describing such methods, including performance benchmarks.

(3) There shall not be an overall letter grade for a school district or building for the 2012-2013 school year.

under division (B)(1)(b) of this section, the state board shall 32086  
designate ninety per cent or higher for an "A," at least seventy 32087  
per cent but not more than eighty per cent for a "C," and less 32088  
than fifty per cent for an "F." 32089

(c) The extent to which the school district or building meets 32090  
each of the applicable performance indicators established by the 32091  
state board under section 3302.03 of the Revised Code and the 32092  
percentage of applicable performance indicators that have been 32093  
achieved. In adopting benchmarks for assigning letter grades under 32094  
division (B)(1)(c) of this section, the state board shall 32095  
designate ninety per cent or higher for an "A." 32096

(d) The four- and five-year adjusted cohort graduation rates; 32097

(e) The overall score under the value-added progress 32098  
dimension of a school district or building, for which the 32099  
department shall use up to three years of value-added data as 32100  
available. 32101

(f) The value-added progress dimension score for a school 32102  
district or building disaggregated for each of the following 32103  
subgroups: students identified as gifted in superior cognitive 32104  
ability and specific academic ability fields under Chapter 3324. 32105  
of the Revised Code, students with disabilities, and students 32106  
whose performance places them in the lowest quintile for 32107  
achievement on a statewide basis. Each subgroup shall be a 32108  
separate graded measure. 32109

(g) Whether a school district or building is making progress 32110  
in improving literacy in grades kindergarten through three, as 32111  
determined using a method prescribed by the state board. The state 32112  
board shall adopt rules to prescribe benchmarks and standards for 32113  
assigning grades to districts and buildings for purposes of 32114  
division (B)(1)(g) of this section. In adopting benchmarks for 32115  
assigning letter grades under divisions (B)(1)(g) and (C)(1)(g) of 32116

this section, the state board shall determine progress made based 32117  
on the reduction in the total percentage of students scoring below 32118  
grade level, or below proficient, compared from year to year on 32119  
the reading and writing diagnostic assessments administered under 32120  
section 3301.0715 of the Revised Code and the third grade English 32121

grade level on the diagnostic assessment administered to students 32128  
in kindergarten under division (B)(1) of section 3313.608 of the 32129  
Revised Code. 32130

(h) For a high mobility school district or building, an 32131  
additional value-added progress dimension score. For this measure, 32132  
the department shall use value-added data from the most recent 32133  
school year available and shall use assessment scores for only 32134  
those students to whom the district or building has administered 32135  
the assessments prescribed by section 3301.0710 of the Revised 32136  
Code for each of the two most recent consecutive school years. 32137

As used in this division, "high mobility school district or 32138  
building" means a school district or building where at least 32139  
twenty-five per cent of its total enrollment is made up of 32140  
students who have attended that school district or building for 32141  
less than one year. 32142

(2) In addition to the graded measures in division (B)(1) of 32143  
this section, the department shall include on a school district's 32144  
or building's report card all of the following without an assigned 32145  
letter grade: 32146

(a) The percentage of students enrolled in a district or 32147  
building participating in advanced placement classes and the 32148

percentage of those students who received a score of three or 32149  
better on advanced placement examinations; 32150

(b) The number of a district's or building's students who 32151

enrollment options program under Chapter 3365. of the Revised Code 32154  
and state-approved career-technical courses offered through dual 32155  
enrollment or statewide articulation, that appear on a student's 32156  
transcript or other official document, either of which is issued 32157  
by the institution of higher education from which the student 32158  
earned the college credit. The credits earned that are reported 32159  
under divisions (B)(2)(b) and (C)(2)(c) of this section shall not 32160  
include any that are remedial or developmental and shall include 32161  
those that count toward the curriculum requirements established 32162  
for completion of a degree. 32163

(c) The percentage of students enrolled in a district or 32164  
building who have taken a national standardized test used for 32165  
college admission determinations and the percentage of those 32166

~~adopt criteria for acceptable industry-recognized credentials.~~ 32173

(e) The percentage of students enrolled in a district or 32174

(f) The percentage of the district's or building's students 32178  
who receive an honors diploma under division (B) of section 32179

3313.61 of the Revised Code. 32180

(3) Not later than December 31, 2013, the state board shall 32181  
adopt rules in accordance with Chapter 119. of the Revised Code 32182  
that prescribe the methods by which the performance measures under 32183  
divisions (B)(1)(f) and (B)(1)(g) of this section will be assessed 32184  
and assigned a letter grade, including performance benchmarks for 32185  
each grade. 32186

At least forty-five days prior to the state board's adoption 32187  
of rules to prescribe the methods by which the performance 32188  
measures under division (B)(1) of this section shall be assessed 32189  
and assigned a letter grade, the department shall conduct a public 32190  
presentation before the standing committees of the house of 32191  
representatives and the senate that consider education legislation 32192  
describing such methods, including performance benchmarks. 32193

(4) There shall not be an overall letter grade for a school 32194

2016-2017 school years. 32196

(C)(1) For the 2014-2015 school year and each school year 32197  
thereafter, the department shall issue grades as described in 32198  
division (E) of this section for each of the performance measures 32199  
prescribed in division (C)(1) of this section. The graded measures 32200  
are as follows: 32201

(a) Annual measurable objectives; 32202

(b) Performance index score for a school district or 32203  
building. Grades shall be awarded as a percentage of the total 32204  
possible points on the performance index system as created by the 32205  
department. In adopting benchmarks for assigning letter grades 32206  
under division (C)(1)(b) of this section, the state board shall 32207  
designate ninety per cent or higher for an "A," at least seventy 32208

(c) The extent to which the school district or building meets 32211  
each of the applicable performance indicators established by the 32212  
state board under section 3302.03 of the Revised Code and the 32213  
percentage of applicable performance indicators that have been 32214  
achieved. In adopting benchmarks for assigning letter grades under 32215  
division (C)(1)(c) of this section, the state board shall 32216  
designate ninety per cent or higher for an "A." 32217

(d) The four- and five-year adjusted cohort graduation rates; 32218

(e) The overall score under the value-added progress 32219  
dimension, or another measure of student academic progress if 32220  
adopted by the state board, of a school district or building, for 32221  
which the department shall use up to three years of value-added 32222  
data as available. 32223

In adopting benchmarks for assigning letter grades for 32224  
overall score on value-added progress dimension under division 32225  
(C)(1)(e) of this section, the state board shall prohibit the 32226  
assigning of a grade of "A" for that measure unless the district's 32227  
or building's grade assigned for value-added progress dimension 32228  
for all subgroups under division (C)(1)(f) of this section is a 32229  
"B" or higher. 32230

For the metric prescribed by division (C)(1)(e) of this 32231  
section, the state board may adopt a student academic progress 32232  
measure to be used instead of the value-added progress dimension. 32233  
If the state board adopts such a measure, it also shall prescribe 32234

of the Revised Code, students with disabilities, and students 32242  
whose performance places them in the lowest quintile for 32243  
achievement on a statewide basis, as determined by a method 32244  
prescribed by the state board. Each subgroup shall be a separate 32245  
graded measure. 32246

The state board may adopt student academic progress measures 32247  
to be used instead of the value-added progress dimension. If the 32248  
state board adopts such measures, it also shall prescribe a method 32249  
for assigning letter grades for the new measures that is 32250  
comparable to the method prescribed in division (A)(1)(e) of this 32251  
section. 32252

(g) Whether a school district or building is making progress 32253  
in improving literacy in grades kindergarten through three, as 32254  
determined using a method prescribed by the state board. The state 32255  
board shall adopt rules to prescribe benchmarks and standards for 32256  
assigning grades to a district or building for purposes of 32257  
division (C)(1)(g) of this section. The state board shall 32258  
designate for a "C" grade a value that is not lower than the 32259  
statewide average value for this measure. No grade shall be issued 32260  
under division (C)(1)(g) of this section for a district or 32261  
building in which less than five per cent of students have scored 32262  
below grade level on the kindergarten diagnostic assessment under 32263  
division (B)(1) of section 3313.608 of the Revised Code. 32264

(h) For a high mobility school district or building, an 32265  
additional value-added progress dimension score. For this measure, 32266  
the department shall use value-added data from the most recent 32267  
school year available and shall use assessment scores for only 32268  
those students to whom the district or building has administered 32269  
the assessments prescribed by section 3301.0710 of the Revised 32270  
Code for each of the two most recent consecutive school years. 32271

As used in this division, "high mobility school district or 32272  
building" means a school district or building where at least 32273

twenty-five per cent of its total enrollment is made up of 32274  
students who have attended that school district or building for 32275  
less than one year. 32276

(2) In addition to the graded measures in division (C)(1) of 32277  
this section, the department shall include on a school district's 32278  
or building's report card all of the following without an assigned 32279  
letter grade: 32280

(a) The percentage of students enrolled in a district or 32281  
building who have taken a national standardized test used for 32282  
college admission determinations and the percentage of those 32283  
students who are determined to be remediation-free in accordance 32284  
with the standards adopted under division (F) of section 3345.061 32285  
of the Revised Code; 32286

(b) The percentage of students enrolled in a district or 32287  
building participating in advanced placement classes and the 32288  
percentage of those students who received a score of three or 32289  
better on advanced placement examinations; 32290

(c) The percentage of a district's or building's students who 32291  
have earned at least three college credits through advanced 32292  
standing programs, such as the college credit plus program under 32293  
Chapter 3365. of the Revised Code and state-approved 32294  
career-technical courses offered through dual enrollment or 32295  
statewide articulation, that appear on a student's college 32296  
transcript issued by the institution of higher education from 32297  
which the student earned the college credit. The credits earned 32298  
that are reported under divisions (B)(2)(b) and (C)(2)(c) of this 32299  
section shall not include any that are remedial or developmental 32300  
and shall include those that count toward the curriculum 32301  
requirements established for completion of a degree. 32302

(d) The percentage of the district's or building's students 32303  
who receive an honor's diploma under division (B) of section 32304

(3) The state board shall adopt rules pursuant to Chapter 119. of the Revised Code that establish a method to assign an overall grade for a school district or school building for the 2017-2018 school year and each school year thereafter. The rules shall group the performance measures in divisions (C)(1) and (2) of this section into the following components:	32316 32317 32318 32319 32320 32321
(a) Gap closing, which shall include the performance measure in division (C)(1)(a) of this section;	32322 32323
(b) Achievement, which shall include the performance measures in divisions (C)(1)(b) and (c) of this section;	32324 32325
(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (f) of this section;	32326 32327

(f) Prepared for success, which shall include the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of	32333 32334

this section. The state board shall develop a method to determine 32335  
a grade for the component in division (C)(3)(f) of this section 32336  
using the performance measures in divisions (C)(2)(a), (b), (c), 32337  
(d), (e), and (f) of this section. When available, the state board 32338  
may incorporate the performance measure under division (C)(2)(g) 32339  
of this section into the component under division (C)(3)(f) of 32340  
this section. When determining the overall grade for the prepared 32341  
for success component prescribed by division (C)(3)(f) of this 32342  
section, no individual student shall be counted in more than one 32343  
performance measure. However, if a student qualifies for more than 32344  
one performance measure in the component, the state board may, in 32345  
its method to determine a grade for the component, specify an 32346  
additional weight for such a student that is not greater than or 32347  
equal to 1.0. In determining the overall score under division 32348  
(C)(3)(f) of this section, the state board shall ensure that the 32349  
pool of students included in the performance measures aggregated 32350  
under that division are all of the students included in the four- 32351  
and five-year adjusted graduation cohort. 32352

In the rules adopted under division (C)(3) of this section, 32353  
the state board shall adopt a method for determining a grade for 32354  
each component in divisions (C)(3)(a) to (f) of this section. The 32355  
state board also shall establish a method to assign an overall 32356  
grade of "A," "B," "C," "D," or "F" using the grades assigned for 32357  
each component. The method the state board adopts for assigning an 32358  
overall grade shall give equal weight to the components in 32359  
divisions (C)(3)(b) and (c) of this section. 32360

At least forty-five days prior to the state board's adoption 32361  
of rules to prescribe the methods for calculating the overall 32362  
grade for the report card, as required by this division, the 32363  
department shall conduct a public presentation before the standing 32364  
committees of the house of representatives and the senate that 32365  
consider education legislation describing the format for the 32366

report card, weights that will be assigned to the components of 32367  
the overall grade, and the method for calculating the overall 32368  
grade. 32369

(D) On or after ~~than~~ July 1, 2015, the state board may 32370  
develop a measure of student academic progress for high school 32371  
students using only data from assessments in English language arts 32372  
and mathematics. If the state board develops this measure, each 32373  
school district and applicable school building shall be assigned a 32374  
separate letter grade for ~~if~~ it not sooner than the 2017-2018 32375  
school year. The district's or building's grade for that measure 32376  
shall not be included in determining the district's or building's 32377  
overall letter grade. 32378

(E) The letter grades assigned to a school district or 32379  
building under this section shall be as follows: 32380

(1) "A" for a district or school making excellent progress; 32381

(2) "B" for a district or school making above average 32382  
progress; 32383

(3) "C" for a district or school making average progress; 32384

(4) "D" for a district or school making below average 32385  
progress; 32386

(5) "F" for a district or school failing to meet minimum 32387  
progress. 32388

(F) When reporting data on student achievement and progress, 32389  
the department shall disaggregate that data according to the 32390  
following categories: 32391

(1) Performance of students by grade-level; 32392

(2) Performance of students by race and ethnic group; 32393

(3) Performance of students by gender; 32394

(4) Performance of students grouped by those who have been 32395

enrolled in a district or school for three or more years;	32396
(5) Performance of students grouped by those who have been enrolled in a district or school for more than one year and less than three years;	32397 32398 32399
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	32400 32401
(7) Performance of students grouped by those who are economically disadvantaged;	32402 32403
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	32404 32405 32406
(9) Performance of students grouped by those who are classified as limited English proficient;	32407 32408
(10) Performance of students grouped by those who have disabilities;	32409 32410
(11) Performance of students grouped by those who are classified as migrants;	32411 32412
(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	32413 32414 32415 32416 32417 32418 32419 32420 32421
(13) Performance of students grouped by those who perform in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board.	32422 32423 32424
The department may disaggregate data on student performance	32425

according to other categories that the department determines are 32426  
appropriate. To the extent possible, the department shall 32427  
disaggregate data on student performance according to any 32428  
combinations of two or more of the categories listed in divisions 32429  
(F)(1) to (13) of this section that it deems relevant. 32430

In reporting data pursuant to division (F) of this section, 32431  
the department shall not include in the report cards any data 32432  
statistical in nature that is statistically unreliable or that 32433  
could result in the identification of individual students. For 32434  
this purpose, the department shall not report student performance 32435  
data for any group identified in division (F) of this section that 32436  
contains less than ten students. If the department does not report 32437  
student performance data for a group because it contains less than 32438  
ten students, the department shall indicate on the report card 32439  
that is why data was not reported. 32440

(G) The department may include with the report cards any 32441  
additional education and fiscal performance data it deems 32442  
valuable. 32443

(H) The department shall include on each report card a list 32444  
of additional information collected by the department that is 32445  
available regarding the district or building for which the report 32446  
card is issued. When available, such additional information shall 32447  
include student mobility data disaggregated by race and 32448  
socioeconomic status, college enrollment data, and the reports 32449

(2) "Annexed territory" means territory that has been annexed for municipal purposes to a city served by an urban school district, but on September 24, 1986, has not been transferred to the urban school district.	33229 33230 33231 33232
(3) "Urban school district" means a city school district with an average daily membership for the 1985-1986 school year in excess of twenty thousand that is the school district of a city that contains annexed territory.	33233 33234 33235 33236
(4) "Annexation agreement" means an agreement entered into under division (F) of this section that has been approved by the state board of education or an agreement entered into prior to September 24, 1986, that meets the requirements of division (F) of this section and has been filed with the state board.	33237 33238 33239 33240 33241
(B) The territory included within the boundaries of a city, local, exempted village, or joint vocational school district shall be contiguous except where a natural island forms an integral part of the district, where the state board of education authorizes a noncontiguous school district, as provided in division (E)(1) of this section, or where a local school district is created pursuant to section 3311.26 of the Revised Code from one or more local school districts, one of which has entered into an agreement under section 3313.42 of the Revised Code.	33242 33243 33244 33245 33246 33247 33248 33249 33250
(C)(1) When all of the territory of a school district is annexed to a city or village, such territory thereby becomes a part of the city school district or the school district of which the village is a part, and the legal title to school property in such territory for school purposes shall be vested in the board of	33251 33252 33253 33254 33255

education of the city school district or the school district of 33256  
which the village is a part. 33257

(2) When the territory so annexed to a city or village 33258  
comprises part but not all of the territory of a school district, 33259  
the said territory becomes part of the city school district or the 33260  
school district of which the village is a part only upon approval 33261  
by the state board of education, unless the district in which the 33262  
territory is located is a party to an annexation agreement with 33263  
the city school district. 33264

Any urban school district that has not entered into an 33265  
annexation agreement with any other school district whose 33266  
territory would be affected by any transfer under this division 33267  
and that desires to negotiate the terms of transfer with any such 33268  
district shall conduct any negotiations under division (F) of this 33269  
section as part of entering into an annexation agreement with such 33270  
a district. 33271

Any school district, except an urban school district, 33272  
desiring state board approval of a transfer under this division 33273  
shall make a good faith effort to negotiate the terms of transfer 33274  
with any other school district whose territory would be affected 33275  
by the transfer. Before the state board may approve any transfer 33276  
of territory to a school district, except an urban school 33277  
district, under this section, it must receive the following: 33278

(a) A resolution requesting approval of the transfer, passed 33279  
by at least one of the school districts whose territory would be 33280  
affected by the transfer; 33281

(b) Evidence determined to be sufficient by the state board 33282  
to show that good faith negotiations have taken place or that the 33283  
district requesting the transfer has made a good faith effort to 33284  
hold such negotiations; 33285

(c) If any negotiations took place, a statement signed by all 33286

boards that participated in the negotiations, listing the terms 33287  
agreed on and the points on which no agreement could be reached. 33288

(D) The state board of education shall adopt rules governing 33289  
negotiations held by any school district except an urban school 33290  
district pursuant to division (C)(2) of this section. The rules 33291  
shall encourage the realization of the following goals: 33292

(1) A discussion by the negotiating districts of the present 33293  
and future educational needs of the pupils in each district; 33294

(2) The educational, financial, and territorial stability of 33295  
each district affected by the transfer; 33296

(3) The assurance of appropriate educational programs, 33297  
services, and opportunities for all the pupils in each 33298  
participating district, and adequate planning for the facilities 33299  
needed to provide these programs, services, and opportunities. 33300

Districts involved in negotiations under such rules may agree 33301  
to share revenues from the property included in the territory to 33302  
be transferred, establish cooperative programs between the 33303  
participating districts, and establish mechanisms for the 33304  
settlement of any future boundary disputes. 33305

(E)(1) If territory annexed after September 24, 1986, is part 33306  
of a school district that is a party to an annexation agreement 33307  
with the urban school district serving the annexing city, the 33308  
transfer of such territory shall be governed by the agreement. If 33309  
the agreement does not specify how the territory is to be dealt 33310  
with, the boards of education of the district in which the 33311  
territory is located and the urban school district shall negotiate 33312  
with regard to the transfer of the territory which shall be 33313  
transferred to the urban school district unless, not later than 33314  
ninety days after the effective date of municipal annexation, the 33315  
boards of education of both districts, by resolution adopted by a 33316  
majority of the members of each board, agree that the territory 33317

will not be transferred and so inform the state board of 33318  
education. 33319

If territory is transferred under this division the transfer 33320  
shall take effect on the first day of July occurring not sooner 33321  
than ninety-one days after the effective date of the municipal 33322  
annexation. Territory transferred under this division need not be 33323  
contiguous to the district to which it is transferred. 33324

(2) Territory annexed prior to September 24, 1986, by a city 33325  
served by an urban school district shall not be subject to 33326  
transfer under this section if the district in which the territory 33327  
is located is a party to an annexation agreement or becomes a 33328  
party to such an agreement not later than ninety days after 33329  
September 24, 1986. If the district does not become a party to an 33330  
annexation agreement within the ninety-day period, transfer of 33331  
territory shall be governed by division (C)(2) of this section. If 33332  
the district subsequently becomes a party to an agreement, 33333  
territory annexed prior to September 24, 1986, other than 33334  
territory annexed under division (C)(2) of this section prior to 33335  
the effective date of the agreement, shall not be subject to 33336  
transfer under this section. 33337

(F) An urban school district may enter into a comprehensive 33338  
agreement with one or more school districts under which transfers 33339  
of territory annexed by the city served by the urban school 33340  
district after September 24, 1986, shall be governed by the 33341  
agreement. Such agreement must provide for the establishment of a 33342  
cooperative education program under section 3313.842 of the 33343  
Revised Code in which all the parties to the agreement are 33344  
participants and must be approved by resolution of the majority of 33345  
the members of each of the boards of education of the school 33346  
districts that are parties to it. An agreement may provide for 33347  
interdistrict payments based on local revenue growth resulting 33348  
from development in any territory annexed by the city served by 33349

the urban school district. 33350

An agreement entered into under this division may be altered, 33351  
modified, or terminated only by agreement, by resolution approved 33352  
by the majority of the members of each board of education, of all 33353  
school districts that are parties to the agreement, except that 33354  
with regard to any provision that affects only the urban school 33355  
district and one of the other districts that is a party, that 33356  
district and the urban district may modify or alter the agreement 33357  
by resolution approved by the majority of the members of the board 33358  
of that district and the urban district. Alterations, 33359  
modifications, terminations, and extensions of an agreement 33360  
entered into under this division do not require approval of the 33361  
state board of education, but shall be filed with the board after 33362  
approval and execution by the parties. 33363

If an agreement provides for interdistrict payments, each 33364  
party to the agreement, except any school district specifically 33365  
exempted by the agreement, shall agree to make an annual payment 33366  
to the urban school district with respect to any of its territory 33367  
that is annexed territory in an amount not to exceed the amount 33368  
certified for that year under former section 3317.029 of the 33369  
Revised Code as that section existed prior to July 1, 1998; except 33370  
that such limitation of annual payments to amounts certified under 33371  
former section 3317.029 of the Revised Code does not apply to 33372  
agreements or extensions of agreements entered into on or after 33373  
June 1, 1992, unless such limitation is expressly agreed to by the 33374  
parties. The agreement may provide that all or any part of the 33375  
payment shall be waived if the urban school district receives its 33376  
payment with respect to such annexed territory under former 33377  
section 3317.029 of the Revised Code and that all or any part of 33378  
such payment may be waived if the urban school district does not 33379  
receive its payment with respect to such annexed territory under 33380  
such section. 33381

With respect to territory that is transferred to the urban school district after September 24, 1986, the agreement may provide for annual payments by the urban school district to the school district whose territory is transferred to the urban school district subsequent to annexation by the city served by the urban school district.

(G) In the event territory is transferred from one school district to another under this section, an equitable division of the funds and indebtedness between the districts involved shall be made under the supervision of the state board of education and that board's decision shall be final. Such division shall not include funds payable to or received by a school district under Chapter 3317. of the Revised Code or payable to or received by a school district from the United States or any department or agency thereof. In the event such transferred territory includes real property owned by a school district, the state board of education, as part of such division of funds and indebtedness, shall determine the true value in money of such real property and all buildings or other improvements thereon. The board of education of the school district receiving such territory shall forthwith pay to the board of education of the school district losing such territory such true value in money of such real property, buildings, and improvements less such percentage of the true value in money of each school building located on such real property as is represented by the ratio of the total enrollment in day classes of the pupils residing in the territory transferred enrolled at such school building in the school year in which such annexation proceedings were commenced to the total enrollment in day classes of all pupils residing in the school district losing such territory enrolled at such school building in such school year. The school district receiving such payment shall place the proceeds thereof in its sinking fund or bond retirement fund.

(H) The state board of education, before approving such 33414  
transfer of territory, shall determine that such payment has been 33415  
made and shall apportion to the acquiring school district such 33416  
percentage of the indebtedness of the school district losing the 33417  
territory as is represented by the ratio that the assessed 33418  
valuation of the territory transferred bears to the total assessed 33419  
valuation of the entire school district losing the territory as of 33420  
the effective date of the transfer, provided that in ascertaining 33421  
the indebtedness of the school district losing the territory the 33422  
state board of education shall disregard such percentage of the 33423  
par value of the outstanding and unpaid bonds and notes of said 33424  
school district issued for construction or improvement of the 33425  
school building or buildings for which payment was made by the 33426  
acquiring district as is equal to the percentage by which the true 33427  
value in money of such building or buildings was reduced in fixing 33428  
the amount of said payment. 33429

(I) No transfer of school district territory or division of 33430  
funds and indebtedness incident thereto, pursuant to the 33431  
annexation of territory to a city or village shall be completed in 33432  
any other manner than that prescribed by this section regardless 33433  
of the date of the commencement of such annexation proceedings, 33434  
and this section applies to all proceedings for such transfers and 33435  
divisions of funds and indebtedness pending or commenced on or 33436  
after October 2, 1959. 33437

(J) Notwithstanding anything to the contrary in the Revised 33438  
Code, including section 3311.24 of the Revised Code, beginning on 33439  
the effective date of this amendment until October 1, 2021, no 33440  
school district that is a party to an annexation agreement shall 33441  
transfer territory to another school district that is a party to 33442  
the annexation agreement without the approval of the boards of 33443  
education of each of the school districts. 33444

Sec. 3311.27. The board of education of a surviving school district, as that term is defined in section 5748.10 of the Revised Code, shall notify the tax commissioner as and in the manner required by that section.

**Sec. 3311.751.** Notwithstanding division (F) of section 5705.10 of the Revised Code, if a municipal school district board of education sells real property that it owns in its corporate capacity, moneys received from the sale may be paid into the general fund of the district, as long as all of the following conditions are satisfied:

(A) The district has owned the real property for at least ten years.

(B) The real property and any improvements to that real property were not acquired with the proceeds of public obligations, as defined in section 133.01 of the Revised Code, of the district that are outstanding at the time of the sale.

(C) The deposit of those moneys in that manner is not prohibited by any agreements the district board has entered into with the Ohio ~~school~~ facilities construction commission.

**Sec. 3311.86.** (A) As used in this section:

(1) "Alliance" means a municipal school district transformation alliance established as a nonprofit corporation.

(2) "Alliance municipal school district" means a municipal school district for which an alliance has been created under this section.

(3) "Partnering community school" means a community school established under Chapter 3314. of the Revised Code that is located within the territory of a municipal school district and that either is sponsored by the district or is a party to an

agreement with the district whereby the district and the community 33474  
school endorse each other's programs. 33475

(4) "Transformation alliance education plan" means a plan 33476  
prepared by the mayor, and confirmed by the alliance, to transform 33477  
public education in the alliance municipal school district to a 33478  
system of municipal school district schools and partnering 33479  
community schools that will be held to the highest standards of 33480  
school performance and student achievement. 33481

(B) If one or more partnering community schools are located 33482  
in a municipal school district, the mayor may initiate proceedings 33483  
to establish a municipal school district transformation alliance 33484  
as a nonprofit corporation under Chapter 1702. of the Revised 33485  
Code. The mayor shall have sole authority to appoint the directors 33486  
of any alliance created under this section. The directors of the 33487  
alliance shall include representatives of all of the following: 33488

(4) The business community, including business leaders and 33493  
foundation leaders. 33494

No one group listed in divisions (B)(1) to (4) of this 33495  
section shall comprise a majority of the directors. The mayor 33496  
shall be an ex officio director, and serve as the chairperson of 33497  
the board of directors, of any alliance created under this 33498  
section. If the proceedings are initiated, the mayor shall 33499  
identify the directors in the articles of incorporation filed 33500  
under section 1702.04 of the Revised Code. 33501

(C)(1) A majority of the members of the board of directors of 33502  
the alliance shall constitute a quorum of the board. Any formal 33503

action taken by the board of directors shall take place at a 33504  
meeting of the board and shall require the concurrence of a 33505  
majority of the members of the board. Meetings of the board of 33506  
directors shall be public meetings open to the public at all 33507  
times, except that the board and its committees and subcommittees 33508  
may hold an executive session, as if it were a public body with 33509  
public employees, for any of the purposes for which an executive 33510  
session of a public body is permitted under division (G) of 33511  
section 121.22 of the Revised Code, notwithstanding that the 33512  
alliance is not a public body as defined in that section, and its 33513  
employees are not public employees as provided in division (F) of 33514  
this section. The board of directors shall establish reasonable 33515  
methods whereby any person may determine the time and place of all 33516

request, may obtain reasonable advance notification of the board's 33518  
public meetings. Provisions for that advance notification may 33519  
include, but are not limited to, mailing notices to all 33520  
subscribers on a mailing list or mailing notices in 33521  
self-addressed, stamped envelopes provided by the person. 33522

(2) All records of the alliance shall be organized and 33523  
maintained by the alliance and also filed with the department of 33524  
education. The alliance and the department shall make those 33525  
records available to the public as though those records were 33526  
public records for purposes of Chapter 149. of the Revised Code. 33527  
The department shall promptly notify the alliance upon the 33528  
department's receipt of any requests for records relating to the 33529  
alliance pursuant to section 149.43 of the Revised Code. 33530

(3) The board of directors of the alliance shall establish a 33531  
conflicts of interest policy and shall adopt that policy, and any 33532  
amendments to the policy, at a meeting of the board held in 33533  
accordance with this section. 33534

(D)(1) If an alliance is created under this section, the 33535

alliance shall do all of the following: 33536

(a) Report annually on the performance of all municipal 33537  
school district schools and all community schools established 33538  
under Chapter 3314. of the Revised Code and located in the 33539

alliance education plan; 33543

(c) Suggest national education models for and provide input 33544  
in the development of new municipal school district schools and 33545  
partnering community schools. 33546

(2) If an alliance is created under this section, the 33547  
department of education may request alliance comment, or the 33548  
alliance independently may offer comment to the department, on the 33549  
granting, renewal, or extension of an agreement with a sponsor of 33550  
community schools under section 3314.015 of the Revised Code when 33551  
the sponsor has existing agreements with a community school 33552  
located in an alliance municipal school district. If the alliance 33553  
makes comments, those comments shall be considered by the 33554  
department prior to making its decision whether to grant, renew, 33555  
or extend the agreement. 33556

For purposes of division (D)(2) of this section, comments by 33557  
the alliance shall be based on the criteria established under 33558  
division (A) of section 3311.87 of the Revised Code. 33559

(E) Divisions (E)(1) to (3) of this section apply to each 33560  
community school sponsor that is subject to approval by the 33561  
department under section 3314.015 of the Revised Code whose 33562  
approval under that section is granted, renewed, or extended on or 33563  
after October 1, 2012. Divisions (E)(1) to (3) of this section do 33564  
not apply to a sponsor that has been approved by the department 33565  
prior to that date, until the sponsor's approval is renewed, 33566

granted anew, or extended on or after that date. 33567

(1) Before a sponsor to which this section applies may 33568  
sponsor new community schools in an alliance municipal school 33569  
district, the sponsor shall request recommendation from the 33570  
alliance to sponsor community schools in the district. 33571

(2) The alliance shall review the sponsor's request and shall 33572  
make a recommendation to the department based on the standards for 33573  
sponsors developed under division (A)(2) of section 3311.87 of the 33574  
Revised Code. 33575

(3) The department shall use the standards developed under 33576  
division (A)(2) of section 3311.87 of the Revised Code, in 33577  
addition to any other requirements of the Revised Code, to review 33578  
a sponsor's request and make a final determination, on 33579  
recommendation of the alliance, of whether the sponsor may sponsor 33580  
new community schools in the alliance municipal school district. 33581

No sponsor shall be required to receive authorization to 33582  
sponsor new community schools under division (E)(3) of this 33583  
section more than one time. 33584

(F) Directors, officers, and employees of an alliance are not 33585  
public employees or public officials, are not subject to Chapters 33586  
124., 145., and 4117. of the Revised Code, and are not "public 33587  
officials" or "public servants" as defined in section 2921.01 of 33588  
the Revised Code. Membership on the board of directors of an 33589  
alliance does not constitute the holding of an incompatible public 33590  
office or employment in violation of any statutory or common law 33591  
prohibition against the simultaneous holding of more than one 33592  
public office or employment. Members of the board of directors of 33593  
an alliance are not disqualified from holding any public office by 33594  
reason of that membership, and do not forfeit by reason of that 33595  
membership the public office or employment held when appointed to 33596  
the board, notwithstanding any contrary disqualification or 33597

forfeiture requirement under the Revised Code or the common law of this state. 33598  
33599

~~(G) The authority to establish an alliance under this section expires on January 1, 2018. Any alliance established under this section is terminated, and any related authority granted to the alliance under this section expires on that date.~~ 33600  
33601

paid within two years from the date of purchase. 33639

The provisions of any installment payment contract entered 33642  
into pursuant to this section shall provide that all payments, 33643  
except payments for repairs and obligations on termination of the 33644  
contract prior to its expiration, shall not exceed the calculated 33645  
energy, water, or waste water cost savings, avoided operating 33646  
costs, and avoided capital costs attributable to the one or more 33647  
measures over a defined period of time. Those payments shall be 33648  
made only to the extent that the savings described in this 33649  
division actually occur. The energy services company shall warrant 33650  
and guarantee that the energy conservation measures shall realize 33651  
guaranteed savings and shall be responsible to pay an amount equal 33652  
to any savings shortfall. 33653

An installment payment contract entered into by a board of 33654  
education under this section shall require the board to contract 33655  
in accordance with division (A) of section 3313.46 of the Revised 33656  
Code for the installation, modification, or remodeling of energy 33657

conservation measures unless division (A) of section 3313.46 of 33658  
the Revised Code does not apply pursuant to division (B)(3) of 33659  
that section, in which case the contract shall be awarded through 33660  
a competitive selection process pursuant to rules adopted by the 33661  
~~school~~ facilities construction commission. 33662

An installment payment contract entered into by a board of 33663

and verification of energy savings associated with the guarantee. 33665  
The annual cost of measurement and verification services shall not 33666  
exceed ten per cent of the guaranteed savings in any year of the 33667  
installment payment contract. 33668

(C) If a board of education determines that a surety bond is 33669  
necessary to secure energy, water, or waste water cost savings 33670  
guaranteed in a contract entered into by the board of education 33671  
under this section, the energy services company shall provide a 33672  
surety bond that satisfies all of the following requirements: 33673

(1) The penal sum of the surety bond for the first guarantee 33674  
year shall equal the amount of savings included in the annual 33675  
guaranteed savings amount that is measured and calculated in 33676  
accordance with the measurement and verification plan included in 33677  
the contract, but may not include guaranteed savings that are not 33678  
measured or that are stipulated in the contract. The annual 33679  
guaranteed savings amount shall include only the savings 33680  
guaranteed in the contract for the one-year term that begins on 33681  
the first day of the first savings guarantee year and may not 33682  
include amounts from subsequent years. 33683

(2) The surety bond shall have a term of not more than one 33684  
year unless renewed. At the option of the board of education, the 33685  
surety bond may be renewed for one or two additional terms, each 33686  
term not to exceed one year. The surety bond may not be renewed or 33687  
extended so that it is in effect for more than three consecutive 33688  
years. 33689

In the event of a renewal, the penal sum of the surety bond 33690  
for each renewed year shall be revised so that the penal sum 33691  
equals the annual guaranteed savings amount for such renewal year 33692  
that is measured and calculated in accordance with the measurement 33693  
and verification plan included in the contract, but may not 33694  
include guaranteed savings that are not measured or that are 33695  
stipulated in the contract. Regardless of the number of renewals 33696  
of the bond, the aggregate liability under each renewed bond may 33697  
not exceed the penal sum stated in the renewal certificate for the 33698  
applicable renewal year. 33699

(3) The surety bond for the first year shall be issued within 33700  
thirty days of the commencement of the first savings guarantee 33701  
year under the contract. 33702

In the event of renewal, the surety shall deliver to the 33703  
board of education a renewal certificate reflecting the revised 33704  
penal sum within thirty days of the board of education's request. 33705  
The board of education shall deliver the request for renewal not 33706

bond then in existence. A surety bond furnished pursuant to 33708  
section 153.54 of the Revised Code shall not secure obligations 33709  
related to energy, water, or waste water cost savings as 33710  
referenced in division (C) of this section. 33711

(D) The board may issue the notes of the school district 33712  
signed by the president and the treasurer of the board and 33713

payments provided in this section, payable at the times provided 33715  
and bearing interest at a rate not exceeding the rate determined 33716  
as provided in section 9.95 of the Revised Code. The notes may 33717  
contain an option for prepayment and shall not be subject to 33718  
Chapter 133. of the Revised Code. In the resolution authorizing 33719  
the notes, the board may provide, without the vote of the electors 33720  
of the district, for annually levying and collecting taxes in 33721

amounts sufficient to pay the interest on and retire the notes, 33722  
except that the total net indebtedness of the district without a 33723  
vote of the electors incurred under this and all other sections of 33724  
the Revised Code, except section 3318.052 of the Revised Code, 33725  
shall not exceed one per cent of the district's tax valuation. 33726  
Revenues derived from local taxes or otherwise, for the purpose of 33727  
conserving energy or for defraying the current operating expenses 33728  
of the district, may be applied to the payment of interest and the 33729  
retirement of such notes. The notes may be sold at private sale or 33730  
given to the energy services company under the installment payment 33731  
contract authorized by division (B) of this section. 33732

(E) Debt incurred under this section shall not be included in 33733  
the calculation of the net indebtedness of a school district under 33734  
section 133.06 of the Revised Code. 33735

(F) No school district board shall enter into an installment 33736  
payment contract under division (B) of this section unless it 33737  
first obtains a report of the costs of the energy conservation 33738  
measures and the savings thereof as described under division 33739  
(G)(1) of section 133.06 of the Revised Code as a requirement for 33740  
issuing energy securities, makes a finding that the amount spent 33741  
on such measures is not likely to exceed the amount of money it 33742  
would save in energy costs and resultant operational and 33743  
maintenance costs as described in that division, except that that 33744  
finding shall cover the ensuing fifteen years, and the ~~school~~ 33745  
facilities construction commission determines that the district 33746  
board's findings are reasonable and approves the contract as 33747  
described in that division. 33748

The district board shall monitor the savings and maintain a 33749  
report of those savings, which shall be submitted to the 33750  
commission in the same manner as required by division (G) of 33751  
section 133.06 of the Revised Code in the case of energy 33752

immunity or defense that a school district, member of a school 34142  
district board of education, or school district employee or 34143

division (A)(1) of section 3301.079 of the Revised Code and the 34246  
academic content standards for financial literacy and 34247  
entrepreneurship adopted under division (A)(2) of that section, 34248  
into one or more existing social studies credits required under 34249  
division (C)(7) of this section, or into the content of another 34250  
class, so that every high school student receives instruction in 34251  
those concepts. In developing the curriculum required by this 34252  
paragraph, schools shall use available public-private partnerships 34253  
and resources and materials that exist in business, industry, and 34254  
through the centers for economics education at institutions of 34255  
higher education in the state. 34256

Beginning with students who enter ninth grade for the first 34257

States Code, or English language arts, mathematics, science, or 34267  
social studies courses not otherwise required under division (C) 34268  
of this section. 34269

Ohioans must be prepared to apply increased knowledge and 34270  
skills in the workplace and to adapt their knowledge and skills 34271

quickly to meet the rapidly changing conditions of the 34272  
twenty-first century. National studies indicate that all high 34273  
school graduates need the same academic foundation, regardless of 34274  
the opportunities they pursue after graduation. The goal of Ohio's 34275  
system of elementary and secondary education is to prepare all 34276  
students for and seamlessly connect all students to success in 34277  
life beyond high school graduation, regardless of whether the next 34278  
step is entering the workforce, beginning an apprenticeship, 34279  
engaging in post-secondary training, serving in the military, or 34280  
pursuing a college degree. 34281

The requirements for graduation prescribed in division (C) of 34282  
this section are the standard expectation for all students 34283  
entering ninth grade for the first time at a public or chartered 34284  
nonpublic high school on or after July 1, 2010. A student may 34285  
satisfy this expectation through a variety of methods, including, 34286  
but not limited to, integrated, applied, career-technical, and 34287  
traditional coursework. 34288

Whereas teacher quality is essential for student success when 34289  
completing the requirements for graduation, the general assembly 34290  
shall appropriate funds for strategic initiatives designed to 34291  
strengthen schools' capacities to hire and retain highly qualified 34292  
teachers in the subject areas required by the curriculum. Such 34293  
initiatives are expected to require an investment of \$120,000,000 34294  
over five years. 34295

Stronger coordination between high schools and institutions 34296  
of higher education is necessary to prepare students for more 34297  
challenging academic endeavors and to lessen the need for academic 34298  
remediation in college, thereby reducing the costs of higher 34299  
education for Ohio's students, families, and the state. The state 34300  
board and the chancellor of higher education shall develop 34301  
policies to ensure that only in rare instances will students who 34302  
complete the requirements for graduation prescribed in division 34303

(C) of this section require academic remediation after high school. 34304  
34305

School districts, community schools, and chartered nonpublic schools shall integrate technology into learning experiences across the curriculum in order to maximize efficiency, enhance learning, and prepare students for success in the technology-driven twenty-first century. Districts and schools shall use distance and web-based course delivery as a method of providing or augmenting all instruction required under this division, including laboratory experience in science. Districts and schools shall utilize technology access and electronic learning opportunities provided by the broadcast educational media commission, chancellor, the Ohio learning network, education technology centers, public television stations, and other public and private providers. 34306  
34307  
34308  
34309  
34310  
34311  
34312  
34313  
34314  
34315  
34316  
34317  
34318

(D) Except as provided in division (E) of this section, a student who enters ninth grade on or after July 1, 2010, and before July 1, 2016, may qualify for graduation from a public or chartered nonpublic high school even though the student has not completed the requirements for graduation prescribed in division (C) of this section if all of the following conditions are satisfied: 34319  
34320  
34321  
34322  
34323  
34324  
34325

(1) During the student's third year of attending high school, as determined by the school, the student and the student's parent, guardian, or custodian sign and file with the school a written statement asserting the parent's, guardian's, or custodian's consent to the student's graduating without completing the requirements for graduation prescribed in division (C) of this section and acknowledging that one consequence of not completing those requirements is ineligibility to enroll in most state universities in Ohio without further coursework. 34326  
34327  
34328  
34329  
34330  
34331  
34332  
34333  
34334

(2) The student and parent, guardian, or custodian fulfill 34335

any procedural requirements the school stipulates to ensure the 34336  
student's and parent's, guardian's, or custodian's informed 34337  
consent and to facilitate orderly filing of statements under 34338  
division (D)(1) of this section. Annually, each district or school 34339  
shall notify the department of the number of students who choose 34340  
to qualify for graduation under division (D) of this section and 34341  
the number of students who complete the student's success plan and 34342  
graduate from high school. 34343

(3) The student and the student's parent, guardian, or 34344  
custodian and a representative of the student's high school 34345  
jointly develop a student success plan for the student in the 34346  
manner described in division (C)(1) of section 3313.6020 of the 34347  
Revised Code that specifies the student matriculating to a 34348  
two-year degree program, acquiring a business and 34349  
industry-recognized credential, or entering an apprenticeship. 34350

(4) The student's high school provides counseling and support 34351  
for the student related to the plan developed under division 34352  
(D)(3) of this section during the remainder of the student's high 34353  
school experience. 34354

(5)(a) Except as provided in division (D)(5)(b) of this 34355  
section, the student successfully completes, at a minimum, the 34356  
curriculum prescribed in division (B) of this section. 34357

(b) Beginning with students who enter ninth grade for the 34358  
first time on or after July 1, 2014, a student shall be required 34359  
to complete successfully, at the minimum, the curriculum 34360  
prescribed in division (B) of this section, except as follows: 34361

(i) Mathematics, four units, one unit which shall be one of 34362  
the following: 34363

(I) Probability and statistics; 34364

(II) Computer programming; 34365

(III) Applied mathematics or quantitative reasoning;	34366
(IV) Any other course approved by the department using standards established by the superintendent not later than October 1, 2014.	34367 34368 34369
(ii) Elective units, five units;	34370
(iii) Science, three units as prescribed by division (B) of this section which shall include inquiry-based laboratory experience that engages students in asking valid scientific questions and gathering and analyzing information.	34371 34372 34373 34374
The department, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2016. The department shall submit its findings and any recommendations not later than December 1, 2015, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.	34375 34376 34377 34378 34379 34380 34381 34382 34383 34384 34385 34386
(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:	34387 34388 34389 34390 34391 34392 34393
(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;	34394 34395
(2) An exception to the district's or school's minimum high	34396

school curriculum that is comparable to the exception provided in 34397  
division (D) of this section but with additional requirements, 34398  
which may include a requirement that the student successfully 34399  
complete more than the minimum curriculum prescribed in division 34400  
(B) of this section; 34401

(3) That no exception comparable to that provided in division 34402  
(D) of this section is available. 34403

(F) A student enrolled in a dropout prevention and recovery 34404  
program, which program has received a waiver from the department, 34405  
may qualify for graduation from high school by successfully 34406  
completing a competency-based instructional program administered 34407  
by the dropout prevention and recovery program in lieu of 34408  
completing the requirements for graduation prescribed in division 34409  
(C) of this section. The department shall grant a waiver to a 34410  
dropout prevention and recovery program, within sixty days after 34411  
the program applies for the waiver, if the program meets all of 34412  
the following conditions: 34413

(1) The program serves only students not younger than sixteen 34414  
years of age and not older than twenty-one years of age. 34415

(2) The program enrolls students who, at the time of their 34416  
initial enrollment, either, or both, are at least one grade level 34417  
behind their cohort age groups or experience crises that 34418  
significantly interfere with their academic progress such that 34419  
they are prevented from continuing their traditional programs. 34420

(3) The program requires students to attain at least the 34421  
applicable score designated for each of the assessments prescribed 34422  
under division (B)(1) of section 3301.0710 of the Revised Code or, 34423  
to the extent prescribed by rule of the state board under division 34424  
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 34425  
of that section. 34426

(4) The program develops a student success plan for the 34427

student in the manner described in division (C)(1) of section 34428  
3313.6020 of the Revised Code that specifies the student's 34429  
matriculating to a two-year degree program, acquiring a business 34430  
and industry-recognized credential, or entering an apprenticeship. 34431

(5) The program provides counseling and support for the 34432  
student related to the plan developed under division (F)(4) of 34433  
this section during the remainder of the student's high school 34434  
experience. 34435

(6) The program requires the student and the student's 34436  
parent, guardian, or custodian to sign and file, in accordance 34437  
with procedural requirements stipulated by the program, a written 34438  
statement asserting the parent's, guardian's, or custodian's 34439  
consent to the student's graduating without completing the 34440  
requirements for graduation prescribed in division (C) of this 34441  
section and acknowledging that one consequence of not completing 34442  
those requirements is ineligibility to enroll in most state 34443  
universities in Ohio without further coursework. 34444

(7) Prior to receiving the waiver, the program has submitted 34445  
to the department an instructional plan that demonstrates how the 34446  
academic content standards adopted by the state board under 34447  
section 3301.079 of the Revised Code will be taught and assessed. 34448

(8) Prior to receiving the waiver, the program has submitted 34449  
to the department a policy on career advising that satisfies the 34450  
requirements of section 3313.6020 of the Revised Code, with an 34451  
emphasis on how every student will receive career advising. 34452

(9) Prior to receiving the waiver, the program has submitted 34453  
to the department a written agreement outlining the future 34454  
cooperation between the program and any combination of local job 34455  
training, postsecondary education, nonprofit, and health and 34456  
social service organizations to provide services for students in 34457  
the program and their families. 34458

Divisions (F)(8) and (9) of this section apply only to 34459  
waivers granted on or after July 1, 2015. 34460

If the department does not act either to grant the waiver or 34461  
to reject the program application for the waiver within sixty days 34462  
as required under this section, the waiver shall be considered to 34463  
be granted. 34464

(G) Every high school may permit students below the ninth 34465  
grade to take advanced work. If a high school so permits, it shall 34466  
award high school credit for successful completion of the advanced 34467  
work and shall count such advanced work toward the graduation 34468  
requirements of division (B) or (C) of this section if the 34469  
advanced work was both: 34470

(1) Taught by a person who possesses a license or certificate 34471  
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 34472  
Code that is valid for teaching high school; 34473

(2) Designated by the board of education of the city, local, 34474  
or exempted village school district, the board of the cooperative 34475  
education school district, or the governing authority of the 34476  
chartered nonpublic school as meeting the high school curriculum 34477  
requirements. 34478

Each high school shall record on the student's high school 34479  
transcript all high school credit awarded under division (G) of 34480  
this section. In addition, if the student completed a seventh- or 34481  
eighth-grade fine arts course described in division (K) of this 34482  
section and the course qualified for high school credit under that 34483  
division, the high school shall record that course on the 34484  
student's high school transcript. 34485

(H) The department shall make its individual academic career 34486  
plan available through its Ohio career information system web site 34487  
for districts and schools to use as a tool for communicating with 34488  
and providing guidance to students and families in selecting high 34489

school courses. 34490

(I) A school district or chartered nonpublic school may 34491  
integrate academic content in a subject area for which the state 34492  
board has adopted standards under section 3301.079 of the Revised 34493  
Code into a course in a different subject area, including a 34494  
career-technical education course, in accordance with guidance for 34495  
integrated coursework developed by the department. Upon successful 34496  
completion of an integrated course, a student may receive credit 34497  
for both subject areas that were integrated into the course. Units 34498  
earned in English language arts, mathematics, science, and social 34499  
studies that are for subject area content delivered through 34500  
integrated academic and career-technical instruction are eligible 34501  
to meet the graduation requirements of division (B) or (C) of this 34502  
section. 34503

For purposes of meeting graduation requirements, if an 34504  
end-of-course examination has been prescribed under section 34505  
3301.0712 of the Revised Code for the subject area delivered 34506  
through integrated instruction, the school district or school may 34507  
administer the related subject area examinations upon the 34508  
student's completion of the integrated course. 34509

Nothing in division (I) of this section shall be construed to 34510  
excuse any school district, chartered nonpublic school, or student 34511  
from any requirement in the Revised Code related to curriculum, 34512  
assessments, or the awarding of a high school diploma. 34513

(J)(1) The state board, in consultation with the chancellor, 34514  
shall adopt a statewide plan implementing methods for students to 34515  
earn units of high school credit based on a demonstration of 34516  
subject area competency, instead of or in combination with 34517  
completing hours of classroom instruction. The state board shall 34518  
adopt the plan not later than March 31, 2009, and commence phasing 34519  
in the plan during the 2009-2010 school year. The plan shall 34520  
include a standard method for recording demonstrated proficiency 34521

on high school transcripts. Each school district and community 34522  
school shall comply with the state board's plan adopted under this 34523  
division and award units of high school credit in accordance with 34524  
the plan. The state board may adopt existing methods for earning 34525  
high school credit based on a demonstration of subject area 34526  
competency as necessary prior to the 2009-2010 school year. 34527

(2) Not later than December 31, 2015, the state board shall 34528  
update the statewide plan adopted pursuant to division (J)(1) of 34529  
this section to also include methods for students enrolled in 34530  
seventh and eighth grade to meet curriculum requirements based on 34531  
a demonstration of subject area competency, instead of or in 34532  
combination with completing hours of classroom instruction. 34533  
Beginning with the 2017-2018 school year, each school district and 34534  
community school also shall comply with the updated plan adopted 34535  
pursuant to this division and permit students enrolled in seventh 34536  
and eighth grade to meet curriculum requirements based on subject 34537  
area competency in accordance with the plan. 34538

(3) Not later than December 31, 2017, the department shall 34539  
develop a framework for school districts and community schools to 34540  
use in granting units of high school credit to students who 34541  
demonstrate subject area competency through work-based learning 34542  
experiences, internships, or cooperative education. Beginning with 34543  
the 2018-2019 school year, each district and community school 34544  
shall comply with the framework. Each district and community 34545  
school also shall review any policy it has adopted regarding the 34546  
demonstration of subject area competency to identify ways to 34547  
incorporate work-based learning experiences, internships, and 34548  
cooperative education into the policy in order to increase student 34549  
engagement and opportunities to earn units of high school credit. 34550

(K) This division does not apply to students who qualify for 34551  
graduation from high school under division (D) or (F) of this 34552  
section, or to students pursuing a career-technical instructional 34553

track as determined by the school district board of education or 34554  
the chartered nonpublic school's governing authority. 34555  
Nevertheless, the general assembly encourages such students to 34556  
consider enrolling in a fine arts course as an elective. 34557

Beginning with students who enter ninth grade for the first 34558  
time on or after July 1, 2010, each student enrolled in a public 34559  
or chartered nonpublic high school shall complete two semesters or 34560  
the equivalent of fine arts to graduate from high school. The 34561  
coursework may be completed in any of grades seven to twelve. Each 34562  
student who completes a fine arts course in grade seven or eight 34563  
may elect to count that course toward the five units of electives 34564  
required for graduation under division (C)(8) of this section, if 34565  
the course satisfied the requirements of division (G) of this 34566  
section. In that case, the high school shall award the student 34567  
high school credit for the course and count the course toward the 34568  
five units required under division (C)(8) of this section. If the 34569  
course in grade seven or eight did not satisfy the requirements of 34570  
division (G) of this section, the high school shall not award the 34571  
student high school credit for the course but shall count the 34572  
course toward the two semesters or the equivalent of fine arts 34573  
required by this division. 34574

(L) Notwithstanding anything to the contrary in this section, 34575  
the board of education of each school district and the governing 34576  
authority of each chartered nonpublic school may adopt a policy to 34577  
excuse from the high school physical education requirement each 34578  
student who, during high school, has participated in 34579  
interscholastic athletics, marching band, or cheerleading for at 34580  
least two full seasons or in the junior reserve officer training 34581  
corps for at least two full school years. If the board or 34582  
authority adopts such a policy, the board or authority shall not 34583  
require the student to complete any physical education course as a 34584  
condition to graduate. However, the student shall be required to 34585

complete one-half unit, consisting of at least sixty hours of 34586  
instruction, in another course of study. In the case of a student 34587  
who has participated in the junior reserve officer training corps 34588  
for at least two full school years, credit received for that 34589  
participation may be used to satisfy the requirement to complete 34590  
one-half unit in another course of study. 34591

(M) It is important that high school students learn and 34592  
understand United States history and the governments of both the 34593  
United States and the state of Ohio. Therefore, beginning with 34594  
students who enter ninth grade for the first time on or after July 34595  
1, 2012, the study of American history and American government 34596  
required by divisions (B)(6) and (C)(6) of this section shall 34597  
include the study of all of the following documents: 34598

(1) The Declaration of Independence; 34599

(2) The Northwest Ordinance; 34600

(4) The Ohio Constitution. 34603

The study of each of the documents prescribed in divisions 34604  
(M)(1) to (4) of this section shall include study of that document 34605  
in its original context. 34606

The study of American history and government required by 34607  
divisions (B)(6) and (C)(6) of this section shall include the 34608  
historical evidence of the role of documents such as the 34609  
Federalist Papers and the Anti-Federalist Papers to firmly 34610  
establish the historical background leading to the establishment 34611  
of the provisions of the Constitution and Bill of Rights. 34612

**Sec. 3313.6012.** (A) The board of education of each city, 34613  
exempted village, and local school district shall adopt a policy 34614  
governing the conduct of academic prevention/intervention services 34615

for all grades and all schools throughout the district. The board 34616  
shall update the policy annually. The policy shall include, but 34617  
not be limited to, all of the following: 34618

accordance with section 3301.0715 of the Revised Code; 34622

(2) A plan for the design of classroom-based intervention 34623  
services to meet the instructional needs of individual students as 34624  
determined by the results of diagnostic assessments; 34625

(3) Procedures for the regular collection of student 34626  
performance data; 34627

(4) Procedures for using student performance data to evaluate 34628  
the effectiveness of intervention services and, if necessary, to 34629  
modify such services. 34630

The policy shall include any prevention/intervention services 34631  
required under sections 3301.0711, 3301.0715, and 3313.608 of the 34632  
Revised Code. 34633

(B) In accordance with the policy adopted under division (A) 34634  
of this section, each school district shall provide 34635  
prevention/intervention services in pertinent subject areas to 34636  
students who score below the proficient level on a reading, 34637  
writing, mathematics, ~~social studies~~, or science proficiency or 34638

on an as-needed, seasonal, or intermittent basis. This training 34647  
may be incorporated into the in-service training required by 34648  
division (A) of section 3319.073 of the Revised Code. For this 34649  
purpose, the board shall use one of the instructional programs 34650  
listed in divisions (B)(1) and (2) of section 3313.6021 of the 34651  
Revised Code. 34652

Each person to whom this section applies shall complete the 34653  
training not later than July 1, 2018, and at least once every five 34654  
years thereafter. 34655

**Sec. 3313.618.** (A) In addition to the applicable curriculum 34656  
requirements, each student entering ninth grade for the first time 34657

department; 35273

(b) Twenty-five per cent of the amount calculated under 35274

division (D)(2) of this section, the institution may use the 35284  
amount that is in addition to the student's career pathway 35285

for the associated services of the approved program of study. 35287  
These services include counseling, advising, assessment, and other 35288  
services as determined or required by the department. 35289

is it appropriate for an entity other than the department to make 35291  
full or partial payments for an eligible student under division 35292  
(D)(2) of this section, that entity shall make those payments and 35293  
the department shall not make those payments. 35294

and the date on which these requirements take effect; 35303

(3) The assessment or assessments that may be used to 35304  
complete the assessment requirement for each career pathway 35305

career-technical education students to participate in 35326  
pre-apprenticeship training programs that impart the skills and 35327  
knowledge needed for successful participation in a registered 35328  
apprenticeship occupation course. 35329

**Sec. 3314.016.** This section applies to any entity that 35330  
sponsors a community school, regardless of whether section 35331  
3314.021 or 3314.027 of the Revised Code exempts the entity from 35332  
the requirement to be approved for sponsorship under divisions 35333  
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 35334  
office of Ohio school sponsorship established under section 35335  
3314.029 of the Revised Code shall be rated under division (B) of 35336  
this section, but divisions (A) and (C) of this section do not 35337  
apply to the office. 35338

(A) An entity that sponsors a community school shall be 35339  
permitted to enter into contracts under section 3314.03 of the 35340  
Revised Code to sponsor additional community schools only if the 35341  
entity meets all of the following criteria: 35342

(1) The entity is in compliance with all provisions of this 35343  
chapter requiring sponsors of community schools to report data or 35344  
information to the department of education. 35345

(2) The entity is not rated as "ineffective" under division 35346

(B)(6) of this section. 35347

(3) Except as set forth in sections 3314.021 and 3314.027 of 35348  
the Revised Code, the entity has received approval from and 35349  
entered into an agreement with the department of education 35350  
pursuant to section 3314.015 of the Revised Code. 35351

(B)(1) Beginning with the 2015-2016 school year, the 35352  
department shall develop and implement an evaluation system that 35353  
annually rates and assigns an overall rating to each entity that 35354  
sponsors a community school. That evaluation system shall be 35355  
developed and posted on the department's web site by the fifteenth 35356  
day of July of each school year. Any changes to the evaluation 35357  
system after that date shall take effect the following year. The 35358  
evaluation system shall be based on the following components: 35359

(a) Academic performance of students enrolled in community 35360  
schools sponsored by the same entity. The academic performance 35361  
component shall be derived from the performance measures 35362  
prescribed for the state report cards under section 3302.03 or 35363  
3314.017 of the Revised Code, and shall be based on the 35364  
performance of the schools for the school year for which the 35365  
evaluation is conducted. In addition to the academic performance 35366  
for a specific school year, the academic performance component 35367  
shall also include year-to-year changes in the overall sponsor 35368  
portfolio. For a community school for which no graded performance 35369  
measures are applicable or available, the department shall use 35370  
nonreport card performance measures specified in the contract 35371  
between the community school and the sponsor under division (A)(4) 35372  
of section 3314.03 of the Revised Code. 35373

