

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

My name is Cory DiCarro and I want to thank you for allowing me proponent testimony for HB 618. I support this bill and urge you to support and vote YES to pass it in order to remove the power to shutdown our state from the director of health. We desperately need to return order to our government. The Governor and Department of Health are unconstitutionally using their position and authority to make mandates that have and will continue to negatively affect the millions of citizens of Ohio. It is an overreach of power and they are infringing on our God-given rights. Please take a stand against this and vote YES for HB 618.

Thank you,  
Cory DiCarro
