

HB 445 Proponent Testimony
Craig Dixon

Dear Chair Manning, Vice Chair Fowler Arthur, Ranking Member Robinson and members of the House Primary and Secondary Education Committee, my name is Craig Dixon and I am from Wood County, Ohio.

Thank you for the opportunity to provide written testimony on House Bill 445. I am in favor of supporting this bill.

I would like parents of public schools to have the option for their children to have released time religious instruction.

Since this is privately funded, with parental permission and not using any school resources it is a wonderful opportunity offered to children in our Ohio school systems.

Thank you for allowing me the opportunity to advocate for House Bill 445.
