

Chairman Wiggam, Vice Chairman Stephens, Ranking Member Kelly, and members of the State and Local Government Committee: Thank you for allowing me sponsor testimony for HB 618.

I am medically unable to wear a face covering. I have a signed document from my medical doctor. I also have a very strong immune system.

I'm scared to leave my home. NOT because of the virus.... because of the bullying and failure of small businesses in my community. My community is failing. The emergency orders need to end. I am responsible for my own health and the health of my family. Restore my constitutional rights. Lift DeWine's power over us.

Thank you for your time.

God bless.
