My name is Jessica Johnson, I am an owner at Soto Signature Salon. My partners and I have a salon and spa in Perrysburg, employing 61 people, almost half of them being cosmetologists and have been in business for over 20 years. We serve over 2000 guests a month between the spa and salon. Our clientele is made up of families and professionals in our community. We oppose the SB133. The cosmetology students we hire need practice and education in school to become successful in their careers. If their hours are reduced it will hurt businesses like ours because they will not have enough education and experience. It may also create a safety risk for the community. The importance of the seriousness of cleanliness, professionalism, communication and business training has never been more important than it is now. Our new hires would be lost without the hands on education they receive in school. Please do not vote for this bill that will reduce their opportunity for much needed education. Our Cosmetologists and Barbers need our support to maintain the level of service and safety the public needs. Reducing their education is going to make it nearly impossible for them to become successful tax paying contributors to our community. Please do not vote for SB133 my colleagues and customers oppose this bill.

Thank you  
Jessica Johnson
