all of whom shall be appointed by the governor. 18

(B) The members appointed by the governor shall be 19
residents of this state. The governor shall make all initial 20
appointments to the commission not later than July 1, 2015. 21
Those members shall serve terms ending June 30, 2017. 22
Thereafter, members appointed by the governor shall serve two- 23
year terms commencing on the first day of July and ending on the 24
thirtieth day of June. 25

The president of the senate and the speaker of the house 26
of representatives shall make their initial appointments to the 27
commission not later than July 1, 2015. Those members shall 28
serve on the commission for the remainder of the general 29
assembly during which the senator or representative is 30
appointed. Thereafter, the members appointed by the president of 31
the senate and the speaker of the house of representatives shall 32
serve a term of the remainder of the general assembly during 33
which the senator or representative is appointed. 34

All members shall hold office from the date of appointment 35
until the end of the term for which the member was appointed. If 36
a commission member dies or resigns, or if a senator or 37
representative who is a member of the commission ceases to be a 38
senator or representative, the vacancy shall be filled in the 39
same manner as provided in division (A) of this section. Any 40
member who is appointed by the governor to fill a vacancy 41
occurring prior to the end of the term for which the member's 42
predecessor was appointed shall hold office for the remainder of 43
that term, and any member who is appointed by the president of 44
the senate or the speaker of the house of representatives to 45
fill a vacancy occurring prior to the end of the term for which 46
the member's predecessor was appointed shall hold office for the 47

remainder of that term. A member of the commission is eligible 48
for reappointment. The governor, the president of the senate, 49
and the speaker of the house of representatives at any time may 50
remove their respective appointees to the commission for 51
misfeasance, nonfeasance, or malfeasance in office. 52

Serving as an appointed member of the commission under 53
division (A) (1) or (2) of this section does not constitute 54
grounds for resignation from the senate or the house of 55
representatives under section 101.26 of the Revised Code. 56

The president of the senate shall designate one of the 57
president's initial appointees as chairperson for the remainder 58
of the general assembly during which the member was appointed, 59
and the speaker of the house of representatives shall designate 60
one of the speaker's initial appointees as vice-chairperson for 61
the remainder of the general assembly during which the member 62
was appointed. Thereafter, the president of the senate and the 63
speaker of the house of representatives shall alternate 64
designating the chairperson and vice-chairperson of the 65
commission. 66

(C) The commission shall study the policies that are 67
needed to achieve the goal of sustaining and expanding 68
commercial passenger airline and air freight service, including 69
international service, into and from the airports of this state. 70
The commission also shall study what role, if any, the awarding 71
of incentives to commercial passenger airline and air freight 72
companies should have in achieving that goal. The commission 73
shall submit its first report, including its findings and 74
recommendations, to the governor, the president of the senate, 75
and the speaker of the house of representatives not later than 76
March 31, 2016. Thereafter, the commission shall meet at the 77

call of the chairperson and shall submit updated reports on the 78
policies described in this division at such times as determined 79
necessary by the chairperson of the commission. All updated 80
reports shall be submitted to the governor, the president of the 81
