

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

Thank you for allowing me proponent testimony for HB 618. I write you today to ask you that you please limit the power of our Health Department and our Governor. Both have crossed the line in ordering unconstitutional mandates while hurting Ohio businesses and the mental health of many Ohioans. The mandates need to stop and checks and balances need to be put in place.

Sincerely,  
Lisa Parkee
