

**Sponsor Testimony: House Bill 286**

**Representative Nick Santucci, 64<sup>th</sup> House District**

**House Transportation Committee**

Chairman McClain, Vice Chair Dobos, Ranking Member Grim, and members of the House Transportation Committee, thank you for allowing me to testify today on House Bill 286.

House Bill 286 will designate the Vienna Township Veterans Bridge in my district to honor the large constituency of veterans within the Mahoning Valley. The Youngstown Air Reserve Station, located in Vienna Township, is Trumbull County's largest employer. It is important to honor the brave service men and women who serve our communities through the designation of this bridge. The Vienna Township trustees have also issued a resolution supporting this naming.

As we return from Veterans Day weekend, Chairman McClain, Vice Chair Dobos, Ranking Member Grim, and members of the House Transportation Committee, thank you again for giving me an opportunity to speak with you today on this legislation. I would be happy to answer any questions you may have.
