A RESOLUTION

Designating Ohio Chiropractic Awareness Month, October
2015.

WHEREAS, The members of the House of Representatives of the 131st General Assembly of Ohio, for the reasons herein after set forth, wish to designate October 2015 as Ohio Chiropractic Awareness Month; and

WHEREAS, Chiropractic is a healthcare practice based on the musculoskeletal system and its disorders, which affect the general wellness of the body. Doctors of chiropractic practice a drug-free, hands-on approach to health care that can include the manipulation of the spine and joints to reduce pain, restore mobility, and maintain health; and

WHEREAS, Since Dr. Daniel David Palmer performed the first chiropractic adjustment on a patient in 1895, chiropractic has promoted musculoskeletal health, overall wellness, and disease prevention through good nutrition, regular exercise, and restful sleep. Doctors of chiropractic, through regular interactions with patients and their communities, and in collaboration with other healthcare providers, are instrumental in teaching people about the conservative-care-first approach to health; and

WHEREAS, Increased public awareness of chiropractic is important to conservative healthcare treatment and to containing increasing healthcare costs, and Ohio Chiropractic Awareness Month will be instrumental in this worthy mission; therefore be it

RESOLVED, That we, the members of the House of

Representatives of the 131st General Assembly of Ohio, in adopting	24
this Resolution, designate October 2015 as Ohio Chiropractic	25
Awareness Month; and be it further	26
RESOLVED, That the Clerk of the House of Representatives	27
transmit duly authenticated copies of this Resolution to the Ohio	28
State Chiropractic Association and to the news media of Ohio.	29
