

Chairwoman Abrams, Vice Chair Williams, and Members of the House
Criminal Justice Committee,

Thank you for hearing my support testimony for HB 245. Obscene adult performances are becoming more prevalent in public spaces and especially in front of innocent children. The children in our small town were victims of this when a male "drag queen" wore a buttock exposing leotard and performed in our public park. The performer is caught on video making humping movements toward the cement and sprawling his legs open for a crowd filled with small children. I urge the committee to vote YES on HB 245. Children need protection!

Thank You,
Andrea Strable
