(b) Any alternate assessment approved by the department 147
for a student under this division shall produce measurable 148

No school district board shall excuse any limited English 183
proficient student from taking any particular assessment 184
required to be administered under this section, except as 185
follows: 186

(a) Any limited English proficient student who has been 187
enrolled in United States schools for less than two years and 188
for whom no appropriate accommodations are available based on 189
guidance issued by the department shall not be required to take 190
the assessment prescribed under division (B) (1) of section 191

3301.0712 of the Revised Code.	192
(b) Any limited English proficient student who has been enrolled in United States schools for less than one full school year shall not be required to take any reading, writing, or English language arts assessment.	193 194 195 196
However, no board shall prohibit a limited English proficient student who is not required to take an assessment under division (C) (3) of this section from taking the assessment. A board may permit any limited English proficient student to take an assessment required to be administered under this section with appropriate accommodations, as determined by the department. For each limited English proficient student, each school district shall annually assess that student's progress in learning English, in accordance with procedures approved by the department.	197 198 199 200 201 202 203 204 205 206
(4) (a) The governing authority of a chartered nonpublic school may excuse a limited English proficient student from taking any assessment administered under this section.	207 208 209
(b) No governing authority shall require a limited English proficient student who has been enrolled in United States schools for less than two years and for whom no appropriate accommodations are available based on guidance issued by the department to take the assessment prescribed under division (B) (1) of section 3301.0712 of the Revised Code.	210 211 212 213 214 215
(c) No governing authority shall prohibit a limited English proficient student from taking an assessment from which the student was excused under division (C) (4) of this section.	216 217 218
(D) (1) In the school year next succeeding the school year in which the assessments prescribed by division (A) (1) or (B) (1)	219 220

of section 3301.0710 of the Revised Code or former division (A) 221

level on the assessment. 230

(2) Following any administration of the assessments 231
prescribed by division (D) of section 3301.0710 of the Revised 232
Code to ninth grade students, each school district that has a 233
three-year average graduation rate of not more than seventy-five 234
per cent shall determine for each high school in the district 235
whether the school shall be required to provide intervention 236
services to any students who took the assessments. In 237
determining which high schools shall provide intervention 238
services based on the resources available, the district shall 239
consider each school's graduation rate and scores on the 240
practice assessments. The district also shall consider the 241
scores received by ninth grade students on the English language 242
arts and mathematics assessments prescribed under division (A) 243
(1) (f) of section 3301.0710 of the Revised Code in the eighth 244
grade in determining which high schools shall provide 245
intervention services. 246

Each high school selected to provide intervention services 247
under this division shall provide intervention services to any 248
student whose results indicate that the student is failing to 249
make satisfactory progress toward being able to attain scores at 250
the proficient level on the Ohio graduation tests. Intervention 251

services shall be provided in any skill in which a student 252
demonstrates unsatisfactory progress and shall be commensurate 253
with the student's performance. Schools shall provide the 254
intervention services prior to the end of the school year, 255
during the summer following the ninth grade, in the next 256
succeeding school year, or at any combination of those times. 257

(E) Except as provided in section 3313.608 of the Revised 258
Code and division (N) of this section, no school district board 259
of education shall utilize any student's failure to attain a 260
specified score on an assessment administered under this section 261
as a factor in any decision to deny the student promotion to a 262
higher grade level. However, a district board may choose not to 263
promote to the next grade level any student who does not take an 264
assessment administered under this section or make up an 265

who is not exempt from the requirement to take the assessment 267
under division (C) (3) of this section. 268

or end-of-course examination in the area of English language arts, except for the third-grade English language arts assessment, the results may be sent after forty-five days of the administration of the writing component, but in no case shall the scores be returned later than the thirtieth day of June following the administration.

(3) For assessments administered under this section by a joint vocational school district, the department or entity shall also send to each city, local, or exempted village school district a list of the individual scores of any students of such city, local, or exempted village school district who are attending school in the joint vocational school district.

