(29) Employees who receive intermittent or temporary appointments under division (B) of section 124.30 of the Revised Code;

(30) Employees appointed to administrative staff positions for which an appointing authority is given specific statutory authority to set compensation;

(31) Employees appointed to highway patrol cadet or highway patrol cadet candidate classifications;

(32) Employees placed in the unclassified service by another section of the Revised Code.

(B) The classified service shall comprise all persons in the employ of the state and the several counties, cities, city health districts, general health districts, and city school districts of the state, not specifically included in the unclassified service. Upon the creation by the board of trustees of a civil service township civil service commission, the classified service shall also comprise, except as otherwise provided in division (A)(17) or (C) of this section, all persons in the employ of a civil service township police or fire department having ten or more full-time paid employees. The classified service consists of two classes, which shall be designated as the competitive class and the unskilled labor class.

(1) The competitive class shall include all positions and employments in the state and the counties, cities, city health districts, general health districts, and city school districts of the state, and, upon the creation

by the board of trustees of a civil service township of a township civil service commission, all positions in a civil service township police or fire department having ten or more full-time paid employees, for which it is practicable to determine the merit and fitness of applicants by competitive examinations. Appointments shall be made to, or employment shall be given in, all positions in the competitive class that are not filled by promotion, reinstatement, transfer, or reduction, as provided in this chapter, and the rules of the director of administrative services, by appointment from those certified to the appointing officer in accordance with this chapter.

(2) The unskilled labor class shall include ordinary unskilled laborers. Vacancies in the labor class for positions in service of the state shall be filled by appointment from lists of applicants registered by the director or the director's designee. Vacancies in the labor class for all other positions shall be filled by appointment from lists of applicants registered by a commission. The director or the commission, as applicable, by rule, shall require an applicant for registration in the labor class to furnish evidence or take tests as the director or commission considers proper with respect to age, residence, physical condition, ability to labor, honesty, sobriety, industry, capacity, and experience in the work or employment for which application is made. Laborers who fulfill the requirements shall be placed on the eligible list for the kind of labor or employment sought, and preference shall be given in employment in accordance with the rating received from that evidence or in those tests. Upon the request of an appointing officer, stating the kind of labor needed, the pay and probable length of employment, and the number to be employed, the director or commission, as applicable, shall certify from the highest on the list double the number to be employed; from this number, the appointing officer shall appoint the number actually needed for the particular work. If more than one applicant receives the same rating, priority in time of application shall determine the order in which their names shall be certified for appointment.

(C) A municipal or civil service township civil service commission may place volunteer firefighters who are paid on a fee-for-service basis in either the classified or the unclassified civil service.

(D)(1) This division does not apply to persons in the unclassified service who have the right to resume positions in the classified service under sections 4121.121, 5119.18, 5120.38, 5120.381, 5120.382, 5123.08, and 5139.02, ~~and 5501.19~~ of the Revised Code or to cities, counties, or political subdivisions of the state.

(2) A person who holds a position in the classified service of the state and who is appointed to a position in the unclassified service shall retain the right to resume the position and status held by the person in the classified service immediately prior to the person's appointment to the position in the

unclassified service, regardless of the number of positions the person held in the unclassified service. An employee's right to resume a position in the classified service may only be exercised when an appointing authority demotes the employee to a pay range lower than the employee's current pay range or revokes the employee's appointment to the unclassified service and any of the following apply:

(a) That person held a certified position prior to July 1, 2007, in the classified service within the appointing authority's agency; ~~or~~

(b) That person held a permanent position on or after July 1, 2007, in the classified service within the appointing authority's agency, and was appointed to the position in the unclassified service prior to January 1, 2016;

(c) That person held a permanent position on or after January 1, 2016, in the classified service within the appointing authority's agency, and is within five years from the effective date of the person's appointment in the unclassified service.

(3) An employee forfeits the right to resume a position in the classified service when:

(a) The employee is removed from the position in the unclassified service due to incompetence, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, violation of this chapter or the rules of the director of administrative services, any other failure of good behavior, any other acts of misfeasance, malfeasance, or nonfeasance in office, or conviction of a felony; or

(b) Upon transfer to a different agency.

(4) Reinstatement to a position in the classified service shall be to a position substantially equal to that position in the classified service held previously, as certified by the director of administrative services. If the position the person previously held in the classified service has been placed in the unclassified service or is otherwise unavailable, the person shall be appointed to a position in the classified service within the appointing authority's agency that the director of administrative services certifies is comparable in compensation to the position the person previously held in the classified service. Service in the position in the unclassified service shall be counted as service in the position in the classified service held by the person immediately prior to the person's appointment to the position in the unclassified service. When a person is reinstated to a position in the classified service as provided in this division, the person is entitled to all rights, status, and benefits accruing to the position in the classified service during the person's time of service in the position in the unclassified service."

