(11) Knowingly refuse to promptly submit the custody of a dead human body or cremated remains upon the oral or written order of the person legally entitled to the body or cremated remains;

(12) Except as ordered by the person holding the right of disposition under section 2108.70 or 2108.81 of the Revised Code, knowingly fail to carry out the final disposition of a dead human body within thirty days after taking custody of the body.

(B) No funeral director or other person in charge of the final disposition of a dead human body shall fail to do one of the following prior to the interment of the body:

(1) Affix to the ankle or wrist of the deceased a tag encased in a durable and long-lasting material that contains the name, date of birth, date of death, and social security number of the deceased;

(2) Place in the casket a capsule containing a tag bearing the information described in division (B)(1) of this section;

(3) If the body was cremated, place in the vessel containing the cremated remains a tag bearing the information described in division (B)(1) of this section.

(C) No person who holds a funeral home license for a funeral home that is closed, or that is owned by a funeral business in which changes in the ownership of the funeral business result in a majority of the ownership of the funeral business being held by one or more persons who solely or in combination with others did not own a majority of the funeral business immediately prior to the change in ownership, shall fail to submit to the board within thirty days after the closing or such a change ~~in~~ of ownership of the funeral business owning the funeral home, a clearly enumerated account of all of the following from which the licensee, at the time of the closing or change ~~in~~ of ownership of the funeral business and in connection with the funeral home, was to receive payment for providing the funeral services, funeral goods, or any combination of those in connection with the funeral or final disposition of a dead human body:

(1) Preneed funeral contracts governed by sections 4717.31 to 4717.38 of the Revised Code;

(2) Life insurance policies or annuities the benefits of which are payable to the provider of funeral or burial goods or services;

(3) Accounts at banks or savings banks insured by the federal deposit insurance corporation, savings and loan associations insured by the federal savings and loan insurance corporation or the Ohio deposit guarantee fund, or credit unions insured by the national credit union administration or a credit union share guaranty corporation organized under Chapter 1761. of the Revised Code that are payable upon the death of the person for whose benefit deposits into the accounts were made.

(D)(1) No person who holds a funeral home license for a funeral home that is closed shall negligently fail to send written notice to the purchaser of every preneed funeral contract to which the funeral business is a party via first class United States mail. Such notice shall be addressed to the purchaser's last known address and shall explain that the funeral business is being closed and the name of any funeral business that has been designated to assume the obligations of the preneed contract.

(2) Within thirty days of the closing of a funeral home, no person who held the funeral home license for the closed funeral home shall negligently fail to transfer all preneed contracts to the funeral home or funeral homes that have been designated to assume the obligation of the preneed contracts. If the person who holds a funeral home license for a funeral home that is closed fails to designate a successor funeral home or funeral homes to assume the obligations of the preneed funeral contracts, the board shall make such designations and order the transfer of the preneed funeral contracts to the designated funeral home or funeral homes.

Sec. 4717.14. (A) The board of embalmers and funeral directors may refuse to grant or renew, or may suspend or revoke, any license or permit issued under this chapter or may require the holder of a license or permit to take corrective action courses for any of the following reasons:

(1) The holder of a license was or permit obtained the license or permit by fraud or misrepresentation either in the application or in passing the examination.

(2) The applicant ~~or~~, licensee, or permit holder has been convicted of or has pleaded guilty to a felony or of any crime involving moral turpitude.

(3) The applicant ~~or~~, licensee, or permit holder has purposely violated any provision of sections 4717.01 to 4717.15 or a rule adopted under any of those sections; division (A) or (B) of section 4717.23; division (B)(1) or (2), (C)(1) or (2), (D), (E), or (F)(1) or (2), or divisions (H) to (K) of section 4717.26; division (D)(1) of section 4717.27; or divisions (A) to (C) of section 4717.28 of the Revised Code; or any provisions of sections 4717.31

to 4717.38 of the Revised Code; any rule or order of the department of health or a board of health of a health district governing the disposition of dead human bodies; or any other rule or order applicable to the applicant or licensee.

(4) The applicant ~~or~~, licensee, or permit holder has committed immoral or unprofessional conduct.

(5) The applicant or licensee knowingly permitted an unlicensed person, other than a person serving an apprenticeship, to engage in the profession or business of embalming or funeral directing under the applicant's or licensee's supervision.

(6) The applicant ~~or~~, licensee, or permit holder has been habitually intoxicated, or is addicted to the use of morphine, cocaine, or other habit-forming or illegal drugs.

(7) The applicant ~~or~~, licensee, or permit holder has refused to promptly submit the custody of a dead human body or cremated remains upon the express order of the person legally entitled to the body or cremated remains.

(8) The licensee or permit holder loaned the licensee's own license or the permit holder's own permit, or the applicant ~~or~~, licensee, or permit holder borrowed or used the license or permit of another person, or knowingly aided or abetted the granting of an improper license or permit.

(9) The applicant ~~or~~, licensee ~~transferred a license to operate a funeral home, embalming facility, or crematory from one owner or operator to another, or from one location to another, without notifying the board.~~

(10) ~~The applicant or licensee, or permit holder~~ misled the public by using false or deceptive advertising. As used in this division, "false and deceptive advertising" includes, but is not limited to, any of the following:

(a) Using the names of persons who are not licensed to practice funeral directing in a way that leads the public to believe that such persons are engaging in funeral directing;

(b) Using any name for the funeral home other than the name under which the funeral home is licensed;

(c) Using in the funeral home's name the surname of an individual who is not directly, actively, or presently associated with the funeral home, unless such surname has been previously and continuously used by the funeral home.

(B)(1) The board of embalmers and funeral directors shall refuse to grant or renew, or shall suspend or revoke, ~~an embalmer's, funeral director's, funeral home, or embalming facility~~ a license or permit only in accordance with Chapter 119. of the Revised Code.

(2) The board shall send to the crematory review board written notice

that it proposes to refuse to issue or renew, or proposes to suspend or revoke, a license to operate a crematory facility. If, after the conclusion of the adjudicatory hearing on the matter conducted under division (F) of section 4717.03 of the Revised Code, the board of embalmers and funeral directors finds that any of the circumstances described in divisions (A)(1) to ~~(10)(9)~~ of this section apply to the person named in its proposed action, the board may issue a final order under division (F) of section 4717.03 of the Revised Code refusing to issue or renew, or suspending or revoking, the person's license to operate a crematory facility.

(C) If the board of embalmers and funeral directors determines that there is clear and convincing evidence that any of the circumstances described in divisions (A)(1) to ~~(10)(9)~~ of this section apply to the holder of a license or permit issued under this chapter and that the licensee's or permit holder's continued practice presents a danger of immediate and serious harm to the public, the board may suspend the licensee's license or permit holder's permit without a prior adjudicatory hearing. The executive director of the board shall prepare written allegations for consideration by the board.

The board, after reviewing the written allegations, may suspend a license or permit without a prior hearing.

The board shall issue a written order of suspension by a delivery system or in person in accordance with section 119.07 of the Revised Code. Such an order is not subject to suspension by the court during the pendency of any appeal filed under section 119.12 of the Revised Code. If the licensee or permit holder ~~of an embalmer's, funeral director's, funeral home, or embalming facility license~~ requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the licensee or permit holder has requested a hearing, unless the board and the licensee or permit holder agree to a different time for holding the hearing.

Upon issuing a written order of suspension to the holder of a license to operate a crematory facility, the board of embalmers and funeral directors shall send written notice of the issuance of the order to the crematory review board. The crematory review board shall hold an adjudicatory hearing on the order under division (F) of section 4717.03 of the Revised Code within fifteen days, but not earlier than seven days, after the issuance of the order, unless the crematory review board and the licensee agree to a different time for holding the adjudicatory hearing.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicatory order issued by the board of embalmers and funeral directors pursuant to this division and

Chapter 119. of the Revised Code, or division (F) of section 4717.03 of the Revised Code, as applicable, becomes effective. The board of embalmers and funeral directors shall issue its final adjudicatory order within sixty days after the completion of its hearing or, in the case of the summary suspension of a license to operate a crematory facility, within sixty days after completion of the adjudicatory hearing by the crematory review board. A failure to issue the order within that time results in the dissolution of the summary suspension order, but does not invalidate any subsequent final adjudicatory order.

(D) If the board of embalmers and funeral directors suspends or revokes a funeral director's license ~~held by a funeral director~~ or a license to operate a funeral home for any reason identified in division (A) of this section, the board may file a complaint with the court of common pleas in the county where the violation occurred requesting appointment of a receiver and the sequestration of the assets of the funeral home that held the suspended or revoked license or the licensed funeral home that employs the funeral director that held the suspended or revoked license. If the court of common pleas is satisfied with the application for a receivership, the court may appoint a receiver.

The board or a receiver may employ and procure whatever assistance or advice is necessary in the receivership or liquidation and distribution of the assets of the funeral home, and, for that purpose, may retain officers or employees of the funeral home as needed. All expenses of the receivership or liquidation shall be paid from the assets of the funeral home and shall be a lien on those assets, and that lien shall be a priority to any other lien.

(E) Any holder of a license or permit issued under this chapter who has pleaded guilty to, has been found by a judge or jury to be guilty of, or has had a judicial finding of eligibility for treatment in lieu of conviction entered against the individual in this state for aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary, or who has pleaded guilty to, has been found by a judge or jury to be guilty of, or has had a judicial finding of eligibility for treatment in lieu of conviction entered against the individual in another jurisdiction for any substantially equivalent criminal offense, is hereby suspended from practice under this chapter by operation of law, and any license or permit issued to the individual under this chapter is hereby suspended by operation of law as of the date of the guilty plea, verdict or finding of guilt, or judicial finding of eligibility for treatment in lieu of conviction, regardless of whether the proceedings are brought in this state or another jurisdiction. The board shall

notify the suspended individual of the suspension of the individual's license or permit by the operation of this division by a delivery system or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or permit is suspended under this division fails to make a timely request for an adjudicatory hearing, the board shall enter a final order revoking the license.

(F) No person whose license or permit has been suspended or revoked under or by the operation of this section shall knowingly practice embalming ~~or~~, funeral directing, or cremation, or operate a funeral home, embalming facility, or crematory facility until the board has reinstated the person's license or permit.

Sec. 4717.15. (A) The board of embalmers and funeral directors, without the necessity for conducting a prior adjudication hearing, may issue a notice of violation to the holder of an embalmer's, funeral director's, funeral home, or embalming facility, or crematory facility license, or a crematory operator permit or a courtesy card permit issued under this chapter who the board finds has committed any of the violations described in ~~divisions~~ division (A)(9)(a) ~~to (g)~~ of section 4717.04 of the Revised Code. The notice shall set forth the specific violation committed by the licensee or permit holder and shall be sent by certified mail. The notice shall be accompanied by an order requiring the payment of the appropriate forfeiture prescribed in rules adopted under division (A)(9) of section 4717.04 of the Revised Code and by a notice informing the licensee or permit holder that the licensee is entitled to an adjudicatory hearing on the notice of violation and order if the licensee or permit holder requests a hearing and if the board receives the request within thirty days after the mailing of the notice of violation and order. The board shall conduct any such adjudicatory hearing in accordance with Chapter 119. of the Revised Code, except as otherwise provided in this division.

A licensee or permit holder who receives a notice of violation and order under this division shall pay to the executive director of the board the full amount of the forfeiture by certified check within thirty days after the notice of violation and order were mailed to the licensee or permit holder unless, within that time, the licensee or permit holder submits a request for an adjudicatory hearing on the notice of violation and order. If such a request for an adjudicatory hearing is timely filed, the licensee or permit holder need not pay the forfeiture to the executive director until after a final, nonappealable administrative or judicial decision is rendered on the order requiring payment of the forfeiture. If a final nonappealable administrative or judicial decision is rendered affirming the board's order, the licensee or

permit holder shall pay to the executive director of the board the full amount of the forfeiture by certified check within thirty days after notice of the decision was sent to the licensee. A forfeiture is considered to be paid when the licensee's or permit holder's certified check is received by the executive director in Columbus. If the licensee or permit holder fails to so pay the full amount of the forfeiture to the executive director within that time, the board shall issue an order suspending or revoking the individual's license or permit, as the board considers appropriate.

(B) The board shall send to the crematory review board written notice that it proposes to issue to the holder of a license to operate a crematory facility issued under this chapter a notice of violation and order requiring payment of a forfeiture specified in rules adopted under division (A)(9) of section 4717.04 of the Revised Code. If, after the conclusion of the adjudicatory hearing on the matter conducted under division (F) of section 4717.03 of the Revised Code, the board of embalmers and funeral directors finds that the licensee has committed any of the violations described in ~~divisions~~ division (A)(9)~~(a) to (g)~~ of section 4717.04 of the Revised Code in connection with the operation of a crematory facility or cremation, the board of embalmers and funeral directors may issue a final order under division (F) of section 4717.03 of the Revised Code requiring payment of the appropriate forfeiture specified in rules adopted under division (A)(9) of section 4717.04 of the Revised Code. A licensee who receives such an order shall pay the full amount of the forfeiture to the executive director by certified check within thirty days after the order was sent to the licensee unless, within that time, the licensee files a notice of appeal in accordance with division (F) of section 4717.03 and section 119.12 of the Revised Code. If such a notice of appeal is timely filed, the licensee or permit holder need not pay the forfeiture to the executive director until after a final, nonappealable judicial decision is rendered in the appeal. If a final, nonappealable judicial decision is rendered affirming the board's order, the licensee or permit holder shall pay to the executive director the full amount of the forfeiture by certified check within thirty days after notice of the decision was sent to the licensee or permit holder. A forfeiture is considered paid when the licensee's or permit holder's certified check is received by the executive director in Columbus. If the licensee or permit holder fails to so pay the full amount of the forfeiture to the executive director within that time, the board shall issue an order suspending or revoking the individual's license, as the board considers appropriate.

Sec. 4717.16. On receipt of a notice pursuant to section 3123.43 of the Revised Code, the board of embalmers and funeral directors shall comply

with sections 3123.41 to 3123.50 of the Revised Code and any applicable rules adopted under section 3123.63 of the Revised Code with respect to a license or permit issued pursuant to this chapter.

Sec. 4717.21. (A) Any person, on an antemortem basis, may serve as the person's own authorizing agent, authorize the person's own cremation, and specify the arrangements for the final disposition of the person's own cremated remains by executing an antemortem cremation authorization form. A guardian, custodian, or other personal representative who is authorized by law or contract to do so on behalf of a person, on an antemortem basis, may authorize the cremation of the person and specify the arrangements for the final disposition of the person's cremated remains by executing an antemortem cremation authorization form on the person's behalf. Any such antemortem cremation authorization form also shall be signed by one witness. The original copy of the executed authorization form shall be sent to the ~~operator of the~~ crematory facility being authorized to conduct the cremation, and a copy shall be retained by the person who executed the authorization form. The person who executed an antemortem cremation authorization form may revoke the authorization at any time by providing written notice of the revocation to ~~the operator of~~ the crematory facility named in the authorization form. The person who executed the authorization form may transfer the authorization to another crematory facility by providing written notice to the ~~operator of the~~ crematory facility named in the original authorization of the revocation of the authorization and, in accordance with this division, executing a new antemortem cremation authorization form authorizing ~~the operator of~~ another crematory facility to conduct the cremation.

(B)(1) Each antemortem cremation authorization form shall specify the final disposition that is to be made of the cremated remains.

(2) Every antemortem cremation authorization form entered into on or after ~~the effective date of this amendment~~ October 12, 2006, shall specify the final disposition that is to be made of the remains and shall include a provision in substantially the following form:

NOTICE: Upon the death of the person who is the subject of this antemortem cremation authorization, the person holding the right of disposition under section 2108.70 or 2108.81 of the Revised Code may cancel the cremation arrangements, modify the arrangements for the final disposition of the cremated remains, or make alternative arrangements for the final disposition of the decedent's body. However, the person executing this antemortem cremation authorization is encouraged to state his or her preferences as to the manner of final disposition in a declaration of the right

of disposition pursuant to section 2108.72 of the Revised Code, including that the arrangements set forth in this form shall be followed.

(C)(1) Except as provided in division (C)(2) of this section, when the ~~operator of a~~ crematory facility is in possession of a cremation authorization form that has been executed on an antemortem basis in accordance with this section, the other conditions set forth in division (A) of section 4717.23 of the Revised Code have been met, the crematory facility has possession of the decedent to which the antemortem authorization pertains, and the crematory facility has received payment for the cremation of the decedent and the final disposition of the cremated remains of the decedent or is otherwise assured of payment for those services, the crematory facility shall cremate the decedent as directed and dispose of the cremated remains in accordance with the instructions contained in the antemortem cremation authorization form.

(2) A person with the right of disposition for a decedent under section 2108.70 or 2108.81 of the Revised Code who is not disqualified under section 2108.75 of the Revised Code may cancel the arrangements for the decedent's cremation, modify the arrangements for the final disposition of the decedent's cremated remains, or make alternative arrangements for the final disposition of the decedent's body. If a person with the right takes any such action, the ~~operator~~ crematory facility shall disregard the instructions contained in the antemortem cremation authorization form and follow the instructions of the person with the right.

(D) An antemortem cremation authorization form executed under division (A) of this section does not constitute a contract for conducting the cremation of the person named in the authorization form or for the final disposition of the person's cremated remains. Despite the existence of such an antemortem cremation authorization, a person with the right of disposition for a decedent under section 2108.70 or 2108.81 of the Revised Code may modify, in writing, the arrangements for the final disposition of the cremated remains of the decedent set forth in the authorization form or may cancel the cremation and claim the decedent's body for purposes of making alternative arrangements for the final disposition of the decedent's body. The revocation of an antemortem cremation authorization form executed under division (A) of this section, or the cancellation of the cremation of the person named in the antemortem authorization or modification of the arrangements for the final disposition of the person's cremated remains as authorized by this division, does not affect the validity or enforceability of any contract entered into for the cremation of the person named in the antemortem authorization or for the final disposition of the

person's cremated remains.

(E) Nothing in this section applies to any antemortem cremation authorization form executed prior to ~~the effective date of this section~~ August 5, 1998. Any cemetery, funeral home, crematory facility, or other party may specify, with the written approval of the person who executed the antemortem authorization, that such an antemortem authorization is subject to sections 4717.21 to 4717.30 of the Revised Code.

Sec. 4717.23. (A) No crematory operator ~~of a or crematory facility~~ shall cremate or allow the cremation ~~at a crematory facility the operator is licensed to operate under this chapter~~ of a dead human body, other than one that was donated to science for purposes of medical education or research, until all of the following have occurred:

(1) A period of at least twenty-four hours has elapsed since the decedent's death as indicated on a complete, nonprovisional death certificate filed under section 3705.16 of the Revised Code or under the laws of another state that are substantially equivalent to that section, unless, if the decedent died from a virulent communicable disease, the department of health or board of health having territorial jurisdiction where the death of the decedent occurred requires by rule or order the cremation to occur prior to the end of that period;

(2) The ~~operator~~ crematory facility has received a burial or burial-transit permit that authorizes the cremation of the decedent;

(3) The ~~operator~~ crematory facility has received a completed cremation authorization form executed pursuant to section 4717.21 or 4717.24 of the Revised Code, as applicable, that authorizes the cremation of the decedent. A blank cremation authorization form shall be provided by the ~~operator~~ crematory facility and shall comply with section 4717.24 of the Revised Code and, if applicable, section 4717.21 of the Revised Code.

(4) The ~~operator~~ crematory facility has received any other documentation required by this state or a political subdivision of this state.

(B) No crematory operator ~~of a or crematory facility~~ shall cremate or allow the cremation of any body parts, including, without limitation, dead human bodies that were donated to science for purposes of medical research or education, at a crematory facility ~~the operator is licensed to operate in this state~~ until both of the following have occurred:

(1) The ~~operator~~ crematory facility has received a completed cremation authorization form executed pursuant to section 4717.25 of the Revised Code or, if the decedent has executed an antemortem cremation authorization form in accordance with section 4717.21 of the Revised Code and has donated the decedent's body to science for purposes of medical

education or research, such an antemortem cremation authorization form;

(2) The ~~operator~~ crematory facility has received any other documentation required by this state or a political subdivision of this state.

Sec. 4717.24. (A) A cremation authorization form authorizing the cremation of a dead human body, other than one that was donated to science for purposes of medical education or research, shall include at least all of the following information and statements:

(1) A statement that the decedent has been identified in accordance with division (B) of this section;

(2) The name of the funeral director or other individual who obtained the burial or burial-transit permit authorizing the cremation of the decedent;

(3) The name of the authorizing agent and the relationship of the authorizing agent to the decedent;

(4) A statement that the authorizing agent in fact has the right to authorize cremation of the decedent and that the authorizing agent does not have actual knowledge of the existence of any living person who has a superior priority right to act as the authorizing agent under section 4717.22 of the Revised Code. If the person executing the cremation authorization form knows of another living person who has such a superior priority right, the authorization form shall include a statement indicating that the person executing the authorization form has made reasonable efforts to contact the person having the superior priority right and has been unable to do so and that the person executing the authorization form has no reason to believe that the person having the superior priority right would object to the cremation of the decedent.

(5) A statement of whether the authorizing agent has actual knowledge of the presence in the decedent of a pacemaker, defibrillator, or any other mechanical or radioactive device or implant that poses a hazard to the health or safety of personnel performing the cremation;

(6) A statement indicating the crematory facility is to cremate the casket or alternative container in which the decedent was delivered to or accepted by the crematory facility;

(7) A statement of whether the crematory facility is authorized to simultaneously cremate the decedent in the same cremation chamber with one or more other decedents who were related to the decedent named in the cremation authorization form by consanguinity or affinity or who, at any time during the one-year period preceding the decedent's death, lived with the decedent in a common law marital relationship or otherwise cohabited with the decedent. A cremation authorization form executed under this section shall not authorize the simultaneous cremation of a decedent in the

same cremation chamber with one or more other decedents except under the circumstances described in the immediately preceding sentence.

(8) The names of any persons designated by the authorizing agent to be present in the holding facility or cremation room prior to or during the cremation of the decedent or during the removal of the cremated remains from the cremation chamber;

(9) The authorization for the crematory facility to cremate the decedent and to process or pulverize the cremated remains as is the practice at the particular crematory facility;

(10) A statement of whether it is the crematory facility's practice to return all of the residue removed from the cremation chamber following the cremation or to separate and remove foreign matter from the residue before returning the cremated remains to the authorizing agent or the person designated on the authorization form to receive the cremated remains pursuant to division (A)(11) of this section;

(11) The name of the person who is to receive the cremated remains of the decedent from the crematory facility;

(12) The manner in which the final disposition of the cremated remains of the decedent is to occur, if known. If the cremation authorization form does not specify the manner of the final disposition of the cremated remains, it shall indicate that the cremated remains will be held by the crematory facility for thirty days after the cremation, unless, prior to the end of that period, they are picked up from the crematory facility by the person designated on the cremation authorization form to receive them, the authorizing agent, or, if applicable, the funeral director who obtained the burial or burial-transit permit for the decedent, or are delivered or shipped by the ~~operator of the~~ crematory facility to one of those persons. The authorization form shall indicate that if no instructions for the final disposition are provided on the authorization form and that if no arrangements for final disposition have been made within the thirty-day period, the crematory facility may return the cremated remains to the authorizing agent. The authorization form shall further indicate that if no arrangements for the final disposition of the cremated remains have been made within sixty days after the completion of the cremation and if the authorizing agent has not picked them up or caused them to be picked up within that period, the crematory operator or crematory facility may dispose of them in accordance with division (C) of section 4717.27 of the Revised Code.

(13) A listing of the items of value to be delivered to the crematory facility along with the dead human body, if any, and instructions regarding

how those items are to be handled;

(14) A statement of whether the authorizing agent has made arrangements for any type of viewing of the decedent or for a service with the decedent present prior to the cremation and, if so, the date, time, and place of the service;

(15) A statement of whether the crematory facility may proceed with the cremation at any time after the conditions set forth in division (A) of section 4717.23 of the Revised Code have been met and the decedent has been received at the facility;

(16) The certification of the authorizing agent to the effect that all of the information and statements contained in the authorization form are accurate;

(17) The signature of the authorizing agent and the signature of at least one witness who observed the authorizing agent execute the cremation authorization form.

(B) In making the identification of the decedent required by division (A)(1) of this section, the funeral home arranging the cremation shall require the authorizing agent or the agent's appointed representative to visually identify the decedent's remains or a photograph or other visual image of the remains. If identification is by photograph or other visual image, the authorizing agent or representative shall sign the photograph or other visual image. If visual identification is not feasible, other positive identification of the decedent may be used including, but not limited to, reliance upon an identification made through the coroner's office or identification of photographs or other visual images of scars, tattoos, or physical deformities taken from the decedent's remains.

(C) An authorizing agent who is not available to execute a cremation authorization form in person may designate another individual to serve as the authorizing agent by providing to the ~~operator of the~~ crematory facility where the cremation is to occur a written designation, acknowledged before a notary public or other person authorized to administer oaths, authorizing that other individual to serve as the authorizing agent, ~~or by sending to the operator a facsimile transmission of the written designation that has been so acknowledged.~~ Any such written designation shall contain the name of the decedent, the name and address of the authorizing agent, the relationship of the authorizing agent to the decedent, and the name and address of the individual who is being designated to serve as the authorizing agent. Upon receiving ~~such a written designation or a facsimile transmission of~~ such a written designation, the operator shall permit the individual named in the written designation to serve as the authorizing agent and to execute the cremation authorization form authorizing the cremation of the decedent

named in the written designation.

(D) An authorizing agent who signs a cremation authorization form under this section is hereby deemed to warrant the accuracy of the information and statements contained in such authorization form, including the identification of the decedent and the agent's authority to authorize the cremation. A funeral home and its employees are not responsible for verifying the accuracy of any information or statements the authorizing agent made on the authorization form, unless the funeral home or its employees have actual knowledge to the contrary regarding any such information or statement. When delivering the decedent's remains to a crematory facility or in carrying out the disposition in its own facility, the funeral home is responsible for having the decedent identified pursuant to division (B) of this section and carrying out the obligations imposed on the funeral home by division (B) of section 4717.29 of the Revised Code.

(E) At any time after executing a cremation authorization form and prior to the beginning of the cremation process, the authorizing agent who executed the cremation authorization form under division (A) or (C) of this section may, in writing, modify the arrangements for the final disposition of the cremated remains of the decedent set forth in the authorization form or may, in writing, revoke the authorization, cancel the cremation, and claim the decedent's body for purposes of making alternative arrangements for the final disposition of the decedent's body. The ~~operator of a crematory facility~~ shall cancel the cremation if the ~~operator~~ crematory facility receives such a revocation before beginning the cremation.

(F) A cremation authorization form executed under this section does not constitute a contract for conducting the cremation of the decedent named in the authorization form or for the final disposition of the cremated remains of the decedent. The revocation of a cremation authorization form or modification of the arrangements for the final disposition of the cremated remains of the decedent pursuant to division (E) of this section does not affect the validity or enforceability of any contract for the cremation of the decedent named in the authorization form or for the final disposition of the cremated remains of the decedent.

Sec. 4717.25. (A) A cremation authorization form authorizing the cremation of any body parts, including, without limitation, dead human bodies that were donated to science for purposes of medical education or research shall include at least all of the following information and statements, as applicable:

(1) The identity of the decedent whose body was donated to science for purposes of medical education or research or the identity of the living

person or such a decedent from whom the body parts were removed;

(2) The name of the authorizing agent and the relationship of the authorizing agent to the decedent or the living person from whom the body parts were removed;

(3) A statement that the authorizing agent in fact has the right to authorize the cremation of the decedent or the body parts removed from the decedent or living person and a description of the basis of the person's right to execute the cremation authorization form;

(4) A statement of whether the crematory facility is authorized to simultaneously cremate the decedent or body parts removed from the decedent or living person with one or more other decedents whose bodies were donated to science for purposes of medical education or research or with body parts removed from one or more other decedents or living persons;

(5) The authorization for the crematory facility to cremate the decedent or body parts removed from the decedent or living person and to process or pulverize the cremated remains as is the practice at the particular crematory facility;

(6) A statement of whether it is the crematory facility's practice to return all of the residue removed from the cremation chamber following the cremation or to separate and remove foreign matter from the residue before returning the cremated remains to the authorizing agent or the authorizing agent's designee;

(7) The name of the person who is to receive the cremated remains from the crematory facility;

(8) The manner in which the final disposition of the cremated remains is to occur, if known. If the cremation authorization form does not specify the manner of the final disposition of the cremated remains, it shall indicate that the cremated remains will be held by the crematory facility for thirty days after the cremation, unless, prior to the end of that period, they are picked up from the crematory facility by the person designated on the authorization form to receive them or by the authorizing agent, or are delivered or shipped by the ~~operator of the~~ crematory facility to one of those persons. The authorization form shall indicate that if no instructions for the final disposition of the cremated remains are provided on the authorization form and that if no arrangements for final disposition have been made within the thirty-day period, the crematory facility may return the cremated remains to the authorizing agent. The authorization form shall further indicate that if no arrangements for the final disposition of the cremated remains have been made within sixty days after the cremation and if the authorizing agent or

person designated on the authorization form to receive the cremated remains has not picked them up or caused them to be picked up within that period, the crematory operator or the crematory facility may dispose of them in accordance with division (C)(1) or (2) of section 4717.27 of the Revised Code.

(9) The certification of the authorizing agent to the effect that all of the information and statements contained in the authorization form are accurate.

(B) An authorizing agent who signs a cremation authorization form under this section is hereby deemed to warrant the accuracy of the information and statements contained in the authorization form, including the person's authority to authorize the cremation.

(C) At any time after executing a cremation authorization form and prior to the beginning of the cremation process, an authorizing agent who executed a cremation authorization form under this section may, in writing, revoke the authorization, cancel the cremation, and claim the decedent's body or the body parts for purposes of making alternative arrangements for the final disposition of the decedent's body or the body parts. ~~The operator of a crematory facility~~ shall cancel the cremation if the operator crematory facility receives such a revocation before beginning the cremation.

(D) A cremation authorization form executed under this section does not constitute a contract for conducting the cremation of the decedent named in the authorization form or body parts removed from the decedent or living person named in the form or for the final disposition of the cremated remains of the decedent or body parts. The revocation of a cremation authorization form or modification of the arrangements for the final disposition of the cremated remains of the decedent or the body parts pursuant to division (C) of this section does not affect the validity or enforceability of any contract for the cremation of the decedent named in the authorization form, the cremation of body parts from the decedent or living person named in the authorization form, or the final disposition of the cremated remains of the decedent or body parts.

Sec. 4717.26. (A) ~~The operator of a crematory facility~~ may schedule the time for the cremation of a dead human body to occur at the ~~operator's crematory facility's~~ own convenience at any time after the conditions set forth in division (A) or (B) of section 4717.23 of the Revised Code, as applicable, have been met and the decedent or body parts have been delivered to the facility, unless, in the case of a dead human body, the operator crematory facility has received specific instructions to the contrary on the cremation authorization form authorizing the cremation of the decedent executed under section 4717.21, 4717.24, or 4717.25 of the

Revised Code. The ~~operator of a~~ crematory facility becomes responsible for a dead human body or body parts when the body or body parts have been delivered to or accepted by the facility or an employee or agent of the facility.

(B) No crematory operator ~~of a~~ or crematory facility shall fail to do either of the following:

(1) Upon receipt at the crematory facility of any dead human body that has not been embalmed, and subject to the prohibition set forth in division (C)(1) of this section, place the body in a holding or refrigerated facility at the crematory facility and keep the body in the holding or refrigerated facility until near the time the cremation process commences or until the body is held at the facility for eight hours or longer. If the body is held for eight hours or longer, place the body in a refrigerated facility at the crematory facility and keep the body in the refrigerated facility until near the time the cremation process commences;

(2) Upon receipt of any dead human body that has been embalmed, place the body in a holding facility at the crematory facility and keep the body in the holding facility until the cremation process commences.

(C) No crematory operator ~~of a~~ or crematory facility shall do either of the following, unless the instructions contained in the cremation authorization form authorizing the cremation of the decedent executed under section 4717.21, 4717.24, or 4717.25 of the Revised Code specifically provide otherwise:

(1) Remove any dead human body from the casket or alternative container in which the body was delivered to or accepted by the crematory facility;

(2) Fail to cremate the casket or alternative container in which the body was delivered or accepted, in its entirety with the body.

(D) No ~~operator of a~~ crematory facility shall simultaneously cremate more than one decedent or body parts removed from more than one decedent or living person in the same cremation chamber unless the cremation authorization forms executed under section 4717.21, 4717.24, or 4717.25 of the Revised Code authorizing the cremation of each of the decedents or body parts removed from each decedent or living person specifically authorize such a simultaneous cremation. This division does not prohibit the use of cremation equipment that contains more than one cremation chamber.

(E) No ~~operator of a~~ crematory facility shall permit any persons other than employees of the crematory facility, the authorizing agent for the cremation of the decedent who is to be, is being, or was cremated, persons

designated to be present at the cremation of the decedent on the cremation authorization form executed under section 4717.21 or 4717.24 of the Revised Code, and persons authorized by the individual who is actually in charge of the crematory facility, to be present in the holding facility or cremation room while any dead human bodies or body parts are being held there prior to cremation or are being cremated or while any cremated remains are being removed from the cremation chamber.

(F)(1) ~~No operator of a crematory facility~~ shall remove any dental gold, body parts, organs, or other items of value from a dead human body prior to the cremation or from the cremated remains after cremation unless the cremation authorization form authorizing the cremation of the decedent executed under section 4717.21 or 4717.24 of the Revised Code specifically authorizes the removal thereof.

(2) No ~~operator of a crematory facility~~ that removes any dental gold, body parts, organs, or other items from a dead human body or assists in such removal shall charge a fee for doing so that exceeds the actual cost to the crematory facility for performing or assisting in the removal.

(G) Upon the completion of each cremation, the ~~operator of a crematory facility~~ shall remove from the cremation chamber all of the cremation residue that is practicably recoverable. If the cremation authorization form executed under section 4717.21, 4717.24, or 4717.25 of the Revised Code specifies that the cremated remains are to be placed in an urn, the ~~operator crematory facility~~ shall place them in the type of urn specified on the authorization form. If the authorization form does not specify that the cremated remains are to be placed in an urn, the ~~operator crematory facility~~ shall place them in a temporary container. If not all of the recovered cremated remains will fit in the urn selected or the temporary container, the ~~operator crematory facility~~ shall place the remainder in a separate temporary container, and the cremated remains placed in the separate temporary container shall be delivered, released, or disposed of along with those in the urn or other temporary container. Nothing in this section requires ~~an operator of a crematory facility~~ to recover any specified quantity or quality of cremated remains upon the completion of a cremation, but only requires ~~an operator a crematory facility~~ to recover from the cremation chamber all of the cremation residue that is ~~practically~~ practicably recoverable.

(H) No ~~operator of a crematory facility~~ shall knowingly represent to an authorizing agent or a designee of an authorizing agent that an urn or temporary container contains the recovered cremated remains of a specific decedent or of body parts removed from a specific decedent or living person when it does not. This division does not prohibit the making of such a

representation because of the presence in the recovered cremated remains of de minimus amounts of the cremated remains of another decedent or of body parts removed from another decedent or living person that were not practicably recoverable and that remained in the cremation chamber after the cremated remains from previous cremations were removed.

(I) No ~~operator of a~~ crematory facility or funeral director shall ship or cause to be shipped any cremated remains by a class or method of mail, common carrier service, or delivery service that does not have an internal system for tracing the location of the cremated remains during shipment and that does not require a signed receipt from the person accepting delivery of the cremated remains.

(J) No ~~operator of a~~ crematory facility shall fail to establish and maintain a system for accurately identifying each dead human body in the facility's possession, and for identifying each decedent or living person from which body parts in the facility's possession were removed, throughout all phases of the holding and cremation process.

(K) No ~~operator of a~~ crematory facility shall knowingly use or allow the use of the same cremation chamber for the cremation of dead human bodies, or human body parts, and animals.

Sec. 4717.27. (A) The authorizing agent who executed the cremation authorization form authorizing the cremation of a decedent under section 4717.24 of the Revised Code or the cremation of body parts under section 4717.25 of the Revised Code is ultimately responsible for the final disposition of the cremated remains of the decedent or body parts.

(B) If the cremation authorization form does not contain instructions for the final disposition of the cremated remains of the decedent or body parts, if no arrangements for the disposition of the cremated remains are made within thirty days after the completion of the cremation, and if the cremated remains have not been picked up within that thirty-day period by the person designated to receive them on the authorization form or, in the absence of such a designated person, by the authorizing agent, the ~~operator of the~~ crematory facility or the funeral home holding the unclaimed cremated remains, at the end of that thirty-day period, may release or deliver them in person to, or cause their delivery by a method described in division (I) of section 4717.26 of the Revised Code that is acceptable under that division to, the person designated to receive them on the cremation authorization form or, if no person has been so designated, to the authorizing agent.

(C)(1) If the cremation authorization form does not contain instructions for the final disposition of the cremated remains of the decedent or body parts, if no arrangements for the final disposition of the cremated remains

are made within sixty days after the completion of the cremation, and if the cremated remains have not been picked up by the person designated on the authorization form to receive them or, in the absence of such a designated person, by the authorizing agent, the ~~operator of the~~ crematory facility or the funeral home holding the unclaimed cremated remains may dispose of the cremated remains in a grave, crypt, or niche, by scattering them in any dignified manner, including in a memorial garden, at sea, by air, or at any scattering grounds described in section 1721.21 of the Revised Code, or in any other lawful manner, at any time after the end of that sixty-day period.

(2) If the cremation authorization form specifies the manner of the final disposition of the cremated remains, or if within sixty days after the completion of the cremation the authorizing agent makes arrangements for the final disposition of the cremated remains, and if either the arrangements have not been carried out within that sixty-day period because of the inaction of a party other than the operator of the crematory facility or the funeral home holding the unclaimed cremated remains, or the authorizing agent fails to pick up the cremated remains within that sixty-day period, the ~~operator of the~~ crematory facility or the funeral home holding the unclaimed cremated remains may dispose of the cremated remains in a grave, crypt, or niche, by scattering them in any dignified manner, including in a memorial garden, at sea, by air, or at any scattering grounds described in section 1721.21 of the Revised Code, or in any other lawful manner, at any time after the end of that period.

(3) If cremated remains of a decedent who was eighteen years or older at the time of death are unclaimed under divisions (C)(1) and (2) of this section, the ~~operator of the~~ crematory facility or the funeral home holding the cremated remains shall, before disposing of the unclaimed cremated remains, notify the secretary of the United States department of veterans affairs of the name of, and other identifying information related to, the decedent. If, within sixty days of the notification, the secretary of the department of veterans affairs notifies the crematory facility or funeral home that the decedent was a veteran who is eligible for burial in a national cemetery under the control of the national cemetery administration and that the secretary agrees to provide for the cost of the transportation and burial of the unclaimed cremated remains in a national cemetery, the crematory facility or funeral home shall follow the directions of the secretary and arrange for the burial of the unclaimed remains in the national cemetery at the secretary's expense. If the secretary does not assume the right to direct the burial of the unclaimed remains within sixty days of the notification by the crematory facility or funeral home, the crematory facility or funeral

home may carry out the disposition of the unclaimed remains under divisions (C)(1) and (2) of this section.

(4) When cremated remains are disposed of in accordance with division (C)(1) or (2) of this section, the authorizing agent who executed the cremation authorization form authorizing the cremation of the decedent or body parts under section 4717.24 or 4717.25 of the Revised Code is liable to the ~~operator of the~~ crematory facility or the funeral home for the cost of the final disposition, which cost shall not exceed the reasonable cost for disposing of the cremated remains in a common grave or crypt in the county where the cremated remains were buried or placed in a grave, crypt or niche, or scattered.

(D)(1) Except as provided in division (D)(2) of this section, no person shall do either of the following:

(a) Dispose of the cremated remains of a dead human body or body parts in such a manner or in such a location that the cremated remains are commingled with those of another decedent or body parts removed from another decedent or living person;

(b) Place the cremated remains of more than one decedent or of body parts removed from more than one decedent or living person in the same urn or temporary container.

(2) Division (D)(1) of this section does not prohibit any of the following:

(a) The scattering of cremated remains at sea or by air or in a dedicated area at a cemetery used exclusively for the scattering on the ground of the cremated remains of dead human bodies or body parts.

(b) The commingling of the cremated remains of more than one decedent or of body parts removed from more than one decedent or living person or the placement in the same urn or temporary container of the cremated remains of more than one decedent or of body parts removed from more than one decedent or living person when each authorizing agent who executed the cremation authorization form authorizing the cremation of each of the decedents or body parts removed from each of the decedents or living persons under section 4717.21, 4717.24, or 4717.25 of the Revised Code authorized the commingling of the cremated remains or the placement of the cremated remains in the same urn or temporary container on the authorization form.

(c) The commingling, by the individual designated on the cremation authorization form authorizing the cremation of the decedent or body parts to receive the cremated remains, other than a funeral director or employee of a cemetery, or by the authorizing agent who executed the cremation

authorization form, after receipt of the cremated remains, of the cremated remains with those of another decedent or of body parts removed from another decedent or living person or the placing of them by any such person in the same urn or temporary container with those of another decedent or of body parts removed from another decedent or living person.

Sec. 4717.28. (A) No ~~operator of a~~ crematory facility shall fail to ensure that a written receipt is provided to the person who delivers a dead human body or body parts to the facility for cremation. If the dead human body is other than one that was donated to science for purposes of medical education or research, the receipt shall be signed by both a representative of the crematory facility and the person who delivered the decedent to the crematory facility and shall indicate the name of the decedent; the date and time of delivery; the type of casket or alternative container in which the decedent was delivered to the facility; the name of the person who delivered the decedent to the facility; if applicable, the name of the funeral home or other establishment with whom the delivery person is affiliated; and the name of the person who received the decedent on behalf of the facility. "NOTICE: You, as the purchaser of this contract, will be notified in writing by the insurance company identified in this contract when the insurance policy or policies, or annuity or annuities, that will fund this contract have been issued. If you do not receive the notice within sixty days after the date you paid the funds to the seller, you should contact the insurance company identified in the contract."

(D) The seller of a preneed funeral contract that is funded by the purchase or assignment of one or more insurance policies or annuities does not need to include in the contract the information described in divisions (C)(2) and (3) of this section if those disclosures are provided in the application for a life insurance policy or annuity or in the life insurance policy or annuity.

