

Testimony of Nadera Lopez-Garrity
Proponent House Bill 624
State and Local Government Committee
November 16, 2020

Chairman Wiggam, Vice Chair Stephens, Ranking Member Kelly and honorable members of the State and Local Government Committee.

Thank you for the opportunity to speak today in support of House Bill 624. My name is Nadera Lopez-Garrity and as a concerned citizen in Ohio, I support HB 618 and urge you to vote yes on this proposed legislation. It is enough of the dictatorship rules imposed by the governor and Health Department director(s) that have adversely impacted the lives of Ohioans. We need to honor the checks and balances that are crucial to preserving our rights to life, liberty & pursuit of happiness. The general assembly needs to be involved in that process on behalf of all Ohioans.

Thank you for your time and consideration. Please do not hesitate to contact me directly if you have any questions or concerns.