If the department uses a component prescribed under division 35374  
(C)(3) of section 3302.03 of the Revised Code to calculate the 35375  
academic performance component specified under division (B)(1)(a) 35376  
of this section, the department shall weight the progress 35377  
component specified under division (C)(3)(c) of section 3302.03 of 35378

the Revised Code at sixty per cent of the total score for the 35379  
academic performance component under this section. 35380

(b) Adherence by a sponsor to the quality practices 35381  
prescribed by the department under division (B)(3) of this 35382  
section. For a sponsor that was rated "effective" or "exemplary" 35383  
on its most recent rating, the department may evaluate that 35384  
sponsor's adherence to quality practices once over a period of 35385  
three years. If the department elects to evaluate a sponsor once 35386  
over a period of three years, the most recent rating for a 35387  
sponsor's adherence to quality practices shall be used when 35388  
determining an annual overall rating conducted under this section. 35389

(c) Compliance with all applicable laws and administrative 35390  
rules by an entity that sponsors a community school. 35391

(2) In calculating an academic performance component, the 35392  
department shall exclude all community schools that have been in 35393  
operation for not more than two full school years and all 35394  
community schools described in division (A)(4)(b) of section 35395  
3314.35 of the Revised Code. However, the academic performance of 35396  
the community schools described in division (A)(4)(b) of section 35397  
3314.35 of the Revised Code shall be reported, but shall not be 35398  
used as a factor when determining a sponsoring entity's rating 35399  
under this section. 35400

(3) The department, in consultation with entities that 35401  
sponsor community schools, shall prescribe quality practices for 35402  
community school sponsors and develop an instrument to measure 35403  
adherence to those quality practices. The quality practices shall 35404  
be based on standards developed by the national association of 35405  
charter school authorizers or any other nationally organized 35406  
community school organization. 35407

(4)(a) The department may permit peer review of a sponsor's 35408  
adherence to the quality practices prescribed under division 35409

(B)(3) of this section. Peer reviewers shall be limited to 35410  
individuals employed by sponsors rated "effective" or "exemplary" 35411  
on the most recent ratings conducted under this section. 35412

(b) The department shall require individuals participating in 35413  
peer review under division (B)(4)(a) of this section to complete 35414  
training approved or established by the department. 35415

(c) The department may enter into an agreement with another 35416  
entity to provide training to individuals conducting peer review 35417  
of sponsors. Prior to entering into an agreement with an entity, 35418  
the department shall review and approve of the entity's training 35419  
program. 35420

(5) Not later than July 1, 2013, the state board of education 35421  
shall adopt rules in accordance with Chapter 119. of the Revised 35422  
Code prescribing standards for measuring compliance with 35423  
applicable laws and rules under division (B)(1)(c) of this 35424  
section. 35425

(6) The department annually shall rate all entities that 35426  
sponsor community schools as either "exemplary," "effective," 35427  
"ineffective," or "poor," based on the components prescribed by 35428  
division (B) of this section, where each component is weighted 35429  
equally. A separate rating shall be given by the department for 35430  
each component of the evaluation system. 35431

The department shall publish the ratings between the first 35432  
day of October and the fifteenth day of October. 35433

The department shall provide training on an annual basis 35434  
regarding the evaluation system prescribed under this section. The 35435  
training shall, at a minimum, describe methodology, timelines, and 35436  
data required for the evaluation system. The first training 35437  
session shall occur not later than ~~thirty days after the effective~~ 35438  
~~date of this section~~ March 2, 2016. Beginning in 2018, the 35439  
training shall be made available to each entity that sponsors a 35440

community school by the fifteenth day of July of each year and 35441  
shall include guidance on any changes made to the evaluation 35442  
system. 35443

If the department uses a points system to determine component 35444  
ratings and overall ratings under this section, the department 35445  
shall not assign an automatic overall rating to an entity based 35446  
solely on the entity receiving an equivalent score of zero points 35447  
on one or more of the individual components prescribed in division 35448  
(B)(1)(b) or (c) of this section. An overall rating shall be the 35449  
cumulative score of the individual components prescribed under 35450  
this section unless the entity receives a score of zero on the 35451  
academic performance component prescribed in division (B)(1)(a) of 35452  
this section. 35453

(7)(a) Entities with an overall rating of "exemplary" for at 35454  
least two consecutive years may take advantage of the following 35455  
incentives: 35456

(i) Renewal of the written agreement with the department, not 35457  
to exceed ten years, provided that the entity consents to 35458  
continued evaluation of adherence to quality practices as 35459  
described in division (B)(1)(b) of this section; 35460

(ii) The ability to extend the term of the contract between 35461  
the sponsoring entity and the community school beyond the term 35462  
described in the written agreement with the department; 35463

(iii) An exemption from the preliminary agreement and 35464  
contract adoption and execution deadline requirements prescribed 35465  
in division (D) of section 3314.02 of the Revised Code; 35466

(iv) An exemption from the automatic contract expiration 35467  
requirement, should a new community school fail to open by the 35468  
thirtieth day of September of the calendar year in which the 35469  
community school contract is executed; 35470

(v) No limit on the number of community schools the entity 35471

may sponsor; 35472

(vi) No territorial restrictions on sponsorship. 35473

An entity may continue to sponsor any community schools with 35474  
which it entered into agreements under division (B)(7)(a)(v) or 35475  
(vi) of this section while rated "exemplary," notwithstanding the 35476  
fact that the entity later receives a lower overall rating. 35477

(b)(i) Entities that receive an overall rating of 35478  
"ineffective" shall be prohibited from sponsoring any new or 35479  
additional community schools during the time in which the sponsor 35480  
is rated as "ineffective" and shall be subject to a quality 35481  
improvement plan based on correcting the deficiencies that led to 35482  
the "ineffective" rating, with timelines and benchmarks that have 35483  
been established by the department. 35484

(ii) Entities that receive an overall rating of "ineffective" 35485  
on their three most recent ratings shall have all sponsorship 35486  
authority revoked. Within thirty days after receiving its third 35487  
rating of "ineffective," the entity may appeal the revocation of 35488  
its sponsorship authority to the superintendent of public 35489  
instruction, who shall appoint an independent hearing officer to 35490  
conduct a hearing in accordance with Chapter 119. of the Revised 35491  
Code. The hearing shall be conducted within thirty days after 35492  
receipt of the notice of appeal. Within forty-five days after the 35493  
hearing is completed, the state board of education shall determine 35494  
whether the revocation is appropriate based on the hearing 35495  
conducted by the independent hearing officer, and if determined 35496  
appropriate, the revocation shall be confirmed. 35497

(c) Entities that receive an overall rating of "poor" shall 35498  
have all sponsorship authority revoked. Within thirty days after 35499  
receiving a rating of "poor," the entity may appeal the revocation 35500  
of its sponsorship authority to the superintendent of public 35501  
instruction, who shall appoint an independent hearing officer to 35502

conduct a hearing in accordance with Chapter 119. of the Revised 35503  
Code. The hearing shall be conducted within thirty days after 35504  
receipt of the notice of appeal. Within forty-five days after the 35505  
hearing is completed, the state board of education shall determine 35506  
whether the revocation is appropriate based on the hearing 35507  
conducted by the independent hearing officer, and if determined 35508  
appropriate, the revocation shall be confirmed. 35509

(8) For the 2014-2015 school year and each school year 35510  
thereafter, student academic performance prescribed under division 35511  
(B)(1)(a) of this section shall include student academic 35512  
performance data from community schools that primarily serve 35513  
students enrolled in a dropout prevention and recovery program. 35514

(C) If the governing authority of a community school enters 35515  
into a contract with a sponsor prior to the date on which the 35516  
sponsor is prohibited from sponsoring additional schools under 35517  
division (A) of this section and the school has not opened for 35518  
operation as of that date, that contract shall be void and the 35519  
school shall not open until the governing authority secures a new 35520  
sponsor by entering into a contract with the new sponsor under 35521  
section 3314.03 of the Revised Code. However, the department's 35522  
office of Ohio school sponsorship, established under section 35523  
3314.029 of the Revised Code, may assume the sponsorship of the 35524  
school until the earlier of the expiration of two school years or 35525  
until a new sponsor is secured by the school's governing 35526  
authority. A community school sponsored by the department under 35527  
this division shall not be included when calculating the maximum 35528  
number of directly authorized community schools permitted under 35529  
division (A)(3) of section 3314.029 of the Revised Code. 35530

(D) When an entity's authority to sponsor schools is revoked 35531  
pursuant to division (B)(7)(b) or (c) of this section, the office 35532  
of Ohio school sponsorship shall assume sponsorship of any schools 35533  
with which the original sponsor has contracted for the remainder 35534

of that school year. The office may continue sponsoring those 35535  
schools until the earlier of: 35536

(1) The expiration of two school years from the time that 35537  
sponsorship is revoked; 35538

(2) When a new sponsor is secured by the governing authority 35539  
pursuant to division (C)(1) of section 3314.02 of the Revised 35540  
Code. 35541

Any community school sponsored under this division shall not 35542  
be counted for purposes of directly authorized community schools 35543  
under division (A)(3) of section 3314.029 of the Revised Code. 35544

**Sec. 3314.03.** A copy of every contract entered into under 35545  
this section shall be filed with the superintendent of public 35546  
instruction. The department of education shall make available on 35547  
its web site a copy of every approved, executed contract filed 35548  
with the superintendent under this section. 35549

is expected to attract, the ages and grades of students, and the 35561  
focus of the curriculum; 35562

(3) The academic goals to be achieved and the method of 35563

measurement that will be used to determine progress toward those goals, which shall include the statewide achievement assessments; 35564  
35565

35567  
35568  
35569

35571

(6)(a) Dismissal procedures; 35572

(b) A requirement that the governing authority adopt an attendance policy that includes a procedure for automatically withdrawing a student from the school if the student without a legitimate excuse fails to participate in one hundred five consecutive hours of the learning opportunities offered to the student. 35573

35578

(7) The ways by which the school will achieve racial and ethnic balance reflective of the community it serves; 35579

35586

(9) An addendum to the contract outlining the facilities to be used that contains at least the following information: 35587

to the district under sections 321.24 and 323.156 of the Revised 36151  
Code an amount equal to the following: 36152

(D) A board of education sponsoring a community school may 36161  
utilize local funds to make enhancement grants to the school or 36162  
may agree, either as part of the contract or separately, to 36163  
provide any specific services to the community school at no cost 36164  
to the school. 36165

(E) A community school may not levy taxes or issue bonds 36166  
secured by tax revenues. 36167

(F) No community school shall charge tuition for the 36168  
enrollment of any student who is a resident of this state. A 36169  
community school may charge tuition for the enrollment of any 36170  
student who is not a resident of this state. 36171

(G)(1)(a) A community school may borrow money to pay any 36172  
necessary and actual expenses of the school in anticipation of the 36173  
receipt of any portion of the payments to be received by the 36174  
school pursuant to division (C) of this section. The school may 36175

issue notes to evidence such borrowing. The proceeds of the notes 36176  
shall be used only for the purposes for which the anticipated 36177  
receipts may be lawfully expended by the school. 36178

(b) A school may also borrow money for a term not to exceed 36179  
fifteen years for the purpose of acquiring facilities. 36180

(2) Except for any amount guaranteed under section 3318.50 of 36181  
the Revised Code, the state is not liable for debt incurred by the 36182  
governing authority of a community school. 36183

(H) The department of education shall adjust the amounts 36184  
subtracted and paid under division (C) of this section to reflect 36185  
any enrollment of students in community schools for less than the 36186  
equivalent of a full school year. The state board of education 36187  
within ninety days after April 8, 2003, shall adopt in accordance 36188  
with Chapter 119. of the Revised Code rules governing the payments 36189  
to community schools under this section including initial payments 36190  
in a school year and adjustments and reductions made in subsequent 36191  
periodic payments to community schools and corresponding 36192  
deductions from school district accounts as provided under 36193  
division (C) of this section. For purposes of this section: 36194

(1) A student shall be considered enrolled in the community 36195  
school for any portion of the school year the student is 36196  
participating at a college under Chapter 3365. of the Revised 36197  
Code. 36198

(2) A student shall be considered to be enrolled in a 36199  
community school for the period of time beginning on the later of 36200  
the date on which the school both has received documentation of 36201  
the student's enrollment from a parent and the student has 36202  
commenced participation in learning opportunities as defined in 36203  
the contract with the sponsor, or thirty days prior to the date on 36204  
which the student is entered into the education management 36205  
information system established under section 3301.0714 of the 36206

Revised Code. For purposes of applying this division and divisions 36207  
(H)(3) and (4) of this section to a community school student, 36208  
"learning opportunities" shall be defined in the contract, which 36209  
shall describe both classroom-based and non-classroom-based 36210  
learning opportunities and shall be in compliance with criteria 36211  
and documentation requirements for student participation which 36212  
shall be established by the department. Any student's instruction 36213  
time in non-classroom-based learning opportunities shall be 36214  
certified by an employee of the community school. A student's 36215  
enrollment shall be considered to cease on the date on which any 36216  
of the following occur: 36217

(a) The community school receives documentation from a parent 36218  
terminating enrollment of the student. 36219

(b) The community school is provided documentation of a 36220  
student's enrollment in another public or private school. 36221

(c) The community school ceases to offer learning 36222  
opportunities to the student pursuant to the terms of the contract 36223  
with the sponsor or the operation of any provision of this 36224  
chapter. 36225

Except as otherwise specified in this paragraph, beginning in 36226  
the 2011-2012 school year, any student who completed the prior 36227  
school year in an internet- or computer-based community school 36228  
shall be considered to be enrolled in the same school in the 36229  
subsequent school year until the student's enrollment has ceased 36230  
as specified in division (H)(2) of this section. The department 36231  
shall continue subtracting and paying amounts for the student 36232  
under division (C) of this section without interruption at the 36233  
start of the subsequent school year. However, if the student 36234  
without a legitimate excuse fails to participate in the first one 36235  
hundred five consecutive hours of learning opportunities offered 36236  
to the student in that subsequent school year, the student shall 36237  
be considered not to have re-enrolled in the school for that 36238

school year and the department shall recalculate the payments to 36239  
the school for that school year to account for the fact that the 36240  
student is not enrolled. 36241

(3) The department shall determine each community school 36242  
student's percentage of full-time equivalency based on the 36243  
percentage of learning opportunities offered by the community 36244  
school to that student, reported either as number of hours or 36245  
number of days, is of the total learning opportunities offered by 36246  
the community school to a student who attends for the school's 36247  
entire school year. However, no internet- or computer-based 36248  
community school shall be credited for any time a student spends 36249  
participating in learning opportunities beyond ten hours within 36250  
any period of twenty-four consecutive hours. Whether it reports 36251  
hours or days of learning opportunities, each community school 36252  
shall offer not less than nine hundred twenty hours of learning 36253  
opportunities during the school year. 36254

(4) With respect to the calculation of full-time equivalency 36255  
under division (H)(3) of this section, the department shall waive 36256  
the number of hours or days of learning opportunities not offered 36257  
to a student because the community school was closed during the 36258  
school year due to disease epidemic, hazardous weather conditions, 36259  
law enforcement emergencies, inoperability of school buses or 36260  
other equipment necessary to the school's operation, damage to a 36261  
school building, or other temporary circumstances due to utility 36262  
failure rendering the school building unfit for school use, so 36263  
long as the school was actually open for instruction with students 36264  
in attendance during that school year for not less than the 36265  
minimum number of hours required by this chapter. The department 36266  
shall treat the school as if it were open for instruction with 36267  
students in attendance during the hours or days waived under this 36268  
division. 36269

(I) The department of education shall reduce the amounts paid 36270

under this section to reflect payments made to colleges under 36271  
section 3365.07 of the Revised Code. 36272

(J)(1) No student shall be considered enrolled in any 36273  
internet- or computer-based community school or, if applicable to 36274  
the student, in any community school that is required to provide 36275  
the student with a computer pursuant to division (C) of section 36276  
3314.22 of the Revised Code, unless both of the following 36277  
conditions are satisfied: 36278

(a) The student possesses or has been provided with all 36279  
required hardware and software materials and all such materials 36280  
are operational so that the student is capable of fully 36281  
participating in the learning opportunities specified in the 36282  
contract between the school and the school's sponsor as required 36283  
by division (A)(23) of section 3314.03 of the Revised Code; 36284

(b) The school is in compliance with division (A) of section 36285  
3314.22 of the Revised Code, relative to such student. 36286

(2) In accordance with policies adopted jointly by the 36287  
superintendent of public instruction and the auditor of state, the 36288  
department shall reduce the amounts otherwise payable under 36289  
division (C) of this section to any community school that includes 36290  
in its program the provision of computer hardware and software 36291  
materials to any student, if such hardware and software materials 36292  
have not been delivered, installed, and activated for each such 36293  
student in a timely manner or other educational materials or 36294  
services have not been provided according to the contract between 36295  
the individual community school and its sponsor. 36296

The superintendent of public instruction and the auditor of 36297  
state shall jointly establish a method for auditing any community 36298  
school to which this division pertains to ensure compliance with 36299  
this section. 36300

The superintendent, auditor of state, and the governor shall 36301

jointly make recommendations to the general assembly for 36302  
legislative changes that may be required to assure fiscal and 36303  
academic accountability for such schools. 36304

(K)(1) If the department determines that a review of a 36305  
community school's enrollment is necessary, such review shall be 36306  
completed and written notice of the findings shall be provided to 36307  
the governing authority of the community school and its sponsor 36308  
within ninety days of the end of the community school's fiscal 36309  
year, unless extended for a period not to exceed thirty additional 36310  
days for one of the following reasons: 36311

(a) The department and the community school mutually agree to 36312  
the extension. 36313

(b) Delays in data submission caused by either a community 36314  
school or its sponsor. 36315

(2) If the review results in a finding that additional 36316  
funding is owed to the school, such payment shall be made within 36317  
thirty days of the written notice. If the review results in a 36318  
finding that the community school owes moneys to the state, the 36319  
following procedure shall apply: 36320

(a) Within ten business days of the receipt of the notice of 36321  
findings, the community school may appeal the department's 36322  
determination to the state board of education or its designee. 36323

(b) The board or its designee shall conduct an informal 36324  
hearing on the matter within thirty days of receipt of such an 36325  
appeal and shall issue a decision within fifteen days of the 36326  
conclusion of the hearing. 36327

(c) If the board has enlisted a designee to conduct the 36328  
hearing, the designee shall certify its decision to the board. The 36329  
board may accept the decision of the designee or may reject the 36330  
decision of the designee and issue its own decision on the matter. 36331

(d) Any decision made by the board under this division is 36332  
final. 36333

(3) If it is decided that the community school owes moneys to 36334  
the state, the department shall deduct such amount from the 36335  
school's future payments in accordance with guidelines issued by 36336  
the superintendent of public instruction. 36337

(L) The department shall not subtract from a school 36338  
district's state aid account and shall not pay to a community 36339  
school under division (C) of this section any amount for any of 36340  
the following: 36341

(1) Any student who has graduated from the twelfth grade of a 36342  
public or nonpublic high school; 36343

(2) Any student who is not a resident of the state; 36344

(3) Any student who was enrolled in the community school 36345  
during the previous school year when assessments were administered 36346  
under section 3301.0711 of the Revised Code but did not take one 36347  
or more of the assessments required by that section and was not 36348  
excused pursuant to division (C)(1) or (3) of that section, unless 36349  
the superintendent of public instruction grants the student a 36350  
waiver from the requirement to take the assessment and a parent is 36351  
not paying tuition for the student pursuant to section 3314.26 of 36352  
the Revised Code. The superintendent may grant a waiver only for 36353  
good cause in accordance with rules adopted by the state board of 36354  
education. 36355

(4) Any student who has attained the age of twenty-two years, 36356  
except for veterans of the armed services whose attendance was 36357  
interrupted before completing the recognized twelve-year course of 36358  
the public schools by reason of induction or enlistment in the 36359  
armed forces and who apply for enrollment in a community school 36360  
not later than four years after termination of war or their 36361  
honorable discharge. If, however, any such veteran elects to 36362

enroll in special courses organized for veterans for whom tuition 36363  
is paid under federal law, or otherwise, the department shall not 36364  
subtract from a school district's state aid account and shall not 36365  
pay to a community school under division (C) of this section any 36366  
amount for that veteran. 36367

**Sec. 3314.26.** (A) Each internet- or computer-based community 36368  
school shall withdraw from the school any student who, for two 36369

Code for the student's grade level and was not excused from the 36373  
assessment pursuant to division (C)(1) or (3) of section 3301.0711 36374  
of the Revised Code, regardless of whether a waiver was granted 36375  
for the student under division (L)(3) of section 3314.08 of the 36376  
Revised Code. The school shall report any such student's data 36377  
verification code, as assigned pursuant to section 3301.0714 of 36378  
the Revised Code, to the department of education. The department 36379  
shall maintain a list of all data verification codes reported 36380  
under this division and section 3313.6410 of the Revised Code and 36381  
provide that list to each internet- or computer-based community 36382  
school and to each school to which section 3313.6410 of the 36383  
Revised Code applies. 36384

(B) No internet- or computer-based community school shall 36385  
receive any state funds under this chapter for any enrolled 36386  
student whose data verification code appears on the list 36387  
maintained by the department under division (A) of this section. 36388

Notwithstanding any provision of the Revised Code to the 36389  
contrary, the parent of any such student shall pay tuition to the 36390  
internet- or computer-based community school in an amount equal to 36391  
the state funds the school otherwise would receive for that 36392  
student, as determined by the department. An internet- or 36393

computer-based community school may withdraw any student for whom 36394  
the parent does not pay tuition as required by this division. 36395

Sec. 3314.29. (A) This section applies to any internet- or 36396  
computer-based community school that meets all of the following 36397  
conditions: 36398

(1) Serves all of grades kindergarten through twelve; 36399

(2) Has an enrollment of at least two thousand students; 36400

(3) Has a sponsor that was not rated ineffective or poor on 36401  
its most recent evaluation under section 3314.016 of the Revised 36402  
Code. 36403

(B) Beginning with the 2018-2019 school year, the governing 36404  
authority of a community school to which this section applies may 36405  
adopt a resolution to divide the school into two or three separate 36406  
schools as follows: 36407

(1) If the school is divided into two schools, one school 36408  
shall serve grades kindergarten through eight and one school shall 36409  
serve grades nine through twelve. 36410

(2) If the school is divided into three schools, one school 36411  
shall serve grades kindergarten through five, one school shall 36412  
serve grades six through eight, and one school shall serve grades 36413  
nine through twelve. 36414

(C) The resolution adopted by the governing authority shall 36415  
not be effective unless approved by the school's sponsor. 36416  
Following approval of the resolution by the sponsor, and by the 36417  
fifteenth day of March prior to the school year in which it will 36418  
take effect, the governing authority shall file the resolution 36419  
with the department of education. The division of the schools 36420  
shall be effective on the first day of July succeeding the date 36421  
the resolution is filed with the department. 36422

(D) All of the following shall apply to each new school 36423

created as a result of the resolution authorized by this section 36424  
and to the school that is divided as a result of the resolution: 36425

(1) Each school shall have the same governing authority. 36426

(2) The sponsor and governing authority shall enter into a 36427  
separate contract under section 3314.03 of the Revised Code for 36428  
each school. 36429

(3) No school shall primarily serve students enrolled in a 36430  
dropout prevention and recovery program operated by the school. 36431

(4) No school shall be permitted to divide again under this 36432  
section. 36433

(5) Notwithstanding anything to the contrary in division 36434  
(B)(2) of section 3314.016 of the Revised Code, each school shall 36435  
be included in the calculation of the academic performance 36436  
component for purposes of rating the schools' sponsor under the 36437  
evaluation system prescribed by that section. 36438

(6) Each school shall be subject to the laws contained in 36439  
Chapter 3314. of the Revised Code, except as otherwise specified 36440  
in this section. 36441

(E) The department shall issue a report card under section 36442  
3314.012 of the Revised Code for each new school created as a 36443  
result of the resolution authorized by this section and for the 36444  
school that is divided as a result of the resolution. For purposes 36445  
of the report cards and other reporting requirements under this 36446  
chapter, the department shall assign the school that serves the 36447  
highest grades the same internal retrieval number previously used 36448  
by the school that is divided under this section. The department 36449  
shall assign a new internal retrieval number to each other school 36450  
resulting from the division. 36451

Notwithstanding division (B) of section 3314.012 of the 36452  
Revised Code, the ratings a school receives on its report card for 36453

the first two full school years after the division under this 36454  
section shall count toward closure of the school under section 36455  
3314.35 of the Revised Code and any other matter that is based on 36456  
report card ratings or measures. 36457

**Sec. 3316.20.** (A)(1) The school district solvency assistance 36458  
fund is hereby created in the state treasury, to consist of such 36459  
amounts designated for the purposes of the fund by the general 36460  
assembly. The fund shall be used to provide assistance and grants 36461  
to school districts to enable them to remain solvent and to pay 36462  
unforeseeable expenses of a temporary or emergency nature that 36463  
they are unable to pay from existing resources. 36464

(2) There is hereby created within the fund an account known 36465  
as the school district shared resource account, which shall 36466  
consist of money appropriated to it by the general assembly. The 36467  
money in the account shall be used solely for solvency assistance 36468  
to school districts that have been declared under division (B) of 36469  
section 3316.03 of the Revised Code to be in a state of fiscal 36470  
emergency. 36471

(3) There is hereby created within the fund an account known 36472  
as the catastrophic expenditures account, which shall consist of 36473  
money appropriated to the account by the general assembly plus all 36474  
investment earnings of the fund. Money in the account shall be 36475  
used solely for the following: 36476

(a) Solvency assistance to school districts that have been 36477  
declared under division (B) of section 3316.03 of the Revised Code 36478  
to be in a state of fiscal emergency, in the event that all money 36479  
in the shared resource account is utilized for solvency 36480  
assistance; 36481

(b) Grants to school districts under division (C) of this 36482  
section. 36483

(B) Solvency assistance payments under division (A)(2) or 36484  
(3)(a) of this section shall be made from the fund by the 36485  
superintendent of public instruction in accordance with rules 36486  
adopted by the director of budget and management, after consulting 36487  
with the superintendent, specifying approval criteria and 36488  
procedures necessary for administering the fund. 36489

The fund shall be reimbursed for any solvency assistance 36490  
amounts paid under division (A)(2) or (3)(a) of this section not 36491  
later than the end of the second fiscal year following the fiscal 36492  
year in which the solvency assistance payment was made, except 36493  
that, upon the approval of the director of budget and management 36494  
and the superintendent of public instruction, the fund may be 36495  
reimbursed in another fiscal year designated by the director and 36496  
superintendent that is not later than the end of the tenth fiscal 36497  
year following the fiscal year in which the solvency assistance 36498  
payment was made. If not made directly by the school district, 36499  
such reimbursement shall be made by the director of budget and 36500  
management from the amounts the school district would otherwise 36501  
receive pursuant to Chapter 3317. of the Revised Code, or from any 36502  
other funds appropriated for the district by the general assembly. 36503  
Reimbursements shall be credited to the respective account from 36504  
which the solvency assistance paid to the district was deducted. 36505

(C) The superintendent of public instruction may make 36506  
recommendations, and the controlling board may grant money from 36507  
the catastrophic expenditures account to any school district that 36508  
suffers an unforeseen catastrophic event that severely depletes 36509  
the district's financial resources. The superintendent shall make 36510  
recommendations for the grants in accordance with rules adopted by 36511  
the director of budget and management, after consulting with the 36512  
superintendent. A school district shall not be required to repay 36513  
any grant awarded to the district under this division, unless the 36514  
district receives money from this state or a third party, 36515

including an agency of the government of the United States, 36516  
specifically for the purpose of compensating the district for 36517  
revenue lost or expenses incurred as a result of the unforeseen 36518  
catastrophic event. If a school district receives a grant from the 36519  
catastrophic expenditures account on the basis of the same 36520  
circumstances for which an adjustment or recomputation is 36521  
authorized under section 3317.025, ~~3317.026, 3317.027,~~ 3317.028, 36522  
3317.0210, or 3317.0211 of the Revised Code, the department of 36523  
education shall reduce the adjustment or recomputation by an 36524  
amount not to exceed the total amount of the grant, and an amount 36525  
equal to the reduction shall be transferred, from the funding 36526  
source from which the adjustment or recomputation would be paid, 36527  
to the catastrophic expenditures account. Any adjustment or 36528  
recomputation under such sections that is in excess of the total 36529  
amount of the grant shall be paid to the school district. 36530

**Sec. 3317.01.** As used in this section, "school district," 36531  
unless otherwise specified, means any city, local, exempted 36532  
village, joint vocational, or cooperative education school 36533  
district and any educational service center. 36534

This chapter shall be administered by the state board of 36535  
education. The superintendent of public instruction shall 36536  
calculate the amounts payable to each school district and shall 36537  
certify the amounts payable to each eligible district to the 36538  
treasurer of the district as provided by this chapter. As soon as 36539  
possible after such amounts are calculated, the superintendent 36540  
shall certify to the treasurer of each school district the 36541  
district's adjusted charge-off increase, as defined in section 36542  
5705.211 of the Revised Code. Certification of moneys pursuant to 36543  
this section shall include the amounts payable to each school 36544  
building, at a frequency determined by the superintendent, for 36545  
each subgroup of students, as defined in section 3317.40 of the 36546  
Revised Code, receiving services, provided for by state funding, 36547

from the district or school. No moneys shall be distributed 36548  
pursuant to this chapter without the approval of the controlling 36549  
board. 36550

The state board of education shall, in accordance with 36551  
appropriations made by the general assembly, meet the financial 36552  
obligations of this chapter. 36553

Moneys distributed to school districts pursuant to this 36554  
chapter shall be calculated based on the annual enrollment 36555  
calculated from the three reports required under sections 3317.03 36556  
and 3317.036 of the Revised Code and paid on a fiscal year basis, 36557  
beginning with the first day of July and extending through the 36558  
thirtieth day of June. In any given fiscal year, prior to school 36559  
districts submitting the first report required under section 36560  
3317.03 of the Revised Code, enrollment for the districts shall be 36561  
calculated based on the third report submitted by the districts 36562  
for the previous fiscal year. The moneys appropriated for each 36563  
fiscal year shall be distributed periodically to each school 36564  
district unless otherwise provided for. The state board, in June 36565  
of each year, shall submit to the controlling board the state 36566  
board's year-end distributions pursuant to this chapter. 36567

Except as otherwise provided, payments under this chapter 36568  
shall be made only to those school districts in which: 36569

(A) The school district, except for any educational service 36570  
center and any joint vocational or cooperative education school 36571  
district, levies for current operating expenses at least twenty 36572  
mills. Levies for joint vocational or cooperative education school 36573  
districts or county school financing districts, limited to or to 36574  
the extent apportioned to current expenses, shall be included in 36575  
this qualification requirement. School district income tax levies 36576  
under Chapter 5748. of the Revised Code, limited to or to the 36577  
extent apportioned to current operating expenses, shall be 36578  
included in this qualification requirement to the extent 36579

determined by the tax commissioner under division ~~(D)~~(C) of 36580  
section 3317.021 of the Revised Code. 36581

(B) The school year next preceding the fiscal year for which 36582  
such payments are authorized meets the requirement of section 36583  
3313.48 of the Revised Code, with regard to the minimum number of 36584  
hours school must be open for instruction with pupils in 36585  
attendance, for individualized parent-teacher conference and 36586  
reporting periods, and for professional meetings of teachers. 36587

A school district shall not be considered to have failed to 36588  
comply with this division because schools were open for 36589  
instruction but either twelfth grade students were excused from 36590  
attendance for up to the equivalent of three school days or only a 36591  
portion of the kindergarten students were in attendance for up to 36592  
the equivalent of three school days in order to allow for the 36593  
gradual orientation to school of such students. 36594

A board of education or governing board of an educational 36595  
service center which has not conformed with other law and the 36596  
rules pursuant thereto, shall not participate in the distribution 36597  
of funds authorized by this chapter, except for good and 36598  
sufficient reason established to the satisfaction of the state 36599  
board of education and the state controlling board. 36600

All funds allocated to school districts under this chapter, 36601  
except those specifically allocated for other purposes, shall be 36602  
used to pay current operating expenses only. 36603

**Sec. 3317.013.** The amounts for the following categories of 36604  
special education programs, as these programs are defined for 36605  
purposes of Chapter 3323. of the Revised Code, are as follows: 36606

**Sec. 3317.017.** The department of education shall compute a 36673  
school district's state share index as follows: 36674

(A) Calculate the district's valuation index, which equals 36675  
the following quotient: 36676

(The district's three-year average valuation / the district's 36677  
total ADM) / (the statewide three-year average valuation for 36678  
school districts with a total ADM greater than zero / the 36679  
statewide total ADM) 36680

(B)(1) Calculate the district's median income index, which 36681  
equals the following quotient: 36682

(The district's median Ohio adjusted gross income / the 36683  
median of the median Ohio adjusted gross income of all districts 36684  
statewide with a total ADM greater than zero) 36685

(2) Calculate the district's income index, which equals the 36686  
following sum: 36687

(The district's median income index X 0.5) + {[the three-year 36688  
average federal adjusted gross income of the school district's 36689  
residents / the district's formula ADM for fiscal year 2017) / 36690  
(the three-year average federal adjusted gross income of all 36691  
districts statewide with a formula ADM for fiscal year 2017 36692  
greater than zero / the statewide formula ADM for fiscal year 36693  
2017)] X 0.5} 36694

(C) Determine the district's wealth index as follows: 36695

(1) If the district's income index is less than the 36696  
district's valuation index and the district's median income index 36697  
is less than or equal to 1.5, then the district's wealth index 36698  
shall be equal to [( 0.4 X the district's income index) + ( 0.6 X 36699  
the district's valuation index)]. 36700

(2) If the district's income index does not meet both of the conditions described in division (C)(1) of this section, then the district's wealth index shall be equal to the district's valuation index. 36701  
36702  
36703  
36704

(D) Determine the district's state share index as follows: 36705

(1) If the district's wealth index is less than or equal to 0.35, then the district's state share index shall be equal to 0.90. 36706  
36707  
36708

(2) If the district's wealth index is greater than 0.35 but less than or equal to 0.90, then the district's state share index shall be equal to  $\{0.40 \times [(0.90 - \text{the district's wealth index}) / 0.55]\} + 0.50$ . 36709  
36710  
36711  
36712

(3) If the district's wealth index is greater than 0.90 but less than 1.8, then the district's state share index shall be equal to  $\{0.45 \times [(1.8 - \text{the district's wealth index}) / 0.9]\} + 0.05$ . 36713  
36714  
36715  
36716

(4) If the district's wealth index is greater than or equal to 1.8, then the district's state share index shall be equal to 0.05. 36717  
36718  
36719

(E)(1) For each school district for which the tax-exempt value of the district, as certified under division (A)(4) of section 3317.021 of the Revised Code, equals or exceeds thirty per cent of the potential value of the district, the department shall calculate the difference between the district's tax-exempt value and thirty per cent of the district's potential value. For this purpose, the "potential value" of a school district is the three-year average valuation of the district plus the tax-exempt value of the district. 36720  
36721  
36722  
36723  
36724  
36725  
36726  
36727  
36728

(2) For each school district to which division (E)(1) of this section applies, the department shall adjust the district's three-year average valuation used in the calculation under 36729  
36730  
36731

division (A) of this section by subtracting from it the amount 36732  
calculated under division (E)(1) of this section. The department 36733  
shall not, however, make any adjustments to the statewide 36734  
three-year average valuation used in the calculation under 36735  
division (A) of this section. 36736

(F)(1) For purposes of division (F) of this section, an 36737  
"eligible school district" is a school district that satisfies all 36738  
of the following: 36739

following quotient: 37476

~~+(35, in fiscal year 2016, or 50, in fiscal year 2017) - the~~ 37477  
district's rider density~~+) / 100~~ 37478

~~section~~ September 14, 2000. 38295

**Sec. 3318.024.** In the first year of a capital biennium, any 38296  
funds appropriated to the Ohio ~~school~~ facilities construction 38297  
commission for classroom facilities projects under this chapter in 38298  
the previous capital biennium that were not spent or encumbered, 38299  
or for which an encumbrance has been canceled under section 38300

3318.05 of the Revised Code, shall be used by the commission only 38301  
for projects under sections 3318.01 to 3318.20 of the Revised 38302  
Code, subject to appropriation by the general assembly. 38303

In the second year of a capital biennium, any funds 38304  
appropriated to the Ohio ~~school~~ facilities construction commission 38305  
for classroom facilities projects under this chapter that were not 38306  
spent or encumbered in the first year of the biennium and which 38307  
are in excess of an amount equal to half of the appropriations for 38308  
the capital biennium, or for which an encumbrance has been 38309  
canceled under section 3318.05 of the Revised Code, shall be used 38310  
by the commission only for projects under sections 3318.01 to 38311  
3318.20, 3318.351, 3318.364, 3318.37, 3318.371, 3318.38, and 38312  
3318.40 to 3318.46 of the Revised Code, subject to appropriation 38313  
by the general assembly. 38314

**Sec. 3318.03.** (A) Before conducting an on-site evaluation of 38315  
a school district under section 3318.02 of the Revised Code, at 38316  
the request of the district board of education, the Ohio ~~school~~ 38317  
facilities construction commission shall examine any classroom 38318  
facilities needs assessment that has been conducted by the 38319  
district and any master plan developed for meeting the facility 38320  
needs of the district. 38321

(B) Upon conducting the on-site evaluation under section 38322  
3318.02 of the Revised Code, the Ohio ~~school~~ facilities 38323  
construction commission shall make a determination of all of the 38324  
following: 38325

(1) The needs of the school district for additional classroom 38326  
facilities; 38327

(2) The number of classroom facilities to be included in a 38328  
project and the basic project cost of constructing, acquiring, 38329  
reconstructing, or making additions to each such facility; 38330

(3) The amount of such cost that the school district can supply from available funds, by the issuance of bonds previously authorized by the electors of the school district the proceeds of which can lawfully be used for the project and by the issuance of bonds under section 3318.05 of the Revised Code;

(4) The remaining amount of such cost that shall be supplied by the state;

(5) The amount of the state's portion to be encumbered in accordance with section 3318.11 of the Revised Code in the current and subsequent fiscal years from funds appropriated for purposes of sections 3318.01 to 3318.20 of the Revised Code.

(C) The commission shall make a determination in favor of constructing, acquiring, reconstructing, or making additions to a classroom facility only upon evidence that the proposed project conforms to sound educational practice, that it is in keeping with the orderly process of school district reorganization and consolidation, and that the actual or projected enrollment in each classroom facility proposed to be included in the project is at least three hundred fifty pupils. Exceptions shall be authorized only in those districts where topography, sparsity of population, and other factors make larger schools impracticable.

If the school district board determines that an existing facility has historical value or for other good cause determines that an existing facility should be renovated in lieu of acquiring a comparable facility by new construction, the commission may approve the expenditure of project funds for the renovation of that facility up to but not exceeding one hundred per cent of the estimated cost of acquiring a comparable facility by new construction, as long as the commission determines that the facility when renovated can be operationally efficient, will be adequate for the future needs of the district, and will comply with the other provisions of this division.

(D) Sections 125.81 and 153.04 of the Revised Code shall not  
apply to classroom facilities constructed under either sections  
3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the Revised  
Code.

**Sec. 3318.031.** (A) The Ohio ~~school~~ facilities construction  
commission shall consider student and staff safety and health when  
reviewing design plans for classroom facility construction  
projects proposed under this chapter. After consulting with  
appropriate education, health, and law enforcement personnel, the  
commission may require as a condition of project approval under  
either section 3318.03 or division (B)(1) of section 3318.41 of  
the Revised Code such changes in the design plans as the  
commission believes will advance or improve student and staff  
safety and health in the proposed classroom facility.

To carry out its duties under this division, the commission  
shall review and, if necessary, amend any construction and design  
standards used in its project approval process, including  
standards for location and number of exits, standards for lead  
safety in classroom facilities constructed before 1978 in which  
services are provided to children under six years of age, and  
location of restrooms, with a focus on advancing student and staff  
safety and health.

(B) When reviewing design standards for classroom facility  
construction projects proposed under this chapter, the commission  
shall also consider the extent to which the design standards  
support the following:

(1) Trends in educational delivery methods, including digital  
access and blended learning;

(2) Provision of sufficient space for training new teachers  
and promotion of collaboration among teaching candidates,  
experienced teachers, and teacher educators;

(3) Provision of adequate space for teacher planning and collaboration;	38394 38395
(4) Provision of adequate space for parent involvement activities;	38396 38397
(5) Provision of sufficient space for innovative partnerships between schools and health and social service agencies.	38398 38399
<b>Sec. 3318.032.</b> (A) Except as otherwise provided in divisions (C) and (D) of this section, the portion of the basic project cost supplied by the school district shall be the greater of:	38400 38401 38402
(1) The required percentage of the basic project costs;	38403
(2)(a) For all districts except a district that opts to divide its entire classroom facilities needs into segments to be completed separately as authorized by section 3318.034 of the Revised Code, an amount necessary to raise the school district's net bonded indebtedness, as of the date the controlling board approved the project, to within five thousand dollars of the required level of indebtedness;	38404 38405 38406 38407 38408 38409 38410
(b) For a district that opts to divide its entire classroom facilities needs into segments to be completed separately as authorized by section 3318.034 of the Revised Code, an amount necessary to raise the school district's net bonded indebtedness, as of the date the controlling board approved the project, to within five thousand dollars of the following:	38411 38412 38413 38414 38415 38416
The required level of indebtedness X (the basic project cost of the segment as approved by the controlling board / the estimated basic project cost of the district's entire classroom facilities needs as determined jointly by the staff of the Ohio school facilities <u>construction</u> commission and the district)	38417 38418 38419 38420 38421 38422
(B) The amount of the district's share determined under this	38423

section shall be calculated only as of the date the controlling board approved the project, and that amount applies throughout the thirteen-month period permitted under section 3318.05 of the Revised Code for the district's electors to approve the propositions described in that section. If the amount reserved and encumbered for a project is released because the electors do not approve those propositions within that period, and the school district later receives the controlling board's approval for the project, subject to a new project scope and estimated costs under section 3318.054 of the Revised Code, the district's portion shall be recalculated in accordance with this section as of the date of the controlling board's subsequent approval.

(C) At no time shall a school district's portion of the basic project cost be greater than ninety-five per cent of the total basic project cost.

(D) If the controlling board approves a project under sections 3318.01 to 3318.20 of the Revised Code for a school district that previously received assistance under those sections or section 3318.37 of the Revised Code within the twenty-year period prior to the date on which the controlling board approves the new project, the district's portion of the basic project cost for the new project shall be the lesser of the following:

(1) The portion calculated under division (A) of this section;

(2) The greater of the following:

(a) The required percentage of the basic project costs for the new project;

(b) The percentage of the basic project cost paid by the district for the previous project.

**Sec. 3318.033.** (A) As used in this section:

(1) "Formula ADM" has the same meaning as in section 3317.02 38454  
of the Revised Code. 38455

(2) "Open enrollment net gain" has the same meaning as in 38456  
section 3318.011 of the Revised Code. 38457

(B) This section applies to each school district that meets 38458  
the following criteria: 38459

(1) The Ohio ~~school~~ facilities construction commission 38460  
certified its conditional approval of the district's project under 38461  
sections 3318.01 to 3318.20 of the Revised Code after July 1, 38462  
2006, and prior to September 29, 2007, and the project had not 38463  
been completed as of September 29, 2007. 38464

(2) Within one year after the date of the commission's 38465  
certification of its conditional approval, the district's electors 38466  
approved a bond issue to pay the district's portion of the basic 38467  
project cost or the district board of education complied with 38468  
section 3318.052 of the Revised Code. 38469

(3) In the fiscal year prior to the fiscal year in which the 38470  
district's project was conditionally approved, the district had an 38471  
open enrollment net gain that was ten per cent or more of its 38472  
formula ADM. 38473

(C) For each school district to which this section applies, 38474  
the department of education shall recalculate the district's 38475  
percentile ranking under section 3318.011 of the Revised Code for 38476  
the fiscal year prior to the fiscal year in which the district's 38477  
project was conditionally approved and shall report the 38478  
recalculated percentile ranking to the commission. For this 38479  
purpose, the department shall recalculate every school district's 38480  
percentile ranking for that fiscal year using the district's 38481  
"valuation per pupil" as that term is defined in section 3318.011 38482  
of the Revised Code on and after September 29, 2007. 38483

(D) For each school district to which this section applies, 38484

the commission shall use the recalculated percentile ranking 38485  
reported under division (C) of this section to determine the 38486  
district's portion of the basic project cost under section 38487  
3318.032 of the Revised Code. The commission shall not use the 38488  
recalculated percentile ranking for any other purpose, and the 38489  
recalculated ranking shall not affect any other district's portion 38490  
of the basic project cost under section 3318.032 of the Revised 38491  
Code or any district's eligibility for assistance under sections 38492  
3318.01 to 3318.20 of the Revised Code. The commission shall 38493  
revise the agreement entered into under section 3318.08 of the 38494  
Revised Code to reflect the district's new portion of the basic 38495  
project cost as determined under this division. 38496

**Sec. 3318.034.** (A) This section applies to both of the 38497  
following: 38498

(1) Any school district that has not executed an agreement 38499  
for a project under sections 3318.01 to 3318.20 of the Revised 38500  
Code prior to June 24, 2008; 38501

(2) Any school district that is eligible for additional 38502  
assistance under sections 3318.01 to 3318.20 of the Revised Code 38503  
pursuant to division (B)(2) of section 3318.04 of the Revised 38504  
Code. 38505

Notwithstanding any provision of this chapter to the 38506  
contrary, with the approval of the Ohio ~~school~~ facilities 38507  
construction commission, any school district to which this section 38508  
applies may opt to divide the district's entire classroom 38509  
facilities needs, as those needs are jointly determined by the 38510  
staff of the commission and the school district, into discrete 38511  
segments and shall comply with all of the provisions of those 38512  
sections unless otherwise provided in this section. 38513

(B) Except as provided in division (C) of this section, each 38514  
segment shall comply with both of the following: 38515

(1) The segment shall consist of the new construction of one 38516  
or more entire buildings, a stand-alone segment of a building that 38517  
serves grades kindergarten through twelve, or the complete 38518  
renovation of one or more entire existing buildings, with any 38519  
necessary additions to that building. 38520

(2) The segment shall not include any construction of or 38521  
renovation or repair to any building that does not complete the 38522  
needs of the district with respect to that particular building at 38523  
the time the segment is completed. 38524

(C) A district described in division (A)(2) of this section 38525  
that has not received the additional assistance authorized under 38526  
division (B)(2) of section 3318.04 of the Revised Code may 38527  
undertake a segment, with commission approval, for the purpose of 38528  
renovating or replacing work performed on a facility under the 38529  
district's prior project. The commission may approve that segment 38530  
if the commission determines that the renovation or replacement is 38531  
necessary to protect the facility. The basic project cost of the 38532  
segment shall be allocated between the state and the district in 38533  
accordance with section 3318.032 of the Revised Code. However, the 38534  
requirements of division (B) of this section shall not apply to a 38535  
segment undertaken under this division. 38536

(D) The commission shall conditionally approve and seek 38537  
controlling board approval in accordance with division (A) of 38538  
section 3318.04 of the Revised Code of each segment. 38539

(E)(1) When undertaking a segment under this section, a 38540  
school district may elect to prorate its full maintenance amount 38541  
by setting aside for maintenance the amount calculated under 38542  
division (E)(2) of this section to maintain the classroom 38543  
facilities acquired under the segment, if the district will use 38544  
one or more of the alternative methods authorized in sections 38545  
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 38546  
the entire amount calculated under that division. If the district 38547

so elects, the commission and the district shall include in the 38548  
agreement entered into under section 3318.08 of the Revised Code a 38549  
statement specifying that the district will use the amount 38550  
calculated under that division only to maintain the classroom 38551  
facilities acquired under the segment. 38552

(2) The commission shall calculate the amount for a school 38553  
district to maintain the classroom facilities acquired under a 38554  
segment as follows: 38555

The full maintenance amount X (the school district's portion 38556  
of the basic project cost for the segment / the school district's 38557  
portion of the basic project cost for the district's entire 38558  
classroom facilities needs, as determined jointly by the staff of 38559  
the commission and the district) 38560

(3) A school district may elect to prorate its full 38561  
maintenance amount for any number of segments, provided the 38562  
district will use one or more of the alternative methods 38563  
authorized in sections 3318.051, 3318.052, and 3318.084 of the 38564  
Revised Code to generate the entire amount calculated under 38565  
division (E)(2) of this section to maintain the classroom 38566  
facilities acquired under each segment for which it so elects. If 38567  
the district cannot use one or more of those alternative methods 38568  
to generate the entire amount calculated under that division, the 38569  
district shall levy the tax described in division (B) of section 38570  
3318.05 of the Revised Code or an extension of that tax under 38571  
section 3318.061 of the Revised Code in an amount necessary to 38572  
generate the remainder of its full maintenance amount. The 38573  
commission shall calculate the remainder of the district's full 38574  
maintenance amount as follows: 38575

The full maintenance amount - the sum of the amounts 38576  
calculated for the district under division (E)(2) of this section 38577  
for each prior segment of the district's project 38578

(4) In no case shall the sum of the amounts calculated for a school district's maintenance of classroom facilities under divisions (E)(2) and (3) of this section exceed the amount that would have been required for maintenance if the district had elected to undertake its project in its entirety instead of segmenting the project under this section.

(5) If a school district commenced a segment under this section prior to September 10, 2012, but has not completed that segment, and has not levied the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code, the district may request approval from the commission to prorate its full maintenance amount in accordance with divisions (E)(1) to (4) of this section. If the commission approves the request, the commission and the district shall amend the agreement entered into under section 3318.08 of the Revised Code to reflect the change.

(F) If a school district levies the tax described in division (B) of section 3318.05 of the Revised Code or an extension of that tax under section 3318.061 of the Revised Code, the tax shall run for twenty-three years from the date the segment for which the tax is initially levied is undertaken. The maintenance levy requirement, as defined in section 3318.18 of the Revised Code, does not apply to a segment undertaken under division (C) of this section.

(G) As used in this section, "full maintenance amount" means the amount of total revenue that a school district likely would generate by one-half mill of the tax described in division (B) of section 3318.05 of the Revised Code over the entire twenty-three-year period required under that section, as determined by the commission in consultation with the department of taxation.

**Sec. 3318.035.** (A) This section applies only if there is a 38610  
change in the assessment rates on gas pipelines imposed under 38611  
state law. 38612

(B) If at any time division (A) of this section applies and 38613  
if the change in assessment rates described in that division 38614  
affects a school district's valuation as determined under division 38615  
(P) of section 3318.01 of the Revised Code by greater than ten per 38616  
cent and if the Ohio ~~school~~ facilities construction commission had 38617  
determined the state and school district portion of the basic 38618  
project cost of such a district's project under section 3318.36 or 38619  
3318.37 of the Revised Code prior to that change in valuation, the 38620  
commission shall adjust the state and school district portions of 38621  
the basic project cost of the school district's project using the 38622  
valuation altered by the change in assessment rates described in 38623  
division (A) of this section. 38624

**Sec. 3318.036.** (A) For purposes of this section: 38625

(1) "Eligible school district" is a city, local, or exempted 38626  
village school district that satisfies both of the following 38627  
conditions: 38628

(a) The district resulted from one of the following that 38629  
became effective between July 1, 2013, and June 30, 2018: 38630

(i) A transfer of all of the territory of one school district 38631  
to another school district in accordance with section 3311.22, 38632  
3311.231, 3311.24, or 3311.38 of the Revised Code; 38633

(ii) The merger of two or more districts in accordance with 38634  
section 3311.25 of the Revised Code; 38635

(iii) The creation of a new local school district from all of 38636  
one or more local school districts in accordance with section 38637  
3311.26 of the Revised Code; 38638

(iv) The consolidation of two or more school districts under section 3311.37 of the Revised Code. 38639  
38640

(b) The district has demonstrated to the Ohio ~~school~~ facilities construction commission an efficient use of facility space, including a reduction in the number of buildings used by students and administrative staff. 38641  
38642  
38643  
38644

(2) "Basic project cost" and "required percentage of the basic project cost" have the same meanings as in section 3318.01 of the Revised Code. 38645  
38646  
38647

(B) Notwithstanding anything to the contrary in this chapter: 38648

(1) If the commission determines that a district is an eligible school district, the commission shall give that district first priority for funding for a project under sections 3318.01 to 3318.20 of the Revised Code as such funds become available, regardless of the district's percentile rank under section 3318.011 of the Revised Code. If the district results from a transfer, merger, consolidation, or creation of a new local district that takes effect prior to ~~the effective date of this section~~ April 6, 2017, the district's portion of the basic project cost shall be the required percentage of the basic project cost based on the percentile ranking of the district that was transferred, merged, consolidated, or existed prior to the creation of the new district that has the lowest three-year average adjusted valuation per pupil, as calculated under section 3318.011 of the Revised Code, on the date that the transfer, merger, consolidation, or creation of the new district became effective. 38649  
38650  
38651  
38652  
38653  
38654  
38655  
38656  
38657  
38658  
38659  
38660  
38661  
38662  
38663  
38664  
38665

(2) If an eligible school district is given priority under division (B)(1) of this section, the commission may reduce that district's portion of the basic project cost by twenty-five percentage points from the portion determined under section 38666  
38667  
38668  
38669

3318.032 of the Revised Code or, if the district results from a transfer, merger, consolidation, or creation of a new local district that takes effect prior to ~~the effective date of this section~~ April 6, 2017, from the portion determined under division (B)(1) of this section. At no time, however, shall that district's portion of the basic project cost be less than five per cent.

(3) If an eligible school district is given priority under division (B)(1) of this section, the commission may reduce that district's portion of the basic project cost by ten percentage points from the portion determined under section 3318.032 of the Revised Code or, if the district results from a transfer, merger, consolidation, or creation of a new local district that takes effect prior to ~~the effective date of this section~~ April 6, 2017, from the portion determined under division (B)(1) of this section, if the district's project satisfies the following conditions:

(a) The project involves construction of a building on land owned by a state institution of higher education, as that term is defined in section 3345.011 of the Revised Code, and the commission approves the project.

(b) The district and the state institution of higher education enter into a written agreement regarding the continued use of the institution's land by the district, and the commission approves the agreement.

(c) On the date that the district and the state institution of higher education enter into the written agreement described in division (B)(3)(b) of this section, the state institution of higher education is participating in the college credit plus program established under Chapter 3365. of the Revised Code.

At no time, however, shall that district's portion of the basic project cost be less than five per cent.

