SYNOPSIS 71

**Retaining age verification information, statute of 72  
limitations, and false identifying information 73**

**R.C. 2307.66, 2307.68, and 2907.312 74**

Provides that a civil action related to the offenses of 75  
nonconsensual dissemination of private sexual images, 76  
nonconsensual dissemination of fabricated sexual images, and 77  
nonconsensual creation of fabricated sexual images must be 78  
brought within four years after the victim discovers the private 79  
sexual images or fabricated sexual images. 80

Tolls the statute of limitations for a civil action 81  
related to failure to verify age of person accessing materials 82  
that are obscene or harmful to juveniles until the victim of the 83  
offense is 18 years of age. 84

Removes organizations' use of previously verified 85  
information to allow access to materials that are obscene or 86  
harmful to juveniles and prohibits an organization from 87  
transferring information that is not for the purpose of age 88  
verification. Makes any party who receives transferred 89  
information for age verification purposes delete all information 90  
gathered after age verification is completed. 91

Makes organizations delete all age verification	92
information after using the information to verify a person's	93
age, removes an organization's ability to collect the history of	94
granted access to the person accessing materials, and removes	95
the crime of use of false identifying information to access	96
materials that are obscene or harmful to juveniles.	97
Removes an organization's ability to use previously	98
verified information before the expiration of two years from the	99
date the individual's age was verified.	100
Prohibits an organization from recklessly failing to	101
verify that the age of a user who creates an account or	102
subscription is 18 years of age or older. Makes organizations	103
re-verify the age of a user after two years.	104
