

“Chairman Roegner, Vice Chairman McColley, Ranking Member Craig, and members of the State and Local Government Committee:

My name is Jennifer Drabik and I live in Avon Lake, Ohio. I am providing testimony today to support SB22. This pandemic response has been a disaster from the start and has been allowed to run amok for almost an entire year. Nearly 365 days lost of physical and mental health, schooling, jobs, livelihoods and LIFE for nearly 11.7million Ohioans. For a virus that the CDC states has a mortality rate similar to or better than the flu?

The time has come and gone where a system of checks and balances needs to be placed on the tyrannical power of Mike DeWine. The state of emergency needs to be lifted and life needs to resume as normal. The legislature has a moral obligation to set into motion this system of checks and balances and can do so with SB22.

Ohio needs this NOW.

Please vote yes on SB22.

Sincerely,
Jennifer Drabik, MS