(H) Individual scores on any assessments administered under this section shall be released by a district board only in accordance with section 3319.321 of the Revised Code and the rules adopted under division (A) of this section. No district board or its employees shall utilize individual or aggregate results in any manner that conflicts with rules for the ethical use of assessments adopted pursuant to division (A) of this section.

(I) Except as provided in division (G) of this section, the department or an entity with which the department contracts for the scoring of the assessment shall not release any individual scores on any assessment administered under this section. The state board shall adopt rules to ensure the protection of student confidentiality at all times. The rules may require the use of the data verification codes assigned to students pursuant to division (D)(2) of section 3301.0714 of the Revised Code to protect the confidentiality of student scores.

(2) For a student who is enrolled in a chartered nonpublic 454
school that is accredited through the independent schools 455
association of the central states, and who is not attending the 456
school under a state scholarship program, the student shall not 457
be required to take any assessment prescribed under section 458
3301.0712 or 3313.619 of the Revised Code. 459

(3) (a) Except as provided in ~~division~~ divisions (L) (3) (b) 460
and (4) of this section, for a student who is enrolled in a 461
chartered nonpublic school that is not accredited through the 462
independent schools association of the central states, 463
regardless of whether the student is attending or is not 464
attending the school under a state scholarship program, the 465
student shall do one of the following: 466

(i) Take all of the assessments prescribed by division (B) 467
of section 3301.0712 of the Revised Code; 468

(ii) Take only the assessment prescribed by division (B) 469
(1) of section 3301.0712 of the Revised Code, provided that the 470
student's school publishes the results of that assessment for 471
each graduating class. The published results of that assessment 472
shall include the overall composite scores, mean scores, twenty- 473
fifth percentile scores, and seventy-fifth percentile scores for 474
each subject area of the assessment. 475

(iii) Take an alternative assessment approved by the 476
department under section 3313.619 of the Revised Code. 477

(b) A student who is excused from taking an assessment 478
under division (C) of this section or has presented evidence to 479
the chartered nonpublic school of having satisfied the condition 480
prescribed by division (A) (1) of section 3313.618 of the Revised 481
Code to qualify for a high school diploma prior to the date of 482
the administration of the assessment prescribed under division 483
(B) (1) of section 3301.0712 of the Revised Code shall not be 484
required to take that assessment. No governing authority of a 485
chartered nonpublic school shall prohibit a student who is not 486
required to take such assessment from taking the assessment. 487

(4) The assessments prescribed by sections 3301.0712 and 488

3313.619 of the Revised Code shall not be administered to any 489
student attending the school, if the school meets all of the 490
following conditions: 491

(a) At least ninety-five per cent of the students enrolled 492
in the school are children with disabilities, as defined under 493
section 3323.01 of the Revised Code, or have received a 494
diagnosis by a school district or from a physician, including a 495
neuropsychologist or psychiatrist, or a psychologist who is 496
authorized to practice in this or another state as having a 497
condition that impairs academic performance, such as dyslexia, 498
dyscalculia, attention deficit hyperactivity disorder, or 499
Asperger's syndrome. 500

(b) The school has solely served a student population 501
described in division (L) (4) (a) of this section for at least ten 502
years. 503

(c) The school makes available to the department at least 504
five years of records of internal testing conducted by the 505
school that affords the department data required for 506
accountability purposes, including growth in student achievement 507
in reading or mathematics, or both, as measured by nationally 508
norm-referenced assessments that have developed appropriate 509
standards for students. 510

Division (L) (4) of this section applies to any student 511
attending such school regardless of whether the student receives 512
special education or related services and regardless of whether 513
the student is attending the school under a state scholarship 514
program. 515

(M) (1) The superintendent of the state school for the 516
blind and the superintendent of the state school for the deaf 517

shall administer the assessments described by sections 3301.0710 518
and 3301.0712 of the Revised Code. Each superintendent shall 519
administer the assessments in the same manner as district boards 520
are required to do under this section and rules adopted by the 521
department of education and in conformity with division (C) (1) 522
(a) of this section. 523

(2) The department of education shall furnish the 524
assessments described by sections 3301.0710 and 3301.0712 of the 525
Revised Code to each superintendent. 526

