(H)(1) Five years after the date of creation of an outdoor refreshment area, the legislative authority of the municipal corporation or township that created the area under this section shall review the operation of the area and shall, by ordinance or resolution, either approve the continued operation of the area or dissolve the area. Prior to adopting the ordinance or resolution, the legislative authority shall give notice of its proposed action by publication once a week for two consecutive weeks in one newspaper of general circulation in the municipal corporation or township or as provided in section 7.16 of the Revised Code.

If the legislative authority dissolves the outdoor refreshment area, the outdoor refreshment

area ceases to exist. The legislative authority then shall provide notice of its action to the division of liquor control and the investigative unit of the department of public safety. Upon receipt of the notice, the division shall revoke all outdoor refreshment area designations issued to qualified permit holders within the dissolved area. If the legislative authority approves the continued operation of the outdoor refreshment area, the area continues in operation.

(2) Five years after the approval of the continued operation of an outdoor refreshment area under division (H)(1) of this section, the legislative authority shall conduct a review in the same manner as provided in division (H)(1) of this section. The legislative authority also shall conduct such a review five years after any subsequent approval of continued operation under division (H)(2) of this section.

(1) At any time, the legislative authority of a municipal corporation or township in which an outdoor refreshment area is located may, by ordinance or resolution, dissolve all or a part of the outdoor refreshment area. Prior to adopting the resolution or ordinance, the legislative authority shall give notice of its proposed action by publication once a week for two consecutive weeks in one newspaper of general circulation in the municipal corporation or township or as provided in section 7.16 of the Revised Code. If the legislative authority dissolves all or part of an outdoor refreshment area, the area designated in the ordinance or resolution no longer constitutes an outdoor refreshment area. The legislative authority shall provide notice of its actions to the division of liquor control and the investigative unit of the department of public safety. Upon receipt of the notice, the division shall revoke all outdoor refreshment area designations issued to qualified permit holders within the dissolved area or portion of the area.

Sec. 4303.208. (A)(1) The division of liquor control may issue an F-8 permit to a not-for-profit organization that manages, for the benefit of the public and by contract with a political subdivision of this state, publicly owned property to sell beer or intoxicating liquor by the individual drink at specific events conducted on the publicly owned property and appurtenant streets, but only if, and then only at times at which, the sale of beer and intoxicating liquor on the premises is otherwise permitted by law. Additionally, an F-8 permit may be issued only if the publicly owned property is located in a county that has a population of ~~between more than seven hundred fifty thousand and nine hundred thousand on July 10, 2007~~ on and after the effective date of this amendment.

(2) The premises on which an F-8 permit will be used shall be clearly defined and sufficiently restricted to allow proper supervision of the permit's use by state and local law enforcement officers. Sales under an F-8 permit shall be confined to the same hours permitted to the holder of a D-3 permit.

(3) The fee for an F-8 permit is one thousand seven hundred dollars. An F-8 permit is effective for a period not to exceed nine months as specified in the permit. An F-8 permit is not transferable or renewable. However, the holder of an F-8 permit may apply for a new F-8 permit at any time. An F-8 permit is not effective until any F-8 permit currently held expires. The holder of an F-8 permit shall make sales only at those specific events about which the permit holder has notified in advance the division of liquor control, the department of public safety, and the chief, sheriff, or other principal peace officer of the local law enforcement agencies having jurisdiction over the premises.

(B)(1) An application for the issuance of an F-8 permit is subject to the notice and hearing requirements established in division (A) of section 4303.26 of the Revised Code.

(2) The liquor control commission shall adopt under Chapter 119. of the Revised Code rules necessary to administer this section.

(C) No F-8 permit holder shall sell beer or intoxicating liquor beyond the hours of sale allowed by the permit. This division imposes strict liability on the holder of an F-8 permit and on any officer, agent, or employee of that permit holder.

(D) Nothing in this section prohibits the division from issuing an F, F-2, or F-6 permit for a

specific event not conducted by the holder of an F-8 permit provided that the holder of the F-8 permit certifies to the division that it will not exercise its permit privileges during that specific event.

SECTION 2. That existing section 4301.62 and 4303.208 of the Revised Code are hereby repealed.

SECTION 3. Divisions (B)(1)(b) and (D)(3)(b) of section 4301.82 of the Revised Code, as enacted by this act, take effect two years after the effective date of this section.

SECTION 4. This act is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health, and safety. The reason for such necessity is that local authorities across the state need to engage in long range planning for upcoming sporting, entertainment, and cultural events that may be enhanced by the existence of outdoor refreshment areas and by other changes to the law made by this act. Therefore, this act shall go into immediate effect.