The reduction of the district's portion of the basic project

cost described in division (B)(3) of this section may be in 38701  
addition to a reduction of the district's portion of the basic 38702  
project cost under division (B)(2) of this section. 38703

(C) Except as provided in division (B) of this section, a 38704  
district's project undertaken pursuant to this section shall be 38705  
subject to all other requirements in sections 3318.01 to 3318.20 38706  
of the Revised Code. 38707

Sec. 3318.037. (A) For purposes of this section, an "eligible 38708  
school district" is a school district that satisfies all of the 38709  
following conditions: 38710

(1) The district executed an agreement for a project under 38711  
sections 3318.01 to 3318.20 of the Revised Code that was segmented 38712  
under section 3318.034 of the Revised Code. 38713

(2) The district has undertaken one or more segments of that 38714  
project and has applied to the Ohio facilities construction 38715  
commission for funding for a subsequent segment of the project. 38716

(3) Since the original project agreement described in 38717  
division (A)(1) of this section was executed, the district has 38718  
experienced a decrease in its adjusted valuation per pupil, as 38719  
determined annually under section 3318.011 of the Revised Code, 38720  
such that, as of the date the district submits its application for 38721  
a subsequent segment of the project as described in division 38722  
(A)(2) of this section, the district's annual percentile ranking 38723  
under that section is lower than its percentile ranking on the 38724  
date the district executed the original agreement for the project. 38725

(B) Notwithstanding anything to the contrary in this chapter 38726  
or in any rule of the commission, an eligible school district's 38727  
portion of the cost for a subsequent segment of its project shall 38728  
be the "required percentage of the basic project costs" based on 38729  
the district's current percentile ranking for the fiscal year for 38730

which the district seeks funding for the segment. 38731

Upon determining the respective state and district portions 38732  
of the basic project cost for the segment pursuant to this 38733  
section, the commission and the district shall amend the project 38734  
agreement to stipulate those portions, and the commission shall 38735  
encumber funds for the segment in accordance with section 3318.11 38736  
of the Revised Code. 38737

(C) Nothing in this section shall affect the respective state 38738  
and district portions of the basic project cost of segments of a 38739  
district's project undertaken prior to the district's application 38740  
for funding for a subsequent segment of the project under this 38741  
section. 38742

**Sec. 3318.04.** (A) If the Ohio ~~school~~ facilities construction 38743  
commission makes a determination under section 3318.03 of the 38744  
Revised Code in favor of constructing, acquiring, reconstructing, 38745  
or making additions to a classroom facility, the project shall be 38746  
conditionally approved. Such conditional approval shall be 38747  
submitted to the controlling board for approval thereof. The 38748  
controlling board shall forthwith approve or reject the 38749  
commission's determination, conditional approval, the amount of 38750  
the state's portion of the basic project cost, and, the amount of 38751  
the state's portion to be encumbered in the current fiscal year. 38752  
In the event of approval thereof by the controlling board, the 38753  
commission shall certify such conditional approval to the school 38754  
district board and shall encumber from the total funds 38755  
appropriated for the purpose of sections 3318.01 to 3318.20 of the 38756  
Revised Code the amount approved under this section to be 38757  
encumbered in the current fiscal year. 38758

The basic project cost for a project approved under this 38759  
section shall not exceed the cost that would otherwise have to be 38760  
incurred if the classroom facilities to be constructed, acquired, 38761

or reconstructed, or the additions to be made to classroom 38762  
facilities, under such project meet, but do not exceed, the 38763  
specifications for plans and materials for classroom facilities 38764  
adopted by the commission. 38765

(B)(1) No school district shall have a project conditionally 38766  
approved pursuant to this section if the school district has 38767  
already received any assistance for a project funded under any 38768  
version of sections 3318.01 to 3318.20 of the Revised Code, and 38769  
the prior project was one for which the electors of such district 38770  
approved a levy within the last twenty years pursuant to any 38771  
version of section 3318.06 of the Revised Code for purposes of 38772  
qualifying for the funding of that project, unless the district 38773  
demonstrates to the satisfaction of the commission that the 38774  
district has experienced since approval of its prior project an 38775  
exceptional increase in enrollment significantly above the 38776  
district's design capacity under that prior project as determined 38777  
by rule of the commission. 38778

(2) Notwithstanding division (B)(1) of this section, any 38779  
school district that received assistance under sections 3318.01 to 38780  
3318.20 of the Revised Code, as those sections existed prior to 38781  
May 20, 1997, may receive additional assistance under those 38782  
sections, as they exist on and after May 20, 1997, prior to the 38783  
expiration of the period of time required under division (B)(1) of 38784  
this section, if the percentile in which the school district is 38785  
located, as determined under section 3318.011 of the Revised Code, 38786  
is eligible for assistance as prescribed in section 3318.02 of the 38787  
Revised Code. 38788

The commission may provide assistance under sections 3318.01 38789  
to 3318.20 of the Revised Code pursuant to this division to no 38790  
more than five school districts per fiscal year until all eligible 38791  
school districts have received the additional assistance 38792  
authorized under this division. The commission shall establish 38793

application procedures, deadlines, and priorities for funding 38794  
projects under this division. 38795

The commission at its discretion may waive current design 38796  
specifications it has adopted for projects under sections 3318.01 38797  
to 3318.20 of the Revised Code when assessing an application for 38798  
additional assistance under this division for the renovation of 38799  
classroom facilities constructed or renovated under a school 38800  
district's previous project. If the commission finds that a school 38801  
district's existing classroom facilities are adequate to meet all 38802  
of the school district's needs, the commission may determine that 38803  
no additional state assistance be awarded to a school district 38804  
under this division. 38805

In order for a school district to be eligible to receive any 38806  
additional assistance under this division, the school district 38807  
electors shall extend the school district's existing levy 38808  
dedicated for maintenance of classroom facilities under Chapter 38809  
3318. of the Revised Code, pursuant to section 3318.061 of the 38810  
Revised Code or shall provide equivalent alternative maintenance 38811  
funds as specified in division (A)(2) of section 3318.06 of the 38812  
Revised Code. 38813

(3) Notwithstanding division (B)(1) of this section, any 38814  
school district that has received assistance under sections 38815  
3318.01 to 3318.20 of the Revised Code after May 20, 1997, may 38816  
receive additional assistance if the commission decides in favor 38817  
of providing such assistance pursuant to section 3318.042 of the 38818  
Revised Code. 38819

(4) Notwithstanding division (B)(1) of this section, any 38820  
school district that has opted to divide its entire classroom 38821  
facilities needs into segments to be completed separately, as 38822  
authorized by section 3318.034 of the Revised Code, and that has 38823  
received assistance under sections 3318.01 to 3318.20 of the 38824  
Revised Code for one of those segments may receive assistance 38825

under those sections for a subsequent segment. Assistance for any 38826  
subsequent segment shall not include any additional work on a 38827  
building included in a prior segment unless the district 38828  
demonstrates to the satisfaction of the commission that the 38829  
district has experienced since the completion of the prior segment 38830  
an exceptional increase in enrollment in the grade levels housed 38831  
in that building. 38832

**Sec. 3318.041.** A school district ranked in the first through 38833  
twenty-fifth percentiles may adopt and certify to the Ohio ~~school~~ 38834  
facilities construction commission a resolution specifying a 38835  
proposed project that meets the requirements of this chapter and 38836  
the needs of the district, as confirmed through an on-site visit 38837  
pursuant to section 3318.02 of the Revised Code. The commission 38838  
shall consider such projects for conditional approval pursuant to 38839  
section 3318.03 and shall encumber funds pursuant to section 38840  
3318.04 of the Revised Code in the order in which such resolutions 38841  
are received. 38842

**Sec. 3318.042.** (A) The board of education of any school 38843  
district that is receiving assistance under sections 3318.01 to 38844  
3318.20 of the Revised Code after May 20, 1997, or under sections 38845  
3318.40 to 3318.45 of the Revised Code, and whose project is still 38846  
under construction, may request that the Ohio ~~school~~ facilities 38847  
construction commission examine whether the circumstances 38848  
prescribed in either division (B)(1) or (2) of this section exist 38849  
in the school district. If the commission so finds, the commission 38850  
shall review the school district's original assessment and 38851  
approved project and consider providing additional assistance to 38852  
the school district to correct the prescribed conditions found to 38853  
exist in the district. Additional assistance under this section 38854  
shall be limited to additions to one or more buildings, remodeling 38855  
of one or more buildings, or changes to the infrastructure of one 38856

or more buildings. 38857

(B) Consideration of additional assistance to a school 38858  
district under this section is warranted in either of the 38859  
following circumstances: 38860

(1) Additional work is needed to correct an oversight or 38861  
deficiency not identified or included in the district's initial 38862  
assessment. 38863

(2) Other conditions exist that, in the opinion of the 38864  
commission, warrant additions or remodeling of the project 38865  
facilities or changes to infrastructure associated with the 38866  
district's project that were not identified in the initial 38867  
assessment and plan. 38868

(C) If the commission decides in favor of providing 38869  
additional assistance to any school district under this section, 38870  
the school district shall be responsible for paying for its 38871  
portion of the cost of the additions, remodeling, or 38872  
infrastructure changes pursuant to section 3318.083 of the Revised 38873  
Code. If, after making a financial evaluation of the school 38874  
district, the commission determines that the school district is 38875  
unable without undue hardship, according to the guidelines adopted 38876  
by the commission, to fund the school district portion of the 38877  
increase, then the state and the school district shall enter into 38878  
an agreement whereby the state shall pay the portion of the cost 38879  
increase attributable to the school district which is determined 38880  
to be in excess of any local resources available to the district 38881  
and the district shall thereafter reimburse the state. The 38882  
commission shall establish the district's schedule for reimbursing 38883  
the state, which shall not extend beyond ten years. The commission 38884  
may lengthen the reimbursement schedule of a school district that 38885  
has entered into an agreement under this section prior to ~~the~~ 38886  
~~effective date of this amendment~~ September 26, 2003, as long as 38887  
the total term of that schedule does not extend beyond ten years. 38888

Debt incurred under this section shall not be included in the 38889  
calculation of the net indebtedness of the school district under 38890  
section 133.06 of the Revised Code. 38891

**Sec. 3318.05.** The conditional approval of the Ohio ~~school~~ 38892  
facilities construction commission for a project shall lapse and 38893  
the amount reserved and encumbered for such project shall be 38894  
released unless the school district board accepts such conditional 38895  
approval within one hundred twenty days following the date of 38896  
certification of the conditional approval to the school district 38897  
board and the electors of the school district vote favorably on 38898  
both of the propositions described in divisions (A) and (B) of 38899  
this section within thirteen months of the date of such 38900  
certification, except that a school district described in division 38901  
(C) of this section does not need to submit the proposition 38902  
described in division (B) of this section. The propositions 38903  
described in divisions (A) and (B) of this section shall be 38904  
combined in a single proposal. If the district board or the 38905  
district's electors fail to meet such requirements and the amount 38906  
reserved and encumbered for the district's project is released, 38907  
the district shall be given first priority for project funding as 38908  
such funds become available, subject to section 3318.054 of the 38909  
Revised Code. 38910

(A) On the question of issuing bonds of the school district 38911  
board, for the school district's portion of the basic project 38912  
cost, in an amount equal to the school district's portion of the 38913  
basic project cost less the amount of the proceeds of any 38914  
securities authorized or to be authorized under division (J) of 38915  
section 133.06 of the Revised Code and dedicated by the school 38916  
district board to payment of the district's portion of the basic 38917  
project cost; and 38918

(B) On the question of levying a tax the proceeds of which 38919

shall be used to pay the cost of maintaining the classroom 38920  
facilities included in the project. Such tax shall be at the rate 38921  
of not less than one-half mill for each dollar of valuation for a 38922  
period of twenty-three years, subject to any extension approved 38923  
under section 3318.061 of the Revised Code. 38924

(C) If a school district has in place a tax levied under 38925  
section 5705.21 of the Revised Code for general permanent 38926  
improvements for a continuing period of time and the proceeds of 38927  
such tax can be used for maintenance, or if a district agrees to 38928  
the transfers described in section 3318.051 of the Revised Code, 38929  
the school district need not levy the additional tax required 38930  
under division (B) of this section, provided the school district 38931  
board includes in the agreement entered into under section 3318.08 38932  
of the Revised Code provisions either: 38933

(1) Earmarking an amount from the proceeds of that permanent 38934  
improvement tax for maintenance of classroom facilities equivalent 38935  
to the amount of the additional tax and for the equivalent number 38936  
of years otherwise required under this section; 38937

(2) Requiring the transfer of money in accordance with 38938  
section 3318.051 of the Revised Code. 38939

The district board subsequently may rescind the agreement to 38940  
make the transfers under section 3318.051 of the Revised Code only 38941  
so long as the electors of the district have approved, in 38942  
accordance with section 3318.063 of the Revised Code, the levy of 38943  
a tax for the maintenance of the classroom facilities acquired 38944  
under the district's project and that levy continues to be 38945  
collected as approved by the electors. 38946

(D) Proceeds of the tax to be used for maintenance of the 38947  
classroom facilities under either division (B) or (C)(1) of this 38948  
section, and transfers of money in accordance with section 38949  
3318.051 of the Revised Code shall be deposited into a separate 38950

fund established by the school district for such purpose. 38951

**Sec. 3318.051.** (A) Any city, exempted village, or local 38952  
school district that commences a project under sections 3318.01 to 38953  
3318.20, 3318.36, 3318.37, or 3318.38 of the Revised Code on or 38954  
after September 5, 2006, need not levy the tax otherwise required 38955  
under division (B) of section 3318.05 of the Revised Code, if the 38956  
district board of education adopts a resolution petitioning the 38957  
Ohio ~~school~~ facilities construction commission to approve the 38958  
transfer of money in accordance with this section and the 38959  
commission approves that transfer. If so approved, the commission 38960  
and the district board shall enter into an agreement under which 38961  
the board, in each of twenty-three consecutive years beginning in 38962  
the year in which the board and the commission enter into the 38963  
project agreement under section 3318.08 of the Revised Code, shall 38964  
transfer into the maintenance fund required by division (D) of 38965  
section 3318.05 of the Revised Code not less than an amount equal 38966  
to one-half mill for each dollar of the district's valuation 38967  
unless and until the agreement to make those transfers is 38968  
rescinded by the district board pursuant to division (F) of this 38969  
section. 38970

(B) On the first day of July each year, or on an alternative 38971  
date prescribed by the commission, the district treasurer shall 38972  
certify to the commission and the auditor of state that the amount 38973  
required for the year has been transferred. The auditor of state 38974  
shall include verification of the transfer as part of any audit of 38975  
the district under section 117.11 of the Revised Code. If the 38976  
auditor of state finds that less than the required amount has been 38977  
deposited into a district's maintenance fund, the auditor of state 38978  
shall notify the district board of education in writing of that 38979  
fact and require the board to deposit into the fund, within ninety 38980  
days after the date of the notice, the amount by which the fund is 38981  
deficient for the year. If the district board fails to demonstrate 38982

to the auditor of state's satisfaction that the board has made the 38983  
deposit required in the notice, the auditor of state shall notify 38984  
the department of education. At that time, the department shall 38985  
withhold an amount equal to ten per cent of the district's funds 38986  
calculated for the current fiscal year under Chapter 3317. of the 38987  
Revised Code until the auditor of state notifies the department 38988  
that the auditor of state is satisfied that the board has made the 38989  
required transfer. 38990

(C) Money transferred to the maintenance fund shall be used 38991  
for the maintenance of the facilities acquired under the 38992  
district's project. 38993

(D) The transfers to the maintenance fund under this section 38994  
does not affect a district's obligation to establish and maintain 38995  
a capital and maintenance fund under section 3315.18 of the 38996  
Revised Code. 38997

(E) Any decision by the commission to approve or not approve 38998  
the transfer of money under this section is final and not subject 38999  
to appeal. The commission shall not be responsible for errors or 39000  
miscalculations made in deciding whether to approve a petition to 39001  
make transfers under this section. 39002

(F) If the district board determines that it no longer can 39003  
continue making the transfers agreed to under this section, the 39004  
board may rescind the agreement only so long as the electors of 39005  
the district have approved, in accordance with section 3318.063 of 39006  
the Revised Code, the levy of a tax for the maintenance of the 39007  
classroom facilities acquired under the district's project and 39008  
that levy continues to be collected as approved by the electors. 39009  
That levy shall be for a number of years that is equal to the 39010  
difference between twenty-three years and the number of years that 39011  
the district made transfers under this section and shall be at the 39012  
rate of not less than one-half mill for each dollar of the 39013  
district's valuation. The district board shall continue to make 39014

the transfers agreed to under this section until that levy has 39015  
been approved by the electors. 39016

**Sec. 3318.052.** At any time after the electors of a school 39017  
district have approved either or both a property tax levied under 39018  
section 5705.21 or 5705.218 of the Revised Code for the purpose of 39019  
permanent improvements, including general permanent improvements, 39020  
or a school district income tax levied under Chapter 5748. of the 39021  
Revised Code, the proceeds of either of which, pursuant to the 39022  
ballot measures approved by the electors, are not so restricted 39023  
that they cannot be used to pay the costs of a project or 39024  
maintaining classroom facilities, the school district board may: 39025

(A) Within one year following the date of the certification 39026  
of the conditional approval of the school district's classroom 39027  
facilities project by the Ohio ~~school~~ facilities construction 39028  
commission, enter into a written agreement with the commission, 39029  
which may be part of an agreement entered into under section 39030  
3318.08 of the Revised Code, and in which the school district 39031  
board covenants and agrees to do one or both of the following: 39032

(1) Apply a specified amount of available proceeds of that 39033  
property tax levy, of that school district income tax, or of 39034  
securities issued under this section, or of proceeds from any two 39035  
or more of those sources, to pay all or part of the district's 39036  
portion of the basic project cost of its classroom facilities 39037  
project; 39038

(2) Apply available proceeds of either or both a property tax 39039  
levied under section 5705.21 or 5705.218 of the Revised Code in 39040  
effect for a continuing period of time, or of a school district 39041  
income tax levied under Chapter 5748. of the Revised Code in 39042  
effect for a continuing period of time to the payment of costs of 39043  
maintaining the classroom facilities. 39044

(B) Receive, as a credit against the amount of bonds required 39045

under sections 3318.05 and 3318.06 of the Revised Code, to be 39046  
approved by the electors of the district and issued by the 39047  
district board for the district's portion of the basic project 39048  
cost of its classroom facilities project in order for the district 39049  
to receive state assistance for the project, an amount equal to 39050  
the specified amount that the district board covenants and agrees 39051  
with the commission to apply as set forth in division (A)(1) of 39052  
this section; 39053

(C) Receive, as a credit against the amount of the tax levy 39054  
required under sections 3318.05 and 3318.06 of the Revised Code, 39055  
to be approved by the electors of the district to pay the costs of 39056  
maintaining the classroom facilities in order to receive state 39057  
assistance for the classroom facilities project, an amount 39058  
equivalent to the specified amount of proceeds the school district 39059  
board covenants and agrees with the commission to apply as 39060  
referred to in division (A)(2) of this section; 39061

(D) Apply proceeds of either or both a school district income 39062  
tax levied under Chapter 5748. of the Revised Code that may 39063  
lawfully be used to pay the costs of a classroom facilities 39064  
project or of a tax levied under section 5705.21 or 5705.218 of 39065  
the Revised Code to the payment of debt charges on and financing 39066  
costs related to securities issued under this section; 39067

(E) Issue securities to provide moneys to pay all or part of 39068  
the district's portion of the basic project cost of its classroom 39069  
facilities project in accordance with an agreement entered into 39070  
under division (A) of this section. Securities issued under this 39071  
section shall be Chapter 133. securities and may be issued as 39072  
general obligation securities or issued in anticipation of a 39073  
school district income tax or as property tax anticipation notes 39074  
under section 133.24 of the Revised Code. The district board's 39075

Securities issued under this section shall have principal payments 39079  
during each year after the year of issuance over a period of not 39080  
more than twenty-three years and, if so determined by the district 39081  
board, during the year of issuance. Securities issued under this 39082  
section shall not be included in the calculation of net 39083  
indebtedness of the district under section 133.06 of the Revised 39084  
Code, including but not limited to the limitation on unvoted 39085  
indebtedness specified in division (G) of that section, or under 39086  
section 3313.372 of the Revised Code, if the resolution of the 39087  
district board authorizing their issuance and sale includes 39088  
covenants to appropriate annually from lawfully available proceeds 39089  
of a property tax levied under section 5705.21 or 5705.218 of the 39090  
Revised Code or of a school district income tax levied under 39091  
Chapter 5748. of the Revised Code and to continue to levy and 39092  
collect the tax in amounts necessary to pay the debt charges on 39093  
and financing costs related to the securities as they become due. 39094  
No property tax levied under section 5705.21 or 5705.218 of the 39095  
Revised Code and no school district income tax levied under 39096  
Chapter 5748. of the Revised Code that is pledged, or that the 39097  
school district board has covenanted to levy, collect, and 39098  
appropriate annually, to pay the debt charges on and financing 39099  
costs related to securities issued under this section shall be 39100  
repealed while those securities are outstanding. If such a tax is 39101  
reduced by the electors of the district or by the district board 39102  
while those securities are outstanding, the school district board 39103  
shall continue to levy and collect the tax under the authority of 39104  
the original election authorizing the tax at a rate in each year 39105  
that the board reasonably estimates will produce an amount in that 39106  
year equal to the debt charges on the securities in that year, 39107  
except that in the case of a school district income tax that 39108  
amount shall be rounded up to the nearest one-fourth of one per 39109  
cent. 39110

No state moneys shall be released for a project to which this section applies until the proceeds of the tax securities issued under this section that are dedicated for the payment of the district portion of the basic project cost of its classroom facilities project are first deposited into the district's project construction fund.

**Sec. 3318.054.** (A) If conditional approval of a city, exempted village, or local school district's project lapses as provided in section 3318.05 of the Revised Code, or if conditional approval of a joint vocational school district's project lapses as provided in division (D) of section 3318.41 of the Revised Code, because the district's electors have not approved the ballot measures necessary to generate the district's portion of the basic project cost, and if the district board desires to seek a new conditional approval of the project, the district board shall request that the Ohio ~~school~~ facilities construction commission set the scope, basic project cost, and school district portion of the basic project cost prior to resubmitting the ballot measures to the electors. To do so, the commission shall use the district's current assessed tax valuation and the district's percentile for the prior fiscal year. For a district that has entered into an agreement under section 3318.36 of the Revised Code and desires to proceed with a project under sections 3318.01 to 3318.20 of the Revised Code, the district's portion of the basic project cost shall be the percentage specified in that agreement. The project scope and basic costs established under this division shall be valid for thirteen months from the date the commission approves them.

(B) Upon the commission's approval under division (A) of this section, the district board may submit the ballot measures to the district's electors for approval of the project based on the new project scope and estimated costs. Upon electoral approval of

those measures, the district shall be given first priority for 39143  
project funding as such funds become available. 39144

(C) When the commission determines that funds are available 39145  
for the district's project, the commission shall do all of the 39146  
following: 39147

(1) Determine the school district portion of the basic 39148  
project cost under section 3318.032 of the Revised Code, in the 39149  
case of a city, exempted village, or local school district, or 39150  
under section 3318.42 of the Revised Code, in the case of a joint 39151  
vocational school district; 39152

(2) Conditionally approve the project and submit it to the 39153  
controlling board for approval pursuant to section 3318.04 of the 39154  
Revised Code; 39155

(3) Encumber funds for the project under section 3318.11 of 39156  
the Revised Code; 39157

(4) Enter into an agreement with the district board under 39158  
section 3318.08 of the Revised Code. 39159

**Sec. 3318.06.** (A) After receipt of the conditional approval 39160  
of the Ohio ~~school~~ facilities construction commission, the school 39161  
district board by a majority of all of its members shall, if it 39162  
desires to proceed with the project, declare all of the following 39163  
by resolution: 39164

(1) That by issuing bonds in an amount equal to the school 39165  
district's portion of the basic project cost the district is 39166  
unable to provide adequate classroom facilities without assistance 39167  
from the state; 39168

(2) Unless the school district board has resolved to transfer 39169  
money in accordance with section 3318.051 of the Revised Code or 39170  
to apply the proceeds of a property tax or the proceeds of an 39171  
income tax, or a combination of proceeds from such taxes, as 39172

authorized under section 3318.052 of the Revised Code, that to 39173  
qualify for such state assistance it is necessary to do either of 39174  
the following: 39175

(a) Levy a tax outside the ten-mill limitation the proceeds 39176  
of which shall be used to pay the cost of maintaining the 39177  
classroom facilities included in the project; 39178

(b) Earmark for maintenance of classroom facilities from the 39179  
proceeds of an existing permanent improvement tax levied under 39180  
section 5705.21 of the Revised Code, if such tax can be used for 39181  
maintenance, an amount equivalent to the amount of the additional 39182  
tax otherwise required under this section and sections 3318.05 and 39183  
3318.08 of the Revised Code. 39184

(3) That the question of any tax levy specified in a 39185  
resolution described in division (A)(2)(a) of this section, if 39186  
required, shall be submitted to the electors of the school 39187  
district at the next general or primary election, if there be a 39188  
general or primary election not less than ninety and not more than 39189  
one hundred ten days after the day of the adoption of such 39190  
resolution or, if not, at a special election to be held at a time 39191  
specified in the resolution which shall be not less than ninety 39192  
days after the day of the adoption of the resolution and which 39193  
shall be in accordance with the requirements of section 3501.01 of 39194  
the Revised Code. 39195

Such resolution shall also state that the question of issuing 39196  
bonds of the board shall be combined in a single proposal with the 39197  
question of such tax levy. More than one election under this 39198  
section may be held in any one calendar year. Such resolution 39199  
shall specify both of the following: 39200

(a) That the rate which it is necessary to levy shall be at 39201  
the rate of not less than one-half mill for each one dollar of 39202  
valuation, and that such tax shall be levied for a period of 39203

twenty-three years; 39204

(b) That the proceeds of the tax shall be used to pay the 39205  
cost of maintaining the classroom facilities included in the 39206  
project. 39207

(B) A copy of a resolution adopted under division (A) of this 39208  
section shall after its passage and not less than ninety days 39209  
prior to the date set therein for the election be certified to the 39210  
county board of elections. 39211

The resolution of the school district board, in addition to 39212  
meeting other applicable requirements of section 133.18 of the 39213  
Revised Code, shall state that the amount of bonds to be issued 39214  
will be an amount equal to the school district's portion of the 39215  
basic project cost, and state the maximum maturity of the bonds 39216  
which may be any number of years not exceeding the term calculated 39217  
under section 133.20 of the Revised Code as determined by the 39218  
board. In estimating the amount of bonds to be issued, the board 39219  
shall take into consideration the amount of moneys then in the 39220  
bond retirement fund and the amount of moneys to be collected for 39221  
and disbursed from the bond retirement fund during the remainder 39222  
of the year in which the resolution of necessity is adopted. 39223

If the bonds are to be issued in more than one series, the 39224  
resolution may state, in addition to the information required to 39225  
be stated under division (B)(3) of section 133.18 of the Revised 39226  
Code, the number of series, which shall not exceed five, the 39227  
principal amount of each series, and the approximate date each 39228  
series will be issued, and may provide that no series, or any 39229  
portion thereof, may be issued before such date. Upon such a 39230  
resolution being certified to the county auditor as required by 39231  
division (C) of section 133.18 of the Revised Code, the county 39232  
auditor, in calculating, advising, and confirming the estimated 39233  
average annual property tax levy under that division, shall also 39234  
calculate, advise, and confirm by certification the estimated 39235

average property tax levy for each series of bonds to be issued. 39236

Notice of the election shall include the fact that the tax 39237  
levy shall be at the rate of not less than one-half mill for each 39238  
one dollar of valuation for a period of twenty-three years, and 39239  
that the proceeds of the tax shall be used to pay the cost of 39240  
maintaining the classroom facilities included in the project. 39241

If the bonds are to be issued in more than one series, the 39242  
board of education, when filing copies of the resolution with the 39243  
board of elections as required by division (D) of section 133.18 39244  
of the Revised Code, may direct the board of elections to include 39245  
in the notice of election the principal amount and approximate 39246  
date of each series, the maximum number of years over which the 39247  
principal of each series may be paid, the estimated additional 39248  
average property tax levy for each series, and the first calendar 39249  
year in which the tax is expected to be due for each series, in 39250  
addition to the information required to be stated in the notice 39251  
under divisions (E)(3)(a) to (e) of section 133.18 of the Revised 39252  
Code. 39253

(C)(1) Except as otherwise provided in division (C)(2) of 39254  
this section, the form of the ballot to be used at such election 39255  
shall be: 39256

"A majority affirmative vote is necessary for passage. 39257

Shall bonds be issued by the ..... (here insert name 39258  
of school district) school district to pay the local share of 39259

insert principal amount of the bond issue), to be repaid annually 39262  
over a maximum period of ..... (here insert the maximum 39263  
number of years over which the principal of the bonds may be paid) 39264

insert the number of mills estimated) mills for each one dollar of 39268  
tax valuation, which amounts to ..... (rate expressed in 39269  
cents or dollars and cents, such as "thirty-six cents" or "\$0.36") 39270  
for each one hundred dollars of tax valuation to pay the annual 39271  
debt charges on the bonds and to pay debt charges on any notes 39272  
issued in anticipation of the bonds?" 39273

and, unless the additional levy 39274  
of taxes is not required pursuant 39275  
to division (C) of section 39276  
3318.05 of the Revised Code, 39277

"Shall an additional levy of taxes be made for a period of 39278  
twenty-three years to benefit the ..... (here insert name 39279

39285  
39286  
39287  
39288

(2) If authority is sought to issue bonds in more than one 39289  
series and the board of education so elects, the form of the 39290  
ballot shall be as prescribed in section 3318.062 of the Revised 39291  
Code. If the board of education elects the form of the ballot 39292  
prescribed in that section, it shall so state in the resolution 39293  
adopted under this section. 39294

(D) If it is necessary for the school district to acquire a 39295  
site for the classroom facilities to be acquired pursuant to 39296  
sections 3318.01 to 3318.20 of the Revised Code, the district 39297

board may propose either to issue bonds of the board or to levy a tax to pay for the acquisition of such site, and may combine the question of doing so with the questions specified in division (B) of this section. Bonds issued under this division for the purpose of acquiring a site are a general obligation of the school district and are Chapter 133. securities.

The form of that portion of the ballot to include the question of either issuing bonds or levying a tax for site acquisition purposes shall be one of the following:

(1) "Shall bonds be issued by the ..... (here insert name of the school district) school district to pay costs of acquiring a site for classroom facilities under the State of Ohio Classroom Facilities Assistance Program in the principal amount of ..... (here insert principal amount of the bond issue), to be repaid annually over a maximum period of ..... (here insert maximum number of years over which the principal of the bonds may be paid) years, and an annual levy of property taxes be made outside the ten-mill limitation, estimated by the county auditor to average over the repayment period of the bond issue ..... (here insert number of mills) mills for each one dollar of tax valuation, which amount to ..... (here insert rate expressed in cents or dollars and cents, such as "thirty-six cents" or "\$0.36") for each one hundred dollars of valuation to pay the annual debt charges on the bonds and to pay debt charges on any notes issued in anticipation of the bonds?"

(2) "Shall an additional levy of taxes outside the ten-mill limitation be made for the benefit of the ..... (here insert name of the school district) school district for the purpose of acquiring a site for classroom facilities in the sum of ..... (here insert annual amount the levy is to produce) estimated by the county auditor to average ..... (here insert number of mills) mills for each one hundred dollars of valuation, for a

period of ..... (here insert number of years the millage is to be imposed) years?"

Where it is necessary to combine the question of issuing bonds of the school district and levying a tax as described in division (B) of this section with the question of issuing bonds of the school district for acquisition of a site, the question specified in that division to be voted on shall be "For the Bond Issues and the Tax Levy" and "Against the Bond Issues and the Tax Levy."

Where it is necessary to combine the question of issuing bonds of the school district and levying a tax as described in division (B) of this section with the question of levying a tax for the acquisition of a site, the question specified in that division to be voted on shall be "For the Bond Issue and the Tax Levies" and "Against the Bond Issue and the Tax Levies."

Where the school district board chooses to combine the question in division (B) of this section with any of the additional questions described in divisions (A) to (D) of section 3318.056 of the Revised Code, the question specified in division (B) of this section to be voted on shall be "For the Bond Issues and the Tax Levies" and "Against the Bond Issues and the Tax Levies."

If a majority of those voting upon a proposition hereunder which includes the question of issuing bonds vote in favor thereof, and if the agreement provided for by section 3318.08 of the Revised Code has been entered into, the school district board may proceed under Chapter 133. of the Revised Code, with the issuance of bonds or bond anticipation notes in accordance with the terms of the agreement.

**Sec. 3318.061.** This section applies only to school districts eligible to receive additional assistance under division (B)(2) of

section 3318.04 of the Revised Code. 39361

The board of education of a school district in which a tax 39362  
described by division (B) of section 3318.05 and levied under 39363  
section 3318.06 of the Revised Code is in effect, may adopt a 39364  
resolution by vote of a majority of its members to extend the term 39365  
of that tax beyond the expiration of that tax as originally 39366  
approved under that section. The school district board may include 39367  
in the resolution a proposal to extend the term of that tax at the 39368  
rate of not less than one-half mill for each dollar of valuation 39369  
for a period of twenty-three years from the year in which the 39370  
school district board and the Ohio ~~school~~ facilities construction 39371  
commission enter into an agreement under division (B)(2) of 39372  
section 3318.04 of the Revised Code or in the following year, as 39373  
specified in the resolution. Such a resolution may be adopted at 39374  
any time before such an agreement is entered into and before the 39375  
tax levied pursuant to section 3318.06 of the Revised Code 39376  
expires. If the resolution is combined with a resolution to issue 39377  
bonds to pay the school district's portion of the basic project 39378  
cost, it shall conform with the requirements of divisions (A)(1), 39379  
(2), and (3) of section 3318.06 of the Revised Code, except that 39380  
the resolution also shall state that the tax levy proposed in the 39381  
resolution is an extension of an existing tax levied under that 39382  
section. A resolution proposing an extension adopted under this 39383  
section does not take effect until it is approved by a majority of 39384  
electors voting in favor of the resolution at a general, primary, 39385  
or special election as provided in this section. 39386

A tax levy extended under this section is subject to the same 39387  
terms and limitations to which the original tax levied under 39388  
section 3318.06 of the Revised Code is subject under that section, 39389  
except the term of the extension shall be as specified in this 39390  
section. 39391

The school district board shall certify a copy of the 39392

resolution adopted under this section to the proper county board 39393  
of elections not later than ninety days before the date set in the 39394  
resolution as the date of the election at which the question will 39395  
be submitted to electors. The notice of the election shall conform 39396  
with the requirements of division (A)(3) of section 3318.06 of the 39397  
Revised Code, except that the notice also shall state that the 39398  
maintenance tax levy is an extension of an existing tax levy. 39399

The form of the ballot shall be as follows: 39400

"Shall the existing tax levied to pay the cost of maintaining 39401  
classroom facilities constructed with the proceeds of the 39402  
previously issued bonds at the rate of ..... (here insert the 39403  
number of mills, which shall not be less than one-half mill) mills 39404  
per dollar of tax valuation, be extended until ..... (here 39405  
insert the year that is twenty-three years after the year in which 39406  
the district and commission will enter into an agreement under 39407  
division (B)(2) of section 3318.04 of the Revised Code or the 39408  
following year)? 39409

	FOR EXTENDING THE EXISTING TAX LEVY
	AGAINST EXTENDING THE EXISTING TAX LEVY

" 39412

39410  
39411  
Section 3318.07 of the Revised Code applies to ballot 39414  
questions under this section. 39415

**Sec. 3318.07.** The board of elections shall certify the result 39416  
of the election to the tax commissioner, to the auditor of the 39417  
county or counties in which the school district is located, to the 39418  
treasurer of the school district board, and to the Ohio ~~school~~ 39419  
facilities construction commission. The necessary tax levy for 39420  
debt service on the bonds shall be included in the annual tax 39421  
budget that is certified to the county budget commission or, if 39422

adoption of the tax budget is waived under section 5705.281 of the Revised Code, included among the tax rates required to be provided to the budget commission under that section.

**Sec. 3318.08.** Except in the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the requisite favorable vote on the election is obtained, or if the school district board has resolved to apply the proceeds of a property tax levy or the proceeds of an income tax, or a combination of proceeds from such taxes, as authorized in section 3318.052 of the Revised Code, the Ohio ~~school~~ facilities construction commission, upon certification to it of either the results of the election or the resolution under section 3318.052 of the Revised Code, shall enter into a written agreement with the school district board for the construction and sale of the project. In the case of a joint vocational school district that receives assistance under sections 3318.40 to 3318.45 of the Revised Code, if the school district board of education and the school district electors have satisfied the conditions prescribed in division (D)(1) of section 3318.41 of the Revised Code, the commission shall enter into an agreement with the school district board for the construction and sale of the project. In either case, the agreement shall include, but need not be limited to, the following provisions:

(A) The sale and issuance of bonds or notes in anticipation thereof, as soon as practicable after the execution of the agreement, in an amount equal to the school district's portion of the basic project cost, including any securities authorized under division (J) of section 133.06 of the Revised Code and dedicated by the school district board to payment of the district's portion of the basic project cost of the project; provided, that if at that time the county treasurer of each county in which the school district is located has not commenced the collection of taxes on

the general duplicate of real and public utility property for the 39455  
year in which the controlling board approved the project, the 39456  
school district board shall authorize the issuance of a first 39457  
installment of bond anticipation notes in an amount specified by 39458  
the agreement, which amount shall not exceed an amount necessary 39459  
to raise the net bonded indebtedness of the school district as of 39460  
the date of the controlling board's approval to within five 39461  
thousand dollars of the required level of indebtedness for the 39462  
preceding year. In the event that a first installment of bond 39463  
anticipation notes is issued, the school district board shall, as 39464  
soon as practicable after the county treasurer of each county in 39465  
which the school district is located has commenced the collection 39466  
of taxes on the general duplicate of real and public utility 39467  
property for the year in which the controlling board approved the 39468  
project, authorize the issuance of a second and final installment 39469  
of bond anticipation notes or a first and final issue of bonds. 39470

The combined value of the first and second installment of 39471  
bond anticipation notes or the value of the first and final issue 39472  
of bonds shall be equal to the school district's portion of the 39473  
basic project cost. The proceeds of any such bonds shall be used 39474  
first to retire any bond anticipation notes. Otherwise, the 39475  
proceeds of such bonds and of any bond anticipation notes, except 39476  
the premium and accrued interest thereon, shall be deposited in 39477  
the school district's project construction fund. In determining 39478  
the amount of net bonded indebtedness for the purpose of fixing 39479  
the amount of an issue of either bonds or bond anticipation notes, 39480  
gross indebtedness shall be reduced by moneys in the bond 39481  
retirement fund only to the extent of the moneys therein on the 39482  
first day of the year preceding the year in which the controlling 39483  
board approved the project. Should there be a decrease in the tax 39484  
valuation of the school district so that the amount of 39485  
indebtedness that can be incurred on the tax duplicates for the 39486  
year in which the controlling board approved the project is less 39487

than the amount of the first installment of bond anticipation 39488  
notes, there shall be paid from the school district's project 39489  
construction fund to the school district's bond retirement fund to 39490  
be applied against such notes an amount sufficient to cause the 39491  
net bonded indebtedness of the school district, as of the first 39492  
day of the year following the year in which the controlling board 39493  
approved the project, to be within five thousand dollars of the 39494  
required level of indebtedness for the year in which the 39495  
controlling board approved the project. The maximum amount of 39496  
indebtedness to be incurred by any school district board as its 39497  
share of the cost of the project is either an amount that will 39498  
cause its net bonded indebtedness, as of the first day of the year 39499  
following the year in which the controlling board approved the 39500  
project, to be within five thousand dollars of the required level 39501  
of indebtedness, or an amount equal to the required percentage of 39502  
the basic project costs, whichever is greater. All bonds and bond 39503  
anticipation notes shall be issued in accordance with Chapter 133. 39504  
of the Revised Code, and notes may be renewed as provided in 39505  
section 133.22 of the Revised Code. 39506

(B) The transfer of such funds of the school district board 39507  
available for the project, together with the proceeds of the sale 39508  
of the bonds or notes, except premium, accrued interest, and 39509  
interest included in the amount of the issue, to the school 39510  
district's project construction fund; 39511

part of the service charges on bonds issued to pay the school 39523

part of the tax required under division (B) of section 3318.05 of 39525  
the Revised Code; 39526

(2) If section 3318.052 of the Revised Code does not apply, 39527  
one of the following: 39528

accordance with section 3318.051 of the Revised Code, a 39541  
requirement that the district board comply with the provisions of 39542  
that section. The district board may rescind the provision 39543  
prescribed under division (C)(2)(c) of this section only so long 39544  
as the electors of the district have approved, in accordance with 39545  
section 3318.063 of the Revised Code, the levy of a tax for the 39546

district's obligation to levy the tax described in division (B) of 39558  
section 3318.05 of the Revised Code as required under division 39559  
(D)(2) of section 3318.084 of the Revised Code; 39560

(F) Ownership of or interest in the project during the period 39561  
of construction, which shall be divided between the commission and 39562  
the school district board in proportion to their respective 39563  
contributions to the school district's project construction fund; 39564

(G) Maintenance of the state's interest in the project until 39565  
any obligations issued for the project under section 3318.26 of 39566  
the Revised Code are no longer outstanding; 39567

the time there is an insurable interest therein and so long as the 39569  
state retains any ownership or interest in the project pursuant to 39570  
division (F) of this section, in such amounts and against such 39571

any required insurance until the project is completed shall be a 39573  
part of the basic project cost; 39574

(I) The certification by the director of budget and 39575  
management that funds are available and have been set aside to 39576

(J) Authorization of the school district board to advertise 39580  
for and receive construction bids for the project, for and on 39581

behalf of the commission, and to award contracts in the name of 39582  
the state subject to approval by the commission; 39583

(K) Provisions for the disbursement of moneys from the school 39584  
district's project account upon issuance by the commission or the 39585  
commission's designated representative of vouchers for work done 39586  
to be certified to the commission by the treasurer of the school 39587  
district board; 39588

(L) Disposal of any balance left in the school district's 39589  
project construction fund upon completion of the project; 39590

(M) Limitations upon use of the project or any part of it so 39591  
long as any obligations issued to finance the project under 39592  
section 3318.26 of the Revised Code are outstanding; 39593

(N) Provision for vesting the state's interest in the project 39594  
to the school district board when the obligations issued to 39595

agreement in the office of the commission; 39599

(P) Provision for termination of the contract and release of 39600  
the funds encumbered at the time of the conditional approval, if 39601  
the proceeds of the sale of the bonds of the school district board 39602  
are not paid into the school district's project construction fund 39603  
and if bids for the construction of the project have not been 39604  
taken within such period after the execution of the agreement as 39605  
may be fixed by the commission; 39606

(Q) Provision for the school district to maintain the project 39607  
in accordance with a plan approved by the commission; 39608

(R) Provision that all state funds reserved and encumbered to 39609  
pay the state share of the cost of the project and the funds 39610  
provided by the school district to pay for its share of the 39611

project cost, including the respective shares of the cost of a 39612  
segment if the project is divided into segments, be spent on the 39613  
construction and acquisition of the project or segment 39614  
simultaneously in proportion to the state's and the school 39615  
district's respective shares of that basic project cost as 39616  
determined under section 3318.032 of the Revised Code or, if the 39617  
district is a joint vocational school district, under section 39618  
3318.42 of the Revised Code. However, if the school district 39619  
certifies to the commission that expenditure by the school 39620  
district is necessary to maintain the federal tax status or 39621  
tax-exempt status of notes or bonds issued by the school district 39622  
to pay for its share of the project cost or to comply with 39623  
applicable temporary investment periods or spending exceptions to 39624  
rebate as provided for under federal law in regard to those notes 39625  
or bonds, the school district may commit to spend, or spend, a 39626  
greater portion of the funds it provides during any specific 39627  
period than would otherwise be required under this division. 39628

(S) A provision stipulating that the commission may prohibit 39629  
the district from proceeding with any project if the commission 39630  
determines that the site is not suitable for construction 39631  
purposes. The commission may perform soil tests in its 39632  
determination of whether a site is appropriate for construction 39633  
purposes. 39634

(T) A provision stipulating that, unless otherwise authorized 39635  
by the commission, any contingency reserve portion of the 39636  
construction budget prescribed by the commission shall be used 39637  
only to pay costs resulting from unforeseen job conditions, to 39638  
comply with rulings regarding building and other codes, to pay 39639  
costs related to design clarifications or corrections to contract 39640  
documents, and to pay the costs of settlements or judgments 39641  
related to the project as provided under section 3318.086 of the 39642  
Revised Code; 39643

(U) A provision stipulating that for continued release of project funds the school district board shall comply with sections 3313.41, 3313.411, and 3313.413 of the Revised Code throughout the project and shall notify the department of education and the Ohio community school association when the board plans to dispose of facilities by sale under that section;

(V) A provision stipulating that the commission shall not approve a contract for demolition of a facility until the school district board has complied with sections 3313.41, 3313.411, and 3313.413 of the Revised Code relative to that facility, unless demolition of that facility is to clear a site for construction of a replacement facility included in the district's project;

(W) A requirement for the school district to adhere to a facilities maintenance plan approved by the commission.

**Sec. 3318.081.** If the board of education of a school district authorized to impose a tax pursuant to section 3318.06 of the Revised Code determines that taxable value of property subject to the tax has increased to the extent it will not be necessary to impose such tax for twenty-three years in order to generate an amount equal to the amount of the project cost supplied by the state, it may request the county auditor to determine the amount remaining to be paid and the estimated rate of taxation required each year to pay such remainder in equal installments over the maximum number of remaining years the tax may be in effect. The auditor shall make such determination upon request and certify the results thereof to the board of education.

Upon receipt of the auditor's determination, the board of education may request the Ohio ~~school~~ facilities construction commission to enter into a supplemental agreement under which the district may pay the remainder of the amount in annual amounts equal to the quotient obtained by dividing the amount remaining to

be paid by the maximum number of remaining years the tax may be in 39675  
effect. If such an agreement is entered into, the commission shall 39676  
certify a copy thereof to the county auditor and the tax 39677  
authorized by section 3318.06 of the Revised Code thereafter shall 39678  
be levied at the rate required to make the annual payments 39679  
required by the supplemental agreement rather than the rate 39680  
required by such section. 39681

**Sec. 3318.082.** The board of education of any school district 39682  
imposing a tax for the purpose of paying the state pursuant to 39683  
section 3318.06 of the Revised Code prior to the effective date of 39684  
the amendments to that section by Amended Substitute House Bill 39685  
No. 748 of the 121st ~~General Assembly~~ general assembly, may enter 39686  
into a supplemental agreement with the Ohio ~~school~~ facilities 39687  
construction commission under which the proceeds of such tax shall 39688  
be distributed in accordance with the requirements of section 39689  
3318.06 of the Revised Code, as amended by Amended Substitute 39690  
House Bill No. 748 of the 121st general assembly. 39691

**Sec. 3318.083.** If, after the Ohio ~~school~~ facilities 39692  
construction commission and a school district enter into a written 39693  
agreement under section 3318.08 of the Revised Code for the 39694  
construction of a classroom facilities project, the commission 39695  
approves an increase in the basic project cost above the amount 39696  
budgeted plus any interest earned and available in the project 39697  
construction fund, the state and the school district shall share 39698  
the increased cost in proportion to their respective contributions 39699  
to the district's project construction fund. 39700

**Sec. 3318.084.** (A) Notwithstanding anything to the contrary 39701  
in Chapter 3318. of the Revised Code, a school district board may 39702  
apply any local donated contribution toward any of the following: 39703

(1) The district's portion of the basic project cost of a 39704

project under either sections 3318.01 to 3318.20 or sections 39705  
3318.40 to 3318.45 of the Revised Code to reduce the amount of 39706  
bonds the district otherwise must issue in order to receive state 39707  
assistance under those sections; 39708

(2) If the school district is not a joint vocational school 39709  
district proceeding under sections 3318.40 to 3318.45 of the 39710  
Revised Code, an offset of all or part of a district's obligation 39711  
to levy the tax described in division (B) of section 3318.05 of 39712  
the Revised Code, which shall be applied only in the manner 39713  
prescribed in division (B) of this section; 39714

(3) If the school district is a joint vocational school 39715  
district proceeding under sections 3318.40 to 3318.45 of the 39716  
Revised Code, all or part of the amount the school district is 39717  
obligated to set aside for maintenance of the classroom facilities 39718  
acquired under that project pursuant to section 3318.43 of the 39719  
Revised Code. 39720

(B) No school district board shall apply any local donated 39721  
contribution under division (A)(2) of this section unless the Ohio 39722  
~~school~~ facilities construction commission first approves that 39723  
application. 39724

Upon the request of the school district board to apply local 39725  
donated contribution under division (A)(2) of this section, the 39726  
commission in consultation with the department of taxation shall 39727  
determine the amount of total revenue that likely would be 39728  
generated by one-half mill of the tax described in division (B) of 39729  
section 3318.05 of the Revised Code over the entire 39730  
twenty-three-year period required under that section and shall 39731  
deduct from that amount any amount of local donated contribution 39732  
that the board has committed to apply under division (A)(2) of 39733  
this section. The commission then shall determine in consultation 39734  
with the department of taxation the rate of tax over twenty-three 39735  
years necessary to generate the amount of a one-half mill tax not 39736

offset by the local donated contribution. Notwithstanding anything 39737  
to the contrary in section 3318.06, 3318.061, or 3318.361 of the 39738  
Revised Code, the rate determined by the commission shall be the 39739  
rate for which the district board shall seek elector approval 39740  
under those sections to meet its obligation under division (B) of 39741  
section 3318.05 of the Revised Code. In the case of a complete 39742  
offset of the district's obligation under division (B) of section 39743  
3318.05 of the Revised Code, the district shall not be required to 39744  
levy the tax otherwise required under that section. At the end of 39745  
the twenty-three-year period of the tax required under division 39746  
(B) of section 3318.05 of the Revised Code, whether or not the tax 39747  
is actually levied, the commission in consultation of the 39748  
department of taxation shall recalculate the amount that would 39749  
have been generated by the tax if it had been levied at one-half 39750  
mill. If the total amount actually generated over that period from 39751  
both the tax that was actually levied and any local donated 39752  
contribution applied under division (A)(2) of this section is less 39753  
than the amount that would have been raised by a one-half mill 39754  
tax, the district shall pay any difference. If the total amount 39755  
actually raised in such manner is greater than the amount that 39756  
would have been raised by a one-half mill tax the difference shall 39757  
be zero and no payments shall be made by either the district or 39758  
the commission. 39759

(C) As used in this section, "local donated contribution" 39760  
means any of the following: 39761

(1) Any moneys irrevocably donated or granted to a school 39762  
district board by a source other than the state which the board 39763  
has the authority to apply to the school district's project under 39764  
sections 3318.01 to 3318.20 of the Revised Code and which the 39765  
board has pledged for that purpose by resolution adopted by a 39766  
majority of its members; 39767

(2) Any irrevocable letter of credit issued on behalf of a 39768

school district which the school district board has encumbered for 39769  
payment of the school district's share of its project under 39770  
sections 3318.01 to 3318.20 of the Revised Code that has been 39771  
approved by the commission in consultation with the department of 39772  
education; 39773

(3) Any cash a school district has on hand that the school 39774  
district board has encumbered for payment of the school district's 39775  
share of its project under sections 3318.01 to 3318.20 of the 39776  
Revised Code that has been approved by the commission in 39777  
consultation with the department of education, including the 39778  
following: 39779

(a) Any year-end operating fund balances that can be spent 39780  
for classroom facilities; 39781

(b) Any cash resulting from a lease-purchase agreement that 39782  
the school district board has entered into under section 3313.375 39783  
of the Revised Code, provided that the agreement and the related 39784  
financing documents contain provisions protecting the state's 39785  
superior interest in the project. 39786

(4) Any moneys spent by a source other than the school 39787  
district or the state for construction or renovation of specific 39788  
classroom facilities that have been approved by the commission as 39789  
part of the basic project cost of the district's project. The 39790  
school district, the commission, and the entity providing the 39791  
local donated contribution under division (C)(4) of this section 39792  
shall enter into an agreement identifying the classroom facilities 39793  
to be acquired by the expenditures made by that entity. The 39794  
agreement shall include, but not be limited to, stipulations that 39795  
require an audit by the commission of such expenditures made on 39796  
behalf of the district and that specify the maximum amount of 39797  
credit to be allowed for those expenditures. Upon completion of 39798  
the construction or renovation, the commission shall determine the 39799  
actual amount that the commission will credit, at the request of 39800

the district board, toward the district's portion of the basic 39801  
project cost, any project cost overruns, or the basic project cost 39802  
of future segments if the project has been divided into segments 39803  
under section 3318.38 of the Revised Code. The actual amount of 39804  
the credit shall not exceed the lesser of the amount specified in 39805  
the agreement or the actual cost of the construction or 39806  
renovation. 39807

(D) No state moneys shall be released for a project to which 39808  
this section applies until: 39809

(1) Any local donated contribution authorized under division 39810  
(A)(1) of this section is first deposited into the school 39811  
district's project construction fund. 39812

(2) The school district board and the commission have 39813  
included a stipulation in their agreement entered into under 39814  
section 3318.08 of the Revised Code under which the board will 39815  
deposit into a fund approved by the commission according to a 39816  
schedule that does not extend beyond the anticipated completion 39817  
date of the project the total amount of any local donated 39818  
contribution authorized under division (A)(2) or (3) of this 39819  
section and dedicated by the board for that purpose. 39820

However, if any local donated contribution as described in 39821  
division (C)(4) of this section has been approved under this 39822  
section, the state moneys may be released even if the entity 39823  
providing that local donated contribution has not spent the moneys 39824  
so dedicated as long as the agreement required under that section 39825  
has been executed. 39826

**Sec. 3318.086.** The construction budget for any project under 39827  
sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the 39828  
Revised Code shall contain a contingency reserve in an amount 39829  
prescribed by the Ohio ~~school~~ facilities construction commission, 39830  
which unless otherwise authorized by the commission, shall be used 39831

only to pay costs resulting from unforeseen job conditions, to 39832  
comply with rulings regarding building and other codes, to pay 39833  
costs related to design clarifications or corrections to contract 39834  
documents, and to pay the costs of settlements or judgments 39835  
related to the project. 39836

**Sec. 3318.091.** (A) Promptly after the written agreement 39837  
between the school district board and the Ohio ~~school~~ facilities 39838  
construction commission has been entered into, the school district 39839  
board shall proceed with the issuance of its bonds or notes in 39840  
anticipation thereof pursuant to the provision of such agreement 39841  
required by division (A) of section 3318.08 of the Revised Code 39842  
and the deposit of the proceeds thereof in the school district's 39843  
project construction fund pursuant to the provision of such 39844  
agreement required by division (B) of section 3318.08 of the 39845  
Revised Code, and the school district board, with the approval of 39846  
the commission shall employ a qualified professional person or 39847  
firm to prepare preliminary plans, working drawings, 39848  
specifications, estimates of cost, and such data as the school 39849  
district board and the commission consider necessary for the 39850  
project. When the preliminary plans and preliminary estimates of 39851  
cost have been prepared, and approved by the school district 39852  
board, they shall be submitted to the commission for approval, 39853  
modification, or rejection. The commission shall ensure that the 39854  
plans and materials proposed for use in the project comply with 39855  
specifications for plans and materials that shall be established 39856  
by the commission. When such preliminary plans and preliminary 39857  
estimates of cost and any modifications thereof have been approved 39858  
by the commission and the school district board, the school 39859  
district board shall cause such qualified professional person or 39860  
firm to prepare the working drawings, specifications, and 39861  
estimates of cost. 39862

(B) Whenever project plans submitted to the commission for approval under division (A) of this section propose to locate a facility on a state route or United States highway or within one mile of a state route or United States highway, the commission shall send a copy of the plans to the director of transportation. The director of transportation shall review the plans to determine the feasibility of the proposed ingress and egress to the facility, the traffic circulation pattern on roadways around the facility, and any improvements that would be necessary to conform the roadways to provisions of the manual adopted by the department of transportation pursuant to section 4511.09 of the Revised Code or state or federal law. The director of transportation shall provide a written summary of the director's findings to the commission in a timely manner. The commission shall consider the findings in deciding whether to approve the plans.

**Sec. 3318.10.** When such working drawings, specifications, and estimates of cost have been approved by the school district board and the Ohio ~~school~~ facilities construction commission, the treasurer of the school district board shall advertise for construction bids in accordance with section 3313.46 of the Revised Code. Such notices shall state that plans and specifications for the project are on file in the office of the commission and such other place as may be designated in such notice, and the time and place when and where bids therefor will be received.

The form of proposal to be submitted by bidders shall be supplied by the commission. Bidders may be permitted to bid upon all the branches of work and materials to be furnished and supplied, upon any branch thereof, or upon all or any thereof.

