Regarding the Resnick Referendum; HB 401 and SB 234,
To whom It May Concern:

This is America. We expect what is right and just and fair. As residents of Seneca County, besieged by Industrial Wind project plans, my husband and I fervently pray that HB401 and SB234 pass.

What would take us from rural to Industrial, and adversely affect our health, home, and community ethos, logically and fairly requires input from those most affected. We live here, we should have a say in what happens here. Not anyone else.

Please pass HB401 and SB234.

Sincerely,

Diane Hudock