Sec. 4717.33. (A) If a preneed funeral contract is funded by any means other than an insurance policy or policies, or an annuity or annuities, the trustee of the trust created pursuant to section 4717.36 of the Revised Code shall notify the purchaser of the preneed funeral contract in writing, within fifteen days after the trustee receives any payment to be deposited into the trust, that the trustee has received payment. The notice shall include all of the following information:

- (1) The amount the trustee received;
- (2) The name and address of the institution described in division ~~(B)~~(D) of section 4717.36 of the Revised Code where the trust is being held;
- (3) The name of the beneficiary of that trust.

(B) If a preneed funeral contract is funded by the purchase or assignment of one or more insurance policies or annuities, the insurance company shall notify the purchaser of the preneed funeral contract in writing within sixty days after the insurance company receives an initial premium payment applicable to that preneed funeral contract. The notice shall include all of the following information that is pertinent to that preneed funeral contract:

- (1) The amount the insurance company received;
- (2) The name and address of the insurance company;
- (3) The name of the insured;
- (4) The amount of the death benefit;
- (5) The policy or contract number of the insurance policy, annuity, or contract.

(C) For purposes of division (B) of this section, delivery of an insurance policy, certificate, annuity, or contract to the purchaser shall satisfy the notice requirement specified in that division.

Sec. 4717.35. If a preneed funeral contract contains a provision stating that the preneed funeral contract will be funded by the purchase of an insurance policy, the insurance agent who sold the policy that will fund that preneed funeral contract shall require that any payment made by the purchaser be made in the form of a check, cashier's check, money order, or debit or credit card, payable only to the insurance company. The insurance agent shall remit the application for insurance and the premium paid to the

insurance company designated in the preneed funeral contract within the time period specified in division (B)(15) of section 3905.14 of the Revised Code, unless the purchaser rescinds the preneed funeral contract in accordance with division (A) of section 4717.34 of the Revised Code.

If the purchaser of a preneed funeral contract that is revocable and that is funded by an insurance policy or annuity elects to cancel the preneed funeral contract, the purchaser shall provide a written notice to the seller and the insurance company designated in the contract stating that the purchaser intends to cancel that contract. Fifteen days after the purchaser provides the notice to the seller of the contract and the insurance company, the purchaser may cancel the preneed funeral contract and change the beneficiary of the insurance policy or annuity or reassign the benefits under the policy or annuity.

The purchaser of a preneed funeral contract that is irrevocable and that is funded by an insurance policy or annuity may transfer the preneed funeral contract to a successor seller by notifying the original seller of the designation of a successor seller. Within fifteen days after receiving the written notice of the designation of the successor seller from the purchaser, the original seller shall assign the seller's rights to the proceeds of the policy to the successor seller. The insurance company shall confirm the change of assignment by providing written notice to the policyholder.

Sec. 4717.36. (A) This section applies only to preneed funeral contracts that are funded by any means other than an insurance policy or policies, or an annuity or annuities.

~~One hundred per cent of all payments for funeral goods and funeral services made under a preneed funeral contract shall remain intact and held in trust in accordance with this section for the benefit of the contract beneficiary. No money in a preneed funeral contract trust shall be distributed from the trust except as provided in this section. Within thirty days after the provider of the funeral goods or funeral services receives any payment under a preneed funeral contract, the seller of the preneed funeral contract shall deliver the moneys received for that preneed funeral contract that have not been returned to the purchaser as provided in division (A) of section 4717.34 of the Revised Code to the trustee designated in the preneed funeral contract. No money in a preneed funeral contract trust shall be distributed from the trust except as provided in this section.~~

(B) A seller of a preneed funeral contract that stipulates a fixed or firm or guaranteed price for funeral services and funeral goods to be provided under a preneed funeral contract may charge an initial service fee not to exceed ten per cent of the total amount of all payments to be paid under the

preneed funeral contract for such guaranteed price funeral services and funeral goods. If the amount to be paid by the purchaser is to be paid in installments, not more than one-half of any payment may be applied to the initial service fee. If the preneed funeral contract is revoked by the purchaser, any portion of the initial service fee that has not been paid under the preneed funeral contract is no longer due and payable to the seller.

(C) All payments made by the purchaser of a preneed funeral contract, except for the initial service fee permitted by division (B) of this section and any applicable sales tax, shall be made in the form of a check, cashier's check, money order, or debit or credit card, payable only to the trustee of the preneed funeral contract trust. Within thirty days of the seller receiving any form of payment made payable to the trustee, the seller shall remit the payment to the trustee unless the purchaser rescinds the preneed funeral contract in accordance with division (A) of section 4717.34 of the Revised Code. The funds deposited with the trustee shall remain intact and held in trust for the contract beneficiary.

(D) The seller shall establish a preneed funeral contract trust at one of the following types of institutions and shall designate that institution as the trustee of the preneed funeral contract trust:

- (1) A trust company licensed under Chapter 1111. of the Revised Code;
- (2) A national bank, federal savings bank, or federal savings association that pledges securities in accordance with section 1111.04 of the Revised Code;
- (3) A credit union authorized to conduct business in this state pursuant to Chapter 1733. of the Revised Code.

~~(C)~~(E) Moneys deposited in a preneed funeral contract trust fund shall be held and invested in the manner in which trust funds are permitted to be held and invested pursuant to Chapter 1111. of the Revised Code.

~~(D)~~(F) The seller shall establish a separate preneed funeral contract trust for the moneys paid under each preneed funeral contract, unless the purchaser or purchasers of a preneed funeral contract or contracts authorize the seller to place the moneys paid for that contract or those contracts in a combined preneed funeral contract trust. The trustee of a combined preneed funeral contract trust shall keep exact records of the corpus, income, expenses, and disbursements with regard to each purchaser and contract beneficiary for whom moneys are held in the trust. The terms of a preneed funeral contract trust are governed by this section and the payments from that trust are governed by Chapter 1111. of the Revised Code, except as otherwise provided in this section.

A trustee of a preneed funeral contract trust may pay taxes and expenses

for a preneed funeral contract trust and may charge a fee for managing a preneed funeral contract trust. The fee shall not exceed the amount regularly or usually charged for similar services rendered by the institutions described in division ~~(B)~~(D) of this section when serving as a trustee. ~~The taxes, expenses, and fees shall be paid only from the accumulated income on that trust.~~

~~(E)~~(G) If the purchaser of a preneed funeral contract that is revocable elects to cancel the contract, the purchaser shall provide a written notice to the seller of the contract and the trustee of the preneed funeral contract trust stating that the purchaser intends to cancel the contract. Fifteen days after the purchaser provides that notice to the seller and trustee, the purchaser may cancel the contract. Upon canceling a preneed funeral contract pursuant to this division, one of the following shall occur, as applicable:

(1) If the preneed funeral contract does not stipulate a firm or fixed or guaranteed price for funeral goods and funeral services to be provided under the preneed funeral contract, the trustee shall give to the purchaser all of the assets of the trust that exist at the time of cancellation, less any fees charged, distributions paid, and expenses incurred by the trustee pursuant to division ~~(D)~~(F) of this section.

(2) If the preneed funeral contract does stipulate a firm or fixed or guaranteed price for funeral goods and funeral services to be provided under the contract, the purchaser may request and receive from the trustee all of the assets of the trust at the time of cancellation, less a cancellation fee that the original seller may collect from the trustee that is equal to or less than ten per cent of the value of the assets of the trust on the date the trust is cancelled, provided, however, that to the extent the original seller took an initial service fee as permitted by division (B) of this section, the aggregate amount of the cancellation fee and less the initial service fee may not exceed ten per cent of the value of those assets. In addition to any cancellation fee, there may also be deducted any fees charged, distributions paid, and expenses incurred by the trustee pursuant to division ~~(D)~~(F) of this section.

If more than one purchaser enters into the contract, all of those purchasers must request cancellation of the contract for it to be effective under this division, and the trustee shall refund to each purchaser only those funds that purchaser has paid under the contract and any income earned on those funds in an amount that is in direct proportion to the amount of funds that purchaser paid relative to the total amount of payments deposited in that trust, less any fees charged, distributions paid, and expenses incurred by the trustee pursuant to division ~~(D)~~(F) of this section, the amount of which are in direct proportion to the amount of funds that purchaser paid relative to the

total amount of payments deposited in that trust.

~~(F)~~(H) The purchaser of a preneed funeral contract that is irrevocable may transfer the preneed funeral contract to a successor seller. A purchaser who elects to make such a transfer shall provide a written notice of the designation of a successor seller to the trustee and the original seller. Within fifteen days after receiving the written notice of the new designation from the purchaser, the trustee shall list the successor seller as the seller of the preneed funeral contract and the original seller shall relinquish and transfer all rights under the preneed funeral contract to the successor seller. The trustee shall confirm the transfer by providing written notice of the transfer to the original seller, the successor seller, and the purchaser. If the preneed funeral contract stipulates a firm or fixed or guaranteed price for the funeral goods and funeral services to be provided under the preneed funeral contract, the original seller may collect from the trustee a transfer fee from the trust that equals up to ten per cent of the value of the assets of the trust on the date the trust is transferred, provided, however, that to the extent the original seller took an initial service fee as permitted by division (B) of this section, the aggregate amount of the transfer fee and the initial service fee may not exceed ten per cent of the value of those assets. If the preneed funeral contract does not stipulate a firm or fixed or guaranteed price for funeral goods and funeral services to be provided under the preneed funeral contract, no transfer fee shall be collected by the original seller.

~~(G)~~(I) If a seller of a preneed funeral contract elects to transfer a preneed funeral contract trust from an institution listed in divisions ~~(B)~~(D)(1) to (3) of this section to a different institution, the trustee of the original trust shall notify the purchaser of the preneed funeral contract of that transfer in writing within thirty days after the transfer occurred and shall provide the purchaser with the name of and the contact information for the institution where the new trust is maintained. Upon receipt of the trust, the trustee of the transferred trust shall notify the purchaser of the receipt of the trusts in accordance with division (A) of section 4717.33 of the Revised Code.

~~(H)~~(J) If a seller receives a notice that the contract beneficiary has died and that funeral goods and funeral services have been provided by a provider other than the seller, except as otherwise specified in this section, the seller shall direct the trustee, within thirty days after receiving that notice, to pay to the provider that provided the funeral goods and services, if still unpaid, or the estate of the contract beneficiary all funds held by the trustee, less any fees charged, distributions paid, and expenses incurred by the trustee pursuant to division ~~(D)~~(E) of this section. In the event the

preneed funeral contract stipulates a firm or fixed or guaranteed price for funeral goods and funeral services that were to be provided under the preneed funeral contract, the seller may collect from the trustee a cancellation fee not exceeding ten per cent of the value of the assets of the trust on the date the trust is transferred, provided, however, that to the extent the original seller took an initial service fee as permitted by division (B) of this section, the aggregate amount of the transfer fee and the initial service fee shall not exceed ten per cent of the value of those assets. If the preneed funeral trust does not stipulate a firm or fixed or guaranteed price for funeral goods and funeral services to be provided under the preneed funeral contract, no cancellation fees shall be collected by the original seller.

~~(H)~~(K) A certified copy of the certificate of death or other evidence of death satisfactory to the trustee shall be furnished to the trustee as evidence of death, and the trustee shall promptly pay the accumulated payments and income, if any, according to the preneed funeral contract. Such payment of the accumulated payments and income pursuant to this section and, when applicable, the preneed funeral contract, relieves the trustee of any further liability on the accumulated payments and income.

Sec. 4717.41. (A) There is hereby created the preneed recovery fund, which shall be in the custody of the treasurer of state but shall not be part of the state treasury. All fees collected under division (A)(15) of section 4717.07 of the Revised Code shall be deposited into the fund. The fund shall be used to reimburse purchasers of preneed funeral contracts who have suffered financial loss as a result of the malfeasance, misfeasance, default, failure, or insolvency in connection with the sale of a preneed funeral contract by any licensee under this chapter, regardless of whether the sale of such contract occurred before or after the establishment of the fund. If the balance in the fund at the end of a fiscal year exceeds three million dollars, the payment of the fee required by division (A)(15) of

section 4717.07 of the Revised Code shall be suspended for the upcoming fiscal year.

(D) The board shall adopt rules governing management of the fund, the presentation and processing of applications for reimbursement, subrogation, or assignment of the rights of any reimbursed applicant.

(E) The board may expend moneys in the fund for the following purposes:

(1) To make reimbursements on approved applications;

(2) To purchase insurance to cover losses as considered appropriate by the board and not inconsistent with the purposes of the fund;

(3) To invest such portions of the fund as are not currently needed to reimburse losses and maintain adequate reserves, as are permitted to be made by fiduciaries under the laws of this state;

(4) To pay the expenses of the board for administering the fund, including employment of local counsel to prosecute subrogation claims.

(F) Reimbursements from the fund shall be made only to the extent to which those losses are not bonded or otherwise covered, protected, or reimbursed and only after the applicant has complied with all applicable rules of the board.

(G) The board shall investigate all applications made and may reject or allow such claims in whole or in part to the extent that moneys are available in the fund. The board shall have complete discretion to determine the order and manner of payment of approved applications. All payments shall be a matter of privilege and not of right, and no person shall have any right in the fund as a third-party beneficiary or otherwise. No attorney may be compensated by the board for prosecuting an application for reimbursement.

(H) If reimbursement is made to an applicant under this section, the board shall be subrogated in the reimbursement amount and may bring any action it considers advisable against any person. The board may enforce any claims it may have for restitution or otherwise and may employ and compensate consultants, agents, legal counsel, accountants, and other persons it considers appropriate.

For purposes of this division, "willfully betraying a professional confidence" does not include providing any information, documents, or reports under sections 307.621 to 307.629 of the Revised Code to a child fatality review board; does not include providing any information, documents, or reports to the director of health pursuant to guidelines established under section 3701.70 of the Revised Code; does not include written notice to a mental health professional under section 4731.62 of the Revised Code; and does not include the making of a report of an employee's use of a drug of abuse, or a report of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by section 2305.33 or 4731.62 of the Revised Code upon a physician who makes a report in accordance with section 2305.33 or notifies a mental health professional in accordance with section 4731.62 of the Revised Code. As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable

results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(6) A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(7) Representing, with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional

organizations. The individual whose license or certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(19) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.

In enforcing this division, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed

to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except as provided in division (F)(1)(b) of section 4731.282 of the Revised Code or when civil penalties are imposed under section 4731.225 ~~or 4731.282~~ of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or of any abortion rule adopted by the director of health pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(23) The violation of section 2919.12 of the Revised Code or the performance or inducement of an abortion upon a pregnant woman with actual knowledge that the conditions specified in division (B) of section 2317.56 of the Revised Code have not been satisfied or with a heedless indifference as to whether those conditions have been satisfied, unless an affirmative defense as specified in division (H)(2) of that section would apply in a civil action authorized by division (H)(1) of that section;

(24) The revocation, suspension, restriction, reduction, or termination of

clinical privileges by the United States department of defense or department of veterans affairs or the termination or suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice;

(25) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency for any act or acts that also would constitute a violation of division (B)(2), (3), (6), (8), or (19) of this section;

(26) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice.

For the purposes of this division, any individual authorized to practice by this chapter accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a license or certificate to practice under this chapter, an individual shall be deemed to have given consent to submit to a mental or physical examination when ordered to do so by the board in writing, and to have waived all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If it has reason to believe that any individual authorized to practice by this chapter or any applicant for licensure or certification to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician who is qualified to conduct the examination and who is chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or certificate or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure or certification to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license or certificate suspended under this division, the impaired practitioner shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care under the provisions of the

practitioner's license or certificate. The demonstration shall include, but shall not be limited to, the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or certificate suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(27) A second or subsequent violation of section 4731.66 or 4731.69 of the Revised Code;

(28) Except as provided in division (N) of this section:

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(35) Failure to supervise an oriental medicine practitioner or acupuncturist in accordance with Chapter 4762. of the Revised Code and the board's rules for providing that supervision;

(43) Failure to comply with the requirements of section 4729.79 or 4731.055 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to section 4729.75 of the Revised Code;

(44) Failure to comply with the requirements of section 2919.171, 2919.202, or 2919.203 of the Revised Code or failure to submit to the department of health in accordance with a court order a complete report as described in section 2919.171 or 2919.202 of the Revised Code;

(45) Practicing at a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the person operating the facility has obtained and maintains the license with the classification;

(46) Owning a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the facility is licensed with the classification;

(47) Failure to comply with the requirement regarding maintaining notes described in division (B) of section 2919.191 of the Revised Code or failure to satisfy the requirements of section 2919.191 of the Revised Code prior to performing or inducing an abortion upon a pregnant woman;

(48) Failure to comply with the requirements in section 3719.061 of the Revised Code before issuing for a minor a prescription for an opioid analgesic, as defined in section 3719.01 of the Revised Code;

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the

board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or certificate to practice or certificate to recommend. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual under division (B) of this section for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the disciplinary action shall consist of a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice. Any consent agreement entered into under this division with an individual that pertains to a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of that section shall provide for a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice.

(D) For purposes of divisions (B)(10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under

it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board.

(a) Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the

subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a license or certificate issued under this chapter, service of the subpoena may be made by certified mail, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery. If the person being served refuses to accept the subpoena or is not located, service may be made to an attorney who notifies the board that the attorney is representing the person.

(d) A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the

Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

- (a) The case number assigned to the complaint or alleged violation;
- (b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;
- (c) A description of the allegations contained in the complaint;
- (d) The disposition of the case.

The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license or certificate to practice or certificate to recommend without a prior hearing:

- (1) That there is clear and convincing evidence that an individual has violated division (B) of this section;
- (2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier

than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(9), (11), or (13) of this section and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition of that nature and supporting court documents, the board shall reinstate the individual's license or certificate to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (B) of this section.

(I) The license or certificate to practice issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date of the individual's second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code. In addition, the license or certificate to practice or certificate to recommend issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a license or certificate.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the board shall enter an order suspending the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's license or certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the

following apply:

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or certificate to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a license or certificate holder shall immediately surrender to the board a license or certificate that the board has suspended, revoked, or permanently revoked.

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.

(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter to practice medicine and surgery, osteopathic medicine and surgery, and podiatric medicine and surgery. In developing and implementing the quality intervention program, the board may do all of the following:

(1) Offer in appropriate cases as determined by the board an educational and assessment program pursuant to an investigation the board conducts

under this section;

(2) Select providers of educational and assessment services, including a quality intervention program panel of case reviewers;

(3) Make referrals to educational and assessment service providers and approve individual educational programs recommended by those providers. The board shall monitor the progress of each individual undertaking a recommended individual educational program.

(4) Determine what constitutes successful completion of an individual educational program and require further monitoring of the individual who completed the program or other action that the board determines to be appropriate;

(5) Adopt rules in accordance with Chapter 119. of the Revised Code to further implement the quality intervention program.

An individual who participates in an individual educational program pursuant to this division shall pay the financial obligations arising from that educational program.

Sec. 4731.221. If the state medical board has reason to believe that any person who has been granted a license or certificate under this chapter is mentally ill or mentally incompetent, it may file in the probate court of the county in which such person has a legal residence an affidavit in the form prescribed in section 5122.11 of the Revised Code and signed by the board secretary or a member of the board secretary's staff, whereupon the same proceedings shall be had as provided in Chapter 5122. of the Revised Code. The attorney general may represent the board in any proceeding commenced under this section.

If any person who has been granted a license or certificate under this chapter is adjudged by a probate court to be mentally ill or mentally incompetent, the person's license or certificate shall be automatically suspended until such person has filed with the state medical board a certified copy of an adjudication by a probate court of the person's subsequent restoration to competency or has submitted to such board proof, satisfactory to the board, that the person has been discharged as having a restoration to competency in the manner and form provided in section 5122.38 of the Revised Code. The judge of such court shall forthwith notify the state medical board of an adjudication of mental illness or mental incompetence, and shall note any suspension of a license or certificate in the margin of the court's record of such license or certificate.

Sec. 4731.222. (A) This section applies to both of the following:

(1) An applicant seeking restoration of a license or certificate issued under this chapter that has been in a suspended or inactive state for any

cause for more than two years;

(2) An applicant seeking issuance of a license or certificate pursuant to section 4731.17, ~~4731.29, or 4731.295, 4731.57, or 4731.571~~ of the Revised Code who for more than two years has not been engaged in the practice of medicine and surgery, osteopathic medicine and surgery, ~~podiatric medicine and surgery~~, or a limited branch of medicine as any of the following:

- (a) An active practitioner;
- (b) A participant in a program of graduate medical education, as defined in section ~~4731.091~~ 4731.04 of the Revised Code;

- (d) A student in a school, college, or institution giving instruction in a limited branch of medicine determined by the board to be in good standing under section 4731.16 of the Revised Code.

(B) Before restoring a license or certificate to good standing for or issuing a license or certificate to an applicant subject to this section, the state medical board may impose terms and conditions including any one or more of the following:

- (1) Requiring the applicant to pass an oral or written examination, or both, to determine the applicant's present fitness to resume practice;
- (2) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training;
- (3) Requiring an assessment of the applicant's physical skills for purposes of determining whether the applicant's coordination, fine motor skills, and dexterity are sufficient for performing medical evaluations and procedures in a manner that meets the minimal standards of care;
- (4) Requiring an assessment of the applicant's skills in recognizing and understanding diseases and conditions;
- (5) Requiring the applicant to undergo a comprehensive physical examination, which may include an assessment of physical abilities, evaluation of sensory capabilities, or screening for the presence of neurological disorders;
- (6) Restricting or limiting the extent, scope, or type of practice of the applicant.

The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity, in accordance with section ~~4731.08~~ 4731.09, 4731.19, or 4731.52 of the Revised Code. The board shall not restore a license or certificate under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code.

Sec. 4731.223. (A) As used in this section, "prosecutor" has the same

meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid license or certificate issued pursuant to this chapter pleads guilty to, is subject to a judicial finding of guilt of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction for a violation of Chapter 2907., 2925., or 3719. of the Revised Code or of any substantively comparable ordinance of a municipal corporation in connection with the person's practice, or for a second or subsequent time pleads guilty to, or is subject to a judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the prosecutor in the case, on forms prescribed and provided by the state medical board, shall promptly notify the board of the conviction or guilty plea. Within thirty days of receipt of that information, the board shall initiate action in accordance with Chapter 119. of the Revised Code to determine whether to suspend or revoke the license or certificate under section 4731.22 of the Revised Code.

(C) The prosecutor in any case against any person holding a valid license or certificate issued pursuant to this chapter, on forms prescribed and provided by the state medical board, shall notify the board of any of the following:

(1) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a felony, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a felony charge;

(2) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor committed in the course of practice, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor, if the alleged act was committed in the course of practice;

(3) A plea of guilty to, a finding of guilt by a jury or court of, or judicial finding of eligibility for intervention in lieu of conviction for a misdemeanor involving moral turpitude, or a case in which the trial court issues an order of dismissal upon technical or procedural grounds of a charge of a misdemeanor involving moral turpitude.

The report shall include the name and address of the license or certificate holder, the nature of the offense for which the action was taken, and the certified court documents recording the action.

Sec. 4731.224. (A) Within sixty days after the imposition of any formal disciplinary action taken by any health care facility, including a hospital, health care facility operated by a health insuring corporation, ambulatory surgical center, or similar facility, against any individual holding a valid license or certificate to practice issued pursuant to this chapter, the chief

administrator or executive officer of the facility shall report to the state medical board the name of the individual, the action taken by the facility, and a summary of the underlying facts leading to the action taken. Upon request, the board shall be provided certified copies of the patient records that were the basis for the facility's action. Prior to release to the board, the summary shall be approved by the peer review committee that reviewed the case or by the governing board of the facility. As used in this division, "formal disciplinary action" means any action resulting in the revocation, restriction, reduction, or termination of clinical privileges for violations of professional ethics, or for reasons of medical incompetence, medical malpractice, or drug or alcohol abuse. "Formal disciplinary action" includes a summary action, an action that takes effect notwithstanding any appeal rights that may exist, and an action that results in an individual surrendering clinical privileges while under investigation and during proceedings regarding the action being taken or in return for not being investigated or having proceedings held. "Formal disciplinary action" does not include any action taken for the sole reason of failure to maintain records on a timely basis or failure to attend staff or section meetings.

The filing or nonfiling of a report with the board, investigation by the board, or any disciplinary action taken by the board, shall not preclude any action by a health care facility to suspend, restrict, or revoke the individual's clinical privileges.

In the absence of fraud or bad faith, no individual or entity that provides patient records to the board shall be liable in damages to any person as a result of providing the records.

(B) If any individual authorized to practice under this chapter or any professional association or society of such individuals believes that a violation of any provision of this chapter, Chapter 4730., 4760., 4762., 4774., or 4778. of the Revised Code, or any rule of the board has occurred, the individual, association, or society shall report to the board the information upon which the belief is based. This division does not require any treatment provider approved by the board under section 4731.25 of the Revised Code or any employee, agent, or representative of such a provider to make reports with respect to an impaired practitioner participating in treatment or aftercare for substance abuse as long as the practitioner maintains participation in accordance with the requirements of section 4731.25 of the Revised Code, and as long as the treatment provider or employee, agent, or representative of the provider has no reason to believe that the practitioner has violated any provision of this chapter or any rule adopted under it, other than the provisions of division (B)(26) of section

4731.22 of the Revised Code. This division does not require reporting by any member of an impaired practitioner committee established by a health care facility or by any representative or agent of a committee or program sponsored by a professional association or society of individuals authorized to practice under this chapter to provide peer assistance to practitioners with substance abuse problems with respect to a practitioner who has been referred for examination to a treatment program approved by the board under section 4731.25 of the Revised Code if the practitioner cooperates with the referral for examination and with any determination that the practitioner should enter treatment and as long as the committee member, representative, or agent has no reason to believe that the practitioner has ceased to participate in the treatment program in accordance with section 4731.25 of the Revised Code or has violated any provision of this chapter or any rule adopted under it, other than the provisions of division (B)(26) of section 4731.22 of the Revised Code.

(C) Any professional association or society composed primarily of doctors of medicine and surgery, doctors of osteopathic medicine and surgery, doctors of podiatric medicine and surgery, or practitioners of limited branches of medicine that suspends or revokes an individual's membership for violations of professional ethics, or for reasons of professional incompetence or professional malpractice, within sixty days after a final decision shall report to the board, on forms prescribed and provided by the board, the name of the individual, the action taken by the professional organization, and a summary of the underlying facts leading to the action taken.

The filing of a report with the board or decision not to file a report, investigation by the board, or any disciplinary action taken by the board, does not preclude a professional organization from taking disciplinary action against an individual.

(D) Any insurer providing professional liability insurance to an individual authorized to practice under this chapter, or any other entity that seeks to indemnify the professional liability of such an individual, shall notify the board within thirty days after the final disposition of any written claim for damages where such disposition results in a payment exceeding twenty-five thousand dollars. The notice shall contain the following information:

- (1) The name and address of the person submitting the notification;
- (2) The name and address of the insured who is the subject of the claim;
- (3) The name of the person filing the written claim;
- (4) The date of final disposition;

(5) If applicable, the identity of the court in which the final disposition of the claim took place.

(E) The board may investigate possible violations of this chapter or the rules adopted under it that are brought to its attention as a result of the reporting requirements of this section, except that the board shall conduct an investigation if a possible violation involves repeated malpractice. As used in this division, "repeated malpractice" means three or more claims for medical malpractice within the previous five-year period, each resulting in a judgment or settlement in excess of twenty-five thousand dollars in favor of the claimant, and each involving negligent conduct by the practicing individual.

(F) All summaries, reports, and records received and maintained by the board pursuant to this section shall be held in confidence and shall not be subject to discovery or introduction in evidence in any federal or state civil action involving a health care professional or facility arising out of matters that are the subject of the reporting required by this section. The board may use the information obtained only as the basis for an investigation, as evidence in a disciplinary hearing against an individual whose practice is regulated under this chapter, or in any subsequent trial or appeal of a board action or order.

The board may disclose the summaries and reports it receives under this section only to health care facility committees within or outside this state that are involved in credentialing or recredentialing the individual or in reviewing the individual's clinical privileges. The board shall indicate whether or not the information has been verified. Information transmitted by the board shall be subject to the same confidentiality provisions as when maintained by the board.

(G) Except for reports filed by an individual pursuant to division (B) of this section, the board shall send a copy of any reports or summaries it receives pursuant to this section to the individual who is the subject of the reports or summaries. The individual shall have the right to file a statement with the board concerning the correctness or relevance of the information. The statement shall at all times accompany that part of the record in contention.

(H) An individual or entity that, pursuant to this section, reports to the board or refers an impaired practitioner to a treatment provider approved by the board under section 4731.25 of the Revised Code shall not be subject to suit for civil damages as a result of the report, referral, or provision of the information.

(I) In the absence of fraud or bad faith, no professional association or

society of individuals authorized to practice under this chapter that sponsors a committee or program to provide peer assistance to practitioners with substance abuse problems, no representative or agent of such a committee or program, and no member of the state medical board shall be held liable in damages to any person by reason of actions taken to refer a practitioner to a treatment provider approved under section 4731.25 of the Revised Code for examination or treatment.

Sec. 4731.225. (A) If the holder of a license or certificate issued under this chapter violates division (A), (B), or (C) of section 4731.66 or section 4731.69 of the Revised Code, or if any other person violates division (B) or (C) of section 4731.66 or section 4731.69 of the Revised Code, the state medical board, pursuant to an adjudication under Chapter 119. of the Revised Code and an affirmative vote of not fewer than six of its members, shall:

(E) There is hereby created in the state treasury the motor carrier safety fund. The fund shall consist of money received from the United States department of transportation for motor carrier safety. The commission shall use the fund to administer the state's motor carrier safety assistance program and associated grants, including the motor carrier safety assistance program basic grant, the incentive grant, the high priority grants, the new entrant safety assurance grant, the safety data improvement grant, or their equivalents.

(F) If the director of budget and management determines there is not sufficient money in the public utilities transportation safety fund, the director shall transfer money from the general revenue fund to the public utilities transportation safety fund in an amount up to the difference between the balance of the public utilities transportation safety fund and the appropriations from that fund. If the director subsequently determines during the fiscal year that the balance of the public utilities transportation safety fund exceeds the amount needed to support the appropriations from the fund, the director shall transfer the excess money, up to the amount of the original transfer, to the general revenue fund.

Sec. 4923.02. (A) As used in this chapter, "private motor carrier" does not include a person when engaged in any of the following in intrastate commerce:

in intrastate commerce a temporary exemption from some or all of the provisions of this chapter and the rules adopted under it, when either of the following applies:

(1) The governor of this state has declared an emergency.

(2) The chairperson of the commission or the chairperson's designee has declared a transportation-specific emergency.

(C) The commission may adopt rules not incompatible with the requirements of the United States department of transportation to provide exemptions to motor carriers operating in intrastate commerce not otherwise identified in divisions (A) and (B) of this section.

(D) Divisions (A) to (C) of this section shall not be construed to relieve a person from compliance with the following:

(1) Rules adopted under division (A)(2) of section 4923.04 of the Revised Code, division (E) of section 4923.06 of the Revised Code, division (B) of section 4923.07 of the Revised Code, and section 4923.11 of the Revised Code;

Sec. 4923.99. (A)(1) Whoever violates Chapter 4921. or 4923. of the Revised Code, or rules adopted thereunder, is liable to the state for a forfeiture of not more than twenty-five thousand dollars for each day of each violation. The public utilities commission, after providing reasonable notice and the opportunity for a hearing in accordance with the procedural rules adopted under section 4901.13 of the Revised Code, shall assess, by order, a forfeiture upon a person whom the commission determines, by a preponderance of the evidence, committed the violation. In determining the amount of the forfeiture for a violation discovered during a driver or motor-vehicle inspection under section 4923.06 of the Revised Code, or discovered during a compliance review under section 4923.07 of the Revised Code, the commission shall, ~~to the extent practicable~~, not act in a manner incompatible with the applicable requirements of the United States department of transportation, ~~and, to the extent practicable, shall utilize a system comparable to the recommended civil penalty procedure adopted by the commercial vehicle safety alliance. In determining the amount of the forfeiture for a violation discovered during a compliance review of a motor carrier under section 4923.07 of the Revised Code, the commission shall, to~~

~~the extent practicable, not act in a manner incompatible with the civil penalty guidelines of the United States department of transportation.~~

The attorney general, upon the written request of the commission, shall bring a civil action in the court of common pleas of Franklin county to collect a forfeiture assessed under this section. The commission shall account for the forfeitures collected under this section and pay them to the treasurer of state under section 4921.21 of the Revised Code.

(2) The attorney general, upon the written request of the commission, shall bring an action for injunctive relief in the court of common pleas of Franklin county against any person who has violated or is violating any order issued by the commission to secure compliance with any provision of Chapter 4921. or 4923. of the Revised Code. The court of common pleas of Franklin county has jurisdiction to and may grant preliminary and permanent injunctive relief upon a showing that the person against whom the action is brought has violated or is violating any such order. The court shall give precedence to such an action over all other cases.

(B) The amount of any forfeiture may be compromised at any time prior to collection of the forfeiture. The commission shall adopt rules governing the manner in which the amount of a forfeiture may be established by agreement prior to the hearing on the forfeiture before the commission.

(C) The proceedings of the commission specified in division (A) of this section are subject to and governed by Chapter 4903. of the Revised Code, except as otherwise specifically provided in this section. The court of appeals of Franklin county has exclusive, original jurisdiction to review, modify, or vacate an order of the commission issued to secure compliance with any provision of Chapter 4921. or 4923. of the Revised Code. The court of appeals shall hear and determine those appeals in the same manner, and under the same standards, as the supreme court hears and determines appeals under Chapter 4903. of the Revised Code. The judgment of the court of appeals is final and conclusive unless reversed, vacated, or modified on appeal. Such appeals may be taken either by the commission or the person to whom the compliance order or forfeiture assessment was issued and shall proceed as in the case of appeals in civil actions as provided in the rules of appellate procedure and Chapter 2505. of the Revised Code.

(D) Section 4903.11 of the Revised Code does not apply to an appeal of an order issued to secure compliance with Chapter 4921. or 4923. of the Revised Code or an order issued under division (A)(1) of this section assessing a forfeiture. Any person to whom any such order is issued who wishes to contest a compliance order, the fact of the violation, or the amount of the forfeiture shall file a notice of appeal, setting forth the order appealed

from and the errors complained of, within sixty days after the entry of the order upon the journal of the commission. The notice of appeal shall be served, unless waived, upon the chairperson of the commission or, in the event of the chairperson's absence, upon any public utilities commissioner, or by leaving a copy at the office of the commission at Columbus. An order issued by the commission to secure compliance with Chapter 4921. or 4923. of the Revised Code or an order issued under division (A)(1) of this section assessing a forfeiture shall be reversed, vacated, or modified on appeal if, upon consideration of the record, the court is of the opinion that the order was unlawful or unreasonable.

(E) Only for such violations that constitute violations of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1804 and 1805, or regulations adopted under the act, the commission, in determining liability, shall use the same standard of culpability for civil forfeitures under this section as that set forth for civil penalties under section 12 of the "Hazardous Materials Transportation Uniform Safety Act of 1990," 104 Stat. 3244, 49 U.S.C.A. App. 1809. (b) Other verification that an individual's household income is ~~at or below one hundred fifty per cent of the federal poverty level~~ consistent with the income eligibility threshold in 47 C.F.R. 54.409(a)(1).

The public utilities commission shall adopt rules establishing requirements for the implementation of automatic enrollment of eligible individuals for lifeline assistance. The public utilities commission shall

work with the appropriate state agencies that administer federal or state low-income assistance programs and with carriers to negotiate and acquire information necessary to verify an individual's eligibility and the data necessary to automatically enroll eligible individuals for lifeline service. Every incumbent local exchange carrier required to implement lifeline service under division (A) of this section shall implement automatic enrollment in accordance with the applicable rules of the public utilities commission and to the extent that appropriate state agencies are able to accommodate the automatic enrollment.

(2) The carrier shall provide written notification if the carrier determines that an individual is not eligible for lifeline service and shall provide the individual an additional thirty days to prove eligibility.

(3) The carrier shall provide written customer notification if a customer's lifeline service is to be terminated due to failure to submit acceptable documentation for continued eligibility for that assistance and shall provide the customer an additional ~~sixty~~ thirty days to submit acceptable documentation of continued eligibility or dispute the carrier's findings regarding termination of the lifeline service.

(D) An incumbent local exchange carrier required to implement lifeline service under division (A) of this section may recover from end users of the carrier's telecommunications service other than lifeline service customers, by a method approved by the public utilities commission, any lifeline service discounts and any other lifeline service expenses that the public utilities commission prescribes by rule and that are not recovered through federal or state funding, except for expenses incurred under division (A)(3)(a) of this section. A carrier seeking recovery of discounts or expenses shall, in accordance with rules adopted by the public utilities commission, apply to the public utilities commission for approval of the method of recovery. If the method of recovery includes a customer billing surcharge, the public utilities commission shall prescribe by rule how the surcharge is to be identified on customer bills.

(E) Every incumbent local exchange carrier required to implement lifeline service under division (A) of this section shall annually file with the public utilities commission a report that identifies the number of its customers who receive, at the time of the filing of the report, lifeline service.

~~(c) Is a small hydroelectric facility;~~

~~(d) Is~~ created on or after January 1, 1998, by the modification or retrofit of any facility placed in service prior to January 1, 1998; or

~~(e) Is~~ a mercantile customer-sited renewable energy resource, whether new or existing, that the mercantile customer commits for integration into the electric distribution utility's demand-response, energy efficiency, or peak demand reduction programs as provided under division (A)(2)(c) of section 4928.66 of the Revised Code, including, but not limited to, any of the following:

~~(a)(i)~~ A resource that has the effect of improving the relationship between real and reactive power;

~~(b)(ii)~~ A resource that makes efficient use of waste heat or other thermal capabilities owned or controlled by a mercantile customer;

~~(c)(iii)~~ Storage technology that allows a mercantile customer more flexibility to modify its demand or load and usage characteristics;

~~(d)(iv)~~ Electric generation equipment owned or controlled by a mercantile customer that uses a renewable energy resource.

(2) For the purpose of this section and as it considers appropriate, the public utilities commission may classify any new technology as such a qualifying renewable energy resource.

(B)(1) By 2027 and thereafter, an electric distribution utility shall provide from qualifying renewable energy resources, including, at its discretion, qualifying renewable energy resources obtained pursuant to an electricity supply contract, a portion of the electricity supply required for its standard service offer under section 4928.141 of the Revised Code, and an

electric services company shall provide a portion of its electricity supply for retail consumers in this state from qualifying renewable energy resources, including, at its discretion, qualifying renewable energy resources obtained pursuant to an electricity supply contract. That portion shall equal twelve and one-half per cent of the total number of kilowatt hours of electricity sold by the subject utility or company to any and all retail electric consumers whose electric load centers are served by that utility and are located within the utility's certified territory or, in the case of an electric services company, are served by the company and are located within this state. However, nothing in this section precludes a utility or company from providing a greater percentage.

(2) The portion required under division (B)(1) of this section shall be generated from renewable energy resources, including one-half per cent from solar energy resources, in accordance with the following benchmarks:

By end of year	Renewable energy resources	Solar energy resources
2009	0.25%	0.004%
2010	0.50%	0.010%
2011	1%	0.030%
2012	1.5%	0.060%
2013	2%	0.090%
2014	2.5%	0.12%
2015	2.5%	0.12%
2016	2.5%	0.12%
2017	3.5%	0.15%
2018	4.5%	0.18%
2019	5.5%	0.22%
2020	6.5%	0.26%
2021	7.5%	0.3%
2022	8.5%	0.34%
2023	9.5%	0.38%
2024	10.5%	0.42%
2025	11.5%	0.46%
2026 and each calendar year thereafter	12.5%	0.5%.

(3) The qualifying renewable energy resources implemented by the utility or company shall be met either:

(a) Through facilities located in this state; or

(b) With resources that can be shown to be deliverable into this state.

(C)(1) The commission annually shall review an electric distribution

utility's or electric services company's compliance with the most recent applicable benchmark under division (B)(2) of this section and, in the course of that review, shall identify any undercompliance or noncompliance of the utility or company that it determines is weather-related, related to equipment or resource shortages for qualifying renewable energy resources as applicable, or is otherwise outside the utility's or company's control.

(2) Subject to the cost cap provisions of division (C)(3) of this section, if the commission determines, after notice and opportunity for hearing, and based upon its findings in that review regarding avoidable undercompliance or noncompliance, but subject to division (C)(4) of this section, that the utility or company has failed to comply with any such benchmark, the commission shall impose a renewable energy compliance payment on the utility or company.

(a) The compliance payment pertaining to the solar energy resource benchmarks under division (B)(2) of this section shall be an amount per megawatt hour of undercompliance or noncompliance in the period under review, as follows:

- (i) Three hundred dollars for 2014, 2015, and 2016;
- (ii) Two hundred fifty dollars for 2017 and 2018;
- (iii) Two hundred dollars for 2019 and 2020;
- (iv) Similarly reduced every two years thereafter through 2026 by fifty dollars, to a minimum of fifty dollars.

(b) The compliance payment pertaining to the renewable energy resource benchmarks under division (B)(2) of this section shall equal the number of additional renewable energy credits that the electric distribution utility or electric services company would have needed to comply with the applicable benchmark in the period under review times an amount that shall begin at forty-five dollars and shall be adjusted annually by the commission to reflect any change in the consumer price index as defined in section 101.27 of the Revised Code, but shall not be less than forty-five dollars.

(c) The compliance payment shall not be passed through by the electric distribution utility or electric services company to consumers. The compliance payment shall be remitted to the commission, for deposit to the credit of the advanced energy fund created under section 4928.61 of the Revised Code. Payment of the compliance payment shall be subject to such collection and enforcement procedures as apply to the collection of a forfeiture under sections 4905.55 to 4905.60 and 4905.64 of the Revised Code.

(3) An electric distribution utility or an electric services company need not comply with a benchmark under division (B)(2) of this section to the

extent that its reasonably expected cost of that compliance exceeds its reasonably expected cost of otherwise producing or acquiring the requisite electricity by three per cent or more. The cost of compliance shall be calculated as though any exemption from taxes and assessments had not been granted under section 5727.75 of the Revised Code.

