

1-16-20

Dear Senator Steve Wilson,

I'm writing in regards to SB 234, I have read the pros and cons. I feel that the local residents should be able to voice their opinions and vote on issue that affect their community. I hope you will take this into consideration and support SB 234.

Thanks.

Dear Senator Steve willson

In regards to Bill SB 234
which is about voting on
the windmills, every member of
the community should be able
to vote on ideas and items
that effect their community.

Kyle Strupke

Powell Ohio

Dear Senator Steve Wilson,

I am writing in hopes that you will strongly consider voting in favor of SB234.

I have reviewed the pros and cons regarding wind turbines, and am very much opposed of the construction in our area.

As a resident of Ohio, I feel that it is our right to vote on issues that would directly impact our area. So again, I ask that you consider voting in favor of SB234 and allowing our voices the chance and opportunity to be heard.

Let me thank you for your consideration regarding this most important bill.

Sincerely,
Cheryl Renfro

Dear Senator Steve Wilson:

I am writing this letter in hopes that you will strongly consider voting in favor of **SB 234** which would allow residents of unincorporated townships to approve or reject wind farm projects by referendum ballot.

I have read the pros and cons regarding the use of wind turbines to produce energy, I am very much against the construction and use in the great State of Ohio.

I strongly feel that we should allow residents to vote and decide if the turbines should be installed rather than solely decided by the Siting Board members.

Thank you for you service to our STATE and hope that you consider voting in favor of **SB 234**.

Sincerely,

A handwritten signature in black ink, appearing to read 'M. Stropki', with a long horizontal line extending to the right.