"Sec. 5139.02. (A)(1) As used in this section, "managing officer" means a deputy director, an assistant deputy director, a superintendent, a regional administrator, a deputy superintendent, or the superintendent of

schools of the department of youth services, a member of the release authority, the chief of staff to the release authority, and the victims administrator of the office of victim services.

(2) Each division established by the director of youth services shall consist of managing officers and other employees, including those employed in institutions and regions as necessary to perform the functions assigned to them. The director or appropriate deputy director or managing officer of the department shall supervise the work of each division and determine general policies governing the exercise of powers vested in the department and assigned to each division. The appropriate managing officer or deputy director is responsible to the director for the organization, direction, and supervision of the work of the division or unit and for the exercise of the powers and the performance of the duties of the department assigned to it and, with the director's approval, may establish bureaus or other administrative units within the department.

(B) The director shall appoint all managing officers, who shall be in the unclassified civil service. The director may appoint a person who holds a certified position in the classified service within the department to a position as a managing officer within the department. A person appointed pursuant to this division to a position as a managing officer shall retain the right to resume the position and status held by the person in the classified service immediately prior to the person's appointment as managing officer, regardless of the number of positions the person held in the unclassified service. A managing officer's right to resume a position in the classified service may only be exercised when the director demotes the managing officer to a pay range lower than the managing officer's current pay range or revokes the managing officer's appointment to the position of managing officer. A person who holds a position in the classified service and who is appointed to the position of managing officer on or after January 1, 2016, shall have the right to resume a position in the classified service under this division only within five years after the effective date of the person's appointment as managing officer. A managing officer forfeits the right to resume a position in the classified service when the managing officer is removed from the position of managing officer due to incompetence, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, violation of this chapter or Chapter 124. of the Revised Code, the rules of the director of youth services or the director of administrative services, any other failure of good behavior, any other acts of misfeasance, malfeasance, or nonfeasance in office, or conviction of a felony. A managing officer also forfeits the right to resume a position in the classified service upon transfer to a different agency.

Reinstatement to a position in the classified service shall be to the position held in the classified service immediately prior to appointment as

managing officer, or to another position certified by the director of administrative services as being substantially equal to that position. If the position the person previously held in the classified service immediately prior to appointment as a managing officer has been placed in the unclassified service or is otherwise unavailable, the person shall be appointed to a position in the classified service within the department that the director of administrative services certifies is comparable in compensation to the position the person previously held in the classified service. Service as a managing officer shall be counted as service in the position in the classified service held by the person immediately prior to the person's appointment as a managing officer. If a person is reinstated to a position in the classified service under this division, the person shall be returned to the pay range and step to which the person had been assigned at the time of the appointment as managing officer. Longevity, where applicable, shall be calculated pursuant to the provisions of section 124.181 of the Revised Code.

(C) Each person appointed as a managing officer shall have received special training and shall have experience in the type of work that the person's division is required to perform. Each managing officer, under the supervision of the director, has entire charge of the division, institution, unit, or region for which the managing officer is appointed and, with the director's approval, shall appoint necessary employees and may remove them for cause.

the Revised Code to implement this section."

In line 8 of the title, after "124.181," insert "124.34,"

In line 378, after "124.181," insert "124.34,"

"Sec. 124.34. (A) The tenure of every officer or employee in the classified service of the state and the counties, civil service townships, cities, city health districts, general health districts, and city school districts of the state, holding a position under this chapter, shall be during good behavior and efficient service. No officer or employee shall be reduced in pay or position, fined, suspended, or removed, or have the officer's or employee's longevity reduced or eliminated, except as provided in section 124.32 of the Revised Code, and for incompetency, inefficiency, unsatisfactory performance, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, violation of any policy or work rule of the officer's or employee's appointing authority, violation of this chapter or the rules of the director of administrative services or the commission, any other failure of good behavior, any other acts of misfeasance, malfeasance, or nonfeasance in office, or conviction of a felony. The denial of a one-time pay supplement or a bonus to an officer or employee is not a reduction in pay for purposes of this section.

This section does not apply to any modifications or reductions in pay or work week authorized by division (Q) of section 124.181 or section 124.392, 124.393, or 124.394 of the Revised Code.

An appointing authority may require an employee who is suspended to report to work to serve the suspension. An employee serving a suspension in this manner shall continue to be compensated at the employee's regular rate of pay for hours worked. The disciplinary action shall be recorded in the employee's personnel file in the same manner as other disciplinary actions and has the same effect as a suspension without pay for the purpose of recording disciplinary actions.