(N) Notwithstanding division (E) of this section, a school 527
district may use a student's failure to attain a score in at 528
least the proficient range on the mathematics assessment 529
described by division (A) (1) (a) of section 3301.0710 of the 530
Revised Code or on an assessment described by division (A) (1) 531
(b), (c), (d), (e), or (f) of section 3301.0710 of the Revised 532
Code as a factor in retaining that student in the current grade 533
level. 534

(O) (1) In the manner specified in divisions (O) (3), (4), 535
(6), and (7) of this section, the assessments required by 536
division (A) (1) of section 3301.0710 of the Revised Code shall 537
become public records pursuant to section 149.43 of the Revised 538
Code on the thirty-first day of July following the school year 539
that the assessments were administered. 540

(2) The department may field test proposed questions with 541
samples of students to determine the validity, reliability, or 542
appropriateness of questions for possible inclusion in a future 543
year's assessment. The department also may use anchor questions 544
on assessments to ensure that different versions of the same 545
assessment are of comparable difficulty. 546

Field test questions and anchor questions shall not be 547
considered in computing scores for individual students. Field 548
test questions and anchor questions may be included as part of 549
the administration of any assessment required by division (A) (1) 550
or (B) of section 3301.0710 and division (B) of section 551
3301.0712 of the Revised Code. 552

(3) Any field test question or anchor question 553
administered under division (O) (2) of this section shall not be 554
a public record. Such field test questions and anchor questions 555
shall be redacted from any assessments which are released as a 556
public record pursuant to division (O) (1) of this section. 557

(4) This division applies to the assessments prescribed by 558
division (A) of section 3301.0710 of the Revised Code. 559

(a) The first administration of each assessment, as 560
specified in former section 3301.0712 of the Revised Code, shall 561
be a public record. 562

(b) For subsequent administrations of each assessment 563
prior to the 2011-2012 school year, not less than forty per cent 564
of the questions on the assessment that are used to compute a 565
student's score shall be a public record. The department shall 566
determine which questions will be needed for reuse on a future 567
assessment and those questions shall not be public records and 568
shall be redacted from the assessment prior to its release as a 569
public record. However, for each redacted question, the 570
department shall inform each city, local, and exempted village 571
school district of the statewide academic standard adopted by 572
the state board under section 3301.079 of the Revised Code and 573
the corresponding benchmark to which the question relates. The 574
preceding sentence does not apply to field test questions that 575
are redacted under division (O) (3) of this section. 576

(c) The administrations of each assessment in the 2011- 577
2012, 2012-2013, and 2013-2014 school years shall not be a 578
public record. 579

(5) Each assessment prescribed by division (B) (1) of 580
section 3301.0710 of the Revised Code shall not be a public 581
record. 582

(6) (a) Except as provided in division (O) (6) (b) of this 583
section, for the administrations in the 2014-2015, 2015-2016, 584
and 2016-2017 school years, questions on the assessments 585
prescribed under division (A) of section 3301.0710 and division 586
(B) (2) of section 3301.0712 of the Revised Code and the 587
corresponding preferred answers that are used to compute a 588
student's score shall become a public record as follows: 589

(i) Forty per cent of the questions and preferred answers 590
on the assessments on the thirty-first day of July following the 591
administration of the assessment; 592

(ii) Twenty per cent of the questions and preferred 593
answers on the assessment on the thirty-first day of July one 594
year after the administration of the assessment; 595

(iii) The remaining forty per cent of the questions and 596
preferred answers on the assessment on the thirty-first day of 597
July two years after the administration of the assessment. 598

The entire content of an assessment shall become a public 599
record within three years of its administration. 600

The department shall make the questions that become a 601
public record under this division readily accessible to the 602
public on the department's web site. Questions on the spring 603
administration of each assessment shall be released on an annual 604
basis, in accordance with this division. 605

(b) No questions and corresponding preferred answers shall 606
become a public record under division (O) (6) of this section 607
after July 31, 2017. 608

