To the Ohio House and Senate:

Please accept this letter as my formal stand in favor of eliminating the antiquated and business-halting CAT Tax in Ohio. The Commercial Activity Tax stands in the way of positive business growth in Ohio and punishes successful businesses. The CAT tax is simply not good business for Ohio.

If Ohio is to compete for business, we need to eliminate anti-growth burdens like the CAT tax, and allow business to succeed to the best of their ability. Disruptive taxes such as the CAT tax is a major obstacle in business growth in Ohio. Our state will become more open and more business friendly when the Ohio Legislature eliminates the CAT tax completely.

I appreciate that Ohio lawmakers listen to local business people, and are willing to find the right and true path to help business grow and prosper in Ohio. Terminating the CAT tax is an important first step to a more successful and more business-friendly Ohio.

Sincerely,