A finding by the appropriate ethics commission, based upon a preponderance of the evidence, that the facts alleged in a complaint under section 102.06 of the Revised Code constitute a violation of Chapter 102., section 2921.42, or section 2921.43 of the Revised Code may constitute grounds for dismissal. Failure to file a statement or falsely filing a statement required by section 102.02 of the Revised Code may also constitute grounds for dismissal. The tenure of an employee in the career professional service of the department of transportation is subject to section 5501.20 of the Revised Code.

Conviction of a felony is a separate basis for reducing in pay or position, suspending, or removing an officer or employee, even if the officer

or employee has already been reduced in pay or position, suspended, or removed for the same conduct that is the basis of the felony. An officer or employee may not appeal to the state personnel board of review or the commission any disciplinary action taken by an appointing authority as a result of the officer's or employee's conviction of a felony. If an officer or employee removed under this section is reinstated as a result of an appeal of the removal, any conviction of a felony that occurs during the pendency of the appeal is a basis for further disciplinary action under this section upon the officer's or employee's reinstatement.

A person convicted of a felony immediately forfeits the person's status as a classified employee in any public employment on and after the date of the conviction for the felony. If an officer or employee is removed under this section as a result of being convicted of a felony or is subsequently convicted of a felony that involves the same conduct that was the basis for the removal, the officer or employee is barred from receiving any compensation after the removal notwithstanding any modification or disaffirmance of the removal, unless the conviction for the felony is subsequently reversed or annulled.

Any person removed for conviction of a felony is entitled to a cash payment for any accrued but unused sick, personal, and vacation leave as authorized by law. If subsequently reemployed in the public sector, the person shall qualify for and accrue these forms of leave in the manner specified by law for a newly appointed employee and shall not be credited with prior public service for the purpose of receiving these forms of leave.

As used in this division, "felony" means any of the following:

(1) A felony that is an offense of violence as defined in section 2901.01 of the Revised Code;

(2) A felony that is a felony drug abuse offense as defined in section 2925.01 of the Revised Code;

(3) A felony under the laws of this or any other state or the United States that is a crime of moral turpitude;

(4) A felony involving dishonesty, fraud, or theft;

(5) A felony that is a violation of section 2921.05, 2921.32, or 2921.42 of the Revised Code.

(B) In case of a reduction, a suspension of more than forty work hours in the case of an employee exempt from the payment of overtime compensation, a suspension of more than twenty-four work hours in the case of an employee required to be paid overtime compensation, a fine of more than forty hours' pay in the case of an employee exempt from the payment of overtime compensation, a fine of more than twenty-four hours' pay in the case of an employee required to be paid overtime compensation, or removal,

except for the reduction or removal of a probationary employee, the appointing authority shall serve the employee with a copy of the order of reduction, fine, suspension, or removal, which order shall state the reasons for the action.

Within ten days following the date on which the order is served or, in the case of an employee in the career professional service of the department of transportation, within ten days following the filing of a removal order, the employee, except as otherwise provided in this section, may file an appeal of the order in writing with the state personnel board of review or the commission. For purposes of this section, the date on which an order is served is the date of hand delivery of the order or the date of delivery of the order by certified United States mail, whichever occurs first. If an appeal is filed, the board or commission shall forthwith notify the appointing authority and shall hear, or appoint a trial board to hear, the appeal within thirty days from and after its filing with the board or commission. The board, commission, or trial board may affirm, disaffirm, or modify the judgment of the appointing authority. However, in an appeal of a removal order based upon a violation of a last chance agreement, the board, commission, or trial board may only determine if the employee violated the agreement and thus affirm or disaffirm the judgment of the appointing authority.

In cases of removal or reduction in pay for disciplinary reasons, either the appointing authority or the officer or employee may appeal from the decision of the state personnel board of review or the commission, and any such appeal shall be to the court of common pleas of the county in which the appointing authority is located, or to the court of common pleas of Franklin county, as provided by section 119.12 of the Revised Code.

(C) In the case of the suspension for any period of time, or a fine, demotion, or removal, of a chief of police, a chief of a fire department, or any member of the police or fire department of a city or civil service township, who is in the classified civil service, the appointing authority shall furnish the chief or member with a copy of the order of suspension, fine, demotion, or removal, which order shall state the reasons for the action. The order shall be filed with the municipal or civil service township civil service commission. Within ten days following the filing of the order, the chief or member may file an appeal, in writing, with the commission. If an appeal is filed, the commission shall forthwith notify the appointing authority and shall hear, or appoint a trial board to hear, the appeal within thirty days from and after its filing with the commission, and it may affirm, disaffirm, or modify the judgment of the appointing authority. An appeal on questions of law and fact may be had from the decision of the commission to the court of common pleas in the county in which the city or civil service township is situated. The appeal shall be taken within thirty days from the finding of the commission.

