training, qualifications, or similar distinguishing factors. 121

(G) A policy adopted by a board of education or governing 122  
authority of a chartered nonpublic school pursuant to this 123  
section may be changed, modified, or revised by action of the 124

(H) Nothing in this section shall be construed to require 126  
a person employed by a board of education or governing authority 127  
of a chartered nonpublic school to administer a drug to a 128  
student unless the board's or governing authority's policy 129  
adopted in compliance with this section establishes such a 130  
requirement. A board or governing authority shall not require an 131  
employee to administer a drug to a student if the employee 132

objects, on the basis of religious convictions, to administering 133  
the drug. 134

Nothing in this section affects the application of section 135

the director under that section. 147

(I) Nothing in this section shall be construed to require 148  
a school district or chartered nonpublic school to obtain 149  
written authorization or instructions from a health care 150  
provider to apply nonprescription topical ointments designed to 151  
prevent sunburn. Furthermore, nothing in this section shall be 152  
construed to prohibit a student to possess and self-apply 153  
nonprescription topical ointment designed to prevent sunburn 154  
while on school property or at a school-sponsored event without 155  
written authorization or instructions from a healthcare 156  
provider. The policy adopted by a school district or chartered 157  
nonpublic school pursuant to this section shall not require 158  
written authorization from a health care provider, but may 159  
require parental authorization, for the possession or 160  
application of such sunscreen. A designated person employed by 161  
the board of education of a school district or governing 162

authority of a chartered nonpublic school shall apply sunscreen 163

authority of a chartered nonpublic school shall create an 172  
individualized seizure action plan for each student enrolled in 173  
the school district or chartered nonpublic school that is 174  
diagnosed with a seizure disorder. The action plan shall include 175  
all of the following: 176

(a) A written request signed by the parent, guardian, or 177  
other person having care or charge of the student approving the 178  
seizure action plan and giving permission for seizure medication 179  
to be administered to the student; 180

(b) A written statement detailing the following: 181

(i) Name and purpose of medication; 182

(ii) The prescribed dosage; 183

(iii) The route of administration; 184

person or persons who have received training under division (J) 191  
(2) of this section. 192

(2) (a) A school nurse, or another district employee if a 193  
district does not have a school nurse, shall coordinate epilepsy 194  
and seizure disorder care at that school and ensure that all 195

epilepsy and seizure disorders, including staff working with 197  
school-sponsored programs outside of the regular school day, as 198  
provided in an individualized seizure action plan. 199

(b) The training required under division (J) (2) (a) of this 200  
section shall include an approved online or in-person course of 201  
instruction provided by a nonprofit organization that supports 202  
the welfare of individuals with epilepsy and seizure disorders, 203  
such as epilepsy alliance Ohio or other similar organization, as 204  
determined by the department of education. A seizure training 205  
program approved by the department that is provided to a school 206  
district on portable media shall be provided by the nonprofit 207  
entity free of charge. 208

(3) No student with a seizure disorder shall be prohibited 209  
from attending the school that the student is entitled to attend 210  
under section 3313.64 or 3313.65 of the Revised Code. However, 211  
if a student has an IEP or 504 plan that determines that the 212  
student's health condition requires that the student's care be 213  
provided by a licensed health care professional at a different 214  
school, the student shall be placed in the school specified in 215  
the student's IEP or 504 plan. 216

governing authority, or a district or school employee is not 218  
liable in damages in a civil action for injury, death, or loss 219  
to person or property allegedly arising from providing care or 220

performing duties under this section unless the act or omission 221  
constitutes willful or wanton misconduct. 222

This section does not eliminate, limit, or reduce any 223  
other immunity or defense that a school district, member of a 224  
school district board of education, or school district employee 225  
may be entitled to under Chapter 2744. or any other provision of 226  
the Revised Code or under the common law of this state. 227

or employee of the school is not liable in damages in a civil 229  
action for injury, death, or loss to person or property 230  
allegedly arising from providing care or performing duties under 231  
this section unless the act or omission constitutes willful or 232  
wanton misconduct. 233

**Sec. 3314.03.** A copy of every contract entered into under 234  
this section shall be filed with the superintendent of public 235

its web site a copy of every approved, executed contract filed 237  
with the superintendent under this section. 238