When the construction bids for all branches of work and materials have been tabulated, the commission shall cause to be

prepared a revised estimate of the basic project cost based upon 39894  
the lowest responsible bids received. If such revised estimate 39895  
exceeds the estimated basic project cost as approved by the 39896  
controlling board pursuant to section 3318.04 or division (B)(1) 39897  
of section 3318.41 of the Revised Code, no contracts may be 39898  
entered into pursuant to this section unless such revised estimate 39899  
is approved by the commission and by the controlling board. When 39900  
such revised estimate has been prepared, and after such approvals 39901  
are given, if necessary, and if the school district board has 39902  
caused to be transferred to the project construction fund the 39903  
proceeds from the sale of the first or first and final installment 39904  
of its bonds or bond anticipation notes pursuant to the provision 39905  
of the written agreement required by division (B) of section 39906  
3318.08 of the Revised Code, and when the director of budget and 39907  
management has certified that there is a balance in the 39908  
appropriation, not otherwise obligated to pay precedent 39909  
obligations, pursuant to which the state's share of such revised 39910  
estimate is required to be paid, the contract for all branches of 39911  
work and materials to be furnished and supplied, or for any branch 39912  
thereof as determined by the school district board, shall be 39913  
awarded by the school district board to the lowest responsible 39914  
bidder subject to the approval of the commission. Such award shall 39915  
be made within sixty days after the date on which the bids are 39916  
opened, and the successful bidder shall enter into a contract 39917  
within ten days after the successful bidder is notified of the 39918  
award of the contract. 39919

Subject to the approval of the commission, the school 39920  
district board may reject all bids and readvertise. Any contract 39921  
made under this section shall be made in the name of the state and 39922  
executed on its behalf by the president and treasurer of the 39923  
school district board. 39924

The provisions of sections 9.312 and 3313.46 of the Revised 39925

Code, which are applicable to construction contracts of boards of 39926  
education, shall apply to construction contracts for the project. 39927

The remedies afforded to any subcontractor, materials 39928

section and the itemized statement required by section 1311.26 of 39932  
the Revised Code shall be filed with the school district board. 39933

Notwithstanding any other requirement of this section, a 39934  
school district, with the approval of the commission, may utilize 39935  
any otherwise lawful alternative construction delivery method for 39936  
the construction of the project. 39937

**Sec. 3318.11.** For any project undertaken with financial 39938  
assistance from the state under this chapter, the amount of state 39939  
appropriations to be encumbered for the project in each fiscal 39940  
year shall be determined by the Ohio ~~school~~ facilities 39941  
construction commission based on the project's estimated 39942  
construction schedule for that year. In each fiscal year 39943  
subsequent to the first year in which state appropriations are 39944  
encumbered for the project, the project has priority for state 39945  
funds over projects for which initial state funding is sought. 39946

**Sec. 3318.112.** (A) As used in this section, "solar\_ready" 39947  
means capable of accommodating the eventual installation of roof 39948  
top, solar photovoltaic energy equipment. 39949

(B) The Ohio ~~school~~ facilities construction commission shall 39950  
adopt rules prescribing standards for solar\_ready equipment in 39951  
school buildings under their jurisdiction. The rules shall 39952  
include, but not be limited to, standards regarding roof space 39953  
limitations, shading and obstruction, building orientation, roof 39954  
loading capacity, and electric systems. 39955

(C) A school district may seek, and the commission may grant 39956  
for good cause shown, a waiver from part or all of the standards 39957  
prescribed under division (B) of this section. 39958

**Sec. 3318.12.** (A) The Ohio ~~school~~ facilities construction 39959  
commission shall cause to be transferred to the school district's 39960  
project construction fund the necessary amounts from amounts 39961  
appropriated by the general assembly and set aside for such 39962  
purpose, from time to time as may be necessary to pay obligations 39963  
chargeable to such fund when due. All investment earnings of a 39964  
school district's project construction fund shall be credited to 39965  
the fund. 39966

(B)(1) The treasurer of the school district board shall 39967  
disburse funds from the school district's project construction 39968  
fund, including investment earnings credited to the fund, only 39969  
upon the approval of the commission or the commission's designated 39970  
representative. The commission or the commission's designated 39971  
representative shall issue vouchers against such fund, in such 39972  
amounts, and at such times as required by the contracts for 39973  
construction of the project. 39974

(2) Notwithstanding anything to the contrary in division 39975  
(B)(1) of this section, the school district board may, by a duly 39976  
adopted resolution, choose to use all or part of the investment 39977  
earnings of the district's project construction fund that are 39978  
attributable to the district's contribution to the fund to pay the 39979  
cost of classroom facilities or portions or components of 39980  
classroom facilities that are not included in the district's basic 39981  
project cost but that are related to the district's project. If 39982  
the district board adopts a resolution in favor of using those 39983  
investment earnings as authorized under division (B)(2) of this 39984  
section, the treasurer shall disburse the amount as designated and 39985  
directed by the board. However, if the district board chooses to 39986

use any part of the investment earnings for classroom facilities 39987  
or portions or components of classroom facilities that are not 39988  
included in the basic project cost, as authorized under division 39989  
(B)(2) of this section, and, subsequently, the cost of the project 39990  
exceeds the amount in the project construction fund, the district 39991  
board shall restore to the project construction fund the full 39992  
amount of the investment earnings used under division (B)(2) of 39993  
this section before any additional state moneys shall be released 39994  
for the project. 39995

(C) After a certificate of completion has been issued for a 39996  
project under section 3318.48 of the Revised Code: 39997

(1) At the discretion of the school district board, any 39998  
investment earnings remaining in the project construction fund 39999  
that are attributable to the school district's contribution to the 40000  
fund shall be: 40001

(a) Retained in the project construction fund for future 40002  
projects; 40003

(b) Transferred to the district's maintenance fund required 40004  
by division (B) of section 3318.05 or section 3318.43 of the 40005  
Revised Code, and the money so transferred shall be used solely 40006  
for maintaining the classroom facilities included in the project; 40007

(c) Transferred to the district's permanent improvement fund. 40008

(2) Any investment earnings remaining in the project 40009  
construction fund that are attributable to the state's 40010  
contribution to the fund shall be transferred to the commission 40011  
for expenditure pursuant to sections 3318.01 to 3318.20 or 40012  
sections 3318.40 to 3318.45 of the Revised Code. 40013

(3) Any other surplus remaining in the school district's 40014  
project construction fund shall be transferred to the commission 40015  
and the school district board in proportion to their respective 40016  
contributions to the fund. The commission shall use the money 40017

transferred to it under this division for expenditure pursuant to 40018  
sections 3318.01 to 3318.20 or sections 3318.40 to 3318.45 of the 40019  
Revised Code. 40020

(D) Pursuant to appropriations of the general assembly, any 40021  
moneys transferred to the commission under division (C)(2) or (3) 40022  
of this section from a project construction fund for a project 40023  
under sections 3318.40 to 3318.45 of the Revised Code may be used 40024  
for future expenditures for projects under sections 3318.40 to 40025  
3318.45 of the Revised Code, notwithstanding the two per cent 40026  
annual limit specified in division (B) of section 3318.40 of the 40027  
Revised Code. 40028

**Sec. 3318.121.** As used in this section, "big-eight school 40029  
district" has the same meaning as in section 3314.02 of the 40030  
Revised Code. 40031

Notwithstanding any provision to the contrary in section 40032  
3318.12 or Chapter 5705. of the Revised Code, a big-eight school 40033  
district receiving assistance for a project under this chapter, 40034  
that has opted with the approval of the Ohio ~~school~~ facilities 40035  
construction commission to divide the project into discrete 40036  
segments to be completed sequentially, or otherwise, may, with the 40037  
approval of the commission or the commission's designated 40038  
representative, and pursuant to a resolution adopted by the school 40039  
district board, transfer to a special construction fund investment 40040  
earnings credited to the project construction fund that are 40041  
attributable to the district's contribution to that fund, if the 40042  
school district board and the commission, or its designated 40043  
representative, determine that the unspent amount of the 40044  
district's contribution to the project construction fund, 40045  
including any investment earnings on that contribution that are 40046  
not to be transferred to the special construction fund, together 40047  
with the principal amount of any additional securities authorized 40048

by the voters of the district to be issued to pay the local share 40049  
of the basic project cost of the entire project that have not yet 40050  
been issued by the district, are projected at the time of the 40051  
transfer to be not less than one hundred ten per cent of the 40052  
amount required to provide for the entire remaining local share of 40053  
the basic project cost because of reductions in the scope and 40054  
estimated cost of the project that have been incorporated in the 40055  
district's approved master facilities plan. The money in that 40056  
special construction fund, including investment earnings 40057  
attributable to money in that fund, shall be used by the district 40058  
solely to pay costs of classroom facilities (A) in later segments 40059  
of the project that are consistent with the specifications for 40060  
plans and materials for classroom facilities adopted by the 40061  
commission and those specifications used by the district for 40062  
classroom facilities included in one or more prior segments, but 40063  
which would cause the cost of the facilities in one or more later 40064  
segments to be in excess of the approved budgeted basic project 40065  
cost for the segment to be shared by the state and the district in 40066  
proportion to the state's and the school district's respective 40067  
shares of the basic project cost as determined under section 40068  
3318.032 of the Revised Code, or (B) that were included in the 40069  
master facilities plan prior to the reduction in scope. All 40070  
investment earnings on a district's special construction fund 40071  
shall be credited to the fund. After the entire project has been 40072  
completed, any investment earnings remaining in the special 40073  
construction fund shall be transferred to the district's 40074  
maintenance fund required by division (B) of section 3318.05 of 40075  
the Revised Code, and used solely for maintaining the classroom 40076  
facilities included in the project. 40077

**Sec. 3318.13.** Notwithstanding any provision of sections 40078  
5705.27 to 5705.50 of the Revised Code, the tax to be levied on 40079  
all taxable property within a school district for the purpose of 40080

paying the cost of maintaining the classroom facilities included 40081  
in the project under the agreement provided in section 3318.08 of 40082  
the Revised Code or the supplemental agreement provided in section 40083  
3318.081 of the Revised Code shall be included in the budget of 40084  
the school district for each year upon the certification to the 40085  
county budget commission or commissions of the county or counties 40086  
in which said school district is located, by the Ohio ~~school~~ 40087  
facilities construction commission of the balance due the state 40088  
under said agreement or supplemental agreement. Such certification 40089  
shall be made on or before the fifteenth day of July in each year. 40090  
Thereafter, the respective county budget commissions shall treat 40091  
such certification as an additional item on the tax budget for the 40092  
school district as to which such certification has been made and 40093  
shall provide for the levy therefor in the manner provided in 40094  
sections 5705.27 to 5705.50 of the Revised Code for tax levies 40095  
included directly in the budgets of the subdivisions. 40096

The levy of taxes shall be included in the next annual tax 40097  
budget that is certified to the county budget commission after the 40098  
execution of the agreement for the project. 40099

**Sec. 3318.15.** There is hereby created the public school 40100

of the Revised Code, and any grants, gifts, or contributions 40104  
received by the Ohio ~~school~~ facilities construction commission to 40105  
be used for the purposes of the fund. All investment earnings of 40106  
the fund shall be credited to the fund. 40107

Moneys transferred or appropriated to the fund by the general 40108  
assembly and moneys in the fund from grants, gifts, and 40109  
contributions shall be used for the purposes of Chapter 3318. of 40110  
the Revised Code as prescribed by the general assembly. 40111

**Sec. 3318.16.** The Ohio ~~school~~ facilities construction 40112  
commission shall have an interest in real property purchased with 40113  
moneys in the school district's project construction fund. 40114

Once obligations issued to finance a project under section 40115  
3318.26 of the Revised Code are no longer outstanding, any 40116  
interest held by the commission shall be transferred to the school 40117  
district. 40118

**Sec. 3318.18.** (A) As used in this section: 40119

amounts described in divisions (A)(1) and (2) of section 3317.021 40121  
of the Revised Code as most recently certified for the district 40122  
before the annual computation is made under division (B) of this 40123  
section. 40124

district's valuation divided by the district's formula ADM as most 40126  
recently calculated under section 3317.03 of the Revised Code 40127  
before the annual computation is made under division (B) of this 40128  
section. 40129

(3) "Statewide average valuation per pupil" means the total 40130  
of the valuations of all school districts divided by the total of 40131  
the formula ADMs of all school districts as most recently 40132  
calculated under section 3317.03 of the Revised Code before the 40133  
annual computation is made under division (C) of this section. 40134

(4) "Maintenance levy requirement" means the tax required to 40135  
be levied pursuant to division (C)(2)(a) of section 3318.08 and 40136

pupil and the valuation per pupil of each school district that has 40153  
not already entered into a project agreement, and provide the 40154

project agreement after July 1, 1997, but before July 1, 2006, the 40172  
commission shall make the computation described in division (C)(1) 40173

of this section on the basis of the district's valuation per pupil 40174  
and the statewide average valuation per pupil computed as of 40175  
September 1, 2006, and the district's formula ADM reported for 40176  
October 2005. 40177

(3) The amount computed for a school district under division 40178  
(C)(1) or (2) of this section shall not change for the period 40179  
during which payments are made to the district under division (D) 40180

(2) of this section for a school district that certified a 40183  
resolution to the commission under division (D)(3) of section 40184  
3318.36 of the Revised Code until the district becomes eligible 40185  
for state assistance as provided in that division. 40186

(D) In the fourth quarter of each fiscal year, for each 40187  
school district for which a computation has been made under 40188  
division (C) of this section, the department of education shall 40189  
pay the amount computed to each such school district. Payments 40190  
shall be made to a school district each year until and including 40191

All investment earnings arising from investment of money in 40213  
the half-mill equalization fund shall be credited to the fund. 40214

**Sec. 3318.22.** (A) The general assembly finds that many school 40215

of state government to provide adequate classroom facilities and 40218  
issuing securities under Chapter 133. of the Revised Code at 40219  
favorable interest rates or charges. Accordingly, the Ohio ~~school~~ 40220  
facilities construction commission is invested with the powers and 40221  
duties provided in sections 3318.21 to 3318.29 of the Revised Code 40222  
in order to provide deserved assistance and materially contribute 40223  
to the educational revitalization of such school districts and 40224  
result in improving the education and welfare of all the people of 40225  
the state. 40226

(B) Sections 3318.21 to 3318.29 of the Revised Code do not 40227  
authorize the commission or the issuing authority to incur bonded 40228  
indebtedness of the state or any political subdivision of the 40229  
state, or to obligate or pledge moneys raised by taxation for the 40230  
payment of any bonds or notes issued pursuant to sections 3318.21 40231  
to 3318.29 of the Revised Code. 40232

**Sec. 3318.25.** There is hereby created in the state treasury 40233  
the school building program assistance fund. The fund shall 40234

consist of the proceeds of obligations issued for the purposes of 40235  
such fund pursuant to section 3318.26 of the Revised Code that are 40236  
payable from moneys in the lottery profits education fund created 40237  
in section 3770.06 of the Revised Code or pursuant to section 40238  
151.03 of the Revised Code. All investment earnings of the fund 40239  
shall be credited to the fund. Moneys in the fund shall be used as 40240

the cost to the state of constructing classroom facilities under 40242  
Chapter 3318. of the Revised Code as prescribed by the general 40243  
assembly. 40244

**Sec. 3318.26.** (A) The provisions of this section apply only 40245  
to obligations issued by the issuing authority prior to December 40246  
1, 1999. 40247

(B) Subject to the limitations provided in section 3318.29 of 40248  
the Revised Code, the issuing authority, upon the certification by 40249  
the Ohio ~~school~~ facilities construction commission to the issuing 40250  
authority of the amount of moneys or additional moneys needed in 40251  
the school building program assistance fund for the purposes of 40252

including payment of costs and expenses relating to letters of 40258  
credit, lines of credit, insurance, put agreements, standby 40259  
purchase agreements, indexing, marketing, remarketing and 40260

and any other credit enhancement, liquidity, remarketing, renewal, 40262  
or refunding arrangements, all of which are authorized by this 40263  
section, shall issue obligations of the state under this section 40264  
in the required amount. The proceeds of such obligations, except 40265  
for obligations issued to provide moneys for the school building 40266

program assistance fund shall be deposited by the treasurer of 40267  
state in special funds, including reserve funds, as provided in 40268  
the bond proceedings. The issuing authority may appoint trustees, 40269  
paying agents, and transfer agents and may retain the services of 40270  
financial advisors and accounting experts and retain or contract 40271  
for the services of marketing, remarketing, indexing, and 40272  
administrative agents, other consultants, and independent 40273  
contractors, including printing services, as are necessary in the 40274  
issuing authority's judgment to carry out this section. The costs 40275  
of such services are payable from the school building program 40276  
assistance fund or any special fund determined by the issuing 40277  
authority. 40278

(C) The holders or owners of such obligations shall have no 40279  
right to have moneys raised by taxation obligated or pledged, and 40280  
moneys raised by taxation shall not be obligated or pledged, for 40281  
the payment of bond service charges. Such holders or owners shall 40282  
have no rights to payment of bond service charges from any money 40283  
or property received by the commission, treasurer of state, or the 40284  
state, or from any other use of the proceeds of the sale of the 40285  
obligations, and no such moneys may be used for the payment of 40286  
bond service charges, except for accrued interest, capitalized 40287  
interest, and reserves funded from proceeds received upon the sale 40288  
of the obligations and except as otherwise expressly provided in 40289  
the applicable bond proceedings pursuant to written directions by 40290  
the treasurer of state. The right of such holders and owners to 40291  
payment of bond service charges shall be limited to all or that 40292  
portion of the pledged receipts and those special funds pledged 40293  
thereto pursuant to the bond proceedings in accordance with this 40294  
section, and each such obligation shall bear on its face a 40295  
statement to that effect. 40296

(D) Obligations shall be authorized by resolution or order of 40297  
the issuing authority and the bond proceedings shall provide for 40298

the purpose thereof and the principal amount or amounts, and shall 40299  
provide for or authorize the manner or agency for determining the 40300  
principal maturity or maturities, not exceeding the limits 40301  
specified in section 3318.29 of the Revised Code, the interest 40302  
rate or rates or the maximum interest rate, the date of the 40303  
obligations and the dates of payment of interest thereon, their 40304  
denomination, and the establishment within or without the state of 40305  
a place or places of payment of bond service charges. Sections 40306  
9.98 to 9.983 of the Revised Code are applicable to obligations 40307  
issued under this section, subject to any applicable limitation 40308  
under section 3318.29 of the Revised Code. The purpose of such 40309  
obligations may be stated in the bond proceedings in terms 40310  
describing the general purpose or purposes to be served. The bond 40311  
proceedings shall also provide, subject to the provisions of any 40312  
other applicable bond proceedings, for the pledge of all, or such 40313  
part as the issuing authority may determine, of the pledged 40314  
receipts and the applicable special fund or funds to the payment 40315  
of bond service charges, which pledges may be made either prior or 40316  
subordinate to other expenses, claims, or payments, and may be 40317  
made to secure the obligations on a parity with obligations 40318  
theretofore or thereafter issued, if and to the extent provided in 40319  
the bond proceedings. The pledged receipts and special funds so 40320  
pledged and thereafter received by the state are immediately 40321  
subject to the lien of such pledge without any physical delivery 40322  
thereof or further act, and the lien of any such pledges is valid 40323  
and binding against all parties having claims of any kind against 40324  
the state or any governmental agency of the state, irrespective of 40325  
whether such parties have notice thereof, and shall create a 40326  
perfected security interest for all purposes of Chapter 1309. of 40327  
the Revised Code, without the necessity for separation or delivery 40328  
of funds or for the filing or recording of the bond proceedings by 40329  
which such pledge is created or any certificate, statement or 40330  
other document with respect thereto; and the pledge of such 40331

pledged receipts and special funds is effective and the money 40332  
therefrom and thereof may be applied to the purposes for which 40333  
pledged without necessity for any act of appropriation, except as 40334  
required by section 3770.06 of the Revised Code. Every pledge, and 40335  
every covenant and agreement made with respect thereto, made in 40336  
the bond proceedings may therein be extended to the benefit of the 40337  
owners and holders of obligations authorized by this section, and 40338  
to any trustee therefor, for the further security of the payment 40339  
of the bond service charges. 40340

(E) The bond proceedings may contain additional provisions as 40341  
to: 40342

(1) The redemption of obligations prior to maturity at the 40343  
option of the issuing authority at such price or prices and under 40344  
such terms and conditions as are provided in the bond proceedings; 40345

(2) Other terms of the obligations; 40346

(3) Limitations on the issuance of additional obligations; 40347

(4) The terms of any trust agreement or indenture securing 40348  
the obligations or under which the same may be issued; 40349

(5) The deposit, investment and application of special funds, 40350  
and the safeguarding of moneys on hand or on deposit, without 40351  
regard to Chapter 131., 133., or 135. of the Revised Code, but 40352  
subject to any special provisions of sections 3318.21 to 3318.29 40353  
of the Revised Code, with respect to particular funds or moneys, 40354  
provided that any bank or trust company that acts as depository of 40355  
any moneys in the special funds may furnish such indemnifying 40356  
bonds or may pledge such securities as required by the issuing 40357  
authority; 40358

(6) Any or every provision of the bond proceedings being 40359  
binding upon such officer, board, commission, authority, agency, 40360  
department, or other person or body as may from time to time have 40361  
the authority under law to take such actions as may be necessary 40362

to perform all or any part of the duty required by such provision; 40363

(7) Any provision that may be made in a trust agreement or 40364  
indenture; 40365

(8) The lease or sublease of any interest of the school 40366  
district or the state in one or more projects as defined in 40367  
division (C) of section 3318.01 of the Revised Code, or in one or 40368  
more permanent improvements, to or from the issuing authority, as 40369  
provided in one or more lease or sublease agreements between the 40370  
school or the state and the issuing authority; 40371

(9) Any other or additional agreements with the holders of 40372  
the obligations, or the trustee therefor, relating to the 40373  
obligations or the security therefor. 40374

(F) The obligations may have the great seal of the state or a 40375  
facsimile thereof affixed thereto or printed thereon. The 40376  
obligations and any coupons pertaining to obligations shall be 40377  
signed or bear the facsimile signature of the issuing authority. 40378  
Any obligations or coupons may be executed by the person who, on 40379  
the date of execution, is the proper issuing authority although on 40380  
the date of such bonds or coupons such person was not the issuing 40381  
authority. In case the issuing authority whose signature or a 40382  
facsimile of whose signature appears on any such obligation or 40383  
coupon ceases to be the issuing authority before delivery thereof, 40384  
such signature or facsimile is nevertheless valid and sufficient 40385  
for all purposes as if the issuing authority had remained the 40386  
issuing authority until such delivery; and in case the seal to be 40387  
affixed to obligations has been changed after a facsimile of the 40388  
seal has been imprinted on such obligations, such facsimile seal 40389  
shall continue to be sufficient as to such obligations and 40390  
obligations issued in substitution or exchange therefor. 40391

(G) All obligations are negotiable instruments and securities 40392  
under Chapter 1308. of the Revised Code, subject to the provisions 40393

of the bond proceedings as to registration. The obligations may be 40394  
issued in coupon or in registered form, or both, as the issuing 40395  
authority determines. Provision may be made for the registration 40396  
of any obligations with coupons attached thereto as to principal 40397  
alone or as to both principal and interest, their exchange for 40398  
obligations so registered, and for the conversion or reconversion 40399  
into obligations with coupons attached thereto of any obligations 40400  
registered as to both principal and interest, and for reasonable 40401  
charges for such registration, exchange, conversion, and 40402  
reconversion. 40403

(H) Obligations may be sold at public sale or at private 40404  
sale, as determined in the bond proceedings. 40405

(I) Pending preparation of definitive obligations, the 40406  
issuing authority may issue interim receipts or certificates which 40407  
shall be exchanged for such definitive obligations. 40408

(J) In the discretion of the issuing authority, obligations 40409  
may be secured additionally by a trust agreement or indenture 40410  
between the issuing authority and a corporate trustee which may be 40411  
any trust company or bank having a place of business within the 40412  
state. Any such agreement or indenture may contain the resolution 40413  
or order authorizing the issuance of the obligations, any 40414  
provisions that may be contained in any bond proceedings, and 40415  
other provisions that are customary or appropriate in an agreement 40416  
or indenture of such type, including, but not limited to: 40417

(1) Maintenance of each pledge, trust agreement, indenture, 40418  
or other instrument comprising part of the bond proceedings until 40419  
the state has fully paid the bond service charges on the 40420  
obligations secured thereby, or provision therefor has been made; 40421

(2) In the event of default in any payments required to be 40422  
made by the bond proceedings, or any other agreement of the 40423  
issuing authority made as a part of the contract under which the 40424

obligations were issued, enforcement of such payments or agreement 40425  
by mandamus, the appointment of a receiver, suit in equity, action 40426  
at law, or any combination of the foregoing; 40427

(3) The rights and remedies of the holders of obligations and 40428  
of the trustee, and provisions for protecting and enforcing them, 40429  
including limitations on rights of individual holders of 40430  
obligations; 40431

(4) The replacement of any obligations that become mutilated 40432  
or are destroyed, lost, or stolen; 40433

(5) Such other provisions as the trustee and the issuing 40434  
authority agree upon, including limitations, conditions, or 40435  
qualifications relating to any of the foregoing. 40436

(K) Any holder of obligations or a trustee under the bond 40437  
proceedings, except to the extent that the holder's or trustee's 40438  
rights are restricted by the bond proceedings, may by any suitable 40439  
form of legal proceedings, protect and enforce any rights under 40440  
the laws of this state or granted by such bond proceedings. Such 40441  
rights include the right to compel the performance of all duties 40442  
of the issuing authority, the commission, or the director of 40443  
budget and management required by sections 3318.21 to 3318.29 of 40444  
the Revised Code or the bond proceedings; to enjoin unlawful 40445  
activities; and in the event of default with respect to the 40446  
payment of any bond service charges on any obligations or in the 40447  
performance of any covenant or agreement on the part of the 40448  
issuing authority, the commission, or the director of budget and 40449  
management in the bond proceedings, to apply to a court having 40450  
jurisdiction of the cause to appoint a receiver to receive and 40451  
administer the pledged receipts and special funds, other than 40452  
those in the custody of the treasurer of state or the commission, 40453  
which are pledged to the payment of the bond service charges on 40454  
such obligations or which are the subject of the covenant or 40455  
agreement, with full power to pay, and to provide for payment of 40456

bond service charges on, such obligations, and with such powers, 40457  
subject to the direction of the court, as are accorded receivers 40458  
in general equity cases, excluding any power to pledge additional 40459  
revenues or receipts or other income or moneys of the issuing 40460  
authority or the state or governmental agencies of the state to 40461  
the payment of such principal and interest and excluding the power 40462  
to take possession of, mortgage, or cause the sale or otherwise 40463  
dispose of any permanent improvement. 40464

Each duty of the issuing authority and the issuing 40465  
authority's officers and employees, and of each governmental 40466  
agency and its officers, members, or employees, undertaken 40467  
pursuant to the bond proceedings or any agreement or loan made 40468  
under authority of sections 3318.21 to 3318.29 of the Revised 40469  
Code, and in every agreement by or with the issuing authority, is 40470  
hereby established as a duty of the issuing authority, and of each 40471  
such officer, member, or employee having authority to perform such 40472  
duty, specifically enjoined by the law resulting from an office, 40473  
trust, or station within the meaning of section 2731.01 of the 40474  
Revised Code. 40475

The person who is at the time the issuing authority, or the 40476  
issuing authority's officers or employees, are not liable in their 40477  
personal capacities on any obligations issued by the issuing 40478  
authority or any agreements of or with the issuing authority. 40479

(L) Obligations issued under this section are lawful 40480  
investments for banks, societies for savings, savings and loan 40481  
associations, deposit guarantee associations, trust companies, 40482  
trustees, fiduciaries, insurance companies, including domestic for 40483  
life and domestic not for life, trustees or other officers having 40484

commissioners of the sinking fund of the state, the administrator 40487  
of workers' compensation, the state teachers retirement system, 40488

the public employees retirement system, the school employees 40489  
retirement system, and the Ohio police and fire pension fund, 40490

adopted pursuant thereto by any governmental agency of the state 40492  
with respect to investments by them, and also are acceptable as 40493  
security for the deposit of public moneys. 40494

(M) Unless otherwise provided in any applicable bond 40495  
proceedings, moneys to the credit of or in the special funds 40496  
established by or pursuant to this section may be invested by or 40497  
on behalf of the issuing authority only in notes, bonds, or other 40498  
obligations of the United States, or of any agency or 40499  
instrumentality of the United States, obligations guaranteed as to 40500  
principal and interest by the United States, obligations of this 40501  
state or any political subdivision of this state, and certificates 40502  
of deposit of any national bank located in this state and any 40503  
bank, as defined in section 1101.01 of the Revised Code, subject 40504  
to inspection by the superintendent of financial institutions. If 40505  
the law or the instrument creating a trust pursuant to division 40506  
(J) of this section expressly permits investment in direct 40507  
obligations of the United States or an agency of the United 40508  
States, unless expressly prohibited by the instrument, such moneys 40509  
also may be invested in no front end load money market mutual 40510  
funds consisting exclusively of obligations of the United States 40511  
or an agency of the United States and in repurchase agreements, 40512

accordance with section 1111.14 of the Revised Code and consisting 40516  
exclusively of any such securities, notwithstanding division 40517  
(B)(1)(c) of that section. The income from such investments shall 40518  
be credited to such funds as the issuing authority determines, and 40519  
such investments may be sold at such times as the issuing 40520  
authority determines or authorizes. 40521

(N) Provision may be made in the applicable bond proceedings 40522  
for the establishment of separate accounts in the bond service 40523  
fund and for the application of such accounts only to the 40524  
specified bond service charges on obligations pertinent to such 40525  
accounts and bond service fund and for other accounts therein 40526  
within the general purposes of such fund. Unless otherwise 40527  
provided in any applicable bond proceedings, moneys to the credit 40528  
of or in the several special funds established pursuant to this 40529  
section shall be disbursed on the order of the treasurer of state, 40530  
provided that no such order is required for the payment from the 40531  
bond service fund when due of bond service charges on obligations. 40532

(O) The issuing authority may pledge all, or such portion as 40533  
the issuing authority determines, of the pledged receipts to the 40534  
payment of bond service charges on obligations issued under this 40535  
section, and for the establishment and maintenance of any 40536  
reserves, as provided in the bond proceedings, and make other 40537  
provisions therein with respect to pledged receipts as authorized 40538  
by this chapter, which provisions shall be controlling 40539  
notwithstanding any other provisions of law pertaining thereto. 40540

(P) The issuing authority may covenant in the bond 40541  
proceedings, and any such covenants shall be controlling 40542  
notwithstanding any other provision of law, that the state and 40543  
applicable officers and governmental agencies of the state, 40544  
including the general assembly, so long as any obligations are 40545  
outstanding, shall: 40546

(1) Maintain statutory authority for and cause to be operated 40547  
the state lottery, including the transfers to and from the lottery 40548  
profits education fund created in section 3770.06 of the Revised 40549  
Code so that the pledged receipts shall be sufficient in amount to 40550  
meet bond service charges, and the establishment and maintenance 40551  
of any reserves and other requirements provided for in the bond 40552  
proceedings; 40553

(2) Take or permit no action, by statute or otherwise, that 40554  
would impair the exclusion from gross income for federal income 40555  
tax purposes of the interest on any obligations designated by the 40556  
bond proceeding as tax-exempt obligations. 40557

(Q) There is hereby created the school building program bond 40558  
service fund, which shall be in the custody of the treasurer of 40559  
state but shall be separate and apart from and not a part of the 40560  
state treasury. All moneys received by or on account of the 40561  
issuing authority or state agencies and required by the applicable 40562  
bond proceedings, consistent with this section, to be deposited, 40563  
transferred, or credited to the school building program bond 40564  
service fund, and all other moneys transferred or allocated to or 40565  
received for the purposes of the fund, shall be deposited and 40566  
credited to such fund and to any separate accounts therein, 40567  
subject to applicable provisions of the bond proceedings, but 40568  
without necessity for any act of appropriation, except as required 40569  
by section 3770.06 of the Revised Code. During the period 40570  
beginning with the date of the first issuance of obligations and 40571  
continuing during such time as any such obligations are 40572  
outstanding, and so long as moneys in the school building program 40573  
bond service fund are insufficient to pay all bond service charges 40574  
on such obligations becoming due in each year, a sufficient amount 40575  
of the moneys from the lottery profits education fund included in 40576  
pledged receipts, subject to appropriation for such purpose as 40577  
provided in section 3770.06 of the Revised Code, are committed and 40578  
shall be paid to the school building program bond service fund in 40579  
each year for the purpose of paying the bond service charges 40580  
becoming due in that year. The school building program bond 40581  
service fund is a trust fund and is hereby pledged to the payment 40582  
of bond service charges solely on obligations issued to provide 40583  
moneys for the school building program assistance fund to the 40584  
extent provided in the applicable bond proceedings, and payment 40585  
thereof from such fund shall be made or provided for by the 40586

treasurer of state in accordance with such bond proceedings 40587  
without necessity for any act of appropriation except as required 40588  
by section 3770.06 of the Revised Code. 40589

(R) The obligations, the transfer thereof, and the income 40590  
therefrom, including any profit made on the sale thereof, at all 40591  
times shall be free from taxation within the state. 40592

**Sec. 3318.311.** ~~Not later than six months after September 14,~~ 40593  
~~2000, the~~ The Ohio school facilities construction commission shall 40594  
establish design specifications for classroom facilities that are 40595  
appropriate for joint vocational education programs. The 40596  
specifications shall provide standards for appropriate pupil 40597  
instruction space but shall not include standards for any 40598  
vocational education furnishings or equipment that is not 40599  
comparable to, or the vocational education equivalent of, the 40600  
furnishings or equipment for which assistance is available to 40601  
other school districts under sections 3318.01 to 3318.20 of the 40602  
Revised Code. 40603

Beginning September 1, 2003, from time to time the commission 40604  
may amend the specifications as determined necessary by the 40605  
commission; however, any project under sections 3318.40 to 3318.45 40606  
of the Revised Code approved by the commission prior to the most 40607

that is not covered by insurance or other public or private 40626  
emergency assistance received by or payable to the school 40627  
district. Any damage to classroom facilities caused by age of the 40628  
facilities or by lack of timely maintenance to the facilities 40629  
shall not constitute damage that is subject to assistance under 40630  
this section. 40631

(B)(1) There is hereby established the school building assistance expedited local partnership program. Under the program, the Ohio ~~school~~ facilities construction commission may enter into an agreement with the board of any school district under which the board may proceed with the new construction or major repairs of a part of the district's classroom facilities needs, as determined under sections 3318.01 to 3318.20 of the Revised Code, through the 40673

40678  
40679

expenditure of local resources prior to the school district's 40680  
eligibility for state assistance under those sections, and may 40681  
apply that expenditure toward meeting the school district's 40682  
portion of the basic project cost of the total of the district's 40683  
classroom facilities needs, as recalculated under division (E) of 40684  
this section, when the district becomes eligible for state 40685  
assistance under sections 3318.01 to 3318.20 or section 3318.364 40686  
of the Revised Code. Any school district that is reasonably 40687  
expected to receive assistance under sections 3318.01 to 3318.20 40688  
of the Revised Code within two fiscal years from the date the 40689  
school district adopts its resolution under division (B) of this 40690  
section shall not be eligible to participate in the program 40691  
established under this section. 40692

(2) To participate in the program, a school district board 40693  
shall first adopt a resolution certifying to the commission the 40694  
board's intent to participate in the program. 40695

The resolution shall specify the approximate date that the 40696  
board intends to seek elector approval of any bond or tax measures 40697  
or to apply other local resources to use to pay the cost of 40698  
classroom facilities to be constructed under this section. The 40699  
resolution may specify the application of local resources or 40700  
elector-approved bond or tax measures after the resolution is 40701  
adopted by the board, and in such case the board may proceed with 40702  
a discrete portion of its project under this section as soon as 40703  
the commission and the controlling board have approved the basic 40704  
project cost of the district's classroom facilities needs as 40705  
specified in division (D) of this section. The board shall submit 40706  
its resolution to the commission not later than ten days after the 40707  
date the resolution is adopted by the board. 40708

The commission shall not consider any resolution that is 40709  
submitted pursuant to division (B)(2) of this section, as amended 40710  
by this amendment, sooner than September 14, 2000. 40711

(3) For purposes of determining when a district that enters into an agreement under this section becomes eligible for assistance under sections 3318.01 to 3318.20 of the Revised Code or priority for assistance under section 3318.364 of the Revised Code, the commission shall use the district's percentile ranking determined at the time the district entered into the agreement under this section, as prescribed by division (A)(2) of this section.

(4) Any project under this section shall comply with section 3318.03 of the Revised Code and with any specifications for plans and materials for classroom facilities adopted by the commission under section 3318.04 of the Revised Code.

(5) If a school district that enters into an agreement under this section has not begun a project applying local resources as provided for under that agreement at the time the district is notified by the commission that it is eligible to receive state assistance under sections 3318.01 to 3318.20 of the Revised Code, all assessment and agreement documents entered into under this section are void.

(6) Only construction of or repairs to classroom facilities that have been approved by the commission and have been therefore included as part of a district's basic project cost qualify for application of local resources under this section.

(C) Based on the results of on-site visits and assessment, the commission shall determine the basic project cost of the school district's classroom facilities needs. The commission shall determine the school district's portion of such basic project cost, which shall be the greater of:

(1) The required percentage of the basic project costs, determined based on the school district's percentile ranking;

(2) An amount necessary to raise the school district's net

bonded indebtedness, as of the fiscal year the commission and the 40743  
school district enter into the agreement under division (B) of 40744  
this section, to within five thousand dollars of the required 40745  
level of indebtedness. 40746

(D)(1) When the commission determines the basic project cost 40747  
of the classroom facilities needs of a school district and the 40748  
school district's portion of that basic project cost under 40749  
division (C) of this section, the project shall be conditionally 40750  
approved. Such conditional approval shall be submitted to the 40751  
controlling board for approval thereof. The controlling board 40752  
shall forthwith approve or reject the commission's determination, 40753  
conditional approval, and the amount of the state's portion of the 40754  
basic project cost; however, no state funds shall be encumbered 40755  
under this section. Upon approval by the controlling board, the 40756  
school district board may identify a discrete part of its 40757  
classroom facilities needs, which shall include only new 40758  
construction of or additions or major repairs to a particular 40759  
building, to address with local resources. Upon identifying a part 40760  
of the school district's basic project cost to address with local 40761  
resources, the school district board may allocate any available 40762  
school district moneys to pay the cost of that identified part, 40763  
including the proceeds of an issuance of bonds if approved by the 40764  
electors of the school district. 40765

All local resources utilized under this division shall first 40766  
be deposited in the project construction account required under 40767  
section 3318.08 of the Revised Code. 40768

(2) Unless the school district board exercises its option 40769  
under division (D)(3) of this section, for a school district to 40770  
qualify for participation in the program authorized under this 40771  
section, one of the following conditions shall be satisfied: 40772

(a) The electors of the school district by a majority vote 40773  
shall approve the levy of taxes outside the ten-mill limitation 40774

for a period of twenty-three years at the rate of not less than 40775  
one-half mill for each dollar of valuation to be used to pay the 40776  
cost of maintaining the classroom facilities included in the basic 40777  
project cost as determined by the commission. The form of the 40778  
ballot to be used to submit the question whether to approve the 40779  
tax required under this division to the electors of the school 40780  
district shall be the form for an additional levy of taxes 40781  
prescribed in section 3318.361 of the Revised Code, which may be 40782  
combined in a single ballot question with the questions prescribed 40783  
under section 5705.218 of the Revised Code. 40784

(b) As authorized under division (C) of section 3318.05 of 40785  
the Revised Code, the school district board shall earmark from the 40786  
proceeds of a permanent improvement tax levied under section 40787  
5705.21 of the Revised Code, an amount equivalent to the 40788  
additional tax otherwise required under division (D)(2)(a) of this 40789  
section for the maintenance of the classroom facilities included 40790  
in the basic project cost as determined by the commission. 40791

(c) As authorized under section 3318.051 of the Revised Code, 40792  
the school district board shall, if approved by the commission, 40793  
annually transfer into the maintenance fund required under section 40794  
3318.05 of the Revised Code the amount prescribed in section 40795  
3318.051 of the Revised Code in lieu of the tax otherwise required 40796  
under division (D)(2)(a) of this section for the maintenance of 40797  
the classroom facilities included in the basic project cost as 40798  
determined by the commission. 40799

(d) If the school district board has rescinded the agreement 40800  
to make transfers under section 3318.051 of the Revised Code, as 40801  
provided under division (F) of that section, the electors of the 40802  
school district, in accordance with section 3318.063 of the 40803  
Revised Code, first shall approve the levy of taxes outside the 40804  
ten-mill limitation for the period specified in that section at a 40805  
rate of not less than one-half mill for each dollar of valuation. 40806

(e) The school district board shall apply the proceeds of a tax to leverage bonds as authorized under section 3318.052 of the Revised Code or dedicate a local donated contribution in the manner described in division (B) of section 3318.084 of the Revised Code in an amount equivalent to the additional tax otherwise required under division (D)(2)(a) of this section for the maintenance of the classroom facilities included in the basic project cost as determined by the commission.

(3) A school district board may opt to delay taking any of the actions described in division (D)(2) of this section until the school district becomes eligible for state assistance under sections 3318.01 to 3318.20 of the Revised Code. In order to exercise this option, the board shall certify to the commission a resolution indicating the board's intent to do so prior to entering into an agreement under division (B) of this section.

(4) If pursuant to division (D)(3) of this section a district board opts to delay levying an additional tax until the district becomes eligible for state assistance, it shall submit the question of levying that tax to the district electors as follows:

(a) In accordance with section 3318.06 of the Revised Code if it will also be necessary pursuant to division (E) of this section to submit a proposal for approval of a bond issue;

(b) In accordance with section 3318.361 of the Revised Code if it is not necessary to also submit a proposal for approval of a bond issue pursuant to division (E) of this section.

(5) No state assistance under sections 3318.01 to 3318.20 of the Revised Code shall be released until a school district board that adopts and certifies a resolution under division (D) of this section also demonstrates to the satisfaction of the commission compliance with the provisions of division (D)(2) of this section.

Any amount required for maintenance under division (D)(2) of

this section shall be deposited into a separate fund as specified 40838  
in division (B) of section 3318.05 of the Revised Code. 40839

(E)(1) If the school district becomes eligible for state 40840  
assistance under sections 3318.01 to 3318.20 of the Revised Code 40841  
based on its percentile ranking under division (B)(3) of this 40842  
section or is offered assistance under section 3318.364 of the 40843  
Revised Code, the commission shall conduct a new assessment of the 40844  
school district's classroom facilities needs and shall recalculate 40845  
the basic project cost based on this new assessment. The basic 40846  
project cost recalculated under this division shall include the 40847  
amount of expenditures made by the school district board under 40848  
division (D)(1) of this section. The commission shall then 40849  
recalculate the school district's portion of the new basic project 40850  
cost, which shall be the percentage of the original basic project 40851  
cost assigned to the school district as its portion under division 40852  
(C) of this section. The commission shall deduct the expenditure 40853  
of school district moneys made under division (D)(1) of this 40854  
section from the school district's portion of the basic project 40855  
cost as recalculated under this division. If the amount of school 40856  
district resources applied by the school district board to the 40857  
school district's portion of the basic project cost under this 40858  
section is less than the total amount of such portion as 40859  
recalculated under this division, the school district board by a 40860  
majority vote of all of its members shall, if it desires to seek 40861  
state assistance under sections 3318.01 to 3318.20 of the Revised 40862  
Code, adopt a resolution as specified in section 3318.06 of the 40863  
Revised Code to submit to the electors of the school district the 40864  
question of approval of a bond issue in order to pay any 40865  
additional amount of school district portion required for state 40866  
assistance. Any tax levy approved under division (D) of this 40867  
section satisfies the requirements to levy the additional tax 40868  
under section 3318.06 of the Revised Code. 40869

(2) If the amount of school district resources applied by the school district board to the school district's portion of the basic project cost under this section is more than the total amount of such portion as recalculated under this division, within one year after the school district's portion is recalculated under division (E)(1) of this section the commission may grant to the school district the difference between the two calculated portions, but at no time shall the commission expend any state funds on a project in an amount greater than the state's portion of the basic project cost as recalculated under this division.

Any reimbursement under this division shall be only for local resources the school district has applied toward construction cost expenditures for the classroom facilities approved by the commission, which shall not include any financing costs associated with that construction.

The school district board shall use any moneys reimbursed to the district under this division to pay off any debt service the district owes for classroom facilities constructed under its project under this section before such moneys are applied to any other purpose. However, the district board first may deposit moneys reimbursed under this division into the district's general fund or a permanent improvement fund to replace local resources the district withdrew from those funds, as long as, and to the extent that, those local resources were used by the district for constructing classroom facilities included in the district's basic project cost.

**Sec. 3318.362.** This section applies only to a school district that participates in the school building assistance expedited local partnership program under section 3318.36 of the Revised Code.

A school district board that enters into an agreement with

the Ohio ~~school~~ facilities construction commission under division 40901  
(B) of section 3318.36 of the Revised Code may propose for 40902  
issuance any bonds necessary for its participation in the program 40903  
under section 3318.36 of the Revised Code for any number of years 40904  
not exceeding the term calculated pursuant to section 133.20 of 40905  
the Revised Code. Any moneys received from the state under 40906  
division (E)(2) of section 3318.36 of the Revised Code shall be 40907  
applied, as agreed in writing by the school district board and the 40908  
commission, to pay debt service on outstanding bonds or bond 40909  
anticipation notes issued by the school district board for its 40910  
participation in the expedited local partnership program, 40911  
including by placing those moneys in an applicable escrow fund 40912  
under division (D) of section 133.34 of the Revised Code. 40913

**Sec. 3318.363.** (A) This section applies beginning in fiscal 40914  
year 2003 and only to a school district participating in the 40915  
school building assistance expedited local partnership program 40916  
under section 3318.36 of the Revised Code. 40917

(B) If there is a decrease in the tax valuation of a school 40918  
district to which this section applies by ten per cent or greater 40919  
from one tax year to the next due to a decrease in the assessment 40920  
rate of the taxable property of an electric company that owns 40921  
property in the district, as provided for in section 5727.111 of 40922  
the Revised Code as amended by Am. Sub. S.B. 3 of the 123rd 40923  
General Assembly, the Ohio ~~school~~ facilities construction 40924  
commission shall calculate or recalculate the state and school 40925  
district portions of the basic project cost of the school 40926  
district's project by determining the percentile rank in which the 40927  
district would be located if such ranking were made using the 40928  
adjusted valuation per pupil calculated under division (C) of this 40929  
section rather than the three-year average adjusted valuation per 40930  
pupil, calculated under division (B) of section 3318.011 of the 40931  
Revised Code. For such district, the required percentage of the 40932

basic project cost used to determine the state and school district 40933  
shares of that cost under division (C) of section 3318.36 of the 40934  
Revised Code shall be based on the percentile rank as calculated 40935  
under this section rather than as otherwise provided in division 40936  
(C)(1) of section 3318.36 of the Revised Code. If the commission 40937  
has determined the state and school district portion of the basic 40938  
project cost of such a district's project under section 3318.36 of 40939  
the Revised Code prior to that decrease in tax valuation, the 40940  
commission shall adjust the state and school district shares of 40941  
the basic project cost of such project in accordance with this 40942  
section. 40943

(C)(1) As used in divisions (C) and (D) of this section, 40944  
"total taxable value" and "formula ADM" have the same meanings as 40945  
in section 3317.02 of the Revised Code, and "income factor" has 40946  
the same meaning as in section 3318.011 of the Revised Code. 40947

(2) The adjusted valuation per pupil for a school district to 40948  
which this section applies shall be calculated using the following 40949  
formula: 40950

(The district's total taxable value for the tax year 40951  
preceding the calendar year in which the current fiscal year 40952  
begins / the district's formula ADM for the previous fiscal year) 40953  
- [\$30,000 x (1 - the district's income factor)]. 40954

(D) At the request of the Ohio ~~school~~ facilities construction 40955  
commission, the department of education shall report a district's 40956  
total taxable value for the tax year preceding the calendar year 40957  
in which the current fiscal year begins for any district to which 40958  
this section applies as that information has been certified to the 40959  
department by the tax commissioner pursuant to section 3317.021 of 40960  
the Revised Code. 40961

**Sec. 3318.364.** In any fiscal year, the Ohio ~~school~~ facilities 40962  
construction commission may, at its discretion, provide assistance 40963

under sections 3318.01 to 3318.20 of the Revised Code to a school 40964  
district that has entered into an expedited local partnership 40965  
agreement under section 3318.36 of the Revised Code before the 40966  
district is otherwise eligible for that assistance based on its 40967  
percentile rank, if the commission determines all of the 40968  
following: 40969

(A) The district has made an expenditure of local resources 40970  
under its expedited local partnership agreement on a discrete part 40971  
of its district-wide project. 40972

(B) The district is ready to complete its district-wide 40973  
project or a segment of the project, in accordance with section 40974  
3318.034 of the Revised Code. 40975

(C) The district is in compliance with division (D)(2) of 40976  
section 3318.36 of the Revised Code. 40977

(D) Sufficient state funds have been appropriated for 40978  
classroom facilities projects for the fiscal year to pay the state 40979  
share of the district's project or segment after paying the state 40980  
share of projects for all of the following: 40981

(1) Districts that previously had their conditional approval 40982  
lapse pursuant to section 3318.05 of the Revised Code; 40983

(2) Districts eligible for assistance under division (B)(2) 40984  
of section 3318.04 of the Revised Code; 40985

(3) Districts participating in the exceptional needs school 40986  
facilities assistance program under section 3318.37 or 3318.371 of 40987  
the Revised Code; 40988

(4) Districts participating in the accelerated urban school 40989  
building assistance program under section 3318.38 of the Revised 40990  
Code. 40991

Assistance under this section shall be offered to eligible 40992  
districts in the order of their percentile rankings at the time 40993

they entered into their expedited local partnership agreements, 40994  
from lowest to highest percentile. In the event that more than one 40995  
district has the same percentile ranking, those districts shall be 40996  
offered assistance in the order of the date they entered into 40997  
their expedited local partnership agreements, from earliest to 40998  
latest date. 40999

As used in this section, "local resources" and "percentile" 41000  
have the same meanings as in section 3318.36 of the Revised Code. 41001

**Sec. 3318.37.** (A)(1) As used in this section: 41002

(a) "Full maintenance amount" has the same meaning as in 41003  
section 3318.034 of the Revised Code. 41004

(b) A "school district with an exceptional need for immediate 41005  
classroom facilities assistance" means a school district with an 41006  
exceptional need for new facilities in order to protect the health 41007  
and safety of all or a portion of its students. 41008

(2) No school district that participates in the school 41009  
building assistance expedited local partnership program under 41010  
section 3318.36 of the Revised Code shall receive assistance under 41011  
the program established under this section unless the following 41012  
conditions are satisfied: 41013

(a) The district board adopted a resolution certifying its 41014  
intent to participate in the school building assistance expedited 41015  
local partnership program under section 3318.36 of the Revised 41016  
Code prior to September 14, 2000. 41017

(b) The district was selected by the Ohio ~~school~~ facilities 41018  
construction commission for participation in the school building 41019  
assistance expedited local partnership program under section 41020  
3318.36 of the Revised Code in the manner prescribed by the 41021  
commission under that section as it existed prior to September 14, 41022  
2000. 41023

(B)(1) There is hereby established the exceptional needs 41024  
school facilities assistance program. Under the program, the Ohio 41025  
~~school~~ facilities construction commission may set aside from the 41026  
moneys annually appropriated to it for classroom facilities 41027  
assistance projects up to twenty-five per cent for assistance to 41028  
school districts with exceptional needs for immediate classroom 41029  
facilities assistance. 41030

(2)(a) After consulting with education and construction 41031  
experts, the commission shall adopt guidelines for identifying 41032  
school districts with an exceptional need for immediate classroom 41033  
facilities assistance. 41034

(b) The guidelines shall include application forms and 41035  
instructions for school districts to use in applying for 41036  
assistance under this section. 41037

(3) The commission shall evaluate the classroom facilities, 41038  
and the need for replacement classroom facilities from the 41039  
applications received under this section. The commission, 41040  
utilizing the guidelines adopted under division (B)(2)(a) of this 41041  
section, shall prioritize the school districts to be assessed. 41042

Notwithstanding section 3318.02 of the Revised Code, the 41043  
commission may conduct on-site evaluation of the school districts 41044  
prioritized under this section and approve and award funds until 41045  
such time as all funds set aside under division (B)(1) of this 41046  
section have been encumbered. However, the commission need not 41047  
conduct the evaluation of facilities if the commission determines 41048  
that a district's assessment conducted under section 3318.36 of 41049  
the Revised Code is sufficient for purposes of this section. 41050

(4) Notwithstanding division (A) of section 3318.05 of the 41051  
Revised Code, the school district's portion of the basic project 41052  
cost under this section shall be the "required percentage of the 41053  
basic project costs," as defined in division (K) of section 41054

3318.01 of the Revised Code. 41055

(5) Except as otherwise specified in this section, any 41056  
project undertaken with assistance under this section shall comply 41057  
with all provisions of sections 3318.01 to 3318.20 of the Revised 41058  
Code. A school district may receive assistance under sections 41059  
3318.01 to 3318.20 of the Revised Code for the remainder of the 41060  
district's classroom facilities needs as assessed under this 41061  
section when the district is eligible for such assistance pursuant 41062  
to section 3318.02 of the Revised Code, but any classroom facility 41063  
constructed with assistance under this section shall not be 41064  
included in a district's project at that time unless the 41065  
commission determines the district has experienced the increased 41066  
enrollment specified in division (B)(1) of section 3318.04 of the 41067  
Revised Code. 41068

(C) No school district shall receive assistance under this 41069  
section for a classroom facility that has been included in the 41070  
discrete part of the district's classroom facilities needs 41071  
identified and addressed in the district's project pursuant to an 41072  
agreement entered into under section 3318.36 of the Revised Code, 41073  
unless the district's entire classroom facilities plan consists of 41074  
only a single building designed to house grades kindergarten 41075  
through twelve. 41076

(D)(1) When undertaking a project under this section, a 41077  
school district may elect to prorate its full maintenance amount 41078  
by setting aside for maintenance the amount calculated under 41079  
division (D)(2) of this section to maintain the classroom 41080  
facilities acquired under the project, if the district will use 41081  
one or more of the alternative methods authorized in sections 41082  
3318.051, 3318.052, and 3318.084 of the Revised Code to generate 41083  
the entire amount calculated under that division. If the district 41084  
so elects, the commission and the district shall include in the 41085  
agreement entered into under section 3318.08 of the Revised Code a 41086

statement specifying that the district will use the amount 41087  
calculated under that division only to maintain the classroom 41088  
facilities acquired under the project under this section. 41089

(2) The commission shall calculate the amount for a school 41090  
district to maintain the classroom facilities acquired under a 41091  
project under this section as follows: 41092

The full maintenance amount X (the school district's portion 41093  
of the basic project cost under this section / the school 41094  
district's portion of the basic project cost for the district's 41095  
entire classroom facilities needs, as determined jointly by the 41096  
staff of the commission and the district) 41097

(3) A school district may elect to prorate its full 41098  
maintenance amount for any number of projects under this section, 41099  
provided the district will use one or more of the alternative 41100  
methods authorized in sections 3318.051, 3318.052, and 3318.084 of 41101  
the Revised Code to generate the entire amount calculated under 41102  
division (D)(2) of this section to maintain the classroom 41103  
facilities acquired under each project for which it so elects. If 41104  
the district cannot use one or more of those alternative methods 41105  
to generate the entire amount calculated under that division, the 41106  
district shall levy the tax described in division (B) of section 41107  
3318.05 of the Revised Code or an extension of that tax under 41108  
section 3318.061 of the Revised Code in an amount necessary to 41109  
generate the remainder of its full maintenance amount. The 41110  
commission shall calculate the remainder of the district's full 41111  
maintenance amount as follows: 41112

The full maintenance amount - the sum of the amounts 41113  
calculated for the district under division (D)(2) of this section 41114  
for each of the district's prior projects under this section 41115

(4) In no case shall the sum of the amounts calculated for a 41116  
school district's maintenance of classroom facilities under 41117

divisions (D)(2) and (3) of this section exceed the amount that 41118  
would have been required for maintenance if the district had 41119  
elected to meet its entire classroom facilities needs with a 41120  
project under sections 3318.01 to 3318.20 of the Revised Code and 41121  
had not undertaken one or more projects under this section. 41122

(5) If a school district commenced a project under this 41123  
section prior to ~~the effective date of this amendment~~ September 41124  
10, 2012, but has not completed that project, and has not levied 41125  
the tax described in division (B) of section 3318.05 of the 41126  
Revised Code or an extension of that tax under section 3318.061 of 41127  
the Revised Code, the district may request approval from the 41128  
commission to prorate its full maintenance amount in accordance 41129  
with divisions (D)(1) to (4) of this section. If the commission 41130  
approves the request, the commission and the district shall amend 41131  
the agreement entered into under section 3318.08 of the Revised 41132  
Code to reflect the change. 41133

**Sec. 3318.371.** The Ohio ~~school~~ facilities construction 41134  
commission may provide assistance under the exceptional needs 41135  
school facilities program established by section 3318.37 of the 41136  
Revised Code to any school district for the purpose of the 41137  
relocation or replacement of classroom facilities required as a 41138  
result of any contamination of air, soil, or water that impacts 41139  
the occupants of the facility. 41140

The commission shall make a determination in accordance with 41141  
guidelines adopted by the commission regarding eligibility and 41142  
funding for projects under this section. The commission may 41143  
contract with an independent environmental consultant to conduct a 41144  
study to assist the commission in making the determination. 41145

If the federal government or other public or private entity 41146  
provides funds for restitution of costs incurred by the state or 41147  
school district in the relocation or replacement of the classroom 41148

facilities, the school district shall use such funds in excess of 41149  
the school district's share to refund the state for the state's 41150  
contribution to the environmental contamination portion of the 41151  
project. The school district may apply an amount of such 41152  
restitution funds up to an amount equal to the school district's 41153  
portion of the project, as defined by the commission, toward 41154  
paying its portion of that project to reduce the amount of bonds 41155  
the school district otherwise must issue to receive state 41156  
assistance under sections 3318.01 to 3318.20 of the Revised Code. 41157

**Sec. 3318.38.** (A) As used in this section, "big-eight school 41158  
district" has the same meaning as in section 3314.02 of the 41159  
Revised Code. 41160

(B) There is hereby established the accelerated urban school 41161  
building assistance program. Under the program, notwithstanding 41162  
section 3318.02 of the Revised Code, any big-eight school district 41163  
that has not been approved to receive assistance under sections 41164  
3318.01 to 3318.20 of the Revised Code by July 1, 2002, may 41165  
beginning on that date apply for approval of and be approved for 41166  
such assistance. Except as otherwise provided in this section, any 41167  
project approved and undertaken pursuant to this section shall 41168  
comply with all provisions of sections 3318.01 to 3318.20 of the 41169  
Revised Code. 41170

The Ohio ~~school~~ facilities construction commission shall 41171  
provide assistance to any big-eight school district eligible for 41172  
assistance under this section in the following manner: 41173

(1) Notwithstanding section 3318.02 of the Revised Code: 41174

(a) Not later than June 30, 2002, the commission shall 41175  
conduct an on-site visit and shall assess the classroom facilities 41176  
needs of each big-eight school district eligible for assistance 41177  
under this section; 41178

(b) Beginning July 1, 2002, any big-eight school district 41179  
eligible for assistance under this section may apply to the 41180  
commission for conditional approval of its project as determined 41181  
by the assessment conducted under division (B)(1)(a) of this 41182  
section. The commission may conditionally approve that project and 41183  
submit it to the controlling board for approval pursuant to 41184  
section 3318.04 of the Revised Code. 41185

(2) If the controlling board approves the project of a 41186  
big-eight school district eligible for assistance under this 41187  
section, the commission and the school district shall enter into 41188  
an agreement as prescribed in section 3318.08 of the Revised Code. 41189  
Any agreement executed pursuant to this division shall include any 41190  
applicable segmentation provisions as approved by the commission 41191  
under division (B)(3) of this section. 41192

(3) Notwithstanding any provision to the contrary in sections 41193  
3318.05, 3318.06, and 3318.08 of the Revised Code, a big-eight 41194  
school district eligible for assistance under this section may 41195  
with the approval of the commission opt to divide the project as 41196  
approved under division (B)(1)(b) of this section into discrete 41197  
segments to be completed sequentially. Any project divided into 41198  
segments shall comply with all other provisions of sections 41199  
3318.05, 3318.06, and 3318.08 of the Revised Code except as 41200  
otherwise specified in this division. 41201

If a project is divided into segments under this division: 41202

(a) The school district need raise only the amount equal to 41203  
its proportionate share, as determined under section 3318.032 of 41204  
the Revised Code, of each segment at any one time and may seek 41205  
voter approval of each segment separately; 41206

(b) The state's proportionate share, as determined under 41207  
section 3318.032 of the Revised Code, of only the segment which 41208  
has been approved by the school district electors or for which the 41209

district has applied a local donated contribution under section 41210  
3318.084 of the Revised Code shall be encumbered in accordance 41211  
with section 3318.11 of the Revised Code. Encumbrance of 41212  
additional amounts to cover the state's proportionate share of 41213  
later segments shall be approved separately as they are approved 41214  
by the school district electors or as the district applies a local 41215  
donated contribution to the segments under section 3318.084 of the 41216  
Revised Code. 41217

(c) The school district's maintenance levy requirement, as 41218  
defined in section 3318.18 of the Revised Code, shall run for 41219  
twenty-three years from the date the first segment is undertaken. 41220

(C) In accordance with division (R) of section 3318.08 of the 41221  
Revised Code, the state funds reserved and encumbered and the 41222  
funds provided by the school district to pay the basic project 41223  
cost of any segment of the project under this section, or of the 41224  
entire project if it is not divided into segments, shall be spent 41225  
on the construction and acquisition of the project simultaneously 41226  
in proportion to the state's and the school district's respective 41227  
shares of that basic project cost as determined under section 41228  
3318.032 of the Revised Code. 41229

**Sec. 3318.40.** (A)(1) Sections 3318.40 to 3318.45 of the 41230  
Revised Code apply only to joint vocational school districts. 41231

(2) As used in sections 3318.40 to 3318.45 of the Revised 41232  
Code: 41233

(a) "Ohio ~~school~~ facilities construction commission," 41234  
"classroom facilities," "project," and "basic project cost" have 41235  
the same meanings as in section 3318.01 of the Revised Code. 41236

(b) "Acquisition of classroom facilities" means constructing, 41237  
reconstructing, repairing, or making additions to classroom 41238  
facilities. 41239

(B) There is hereby established the vocational school 41240  
facilities assistance program. Under the program, the Ohio ~~school~~ 41241  
facilities construction commission shall provide assistance to 41242  
joint vocational school districts for the acquisition of classroom 41243  
facilities suitable to the vocational education programs of the 41244  
districts in accordance with sections 3318.40 to 3318.45 of the 41245  
Revised Code. For purposes of the program, beginning July 1, 2003, 41246  
the commission annually may set aside up to two per cent of the 41247  
aggregate amount appropriated to it for classroom facilities 41248  
assistance projects in the public school building fund, 41249  
established under section 3318.15 of the Revised Code, and the 41250  
school building program assistance fund, established under section 41251  
3318.25 of the Revised Code. 41252

(C) The commission shall not provide assistance for any 41253  
distinct part of a project under sections 3318.40 to 3318.45 of 41254  
the Revised Code that when completed will be used exclusively for 41255  
an adult education program or exclusively for operation of a 41256  
driver training school for instruction leading to the issuance of 41257  
a commercial driver's license under Chapter 4506. of the Revised 41258  
Code, except for life safety items and basic building components 41259  
necessary for complete and continuous construction or renovation 41260  
of a classroom facility as determined by the commission. 41261

(D) The commission shall not provide assistance under 41262  
sections 3318.40 to 3318.45 of the Revised Code to acquire 41263  
classroom facilities for vocational educational instruction at a 41264  
location under the control of a school district that is a member 41265  
of a joint vocational school district. Any assistance to acquire 41266  
classroom facilities for vocational educational instruction at 41267  
such location shall be provided to the school district that is a 41268  
member of the joint vocational school district through other 41269  
provisions of this chapter when that member school district is 41270  
eligible for assistance under those provisions. 41271

(E) By September 1, 2003, the commission shall assess the classroom facilities needs of at least five joint vocational school districts, according to the order of priority prescribed in division (B) of section 3318.42 of the Revised Code, and based on the results of those assessments shall determine the extent to which amendments to the specifications adopted under section 3318.311 of the Revised Code are warranted. The commission, thereafter, may amend the specifications as provided in that section.

(F) After the commission has conducted the assessments prescribed in division (E) of this section, the commission shall establish, by rule adopted in accordance with section 111.15 of the Revised Code, guidelines for the commission to use in deciding whether to waive compliance with the design specifications adopted under section 3318.311 of the Revised Code when determining the number of facilities and the basic project cost of projects as prescribed in division (A)(1)(a) of section 3318.41 of the Revised Code. The guidelines shall address the following situations:

(1) Under what circumstances, if any, particular classroom facilities are adequate to meet the needs of the school district even though the facilities do not comply with the specifications adopted under section 3318.311 of the Revised Code;

(2) Under what circumstances, if any, particular classroom facilities will be renovated or repaired rather than replaced by construction of new facilities.

