

Dear Ohio Senate Agriculture & Natural Resources Committee,

I am writing to express our strong support for the funding being allocated to Jesse Owens State Park under House Bill 33. As a business that relies heavily on tourism, we believe that this funding is critical to the success and growth of our community.

Maxwell's Pizza has been in our village for many years, and we have seen firsthand the positive impact that tourism has on our local economy. Visitors to our area come from all over the country to enjoy the natural beauty of our state parks, and we believe that investing in these parks is essential to ensuring that this important source of revenue continues to grow.

Jesse Owens State Park is a particular favorite of both locals and tourists alike, and we are thrilled to see it receiving the attention and support that it deserves. With this funding, we believe that the park will be able to continue to offer high-quality amenities and attractions that will draw visitors to our area year after year.

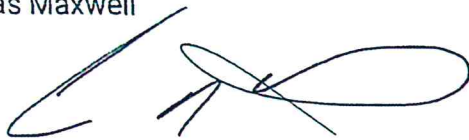

We urge you to support House Bill 33 and the funding it provides for Jesse Owens State Park. As a business that depends on tourism for our success, we know that this funding will be critical to the continued growth and prosperity of our community.

Thank you for your consideration of this important matter.

Sincerely,

Cas Maxwell
