PETITION

TO DEMAND THAT ASSAULTING ANY SCHOOL EMPLOYEE IS A FELONY
UNDER OHIO REVISED CODE

*Under current State law, assaulting a school teacher, administrator or bus operator is a felony.

*No other classifications are listed within ORC school assault language.

*School aides and other school employees are being attacked by students and parents without the same protections as their co-workers.

*It is time to stand up and demand that all school employees receive the protections and respect they deserve in the workplace.

PLEASE SIGN THIS PETITION TO DEMAND THAT THE OHIO LEGISLATURE UPDATE
ORC SCHOOL ASSAULT LANGUAGE TO INCLUDE ALL SCHOOL EMPLOYEES
