A BILL

То	amend section 5747.50 of the Revised Code and to	1
	amend Section 387.10 of Am. Sub. H.B. 49 of the	2
	132nd General Assembly to credit additional	3
	amounts to the Local Government Fund to provide	4
	for payment to fire districts that experienced a	5
	30% or more decrease in the taxable value of	6
	power plants located in the districts between	7
	2016 and 2017 and to increase the appropriation	8
	to the Local Government Fund.	9

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 5747.50 of the Revised Code be	10				
amended to read as follows:	11				
Sec. 5747.50. (A) As used in this section:	12				
(1) "County's proportionate share of the calendar year	13				
2007 LGF and LGRAF distributions" means the percentage computed	14				
for the county under division (B)(1)(a) of section 5747.501 of	15				
the Revised Code.					
(2) "County's proportionate share of the total amount of	17				
the local government fund additional revenue formula" means each	18				
county's proportionate share of the state's population as	19

be made during the current calendar year under division (B)(2)	21
(a) of section 5747.501 of the Revised Code. If prior to the	22
first day of January of the current calendar year the federal	23
government has issued a revision to the population figures	24
reflected in the estimate produced pursuant to division (B)(2)	25
(a) of section 5747.501 of the Revised Code, such revised	26
population figures shall be used for making the distributions	27
during the current calendar year.	28
(3) "2007 LGF and LGRAF county distribution base available	29
in that month" means the lesser of the amounts described in	30
division (A)(3)(a) and (b) of this section, provided that the	31
amount shall not be less than zero:	32
(a) The total amount available for distribution to	33
counties from the local government fund during the current	34
month.	35
(b) The total amount distributed to counties from the	36
local government fund and the local government revenue	37
assistance fund to counties in calendar year 2007 less the total	38
amount distributed to counties under division (B)(1) of this	39
section during previous months of the current calendar year.	40
(4) "Local government fund additional revenue distribution	41
base available during that month" means the total amount	42
available for distribution to counties during the month from the	43
local government fund, less any amounts to be distributed in	44
that month from the local government fund under division (B)(1)	45
of this section, provided that the local government fund	46
additional revenue distribution base available during that month	47

shall not be less than zero.

(5) "Total amount available for distribution to counties"	49
means the total amount available for distribution from the local	50
government fund during the current month less the total amount	51
available for distribution to municipal corporations during the	52
current month under division (C) of this section.	53
(B) On or before the tenth day of each month, the tax	54
commissioner shall provide for payment to each county an amount	55
equal to the sum of:	56
(1) The county's proportionate share of the calendar year	57
2007 LGF and LGRAF distributions multiplied by the 2007 LGF and	58
LGRAF county distribution base available in that month, provided	59
that if the 2007 LGF and LGRAF county distribution base	60
available in that month is zero, no payment shall be made under	61
division (B)(1) of this section for the month or the remainder	62
of the calendar year; and	63

77

(a) "Total amount available for distribution to	78
municipalities during the current month" means the difference	79
obtained by subtracting one million dollars from the product	80
obtained by multiplying the total amount available for	81
distribution from the local government fund during the current	82
month by the aggregate municipal share.	83
(b) "Aggregate municipal share" means the quotient	84
obtained by dividing the total amount distributed directly from	85
the local government fund to municipal corporations during	86
calendar year 2007 by the total distributions from the local	87
government fund and local government revenue assistance fund	88
during calendar year 2007.	89
(2) On or before the tenth day of each month, the tax	90
commissioner shall provide for payment from the local government	91
fund to each municipal corporation an amount equal to the	92
product derived by multiplying the municipal corporation's	93
percentage of the total amount distributed to all such municipal	94
corporations under this division during calendar year 2007 by	95
the total amount available for distribution to municipal	96
corporations during the current month.	97
(3) Payments received by a municipal corporation under	98
this division shall be paid into its general fund and may be	99
used for any lawful purpose.	100
(4) The amount distributed to municipal corporations under	101
this division during any calendar year shall not exceed the	102
amount distributed directly from the local government fund to	103
municipal corporations during calendar year 2007. If that	104
maximum amount is reached during any month, distributions to	105
municipal corporations in that month shall be as provided in	106

municipal corporation for failure to comply with this reporting	138
requirement.	139
(E) (1) For the purposes of division (E) of this section:	140
(a) "Eligible fire district" means a township fire	141
district or joint fire district for which the total taxable	142
value of power plants for tax year 2017 is at least thirty per	143
cent less than the total taxable value of power plants for tax	144
year 2016.	145
(b) "Total taxable value of power plants" of an eligible	146
fire district means the total taxable value of the taxable	147
property of power plants apportioned to the district as shown in	148
a preliminary assessment or amended preliminary assessment and	149
listed on the tax list of real and public utility property.	150
(c) "Taxable property" has the same meaning as in section	151
5727.01 of the Revised Code.	152
(d) "Tax rate" of an eligible fire district means the sum	153
of the rates of levies extended on the tax list of real and	154
public utility property for tax year 2017 excluding any levy	155
imposed at whatever rate is required to raise a fixed sum of	156
money.	157
(2) For each eligible fire district, the tax commissioner	158
shall compute the amount obtained by multiplying the eligible	159
fire district's tax rate by the difference obtained by	160
subtracting (a) the total taxable value of power plants of the	161
district for tax year 2017 from (b) the total taxable value of	162
power plants of the district for tax year 2016. The commissioner	163
shall certify the sum of such amounts for all eligible fire	164
districts to the director of budget and management who, on or	165
before the seventh day of each month, shall transfer from the	166

general revenue fund to the local government fund one-twelfth of	167
the amount certified.	168
(3) On or before the tenth day of each month, the tax	169
commissioner shall provide for payment to each county in which	170
an eligible fire district is located an amount equal to one-	171
twelfth of the amount computed for the district under division	172
(E) (2) of this section.	173
Money received into the treasury of a county under	174
division (E) of this section shall be credited to the undivided	175
local government fund in the treasury of the county on or before	176
the fifteenth day of each month. On or before the twentieth day	177
of each month, the county auditor shall issue warrants against	178
the undivided local government fund for the amounts attributable	179
to each eligible fire district, and the treasurer shall	180
distribute and pay such amounts to each eligible fire district.	181
Money received by a fire district under this division shall be	182
credited to the district's general fund and may be used for any	183
lawful purpose of the district.	184
