Sheriff Dale Williams was a leader.

Dale never gave up on his Dream of being Sheriff.

Dale first year in office he made sure that a dispatcher who requested Christmas Day off was able to be off with family, Sheriff William dispatched himself.

Dale was a Sheriff who would often responded to calls no matter what hour 24/7. The Staff would often times joke with The Sheriff asking if he was afraid, he may miss a Barking Dog complaint.

Dale grew up on The Family Farm and continued farming throughout his life. Dale started out as a Goat Farmer buying Goats at The County Fair supporting 4H. Dale slowly built up a herd of Goats until they escaped the fenced in area getting into his Mother Jessie Williams Garden. That was the end of his Goat Herd. Dale knew the importance of Honey Bees and started an Apiary, even though he was allergic to Bee stings. Dale would share jars of Honey around the office.

Williams Farm was established on March 28, 1908 until Present (115) years.

Dale is the youngest of (4) having a Twin Brother Darl. Dale would remind Darl that he was older "11" minutes older. Dale enjoyed farming with Darl

Dale would call The Sheriff Office and report that he would be at the farm in late May or June making Hay but would be in late. Dale attended a local Bull sale and would buy a new Bull every couple of years, Calving would always seem to fall around the same time as Buckeye State Sheriff February training. Dale gave everyone a daily update when a new Calf arrived.

Sheriff Williams received a M&M dispenser for Christmas from family and had it in his office for anyone who visited Sheriff would call his wife Leona when it was getting low for a new supply. Sheriff Williams family donated the M&M dispenser and we keep it stocked in his memory.

Sheriff Dale Williams was a Humble man.

State Route 39 (Roswell Rd) would be a great Memorial to Sheriff Dale R. Williams.

Respectfully,

Sheriff Calvin A Graham

Carroll County Sheriff.
