Dear Chair Lipps, Vice Chair Stewart, Ranking Member Liston, and members of the Public Health Policy Committee;

I oppose HB 68. HB68 is a harmful bill that will hurt kids who are gender diverse by preventing them access to the physical and mental healthcare that they need. Kids should be able to seek any healthcare that they, their family, and their medical team decide is appropriate for them.

Please vote no on HB68.

Thank you,
