

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee:

Thank you for allowing me sponsor testimony for HB 618. The bill reverses all past, current, and future orders from the Ohio Department of Health regarding the pandemic unless first approved by the Ohio General Assembly. I believe the Governor's latest orders to be close to tyrannical and based on conjecture and the current media narrative.

Please support HB 618.
