

SEWATE ENERGY
PUBLIC UTILITIES
COMMITTEE
RE. HS18 401

MY NAME IS RAPUE HEFFNER.
I LIVE IN THE VICINITY OF TURBINE
IN TIMBER ROAD IV,
SPACE TURBINE 17 WENT ONLINE
THE KNOWING THAT I SEE
EVERYDAY BRINGS GREAT SOLEACE TO
KNOW THE TURBINES ARE THE START
A RENEWABLE SOURCE OF ENERGY THAT
DOES NOT HURT THE ENVIRONMENT
AND ALSO BENEFITS OTHERS. END
RENEWABLES ARE VERY RESPONSIBLE
DURING THE PROCESS.

WIND TURBINES DO NOT AND WILL
NOT HARM OTHERS, BECAUSE THEY DO
NOT HURT OTHERS, WIND TURBINES
SHOULD BE DECIDED BY THE LAND
OWNERS AND THE IMMEDIATE LAND OWNERS
THAT TOUCH THE AREA OF THE TURBINES.
ANYTHING LESS THAN OWNERS RIGHTS
IS A VIOLATION OF OUR RIGHTS TO DECIDE
WHAT TO DO WITH OUR LAND THEY DO
NOT HURT THE PUBLIC THAT IS WITH
HS 401 SHOULD NOT GO FORWARD.
PLAIN AND SIMPLE.

THANK YOU

Rapue Heffner
