Dear Chairwoman Abrams, Vice Chair Williams, and Members of the House Criminal Justice Committee, thank you for hearing my support testimony for HB 245.

I'd like to address the sensibility of this bill. We protect our children by making it illegal for them to be inside adult cabarets. Why then should it be legal to bring the performances inside these adult cabarets straight to the children? The answer is simple: this should not be allowed. I urge the committee to vote YES on HB 245. Thank you.

Sincerely,

Gary Paskey