(D) A violation of division (A)(7) of section 2907.03 of the Revised Code is grounds for termination of employment of a nonteaching employee under this section.

(E) The director shall adopt a rule in accordance with Chapter 119. of the Revised Code to define the term "unsatisfactory performance" as it is used in this section with regard to employees in the service of the state.

(F) As used in this section, "last chance agreement" means an agreement signed by both an appointing authority and an officer or employee of the appointing authority that describes the type of behavior or circumstances that, if it occurs, will automatically lead to removal of the officer or employee without the right of appeal to the state personnel board of review or the appropriate commission."

The legislative authority or board shall certify the ordinance or resolution to the board of county commissioners or transit authority. The resolution shall specify the municipal corporation's or township's intent to receive such payments and describe the boundaries of the tourism development district. (B) Except as otherwise provided under section 5747.212 of the Revised Code, all items of business income and business deduction shall be apportioned to this state by multiplying ~~the adjusted gross~~ business income by the fraction calculated under division (B)(2) of section 5733.05 and section 5733.057 of the Revised Code as if the taxpayer's business were a corporation subject to the tax imposed by section 5733.06 of the Revised Code.

(C) If the allocation and apportionment provisions of sections 5747.20 to 5747.23 of the Revised Code or of any rule adopted by the tax commissioner, do not fairly represent the extent of business activity in this state of a taxpayer or pass-through entity, the taxpayer or pass-through entity may request, which request must be in writing accompanying a timely filed return or timely filed amended return, or the tax commissioner may require, in respect of all or any part of the business activity, if reasonable, any one or more of the following:

- (1) Separate accounting;
- (2) The exclusion of one or more factors;
- (3) The inclusion of one or more additional factors which will fairly represent the business activity in this state;
- (4) The employment of any other method to effectuate an equitable allocation and apportionment of such business in this state. An alternative method will be effective only with approval of the tax commissioner.

The tax commissioner may adopt rules in the manner provided by sections 5703.14 and 5747.18 of the Revised Code providing for alternative methods of calculating business income and nonbusiness income applicable to all taxpayers and pass-through entities, to classes of taxpayers and pass-through entities, or only to taxpayers and pass-through entities within a certain industry.

Sec. 5747.37.(A) As used in this section:

- (1) "Minor child" means a person under eighteen years of age.
- (2) "Legally adopt" means to adopt a minor child pursuant to Chapter 3107. of the Revised Code, or pursuant to the laws of any other state or nation if such an adoption is recognizable under section 3107.18 of the Revised Code. For the purposes of this section, a minor child is legally adopted when the final decree or order of adoption is issued by the proper court under the laws of the state or nation under which the child is adopted,

or, in the case of an interlocutory order of adoption, when the order becomes final under the laws of the state or nation. "Legally adopt" does not include the adoption of a minor child by the child's stepparent.

(B) There is hereby granted a credit against the tax imposed by section 5747.02 of the Revised Code for the legal adoption by a taxpayer of a minor child. The total amount of the credit applied against the taxes imposed under divisions (A)(3) and (4) of section 5747.02 of the Revised Code for each minor child legally adopted by the taxpayer shall equal the greater of the following:

(1) One thousand five hundred dollars;

(2) The amount of expenses incurred by the taxpayer and the taxpayer's spouse to legally adopt the child, not to exceed ten thousand dollars. For the purposes of this division, expenses incurred to legally adopt a child include expenses described in division (C) of section 3107.055 of the Revised Code.

The taxpayer shall claim the credit for each child beginning with the taxable year in which the child was legally adopted. If the sum of the credit to which the taxpayer would otherwise be entitled under this section is greater than the total tax due under section 5747.02 of the Revised Code for that taxable year after allowing for any other credits that precede the credit under this section in the order required under section 5747.98 of the Revised Code, such excess shall be allowed as a credit in each of the ensuing five taxable years, but the amount of any excess credit allowed in any such taxable year shall be deducted from the balance carried forward to the ensuing taxable year. The credit shall be claimed in the order required under section 5747.98 of the Revised Code. For the purposes of making tax payments under this chapter, taxes equal to the amount of the credit shall be considered to be paid to this state on the first day of the taxable year.

The taxpayer shall provide to the tax commissioner any receipts or other documentation of the expenses incurred to legally adopt the child upon the request of the tax commissioner for the purpose of division (B)(2) of this section."

