

HB 445 Proponent Testimony
Kim Powell

Chair Manning, Vice Chair Fowler Arthur, Ranking Member Robinson and members of the House Primary and Secondary Education Committee, thank you for the opportunity to provide testimony on House Bill 445. My name is Kim Powell and I am from Miami County

I want to encourage you to pass HB 445. Parents should have the choice of whether or not to send their child to released time religious instruction. Many parents cannot afford to home school their children or send them to a private school that aligns with their values. This release time opportunity would benefit every family that chooses to take advantage of this opportunity.

Please pass HB 445 and support Ohio parents.

Thank you for allowing me the opportunity to advocate for House Bill 445.

Sincerely,

Kim Powell