(4)(a) An electric distribution utility or electric services company may request the commission to make a force majeure determination pursuant to this division regarding all or part of the utility's or company's compliance with any minimum benchmark under division (B)(2) of this section during the period of review occurring pursuant to division (C)(2) of this section. The commission may require the electric distribution utility or electric services company to make solicitations for renewable energy resource credits as part of its default service before the utility's or company's request of force majeure under this division can be made.

(b) Within ninety days after the filing of a request by an electric distribution utility or electric services company under division (C)(4)(a) of this section, the commission shall determine if qualifying renewable energy resources are reasonably available in the marketplace in sufficient quantities for the utility or company to comply with the subject minimum benchmark during the review period. In making this determination, the commission shall consider whether the electric distribution utility or electric services company has made a good faith effort to acquire sufficient qualifying renewable energy or, as applicable, solar energy resources to so comply, including, but not limited to, by banking or seeking renewable energy resource credits or by seeking the resources through long-term contracts. Additionally, the commission shall consider the availability of qualifying renewable energy or solar energy resources in this state and other jurisdictions in the PJM interconnection regional transmission organization, L.L.C., or its successor and the midcontinent independent system operator or its successor.

(c) If, pursuant to division (C)(4)(b) of this section, the commission determines that qualifying renewable energy or solar energy resources are not reasonably available to permit the electric distribution utility or electric services company to comply, during the period of review, with the subject minimum benchmark prescribed under division (B)(2) of this section, the commission shall modify that compliance obligation of the utility or company as it determines appropriate to accommodate the finding. Commission modification shall not automatically reduce the obligation for the electric distribution utility's or electric services company's compliance in subsequent years. If it modifies the electric distribution utility or electric

services company obligation under division (C)(4)(c) of this section, the commission may require the utility or company, if sufficient renewable energy resource credits exist in the marketplace, to acquire additional renewable energy resource credits in subsequent years equivalent to the utility's or company's modified obligation under division (C)(4)(c) of this section.

(5) The commission shall establish a process to provide for at least an annual review of the renewable energy resource market in this state and in the service territories of the regional transmission organizations that manage transmission systems located in this state. The commission shall use the results of this study to identify any needed changes to the amount of the renewable energy compliance payment specified under divisions (C)(2)(a) and (b) of this section. Specifically, the commission may increase the amount to ensure that payment of compliance payments is not used to achieve compliance with this section in lieu of actually acquiring or realizing energy derived from qualifying renewable energy resources. However, if the commission finds that the amount of the compliance payment should be otherwise changed, the commission shall present this finding to the general assembly for legislative enactment.

(D) The commission annually shall submit to the general assembly in accordance with section 101.68 of the Revised Code a report describing all of the following:

(1) The compliance of electric distribution utilities and electric services companies with division (B) of this section;

(2) The average annual cost of renewable energy credits purchased by utilities and companies for the year covered in the report;

(3) Any strategy for utility and company compliance or for encouraging the use of qualifying renewable energy resources in supplying this state's electricity needs in a manner that considers available technology, costs, job creation, and economic impacts.

The commission shall begin providing the information described in division (D)(2) of this section in each report submitted after September 10, 2012. The commission shall allow and consider public comments on the report prior to its submission to the general assembly. Nothing in the report shall be binding on any person, including any utility or company for the purpose of its compliance with any benchmark under division (B) of this section, or the enforcement of that provision under division (C) of this section.

(E) All costs incurred by an electric distribution utility in complying with the requirements of this section shall be bypassable by any consumer

that has exercised choice of supplier under section 4928.03 of the Revised Code.

Sec. 5101.074. If the department of job and family services receives money from a refund or reconciliation related to the medicaid program, the department shall transfer the money to the department of medicaid for deposit into the refunds and reconciliation fund created under section 5162.65 of the Revised Code.

Sec. 5101.09. (A) When the director of job and family services is authorized by the Revised Code to adopt a rule, the director shall adopt the rule in accordance with the following:

(1) Chapter 119. of the Revised Code if any of the following apply:

(a) The rule concerns the administration or enforcement of Chapter 4141. of the Revised Code;

(b) The rule concerns a program administered by the department of job and family services, unless the statute authorizing the rule requires that it be adopted in accordance with section 111.15 of the Revised Code;

(c) The statute authorizing the rule requires that the rule be adopted in accordance with Chapter 119. of the Revised Code.

(2) Section 111.15 of the Revised Code, excluding division (D) of that section, if either of the following apply:

(a) The rule concerns the day-to-day staff procedures and operations of the department or financial and operational matters between the department and another government entity or a private entity receiving a grant from the department, unless the statute authorizing the rule requires that it be adopted in accordance with Chapter 119. of the Revised Code;

(b) The statute authorizing the rule requires that the rule be adopted in accordance with section 111.15 of the Revised Code and, by the terms of division (D) of that section, division (D) of that section does not apply to the rule.

(3) Section 111.15 of the Revised Code, including division (D) of that section, if the statute authorizing the rule requires that the rule be adopted in accordance with that section and the rule is not exempt from the application of division (D) of that section.

(B) Except as otherwise required by the Revised Code, the adoption of a rule in accordance with Chapter 119. of the Revised Code does not make the department of job and family services, a county family services agency, or a ~~workforce development agency~~ local board subject to the notice, hearing, or other requirements of sections 119.06 to 119.13 of the Revised Code. As used in this division, "~~workforce development agency~~ local board" has the same meaning as in section 6301.01 of the Revised Code.

Sec. 5101.16. (A) As used in this section and sections 5101.161 and 5101.162 of the Revised Code:

(1) "Disability financial assistance" means the financial assistance program established under former Chapter 5115. of the Revised Code.

(2) "Supplemental nutrition assistance program" means the program administered by the department of job and family services pursuant to section 5101.54 of the Revised Code.

(3) "Ohio works first" means the program established by Chapter 5107. of the Revised Code.

(4) "Prevention, retention, and contingency" means the program established by Chapter 5108. of the Revised Code.

(5) "Public assistance expenditures" means expenditures for all of the following:

(a) Ohio works first;

(b) County administration of Ohio works first;

(c) Prevention, retention, and contingency;

(d) County administration of prevention, retention, and contingency;

(e) Disability financial assistance;

(f) County administration of disability financial assistance;

(g) County administration of the supplemental nutrition assistance program;

(h) County administration of medicaid, excluding administrative expenditures for transportation services covered by the medicaid program.

~~(7)~~(6) "Title IV-A program" has the same meaning as in section 5101.80 of the Revised Code.

(B) Each board of county commissioners shall pay the county share of public assistance expenditures in accordance with section 5101.161 of the Revised Code. Except as provided in division (C) of this section, a county's share of public assistance expenditures is the sum of all of the following for state fiscal year 1998 and each state fiscal year thereafter:

(1) The amount that is twenty-five per cent of the county's total expenditures for disability financial assistance and county administration of that program during the state fiscal year ending in the previous calendar year that the department of job and family services determines are allowable.

(2) The amount that is ten per cent, or other percentage determined under division (D) of this section, of the county's total expenditures for county administration of the supplemental nutrition assistance program and medicaid (excluding administrative expenditures for transportation services covered by the medicaid program) during the state fiscal year ending in the previous calendar year that the department determines are allowable, less the

amount of federal reimbursement credited to the county under division (E) of this section for the state fiscal year ending in the previous calendar year;

(3) A percentage of the actual amount of the county share of program and administrative expenditures during federal fiscal year 1994 for assistance and services, other than child care, provided under Titles IV-A and IV-F of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as those titles existed prior to the enactment of the "Personal Responsibility and Work Opportunity Reconciliation Act of 1996," 110 Stat. 2105. The department of job and family services shall determine the actual amount of the county share from expenditure reports submitted to the United States department of health and human services. The percentage shall be the percentage established in rules adopted under division (F) of this section.

(C)(1) If a county's share of public assistance expenditures determined under division (B) of this section for a state fiscal year exceeds one hundred five per cent of the county's share for those expenditures for the immediately preceding state fiscal year, the department of job and family services shall reduce the county's share for expenditures under divisions (B)(1) and (2) of this section so that the total of the county's share for expenditures under division (B) of this section equals one hundred five per cent of the county's share of those expenditures for the immediately preceding state fiscal year.

(2) A county's share of public assistance expenditures determined under division (B) of this section may be increased pursuant to section 5101.163 of the Revised Code and a sanction under section 5101.24 of the Revised Code. An increase made pursuant to section 5101.163 of the Revised Code may cause the county's share to exceed the limit established by division (C)(1) of this section.

(D)(1) If the per capita tax duplicate of a county is less than the per capita tax duplicate of the state as a whole and division (D)(2) of this section does not apply to the county, the percentage to be used for the purpose of division (B)(2) of this section is the product of ten multiplied by a fraction of which the numerator is the per capita tax duplicate of the county and the denominator is the per capita tax duplicate of the state as a whole. The department of job and family services shall compute the per capita tax duplicate for the state and for each county by dividing the tax duplicate for the most recent available year by the current estimate of population prepared by the development services agency.

(2) If the percentage of families in a county with an annual income of less than three thousand dollars is greater than the percentage of such families in the state and division (D)(1) of this section does not apply to the county, the percentage to be used for the purpose of division (B)(2) of this

section is the product of ten multiplied by a fraction of which the numerator is the percentage of families in the state with an annual income of less than three thousand dollars a year and the denominator is the percentage of such families in the county. The department of job and family services shall compute the percentage of families with an annual income of less than three thousand dollars for the state and for each county by multiplying the most recent estimate of such families published by the development services agency, by a fraction, the numerator of which is the estimate of average annual personal income published by the bureau of economic analysis of the United States department of commerce for the year on which the census estimate is based and the denominator of which is the most recent such estimate published by the bureau.

(3) If the per capita tax duplicate of a county is less than the per capita tax duplicate of the state as a whole and the percentage of families in the county with an annual income of less than three thousand dollars is greater than the percentage of such families in the state, the percentage to be used for the purpose of division (B)(2) of this section shall be determined as follows:

(a) Multiply ten by the fraction determined under division (D)(1) of this section;

(b) Multiply the product determined under division (D)(3)(a) of this section by the fraction determined under division (D)(2) of this section.

(4) The department of job and family services shall determine, for each county, the percentage to be used for the purpose of division (B)(2) of this section not later than the first day of July of the year preceding the state fiscal year for which the percentage is used.

(E) The department of job and family services shall credit to a county the amount of federal reimbursement the department receives from the United States departments of agriculture and health and human services for the county's expenditures for administration of the supplemental nutrition assistance program and medicaid (excluding administrative expenditures for transportation services covered by the medicaid program) that the department determines are allowable administrative expenditures.

(F)(1) The director of job and family services shall adopt rules in accordance with section 111.15 of the Revised Code to establish all of the following:

(a) The method the department is to use to change a county's share of public assistance expenditures determined under division (B) of this section as provided in division (C) of this section;

(b) The allocation methodology and formula the department will use to

determine the amount of funds to credit to a county under this section;

(c) The method the department will use to change the payment of the county share of public assistance expenditures from a calendar-year basis to a state fiscal year basis;

(d) The percentage to be used for the purpose of division (B)(3) of this section, which shall, except as provided in section 5101.163 of the Revised Code, meet both of the following requirements:

(i) The percentage shall not be less than seventy-five per cent nor more than eighty-two per cent;

(ii) The percentage shall not exceed the percentage that the state's qualified state expenditures is of the state's historic state expenditures as those terms are defined in 42 U.S.C. 609(a)(7).

(e) Other procedures and requirements necessary to implement this section.

(2) The director of job and family services may amend the rule adopted under division (F)(1)(d) of this section to modify the percentage on determination that the amount the general assembly appropriates for Title IV-A programs makes the modification necessary. The rule shall be adopted and amended as if an internal management rule and in consultation with the director of budget and management.

Sec. 5101.17. In determining the need of any person under Chapter 5107. ~~or 5115.~~ of the Revised Code, the first eighty-five dollars plus one-half of the excess over eighty-five dollars of payments made to or in behalf of any person for or with respect to any month under Title I or II of the "Economic Opportunity Act of 1964," 78 Stat. 508, 42 U.S.C.A. 2701, as amended, shall not be regarded as income or resources. No payments made under such titles shall be regarded as income or resources of another individual except to the extent that they are made available to the other individual. No grant made to any family under Title III of such act shall be regarded as income or resources in determining the need of any member of such family under Chapter 5107. ~~or 5115.~~ of the Revised Code.

Sec. 5101.18. When the director of job and family services adopts rules under section 5107.05 of the Revised Code regarding income requirements for the Ohio works first program ~~and under section 5115.03 of the Revised Code regarding income and resource requirements for the disability financial assistance program~~, the director shall determine what payments shall be regarded or disregarded. In making this determination, the director shall consider:

(A) The source of the payment;

(B) The amount of the payment;

(C) The purpose for which the payment was made;

(D) Whether regarding the payment as income would be in the public interest;

(E) Whether treating the payment as income would be detrimental to any of the programs administered in whole or in part by the department of job and family services and whether such determination would jeopardize the receipt of any federal grant or payment by the state or any receipt of aid under Chapter 5107. of the Revised Code.

Sec. 5101.181. (A) As used in this section and section 5101.182 of the Revised Code, "public assistance" means any or all of the following:

(1) Ohio works first;

(2) Prevention, retention, and contingency;

(3) Disability financial assistance provided prior to December 31, 2017, under former Chapter 5115. of the Revised Code;

(4) General assistance provided prior to July 17, 1995, under former Chapter 5113. of the Revised Code.

(B) As part of the procedure for the determination of overpayment to a recipient of public assistance under Chapter 5107., or 5108., or former Chapter 5115. of the Revised Code, the director of job and family services may furnish quarterly the name and social security number of each individual who receives public assistance to the director of administrative services, the administrator of the bureau of workers' compensation, and each of the state's retirement boards. Within fourteen days after receiving the name and social security number of an individual who receives public assistance, the director of administrative services, administrator, or board shall inform the auditor of state as to whether such individual is receiving wages or benefits, the amount of any wages or benefits being received, the social security number, and the address of the individual. The director of administrative services, administrator, boards, and any agent or employee of those officials and boards shall comply with the rules of the director of job and family services restricting the disclosure of information regarding recipients of public assistance. Any person who violates this provision shall thereafter be disqualified from acting as an agent or employee or in any other capacity under appointment or employment of any state board, commission, or agency.

(C) The auditor of state may enter into a reciprocal agreement with the director of job and family services or comparable officer of any other state for the exchange of names, current or most recent addresses, or social security numbers of persons receiving public assistance under Title IV-A of the "Social Security Act," 42 U.S.C. 601 et seq.

(D) The auditor of state shall retain, for not less than two years, at least one copy of all information received under this section and sections 145.27, 742.41, 3307.20, 3309.22, 4123.27, 5101.182, and 5505.04 of the Revised Code.

(E) The auditor shall review the information described in division (D) of this section to determine whether overpayments were made to recipients of public assistance under Chapters 5107., or 5108., and former Chapter 5115. of the Revised Code. The auditor of state shall initiate action leading to prosecution, where warranted, of recipients who received overpayments by forwarding the name of each recipient who received overpayment, together with other pertinent information, to the director of job and family services, the attorney general, and the county director of job and family services and county prosecutor of the county through which public assistance was received.

(F) The auditor of state and the attorney general or their designees may examine any records, whether in computer or printed format, in the possession of the director of job and family services or any county director of job and family services. They shall provide safeguards which restrict access to such records to purposes directly connected with an audit or investigation, prosecution, or criminal or civil proceeding conducted in connection with the administration of the programs and shall comply with section 5101.27 of the Revised Code and rules adopted by the director of job and family services restricting the disclosure of information regarding recipients of public assistance. Any person who violates this provision shall thereafter be disqualified from acting as an agent or employee or in any other capacity under appointment or employment of any state board, commission, or agency.

(G) Costs incurred by the auditor of state in carrying out the auditor of state's duties under this section shall be borne by the auditor of state.

Sec. 5101.184. (A) The director of job and family services shall work with the tax commissioner to collect overpayments of assistance under Chapter 5107. ~~or~~, former Chapter 5115., former Chapter 5113., or section 5101.54 of the Revised Code from refunds of state income taxes for taxable year 1992 and thereafter that are payable to the recipients of such overpayments.

Any overpayment of assistance, whether obtained by fraud or misrepresentation, as the result of an error by the recipient or by the agency making the payment, or in any other manner, may be collected under this section. Any reduction under section 5747.12 or 5747.121 of the Revised Code to an income tax refund shall be made before a reduction under this

section. No reduction shall be made under this section if the amount of the refund is less than twenty-five dollars after any reduction under section 5747.12 of the Revised Code. A reduction under this section shall be made before any part of the refund is contributed under section 5747.113 of the Revised Code, or is credited under section 5747.12 of the Revised Code against tax due in any subsequent year.

The director and the tax commissioner, by rules adopted in accordance with Chapter 119. of the Revised Code, shall establish procedures to implement this division. The procedures shall provide for notice to a recipient of assistance and an opportunity for the recipient to be heard before the recipient's income tax refund is reduced.

(B) The director of job and family services may enter into agreements with the federal government to collect overpayments of assistance from refunds of federal income taxes that are payable to recipients of the overpayments.

Sec. 5101.20. (A) As used in this section of the Revised Code:

(B) The director of job and family services shall enter into one or more written grant agreements with each local area under which ~~financial assistance is~~ allocated funds are awarded for workforce development activities included in the agreements. A grant agreement shall establish the terms and conditions governing the accountability for and use of grants provided by the department of job and family services to the grantee for the administration of workforce development activities funded under the ~~"Workforce Investment Act of 1998," 112 Stat. 936, 29 U.S.C. 2801, as amended~~ "Workforce Innovation and Opportunity Act," 29 U.S.C. 3101 et seq.

(C) The director may award grants to local areas only through grant agreements entered into under this section.

(D) In the case of a local area comprised of multiple political subdivisions, nothing in this section shall preclude the chief elected officials of a local area from entering into an agreement among themselves to distribute any liability for activities of the local area, but such an agreement shall not be binding on the department of job and family services.

~~(D)~~(E) The written grant agreement entered into under division (B) of this section shall comply with all applicable federal and state laws governing workforce development activities and related funding. ~~All~~ Each local area is subject to all federal conditions and restrictions that apply to the use of ~~grants received by~~ funds allotted to the department of job and family services ~~shall apply to the use of the grants received by the~~ and allocated to local areas ~~from the department~~ for workforce development activities.

(3) "Volunteer applicant" means a person who is under consideration for

a position with a public children services agency to perform services within the agency voluntarily, without monetary gain or compensation, as a person responsible for the care, custody, or control of a child.

(B) Notwithstanding division (D)(1) of section 2151.421, section 5153.17, and any other section of the Revised Code pertaining to confidentiality, before a public children services agency employs an applicant, the executive director of the agency, or the executive director's designee within the agency, shall review promptly any information the agency determines to be relevant for the purpose of evaluating the fitness of the applicant, including, but not limited to, the following:

(1) Abuse and neglect reports made pursuant to section 2151.421 of the Revised Code of which the applicant is the subject where it has been determined that abuse or neglect occurred;

(2) The final disposition of investigations of the abuse and neglect reports, or if the investigations have not been completed, the status of the investigations;

(3) Any underlying documentation concerning the reports.

(C) The information reviewed under division (B) of this section shall not include the name of the person or entity that made the report or participated in the making of the report of child abuse or neglect.

(D) The director of job and family services shall adopt rules pursuant to Chapter 119. of the Revised Code to implement this section.

Sec. 5160.052. The department of medicaid shall collaborate with the superintendent of the bureau of criminal identification and investigation to develop procedures and formats necessary to produce the notices described in division ~~(C)~~(D) of section 109.5721 of the Revised Code in a format that is acceptable for use by the department. The medicaid director may adopt rules under section 5160.02 of the Revised Code necessary for such collaboration. Any such rules shall be adopted in accordance with section 111.15 of the Revised Code as if they were internal management rules.

The medicaid director may adopt rules under section 5160.02 of the Revised Code necessary for utilizing the information received pursuant to section 109.5721 of the Revised Code. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.

Sec. 5160.37. (A) A medical assistance recipient's enrollment in a medical assistance program gives an automatic right of recovery to the department of medicaid and a county department of job and family services against the liability of a third party for the cost of medical assistance paid on behalf of the recipient. When an action or claim is brought against a third party by a medical assistance recipient, any payment, settlement or

compromise of the action or claim, or any court award or judgment, is subject to the recovery right of the department of medicaid or county department. Except in the case of a medical assistance recipient who receives medical assistance through a medicaid managed care organization, the department's or county department's claim shall not exceed the amount of medical assistance paid by the department or county department on behalf of the recipient. A payment, settlement, compromise, judgment, or award that excludes the cost of medical assistance paid for by the department or county department shall not preclude a department from enforcing its rights under this section.

(B)(1) In the case of a medical assistance recipient who receives medical assistance through a medicaid managed care organization that has a capitation agreement with a provider, the amount of the department's or county department's claim shall be the amount the medicaid managed care organization would have paid in the absence of a capitation agreement.

(2) In the case of a medical assistance recipient who receives medical assistance through a medicaid managed care organization that does not have a capitation agreement with a provider, the amount of the department's or county department's claim shall be the amount the medicaid managed care organization pays for medical assistance rendered to the recipient, even if that amount is more than the amount the department or county department pays to the medicaid managed care organization for the recipient's medical assistance.

(C) A medical assistance recipient, and the recipient's attorney, if any, shall cooperate with the departments. In furtherance of this requirement, the medical assistance recipient, or the recipient's attorney, if any, shall, not later than thirty days after initiating informal recovery activity or filing a legal recovery action against a third party, provide written notice of the activity or action to the department of medicaid or county department if it has paid for medical assistance under a medical assistance program.

(D) The written notice that must be given under division (C) of this section shall disclose the identity and address of any third party against whom the medical assistance recipient has or may have a right of recovery.

(E) No settlement, compromise, judgment, or award or any recovery in any action or claim by a medical assistance recipient where the department or county department has a right of recovery shall be made final without first giving the department or county department written notice as described in division (C) of this section and a reasonable opportunity to perfect its rights of recovery. If the department or county department is not given the appropriate written notice, the medical assistance recipient and, if there is

one, the recipient's attorney, are liable to reimburse the department or county department for the recovery received to the extent of medical assistance payments made by the department or county department.

(F) The department or county department shall be permitted to enforce its recovery rights against the third party even though it accepted prior payments in discharge of its rights under this section if, at the time the department or county department received such payments, it was not aware that additional medical expenses had been incurred but had not yet been paid by the department or county department. The third party becomes liable to the department or county department as soon as the third party is notified in writing of the valid claims for recovery under this section.

(G)(1) Subject to division (G)(2) of this section, the right of recovery of the department or county department does not apply to that portion of any judgment, award, settlement, or compromise of a claim, to the extent of attorneys' fees, costs, or other expenses incurred by a medical assistance recipient in securing the judgment, award, settlement, or compromise, or to the extent of medical, surgical, and hospital expenses paid by such recipient from the recipient's own resources.

(2) Reasonable attorneys' fees, not to exceed one-third of the total judgment, award, settlement, or compromise, plus costs and other expenses incurred by the medical assistance recipient in securing the judgment, award, settlement, or compromise, shall first be deducted from the total judgment, award, settlement, or compromise. After fees, costs, and other expenses are deducted from the total judgment, award, settlement, or compromise, there shall be a rebuttable presumption that the department of medicaid or county department shall receive no less than one-half of the remaining amount, or the actual amount of medical assistance paid, whichever is less. A party may rebut the presumption in accordance with division (L)(1) or (2) of this section, as applicable.

(H) A right of recovery created by this section may be enforced separately or jointly by the department of medicaid or county department. To enforce its recovery rights, the department or county department may do any of the following:

(1) Intervene or join in any action or proceeding brought by the medical assistance recipient or on the recipient's behalf against any third party who may be liable for the cost of medical assistance paid;

(2) Institute and pursue legal proceedings against any third party who may be liable for the cost of medical assistance paid;

(3) Initiate legal proceedings in conjunction with any injured, diseased, or disabled medical assistance recipient or the recipient's attorney or

representative.

(I) A medical assistance recipient shall not assess attorney fees, costs, or other expenses against the department of medicaid or a county department when the department or county department enforces its right of recovery created by this section.

(J) The right of recovery given to the department under this section includes payments made by a third party under contract with a person having a duty to support.

(K) The department of medicaid may assign to a medical assistance provider the right of recovery given to the department under this section with respect to any claim for which the department has notified the provider that the department intends to recoup the department's prior payment for the claim.

(L)(1) Prior to any payment to the department or a county department pursuant to the department's or county department's right of recovery under this section, a party that desires to rebut the presumption in division (G) of this section shall submit to the department or county department a request for a hearing in accordance with the procedure the department establishes in rules required by division (O) of this section. The amount sought by the department or county department shall be held in escrow or in an interest on lawyers' trust account until the hearing examiner renders a decision or the case is otherwise concluded. A party successfully rebuts the presumption by a showing of clear and convincing evidence that a different allocation is warranted.

(2) A medical assistance recipient who has repaid money, on or after September 29, 2007, to the department or a county department pursuant to the department's or county department's right of recovery under this section, section 5160.38 of the Revised Code, or former section 5101.58 or 5101.59 of the Revised Code may request a hearing to rebut the presumption in division (G) of this section. The request shall be made in accordance with the procedure the department establishes for this purpose in rules required by division (O) of this section. It must be made not later than one hundred eighty days after ~~the effective date of this amendment~~ September 29, 2015, or ninety days after the payment is made, whichever is later. A party successfully rebuts the presumption by a showing of clear and convincing evidence that a different allocation is warranted.

(3) With respect to a hearing requested under division (L)(1) or (2) of this section, all of the following are the case:

(a) The hearing examiner may consider, but is not bound by the allocation of, medical expenses specified in a settlement agreement between

the medical assistance recipient and the relevant third party;

(b) The department or county department may raise affirmative defenses during the hearing, including the existence of a prior settlement with the medical assistance recipient, the doctrine of accord and satisfaction, or the common law principle of res judicata;

(c) If the parties agree, live testimony shall not be presented at the hearing;

(d) The hearing may be governed by rules adopted under section 5160.02 of the Revised Code. If such rules are adopted, Chapter 119. of the Revised Code applies to the hearing only to the extent specified in those rules;

(e) The hearing examiner's decision is binding on the department or county department and the medical assistance recipient unless the decision is reversed or modified on appeal to the medicaid director as described in division (M) of this section.

(M)(1) A medical assistance recipient who disagrees with a hearing examiner's decision under division (L) of this section may file an administrative appeal with the medicaid director in accordance with the procedure the department establishes for this purpose in rules required by division (O) of this section. A hearing is not required during the administrative appeal, but the director or the director's designee shall review the hearing examiner's decision and any prior relevant administrative action. After the review, the director or the director's designee shall affirm, modify, remand, or reverse the hearing decision. A decision made under this division is final and binding on the department or county department and the medical assistance recipient unless it is reversed or modified on appeal to a court of common pleas as described in division (N) of this section.

(2) An administrative appeal may be governed by rules adopted under section 5160.02 of the Revised Code. If such rules are adopted, Chapter 119. of the Revised Code applies to an administrative appeal only to the extent specified in those rules.

(N) A party to an administrative appeal described in division (M) of this section may file an appeal with a court of common pleas in accordance with section 119.12 of the Revised Code.

(O) The medicaid director shall adopt rules under section 5160.02 of the Revised Code as necessary to implement this section, including rules establishing procedures a party may use to request a hearing under division (L)(1) or (2) of this section or an administrative appeal under division (M)(1) of this section. The rules shall be adopted in accordance with Chapter 119. of the Revised Code.

(P) Divisions (L) to (N) of this section are remedial in nature and shall be liberally construed by the courts of this state in accordance with section 1.11 of the Revised Code. Those divisions specify the sole remedy available to a party who claims the department or a county department has received or is to receive more money than entitled to receive under this section, section 5160.38 of the Revised Code, or former section 5101.58 or 5101.59 of the Revised Code.

(a) The claim was submitted by the department not later than six years after the date of the provision of the medical item or service.

(b) An action by the department to enforce its right of recovery under section 5160.37 of the Revised Code on the claim was commenced not later than six years after the department's submission of the claim.

~~(6)~~~~(7)~~ Consider the department's payment of a claim for a medical item or service to be the equivalent of the medical assistance recipient having

obtained prior authorization for the item or service from the third party;

~~(7)~~(8) Not deny a claim described in division ~~(A)~~(6)~~(B)~~(7) of this section that is submitted by the department solely on the basis of the medical assistance recipient's failure to obtain prior authorization for the medical item or service.

~~(B)~~(C) For purposes of the requirements in division ~~(A)~~(B) of this section, a third party shall treat a medicaid managed care organization as the department for a claim if the individual who is the subject of the claim received a medical item or service through a medicaid managed care organization and the department has assigned its right of recovery for the claim to the medicaid managed care organization. Even if the department assigned its right of recovery to a medicaid managed care organization, the department may, beginning one year from the date the organization paid the claim, recoup from a third party an amount that was assigned to the organization but not collected.

~~(C)~~(D) If the department of medicaid, as permitted by division (K) of section 5160.37 of the Revised Code, assigns to a medical assistance provider the department's right of recovery for a claim for which it has notified the provider that it intends to recoup its prior payment for a claim, a third party shall treat the provider as the department and shall pay the provider the greater of the following:

(5) A court, hearing officer, or other necessary individual involved in a case dealing with either of the following:

(a) A denial or termination of a provider agreement related to the

criminal records check or notice from the bureau;

(b) A civil or criminal action regarding the medicaid program.

(F) The medicaid director shall adopt rules under section 5164.02 of the Revised Code to implement this section. The rules shall specify circumstances under which the department or the department's designee may either approve an applicant's application or allow an independent provider to maintain an existing provider agreement even though the applicant or independent provider is found by ~~a criminal records check required by this section~~ either of the following to have been convicted of or have pleaded guilty to a disqualifying offense:

(1) A criminal records check required by this section;

(2) In the case of an independent provider, a notice provided by the bureau of criminal identification and investigation under division (D) of section 109.5721 of the Revised Code.

Sec. 5164.342. (A) As used in this section:

"Applicant" means a person who is under final consideration for employment with a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Community-based long-term care provider" means a provider as defined in section 173.39 of the Revised Code.

"Community-based long-term care subcontractor" means a subcontractor as defined in section 173.38 of the Revised Code.

"Criminal records check" has the same meaning as in section 109.572 of the Revised Code.

"Disqualifying offense" means any of the offenses listed or described in divisions (A)(3)(a) to (e) of section 109.572 of the Revised Code.

"Employee" means a person employed by a waiver agency in a full-time, part-time, or temporary position that involves providing home and community-based services.

"Waiver agency" means a person or government entity that provides home and community-based services under a home and community-based services medicaid waiver component administered by the department of medicaid, other than such a person or government entity that is certified under the medicare program. "Waiver agency" does not mean an independent provider as defined in section 5164.341 of the Revised Code.

(B) This section does not apply to any individual who is subject to a database review or criminal records check under section 3701.881 of the Revised Code. If a waiver agency also is a community-based long-term care provider or community-based long-term care subcontractor, the waiver agency may provide for applicants and employees to undergo database

reviews and criminal records checks in accordance with section 173.38 of the Revised Code rather than this section.

(C) No waiver agency shall employ an applicant or continue to employ an employee in a position that involves providing home and community-based services if any of the following apply:

(1) A review of the databases listed in division (E) of this section reveals any of the following:

(a) That the applicant or employee is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(b) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the applicant or employee abused, neglected, or abused exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(c) That the applicant or employee is included in one or more of the databases, if any, specified in rules authorized by this section and the rules prohibit the waiver agency from employing an applicant or continuing to employ an employee included in such a database in a position that involves providing home and community-based services.

(2) After the applicant or employee is given the information and notification required by divisions (F)(2)(a) and (b) of this section, the applicant or employee fails to do either of the following:

(a) Access, complete, or forward to the superintendent of the bureau of criminal identification and investigation the form prescribed to division (C)(1) of section 109.572 of the Revised Code or the standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Instruct the superintendent to submit the completed report of the criminal records check required by this section directly to the chief administrator of the waiver agency.

(3) Except as provided in rules authorized by this section, the applicant or employee is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense, regardless of the date of the conviction or date of entry of the guilty plea.

(D) At the time of each applicant's initial application for employment in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall inform the applicant of both of the following:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the waiver agency is prohibited by division (C)(1) of this section from employing the applicant in the position;

(2) That, unless the database review reveals that the applicant may not be employed in the position, a criminal records check of the applicant will be conducted and the applicant is required to provide a set of the applicant's fingerprint impressions as part of the criminal records check.

(E) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall conduct a database review of the applicant in accordance with rules authorized by this section. If rules authorized by this section so require, the chief administrator of a waiver agency shall conduct a database review of an employee in accordance with the rules as a condition of continuing to employ the employee in a position that involves providing home and community-based services. A database review shall determine whether the applicant or employee is included in any of the following:

(1) The excluded parties list system that is maintained by the United States general services administration pursuant to subpart 9.4 of the federal acquisition regulation and available at the federal web site known as the system for award management;

(2) The list of excluded individuals and entities maintained by the office of inspector general in the United States department of health and human services pursuant to the "Social Security Act," sections 1128 and 1156, 42 U.S.C. 1320a-7 and 1320c-5;

(3) The registry of developmental disabilities employees established under section 5123.52 of the Revised Code;

(4) The internet-based sex offender and child-victim offender database established under division (A)(11) of section 2950.13 of the Revised Code;

(5) The internet-based database of inmates established under section 5120.66 of the Revised Code;

(6) The state nurse aide registry established under section 3721.32 of the Revised Code;

(7) Any other database, if any, specified in rules authorized by this section.

(F)(1) As a condition of employing any applicant in a position that involves providing home and community-based services, the chief administrator of a waiver agency shall require the applicant to request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of the applicant. If rules authorized by this section so require, the chief administrator of a waiver agency shall require an employee to request that the superintendent conduct a criminal records check of the employee at times specified in the rules as a condition of

continuing to employ the employee in a position that involves providing home and community-based services. However, a criminal records check is not required for an applicant or employee if the waiver agency is prohibited by division (C)(1) of this section from employing the applicant or continuing to employ the employee in a position that involves providing home and community-based services. If an applicant or employee for whom a criminal records check request is required by this section does not present proof of having been a resident of this state for the five-year period immediately prior to the date the criminal records check is requested or provide evidence that within that five-year period the superintendent has requested information about the applicant or employee from the federal bureau of investigation in a criminal records check, the chief administrator shall require the applicant or employee to request that the superintendent obtain information from the federal bureau of investigation as part of the criminal records check. Even if an applicant or employee for whom a criminal records check request is required by this section presents proof of having been a resident of this state for the five-year period, the chief administrator may require the applicant or employee to request that the superintendent include information from the federal bureau of investigation in the criminal records check.

(2) The chief administrator shall provide the following to each applicant and employee for whom a criminal records check is required by this section:

(a) Information about accessing, completing, and forwarding to the superintendent of the bureau of criminal identification and investigation the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and the standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Written notification that the applicant or employee is to instruct the superintendent to submit the completed report of the criminal records check directly to the chief administrator.

(3) A waiver agency shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for any criminal records check required by this section. However, a waiver agency may require an applicant to pay to the bureau the fee for a criminal records check of the applicant. If the waiver agency pays the fee for an applicant, it may charge the applicant a fee not exceeding the amount the waiver agency pays to the bureau under this section if the waiver agency notifies the applicant at the time of initial application for employment of the amount of the fee and that, unless the fee is paid, the applicant will not be considered for employment.

(G)(1) A waiver agency may employ conditionally an applicant for whom a criminal records check is required by this section prior to obtaining the results of the criminal records check if both of the following apply:

(a) The waiver agency is not prohibited by division (C)(1) of this section from employing the applicant in a position that involves providing home and community-based services.

(b) The chief administrator of the waiver agency requires the applicant to request a criminal records check regarding the applicant in accordance with division (F)(1) of this section not later than five business days after the applicant begins conditional employment.

(2) A waiver agency that employs an applicant conditionally under division (G)(1) of this section shall terminate the applicant's employment if the results of the criminal records check, other than the results of any request for information from the federal bureau of investigation, are not obtained within the period ending sixty days after the date the request for the criminal records check is made. Regardless of when the results of the criminal records check are obtained, if the results indicate that the applicant has been convicted of or has pleaded guilty to a disqualifying offense, the waiver agency shall terminate the applicant's employment unless circumstances specified in rules authorized by this section exist that permit the waiver agency to employ the applicant and the waiver agency chooses to employ the applicant.

(H) The report of any criminal records check conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) The applicant or employee who is the subject of the criminal records check or the representative of the applicant or employee;

(2) The chief administrator of the waiver agency that requires the applicant or employee to request the criminal records check or the administrator's representative;

(3) The medicaid director and the staff of the department who are involved in the administration of the medicaid program;

(4) The director of aging or the director's designee if the waiver agency also is a community-based long-term care provider or community-based long-term care subcontractor;

(5) An individual receiving or deciding whether to receive home and community-based services from the subject of the criminal records check;

(6) A court, hearing officer, or other necessary individual involved in a case dealing with any of the following:

(a) A denial of employment of the applicant or employee;  
(b) Employment or unemployment benefits of the applicant or employee;

(c) A civil or criminal action regarding the medicaid program.

(I) The medicaid director shall adopt rules under section 5164.02 of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require employees to undergo database reviews and criminal records checks under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, exempt one or more classes of employees from the requirements;

(c) For the purpose of division (E)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The procedures for conducting a database review under this section;

(b) If the rules require employees to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(c) If the rules specify other databases to be checked as part of a database review, the circumstances under which a waiver agency is prohibited from employing an applicant or continuing to employ an employee who is found by the database review to be included in one or more of those databases;

(d) The circumstances under which a waiver agency may employ an applicant or employee who is found by a criminal records check required by this section to have been convicted of or have pleaded guilty to a disqualifying offense.

(J) The amendments made by H.B. 487 of the 129th general assembly to this section do not preclude the department of medicaid from taking action against a person for failure to comply with former division (H) of this section as that division existed on the day preceding January 1, 2013.

Sec. 5164.37. (A) As used in this section:

(1) "Independent provider" has the same meaning as in section 5164.341 of the Revised Code.

(2) "Noninstitutional medicaid provider" means any person or entity with a provider agreement other than a hospital, nursing facility, or ICF/IID.

(3) "Owner" means any person having at least five per cent ownership in a noninstitutional medicaid provider.

(B) Notwithstanding any provision of this chapter to the contrary, the department of medicaid shall take action under this section against a noninstitutional medicaid provider or its owner, officer, authorized agent, associate, manager, or employee.

(C) Except as provided in division (D) of this section and in rules authorized by this section, on receiving notice and a copy of an indictment that is issued on or after September 29, 2007, and charges a noninstitutional medicaid provider or its owner, officer, authorized agent, associate, manager, or employee with committing an offense specified in division (E) of this section, the department shall suspend the provider agreement held by the noninstitutional medicaid provider. Subject to division (D) of this section, the department shall also terminate medicaid payments to the provider for medicaid services rendered.

The suspension shall continue in effect until the proceedings in the criminal case are completed through dismissal of the indictment or through conviction, entry of a guilty plea, or finding of not guilty. If the department commences a process to terminate the suspended provider agreement, the suspension shall also continue in effect until the termination process is concluded.

When subject to a suspension under this division, a provider, owner, officer, authorized agent, associate, manager, or employee shall not own or provide medicaid services to any other medicaid provider or risk contractor or arrange for, render, or order medicaid services for medicaid recipients during the period of suspension. During the period of suspension, the provider, owner, officer, authorized agent, associate, manager, or employee shall not receive direct payments under the medicaid program or indirect payments of medicaid funds in the form of salary, shared fees, contracts, kickbacks, or rebates from or through any other medicaid provider or risk contractor.

(D)(1) The department shall not suspend a provider agreement or terminate medicaid payments under division (C) of this section if the provider or owner can demonstrate through the submission of written evidence that the provider or owner did not directly or indirectly sanction the action of its authorized agent, associate, manager, or employee that resulted in the indictment.

(2) The termination of medicaid payments applies only to payments for medicaid services rendered subsequent to the date on which the notice required under division (F) of this section is sent. Claims for payment for medicaid services rendered by the provider prior to the issuance of the notice may be subject to prepayment review procedures whereby the

department reviews claims to determine whether they are supported by sufficient documentation, are in compliance with state and federal statutes and rules, and are otherwise complete.

(E)(1) In the case of a noninstitutional medicaid provider that is not an independent provider, the suspension of a provider agreement under division (C) of this section applies when an indictment charges a person with committing an act that would be a felony or misdemeanor under the laws of this state and the act relates to or results from either of the following:

(a) Furnishing or billing for medicaid services under the medicaid program;

(b) Participating in the performance of management or administrative services relating to furnishing medicaid services under the medicaid program.

(2) In the case of a noninstitutional medicaid provider that is an independent provider, the suspension of a provider agreement under division (C) of this section applies when an indictment charges a person with committing an act that would constitute a disqualifying offense as defined in section ~~5164.34~~ 5164.341 of the Revised Code.

(F) Not later than five days after suspending a provider agreement under division (C) of this section, the department shall send notice of the suspension to the affected provider or owner. In providing the notice, the department shall do all of the following:

(1) Describe the indictment that was the cause of the suspension, without necessarily disclosing specific information concerning any ongoing civil or criminal investigation;

(2) State that the suspension will continue in effect until the proceedings in the criminal case are completed through dismissal of the indictment or through conviction, entry of a guilty plea, or finding of not guilty and, if the department commences a process to terminate the suspended provider agreement, until the termination process is concluded;

(3) Inform the provider or owner of the opportunity to submit to the department, not later than thirty days after receiving the notice, a request for a reconsideration pursuant to division (G) of this section.

(G)(1) Pursuant to the procedure specified in division (G)(2) of this section, a noninstitutional medicaid provider or owner subject to a suspension under this section may request a reconsideration. The request shall be made not later than thirty days after receipt of the notice provided under division (F) of this section. The reconsideration is not subject to an adjudication hearing pursuant to Chapter 119. of the Revised Code.

