

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee: Thank you for allowing me proponent testimony for HB 618.

I am a retired teacher with a fixed income pension. I rely on a part time job to help supplement my income. A new shutdown by Governor DeWine would be a tremendous hardship for me. My adult son hasn't worked since April. His unemployment benefits have run out and he never received a stimulus check. He recently secured a new job but I fear a new shutdown would put him out of work before he even starts working again.
Please pass HB 618 so that we can regain control of our lives.

Sincerely,
Steven Chambers
