Subject: Convention of State Resolution

Dear Representative Cross,

I'm writing you today in support of HJR 3 calling for a Convention of States. It is clear that the Federal Government is out of control and that they no longer represent We The People.

It is also quite clear that DC cannot fix DC. No matter who we elect, the outcome remains the same. This is why it is time for the states under Article V of the US Constitution to call for a Convention of States to address this.

The issues we face as a nation are dire. Massive wasteful spending and erosion of civil liberties are accelerating at an alarming rate. The unelected administrative state continues to exercise more control over We The People. And the corruption of our "judiciary" system is on full display for everyone to see.

The time to act is NOW before it is too late. That is why I am respectfully requesting that you support HJR 3 and help restore the balance of power for all freedom loving Americans.

Respectfully,

Jeff McGhee