(7) Division (O) (7) of this section applies to the 609
assessments prescribed by division (A) of section 3301.0710 and 610
division (B) (2) of section 3301.0712 of the Revised Code. 611

Beginning with the assessments administered in the spring 612
of the 2017-2018 school year, not less than forty per cent of 613
the questions on each assessment that are used to compute a 614
student's score shall be a public record. The department shall 615
determine which questions will be needed for reuse on a future 616
assessment and those questions shall not be public records and 617
shall be redacted from the assessment prior to its release as a 618
public record. However, for each redacted question, the 619
department shall inform each city, local, and exempted village 620
school district of the corresponding statewide academic standard 621
adopted by the state board under section 3301.079 of the Revised 622
Code and the corresponding benchmark to which the question 623
relates. The department is not required to provide corresponding 624
standards and benchmarks to field test questions that are 625
redacted under division (O) (3) of this section. 626

(P) As used in this section: 627

(1) "Three-year average" means the average of the most 628
recent consecutive three school years of data. 629

(2) "Dropout" means a student who withdraws from school 630
before completing course requirements for graduation and who is 631
not enrolled in an education program approved by the state board 632
of education or an education program outside the state. 633
"Dropout" does not include a student who has departed the 634

country. 635

(3) "Graduation rate" means the ratio of students 636
receiving a diploma to the number of students who entered ninth 637
grade four years earlier. Students who transfer into the 638
district are added to the calculation. Students who transfer out 639
of the district for reasons other than dropout are subtracted 640
from the calculation. If a student who was a dropout in any 641
previous year returns to the same school district, that student 642
shall be entered into the calculation as if the student had 643
entered ninth grade four years before the graduation year of the 644
graduating class that the student joins. 645

(4) "State scholarship programs" means the educational 646
choice scholarship pilot program established under sections 647
3310.01 to 3310.17 of the Revised Code, the autism scholarship 648
program established under section 3310.41 of the Revised Code, 649
the Jon Peterson special needs scholarship program established 650
under sections 3310.51 to 3310.64 of the Revised Code, and the 651
pilot project scholarship program established under sections 652
3313.974 to 3313.979 of the Revised Code. 653

Sec. 3301.0713. The department of education shall 654
establish an education management information system advisory 655
council. The council shall make recommendations to the 656
superintendent of public instruction to improve the operation of 657
the education management information system established under 658
section 3301.0714 of the Revised Code and shall provide a forum 659
for communication and collaboration between the department and 660
parties affected by the collection, reporting, and use of the 661
system's data. Members of the council shall include department 662
staff and representatives of school districts and other entities 663
that regularly interact with data from the education management 664

information system.

665

Sec. 3310.522. (1) If the person entered the ninth grade prior to July 1, 2014, the person has attained at least the applicable scores designated under division (B) (1) of section 3301.0710 of the Revised Code on all the assessments required by that division, or has satisfied the alternative conditions prescribed in section 3313.615 of the Revised Code.

(2) If the person entered the ninth grade on or after July 1, 2014, the person has met the requirement prescribed by section 3313.618 or 3313.619 of the Revised Code.

(B) This section does not apply to any of the following:

(1) Any person with regard to any assessment from which the person was excused pursuant to division (C) (1) (c) of section 3301.0711 of the Revised Code;

(2) ~~Any~~ Except as provided in division (B) (4) of this section, any person who attends a nonpublic school accredited through the independent schools association of the central states, except for a student attending the school under a state scholarship program as defined in section 3301.0711 of the Revised Code;

(3) Any person with regard to the social studies assessment under division (B) (1) of section 3301.0710 of the Revised Code, any American history end-of-course examination and any American government end-of-course examination required under division (B) of section 3301.0712 of the Revised Code if such an exemption is prescribed by rule of the state board of education under division (D) (3) of section 3301.0712 of the Revised Code,

or the citizenship test under former division (B) of section 724
3301.0710 of the Revised Code as it existed prior to September 725

(a) The person is not a citizen of the United States; 727

(b) The person is not a permanent resident of the United 728
States; 729

(c) The person indicates no intention to reside in the 730
United States after completion of high school. 731

