House State and Local Government Committee  
Chairman Scott Wiggam  
77 South High Street, 13<sup>th</sup> Floor  
Columbus, Ohio 43215

Dear Mr. Wiggam,

Please find this correspondence in opposition of HB-462 that would eliminate the District Advisory Committee for local County Health Boards. I feel that it is vital to continue to allow all government subdivisions served to participate in the health decisions of their community and to not just allow this to fall into the hands of the County Commissioners only.

The process for the selection of County Health Board members is not broken and would best be suited to continue in this manner.

Respectfully,