A participant shall not be awarded more than one hundred points per year under this division regardless of how many primary care physicians award points to the participant that year and the number of points the primary care physicians award the participant that year.

Sec. 5166.408. Each county department of job and family services shall offer to refer to a workforce development agency each healthy Ohio program participant who resides in the county served by the county department and is either unemployed or employed for less than an average of twenty hours per week. "State institution of higher education" has the same meaning as in section 3345.011 of the Revised Code.

Sec. 103.45. The joint education oversight committee of the house of representatives and senate is hereby created. The committee shall select, for

review and evaluation, education programs at school districts, other public schools, and state institutions of higher education that receive state financial assistance in any form. The reviews and evaluations may include any of the following:

(A) Assessment of the uses school districts, other public schools, and state institutions of higher education make of state money they receive, and a determination of the extent to which that money improves district, school, or institutional performance in the areas for which the money was intended to be used;

(B) Determination of whether an education program meets its intended goals, has adequate operating or administrative procedures and fiscal controls, encompasses only authorized activities, has any undesirable or unintended effects, and is efficiently managed; and

(C) Examination of pilot programs developed and initiated in school districts, at other public schools, and at state institutions of higher education to determine whether the programs suggest innovative, effective ways to deal with problems that may exist in other districts, schools, or institutions of higher education, and to assess the fiscal costs and likely impact of adopting the programs throughout the state.

The committee shall prepare a report of the results of each review and evaluation it conducts, and shall transmit the report to the general assembly under section 101.68 of the Revised Code.

If the general assembly directs the joint education oversight committee to submit a study to the general assembly by a particular date, the committee, upon a majority vote of its members, may modify the scope and due date of the study to accommodate the availability of data and resources.

Sec. 103.46. Sec. 103.47. The joint education oversight committee may employ professional, technical, and clerical employees as are necessary for the committee to be able successfully and efficiently to perform its duties. All the employees are in the unclassified service and serve at the committee's pleasure. (3) No person shall deny a member or employee of the joint education oversight committee access to office when access is needed for an inspection.

(B) A member or employee of the joint education oversight committee shall not conduct an inspection under this section unless the joint education oversight committee chairperson grants prior approval for the inspection. The chairperson shall not grant approval unless the committee, the president of the senate, and the speaker of the house of representatives authorize the chairperson to grant the approval. Each inspection shall be conducted during the normal business hours of the office being inspected, unless the chairperson determines that the inspection must be conducted outside of normal business hours. The chairperson may make such a determination only because of an emergency circumstance or other justifiable cause that furthers the committee's mission. If the chairperson makes such a determination, the chairperson shall specify the reason for the determination in the grant of prior approval for the inspection.

Sec. 103.50. The joint education oversight committee shall consist of the following members:

A vacancy on the committee shall be filled in the same manner as the original appointment.

In odd-numbered years, the speaker shall designate one of the majority members from the house of representatives as chairperson and the president shall designate one of the minority members from the senate as the ranking minority member. In appointing members from the minority, and in designating ranking minority members, the president and speaker shall consult with the minority leader of their respective houses.

The committee shall meet at the call of the chairperson. The chairperson shall meet not less often than once each calendar month, unless the chairperson and ranking minority member agree that the chairperson should not call the committee to meet for a particular month.

Notwithstanding section 101.26 of the Revised Code, the members, when engaged in their duties as members of the committee on days when there is not a voting session of the member's house of the general assembly, shall be paid at the per diem rate of one hundred fifty dollars, and their necessary traveling expenses. These amounts shall be paid from the funds appropriated for the payment of expenses of legislative committees.

The chairperson, when authorized by the committee and the president and speaker, may issue subpoenas and subpoenas duces tecum in aid of the committee's performance of its duties. A subpoena may require a witness in any part of the state to appear before the committee at a time and place designated in the subpoena to testify. A subpoena duces tecum may require witnesses or other persons in any part of the state to produce books, papers, records, and other tangible evidence before the committee at a time and place designated in the subpoena duces tecum. (1) "Medication-assisted treatment (MAT) drug court program" means a session of any of the following that holds initial or final certification from the Supreme Court of Ohio as a specialized docket program for drugs: a common pleas court, municipal court, or county court, or a division of any of those courts.

(2) "Prescriber" has the same meaning as in section 4729.01 of the Revised Code.

(B)(1) The Department of Mental Health and Addiction Services shall conduct a program to provide addiction treatment, including medication-assisted treatment, to persons who are offenders within the Criminal Justice System, eligible to participate in a MAT drug court program, and are selected under this section to be participants in the program because of their dependence on opioids, alcohol, or both.

