

Testimony on House Bill 248
Federalism Committee

Submitted by:
Dion Green

Chair Becker, Vice Chair Stoltzfus, Ranking Member Miller, and members of the committee, thank you for allowing me to present this testimony in opposition to HB 248.

Hello I am Dion Green a proud Ohio citizen and voter of this great state, but I am speaking on behalf of HB248 and the reason why I am against this bill. Well last year on August 4, 2019 me and my father Derrick Fudge was having a good time together because it was the first day I was able to hang out with my family after being affected by the tornadoes that currently tore Dayton area up. But what was a great part of the day turn into a nightmare that night and I don't want nobody to have to experience what I had to endured, because of a young man opening fire in the Oregon District killing 9 people and injury dozens. I had to watch my father and the shooter sister died before my eyes not understanding how I did not die. But holding my father in my arms in his last minute not understanding what had should happen. But I hope and pray that this bill is not introduce because we want to save lives and continue to heal across the nation from gun violence and mass shootings.
