of the registered owner at the time of the violation, the 1416
registered owner shall submit proof that a report about the 1417

division (B) (1) (a), (b), or (c) of this section, as applicable, 1425
to the court or parking violations bureau with jurisdiction in a 1426
form established by the court or bureau and the following 1427
conditions are met: 1428

(a) If the operator of the motor vehicle or the registered 1429

valid or correct accessible license plate or removable 1432
windshield placard. 1433

(b) If the registered owner submits an affidavit as 1434
specified in division (B) (1) (b) of this section, the designated 1435

civil penalty or by failing to request a court or parking 1437
violations bureau hearing within thirty days or is determined 1438
liable in a hearing. 1439

(c) If the registered owner submits an affidavit as 1440
specified in division (B) (1) (c) of this section, the affidavit 1441
is supported by a stolen vehicle or stolen license plate report 1442

(C) If the registered owner is a motor vehicle leasing 1444
dealer or a motor vehicle renting dealer, notify the court or 1445
parking violations bureau with jurisdiction of the name and 1446
address of the lessee or renter of the motor vehicle at the time 1447
of the accessible parking law violation. The court or bureau 1448

ticket is issued to a corporate entity, provide to the court or 1460
parking violations bureau with jurisdiction an affidavit in a 1461
form established by the court or bureau, sworn to or affirmed by 1462
an agent of the corporate entity, that provides the name and 1463
address of the employee who was operating and parked the motor 1464
vehicle at the time of the alleged violation and who is the 1465
designated party. 1466

(E) Contest the ticket by filing a written request for a 1467
court or parking violations bureau hearing to review the ticket 1468
in a form established by the court or bureau. The person shall 1469
file the written request not later than thirty days after 1470
receipt of the ticket by mail. The failure to request a hearing 1471
within this time period constitutes a waiver of the right to 1472
contest the violation and ticket, and is deemed to constitute an 1473
admission of liability. 1474

Sec. 4511.699. (A) (1) A court or a parking violations 1475
bureau with jurisdiction that receives an affidavit described in 1476

1494
1495

The court or bureau shall submit the decision to the law enforcement agency and the person named in the ticket. 1496
1497

(2) If the court or bureau finds by a preponderance of the evidence that the alleged accessible parking law violation did not occur or did in fact occur but the person named in the original or any subsequent ticket is not the person who was operating and parked the motor vehicle at the time of the violation, the court or bureau shall issue a written decision finding that the individual is not liable for the violation and submit it to the law enforcement agency and the person named in the ticket. 1498
1499
1500
1501
1502
1503
1504
1505
1506

(3) If the person who requested the court hearing fails to appear, the court or bureau shall determine that the person is liable for the violation. In such a case, the court or bureau shall issue a written decision imposing liability for the 1507

an application for registration under section 4519.03 of the Revised Code. Except as provided in section 4503.103 of the Revised Code, every owner of every other motor vehicle not previously described in this section and every person mentioned as owner in the last certificate of title of a motor vehicle that is operated or driven upon the public roads or highways shall cause to be filed each year, by mail or otherwise, in the office of the registrar of motor vehicles or a deputy registrar, a written or electronic application or a preprinted registration renewal notice issued under section 4503.102 of the Revised Code, the form of which shall be prescribed by the registrar, for registration for the following registration year, which shall begin on the first day of January of every calendar year and end on the thirty-first day of December in the same year. Applications for registration and registration renewal notices shall be filed at the times established by the registrar pursuant to section 4503.101 of the Revised Code. A motor vehicle owner also may elect to apply for or renew a motor vehicle registration by electronic means using electronic signature in accordance with rules adopted by the registrar. Except as provided in division (J) of this section, applications for registration shall be made on blanks furnished by the registrar for that purpose, containing the following information:

the registrar by electronic means, the owner's manual signature
is not required.

(7) The owner's social security number, driver's license

(B) Except as otherwise provided in this division, each
time an applicant first registers a motor vehicle in the

(3) A certificate of title or memorandum certificate of 1972
title is required but does not accompany the application or, in 1973
the case of an electronic certificate of title, is required but 1974

certificate for the motor vehicle as provided in section 3704.14 1981
of the Revised Code, and rules adopted under it, if that section 1982

This section does not require the payment of license or 1984
registration taxes on a motor vehicle for any preceding year, or 1985
for any preceding period of a year, if the motor vehicle was not 1986
taxable for that preceding year or period under sections 1987

(2) In addition, a charge of twenty-five cents shall be 2030
made for each reflectorized safety license plate issued, and a 2031
single charge of twenty-five cents shall be made for each county 2032

Code. 2048

(3) The registrar and each deputy registrar shall collect 2049
an additional fee of two hundred dollars for each application 2050
for registration or registration renewal received for any plug- 2051
in electric motor vehicle. The fee shall be prorated based on 2052

the number of months for which the plug-in electric motor 2053
vehicle is registered. The registrar shall transmit all money 2054
arising from the fee imposed by division (C) (3) of this section 2055
to the treasurer of state for distribution in accordance with 2056
division (E) of section 5735.051 of the Revised Code, subject to 2057
division (D) of section 5735.05 of the Revised Code. 2058

(4) The registrar and each deputy registrar shall collect 2059
an additional fee of one hundred dollars for each application 2060

notices and the issuing of registrations. 2079

(E) Upon the certification of the registrar, the county 2080

prescribed by the registrar by rule. The registrar, within three 2100
days after receipt of notification of the deposit of funds by a 2101
deputy registrar in a local bank or depository, shall draw on 2102
that account in favor of the treasurer of state. The registrar, 2103
subject to the approval of the director and the treasurer of 2104

are not available, they shall transmit the fees forthwith, by 2112
money order or otherwise, as the registrar, by rule approved by 2113
the director and the treasurer of state, may prescribe. The 2114

registrar may pay the usual and customary fees for such service. 2115

(G) This section does not prevent any person from making 2116
an application for a motor vehicle license directly to the 2117

the amount established under section 4503.038 of the Revised 2120
Code for each application. 2121

(H) No person shall make a false statement as to the 2122
district of registration in an application required by division 2123
(A) of this section. Violation of this division is falsification 2124

section 3704.14 of the Revised Code and rules adopted under it 2142
receives information about the requirements established in that 2143
section and those rules and about the need in those counties to 2144

present an inspection certificate with an application for 2145
registration or preregistration. 2146

(b) Upon request, the registrar shall provide the director 2147
of environmental protection, or any person that has been awarded 2148
a contract under section 3704.14 of the Revised Code, an on-line 2149
computer data link to registration information for all passenger 2150
cars, noncommercial motor vehicles, and commercial cars that are 2151
subject to that section. The registrar also shall provide to the 2152
director of environmental protection a magnetic data tape 2153
containing registration information regarding passenger cars, 2154

management program that will enable the owners of commercial 2178
tractors, commercial trailers, and commercial semitrailers to 2179
conduct electronic transactions by July 1, 2010, or sooner. If 2180
the registrar determines that implementing such a program is 2181
feasible, the registrar shall adopt new rules under this 2182
division or amend existing rules adopted under this division as 2183
necessary in order to respond to advances in technology. 2184

If international registration plan guidelines and 2185
provisions allow member jurisdictions to permit applications for 2186
registrations under the international registration plan to be 2187
made via the internet, the rules the registrar adopts under this 2188
division shall permit such action. 2189

Sec. 4503.12. (A) Upon the transfer of ownership of a 2190

established under section 2131.12 of the Revised Code and one of 2209
those persons dies, the registration shall be continued upon the 2210
filing by the survivor of an application for an amended 2211