**Sec. 3318.41.** (A)(1) The Ohio ~~school~~ facilities construction commission annually shall assess the classroom facilities needs of the number of joint vocational school districts that the commission reasonably expects to be able to provide assistance to in a fiscal year, based on the amount set aside for that fiscal year under division (B) of section 3318.40 of the Revised Code and

the order of priority prescribed in division (B) of section 41303  
3318.42 of the Revised Code, except that in fiscal year 2004 the 41304  
commission shall conduct at least the five assessments prescribed 41305  
in division (E) of section 3318.40 of the Revised Code. 41306

Upon conducting an assessment of the classroom facilities 41307  
needs of a school district, the commission shall make a 41308  
determination of all of the following: 41309

(a) The number of classroom facilities to be included in a 41310  
project and the basic project cost of acquiring the classroom 41311  
facilities included in the project. The number of facilities and 41312  
basic project cost shall be determined in accordance with the 41313  
specifications adopted under section 3318.311 of the Revised Code 41314  
except to the extent that compliance with such specifications is 41315  
waived by the commission pursuant to the rule of the commission 41316  
adopted under division (F) of section 3318.40 of the Revised Code. 41317

(b) The school district's portion of the basic project cost 41318  
as determined under division (C) of section 3318.42 of the Revised 41319  
Code; 41320

(c) The remaining portion of the basic project cost that 41321  
shall be supplied by the state; 41322

(d) The amount of the state's portion of the basic project 41323  
cost to be encumbered in accordance with section 3318.11 of the 41324  
Revised Code in the current and subsequent fiscal years from funds 41325  
set aside under division (B) of section 3318.40 of the Revised 41326  
Code. 41327

(2) Divisions (A), (C), and (D) of section 3318.03 of the 41328  
Revised Code apply to any project under sections 3318.40 to 41329  
3318.45 of the Revised Code. 41330

(B)(1) If the commission makes a determination under division 41331  
(A) of this section in favor of the acquisition of classroom 41332  
facilities for a project under sections 3318.40 to 3318.45 of the 41333

Revised Code, such project shall be conditionally approved. Such 41334  
conditional approval shall be submitted to the controlling board 41335  
for approval. The controlling board shall immediately approve or 41336  
reject the commission's determination, conditional approval, the 41337  
amount of the state's portion of the basic project cost, and the 41338  
amount of the state's portion of the basic project cost to be 41339  
encumbered in the current fiscal year. In the event of approval by 41340  
the controlling board, the commission shall certify the 41341  
conditional approval to the joint vocational school district board 41342  
of education and shall encumber the approved funds for the current 41343  
fiscal year. 41344

(2) No school district that receives assistance under 41345  
sections 3318.40 to 3318.45 of the Revised Code shall have another 41346  
such project conditionally approved until the expiration of twenty 41347  
years after the school district's prior project was conditionally 41348  
approved, unless the school district board demonstrates to the 41349  
satisfaction of the commission that the school district has 41350  
experienced since conditional approval of its prior project an 41351  
exceptional increase in enrollment or program requirements 41352  
significantly above the school district's design capacity under 41353  
that prior project as determined by rule of the commission. Any 41354  
rule adopted by the commission to implement this division shall be 41355  
tailored to address the classroom facilities needs of joint 41356  
vocational school districts. 41357

(C) In addition to generating the amount of the school 41358  
district's portion of the basic project cost as determined under 41359  
division (C) of section 3318.42 of the Revised Code, in order for 41360  
a school district to receive assistance under sections 3318.40 to 41361  
3318.45 of the Revised Code, the school district board shall set 41362  
aside school district moneys for the maintenance of the classroom 41363  
facilities included in the school district's project in the amount 41364  
and manner prescribed in section 3318.43 of the Revised Code. 41365

(D)(1) The conditional approval for a project certified under 41366  
division (B)(1) of this section shall lapse and the amount 41367  
reserved and encumbered for such project shall be released unless 41368  
both of the following conditions are satisfied: 41369

(a) Within one hundred twenty days following the date of 41370  
certification of the conditional approval to the joint vocational 41371  
school district board, the school district board accepts the 41372  
conditional approval and certifies to the commission the school 41373  
district board's plan to generate the school district's portion of 41374  
the basic project cost, as determined under division (C) of 41375  
section 3318.42 of the Revised Code, and to set aside moneys for 41376  
maintenance of the classroom facilities acquired under the 41377  
project, as prescribed in section 3318.43 of the Revised Code. 41378

(b) Within thirteen months following the date of 41379  
certification of the conditional approval to the school district 41380  
board, the electors of the school district vote favorably on any 41381  
ballot measures proposed by the school district board to generate 41382  
the school district's portion of the basic project cost. 41383

(2) If the school district board or electors fail to satisfy 41384  
the conditions prescribed in division (D)(1) of this section and 41385  
the amount reserved and encumbered for the school district's 41386  
project is released, the school district shall be given first 41387  
priority over other joint vocational school districts for project 41388  
funding under sections 3318.40 to 3318.45 of the Revised Code as 41389  
such funds become available, subject to section 3318.054 of the 41390  
Revised Code. 41391

(E) If the conditions prescribed in division (D)(1) of this 41392  
section are satisfied, the commission and the school district 41393  
board shall enter into an agreement as prescribed in section 41394  
3318.08 of the Revised Code and shall proceed with the development 41395  
of plans, cost estimates, designs, drawings, and specifications as 41396  
prescribed in section 3318.091 of the Revised Code. 41397

(F) Costs in excess of those approved by the commission under 41398  
section 3318.091 of the Revised Code shall be payable only as 41399  
provided in sections 3318.042 and 3318.083 of the Revised Code. 41400

(G) Advertisement for bids and the award of contracts for 41401  
construction of any project under sections 3318.40 to 3318.45 of 41402  
the Revised Code shall be conducted in accordance with section 41403  
3318.10 of the Revised Code. 41404

(H) In accordance with division (R) of section 3318.08 of the 41405  
Revised Code, the state funds reserved and encumbered and the 41406  
funds provided by the school district to pay the basic project 41407  
cost of a project under sections 3318.40 to 3318.45 of the Revised 41408  
Code shall be spent simultaneously in proportion to the state's 41409  
and the school district's respective portions of that basic 41410  
project cost. 41411

(I) Sections 3318.13, 3318.14, and 3318.16 of the Revised 41412  
Code apply to projects under sections 3318.40 to 3318.45 of the 41413  
Revised Code. 41414

**Sec. 3318.42.** (A) Not later than the sixty-first day after 41415  
March 14, 2003, and subsequently not later than the sixty-first 41416  
day after the first day of each ensuing fiscal year, the 41417  
department of education shall do all of the following: 41418

(1) Calculate the valuation per pupil of each joint 41419  
vocational school district according to the following formula: 41420

The school district's average taxable value divided by the 41421

school district's formula ADM calculated under section 41422

3317.03 of the Revised Code for the previous fiscal year. 41423

For purposes of this calculation: 41424

(a) "Average taxable value" means the average of the amounts 41425  
certified for a school district in the second, third, and fourth 41426  
preceding tax years under divisions (A)(1) and (2) of section 41427

3317.021 of the Revised Code. 41428

(b) "Formula ADM" has the same meaning as defined in section 41429  
3317.02 of the Revised Code. 41430

(2) Calculate for each school district the three-year average 41431  
of the valuations per pupil calculated for the school district for 41432  
the current and two preceding fiscal years; 41433

(3) Rank all joint vocational school districts in order from 41434  
the school district with the lowest three-year average valuation 41435  
per pupil to the school district with the highest three-year 41436  
average valuation per pupil; 41437

(4) Divide the ranking under division (A)(3) of this section 41438  
into percentiles with the first percentile containing the one per 41439  
cent of school districts having the lowest three-year average 41440  
valuations per pupil and the one-hundredth percentile containing 41441  
the one per cent of school districts having the highest three-year 41442  
average valuations per pupil; 41443

(5) Certify the information described in divisions (A)(1) to 41444  
(4) of this section to the Ohio ~~school~~ facilities construction 41445  
commission. 41446

(B) The commission annually shall select school districts for 41447  
assistance under sections 3318.40 to 3318.45 of the Revised Code 41448  
in the order of the school districts' three-year average 41449  
valuations per pupil such that the school district with the lowest 41450  
three-year average valuation per pupil shall be given the highest 41451  
priority for assistance. 41452

(C) Each joint vocational school district's portion of the 41453  
basic project cost of the school district's project under sections 41454  
3318.40 to 3318.45 of the Revised Code shall be one per cent times 41455  
the percentile in which the district ranks, except that no school 41456  
district's portion shall be less than twenty-five per cent or 41457  
greater than ninety-five per cent of the basic project cost. 41458

Sec. 3318.421. A project under this section shall proceed in 41459  
the manner prescribed in sections 3318.40 to 3318.45 of the 41460  
Revised Code except as otherwise specified by this section. 41461

In addition to any joint vocational school districts selected 41462  
in accordance with section 3318.40 of the Revised Code, the Ohio 41463  
facilities construction commission may select one joint vocational 41464  
school district in fiscal year 2018 and one joint vocational 41465  
school district in fiscal year 2019 for assistance to do one or 41466  
both of the following: 41467

replacement for one or more of the facilities currently operated 41469  
by the district; 41470

(B) Renovate the district's existing facilities. 41471

The selection shall be made through a competitive process 41472  
that allows any joint vocational school district in this state to 41473  
apply for assistance under this section. 41474

The commission shall select for assistance under this section 41475  
a district that has a compelling need for new construction and 41476  
that demonstrates to the satisfaction of the commission that the 41477  
project is necessary for the district to meet the workforce 41478  
deficiency or demand in the local community or a local industry. 41479  
The commission may consult with other state agencies, public 41480  
entities, nonprofit organizations, private corporations, or the 41481  
JobsOhio nonprofit corporation formed under section 187.01 of the 41482  
Revised Code in making its determination. 41483

Except as provided in this section, the district's portion of 41484  
the basic project cost shall be determined in accordance with 41485  
division (C) of section 3318.42 of the Revised Code. If the 41486  
district's portion of the basic project cost is greater than fifty 41487  
per cent, the Ohio facilities construction commission shall 41488

decrease the district's portion so that it is equal to fifty per cent. At no time, however, shall the state share of the basic project cost exceed \$26,000,000. 41489  
41490  
41491

Notwithstanding anything to the contrary in section 3318.40 of the Revised Code, the commission may set aside from funds appropriated to it for classroom facilities assistance projects under this chapter an amount each fiscal year adequate for this section. 41492

similar to the program established under section 3318.36 of the 41521  
Revised Code. The program shall be operational on July 1, 2004. 41522

**Sec. 3318.48.** (A) When all of the following have occurred, a 41523  
project undertaken by a school district pursuant to this chapter 41524  
shall be considered complete and the Ohio ~~school~~ facilities 41525  
construction commission shall issue a certificate of completion to 41526  
the district board of education: 41527

(1) All facilities to be constructed under the project, as 41528  
specified in the project agreement entered into under section 41529  
3318.08 of the Revised Code, have been completed and the board has 41530  
received a permanent certificate of occupancy for each of those 41531  
facilities. 41532

(2) The commission has issued certificates of contract 41533  
completion on all prime construction contracts entered into by the 41534  
board under section 3318.10 of the Revised Code. 41535

(3) The commission has completed a final accounting of the 41536  
district's project construction fund and has determined that all 41537  
payments from the fund were made in compliance with all policies 41538  
of the commission. 41539

(4) Any litigation concerning the project has been finally 41540  
resolved with no chance of appeal. 41541

(5) All construction management services typically provided 41542  
by the commission to school districts have been delivered and the 41543  
commission has canceled any remaining encumbrance of funds for 41544  
those services. 41545

(B) The commission may issue a certificate of completion to a 41546  
district board prior to all of the conditions described in 41547  
division (A) of this section being satisfied, if the commission 41548  
determines that the circumstances preventing the conditions from 41549

being satisfied are so minor in nature that the project should be 41550  
considered complete. When issuing a certificate of completion 41551  
under this division, the commission may specify any of the 41552  
following: 41553

(1) Any construction or work that has yet to be completed and 41554  
the manner in which the board shall oversee its completion, which 41555  
may include procedures for reporting progress to the commission 41556  
and for accounting of expenditures; 41557

(2) Terms and conditions for the resolution of any pending 41558

manager for the project verifies that all facilities to be 41565  
constructed under the project, as specified in the project 41566  
agreement entered into under section 3318.08 of the Revised Code, 41567  
have been completed and the commission determines that those 41568  
facilities have been occupied for at least one year. In that case, 41569  
all funds due to the commission under division (C) of section 41570  
3318.12 of the Revised Code shall be returned to the commission 41571  
not later than thirty days after receipt of the certificate of 41572  
completion. If the funds due to the commission have not been 41573  
returned within sixty days after receipt of the certificate of 41574  
completion, the auditor of state shall issue a finding for 41575  
recovery against the school district and shall request legal 41576  
action under section 117.42 of the Revised Code. 41577

(D) Upon issuance of a certificate of completion under this 41578  
section, the commission's ownership of and interest in the 41579  
project, as specified in division (F) of section 3318.08 of the 41580

Revised Code, shall cease. This cessation shall not alter or  
otherwise affect the state's or commission's interest in the  
project or any limitations on the use of the project as specified  
in the project agreement pursuant to divisions (G), (M), and (N)  
of that section or as specified in section 3318.16 of the Revised  
Code.

**Sec. 3318.49.** (A) The corrective action program is hereby  
established to provide funding for the correction of work, in  
connection with a project funded under sections 3318.01 to 3318.20  
or sections 3318.40 to 3318.45 of the Revised Code or a project  
initiated under section 3318.36 of the Revised Code, that is found  
after occupancy of the facility to be defective or to have been  
omitted.

(B) The Ohio ~~school~~ facilities construction commission may  
provide funding under this section ~~only~~ if the school district  
notifies the ~~executive director of the~~ commission of the defective  
or omitted work ~~within five years after occupancy of~~ and the  
facility for which the district seeks the funding was occupied  
after January 1, 2000.

(C) The commission shall establish procedures ~~and deadlines~~  
for school districts to follow in applying for assistance under  
this section. The procedures ~~shall~~ may include definitions of  
"defective" and "omitted," and shall require that remediation  
efforts focus first on engaging the respective contractors that  
designed and constructed the areas that have design or  
construction-related issues. The commission shall consider  
applications on a case-by-case basis, ~~taking into account the~~  
~~amount of money appropriated and available for purposes of this~~  
~~section.~~ Timing of the application shall not be part of this  
consideration. The commission may consider applications for  
reimbursement for corrective work performed by districts prior to

the effective date of this amendment if the commission was 41612  
notified of the defective or omitted work prior to the initiation 41613  
of that work. 41614

(D) The commission may approve and provide funding assistance 41615  
necessary to take corrective measures after evaluating the 41616  
defective or omitted work or to reimburse for corrective work 41617  
after evaluating the situation necessitating the corrective work. 41618  
The amount approved under this section shall not exceed the cost 41619  
that would otherwise have to be incurred if the classroom 41620  
facilities to be corrected met, but did not exceed, the current 41621  
specifications for plans and materials for classroom facilities 41622  
adopted by the commission. 41623

(1) If the corrective work ~~to be corrected or remediated~~ is 41624  
part of a project not yet completed, the commission may amend the 41625  
project agreement to increase the project budget and may use 41626  
corrective action funding to provide the state portion of the 41627  
corrective amendment. If the work ~~to be corrected or remediated~~ is 41628  
part of a completed project and funds were retained or transferred 41629  
pursuant to division (C) of section 3318.12 of the Revised Code, 41630  
the commission may enter into a new agreement to address the 41631  
corrective action. If the commission enters into a new agreement, 41632  
the state's portion of the cost may be encumbered from the amount 41633  
of money appropriated and available for the purpose of this 41634  
section or the agreement may be conditionally approved and 41635  
submitted to the controlling board for approval. If the agreement 41636  
is submitted to the controlling board, it shall approve or reject 41637  
the commission's determination, conditional approval, the total 41638  
amount of the state's portion of the cost, and the amount of the 41639  
state's portion of the cost to be encumbered in the current fiscal 41640  
year. If the controlling board approves the agreement, the 41641  
commission shall certify the approval to the district board and 41642  
shall encumber from the total funds appropriated for the purposes 41643

of sections 3318.01 to 3318.20 of the Revised Code the amount 41644  
approved to be encumbered in the current fiscal year. 41645

(2) Whether or not the project is completed, the district 41646  
shall contribute a portion of the cost of the corrective action, 41647  
to be determined in accordance with section 3318.032 of the 41648  
Revised Code or, if the district is a joint vocational school 41649  
district, section 3318.42 of the Revised Code. A district that is 41650  
unable to provide its portion so that remediation can proceed may 41651  
apply to the commission for additional assistance under section 41652  
3318.042 of the Revised Code. 41653

(E) The commission shall assess responsibility for the 41654  
defective or omitted work and seek cost recovery from responsible 41655  
parties, if applicable. Any recovery of the expense of remediation 41656  
shall be applied first to the district portion of the cost of the 41657  
corrective action. Any remaining funds shall be applied to the 41658  
state portion and deposited into the school building program 41659  
assistance fund established under section 3318.25 of the Revised 41660  
Code. 41661

**Sec. 3318.50.** (A) As used in this section and in section 41662  
3318.52 of the Revised Code, "classroom facilities" means 41663  
buildings, land, grounds, equipment, and furnishings used by a 41664  
community school in furtherance of its mission and contract 41665  
entered into by the school's governing authority under Chapter 41666  
3314. of the Revised Code. 41667

(B) There is hereby established the community school 41668  
classroom facilities loan guarantee program. Under the program, 41669  
the Ohio ~~school~~ facilities construction commission may guarantee 41670  
for up to fifteen years up to eighty-five per cent of the sum of 41671  
the principal and interest on a loan made to the governing 41672  
authority of a community school established under Chapter 3314. of 41673  
the Revised Code for the sole purpose of assisting the governing 41674

authority in acquiring, improving, or replacing classroom 41675  
facilities for the community school by lease, purchase, remodeling 41676  
of existing facilities, or any other means including new 41677  
construction. 41678

The commission shall not make any loan guarantee under this 41679  
section unless the commission has determined both that the 41680  
applicant is creditworthy and that the classroom facilities that 41681  
have been acquired, improved, or replaced under the loan meet 41682  
applicable health and safety standards established by law for 41683  
school buildings or those facilities that will be acquired, 41684  
improved, or replaced under the loan will meet such standards. 41685

The commission shall not guarantee any loan under this 41686  
section unless the loan is obtained from a financial institution 41687  
regulated by the United States or this state. 41688

(C) At no time shall the commission exceed an aggregate 41689  
liability of ten million dollars to repay loans guaranteed under 41690  
this section. 41691

(D) Any payment made to a lending institution as a result of 41692  
default on a loan guaranteed under this section shall be made from 41693  
moneys in the community school classroom facilities loan guarantee 41694  
fund established under section 3318.52 of the Revised Code. 41695

(E) The commission may assess a fee of up to five hundred 41696  
dollars for each loan guaranteed under this section. 41697

(F) Not later than ninety days after September 5, 2001, the 41698  
commission shall adopt rules that prescribe loan standards and 41699  
procedures consistent with this section that are designed to 41700  
protect the state's interest in any loan guaranteed by this 41701  
section and to ensure that the state has a reasonable chance of 41702  
recovering any payments made by the state in the event of a 41703  
default on any such loan. 41704

Sec. 3318.60. (A) As used in this section and section 3318.61 41705

trustees of a college-preparatory boarding school, shall determine 41722  
the basic project cost based on all campus facilities needed for 41723  
the school's programs and operations and shall take into account 41724  
any unique spaces or square footages needed for such facilities 41725  
when calculating the basic project cost. Regardless of the 41726  
inclusion of nonclassroom facilities in the calculation of the 41727  
basic project cost, state funds provided under the program shall 41728  
be used only to pay for the acquisition of classroom facilities 41729  
that do not exceed the construction and design standards 41730  
established by the commission. 41731

(3) A college-preparatory boarding school shall not be 41737  
included in the ranking required by section 3318.011 of the 41738  
Revised Code. The commission shall initiate procedures for the 41739  
school's project when the contract required by section 3328.12 of 41740  
the Revised Code has been executed. 41741

(4) No requirement related to the issuance of bonds or 41742  
securities or the levying of taxes by a school district shall 41743  
apply to a college-preparatory boarding school or its board of 41744  
trustees. 41745

(5) The agreement entered into by the commission with the 41746  
board of trustees of a college-preparatory boarding school under 41747  
section 3318.08 of the Revised Code shall provide for termination 41748  
of the contract and release of the funds encumbered at the time of 41749  
the project's conditional approval, if the board fails to secure 41750  
the amount specified in division (C)(2) of this section within 41751  
such period after the execution of the agreement as may be fixed 41752  
by the commission. 41753

(D) Within the ninety-day period immediately following ~~the~~ 41754  
~~effective date of this section~~ September 29, 2011, the commission 41755

college-preparatory boarding school facilities program under 41759  
section 3318.60 of the Revised Code, if the board of trustees of a 41760  
college-preparatory boarding school established under Chapter 41761  
3328. of the Revised Code has leased, purchased, or otherwise 41762  
acquired a site for the school, the board of trustees may request 41763  
approval from the Ohio ~~school~~ facilities construction commission 41764

agreement with a person or entity for the development of the site, 41766  
under which agreement all of the following shall occur: 41767

shall be assigned to that building, and the teacher members shall 42217  
be elected by majority vote of the classroom teachers assigned to 42218  
that building. For committees with a district-level scope, the 42219  
teacher members shall be elected by majority vote of the classroom 42220  
teachers of the district, and the principal member shall be 42221  
elected by a majority vote of the principals of the district, 42222  
unless there are two or fewer principals employed by the district, 42223  
in which case the one or two principals employed shall serve on 42224  
the committee. If a committee has a particular grade or age level 42225  
scope, the teacher members shall be licensed to teach such grade 42226  
or age levels, and shall be elected by majority vote of the 42227

classroom teachers holding such a license and the principal shall 42228  
be elected by all principals serving in buildings where any such 42229  
teachers serve. The district superintendent shall appoint a 42230  
replacement to fill any vacancy that occurs on a professional 42231  
development committee, except in the case of vacancies among the 42232  
elected classroom teacher members, which shall be filled by vote 42233  
of the remaining members of the committee so selected. 42234

Terms of office on professional development committees shall 42235  
be prescribed by the district board establishing the committees. 42236  
The conduct of elections for members of professional development 42237  
committees shall be prescribed by the district board establishing 42238  
the committees. A professional development committee may include 42239  
additional members, except that the majority of members on each 42240

district. Any member appointed to fill a vacancy occurring prior 42242  
to the expiration date of the term for which a predecessor was 42243  
appointed shall hold office as a member for the remainder of that 42244  
term. 42245

The initial meeting of any professional development 42246  
committee, upon election and appointment of all committee members, 42247  
shall be called by a member designated by the district 42248  
superintendent. At this initial meeting, the committee shall 42249  
select a chairperson and such other officers the committee deems 42250  
necessary, and shall adopt rules for the conduct of its meetings. 42251  
Thereafter, the committee shall meet at the call of the 42252  
chairperson or upon the filing of a petition with the district 42253  
superintendent signed by a majority of the committee members 42254

The rejection or inactivation of a professional or permanent 42645  
teaching certificate or license under division (E)(1) of this 42646  
section does not constitute a suspension or revocation of the 42647  
certificate or license by the state board under section 3319.31 of 42648  
the Revised Code and the state board and the superintendent of 42649  
public instruction need not provide the person with an opportunity 42650  
for a hearing with respect to the rejection or inactivation. 42651

(2) If a person whose professional or permanent teaching 42652  
certificate or license has been rejected or inactivated under 42653  
division (E)(1) of this section submits fingerprints and written 42654  
permission as required by division (B) or (G) of this section, the 42655  
superintendent of public instruction, on behalf of the state 42656  
board, shall issue a written order issuing or reactivating the 42657  
certificate or license. The superintendent shall send the order to 42658  
the person by regular mail. 42659

(F) Notwithstanding divisions (A) to (C) of this section, if 42660  
a person holds more than one certificate, license, or permit 42661

described in division (A)(1) of this section, the following shall 42662  
apply: 42663

(1) If the certificates, licenses, or permits are of 42664  
different durations, the person shall be subject to divisions (A) 42665  
to (C) of this section only when applying for renewal of the 42666  
certificate, license, or permit that is of the longest duration. 42667  
Prior to renewing any certificate, license, or permit with a 42668  
shorter duration, the state board or the superintendent of public 42669  
instruction shall determine whether the department of education 42670  
has received any information about the person pursuant to section 42671  
109.5721 of the Revised Code, but the person shall not be subject 42672  
to divisions (A) to (C) of this section as long as the person's 42673  
certificate, license, or permit with the longest duration is 42674  
valid. 42675

(2) If the certificates, licenses, or permits are of the same 42676  
duration but do not expire in the same year, the person shall 42677  
designate one of the certificates, licenses, or permits as the 42678  
person's primary certificate, license, or permit and shall notify 42679  
the department of that designation. The person shall be subject to 42680  
divisions (A) to (C) of this section only when applying for 42681  
renewal of the person's primary certificate, license, or permit. 42682  
Prior to renewing any certificate, license, or permit that is not 42683  
the person's primary certificate, license, or permit, the state 42684  
board or the superintendent of public instruction shall determine 42685  
whether the department has received any information about the 42686  
person pursuant to section 109.5721 of the Revised Code, but the 42687  
person shall not be subject to divisions (A) to (C) of this 42688  
section as long as the person's primary certificate, license, or 42689  
permit is valid. 42690

(3) If the certificates, licenses, or permits are of the same 42691  
duration and expire in the same year and the person applies for 42692  
renewal of the certificates, licenses, or permits at the same 42693

time, the state board or the superintendent of public instruction 42694  
shall request only one criminal records check of the person under 42695  
division (C) of this section. 42696

(G) If the department is unable to enroll a person who has 42697  
submitted an application for licensure, or to whom the state board 42698  
has issued a license, in the retained applicant fingerprint 42699  
database established under section 109.5721 of the Revised Code 42700  
because the person has not satisfied the requirements for 42701  
enrollment, the department shall require the person to satisfy the 42702  
requirements for enrollment, including requiring the person to 42703  
submit, by a date prescribed by the department, one complete set 42704  
of fingerprints and written permission that authorizes the 42705  
superintendent of public instruction to forward the fingerprints 42706  
to the bureau of criminal identification and investigation for the 42707  
purpose of enrolling the person in the database. If the person 42708  
fails to comply by the prescribed date, the department shall 42709  
reject the application or shall take action to inactivate the 42710  
person's license in accordance with division (E) of this section. 42711

**Sec. 3319.61.** (A) The educator standards board, in 42712

be aligned with the statewide academic content standards for 42718  
students adopted pursuant to section 3301.079 of the Revised Code, 42719  
be primarily based on educator performance instead of years of 42720  
experience or certain courses completed, and rely on 42721  
evidence-based factors. These standards shall also be aligned with 42722  
the operating standards adopted under division (D)(3) of section 42723  
3301.07 of the Revised Code. 42724

(vi) The standards under section 3301.079 of the Revised	42739

(2) Develop standards for school district superintendents	42746
that reflect what superintendents are expected to know and be able	42747

(6) Investigate and make recommendations for the creation, 42764  
expansion, and implementation of school building and school 42765  
district leadership academies; 42766

(7) Develop standards for school counselors that reflect what 42767  
school counselors are expected to know and be able to do at all 42768  
stages of their careers. The standards shall reflect knowledge of 42769  
academic, personal, and social counseling for students and 42770  
effective principles to implement an effective school counseling 42771  
program. The standards also shall reflect Ohio-specific knowledge 42772  
of career counseling for students and education options that 42773  
provide flexibility for earning credit, such as earning units of 42774  
high school credit using the methods adopted by the state board of 42775  
education under division (J) of section 3313.603 of the Revised 42776

Code. 42782

The superintendent of public instruction, the chancellor of 42783  
higher education, or the education standards board itself may 42784

reconsider any standards developed under this section. 42786

(B) The educator standards board shall incorporate indicators 42787  
of cultural competency into the standards developed under division 42788  
(A) of this section. For this purpose, the educator standards 42789  
board shall develop a definition of cultural competency based upon 42790  
content and experiences that enable educators to know, understand, 42791  
and appreciate the students, families, and communities that they 42792  
serve and skills for addressing cultural diversity in ways that 42793  
respond equitably and appropriately to the cultural needs of 42794  
individual students. 42795

(C) In developing the standards under division (A) of this 42796  
section, the educator standards board shall consider the impact of 42797  
the standards on closing the achievement gap between students of 42798  
different subgroups. 42799

(D) In developing the standards under division (A) of this 42800  
section, the educator standards board shall ensure both of the 42801  
following: 42802

(1) That teachers have sufficient knowledge to provide 42803  
appropriate instruction for students identified as gifted pursuant 42804  
to Chapter 3324. of the Revised Code and to assist in the 42805  
identification of such students, and have sufficient knowledge 42806

(2) Standards that address the crucial link between academic achievement and mental health issues.	42821 42822
(F) The educator standards board shall also perform the following functions:	42823 42824
(1) Monitor compliance with the standards developed under division (A) of this section and make recommendations to the state board of education for appropriate corrective action if such standards are not met;	42825 42826 42827 42828

It is the intent of the general assembly that the educator standards board shall adopt multiple, equal-weighted criteria to use in determining whether a person is a lead teacher. The criteria shall be in addition to the other standards and qualifications prescribed in division (B)(4) of section 3319.22 of the Revised Code. The criteria may include, but shall not be limited to, completion of educational levels beyond a master's degree or other professional development courses or demonstration of a leadership	42835 42836 42837 42838 42839 42840 42841 42842 42843 42844 42845 42846 42847

determine the number of criteria that a teacher shall satisfy to 42849  
be recognized as a lead teacher, which shall not be the total 42850  
number of criteria adopted by the board. 42851

(6) Develop model teacher and principal evaluation 42852  
instruments and processes. The models shall be based on the 42853  
standards developed under division (A) of this section. 42854

(7) Develop a method of measuring the academic improvement 42855

section 3319.223 of the Revised Code; 42864~~

~~(c) The model teacher and principal evaluation instruments 42865  
and processes developed under division (F)(6) of this section. 42866~~

(G) The educator standards board shall submit recommendations 42867  
of standards developed under division (A) of this section to the 42868  
state board of education not later than September 1, 2010. The 42869  
state board of education shall review those recommendations at the 42870

recommendations are submitted to the state board. At that meeting, 42872  
the state board of education shall vote to either adopt standards 42873  
based on those recommendations or request that the educator 42874  
standards board reconsider its recommendations. The state board of 42875  
education shall articulate reasons for requesting reconsideration 42876  
of the recommendations but shall not direct the content of the 42877  
recommendations. The educator standards board shall reconsider its 42878

recommendations if the state board of education so requests, may 42879  
revise the recommendations, and shall resubmit the 42880  
recommendations, whether revised or not, to the state board not 42881  
later than two weeks prior to the state board's regular meeting 42882  
that next succeeds the meeting at which the state board requested 42883  
reconsideration of the initial recommendations. The state board of 42884  
education shall review the recommendations as resubmitted by the 42885  
educator standards board at the state board's regular meeting that 42886  
next succeeds the meeting at which the state board requested 42887  
reconsideration of the initial recommendations and may adopt the 42888  
standards as resubmitted or, if the resubmitted standards have not 42889  
addressed the state board's concerns, the state board may modify 42890  
the standards prior to adopting them. The final responsibility to 42891  
determine whether to adopt standards as described in division (A) 42892  
of this section and the content of those standards, if adopted, 42893  
belongs solely to the state board of education. 42894

**Sec. 3321.19.** (A) As used in this section and section 42895  
3321.191 of the Revised Code, "habitual truant" has the same 42896  
meaning as in section 2151.011 of the Revised Code. 42897

(B) When a board of education of any city, exempted village, 42898  
local, joint vocational, or cooperative education school district 42899  
or the governing board of any educational service center 42900  
determines that a student in its district has been truant and the 42901  
parent, guardian, or other person having care of the child has 42902  
failed to cause the student's attendance at school, the board may 42903  
require the parent, guardian, or other person having care of the 42904  
child pursuant to division (B) of this section to attend an 42905  
educational program established pursuant to rules adopted by the 42906  
state board of education for the purpose of encouraging parental 42907  
involvement in compelling the attendance of the child at school. 42908

No parent, guardian, or other person having care of a child 42909

shall fail without good cause to attend an educational program 42910  
described in this division if the parent, guardian, or other 42911  
person has been served notice pursuant to division (C) of this 42912  
section. 42913

(C) On the request of the superintendent of schools, the 42914  
superintendent of any educational service center, the board of 42915  
education of any city, exempted village, local, joint vocational, 42916  
or cooperative education school district, or the governing board 42917  
of any educational service center or when it otherwise comes to 42918  
the notice of the attendance officer or other appropriate officer 42919  
of the school district, the attendance officer or other 42920  
appropriate officer shall examine into any case of supposed 42921  
truancy within the district and shall warn the child, if found 42922  
truant, and the child's parent, guardian, or other person having 42923  
care of the child, in writing, of the legal consequences of being 42924  
truant. When any child of compulsory school age, in violation of 42925  
law, is not attending school, the attendance or other appropriate 42926  
officer shall notify the parent, guardian, or other person having 42927  
care of that child of the fact, and require the parent, guardian, 42928  
or other person to cause the child to attend school immediately. 42929  
The parent, guardian, or other person having care of the child 42930  
shall cause the child's attendance at school. Upon the failure of 42931  
the parent, guardian, or other person having care of the child to 42932  
do so, the attendance officer or other appropriate officer, if so 42933  
directed by the superintendent, the district board, or the 42934  
educational service center governing board, shall send notice 42935  
requiring the attendance of that parent, guardian, or other person 42936  
at a parental education program established pursuant to division 42937  
(B) of this section and, subject to divisions (D) and (E) of this 42938  
section, may file a complaint against the parent, guardian, or 42939  
other person having care of the child in any court of competent 42940  
jurisdiction. 42941

(D)(1) Upon the failure of the parent, guardian, or other person having care of the child to cause the child's attendance at school, if the child is considered an habitual truant, the board of education of the school district or the governing board of the educational service center, ~~within ten days~~, subject to division (E) of this section, shall assign the student to an absence intervention team as described in division (C) of section 3321.191 of the Revised Code.

(2) The attendance officer shall file a complaint in the juvenile court of the county in which the child has a residence or legal settlement or in which the child is supposed to attend school jointly against the child and the parent, guardian, or other person having care of the child, in accordance with the timelines and conditions set forth in division (B) of section 3321.16 of the Revised Code. A complaint filed in the juvenile court under this division shall allege that the child is an unruly child for being an habitual truant and that the parent, guardian, or other person having care of the child has violated section 3321.38 of the Revised Code.

(E) A school district with a chronic absenteeism percentage that is less than five per cent, as displayed on the district's most recent report card issued under section 3302.03 of the Revised Code, and the school buildings within that district, shall be exempt from the requirement to assign habitually truant students to an absence intervention team for the following school year and shall instead take any appropriate action as an intervention strategy contained in the policy developed by the district board pursuant to divisions (A) and (B) of section 3321.191 of the Revised Code. In the event that those intervention strategies fail, within sixty-one days after their implementation, the attendance officer shall file a complaint, provided that the conditions described in division (B) of section 3321.16 of the

Revised Code are satisfied. 42974

Sec. 3323.022. The rules of the state board of education for 42975  
staffing ratios for programs with preschool children with 42976

(B) Staff ratios of one teacher for every eight children 42982

teacher, and a second adult shall be present when there are nine 42984  
or more children, including nondisabled children enrolled in a 42985

that document as necessary to reflect any pertinent changes in 42998  
state or federal statutory law, rule, or regulation ~~enacted or~~ 42999  
~~adopted after the initial document is developed.~~ 43000

(B) The department and each school district shall ensure that 43001  
the document prescribed in division (A) of this section is 43002  
included in, appended to, or otherwise distributed in conjunction 43003

provision of the Code of Federal Regulations implementing that 43005  
requirement, in the manner and at all the times specified for such 43006  
notice in federal law or regulation. 43007

(C) In addition to the requirement prescribed by division (B) 43008  
of this section, each time a child's school district completes an 43009

shall notify the child's parent, by letter or electronic means, 43012

implements the child's individualized education program and that 43020  
is operated by an alternative public provider or by a registered 43021  
private provider." 43022

The notice shall include the telephone number of the office 43023  
of the department responsible for administering the scholarship 43024  
programs and the specific location of scholarship information on 43025  
the department's web site. 43026

(D) As used in this section, a "child's school district" 43027  
means the school district in which the child is entitled to attend 43028  
school under section 3313.64 or 3313.65 of the Revised Code. 43029

elector who has not moved but has had a change of name; 45976

(2) Declares that the registered elector has moved or had a 45977  
change of name, whichever is appropriate, and otherwise is 45978  
qualified to vote under the circumstances described in division 45979

the registered elector from appearing at the board of elections, 45992  
and will not vote or attempt to vote at any other location or by 45993  
absent voter's ballot mailed to any other location or address for 45994  
that particular election. 45995

**Sec. 3506.01.** As used in this chapter and Chapters 3501., 45996  
3503., 3505., 3509., 3511., 3513., 3515., 3517., 3519., 3521., 45997  
3523., and 3599. of the Revised Code: 45998

(A) "Marking device" means an apparatus operated by a voter 45999  
to record the voter's choices through the ~~piercing~~ or marking of 46000  
ballots enabling them to be examined and counted by automatic 46001

tabulating equipment. 46002

(B) "Ballot" means the official election presentation of 46003  
offices and candidates, including write-in candidates, and of 46004  
questions and issues, and the means by which votes are recorded. 46005

(C) "Automatic tabulating equipment" means a machine or 46006  
electronic device, or interconnected or interrelated machines or 46007  
electronic devices, that will automatically examine and count 46008  
votes recorded on ballots. Automatic tabulating equipment may 46009  
allow for the voter's selections to be indicated by marks made on 46010  
a paper record by an electronic marking device. 46011

(D) "Central counting station" means a location, or one of a 46012  
number of locations, designated by the board of elections for the 46013  
automatic examining, sorting, or counting of ballots. 46014

(E) "Voting machines" means mechanical or electronic 46015  
equipment for the direct recording and tabulation of votes. 46016

(F) "Direct recording electronic voting machine" means a 46017  
voting machine that records votes by means of a ballot display 46018  
provided with mechanical or electro-optical components that can be 46019  
actuated by the voter, that processes the data by means of a 46020  
computer program, and that records voting data and ballot images 46021  
in internal or external memory components. A "direct recording 46022  
electronic voting machine" produces a tabulation of the voting 46023  
data stored in a removable memory component and in printed copy. 46024  
"Direct recording electronic voting machine" does not include a 46025  
voting machine that captures votes by means of a ballot display 46026  
but that transfers those votes onto an optical scan ballot or 46027  
other paper record for tabulation. 46028

(G) "Help America Vote Act of 2002" means the "Help America 46029  
Vote Act of 2002," Pub. L. No. 107-252, 116 Stat. 1666. 46030

(H) "Voter verified paper audit trail" means a physical paper 46031  
printout on which the voter's ballot choices, as registered by a 46032

direct recording electronic voting machine, are recorded. The 46033  
voter shall be permitted to visually or audibly inspect the 46034  
contents of the physical paper printout. The physical paper 46035  
printout shall be securely retained at the polling place until the 46036  
close of the polls on the day of the election; the secretary of 46037  
state shall adopt rules under Chapter 119. of the Revised Code 46038  
specifying the manner of storing the physical paper printout at 46039  
the polling place. After the physical paper printout is produced, 46040  
but before the voter's ballot is recorded, the voter shall have an 46041  
opportunity to accept or reject the contents of the printout as 46042  
matching the voter's ballot choices. If a voter rejects the 46043  
contents of the physical paper printout, the system that produces 46044  
the voter verified paper audit trail shall invalidate the printout 46045  
and permit the voter to recast the voter's ballot. On and after 46046  
the first federal election that occurs after January 1, 2006, 46047  
unless required sooner by the Help America Vote Act of 2002, any 46048  
system that produces a voter verified paper audit trail shall be 46049  
accessible to disabled voters, including visually impaired voters, 46050  
in the same manner as the direct recording electronic voting 46051  
machine that produces it. 46052

**Sec. 3506.06.** No marking device shall be approved by the 46053  
board of voting machine examiners or certified by the secretary of 46054  
state, or be purchased, rented, or otherwise acquired, or used, 46055  
unless it fulfills the following requirements: 46056

(A) It shall permit and require voting in absolute secrecy, 46057  
and shall be so constructed that no person can see or know for 46058  
whom any other elector has voted or is voting, except an elector 46059  
who is assisting a voter as prescribed by section 3505.24 of the 46060  
Revised Code. 46061

(B) It shall permit each elector to vote at any election for 46062  
all persons and offices for whom and for which the elector is 46063

lawfully entitled to vote, whether or not the name of any such 46064  
person appears on a ballot as a candidate; to vote for as many 46065  
persons for an office as the elector is entitled to vote for; and 46066  
to vote for or against any question upon which the elector is 46067  
entitled to vote. 46068

(C) It shall permit each elector to write in the names of 46069  
persons for whom the elector desires to vote, whose names do not 46070  
appear upon the ballot, if such write-in candidates are permitted 46071  
by law. 46072

(D) It shall permit each elector, at all presidential 46073  
elections, by one ~~punch~~ or mark to vote for candidates of one 46074  
party for president, vice president, and presidential electors. 46075

(E) It shall be durably constructed of material of good 46076  
quality in a neat and workerlike manner, and in form that shall 46077  
make it safely transportable. 46078

(F) It shall be so constructed that a voter may readily learn 46079  
the method of operating it and may expeditiously cast the voter's 46080  
vote for all candidates of the voter's choice. 46081

(G) It shall not provide to a voter any type of receipt or 46082  
voter confirmation that the voter legally may retain after leaving 46083  
the polling place. 46084

**Sec. 3506.07.** No automatic tabulating equipment shall be 46085  
approved by the board of voting machine examiners or certified by 46086  
the secretary of state, or be purchased, rented, or otherwise 46087  
acquired, or used, unless it has been or is capable of being 46088  
manufactured for use and distribution beyond a prototype and can 46089  
be set by election officials, to examine ballots and to count 46090  
votes accurately for each candidate, question, and issue, 46091  
excluding any ballots ~~punched~~ or marked contrary to the 46092  
instructions printed on such ballots, provided that such equipment 46093

shall not be required to count write-in votes or the votes on any 46094  
ballots that have been voted other than at the regular polling 46095  
place on election day. 46096

**Sec. 3513.02.** ~~(A)(1) If, in any odd numbered year, no valid~~ 46097

party for ~~election to offices to be voted for at such general~~ 46109  
~~election and no primary ballots shall be provided for such party~~ 46110  
that office. If, however, the only office for which there are more 46111  
~~valid declarations of candidacy filed~~ certified candidates than 46112  
the number to be nominated by a political party, ~~is the office of~~ 46113  
councilperson in a ward, a primary election shall be held for ~~such~~ 46114

there is a contest, and only the names of the candidates for the 46116  
office of councilperson in ~~such~~ that ward shall appear on the 46117

date of the ~~ninetieth~~ sixty-fifth day before the primary election, 46128  
issue appropriate certificates of nomination to each of them, and 46129  
certify their names to the proper election officials, in order 46130  
that their names may be printed on the official ballots provided 46131  
for use in the succeeding general election in the same manner as 46132  
though ~~such~~ the primary election had been held and ~~such~~ those 46133  
persons had been nominated at ~~such~~ the election. 46134

(B) If the number of persons certified as candidates for the 46135  
nomination of a political party for an office exceeds the number 46136  
of candidates the political party is entitled to nominate as its 46137  
candidates for that office and one or more candidates die, 46138  
withdraw, or are disqualified before the day of the primary 46139  
election, such that the number of candidates no longer exceeds the 46140  
number of candidates that the political party is entitled to 46141  
nominate as its candidates for that office, and the vacancy or 46142  
vacancies are not filled under division (F) of section 3513.052 of 46143  
the Revised Code, then all of the following apply: 46144

(1) No primary election shall be held for the purpose of 46145  
nominating party candidates of that party for that office. 46146

(2) If the ballots for that election have already been 46147  
prepared and primary election is to be held for that party for the 46148  
purpose of nominating or electing candidates for other offices, 46149  
the board of elections shall not remove the names of the 46150  
candidates from the ballots. The board of elections shall post a 46151  
notice at each polling place on the day of the election that no 46152  
primary is being held for the purpose of nominating party 46153  
candidates of that party for that office and that votes for those 46154  
candidates will be void and will not be counted. The board also 46155  
shall enclose a copy of that notice with each absent voter's 46156  
ballot given or mailed after all but one candidate has died, 46157

withdrawn, or been disqualified. Any votes for those candidates 46158  
are void and shall not be counted. 46159

(3) The election officials whose duty it would have been to 46160  
issue certificates of nomination to the persons nominated at the 46161  
primary election shall declare the remaining candidate or 46162  
candidates to be nominated as of the date of the primary election, 46163  
issue appropriate certificates of nomination to each of them, and 46164  
certify their names to the proper election officials, in order 46165  
that their names may be printed on the official ballots provided 46166  
for use in the succeeding general election in the same manner as 46167  
though the primary election had been held and those persons had 46168  
been nominated at that election. 46169

**Sec. 3513.30.** (A)(1) ~~If only one valid declaration of~~ 46170

division (A)(2) of this section. 46180

(b) Any major political party other than the one whose 46181

the Revised Code for the filling of similar vacancies created by 46201  
withdrawals or disqualifications under section 3513.052 of the 46202

or an authorized agent or employee of a health care facility or a 46590  
health care provider, if the provider, agent, or employee has a 46591  
medical need to know the information and is participating in the 46592  
diagnosis, care, or treatment of the individual on whom the test 46593  
was performed or who has been diagnosed as having AIDS or an 46594  
AIDS-related condition. 46595

This division does not impose a standard of disclosure 46596  
different from the standard for disclosure of all other specific 46597  
information about a patient to health care providers and 46598  
facilities. Disclosure may not be requested or made solely for the 46599  
purpose of identifying an individual who has a positive HIV test 46600  
result or has been diagnosed as having AIDS or an AIDS-related 46601  
condition in order to refuse to treat the individual. Referral of 46602  
an individual to another health care provider or facility based on 46603  
reasonable professional judgment does not constitute refusal to 46604  
treat the individual. 46605

(3) Not later than ninety days after November 1, 1989, each 46606  
health care facility in this state shall establish a protocol to 46607  
be followed by employees and individuals affiliated with the 46608  
facility in making disclosures authorized by division (B)(2) of 46609  
this section. A person employed by or affiliated with a health 46610  
care facility who determines in accordance with the protocol 46611  
established by the facility that a disclosure is authorized by 46612  
division (B)(2) of this section is immune from liability to any 46613  
person in a civil action for damages for injury, death, or loss to 46614  
person or property resulting from the disclosure. 46615

(C)(1) Any person or government agency may seek access to or 46616  
authority to disclose the HIV test records of an individual in 46617  
accordance with the following provisions: 46618

(a) The person or government agency shall bring an action in a court of common pleas requesting disclosure of or authority to disclose the results of an HIV test of a specific individual, who shall be identified in the complaint by a pseudonym but whose name shall be communicated to the court confidentially, pursuant to a court order restricting the use of the name. The court shall provide the individual with notice and an opportunity to participate in the proceedings if the individual is not named as a party. Proceedings shall be conducted in chambers unless the individual agrees to a hearing in open court.

(b) The court may issue an order granting the plaintiff access to or authority to disclose the test results only if the court finds by clear and convincing evidence that the plaintiff has demonstrated a compelling need for disclosure of the information that cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for disclosure against the privacy right of the individual tested and against any disservice to the public interest that might result from the disclosure, such as discrimination against the individual or the deterrence of others from being tested.

(c) If the court issues an order, it shall guard against unauthorized disclosure by specifying the persons who may have access to the information, the purposes for which the information shall be used, and prohibitions against future disclosure.

(2) A person or government agency that considers it necessary to disclose the results of an HIV test of a specific individual in an action in which it is a party may seek authority for the disclosure by filing an in camera motion with the court in which the action is being heard. In hearing the motion, the court shall employ procedures for confidentiality similar to those specified in division (C)(1) of this section. The court shall grant the motion only if it finds by clear and convincing evidence that a

compelling need for the disclosure has been demonstrated. 46651

(3) Except for an order issued in a criminal prosecution or 46652  
an order under division (C)(1) or (2) of this section granting 46653  
disclosure of the result of an HIV test of a specific individual, 46654  
a court shall not compel a blood bank, hospital blood center, or 46655  
blood collection facility to disclose the result of HIV tests 46656  
performed on the blood of voluntary donors in a way that reveals 46657  
the identity of any donor. 46658

(4) In a civil action in which the plaintiff seeks to recover 46659  
damages from an individual defendant based on an allegation that 46660  
the plaintiff contracted the HIV virus as a result of actions of 46661  
the defendant, the prohibitions against disclosure in this section 46662  
do not bar discovery of the results of any HIV test given to the 46663  
defendant or any diagnosis that the defendant suffers from AIDS or 46664  
an AIDS-related condition. 46665

(D) The results of an HIV test or the identity of an 46666  
individual on whom an HIV test is performed or who is diagnosed as 46667  
having AIDS or an AIDS-related condition may be disclosed to a 46668  
federal, state, or local government agency, or the official 46669  
representative of such an agency, for purposes of the medicaid 46670  
program, the medicare program, or any other public assistance 46671  
program. 46672

(E) Any disclosure pursuant to this section shall be in 46673  
writing and accompanied by a written statement that includes the 46674  
following or substantially similar language: "This information has 46675  
been disclosed to you from confidential records protected from 46676  
disclosure by state law. You shall make no further disclosure of 46677  
this information without the specific, written, and informed 46678  
release of the individual to whom it pertains, or as otherwise 46679  
permitted by state law. A general authorization for the release of 46680  
medical or other information is not sufficient for the purpose of 46681  
the release of HIV test results or diagnoses." 46682

(F) An individual who knows that the individual has received 46683  
a positive result on an HIV test or has been diagnosed as having 46684  
AIDS or an AIDS-related condition shall disclose this information 46685  
to any other person with whom the individual intends to make 46686  
common use of a hypodermic needle or engage in sexual conduct as 46687  
defined in section 2907.01 of the Revised Code. An individual's 46688  
compliance with this division does not prohibit a prosecution of 46689  
the individual for a violation of division (B) of section 2903.11 46690  
of the Revised Code. 46691

(G) Nothing in this section prohibits the introduction of 46692  
evidence concerning an HIV test of a specific individual in a 46693  
criminal proceeding. 46694

that was submitted to the director before the director mailed the 47425  
notice of completeness or knowingly discuss in person or by 47426

project that is the subject of the application by the applicable 47438  
deadline specified in division (C)(4) of this section or any 47439  
extension of it under division (C)(5) of this section. 47440

(2) The director's grant of a certificate of need does not 47441  
affect, and sets no precedent for, the director's decision to 47442  
grant or deny other applications for similar reviewable 47443  
activities. 47444

(3) Any affected person may submit written comments regarding 47445  
an application. The director shall consider all written comments 47446  
received by the forty-fifth day after the application is submitted 47447  
to the director, except that in an expedited review to be 47448  
considered written comments must be received by the twenty-first 47449  
day after the application is submitted. 47450

(4) Except as provided in division (C)(5) of this section, 47451  
the director shall grant or deny certificate of need applications 47452  
not later than sixty days after mailing the notice of completeness 47453  
unless the application is receiving expedited review. If the 47454  
application is receiving expedited review, the director shall 47455  
grant or deny the application not later than thirty days after 47456  
mailing the notice of completeness. 47457

(5) Except as otherwise provided in division (C)(6) of this 47458  
section, the director or the applicant may extend the deadline 47459  
prescribed in division (C)(4) of this section once, for no longer 47460

prescribed by division (C)(4) of this section. An extension by the 47462  
director under division (C)(5) of this section shall apply to all 47463

(6) No applicant in a comparative review may extend the 47465  
deadline specified in division (C)(4) of this section. 47466

(7) If the director does not grant or deny the certificate by 47467  
the applicable deadline specified in division (C)(4) of this 47468  
section or any extension of it under division (C)(5) of this 47469  
section, the certificate shall be considered to have been granted. 47470

(8) In granting a certificate of need, the director shall 47471  
specify as the maximum capital expenditure the certificate holder 47472  
may obligate under the certificate a figure equal to one hundred 47473

(9) In granting a certificate of need, the director may grant 47475

the certificate with conditions that must be met by the holder of 47476  
the certificate. 47477

which beds are to be relocated, upon completion of the project for 47479  
which the certificate of need was granted a number of beds equal 47480  
to the number of beds relocated shall cease to be operated in the 47481  
long-term care facility from which they are relocated, except that 47482  
the beds may continue to be operated for not more than fifteen 47483  
days to allow relocation of residents to the facility to which the 47484  
beds have been relocated. Notwithstanding section 3721.03 of the 47485  
Revised Code, if the relocated beds are in a home licensed under 47486  
Chapter 3721. of the Revised Code, the facility's license is 47487  
automatically reduced by the number of beds relocated effective 47488  
fifteen days after the beds are relocated. If the beds are in a 47489  
facility that is certified as a skilled nursing facility or 47490  
nursing facility under Title XVIII or XIX of the "Social Security 47491  
Act," the certification for the beds shall be surrendered. If the 47492  
beds are registered under section 3701.07 of the Revised Code as 47493  
skilled nursing beds or long-term care beds, the director shall 47494  
remove the beds from registration not later than fifteen days 47495  
after the beds are relocated. 47496

(E) During the period beginning with the granting of a 47497  
certificate of need and ending five years after implementation of 47498  
the reviewable activity for which the certificate was granted, the 47499  
director shall monitor the activities of the person granted the 47500  
certificate to determine whether the reviewable activity is 47501  
conducted in substantial accordance with the certificate. A 47502  
reviewable activity shall not be determined to be not in 47503  
substantial accordance with the certificate of need solely because 47504  
of a either of the following: 47505

(2) A change in the owner or operator of the facility unless 47507

any of the circumstances specified in division (B) of section 47508  
3702.59 of the Revised Code apply to the new owner or operator. 47509

(F) When reviewing applications for certificates of need, 47510  
considering appeals under section 3702.60 of the Revised Code, or 47511  
monitoring activities of persons granted certificates of need, the 47512

director's designee may visit the sites where the activities are 47518  
or will be conducted. 47519

(G) The director may withdraw certificates of need. 47520

director, upon request, any information prescribed by rules 47522  
adopted under division (H) of section 3702.57 of the Revised Code 47523  
that is necessary to conduct reviews of certificate of need 47524  
applications and to develop criteria for reviews. 47525

(I) Any decision to grant or deny a certificate of need shall 47526  
consider the special needs and circumstances resulting from moral 47527  
and ethical values and the free exercise of religious rights of 47528  
long-term care facilities administered by religious organizations, 47529

air pollution control regulatory services within the political 47825  
subdivision represented by the local air pollution control 47826  
authority. The director may enter into such a delegation agreement 47827  
with a local air pollution control authority established on or 47828  
after the effective date of this section, subject to the condition 47829  
established in division (B) of this section. Each delegation 47830

pollution control authority. 47835

(B) The director may conduct a periodic performance 47836  
evaluation of the air pollution control program operated by each 47837  
local air pollution control authority. Based upon the findings of 47838  
such a performance evaluation, the director may terminate or 47839

other moneys appropriated by the general assembly for that 47848  
purpose. The director shall distribute the moneys available for 47849  
making payments to the local air pollution control authorities 47850  
pursuant to such contracts equitably among the local air pollution 47851  
control authorities based upon the amount of local funding and the 47852  
workload of each local air pollution control authority, including, 47853  
without limitation, population served, number of air permits 47854  
issued for both new and existing sources, land area, and number of 47855  
air contaminant sources. The director biennially shall review the 47856  
workload of each local air pollution control authority and shall 47857  
determine the percentage of the moneys available for the purpose 47858  
of making payments under the contracts. In determining the 47859

director shall consider the recommendations of the local air 47861  
pollution control authorities. 47862

(D) The director may modify a contract between the director 47863  
and a local air pollution control authority to authorize the local 47864

time or times, in the case of any such note or any renewals 48139  
thereof not exceeding five years from the date of issue of such 48140  
original note and in the case of any such bond not exceeding forty 48141  
years from the date of issue, as such resolution or resolutions 48142  
may provide. The bonds and notes shall bear interest at such rate 48143

and notes of the authority may be sold by the authority, at public 48148  
or private sale, at or at not less than such price or prices as 48149  
the authority determines. The bonds and notes shall be executed by 48150

the authority has been changed after a facsimile has been 48163  
imprinted on such bonds or notes, such facsimile seal will 48164  
continue to be sufficient for all purposes. 48165

Any resolution or resolutions authorizing any bonds or notes 48166  
or any issue thereof may contain provisions, subject to such 48167  
agreements with bondholders or noteholders as may then exist, 48168

application throughout the state governing solid waste facilities 50332  
and the inspections of and issuance of permits and licenses for 50333  
all solid waste facilities in order to ensure that the facilities 50334  
will be located, maintained, and operated, and will undergo 50335  
closure and post-closure care, in a sanitary manner so as not to 50336  
create a nuisance, cause or contribute to water pollution, create 50337  
a health hazard, or violate 40 C.F.R. 257.3-2 or 40 C.F.R. 50338  
257.3-8, as amended. The rules may include, without limitation, 50339

facility, or of ground water contamination resulting from the 50344  
transfer or disposal of solid wastes at a facility, beyond the 50345  
boundaries of any area within a facility that is operating or is 50346  
undergoing closure or post-closure care where solid wastes were 50347  
disposed of or are being disposed of. The rules shall not concern 50348  
or relate to personnel policies, salaries, wages, fringe benefits, 50349

Variances shall be issued, modified, revoked, suspended, or 50357  
rescinded in accordance with this division, rules adopted under 50358  
it, and Chapter 3745. of the Revised Code. The director may order 50359  
the person to whom a variance is issued to take such action within 50360  
such time as the director may determine to be appropriate and 50361  
reasonable to prevent the creation of a nuisance or a hazard to 50362  
the public health or safety or the environment. Applications for 50363  
variances shall contain such detail plans, specifications, and 50364

information regarding objectives, procedures, controls, and other 50365

director's satisfaction that construction and operation of the 50368  
solid waste facility in the manner allowed by the variance and any 50369  
terms or conditions imposed as part of the variance will not 50370  
create a nuisance or a hazard to the public health or safety or 50371  
the environment. In granting any variance, the director shall 50372  
state the specific provision or provisions whose terms are to be 50373  
varied and also shall state specific terms or conditions imposed 50374  
upon the applicant in place of the provision or provisions. 50375

The director may hold a public hearing on an application for 50376  
a variance or renewal of a variance at a location in the county 50377

the variance are conducted. The director shall give not less than 50379  
twenty days' notice of the hearing to the applicant by certified 50380  
mail or by another type of mail accompanied by a receipt and shall 50381

general circulation in the county where the hearing is to be held. 50383  
The director shall make available for public inspection at the 50384  
principal office of the environmental protection agency a current 50385  
list of pending applications for variances and a current schedule 50386

stenographic record of testimony and other evidence submitted at 50388  
the hearing. 50389

written determination to issue, renew, or deny the variance and 50391  
shall enter the determination and the basis for it into the record 50392  
of the hearing. The director shall issue, renew, or deny an 50393  
application for a variance or renewal of a variance within six 50394  
months of the date upon which the director receives a complete 50395  
application with all pertinent information and data required. No 50396

variance shall be issued, revoked, modified, or denied until the 50397  
director has considered the relative interests of the applicant, 50398  
other persons and property affected by the variance, and the 50399  
general public. Any variance granted under this division shall be 50400  
for a period specified by the director and may be renewed from 50401  
time to time on such terms and for such periods as the director 50402  
determines to be appropriate. No application shall be denied and 50403  
no variance shall be revoked or modified without a written order 50404  
stating the findings upon which the denial, revocation, or 50405  
modification is based. A copy of the order shall be sent to the 50406  
applicant or variance holder by certified mail or by another type 50407  
of mail accompanied by a receipt. 50408

(B) The director shall prescribe and furnish the forms 50409

accompanying detail plans, specifications, and information 50420  
regarding the facility and method of operation and receiving a 50421  
permit issued by the director, except that no permit shall be 50422  
required under this division to install or operate a solid waste 50423  
facility for sewage sludge treatment or disposal when the 50424  
treatment or disposal is authorized by a current permit issued 50425  
under Chapter 3704. or 6111. of the Revised Code. 50426

No person shall continue to operate a solid waste facility 50427  
for which the director ~~has denied a permit for which an~~ 50428

~~application was required under division (A)(3) of section 3734.05~~ 50429

facility in the order issued under division (A)~~(6)~~(4) of that 50434  
section ~~3734.05 of the Revised Code~~ denying the permit application 50435  
or approval. 50436

transfer facility without first submitting an application for a 50441  
permit with accompanying engineering detail plans, specifications, 50442  
and information regarding the facility and its method of operation 50443  
to the director and receiving a permit issued by the director. 50444

No person shall establish a new compost facility or continue 50445

In determining the annual permit fee required by this section, the director shall not require additional payments for multiple units of the same method of storage, treatment, or disposal or for individual units that are used for both storage and treatment. A facility using more than one method of storage, treatment, or disposal shall pay the permit fee indicated by the schedule for each such method.

