Statement in Support of HB 245

Chairwoman Abrams, Vice Chair Williams, Ranking Member Brown, and Members of the House Criminal Justice Committee – thank you for the opportunity to provide proponent testimony on House Bill 245.

Thank you for bringing this important issue to Ohio. Drag shows are inappropriate for young children because their impressionable, innocent minds can be exponentially influenced by deviant behaviors! This can harm them and their futures. Responsible Ohio adults need to be considerate of this danger, acknowledge it and eliminate the threat to our children. Adult Drag shows, salaciousness, indoctrination, and exploitation, are summarily harmful to children. It's imperative to shelter children from these harms.

Thank you again for allowing me to provide testimony.

Sincerely,

Becky Lynch
