For Finance Committee

Matt Dolan , Chairman

I am opposed to this change because it would make the bylaws of a County party superior to State law. The State law is clear, that the Central Committee member must reside in the jurisdiction he or she represents. Direct representation would be overthrown by this language.

This verbiage insertion takes the choice out of the hands of the voters of a party to directly choose a person from their geographical jurisdiction(precinct/ward). Voters in your precinct are your neighbors and they ask you for information about issues, candidates, voting, calendar dates for voting etc.