(2) In requesting a reconsideration, the provider or owner shall submit

written information and documents to the department. The information and documents may pertain to any of the following issues:

(a) Whether the determination to suspend the provider agreement was based on a mistake of fact, other than the validity of the indictment;

(b) Whether any offense charged in the indictment resulted from an offense specified in division (E) of this section;

(c) Whether the provider or owner can demonstrate that the provider or owner did not directly or indirectly sanction the action of its authorized agent, associate, manager, or employee that resulted in the indictment.

(3) The department shall review the information and documents submitted in a request for reconsideration. After the review, the suspension may be affirmed, reversed, or modified, in whole or in part. The department shall notify the affected provider or owner of the results of the review. The review and notification of its results shall be completed not later than forty-five days after receiving the information and documents submitted in a request for reconsideration.

(H) Rules adopted under section 5164.02 of the Revised Code may specify circumstances under which the department would not suspend a provider agreement pursuant to this section.

Sec. 5164.57. (A)(1) Except as provided in ~~division~~ divisions (A)(2) and (3) of this section, the department of medicaid may recover a medicaid payment or portion of a payment made to a medicaid provider to which the provider is not entitled if the department notifies the provider of the overpayment during the five-year period immediately following the end of the state fiscal year in which the overpayment was made.

(2) In the case of a hospital medicaid provider, if the department determines as a result of a medicare or medicaid cost report settlement that the provider received an amount under the medicaid program to which the provider is not entitled, the department may recover the overpayment if the department notifies the provider of the overpayment during the later of the following:

(a) The five-year period immediately following the end of the state fiscal year in which the overpayment was made;

(b) The one-year period immediately following the date the department receives from the United States centers for medicare and medicaid services a completed, audited, medicare cost report for the provider that applies to the state fiscal year in which the overpayment was made.

(3) In the case of a nursing facility provider or ICF/IID provider, if the department determines, from data in the possession of the department or another state agency at the time the department makes the determination,

that the provider received an amount under the medicaid program to which the provider is not entitled, the department may recover the overpayment if the department notifies the provider of the overpayment during the three-year period immediately following the end of the state fiscal year in which the overpayment is made.

(B) Among the overpayments that may be recovered under this section are the following:

- (1) Payment for a medicaid service, or a day of service, not rendered;
- (2) Payment for a day of service at a full per diem rate that should have been paid at a percentage of the full per diem rate;
- (3) Payment for a medicaid service, or day of service, that was paid by, or partially paid by, a third party, as defined in section 5160.35 of the Revised Code, and the third party's payment or partial payment was not offset against the amount paid by the medicaid program to reduce or eliminate the amount that was paid by the medicaid program;
- (4) Payment when a medicaid recipient's responsibility for payment was understated and resulted in an overpayment to the provider.

(C) The department may recover an overpayment under this section prior to or after any of the following:

- (1) Adjudication of a final fiscal audit that section 5164.38 of the Revised Code requires to be conducted in accordance with Chapter 119. of the Revised Code;
- (2) Adjudication of a finding under any other provision of state statutes governing the medicaid program or the rules adopted under those statutes;
- (3) Expiration of the time to issue a final fiscal audit that section 5164.38 of the Revised Code requires to be conducted in accordance with Chapter 119. of the Revised Code;
- (4) Expiration of the time to issue a finding under any other provision of state statutes governing the medicaid program or the rules adopted under those statutes.

(D)(1) Subject to division (D)(2) of this section, the recovery of an overpayment under this section does not preclude the department from subsequently doing the following:

- (a) Issuing a final fiscal audit in accordance with Chapter 119. of the Revised Code, as required under section 5164.38 of the Revised Code;
- (b) Issuing a finding under any other provision of state statutes governing the medicaid program or the rules adopted under those statutes.

(2) A final fiscal audit or finding issued subsequent to the recovery of an overpayment under this section shall be reduced by the amount of the prior recovery, as appropriate.

(E) Nothing in this section limits the department's authority to recover overpayments pursuant to any other provision of the Revised Code.

Sec. 5164.69. (A) Neither the department of medicaid nor another state agency with which the department has entered into a contract under section 5162.35 of the Revised Code to administer one or more components of the medicaid program or one or more aspects of a component may increase the medicaid payment rate for a medicaid service, by rule or otherwise, if any of the following applies:

(1) The department or other state agency fails to submit the proposal to the joint medicaid oversight committee in accordance with section 103.417 of the Revised Code.

(2) The joint medicaid oversight committee votes, not later than the deadline established by section 103.417 of the Revised Code, to prohibit implementation of the proposal.

(3) The general assembly, not later than ninety days after that deadline, adopts a concurrent resolution prohibiting implementation of the proposal.

(B) The general assembly's authority to adopt a concurrent resolution prohibiting implementation of a proposal to increase the medicaid payment rate for a medicaid service applies regardless of whether the joint medicaid oversight committee votes to permit implementation of the proposal or fails to vote on the proposal before the deadline.

(C) This section applies to a proposal to increase the medicaid payment rate for a medicaid service regardless of whether the proposal involves a change to the method by which the rate is to be determined or specifies the actual amount of the rate increase.

Sec. 5164.70. Except as otherwise required by federal statute or regulation, no medicaid payment for any medicaid service provided by a hospital, nursing facility, or ICF/IID shall exceed ~~the following:~~

~~(A) If the medicaid provider is a hospital, nursing facility, or ICF/IID, the limits established under Subpart C of 42 C.F.R. Part 447;~~

~~(B) If the medicaid provider is other than a provider described in division (A) of this section, the authorized payment limits for the same service under the medicare program.~~

Sec. 5164.752. In July of every even-numbered year, the department of medicaid shall initiate a confidential survey of the cost of dispensing drugs incurred by terminal distributors of dangerous drugs in this state. The survey shall be used as the basis for establishing the medicaid program's dispensing fee fees for terminal distributors in accordance with section 5164.753 of the Revised Code. The survey shall be completed and its results published not later than the last day of ~~October~~ November of the year in which it is

conducted.

Each terminal distributor that is a provider of drugs under the medicaid program shall participate in the survey. Except as necessary to publish the survey's results, a terminal distributor's responses to the survey are confidential and not a public record under section 149.43 of the Revised Code.

The survey shall be conducted in conformance with the requirements set forth in 42 C.F.R. 447.500 to 447.518. The survey shall include operational data and direct prescription expenses, professional services and personnel costs, and usual and customary overhead expenses of the terminal distributors surveyed. The survey shall compute and report the cost of dispensing ~~on a basis of the usual and customary charges~~ by terminal distributors ~~to their customers for dispensing drugs~~.

Sec. 5164.753. In December of every even-numbered year, the medicaid director shall establish a dispensing fee ~~fees~~, effective the following July, for terminal distributors of dangerous drugs that are providers of drugs under the medicaid program. In establishing ~~the~~ dispensing fee ~~fees~~, the director shall take into consideration the results of the survey conducted under section 5164.752 of the Revised Code. The director may establish dispensing fees that vary by terminal distributor, taking into consideration the volume of drugs a terminal distributor dispenses under the medicaid program or any other criteria the director considers relevant.

Sec. 5164.761. Before the department of medicaid or department of mental health and addiction services updates medicaid billing codes or medicaid payment rates for community behavioral health services as part of the behavioral health redesign, the departments shall conduct a beta test of the updates. Any medicaid provider of community behavioral health services may volunteer to participate in the beta test. An update may not begin to be implemented outside of the beta test until at least half of the medicaid providers participating in the beta test are able to submit under the beta test a clean claim for community behavioral health services that is properly adjudicated not later than thirty days after the date the clean claim is submitted.

Sec. 5164.78. (A) The medicaid payment rates for the following neonatal and newborn services shall equal seventy-five per cent of the medicare payment rates for the services in effect on the date the services are provided to medicaid recipients eligible for the services:

- (1) Initial care for normal newborns;
- (2) Subsequent day, hospital care for normal newborns;
- (3) Same day, initial history and physical examination and discharge for

normal newborns:

(4) Initial neonatal critical care for children not more than twenty-eight days old;

(9) Subsequent day, neonatal intensive noncritical care for children weighing at least one thousand five hundred grams but not more than two thousand five hundred grams;

(10) Subsequent day, neonatal noncritical care for children weighing more than two thousand five hundred grams but not more than five thousand grams.

(B) The medicaid payment rates for other medicaid services selected by the medicaid director shall be less than the amount of the rates in effect on the effective date of this section so that the cost of the rates set pursuant to division (A) of this section do not increase medicaid expenditures. The director may not select any medicaid service for which the medicaid payment rate is determined in accordance with state statutes.

Sec. 5165.01. As used in this chapter:

(A) "Affiliated operator" means an operator affiliated with either of the following:

by section 5165.192 of the Revised Code. If the new nursing facility's quarterly submissions do not qualify for use in calculating a case-mix score, the department shall continue to use the median annual average case-mix score for the new nursing facility's peer group in lieu of the new nursing facility's semiannual case-mix score until the new nursing facility submits two consecutive quarterly assessment data that qualify for use in calculating a case-mix score.

Sec. 5165.153. (b) The rules authorized by division (D)(1)(a)(i) of this section regarding the criteria for designating outlier nursing facilities and units shall do both of the following:

(c) The rules authorized by division (D)(1)(a)(i) of this section regarding the criteria for designating outlier nursing facilities and units shall not limit the designation to nursing facilities, or discrete units of nursing facilities, located in large cities.

Sec. 5165.154. (A) To the extent, if any, provided for in rules authorized by this section, the total per medicaid day payment rate determined under section 5165.15 of the Revised Code shall not be paid for nursing facility services that a nursing facility not designated as an outlier nursing facility or unit provides to a resident who meets the criteria for admission to a designated outlier nursing facility or unit, as specified in rules authorized by section 5165.153 of the Revised Code. Instead, the provider of a nursing facility providing nursing facility services to such a resident shall be paid each state fiscal year a total per medicaid day payment rate that the department of medicaid shall prospectively determine in accordance with a methodology established in rules authorized by this section.

(B) The medicaid director may adopt rules under section 5165.02 of the

Revised Code to implement this section. The rules may require that a nursing facility receive authorization from the department before admitting or retaining a resident who meets the criteria for admission to a designated outlier nursing facility or unit. If the director adopts such rules, the rules shall specify the criteria and procedures the department will apply when granting the authorization.

Sec. 5165.157. (A) The medicaid director shall establish an alternative purchasing model for nursing facility services provided by designated discrete units of nursing facilities to medicaid recipients with specialized health care needs. The director shall do all of the following with regard to the model:

(1) Establish criteria that a discrete unit of a nursing facility must meet to be designated as a unit that, under the alternative purchasing model, may admit and provide nursing facility services to medicaid recipients with specialized health care needs;

(2) Specify the health care conditions that medicaid recipients must have to have specialized health care needs, which may include dependency on a ventilator, severe traumatic brain injury, the need to be admitted to a long-term acute care hospital or rehabilitation hospital if not for nursing facility services, and other serious health care conditions;

(3) For each fiscal year, set the total per medicaid day payment rate for nursing facility services provided by designated discrete units of nursing facilities under the alternative purchasing model at either of the following:

(a) ~~Sixty~~ Thirty-four per cent of the statewide average of the total per medicaid day payment rate for long-term acute care hospital services as of the first day of the fiscal year;

(b) Another amount determined in accordance with an alternative methodology that includes improved health outcomes as a factor in determining the payment rate;

(4) Require, to the extent the director considers necessary, a medicaid recipient to obtain prior authorization for admission to a long-term acute care hospital or rehabilitation hospital as a condition of medicaid payment for long-term acute care hospital or rehabilitation hospital services.

(B) The criteria established under division (A)(1) of this section shall provide for a discrete unit of a nursing facility to be excluded from the alternative purchasing model if the unit is paid for nursing facility services in accordance with section 5165.153, 5165.154, or 5165.156 of the Revised Code. The criteria may require the provider of a nursing facility that has a discrete unit designated for participation in the alternative purchasing model to report health outcome measurement data to the department of medicaid.

(C) A discrete unit of a nursing facility that provides nursing facility services to medicaid recipients with specialized health care needs under the alternative purchasing model shall be paid for those services in accordance with division (A)(3) of this section instead of the total per medicaid day payment rate determined under section 5165.15, 5165.153, 5165.154, or 5165.156 of the Revised Code.

Sec. 5165.16. (A) ~~As used in this section:~~

(1) ~~"Applicable calendar year" means the following:~~

(a) ~~For the purpose of the department of medicaid's initial determination under division (D) of this section of each peer group's rate for ancillary and support costs, calendar year 2003;~~

(b) ~~For the purpose of the department's rebasings, the calendar year the department selects.~~

(2) ~~"Rebasing" means a redetermination under division (D) of this section of each peer group's rate for ancillary and support costs using information from cost reports for an applicable calendar year that is later than the applicable calendar year used for the previous determination of such rates.~~

~~(B)~~ The department of medicaid shall determine each nursing facility's per medicaid day payment rate for ancillary and support costs. A nursing facility's rate shall be the rate determined under division ~~(D)~~(C) of this section for the nursing facility's peer group. ~~However, for the period beginning October 1, 2013, and ending on the first day of the first rebasing, the rate for a nursing facility located in Mahoning or Stark county shall be the rate determined for the following:~~

~~(1) If the nursing facility has fewer than one hundred beds, the nursing facilities in peer group three;~~

~~(2) If the nursing facility has one hundred or more beds, the nursing facilities in peer group four.~~

~~(C)~~(B) For the purpose of determining nursing facilities' rates for ancillary and support costs, the department shall establish six peer groups:

~~(1) Until the first rebasing occurs, the peer groups shall be composed as follows:~~

~~(a)~~(1) Each nursing facility located in any of the following counties shall be placed in peer group one or two: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group one. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group two.

~~(b)~~(2) Each nursing facility located in any of the following counties

1980

shall be placed in peer group three or four: Allen, Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, Sandusky, Seneca, Stark, Summit, Trumbull, Union, and Wood. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group three. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group four.

~~(e)~~(3) Each nursing facility located in any of the following counties shall be placed in peer group five or six: Adams, ~~Allen~~, Ashland, Athens, Auglaize, Belmont, Carroll, Columbiana, Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, Lawrence, Logan, ~~Mahoning~~, Meigs, Mercer, Monroe, Morgan, Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, ~~Stark~~, ~~Trumbull~~, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, and Wyandot. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group five. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group six.

~~(2)~~ Beginning with the first rebasing, the peer groups shall be composed as they are under division (C)(1) of this section except as follows:

(a) Each nursing facility that has fewer than one hundred beds and is located in ~~Allen, Mahoning, Stark, or Trumbull~~ county shall be placed in peer group three rather than peer group five.

(b) Each nursing facility that has one hundred or more beds and is located in ~~Allen, Mahoning, Stark, or Trumbull~~ county shall be placed in peer group four rather than peer group six.

~~(D)~~(C)(1) The department shall determine the rate for ancillary and support costs for each peer group established under division ~~(C)~~(B) of this section. The department is not required to conduct a rebasing more than once every ten years. Except as necessary to implement the amendments made to this section by Am. Sub. H.B. 153 and Sub. H.B. 303, both of the ~~129th~~ general assembly, the rate for ancillary and support costs determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. To determine a peer group's rate for ancillary and support costs, the department shall do all of the following:

(a) Subject to division ~~(D)~~(C)(2) of this section, determine the rate for ancillary and support costs for each nursing facility in the peer group for the

applicable calendar year by using the greater of the nursing facility's actual inpatient days for the applicable calendar year or the inpatient days the nursing facility would have had for the applicable calendar year if its occupancy rate had been ninety per cent;

(b) Subject to division ~~(D)~~(C)(3) of this section, identify which nursing facility in the peer group is at the twenty-fifth percentile of the rate for ancillary and support costs for the applicable calendar year determined under division ~~(D)~~(C)(1)(a) of this section;

(c) Multiply the rate for ancillary and support costs determined under division ~~(D)~~(C)(1)(a) of this section for the nursing facility identified under division ~~(D)~~(C)(1)(b) of this section by the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable calendar year and ending the last day of December of the calendar year immediately following the applicable calendar year using the following:

~~(i) Until the first rebasing occurs, the consumer price index for all items for all urban consumers for the north central region, published by the United States bureau of labor statistics, as that index existed on July 1, 2005;~~

~~(ii) Effective with the first rebasing and except~~ Except as provided in division ~~(D)~~(C)(1)(c)~~(iii)~~(ii) of this section, the consumer price index for all items for all urban consumers for the midwest region, published by the United States bureau of labor statistics;

~~(iii)~~(ii) If the United States bureau of labor statistics ceases to publish the index specified in division ~~(D)~~(C)(1)(c)~~(ii)~~(i) of this section, the index the bureau subsequently publishes that covers urban consumers' prices for items for the region that includes this state.

~~(d) Until the first rebasing occurs, increase~~ For state fiscal year 2020 and each state fiscal year thereafter (other than the first state fiscal year in a group of consecutive state fiscal years for which a rebasing is conducted), adjust the amount calculated under division ~~(D)~~(C)(1)(c) of this section by five and eight hundredths per cent using the difference between the following:

(i) The medicare skilled nursing facility market basket index determined for the federal fiscal year that begins during the state fiscal year immediately preceding the state fiscal year for which the adjustment is being made under division (C)(1)(d) of this section;

(ii) The budget reduction adjustment factor for the state fiscal year for which the adjustment is being made under division (C)(1)(d) of this section.

(2) For the purpose of determining a nursing facility's occupancy rate under division ~~(D)~~(C)(1)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity

unless the nursing facility also removes the beds from its licensed bed capacity.

(3) In making the identification under division ~~(D)~~(C)(1)(b) of this section, the department shall exclude both of the following:

(a) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(b) Nursing facilities whose ancillary and support costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem ancillary and support cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(4) The department shall not redetermine a peer group's rate for ancillary and support costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for ancillary and support costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

Sec. 5165.17. (A) ~~As used in this section:~~

~~(1) "Applicable calendar year" means the following:~~

~~(a) For the purpose of the department of medicaid's initial determination under division (D) of this section of each peer group's rate for capital costs, calendar year 2003;~~

~~(b) For the purpose of the department's rebasings, the calendar year the department selects.~~

~~(2) "Rebasing" means a redetermination under division (D) of this section of each peer group's rate for capital costs using information from cost reports for an applicable calendar year that is later than the applicable calendar year used for the previous determination of such rates.~~

~~(B) The department of medicaid shall determine each nursing facility's per medicaid day payment rate for capital costs. A nursing facility's rate shall be the rate determined under division ~~(D)~~(C) of this section. However, for the period beginning October 1, 2013, and ending on the first day of the first rebasing, the rate for a nursing facility located in Mahoning or Stark county shall be the rate determined for the following:~~

~~(1) If the nursing facility has fewer than one hundred beds, the nursing facilities in peer group three;~~

~~(2) If the nursing facility has one hundred or more beds, the nursing facilities in peer group four.~~

~~(C)~~(B) For the purpose of determining nursing facilities' rates for capital costs, the department shall establish six peer groups.

~~(1) Until the first rebasing occurs, the peer groups shall be composed as~~

1983

follows:

(a) Each nursing facility located in any of the following counties shall be placed in peer group one or two: Brown, Butler, Clermont, Clinton, Hamilton, and Warren. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group one. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group two.

(b)(2) Each nursing facility located in any of the following counties shall be placed in peer group three or four: Allen, Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, Sandusky, Seneca, Stark, Summit, Trumbull, Union, and Wood. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group three. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group four.

(c)(3) Each nursing facility located in any of the following counties shall be placed in peer group five or six: Adams, ~~Allen~~, Ashland, Athens, Auglaize, Belmont, Carroll, Columbiana, Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, Lawrence, Logan, ~~Mahoning~~, Meigs, Mercer, Monroe, Morgan, Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, ~~Stark~~, ~~Trumbull~~, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, and Wyandot. Each nursing facility located in any of those counties that has fewer than one hundred beds shall be placed in peer group five. Each nursing facility located in any of those counties that has one hundred or more beds shall be placed in peer group six.

~~(2) Beginning with the first rebasing, the peer groups shall be composed as they are under division (C)(1) of this section except as follows:~~

~~(a) Each nursing facility that has fewer than one hundred beds and is located in Allen, Mahoning, Stark, or Trumbull county shall be placed in peer group three rather than peer group five.~~

~~(b) Each nursing facility that has one hundred or more beds and is located in Allen, Mahoning, Stark, or Trumbull county shall be placed in peer group four rather than peer group six.~~

~~(D)(C)(1) The department shall determine the rate for capital costs for each peer group established under division (C)(B) of this section. The department is not required to conduct a rebasing more than once every ten~~

~~years. Except as necessary to implement the amendments made to this section by Am. Sub. H.B. 153 and Sub. H.B. 303, both of the 129th general assembly, the rate for capital costs determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. To determine a peer group's rate for capital costs, the department shall do both of the following:~~

(a) Determine the rate for capital costs for the nursing facility in the peer group that is at the twenty-fifth percentile of the rate for capital costs for the applicable calendar year;

~~(b) Until the first rebasing occurs, increase~~ For state fiscal year 2020 and each state fiscal year thereafter (other than the first state fiscal year in a group of consecutive state fiscal years for which a rebasing is conducted), adjust the amount calculated under division (D)(C)(1)(a) of this section by five and eight hundredths per cent using the difference between the following:

(i) The medicare skilled nursing facility market basket index determined for the federal fiscal year that begins during the state fiscal year immediately preceding the state fiscal year for which the adjustment is being made under division (C)(1)(a) of this section;

(ii) The budget reduction adjustment factor for the state fiscal year for which the adjustment is being made under division (C)(1)(a) of this section.

(2) To identify the nursing facility in a peer group that is at the twenty-fifth percentile of the rate for capital costs for the applicable calendar year, the department shall do both of the following:

(a) Subject to division ~~(D)(C)~~(3) of this section, use the greater of each nursing facility's actual inpatient days for the applicable calendar year or the inpatient days the nursing facility would have had for the applicable calendar year if its occupancy rate had been one hundred per cent;

(b) Exclude both of the following:

(i) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(ii) Nursing facilities whose capital costs are more than one standard deviation from the mean desk-reviewed, actual, allowable, per diem capital cost for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(3) For the purpose of determining a nursing facility's occupancy rate under division ~~(D)(C)~~(2)(a) of this section, the department shall include any beds that the nursing facility removes from its medicaid-certified capacity after June 30, 2005, unless the nursing facility also removes the beds from its licensed bed capacity.

1985

(4) The department shall not redetermine a peer group's rate for capital costs under this division based on additional information that it receives after the rate is determined. The department shall redetermine a peer group's rate for capital costs only if the department made an error in determining the rate based on information available to the department at the time of the original determination.

~~(F)~~(D) Buildings shall be depreciated using the straight line method over forty years or over a different period approved by the department. Components and equipment shall be depreciated using the straight-line method over a period designated in rules adopted under section 5165.02 of the Revised Code, consistent with the guidelines of the American hospital association, or over a different period approved by the department. Any rules authorized by this division that specify useful lives of buildings, components, or equipment apply only to assets acquired on or after July 1, 1993. Depreciation for costs paid or reimbursed by any government agency shall not be included in capital costs unless that part of the payment under this chapter is used to reimburse the government agency.

~~(F)~~(E) The capital cost basis of nursing facility assets shall be determined in the following manner:

(1) Except as provided in division ~~(F)~~(E)(3) of this section, for purposes of calculating the rates to be paid for facilities with dates of licensure on or before June 30, 1993, the capital cost basis of each asset shall be equal to the desk-reviewed, actual, allowable, capital cost basis that is listed on the facility's cost report for the calendar year preceding the state fiscal year during which the rate will be paid.

(2) For facilities with dates of licensure after June 30, 1993, the capital cost basis shall be determined in accordance with the principles of the medicare program, except as otherwise provided in this chapter.

(3) Except as provided in division ~~(F)~~(E)(4) of this section, if a provider transfers an interest in a facility to another provider after June 30, 1993, there shall be no increase in the capital cost basis of the asset if the providers are related parties or the provider to which the interest is transferred authorizes the provider that transferred the interest to continue to operate the facility under a lease, management agreement, or other arrangement. If the previous sentence does not prohibit the adjustment of the capital cost basis under this division, the basis of the asset shall be adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time that the transferor held the asset.

(4) If a provider transfers an interest in a facility to another provider

1986

who is a related party, the capital cost basis of the asset shall be adjusted as specified in division ~~(F)~~(E)(3) of this section if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) Except as provided in division ~~(F)~~(E)(4)(c)(ii) of this section, the provider making the transfer retains no ownership interest in the facility;

(c) The department determines that the transfer is an arm's length transaction pursuant to rules adopted under section 5165.02 of the Revised Code. The rules shall provide that a transfer is an arm's length transaction if all of the following apply:

(i) Once the transfer goes into effect, the provider that made the transfer has no direct or indirect interest in the provider that acquires the facility or the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a creditor.

(ii) The provider that made the transfer does not reacquire an interest in the facility except through the exercise of a creditor's rights in the event of a default. If the provider reacquires an interest in the facility in this manner, the department shall treat the facility as if the transfer never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The transfer satisfies any other criteria specified in the rules.

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a provider making the transfer who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division ~~(F)~~(E)(4) of this section or actual, allowable capital costs was determined most recently under division ~~(G)~~(F)(9) of this section.

~~(G)~~(F) As used in this division:

"Imputed interest" means the lesser of the prime rate plus two per cent or ten per cent.

"Lease expense" means lease payments in the case of an operating lease and depreciation expense and interest expense in the case of a capital lease.

"New lease" means a lease, to a different lessee, of a nursing facility that previously was operated under a lease.

(1) Subject to division ~~(B)~~(A) of this section, for a lease of a facility that was effective on May 27, 1992, the entire lease expense is an actual, allowable capital cost during the term of the existing lease. The entire lease expense also is an actual, allowable capital cost if a lease in existence on May 27, 1992, is renewed under either of the following circumstances:

(a) The renewal is pursuant to a renewal option that was in existence on

1987

May 27, 1992;

(b) The renewal is for the same lease payment amount and between the same parties as the lease in existence on May 27, 1992.

(2) Subject to division ~~(B)~~(A) of this section, for a lease of a facility that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(3) Subject to division ~~(B)~~(A) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that is initially operated under a lease, actual, allowable capital costs shall include the annual lease expense if there was a substantial commitment of money for construction of the facility after December 22, 1992, and before July 1, 1993. If there was not a substantial commitment of money after December 22, 1992, and before July 1, 1993, actual, allowable capital costs shall include the lesser of the annual lease expense or the sum of the following:

(a) The annual depreciation expense that would be calculated at the inception of the lease using the lessor's entire historical capital asset cost basis;

(b) The greater of the lessor's actual annual amortization of financing costs and interest expense at the inception of the lease or the imputed interest expense calculated at the inception of the lease using seventy per cent of the lessor's historical capital asset cost basis.

(4) Subject to division ~~(B)~~(A) of this section, for a lease of a facility with a date of licensure on or after May 27, 1992, that was not initially operated under a lease and has been in existence for ten years, actual, allowable capital costs shall include the lesser of the annual lease expense or the annual depreciation expense and imputed interest expense that would be calculated at the inception of the lease using the entire historical capital asset cost basis of one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, during the time the lessor held each asset until the beginning of the lease.

(5) Subject to division ~~(B)~~(A) of this section, for a new lease of a facility that was operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of the annual new lease expense or the

1988

annual old lease payment. If the old lease was in effect for ten years or longer, the old lease payment from the beginning of the old lease shall be adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

(6) Subject to division ~~(B)~~(A) of this section, for a new lease of a facility that was not in existence or that was in existence but not operated under a lease on May 27, 1992, actual, allowable capital costs shall include the lesser of annual new lease expense or the annual amount calculated for the old lease under division ~~(G)~~(F)(2), (3), (4), or (6) of this section, as applicable. If the old lease was in effect for ten years or longer, the lessor's historical capital asset cost basis shall be, for purposes of calculating the annual amount under division ~~(G)~~(F)(2), (3), (4), or (6) of this section, adjusted by one-half of the change in the consumer price index for all items for all urban consumers, as published by the United States bureau of labor statistics, from the beginning of the old lease to the beginning of the new lease.

In the case of a lease under division ~~(G)~~(F)(3) of this section of a facility for which a substantial commitment of money was made after December 22, 1992, and before July 1, 1993, the old lease payment shall be adjusted for the purpose of determining the annual amount.

(7) For any revision of a lease described in division ~~(G)~~(F)(1), (2), (3), (4), (5), or (6) of this section, or for any subsequent lease of a facility operated under such a lease, other than execution of a new lease, the portion of actual, allowable capital costs attributable to the lease shall be the same as before the revision or subsequent lease.

(8) Except as provided in division ~~(G)~~(F)(9) of this section, if a provider leases an interest in a facility to another provider who is a related party or previously operated the facility, the related party's or previous operator's actual, allowable capital costs shall include the lesser of the annual lease expense or the reasonable cost to the lessor.

(9) If a provider leases an interest in a facility to another provider who is a related party, regardless of the date of the lease, the related party's actual, allowable capital costs shall include the annual lease expense, subject to the limitations specified in divisions ~~(G)~~(F)(1) to (7) of this section, if all of the following conditions are met:

(a) The related party is a relative of owner;

(b) If the lessor retains an ownership interest, it is, except as provided in division ~~(G)~~(F)(9)(c)(ii) of this section, in only the real property and any

1989

improvements on the real property;

(c) The department determines that the lease is an arm's length transaction pursuant to rules adopted under section 5165.02 of the Revised Code. The rules shall provide that a lease is an arm's length transaction if all of the following apply:

(i) Once the lease goes into effect, the lessor has no direct or indirect interest in the lessee or, except as provided in division ~~(G)~~(F)(9)(b) of this section, the facility itself, including interest as an owner, officer, director, employee, independent contractor, or consultant, but excluding interest as a lessor.

(ii) The lessor does not reacquire an interest in the facility except through the exercise of a lessor's rights in the event of a default. If the lessor reacquires an interest in the facility in this manner, the department shall treat the facility as if the lease never occurred when the department calculates its reimbursement rates for capital costs.

(iii) The lease satisfies any other criteria specified in the rules.

(d) Except in the case of hardship caused by a catastrophic event, as determined by the department, or in the case of a lessor who is at least sixty-five years of age, not less than twenty years have elapsed since, for the same facility, the capital cost basis was adjusted most recently under division ~~(F)~~(E)(4) of this section or actual, allowable capital costs were determined most recently under division ~~(G)~~(F)(9) of this section.

(10) This division does not apply to leases of specific items of equipment.

Sec. 5165.19. (A) ~~As used in this section:~~

~~(1) "Applicable calendar year" means the following:~~

~~(a) For the purpose of the department of medicaid's initial determination under division (D) of this section of each peer group's cost per case mix unit, calendar year 2003;~~

~~(b) For the purpose of the department's rebasings, the calendar year the department selects.~~

~~(2) "Rebasing" means a redetermination under division (D) of this section of each peer group's cost per case mix unit using information from cost reports for an applicable calendar year that is later than the applicable calendar year used for the previous determination of such costs.~~

~~(B)~~ Semiannually, the department of medicaid shall determine each nursing facility's per medicaid day payment rate for direct care costs by multiplying the facility's semiannual case-mix score determined under section 5165.192 of the Revised Code by the cost per case-mix unit determined under division ~~(D)~~(C) of this section for the facility's peer group.

~~However, for the period beginning October 1, 2013, and ending on the first day of the first rebasing, the rate for a nursing facility located in Mahoning or Stark county shall be determined semiannually by multiplying the facility's semiannual case-mix score determined under section 5165.192 of the Revised Code by the cost per case-mix unit determined under division (D) of this section for the nursing facilities in peer group two.~~

~~(B)~~ For the purpose of determining nursing facilities' rates for direct care costs, the department shall establish three peer groups.

~~(1) Until the first rebasing occurs, the peer groups shall be composed as follows:~~

~~(a)~~ Each nursing facility located in any of the following counties shall be placed in peer group one: Brown, Butler, Clermont, Clinton, Hamilton, and Warren.

~~(b)(2)~~ Each nursing facility located in any of the following counties shall be placed in peer group two: Allen, Ashtabula, Champaign, Clark, Cuyahoga, Darke, Delaware, Fairfield, Fayette, Franklin, Fulton, Geauga, Greene, Hancock, Knox, Lake, Licking, Lorain, Lucas, Madison, Mahoning, Marion, Medina, Miami, Montgomery, Morrow, Ottawa, Pickaway, Portage, Preble, Ross, Sandusky, Seneca, Stark, Summit, Trumbull, Union, and Wood.

~~(c)(3)~~ Each nursing facility located in any of the following counties shall be placed in peer group three: Adams, ~~Allen~~, Ashland, Athens, Auglaize, Belmont, Carroll, Columbiana, Coshocton, Crawford, Defiance, Erie, Gallia, Guernsey, Hardin, Harrison, Henry, Highland, Hocking, Holmes, Huron, Jackson, Jefferson, Lawrence, Logan, ~~Mahoning~~, Meigs, Mercer, Monroe, Morgan, Muskingum, Noble, Paulding, Perry, Pike, Putnam, Richland, Scioto, Shelby, ~~Stark~~, ~~Trumbull~~, Tuscarawas, Van Wert, Vinton, Washington, Wayne, Williams, and Wyandot.

~~(2) Beginning with the first rebasing, the peer groups shall be composed as they are under division (C)(1) of this section except that each nursing facility located in Allen, Mahoning, Stark, or Trumbull county shall be placed in peer group two rather than peer group three.~~

~~(D)(C)(1)~~ The department shall determine a cost per case-mix unit for each peer group established under division ~~(C)(B)~~ of this section. The department is not required to conduct a rebasing more than once every ten years. Except as necessary to implement the amendments made to this section by Am. Sub. H.B. 153 and Sub. H.B. 303, both of the 129th general assembly, and H.B. 59 of the 130th general assembly, the cost per case-mix unit determined under this division for a peer group shall be used for subsequent years until the department conducts a rebasing. To determine a

peer group's cost per case-mix unit, the department shall do all of the following:

(a) Determine the cost per case-mix unit for each nursing facility in the peer group for the applicable calendar year by dividing each facility's desk-reviewed, actual, allowable, per diem direct care costs for the applicable calendar year by the facility's annual average case-mix score determined under section 5165.192 of the Revised Code for the applicable calendar year;

(b) Subject to division ~~(D)~~(C)(2) of this section, identify which nursing facility in the peer group is at the twenty-fifth percentile of the cost per case-mix units determined under division ~~(D)~~(C)(1)(a) of this section;

(c) Calculate the amount that is two per cent above the cost per case-mix unit determined under division ~~(D)~~(C)(1)(a) of this section for the nursing facility identified under division ~~(D)~~(C)(1)(b) of this section;

(d) Using the index specified in division ~~(D)~~(C)(3) of this section, multiply the rate of inflation for the eighteen-month period beginning on the first day of July of the applicable calendar year and ending the last day of December of the calendar year immediately following the applicable calendar year by the amount calculated under division ~~(D)~~(C)(1)(c) of this section;

~~(e) Add the following to the amount calculated under division (D)(1)(d) of this section:~~

~~(i) Until the earlier of January 1, 2014, or when the first rebasing occurs, one dollar and eighty-eight cents;~~

~~(ii) Unless the first rebasing occurs before January 1, 2014, beginning January 1, 2014, and until the first rebasing occurs, eighty-six cents.~~

~~(f) Until the first rebasing occurs, increase~~ For state fiscal year 2020 and each state fiscal year thereafter (other than the first state fiscal year in a group of consecutive state fiscal years for which a rebasing is conducted), adjust the amount calculated under division ~~(D)~~(C)(1)(e)(d) of this section by five and eight hundredths per cent using the difference between the following:

(i) The medicare skilled nursing facility market basket index determined for the federal fiscal year that begins during the state fiscal year immediately preceding the state fiscal year for which the adjustment is being made under division (C)(1)(e) of this section;

(ii) The budget reduction adjustment factor for the state fiscal year for which the adjustment is being made under division (C)(1)(e) of this section.

(2) In making the identification under division ~~(D)~~(C)(1)(b) of this section, the department shall exclude both of the following:

1992

(a) Nursing facilities that participated in the medicaid program under the same provider for less than twelve months in the applicable calendar year;

(b) Nursing facilities whose cost per case-mix unit is more than one standard deviation from the mean cost per case-mix unit for all nursing facilities in the nursing facility's peer group for the applicable calendar year.

(3) The following index shall be used for the purpose of the calculation made under division ~~(D)(C)~~(1)(d) of this section:

(a) ~~Until the first rebasing occurs, the employment cost index for total compensation, health services component, published by the United States bureau of labor statistics, as the index existed on July 1, 2005;~~

~~(b) Effective with the first rebasing and except~~ Except as provided in division ~~(D)(C)(3)(e)(b)~~ of this section, the employment cost index for total compensation, nursing and residential care facilities occupational group, published by the United States bureau of labor statistics;

~~(e)(b)~~ If the United States bureau of labor statistics ceases to publish the index specified in division ~~(D)(C)(3)(b)(a)~~ of this section, the index the bureau subsequently publishes that covers nursing facilities' staff costs.

(4) The department shall not redetermine a peer group's cost per case-mix unit under this division based on additional information that it receives after the peer group's per case-mix unit is determined. The department shall redetermine a peer group's cost per case-mix unit only if it made an error in determining the peer group's cost per case-mix unit based on information available to the department at the time of the original determination.

Sec. 5165.192. (A)(1) Except as provided in division (B) of this section and in accordance with the process specified in rules authorized by this section, the department of medicaid shall do all of the following:

(a) Every quarter, determine the following two case-mix scores for each nursing facility:

(i) A quarterly case-mix score that includes each resident who is a medicaid recipient and is not a low resource utilization resident;

(ii) A quarterly case-mix score that includes each resident regardless of payment source.

(b) Every six months, determine a semiannual average case-mix score for each nursing facility by using the quarterly case-mix scores determined for the nursing facility pursuant to division (A)(1)(a)(i) of this section;

(c) After the end of each calendar year, determine an annual average case-mix score for each nursing facility by using the quarterly case-mix scores determined for the nursing facility pursuant to division (A)(1)(a)(ii) of this section.

1993

(2) When determining case-mix scores under division (A)(1) of this section, the department shall use all of the following:

(a) Data from a resident assessment instrument specified in rules authorized by section 5165.191 of the Revised Code;

(b) Except as provided in rules authorized by this section, the case-mix values established by the United States department of health and human services;

(c) Except as modified in rules authorized by this section, the grouper methodology used on June 30, 1999, by the United States department of health and human services for prospective payment of skilled nursing facilities under the medicare program.

(B)(1) Subject to division (B)(2) of this section, the department, for one or more months of a calendar quarter, may assign to a nursing facility a case-mix score that is five per cent less than the nursing facility's case-mix score for the immediately preceding calendar quarter if any of the following apply:

(a) The provider does not timely submit complete and accurate resident assessment data necessary to determine the nursing facility's case-mix score for the calendar quarter;

(b) The nursing facility was subject to an exception review under section 5165.193 of the Revised Code for the immediately preceding calendar quarter;

(c) The nursing facility was assigned a case-mix score for the immediately preceding calendar quarter.

(2) Before assigning a case-mix score to a nursing facility due to the submission of incorrect resident assessment data, the department shall permit the provider to correct the data. The department may assign the case-mix score if the provider fails to submit the corrected resident assessment data not later than the earlier of the forty-fifth day after the end of the calendar quarter to which the data pertains or the deadline for submission of such corrections established by regulations adopted by the United States department of health and human services under Title XVIII and Title XIX.

(3) If, for more than six months in a calendar year, a provider is paid a rate determined for a nursing facility using a case-mix score assigned to the nursing facility under division (B)(1) of this section, the department may assign the nursing facility a cost per case-mix unit that is five per cent less than the nursing facility's actual or assigned cost per case-mix unit for the immediately preceding calendar year. The department may use the assigned cost per case-mix unit, instead of determining the nursing facility's actual

cost per case-mix unit in accordance with section 5165.19 of the Revised Code, to establish the nursing facility's rate for direct care costs for the fiscal year immediately following the calendar year for which the cost per case-mix unit is assigned.

(4) The department shall take action under division (B)(1), (2), or (3) of this section only in accordance with rules authorized by this section. The department shall not take an action that affects rates for prior payment periods except in accordance with sections 5165.41 and 5165.42 of the Revised Code.

(C) The medicaid director shall adopt rules under section 5165.02 of the Revised Code as necessary to implement this section.

(1) The rules shall do all of the following:

(a) Specify the process for determining the semiannual and annual average case-mix scores for nursing facilities;

(b) Adjust the case-mix values specified in division (A)(2)(b) of this section to reflect changes in relative wage differentials that are specific to this state;

(c) Express all of those case-mix values in numeric terms that are different from the terms specified by the United States department of health and human services but that do not alter the relationship of the case-mix values to one another;

(d) Modify the grouper methodology specified in division (A)(2)(c) of this section as follows:

(i) Establish a different hierarchy for assigning residents to case-mix categories under the methodology;

(ii) ~~Prohibit~~ Allow the use of the index maximizer element of the methodology;

(iii) Incorporate changes to the methodology the United States department of health and human services makes after June 30, 1999;

(iv) Make other changes the department determines are necessary.

(e) Establish procedures under which resident assessment data shall be reviewed for accuracy and providers shall be notified of any data that requires correction;

(f) Establish procedures for providers to correct resident assessment data and specify a reasonable period of time by which providers shall submit the corrections. The procedures may limit the content of corrections in the manner required by regulations adopted by the United States department of health and human services under Title XVIII and Title XIX.

(g) Specify when and how the department will assign case-mix scores or costs per case-mix unit to a nursing facility under division (B) of this section

1995

if information necessary to calculate the nursing facility's case-mix score is not provided or corrected in accordance with the procedures established by the rules.

(2) Notwithstanding any other provision of this chapter, the rules may provide for the exclusion of case-mix scores assigned to a nursing facility under division (B) of this section from the determination of the nursing facility's semiannual or annual average case-mix score and the cost per case-mix unit for the nursing facility's peer group.

