jurisdiction over the political subdivision in which the owner 20  
of the motor vehicle resides. Except as provided in ~~section~~ 21  
sections 4503.103 and 4503.29 of the Revised Code, every owner 22

that place is located or, if not located in any municipal 57

those rules shall be accompanied by an inspection certificate 110  
for the motor vehicle issued in accordance with that section. 111

(3) An application for registration shall be refused if 112

certificate for the motor vehicle as provided in section 3704.14 126  
of the Revised Code, and rules adopted under it, if that section 127  
is applicable. 128

(4) This section does not require the payment of license 129  
or registration taxes on a motor vehicle for any preceding year, 130

issuance with a stamp on the certificate of title or memorandum 138  
certificate or, in the case of an electronic certificate of 139  
title or electronic verification of ownership, an electronic 140  
stamp or other notation as specified in rules adopted by the 141  
registrar, and with a stamp on the inspection certificate for 142

(6) The official also shall indicate, by a stamp or by 144  
other means the registrar prescribes, on the registration 145  
certificate issued upon the first registration of a motor 146  
vehicle by or on behalf of the owner the odometer reading of the 147  
motor vehicle as shown in the odometer statement included in or 148  
attached to the certificate of title. Upon each subsequent 149  
registration of the motor vehicle by or on behalf of the same 150  
owner, the official also shall so indicate the odometer reading 151  
of the motor vehicle as shown on the immediately preceding 152

(7) The registrar shall include in the permanent 154  
registration record of any vehicle required to be inspected 155  
under section 3704.14 of the Revised Code the inspection 156  
certificate number from the inspection certificate that is 157  
presented at the time of registration of the vehicle as required 158  
under this division. 159

for registration and registration renewal received. For vehicles 163  
specified in divisions (A) (1) to (21) of section 4503.042 of the 164  
Revised Code, the registrar and deputy registrar shall collect 165  
an additional fee of thirty dollars for each application for 166

registration and registration renewal received. No additional 167  
fee shall be charged for vehicles registered under section 168  
4503.65 of the Revised Code. The additional fee is for the 169  
purpose of defraying the department of public safety's costs 170  
associated with the administration and enforcement of the motor 171  
vehicle and traffic laws of Ohio. Each deputy registrar shall 172  
transmit the fees collected under divisions (C)(1), (3), and (4) 173  
of this section in the time and manner provided in this section. 174  
The registrar shall deposit all moneys received under division 175  
(C)(1) of this section into the public safety - highway purposes 176  
fund established in section 4501.06 of the Revised Code. 177

(2) In addition, a charge of twenty-five cents shall be 178  
made for each reflectorized safety license plate issued, and a 179  
single charge of twenty-five cents shall be made for each county 180  
identification sticker or each set of county identification 181  
stickers issued, as the case may be, to cover the cost of 182  
producing the license plates and stickers, including material, 183  
manufacturing, and administrative costs. Those fees shall be in 184  
addition to the license tax. If the total cost of producing the 185  
plates is less than twenty-five cents per plate, or if the total 186  
cost of producing the stickers is less than twenty-five cents 187  
per sticker or per set issued, any excess moneys accruing from 188  
the fees shall be distributed in the same manner as provided by 189  
section 4501.04 of the Revised Code for the distribution of 190  
license tax moneys. If the total cost of producing the plates 191  
exceeds twenty-five cents per plate, or if the total cost of 192  
producing the stickers exceeds twenty-five cents per sticker or 193  
per set issued, the difference shall be paid from the license 194  
tax moneys collected pursuant to section 4503.02 of the Revised 195  
Code. 196

(3) The registrar and each deputy registrar shall collect 197

an additional fee of two hundred dollars for each application 198  
for registration or registration renewal received for any plug- 199  
in hybrid electric motor vehicle or battery electric motor 200  
vehicle. The fee shall be prorated based on the number of months 201  
for which the plug-in hybrid electric motor vehicle or battery 202  
electric motor vehicle is registered. The registrar shall 203  
transmit all money arising from the fee imposed by division (C) 204  
(3) of this section to the treasurer of state for distribution 205  
in accordance with division (E) of section 5735.051 of the 206  
Revised Code, subject to division (D) of section 5735.05 of the 207  
Revised Code. 208

(4) The registrar and each deputy registrar shall collect 209  
an additional fee of one hundred dollars for each application 210  
for registration or registration renewal received for any hybrid 211  
motor vehicle. The fee shall be prorated based on the number of 212  
months for which the hybrid motor vehicle is registered. The 213  
registrar shall transmit all money arising from the fee imposed 214  
by division (C) (4) of this section to the treasurer of state for 215  
distribution in accordance with division (E) of section 5735.051 216  
of the Revised Code, subject to division (D) of section 5735.05 217  
of the Revised Code. 218

(D) Each deputy registrar shall be allowed a fee equal to 219  
the amount established under section 4503.038 of the Revised 220  
Code for each application for registration and registration 221  
renewal notice the deputy registrar receives, which shall be for 222  
the purpose of compensating the deputy registrar for the deputy 223  
registrar's services, and such office and rental expenses, as 224  
may be necessary for the proper discharge of the deputy 225  
registrar's duties in the receiving of applications and renewal 226  
notices and the issuing of registrations. 227

(E) Upon the certification of the registrar, the county 228  
sheriff or local police officials shall recover license plates 229  
erroneously or fraudulently issued. 230