(4) Any person who attends a chartered nonpublic school 732
that satisfies the requirements of division (L)(4) of section 733
3301.0711 of the Revised Code. In the case of such a student, 734
the student's chartered nonpublic school shall determine the 735
student's eligibility for graduation based on the standards of 736
the school's accrediting body. 737

(C) As used in this division, "limited English proficient 738
student" has the same meaning as in division (C)(3) of section 739
3301.0711 of the Revised Code. 740

Notwithstanding division (C)(3) of section 3301.0711 of 741
the Revised Code, no limited English proficient student who has 742
not either attained the applicable scores designated under 743
division (B)(1) of section 3301.0710 of the Revised Code on all 744
the assessments required by that division, or met the 745
requirement prescribed by section 3313.618 or 3313.619 of the 746
Revised Code, shall be awarded a diploma under this section. 747

(D) The state board shall not impose additional 748
requirements or assessments for the granting of a high school 749
diploma under this section that are not prescribed by this 750
section. 751

(E) The department of education shall furnish the 752
assessment administered by a nonpublic school pursuant to 753
division (B) (1) of section 3301.0712 of the Revised Code. 754

Sec. 3314.016. This section applies to any entity that 755
sponsors a community school, regardless of whether section 756
3314.021 or 3314.027 of the Revised Code exempts the entity from 757
the requirement to be approved for sponsorship under divisions 758
(A) (2) and (B) (1) of section 3314.015 of the Revised Code. The 759
office of Ohio school sponsorship established under section 760
3314.029 of the Revised Code shall be rated under division (B) 761
of this section, but divisions (A) and (C) of this section do 762
not apply to the office. 763

(A) An entity that sponsors a community school shall be 764
permitted to enter into contracts under section 3314.03 of the 765
Revised Code to sponsor additional community schools only if the 766
entity meets all of the following criteria: 767

(1) The entity is in compliance with all provisions of 768
this chapter requiring sponsors of community schools to report 769
data or information to the department of education. 770

(2) The entity is not rated as "ineffective" under 771
division (B) (6) of this section. 772

(3) Except as set forth in sections 3314.021 and 3314.027 773
of the Revised Code, the entity has received approval from and 774
entered into an agreement with the department of education 775
pursuant to section 3314.015 of the Revised Code. 776

(B) (1) ~~Beginning with the 2015-2016 school year, the~~ The 777
department shall develop and implement an evaluation system that 778
annually rates and assigns an overall rating to each entity that 779
sponsors a community school. ~~That~~ The department, not later than 780

the first day of February of each year, shall post on the 781
department's web site the framework for the evaluation system, 782
including technical documentation that the department intends to 783
use to rate sponsors for the next school year. The department 784
shall solicit public comment on the evaluation system for thirty 785
consecutive days. Not later than the first day of April of each 786
year, the department shall compile and post on the department's 787
web site all public comments that were received during the 788
public comment period. The evaluation system shall be developed 789
~~and~~ posted on the department's web site by the fifteenth day of 790
July of each school year. Any changes to the evaluation system 791
after that date shall take effect the following year. The 792
evaluation system shall be based on the following components: 793

(a) Academic performance of students enrolled in community 794
schools sponsored by the same entity. The academic performance 795
component shall be derived from the performance measures 796
prescribed for the state report cards under section 3302.03 or 797
3314.017 of the Revised Code, and shall be based on the 798
performance of the schools for the school year for which the 799
evaluation is conducted. In addition to the academic performance 800
for a specific school year, the academic performance component 801
shall also include year-to-year changes in the overall sponsor 802
portfolio. For a community school for which no graded 803
performance measures are applicable or available, the department 804
shall use nonreport card performance measures specified in the 805
contract between the community school and the sponsor under 806
division (A) (4) of section 3314.03 of the Revised Code. 807

