Testimony on SFY 24/25 Operating Budget
House Finance Committee

Chairman Edwards, Vice Chair LaRe, Ranking Member Sweeny, and esteemed committee members,

I want to thank you for the opportunity to testify before you today.

My name is Dawn Brunton and I am the Lead LPN of Independence, Inc., and we are located in Portage, Summit and Stark counties. We are an organization that provides intermediate care facilities for individuals with intellectual disabilities and residential, day and employment services through the home and community-based waiver program administered by the Department of Developmental Disabilities (DODD). Our team of 150 employees are proud to provide essential services to 80 Ohioans with intellectual and developmental disabilities.

I am very supportive of the budget initiatives outlined by Governor DeWine and Director Hauck for DODD and the budget initiatives outlined by Governor DeWine and Director Miller for Opportunities for Ohioans with Disabilities (OOD). The changing labor landscape and accompanying shortage of workers, including direct support professionals (DSP), threatens our ability to provide the critical supports on which the people we serve and their families rely. The budget proposed in HB 33 is a good foundation to help our system combat these many changes.

The stability of the direct support workforce has been a long-standing issue across disability service systems. Our industry continues to be plagued with high turnover at a time when demand for additional direct support professionals to support persons with disability is rapidly growing. Action is necessary if we want to ensure that supports provided are person-centered, increase inclusion, and lead to valued lives for people with disabilities. However, we have yet to be able to ensure sufficient funding to support these initiatives and our legislators are the only ones that can assist in this action of securing our industry's most valuable asset – Direct Support Professionals.

The Governor's proposed budget initiatives, guided by the leadership of Director Hauck and Miller, is a great foundation to reinforce and rebuild the services provided by Independence, Inc. With these budget initiatives, Ohioans with disabilities will continue to receive the vital employment services organizations like mine provide. **We encourage this committee to approve the Governor's budget proposal for DODD and ODD and to invest additional dollars through budget amendment HC0656 into these vital services to raise direct support professional wages to at least an average of \$20.64.**

With your leadership, together we can ensure these services are available to the Ohioans that so greatly need them! **Thank you again, for the opportunity and privilege to bring my concerns before you today.**
