RE: Support S.B. 360

Good afternoon Chairman Wiggam, Vice Chair Stephens, and ranking member Kelly. While I am a BOD member of multiple organizations, my testimony today is in the capacity of an individual in support of S.B. 360.

Our God given right to keep and bear arms is enshrined in the Second Amendment to the United States Constitution and Article I, Section 4 of the Ohio Constitution.

Just as many people wait to buy batteries and toilet paper until they “need them,” some people also delay the purchase of guns and ammunition until they perceive a real need.

No government official should be able to prohibit individuals from exercising fundamental Constitutional rights or obtaining supplies for basic needs, especially in times of unrest.

S.B. 360 accomplishes this goal and is good public policy. I endorse this legislation and urge its passing.

Thank you for your consideration.