(b) Adherence by a sponsor to the quality practices 808
prescribed by the department under division (B) (3) of this 809
section. For a sponsor that was rated "effective" or "exemplary" 810
on its most recent rating, the department may evaluate that 811

sponsor's adherence to quality practices once over a period of 812
three years. If the department elects to evaluate a sponsor once 813
over a period of three years, the most recent rating for a 814
sponsor's adherence to quality practices shall be used when 815
determining an annual overall rating conducted under this 816
section. 817

(c) Compliance with all applicable laws and administrative 818
rules by an entity that sponsors a community school. 819

(2) In calculating an academic performance component, the 820
department shall exclude all community schools that have been in 821
operation for not more than two full school years and all 822
community schools described in division (A) (4) (b) of section 823
3314.35 of the Revised Code. However, the academic performance 824
of the community schools described in division (A) (4) (b) of 825
section 3314.35 of the Revised Code shall be reported, but shall 826
not be used as a factor when determining a sponsoring entity's 827
rating under this section. 828

(3) The department, in consultation with entities that 829
sponsor community schools, shall prescribe quality practices for 830
community school sponsors and develop an instrument to measure 831
adherence to those quality practices. The quality practices 832
shall be based on standards developed by the national 833
association of charter school authorizers or any other 834
nationally organized community school organization. 835

(4) (a) The department may permit peer review of a 836
sponsor's adherence to the quality practices prescribed under 837
division (B) (3) of this section. Peer reviewers shall be limited 838
to individuals employed by sponsors rated "effective" or 839
"exemplary" on the most recent ratings conducted under this 840
section. 841

(b) The department shall require individuals participating 842
in peer review under division (B) (4) (a) of this section to 843
complete training approved or established by the department. 844

(c) The department may enter into an agreement with 845
another entity to provide training to individuals conducting 846
peer review of sponsors. Prior to entering into an agreement 847
with an entity, the department shall review and approve of the 848
entity's training program. 849

(5) Not later than July 1, 2013, the state board of 850
education shall adopt rules in accordance with Chapter 119. of 851
the Revised Code prescribing standards for measuring compliance 852
with applicable laws and rules under division (B) (1) (c) of this 853
section. 854

(6) The department annually shall rate all entities that 855
sponsor community schools as either "exemplary," "effective," 856
"ineffective," or "poor," based on the components prescribed by 857
division (B) of this section, where each component is weighted 858
equally. A separate rating shall be given by the department for 859
each component of the evaluation system. 860

The department shall publish the ratings between the first 861
day of October and the fifteenth day of November. 862

Prior to the publication of the final ratings, the 863
department shall designate and provide notice of a period of at 864
least ten business days during which each sponsor may review the 865
information used by the department to determine the sponsor's 866
rating on the components prescribed by divisions (B) (1) (b) and 867
(c) of this section. If the sponsor believes there is an error 868
in the department's evaluation, the sponsor may request 869
adjustments to the rating of either of those components based on 870

documentation previously submitted as part of an evaluation. The 871
sponsor shall provide to the department any necessary evidence 872
or information to support the requested adjustments. The 873
department shall review the evidence and information, determine 874
whether an adjustment is valid, and promptly notify the sponsor 875
of its determination and reasons. If any adjustments to the data 876
could result in a change to the rating on the applicable 877
component or to the overall rating, the department shall 878
recalculate the ratings prior to publication. 879

The department shall provide training on an annual basis 880
regarding the evaluation system prescribed under this section. 881
The training shall, at a minimum, describe methodology, 882
timelines, and data required for the evaluation system. The 883
first training session shall occur not later than March 2, 2016. 884
Beginning in 2018, the training shall be made available to each 885
entity that sponsors a community school by the fifteenth day of 886
July of each year and shall include guidance on any changes made 887
to the evaluation system. 888

(7) (a) Entities with an overall rating of "exemplary" for 889
at least two consecutive years may take advantage of the 890
following incentives: 891

(i) Renewal of the written agreement with the department, 892
not to exceed ten years, provided that the entity consents to 893
continued evaluation of adherence to quality practices as 894
described in division (B) (1) (b) of this section; 895

(ii) The ability to extend the term of the contract 896
between the sponsoring entity and the community school beyond 897