Sec. 5165.21. ~~(A) As used in this section:~~

~~(1) "Applicable calendar year" means the following:~~

~~(a) For the purpose of the department of medicaid's initial determination under this section of nursing facilities' rate for tax costs, calendar year 2003;~~

~~(b) For the purpose of the department's rebasings, the calendar year the department selects.~~

~~(2) "Rebasing" means a redetermination under division (B) of this section of each nursing facility's rate for tax costs using information from cost reports for an applicable calendar year that is later than the applicable calendar year used for the previous determination of such rates.~~

~~(B) The department of medicaid shall determine each nursing facility's per medicaid day payment rate for tax costs. The department is not required to conduct a rebasing more than once every ten years. Except as necessary to implement the amendments made to this section by Sub. H.B. 303 of the 129th general assembly, the rate for tax costs determined under this division for a nursing facility shall be used for subsequent years until the department conducts a rebasing. To determine a nursing facility's rate for tax costs and except as provided in division (C) of this section, the department shall do both of the following:~~

~~(1)(A) Divide the nursing facility's desk-reviewed, actual, allowable tax costs paid for the applicable calendar year by the number of inpatient days the nursing facility would have had if its occupancy rate had been one hundred per cent during the applicable calendar year;~~

~~(2) Until the first rebasing occurs, increase (B) For state fiscal year 2020 and each state fiscal year thereafter (other than the first state fiscal year in a group of consecutive state fiscal years for which a rebasing is conducted), adjust the amount calculated under division (B)(1)(A) of this section by five and eight hundredths per cent using the difference between the following:~~

~~(1) The medicare skilled nursing facility market basket index determined for the federal fiscal year that begins during the state fiscal year immediately preceding the state fiscal year for which the adjustment is being made under division (B) of this section;~~

1996

(2) The budget reduction adjustment factor for the state fiscal year for which the adjustment is being made under division (B) of this section.

~~(C) If a nursing facility had a credit regarding its real estate taxes reflected on its cost report for calendar year 2003, the department shall determine, as follows, its rate for tax costs for the period beginning on July 1, 2010, and ending on the first day of the fiscal year for which the department first conducts a rebasing:~~

~~(1) Divide the nursing facility's desk reviewed, actual, allowable tax costs paid for calendar year 2004 by the number of inpatient days the nursing facility would have had if its occupancy rate had been one hundred per cent during calendar year 2004;~~

~~(2) Until the first rebasing occurs, increase the amount calculated under division (C)(1) of this section by five and eight hundredths per cent.~~

Sec. 5165.23. (A) Each state fiscal year, the department of medicaid shall determine the critical access incentive payment for each nursing facility that qualifies as a critical access nursing facility. To qualify as a critical access nursing facility for a state fiscal year, a nursing facility must meet all of the following requirements:

(1) The nursing facility must be located in an area that, on December 31, 2011, was designated an empowerment zone under the "Internal Revenue Code of 1986," section 1391, 26 U.S.C. 1391.

(2) The nursing facility must have an occupancy rate of at least eighty-five per cent as of the last day of the calendar year immediately preceding the state fiscal year.

(3) The nursing facility must have a medicaid utilization rate of at least sixty-five per cent as of the last day of the calendar year immediately preceding the state fiscal year.

~~(4) The nursing facility must have been awarded at least five points for meeting accountability measures under section 5165.25 of the Revised Code for the fiscal year and at least one of the five points must have been awarded for meeting the accountability measures identified in divisions (C)(9), (10), (11), (12), and (14) of section 5165.25 of the Revised Code.~~

(B) A critical access nursing facility's critical access incentive payment for a state fiscal year shall equal five per cent of the portion of the nursing facility's total per medicaid day payment rate for the state fiscal year that is the sum of the rates ~~and payment~~ identified in divisions (A)(1) to (4) ~~and (6)~~ of section 5165.15 of the Revised Code.

Sec. 5165.25. (A) As used in this section:

(1) "Long-stay resident" means an individual who has resided in a nursing facility for at least one hundred one days.

1997

(2) "Measurement period" means the following:

(a) For state fiscal year 2017, the period beginning July 1, 2015, and ending December 31, 2015;

(b) For each subsequent state fiscal year, the calendar year immediately preceding the calendar year in which the state fiscal year begins.

(3) "Nurse aide" has the same meaning as in section 3721.21 of the Revised Code.

(4) "Short-stay resident" means a nursing facility resident who is not a long-stay resident.

(B)(1) Using all of the funds made available for a state fiscal year by the rate reductions under division ~~(B)(C)~~ of section 5165.15 of the Revised Code, the department of medicaid shall determine a per medicaid day quality payment rate to be paid for that state fiscal year to each nursing facility that meets at least one of the quality indicators specified in division (B)(2) of this section for the measurement period. The largest quality payment rate for a state fiscal year shall be paid to nursing facilities that meet all of the quality indicators for the measurement period.

(2) The following are the quality indicators to be used for the purpose of division (B)(1) of this section:

(a) Not more than the target percentage of the nursing facility's short-stay residents had new or worsened pressure ulcers ~~and not~~.

(b) Not more than the target percentage of long-stay residents at high risk for pressure ulcers had pressure ulcers.

~~(b)(c) Not more than the target percentage of the nursing facility's short-stay residents newly received an antipsychotic medication and not.~~

(d) Not more than the target percentage of the nursing facility's long-stay residents received an antipsychotic medication.

~~(e) The number of the nursing facility's residents who had avoidable inpatient hospital admissions did not exceed the target rate.~~

~~(d)(e) Not more than the target percentage of the nursing facility's long-stay residents had an unplanned weight loss.~~

(f) The nursing facility's employee retention rate is at least the target rate.

~~(e)(g) The nursing facility utilized the nursing home version of the preferences for everyday living inventory for all of its residents.~~

(3) The department shall specify the target percentage for the purpose of divisions (B)(2)(a) ~~and (b) to (e)~~ of this section at the fortieth percentile of nursing facilities that have data for the quality indicators. ~~The amount specified for division (B)(2)(a) of this section may differ from the amount specified for division (B)(2)(b) of this section and the amount specified for~~

~~short-stay residents may differ from the amount specified for long-stay residents.~~ The department also shall specify the target rate for the purpose of division (B)(2)(e)(f) of this section ~~and the target rate for the purpose of division (B)(2)(d) of this section.~~ In determining whether a nursing facility meets the quality indicators specified in divisions (B)(2)(c) and (d) of this section, the department shall exclude from consideration the following:

(a) In the case of the quality indicator specified in division (B)(2)(c) of this section, all of the nursing facility's short-stay residents who newly received an antipsychotic medication in conjunction with hospice care;

(b) In the case of the quality indicator specified in division (B)(2)(d) of this section, all of the nursing facility's long-stay residents who received antipsychotic medication in conjunction with hospice care.

(C) If a nursing facility undergoes a change of operator during a state fiscal year, the per medicaid day quality payment rate to be paid to the entering operator for nursing facility services that the nursing facility provides during the period beginning on the effective date of the change of operator and ending on the last day of the state fiscal year shall be the same amount as the per medicaid day quality payment rate that was in effect on the day immediately preceding the effective date of the change of operator and paid to the nursing facility's exiting operator. For the immediately following state fiscal year, the per medicaid day quality payment rate shall be the following:

(1) If the effective date of the change of operator is on or before the first day of October of the calendar year immediately preceding the state fiscal year, the amount determined for the nursing facility in accordance with division (B) of this section for the state fiscal year;

(2) If the effective date of the change of operator is after the first day of October of the calendar year immediately preceding the state fiscal year, the mean per medicaid day quality payment rate for all nursing facilities for the state fiscal year.

Sec. 5165.34. (A) The department of medicaid may make medicaid payments to a nursing facility provider under this chapter to reserve a bed for a recipient during a temporary absence under conditions prescribed by the department, to include hospitalization for an acute condition, visits with relatives and friends, and participation in therapeutic programs outside the facility, when the resident's plan of care provides for such absence and federal financial participation for the payments is available.

(B) The maximum period for which payments may be made to reserve a bed in a nursing facility shall not exceed thirty days in a calendar year.

(C) The department shall establish the per medicaid day payment rates

for reserving beds under this section. In establishing the per medicaid day payment rates, the department shall set the per medicaid day payment rate at an amount equal to the following:

(1) In the case of a nursing facility that had an occupancy rate exceeding ninety-five per cent, an amount not exceeding fifty per cent of the per medicaid day payment rate the provider would be paid if the recipient were not absent from the nursing facility that day;

(2) In the case of a nursing facility that had an occupancy rate not exceeding ninety-five per cent, an amount not exceeding eighteen per cent of the per medicaid day payment rate the provider would be paid if the recipient were not absent from the nursing facility that day.

(D) For the purpose of setting a nursing facility's per medicaid day payment rate to reserve a bed for a day during the period beginning on ~~the effective date of this amendment~~ September 29, 2013, and ending December 31, 2013, the department shall determine the nursing facility's occupancy rate by using information reported on the nursing facility's cost report for calendar year 2012. For the purpose of setting a nursing facility's per medicaid day payment rate to reserve a bed for January 1, 2014, or thereafter, the department shall determine the nursing facility's occupancy rate by using information reported on the nursing facility's cost report for the calendar year preceding the state fiscal year in which the reservation falls.

Sec. 5165.36. The department of medicaid shall conduct a rebasing at least once every five state fiscal years. When the department conducts a rebasing for a state fiscal year, it shall conduct the rebasing for each cost center.

Sec. 5165.361. It is the general assembly's intent to specify in statute the factor to be used for state fiscal year 2020 and each state fiscal year thereafter (other than the first state fiscal year in a group of consecutive state fiscal years for which a rebasing is conducted) as the budget reduction adjustment factor for the purpose of sections 5165.15, 5165.16, 5165.17, 5165.19, and 5165.21 of the Revised Code. The budget reduction adjustment factor to be used for a state fiscal year shall not exceed the medicare skilled nursing facility market basket index determined for the federal fiscal year that begins during the state fiscal year immediately preceding the state fiscal year for which the budget reduction adjustment factor is being used. If the general assembly fails to specify in statute the factor to be used for a state fiscal year as the budget reduction adjustment factor, the budget reduction adjustment factor shall be zero.

Sec. 5165.37. The department of medicaid shall make its best efforts each year to calculate nursing facilities' medicaid payment rates under this

chapter in time to pay the rates by the fifteenth day of August of each state fiscal year. If the department is unable to calculate the rates so that they can be paid by that date, the department shall pay each provider the rate calculated for the provider's nursing facilities under this chapter at the end of the previous state fiscal year. If the department also is unable to calculate the rates to pay the rates by the fifteenth day of September and the fifteenth day of October, the department shall pay the previous state fiscal year's rate to make those payments. The department may increase by five per cent the previous state fiscal year's rate paid for any nursing facility pursuant to this section at the request of the provider. The department shall use rates calculated for the current state fiscal year to make the payments due by the fifteenth day of November.

If the rate paid to a provider for a nursing facility pursuant to this section is lower than the rate calculated for the nursing facility for the current state fiscal year, the department shall pay the provider the difference between the two rates for the number of days for which the provider was paid for the nursing facility pursuant to this section. If the rate paid for a nursing facility pursuant to this section is higher than the rate calculated for it for the current state fiscal year, the provider shall refund to the department the difference between the two rates for the number of days for which the provider was paid for the nursing facility pursuant to this section.

Sec. 5165.41. (A) The department of medicaid shall redetermine a provider's medicaid payment rate for a nursing facility using revised information if any of the following results in a determination that the provider received a higher medicaid payment rate for the nursing facility than the provider was entitled to receive:

(1) The provider properly amends a cost report for the nursing facility under section 5165.107 of the Revised Code;

(2) The department makes a finding based on an audit under section 5165.109 of the Revised Code;

(3) The department makes a finding based on an exception review of resident assessment data conducted under section 5165.193 of the Revised Code after the effective date of the nursing facility's rate for direct care costs that is based on the resident assessment data;

(4) The department makes a finding based on a post-payment review conducted under section 5165.49 of the Revised Code.

(B) The department shall apply the redetermined rate to the periods when the provider received the incorrect rate to determine the amount of the overpayment. The provider shall refund the amount of the overpayment. The department may charge the provider the following amount of interest from

the time the overpayment was made:

(1) If the overpayment resulted from costs reported for calendar year 1993, the interest shall be no greater than one and one-half times the current average bank prime rate.

(2) If the overpayment resulted from costs reported for a subsequent calendar year:

(a) The interest shall be no greater than two times the current average bank prime rate if the overpayment was no more than one per cent of the total medicaid payments to the provider for the state fiscal year for which the overpayment was made.

(b) The interest shall be no greater than two and one-half times the current average bank prime rate if the overpayment was more than one per cent of the total medicaid payments to the provider for the state fiscal year for which the overpayment was made.

Sec. 5165.42. In addition to the other penalties authorized by this chapter, the department of medicaid may impose the following penalties on a nursing facility provider:

(A) If the provider does not furnish invoices or other documentation that the department requests during an audit within sixty days after the request, a fine of no more than the greater of the following:

(1) One thousand dollars per audit;

(2) Twenty-five per cent of the cumulative amount by which the costs for which documentation was not furnished increased the total medicaid payments to the provider during the state fiscal year for which the costs were used to determine a rate.

(B) If an exiting operator or owner fails to provide notice of a facility closure or voluntary withdrawal of participation in the medicaid program as required by section 5165.50 of the Revised Code, or an exiting operator or owner and entering operator fail to provide notice of a change of operator as required by section 5165.51 of the Revised Code, a fine of not more than the current average bank prime rate plus four per cent of the last two monthly payments.

Sec. 5165.52. (A) On receipt of a written notice under section 5165.50 of the Revised Code of a facility closure or voluntary withdrawal of participation, on receipt of a written notice under section 5165.51 of the Revised Code of a change of operator, or on the effective date of an involuntary termination, the department of medicaid shall estimate the amount of any overpayments made under the medicaid program to the exiting operator, including overpayments the exiting operator disputes, and other actual and potential debts the exiting operator owes or may owe to the

department and United States centers for medicare and medicaid services under the medicaid program, including a franchise permit fee.

(B) In estimating the exiting operator's other actual and potential debts to the department and the United States centers for medicare and medicaid services under the medicaid program, the department shall use a debt estimation methodology the medicaid director shall establish in rules authorized by section 5165.53 of the Revised Code. The methodology shall provide for estimating all of the following that the department determines are applicable:

(1) Refunds due the department under section 5165.41 of the Revised Code;

(2) Interest owed to the department and United States centers for medicare and medicaid services;

(3) Final civil monetary and other penalties for which all right of appeal has been exhausted;

(4) Money owed the department and United States centers for medicare and medicaid services from any outstanding final fiscal audit, including a final fiscal audit for the last state fiscal year or portion thereof in which the exiting operator participated in the medicaid program;

(5) Other amounts the department determines are applicable.

(C) The department shall provide the exiting operator written notice of the department's estimate under division (A) of this section not later than thirty days after the department receives the notice under section 5165.50 of the Revised Code of the facility closure or voluntary withdrawal of participation; the department receives the notice under section 5165.51 of the Revised Code of the change of operator; or the effective date of the involuntary termination. The department's written notice shall include the basis for the estimate.

section ~~5162.54~~ 5162.52 of the Revised Code, there is hereby imposed an assessment on all hospitals. Each hospital's assessment shall be based on total facility costs. All hospitals shall be assessed according to the rate or rates established each program year in rules adopted under section 5168.02 of the Revised Code. The department shall assess all hospitals uniformly and in a manner consistent with federal statutes and regulations. During any program year, the department shall not assess any hospital more than two per cent of the hospital's total facility costs.

The department shall establish an assessment rate or rates each program year that will do both of the following:

(1) Yield funds that, when combined with intergovernmental transfers and federal matching funds, will produce a program of sufficient size to pay a substantial portion of the indigent care provided by hospitals;

(2) Yield funds that, when combined with intergovernmental transfers and federal matching funds, will produce amounts for distribution to disproportionate share hospitals that do not exceed, in the aggregate, the limits prescribed by the United States health care financing administration under the "Social Security Act," section 1923(f), 42 U.S.C. 1396r-4(f).

(3) The director may adopt rules under section 5168.02 of the Revised Code establishing alternate schedules for hospitals to pay assessments under this section in order to reduce hospitals' cash flow difficulties.

Sec. 5168.07. (A) The department of medicaid may require governmental hospitals to make intergovernmental transfers each program year for the purpose of distributing funds to hospitals under the medicaid program pursuant to sections 5168.01 to 5168.14 of the Revised Code and depositing funds into the health care services administration care/medicaid support and recoveries fund created under section ~~5162.54~~ 5162.52 of the

Revised Code. The department shall not require transfers in an amount that, when combined with hospital assessments paid under section 5168.06 of the Revised Code and federal matching funds, produce amounts for distribution to disproportionate share hospitals that, in the aggregate, exceed limits prescribed by the United States health care financing administration under the "Social Security Act," section 1923(f), 42 U.S.C. 1396r-4(f).

(B) Before or during each program year, the department shall notify each governmental hospital of the amount of the intergovernmental transfer it is required to make during the program year. (2) Total costs, volume, or proportion of services to low-income patients in addition to medicaid recipients, which may include recipients of Title V of the "Social Security Act," 42 U.S.C. 701 et seq., ~~and recipients of disability financial assistance provided under Chapter 5115. of the Revised Code;~~

(4) Other factors that the director considers to be appropriate indicators of indigent care.

(C) The department shall distribute funds to each hospital or group of hospitals in a manner that first may provide for an additional distribution to individual hospitals that provide a high proportion of indigent care in relation to the total care provided by the hospital or in relation to other

2022

hospitals. The department shall establish a formula to distribute the remainder of the funds. The formula shall be consistent with the "Social Security Act," section 1923, 42 U.S.C. 1396r-4, and shall be based on any combination of the indicators of indigent care listed in division (B) of this section that the director considers appropriate.

(D) The department shall distribute funds to each hospital in installments not later than ten working days after the deadline established in rules for each hospital to pay an installment on its assessment under section 5168.06 of the Revised Code. In the case of a governmental hospital that makes intergovernmental transfers, the department shall pay an installment under this section not later than ten working days after the earlier of that deadline or the deadline established in rules for the governmental hospital to pay an installment on its intergovernmental transfer. If the amount in the hospital care assurance program fund created under section 5168.11 of the Revised Code and the portion of the health care - federal fund created under section 5162.50 of the Revised Code that is credited to that fund pursuant to division (B) of section 5168.11 of the Revised Code are insufficient to make the total distributions for which hospitals are eligible to receive in any period, the department shall reduce the amount of each distribution by the percentage by which the amount and portion are insufficient. The department shall distribute to hospitals any amounts not distributed in the period in which they are due as soon as moneys are available in the funds.

Sec. 5168.10. Except for moneys deposited into the health ~~care services administration~~ care/medicaid support and recoveries fund created under section ~~5162.54~~ 5162.52 of the Revised Code, the department of medicaid shall not use money paid to the department under sections 5168.06 and 5168.07 of the Revised Code or money that the department pays to hospitals under section 5168.09 of the Revised Code to replace any funds appropriated by the general assembly for the medicaid program.

All investment earnings of the hospital care assurance program fund shall be credited to the fund. The department of medicaid shall maintain records that show the amount of money in the hospital care assurance program fund at any time that has been paid by each hospital and the amount of any investment earnings on that amount. All moneys credited to the hospital care assurance program fund shall be used solely to make payments to hospitals

(1) Expiration of the time for appeals under section 5168.08 of the Revised Code without the filing of an appeal, or on court determinations, in the event of appeals, that the hospital is entitled to the funds;

(2) The sum of the following being sufficient to distribute the funds after the final determination of any appeals:

(a) The available money in the hospital care assurance program fund;

(b) The available portion of the money in the health care - federal fund that is credited to that fund pursuant to division (B) of this section.

(3) The hospital's compliance with section 5168.14 of the Revised Code.

(D) If an audit conducted by the department of the amounts of payments made and funds received by hospitals under sections 5168.06, 5168.07, and 5168.09 of the Revised Code identifies amounts that, due to errors by the department, a hospital should not have been required to pay but did pay, should have been required to pay but did not pay, should not have received but did receive, or should have received but did not receive, the department shall:

(1) Make payments to any hospital that the audit reveals paid amounts it should not have been required to pay or did not receive amounts it should have received;

(2) Take action to recover from a hospital any amounts that the audit reveals it should have been required to pay but did not pay or that it should not have received but did receive.

Payments made under division (D)(1) of this section shall be made from the hospital care assurance program fund. Amounts recovered under division (D)(2) of this section shall be deposited to the credit of that fund. Hospitals may bill any third-party payer for services rendered under this section. Hospitals may bill the medicaid program, in accordance with state statutes governing the medicaid program and rules adopted under those statutes, for medicaid services rendered under this section if the individual becomes a medicaid recipient. (C) Each hospital shall collect and report to the department of medicaid, in the form and manner prescribed by the department, information on the number and identity of patients served pursuant to this section.

(D) This section applies beginning May 22, 1992, regardless of whether rules specifying the services to be provided have been adopted. Sec. 5168.761. Not later than October 1, 2017, the medicaid director shall ask the United States centers for medicare and medicaid services whether the franchise fee may be increased in a manner that provides for the franchise fee to raise up to an additional two hundred seven million dollars per fiscal year without causing the franchise fee to be an impermissible health care-related tax under section 1903(w) of the "Social Security Act," 42 U.S.C. 1396b(w). The director shall collaborate with the county commissioners association of Ohio and the director of budget and management in preparing to ask the United States centers the question and provide the United States centers all information the United States centers needs to be able to answer the question.

If the United States centers informs the director that the franchise fee may be so increased, the director shall request that the United States centers provide formal approval for the increase as soon as possible. On receipt of the formal approval, the director shall increase the franchise fee as needed to raise as much of the additional two hundred seven million dollars per fiscal year as the United States centers specifies in the formal approval. The increase shall go into effect on the later of July 1, 2018, or the earliest date the formal approval permits the increase to take effect. The increase shall be applied proportionately across health insuring corporation plans. The franchise fee shall cease to be so increased effective July 1, 2024.

Sec. 5168.77. The component of the monthly franchise fee based on Ohio medicaid member months is due not later than the fifth business day of the month immediately following the month for which it is imposed. The component of the monthly franchise fee based on other Ohio member months is due not later than the last day of September of the calendar year in which the rate year ends, and the total amount due under that component for all of the months of the rate year shall be paid in one payment.

If a health insuring corporation administers multiple health insuring corporation plans, the corporation shall pay the total amount due for all of the plans under the component of the franchise fee based on Ohio medicaid member months in one payment and pay the total amount due for all of the plans under the component of the franchise fee based on other Ohio member months in one payment.

Sec. 5168.78. The department of medicaid may request that a health insuring corporation provide the department documentation the department needs to verify the amount of the franchise fees imposed on the health

insuring corporation plans administered by the corporation and to ensure the corporation's compliance with sections 5168.75 to 5168.86 of the Revised Code. On receipt of the request, the health insuring corporation shall provide the department the requested documentation. The department also may review relevant documentation possessed by other entities for the purpose of making such verifications.

Sec. 5168.79. If the department of medicaid determines that the amount of a franchise fee that a health insuring corporation paid is less than the amount it should have paid, the department shall notify the health insuring corporation. Sec. 5168.80. A health insuring corporation may request a reconsideration of a determination made by the department of medicaid under section 5168.79 of the Revised Code. Sec. 5168.82. The franchise fee shall not be imposed on any health insuring corporation plan unless there is in effect a waiver authorizing the franchise fee issued by the United States secretary of health and human services pursuant to section 1903(w)(3)(E) of the "Social Security Act," 42 U.S.C. 1396b(w)(3)(E).

Sec. 5168.83. If the total amount of franchise fees imposed on all health insuring corporation plans under section 5168.76 of the Revised Code during a fiscal year exceeds the indirect guarantee percentage of the net patient revenue for all health insuring corporations for that fiscal year and seventy-five per cent or more of all health insuring corporations receive enhanced medicaid payments or other state payments equal to seventy-five per cent or more of the total franchise fees imposed on their health insuring

corporation plans, the department of medicaid shall refund the excess amount of the franchise fees to the health insuring corporations.

Sec. 5168.84. If the United States centers for medicare and medicaid services determines that the franchise fee is an impermissible health care-related tax under section 1903(w) of the "Social Security Act," 42 U.S.C. 1396b(w), the department of medicaid shall do either of the following as appropriate:

(A) Modify the imposition of the franchise fee, including (if necessary) the amount of the franchise fee, in a manner needed for the United States centers to reverse its determination;

(B) Take all necessary actions to cease the imposition of the franchise fee until the determination is reversed.

Sec. 5168.85. (A) There is hereby created in the state treasury the health insuring corporation franchise fee fund. All payments and penalties paid by health insuring corporations under sections 5168.77, 5168.79, and 5168.81 of the Revised Code shall be deposited into the fund. Except as provided in division (C) of this section, money in the fund shall be used to make medicaid payments to medicaid providers and medicaid managed care organizations.

(B) Any interest or other investment proceeds earned on money in the fund shall be credited to the fund and used to make medicaid payments in accordance with division (A) of this section.

(C) If the United States centers for medicare and medicaid services provides formal approval to increase the franchise fee under section 5168.761 of the Revised Code, the director of budget and management shall provide for the additional funds so raised to be transferred periodically from the health insuring corporation franchise fee to the permissive tax distribution fund created under section 4301.423 of the Revised Code for the purpose of mitigating the effects of the reduced permissive sales tax revenues of qualifying subdivisions caused by transactions described in division (B)(11)(a) of section 5739.01 of the Revised Code ceasing to be sales for the purpose of Chapters 5739, and 5741, of the Revised Code. The tax commissioner shall provide for the equitable distribution of the amounts so transferred to the county treasurer and fiscal officer of each qualifying subdivision.

Sec. 5168.86. The medicaid director may adopt rules in accordance with Chapter 119, as necessary to implement sections 5168.75 to 5168.86 of the Revised Code.

Sec. 5168.99. (A) The medicaid director shall impose a penalty for each day that a hospital fails to report the information required under section

(2) A member's total service credit may include periods not to exceed a total of seven years, while the member's employment with the state highway patrol is or was interrupted due to service in the uniformed services of the United States. Such military service shall be credited to the member towards total service as provided by this chapter and to the extent approved by the board, provided that:

(a) The member is or was honorably discharged from service in the uniformed services;

(b) The member is or was re-employed by the state highway patrol within ninety days immediately following termination of service in the uniformed services;

(c) The member, subject to board rules, pays into the retirement system to the member's credit in the employees' savings fund an amount equal to the total contributions the member would have paid had state highway patrol employment not been so interrupted. Such payment may be made at any time prior to receipt of a pension.

(3) If the member meets the requirements of division (D)(2) of this section, on receipt of contributions from the member, the state highway patrol shall be billed for the employer contribution that would have been paid pursuant to section 5505.15 of the Revised Code if the member had not rendered service in the uniformed services, subject to board rules.

(4) If under division (D)(2)(c) of this section a member pays all or any portion of the contributions later than the lesser of five years or a period that is three times the member's period of service in the uniformed services beginning from the member's date of re-employment, an amount equal to compound interest at a rate established by the board from the member's date of re-employment to the date of payment shall be added to the remaining amount to be paid by the member to purchase service credit under this section.

(5) Credit purchased by a member under division (D)(2) of this section shall be used to determine the member's eligibility for retirement under this section and section 5505.17 of the Revised Code.

Sec. 5505.162. (A) As used in this division, "member" has the same meaning as in section 5505.01 of the Revised Code, except that it also includes a former member who has earned service credit and has not received a refund of accumulated contributions under section 5505.19 of the Revised Code.

On application for retirement as provided in section 5505.16 of the Revised Code, a member of the state highway patrol retirement system may elect, on a form provided by the state highway patrol retirement board, to receive the pension that the member is eligible to receive on retirement under that section in one of the following forms:

(1) A single lifetime pension;

(2) The actuarial equivalent of the single lifetime pension that the member may elect under division (A)(1) of this section in a lesser annual amount payable for the member's life and continuing after the member's death to a surviving designated beneficiary under one of the following optional plans, provided the annual amount payable to the designated beneficiary shall not exceed the annual amount payable to such retiring member, the amount is certified by the actuary employed by the system to be the actuarial equivalent of the member's pension, and the amount is approved by the board:

(a) Option 1. The member's lesser pension shall be paid for life to the member's sole beneficiary designated at the time of retirement.

(b) Option 2. One-half or some other portion of the member's lesser pension shall be paid for life to the member's sole beneficiary designated at the time of retirement.

(c) Option 3. Upon death before the expiration of a certain period from the member's retirement date as elected by the member and approved by the board, the member's lesser pension shall be continued for the remainder of such period to the beneficiaries, and in such order, as designated by the member in writing and filed with the board. No monthly payments shall be paid to joint beneficiaries, but they may jointly receive the present value of any remaining payments in a lump sum settlement. If all designated beneficiaries die before the expiration of such period, the present value of all the payments yet remaining in the period shall be paid to the estate of the beneficiary last receiving such payments.

(d) Option 4. The member's lesser pension or portion of the lesser pension shall be paid for life to two, three, or four surviving beneficiaries designated at the time of the member's retirement, in such portions as specified at retirement. If the member elects this plan as required by a court order issued under section 3105.171 or 3105.65 of the Revised Code or the

laws of another state regarding the division of marital property and compliance with the court order requires the allocation of a portion less than ten per cent to any person, the member shall allocate a portion less than ten per cent to that person in accordance with that order. In all other circumstances, no portion allocated under this plan of payment shall be less than ten per cent. The total of the portions allocated shall not exceed one hundred per cent of the member's lesser pension.

(3) If the member has attained age fifty-one with at least twenty-five years' total service or fifty-two with at least twenty years' total service, a pension consisting of both a partial benefit lump sum in an amount the member designates that constitutes a portion of the single lifetime pension the member may elect under division (A)(1) of this section and the actuarial equivalent of the remainder of the single lifetime pension payable for the member's life, provided an actuary employed by the system certifies the actuarial equivalent and the board approves the partial benefit lump sum payment and the amount to be paid as the actuarial equivalent.

The amount designated by a member shall be not less than six times the monthly amount that would be payable to the member as a single lifetime pension under division (A)(1) of this section and not more than sixty times that amount.

A member who has attained the age of fifty-one with twenty-five years of service who elects a partial benefit lump sum may designate an amount that does not exceed an amount equal to one month's pension for each month of service beyond twenty-five years. A member who has attained the age of fifty-two with twenty years of service who elects a partial benefit lump sum may designate an amount that does not exceed an amount equal to one month's pension for each month of service beyond twenty years.

(4) If a plan of payment providing for payment in a specified portion of the pension continuing after the member's death to a former spouse is required by a court order issued under section 3105.171 or 3105.65 of the Revised Code or the laws of another state regarding division of marital property prior to the effective date of the member's retirement and the board has received a copy of the order, the board shall accept the member's election of a plan of payment under this section only if the member elects a plan of payment that is in accordance with the order.

(B)(1) The death of a spouse designated as beneficiary or the death of any other designated beneficiary following retirement shall cancel the portion of the optional plan of payment selected under division (A)(2) of this section providing continuing lifetime benefits to the deceased designated beneficiary. The member shall receive the actuarial equivalent of

the member's single lifetime pension, as determined by the board based on the number of remaining beneficiaries, with no change in the amount payable to any remaining beneficiary. The change shall be effective the month following receipt by the board of notice of the death.

(2) On divorce, annulment, or marriage dissolution, a member receiving a pension under a plan that provides for continuation of all or part of the pension after death for the lifetime of the member's surviving spouse may, with the written consent of the spouse or pursuant to an order of the court with jurisdiction over the termination of the marriage, elect to cancel the portion of the plan providing continuing lifetime benefits to that spouse. The member shall receive the actuarial equivalent of the member's single lifetime pension as determined by the board based on the number of remaining beneficiaries, with no change in amount payable to any remaining beneficiary. The election shall be made on a form provided by the board and shall be effective the month following its receipt by the board.

(C)(1) Following marriage or remarriage, both of the following apply:

(a) A member may elect a new optional plan of payment under division (A)(2) of this section based on the actuarial equivalent of the member's single lifetime pension as determined by the board.

(b) A member who is receiving a pension pursuant to a plan of payment providing for payment to a former spouse pursuant to a court order described in division (A)(4) of this section may elect a new plan of payment under "option 4" based on the actuarial equivalent of the retiree's single lifetime pension as determined by the board if the new plan of payment elected does not reduce the payment to the former spouse.

(2) If the marriage or remarriage occurs on or after ~~the effective date of this amendment~~ June 6, 2005, the election must be made not later than one year after the date of the marriage or remarriage.

The plan elected under this section shall become effective on the date of receipt by the board of an application on a form approved by the board, but any change in the amount of the pension shall commence on the first day of the month following the effective date of the plan.

(D) A member who has elected an optional plan under division (A)(2) of this section may, with the written consent of the designated beneficiary, cancel the optional plan and receive the single lifetime pension that the member would have received had the member elected the single lifetime pension under division (A)(1) of this section, if the member makes a request to cancel the optional plan not later than one year after the date on which the member first receives a payment under the plan. Cancellation of the optional plan shall be effective the month after acceptance of the request by the

board. No payment or adjustment shall be made in the single lifetime pension to compensate for the lesser pension the member received under the optional plan.

The request to cancel the optional plan shall be made on a form provided by the board and shall be valid only if the completed form includes a signed statement of the designated beneficiary's understanding of and consent to the cancellation. The designated beneficiary's signature shall be verified by the board prior to its acceptance of the cancellation.

(E) Any option elected and payments made under division (A)(2) of this section shall be in addition to any pension payable to the member's surviving spouse, children, or parents under section 5505.17 of the Revised Code.

The notice shall be sent to the address shown on the application unless the applicant notifies the commissioner of a different address. The applicant shall have sixty days from the date the commissioner mails the notice to provide additional information to the commissioner or request a hearing, or both.

(B) If the applicant neither requests a hearing nor provides additional information to the tax commissioner within the time prescribed by division (A) of this section, the commissioner shall take no further action, and the refund or compensation amount denied becomes final.

(C)(1) If the applicant requests a hearing within the time prescribed by division (A) of this section, the tax commissioner shall assign a time and place for the hearing and notify the applicant of such time and place, but the commissioner may continue the hearing from time to time as necessary. After the hearing, the commissioner may make such adjustments to the refund or compensation as the commissioner finds proper, and shall issue a final determination thereon.

(2) If the applicant does not request a hearing, but provides additional information, within the time prescribed by division (A) of this section, the commissioner shall review the information, make such adjustments to the refund or compensation as the commissioner finds proper, and issue a final determination thereon.

(3) The commissioner shall serve a copy of the final determination made under division (C)(1) or (2) of this section on the applicant in the manner provided in section 5703.37 of the Revised Code, and the decision is final, subject to appeal under section 5717.02 of the Revised Code.

(D) The tax commissioner shall certify to the director of budget and management and treasurer of state for payment from the tax refund fund created by section 5703.052 of the Revised Code, the amount of the refund to be refunded under division (B) or (C) of this section. The commissioner also shall certify to the director and treasurer of state for payment from the general revenue fund the amount of compensation to be paid under division (B) or (C) of this section.

If the total amount of any such tax, fee, or charge shown to be due on a return, amended return, or notice does not exceed one dollar, the taxpayer or person liable for the tax, fee, or charge shall not be required to remit the amount due. If the total amount of a taxpayer's an overpayment of any such tax, fee, or charge does not exceed one dollar, the tax commissioner shall not be required to refund the overpayment.

Sec. 5705.03. (A) The taxing authority of each subdivision may levy taxes annually, subject to the limitations of sections 5705.01 to 5705.47 of the Revised Code, on the real and personal property within the subdivision for the purpose of paying the current operating expenses of the subdivision and acquiring or constructing permanent improvements. The taxing authority of each subdivision and taxing unit shall, subject to the limitations of such sections, levy such taxes annually as are necessary to pay the interest and sinking fund on and retire at maturity the bonds, notes, and certificates of indebtedness of such subdivision and taxing unit, including levies in anticipation of which the subdivision or taxing unit has incurred indebtedness.

(B)(1) When a taxing authority determines that it is necessary to levy a tax outside the ten-mill limitation for any purpose authorized by the Revised Code, the taxing authority shall certify to the county auditor a resolution or ordinance requesting that the county auditor certify to the taxing authority

the total current tax valuation of the subdivision, and the number of mills required to generate a specified amount of revenue, or the dollar amount of revenue that would be generated by a specified number of mills. The resolution or ordinance shall state ~~the~~ all of the following:

(f) The date of the election at which the question of the tax shall appear on the ballot;

(g) That the ballot measure shall be submitted to the entire territory of the subdivision or, if authorized by the Revised Code, a description of the portion of the territory of the subdivision to which the ballot measure shall be submitted;

(i) Each such county in which the subdivision has territory. ~~If~~

If a subdivision is located in more than one county, the county auditor shall obtain from the county auditor of each other county in which the subdivision is located the current tax valuation for the portion of the subdivision in that county. The county auditor shall issue the certification to the taxing authority within ten days after receiving the taxing authority's resolution or ordinance requesting it.

(2) When considering the tangible personal property component of the tax valuation of the subdivision, the county auditor shall take into account the assessment percentages prescribed in section 5711.22 of the Revised Code. The tax commissioner may issue rules, orders, or instructions directing how the assessment percentages must be utilized.

~~If, upon~~ Upon receiving the certification from the county auditor, the taxing authority ~~proceeds~~ may adopt a resolution or ordinance stating the rate of the tax levy, expressed in mills for each one dollar in tax valuation as estimated by the county auditor, and that the taxing authority will proceed with the submission of the question of the tax to electors, ~~the~~. The taxing

Before requesting a taxing authority to submit a tax levy, any agency or authority authorized to make that request shall first request the certification from the county auditor provided under this section.

(4) This division is supplemental to, and not in derogation of, any similar requirement governing the certification by the county auditor of the tax valuation of a subdivision or necessary tax rates for the purposes of the submission of the question of a tax in excess of the ten-mill limitation, including sections 133.18 and 5705.195 of the Revised Code.

(C) All taxes levied on property shall be extended on the tax list and duplicate by the county auditor of the county in which the property is located, and shall be collected by the county treasurer of such county in the same manner and under the same laws and rules as are prescribed for the assessment and collection of county taxes. The proceeds of any tax levied by or for any subdivision when received by its fiscal officer shall be deposited in its treasury to the credit of the appropriate fund.

Sec. 5705.16. The commissioner shall approve the transfer of such funds upon determining~~ each of the following:

(A) The petition states sufficient facts;

(B) That there are good reasons, or that a necessity exists, for the transfer:

(C) No injury will result from the transfer of such funds.

If the petition is disapproved by the commissioner, it shall be returned within ten days of its receipt to the officers who submitted it, with a memorandum of the commissioner's objections, and the taxing authority shall not transfer the funds as requested by the petition. This disapproval shall not prejudice a later application for approval. If the petition is approved by the commissioner, it shall be ~~forwarded~~ returned within ten days of its receipt to ~~the clerk of the court of common pleas of the county to whose court of common pleas the petition is addressed,~~ marked with the approval of the commissioner. ~~If the commissioner approves the petition, the commissioner shall notify immediately the officers who submitted the petition, who then may file the petition in the court to which it is addressed, and the taxing authority may transfer the funds as requested by the petition.~~

~~The petitioner shall give notice of the filing, object, and prayer of the petition, and of the time when it will be heard. The notice shall be given by one publication in a newspaper of general circulation in the territory to be affected by such transfer of funds. If there is no such newspaper, the notice shall be posted in ten conspicuous places within the territory for a period of four weeks.~~

~~The petition may be heard at the time stated in the notice, or as soon thereafter as convenient for the court. Any person who objects to the prayer of such petition shall file the person's objections in such cause on or before the time fixed in the notice for hearing, and that person shall be entitled to be heard.~~

~~If, upon hearing, the court finds that the notice has been given as required by this section, that the petition states sufficient facts, that there are good reasons, or that a necessity exists, for the transfer, and that no injury will result therefrom, it shall grant the prayer of the petition and order the petitioners to make such transfer.~~

~~A copy of the findings, orders, and judgments of the court shall be certified by the clerk and entered on the records of the petitioning officers or board, and thereupon the petitioners may make the transfer of funds as directed by the court. All costs of such proceedings shall be paid by the petitioners, except that if objections are filed the court may order such objectors to pay all or a portion of the costs.~~

Sec. 5709.101. Real property satisfying all of the following conditions shall be exempt from taxation:

(A) If any part of the property is held out for rent to tenants, less than

seventy-five per cent of the square footage of that part is leased by one or more tenants.

(B) On the tax lien date, it is owned by a municipal corporation to which the property was conveyed by a community improvement corporation as defined in section 1724.01 of the Revised Code.

(C) It was conveyed to that community improvement corporation by the United States government or any of its agencies.

(D) It is subject to an agreement under which that municipal corporation is required to convey the property to that community improvement corporation before the property may be developed.

Sec. 5709.12. (A) As used in this section, "independent living facilities" means any residential housing facilities and related property that are not a nursing home, residential care facility, or residential facility as defined in division (A) of section 5701.13 of the Revised Code.

(B) Lands, houses, and other buildings belonging to a county, township, or municipal corporation and used exclusively for the accommodation or support of the poor, or leased to the state or any political subdivision for public purposes shall be exempt from taxation. Real and tangible personal property belonging to institutions that is used exclusively for charitable purposes shall be exempt from taxation, including real property belonging to an institution that is a nonprofit corporation that receives a grant under the Thomas Alva Edison grant program authorized by division (C) of section 122.33 of the Revised Code at any time during the tax year and being held for leasing or resale to others. If, at any time during a tax year for which such property is exempted from taxation, the corporation ceases to qualify for such a grant, the director of development shall notify the tax commissioner, and the tax commissioner shall cause the property to be restored to the tax list beginning with the following tax year. All property owned and used by a nonprofit organization exclusively for a home for the aged, as defined in section 5701.13 of the Revised Code, also shall be exempt from taxation.

(C)(1) If a home for the aged described in division (B)(1) of section 5701.13 of the Revised Code is operated in conjunction with or at the same site as independent living facilities, the exemption granted in division (B) of this section shall include kitchen, dining room, clinic, entry ways, maintenance and storage areas, and land necessary for access commonly used by both residents of the home for the aged and residents of the independent living facilities. Other facilities commonly used by both residents of the home for the aged and residents of independent living units shall be exempt from taxation only if the other facilities are used primarily

by the residents of the home for the aged. Vacant land currently unused by the home, and independent living facilities and the lands connected with them are not exempt from taxation. Except as provided in division (A)(1) of section 5709.121 of the Revised Code, property of a home leased for nonresidential purposes is not exempt from taxation.