(2) The Department shall conduct the program in those courts of Allen, Clinton, Crawford, Cuyahoga, Franklin, Gallia, Hamilton, Hardin, Hocking, Jackson, Marion, Mercer, Montgomery, Summit, and Warren counties that are conducting MAT drug court programs. If in any of these counties there is no court conducting a MAT drug court program, the Department shall conduct the program in a court that is conducting a MAT drug court program in another county.

(3) In addition to conducting the program in accordance with division (B)(2) of this section, the Department may conduct the program in any court that is conducting a MAT drug court program.

(C) In conducting the program, the Department shall collaborate with the Supreme Court, the Department of Rehabilitation and Correction, and any agency of the state that the Department determines may be of assistance in accomplishing the objectives of the program. The Department may collaborate with the boards of alcohol, drug addiction, and mental health services and with local law enforcement agencies that serve the counties in which a court participating in the program is located.

(D)(1) A MAT drug court program shall select persons who are criminal offenders to be participants in the program. A person shall not be selected to be a participant unless the person meets the legal and clinical eligibility criteria for the MAT drug court program and is an active participant in the program.

(1) Provide treatment based on an integrated service delivery model that consists of the coordination of care between a prescriber and the community addiction services provider;

(2) One or more drugs may be used, but each drug that is used must constitute long-acting antagonist therapy or partial agonist therapy.

(3) If a drug constituting partial agonist therapy is used, the program shall provide safeguards to minimize abuse and diversion of the drug, including such safeguards as routine drug testing of program participants.

(G) It is anticipated and expected that drug courts will expand their ability to serve more drug court participants as a result of increased access to commercial or publicly funded health insurance. In order to ensure that funds appropriated to support this MAT drug court program are used in the most efficient manner with a goal of enrolling the maximum number of participants, the Medicaid Director with major Ohio healthcare plans, shall develop plans consistent with this division. There shall be no prior authorizations or step therapy for medication-assisted treatment for participants in the MAT drug court program. "Sec. 1509.28. (A) The chief of the division of oil and gas resources management, upon the chief's own motion or upon application by the owners of sixty-five per cent of the land area overlying the pool, shall hold a hearing to consider the need for the operation as a unit of an entire pool or part thereof. An application by owners shall be accompanied by a nonrefundable fee of ten thousand dollars and by such information as the chief may request.

The chief shall make an order providing for the unit operation of a pool or part thereof if the chief finds that such operation is reasonably

necessary to increase substantially the ultimate recovery of oil and gas, and the value of the estimated additional recovery of oil or gas exceeds the estimated additional cost incident to conducting the operation. The order shall be upon terms and conditions that are just and reasonable and shall prescribe a plan for unit operations that shall include:

- (1) A description of the unitized area, termed the unit area;
- (2) A statement of the nature of the operations contemplated;
- (3) An allocation to the separately owned tracts in the unit area of all the oil and gas that is produced from the unit area and is saved, being the production that is not used in the conduct of operations on the unit area or not unavoidably lost. The allocation shall be in accord with the agreement, if any, of the interested parties. If there is no such agreement, the chief shall determine the value, from the evidence introduced at the hearing, of each separately owned tract in the unit area, exclusive of physical equipment, for development of oil and gas by unit operations, and the production allocated to each tract shall be the proportion that the value of each tract so determined bears to the value of all tracts in the unit area.
- (4) A provision for the credits and charges to be made in the adjustment among the owners in the unit area for their respective investments in wells, tanks, pumps, machinery, materials, and equipment contributed to the unit operations;
- (5) A provision providing how the expenses of unit operations, including capital investment, shall be determined and charged to the separately owned tracts and how the expenses shall be paid;
- (6) A provision, if necessary, for carrying or otherwise financing any person who is unable to meet the person's financial obligations in connection with the unit, allowing a reasonable interest charge for such service;
- (7) A provision for the supervision and conduct of the unit operations, in respect to which each person shall have a vote with a value corresponding to the percentage of the expenses of unit operations chargeable against the interest of that person;
- (8) The time when the unit operations shall commence, and the manner in which, and the circumstances under which, the unit operations shall terminate;
- (9) Such additional provisions as are found to be appropriate for carrying on the unit operations, and for the protection or adjustment of correlative rights.

(B) No order of the chief providing for unit operations shall become effective unless and until the plan for unit operations prescribed by the chief has been approved in writing by those owners who, under the chief's order, will be required to pay at least sixty-five per cent of the costs of the unit

operation, and also by the royalty or, with respect to unleased acreage, fee owners of sixty-five per cent of the acreage to be included in the unit. If the plan for unit operations has not been so approved by owners and royalty owners at the time the order providing for unit operations is made, the chief shall upon application and notice hold such supplemental hearings as may be required to determine if and when the plan for unit operations has been so approved. If the owners and royalty owners, or either, owning the required percentage of interest in the unit area do not approve the plan for unit operations within a period of six months from the date on which the order providing for unit operations is made, the order shall cease to be of force and shall be revoked by the chief.

