Reference House Bill 33

This letter is asking you to support this bill as it impacts the economic situation of our community in a big way. This bill will help ODNR to complete the necessary items for the park capitol improvements project which in turn will benefit thousands of Ohioans in tourism in this area. As the Mayor of Malta Village I can attest to the economic impact this loss of revenue would have on Morgan county.

Please support this bill to support this area of the great State of Ohio.

Sincerely:

Terry McGrath  
Mayor Malta Village  
441 Main Street  
Malta Ohio 43758