(2) Independent living facilities are exempt from taxation if they are operated in conjunction with or at the same site as a home for the aged described in division (B)(2) of section 5701.13 of the Revised Code; operated by a corporation, association, or trust described in division (B)(1)(b) of that section; operated exclusively for the benefit of members of the corporation, association, or trust who are retired, aged, or infirm; and provided to those members without charge in consideration of their service, without compensation, to a charitable, religious, fraternal, or educational institution. For the purposes of division (C)(2) of this section, "compensation" does not include furnishing room and board, clothing, health care, or other necessities, or stipends or other de minimis payments to defray the cost thereof.

(D)(1) A private corporation established under federal law, as defined in 36 U.S.C. 1101, Pub. L. No. 102-199, 105 Stat. 1629, as amended, the objects of which include encouraging the advancement of science generally, or of a particular branch of science, the promotion of scientific research, the improvement of the qualifications and usefulness of scientists, or the increase and diffusion of scientific knowledge is conclusively presumed to be a charitable or educational institution. A private corporation established as a nonprofit corporation under the laws of a state that is exempt from federal income taxation under section 501(c)(3) of the Internal Revenue Code of 1986, 100 Stat. 2085, 26 U.S.C.A. 1, as amended, and that has as its principal purpose one or more of the foregoing objects also is conclusively presumed to be a charitable or educational institution.

The fact that an organization described in this division operates in a manner that results in an excess of revenues over expenses shall not be used to deny the exemption granted by this section, provided such excess is used, or is held for use, for exempt purposes or to establish a reserve against future contingencies; and, provided further, that such excess may not be distributed to individual persons or to entities that would not be entitled to the tax exemptions provided by this chapter. Nor shall the fact that any scientific information diffused by the organization is of particular interest or benefit to any of its individual members be used to deny the exemption granted by this section, provided that such scientific information is available to the public for purchase or otherwise.

(2) Division (D)(2) of this section does not apply to real property exempted from taxation under this section and division (A)(3) of section 5709.121 of the Revised Code and belonging to a nonprofit corporation described in division (D)(1) of this section that has received a grant under the Thomas Alva Edison grant program authorized by division (C) of section 122.33 of the Revised Code during any of the tax years the property was exempted from taxation.

When a private corporation described in division (D)(1) of this section sells all or any portion of a tract, lot, or parcel of real estate that has been exempt from taxation under this section and section 5709.121 of the Revised Code, the portion sold shall be restored to the tax list for the year following the year of the sale and, except in connection with a sale and transfer of such a tract, lot, or parcel to a county land reutilization corporation organized under Chapter 1724. of the Revised Code, a charge shall be levied against the sold property in an amount equal to the tax savings on such property during the four tax years preceding the year the property is placed on the tax list. The tax savings equals the amount of the additional taxes that would have been levied if such property had not been exempt from taxation.

The charge constitutes a lien of the state upon such property as of the first day of January of the tax year in which the charge is levied and continues until discharged as provided by law. The charge may also be remitted for all or any portion of such property that the tax commissioner determines is entitled to exemption from real property taxation for the year such property is restored to the tax list under any provision of the Revised Code, other than sections 725.02, 1728.10, 3735.67, 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.71, 5709.73, 5709.78, and 5709.84, upon an application for exemption covering the year such property is restored to the tax list filed under section 5715.27 of the Revised Code.

(E)(1) Real property held by an organization organized and operated exclusively for charitable purposes as described under section 501(c)(3) of the Internal Revenue Code and exempt from federal taxation under section 501(a) of the Internal Revenue Code, 26 U.S.C.A. 501(a) and (c)(3), as amended, for the purpose of constructing or rehabilitating residences for eventual transfer to qualified low-income families through sale, lease, or land installment contract, shall be exempt from taxation.

The exemption shall commence on the day title to the property is transferred to the organization and shall continue to the end of the tax year in which the organization transfers title to the property to a qualified low-income family. In no case shall the exemption extend beyond the second succeeding tax year following the year in which the title was

transferred to the organization. If the title is transferred to the organization and from the organization to a qualified low-income family in the same tax year, the exemption shall continue to the end of that tax year. The proportionate amount of taxes that are a lien but not yet determined, assessed, and levied for the tax year in which title is transferred to the organization shall be remitted by the county auditor for each day of the year that title is held by the organization.

Upon transferring the title to another person, the organization shall file with the county auditor an affidavit affirming that the title was transferred to a qualified low-income family or that the title was not transferred to a qualified low-income family, as the case may be; if the title was transferred to a qualified low-income family, the affidavit shall identify the transferee by name. If the organization transfers title to the property to anyone other than a qualified low-income family, the exemption, if it has not previously expired, shall terminate, and the property shall be restored to the tax list for the year following the year of the transfer and a charge shall be levied against the property in an amount equal to the amount of additional taxes that would have been levied if such property had not been exempt from taxation. The charge constitutes a lien of the state upon such property as of the first day of January of the tax year in which the charge is levied and continues until discharged as provided by law.

The application for exemption shall be filed as otherwise required under section 5715.27 of the Revised Code, except that the organization holding the property shall file with its application documentation substantiating its status as an organization organized and operated exclusively for charitable purposes under section 501(c)(3) of the Internal Revenue Code and its qualification for exemption from federal taxation under section 501(a) of the Internal Revenue Code, and affirming its intention to construct or rehabilitate the property for the eventual transfer to qualified low-income families.

As used in this division, "qualified low-income family" means a family whose income does not exceed two hundred per cent of the official federal poverty guidelines as revised annually in accordance with section 673(2) of the "Omnibus Budget Reconciliation Act of 1981," 95 Stat. 511, 42 U.S.C.A. 9902, as amended, for a family size equal to the size of the family whose income is being determined.

(2) Real property constituting a retail store, including the land on which the retail store is located, that is owned and operated by an organization described in division (E)(1) of this section shall be exempt from taxation if the retail store sells primarily donated items suitable for residential housing

purposes and if the proceeds of such sales are used solely for the purposes of the organization.

(F)(1) Real property that is acquired and held by a county land reutilization corporation organized under Chapter 1724. of the Revised Code and that is not exempt from taxation under Chapter 5722. of the Revised Code shall be deemed real property used for a public purpose and shall be exempt from taxation until sold or transferred by the corporation. Notwithstanding section 5715.27 of the Revised Code, a county land reutilization corporation is not required to apply to any county or state agency in order to qualify for the exemption.

(2) Real property that is acquired and held by an electing subdivision other than a county land reutilization corporation on or after April 9, 2009, for the public purpose of implementing an effective land reutilization program or for a related public purpose, and that is not exempt from taxation under Chapter 5722. of the Revised Code, shall be exempt from taxation until sold or transferred by the electing subdivision. Notwithstanding section 5715.27 of the Revised Code, an electing subdivision is not required to apply to any county or state agency in order to qualify for an exemption with respect to property acquired or held for such purposes on or after such date, regardless of how the electing subdivision acquires the property.

As used in this section, "electing subdivision" and "land reutilization program" have the same meanings as in section 5722.01 of the Revised Code, and "county land reutilization corporation" means a county land reutilization corporation organized under Chapter 1724. of the Revised Code and any subsidiary wholly owned by such a county land reutilization corporation that is identified as "a wholly owned subsidiary of a county land reutilization corporation" in the deed of conveyance transferring title to the subsidiary.

In lieu of the application for exemption otherwise required to be filed as required under section 5715.27 of the Revised Code, a county land reutilization corporation holding the property shall, upon the request of any county or state agency, submit its articles of incorporation substantiating its status as a county land reutilization corporation.

(G) Real property that is owned by an organization described under section 501(c)(3) of the Internal Revenue Code and exempt from federal income taxation under section 501(a) of the Internal Revenue Code and that is used by that organization exclusively for receiving, processing, or distributing human blood, tissues, eyes, or organs or for research and development thereof shall be exempt from taxation.

(B) Real estate and tangible personal property held or occupied by a veterans' organization that qualifies for exemption from taxation under section 501(c)(19) or 501(c)(23) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C.A. 1, as amended, and is incorporated under the laws of this state or the United States, except real estate held by such an organization for the production of rental income in excess of thirty-six thousand dollars in a tax year, before accounting for any cost or expense incurred in the production of such income. For the purposes of this division, rental income includes only income arising directly from renting the real estate to others for consideration.

(C) Tangible personal property held by a corporation chartered under 112 Stat. 1335, 36 U.S.C.A. 40701, described in section 501(c)(3) of the Internal Revenue Code, and exempt from taxation under section 501(a) of the Internal Revenue Code shall be exempt from taxation if it is property obtained as described in 112 Stat. 1335-1341, 36 U.S.C.A. As used in this division, "rental income" has the same meaning as in division (B) of this section, and "fraternal organization" means a domestic fraternal society, order, or association operating under the lodge, council, or grange system that qualifies for exemption from taxation under section

501(c)(5), 501(c)(8), or 501(c)(10) of the "Internal Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 1, as amended; that provides financial support for charitable purposes, as defined in division (B)(12) of section 5739.02 of the Revised Code; and that operates under a state governing body that has been operating in this state for at least eighty-five years.

(A) With every application for an exempt facility certificate filed pursuant to section 5709.21 of the Revised Code, the applicant shall pay a fee equal to one-half of one per cent of the total exempt facility project cost, not to exceed two thousand dollars. ~~One-half of the fee received with applications for exempt facility certificates shall be credited to the exempt facility administrative fund, which is hereby created in the state treasury, for appropriation to the department of taxation for use in administering sections 5709.20 to 5709.27 of the Revised Code.~~ If the director of environmental protection is required to provide the opinion for an application, ~~one-half of the fee shall be credited to the non-Title V clean air fund created in section 3704.035 of the Revised Code for use in administering section 5709.211 of the Revised Code, unless the application is for an industrial water pollution control facility. An applicant is not entitled to any tax exemption under section 5709.25 of the Revised Code until the fee required by this section is paid. The fee required by this section is not refundable, and is due with the application for an exempt facility certificate even if an exempt facility certificate ultimately is not issued or is withdrawn. Any application submitted without payment of the fee shall be deemed incomplete until the fee is paid.

(B) The application fee imposed under division (A) of this section for a jointly owned facility shall be equal to one-half of one per cent of the total exempt facility project cost, not to exceed two thousand dollars for each facility that is the subject of the application.

  - (c) A plan for using the service payments provided for in section 5709.46 of the Revised Code to promote economic development and job creation within the district.

Not more than seventy per cent of improvements to parcels within a downtown redevelopment district may be exempted from taxation under this section. A district may not include a parcel that is exempted from taxation under this section or section 5709.40 or 5709.41 of the Revised Code on the effective date of the ordinance. Except as provided in division (F) of this section, the life of a downtown redevelopment district shall not exceed ten years.

A municipal corporation may adopt more than one ordinance under division (B) of this section. A single such ordinance may create more than one downtown redevelopment district.

(C) For the purposes of attracting and facilitating growth of qualified businesses and supporting the economic development efforts of business

incubators and accelerators, the legislative authority of a municipal corporation may designate an innovation district within a proposed or existing downtown redevelopment district. The life of the innovation district shall be identical to the downtown redevelopment district in which the innovation district is located. In addition to the requirements in division (B) of this section, an ordinance creating a downtown redevelopment district that includes an innovation district shall specify all of the following:

(1) The boundary of the innovation district;

(2) The permanent parcel number associated with each parcel included in the innovation district;

(3) An economic development plan for the innovation district that meets the criteria prescribed by division (B)(5) of this section.

(D) At least thirty days before adopting an ordinance under division (B) of this section, the legislative authority of the municipal corporation shall conduct a public hearing on the proposed ordinance and the accompanying economic development plan. At least thirty days before the public hearing, the legislative authority shall give notice of the public hearing and the proposed ordinance by first class mail to every real property owner whose property is located within the boundaries of the proposed district that is the subject of the proposed ordinance.

(E) Revenue derived from downtown redevelopment district service payments may be used by the municipal corporation for any of the following purposes:

(1) To finance or support loans, deferred loans, or grants to owners of historic buildings within the downtown redevelopment district. Such loans or grants shall be awarded upon the condition that the loan or grant amount may be used by the owner only to rehabilitate the historic building. A municipal corporation that awards a loan or grant under this division shall develop a plan for tracking the loan or grant recipient's use of the loan or grant and monitoring the progress of the recipient's rehabilitation project.

(2) To make contributions to a special improvement district for use under section 1710.14 of the Revised Code, to a community improvement corporation for use under section 1724.12 of the Revised Code, or to a nonprofit corporation, as defined in section 1702.01 of the Revised Code, the primary purpose of which is redeveloping historic buildings and historic districts for use by the corporation to rehabilitate a historic building within the downtown redevelopment district or to otherwise promote or enhance the district. Amounts contributed under division (E)(2) of this section shall not exceed the property tax revenue that would have been generated by twenty per cent of the assessed value of the exempted improvements within

the downtown redevelopment district.

(3) To finance or support loans to owners of one or more buildings located within the district that do not qualify as historic buildings. Such loans shall be awarded upon the condition that the loan amount may be used by the owner only to make repairs and improvements to the building or buildings. A municipal corporation that awards a loan under this division shall develop a plan for tracking the loan recipient's use of the loan and monitoring the progress of the recipient's repairs or improvements.

(4) To finance public infrastructure improvements within the downtown redevelopment district. If revenue generated by the downtown redevelopment district will be used to finance public infrastructure improvements, the economic development plan described by division (B)(5) of this section shall identify specific projects that are being or will be undertaken within the district and describe how such infrastructure improvements will accommodate additional demands on the existing infrastructure within the district. A municipal corporation shall not use service payments derived from a downtown redevelopment district to repair or replace police or fire equipment.

(5) To finance or support loans, deferred loans, or grants to qualified businesses or to incubators and accelerators that provide services and capital to qualified businesses within an innovation district. Such loans or grants shall be awarded upon the condition that the loan or grant shall be used by the recipient to start or develop one or more qualified businesses within the innovation district. A municipal corporation that awards a loan or grant under this division shall develop a plan for tracking the loan or grant recipient's use of the loan or grant and monitoring the establishment and growth of the qualified business.

(F) Notwithstanding division (B) of this section, improvements to parcels located within a downtown redevelopment district may be exempted from taxation under this section for up to thirty years if either of the following apply:

(1) The ordinance creating the redevelopment district specifies that payments in lieu of taxes shall be paid to the city, local, or exempted village, and joint vocational school district or districts in which the redevelopment district is located in the amount of the taxes that would have been payable to the school district or districts if the improvements had not been exempted from taxation.

(2) The municipal corporation creating the district obtains the approval under division (G) of this section of the board of education of each city, local, and exempted village school district within which the district will be

located.

(G)(1) The legislative authority of a municipal corporation seeking the approval of a school district for the purpose of division (G)(2) of this section shall send notice of the proposed ordinance to the school district not later than forty-five business days before it intends to adopt the ordinance. The notice shall include a copy of the proposed ordinance and shall indicate the date on which the legislative authority intends to adopt the ordinance. The board of education of the school district, by resolution adopted by a majority of the board, may do any of the following:

(a) Approve the exemption for the number of years specified in the proposed ordinance;

(b) Disapprove the exemption for the number of years in excess of ten;

(c) Approve the exemption on the condition that the legislative authority and the board negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent years of the exemption period or other mutually agreeable compensation. If an agreement is negotiated under this division, the legislative authority shall compensate all joint vocational school districts within which the downtown redevelopment district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

(2) The board of education shall certify a resolution adopted under division (G)(1) of this section to the legislative authority of the municipal corporation not later than fourteen days before the date the legislative authority intends to adopt the ordinance as indicated in the notice. If the board of education approves the ordinance or negotiates a mutually acceptable compensation agreement with the legislative authority, the legislative authority may enact the ordinance in its current form. If the board disapproves of the ordinance and fails to negotiate a mutually acceptable compensation agreement with the legislative authority, the legislative authority may exempt improvements to parcels within the downtown redevelopment district for not more than ten years. If the board fails to certify a resolution to the legislative authority within the time prescribed by this division, the legislative authority may adopt the ordinance and may exempt improvements to parcels within the downtown redevelopment district for the period of time specified in the notice delivered to the board of education. The legislative authority may adopt the ordinance at any time after the board of education certifies its resolution approving the exemption to the legislative authority or, if the board approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated,

at any time after the compensation agreement is agreed to by the board and the legislative authority.

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of exemptions by the board is not required under division (G) of this section. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under division (G)(1) of this section fewer than forty-five business days before the legislative authority's adoption of the ordinance, the legislative authority shall deliver the notice to the board not later than the number of days before such adoption as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(4) If the legislative authority is not required by division (G) of this section to notify the board of education of the legislative authority's intent to create a downtown redevelopment district, the legislative authority shall comply with the notice requirements imposed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(H) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to an ordinance creating a downtown redevelopment district under division (B) of this section shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.46 of the Revised Code in an amount equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (B) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community mental retardation and developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised

Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(I) An exemption from taxation granted under this section commences with the tax year specified in the ordinance so long as the year specified in the ordinance commences after the effective date of the ordinance. If the ordinance specifies a year commencing before the effective date of the ordinance or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and that commences after the effective date of the ordinance. In lieu of stating a specific year, the ordinance may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the ordinance.

Except as otherwise provided in this division, the exemption ends on the

date specified in the ordinance as the date the improvement ceases to be a public purpose or the downtown redevelopment district expires, whichever occurs first. The exemption of an improvement within a downtown redevelopment district may end on a later date, as specified in the ordinance, if the legislative authority and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement, and the board of education has approved the term of the exemption under division (G) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(J) Additional municipal financing of the projects and services described in division (E) of this section may be provided by any methods that the municipal corporation may otherwise use for financing such projects and services. If the municipal corporation issues bonds or notes to finance such projects and services and pledges money from the municipal downtown redevelopment district fund to pay the interest on and principal of the bonds or notes, the bonds or notes are not subject to Chapter 133. of the Revised Code.

(K) The municipal corporation, not later than fifteen days after the adoption of an ordinance under this section, shall submit to the director of development services a copy of the ordinance. On or before the thirty-first day of March of each year, the municipal corporation shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the projects and services during each year that an exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the funds created under section 5709.47 of the Revised Code; a description of the projects and services financed with such expenditures; and a quantitative summary of changes in employment and private investment resulting from each project and service.

(L) Nothing in this section shall be construed to prohibit a legislative authority from declaring to be a public purpose improvements with respect to more than one parcel.

(M)(1) The owner of real property located in a downtown redevelopment district may enter into an agreement with the municipal

corporation that created the district to impose a redevelopment charge on the property to cover all or part of the cost of services, facilities, and improvements provided within the district under division (E) of this section. The agreement shall include the following:

(a) The amount of the redevelopment charge. The redevelopment charge may be a fixed dollar amount or an amount determined on the basis of the assessed valuation of the property or all or part of the profits, gross receipts, or other revenues of a business operating on the property, including rentals received from leases of the property. If the property is leased to one or more tenants, the redevelopment charge may be itemized as part of the lease rate.

(b) The termination date of the redevelopment charge. The redevelopment charge shall not be charged after the expiration or termination of the downtown redevelopment district.

(c) The terms by which the municipal corporation shall collect the redevelopment charge.

(d) The purposes for which the redevelopment charge may be used by the municipal corporation. The redevelopment charge shall be used only for those purposes described by division (E) of this section. The agreement may specify any or all of such purposes.

(2) Redevelopment charges collected by a municipal corporation under division (M) of this section shall be deposited to the municipal downtown redevelopment district fund created under section 5709.47 of the Revised Code.

(3) An agreement by a property owner under division (M) of this section is hereby deemed to be a covenant running with the land. The covenant is fully binding on behalf of and enforceable by the municipal corporation against any person acquiring an interest in the land and all of that person's successors and assigns.

(4) No purchase agreement for real estate or any interest in real estate upon which a redevelopment charge is levied shall be enforceable by the seller or binding upon the purchaser unless the purchase agreement specifically refers to the redevelopment charge. If a conveyance of such real estate or interest in such real estate is made pursuant to a purchase agreement that does not make such reference, the redevelopment charge shall continue to be a covenant running with the land fully binding on behalf of and enforceable by the municipal corporation against the person accepting the conveyance pursuant to the purchase agreement.

(5) If a redevelopment charge is not paid when due, the overdue amount shall be collected according to the terms of the agreement. If the agreement does not specify a procedure for collecting overdue redevelopment charges,

the municipal corporation may certify the charge to the county auditor. The county auditor shall enter the unpaid charge on the tax list and duplicate of real property opposite the parcel against which it is charged and certify the charge to the county treasurer. The unpaid redevelopment charge is a lien on property against which it is charged from the date the charge is entered on the tax list, and shall be collected in the manner provided for the collection of real property taxes. Once the charge is collected, it shall be paid immediately to the municipal corporation.

Sec. 5709.48. (A) As used in this section, "regional transportation improvement project" has the same meaning as in section 5595.01 of the Revised Code.

(B) For the purposes described in division (A) of section 5595.06 of the Revised Code, the boards of county commissioners of one or more counties that are participants in a regional transportation improvement project may, by resolution, create a transportation financing district and declare improvements to parcels within the district to be a public purpose and exempt from taxation.

(C) A transportation financing district may include territory in more than one county as long as each such county is a party to the resolution creating the district and a participant in the regional transportation improvement project funded by the district. A district shall not include areas used exclusively for residential purposes. A district shall not include any parcel that is or has been exempted from taxation under this section or section 5709.40, 5709.41, 5709.45, 5709.73, or 5709.77 of the Revised Code. Counties may designate parcels within the boundaries of a district that are not included in the district. Counties may designate noncontiguous parcels located outside the boundaries of the district that are included in the district.

Counties may adopt more than one resolution under division (B) of this section. A single such resolution may create more than one transportation financing district.

(D) A resolution creating a transportation financing district shall specify all of the following:

(1) A description of the territory included in the district;

(2) The county treasurer's permanent parcel number associated with each parcel included in the district;

(3) The percentage of improvements to be exempted from taxation and the duration of the exemption, which shall not exceed the remaining number of years the cooperative agreement for the regional transportation improvement district, described under section 5595.03 of the Revised Code,

is in effect:

(4) A plan for the district that describes the principal purposes and goals to be served by the district and explains how the use of service payments provided for by section 5709.49 of the Revised Code will economically benefit owners of property within the district.

(E)(1) Before adopting a resolution under division (B) of this section, the board or boards of county commissioners of the participating counties shall notify and obtain the approval of each subdivision and taxing unit that levies a property tax within the territory of the proposed transportation financing district. A subdivision or taxing unit's approval or disapproval of the proposed district shall be in the form of an ordinance or resolution. The board or boards may negotiate an agreement with a subdivision or taxing unit providing for compensation equal in value to a percentage of the amount of taxes exempted or some other mutually agreeable compensation.

(2) A subdivision or taxing unit may adopt an ordinance or resolution waiving its right to approve or receive notice of transportation financing districts proposed under this section. If a subdivision or taxing unit has adopted such an ordinance or resolution, the terms of that ordinance or resolution supersede the requirements of division (E)(1) of this section. One or more boards of county commissioners may negotiate an agreement with a subdivision or taxing unit providing for some mutually agreeable compensation in exchange for the subdivision or taxing unit adopting such an ordinance or resolution. If a subdivision or taxing unit has adopted such an ordinance or resolution, it shall certify a copy to the board of county commissioners of the county or counties in which the subdivision or taxing unit is located. If the subdivision or taxing unit rescinds such an ordinance or resolution, it shall certify notice of the rescission to the same board or boards.

(F) After notifying and obtaining the approval of each subdivision and taxing unit that levies a property tax within the territory of the proposed transportation financing district as required under division (E) of this section, the boards of county commissioners of the participating counties shall notify and obtain the approval of every real property owner whose property is included in the proposed district.

(G)(1) If the resolution creating the transportation financing district is approved by the board of county commissioners of each county in which the district is located, one of the counties shall send a copy of the resolution and documentation sufficient to prove that the requirements of divisions (E) and (F) of this section have been met to the director of development services. The director shall evaluate the resolution and documentation to determine if

the counties have fully complied with the requirements of this section. If the director approves the resolution, the director shall send notice of approval to each county that is a party to the resolution. If the director does not approve the resolution, the director shall send notice of denial to each county that is a party to the resolution. The notice of denial shall include the reason or reasons for the denial. If the director does not make a determination within ninety days after receiving a resolution under this section, the director is deemed to have approved the resolution. No resolution creating a transportation financing district is effective without actual or constructive approval by the director under this section.

(2) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution.

(3) Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the regional transportation improvement project funded by the service payments dissolves under section 5595.13 of the Revised Code, whichever occurs first. Exemptions shall be claimed and allowed in the same manner as in the case of other real property exemptions. If an exemption status changes during a year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating a transportation financing district under this section shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.49 of the Revised Code in an amount equal to the amount of taxes from that

additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 of the Revised Code for community mental retardation and developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(I) The resolution creating a transportation financing district may be amended at any time by majority vote of the boards of county commissioners of each county in which the district is located and with the approval of the director of development services obtained in the same

manner as approval of the original resolution.

Sec. 5709.49. (A) A county that has declared an improvement to be a public purpose under section 5709.48 of the Revised Code shall require the owner of any structure located on the parcel to make annual service payments in lieu of taxes to the county treasurer on or before the final dates for payment of real property taxes. Each such payment shall be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the improvement if it were not exempt from taxation. If any reduction in the levies otherwise applicable to such exempt property is made by the county budget commission under section 5705.31 of the Revised Code, the amount of the service payment in lieu of taxes shall be calculated as if such reduction in levies had not been made.

(B) Moneys collected as service payments in lieu of taxes from a parcel shall be distributed at the same time and in the same manner as real property tax payments. However, subject to division (C) of this section or section 5709.913 of the Revised Code, the entire amount so collected shall be distributed to the county in which the parcel is located. If a resolution adopted under section 5709.48 of the Revised Code specifies that service payments shall be paid to another subdivision or taxing unit in which the parcel is located, the county treasurer shall distribute the portion of the service payments to that subdivision or taxing unit in an amount equal to the property tax payments the subdivision or taxing unit would have received from the portion of the parcel's improvement exempted from taxation had the improvement not been exempted, or some other amount as directed in the resolution. The treasurer shall maintain a record of the service payments in lieu of taxes made from property in each transportation financing district.

(C) If annual service payments in lieu of taxes are required under this section, the county treasurer shall distribute to the appropriate taxing authorities the portion of the service payments that represent payments required under division (H) of section 5709.48 of the Revised Code.

(D) Nothing in this section or section 5709.48 of the Revised Code affects the taxes levied against that portion of the value of any parcel of property that is not exempt from taxation.

Sec. 5709.50. (A) A county that grants a tax exemption under section 5709.48 of the Revised Code shall establish a regional transportation improvement project fund into which shall be deposited service payments in lieu of taxes distributed to the county under section 5709.49 of the Revised Code. Money in the regional transportation improvement project fund shall be used to compensate subdivisions and taxing units within which exempted

parcels are located pursuant to agreements entered into by the county under division (E) of section 5709.48 of the Revised Code. The remainder shall be dispensed to the governing board of the regional transportation improvement project and used for the purposes described in the resolution creating the transportation financing district.

(B) Any incidental surplus remaining in the regional transportation improvement project fund or an account of that fund upon dissolution of the fund or account shall be transferred to the general fund of the county.

Sec. 5709.62. (A) In any municipal corporation that is defined by the United States office of management and budget as a principal city of a metropolitan statistical area, the legislative authority of the municipal corporation may designate one or more areas within its municipal corporation as proposed enterprise zones. Upon designating an area, the legislative authority shall petition the director of development services for certification of the area as having the characteristics set forth in division (A)(1) of section 5709.61 of the Revised Code as amended by Substitute Senate Bill No. 19 of the 120th general assembly. Except as otherwise provided in division (E) of this section, on and after July 1, 1994, legislative authorities shall not enter into agreements under this section unless the legislative authority has petitioned the director and the director has certified the zone under this section as amended by that act; however, all agreements entered into under this section as it existed prior to July 1, 1994, and the incentives granted under those agreements shall remain in effect for the period agreed to under those agreements. Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in division (A)(1) of section 5709.61 of the Revised Code, and shall forward the findings to the legislative authority of the municipal corporation. If the director certifies the area as having those characteristics, and thereby certifies it as a zone, the legislative authority may enter into an agreement with an enterprise under division (C) of this section.

(B) Any enterprise that wishes to enter into an agreement with a municipal corporation under division (C) of this section shall submit a proposal to the legislative authority of the municipal corporation on a form prescribed by the director of development services, together with the application fee established under section 5709.68 of the Revised Code. The form shall require the following information:

(1) An estimate of the number of new employees whom the enterprise intends to hire, or of the number of employees whom the enterprise intends to retain, within the zone at a facility that is a project site, and an estimate of

the amount of payroll of the enterprise attributable to these employees;

(2) An estimate of the amount to be invested by the enterprise to establish, expand, renovate, or occupy a facility, including investment in new buildings, additions or improvements to existing buildings, machinery, equipment, furniture, fixtures, and inventory;

(3) A listing of the enterprise's current investment, if any, in a facility as of the date of the proposal's submission.

The enterprise shall review and update the listings required under this division to reflect material changes, and any agreement entered into under division (C) of this section shall set forth final estimates and listings as of the time the agreement is entered into. The legislative authority may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(C) Upon receipt and investigation of a proposal under division (B) of this section, if the legislative authority finds that the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and improve the economic climate of the municipal corporation, the legislative authority; ~~on or before October 15, 2017,~~ may do one of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to seventy-five per cent, of the assessed value of tangible personal property first used in business at the project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except that, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(b) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to seventy-five per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to

formal approval of the agreement by the legislative authority;

(c) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance that the municipal corporation is authorized to provide with regard to the project site.

(2) Enter into an agreement under which the enterprise agrees to remediate an environmentally contaminated facility, to spend an amount equal to at least two hundred fifty per cent of the true value in money of the real property of the facility prior to remediation as determined for the purposes of property taxation to establish, expand, renovate, or occupy the remediated facility, and to hire new employees or preserve employment opportunities for existing employees at the remediated facility, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed fifty per cent, of the assessed valuation of the real property of the facility prior to remediation;

(d) The incentive under division (C)(1)(c) of this section.

(3) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to one hundred per cent, of the assessed value of tangible personal property used in business at the project site as a result of the agreement, or of the assessed valuation of real property constituting the project site, or both.

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed seventy-five per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed sixty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of seventy-five per cent.

(2) Notwithstanding any provision of the Revised Code to the contrary,

the exemptions described in divisions (C)(1)(a), (b), and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may be for up to fifteen years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten.

The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the legislative authority not later than fourteen days prior to the date stipulated by the legislative authority as the date upon which approval of the agreement is to be formally considered by the legislative authority. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The legislative authority may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's approval of the agreement, the legislative authority shall deliver the notice to the board not later than the number of days prior to such approval as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(4) The legislative authority shall comply with section 5709.83 of the

Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(E) This division applies to zones certified by the director of development services under this section prior to July 22, 1994.

~~On or before October 15, 2017, the~~ The legislative authority that designated a zone to which this division applies may enter into an agreement with an enterprise if the legislative authority finds that the enterprise satisfies one of the criteria described in divisions (E)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development services has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (C) of this section.

(F) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement is entered into under this section, if the legislative authority revokes its designation of a zone, or if the director of development services revokes a zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(G) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable

to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee charged against an enterprise, but such a waiver or reduction does not affect the obligations of the legislative authority or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code.

(H) When an agreement is entered into pursuant to this section, the legislative authority authorizing the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development services along with the copy of the agreement forwarded under this division.

(I) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed, or annual report required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(L) The tax commissioner's authority in determining the accuracy of any

exemption granted by an agreement entered into under this section is limited to divisions (C)(1)(a) and (b), (C)(2)(a), (b), and (c), (C)(3), (D), and (I) of this section and divisions (B)(1) to (10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the legislative authority of a municipal corporation or the director of development services.

Sec. 5709.63. A board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed enterprise zone. The board shall petition the director of development services for certification of the area as having the characteristics set forth in division (A)(1) or (2) of section 5709.61 of the Revised Code as amended by Substitute Senate Bill No. 19 of the 120th general assembly. Except as otherwise provided in division (D) of this section, on and after July 1, 1994, boards of county commissioners shall not enter into agreements under this section unless the board has petitioned the director and the director has certified the zone under this section as amended by that act; however, all agreements entered into under this section as it existed prior to July 1, 1994, and the incentives granted under those agreements shall remain in effect for the period agreed to under those agreements. The director shall make the determination in the manner provided under section 5709.62 of the Revised Code.

Any enterprise wishing to enter into an agreement with the board under division (B) or (D) of this section shall submit a proposal to the board on the form and accompanied by the application fee prescribed under division (B) of section 5709.62 of the Revised Code. The enterprise shall review and update the estimates and listings required by the form in the manner required under that division. The board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(B) If the board of county commissioners finds that an enterprise submitting a proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to

which the proposal applies, the board, ~~on or before October 15, 2017, and~~ with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, may do either of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(a) When the facility is located in a municipal corporation, the board may enter into an agreement for one or more of the incentives provided in division (C) of section 5709.62 of the Revised Code, subject to division (D) of that section;

(b) When the facility is located in an unincorporated area, the board may enter into an agreement for one or more of the following incentives:

(i) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the assessed value of tangible personal property first used in business at a project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(ii) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the board;

project site as a result of the agreement, or of real property constituting the project site, or both.

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed sixty per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed fifty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of sixty per cent.

(b) Notwithstanding any provision of the Revised Code to the contrary, the exemptions described in divisions (B)(1)(b)(i), (ii), (iii), and (iv) and (B)(2) of this section may be for up to fifteen years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten.

(c) For the purpose of obtaining the approval of a city, local, or exempted village school district under division (C)(1)(a) or (b) of this section, the board of county commissioners shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the board of county commissioners not later than fourteen days prior to the date stipulated by the board of county commissioners as the date upon which approval of the agreement is to be formally considered by the board of county commissioners. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The board of county commissioners may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the board of county commissioners, or, if the board of education approves the agreement conditionally, at any time after the conditions are agreed to by the board of education and the board of county commissioners.

If a board of education has adopted a resolution waiving its right to

approve agreements and the resolution remains in effect, approval of an agreement by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under this division fewer than forty-five business days prior to approval of the agreement by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(2) The board of county commissioners shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development services has issued a waiver for the enterprise under

division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (B) of this section.

(E) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the board of county commissioners revokes its designation of a zone, or if the director of development services revokes a zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(F) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. (G) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board of county commissioners to negotiate and administer agreements with regard to that zone under this section.

(H) When an agreement is entered into pursuant to this section, the board of county commissioners authorizing the agreement or the legislative authority or board of township trustees that negotiates and administers the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen days after the agreement is entered into. (L) The tax commissioner's authority in determining the accuracy of any exemption granted by an agreement entered into under this section is limited to divisions (B)(1)(b)(i) and (ii), (B)(2), (C), and (I) of this section, division (B)(1)(b)(iv) of this section as it pertains to divisions (C)(2)(a), (b), and (c) of section 5709.62 of the Revised Code, and divisions (B)(1) to (10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the board of county commissioners or the director of development services or, if the board's powers and duties are delegated under division (G) of this section, by the legislative authority of a municipal corporation or board of township trustees.

Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in that division and forward the findings to the legislative authority or board of county commissioners. If the director certifies the area as having those characteristics and thereby certifies it as a zone, the legislative authority or board may enter into agreements with enterprises under division (B) of this section. Any enterprise wishing to enter into an agreement with a legislative authority or board of county commissioners under this section and satisfying one of the criteria described in divisions (B)(1) to (5) of this section shall submit a proposal to the legislative authority or board on the form prescribed under division (B) of section 5709.62 of the Revised Code and shall review and update the estimates and listings required by the form in the manner required under that division. The legislative authority or board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(B) Prior to entering into an agreement with an enterprise, the legislative authority or board of county commissioners shall determine whether the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, and whether the enterprise satisfies one of the following criteria:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development services has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

(C) If the legislative authority or board determines that the enterprise is so qualified and satisfies one of the criteria described in divisions (B)(1) to (5) of this section, the legislative authority or board may, after complying with section 5709.83 of the Revised Code ~~and on or before October 15, 2017,~~ and, in the case of a board of commissioners, with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(2) When the facility is located in an unincorporated area, a board of commissioners may enter into an agreement for one or more of the incentives provided in divisions (B)(1)(b), (B)(2), and (B)(3) of section 5709.63 of the Revised Code, subject to division (C) of that section.

(D) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the legislative authority or board of county commissioners revokes its designation of the zone, or if the director of development services revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(E) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one per cent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable

to the legislative authority or board of commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority or board and shall be used by the legislative authority or board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority or board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the legislative authority or board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(F) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A)(2) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board to negotiate and administer agreements with regard to that zone under this section.

(G) When an agreement is entered into pursuant to this section, the legislative authority or board of commissioners authorizing the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development services along with the copy of the agreement forwarded under this division.

(H) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(I) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position

in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(d) ~~Handicapped persons~~ Eligible individuals with disabilities, as defined under division (A) of section 3304.11 of the Revised Code, who had resided at least six months in the county in which the enterprise's project site is located;

(e) Residents for at least one year of a zone located in the county in which the enterprise's project site is located.

The director of development shall, by rule, establish criteria for determining what constitutes a nonretail position at a facility.

(3) The average number of positions attributable to the enterprise in the municipal corporation during the calendar year immediately preceding the calendar year in which application is made exceeds the maximum number of positions attributable to the enterprise in the municipal corporation during the calendar year immediately preceding the first year the enterprise satisfies

the requirements set forth in divisions (A)(1) and (2) of this section. If the enterprise is engaged in a business which, because of its seasonal nature, customarily enables the enterprise to operate at full capacity only during regularly recurring periods of the year, the average number of positions attributable to the enterprise in the municipal corporation during each period of the calendar year immediately preceding the calendar year in which application is made must exceed only the maximum number of positions attributable to the enterprise in each corresponding period of the calendar year immediately preceding the first year the enterprise satisfies the requirements of divisions (A)(1) and (2) of this section. The director of development shall, by rule, prescribe methods for determining whether an enterprise is engaged in a seasonal business and for determining the length of the corresponding periods to be compared.

(4) The enterprise has not closed or reduced employment at any place of business in the state for the primary purpose of establishing, expanding, renovating, or occupying a facility. The legislative authority of any municipal corporation or the board of county commissioners of any county that concludes that an enterprise has closed or reduced employment at a place of business in that municipal corporation or county for the primary purpose of establishing, expanding, renovating, or occupying a facility in a zone may appeal to the director to determine whether the enterprise has done so. Upon receiving such an appeal, the director shall investigate the allegations and make such a determination before issuing an initial or renewal tax incentive qualification certificate under this section.

Within sixty days after receiving an application under this division, the director shall review, investigate, and verify the application and determine whether the enterprise qualifies for a certificate. The application shall include an affidavit executed by the applicant verifying that the enterprise satisfies the requirements of division (A)(2) of this section, and shall contain such information and documents as the director requires, by rule, to ascertain whether the enterprise qualifies for a certificate. If the director finds the enterprise qualified, the director shall issue a tax incentive qualification certificate, which shall bear as its date of issuance the thirtieth day of June of the year of application, and shall state that the applicant is entitled to receive, for the taxable year that includes the certificate's date of issuance, the tax incentives provided under section 5709.65 of the Revised Code with regard to the facility to which the certificate applies. If an enterprise is issued an initial certificate, it may apply, on or before the thirtieth day of April of each succeeding calendar year for which it has been granted an incentive under an agreement entered pursuant to section

5709.62, 5709.63, or 5709.632 of the Revised Code, for a renewal certificate. Subsequent to its initial certification, the enterprise qualifies for up to three successive renewal certificates if, on or before the last day of the calendar year immediately preceding that in which the application is made, it satisfies all the requirements of divisions (A)(1) to (4) of this section, and neither the zone's designation nor the zone's certification has been revoked prior to the fifteenth day of June of the year in which the application is made. The application shall include an affidavit executed by the applicant verifying that the enterprise satisfies the requirements of division (A)(2) of this section. An enterprise with ten or more supervisory personnel at the facility to which a certificate applies qualifies for any subsequent renewal certificates only if it meets all of the foregoing requirements and, in addition, at least ten per cent of those supervisory personnel are employees who, when first hired by the enterprise, satisfied at least one of the criteria specified in divisions (A)(2)(a) to (e) of this section. If the enterprise qualifies, a renewal certificate shall be issued bearing as its date of issuance the thirtieth day of June of the year of application. The director shall send copies of the initial certificate, and each renewal certificate, by certified mail, to the enterprise, the tax commissioner, the board of county commissioners, and the chief executive of the municipal corporation in which the facility to which the certificate applies is located.

(B) If the director determines that an enterprise is not qualified for an initial or renewal tax incentive qualification certificate, the director shall send notice of this determination, specifying the reasons for it, by certified mail, to the applicant, the tax commissioner, the board of county commissioners, and the chief executive of the municipal corporation in which the facility to which the certificate would have applied is located. Within thirty days after receiving such a notice, an enterprise may request, in writing, a hearing before the director for the purpose of reviewing the application and the reasons for the determination. Within sixty days after receiving a request for a hearing, the director shall afford one and, within thirty days after the hearing, shall issue a redetermination of the enterprise's qualification for a certificate. If the enterprise is found to be qualified, the director shall proceed in the manner provided under division (A) of this section. If the enterprise is found to be unqualified, the director shall send notice of this finding, by certified mail, to the applicant, the tax commissioner, the board of county commissioners, and the chief executive of the municipal corporation in which the facility to which the certificate would have applied is located. The director's redetermination that an enterprise is unqualified may be appealed to the board of tax appeals in the

manner provided under section 5717.02 of the Revised Code.

Sec. 5709.68. (A) On or before the thirty-first day of March each year, a municipal corporation or county that has entered into an agreement with an enterprise under section 5709.62, 5709.63, or 5709.632 of the Revised Code shall submit to the director of development services and the board of education of each school district of which a municipal corporation or township to which such an agreement applies is a part a report on all of those agreements in effect during the preceding calendar year. The report shall include all of the following information:

(1) The designation, assigned by the director of development services, of each urban jobs and enterprise zone within the municipal corporation or county, the date each zone was certified, the name of each municipal corporation or township within each zone, and the total population of each zone according to the most recent data available;

(2) The number of enterprises that are subject to those agreements and the number of full-time employees subject to those agreements within each zone, each according to the most recent data available and identified and categorized by the appropriate standard industrial code, and the rate of unemployment in the municipal corporation or county in which the zone is located for each year since each zone was certified;

(3) The number of agreements approved and executed during the calendar year for which the report is submitted, the total number of agreements in effect on the thirty-first day of December of the preceding calendar year, the number of agreements that expired during the calendar year for which the report is submitted, and the number of agreements scheduled to expire during the calendar year in which the report is submitted. For each agreement that expired during the calendar year for which the report is submitted, the municipal corporation or county shall include the amount of taxes exempted and the estimated dollar value of any other incentives provided under the agreement.

