SYNOPSIS 20

Subsequent additions to registry 21

R.C. 5301.256 (F) and 319.202 (C) 22

Allows for retention of protected property acquired before 23
the property owner became subject to the bill's restrictions. A 24
provision of the bill, unchanged by the amendment, allows all 25
persons to retain protected property acquired before the bill's 26
effective date. However, the current bill requires a property 27
owner to divest of protected property acquired after that date 28
if the owner later becomes subject to the bill's restrictions. 29
(For example, if a new country is added to the registry of 30
foreign adversaries, a business is acquired by a foreign 31
adversary, or an individual becomes a citizen of a foreign 32
adversary.) 33