(F) Each deputy registrar, upon receipt of any application 231  
for registration or registration renewal notice, together with 232  
the license fee and any local motor vehicle license tax levied 233  
pursuant to Chapter 4504. of the Revised Code, shall transmit 234  
that fee and tax, if any, in the manner provided in this 235  
section, together with the original and duplicate copy of the 236  
application, to the registrar. The registrar, subject to the 237  
approval of the director of public safety, may deposit the funds 238  
collected by those deputies in a local bank or depository to the 239  
credit of the "state of Ohio, bureau of motor vehicles." Where a 240  
local bank or depository has been designated by the registrar, 241  
each deputy registrar shall deposit all moneys collected by the 242  
deputy registrar into that bank or depository not more than one 243  
business day after their collection and shall make reports to 244  
the registrar of the amounts so deposited, together with any 245  
other information, some of which may be prescribed by the 246  
treasurer of state, as the registrar may require and as 247  
prescribed by the registrar by rule. The registrar, within three 248  
days after receipt of notification of the deposit of funds by a 249  
deputy registrar in a local bank or depository, shall draw on 250  
that account in favor of the treasurer of state. The registrar, 251  
subject to the approval of the director and the treasurer of 252  
state, may make reasonable rules necessary for the prompt 253  
transmittal of fees and for safeguarding the interests of the 254  
state and of counties, townships, municipal corporations, and 255  
transportation improvement districts levying local motor vehicle 256  
license taxes. The registrar may pay service charges usually 257  
collected by banks and depositories for such service. If deputy 258

registrars are located in communities where banking facilities 259  
are not available, they shall transmit the fees forthwith, by 260  
money order or otherwise, as the registrar, by rule approved by 261  
the director and the treasurer of state, may prescribe. The 262  
registrar may pay the usual and customary fees for such service. 263

(G) This section does not prevent any person from making 264  
an application for a motor vehicle license directly to the 265  
registrar by mail, by electronic means, or in person at any of 266  
the registrar's offices, upon payment of a service fee equal to 267  
the amount established under section 4503.038 of the Revised 268  
Code for each application. 269

(H) No person shall make a false statement as to the 270  
district of registration in an application required by division 271  
(A) of this section. Violation of this division is falsification 272  
under section 2921.13 of the Revised Code and punishable as 273  
specified in that section. 274

(I) (1) Where applicable, the requirements of division (B) 275

certificate issued under section 3704.14 of the Revised Code and 277  
rules adopted under it for a motor vehicle, the refusal of a 278  
license for failure to present an inspection certificate, and 279  
the stamping of the inspection certificate by the official 280  
issuing the certificate of registration apply to the 281  
registration of and issuance of license plates for a motor 282  
vehicle under sections 4503.102, 4503.12, 4503.14, 4503.15, 283  
4503.16, 4503.171, 4503.172, 4503.19, 4503.40, 4503.41, 4503.42, 284  
4503.43, 4503.44, 4503.46, 4503.47, and 4503.51 of the Revised 285  
Code. 286

(2) (a) The registrar shall adopt rules ensuring that each 287  
owner registering a motor vehicle in a county where a motor 288

vehicle inspection and maintenance program is in effect under 289  
section 3704.14 of the Revised Code and rules adopted under it 290  
receives information about the requirements established in that 291  
section and those rules and about the need in those counties to 292  
present an inspection certificate with an application for 293  
registration or preregistration. 294

(b) Upon request, the registrar shall provide the director 295  
of environmental protection, or any person that has been awarded 296  
a contract under section 3704.14 of the Revised Code, an on-line 297  
computer data link to registration information for all passenger 298  
cars, noncommercial motor vehicles, and commercial cars that are 299  
subject to that section. The registrar also shall provide to the 300  
director of environmental protection a magnetic data tape 301  
containing registration information regarding passenger cars, 302  
noncommercial motor vehicles, and commercial cars for which a 303  
multi-year registration is in effect under section 4503.103 of 304  
the Revised Code or rules adopted under it, including, without 305  
limitation, the date of issuance of the multi-year registration, 306  
the registration deadline established under rules adopted under 307  
section 4503.101 of the Revised Code that was applicable in the 308  
year in which the multi-year registration was issued, and the 309  
registration deadline for renewal of the multi-year 310  
registration. 311

(J) Subject to division (K) of this section, application 312  
for registration under the international registration plan, as 313  
set forth in sections 4503.60 to 4503.66 of the Revised Code, 314  
shall be made to the registrar on forms furnished by the 315  
registrar. In accordance with international registration plan 316  
guidelines and pursuant to rules adopted by the registrar, the 317  
forms shall include the following: 318

(1) A uniform mileage schedule; 319

(2) The gross vehicle weight of the vehicle or combined 320  
gross vehicle weight of the combination vehicle as declared by 321  
the registrant; 322

(3) Any other information the registrar requires by rule. 323

(K) The registrar shall determine the feasibility of 324  
implementing an electronic commercial fleet licensing and 325  
management program that will enable the owners of commercial 326  
tractors, commercial trailers, and commercial semitrailers to 327  
conduct electronic transactions by July 1, 2010, or sooner. If 328  
the registrar determines that implementing such a program is 329  
feasible, the registrar shall adopt new rules under this 330  
division or amend existing rules adopted under this division as 331  
necessary in order to respond to advances in technology. 332

If international registration plan guidelines and 333  
provisions allow member jurisdictions to permit applications for 334  
registrations under the international registration plan to be 335  
made via the internet, the rules the registrar adopts under this 336  
division shall permit such action. 337

the tax due is the full amount of the tax provided in section 353
