RE: House bill 245

Chairwoman Abrams, Vice Chair Williams, and Members of the House Criminal Justice Committee, thank you for hearing my support testimony for HB 245.

I urge you to protect Ohio's children from sexual grooming by drag queens. Our children do not need to be exposed to this explicit material. They need to be protected by adults who have commonsense and their best interest at heart. There is no good reason to expose our children to perversion.

I urge the committee to vote YES on HB 245

Sincerely,

Lynn Rinderle