The director shall not require the payment of that portion of an annual permit fee of any permit holder that would apply to a hazardous waste management unit for which a permit has been issued, but for which construction has not yet commenced. Once construction has commenced, the director shall require the payment

of a part of the appropriate fee indicated by the schedule that 50585  
bears the same relationship to the total fee that the number of 50586

119. and 3745. of the Revised Code, shall prescribe procedures for 50590  
collecting the annual permit fee established by this division and 50591  
may prescribe other requirements necessary to carry out this 50592  
division. 50593

(3) The prohibition against establishing or operating a 50594  
hazardous waste facility without a hazardous waste facility 50595  
installation and operation permit does not apply to either of the 50596  
following: 50597

(a) A facility that is operating in accordance with a permit 50598  
renewal issued under division (H) of section 3734.05 of the 50599  
Revised Code, a revision issued under division (I) of that section 50600  
as it existed prior to August 20, 1996, or a modification issued 50601  
by the director under division (I) of that section on and after 50602  
August 20, 1996; 50603

(b) Except as provided in division (J) of section 3734.05 of 50604  
the Revised Code, a facility that will operate or is operating in 50605  
accordance with a permit by rule, or that is not subject to permit 50606  
requirements, under rules adopted by the director. In accordance 50607  
with Chapter 119. of the Revised Code, the director shall adopt, 50608  
and subsequently may amend, suspend, or rescind, rules for the 50609  
purposes of division (E)(3)(b) of this section. Any rules so 50610  
adopted shall be consistent with and equivalent to regulations 50611  
pertaining to interim status adopted under the "Resource 50612  
Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 50613  
6921, as amended, except as otherwise provided in this chapter. 50614

If a modification is requested or proposed for a facility 50615

described in division (E)(3)(a) or (b) of this section, division 50616  
(I)(7) of section 3734.05 of the Revised Code applies. 50617

(F) No person shall store, treat, or dispose of hazardous 50618  
waste identified or listed under this chapter and rules adopted 50619  
under it, regardless of whether generated on or off the premises 50620  
where the waste is stored, treated, or disposed of, or transport 50621  
or cause to be transported any hazardous waste identified or 50622  
listed under this chapter and rules adopted under it to any other 50623  
premises, except at or to any of the following: 50624

(1) A hazardous waste facility operating under a permit 50625  
issued in accordance with this chapter; 50626

(2) A facility in another state operating under a license or 50627  
permit issued in accordance with the "Resource Conservation and 50628  
Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as 50629  
amended; 50630

(3) A facility in another nation operating in accordance with 50631  
the laws of that nation; 50632

(4) A facility holding a permit issued pursuant to Title I of 50633  
the "Marine Protection, Research, and Sanctuaries Act of 1972," 86 50634

(5) A hazardous waste facility as described in division 50636  
(E)(3)(a) or (b) of this section. 50637

(G) The director, by order, may exempt any person generating, 50638  
collecting, storing, treating, disposing of, or transporting solid 50639  
wastes, infectious wastes, or hazardous waste, or processing solid 50640  
wastes that consist of scrap tires, in such quantities or under 50641  
such circumstances that, in the determination of the director, are 50642  
unlikely to adversely affect the public health or safety or the 50643  
environment from any requirement to obtain a registration 50644  
certificate, permit, or license or comply with the manifest system 50645  
or other requirements of this chapter. Such an exemption shall be 50646

consistent with and equivalent to any regulations adopted by the 50647  
administrator of the United States environmental protection agency 50648  
under the "Resource Conservation and Recovery Act of 1976," 90 50649  
Stat. 2806, 42 U.S.C.A. 6921, as amended, except as otherwise 50650  
provided in this chapter. 50651

(H) No person shall engage in filling, grading, excavating, 50652  
building, drilling, or mining on land where a hazardous waste 50653  
facility, or a solid waste facility, was operated without prior 50654  
authorization from the director, who shall establish the procedure 50655  
for granting such authorization by rules adopted in accordance 50656  
with Chapter 119. of the Revised Code. 50657

A public utility that has main or distribution lines above or 50658  
below the land surface located on an easement or right-of-way 50659  
across land where a solid waste facility was operated may engage 50660  
in any such activity within the easement or right-of-way without 50661  
prior authorization from the director for purposes of performing 50662  
emergency repair or emergency replacement of its lines; of the 50663  
poles, towers, foundations, or other structures supporting or 50664  
sustaining any such lines; or of the appurtenances to those 50665  
structures, necessary to restore or maintain existing public 50666  
utility service. A public utility may enter upon any such easement 50667  
or right-of-way without prior authorization from the director for 50668  
purposes of performing necessary or routine maintenance of those 50669  
portions of its existing lines; of the existing poles, towers, 50670  
foundations, or other structures sustaining or supporting its 50671  
lines; or of the appurtenances to any such supporting or 50672  
sustaining structure, located on or above the land surface on any 50673  
such easement or right-of-way. Within twenty-four hours after 50674  
commencing any such emergency repair, replacement, or maintenance 50675  
work, the public utility shall notify the director or the 50676  
director's authorized representative of those activities and shall 50677  
provide such information regarding those activities as the 50678

director or the director's representative may request. Upon 50679  
completion of the emergency repair, replacement, or maintenance 50680  
activities, the public utility shall restore any land of the solid 50681  
waste facility disturbed by those activities to the condition 50682  
existing prior to the commencement of those activities. 50683

(I) No owner or operator of a hazardous waste facility, in 50684  
the operation of the facility, shall cause, permit, or allow the 50685  
emission therefrom of any particulate matter, dust, fumes, gas, 50686  
mist, smoke, vapor, or odorous substance that, in the opinion of 50687  
the director, unreasonably interferes with the comfortable 50688  
enjoyment of life or property by persons living or working in the 50689  
vicinity of the facility, or that is injurious to public health. 50690  
Any such action is hereby declared to be a public nuisance. 50691

(J) Notwithstanding any other provision of this chapter, in 50692  
the event the director finds an imminent and substantial danger to 50693  
public health or safety or the environment that creates an 50694  
emergency situation requiring the immediate treatment, storage, or 50695  
disposal of hazardous waste, the director may issue a temporary 50696  
emergency permit to allow the treatment, storage, or disposal of 50697  
the hazardous waste at a facility that is not otherwise authorized 50698  
by a hazardous waste facility installation and operation permit to 50699  
treat, store, or dispose of the waste. The emergency permit shall 50700  
not exceed ninety days in duration and shall not be renewed. The 50701  
director shall adopt, and may amend, suspend, or rescind, rules in 50702  
accordance with Chapter 119. of the Revised Code governing the 50703  
issuance, modification, revocation, and denial of emergency 50704  
permits. 50705

(K) Except for infectious wastes generated by a person who 50706  
produces fewer than fifty pounds of infectious wastes at a 50707  
premises during any one month, no owner or operator of a sanitary 50708  
landfill shall knowingly accept for disposal, or dispose of, any 50709  
infectious wastes that have not been treated to render them 50710

noninfectious. 50711

(L) The director, in accordance with Chapter 119. of the 50712  
Revised Code, shall adopt, and may amend, suspend, or rescind, 50713  
rules having uniform application throughout the state establishing 50714  
a training and certification program that shall be required for 50715  
employees of boards of health who are responsible for enforcing 50716  
the solid waste and infectious waste provisions of this chapter 50717  
and rules adopted under them and for persons who are responsible 50718  
for the operation of solid waste facilities or infectious waste 50719  
treatment facilities. The rules shall provide all of the 50720  
following, without limitation: 50721

(1) The program shall be administered by the director and 50722  
shall consist of a course on new solid waste and infectious waste 50723  
technologies, enforcement procedures, and rules; 50724

(2) The course shall be offered on an annual basis; 50725

(3) Those persons who are required to take the course under 50726  
division (L) of this section shall do so triennially; 50727

(4) Persons who successfully complete the course shall be 50728  
certified by the director; 50729

(5) Certification shall be required for all employees of 50730  
boards of health who are responsible for enforcing the solid waste 50731  
or infectious waste provisions of this chapter and rules adopted 50732  
under them and for all persons who are responsible for the 50733  
operation of solid waste facilities or infectious waste treatment 50734  
facilities; 50735

(6)(a) All employees of a board of health who, on the 50736  
effective date of the rules adopted under this division, are 50737  
responsible for enforcing the solid waste or infectious waste 50738  
provisions of this chapter and the rules adopted under them shall 50739  
complete the course and be certified by the director not later 50740  
than January 1, 1995; 50741

(b) All employees of a board of health who, after the 50742  
effective date of the rules adopted under division (L) of this 50743  
section, become responsible for enforcing the solid waste or 50744  
infectious waste provisions of this chapter and rules adopted 50745  
under them and who do not hold a current and valid certification 50746  
from the director at that time shall complete the course and be 50747  
certified by the director within two years after becoming 50748  
responsible for performing those activities. 50749

No person shall fail to obtain the certification required 50750  
under this division. 50751

(M) The director shall not issue a permit under section 50752  
3734.05 of the Revised Code to establish a solid waste facility, 50753  
or to modify a solid waste facility operating on December 21, 50754  
1988, in a manner that expands the disposal capacity or geographic 50755  
area covered by the facility, that is or is to be located within 50756  
the boundaries of a state park established or dedicated under 50757  
Chapter 1546. of the Revised Code, a state park purchase area 50758  
established under section 1546.06 of the Revised Code, any unit of 50759  
the national park system, or any property that lies within the 50760  
boundaries of a national park or recreation area, but that has not 50761  
been acquired or is not administered by the secretary of the 50762  
United States department of the interior, located in this state, 50763  
or any candidate area located in this state and identified for 50764  
potential inclusion in the national park system in the edition of 50765  
the "national park system plan" submitted under paragraph (b) of 50766  
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 50767  
U.S.C.A. 1a-5, as amended, current at the time of filing of the 50768  
application for the permit, unless the facility or proposed 50769  
facility is or is to be used exclusively for the disposal of solid 50770  
wastes generated within the park or recreation area and the 50771  
director determines that the facility or proposed facility will 50772  
not degrade any of the natural or cultural resources of the park 50773

or recreation area. The director shall not issue a variance under 50774  
division (A) of this section and rules adopted under it, or issue 50775  
an exemption order under division (G) of this section, that would 50776  
authorize any such establishment or expansion of a solid waste 50777  
facility within the boundaries of any such park or recreation 50778  
area, state park purchase area, or candidate area, other than a 50779  
solid waste facility exclusively for the disposal of solid wastes 50780  
generated within the park or recreation area when the director 50781  
determines that the facility will not degrade any of the natural 50782  
or cultural resources of the park or recreation area. 50783

(N)(1) The rules adopted under division (A) of this section, 50784  
other than those governing variances, do not apply to scrap tire 50785  
collection, storage, monocell, monofill, and recovery facilities. 50786  
Those facilities are subject to and governed by rules adopted 50787  
under sections 3734.70 to 3734.73 of the Revised Code, as 50788  
applicable. 50789

(2) Division (C) of this section does not apply to scrap tire 50790  
collection, storage, monocell, monofill, and recovery facilities. 50791  
The establishment and modification of those facilities are subject 50792  
to sections 3734.75 to 3734.78 and section 3734.81 of the Revised 50793  
Code, as applicable. 50794

(3) The director may adopt, amend, suspend, or rescind rules 50795  
under division (A) of this section creating an alternative system 50796  
for authorizing the establishment, operation, or modification of a 50797  
solid waste compost facility in lieu of the requirement that a 50798  
person seeking to establish, operate, or modify a solid waste 50799  
compost facility apply for and receive a permit under division (C) 50800  
of this section and section 3734.05 of the Revised Code and a 50801  
license under division (A)(1) of that section. The rules may 50802  
include requirements governing, without limitation, the 50803  
classification of solid waste compost facilities, the submittal of 50804  
operating records for solid waste compost facilities, and the 50805

creation of a registration or notification system in lieu of the 50806  
issuance of permits and licenses for solid waste compost 50807  
facilities. The rules shall specify the applicability of divisions 50808  
(A)(1), and (2)(a), ~~(3), and (4)~~ of section 3734.05 of the Revised 50809  
Code to a solid waste compost facility. 50810

(O)(1) As used in this division, "secondary aluminum waste" 50811  
means waste material or byproducts, when disposed of, containing 50812  
aluminum generated from secondary aluminum smelting operations and 50813  
consisting of dross, salt cake, baghouse dust associated with 50814  
aluminum recycling furnace operations, or dry-milled wastes. 50815

(2) The owner or operator of a sanitary landfill shall not 50816  
dispose of municipal solid waste that has been commingled with 50817  
secondary aluminum waste. 50818

(3) The owner or operator of a sanitary landfill may dispose 50819  
of secondary aluminum waste, but only in a monocell or monofill 50820  
that has been permitted for that purpose in accordance with this 50821  
chapter and rules adopted under it. 50822

(P)(1) As used in divisions (P) and (Q) of this section: 50823

(a) "Natural background" means two picocuries per gram or the 50824  
actual number of picocuries per gram as measured at an individual 50825  
solid waste facility, subject to verification by the director of 50826  
health. 50827

(b) "Drilling operation" includes a production operation as 50828  
defined in section 1509.01 of the Revised Code. 50829

(2) The owner or operator of a solid waste facility shall not 50830  
accept for transfer or disposal technologically enhanced naturally 50831  
occurring radioactive material if that material contains or is 50832  
contaminated with radium-226, radium-228, or any combination of 50833  
radium-226 and radium-228 at concentrations equal to or greater 50834  
than five picocuries per gram above natural background. 50835

(3) The owner or operator of a solid waste facility may 50836  
receive and process for purposes other than transfer or disposal 50837  
technologically enhanced naturally occurring radioactive material 50838  
that contains or is contaminated with radium-226, radium-228, or 50839  
any combination of radium-226 and radium-228 at concentrations 50840  
equal to or greater than five picocuries per gram above natural 50841  
background, provided that the owner or operator has obtained and 50842  
maintains all other necessary authorizations, including any 50843  
authorization required by rules adopted by the director of health 50844  
under section 3748.04 of the Revised Code. 50845

(4) The director of environmental protection may adopt rules 50846  
in accordance with Chapter 119. of the Revised Code governing the 50847  
receipt, acceptance, processing, handling, management, and 50848  
disposal by solid waste facilities of material that contains or is 50849  
contaminated with radioactive material, including, without 50850  
limitation, technologically enhanced naturally occurring 50851  
radioactive material that contains or is contaminated with 50852  
radium-226, radium-228, or any combination of radium-226 and 50853  
radium-228 at concentrations less than five picocuries per gram 50854  
above natural background. Rules adopted by the director may 50855  
include at a minimum both of the following: 50856

(a) Requirements in accordance with which the owner or 50857  
operator of a solid waste facility must monitor leachate and 50858  
ground water for radium-226, radium-228, and other radionuclides; 50859

(b) Requirements in accordance with which the owner or 50860  
operator of a solid waste facility must develop procedures to 50861  
ensure that technologically enhanced naturally occurring 50862  
radioactive material accepted at the facility neither contains nor 50863  
is contaminated with radium-226, radium-228, or any combination of 50864  
radium-226 and radium-228 at concentrations equal to or greater 50865  
than five picocuries per gram above natural background. 50866

(Q) Notwithstanding any other provision of this section, the 50867

owner or operator of a solid waste facility shall not receive, 50868  
accept, process, handle, manage, or dispose of technologically 50869  
enhanced naturally occurring radioactive material associated with 50870  
drilling operations without first obtaining representative 50871  
analytical results to determine compliance with divisions (P)(2) 50872  
and (3) of this section and rules adopted under it. 50873

**Sec. 3734.041.** (A) The owner or operator holding a license 50874  
issued under division (A) of section 3734.05 of the Revised Code 50875  
for a sanitary landfill that is so situated that a residence or 50876  
other occupied structure off the premises of the landfill is 50877  
located within one thousand feet horizontal distance from the 50878  
exterior boundary of the landfill, and the owner or operator of 50879  
any closed landfill that is so situated and for which a license 50880  
was issued under division (A) of section 3734.05 of the Revised 50881  
Code, or the subsequent owner, lessee, or other person who has 50882  
control of the land on which the closed landfill is located, 50883  
shall, within sixty days after the effective date of the rules 50884  
adopted under division (F) of this section, submit an explosive 50885  
gas monitoring plan for the landfill or closed landfill to the 50886  
director of environmental protection for approval for compliance 50887  
with those rules. After approval of the plan, the owner ~~or,~~ 50888  
~~operator of the landfill, or, in the instance of a closed~~ 50889  
~~landfill, the owner or operator of the closed landfill, or the,~~ 50890  
subsequent owner, lessee, or other person ~~who has control of the~~ 50891  
~~land on which the closed landfill is located~~ shall conduct 50892  
monitoring of explosive gas levels at the landfill or closed 50893  
landfill, and submit written reports of the results of the 50894  
monitoring to the director and the board of health of the health 50895  
district in which the landfill is located in accordance with the 50896  
approved plan and the schedule for implementation contained in the 50897  
approved plan. 50898

No person shall violate or fail to perform a duty imposed by 50899

a plan approved under this section. 50900

(B) Division (A) of this section does not apply to a sanitary 50901  
landfill or closed sanitary landfill that exclusively disposes, or 50902  
disposed, of solid wastes generated on the premises where the 50903  
landfill or closed landfill is located; to a sanitary landfill or 50904  
closed sanitary landfill that exclusively disposes, or disposed, 50905  
of solid wastes generated on one or more premises owned by the 50906  
person who owns the landfill or closed landfill; or to a sanitary 50907  
landfill or closed sanitary landfill owned or operated by a person 50908  
other than the generator of the wastes that exclusively disposes, 50909  
or disposed, of nonputrescible solid wastes or nonputrescible 50910  
wastes generated by a single generator at one or more premises 50911  
owned by the generator. 50912

(C) ~~When~~ As used in this division and division (D) of this 50913  
section, "responsible party" includes the owner or operator of a 50914  
solid waste disposal facility; any current or former owner of a 50915  
closed solid waste disposal facility; any person who was 50916  
responsible for the operations of a closed solid waste disposal 50917  
facility; any lessee or other person who has control of the 50918  
property on which a closed solid waste disposal facility is 50919  
located; a receiver appointed pursuant to Chapter 2735. of the 50920  
Revised Code with respect to a solid waste disposal facility or 50921  
closed solid waste disposal facility; and a trustee in bankruptcy. 50922

Notwithstanding division (B) of this section, if the director 50923  
determines that, due to the types of wastes disposed of, the 50924  
engineering design, the hydrogeological setting, the period of 50925  
time since the commencement of operation, ~~and~~ the proximity of 50926  
residential or other occupied structures located off the premises 50927

division (A) of this section and provides for the adequate 50945  
evaluation of explosive gas generation at and migration from the 50946  
solid waste disposal facility or closed solid waste disposal 50947  
facility. A plan so submitted shall be approved in accordance with 50948  
division (A) of this section. After approval of the plan, the 50949

~~system components,~~ exceed twenty-five per cent of the lower 50958  
explosive limit or if concentrations of methane generated by the 50959  
~~landfill~~ facility at the ~~landfill~~ facility boundary exceed the 50960  
lower explosive limit. As used in this division, "lower explosive 50961  
limit" means the lowest per cent by volume of methane that will 50962  
produce a flame in air at twenty-five degrees centigrade and 50963  
atmospheric pressure. 50964

(D) If a report submitted pursuant to a plan approved under 50965  
division (A) of this section indicates that the formation of 50966  
explosive gases at, and migration of explosive gases from, a 50967  
~~sanitary landfill~~ solid waste disposal facility or closed ~~sanitary~~ 50968  
~~landfill~~ solid waste disposal facility threatens human health or 50969  
safety or the environment, the director or his authorized 50970  
representative ~~shall promptly~~ may conduct an evaluation of the 50971  
levels of explosive gases on the premises of the ~~landfill~~ facility 50972  
and in occupied structures located in proximity to the boundaries 50973  
of the ~~landfill~~ facility to determine whether the formation of 50974  
explosive gases at, and migration of those gases from, the 50975  
~~landfill~~ facility or closed ~~landfill~~ facility constitutes such a 50976  
threat. In addition, the director or the director's authorized 50977  
representative, on their own initiative, may conduct an evaluation 50978  
in accordance with division (G) of this section. Based upon the 50979  
findings of the an evaluation, ~~or of an evaluation conducted by~~ 50980  
~~the director, or his authorized representative, on his own~~ 50981  
~~initiative,~~ the director ~~shall~~ may issue an order under division 50982  
(A) or (B) of section 3734.13 of the Revised Code, as the director 50983  
considers necessary or appropriate, directing ~~the owner or~~ 50984  
~~operator of the landfill, or, in the instance of a closed~~ 50985  
~~landfill, the owner or operator of the landfill, or the subsequent~~ 50986  
~~owner, lessee, or other person who has control of the land on~~ 50987  
~~which the closed landfill is located,~~ any responsible party to 50988  
perform such measures as the director considers necessary or 50989  
appropriate, to abate or minimize the formation of explosive gases 50990  
or their migration off the premises of the ~~landfill~~ facility, to 50991  
abate or remedy any conditions caused by the formation and 50992  
migration of such gases that ~~endanger~~ threaten human health or 50993  
safety or the environment and to take such actions as the director 50994  
finds necessary or appropriate to prevent recurrence of the 50995  
migration of explosive gases or decrease their concentration to 50996  
levels set forth in division (C) of this section. 50997

After the issuance of an order under this division, the 50998  
director shall inspect the ~~landfill at least once each week, or~~ 50999  
facility at such ~~other~~ intervals as the director or ~~his~~ an 51000  
authorized representative of the director considers necessary or 51001  
appropriate, to ascertain compliance with the order until such 51002  
time as the director determines that full compliance with those 51003  
terms and conditions has been achieved. 51004

If a report submitted pursuant to a plan approved under 51005  
division (A) of this section indicates that the formation of 51006  
explosive gases at, and migration of explosive gases from, a 51007  
~~landfill~~ solid waste disposal facility that is subject to an order 51008  
issued under division (D) of this section has recurred in such 51009  
quantities or under such conditions as to threaten human health or 51010  
safety or the environment, or if the director determines from an 51011  
inspection of any such ~~landfill~~ facility that the ~~owner or~~ 51012  
~~operator of the landfill, or, in the instance of a closed~~ 51013  
~~landfill, the owner or operator of the landfill, or the subsequent~~ 51014  
~~owner, lessee, or other person who has control of the land on~~ 51015  
~~which the closed landfill is located,~~ responsible party has 51016  
violated or is violating a term or condition of the order or that 51017  
measures in addition to those prescribed by the order are 51018  
necessary or appropriate under the circumstances, the director 51019  
shall take such actions under division (A), (B), or (C) of section 51020  
3734.13 of the Revised Code as ~~he~~ the director considers necessary 51021  
or appropriate to protect human health or safety or the 51022  
environment. 51023

(E) The director shall conduct random inspections of licensed 51024  
and closed sanitary landfills for explosive gas levels and to 51025  
monitor the accuracy of the reports submitted pursuant to plans 51026  
approved under division (A) of this section. 51027

(F) The director shall adopt rules under Chapter 119. of the 51028  
Revised Code prescribing standards for conducting the explosive 51029

gas monitoring required by division (A) of this section including, 51030  
without limitation, standards governing the numbers, locations, 51031  
and design and construction of monitoring wells; quality control 51032  
procedures to be followed by persons conducting those evaluations 51033  
to ensure the accuracy of the monitoring; the frequency for 51034  
sampling the monitoring wells, which shall be at least quarterly, 51035  
except as otherwise provided in this division; and the frequency 51036  
of reporting monitoring results to the director and board of 51037  
health. The rules shall require that, in the instance of closed 51038  
sanitary landfills, explosive gas monitoring be conducted for the 51039  
period of twenty years after closure or for such other period as 51040  
the director considers necessary or appropriate. Such explosive 51041  
gas monitoring shall be conducted quarterly during each of the 51042  
five years immediately following closure of the landfills and 51043  
semiannually thereafter. If such semiannual sampling shows that 51044  
the methane limits set in division (C) of this section are 51045  
exceeded, sampling may be resumed at a frequency determined by the 51046  
director. 51047

(G) The director or the director's authorized representative 51048  
may enter upon a solid waste disposal facility or a closed solid 51049  
waste disposal facility to conduct an evaluation of the 51050  
concentration of explosive gas generated at or migrating from the 51051  
facility. The owner or operator of a solid waste disposal facility 51052  
or closed solid waste disposal facility shall allow the director 51053  
or representative to conduct such an evaluation of the facility, 51054  
any structures within the boundary of the facility, and any 51055  
occupied structures in close proximity to the boundary of the 51056  
facility that are owned or controlled by the owner or operator. 51057

(H) The remedy provided by division (D) of this section is 51058  
cumulative and concurrent with any other remedy provided in this 51059  
chapter or Chapter 3704. of the Revised Code, and the existence or 51060  
exercise of one remedy does not prevent the exercise of any other. 51061

**Sec. 3734.05.** (A)(1) Except as provided in divisions (A)~~(4)~~, 51062  
~~(8)~~,(6) and ~~(9)~~(7) of this section, no person shall operate or 51063  
maintain a solid waste facility without a license issued under 51064  
this division by the board of health of the health district in 51065  
which the facility is located or by the director of environmental 51066  
protection when the health district in which the facility is 51067  
located is not on the approved list under section 3734.08 of the 51068  
Revised Code. 51069

During the month of December, but before the first day of 51070  
January of the next year, every person proposing to continue to 51071  
operate an existing solid waste facility shall procure a license 51072  
under this division to operate the facility for that year from the 51073  
board of health of the health district in which the facility is 51074  
located or, if the health district is not on the approved list 51075  
under section 3734.08 of the Revised Code, from the director. The 51076  
application for such a license shall be submitted to the board of 51077  
health or to the director, as appropriate, on or before the last 51078  
day of September of the year preceding that for which the license 51079  
is sought. In addition to the application fee prescribed in 51080  
division (A)(2) of this section, a person who submits an 51081  
application after that date shall pay an additional ten per cent 51082  
of the amount of the application fee for each week that the 51083  
application is late. Late payment fees accompanying an application 51084  
submitted to the board of health shall be credited to the special 51085  
fund of the health district created in division (B) of section 51086  
3734.06 of the Revised Code, and late payment fees accompanying an 51087  
application submitted to the director shall be credited to the 51088  
general revenue fund. A person who has received a license, upon 51089  
sale or disposition of a solid waste facility, and upon consent of 51090  
the board of health and the director, may have the license 51091  
transferred to another person. The board of health or the director 51092  
may include such terms and conditions in a license or revision to 51093

a license as are appropriate to ensure compliance with this 51094  
chapter and rules adopted under it. The terms and conditions may 51095  
establish the authorized maximum daily waste receipts for the 51096  
facility. Limitations on maximum daily waste receipts shall be 51097  
specified in cubic yards of volume for the purpose of regulating 51098  
the design, construction, and operation of solid waste facilities. 51099  
Terms and conditions included in a license or revision to a 51100  
license by a board of health shall be consistent with, and pertain 51101  
only to the subjects addressed in, the rules adopted under 51102  
division (A) of section 3734.02 and division (D) of section 51103  
3734.12 of the Revised Code. 51104

(2)(a) Except as provided in divisions (A)(2)(b), ~~(8)(6)~~, and 51105  
~~(9)(7)~~ of this section, each person proposing to open a new solid 51106  
waste facility or to modify an existing solid waste facility shall 51107  
submit an application for a permit with accompanying detail plans 51108  
and specifications to the environmental protection agency for 51109  
required approval under the rules adopted by the director pursuant 51110  
to division (A) of section 3734.02 of the Revised Code and 51111  
applicable rules adopted under division (D) of section 3734.12 of 51112  
the Revised Code at least two hundred seventy days before proposed 51113  
operation of the facility and shall concurrently make application 51114  
for the issuance of a license under division (A)(1) of this 51115  
section with the board of health of the health district in which 51116  
the proposed facility is to be located. 51117

(b) On and after the effective date of the rules adopted 51118  
under division (A) of section 3734.02 of the Revised Code and 51119  
division (D) of section 3734.12 of the Revised Code governing 51120  
solid waste transfer facilities, each person proposing to open a 51121  
new solid waste transfer facility or to modify an existing solid 51122  
waste transfer facility shall submit an application for a permit 51123  
with accompanying engineering detail plans, specifications, and 51124  
information regarding the facility and its method of operation to 51125

the environmental protection agency for required approval under 51126  
those rules at least two hundred seventy days before commencing 51127  
proposed operation of the facility and concurrently shall make 51128  
application for the issuance of a license under division (A)(1) of 51129  
this section with the board of health of the health district in 51130  
which the facility is located or proposed. 51131

(c) Each application for a permit under division (A)(2)(a) or 51132  
(b) of this section shall be accompanied by a nonrefundable 51133  
application fee of four hundred dollars that shall be credited to 51134  
the general revenue fund. Each application for an annual license 51135  
under division (A)(1) or (2) of this section shall be accompanied 51136  
by a nonrefundable application fee of one hundred dollars. If the 51137  
application for an annual license is submitted to a board of 51138  
health on the approved list under section 3734.08 of the Revised 51139  
Code, the application fee shall be credited to the special fund of 51140  
the health district created in division (B) of section 3734.06 of 51141  
the Revised Code. If the application for an annual license is 51142  
submitted to the director, the application fee shall be credited 51143  
to the general revenue fund. If a permit or license is issued, the 51144  
amount of the application fee paid shall be deducted from the 51145  
amount of the permit fee due under division (Q) of section 3745.11 51146  
of the Revised Code or the amount of the license fee due under 51147  
division (A)(1), (2), (3), (4), or (5) of section 3734.06 of the 51148  
Revised Code. 51149

(d) As used in divisions (A)(2)(d), (e), and (f) of this 51150  
section, "modify" means any of the following: 51151

(i) Any increase of more than ten per cent in the total 51152  
capacity of a solid waste facility; 51153

(ii) Any expansion of the limits of solid waste placement at 51154  
a solid waste facility; 51155

(iii) Any increase in the depth of excavation at a solid 51156

waste facility; 51157

(iv) Any change in the technique of waste receipt or type of 51158  
waste received at a solid waste facility that may endanger human 51159  
health, as determined by the director by rules adopted in 51160  
accordance with Chapter 119. of the Revised Code. 51161

Not later than forty-five days after submitting an 51162  
application under division (A)(2)(a) or (b) of this section for a 51163  
permit to open a new or modify an existing solid waste facility, 51164  
the applicant, in conjunction with an officer or employee of the 51165  
environmental protection agency, shall hold a public meeting on 51166  
the application within the county in which the new or modified 51167  
solid waste facility is or is proposed to be located or within a 51168  
contiguous county. Not less than thirty days before holding the 51169  
public meeting on the application, the applicant shall publish 51170  
notice of the meeting in each newspaper of general circulation 51171  
that is published in the county in which the facility is or is 51172  
proposed to be located. If no newspaper of general circulation is 51173  
published in the county, the applicant shall publish the notice in 51174  
a newspaper of general circulation in the county. The notice shall 51175  
contain the date, time, and location of the public meeting and a 51176  
general description of the proposed new or modified facility. Not 51177  
later than five days after publishing the notice, the applicant 51178  
shall send by certified mail a copy of the notice and the date the 51179  
notice was published to the director and the legislative authority 51180  
of each municipal corporation, township, and county, and to the 51181  
chief executive officer of each municipal corporation, in which 51182  
the facility is or is proposed to be located. At the public 51183  
meeting, the applicant shall provide information and describe the 51184  
application and respond to comments or questions concerning the 51185  
application, and the officer or employee of the agency shall 51186  
describe the permit application process. At the public meeting, 51187  
any person may submit written or oral comments on or objections to 51188

the application. Not more than thirty days after the public 51189  
meeting, the applicant shall provide the director with a copy of a 51190

or other materials presented by the applicant at the meeting, and 51192  
the original copy of any written comments submitted at the 51193  
meeting. 51194

(e) Except as provided in division (A)(2)(f) of this section, 51195  
prior to taking an action, other than a proposed or final denial, 51196  
upon an application submitted under division (A)(2)(a) of this 51197  
section for a permit to open a new or modify an existing solid 51198  
waste facility, the director shall hold a public information 51199  
session and a public hearing on the application within the county 51200  
in which the new or modified solid waste facility is or is 51201  
proposed to be located or within a contiguous county. If the 51202  
application is for a permit to open a new solid waste facility, 51203  
the director shall hold the hearing not less than fourteen days 51204  
after the information session. If the application is for a permit 51205  
to modify an existing solid waste facility, the director may hold 51206  
both the information session and the hearing on the same day 51207  
unless any individual affected by the application requests in 51208  
writing that the information session and the hearing not be held 51209  
on the same day, in which case the director shall hold the hearing 51210  
not less than fourteen days after the information session. The 51211  
director shall publish notice of the public information session or 51212  
public hearing not less than thirty days before holding the 51213  
information session or hearing, as applicable. The notice shall be 51214  
published in each newspaper of general circulation that is 51215  
published in the county in which the facility is or is proposed to 51216  
be located. If no newspaper of general circulation is published in 51217  
the county, the director shall publish the notice in a newspaper 51218  
of general circulation in the county. The notice shall contain the 51219  
date, time, and location of the information session or hearing, as 51220  
applicable, and a general description of the proposed new or 51221

modified facility. At the public information session, an officer 51222  
or employee of the environmental protection agency shall describe 51223  
the status of the permit application and be available to respond 51224  
to comments or questions concerning the application. At the public 51225  
hearing, any person may submit written or oral comments on or 51226  
objections to the approval of the application. The applicant, or a 51227  
representative of the applicant who has knowledge of the location, 51228  
construction, and operation of the facility, shall attend the 51229  
information session and public hearing to respond to comments or 51230  
questions concerning the facility directed to the applicant or 51231  
representative by the officer or employee of the environmental 51232  
protection agency presiding at the information session and 51233  
hearing. 51234

(f) The solid waste management policy committee of a county 51235  
or joint solid waste management district may adopt a resolution 51236  
requesting expeditious consideration of a specific application 51237  
submitted under division (A)(2)(a) of this section for a permit to 51238  
modify an existing solid waste facility within the district. The 51239  
resolution shall make the finding that expedited consideration of 51240  
the application without the public information session and public 51241  
hearing under division (A)(2)(e) of this section is in the public 51242  
interest and will not endanger human health, as determined by the 51243  
director by rules adopted in accordance with Chapter 119. of the 51244  
Revised Code. Upon receiving such a resolution, the director, at 51245  
the director's discretion, may issue a final action upon the 51246  
application without holding a public information session or public 51247  
hearing pursuant to division (A)(2)(e) of this section. 51248

(3) ~~Except as provided in division (A)(10) of this section,~~ 51249  
~~and unless the owner or operator of any solid waste facility,~~ 51250  
~~other than a solid waste transfer facility or a compost facility~~ 51251

~~commenced operation on or before July 1, 1968, has obtained an~~ 51253

~~exemption from the requirements of division (A)(3) of this section 51254  
in accordance with division (G) of section 3734.02 of the Revised 51255  
Code, the owner or operator shall submit to the director an 51256  
application for a permit with accompanying engineering detail 51257  
plans, specifications, and information regarding the facility and 51258  
its method of operation for approval under rules adopted under 51259  
division (A) of section 3734.02 of the Revised Code and applicable 51260  
rules adopted under division (D) of section 3734.12 of the Revised 51261  
Code in accordance with the following schedule: 51262~~

engineering plans, specifications, and information submitted under 51320  
division (A)~~(5)~~(3) of this section within one hundred eighty days 51321  
after receiving them. If the director ~~denies any such permit~~ 51322  
~~application, the~~ issues an order denying the application or 51323  
disapproving the plans, specifications, and information submitted 51324  
under division (A)(3) of this section, the order shall include all 51325  
of the following requirements that: 51326

(a) That the owner or operator submit a plan for closure and 51327  
post-closure care of the facility to the director for approval 51328  
within six months after issuance of the order<sub>7i</sub> 51329

(b) That the owner or operator cease accepting solid wastes 51330  
for disposal or transfer at the facility<sub>7i</sub> and 51331

(c) The owner or operator commence closure of the facility 51332  
not later than one year after issuance of the order. ~~If~~ 51333

If the director determines that closure of the facility 51334  
within that one-year period would result in the unavailability of 51335  
sufficient solid waste management facility capacity within the 51336  
county or joint solid waste management district in which the 51337  
facility is located to dispose of or transfer the solid waste 51338  
generated within the district, the director in the order of ~~denial~~ 51339  
~~or~~ disapproval may postpone commencement of closure of the 51340  
facility for such period of time as the director finds necessary 51341  
for the board of county commissioners or directors of the district 51342  
to secure access to or for there to be constructed within the 51343  
district sufficient solid waste management facility capacity to 51344  
meet the needs of the district, provided that the director shall 51345  
certify in the director's order that postponing the date for 51346  
commencement of closure will not endanger ground water or any 51347

property surrounding the facility, allow methane gas migration to occur, or cause or contribute to any other type of environmental damage. 51348  
51349  
51350

If an emergency need for disposal capacity that may affect public health and safety exists as a result of closure of a facility under division (A)~~(6)~~(4) of this section, the director may issue an order designating another solid waste facility to accept the wastes that would have been disposed of at the facility to be closed. 51351

51353  
51354  
51355  
51356

~~(7)~~(5) If the director determines that standards more stringent than those applicable in rules adopted under division (A) of section 3734.02 of the Revised Code and division (D) of section 3734.12 of the Revised Code, or standards pertaining to subjects not specifically addressed by those rules, are necessary to ensure that a solid waste facility constructed at the proposed location will not cause a nuisance, cause or contribute to water pollution, or endanger public health or safety, the director may issue a permit for the facility with such terms and conditions as the director finds necessary to protect public health and safety and the environment. If a permit is issued, the director shall state in the order issuing it the specific findings supporting each such term or condition. 51357

~~(9)(7)~~ Divisions (A)(1) to ~~(7)(5)~~ of this section do not 51380  
apply to scrap tire collection, storage, monocell, monofill, and 51381  
recovery facilities. The approval of plans and specifications, as 51382  
applicable, and the issuance of registration certificates, 51383  
permits, and licenses for those facilities are subject to sections 51384  
3734.75 to 3734.78 of the Revised Code, as applicable, and section 51385  
3734.81 of the Revised Code. 51386

~~(10) Divisions (A)(3) and (4) of this section do not apply to 51387  
a solid waste incinerator that was placed into operation on or 51388  
before October 12, 1994, and that is not authorized to accept and 51389  
treat infectious wastes pursuant to division (B) of this section. 51390~~

(B)(1) No person shall operate or maintain an infectious 51391  
waste treatment facility without a license issued by the board of 51392  
health of the health district in which the facility is located or 51393  
by the director when the health district in which the facility is 51394  
located is not on the approved list under section 3734.08 of the 51395  
Revised Code. 51396

(2)(a) During the month of December, but before the first day 51397  
of January of the next year, every person proposing to continue to 51398  
operate an existing infectious waste treatment facility shall 51399  
procure a license to operate the facility for that year from the 51400  
board of health of the health district in which the facility is 51401  
located or, if the health district is not on the approved list 51402  
under section 3734.08 of the Revised Code, from the director. The 51403  
application for such a license shall be submitted to the board of 51404  
health or to the director, as appropriate, on or before the last 51405  
day of September of the year preceding that for which the license 51406  
is sought. In addition to the application fee prescribed in 51407  
division (B)(2)(c) of this section, a person who submits an 51408  
application after that date shall pay an additional ten per cent 51409  
of the amount of the application fee for each week that the 51410  
application is late. Late payment fees accompanying an application 51411

submitted to the board of health shall be credited to the special 51412  
infectious waste fund of the health district created in division 51413  
(C) of section 3734.06 of the Revised Code, and late payment fees 51414  
accompanying an application submitted to the director shall be 51415  
credited to the general revenue fund. A person who has received a 51416  
license, upon sale or disposition of an infectious waste treatment 51417  
facility and upon consent of the board of health and the director, 51418  
may have the license transferred to another person. The board of 51419  
health or the director may include such terms and conditions in a 51420  
license or revision to a license as are appropriate to ensure 51421  
compliance with the infectious waste provisions of this chapter 51422  
and rules adopted under them. 51423

(b) Each person proposing to open a new infectious waste 51424  
treatment facility or to modify an existing infectious waste 51425  
treatment facility shall submit an application for a permit with 51426  
accompanying detail plans and specifications to the environmental 51427  
protection agency for required approval under the rules adopted by 51428  
the director pursuant to section 3734.021 of the Revised Code two 51429  
hundred seventy days before proposed operation of the facility and 51430  
concurrently shall make application for a license with the board 51431  
of health of the health district in which the facility is or is 51432  
proposed to be located. Not later than ninety days after receiving 51433  
a complete application under division (B)(2)(b) of this section 51434  
for a permit to open a new infectious waste treatment facility or 51435  
modify an existing infectious waste treatment facility to expand 51436  
its treatment capacity, or receiving a complete application under 51437  
division (A)(2)(a) of this section for a permit to open a new 51438  
solid waste incineration facility, or modify an existing solid 51439  
waste incineration facility to also treat infectious wastes or to 51440  
increase its infectious waste treatment capacity, that pertains to 51441  
a facility for which a notation authorizing infectious waste 51442  
treatment is included or proposed to be included in the solid 51443  
waste incineration facility's license pursuant to division (B)(3) 51444

of this section, the director shall hold a public hearing on the application within the county in which the new or modified infectious waste or solid waste facility is or is proposed to be located or within a contiguous county. Not less than thirty days before holding the public hearing on the application, the director shall publish notice of the hearing in each newspaper that has general circulation and that is published in the county in which the facility is or is proposed to be located. If there is no newspaper that has general circulation and that is published in the county, the director shall publish the notice in a newspaper of general circulation in the county. The notice shall contain the date, time, and location of the public hearing and a general description of the proposed new or modified facility. At the public hearing, any person may submit written or oral comments on or objections to the approval or disapproval of the application. The applicant, or a representative of the applicant who has knowledge of the location, construction, and operation of the facility, shall attend the public hearing to respond to comments or questions concerning the facility directed to the applicant or representative by the officer or employee of the environmental protection agency presiding at the hearing.

(c) Each application for a permit under division (B)(2)(b) of this section shall be accompanied by a nonrefundable application fee of four hundred dollars that shall be credited to the general revenue fund. Each application for an annual license under division (B)(2)(a) of this section shall be accompanied by a nonrefundable application fee of one hundred dollars. If the application for an annual license is submitted to a board of health on the approved list under section 3734.08 of the Revised Code, the application fee shall be credited to the special infectious waste fund of the health district created in division (C) of section 3734.06 of the Revised Code. If the application for an annual license is submitted to the director, the application

fee shall be credited to the general revenue fund. If a permit or 51478  
license is issued, the amount of the application fee paid shall be 51479  
deducted from the amount of the permit fee due under division (Q) 51480  
of section 3745.11 of the Revised Code or the amount of the 51481  
license fee due under division (C) of section 3734.06 of the 51482  
Revised Code. 51483

(d) The director may issue an order in accordance with 51484  
Chapter 3745. of the Revised Code to the owner or operator of an 51485  
infectious waste treatment facility requiring the person to submit 51486  
to the director updated engineering detail plans, specifications, 51487  
and information regarding the facility and its method of operation 51488  
for approval under rules adopted under section 3734.021 of the 51489  
Revised Code if, in the director's judgment, conditions at the 51490  
facility constitute a substantial threat to public health or 51491  
safety or are causing or contributing to or threatening to cause 51492  
or contribute to air or water pollution or soil contamination. Any 51493  
person who receives such an order shall submit the updated 51494  
engineering detail plans, specifications, and information to the 51495  
director within one hundred eighty days after the effective date 51496  
of the order. 51497

(e) The director shall act on any updated engineering plans, 51498  
specifications, and information submitted under division (B)(2)(d) 51499  
of this section within one hundred eighty days after receiving 51500  
them. If the director disapproves any such updated engineering 51501  
plans, specifications, and information, the director shall include 51502  
in the order disapproving the plans the requirement that the owner 51503  
or operator cease accepting infectious wastes for treatment at the 51504  
facility. 51505

(3) Division (B) of this section does not apply to a 51506  
generator of infectious wastes that meets any of the following 51507  
conditions: 51508

(a) Treats, by methods, techniques, and practices established 51509

by rules adopted under division (B)(2)(a) of section 3734.021 of 51510  
the Revised Code, any of the following wastes: 51511

(i) Infectious wastes that are generated on any premises that 51512  
are owned or operated by the generator; 51513

(ii) Infectious wastes that are generated by a generator who 51514  
has staff privileges at a hospital as defined in section 3727.01 51515  
of the Revised Code; 51516

(iii) Infectious wastes that are generated in providing care 51517  
to a patient by an emergency medical services organization as 51518  
defined in section 4765.01 of the Revised Code. 51519

(b) Holds a license or renewal of a license to operate a 51520  
crematory facility issued under Chapter 4717. and a permit issued 51521  
under Chapter 3704. of the Revised Code; 51522

(c) Treats or disposes of dead animals or parts thereof, or 51523  
the blood of animals, and is subject to any of the following: 51524

(i) Inspection under the "Federal Meat Inspection Act," 81 51525  
Stat. 584 (1967), 21 U.S.C.A. 603, as amended; 51526

(ii) Chapter 918. of the Revised Code; 51527

(iii) Chapter 953. of the Revised Code. 51528

Nothing in division (B) of this section requires a facility 51529  
that holds a license issued under division (A) of this section as 51530  
a solid waste facility and that also treats infectious wastes by 51531  
the same method, technique, or process to obtain a license under 51532  
division (B) of this section as an infectious waste treatment 51533  
facility. However, the solid waste facility license for the 51534  
facility shall include the notation that the facility also treats 51535  
infectious wastes. 51536

The director shall not issue a permit to open a new solid 51537  
waste incineration facility unless the proposed facility complies 51538  
with the requirements for the location of new infectious waste 51539

incineration facilities established in rules adopted under 51540  
division (B)(2)(b) of section 3734.021 of the Revised Code. 51541

(C) Except for a facility or activity described in division 51542  
(E)(3) of section 3734.02 of the Revised Code, a person who 51543  
proposes to establish or operate a hazardous waste facility shall 51544  
submit a complete application for a hazardous waste facility 51545  
installation and operation permit and accompanying detail plans, 51546  
specifications, and such information as the director may require 51547  
to the environmental protection agency at least one hundred eighty 51548  
days before the proposed beginning of operation of the facility. 51549  
The applicant shall notify by certified mail the legislative 51550  
authority of each municipal corporation, township, and county in 51551  
which the facility is proposed to be located of the submission of 51552  
the application within ten days after the submission or at such 51553  
earlier time as the director may establish by rule. If the 51554  
application is for a proposed new hazardous waste disposal or 51555  
thermal treatment facility, the applicant also shall give actual 51556  
notice of the general design and purpose of the facility to the 51557  
legislative authority of each municipal corporation, township, and 51558  
county in which the facility is proposed to be located at least 51559  
ninety days before the permit application is submitted to the 51560  
environmental protection agency. 51561

In accordance with rules adopted under section 3734.12 of the 51562  
Revised Code, prior to the submission of a complete application 51563  
for a hazardous waste facility installation and operation permit, 51564  
the applicant shall hold at least one meeting in the township or 51565  
municipal corporation in which the facility is proposed to be 51566  
located, whichever is geographically closer to the proposed 51567  
location of the facility. The meeting shall be open to the public 51568  
and shall be held to inform the community of the proposed 51569  
hazardous waste management activities and to solicit questions 51570  
from the community concerning the activities. 51571

(D)(1) Except as provided in section 3734.123 of the Revised Code, upon receipt of a complete application for a hazardous waste facility installation and operation permit under division (C) of this section, the director shall consider the application and accompanying information to determine whether the application complies with agency rules and the requirements of division (D)(2) of this section. After making a determination, the director shall issue either a draft permit or a notice of intent to deny the permit. The director, in accordance with rules adopted under section 3734.12 of the Revised Code or with rules adopted to implement Chapter 3745. of the Revised Code, shall provide public notice of the application and the draft permit or the notice of intent to deny the permit, provide an opportunity for public comments, and, if significant interest is shown, schedule a public meeting in the county in which the facility is proposed to be located and give public notice of the date, time, and location of the public meeting in a newspaper of general circulation in that county.

(2) The director shall not approve an application for a hazardous waste facility installation and operation permit or an application for a modification under division (I)(3) of this section unless the director finds and determines as follows:

(a) The nature and volume of the waste to be treated, stored, or disposed of at the facility;

(b) That the facility complies with the director's hazardous waste standards adopted pursuant to section 3734.12 of the Revised Code;

(c) That the facility represents the minimum adverse environmental impact, considering the state of available technology and the nature and economics of various alternatives, and other pertinent considerations;

(d) That the facility represents the minimum risk of all of the following: 51603  
51604

(i) Fires or explosions from treatment, storage, or disposal methods; 51605  
51606

(ii) Release of hazardous waste during transportation of hazardous waste to or from the facility; 51607  
51608

(iii) Adverse impact on the public health and safety. 51609

(e) That the facility will comply with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them; 51610  
51611  
51612

(f) That if the owner of the facility, the operator of the facility, or any other person in a position with the facility from which the person may influence the installation and operation of the facility has been involved in any prior activity involving transportation, treatment, storage, or disposal of hazardous waste, that person has a history of compliance with this chapter and Chapters 3704. and 6111. of the Revised Code and all rules and standards adopted under them, the "Resource Conservation and Recovery Act of 1976," 90 Stat. 2806, 42 U.S.C.A. 6921, as amended, and all regulations adopted under it, and similar laws and rules of other states if any such prior operation was located in another state that demonstrates sufficient reliability, expertise, and competency to operate a hazardous waste facility under the applicable provisions of this chapter and Chapters 3704. and 6111. of the Revised Code, the applicable rules and standards adopted under them, and terms and conditions of a hazardous waste facility installation and operation permit, given the potential for harm to the public health and safety and the environment that could result from the irresponsible operation of the facility. For off-site facilities, as defined in section 3734.41 of the Revised Code, the director may use the investigative reports of the 51613

attorney general prepared pursuant to section 3734.42 of the Revised Code as a basis for making a finding and determination under division (D)(2)(f) of this section.

(g) That the active areas within a new hazardous waste facility where acute hazardous waste as listed in 40 C.F.R. 261.33 (e), as amended, or organic waste that is toxic and is listed under 40 C.F.R. 261, as amended, is being stored, treated, or disposed of and where the aggregate of the storage design capacity and the disposal design capacity of all hazardous waste in those areas is greater than two hundred fifty thousand gallons, are not located or operated within any of the following:

(i) Two thousand feet of any residence, school, hospital, jail, or prison;

(ii) Any naturally occurring wetland;

(iii) Any flood hazard area if the applicant cannot show that the facility will be designed, constructed, operated, and maintained to prevent washout by a one-hundred-year flood.

Division (D)(2)(g) of this section does not apply to the facility of any applicant who demonstrates to the director that the limitations specified in that division are not necessary because of the nature or volume of the waste and the manner of management applied, the facility will impose no substantial danger to the health and safety of persons occupying the structures listed in division (D)(2)(g)(i) of this section, and the facility is to be located or operated in an area where the proposed hazardous waste activities will not be incompatible with existing land uses in the area.

(h) That the facility will not be located within the boundaries of a state park established or dedicated under Chapter 1546. of the Revised Code, a state park purchase area established under section 1546.06 of the Revised Code, any unit of the

national park system, or any property that lies within the 51665  
boundaries of a national park or recreation area, but that has not 51666  
been acquired or is not administered by the secretary of the 51667  
United States department of the interior, located in this state, 51668  
or any candidate area located in this state identified for 51669  
potential inclusion in the national park system in the edition of 51670  
the "national park system plan" submitted under paragraph (b) of 51671  
section 8 of "The Act of August 18, 1970," 84 Stat. 825, 16 51672  
U.S.C.A. 1a-5, as amended, current at the time of filing of the 51673  
application for the permit, unless the facility will be used 51674  
exclusively for the storage of hazardous waste generated within 51675  
the park or recreation area in conjunction with the operation of 51676  
the park or recreation area. Division (D)(2)(h) of this section 51677  
does not apply to the facility of any applicant for modification 51678  
of a permit unless the modification application proposes to 51679  
increase the land area included in the facility or to increase the 51680  
quantity of hazardous waste that will be treated, stored, or 51681  
disposed of at the facility. 51682

(3) Not later than one hundred eighty days after the end of 51683  
the public comment period, the director, without prior hearing, 51684  
shall issue or deny the permit in accordance with Chapter 3745. of 51685  
the Revised Code. If the director approves an application for a 51686  
hazardous waste facility installation and operation permit, the 51687  
director shall issue the permit, upon such terms and conditions as 51688  
the director finds are necessary to ensure the construction and 51689  
operation of the hazardous waste facility in accordance with the 51690  
standards of this section. 51691

(E) No political subdivision of this state shall require any 51692  
additional zoning or other approval, consent, permit, certificate, 51693  
or condition for the construction or operation of a hazardous 51694  
waste facility authorized by a hazardous waste facility 51695  
installation and operation permit issued pursuant to this chapter, 51696

nor shall any political subdivision adopt or enforce any law, 51697  
ordinance, or rule that in any way alters, impairs, or limits the 51698  
authority granted in the permit. 51699

(F) The director may issue a single hazardous waste facility 51700  
installation and operation permit to a person who operates two or 51701  
more adjoining facilities where hazardous waste is stored, 51702  
treated, or disposed of if the application includes detail plans, 51703  
specifications, and information on all facilities. For the 51704  
purposes of this section, "adjoining" means sharing a common 51705  
boundary, separated only by a public road, or in such proximity 51706  
that the director determines that the issuance of a single permit 51707  
will not create a hazard to the public health or safety or the 51708  
environment. 51709

(G) No person shall falsify or fail to keep or submit any 51710  
plans, specifications, data, reports, records, manifests, or other 51711  
information required to be kept or submitted to the director by 51712  
this chapter or the rules adopted under it. 51713

(H)(1) Each person who holds an installation and operation 51714  
permit issued under this section and who wishes to obtain a permit 51715  
renewal shall submit a completed application for an installation 51716  
and operation permit renewal and any necessary accompanying 51717  
general plans, detail plans, specifications, and such information 51718  
as the director may require to the director no later than one 51719  
hundred eighty days prior to the expiration date of the existing 51720  
permit or upon a later date prior to the expiration of the 51721  
existing permit if the permittee can demonstrate good cause for 51722  
the late submittal. The director shall consider the application 51723  
and accompanying information, inspection reports of the facility, 51724  
results of performance tests, a report regarding the facility's 51725  
compliance or noncompliance with the terms and conditions of its 51726  
permit and rules adopted by the director under this chapter, and 51727  
such other information as is relevant to the operation of the 51728

facility and shall issue a draft renewal permit or a notice of 51729  
intent to deny the renewal permit. The director, in accordance 51730  
with rules adopted under this section or with rules adopted to 51731  
implement Chapter 3745. of the Revised Code, shall give public 51732  
notice of the application and draft renewal permit or notice of 51733  
intent to deny the renewal permit, provide for the opportunity for 51734  
public comments within a specified time period, schedule a public 51735  
meeting in the county in which the facility is located if 51736  
significant interest is shown, and give public notice of the 51737  
public meeting. 51738

(2) Within sixty days after the public meeting or close of 51739  
the public comment period, the director, without prior hearing, 51740  
shall issue or deny the renewal permit in accordance with Chapter 51741  
3745. of the Revised Code. The director shall not issue a renewal 51742  
permit unless the director determines that the facility under the 51743  
existing permit has a history of compliance with this chapter, 51744  
rules adopted under it, the existing permit, or orders entered to 51745  
enforce such requirements that demonstrates sufficient 51746  
reliability, expertise, and competency to operate the facility 51747  
henceforth under this chapter, rules adopted under it, and the 51748  
renewal permit. If the director approves an application for a 51749  
renewal permit, the director shall issue the permit subject to the 51750  
payment of the annual permit fee required under division (E) of 51751  
section 3734.02 of the Revised Code and upon such terms and 51752  
conditions as the director finds are reasonable to ensure that 51753  
continued operation, maintenance, closure, and post-closure care 51754  
of the hazardous waste facility are in accordance with the rules 51755  
adopted under section 3734.12 of the Revised Code. 51756

(3) An installation and operation permit renewal application 51757  
submitted to the director that also contains or would constitute 51758  
an application for a modification shall be acted upon by the 51759  
director in accordance with division (I) of this section in the 51760

same manner as an application for a modification. In approving or 51761  
disapproving the renewal portion of a permit renewal application 51762  
containing an application for a modification, the director shall 51763  
apply the criteria established under division (H)(2) of this 51764  
section. 51765

(4) An application for renewal or modification of a permit 51766  
that does not contain an application for a modification as 51767  
described in divisions (I)(3)(a) to (d) of this section shall not 51768  
be subject to division (D)(2) of this section. 51769

(I)(1) As used in this section, "modification" means a change 51770  
or alteration to a hazardous waste facility or its operations that 51771  
is inconsistent with or not authorized by its existing permit or 51772  
authorization to operate. Modifications shall be classified as 51773  
Class 1, 2, or 3 modifications in accordance with rules adopted 51774  
under division (K) of this section. Modifications classified as 51775  
Class 3 modifications, in accordance with rules adopted under that 51776  
division, shall be further classified by the director as either 51777  
Class 3 modifications that are to be approved or disapproved by 51778  
the director under divisions (I)(3)(a) to (d) of this section or 51779  
as Class 3 modifications that are to be approved or disapproved by 51780  
the director under division (I)(5) of this section. Not later than 51781  
thirty days after receiving a request for a modification under 51782  
division (I)(4) of this section that is not listed in Appendix I 51783  
to 40 C.F.R. 270.42 or in rules adopted under division (K) of this 51784  
section, the director shall classify the modification and shall 51785  
notify the owner or operator of the facility requesting the 51786  
modification of the classification. Notwithstanding any other law 51787  
to the contrary, a modification that involves the transfer of a 51788  
hazardous waste facility installation and operation permit to a 51789  
new owner or operator for any off-site facility as defined in 51790  
section 3734.41 of the Revised Code shall be classified as a Class 51791  
3 modification. The transfer of a hazardous waste facility 51792

installation and operation permit to a new owner or operator for a 51793  
facility that is not an off-site facility shall be classified as a 51794  
Class 1 modification requiring prior approval of the director. 51795

(2) Except as provided in section 3734.123 of the Revised 51796  
Code, a hazardous waste facility installation and operation permit 51797  
may be modified at the request of the director or upon the written 51798  
request of the permittee only if any of the following applies: 51799

(a) The permittee desires to accomplish alterations, 51800  
additions, or deletions to the permitted facility or to undertake 51801  
alterations, additions, deletions, or activities that are 51802  
inconsistent with or not authorized by the existing permit; 51803

(b) New information or data justify permit conditions in 51804  
addition to or different from those in the existing permit; 51805

(c) The standards, criteria, or rules upon which the existing 51806  
permit is based have been changed by new, amended, or rescinded 51807  
standards, criteria, or rules, or by judicial decision after the 51808  
existing permit was issued, and the change justifies permit 51809  
conditions in addition to or different from those in the existing 51810  
permit; 51811

(d) The permittee proposes to transfer the permit to another 51812  
person. 51813

(3) The director shall approve or disapprove an application 51814  
for a modification in accordance with division (D)(2) of this 51815  
section and rules adopted under division (K) of this section for 51816  
all of the following categories of Class 3 modifications: 51817

(a) Authority to conduct treatment, storage, or disposal at a 51818  
site, location, or tract of land that has not been authorized for 51819  
the proposed category of treatment, storage, or disposal activity 51820  
by the facility's permit; 51821

(b) Modification or addition of a hazardous waste management 51822

unit, as defined in rules adopted under section 3734.12 of the Revised Code, that results in an increase in a facility's storage capacity of more than twenty-five per cent over the capacity authorized by the facility's permit, an increase in a facility's treatment rate of more than twenty-five per cent over the rate so authorized, or an increase in a facility's disposal capacity over the capacity so authorized. The authorized disposal capacity for a facility shall be calculated from the approved design plans for the disposal units at that facility. In no case during a five-year period shall a facility's storage capacity or treatment rate be modified to increase by more than twenty-five per cent in the aggregate without the director's approval in accordance with division (D)(2) of this section. Notwithstanding any provision of division (I) of this section to the contrary, a request for modification of a facility's annual total waste receipt limit shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(c) Authority to add any of the following categories of regulated activities not previously authorized at a facility by the facility's permit: storage at a facility not previously authorized to store hazardous waste, treatment at a facility not previously authorized to treat hazardous waste, or disposal at a facility not previously authorized to dispose of hazardous waste; or authority to add a category of hazardous waste management unit not previously authorized at the facility by the facility's permit. Notwithstanding any provision of division (I) of this section to the contrary, a request for authority to add or to modify an activity or a hazardous waste management unit for the purposes of performing a corrective action shall be classified and approved or disapproved by the director under division (I)(5) of this section.

