Senate Bill 23 – Six-Week Abortion Ban
Opponent Testimony
Ohio House Health Committee
March 26, 2019

Chairman Merrin, Vice Chair Manning, Ranking Boyd, and Members of the Ohio House Committee,

Life's not started at conception - that's a major misconception!

Denying women the right to choose is like wearing two right shoes!

We are proud and we're pro-choice - you cannot deny our voice - or our vote!

Do not cater to the cruel - pro-choice is the golden rule!

When all pro-choice is selected, you've done right; you'll be re-elected!

Forcing birth should be a crime - stop all bans, it's way past time!

If abortions are all banned, then free day care you must plan!

There must be no unwanted child - too many kids hurt and defiled!

Protect kids already here - pro-choice does that, it is clear!

You choose one way, I choose another— NO ONE forced to be a mother!

We're spending lots of money & time —you stop all bans, I'll stop my rhyme!

Thank you!