An order providing for unit operations may be amended by an order made by the chief, in the same manner and subject to the same conditions as an original order providing for unit operations, provided that:

(1) If such an amendment affects only the rights and interests of the owners, the approval of the amendment by the royalty owners shall not be required.

(2) No such order of amendment shall change the percentage for allocation of oil and gas as established for any separately owned tract by the original order, except with the consent of all persons owning interest in the tract.

The chief, by an order, may provide for the unit operation of a pool or a part thereof that embraces a unit area established by a previous order of the chief. Such an order, in providing for the allocation of unit production, shall first treat the unit area previously established as a single tract, and the portion of the unit production so allocated thereto shall then be allocated among the separately owned tracts included in the previously established unit area in the same proportions as those specified in the previous order.

Oil and gas allocated to a separately owned tract shall be deemed, for all purposes, to have been actually produced from the tract, and all operations, including, but not limited to, the commencement, drilling, operation of, or production from a well upon any portion of the unit area shall be deemed for all purposes the conduct of such operations and production from any lease or contract for lands any portion of which is included in the unit area. The operations conducted pursuant to the order of the chief shall constitute a fulfillment of all the express or implied obligations of each lease or contract covering lands in the unit area to the extent that compliance with such obligations cannot be had because of the order of the chief.

Oil and gas allocated to any tract, and the proceeds from the sale thereof, shall be the property and income of the several persons to whom, or to whose credit, the same are allocated or payable under the order providing for unit operations.

No order of the chief or other contract relating to the sale or purchase of production from a separately owned tract shall be terminated by the order providing for unit operations, but shall remain in force and apply to oil and gas allocated to the tract until terminated in accordance with the provisions thereof.

Notwithstanding divisions (A) to (H) of section 1509.73 of the Revised Code and rules adopted under it, the chief shall issue an order for the unit operation of a pool or a part of a pool that encompasses a unit area for which all or a portion of the mineral rights are owned by the department of transportation.

Except to the extent that the parties affected so agree, no order providing for unit operations shall be construed to result in a transfer of all or any part of the title of any person to the oil and gas rights in any tract in the unit area. All property, whether real or personal, that may be acquired for the account of the owners within the unit area shall be the property of such owners in the proportion that the expenses of unit operations are charged."

Sec. 124.34. (A) The tenure of every officer or employee in the classified service of the state and the counties, civil service townships, cities,

city health districts, general health districts, and city school districts of the state, holding a position under this chapter, shall be during good behavior and efficient service. No officer or employee shall be reduced in pay or position, fined, suspended, or removed, or have the officer's or employee's longevity reduced or eliminated, except as provided in section 124.32 of the Revised Code, and for incompetency, inefficiency, dishonesty, drunkenness, immoral conduct, insubordination, discourteous treatment of the public, neglect of duty, violation of any policy or work rule of the officer's or employee's appointing authority, violation of this chapter or the rules of the director of administrative services or the commission, any other failure of good behavior, any other acts of misfeasance, malfeasance, or nonfeasance in office, or conviction of a felony. The denial of a one-time pay supplement or a bonus to an officer or employee is not a reduction in pay for purposes of this section.

This section does not apply to any modifications or reductions in pay or work week authorized by ~~division (Q) of section 124.181~~ or section 124.392, 124.393, or 124.394 of the Revised Code.

An appointing authority may require an employee who is suspended to report to work to serve the suspension. An employee serving a suspension in this manner shall continue to be compensated at the employee's regular rate of pay for hours worked. The disciplinary action shall be recorded in the employee's personnel file in the same manner as other disciplinary actions and has the same effect as a suspension without pay for the purpose of recording disciplinary actions.

A finding by the appropriate ethics commission, based upon a preponderance of the evidence, that the facts alleged in a complaint under section 102.06 of the Revised Code constitute a violation of Chapter 102., section 2921.42, or section 2921.43 of the Revised Code may constitute grounds for dismissal. Failure to file a statement or falsely filing a statement required by section 102.02 of the Revised Code may also constitute grounds for dismissal. The tenure of an employee in the career professional service of the department of transportation is subject to section 5501.20 of the Revised Code.