(d) Authority to treat, store, or dispose of waste types

listed or characterized as reactive or explosive, in rules adopted 51855  
under section 3734.12 of the Revised Code, or any acute hazardous 51856  
waste listed in 40 C.F.R. 261.33(e), as amended, at a facility not 51857  
previously authorized to treat, store, or dispose of those types 51858  
of wastes by the facility's permit unless the requested authority 51859  
is limited to wastes that no longer exhibit characteristics 51860  
meeting the criteria for listing or characterization as reactive 51861  
or explosive wastes, or for listing as acute hazardous waste, but 51862  
still are required to carry those waste codes as established in 51863  
rules adopted under section 3734.12 of the Revised Code because of 51864  
the requirements established in 40 C.F.R. 261(a) and (e), as 51865  
amended, that is, the "mixture," "derived-from," or "contained-in" 51866  
regulations. 51867

(4) A written request for a modification from the permittee 51868  
shall be submitted to the director and shall contain such 51869  
information as is necessary to support the request. Requests for 51870  
modifications shall be acted upon by the director in accordance 51871  
with this section and rules adopted under it. 51872

(5) Class 1 modification applications that require prior 51873  
approval of the director, as provided in division (I)(1) of this 51874  
section or as determined in accordance with rules adopted under 51875  
division (K) of this section, Class 2 modification applications, 51876  
and Class 3 modification applications that are not described in 51877  
divisions (I)(3)(a) to (d) of this section shall be approved or 51878  
disapproved by the director in accordance with rules adopted under 51879  
division (K) of this section. The board of county commissioners of 51880  
the county, the board of township trustees of the township, and 51881  
the city manager or mayor of the municipal corporation in which a 51882  
hazardous waste facility is located shall receive notification of 51883  
any application for a modification for that facility and shall be 51884  
considered as interested persons with respect to the director's 51885  
consideration of the application. 51886

As used in division (I) of this section: 51887

(a) "Owner" means the person who owns a majority or 51888  
controlling interest in a facility. 51889

(b) "Operator" means the person who is responsible for the 51890  
overall operation of a facility. 51891

The director shall approve or disapprove an application for a 51892  
Class 1 modification that requires the director's approval within 51893  
sixty days after receiving the request for modification. The 51894  
director shall approve or disapprove an application for a Class 2 51895  
modification within three hundred days after receiving the request 51896  
for modification. The director shall approve or disapprove an 51897  
application for a Class 3 modification within three hundred 51898  
sixty-five days after receiving the request for modification. 51899

(6) The approval or disapproval by the director of a Class 1 51900  
modification application is not a final action that is appealable 51901  
under Chapter 3745. of the Revised Code. The approval or 51902  
disapproval by the director of a Class 2 modification or a Class 3 51903  
modification is a final action that is appealable under that 51904  
chapter. In approving or disapproving a request for a 51905  
modification, the director shall consider all comments pertaining 51906  
to the request that are received during the public comment period 51907  
and the public meetings. The administrative record for appeal of a 51908  
final action by the director in approving or disapproving a 51909

section in the same manner as a modification to a hazardous waste 51922  
facility installation and operation permit. 51923

date if the owner or operator demonstrates to the director good 51933  
cause for the late submittal. 51934

(a) If the owner or operator does not have a hazardous waste 51935  
facility installation and operation permit for any hazardous waste 51936  
treatment, storage, or disposal activities at the facility, the 51937

section 3734.44 of the Revised Code. The attorney general shall 52314  
provide the notification not later than thirty days after the 52315  
crime was ascertained. 52316

constitute the basis for the revocation of a permit or license, 52318  
the denial of a permit or license application, the denial of a 52319  
renewal of a permit or license, or the disapproval of a change in 52320

on-site solid waste facility, any operating on-site infectious 52341  
waste facility, or any operating on-site hazardous waste facility 52342  
and the prospective owner intends to operate the facility as an 52343  
off-site facility by accepting wastes other than wastes generated 52344  
by the facility owner, the prospective owner shall file a 52345  
disclosure statement with the attorney general and the director. 52346  
The prospective owner shall file the disclosure statement at least 52347  
one hundred eighty days prior to the proposed change in ownership. 52348

Upon receipt of the disclosure statement, the attorney 52349  
general shall prepare an investigative report and transmit it to 52350  
the director. The director shall review the disclosure statement 52351  
and investigative report to determine whether the statement or 52352

application would require a denial of the permit pursuant to 52354  
section 3734.44 of the Revised Code. If the director determines 52355  
that the statement or report contains such information, the 52356  
director shall disapprove the change in ownership. 52357

with the change prior to the action of the director on the 52359  
disclosure statement and investigative report, the parties shall 52360

include in all contracts or other documents reflecting the change 52361  
in ownership language expressly making the change in ownership 52362

change if it is disapproved by the director pursuant to division 52364  
(I)(1) of this section. 52365

(3) As used in this section, "change in ownership" includes a 52366  
change of the individuals or entities who own a solid waste 52367  
facility, infectious waste facility, or hazardous waste facility. 52368  
"Change in ownership" does not include a legal change in a 52369  
business concern's name when its ownership otherwise remains the 52370  
same. "Change in ownership" also does not include a personal name 52371  
change of officers, directors, partners, or key employees 52372  
contained in a disclosure statement. 52373

treasury to the credit of the hazardous waste facility management 52378  
fund created in section 3734.18 of the Revised Code and seventy 52379

through June 30, ~~2018~~ 2020, the proceeds of which shall be 52388

protection fund created in section 3745.015 of the Revised Code; 52390

In the case of solid wastes that are taken to a solid waste transfer facility located in this state prior to being transported for disposal at a solid waste disposal facility located in this state or outside of this state, the fees levied under this division shall be collected by the owner or operator of the transfer facility as a trustee for the state. The amount of fees required to be collected under this division at such a transfer facility shall equal the total tonnage of solid wastes received at the facility multiplied by the fees levied under this division. In the case of solid wastes that are not taken to a solid waste transfer facility located in this state prior to being transported to a solid waste disposal facility, the fees shall be collected by the owner or operator of the solid waste disposal facility as a trustee for the state. The amount of fees required to be collected under this division at such a disposal facility shall equal the total tonnage of solid wastes received at the facility that was not previously taken to a solid waste transfer facility located in this state multiplied by the fees levied under this division. Fees levied under this division do not apply to materials separated from a mixed waste stream for recycling by a generator or materials removed from the solid waste stream through recycling, as "recycling" is defined in rules adopted under section 3734.02 of the Revised Code.

The owner or operator of a solid waste transfer facility or disposal facility, as applicable, shall prepare and file with the director of environmental protection each month a return indicating the total tonnage of solid wastes received at the facility during that month and the total amount of the fees

required to be collected under this division during that month. In 52423  
addition, the owner or operator of a solid waste disposal facility 52424  
shall indicate on the return the total tonnage of solid wastes 52425  
received from transfer facilities located in this state during 52426  
that month for which the fees were required to be collected by the 52427  
transfer facilities. The monthly returns shall be filed on a form 52428  
prescribed by the director. Not later than thirty days after the 52429  
last day of the month to which a return applies, the owner or 52430  
operator shall mail to the director the return for that month 52431  
together with the fees required to be collected under this 52432  
division during that month as indicated on the return or may 52433  
submit the return and fees electronically in a manner approved by 52434  
the director. If the return is filed and the amount of the fees 52435  
due is paid in a timely manner as required in this division, the 52436  
owner or operator may retain a discount of three-fourths of one 52437  
per cent of the total amount of the fees that are required to be 52438  
paid as indicated on the return. 52439

The owner or operator may request an extension of not more 52440  
than thirty days for filing the return and remitting the fees, 52441  
provided that the owner or operator has submitted such a request 52442  
in writing to the director together with a detailed description of 52443  
why the extension is requested, the director has received the 52444  
request not later than the day on which the return is required to 52445  
be filed, and the director has approved the request. If the fees 52446  
are not remitted within thirty days after the last day of the 52447  
month to which the return applies or are not remitted by the last 52448  
day of an extension approved by the director, the owner or 52449  
operator shall not retain the three-fourths of one per cent 52450  
discount and shall pay an additional ten per cent of the amount of 52451  
the fees for each month that they are late. For purposes of 52452  
calculating the late fee, the first month in which fees are late 52453  
begins on the first day after the deadline has passed for timely 52454  
submitting the return and fees, and one additional month shall be 52455

counted every thirty days thereafter. 52456

The owner or operator of a solid waste facility may request a 52457  
refund or credit of fees levied under this division and remitted 52458  
to the director that have not been paid to the owner or operator. 52459  
Such a request shall be made only if the fees have not been 52460  
collected by the owner or operator, have become a debt that has 52461  
become worthless or uncollectable for a period of six months or 52462  
more, and may be claimed as a deduction, including a deduction 52463  
claimed if the owner or operator keeps accounts on an accrual 52464  
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 52465  
U.S.C. 166, as amended, and regulations adopted under it. Prior to 52466  
making a request for a refund or credit, an owner or operator 52467  
shall make reasonable efforts to collect the applicable fees. A 52468  
request for a refund or credit shall not include any costs 52469  
resulting from those efforts to collect unpaid fees. 52470

A request for a refund or credit of fees shall be made in 52471  
writing, on a form prescribed by the director, and shall be 52472  
supported by evidence that may be required in rules adopted by the 52473  
director under this chapter. After reviewing the request, and if 52474  
the request and evidence submitted with the request indicate that 52475  
a refund or credit is warranted, the director shall grant a refund 52476  
to the owner or operator or shall permit a credit to be taken by 52477  
the owner or operator on a subsequent monthly return submitted by 52478  
the owner or operator. The amount of a refund or credit shall not 52479  
exceed an amount that is equal to ninety days' worth of fees owed 52480  
to an owner or operator by a particular debtor of the owner or 52481  
operator. A refund or credit shall not be granted by the director 52482  
to an owner or operator more than once in any twelve-month period 52483  
for fees owed to the owner or operator by a particular debtor. 52484

If, after receiving a refund or credit from the director, an 52485  
owner or operator receives payment of all or part of the fees, the 52486  
owner or operator shall remit the fees with the next monthly 52487

return submitted to the director together with a written 52488  
explanation of the reason for the submittal. 52489

For purposes of computing the fees levied under this division 52490  
or division (B) of this section, any solid waste transfer or 52491  
disposal facility that does not use scales as a means of 52492  
determining gate receipts shall use a conversion factor of three 52493  
cubic yards per ton of solid waste or one cubic yard per ton for 52494  
baled waste, as applicable. 52495

The fees levied under this division and divisions (B) and (C) 52496  
of this section are in addition to all other applicable fees and 52497  
taxes and shall be paid by the customer or a political subdivision 52498  
to the owner or operator of a solid waste transfer or disposal 52499  
facility. In the alternative, the fees shall be paid by a customer 52500  
or political subdivision to a transporter of waste who 52501  
subsequently transfers the fees to the owner or operator of such a 52502  
facility. The fees shall be paid notwithstanding the existence of 52503  
any provision in a contract that the customer or a political 52504  
subdivision may have with the owner or operator or with a 52505  
transporter of waste to the facility that would not require or 52506  
allow such payment regardless of whether the contract was entered 52507  
prior to or after October 16, 2009. For those purposes, "customer" 52508  
means a person who contracts with, or utilizes the solid waste 52509  
services of, the owner or operator of a solid waste transfer or 52510  
disposal facility or a transporter of solid waste to such a 52511  
facility. 52512

(B) For the purposes specified in division (G) of this 52513  
section, the solid waste management policy committee of a county 52514  
or joint solid waste management district may levy fees upon the 52515  
following activities: 52516

(1) The disposal at a solid waste disposal facility located 52517  
in the district of solid wastes generated within the district; 52518

(2) The disposal at a solid waste disposal facility within 52519  
the district of solid wastes generated outside the boundaries of 52520  
the district, but inside this state; 52521

(3) The disposal at a solid waste disposal facility within 52522  
the district of solid wastes generated outside the boundaries of 52523  
this state. 52524

The solid waste management plan of the county or joint 52525  
district approved under section 3734.521 or 3734.55 of the Revised 52526  
Code and any amendments to it, or the resolution adopted under 52527  
this division, as appropriate, shall establish the rates of the 52528  
fees levied under divisions (B)(1), (2), and (3) of this section, 52529  
if any, and shall specify whether the fees are levied on the basis 52530  
of tons or cubic yards as the unit of measurement. A solid waste 52531  
management district that levies fees under this division on the 52532  
basis of cubic yards shall do so in accordance with division (A) 52533  
of this section. 52534

The fee levied under division (B)(1) of this section shall be 52535  
not less than one dollar per ton nor more than two dollars per 52536  
ton, the fee levied under division (B)(2) of this section shall be 52537  
not less than two dollars per ton nor more than four dollars per 52538  
ton, and the fee levied under division (B)(3) of this section 52539  
shall be not more than the fee levied under division (B)(1) of 52540  
this section. 52541

Prior to the approval of the solid waste management plan of a 52542  
district under section 3734.55 of the Revised Code, the solid 52543  
waste management policy committee of a district may levy fees 52544  
under this division by adopting a resolution establishing the 52545  
proposed amount of the fees. Upon adopting the resolution, the 52546  
committee shall deliver a copy of the resolution to the board of 52547  
county commissioners of each county forming the district and to 52548  
the legislative authority of each municipal corporation and 52549  
township under the jurisdiction of the district and shall prepare 52550

and publish the resolution and a notice of the time and location 52551  
where a public hearing on the fees will be held. Upon adopting the 52552  
resolution, the committee shall deliver written notice of the 52553  
adoption of the resolution; of the amount of the proposed fees; 52554  
and of the date, time, and location of the public hearing to the 52555  
director and to the fifty industrial, commercial, or institutional 52556  
generators of solid wastes within the district that generate the 52557  
largest quantities of solid wastes, as determined by the 52558  
committee, and to their local trade associations. The committee 52559  
shall make good faith efforts to identify those generators within 52560  
the district and their local trade associations, but the 52561  
nonprovision of notice under this division to a particular 52562  
generator or local trade association does not invalidate the 52563  
proceedings under this division. The publication shall occur at 52564  
least thirty days before the hearing. After the hearing, the 52565  
committee may make such revisions to the proposed fees as it 52566  
considers appropriate and thereafter, by resolution, shall adopt 52567  
the revised fee schedule. Upon adopting the revised fee schedule, 52568  
the committee shall deliver a copy of the resolution doing so to 52569  
the board of county commissioners of each county forming the 52570  
district and to the legislative authority of each municipal 52571  
corporation and township under the jurisdiction of the district. 52572  
Within sixty days after the delivery of a copy of the resolution 52573  
adopting the proposed revised fees by the policy committee, each 52574  
such board and legislative authority, by ordinance or resolution, 52575  
shall approve or disapprove the revised fees and deliver a copy of 52576  
the ordinance or resolution to the committee. If any such board or 52577  
legislative authority fails to adopt and deliver to the policy 52578  
committee an ordinance or resolution approving or disapproving the 52579  
revised fees within sixty days after the policy committee 52580  
delivered its resolution adopting the proposed revised fees, it 52581  
shall be conclusively presumed that the board or legislative 52582  
authority has approved the proposed revised fees. The committee 52583

shall determine if the resolution has been ratified in the same 52584  
manner in which it determines if a draft solid waste management 52585  
plan has been ratified under division (B) of section 3734.55 of 52586  
the Revised Code. 52587

The committee may amend the schedule of fees levied pursuant 52588  
to a resolution adopted and ratified under this division by 52589  
adopting a resolution establishing the proposed amount of the 52590  
amended fees. The committee may repeal the fees levied pursuant to 52591  
such a resolution by adopting a resolution proposing to repeal 52592  
them. Upon adopting such a resolution, the committee shall proceed 52593  
to obtain ratification of the resolution in accordance with this 52594  
division. 52595

Not later than fourteen days after declaring the new fees to 52596  
be ratified or the fees to be repealed under this division, the 52597  
committee shall notify by certified mail the owner or operator of 52598  
each solid waste disposal facility that is required to collect the 52599  
fees of the ratification and the amount of the fees or of the 52600  
repeal of the fees. Collection of any fees shall commence or 52601  
collection of repealed fees shall cease on the first day of the 52602  
second month following the month in which notification is sent to 52603  
the owner or operator. 52604

Fees levied under this division also may be established, 52605  
amended, or repealed by a solid waste management policy committee 52606  
through the adoption of a new district solid waste management 52607  
plan, the adoption of an amended plan, or the amendment of the 52608  
plan or amended plan in accordance with sections 3734.55 and 52609  
3734.56 of the Revised Code or the adoption or amendment of a 52610  
district plan in connection with a change in district composition 52611  
under section 3734.521 of the Revised Code. 52612

Not later than fourteen days after the director issues an 52613  
order approving a district's solid waste management plan, amended 52614  
plan, or amendment to a plan or amended plan that establishes, 52615

amends, or repeals a schedule of fees levied by the district, the 52616  
committee shall notify by certified mail the owner or operator of 52617  
each solid waste disposal facility that is required to collect the 52618  
fees of the approval of the plan or amended plan, or the amendment 52619  
to the plan, as appropriate, and the amount of the fees, if any. 52620  
In the case of an initial or amended plan approved under section 52621  
3734.521 of the Revised Code in connection with a change in 52622  
district composition, other than one involving the withdrawal of a 52623  
county from a joint district, the committee, within fourteen days 52624  
after the change takes effect pursuant to division (G) of that 52625  
section, shall notify by certified mail the owner or operator of 52626  
each solid waste disposal facility that is required to collect the 52627  
fees that the change has taken effect and of the amount of the 52628  
fees, if any. Collection of any fees shall commence or collection 52629  
of repealed fees shall cease on the first day of the second month 52630  
following the month in which notification is sent to the owner or 52631  
operator. 52632

If, in the case of a change in district composition involving 52633  
the withdrawal of a county from a joint district, the director 52634  
completes the actions required under division (G)(1) or (3) of 52635  
section 3734.521 of the Revised Code, as appropriate, forty-five 52636  
days or more before the beginning of a calendar year, the policy 52637  
committee of each of the districts resulting from the change that 52638  
obtained the director's approval of an initial or amended plan in 52639  
connection with the change, within fourteen days after the 52640  
director's completion of the required actions, shall notify by 52641  
certified mail the owner or operator of each solid waste disposal 52642  
facility that is required to collect the district's fees that the 52643  
change is to take effect on the first day of January immediately 52644  
following the issuance of the notice and of the amount of the fees 52645  
or amended fees levied under divisions (B)(1) to (3) of this 52646  
section pursuant to the district's initial or amended plan as so 52647  
approved or, if appropriate, the repeal of the district's fees by 52648

that initial or amended plan. Collection of any fees set forth in 52649  
such a plan or amended plan shall commence on the first day of 52650  
January immediately following the issuance of the notice. If such 52651  
an initial or amended plan repeals a schedule of fees, collection 52652  
of the fees shall cease on that first day of January. 52653

If, in the case of a change in district composition involving 52654  
the withdrawal of a county from a joint district, the director 52655  
completes the actions required under division (G)(1) or (3) of 52656  
section 3734.521 of the Revised Code, as appropriate, less than 52657  
forty-five days before the beginning of a calendar year, the 52658  
director, on behalf of each of the districts resulting from the 52659  
change that obtained the director's approval of an initial or 52660  
amended plan in connection with the change proceedings, shall 52661  
notify by certified mail the owner or operator of each solid waste 52662  
disposal facility that is required to collect the district's fees 52663  
that the change is to take effect on the first day of January 52664  
immediately following the mailing of the notice and of the amount 52665  
of the fees or amended fees levied under divisions (B)(1) to (3) 52666  
of this section pursuant to the district's initial or amended plan 52667  
as so approved or, if appropriate, the repeal of the district's 52668  
fees by that initial or amended plan. Collection of any fees set 52669  
forth in such a plan or amended plan shall commence on the first 52670  
day of the second month following the month in which notification 52671  
is sent to the owner or operator. If such an initial or amended 52672  
plan repeals a schedule of fees, collection of the fees shall 52673  
cease on the first day of the second month following the month in 52674  
which notification is sent to the owner or operator. 52675

If the schedule of fees that a solid waste management 52676  
district is levying under divisions (B)(1) to (3) of this section 52677  
is amended or repealed, the fees in effect immediately prior to 52678  
the amendment or repeal shall continue to be collected until 52679  
collection of the amended fees commences or collection of the 52680

repealed fees ceases, as applicable, as specified in this 52681  
division. In the case of a change in district composition, money 52682  
so received from the collection of the fees of the former 52683  
districts shall be divided among the resulting districts in 52684  
accordance with division (B) of section 343.012 of the Revised 52685  
Code and the agreements entered into under division (B) of section 52686  
343.01 of the Revised Code to establish the former and resulting 52687  
districts and any amendments to those agreements. 52688

For the purposes of the provisions of division (B) of this 52689  
section establishing the times when newly established or amended 52690  
fees levied by a district are required to commence and the 52691  
collection of fees that have been amended or repealed is required 52692  
to cease, "fees" or "schedule of fees" includes, in addition to 52693  
fees levied under divisions (B)(1) to (3) of this section, those 52694  
levied under section 3734.573 or 3734.574 of the Revised Code. 52695

(C) For the purposes of defraying the added costs to a 52696  
municipal corporation or township of maintaining roads and other 52697  
public facilities and of providing emergency and other public 52698  
services, and compensating a municipal corporation or township for 52699  
reductions in real property tax revenues due to reductions in real 52700  
property valuations resulting from the location and operation of a 52701  
solid waste disposal facility within the municipal corporation or 52702  
township, a municipal corporation or township in which such a 52703  
solid waste disposal facility is located may levy a fee of not 52704  
more than twenty-five cents per ton on the disposal of solid 52705  
wastes at a solid waste disposal facility located within the 52706  
boundaries of the municipal corporation or township regardless of 52707  
where the wastes were generated. 52708

The legislative authority of a municipal corporation or 52709  
township may levy fees under this division by enacting an 52710  
ordinance or adopting a resolution establishing the amount of the 52711  
fees. Upon so doing the legislative authority shall mail a 52712

certified copy of the ordinance or resolution to the board of 52713  
county commissioners or directors of the county or joint solid 52714  
waste management district in which the municipal corporation or 52715  
township is located or, if a regional solid waste management 52716  
authority has been formed under section 343.011 of the Revised 52717  
Code, to the board of trustees of that regional authority, the 52718  
owner or operator of each solid waste disposal facility in the 52719  
municipal corporation or township that is required to collect the 52720  
fee by the ordinance or resolution, and the director of 52721  
environmental protection. Although the fees levied under this 52722  
division are levied on the basis of tons as the unit of 52723  
measurement, the legislative authority, in its ordinance or 52724  
resolution levying the fees under this division, may direct that 52725  
the fees be levied on the basis of cubic yards as the unit of 52726  
measurement based upon a conversion factor of three cubic yards 52727  
per ton generally or one cubic yard per ton for baled wastes. 52728

Not later than five days after enacting an ordinance or 52729  
adopting a resolution under this division, the legislative 52730  
authority shall so notify by certified mail the owner or operator 52731  
of each solid waste disposal facility that is required to collect 52732  
the fee. Collection of any fee levied on or after March 24, 1992, 52733  
shall commence on the first day of the second month following the 52734  
month in which notification is sent to the owner or operator. 52735

(D)(1) The fees levied under divisions (A), (B), and (C) of 52736  
this section do not apply to the disposal of solid wastes that: 52737

(a) Are disposed of at a facility owned by the generator of 52738  
the wastes when the solid waste facility exclusively disposes of 52739  
solid wastes generated at one or more premises owned by the 52740  
generator regardless of whether the facility is located on a 52741  
premises where the wastes are generated; 52742

(b) Are generated from the combustion of coal, or from the 52743  
combustion of primarily coal, regardless of whether the disposal 52744

facility is located on the premises where the wastes are 52745  
generated; 52746

(c) Are asbestos or asbestos-containing materials or products 52747  
disposed of at a construction and demolition debris facility that 52748  
is licensed under Chapter 3714. of the Revised Code or at a solid 52749  
waste facility that is licensed under this chapter. 52750

(2) Except as provided in section 3734.571 of the Revised 52751  
Code, any fees levied under division (B)(1) of this section apply 52752  
to solid wastes originating outside the boundaries of a county or 52753  
joint district that are covered by an agreement for the joint use 52754  
of solid waste facilities entered into under section 343.02 of the 52755  
Revised Code by the board of county commissioners or board of 52756  
directors of the county or joint district where the wastes are 52757  
generated and disposed of. 52758

(3) When solid wastes, other than solid wastes that consist 52759  
of scrap tires, are burned in a disposal facility that is an 52760  
incinerator or energy recovery facility, the fees levied under 52761  
divisions (A), (B), and (C) of this section shall be levied upon 52762  
the disposal of the fly ash and bottom ash remaining after burning 52763  
of the solid wastes and shall be collected by the owner or 52764  
operator of the sanitary landfill where the ash is disposed of. 52765

(4) When solid wastes are delivered to a solid waste transfer 52766  
facility, the fees levied under divisions (B) and (C) of this 52767  
section shall be levied upon the disposal of solid wastes 52768  
transported off the premises of the transfer facility for disposal 52769  
and shall be collected by the owner or operator of the solid waste 52770  
disposal facility where the wastes are disposed of. 52771

(5) The fees levied under divisions (A), (B), and (C) of this 52772  
section do not apply to sewage sludge that is generated by a waste 52773  
water treatment facility holding a national pollutant discharge 52774  
elimination system permit and that is disposed of through 52775

incineration, land application, or composting or at another 52776  
resource recovery or disposal facility that is not a landfill. 52777

(6) The fees levied under divisions (A), (B), and (C) of this 52778  
section do not apply to solid wastes delivered to a solid waste 52779  
composting facility for processing. When any unprocessed solid 52780  
waste or compost product is transported off the premises of a 52781  
composting facility and disposed of at a landfill, the fees levied 52782  
under divisions (A), (B), and (C) of this section shall be 52783  
collected by the owner or operator of the landfill where the 52784  
unprocessed waste or compost product is disposed of. 52785

(7) When solid wastes that consist of scrap tires are 52786  
processed at a scrap tire recovery facility, the fees levied under 52787  
divisions (A), (B), and (C) of this section shall be levied upon 52788  
the disposal of the fly ash and bottom ash or other solid wastes 52789  
remaining after the processing of the scrap tires and shall be 52790  
collected by the owner or operator of the solid waste disposal 52791  
facility where the ash or other solid wastes are disposed of. 52792

(8) The director of environmental protection may issue an 52793  
order exempting from the fees levied under this section solid 52794  
wastes, including, but not limited to, scrap tires, that are 52795  
generated, transferred, or disposed of as a result of a contract 52796  
providing for the expenditure of public funds entered into by the 52797  
administrator or regional administrator of the United States 52798  
environmental protection agency, the director of environmental 52799  
protection, or the director of administrative services on behalf 52800  
of the director of environmental protection for the purpose of 52801  
remediating conditions at a hazardous waste facility, solid waste 52802  
facility, or other location at which the administrator or regional 52803  
administrator or the director of environmental protection has 52804  
reason to believe that there is a substantial threat to public 52805  
health or safety or the environment or that the conditions are 52806  
causing or contributing to air or water pollution or soil 52807

contamination. An order issued by the director of environmental 52808  
protection under division (D)(8) of this section shall include a 52809  
determination that the amount of the fees not received by a solid 52810  
waste management district as a result of the order will not 52811  
adversely impact the implementation and financing of the 52812  
district's approved solid waste management plan and any approved 52813  
amendments to the plan. Such an order is a final action of the 52814  
director of environmental protection. 52815

(E) The fees levied under divisions (B) and (C) of this 52816  
section shall be collected by the owner or operator of the solid 52817  
waste disposal facility where the wastes are disposed of as a 52818  
trustee for the county or joint district and municipal corporation 52819  
or township where the wastes are disposed of. Moneys from the fees 52820  
levied under division (B) of this section shall be forwarded to 52821  
the board of county commissioners or board of directors of the 52822  
district in accordance with rules adopted under division (H) of 52823  
this section. Moneys from the fees levied under division (C) of 52824  
this section shall be forwarded to the treasurer or such other 52825  
officer of the municipal corporation as, by virtue of the charter, 52826  
has the duties of the treasurer or to the fiscal officer of the 52827  
township, as appropriate, in accordance with those rules. 52828

(F) Moneys received by the treasurer or other officer of the 52829  
municipal corporation under division (E) of this section shall be 52830  
paid into the general fund of the municipal corporation. Moneys 52831  
received by the fiscal officer of the township under that division 52832  
shall be paid into the general fund of the township. The treasurer 52833  
or other officer of the municipal corporation or the township 52834  
fiscal officer, as appropriate, shall maintain separate records of 52835  
the moneys received from the fees levied under division (C) of 52836  
this section. 52837

(G) Moneys received by the board of county commissioners or 52838  
board of directors under division (E) of this section or section 52839

3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code 52840  
shall be paid to the county treasurer, or other official acting in 52841  
a similar capacity under a county charter, in a county district or 52842  
to the county treasurer or other official designated by the board 52843  
of directors in a joint district and kept in a separate and 52844  
distinct fund to the credit of the district. If a regional solid 52845  
waste management authority has been formed under section 343.011 52846  
of the Revised Code, moneys received by the board of trustees of 52847  
that regional authority under division (E) of this section shall 52848  
be kept by the board in a separate and distinct fund to the credit 52849  
of the district. Moneys in the special fund of the county or joint 52850  
district arising from the fees levied under division (B) of this 52851  
section and the fee levied under division (A) of section 3734.573 52852  
of the Revised Code shall be expended by the board of county 52853  
commissioners or directors of the district in accordance with the 52854  
district's solid waste management plan or amended plan approved 52855  
under section 3734.521, 3734.55, or 3734.56 of the Revised Code 52856  
exclusively for the following purposes: 52857

(1) Preparation of the solid waste management plan of the 52858  
district under section 3734.54 of the Revised Code, monitoring 52859  
implementation of the plan, and conducting the periodic review and 52860  
amendment of the plan required by section 3734.56 of the Revised 52861  
Code by the solid waste management policy committee; 52862

(2) Implementation of the approved solid waste management 52863  
plan or amended plan of the district, including, without 52864  
limitation, the development and implementation of solid waste 52865  
recycling or reduction programs; 52866

(3) Providing financial assistance to boards of health within 52867  
the district, if solid waste facilities are located within the 52868  
district, for enforcement of this chapter and rules, orders, and 52869  
terms and conditions of permits, licenses, and variances adopted 52870  
or issued under it, other than the hazardous waste provisions of 52871

this chapter and rules adopted and orders and terms and conditions 52872  
of permits issued under those provisions; 52873

(4) Providing financial assistance to each county within the 52874  
district to defray the added costs of maintaining roads and other 52875  
public facilities and of providing emergency and other public 52876  
services resulting from the location and operation of a solid 52877  
waste facility within the county under the district's approved 52878  
solid waste management plan or amended plan; 52879

(5) Pursuant to contracts entered into with boards of health 52880  
within the district, if solid waste facilities contained in the 52881  
district's approved plan or amended plan are located within the 52882  
district, for paying the costs incurred by those boards of health 52883  
for collecting and analyzing samples from public or private water 52884  
wells on lands adjacent to those facilities; 52885

(6) Developing and implementing a program for the inspection 52886  
of solid wastes generated outside the boundaries of this state 52887  
that are disposed of at solid waste facilities included in the 52888  
district's approved solid waste management plan or amended plan; 52889

(7) Providing financial assistance to boards of health within 52890  
the district for the enforcement of section 3734.03 of the Revised 52891  
Code or to local law enforcement agencies having jurisdiction 52892  
within the district for enforcing anti-littering laws and 52893  
ordinances; 52894

(8) Providing financial assistance to boards of health of 52895  
health districts within the district that are on the approved list 52896  
under section 3734.08 of the Revised Code to defray the costs to 52897  
the health districts for the participation of their employees 52898  
responsible for enforcement of the solid waste provisions of this 52899  
chapter and rules adopted and orders and terms and conditions of 52900  
permits, licenses, and variances issued under those provisions in 52901  
the training and certification program as required by rules 52902

adopted under division (L) of section 3734.02 of the Revised Code; 52903

(9) Providing financial assistance to individual municipal 52904  
corporations and townships within the district to defray their 52905  
added costs of maintaining roads and other public facilities and 52906

the location and operation within their boundaries of a 52908  
composting, energy or resource recovery, incineration, or 52909  
recycling facility that either is owned by the district or is 52910  
furnishing solid waste management facility or recycling services 52911  
to the district pursuant to a contract or agreement with the board 52912

describing the boundaries of community reinvestment areas which 53378  
contain the conditions required for the finding under division (B) 53379  
of section 3735.65 of the Revised Code. The findings resulting 53380  
from the survey shall be incorporated in the resolution describing 53381  
the boundaries of an area. The legislative authority may stipulate 53382  
in the resolution that only new structures or remodeling 53383

stipulation, the classification of the structures or remodeling 53392  
eligible for exemption in the area shall at all times be 53393  
consistent with zoning restrictions applicable to the area. For 53394  
the purposes of sections 3735.65 to 3735.70 of the Revised Code, 53395  
whether a structure or remodeling composed of multiple units is 53396  
classified as commercial or residential shall be determined by 53397  
resolution or ordinance of the legislative authority or, in the 53398  
absence of such a determination, by the classification of the use 53399  
of the structure or remodeling under the applicable zoning 53400  
regulations. 53401

If construction or remodeling classified as residential is 53402  
eligible for exemption from taxation, the resolution shall specify 53403  
a percentage, not to exceed one hundred per cent, of the assessed 53404  
valuation of such property to be exempted. The percentage 53405  
specified shall apply to all residential construction or 53406  
remodeling for which exemption is granted. 53407

The resolution adopted pursuant to this section shall be 53408  
published in a newspaper of general circulation in the municipal 53409  
corporation, if the resolution is adopted by the legislative 53410  
authority of a municipal corporation, or in a newspaper of general 53411  
circulation in the county, if the resolution is adopted by the 53412  
legislative authority of the county, once a week for two 53413  
consecutive weeks or as provided in section 7.16 of the Revised 53414  
Code, immediately following its adoption. 53415

Each legislative authority adopting a resolution pursuant to 53416  
this section shall designate a housing officer. In addition, each 53417  
such legislative authority, not later than ~~fifteen~~ sixty days 53418  
after the adoption of the resolution, shall petition the director 53419  
of development services for the director to confirm the findings 53420  
described in the resolution. The petition shall be accompanied by 53421  
a copy of the resolution and by a map of the community 53422  
reinvestment area in sufficient detail to denote the specific 53423  
boundaries of the area and to indicate zoning restrictions 53424  
applicable to the area. The director shall determine whether the 53425  
findings contained in the resolution are valid, and whether the 53426  
classification of structures or remodeling eligible for exemption 53427  
under the resolution is consistent with zoning restrictions 53428  
applicable to the area as indicated on the map. Within thirty days 53429  
of receiving the petition, the director shall forward the 53430  
director's determination to the legislative authority. The 53431  
legislative authority or housing officer shall not grant any 53432  
exemption from taxation under section 3735.67 of the Revised Code 53433

until the director forwards the director's determination to the 53434  
legislative authority. The director shall assign to each community 53435  
reinvestment area a unique designation by which the area shall be 53436  
identified for purposes of sections 3735.65 to 3735.70 of the 53437  
Revised Code. 53438

If zoning restrictions in any part of a community 53439  
reinvestment area are changed at any time after the legislative 53440  
authority petitions the director under this section, the 53441  
legislative authority shall notify the director and shall submit a 53442  
map of the area indicating the new zoning restrictions in the 53443  
area. 53444

property's or category of property's exempted percentage of 53479  
assessed valuation pursuant to that section. 53480

(c) Decreases the term of any tax exemption or category of 53481

yet granted, or has been filed, on or after April 6, 2017, or that 53502  
is filed on or after any other later date, provided the maximum 53503  
term of the exemption for such remodeling before the ordinance's 53504

portion of the emissions of a regulated pollutant at a facility 54201  
that exceed four thousand tons during a calendar year. 54202

emissions from the generating unit during the preceding calendar 54214  
year. 54215

(3) The director shall issue invoices to owners or operators 54216  
of air contaminant sources who are required to pay a fee assessed 54217  
under division (B) or (D) of this section. Any such invoice shall 54218

after the issuance of the invoice. 54223

(D)(1) Except as provided in division (D)(3) of this section, 54224

from January 1, 1994, through December 31, 2003, each person who  
owns or operates an air contaminant source; who is required to  
apply for a permit to operate pursuant to rules adopted under  
division (G), or a variance pursuant to division (H), of section  
3704.03 of the Revised Code; and who is not required to apply for

Revised Code; and who is not required to apply for and obtain a  
Title V permit under section 3704.03 of the Revised Code shall pay

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2018~~ 2020, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

regulated pollutants during the preceding calendar year. For the 54295  
purpose of division (D) of this section, emissions of air 54296  
contaminants may be calculated using engineering calculations, 54297  
emission factors, material balance calculations, or performance 54298  
testing procedures, as authorized by the director. The director, 54299  
by rule, may require persons who are required to pay the fees 54300  
assessed under division (D) of this section to pay those fees 54301

the percentage, if any, by which the consumer price index for the 54306  
most recent calendar year ending before the beginning of a year 54307  
exceeds the consumer price index for calendar year 1989. Upon 54308  
calculating an increase in fees authorized by division (E)(1) of 54309  
this section, the director shall compile revised fee schedules for 54310  
the purposes of division (B) of this section and shall make the 54311  
revised schedules available to persons required to pay the fees 54312  
assessed under that division and to the public. 54313

(2) For the purposes of division (E)(1) of this section: 54314

(a) The consumer price index for any year is the average of 54315  
the consumer price index for all urban consumers published by the 54316  
United States department of labor as of the close of the 54317  
twelve-month period ending on the thirty-first day of August of 54318  
that year. 54319

(b) If the 1989 consumer price index is revised, the director 54320

shall use the revision of the consumer price index that is most 54321  
consistent with that for calendar year 1989. 54322

(F) Each person who is issued a permit to install pursuant to 54323  
rules adopted under division (F) of section 3704.03 of the Revised 54324

Not later than the first day of May following receipt of an invoice, a person required to pay the annual sludge fee may submit objections to the director concerning the accuracy of information regarding the number of dry tons of sewage sludge used to calculate the amount of the annual sludge fee or regarding whether the sewage sludge qualifies for the exceptional quality sludge discount established in division (Y)(2)(b) of this section. The director may consider the objections and adjust the amount of the fee to ensure that it is accurate.

If the director does not adjust the amount of the annual sludge fee in response to a person's objections, the person may appeal the director's determination in accordance with Chapter 119. of the Revised Code.

Not later than the first day of June, the director shall notify the objecting person regarding whether the director has found the objections to be valid and the reasons for the finding. If the director finds the objections to be valid and adjusts the amount of the annual sludge fee accordingly, the director shall

issue with the notification a new invoice to the person 55259  
identifying the amount of the annual sludge fee assessed and 55260  
stating the first day of July as the deadline for payment. 55261

Not later than the first day of July, any person who is 55262  
required to do so shall pay the annual sludge fee. Any person who 55263  
is required to pay the fee, but who fails to do so on or before 55264  
that date shall pay an additional amount that equals ten per cent 55265  
of the required annual sludge fee. 55266

of the Revised Code. The moneys shall be used to defray the costs 55270  
of administering and enforcing provisions in Chapter 6111. of the 55271  
Revised Code and rules adopted under it that govern the use, 55272  
storage, treatment, or disposal of sewage sludge. 55273

(7) Beginning in fiscal year 2001, and every two years 55274  
thereafter, the director shall review the total amount of moneys 55275  
generated by the annual sludge fees to determine if that amount 55276  
exceeded six hundred thousand dollars in either of the two 55277  
preceding fiscal years. If the total amount of moneys in the fund 55278  
exceeded six hundred thousand dollars in either fiscal year, the 55279  
director, after review of the fee structure and consultation with 55280  
affected persons, shall issue an order reducing the amount of the 55281  
fees levied under division (Y) of this section so that the 55282  
estimated amount of moneys resulting from the fees will not exceed 55283  
six hundred thousand dollars in any fiscal year. 55284

If, upon review of the fees under division (Y)(7) of this 55285  
section and after the fees have been reduced, the director 55286  
determines that the total amount of moneys collected and 55287  
accumulated is less than six hundred thousand dollars, the 55288  
director, after review of the fee structure and consultation with 55289  
affected persons, may issue an order increasing the amount of the 55290

fees levied under division (Y) of this section so that the 55291  
estimated amount of moneys resulting from the fees will be 55292  
approximately six hundred thousand dollars. Fees shall never be 55293  
increased to an amount exceeding the amount specified in division 55294  
(Y)(7) of this section. 55295

Notwithstanding section 119.06 of the Revised Code, the 55296  
director may issue an order under division (Y)(7) of this section 55297  
without the necessity to hold an adjudicatory hearing in 55298

(2) Upon receiving a charge, the commission may initiate a 57142  
preliminary investigation to determine whether it is probable that 57143  
an unlawful discriminatory practice has been or is being engaged 57144  
in. The commission also may conduct, upon its own initiative and 57145  
independent of the filing of any charges, a preliminary 57146  
investigation relating to any of the unlawful discriminatory 57147  
practices described in division (A), (B), (C), (D), (E), (F), (I), 57148

probable that an unlawful discriminatory practice described in 57168

the court shall hear and determine the application as 57182  
expeditiously as possible. 57183

(b) If it is not practicable to comply with the requirements 57184  
of division (B)(3)(a) of this section within the one-hundred-day 57185  
period described in that division, the commission shall notify the 57186  
complainant and the respondent in writing of the reasons for the 57187  
noncompliance. 57188

(c) Prior to the issuance of a complaint under division 57189  
(B)(3)(a)(ii) or (iii) of this section or prior to a notification 57190  
of the complainant and the respondent under division (B)(3)(a)(i) 57191  
of this section, the members of the commission and the officers 57192  
and employees of the commission shall not make public in any 57193  
manner and shall retain as confidential all information that was 57194  
obtained as a result of or that otherwise pertains to a 57195  
preliminary investigation of a charge filed pursuant to division 57196

practice described in division (H) of section 4112.02 of the 57198  
Revised Code. 57199

(d) Notwithstanding the types of action described in 57200  
divisions (B)(3)(a)(ii) and (iii) of this section, prior to the 57201  
issuance of a complaint or the referral of a complaint to the 57202  
attorney general and prior to endeavoring to eliminate an unlawful 57203  
discriminatory practice described in division (H) of section 57204

4112.02 of the Revised Code by informal methods of conference, 57205  
conciliation, and persuasion, or by alternative dispute 57206  
resolution, the commission may seek a temporary or permanent 57207  
injunction or a temporary restraining order in the court of common 57208  
pleas of the county in which the unlawful discriminatory practice 57209  
allegedly occurred. 57210

(4) If the commission determines after a preliminary 57211  
investigation other than one described in division (B)(3) of this 57212  
section that it is not probable that an unlawful discriminatory 57213  
practice has been or is being engaged in, it shall notify any 57214  
complainant under division (B)(1) of this section that it has so 57215  
determined and that it will not issue a complaint in the matter. 57216  
If the commission determines after a preliminary investigation 57217  
other than the one described in division (B)(3) of this section 57218  
that it is probable that an unlawful discriminatory practice has 57219  
been or is being engaged in, it shall endeavor to eliminate the 57220  
practice by informal methods of conference, conciliation, and 57221  
persuasion, or by alternative dispute resolution. 57222

(5) Nothing said or done during informal methods of 57223  
conference, conciliation, and persuasion, or during alternative 57224  
dispute resolution, under this section shall be disclosed by any 57225  
member of the commission or its staff or be used as evidence in 57226  
any subsequent hearing or other proceeding. If, after a 57227  
preliminary investigation and the use of informal methods of 57228  
conference, conciliation, and persuasion, or alternative dispute 57229  
resolution, under this section, the commission is satisfied that 57230  
any unlawful discriminatory practice will be eliminated, it may 57231  
treat the charge involved as being conciliated and enter that 57232  
disposition on the records of the commission. If the commission 57233  
fails to effect the elimination of an unlawful discriminatory 57234  
practice by informal methods of conference, conciliation, and 57235  
persuasion, or by alternative dispute resolution under this 57236

section and to obtain voluntary compliance with this chapter, the 57237  
commission shall issue and cause to be served upon any person, 57238

notice and that is located within the county in which the alleged 57244  
unlawful discriminatory practice has occurred or is occurring or 57245

respondent, unless the complainant, an aggrieved person, or the 57250  
respondent elects to proceed under division (A)(2) of section 57251  
4112.051 of the Revised Code when that division is applicable. If 57252  
a complaint pertains to an alleged unlawful discriminatory 57253

(6) The attorney general shall represent the commission at 57261  
any hearing held pursuant to division (B)(5) of this section and 57262

(2) The respondent has the right to file an answer or an amended answer to the original and amended complaints and to appear at the hearing in person, by attorney, or otherwise to examine and cross-examine witnesses.

(D) The complainant shall be a party to a hearing under division (B) of this section, and any person who is an indispensable party to a complete determination or settlement of a question involved in the hearing shall be joined. Any aggrieved person who has or claims an interest in the subject of the hearing and in obtaining or preventing relief against the unlawful discriminatory practices complained of shall be permitted to appear only for the presentation of oral or written arguments, to present evidence, perform direct and cross-examination, and be represented by counsel. in any of the following circumstances: 57690

(I) The individual is an individual described in division 57691  
(A)(4)(b)(iii) of this section; 57692

(II) Where the active search for work requirement has been 57693  
waived under division (A)(4)(a) of this section; 57694

(III) Where the active search for work requirement is 57695  
considered to be met under division (A)(4)(c), (d), or (e) of this 57696  
section. 57697

(ii) An individual who is registered with the OhioMeansJobs 57698  
web site shall receive a weekly listing of available jobs based on 57699

information provided by the individual at the time of 57700  
registration. For each week that the individual claims benefits, 57701  
the individual shall keep a record of the individual's work search 57702  
efforts and shall produce that record in the manner and means 57703  
prescribed by the director. 57704

(iii) No individual shall be required to register with the 57705  
OhioMeansJobs web site if the individual is legally prohibited 57706  
from using a computer, has a physical or visual impairment that 57707  
makes the individual unable to use a computer, or has a limited 57708  
ability to read, write, speak, or understand a language in which 57709  
the OhioMeansJobs web site is available. 57710

(iv) As used in division (A)(4)(b) of this section: 57711

(I) "OhioMeansJobs web site" ~~means the electronic job~~ 57712  
~~placement system operated by the state~~ has the same meaning as in 57713  
section 6301.01 of the Revised Code. 57714

(II) "Registration" includes the creation, electronic 57715  
posting, and maintenance of an active, searchable resume. 57716

(c) An individual who is attending a training course approved 57717  
by the director meets the requirement of this division, if 57718  
attendance was recommended by the director and the individual is 57719  
regularly attending the course and is making satisfactory 57720  
progress. An individual also meets the requirements of this 57721  
division if the individual is participating and advancing in a 57722  
training program, as defined in division (P) of section 5709.61 of 57723  
the Revised Code, and if an enterprise, defined in division (B) of 57724  
section 5709.61 of the Revised Code, is paying all or part of the 57725  
cost of the individual's participation in the training program 57726  
with the intention of hiring the individual for employment as a 57727  
new employee, as defined in division (L) of section 5709.61 of the 57728  
Revised Code, for at least ninety days after the individual's 57729  
completion of the training program. 57730

(d) An individual who becomes unemployed while attending a 57731  
regularly established school and whose base period qualifying 57732  
weeks were earned in whole or in part while attending that school, 57733  
meets the availability and active search for work requirements of 57734  
division (A)(4)(a) of this section if the individual regularly 57735  
attends the school during weeks with respect to which the 57736  
individual claims unemployment benefits and makes self available 57737  
on any shift of hours for suitable employment with the 57738  
individual's most recent employer or any other employer in the 57739  
individual's base period, or for any other suitable employment to 57740  
which the individual is directed, under this chapter. 57741

(e) An individual who is a member in good standing with a 57742  
labor organization that refers individuals to jobs meets the 57743  
active search for work requirement specified in division (A)(4)(a) 57744  
of this section if the individual provides documentation that the 57745  
individual is eligible for a referral or placement upon request 57746  
and in a manner prescribed by the director. 57747

(f) Notwithstanding any other provisions of this section, no 57748  
otherwise eligible individual shall be denied benefits for any 57749  
week because the individual is in training approved under section 57750  
236(a)(1) of the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 57751  
2296, nor shall that individual be denied benefits by reason of 57752  
leaving work to enter such training, provided the work left is not 57753  
suitable employment, or because of the application to any week in 57754  
training of provisions in this chapter, or any applicable federal 57755  
unemployment compensation law, relating to availability for work, 57756  
active search for work, or refusal to accept work. 57757

For the purposes of division (A)(4)(f) of this section, 57758  
"suitable employment" means with respect to an individual, work of 57759  
a substantially equal or higher skill level than the individual's 57760  
past adversely affected employment, as defined for the purposes of 57761  
the "Trade Act of 1974," 88 Stat. 1978, 19 U.S.C.A. 2101, and 57762

wages for such work at not less than eighty per cent of the 57763  
individual's average weekly wage as determined for the purposes of 57764  
that federal act. 57765

(5) Is unable to obtain suitable work. An individual who is 57766  
provided temporary work assignments by the individual's employer 57767  
under agreed terms and conditions of employment, and who is 57768  
required pursuant to those terms and conditions to inquire with 57769  
the individual's employer for available work assignments upon the 57770  
conclusion of each work assignment, is not considered unable to 57771  
obtain suitable employment if suitable work assignments are 57772  
available with the employer but the individual fails to contact 57773  
the employer to inquire about work assignments. 57774

(6) Participates in reemployment services, such as job search 57775  
assistance services, if the individual has been determined to be 57776  
likely to exhaust benefits under this chapter, including 57777  
compensation payable pursuant to 5 U.S.C.A. Chapter 85, other than 57778  
extended compensation, and needs reemployment services pursuant to 57779  
the profiling system established by the director under division 57780  
(K) of this section, unless the director determines that: 57781

(a) The individual has completed such services; or 57782

(b) There is justifiable cause for the claimant's failure to 57783  
participate in such services. 57784

Ineligibility for failure to participate in reemployment 57785  
services as described in division (A)(6) of this section shall be 57786  
for the week or weeks in which the claimant was scheduled and 57787  
failed to participate without justifiable cause. 57788

(7) Participates in the reemployment and eligibility 57789  
assessment program, or other reemployment services, as required by 57790  
the director. As used in division (A)(7) of this section, 57791  
"reemployment services" includes job search assistance activities, 57792  
skills assessments, and the provision of labor market statistics 57793

or analysis. 57794

(a) For purposes of division (A)(7) of this section, 57795  
participation is required unless the director determines that 57796  
either of the following circumstances applies to the individual: 57797

(i) The individual has completed similar services. 57798

(ii) Justifiable cause exists for the failure of the 57799  
individual to participate in those services. 57800

(b) Within six months after October 11, 2013, notwithstanding 57801  
any earlier contact an individual may have had with a local 57802  
~~one-stop county office~~ OhioMeansJobs center, ~~including~~ as 57803  
~~described~~ defined in section ~~6301.08~~ 6301.01 of the Revised Code, 57804  
beginning with the eighth week after the week during which an 57805  
individual first files a valid application for determination of 57806  
benefit rights in the individual's benefit year, the individual 57807  
shall report to a local ~~one-stop county office~~ OhioMeansJobs 57808  
center for reemployment services in the manner prescribed by the 57809  
director. 57810

(c) An individual whose active search for work requirement 57811  
has been waived under division (A)(4)(a) of this section or is 57812  
considered to be satisfied under division (A)(4)(c), (d), or (e) 57813  
of this section is exempt from the requirements of division (A)(7) 57814  
of this section. 57815

(B) An individual suffering total or partial unemployment is 57816  
eligible for benefits for unemployment occurring subsequent to a 57817  
waiting period of one week and no benefits shall be payable during 57818  
this required waiting period. Not more than one week of waiting 57819  
period shall be required of any individual in any benefit year in 57820  
order to establish the individual's eligibility for total or 57821  
partial unemployment benefits. 57822

(C) The waiting period for total or partial unemployment 57823  
shall commence on the first day of the first week with respect to 57824

which the individual first files a claim for benefits at an 57825  
employment office or other place of registration maintained or 57826  
designated by the director or on the first day of the first week 57827  
with respect to which the individual has otherwise filed a claim 57828  
for benefits in accordance with the rules of the department of job 57829  
and family services, provided such claim is allowed by the 57830  
director. 57831

(D) Notwithstanding division (A) of this section, no 57832  
individual may serve a waiting period or be paid benefits under 57833  
the following conditions: 57834

(1) For any week with respect to which the director finds 57835  
that: 57836

(a) The individual's unemployment was due to a labor dispute 57837  
other than a lockout at any factory, establishment, or other 57838  
premises located in this or any other state and owned or operated 57839  
by the employer by which the individual is or was last employed; 57840  
and for so long as the individual's unemployment is due to such 57841  
labor dispute. No individual shall be disqualified under this 57842  
provision if either of the following applies: 57843

(i) The individual's employment was with such employer at any 57844  
factory, establishment, or premises located in this state, owned 57845  
or operated by such employer, other than the factory, 57846  
establishment, or premises at which the labor dispute exists, if 57847  
it is shown that the individual is not financing, participating 57848  
in, or directly interested in such labor dispute; 57849

(ii) The individual's employment was with an employer not 57850  
involved in the labor dispute but whose place of business was 57851  
located within the same premises as the employer engaged in the 57852  
dispute, unless the individual's employer is a wholly owned 57853  
subsidiary of the employer engaged in the dispute, or unless the 57854  
individual actively participates in or voluntarily stops work 57855

because of such dispute. If it is established that the claimant 57856  
was laid off for an indefinite period and not recalled to work 57857  
prior to the dispute, or was separated by the employer prior to 57858  
the dispute for reasons other than the labor dispute, or that the 57859  
individual obtained a bona fide job with another employer while 57860  
the dispute was still in progress, such labor dispute shall not 57861  
render the employee ineligible for benefits. 57862

(b) The individual has been given a disciplinary layoff for 57863  
misconduct in connection with the individual's work. 57864

(2) For the duration of the individual's unemployment if the 57865  
director finds that: 57866

(a) The individual quit work without just cause or has been 57867  
discharged for just cause in connection with the individual's 57868  
work, provided division (D)(2) of this section does not apply to 57869  
the separation of a person under any of the following 57870  
circumstances: 57871

(i) Separation from employment for the purpose of entering 57872  
the armed forces of the United States if the individual is 57873  
inducted into the armed forces within one of the following 57874  
periods: 57875

(I) Thirty days after separation; 57876

(II) One hundred eighty days after separation if the 57877  
individual's date of induction is delayed solely at the discretion 57878  
of the armed forces. 57879

(ii) Separation from employment pursuant to a 57880  
labor-management contract or agreement, or pursuant to an 57881  
established employer plan, program, or policy, which permits the 57882  
employee, because of lack of work, to accept a separation from 57883  
employment; 57884

(iii) The individual has left employment to accept a recall 57885

from a prior employer or, except as provided in division 57886  
(D)(2)(a)(iv) of this section, to accept other employment as 57887  
provided under section 4141.291 of the Revised Code, or left or 57888  
was separated from employment that was concurrent employment at 57889  
the time of the most recent separation or within six weeks prior 57890  
to the most recent separation where the remuneration, hours, or 57891  
other conditions of such concurrent employment were substantially 57892  
less favorable than the individual's most recent employment and 57893  
where such employment, if offered as new work, would be considered 57894  
not suitable under the provisions of divisions (E) and (F) of this 57895  
section. Any benefits that would otherwise be chargeable to the 57896  
account of the employer from whom an individual has left 57897  
employment or was separated from employment that was concurrent 57898  
employment under conditions described in division (D)(2)(a)(iii) 57899  
of this section, shall instead be charged to the mutualized 57900  
account created by division (B) of section 4141.25 of the Revised 57901  
Code, except that any benefits chargeable to the account of a 57902  
reimbursing employer under division (D)(2)(a)(iii) of this section 57903  
shall be charged to the account of the reimbursing employer and 57904  
not to the mutualized account, except as provided in division 57905  
(D)(2) of section 4141.24 of the Revised Code. 57906

(iv) When an individual has been issued a definite layoff 57907  
date by the individual's employer and before the layoff date, the 57908  
individual quits to accept other employment, the provisions of 57909  
division (D)(2)(a)(iii) of this section apply and no 57910  
disqualification shall be imposed under division (D) of this 57911  
section. However, if the individual fails to meet the employment 57912  
and earnings requirements of division (A)(2) of section 4141.291 57913  
of the Revised Code, then the individual, pursuant to division 57914  
(A)(5) of this section, shall be ineligible for benefits for any 57915  
week of unemployment that occurs prior to the layoff date. 57916

(b) The individual has refused without good cause to accept 57917

an offer of suitable work when made by an employer either in 57918  
person or to the individual's last known address, or has refused 57919  
or failed to investigate a referral to suitable work when directed 57920  
to do so by a local employment office of this state or another 57921  
state, provided that this division shall not cause a 57922  
disqualification for a waiting week or benefits under the 57923  
following circumstances: 57924

(i) When work is offered by the individual's employer and the 57925  
individual is not required to accept the offer pursuant to the 57926  
terms of the labor-management contract or agreement; or 57927

(ii) When the individual is attending a training course 57928  
pursuant to division (A)(4) of this section except, in the event 57929  
of a refusal to accept an offer of suitable work or a refusal or 57930  
failure to investigate a referral, benefits thereafter paid to 57931  
such individual shall not be charged to the account of any 57932  
employer and, except as provided in division (B)(1)(b) of section 57933  
4141.241 of the Revised Code, shall be charged to the mutualized 57934  
account as provided in division (B) of section 4141.25 of the 57935  
Revised Code. 57936

(c) Such individual quit work to marry or because of marital, 57937  
parental, filial, or other domestic obligations. 57938

(d) The individual became unemployed by reason of commitment 57939  
to any correctional institution. 57940

(e) The individual became unemployed because of dishonesty in 57941  
connection with the individual's most recent or any base period 57942  
work. Remuneration earned in such work shall be excluded from the 57943  
individual's total base period remuneration and qualifying weeks 57944  
that otherwise would be credited to the individual for such work 57945  
in the individual's base period shall not be credited for the 57946  
purpose of determining the total benefits to which the individual 57947  
is eligible and the weekly benefit amount to be paid under section 57948

4141.30 of the Revised Code. Such excluded remuneration and 57949  
noncredited qualifying weeks shall be excluded from the 57950  
calculation of the maximum amount to be charged, under division 57951  
(D) of section 4141.24 and section 4141.33 of the Revised Code, 57952  
against the accounts of the individual's base period employers. In 57953  
addition, no benefits shall thereafter be paid to the individual 57954  
based upon such excluded remuneration or noncredited qualifying 57955  
weeks. 57956

For purposes of division (D)(2)(e) of this section, 57957  
"dishonesty" means the commission of substantive theft, fraud, or 57958  
deceitful acts. 57959

(E) No individual otherwise qualified to receive benefits 57960  
shall lose the right to benefits by reason of a refusal to accept 57961  
new work if: 57962

(1) As a condition of being so employed the individual would 57963  
be required to join a company union, or to resign from or refrain 57964  
from joining any bona fide labor organization, or would be denied 57965  
the right to retain membership in and observe the lawful rules of 57966  
any such organization. 57967

(2) The position offered is vacant due directly to a strike, 57968  
lockout, or other labor dispute. 57969

(3) The work is at an unreasonable distance from the 57970  
individual's residence, having regard to the character of the work 57971  
the individual has been accustomed to do, and travel to the place 57972  
of work involves expenses substantially greater than that required 57973  
for the individual's former work, unless the expense is provided 57974  
for. 57975

(4) The remuneration, hours, or other conditions of the work 57976  
offered are substantially less favorable to the individual than 57977  
those prevailing for similar work in the locality. 57978

(F) Subject to the special exceptions contained in division 57979

(A)(4)(f) of this section and section 4141.301 of the Revised Code, in determining whether any work is suitable for a claimant in the administration of this chapter, the director, in addition to the determination required under division (E) of this section, shall consider the degree of risk to the claimant's health, safety, and morals, the individual's physical fitness for the work, the individual's prior training and experience, the length of the individual's unemployment, the distance of the available work from the individual's residence, and the individual's prospects for obtaining local work.