(4) The number of agreements receiving compliance reviews by the tax incentive review council in the municipal corporation or county during the calendar year for which the report is submitted, including all of the following information:

(a) The number of agreements the terms of which an enterprise has complied with, indicating separately for each agreement the value of the real and personal property exempted pursuant to the agreement and a comparison of the stipulated and actual schedules for hiring new employees, for retaining existing employees, for the amount of payroll of the enterprise attributable to these employees, and for investing in establishing, expanding,

renovating, or occupying a facility;

(b) The number of agreements the terms of which an enterprise has failed to comply with, indicating separately for each agreement the value of the real and personal property exempted pursuant to the agreement and a comparison of the stipulated and actual schedules for hiring new employees, for retaining existing employees, for the amount of payroll of the enterprise attributable to these employees, and for investing in establishing, expanding, renovating, or occupying a facility;

(c) The number of agreements about which the tax incentive review council made recommendations to the legislative authority of the municipal corporation or county, and the number of those recommendations that have not been followed;

(d) The number of agreements rescinded during the calendar year for which the report is submitted.

(5) The number of enterprises that are subject to agreements that expanded within each zone, including the number of new employees hired and existing employees retained by each enterprise, and the number of new enterprises that are subject to agreements and that established within each zone, including the number of new employees hired by each enterprise;

(6)(a) The number of enterprises that are subject to agreements and that closed or reduced employment at any place of business within the state for the primary purpose of establishing, expanding, renovating, or occupying a facility, indicating separately for each enterprise the political subdivision in which the enterprise closed or reduced employment at a place of business and the number of full-time employees transferred and retained by each such place of business;

(b) The number of enterprises that are subject to agreements and that closed or reduced employment at any place of business outside the state for the primary purpose of establishing, expanding, renovating, or occupying a facility.

(7) For each agreement in effect during any part of the preceding year, the number of employees employed by the enterprise at the project site immediately prior to formal approval of the agreement, the number of employees employed by the enterprise at the project site on the thirty-first day of December of the preceding year, the payroll of the enterprise for the preceding year, the amount of taxes paid on tangible personal property situated at the project site and the amount of those taxes that were not paid because of the exemption granted under the agreement, and the amount of taxes paid on real property constituting the project site and the amount of those taxes that were not paid because of the exemption granted under the

agreement. If an agreement was entered into under section 5709.632 of the Revised Code with an enterprise described in division (B)(2) of that section, the report shall include the number of employee positions at all of the enterprise's locations in this state. If an agreement is conditioned on a waiver issued under division (B) of section 5709.633 of the Revised Code on the basis of the circumstance described in division (B)(3)(a) or (b) of that section, the report shall include the number of employees at the facilities referred to in division (B)(3)(a)(i) or (b)(i) of that section, respectively.

(B) Upon the failure of a municipal corporation or county to comply with division (A) of this section:

(1) Beginning on the first day of April of the calendar year in which the municipal corporation or county fails to comply with that division, the municipal corporation or county shall not enter into any agreements with an enterprise under section 5709.62, 5709.63, or 5709.632 of the Revised Code until the municipal corporation or county has complied with division (A) of this section.

(2) On the first day of each ensuing calendar month until the municipal corporation or county complies with division (A) of this section, the director of development services shall either order the proper county auditor to deduct from the next succeeding payment of taxes to the municipal corporation or county under section 321.31, 321.32, 321.33, or 321.34 of the Revised Code an amount equal to one thousand dollars for each calendar month the municipal corporation or county fails to comply with that division, or order the county auditor to deduct that amount from the next succeeding payment to the municipal corporation or county from the undivided local government fund under section 5747.51 of the Revised Code. At the time such a payment is made, the county auditor shall comply with the director's order by issuing a warrant, drawn on the fund from which the money would have been paid, to the director of development services, who shall deposit the warrant into the state enterprise zone program administration fund created in division (C) of this section.

(C) The director, by rule, shall establish the state's application fee for applications submitted to a municipal corporation or county to enter into an agreement under section 5709.62, 5709.63, or 5709.632 of the Revised Code. In establishing the amount of the fee, the director shall consider the state's cost of administering the enterprise zone program, including the cost of reviewing the reports required under division (A) of this section. The director may change the amount of the fee at the times and in the increments the director considers necessary. Any municipal corporation or county that receives an application shall collect the application fee and remit the fee for

deposit in the state treasury to the credit of the ~~business assistance tax incentives operating~~ fund created in section 122.174 of the Revised Code.

(D) On or before the thirtieth day of June each year, the director of development services shall certify to the tax commissioner the information described under division (A)(7) of this section, derived from the reports submitted to the director under this section.

On the basis of the information certified under this division, the tax commissioner annually shall submit a report to the governor, the speaker of the house of representatives, the president of the senate, and the chairpersons of the ways and means committees of the respective houses of the general assembly, indicating for each enterprise zone the amount of state and local taxes that were not required to be paid because of exemptions granted under agreements entered into under section 5709.62, 5709.63, or 5709.632 of the Revised Code and the amount of additional taxes paid from the payroll of new employees.

Sec. 5709.73. (A) As used in this section and section 5709.74 of the Revised Code:

(1) "Business day" means a day of the week excluding Saturday, Sunday, and a legal holiday as defined in section 1.14 of the Revised Code.

(2) "Further improvements" or "improvements" means the increase in the assessed value of real property that would first appear on the tax list and duplicate of real and public utility property after the effective date of a resolution adopted under this section were it not for the exemption granted by that resolution. For purposes of division (B) of this section, "improvements" do not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Overlay" has the same meaning as in section 5709.40 of the Revised Code, except that the overlay is delineated by the board of township trustees.

(6) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. Except with the approval under division (D) of this section of the board of education of each city, local, or exempted village school district within which the improvements are located, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous vote, a resolution creating an incentive district and declaring improvements to parcels within the district to be a public purpose and, except as provided in division (C)(2) of this section, exempt from taxation as provided in this section, but no board of township trustees of a township that has a population that exceeds twenty-five thousand, as shown by the most recent federal decennial census, shall adopt a resolution that creates an incentive district if the sum of the taxable value of real property in the proposed district for the preceding tax year and the taxable value of all real property in the township that would have been taxable in the preceding year were it not for the fact that the property was in an existing incentive district and therefore exempt from taxation exceeds twenty-five per cent of the taxable value of real property in the township for the preceding tax year. The district shall be located within the unincorporated area of the township and shall not include any territory that is included within a district created under division (B) of section 5709.78 of the Revised Code. The resolution shall delineate the boundary of the proposed district and specifically identify each parcel within the district. A proposed district may not include any parcel that is or has been exempted from taxation under division (B) of this section or that is or has been within another district created under this division. A resolution may create more than one such district, and more than one resolution may be adopted under division (C)(1) of this section.

(2)(a) Not later than thirty days prior to adopting a resolution under division (C)(1) of this section, if the township intends to apply for exemptions from taxation under section 5709.911 of the Revised Code on behalf of owners of real property located within the proposed incentive district, the board shall conduct a public hearing on the proposed resolution. Not later than thirty days prior to the public hearing, the board shall give

notice of the public hearing and the proposed resolution by first class mail to every real property owner whose property is located within the boundaries of the proposed incentive district that is the subject of the proposed resolution. The notice shall include a map of the proposed incentive district on which the board of township trustees shall have delineated an overlay. The notice shall inform the property owner of the owner's right to exclude the owner's property from the incentive district if both of the following conditions are met:

(i) The owner's entire parcel of property will not be located within the overlay.

(ii) The owner has submitted a statement to the board of county commissioners of the county in which the parcel is located indicating the owner's intent to seek a tax exemption for improvements to the owner's parcel under division (A) or (B) of section 5709.78 of the Revised Code within the next five years.

When both of the preceding conditions are met, the owner may exclude the owner's property from the incentive district by submitting a written response in accordance with division (C)(2)(b) of this section. The notice also shall include information detailing the required contents of the response, the address to which the response may be mailed, and the deadline for submitting the response.

(b) Any owner of real property located within the boundaries of an incentive district proposed under division (C)(1) of this section who meets the conditions specified in divisions (C)(2)(a)(i) and (ii) of this section may exclude the property from the proposed incentive district by submitting a written response to the board not later than forty-five days after the postmark date on the notice required under division (C)(2)(a) of this section. The response shall include a copy of the statement submitted under division (C)(2)(a)(ii) of this section. The response shall be sent by first class mail or delivered in person at a public hearing held by the board under division (C)(2)(a) of this section. The response shall conform to any content requirements that may be established by the board and included in the notice provided under division (C)(2)(a) of this section. In the response, property owners may identify a parcel by street address, by the manner in which it is identified in the resolution, or by other means allowing the identity of the parcel to be ascertained.

(c) Before adopting a resolution under division (C)(1) of this section, the board shall amend the resolution to exclude any parcel for which a written response has been submitted under division (C)(2)(b) of this section. A township shall not apply for exemptions from taxation under section

5709.911 of the Revised Code for any such parcel, and service payments may not be required from the owner of the parcel. Improvements to a parcel excluded from an incentive district under this division may be exempted from taxation under division (B) of this section pursuant to a resolution adopted under that division or under any other section of the Revised Code under which the parcel qualifies.

(3)(a) A resolution adopted under division (C)(1) of this section shall specify the life of the incentive district and the percentage of the improvements to be exempted, shall designate the public infrastructure improvements made, to be made, or in the process of being made, that benefit or serve, or, once made, will benefit or serve parcels in the district. The resolution also shall identify one or more specific projects being, or to be, undertaken in the district that place additional demand on the public infrastructure improvements designated in the resolution. The project identified may, but need not be, the project under division (C)(3)(b) of this section that places real property in use for commercial or industrial purposes.

A resolution adopted under division (C)(1) of this section on or after March 30, 2006, shall not designate police or fire equipment as public infrastructure improvements, and no service payment provided for in section 5709.74 of the Revised Code and received by the township under the resolution shall be used for police or fire equipment.

(b) A resolution adopted under division (C)(1) of this section may authorize the use of service payments provided for in section 5709.74 of the Revised Code for the purpose of housing renovations within the incentive district, provided that the resolution also designates public infrastructure improvements that benefit or serve the district, and that a project within the district places real property in use for commercial or industrial purposes. Service payments may be used to finance or support loans, deferred loans, and grants to persons for the purpose of housing renovations within the district. The resolution shall designate the parcels within the district that are eligible for housing renovations. The resolution shall state separately the amount or the percentages of the expected aggregate service payments that are designated for each public infrastructure improvement and for the purpose of housing renovations.

(4) Except with the approval of the board of education of each city, local, or exempted village school district within the territory of which the incentive district is or will be located, and subject to division (E) of this section, the life of an incentive district shall not exceed ten years, and the percentage of improvements to be exempted shall not exceed seventy-five

per cent. With approval of the board of education, the life of a district may be not more than thirty years, and the percentage of improvements to be exempted may be not more than one hundred per cent. The approval of a board of education shall be obtained in the manner provided in division (D) of this section.

(D) Improvements with respect to a parcel may be exempted from taxation under division (B) of this section, and improvements to parcels within an incentive district may be exempted from taxation under division (C) of this section, for up to ten years or, with the approval of the board of education of the city, local, or exempted village school district within which the parcel or district is located, for up to thirty years. The percentage of the improvements exempted from taxation may, with such approval, exceed seventy-five per cent, but shall not exceed one hundred per cent. Not later than forty-five business days prior to adopting a resolution under this section declaring improvements to be a public purpose that is subject to approval by a board of education under this division, the board of township trustees shall deliver to the board of education a notice stating its intent to adopt a resolution making that declaration. The notice regarding improvements with respect to a parcel under division (B) of this section shall identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period for which the improvements would be exempted from taxation and the percentage of the improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The notice regarding improvements made under division (C) of this section to parcels within an incentive district shall delineate the boundaries of the district, specifically identify each parcel within the district, identify each anticipated improvement in the district, provide an estimate of the true value in money of each such improvement, specify the life of the district and the percentage of improvements that would be exempted, and indicate the date on which the board of township trustees intends to adopt the resolution. The board of education, by resolution adopted by a majority of the board, may approve the exemption for the period or for the exemption percentage specified in the notice; may disapprove the exemption for the number of years in excess of ten, may disapprove the exemption for the percentage of the improvements to be exempted in excess of seventy-five per cent, or both; or may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to a percentage of the amount of taxes exempted in the eleventh and subsequent

years of the exemption period or, in the case of exemption percentages in excess of seventy-five per cent, compensation equal in value to a percentage of the taxes that would be payable on the portion of the improvements in excess of seventy-five per cent were that portion to be subject to taxation, or other mutually agreeable compensation.

The board of education shall certify its resolution to the board of township trustees not later than fourteen days prior to the date the board of township trustees intends to adopt the resolution as indicated in the notice. If the board of education and the board of township trustees negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for the number of years specified in the resolution or, in the case of exemption percentages in excess of seventy-five per cent, for the exemption percentage specified in the resolution. In either case, if the board of education and the board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution may declare the improvements a public purpose for not more than ten years, and shall not exempt more than seventy-five per cent of the improvements from taxation. If the board of education fails to certify a resolution to the board of township trustees within the time prescribed by this section, the board of township trustees thereupon may adopt the resolution and may declare the improvements a public purpose for up to thirty years or, in the case of exemption percentages proposed in excess of seventy-five per cent, for the exemption percentage specified in the resolution. The board of township trustees may adopt the resolution at any time after the board of education certifies its resolution approving the exemption to the board of township trustees, or, if the board of education approves the exemption on the condition that a mutually acceptable compensation agreement be negotiated, at any time after the compensation agreement is agreed to by the board of education and the board of township trustees. If a mutually acceptable compensation agreement is negotiated between the board of township trustees and the board of education, including agreements for payments in lieu of taxes under section 5709.74 of the Revised Code, the board of township trustees shall compensate the joint vocational school district within which the parcel or district is located at the same rate and under the same terms received by the city, local, or exempted village school district.

If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (D) of this section. If a board of education has

adopted a resolution allowing a board of township trustees to deliver the notice required under division (D) of this section fewer than forty-five business days prior to adoption of the resolution by the board of township trustees, the board of township trustees shall deliver the notice to the board of education not later than the number of days prior to the adoption as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of township trustees. If the board of education rescinds the resolution, it shall certify notice of the rescission to the board of township trustees.

If the board of township trustees is not required by division (D) of this section to notify the board of education of the board of township trustees' intent to declare improvements to be a public purpose, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt the resolution making that declaration, unless the board of education has adopted a resolution under that section waiving its right to receive the notice.

(E)(1) If a proposed resolution under division (C)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of township trustees shall deliver to the board of county commissioners of the county within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify the parcels for which improvements are to be exempted from taxation, provide an estimate of the true value in money of the improvements, specify the period of time for which the improvements would be exempted from taxation, specify the percentage of the improvements that would be exempted from taxation, and indicate the date on which the board of township trustees intends to adopt the resolution.

(2) The board of county commissioners, by resolution adopted by a majority of the board, may object to the exemption for the number of years in excess of ten, may object to the exemption for the percentage of the improvement to be exempted in excess of seventy-five per cent, or both. If the board of county commissioners objects, the board may negotiate a mutually acceptable compensation agreement with the board of township

trustees. In no case shall the compensation provided to the board of county commissioners exceed the property taxes foregone due to the exemption. If the board of county commissioners objects, and the board of county commissioners and board of township trustees fail to negotiate a mutually acceptable compensation agreement, the resolution adopted under division (C)(1) of this section shall provide to the board of county commissioners compensation in the eleventh and subsequent years of the exemption period equal in value to not more than fifty per cent of the taxes that would be payable to the county or, if the board of county commissioner's objection includes an objection to an exemption percentage in excess of seventy-five per cent, compensation equal in value to not more than fifty per cent of the taxes that would be payable to the county, on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation. The board of county commissioners shall certify its resolution to the board of township trustees not later than thirty days after receipt of the notice.

(3) If the board of county commissioners does not object or fails to certify its resolution objecting to an exemption within thirty days after receipt of the notice, the board of township trustees may adopt its resolution, and no compensation shall be provided to the board of county commissioners. If the board of county commissioners timely certifies its resolution objecting to the trustees' resolution, the board of township trustees may adopt its resolution at any time after a mutually acceptable compensation agreement is agreed to by the board of county commissioners and the board of township trustees, or, if no compensation agreement is negotiated, at any time after the board of township trustees agrees in the proposed resolution to provide compensation to the board of county commissioners of fifty per cent of the taxes that would be payable to the county in the eleventh and subsequent years of the exemption period or on the portion of the improvement in excess of seventy-five per cent, were that portion to be subject to taxation.

(F) Service payments in lieu of taxes that are attributable to any amount by which the effective tax rate of either a renewal levy with an increase or a replacement levy exceeds the effective tax rate of the levy renewed or replaced, or that are attributable to an additional levy, for a levy authorized by the voters for any of the following purposes on or after January 1, 2006, and which are provided pursuant to a resolution creating an incentive district under division (C)(1) of this section that is adopted on or after January 1, 2006, shall be distributed to the appropriate taxing authority as required under division (C) of section 5709.74 of the Revised Code in an amount

equal to the amount of taxes from that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (C) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or families;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section 5705.19 of the Revised Code for parks and recreational purposes of a joint recreation district organized pursuant to division (B) of section 755.14 of the Revised Code;

(10) A tax levied under section 1545.20 or 1545.21 of the Revised Code for park district purposes;

(11) A tax levied under section 5705.191 of the Revised Code for the purpose of making appropriations for public assistance; human or social services; public relief; public welfare; public health and hospitalization; and support of general hospitals;

(12) A tax levied under section 3709.29 of the Revised Code for a general health district program.

(G) An exemption from taxation granted under this section commences with the tax year specified in the resolution so long as the year specified in the resolution commences after the effective date of the resolution. If the resolution specifies a year commencing before the effective date of the

resolution or specifies no year whatsoever, the exemption commences with the tax year in which an exempted improvement first appears on the tax list and duplicate of real and public utility property and that commences after the effective date of the resolution. In lieu of stating a specific year, the resolution may provide that the exemption commences in the tax year in which the value of an improvement exceeds a specified amount or in which the construction of one or more improvements is completed, provided that such tax year commences after the effective date of the resolution. With respect to the exemption of improvements to parcels under division (B) of this section, the resolution may allow for the exemption to commence in different tax years on a parcel-by-parcel basis, with a separate exemption term specified for each parcel.

Except as otherwise provided in this division, the exemption ends on the date specified in the resolution as the date the improvement ceases to be a public purpose or the incentive district expires, or ends on the date on which the public infrastructure improvements and housing renovations are paid in full from the township public improvement tax increment equivalent fund established under section 5709.75 of the Revised Code, whichever occurs first. The exemption of an improvement with respect to a parcel or within an incentive district may end on a later date, as specified in the resolution, if the board of township trustees and the board of education of the city, local, or exempted village school district within which the parcel or district is located have entered into a compensation agreement under section 5709.82 of the Revised Code with respect to the improvement and the board of education has approved the term of the exemption under division (D) of this section, but in no case shall the improvement be exempted from taxation for more than thirty years. The board of township trustees may, by majority vote, adopt a resolution permitting the township to enter into such agreements as the board finds necessary or appropriate to provide for the construction or undertaking of public infrastructure improvements and housing renovations. Any exemption shall be claimed and allowed in the same or a similar manner as in the case of other real property exemptions. If an exemption status changes during a tax year, the procedure for the apportionment of the taxes for that year is the same as in the case of other changes in tax exemption status during the year.

(H) The board of township trustees may issue the notes of the township to finance all costs pertaining to the construction or undertaking of public infrastructure improvements and housing renovations made pursuant to this section. The notes shall be signed by the board and attested by the signature of the township fiscal officer, shall bear interest not to exceed the rate

provided in section 9.95 of the Revised Code, and are not subject to Chapter 133. of the Revised Code. The resolution authorizing the issuance of the notes shall pledge the funds of the township public improvement tax increment equivalent fund established pursuant to section 5709.75 of the Revised Code to pay the interest on and principal of the notes. The notes, which may contain a clause permitting prepayment at the option of the board, shall be offered for sale on the open market or given to the vendor or contractor if no sale is made.

(I) The township, not later than fifteen days after the adoption of a resolution under this section, shall submit to the director of development services a copy of the resolution. On or before the thirty-first day of March of each year, the township shall submit a status report to the director of development services. The report shall indicate, in the manner prescribed by the director, the progress of the project during each year that the exemption remains in effect, including a summary of the receipts from service payments in lieu of taxes; expenditures of money from the fund created under section 5709.75 of the Revised Code; a description of the public infrastructure improvements and housing renovations financed with the expenditures; and a quantitative summary of changes in private investment resulting from each project.

(J) Nothing in this section shall be construed to prohibit a board of township trustees from declaring to be a public purpose improvements with respect to more than one parcel.

If a parcel is located in a new community district in which the new community authority imposes a community development charge on the basis of rentals received from leases of real property as described in division (L)(2) of section 349.01 of the Revised Code, the parcel may not be exempted from taxation under this section.

(K) A board of township trustees that adopted a resolution under this section prior to July 21, 1994, may amend that resolution to include any additional public infrastructure improvement. A board of township trustees that seeks by the amendment to utilize money from its township public improvement tax increment equivalent fund for land acquisition in aid of industry, commerce, distribution, or research, demolition on private property, or stormwater and flood remediation projects may do so provided that the board currently is a party to a hold-harmless agreement with the board of education of the city, local, or exempted village school district within the territory of which are located the parcels that are subject to an exemption. For the purposes of this division, a "hold-harmless agreement" means an agreement under which the board of township trustees agrees to

compensate the school district for one hundred per cent of the tax revenue that the school district would have received from further improvements to parcels designated in the resolution were it not for the exemption granted by the resolution.

(L) Notwithstanding the limitation prescribed by division (D) of this section on the number of years that improvements to a parcel or parcels may be exempted from taxation, a board of trustees of a township with a population of fifteen thousand or more may amend a resolution originally adopted under this section before December 31, 1994, to extend the exemption of improvements to the parcel or parcels included in such resolution for an additional period not to exceed fifteen years. The amendment shall not increase the percentage of improvements to the parcel or parcels exempted from taxation. The ~~Before adopting an amendment authorized under this division, the board of township trustees shall obtain the approval of each board of education of the city, local, or exempted village school district within which the exempted parcels are located in the manner required under division (D) of this section, except that (1) the board of education may approve the exemption on the condition that the board of township trustees and the board of education negotiate an agreement providing for compensation to the school district equal in value to the amount of taxes the district forgoes in each year the exemption is extended pursuant to this division or any other mutually agreeable compensation and (2) if the board of education fails to certify a resolution approving the amendment to the board of township trustees within the time prescribed by division (D) of this section, the board of township trustees shall not adopt the amendment authorized under this division.~~

No approval under this division shall be required from a board of education that has adopted a resolution waiving its right to approve exemptions from taxation pursuant to division (D) of this section. If the board of education has adopted such a resolution, the board of township trustees shall comply with the notice requirements imposed under section 5709.83 of the Revised Code before taking formal action to adopt an amendment authorized under this division unless the board of education has adopted a resolution under that section waiving its right to receive the notice. ~~The~~ Not later than fourteen days before adopting an amendment authorized under this division, the board of township trustees shall deliver ~~an identical~~ a notice identical to a notice required under section 5709.83 of the Revised Code to the board of county commissioners of each county in which the exempted parcels are located.

(15) "Average operating expense" means the annual cost of operating and maintaining a producing well after it first begins production. For the purposes of this section, the average operating expense is forty per cent of annual gross revenue.

(16) "Average capital recovery expense" means the annual capitalized investment cost of a developed and producing well. For the purposes of this section, average capital recovery expense is thirty per cent of annual gross revenue.

(17) "Discount rate" means the rate used to determine the present net worth of one dollar during each year of the ten-year discount period assuming the net income stream projected for each year of the ten-year discount period is received at the half-year point. For the purposes of this section, the discount rate equals thirteen per cent plus the rate per annum prescribed by division (B) of section 5703.47 of the Revised Code and determined by the tax commissioner in October of the calendar year immediately preceding the tax lien date.

(B) The true value in money of oil reserves constituting real property on

tax lien dates January 1, 2007, and thereafter with respect to a developed and producing well that has not been the subject of a recent arm's length sale, exclusive of personal property necessary to recover the oil, shall be determined under division (B)(1) or (2) of this section.

(1) For ~~wells~~ oil reserves for which average daily production of oil from a well is one barrel or more in the calendar year preceding the tax lien date, the true value in money equals the average daily production of oil from the well multiplied by the net present value of one barrel of oil, where:

(a) Net present value of one barrel of oil =  $365 \times$  the sum of [net income for each year of the discount period  $\times$  discount rate factor for that year] for all years in the discount period; and

(b) Net income for a year of the discount period = gross revenue for that year minus the sum of the following for that year: average royalty expense, average operating expense, and average capital recovery expense.

(2) For ~~wells~~ oil reserves for which average daily production of oil from a well is less than one barrel in the calendar year preceding the tax lien date, the true value in money equals the average daily production of the well, if any, in the calendar year preceding the tax lien date multiplied by sixty per cent of the net present value of one barrel of oil as computed under division (B)(1) of this section.

(C) The true value in money of gas reserves constituting real property on tax lien dates January 1, 2007, and thereafter with respect to a developed and producing well that has not been the subject of a recent arm's length sale, exclusive of personal property necessary to recover the gas, shall be determined under division (C)(1) or (2) of this section.

(1) For ~~wells~~ gas reserves for which average daily production of gas from a well is eight M.C.F. or more in the calendar year preceding the tax lien date, the true value in money equals the average daily production of gas from the well multiplied by the net present value of one M.C.F. of gas, where:

(a) Net present value of one M.C.F. of gas =  $365 \times$  the sum of [net income for each year of the discount period  $\times$  discount rate factor for that year] for all years in the discount period; and

(b) Net income for a year of the discount period = gross revenue for that year minus the sum of the following for that year: average royalty expense, average operating expense, and average capital recovery expense.

(2) For ~~wells~~ gas reserves for which average daily production of gas from a well is less than eight M.C.F. in the calendar year preceding the tax lien date, the true value in money equals the average daily production of the well, if any, in the calendar year preceding the tax lien date multiplied by

fifty per cent of the net present value of one M.C.F. as computed under division (C)(1) of this section.

(D) No method other than the method described in this section shall be used to determine the true value in money of oil or gas reserves for property tax purposes.

Sec. 5713.31. At any time after the first Monday in January and prior to the first Monday in March of any year, an owner of agricultural land may file an application with the county auditor of the county in which such land is located, requesting the auditor to value the land for real property tax purposes at the current value such land has for agricultural use, in accordance with section 5715.01 of the Revised Code and the rules adopted by the commissioner for the valuation of such land. An owner's first application with respect to the owner's land shall be in the form of an initial application. Each application filed in ensuing consecutive years after the initial application by that owner shall be in the form of a renewal application. The commissioner shall prescribe the form of the initial and the renewal application, but the renewal application shall require no more information than is necessary to establish the applicant's continued eligibility to have the applicant's land valued for agricultural use, for all lots, parcels, or tracts of land, or portions thereof, within a county, that have been valued at the current value of such land for agricultural use in the preceding tax year. If, on the first day of January of the tax year, any portion of the applicant's agricultural land is used for a conservation practice or devoted to a land retirement or conservation program under an agreement with an agency of the federal government, the applicant shall so indicate on the initial or renewal application.

On or before the second Tuesday after the first Monday in March, the auditor shall determine whether the current owner of any lot, parcel, or tract of land or portion thereof contained in the preceding tax year's agricultural land tax list failed to file an initial or renewal application, as appropriate, for the current tax year with respect to such lot, parcel, or tract or portion thereof. The auditor shall forthwith notify, by certified mail, each owner who failed to file an application that unless application is filed with the auditor prior to the first Monday of April of the current year, the land will be valued for real property tax purposes in the current tax year at its true value in money and that the recoupment required by sections 5713.34 and 5713.35 of the Revised Code will be placed on the current year's tax list and duplicate for collection.

Each initial application shall be accompanied by a fee of twenty-five dollars. Application fees shall be paid into the county treasury to the credit

of the real estate assessment fund created under section 325.31 of the Revised Code.

Upon receipt of an application and payment of the required fee the auditor shall determine whether the information contained therein is correct and the application complete.

If the auditor determines the information is incorrect or the application is incomplete, the auditor shall return the application to the applicant by certified mail with an enumeration of the items which are incorrect or incomplete. An applicant may file an amended application, without charge, within fifteen days of the receipt of the returned application.

If the auditor determines the application or amended application is complete and the information therein is correct, the auditor shall, prior to the first Monday in August, view or cause to be viewed the land described in the application and determine whether the land is land devoted exclusively to agricultural use.

If the auditor determines, which determination shall be made as of the first Monday of August, annually, that the land is land devoted exclusively to agricultural use, the auditor shall appraise it for real property tax purposes in accordance with section 5715.01 of the Revised Code and the rules adopted by the commissioner for the valuation of land devoted exclusively to agricultural use and such appraised value shall be the value used by the auditor in determining the taxable value of such land for the current tax year under section 5713.03 of the Revised Code and as shown on the general tax list compiled under section 319.28 of the Revised Code.

The auditor shall enter on the real property record required under section 5713.03 of the Revised Code for the tract, lot, or parcel of land so appraised, in addition to the other information required to be recorded thereon, its value as land devoted exclusively to agricultural use based on the values determined by the commissioner for each soil type present in the tract, lot, or parcel. Subject to division (A)(1) of section 5713.34 of the Revised Code, tracts, lots, or parcels of land or portions thereof used for a conservation practice or devoted to a land retirement or conservation program under an agreement with an agency of the federal government on the first day of January of the tax year shall be valued at the lowest valued of all soil types listed in the commissioner's annual publication of the per-acre agricultural use values for each soil type in the state.

Sec. 5713.33. (A) The county auditor shall make and maintain an "agricultural land tax list," on forms prescribed by the tax commissioner, listing each tract, lot or parcel of land which has been valued for tax purposes as land devoted exclusively to agricultural use under section

5713.31 of the Revised Code, showing:

~~(A)~~(1) The name of the owner;

~~(B)~~(2) A description of the land;

~~(C)~~(3) The current agricultural use value and taxable value of the land as land devoted exclusively to agricultural use, as provided by section 5713.31 of the Revised Code;

~~(D)~~(4) The true value, and taxable value, of the land as determined in accordance with Section 2, Article XII, of the Ohio Constitution;

~~(E)~~(5) The dollar amount of real property taxes levied against such land under section 319.30 of the Revised Code for the current tax year;

~~(F)~~(6) The dollar amount of real property taxes which would have been levied against such land for the current tax year under section 319.30 of the Revised Code if it had been valued for tax purposes in accordance with Section 2, Article XII, of the Ohio Constitution;

~~(G)~~(7) The dollar difference between the amounts shown in divisions ~~(E)~~(A)(5) and ~~(F)~~(6) of this section.

~~(B)~~ Annually, upon determining the sums to be levied upon each tract and lot of real property under section 319.30 of the Revised Code, the county auditor shall enter upon the "agricultural land tax list" for each tract, lot or parcel of land valued under section 5713.31 of the Revised Code for the current tax year the appropriate figures for the current tax year, as required by this section.

~~(C)~~ Annually, the tax commissioner shall make available electronically a report that aggregates, by taxing district, the information described in divisions (A)(3) and (4) of this section for all such land for the preceding tax year. The report shall be compiled in such a manner that the information can be indexed and sorted by county and by school district.

Sec. 5713.34. (A)(1) Upon the conversion of all or any portion of a tract, lot, or parcel of land devoted exclusively to agricultural use a portion of the tax savings upon such converted land shall be recouped as provided for by Section 36, Article II, Ohio Constitution by levying a charge on such land in an amount equal to the amount of the tax savings on the converted land during the three tax years immediately preceding the year in which the conversion occurs. If the auditor discovers that agricultural land valued at the lowest valued soil type, pursuant to section 5713.31 of the Revised Code, because of its use for a conservation practice or devotion to a land retirement or conservation program ceases to be used or devoted to such purposes sooner than thirty-six months after the initial certification, the auditor shall levy a charge on such agricultural land in an amount equal to the reduction in taxes resulting from the land's valuation at the lowest valued

soil type, rather than valuation at its actual soil type, in all preceding years the land was so valued, not to exceed the most recent three years. The ~~charge~~ charges levied under this section shall constitute a lien of the state upon such converted land as of the first day of January of the tax year in which the charge is levied and shall continue until discharged as provided by law.

(2) Upon the conversion of an adequately described portion of a tract, lot, or parcel of land, the county auditor shall divide any numbered permanent parcel into economic units and value each unit individually for the purpose of levying the charge under division (A)(1) of this section against only the converted portion.

(3) A charge shall not be levied under this section for the conversion of a portion of a tract, lot, or parcel of land devoted exclusively to agricultural use if the conversion is incident to the construction or installation of an energy facility, as defined in section 5727.01 of the Revised Code, and if the remaining portion of the tract, lot, or parcel continues to be devoted exclusively to agricultural use.

(B) Except as otherwise provided in division (C) or (D) of this section, a public entity that acquires by any means and converts land devoted exclusively to agricultural use and a private entity granted the power of eminent domain that acquires by any means and converts land devoted exclusively to agricultural use shall pay the charge levied by division (A) of this section and shall not, directly or indirectly, transfer the charge to the person from whom the land is acquired. A person injured by a violation of this division may recover, in a civil action, any damages resulting from the violation.

(C) The charge levied by division (A)(1) of this section does not apply to the conversion of land acquired by a public entity by means other than eminent domain and thereafter used exclusively for a public purpose that leaves the land principally undeveloped when either of the following conditions applies:

(1) In the case of land so acquired and converted by a park district created under Chapter 1545. of the Revised Code, the land is located within the boundaries of the park district.

(2) In the case of land so acquired and converted by a public entity other than a park district created under Chapter 1545. of the Revised Code, the land is located within the boundaries of any city, local, exempted village, or joint vocational school district that is wholly or partially located within the boundaries of the public entity that so acquired and converted the land.

If all or any portion of a tract, lot, or parcel of such land is later

developed or otherwise converted to a purpose other than one of the purposes enumerated under division (E)(1) of this section, the charge levied by division (A)(1) of this section shall be levied against such developed or converted land as otherwise required by that division.

The county auditor of the county in which the land is located shall determine annually whether all or any portion of a tract, lot, or parcel of land formerly converted to a purpose enumerated under division (E)(1) of this section has been developed in such a way or converted to such a purpose as to require the charge levied by division (A)(1) of this section to be levied against the land so developed or converted.

(D) Division (B) of this section does not apply to a public entity that acquires by means other than eminent domain and converts land devoted exclusively to agricultural use to use for public, active or passive, outdoor education, recreation, or similar open space uses when either of the following conditions applies:

(1) In the case of land so acquired and converted by a park district created under Chapter 1545. of the Revised Code, the land is located outside the boundaries of the park district.

(2) In the case of land so acquired and converted by a public entity other than a park district created under Chapter 1545. of the Revised Code, the land is located outside the boundaries of any city, local, exempted village, or joint vocational school district that is wholly or partially located within the boundaries of the public entity that so acquired and converted the land.

(E) As used in divisions (C) and (D) of this section:

(1) "Principally undeveloped" means a parcel of real property that is used for public, active or passive, outdoor education, recreation, or similar open space uses and contains only the structures, roadways, and other facilities that are necessary for such uses.

(2) "Public entity" means any political subdivision of this state or any agency or instrumentality of a political subdivision.

Sec. 5715.01. (A) The tax commissioner shall direct and supervise the assessment for taxation of all real property. The commissioner shall adopt, prescribe, and promulgate rules for the determination of true value and taxable value of real property by uniform rule for such values and for the determination of the current agricultural use value of land devoted exclusively to agricultural use. ~~The~~

(1) ~~The~~ uniform rules shall prescribe methods of determining the true value and taxable value of real property ~~and shall also prescribe the method for determining the current agricultural use value of land devoted exclusively to agricultural use, which method shall reflect standard and~~

~~modern appraisal techniques that take into consideration: the productivity of the soil under normal management practices; the average price patterns of the crops and products produced to determine the income potential to be capitalized; the market value of the land for agricultural use; and other pertinent factors.~~ The rules shall provide that in determining the true value of lands or improvements thereon for tax purposes, all facts and circumstances relating to the value of the property, its availability for the purposes for which it is constructed or being used, its obsolete character, if any, the income capacity of the property, if any, and any other factor that tends to prove its true value shall be used. In determining the true value of minerals or rights to minerals for the purpose of real property taxation, the tax commissioner shall not include in the value of the minerals or rights to minerals the value of any tangible personal property used in the recovery of those minerals.

(2) The uniform rules shall prescribe the method for determining the current agricultural use value of land devoted exclusively to agricultural use, which method shall reflect standard and modern appraisal techniques that take into consideration the productivity of the soil under normal management practices, typical cropping and land use patterns, the average price patterns of the crops and products produced and the typical production costs to determine the net income potential to be capitalized, and other pertinent factors.

In determining the agricultural land capitalization rate to be applied to the net income potential from agricultural use, the commissioner shall use standard and modern appraisal techniques. In calculating the capitalization rate for any year, the commissioner shall comply with both of the following requirements:

(a) The commissioner shall use an equity yield rate equal to the greater of (i) the average of the total rates of return on farm equity for the twenty-five most recent years for which those rates have been calculated and published by the United States department of agriculture economic research service or another published source or (ii) the loan interest rate the commissioner uses for that year to calculate the capitalization rate;

(b) The commissioner shall assume that the holding period for agricultural land is twenty-five years for the purpose of computing buildup of equity or appreciation with respect to that land.

The commissioner shall add to the overall capitalization rate a tax additur. The sum of the overall capitalization rate and the tax additur shall represent as nearly as possible the rate of return a prudent investor would expect from an average or typical farm in this state considering only

agricultural factors.

The commissioner shall annually determine and announce the overall capitalization rate, tax additur, agricultural land capitalization rate, and the individual components used in computing such amounts in a determination, finding, computation, or order of the commissioner published simultaneously with the commissioner's annual publication of the per-acre agricultural use values for each soil type.

(3) Notwithstanding any other provision of this chapter and Chapter 5713. of the Revised Code, the current agricultural use value of land devoted exclusively to agricultural use shall equal the following amounts for the years specified:

(a) In counties that undergo a reappraisal or triennial update in 2017, the current agricultural use value of the land for each of the 2017, 2018, and 2019 tax years shall equal the sum of the following amounts:

(i) The current agricultural use value of the land for that tax year, as determined under this section and section 5713.31 of the Revised Code, and rules adopted pursuant those sections, without regard to the adjustment under division (A)(3)(a)(ii) of this section;

(ii) One-half of the amount, if any, by which the value of the land for the 2016 tax year, as determined under this section, section 5713.31 of the Revised Code, and the rules adopted pursuant those sections and issued by the tax commissioner for counties undergoing a reappraisal or triennial update in the 2016 tax year, exceeds the value determined under division (A)(3)(a)(i) of this section.

(b) In counties that undergo a reappraisal or triennial update in 2018, the current agricultural use value of the land for each of the 2018, 2019, and 2020 tax years shall equal the sum of the following amounts:

(i) The current agricultural use value of the land for that tax year, as determined under this section and section 5713.31 of the Revised Code, and rules adopted pursuant those sections, without regard to the adjustment under division (A)(3)(b)(ii) of this section;

(ii) One-half of the amount, if any, by which the value of the land for the 2017 tax year, as determined under this section, section 5713.31 of the Revised Code, and the rules adopted pursuant those sections and issued by the tax commissioner for counties undergoing a reappraisal or triennial update in the 2017 tax year, exceeds the value determined under division (A)(3)(b)(i) of this section.

(c) In counties that undergo a reappraisal or triennial update in 2019, the current agricultural use value of the land for each of the 2019, 2020, and 2021 tax years shall equal the sum of the following amounts:

(i) The current agricultural use value of the land for that tax year, as determined under this section and section 5713.31 of the Revised Code, and rules adopted pursuant those sections, without regard to the adjustment under division (A)(3)(c)(ii) of this section;

(ii) One-half of the amount, if any, by which the value of the land for the 2018 tax year, as determined under this section, section 5713.31 of the Revised Code, and the rules adopted pursuant those sections and issued by the tax commissioner for counties undergoing a reappraisal or triennial update in the 2018 tax year, exceeds the value determined under division (A)(3)(c)(i) of this section.

(B) The taxable value shall be that per cent of true value in money, or current agricultural use value in the case of land valued in accordance with section 5713.31 of the Revised Code, the commissioner by rule establishes, but it shall not exceed thirty-five per cent. The uniform rules shall also prescribe methods of making the appraisals set forth in section 5713.03 of the Revised Code. The taxable value of each tract, lot, or parcel of real property and improvements thereon, determined in accordance with the uniform rules and methods prescribed thereby, shall be the taxable value of the tract, lot, or parcel for all purposes of sections 5713.01 to 5713.26, 5715.01 to 5715.51, and 5717.01 to 5717.06 of the Revised Code. County auditors shall, under the direction and supervision of the commissioner, be the chief assessing officers of their respective counties, and shall list and value the real property within their respective counties for taxation in accordance with this section and sections 5713.03 and 5713.31 of the Revised Code and with such rules of the commissioner. There shall also be a board in each county, known as the county board of revision, which shall hear complaints and revise assessments of real property for taxation.

(C) The commissioner shall neither adopt nor enforce any rule that requires true value for any tax year to be any value other than the true value in money on the tax lien date of such tax year or that requires taxable value to be obtained in any way other than by reducing the true value, or in the case of land valued in accordance with section 5713.31 of the Revised Code, its current agricultural use value, by a specified, uniform percentage.