Conviction of a felony is a separate basis for reducing in pay or position, suspending, or removing an officer or employee, even if the officer or employee has already been reduced in pay or position, suspended, or removed for the same conduct that is the basis of the felony. An officer or employee may not appeal to the state personnel board of review or the commission any disciplinary action taken by an appointing authority as a result of the officer's or employee's conviction of a felony. If an officer or employee removed under this section is reinstated as a result of an appeal of the removal, any conviction of a felony that occurs during the pendency of

the appeal is a basis for further disciplinary action under this section upon the officer's or employee's reinstatement.

A person convicted of a felony immediately forfeits the person's status as a classified employee in any public employment on and after the date of the conviction for the felony. If an officer or employee is removed under this section as a result of being convicted of a felony or is subsequently convicted of a felony that involves the same conduct that was the basis for the removal, the officer or employee is barred from receiving any compensation after the removal notwithstanding any modification or disaffirmance of the removal, unless the conviction for the felony is subsequently reversed or annulled.

Any person removed for conviction of a felony is entitled to a cash payment for any accrued but unused sick, personal, and vacation leave as authorized by law. If subsequently reemployed in the public sector, the person shall qualify for and accrue these forms of leave in the manner specified by law for a newly appointed employee and shall not be credited with prior public service for the purpose of receiving these forms of leave.

As used in this division, "felony" means any of the following:

(1) A felony that is an offense of violence as defined in section 2901.01 of the Revised Code;

(2) A felony that is a felony drug abuse offense as defined in section 2925.01 of the Revised Code;

(3) A felony under the laws of this or any other state or the United States that is a crime of moral turpitude;

(4) A felony involving dishonesty, fraud, or theft;

(5) A felony that is a violation of section 2921.05, 2921.32, or 2921.42 of the Revised Code.

(B) In case of a reduction, a suspension of more than forty work hours in the case of an employee exempt from the payment of overtime compensation, a suspension of more than twenty-four work hours in the case of an employee required to be paid overtime compensation, a fine of more than forty hours' pay in the case of an employee exempt from the payment of overtime compensation, a fine of more than twenty-four hours' pay in the case of an employee required to be paid overtime compensation, or removal, except for the reduction or removal of a probationary employee, the appointing authority shall serve the employee with a copy of the order of reduction, fine, suspension, or removal, which order shall state the reasons for the action.

Within ten days following the date on which the order is served or, in the case of an employee in the career professional service of the department of transportation, within ten days following the filing of a removal order, the

employee, except as otherwise provided in this section, may file an appeal of the order in writing with the state personnel board of review or the commission. For purposes of this section, the date on which an order is served is the date of hand delivery of the order or the date of delivery of the order by certified United States mail, whichever occurs first. If an appeal is filed, the board or commission shall forthwith notify the appointing authority and shall hear, or appoint a trial board to hear, the appeal within thirty days from and after its filing with the board or commission. The board, commission, or trial board may affirm, disaffirm, or modify the judgment of the appointing authority. However, in an appeal of a removal order based upon a violation of a last chance agreement, the board, commission, or trial board may only determine if the employee violated the agreement and thus affirm or disaffirm the judgment of the appointing authority.

In cases of removal or reduction in pay for disciplinary reasons, either the appointing authority or the officer or employee may appeal from the decision of the state personnel board of review or the commission, and any such appeal shall be to the court of common pleas of the county in which the appointing authority is located, or to the court of common pleas of Franklin county, as provided by section 119.12 of the Revised Code.

(C) In the case of the suspension for any period of time, or a fine, demotion, or removal, of a chief of police, a chief of a fire department, or any member of the police or fire department of a city or civil service township, who is in the classified civil service, the appointing authority shall furnish the chief or member with a copy of the order of suspension, fine, demotion, or removal, which order shall state the reasons for the action. The order shall be filed with the municipal or civil service township civil service commission. Within ten days following the filing of the order, the chief or member may file an appeal, in writing, with the commission. If an appeal is filed, the commission shall forthwith notify the appointing authority and shall hear, or appoint a trial board to hear, the appeal within thirty days from and after its filing with the commission, and it may affirm, disaffirm, or modify the judgment of the appointing authority. An appeal on questions of law and fact may be had from the decision of the commission to the court of common pleas in the county in which the city or civil service township is situated. The appeal shall be taken within thirty days from the finding of the commission.

(D) A violation of division (A)(7) of section 2907.03 of the Revised Code is grounds for termination of employment of a nonteaching employee under this section.

(E) As used in this section, "last chance agreement" means an agreement signed by both an appointing authority and an officer or employee of the appointing authority that describes the type of behavior or circumstances that, if it occurs, will automatically lead to removal of the

officer or employee without the right of appeal to the state personnel board of review or the appropriate commission."