(G) The "duration of unemployment" as used in this section means the full period of unemployment next ensuing after a separation from any base period or subsequent work and until an individual has become reemployed in employment subject to this chapter, or the unemployment compensation act of another state, or of the United States, and until such individual has worked six weeks and for those weeks has earned or been paid remuneration equal to six times an average weekly wage of not less than: eighty-five dollars and ten cents per week beginning on June 26, 1990; and beginning on and after January 1, 1992, twenty-seven and one-half per cent of the statewide average weekly wage as computed each first day of January under division (B)(3) of section 4141.30 of the Revised Code, rounded down to the nearest dollar, except for purposes of division (D)(2)(c) of this section, such term means the full period of unemployment next ensuing after a separation from such work and until such individual has become reemployed subject to the terms set forth above, and has earned wages equal to one-half of the individual's average weekly wage or sixty dollars, whichever is less.

(H) If a claimant is disqualified under division (D)(2)(a), (c), or (d) of this section or found to be qualified under the exceptions provided in division (D)(2)(a)(i), (iii), or (iv) of

this section or division (A)(2) of section 4141.291 of the Revised Code, then benefits that may become payable to such claimant, which are chargeable to the account of the employer from whom the individual was separated under such conditions, shall be charged to the mutualized account provided in section 4141.25 of the Revised Code, provided that no charge shall be made to the mutualized account for benefits chargeable to a reimbursing employer, except as provided in division (D)(2) of section 4141.24 of the Revised Code. In the case of a reimbursing employer, the director shall refund or credit to the account of the reimbursing employer any over-paid benefits that are recovered under division (B) of section 4141.35 of the Revised Code. Amounts chargeable to other states, the United States, or Canada that are subject to agreements and arrangements that are established pursuant to section 4141.43 of the Revised Code shall be credited or reimbursed according to the agreements and arrangements to which the chargeable amounts are subject.

(I)(1) Benefits based on service in employment as provided in divisions (B)(2)(a) and (b) of section 4141.01 of the Revised Code shall be payable in the same amount, on the same terms, and subject to the same conditions as benefits payable on the basis of other service subject to this chapter; except that after December 31, 1977:

(a) Benefits based on service in an instructional, research, or principal administrative capacity in an institution of higher education, as defined in division (Y) of section 4141.01 of the Revised Code; or for an educational institution as defined in division (CC) of section 4141.01 of the Revised Code, shall not be paid to any individual for any week of unemployment that begins during the period between two successive academic years or terms, or during a similar period between two regular but not successive terms or during a period of paid sabbatical leave provided for in

the individual's contract, if the individual performs such 58044  
services in the first of those academic years or terms and has a 58045  
contract or a reasonable assurance that the individual will 58046  
perform services in any such capacity for any such institution in 58047  
the second of those academic years or terms. 58048

(b) Benefits based on service for an educational institution 58049  
or an institution of higher education in other than an 58050  
instructional, research, or principal administrative capacity, 58051  
shall not be paid to any individual for any week of unemployment 58052  
which begins during the period between two successive academic 58053  
years or terms of the employing educational institution or 58054  
institution of higher education, provided the individual performed 58055  
those services for the educational institution or institution of 58056  
higher education during the first such academic year or term and, 58057  
there is a reasonable assurance that such individual will perform 58058  
those services for any educational institution or institution of 58059  
higher education in the second of such academic years or terms. 58060

If compensation is denied to any individual for any week 58061  
under division (I)(1)(b) of this section and the individual was 58062  
not offered an opportunity to perform those services for an 58063  
institution of higher education or for an educational institution 58064  
for the second of such academic years or terms, the individual is 58065  
entitled to a retroactive payment of compensation for each week 58066  
for which the individual timely filed a claim for compensation and 58067  
for which compensation was denied solely by reason of division 58068  
(I)(1)(b) of this section. An application for retroactive benefits 58069  
shall be timely filed if received by the director or the 58070  
director's deputy within or prior to the end of the fourth full 58071  
calendar week after the end of the period for which benefits were 58072  
denied because of reasonable assurance of employment. The 58073  
provision for the payment of retroactive benefits under division 58074  
(I)(1)(b) of this section is applicable to weeks of unemployment 58075

beginning on and after November 18, 1983. The provisions under 58076  
division (I)(1)(b) of this section shall be retroactive to 58077  
September 5, 1982, only if, as a condition for full tax credit 58078  
against the tax imposed by the "Federal Unemployment Tax Act," 53 58079  
Stat. 183 (1939), 26 U.S.C.A. 3301 to 3311, the United States 58080  
secretary of labor determines that retroactivity is required by 58081  
federal law. 58082

(c) With respect to weeks of unemployment beginning after 58083  
December 31, 1977, benefits shall be denied to any individual for 58084  
any week which commences during an established and customary 58085  
vacation period or holiday recess, if the individual performs any 58086  
services described in divisions (I)(1)(a) and (b) of this section 58087  
in the period immediately before the vacation period or holiday 58088  
recess, and there is a reasonable assurance that the individual 58089  
will perform any such services in the period immediately following 58090  
the vacation period or holiday recess. 58091

(d) With respect to any services described in division 58092  
(I)(1)(a), (b), or (c) of this section, benefits payable on the 58093  
basis of services in any such capacity shall be denied as 58094  
specified in division (I)(1)(a), (b), or (c) of this section to 58095  
any individual who performs such services in an educational 58096  
institution or institution of higher education while in the employ 58097  
of an educational service agency. For this purpose, the term 58098  
"educational service agency" means a governmental agency or 58099  
governmental entity that is established and operated exclusively 58100  
for the purpose of providing services to one or more educational 58101  
institutions or one or more institutions of higher education. 58102

(e) Any individual employed by a county board of 58103  
developmental disabilities shall be notified by the thirtieth day 58104  
of April each year if the individual is not to be reemployed the 58105  
following academic year. 58106

(f) Any individual employed by a school district, other than 58107

a municipal school district as defined in section 3311.71 of the Revised Code, shall be notified by the first day of June each year if the individual is not to be reemployed the following academic year.

(2) No disqualification will be imposed, between academic years or terms or during a vacation period or holiday recess under this division, unless the director or the director's deputy has received a statement in writing from the educational institution or institution of higher education that the claimant has a contract for, or a reasonable assurance of, reemployment for the ensuing academic year or term.

(3) If an individual has employment with an educational institution or an institution of higher education and employment with a noneducational employer, during the base period of the individual's benefit year, then the individual may become eligible for benefits during the between-term, or vacation or holiday recess, disqualification period, based on employment performed for the noneducational employer, provided that the employment is sufficient to qualify the individual for benefit rights separately from the benefit rights based on school employment. The weekly benefit amount and maximum benefits payable during a disqualification period shall be computed based solely on the nonschool employment.

(J) Benefits shall not be paid on the basis of employment performed by an alien, unless the alien had been lawfully admitted to the United States for permanent residence at the time the services were performed, was lawfully present for purposes of performing the services, or was otherwise permanently residing in the United States under color of law at the time the services were performed, under section 212(d)(5) of the "Immigration and Nationality Act," 66 Stat. 163, 8 U.S.C.A. 1101:

(1) Any data or information required of individuals applying

for benefits to determine whether benefits are not payable to them 58140  
because of their alien status shall be uniformly required from all 58141  
applicants for benefits. 58142

(2) In the case of an individual whose application for 58143  
benefits would otherwise be approved, no determination that 58144  
benefits to the individual are not payable because of the 58145  
individual's alien status shall be made except upon a 58146  
preponderance of the evidence that the individual had not, in 58147  
fact, been lawfully admitted to the United States. 58148

(K) The director shall establish and utilize a system of 58149  
profiling all new claimants under this chapter that: 58150

(1) Identifies which claimants will be likely to exhaust 58151  
regular compensation and will need job search assistance services 58152  
to make a successful transition to new employment; 58153

(2) Refers claimants identified pursuant to division (K)(1) 58154  
of this section to reemployment services, such as job search 58155  
assistance services, available under any state or federal law; 58156

(3) Collects follow-up information relating to the services 58157  
received by such claimants and the employment outcomes for such 58158  
claimant's subsequent to receiving such services and utilizes such 58159  
information in making identifications pursuant to division (K)(1) 58160  
of this section; and 58161

(4) Meets such other requirements as the United States 58162  
secretary of labor determines are appropriate. 58163

(L) Except as otherwise provided in division (A)(6) of this 58164  
section, ineligibility pursuant to division (A) of this section 58165  
shall begin on the first day of the week in which the claimant 58166  
becomes ineligible for benefits and shall end on the last day of 58167  
the week preceding the week in which the claimant satisfies the 58168  
eligibility requirements. 58169

(M) The director may adopt rules that the director considers 58170  
necessary for the administration of division (A) of this section. 58171

**Sec. 4141.43.** (A) The director of job and family services may 58172  
cooperate with the industrial commission, the bureau of workers' 58173  
compensation, the United States internal revenue service, the 58174  
United States employment service, and other similar departments 58175  
and agencies, as determined by the director, in the exchange or 58176  
disclosure of information as to wages, employment, payrolls, 58177  
unemployment, and other information. The director may employ, 58178  
jointly with one or more of such agencies or departments, 58179  
auditors, examiners, inspectors, and other employees necessary for 58180  
the administration of this chapter and employment and training 58181  
services for workers in the state. 58182

(B) The director may make the state's record relating to the 58183  
administration of this chapter available to the railroad 58184  
retirement board and may furnish the board at the board's expense 58185  
such copies thereof as the board deems necessary for its purposes. 58186

(C) The director may afford reasonable cooperation with every 58187  
agency of the United States charged with the administration of any 58188  
unemployment compensation law. 58189

(D) The director may enter into arrangements with the 58190  
appropriate agencies of other states or of the United States or 58191  
Canada whereby individuals performing services in this and other 58192  
states for a single employer under circumstances not specifically 58193  
provided for in division (B) of section 4141.01 of the Revised 58194  
Code or in similar provisions in the unemployment compensation 58195  
laws of such other states shall be deemed to be engaged in 58196  
employment performed entirely within this state or within one of 58197  
such other states or within Canada, and whereby potential rights 58198  
to benefits accumulated under the unemployment compensation laws 58199  
of several states or under such a law of the United States, or 58200

both, or of Canada may constitute the basis for the payment of 58201  
benefits through a single appropriate agency under terms that the 58202  
director finds will be fair and reasonable as to all affected 58203  
interests and will not result in any substantial loss to the 58204  
unemployment compensation fund. 58205

(E) The director may enter into agreements with the 58206  
appropriate agencies of other states or of the United States or 58207  
Canada: 58208

(1) Whereby services or wages upon the basis of which an 58209  
individual may become entitled to benefits under the unemployment 58210  
compensation law of another state or of the United States or 58211  
Canada shall be deemed to be employment or wages for employment by 58212  
employers for the purposes of qualifying claimants for benefits 58213  
under this chapter, and the director may estimate the number of 58214  
weeks of employment represented by the wages reported to the 58215  
director for such claimants by such other agency, provided such 58216  
other state agency or agency of the United States or Canada has 58217  
agreed to reimburse the unemployment compensation fund for such 58218  
portion of benefits paid under this chapter upon the basis of such 58219  
services or wages as the director finds will be fair and 58220  
reasonable as to all affected interests; 58221

(2) Whereby the director will reimburse other state or 58222  
federal or Canadian agencies charged with the administration of 58223  
unemployment compensation laws with such reasonable portion of 58224  
benefits, paid under the law of such other states or of the United 58225  
States or of Canada upon the basis of employment or wages for 58226  
employment by employers, as the director finds will be fair and 58227  
reasonable as to all affected interests. Reimbursements so payable 58228  
shall be deemed to be benefits for the purpose of section 4141.09 58229  
and division (A) of section 4141.30 of the Revised Code. However, 58230  
no reimbursement so payable shall be charged against any 58231  
employer's account for the purposes of section 4141.24 of the 58232

Revised Code if the employer's account, under the same or similar 58233  
circumstances, with respect to benefits charged under the 58234  
provisions of this chapter, other than this section, would not be 58235  
charged or, if the claimant at the time the claimant files the 58236  
combined wage claim cannot establish benefit rights under this 58237  
chapter. This noncharging shall not be applicable to a nonprofit 58238  
organization that has elected to make payments in lieu of 58239  
contributions under section 4141.241 of the Revised Code, except 58240  
as provided in division (D)(2) of section 4141.24 of the Revised 58241  
Code. The director may make to other state or federal or Canadian 58242  
agencies and receive from such other state or federal or Canadian 58243  
agencies reimbursements from or to the unemployment compensation 58244  
fund, in accordance with arrangements pursuant to this section. 58245

(3) Notwithstanding division (B)(2)(f) of section 4141.01 of 58246  
the Revised Code, the director may enter into agreements with 58247  
other states whereby services performed for a crew leader, as 58248  
defined in division (BB) of section 4141.01 of the Revised Code, 58249  
may be covered in the state in which the crew leader either: 58250

(a) Has the crew leader's place of business or from which the 58251  
crew leader's business is operated or controlled; 58252

(b) Resides if the crew leader has no place of business in 58253  
any state. 58254

(F) The director may apply for an advance to the unemployment 58255  
compensation fund and do all things necessary or required to 58256  
obtain such advance and arrange for the repayment of such advance 58257  
in accordance with Title XII of the "Social Security Act" as 58258  
amended. 58259

(G) The director may enter into reciprocal agreements or 58260  
arrangements with the appropriate agencies of other states in 58261  
regard to services on vessels engaged in interstate or foreign 58262  
commerce whereby such services for a single employer, wherever 58263

performed, shall be deemed performed within this state or within 58264  
such other states. 58265

(H) The director shall participate in any arrangements for 58266  
the payment of compensation on the basis of combining an 58267  
individual's wages and employment, covered under this chapter, 58268  
with the individual's wages and employment covered under the 58269  
unemployment compensation laws of other states which are approved 58270  
by the United States secretary of labor in consultation with the 58271  
state unemployment compensation agencies as reasonably calculated 58272  
to assure the prompt and full payment of compensation in such 58273  
situations and which include provisions for: 58274

(1) Applying the base period of a single state law to a claim 58275  
involving the combining of an individual's wages and employment 58276  
covered under two or more state unemployment compensation laws, 58277  
and 58278

(2) Avoiding the duplicate use of wages and employment by 58279  
reason of such combining. 58280

(I) The director shall cooperate with the United States 58281  
department of labor to the fullest extent consistent with this 58282  
chapter, and shall take such action, through the adoption of 58283  
appropriate rules, regulations, and administrative methods and 58284  
standards, as may be necessary to secure to this state and its 58285  
citizens all advantages available under the provisions of the 58286  
"Social Security Act" that relate to unemployment compensation, 58287  
the "Federal Unemployment Tax Act," (1970) 84 Stat. 713, 26 58288  
U.S.C.A. 3301 to 3311, the "Wagner-Peyser Act," (1933) 48 Stat. 58289  
113, 29 U.S.C.A. 49, ~~and~~ the "Federal-State Extended Unemployment 58290  
Compensation Act of 1970," 84 Stat. 596, 26 U.S.C.A. 3306, and the 58291

U.S.C.A. 3101 et seq. 58294

(J) The director may disclose wage information furnished to 58295  
or maintained by the director under Chapter 4141. of the Revised 58296  
Code to a consumer reporting agency as defined by the "Fair Credit 58297  
Reporting Act," 84 Stat. 1128, 15 U.S.C.A. 1681a, as amended, for 58298  
the purpose of verifying an individual's income under a written 58299  
agreement that requires all of the following: 58300

(1) A written statement of informed consent from the 58301  
individual whose information is to be disclosed; 58302

(2) A written statement confirming that the consumer 58303

(3) A written statement confirming that the consumer 58307  
reporting agency will pay to the bureau all costs associated with 58308  
the disclosure. 58309

The director shall prescribe a manner and format in which 58310  
this information may be provided. 58311

(K) The director shall adopt rules defining the requirements 58312  
of the release of individual income verification information 58313  
specified in division (J) of this section, which shall include all 58314  
terms and conditions necessary to meet the requirements of federal 58315  
law as interpreted by the United States department of labor or 58316  
considered necessary by the director for the proper administration 58317  
of this division. 58318

(L) The director shall disclose information furnished to or 58319  
maintained by the director under this chapter upon request and on 58320  
a reimbursable basis as required by section 303 of the "Social 58321  
Security Act," 42 U.S.C.A. 503, and section 3304 of the "Internal 58322  
Revenue Code," 26 U.S.C.A. 3304. 58323

**Sec. 4301.22.** Sales of beer and intoxicating liquor under all 58411  
classes of permits and from state liquor stores are subject to the 58412  
following restrictions, in addition to those imposed by the rules 58413  
or orders of the division of liquor control: 58414

(A)(1) Except as otherwise provided in this chapter, no beer 58415  
or intoxicating liquor shall be sold to any person under 58416

twenty-one years of age. 58417

(2) No low-alcohol beverage shall be sold to any person under 58418  
eighteen years of age. No permit issued by the division shall be 58419

(A)(2) of this section. 58421

(3) No intoxicating liquor shall be handled by any person 58422  
under twenty-one years of age, except that a person eighteen years 58423  
of age or older employed by a permit holder may handle or sell 58424  
beer or intoxicating liquor in sealed containers in connection 58425  
with wholesale or retail sales, and any person nineteen years of 58426  
age or older employed by a permit holder may handle intoxicating 58427  
liquor in open containers when acting in the capacity of a server 58428  
in a hotel, restaurant, club, or night club, as defined in 58429  
division (B) of section 4301.01 of the Revised Code, or in the 58430  
premises of a D-7 permit holder. This section does not authorize 58431  
persons under twenty-one years of age to sell intoxicating liquor 58432  
across a bar. Any person employed by a permit holder may handle 58433  
beer or intoxicating liquor in sealed containers in connection 58434  
with manufacturing, storage, warehousing, placement, stocking, 58435

(B) No permit holder and no agent or employee of a permit 58439  
holder shall sell or furnish beer or intoxicating liquor to an 58440

Code if the sale of spirituous liquor is authorized in the 58449  
applicable precinct as the result of an election on question 58450  
(B)(1) or (2) of section 4301.351 of the Revised Code and if the 58451  
agency contract authorizes the sale of spirituous liquor on 58452  
Sunday. 58453

This section does not prevent a municipal corporation from 58454  
adopting a closing hour for the sale of intoxicating liquor 58455  
earlier than two-thirty a.m. on Sunday or to provide that no 58456  
intoxicating liquor may be sold prior to that hour on Sunday. 58457

(D) No holder of a permit shall give away any beer or 58458  
intoxicating liquor of any kind at any time in connection with the 58459  
permit holder's business. However, with the exception of an A-1-A 58460  
permit holder that also has been issued an A-2 or A-2f permit, an 58461  
A-1-A, A-1c, or D permit holder may provide to a paying customer 58462  
not more than a total of four tasting samples of beer, wine, or 58463  
spirituous liquor, as authorized by the applicable permit, in any 58464  
twenty-four-hour period. The permit holder shall provide the 58465  
tasting samples free of charge, at the permit holder's expense, 58466  
only to a person who is twenty-one years of age or older. The 58467  
person shall consume the tasting samples on the premises of the 58468  
permit holder. A distributor is not responsible for the costs of 58469  
providing tasting samples authorized under division (D) of this 58470  
section. 58471

As used in division (D) of this section: 58472

(1) "Tasting sample" means one of the following, as 58473  
applicable: 58474

(a) An amount not to exceed two ounces of beer; 58475

(b) An amount not to exceed two ounces of wine; 58476

handicapped persons that have been modified by being equipped with 60265  
adaptive equipment to facilitate the movement of such persons into 60266  
and out of the vans; 60267

(3) Buses used principally for the transportation of 60268

**Sec. 4503.066.** (A)(1) To obtain a tax reduction under section 4503.065 of the Revised Code, the owner of the home shall file an application with the county auditor of the county in which the home is located. An application for reduction in taxes based upon a physical disability shall be accompanied by a certificate signed by a physician, and an application for reduction in taxes based upon a mental disability shall be accompanied by a certificate signed by a physician or psychologist licensed to practice in this state. The certificate shall attest to the fact that the applicant is permanently and totally disabled, shall be in a form that the department of taxation requires, and shall include the definition of totally and permanently disabled as set forth in section 4503.064 of the Revised Code. An application for reduction in taxes based upon a disability certified as permanent and total by a state or federal agency having the function of so classifying persons shall be accompanied by a certificate from that agency. An application by a disabled veteran for the reduction under division (B) of section 4503.065 of the Revised Code shall be accompanied by a letter or other written confirmation from the United States department of veterans affairs, or its predecessor or successor agency, showing that the veteran qualifies as a disabled veteran.

(2) Each application shall constitute a continuing application for a reduction in taxes for each year in which the manufactured or mobile home is occupied by the applicant. Failure to receive a new application or notification under division (B) of this section after an application for reduction has been approved is prima-facie evidence that the original applicant is entitled to the reduction calculated on the basis of the information contained in the original application. The original application and any subsequent application shall be in the form of a signed statement and shall be filed ~~not later than the first Monday in June on or~~

before the thirty-first day of December of the year for which the reduction is sought. The statement shall be on a form, devised and supplied by the tax commissioner, that shall require no more information than is necessary to establish the applicant's eligibility for the reduction in taxes and the amount of the reduction to which the applicant is entitled. The form shall contain a statement that signing such application constitutes a delegation of authority by the applicant to the tax commissioner or the county auditor, individually or in consultation with each other, to examine any tax or financial records that relate to the income of the applicant as stated on the application for the purpose of determining eligibility under, or possible violation of, division (C) or (D) of this section. The form also shall contain a statement that conviction of willfully falsifying information to obtain a reduction in taxes or failing to comply with division (B) of this section shall result in the revocation of the right to the reduction for a period of three years.

If an application filed for the current tax year is approved after the taxes have been paid for the current year, the amount of the reduction in taxes for the current year shall be treated as an overpayment of taxes in the same manner as a late application under division (A)(3) of this section.

(3) A late application for a reduction in taxes for the year preceding the year for which an original application is filed may be filed with an original application. If the auditor determines that the information contained in the late application is correct, the auditor shall determine both the amount of the reduction in taxes to which the applicant would have been entitled for the current tax year had the application been timely filed and approved in the preceding year, and the amount the taxes levied under section 4503.06 of the Revised Code for the current year would have been reduced as a result of the reduction. When an

applicant is permanently and totally disabled on the first day of 60339  
January of the year in which the applicant files a late 60340  
application, the auditor, in making the determination of the 60341  
amounts of the reduction in taxes under division (A)(3) of this 60342  
section, is not required to determine that the applicant was 60343  
permanently and totally disabled on the first day of January of 60344  
the preceding year. 60345

The amount of the reduction in taxes pursuant to a late 60346  
application shall be treated as an overpayment of taxes by the 60347  
applicant. The auditor shall credit the amount of the overpayment 60348  
against the amount of the taxes or penalties then due from the 60349  
applicant, and, at the next succeeding settlement, the amount of 60350  
the credit shall be deducted from the amount of any taxes or 60351  
penalties distributable to the county or any taxing unit in the 60352  
county that has received the benefit of the taxes or penalties 60353  
previously overpaid, in proportion to the benefits previously 60354  
received. If, after the credit has been made, there remains a 60355  
balance of the overpayment, or if there are no taxes or penalties 60356  
due from the applicant, the auditor shall refund that balance to 60357  
the applicant by a warrant drawn on the county treasurer in favor 60358  
of the applicant. The treasurer shall pay the warrant from the 60359  
general fund of the county. If there is insufficient money in the 60360  
general fund to make the payment, the treasurer shall pay the 60361  
warrant out of any undivided manufactured or mobile home taxes 60362  
subsequently received by the treasurer for distribution to the 60363  
county or taxing district in the county that received the benefit 60364  
of the overpaid taxes, in proportion to the benefits previously 60365  
received, and the amount paid from the undivided funds shall be 60366  
deducted from the money otherwise distributable to the county or 60367  
taxing district in the county at the next or any succeeding 60368  
distribution. At the next or any succeeding distribution after 60369  
making the refund, the treasurer shall reimburse the general fund 60370  
for any payment made from that fund by deducting the amount of 60371

that payment from the money distributable to the county or other 60372  
taxing unit in the county that has received the benefit of the 60373  
taxes, in proportion to the benefits previously received. ~~On the~~ 60374  
~~second Monday in September of each year, the~~ The county auditor 60375  
shall certify the total amount of the reductions in taxes made in 60376  
the current year under division (A)(3) of this section to the tax 60377  
commissioner who shall treat that amount as a reduction in taxes 60378  
for the current tax year and shall make reimbursement to the 60379  
county of that amount in the manner prescribed in section 4503.068 60380  
of the Revised Code, from moneys appropriated for that purpose. 60381

(B) If in any year for which an application for reduction in 60382  
taxes has been approved the owner no longer qualifies for the 60383  
reduction, the owner shall notify the county auditor that the 60384  
owner is not qualified for a reduction in taxes. 60385

During ~~January~~ February of each year, the county auditor 60386  
shall furnish each person whose application for reduction has been 60387  
approved, by ordinary mail, a form on which to report any changes 60388  
in total income, ownership, occupancy, disability, and other 60389  
information earlier furnished the auditor relative to the 60390  
application. The form shall be completed and returned to the 60391  
auditor not later than the ~~first Monday in June~~ thirty-first day 60392  
of December if the changes would affect the person's eligibility 60393  
for the reduction. 60394

(C) No person shall knowingly make a false statement for the 60395  
purpose of obtaining a reduction in taxes under section 4503.065 60396  
of the Revised Code. 60397

(D) No person shall knowingly fail to notify the county 60398  
auditor of any change required by division (B) of this section 60399  
that has the effect of maintaining or securing a reduction in 60400  
taxes under section 4503.065 of the Revised Code. 60401

(E) No person shall knowingly make a false statement or 60402

certification attesting to any person's physical or mental 60403  
condition for purposes of qualifying such person for tax relief 60404  
pursuant to sections 4503.064 to 4503.069 of the Revised Code. 60405

(F) Whoever violates division (C), (D), or (E) of this 60406

owner, the official issuing the certificate shall indicate the 60543  
issuance with a stamp on the certificate of title or memorandum 60544  
certificate or, in the case of an electronic certificate of title, 60545

registration of the vehicle as required under this division. 60562

(C)(1) Except as otherwise provided in division (C)(1) of 60563  
this section, the registrar and each deputy registrar shall 60564  
collect an additional fee of eleven dollars for each application 60565  
for registration and registration renewal received. For vehicles 60566  
specified in divisions (A)(1) to (21) of section 4503.042 of the 60567  
Revised Code, the registrar and deputy registrar shall collect an 60568  
additional fee of thirty dollars for each application for 60569  
registration and registration renewal received. No additional fee 60570  
shall be charged for vehicles registered under section 4503.65 of 60571  
the Revised Code. The additional fee is for the purpose of 60572  
defraying the department of public safety's costs associated with 60573  
the administration and enforcement of the motor vehicle and 60574  
traffic laws of Ohio. Each deputy registrar shall transmit the 60575  
fees collected under division (C)(1) of this section in the time 60576  
and manner provided in this section. The registrar shall deposit 60577  
all moneys received under division (C)(1) of this section into the 60578  
public safety - highway purposes fund established in section 60579  
4501.06 of the Revised Code. 60580

(2) In addition, a charge of twenty-five cents shall be made 60581  
for each reflectorized safety license plate issued, and a single 60582  
charge of twenty-five cents shall be made for each county 60583  
identification sticker or each set of county identification 60584  
stickers issued, as the case may be, to cover the cost of 60585  
producing the license plates and stickers, including material, 60586  
manufacturing, and administrative costs. Those fees shall be in 60587  
addition to the license tax. If the total cost of producing the 60588  
plates is less than twenty-five cents per plate, or if the total 60589  
cost of producing the stickers is less than twenty-five cents per 60590  
sticker or per set issued, any excess moneys accruing from the 60591

fees shall be distributed in the same manner as provided by 60592  
section 4501.04 of the Revised Code for the distribution of 60593  
license tax moneys. If the total cost of producing the plates 60594  
exceeds twenty-five cents per plate, or if the total cost of 60595  
producing the stickers exceeds twenty-five cents per sticker or 60596  
per set issued, the difference shall be paid from the license tax 60597  
moneys collected pursuant to section 4503.02 of the Revised Code. 60598

(D) Each deputy registrar shall be allowed a fee equal to the 60599  
amount established under section 4503.038 of the Revised Code for 60600  
each application for registration and registration renewal notice 60601  
the deputy registrar receives, which shall be for the purpose of 60602  
compensating the deputy registrar for the deputy registrar's 60603  
services, and such office and rental expenses, as may be necessary 60604  
for the proper discharge of the deputy registrar's duties in the 60605  
receiving of applications and renewal notices and the issuing of 60606  
registrations. 60607

(E) Upon the certification of the registrar, the county 60608  
sheriff or local police officials shall recover license plates 60609  
erroneously or fraudulently issued. 60610

(F) Each deputy registrar, upon receipt of any application 60611  
for registration or registration renewal notice, together with the 60612  
license fee and any local motor vehicle license tax levied 60613  
pursuant to Chapter 4504. of the Revised Code, shall transmit that 60614  
fee and tax, if any, in the manner provided in this section, 60615  
together with the original and duplicate copy of the application, 60616  
to the registrar. The registrar, subject to the approval of the 60617  
director of public safety, may deposit the funds collected by 60618  
those deputies in a local bank or depository to the credit of the 60619  
"state of Ohio, bureau of motor vehicles." Where a local bank or 60620  
depository has been designated by the registrar, each deputy 60621  
registrar shall deposit all moneys collected by the deputy 60622  
registrar into that bank or depository not more than one business 60623

day after their collection and shall make reports to the registrar 60624  
of the amounts so deposited, together with any other information, 60625  
some of which may be prescribed by the treasurer of state, as the 60626  
registrar may require and as prescribed by the registrar by rule. 60627  
The registrar, within three days after receipt of notification of 60628  
the deposit of funds by a deputy registrar in a local bank or 60629  
depository, shall draw on that account in favor of the treasurer 60630  
of state. The registrar, subject to the approval of the director 60631  
and the treasurer of state, may make reasonable rules necessary 60632  
for the prompt transmittal of fees and for safeguarding the 60633  
interests of the state and of counties, townships, municipal 60634  
corporations, and transportation improvement districts levying 60635  
local motor vehicle license taxes. The registrar may pay service 60636  
charges usually collected by banks and depositories for such 60637  
service. If deputy registrars are located in communities where 60638  
banking facilities are not available, they shall transmit the fees 60639  
forthwith, by money order or otherwise, as the registrar, by rule 60640  
approved by the director and the treasurer of state, may 60641  
prescribe. The registrar may pay the usual and customary fees for 60642  
such service. 60643

(G) This section does not prevent any person from making an 60644  
application for a motor vehicle license directly to the registrar 60645  
by mail, by electronic means, or in person at any of the 60646  
registrar's offices, upon payment of a service fee equal to the 60647  
amount established under section 4503.038 of the Revised Code for 60648  
each application. 60649

(H) No person shall make a false statement as to the district 60650  
of registration in an application required by division (A) of this 60651  
section. Violation of this division is falsification under section 60652  
2921.13 of the Revised Code and punishable as specified in that 60653  
section. 60654

(I)(1) Where applicable, the requirements of division (B) of 60655

this section relating to the presentation of an inspection certificate issued under section 3704.14 of the Revised Code and rules adopted under it for a motor vehicle, the refusal of a license for failure to present an inspection certificate, and the stamping of the inspection certificate by the official issuing the certificate of registration apply to the registration of and issuance of license plates for a motor vehicle under sections 4503.102, 4503.12, 4503.14, 4503.15, 4503.16, 4503.171, 4503.172, 4503.19, 4503.40, 4503.41, 4503.42, 4503.43, 4503.44, 4503.46, 4503.47, and 4503.51 of the Revised Code.

(2)(a) The registrar shall adopt rules ensuring that each owner registering a motor vehicle in a county where a motor vehicle inspection and maintenance program is in effect under section 3704.14 of the Revised Code and rules adopted under it receives information about the requirements established in that section and those rules and about the need in those counties to present an inspection certificate with an application for registration or preregistration.

(b) Upon request, the registrar shall provide the director of environmental protection, or any person that has been awarded a contract under section 3704.14 of the Revised Code, an on-line computer data link to registration information for all passenger cars, noncommercial motor vehicles, and commercial cars that are subject to that section. The registrar also shall provide to the director of environmental protection a magnetic data tape containing registration information regarding passenger cars, noncommercial motor vehicles, and commercial cars for which a multi-year registration is in effect under section 4503.103 of the Revised Code or rules adopted under it, including, without limitation, the date of issuance of the multi-year registration, the registration deadline established under rules adopted under section 4503.101 of the Revised Code that was applicable in the

year in which the multi-year registration was issued, and the 60688  
registration deadline for renewal of the multi-year registration. 60689

(J) Subject to division (K) of this section, application for 60690  
registration under the international registration plan, as set 60691  
forth in sections 4503.60 to 4503.66 of the Revised Code, shall be 60692  
made to the registrar on forms furnished by the registrar. In 60693  
accordance with international registration plan guidelines and 60694  
pursuant to rules adopted by the registrar, the forms shall 60695  
include the following: 60696

(1) A uniform mileage schedule; 60697

(2) The gross vehicle weight of the vehicle or combined gross 60698  
vehicle weight of the combination vehicle as declared by the 60699  
registrant; 60700

(3) Any other information the registrar requires by rule. 60701

(K) The registrar shall determine the feasibility of 60702  
implementing an electronic commercial fleet licensing and 60703  
management program that will enable the owners of commercial 60704  
tractors, commercial trailers, and commercial semitrailers to 60705  
conduct electronic transactions by July 1, 2010, or sooner. If the 60706  
registrar determines that implementing such a program is feasible, 60707  
the registrar shall adopt new rules under this division or amend 60708  
existing rules adopted under this division as necessary in order 60709  
to respond to advances in technology. 60710

If international registration plan guidelines and provisions 60711  
allow member jurisdictions to permit applications for 60712  
registrations under the international registration plan to be made 60713  
via the internet, the rules the registrar adopts under this 60714  
division shall permit such action. 60715

**Sec. 4503.101.** (A) The registrar of motor vehicles shall 60716  
adopt rules to establish a system of motor vehicle registration 60717

based upon the type of vehicle to be registered, the type of 60718  
ownership of the vehicle, the class of license plate to be issued, 60719  
and any other factor the registrar determines to be relevant. 60720  
Except for commercial cars, buses, trailers, and semitrailers that 60721  
are registered in this state and that are taxed under ~~section~~ 60722  
sections 4503.042 and 4503.65 of the Revised Code; except for 60723  
rental vehicles owned by motor vehicle renting dealers; and except 60724  
as otherwise provided by rule, motor vehicles owned by an 60725  
individual shall be registered based upon the motor vehicle 60726  
owner's date of birth. Beginning with the 2004 registration year, 60727  
the registrar shall assign motor vehicles to the registration 60728  
periods established by rules adopted under this section. 60729

(B) The registrar shall adopt rules to permit motor vehicle 60730  
owners residing together at one address to select the date of 60731  
birth of any one of the owners as the date to register any or all 60732  
of the vehicles at that residence address, as shown in the records 60733  
of the bureau of motor vehicles. 60734

(C) The registrar shall adopt rules to assign and reassign 60735  
all commercial cars, trailers, and semitrailers that are 60736  
registered in this state and that are taxed under ~~section~~ sections 60737  
4503.042 and 4503.65 of the Revised Code and all rental vehicles 60738  
owned by motor vehicle renting dealers to a system of registration 60739  
so that the registrations of approximately one-twelfth of all such 60740  
vehicles expire on the last day of each month of a calendar year. 60741  
To effect a reassignment from the registration period in effect on 60742  
June 30, 2003, to the new registration periods established by the 60743  
rules adopted under this section as amended, the rules may require 60744  
the motor vehicle to be registered for more or less than a 60745  
twelve-month period at the time the motor vehicle's registration 60746  
is subject to its initial renewal following the effective date of 60747  
such rules. If necessary to effect an efficient transition, the 60748  
rules may provide that the registration reassignments take place 60749

over two consecutive registration periods. The registration taxes 60750  
to be charged shall be determined by the registrar on the basis of 60751  
the annual tax otherwise due on the motor vehicle, prorated in 60752  
accordance with the number of months for which the motor vehicle 60753  
is registered, except that the fee established by division (C)(1) 60754  
of section 4503.10 of the Revised Code shall be collected in full 60755  
for each renewal that occurs during the transition period and 60756  
shall not be prorated. 60757

(D) The registrar shall adopt rules to permit any commercial 60758  
motor vehicle owner or motor vehicle renting dealer who owns two 60759  
or more motor vehicles to request the registrar to permit the 60760  
owner to separate the owner's fleet into up to four divisions for 60761  
assignment to separate dates upon which to register the vehicles, 60762  
provided that the registrar may disapprove any such request 60763  
whenever the registrar has reason to believe that an uneven 60764  
distribution of registrations throughout the calendar year has 60765  
developed or is likely to develop. 60766

(E) Every owner or lessee of a motor vehicle holding a 60767  
certificate of registration shall notify the registrar of any 60768  
change of the owner's or lessee's correct address within ten days 60769  
after the change occurs. The notification shall be in writing on a 60770  
form provided by the registrar or by electronic means approved by 60771  
the registrar and shall include the full name, date of birth if 60772  
applicable, license number, county of residence or place of 60773  
business, social security account number of an individual or 60774  
federal tax identification number of a business, and new address. 60775

(F) As used in this section, "motor vehicle renting dealer" 60776  
has the same meaning as in section 4549.65 of the Revised Code. 60777

**Sec. 4503.15.** Owners and lessees of motor vehicles who are 60778  
residents of this state and hold an unrevoked and unexpired 60779  
license duly admitting them to the practice of medicine in this 60780

state, upon application, accompanied by proof of the issuance to 60781  
the applicant by this state of a ~~certificate~~ license issued 60782  
pursuant to section 4731.14 of the Revised Code authorizing the 60783  
person to engage in the practice of medicine, upon complying with 60784  
the motor vehicle laws relating to registration and licensing of 60785  
motor vehicles, and upon payment of the regular license fee, as 60786

Sec. 4504.201. No commercial car that is taxed under division 61161  
(A) of section 4503.65 of the Revised Code, and no commercial bus 61162  
that is taxed under division (B) of section 4503.65 of the Revised 61163  
Code, is subject to a tax established under section 4504.02, 61164  
4504.06, 4504.15, 4504.16, 4504.17, 4504.171, 4504.172, 4504.18, 61165  
or 4504.24 of the Revised Code. 61166

**Sec. 4505.06.** (A)(1) Application for a certificate of title 61167  
shall be made in a form prescribed by the registrar of motor 61168  
vehicles and shall be sworn to before a notary public or other 61169  
officer empowered to administer oaths. The application shall be 61170  
filed with the clerk of any court of common pleas. An application 61171  
for a certificate of title may be filed electronically by any 61172  
electronic means approved by the registrar in any county with the 61173  
clerk of the court of common pleas of that county. Any payments 61174  
required by this chapter shall be considered as accompanying any 61175  
electronically transmitted application when payment actually is 61176  
received by the clerk. Payment of any fee or taxes may be made by 61177  
electronic transfer of funds. 61178

(2) The application for a certificate of title shall be 61179

accompanied by the fee prescribed in section 4505.09 of the Revised Code. The fee shall be retained by the clerk who issues the certificate of title and shall be distributed in accordance with that section. If a clerk of a court of common pleas, other than the clerk of the court of common pleas of an applicant's county of residence, issues a certificate of title to the applicant, the clerk shall transmit data related to the transaction to the automated title processing system.

(3) If a certificate of title previously has been issued for a motor vehicle in this state, the application for a certificate of title also shall be accompanied by that certificate of title duly assigned, unless otherwise provided in this chapter. If a certificate of title previously has not been issued for the motor vehicle in this state, the application, unless otherwise provided in this chapter, shall be accompanied by a manufacturer's or importer's certificate or by a certificate of title of another state from which the motor vehicle was brought into this state. If the application refers to a motor vehicle last previously registered in another state, the application also shall be accompanied by the physical inspection certificate required by section 4505.061 of the Revised Code. If the application is made by two persons regarding a motor vehicle in which they wish to establish joint ownership with right of survivorship, they may do so as provided in section 2131.12 of the Revised Code. If the applicant requests a designation of the motor vehicle in beneficiary form so that upon the death of the owner of the motor vehicle, ownership of the motor vehicle will pass to a designated transfer-on-death beneficiary or beneficiaries, the applicant may do so as provided in section 2131.13 of the Revised Code. A person who establishes ownership of a motor vehicle that is transferable on death in accordance with section 2131.13 of the Revised Code may terminate that type of ownership or change the designation of the transfer-on-death beneficiary or beneficiaries by applying for

a certificate of title pursuant to this section. The clerk shall 61213  
retain the evidence of title presented by the applicant and on 61214  
which the certificate of title is issued, except that, if an 61215  
application for a certificate of title is filed electronically by 61216  
an electronic motor vehicle dealer on behalf of the purchaser of a 61217  
motor vehicle, the clerk shall retain the completed electronic 61218  
record to which the dealer converted the certificate of title 61219  
application and other required documents. The registrar, after 61220  
consultation with the attorney general, shall adopt rules that 61221  
govern the location at which, and the manner in which, are stored 61222  
the actual application and all other documents relating to the 61223  
sale of a motor vehicle when an electronic motor vehicle dealer 61224  
files the application for a certificate of title electronically on 61225  
behalf of the purchaser. Not later than December 31, 2017, the 61226  
registrar shall arrange for a service that enables all electronic 61227  
motor vehicle dealers to file applications for certificates of 61228  
title on behalf of purchasers of motor vehicles electronically by 61229  
transferring the applications directly from the computer systems 61230  
of the dealers to the clerk. 61231

The clerk shall use reasonable diligence in ascertaining 61232  
whether or not the facts in the application for a certificate of 61233  
title are true by checking the application and documents 61234  
accompanying it or the electronic record to which a dealer 61235  
converted the application and accompanying documents with the 61236  
records of motor vehicles in the clerk's office. If the clerk is 61237  
satisfied that the applicant is the owner of the motor vehicle and 61238  
that the application is in the proper form, the clerk, within five 61239  
business days after the application is filed and except as 61240  
provided in section 4505.021 of the Revised Code, shall issue a 61241  
physical certificate of title over the clerk's signature and 61242  
sealed with the clerk's seal, unless the applicant specifically 61243  
requests the clerk not to issue a physical certificate of title 61244  
and instead to issue an electronic certificate of title. For 61245

purposes of the transfer of a certificate of title, if the clerk 61246  
is satisfied that the secured party has duly discharged a lien 61247  
notation but has not canceled the lien notation with a clerk, the 61248  
clerk may cancel the lien notation on the automated title 61249  
processing system and notify the clerk of the county of origin. 61250

(4) In the case of the sale of a motor vehicle to a general 61251  
buyer or user by a dealer, by a motor vehicle leasing dealer 61252  
selling the motor vehicle to the lessee or, in a case in which the 61253  
leasing dealer subleased the motor vehicle, the sublessee, at the 61254  
end of the lease agreement or sublease agreement, or by a 61255  
manufactured housing broker, the certificate of title shall be 61256  
obtained in the name of the buyer by the dealer, leasing dealer, 61257  
or manufactured housing broker, as the case may be, upon 61258  
application signed by the buyer. The certificate of title shall be 61259  
issued, or the process of entering the certificate of title 61260  
application information into the automated title processing system 61261  
if a physical certificate of title is not to be issued shall be 61262  
completed, within five business days after the application for 61263  
title is filed with the clerk. If the buyer of the motor vehicle 61264  
previously leased the motor vehicle and is buying the motor 61265  
vehicle at the end of the lease pursuant to that lease, the 61266  
certificate of title shall be obtained in the name of the buyer by 61267  
the motor vehicle leasing dealer who previously leased the motor 61268  
vehicle to the buyer or by the motor vehicle leasing dealer who 61269  
subleased the motor vehicle to the buyer under a sublease 61270  
agreement. 61271

In all other cases, except as provided in section 4505.032 61272  
and division (D)(2) of section 4505.11 of the Revised Code, such 61273  
certificates shall be obtained by the buyer. 61274

(5)(a)(i) If the certificate of title is being obtained in 61275  
the name of the buyer by a motor vehicle dealer or motor vehicle 61276  
leasing dealer and there is a security interest to be noted on the 61277

certificate of title, the dealer or leasing dealer shall submit 61278  
the application for the certificate of title and, if required by 61279  
division (B)(5) of this section, payment of the applicable tax to 61280  
a clerk within seven business days after the later of the delivery 61281  
of the motor vehicle to the buyer or the date the dealer or 61282  
leasing dealer obtains the manufacturer's or importer's 61283  
certificate, or certificate of title issued in the name of the 61284  
dealer or leasing dealer, for the motor vehicle. Submission of the 61285  
application for the certificate of title and payment, if required, 61286  
of the applicable tax within the required seven business days may 61287  
be indicated by postmark or receipt by a clerk within that period. 61288

(ii) Upon receipt of the certificate of title with the 61289  
security interest noted on its face, the dealer or leasing dealer 61290  
shall forward the certificate of title to the secured party at the 61291  
location noted in the financing documents or otherwise specified 61292  
by the secured party. 61293

(iii) A motor vehicle dealer or motor vehicle leasing dealer 61294  
is liable to a secured party for a late fee of ten dollars per day 61295  
for each certificate of title application and, if required by 61296  
division (B)(5) of this section, payment of the applicable tax 61297  
~~that is,~~ submitted to a clerk more than seven business days but 61298  
less than twenty-one days after the later of the delivery of the 61299  
motor vehicle to the buyer or the date the dealer or leasing 61300  
dealer obtains the manufacturer's or importer's certificate, or 61301  
certificate of title issued in the name of the dealer or leasing 61302  
dealer, for the motor vehicle and, from then on, twenty-five 61303  
dollars per day until the application and applicable tax are 61304  
submitted to a clerk. 61305

(b) In all cases of transfer of a motor vehicle except the 61306  
transfer of a manufactured home or mobile home, the application 61307  
for certificate of title shall be filed within thirty days after 61308  
the assignment or delivery of the motor vehicle. 61309

(c) An application for a certificate of title for a new manufactured home shall be filed within thirty days after the delivery of the new manufactured home to the purchaser. The date of the delivery shall be the date on which an occupancy permit for the manufactured home is delivered to the purchaser of the home by the appropriate legal authority.

(d) An application for a certificate of title for a used manufactured home or a used mobile home shall be filed as follows:

(i) If a certificate of title for the used manufactured home or used mobile home was issued to the motor vehicle dealer prior to the sale of the manufactured or mobile home to the purchaser, the application for certificate of title shall be filed within thirty days after the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority.

(ii) If the motor vehicle dealer has been designated by a secured party to display the manufactured or mobile home for sale, or to sell the manufactured or mobile home under section 4505.20 of the Revised Code, but the certificate of title has not been transferred by the secured party to the motor vehicle dealer, and the dealer has complied with the requirements of division (A) of section 4505.181 of the Revised Code, the application for certificate of title shall be filed within thirty days after the date on which the motor vehicle dealer obtains the certificate of title for the home from the secured party or the date on which an occupancy permit for the manufactured or mobile home is delivered to the purchaser by the appropriate legal authority, whichever occurs later.

(6) If an application for a certificate of title is not filed within the period specified in division (A)(5)(b), (c), or (d) of this section, the clerk shall collect a fee of five dollars for the issuance of the certificate, except that no such fee shall be

required from a motor vehicle salvage dealer, as defined in 61342  
division (A) of section 4738.01 of the Revised Code, who 61343  
immediately surrenders the certificate of title for cancellation. 61344  
The fee shall be in addition to all other fees established by this 61345  
chapter, and shall be retained by the clerk. The registrar shall 61346  
provide, on the certificate of title form prescribed by section 61347  
4505.07 of the Revised Code, language necessary to give evidence 61348  
of the date on which the assignment or delivery of the motor 61349  
vehicle was made. 61350

(7) As used in division (A) of this section, "lease 61351  
agreement," "lessee," and "sublease agreement" have the same 61352  
meanings as in section 4505.04 of the Revised Code and "new 61353  
manufactured home," "used manufactured home," and "used mobile 61354  
home" have the same meanings as in section 5739.0210 of the 61355  
Revised Code. 61356

(B)(1) The clerk, except as otherwise provided in this 61357  
section, shall refuse to accept for filing any application for a 61358  
certificate of title and shall refuse to issue a certificate of 61359  
title unless the dealer or the applicant, in cases in which the 61360  
certificate shall be obtained by the buyer, submits with the 61361  
application payment of the tax levied by or pursuant to Chapters 61362  
5739. and 5741. of the Revised Code based on the purchaser's 61363  
county of residence. Upon payment of the tax in accordance with 61364  
division (E) of this section, the clerk shall issue a receipt 61365  
prescribed by the registrar and agreed upon by the tax 61366  
commissioner showing payment of the tax or a receipt issued by the 61367  
commissioner showing the payment of the tax. When submitting 61368  
payment of the tax to the clerk, a dealer shall retain any 61369  
discount to which the dealer is entitled under section 5739.12 of 61370  
the Revised Code. 61371

(2) For receiving and disbursing such taxes paid to the clerk 61372  
by a resident of the clerk's county, the clerk may retain a 61373

poundage fee of one and one one-hundredth per cent, and the clerk 61374  
shall pay the poundage fee into the certificate of title 61375  
administration fund created by section 325.33 of the Revised Code. 61376  
The clerk shall not retain a poundage fee from payments of taxes 61377  
by persons who do not reside in the clerk's county. 61378

A clerk, however, may retain from the taxes paid to the clerk 61379  
an amount equal to the poundage fees associated with certificates 61380  
of title issued by other clerks of courts of common pleas to 61381  
applicants who reside in the first clerk's county. The registrar, 61382  
in consultation with the tax commissioner and the clerks of the 61383  
courts of common pleas, shall develop a report from the automated 61384  
title processing system that informs each clerk of the amount of 61385  
the poundage fees that the clerk is permitted to retain from those 61386  
taxes because of certificates of title issued by the clerks of 61387  
other counties to applicants who reside in the first clerk's 61388  
county. 61389

(3) In the case of casual sales of motor vehicles, as defined 61390  
in section 4517.01 of the Revised Code, the price for the purpose 61391  
of determining the tax shall be the purchase price on the assigned 61392  
certificate of title executed by the seller and filed with the 61393  
clerk by the buyer on a form to be prescribed by the registrar, 61394  
which shall be prima-facie evidence of the amount for the 61395  
determination of the tax. 61396

(4) Each county clerk shall forward to the treasurer of state 61397  
all sales and use tax collections resulting from sales of motor 61398  
vehicles, off-highway motorcycles, and all-purpose vehicles during 61399  
a calendar week on or before the Friday following the close of 61400  
that week. If, on any Friday, the offices of the clerk of courts 61401  
or the state are not open for business, the tax shall be forwarded 61402  
to the treasurer of state on or before the next day on which the 61403  
offices are open. Every remittance of tax under division (B)(4) of 61404  
this section shall be accompanied by a remittance report in such 61405

form as the tax commissioner prescribes. Upon receipt of a tax  
remittance and remittance report, the treasurer of state shall  
date stamp the report and forward it to the tax commissioner. If  
the tax due for any week is not remitted by a clerk of courts as  
required under division (B)(4) of this section, the commissioner  
may require the clerk to forfeit the poundage fees for the sales  
made during that week. The treasurer of state may require the  
clerks of courts to transmit tax collections and remittance  
reports electronically.

(5) On and after January 1, 2018, a new or used motor vehicle  
dealer licensed in this state, in lieu of remitting the tax levied  
by or pursuant to Chapters 5739. and 5741. of the Revised Code to  
the clerk under this section, may elect to submit to the clerk a  
certificate acknowledging the sale or lease of the motor vehicle,  
stating the purchaser's county of residence, and pledging that the  
dealer will report and remit the tax due as required by section  
5739.12 or 5741.12 of the Revised Code, whichever is applicable.  
For each dealer that reports and remits the tax due pursuant to an  
election under division (B)(5) of this section, the director of  
budget and management shall transfer from the general revenue fund  
to the certificate of title administration fund an amount equal to  
the poundage fees that the clerk would be entitled to retain if  
the dealer had remitted the tax due to the clerk under division  
(A)(5)(a) of this section. The registrar, in consultation with the  
tax commissioner, the director, and the clerks of courts of common  
pleas, shall develop a report from the automated title processing  
system that informs each clerk, the commissioner, and the director  
of the amount of the poundage fees that each clerk is permitted to  
receive because of the certificates of title issued by the clerks.  
A motor vehicle dealer that does not report and remit the tax due  
pursuant to an election under division (B)(5) of this section  
shall pay the tax to the clerk of courts as provided in division  
(A)(5)(a) of this section.

(C)(1) If the transferor indicates on the certificate of title that the odometer reflects mileage in excess of the designed mechanical limit of the odometer, the clerk shall enter the phrase "exceeds mechanical limits" following the mileage designation. If the transferor indicates on the certificate of title that the odometer reading is not the actual mileage, the clerk shall enter the phrase "nonactual: warning - odometer discrepancy" following the mileage designation. The clerk shall use reasonable care in transferring the information supplied by the transferor, but is not liable for any errors or omissions of the clerk or those of the clerk's deputies in the performance of the clerk's duties created by this chapter.

The registrar shall prescribe an affidavit in which the transferor shall swear to the true selling price and, except as provided in this division, the true odometer reading of the motor vehicle. The registrar may prescribe an affidavit in which the seller and buyer provide information pertaining to the odometer reading of the motor vehicle in addition to that required by this section, as such information may be required by the United States secretary of transportation by rule prescribed under authority of subchapter IV of the "Motor Vehicle Information and Cost Savings Act," 86 Stat. 961 (1972), 15 U.S.C. 1981.

(2) Division (C)(1) of this section does not require the giving of information concerning the odometer and odometer reading of a motor vehicle when ownership of a motor vehicle is being transferred as a result of a bequest, under the laws of intestate succession, to a survivor pursuant to section 2106.18, 2131.12, or 4505.10 of the Revised Code, to a transfer-on-death beneficiary or beneficiaries pursuant to section 2131.13 of the Revised Code, in connection with the creation of a security interest or for a vehicle with a gross vehicle weight rating of more than sixteen thousand pounds.

(D) When the transfer to the applicant was made in some other state or in interstate commerce, the clerk, except as provided in this section, shall refuse to issue any certificate of title unless the tax imposed by or pursuant to Chapter 5741. of the Revised Code based on the purchaser's county of residence has been paid as evidenced by a receipt issued by the tax commissioner, or unless the applicant submits with the application payment of the tax. Upon payment of the tax in accordance with division (E) of this section, the clerk shall issue a receipt prescribed by the registrar and agreed upon by the tax commissioner, showing payment of the tax.

For receiving and disbursing such taxes paid to the clerk by a resident of the clerk's county, the clerk may retain a poundage fee of one and one one-hundredth per cent. The clerk shall not retain a poundage fee from payments of taxes by persons who do not reside in the clerk's county.

A clerk, however, may retain from the taxes paid to the clerk an amount equal to the poundage fees associated with certificates of title issued by other clerks of courts of common pleas to applicants who reside in the first clerk's county. The registrar, in consultation with the tax commissioner and the clerks of the courts of common pleas, shall develop a report from the automated title processing system that informs each clerk of the amount of the poundage fees that the clerk is permitted to retain from those taxes because of certificates of title issued by the clerks of other counties to applicants who reside in the first clerk's county.

When the vendor is not regularly engaged in the business of selling motor vehicles, the vendor shall not be required to purchase a vendor's license or make reports concerning those sales.

(E) The clerk shall accept any payment of a tax in cash, or

by cashier's check, certified check, draft, money order, or teller 61503  
check issued by any insured financial institution payable to the 61504  
clerk and submitted with an application for a certificate of title 61505  
under division (B) or (D) of this section. The clerk also may 61506  
accept payment of the tax by corporate, business, or personal 61507  
check, credit card, electronic transfer or wire transfer, debit 61508  
card, or any other accepted form of payment made payable to the 61509  
clerk. The clerk may require bonds, guarantees, or letters of 61510  
credit to ensure the collection of corporate, business, or 61511  
personal checks. Any service fee charged by a third party to a 61512  
clerk for the use of any form of payment may be paid by the clerk 61513  
from the certificate of title administration fund created in 61514  
section 325.33 of the Revised Code, or may be assessed by the 61515  
clerk upon the applicant as an additional fee. Upon collection, 61516  
the additional fees shall be paid by the clerk into that 61517  
certificate of title administration fund. 61518

The clerk shall make a good faith effort to collect any 61519  
payment of taxes due but not made because the payment was returned 61520  
or dishonored, but the clerk is not personally liable for the 61521  
payment of uncollected taxes or uncollected fees. The clerk shall 61522  
notify the tax commissioner of any such payment of taxes that is 61523  
due but not made and shall furnish the information to the 61524  
commissioner that the commissioner requires. The clerk shall 61525  
deduct the amount of taxes due but not paid from the clerk's 61526  
periodic remittance of tax payments, in accordance with procedures 61527  
agreed upon by the tax commissioner. The commissioner may collect 61528  
taxes due by assessment in the manner provided in section 5739.13 61529  
of the Revised Code. 61530

Any person who presents payment that is returned or 61531  
dishonored for any reason is liable to the clerk for payment of a 61532  
penalty over and above the amount of the taxes due. The clerk 61533  
shall determine the amount of the penalty, and the penalty shall 61534

be no greater than that amount necessary to compensate the clerk 61535  
for banking charges, legal fees, or other expenses incurred by the 61536  
clerk in collecting the returned or dishonored payment. The 61537  
remedies and procedures provided in this section are in addition 61538  
to any other available civil or criminal remedies. Subsequently 61539  
collected penalties, poundage fees, and title fees, less any title 61540  
fee due the state, from returned or dishonored payments collected 61541  
by the clerk shall be paid into the certificate of title 61542  
administration fund. Subsequently collected taxes, less poundage 61543  
fees, shall be sent by the clerk to the treasurer of state at the 61544  
next scheduled periodic remittance of tax payments, with 61545  
information as the commissioner may require. The clerk may abate 61546  
all or any part of any penalty assessed under this division. 61547

(F) In the following cases, the clerk shall accept for filing 61548  
an application and shall issue a certificate of title without 61549  
requiring payment or evidence of payment of the tax: 61550

(1) When the purchaser is this state or any of its political 61551  
subdivisions, a church, or an organization whose purchases are 61552

5739.029 of the Revised Code, and upon presentation of a copy of 61564  
the affidavit provided by that section, and a copy of the 61565

exemption certificate provided by section 5739.03 of the Revised Code; 61566  
61567

(7) When the applicant is a new or used motor vehicle dealer that makes an election and submits a certificate under division (B)(5) of this section. 61568  
61569  
61570