Sec. 5715.20. (A) Whenever a county board of revision renders a decision on a complaint filed under section 5715.19 of the Revised Code or on an application for remission under section 5715.39 of the Revised Code, it shall certify its action by certified mail to the person in whose name the property is listed or sought to be listed and ~~to the complainant~~, if the complainant or applicant is not the person in whose name the property is listed or sought to be listed, to the complainant or applicant. A person's time

to file an appeal under section 5717.01 of the Revised Code commences with the mailing of notice of the decision to that person as provided in this section. The tax commissioner's time to file an appeal under section 5717.01 of the Revised Code commences with the last mailing to a person required to be mailed notice of the decision as provided in this division.

(B) The tax commissioner may order the county auditor to send to the commissioner the decisions of the board of revision rendered on complaints filed under section 5715.19 of the Revised Code or on applications for remission filed under section 5715.39 of the Revised Code in the manner and for the time period that the commissioner prescribes. Nothing in this division extends the commissioner's time to file an appeal under section 5717.01 of the Revised Code.

Sec. 5715.27. (A)(1) Except as provided in division (A)(2) of this section and in section 3735.67 of the Revised Code, the owner, a vendee in possession under a purchase agreement or a land contract, the beneficiary of a trust, or a lessee for an initial term of not less than thirty years of any property may file an application with the tax commissioner, on forms prescribed by the commissioner, requesting that such property be exempted from taxation and that taxes, interest, and penalties be remitted as provided in division (C) of section 5713.08 of the Revised Code.

(2) If the property that is the subject of the application for exemption is any of the following, the application shall be filed with the county auditor of the county in which the property is listed for taxation:

- (a) A public road or highway;
- (b) Property belonging to the federal government of the United States;
- (c) Additions or other improvements to an existing building or structure that belongs to the state or a political subdivision, as defined in section 5713.081 of the Revised Code, and that is exempted from taxation as property used exclusively for a public purpose;

~~(d) Property of the boards of trustees and of the housing commissions of the state universities, the northeastern Ohio universities college of medicine, and of the state to be exempted under section 3345.17 of the Revised Code.~~

(B) The board of education of any school district may request the tax commissioner or county auditor to provide it with notification of applications for exemption from taxation for property located within that district. If so requested, the commissioner or auditor shall send to the board on a monthly basis reports that contain sufficient information to enable the board to identify each property that is the subject of an exemption application, including, but not limited to, the name of the property owner or applicant, the address of the property, and the auditor's parcel number. The

commissioner or auditor shall mail the reports by the fifteenth day of the month following the end of the month in which the commissioner or auditor receives the applications for exemption.

(C) A board of education that has requested notification under division (B) of this section may, with respect to any application for exemption of property located in the district and included in the commissioner's or auditor's most recent report provided under that division, file a statement with the commissioner or auditor and with the applicant indicating its intent to submit evidence and participate in any hearing on the application. The statements shall be filed prior to the first day of the third month following the end of the month in which that application was docketed by the commissioner or auditor. A statement filed in compliance with this division entitles the district to submit evidence and to participate in any hearing on the property and makes the district a party for purposes of sections 5717.02 to 5717.04 of the Revised Code in any appeal of the commissioner's or auditor's decision to the board of tax appeals.

(D) The commissioner or auditor shall not hold a hearing on or grant or deny an application for exemption of property in a school district whose board of education has requested notification under division (B) of this section until the end of the period within which the board may submit a statement with respect to that application under division (C) of this section. The commissioner or auditor may act upon an application at any time prior to that date upon receipt of a written waiver from each such board of education, or, in the case of exemptions authorized by section 725.02, 1728.10, 5709.40, 5709.41, 5709.411, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 5709.88 of the Revised Code, upon the request of the property owner. Failure of a board of education to receive the report required in division (B) of this section shall not void an action of the commissioner or auditor with respect to any application. The commissioner or auditor may extend the time for filing a statement under division (C) of this section.

(E) A complaint may also be filed with the commissioner or auditor by any person, board, or officer authorized by section 5715.19 of the Revised Code to file complaints with the county board of revision against the continued exemption of any property granted exemption by the commissioner or auditor under this section.

(F) An application for exemption and a complaint against exemption shall be filed prior to the thirty-first day of December of the tax year for which exemption is requested or for which the liability of the property to taxation in that year is requested. The commissioner or auditor shall

consider such application or complaint in accordance with procedures established by the commissioner, determine whether the property is subject to taxation or exempt therefrom, and, if the commissioner makes the determination, certify the determination to the auditor. Upon making the determination or receiving the commissioner's determination, the auditor shall correct the tax list and duplicate accordingly. If a tax certificate has been sold under section 5721.32 or 5721.33 of the Revised Code with respect to property for which an exemption has been requested, the tax commissioner or auditor shall also certify the findings to the county treasurer of the county in which the property is located.

(G) Applications and complaints, and documents of any kind related to applications and complaints, filed with the tax commissioner or county auditor under this section are public records within the meaning of section 149.43 of the Revised Code.

(H) If the commissioner or auditor determines that the use of property or other facts relevant to the taxability of property that is the subject of an application for exemption or a complaint under this section has changed while the application or complaint was pending, the commissioner or auditor may make the determination under division (F) of this section separately for each tax year beginning with the year in which the application or complaint was filed or the year for which remission of taxes under division (C) of section 5713.08 of the Revised Code was requested, and including each subsequent tax year during which the application or complaint is pending before the commissioner or auditor.

Sec. 5715.39. (A) The tax commissioner may remit real property taxes, manufactured home taxes, penalties, and interest found by the commissioner to have been illegally assessed. The commissioner also may remit any penalty charged against any real property or manufactured or mobile home that was the subject of an application for exemption from taxation under section 5715.27 of the Revised Code if the commissioner determines that the applicant requested such exemption in good faith. The commissioner shall include notice of the remission in the commissioner's certification to the county auditor required under that section.

(B) The county auditor, upon consultation with the county treasurer, shall remit a penalty for late payment of any real property taxes or manufactured home taxes when:

(1) The taxpayer could not make timely payment of the tax because of the negligence or error of the county auditor or county treasurer in the performance of a statutory duty relating to the levy or collection of such tax.

(2) In cases other than those described in division (B)(1) of this section,

and except as provided in division (B)(5) of this section, the taxpayer failed to receive a tax bill or a correct tax bill, and the taxpayer made a good faith effort to obtain such bill within thirty days after the last day for payment of the tax.

(3) The tax was not timely paid because of the death or serious injury of the taxpayer, or the taxpayer's confinement in a hospital within sixty days preceding the last day for payment of the tax if, in any case, the tax was subsequently paid within sixty days after the last day for payment of such tax.

(4) The taxpayer demonstrates that the full payment was properly deposited in the mail in sufficient time for the envelope to be postmarked by the United States postal service on or before the last day for payment of such tax. A private meter postmark on an envelope is not a valid postmark for purposes of establishing the date of payment of such tax.

(5) With respect to the first payment due after a taxpayer fully satisfies a mortgage against a parcel of real property, the mortgagee failed to notify the treasurer of the satisfaction of the mortgage, and the tax bill was not sent to the taxpayer.

(C) If the auditor determines that remission is not required under division (B) of this section, the auditor shall present the application to the board of revision. The board of revision shall review the auditor's determination and remit a penalty for late payment of any real property taxes or manufactured homes taxes if, in cases other than those described in division the board determines that any of divisions (B)(1) to (5) of this section, applies or if it determines that the taxpayer's failure to make timely payment of the tax is due to reasonable cause and not willful neglect.

(D) ~~The taxpayer, upon application within sixty days after the mailing of the county auditor's or board of revision's decision, may request the tax commissioner to review the denial of the remission of a penalty by the auditor or board. The application may be filed in person or by certified mail. If the application is filed by certified mail, the date of the United States postmark placed on the sender's receipt by the postal service shall be treated as the date of filing. The commissioner shall consider the application, determine whether the penalty should be remitted, and certify the determination to the taxpayer, to the county treasurer, and to the county auditor, who shall correct the tax list and duplicate accordingly. The commissioner may issue orders and instructions for the uniform implementation of this section by all county boards of revision, county auditors, and county treasurers, and such orders and instructions shall be followed by such officers and boards.~~

(E) This section shall not provide to the taxpayer any remedy with respect to any matter that the taxpayer may be authorized to complain of under section 4503.06, 5715.19, 5717.02, or 5727.47 of the Revised Code.

~~(F) Applications for remission, and documents of any kind related to those applications, filed with the tax commissioner under this section are public records within the meaning of section 149.43 of the Revised Code unless otherwise excepted under that section.~~

Sec. 5717.04. This section does not apply to any decision and order of the board made pursuant to section 5703.021 of the Revised Code. Any such decision and order shall be conclusive upon all parties and may not be appealed.

The proceeding to obtain a reversal, vacation, or modification of a decision of the board of tax appeals shall be by appeal to ~~the supreme court~~ ~~or~~ the court of appeals for the county in which the property taxed is ~~situate~~ situated or in which the taxpayer resides. If the taxpayer is a corporation, then the proceeding to obtain such reversal, vacation, or modification shall be by appeal to ~~the supreme court or to~~ the court of appeals for the county in which the property taxed is ~~situate~~ situated, or the county of residence of the agent for service of process, tax notices, or demands, or the county in which the corporation has its principal place of business. In all other instances, the proceeding to obtain such reversal, vacation, or modification shall be by appeal to the court of appeals for Franklin county.

Appeals from decisions of the board determining appeals from decisions of county boards of revision may be instituted by any of the persons who were parties to the appeal before the board of tax appeals, by the person in whose name the property involved in the appeal is listed or sought to be listed, if such person was not a party to the appeal before the board of tax appeals, or by the county auditor of the county in which the property involved in the appeal is located.

Appeals from decisions of the board of tax appeals determining appeals from final determinations by the tax commissioner of any preliminary, amended, or final tax assessments, reassessments, valuations, determinations, findings, computations, or orders made by the commissioner may be instituted by any of the persons who were parties to the appeal or application before the board, by the person in whose name the property is listed or sought to be listed, if the decision appealed from determines the valuation or liability of property for taxation and if any such person was not a party to the appeal or application before the board, by the taxpayer or any other person to whom the decision of the board appealed from was by law required to be sent, by the director of budget and management if the revenue

affected by the decision of the board appealed from would accrue primarily to the state treasury, by the county auditor of the county to the undivided general tax funds of which the revenues affected by the decision of the board appealed from would primarily accrue, or by the tax commissioner.

Appeals from decisions of the board upon all other appeals or applications filed with and determined by the board may be instituted by any of the persons who were parties to such appeal or application before the board, by any persons to whom the decision of the board appealed from was by law required to be sent, or by any other person to whom the board sent the decision appealed from, as authorized by section 5717.03 of the Revised Code.

Such appeals shall be taken within thirty days after the date of the entry of the decision of the board on the journal of its proceedings, as provided by such section, by the filing by appellant of a notice of appeal with the court of appeals to which the appeal is taken and the board. If the appeal is of a decision of the board on an action originally brought under section 5717.01 of the Revised Code, the appellant also shall submit, at the same time, a copy of the notice of appeal to the county board of revision and the county auditor. If a timely notice of appeal is filed by a party, any other party may file a notice of appeal within ten days of the date on which the first notice of appeal was filed or within the time otherwise prescribed in this section, whichever is later. A notice of appeal shall set forth the decision of the board appealed from and the errors therein complained of. Proof of the filing of such notice with the board of tax appeals shall be filed with the court of appeals to which the appeal is being taken. ~~The~~

The court of appeals in which notice of appeal is first filed shall have exclusive jurisdiction of the appeal, unless jurisdiction over the appeal is transferred to the supreme court pursuant to this paragraph. Within thirty days after a notice of appeal is filed with the appropriate court of appeals, a party to the appeal may file a petition with the supreme court to transfer jurisdiction over the appeal to the supreme court. The supreme court may approve the petition and order that the appeal be taken directly to the supreme court if the appeal involves a substantial constitutional question or a question of great general or public interest. Appeals for which jurisdiction is transferred to the supreme court under this paragraph shall proceed as though the decision of the board of tax appeals had been appealed directly to the supreme court. Appeals for which jurisdiction is not transferred to the supreme court shall proceed in the court of appeals.

In all such appeals the commissioner or all persons to whom the decision of the board appealed from is required by such section to be sent,

other than the appellant, shall be made appellees. Unless waived, notice of the appeal shall be served upon all appellees by certified mail. The prosecuting attorney shall represent the county auditor in any such appeal in which the auditor is a party. If the commissioner is not a party to the appeal or application before the board, the supreme court or a court of appeals, as applicable, shall not dismiss an appeal of the board's decision because of the failure to make the commissioner an appellee or to serve the notice of appeal to the commissioner as otherwise required under this section.

The board, upon written demand filed by an appellant, shall within thirty days after the filing of such demand file with the applicable court ~~to which the appeal is being taken~~ a certified transcript of the record of the proceedings of the board pertaining to the decision complained of and the evidence considered by the board in making such decision.

If upon hearing and consideration of such record and evidence the applicable court decides that the decision of the board appealed from is reasonable and lawful it shall affirm the same, but if the court decides that such decision of the board is unreasonable or unlawful, the court shall reverse and vacate the decision or modify it and enter final judgment in accordance with such modification.

The clerk of the applicable court shall certify the judgment of the court to the board, which shall certify such judgment to such public officials or take such other action in connection therewith as is required to give effect to the decision. ~~The "taxpayer" includes any person required to return any property for taxation.~~

Any party to the appeal shall have the right to appeal from the judgment of the court of appeals on questions of law, as in other cases.

As used in this section, "taxpayer" includes any person required to return any property for taxation.

Sec. 5725.33. (A) Except as otherwise provided in this section, terms used in this section have the same meaning as section 45D of the Internal Revenue Code, any related proposed, temporary, or final regulations promulgated under the Internal Revenue Code, any rules or guidance of the internal revenue service or the United States department of the treasury, and any related rules or guidance issued by the community development financial institutions fund of the United States department of the treasury, as such law, regulations, rules, and guidance exist on October 16, 2009.

As used in this section:

(1) "Adjusted purchase price" means the amount paid for the portion of a qualified equity investment approved or certified by the director of development services for a qualified community development entity in

accordance with rules adopted under division (E) of this section.

(2) "Applicable percentage" means zero per cent for each of the first two credit allowance dates, seven per cent for the third credit allowance date, and eight per cent for the four following credit allowance dates.

(3) "Credit allowance date" means the date, on or after January 1, 2010, a qualified equity investment is made and each of the six anniversary dates thereafter. For qualified equity investments made after October 16, 2009, but before January 1, 2010, the initial credit allowance date is January 1, 2010, and each of the six anniversary dates thereafter is on the first day of January of each year.

(4) "Qualified community development entity" includes only entities:

(a) That have entered into an allocation agreement with the community development financial institutions fund of the United States department of the treasury with respect to credits authorized by section 45D of the Internal Revenue Code;

(b) Whose service area includes any portion of this state; and

(c) That will designate an equity investment in such entities as a qualified equity investment for purposes of both section 45D of the Internal Revenue Code and this section.

(5) "Qualified equity investment" is limited to an equity investment in a qualified community development entity that:

(a) Is acquired after October 16, 2009, at its original issuance solely in exchange for cash;

(b) Has at least eighty-five per cent of its cash purchase price used by the qualified community development entity to make qualified low-income community investments in qualified active low-income community businesses in this state, provided that in the seventh year after a qualified equity investment is made, only seventy-five per cent of such cash purchase price must be used by the qualified community development entity to make qualified low-income community investments in those businesses; and

(c) Is designated by the issuer as a qualified equity investment.

"Qualified equity investment" includes any equity investment that would, but for division (A)(5)(a) of this section, be a qualified equity investment in the hands of the taxpayer if such investment was a qualified equity investment in the hands of a prior holder.

(B) There is hereby allowed a nonrefundable credit against the tax imposed by section 5725.18 of the Revised Code for an insurance company holding a qualified equity investment on the credit allowance date occurring in the calendar year for which the tax is due. The credit shall equal the applicable percentage of the adjusted purchase price, subject to divisions

(B)(1) and (2) of this section:

(1) For the purpose of calculating the amount of qualified low-income community investments held by a qualified community development entity, an investment shall be considered held by a qualified community development entity even if the investment has been sold or repaid, provided that, at any time before the seventh anniversary of the issuance of the qualified equity investment, the qualified community development entity reinvests an amount equal to the capital returned to or received or recovered by the qualified community development entity from the original investment, exclusive of any profits realized and costs incurred in the sale or repayment, in another qualified low-income community investment in this state within twelve months of the receipt of such capital. If the qualified low-income community investment is sold or repaid after the sixth anniversary of the issuance of the qualified equity investment, the qualified low-income community investment shall be considered held by the qualified community development entity through the seventh anniversary of the qualified equity investment's issuance.

(2) The qualified low-income community investment made in this state shall equal the sum of the qualified low-income community investments in each qualified active low-income community business in this state, not to exceed two million five hundred sixty-four thousand dollars, in which the qualified community development entity invests, including such investments in any such businesses in this state related to that qualified active low-income community business through majority ownership or control.

The credit shall be claimed in the order prescribed by section 5725.98 of the Revised Code. If the amount of the credit exceeds the amount of tax otherwise due after deducting all other credits in that order, the excess may be carried forward and applied to the tax due for not more than four ensuing years.

By claiming a tax credit under this section, an insurance company waives its rights under section 5725.222 of the Revised Code with respect to the time limitation for the assessment of taxes as it relates to credits claimed that later become subject to recapture under division (E) of this section.

~~(C) The amount of qualified equity investments on the basis of which credits may be claimed under this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code shall not exceed the amount, estimated by the director of development, that would cause the total amount of credits allowed each fiscal year to exceed ten million dollars, computed without regard to the potential for taxpayers to carry tax credits forward to later years~~ The aggregate amount of credit allocations made by the director of

development services under this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code each fiscal year shall not exceed ten million dollars.

(D) If any amount of the federal tax credit allowed for a qualified equity investment for which a credit was received under this section is recaptured under section 45D of the Internal Revenue Code, or if the director of development services determines that an investment for which a tax credit is claimed under this section is not a qualified equity investment or that the proceeds of an investment for which a tax credit is claimed under this section are used to make qualified low-income community investments other than in a qualified active low-income community business in this state, all or a portion of the credit received on account of that investment shall be paid by the insurance company that received the credit to the superintendent of insurance. The amount to be recovered shall be determined by the director of development services pursuant to rules adopted under division (E) of this section. The director shall certify any amount due under this division to the superintendent of insurance, and the superintendent shall notify the treasurer of state of the amount due. Upon notification, the treasurer shall invoice the insurance company for the amount due. The amount due is payable not later than thirty days after the date the treasurer invoices the insurance company. The amount due shall be considered to be tax due under section 5725.18 of the Revised Code, and may be collected by assessment without regard to the time limitations imposed under section 5725.222 of the Revised Code for the assessment of taxes by the superintendent. All amounts collected under this division shall be credited as revenue from the tax levied under section 5725.18 of the Revised Code.

(E) The tax credits authorized under this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code shall be administered by the development services agency. The director of development services, in consultation with the tax commissioner and the superintendent of insurance, pursuant to Chapter 119. of the Revised Code, shall adopt rules for the administration of this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code. The rules shall provide for determining the recovery of credits under division (D) of this section and under sections 5726.54, 5729.16, and 5733.58 of the Revised Code, including prorating the amount of the credit to be recovered on any reasonable basis, the manner in which credits may be allocated among claimants, and the amount of any application or other fees to be charged in connection with a recovery.

(F) ~~There is hereby created in the state treasury the new markets tax credit operating fund.~~ The director of development services is authorized to

charge reasonable application and other fees in connection with the administration of tax credits authorized by this section and sections 5726.54, 5729.16, and 5733.58 of the Revised Code. Any such fees collected shall be credited to the tax incentives operating fund created in section 122.174 of the Revised Code. ~~The director of development services shall use money in the fund to pay expenses related to the administration of tax credits authorized under sections 5725.33, 5726.54, 5729.16, and 5733.58 of the Revised Code.~~

(G) Tax credits earned or allocated to a pass-through entity, as that term is defined in section 5733.04 of the Revised Code, under section 5725.33, 5726.54, 5729.16, or 5733.58 of the Revised Code may be allocated to persons having a direct or indirect ownership interest in the pass-through entity for such persons' direct use in accordance with the provisions of any mutual agreement between such persons.

Sec. 5725.98. (A) To provide a uniform procedure for calculating the amount of tax imposed by section 5725.18 of the Revised Code that is due under this chapter, a taxpayer shall claim any credits and offsets against tax liability to which it is entitled in the following order:

(1) The credit for an insurance company or insurance company group under section 5729.031 of the Revised Code;

(2) The credit for eligible employee training costs under section 5725.31 of the Revised Code;

(3) The credit for purchasers of qualified low-income community investments under section 5725.33 of the Revised Code;

(4) The nonrefundable job retention credit under division (B) of section 122.171 of the Revised Code;

(5) The nonrefundable credit for investments in rural business and high-growth industry funds under section 122.152 of the Revised Code;

(6) The offset of assessments by the Ohio life and health insurance guaranty association permitted by section 3956.20 of the Revised Code;

~~(6)~~(7) The refundable credit for rehabilitating a historic building under section 5725.34 of the Revised Code.

~~(7)~~(8) The refundable credit for Ohio job retention under former division (B)(2) or (3) of section 122.171 of the Revised Code as those divisions existed before September 29, 2015, the effective date of the amendment of this section by H.B. 64 of the 131st general assembly;

~~(8)~~(9) The refundable credit for Ohio job creation under section 5725.32 of the Revised Code;

~~(9)~~(10) The refundable credit under section 5725.19 of the Revised Code for losses on loans made under the Ohio venture capital program

under sections 150.01 to 150.10 of the Revised Code.

(B) For any credit except the refundable credits enumerated in this section, the amount of the credit for a taxable year shall not exceed the tax due after allowing for any other credit that precedes it in the order required under this section. Any excess amount of a particular credit may be carried forward if authorized under the section creating that credit. Nothing in this chapter shall be construed to allow a taxpayer to claim, directly or indirectly, a credit more than once for a taxable year.

Sec. 5726.98. (A) To provide a uniform procedure for calculating the amount of tax due under section 5726.02 of the Revised Code, a taxpayer shall claim any credits to which the taxpayer is entitled under this chapter in the following order:

(1) The nonrefundable job retention credit under division (B) of section 5726.50 of the Revised Code;

(2) The nonrefundable credit for purchases of qualified low-income community investments under section 5726.54 of the Revised Code;

(3) The nonrefundable credit for qualified research expenses under section 5726.56 of the Revised Code;

(6) The nonrefundable credit for investments in rural business and high-growth industry funds under section 122.152 of the Revised Code;

(7) The refundable job retention or job creation credit under division (A) of section 5726.50 of the Revised Code;

~~(7)~~(8) The refundable credit under section 5726.53 of the Revised Code for losses on loans made under the Ohio venture capital program under sections 150.01 to 150.10 of the Revised Code;

~~(8)~~(9) The refundable motion picture production credit under section 5726.55 of the Revised Code.

(B) For any credit except the refundable credits enumerated in this section, the amount of the credit for a taxable year shall not exceed the tax due after allowing for any other credit that precedes it in the order required under this section. Any excess amount of a particular credit may be carried forward if authorized under the section creating that credit. Nothing in this chapter shall be construed to allow a taxpayer to claim, directly or indirectly, a credit more than once for a taxable year.

Sec. 5727.26. (A) The tax commissioner may make an assessment, based on any information in the commissioner's possession, against any

natural gas company or combined company that fails to file a return or pay any tax, interest, or additional charge as required by sections 5727.24 to 5727.29 of the Revised Code. The commissioner shall give the company assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition. A penalty of up to fifteen per cent may be added to all amounts assessed under this section. The tax commissioner may adopt rules providing for the imposition and remission of the penalty.

(B) Unless the company assessed, within sixty days after service of the notice of assessment, files with the tax commissioner, either personally or by certified mail, a written petition signed by the company's authorized agent having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the company assessed to the ~~treasurer of state~~ commissioner. The petition shall indicate the objections of the company assessed, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination.

If a petition for reassessment has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment, including accrued interest, remains unpaid, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the natural gas company's or combined company's principal place of business is located, or in the office of the clerk of court of common pleas of Franklin county.

Immediately on the filing of the entry, the clerk shall enter judgment for the state against the company assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled, "special judgments for the public utility excise tax on natural gas and combined companies," and shall have the same effect as other judgments. Execution shall issue upon the judgment at the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the tax commissioner issues the assessment until it is paid or until it is certified to the attorney general for

collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by the issuance of an assessment under this section.

(D) If the tax commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the company liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the company assessed or the company's authorized agent in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the company assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(E) The tax commissioner shall immediately forward to the treasurer of state all amounts that the tax commissioner receives under this section, and such amounts shall be considered revenue arising from the tax imposed by section 5727.24 of the Revised Code.

(F) No assessment shall be made or issued against a natural gas company or combined company for the tax imposed by section 5727.24 of the Revised Code more than four years after the return date for the period in which the tax was reported, or more than four years after the return for the period was filed, whichever is later.

Sec. 5727.28. (A) The ~~treasurer of state~~ tax commissioner shall refund to a natural gas company or combined company subject to the tax imposed by section 5727.24 of the Revised Code, the amount of tax paid illegally or erroneously, or paid on an illegal or erroneous assessment. Applications for a refund shall be filed with the tax commissioner, on a form prescribed by the commissioner, within four years of the illegal or erroneous payment of the tax.

On the filing of the application, the commissioner shall determine the

amount of refund to which the applicant is entitled. If the amount is not less than that claimed, the commissioner shall ~~certify the amount to~~ notify the director of budget and management and ~~treasurer of state for payment~~ issue the refund from the tax refund fund under section 5703.052 of the Revised Code. If the amount is less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

If the application for refund is for taxes paid on an illegal or erroneous assessment, the commissioner shall include in the certified amount interest calculated at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of overpayment to the date of the commissioner's certification.

(B) If a natural gas company or combined company entitled to a refund of taxes under this section, or section 5703.70 of the Revised Code, is indebted to the state for any tax or fee administered by the tax commissioner that is paid to the state, or any charge, penalty, or interest arising from such a tax or fee, the amount refundable may be applied in satisfaction of that debt. If the amount refundable is less than the amount of the debt, it may be applied in partial satisfaction of the debt. If the amount refundable is greater than the amount of the debt, the amount remaining after satisfaction of the debt shall be refunded.

(C) In lieu of granting a refund under division (A) or (B) of this section, the tax commissioner may allow a natural gas company or combined company to claim a credit of the amount of the tax refund on the return for the period during which the tax became refundable. The commissioner may require the company to submit information to support a claim for a credit under this division, and the commissioner may disallow the credit if the information is not provided.

Sec. 5727.31. (A) Each public utility subject to the excise tax imposed by section 5727.30 of the Revised Code, annually, on or before the first day of August, shall file with the tax commissioner a statement in such form as the commissioner prescribes and shall pay any amount due.

(B)(1) Annually, on or before the fifteenth day of October of the current year, each public utility whose estimated excise taxes for the current year as based upon the statement required to be filed in that year by division (A) of this section are one thousand dollars or more shall file with the ~~treasurer of state~~ commissioner a report, in such form as the ~~tax~~ commissioner prescribes, showing the amount of excise tax estimated to be charged or levied pursuant to law for the current year upon the basis of such annual statement, and shall remit a portion of the estimated excise taxes shown to be due by the report. The portion of the estimated excise taxes due at the

time the report is filed shall be one-third of its total excise taxes estimated to be charged or levied for the current year based upon the annual statement filed under division (A) of this section.

(2) Annually, on or before the first day of March and June, each public utility whose excise taxes as based upon its last preceding annual statement filed under division (A) of this section prior to the first day of January were one thousand dollars or more shall file with the ~~treasurer of state~~ commissioner a report, in such form as the ~~tax~~ commissioner prescribes, showing the amount of excise tax charged or levied pursuant to law upon the basis of such annual statement, and shall remit a portion of the excise taxes shown to be due by each such report. The portion of the excise taxes due at the time each such report is filed shall be one-third of its total excise taxes so charged or levied based upon such annual statement.

(C) Any public utility subject to the excise taxes imposed by section 5727.30 of the Revised Code whose tax as certified under section 5727.38 of the Revised Code in a year equals or exceeds the amount specified for that year in section 5727.311 of the Revised Code shall make the payments required under this section in the second ensuing and each succeeding year in the manner prescribed by section 5727.311 of the Revised Code, except as otherwise prescribed by that section.

(D)(1) For purposes of this section, a report required to be filed under division (B) of this section is considered filed when it is received by the ~~treasurer of state~~ tax commissioner.

(2) For purposes of this section and sections 5727.311 and 5727.42 of the Revised Code, remittance of an excise tax required to be made under this section is considered to be made when the remittance is received by the treasurer of state or tax commissioner, or when credited to an account designated by the treasurer of state for the receipt of tax remittances.

Sec. 5727.311. (A) Any public utility subject to an excise tax imposed by section 5727.30 of the Revised Code whose tax ~~as certified by the tax commissioner under section 5727.38 of the Revised Code~~ equals or exceeds fifty thousand dollars shall make each payment required under division (B) of section 5727.31 of the Revised Code for the second ensuing and each succeeding year by electronic funds transfer as prescribed by division (C) of this section.

If the tax ~~certified by the tax commissioner~~ in each of two consecutive years is less than fifty thousand dollars, the public utility is relieved of the requirement to remit taxes by electronic funds transfer for the year that next follows the second of the consecutive years in which the tax certified is less than fifty thousand dollars, and is relieved of that requirement for each

succeeding year unless the tax ~~certified~~ in a subsequent year equals or exceeds fifty thousand dollars.

(B) The tax commissioner shall notify each public utility required by this section or section 5727.25 of the Revised Code to remit taxes by electronic funds transfer of the public utility's obligation to do so; and shall maintain an updated list of those public utilities, ~~and shall timely certify the list and any additions thereto or deletions therefrom to the treasurer of state.~~ Failure by the tax commissioner to notify a public utility subject to this section to remit taxes by electronic funds transfer does not relieve the public utility of its obligation to remit taxes by electronic funds transfer.

(C) Public utilities required by this section or section 5727.25 of the Revised Code to remit periodic payments by electronic funds transfer shall remit such payments to the treasurer of state in the manner prescribed by rules adopted by the treasurer of state under section 113.061 of the Revised Code. The payment of public utility excise taxes by electronic funds transfer does not affect a public utility's obligation to file the annual statement and periodic reports in the manner and at the times prescribed by section 5727.31 of the Revised Code.

A public utility required by this section or section 5727.25 of the Revised Code to remit taxes by electronic funds transfer may apply to the ~~treasurer of state~~ tax commissioner in the manner prescribed by the ~~treasurer of state~~ commissioner to be excused from that requirement. The ~~treasurer of state~~ commissioner may excuse the public utility from remittance by electronic funds transfer for good cause shown for the period of time requested by the public utility or for a portion of that period. The ~~treasurer of state~~ commissioner shall notify the ~~tax commissioner and the~~ public utility of the ~~treasurer of state's~~ commissioner's decision as soon as is practicable.

(D) If a public utility required by this section or section 5727.25 of the Revised Code to remit taxes by electronic funds transfer remits those taxes by some means other than by electronic funds transfer as prescribed by this section and the rules adopted by the treasurer of state, and the ~~treasurer of state~~ tax commissioner determines that the failure to remit taxes as required was not due to reasonable cause or was due to willful neglect, the ~~treasurer of state~~ commissioner may impose an additional charge on the public utility equal to five per cent of the amount of the taxes required to be paid by electronic funds transfer, but not to exceed five thousand dollars. Any additional charge imposed under this section is in addition to any other penalty or charge imposed under this chapter, and shall be considered as revenue arising from excise taxes imposed by this chapter.

No additional charge shall be assessed under this division against a public utility that has been notified of its obligation to remit taxes under this section and that remits its first two tax payments after such notification by some means other than electronic funds transfer. The additional charge may be assessed upon the remittance of any subsequent tax payment that the public utility remits by some means other than electronic funds transfer.

Sec. 5727.38. On or before the first Monday of November, annually, the tax commissioner ~~shall~~ may assess an excise tax against ~~each~~ a public utility subject to the excise tax under section 5727.30 of the Revised Code. The tax shall be computed by multiplying the taxable gross receipts as determined by the commissioner under section 5727.33 of the Revised Code by six and three-fourths per cent in the case of pipe-line companies, and four and three-fourths per cent in the case of all other companies. The minimum tax for any such company for owning property or doing business in this state shall be fifty dollars. The assessment shall be ~~certified~~ mailed to the taxpayer ~~and treasurer of state~~.

Sec. 5727.42. (A) The treasurer of state shall ~~maintain a list of all taxes levied and payments made pursuant to the annual~~ notify the tax commissioner of any payment of the excise tax imposed by section 5727.30 of the Revised Code. The ~~treasurer of state~~ commissioner shall collect and the taxpayer shall pay all taxes and any penalties thereon. Payments of the tax may be made by mail, in person, by electronic funds transfer if required to do so by section 5727.311 of the Revised Code, or by any other means authorized by the ~~treasurer of state~~ commissioner. The ~~treasurer of state~~ commissioner may adopt rules concerning the methods and timeliness of payment.

(B) Each tax ~~bill~~ assessment issued pursuant to this section shall separately reflect the taxes and any penalty due, ~~due date~~, and any other information considered necessary. ~~The last day on which payment may be made without penalty shall be at least twenty but not more than thirty days from the date of mailing the tax bill.~~ The ~~treasurer of state~~ commissioner shall mail the ~~tax bill~~ assessment to the taxpayer, and the mailing of it shall be prima-facie evidence of receipt thereof by the taxpayer.

(C) The ~~treasurer of state~~ commissioner shall refund taxes levied and payments made for the tax imposed by section 5727.30 of the Revised Code as provided in this section, but no refund shall be made to a taxpayer having a delinquent claim certified pursuant to this section that remains unpaid. The ~~treasurer of state~~ commissioner may consult the attorney general regarding such claims.

(D) ~~Within twenty days after receipt of~~ After receiving any excise tax

~~assessment certified to the treasurer of state~~ annual statement for the tax imposed by section 5727.30 of the Revised Code, the ~~treasurer of state commissioner~~ shall:

(1) Ascertain the difference between the total taxes ~~shown on such assessment owed~~ and the sum of all ~~estimated payments, exclusive of any penalties thereon, previously~~ made for that year.

(2) If the difference is a deficiency, the ~~treasurer of state~~ commissioner shall issue ~~a tax bill~~ an assessment.

(3) If the difference is an excess, the ~~treasurer of state~~ commissioner shall ~~certify the name of the taxpayer and the amount to be refunded to~~ notify the director of budget and management ~~for payment and issue a refund of that amount~~ to the taxpayer. If the amount of the refund is less than that claimed by the taxpayer, the taxpayer, within sixty days of the issuance of the refund, may provide to the commissioner additional information to support the claim or may request a hearing. Upon receiving such information or request within that time, the commissioner shall follow the same procedures set forth in divisions (C) and (D) of section 5703.70 of the Revised Code for the determination of refund applications.

If the taxpayer has a deficiency for one tax year and an excess for another tax year, or any combination thereof for more than two years, the ~~treasurer of state~~ commissioner may determine the net result and, depending on such result, proceed to ~~mail a tax bill~~ issue an assessment or certify a refund.

(E) If a taxpayer fails to pay all the amount of taxes on or before the due date shown on the tax bill required to be paid, or fails to make an estimated payment on or before the due date prescribed in division (B) of section 5727.31 of the Revised Code, ~~but makes payment within ten calendar days of such date, the treasurer of state shall add a penalty equal to five per cent of the amount that should have been timely paid. If payment is not made within ten days of such date, the treasurer of state shall add a penalty equal to fifteen per cent of the amount that should have been timely paid. The treasurer of state shall prepare a delinquent claim for each tax bill on which penalties were added and certify such claims to the attorney general and tax commissioner. The~~ the commissioner shall impose a penalty in the amount of fifteen per cent of the unpaid amount, and the commissioner shall issue an assessment for the unpaid amount and penalty. Unless a timely petition for reassessment is filed under section 5727.47 of the Revised Code, the attorney general shall proceed to collect the delinquent taxes and penalties thereon in the manner prescribed by law and notify the ~~treasurer of state and tax~~ commissioner of all collections.

Sec. 5727.47. (A) Notice of each assessment certified or issued pursuant to section 5727.23 or 5727.38 of the Revised Code shall be mailed to the public utility, and its mailing shall be prima-facie evidence of its receipt by the public utility to which it is addressed. With the notice, the tax commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition. If a public utility objects to ~~any such~~ an assessment ~~certified to it pursuant to such sections~~, it may file with the commissioner, either personally or by certified mail, within sixty days after the mailing of the notice of assessment a written petition for reassessment signed by the utility's authorized agent having knowledge of the facts. The date the commissioner receives the petition shall be considered the date of filing. The petition shall indicate the utility's objections, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination.

In the case of a petition seeking a reduction in taxable value filed with respect to an assessment ~~issued~~ certified under section 5727.23 of the Revised Code, the petitioner shall state in the petition the total amount of reduction in taxable value sought by the petitioner. If the petitioner objects to the percentage of true value at which taxable property is assessed by the commissioner, the petitioner shall state in the petition the total amount of reduction in taxable value sought both with and without regard to the objection pertaining to the percentage of true value at which its taxable property is assessed. If a petitioner objects to the commissioner's apportionment of the taxable value of the petitioner's taxable property, the petitioner shall distinctly state in the petition that the petitioner objects to the commissioner's apportionment, and, within forty-five days after filing the petition for reassessment, shall submit the petitioner's proposed apportionment of the taxable value of its taxable property among taxing districts. If a petitioner that objects to the commissioner's apportionment fails to state its objections to that apportionment in its petition for reassessment or fails to submit its proposed apportionment within forty-five days after filing the petition for reassessment, the commissioner shall dismiss the petitioner's objection to the commissioner's apportionment, and the taxable value of the petitioner's taxable property, subject to any adjustment to taxable value pursuant to the petition or appeal, shall be apportioned in the manner used by the commissioner in the preliminary or amended preliminary assessment ~~issued~~ certified under section 5727.23 of the Revised Code.

If an additional objection seeking a reduction in taxable value in excess of the reduction stated in the original petition is properly and timely raised

with respect to an assessment issued under section 5727.23 of the Revised Code, the petitioner shall state the total amount of the reduction in taxable value sought in the additional objection both with and without regard to any reduction in taxable value pertaining to the percentage of true value at which taxable property is assessed. If a petitioner fails to state the reduction in taxable value sought in the original petition or in additional objections properly raised after the petition is filed, the commissioner shall notify the petitioner of the failure by certified mail. If the petitioner fails to notify the commissioner in writing of the reduction in taxable value sought in the petition or in an additional objection within thirty days after receiving the commissioner's notice, the commissioner shall dismiss the petition or the additional objection in which that reduction is sought.

(B)(1) Subject to divisions (B)(2) and (3) of this section, a public utility filing a petition for reassessment regarding an assessment certified or issued under section 5727.23 or 5727.38 of the Revised Code shall pay the tax with respect to the assessment objected to as required by law. The acceptance of any tax payment by the treasurer of state, tax commissioner, or any county treasurer shall not prejudice any claim for taxes on final determination by the commissioner or final decision by the board of tax appeals or any court.

(2) If a public utility properly and timely files a petition for reassessment regarding an assessment ~~issued~~ certified under section 5727.23 of the Revised Code, the petitioner shall pay the tax as prescribed by divisions (B)(2)(a), (b), and (c) of this section:

(a) If the petitioner does not object to the commissioner's apportionment of the taxable value of the petitioner's taxable property, the petitioner is not required to pay the part of the tax otherwise due on the taxable value that the petitioner seeks to have reduced, subject to division (B)(2)(c) of this section.

(b) If the petitioner objects to the commissioner's apportionment of the taxable value of the petitioner's taxable property, the petitioner is not required to pay the tax otherwise due on the part of the taxable value apportioned to any taxing district that the petitioner objects to, subject to division (B)(2)(c) of this section. If, pursuant to division (A) of this section, the petitioner has, in a proper and timely manner, apportioned taxable value to a taxing district to which the commissioner did not apportion the petitioner's taxable value, the petitioner shall pay the tax due on the taxable value that the petitioner has apportioned to the taxing district, subject to division (B)(2)(c) of this section.

(c) If a petitioner objects to the percentage of true value at which taxable property is assessed by the commissioner, the petitioner shall pay the tax due on the basis of the percentage of true value at which the public utility's

taxable property is assessed by the commissioner. In any case, the petitioner's payment of tax shall not be less than the amount of tax due based on the taxable value reflected on the last appeal notice issued by the commissioner under division (C) of this section. Until the county auditor receives notification under division (E) of this section and proceeds under section 5727.471 of the Revised Code to issue any refund that is found to be due, the county auditor shall not issue a refund for any increase in the reduction in taxable value that is sought by a petitioner later than forty-five days after the petitioner files the original petition as required under division (A) of this section.

(3) Any part of the tax that, under division (B)(2)(a) or (b) of this section, is not paid shall be collected upon receipt of the notification as provided in section 5727.471 of the Revised Code with interest thereon computed in the same manner as interest is computed under division (E) of section 5715.19 of the Revised Code, subject to any correction of the assessment by the commissioner under division (E) of this section or the final judgment of the board of tax appeals or a court to which the board's final judgment is appealed. The penalty imposed under section 323.121 of the Revised Code shall apply only to the unpaid portion of the tax if the petitioner's tax payment is less than the amount of tax due based on the taxable value reflected on the last appeal notice issued by the commissioner under division (C) of this section.

(C) Upon receipt of a properly filed petition for reassessment with respect to an assessment certified under section 5727.23 of the Revised Code, the tax commissioner shall notify the treasurer of state or the auditor of each county to which the assessment objected to has been certified. In the case of a petition with respect to an assessment ~~issued~~ certified under section 5727.23 of the Revised Code, the commissioner shall issue an appeal notice within thirty days after receiving the amount of the taxable value reduction and apportionment changes sought by the petitioner in the original petition or in any additional objections properly and timely raised by the petitioner. The appeal notice shall indicate the amount of the reduction in taxable value sought in the petition or in the additional objections and the extent to which the reduction in taxable value and any change in apportionment requested by the petitioner would affect the commissioner's apportionment of the taxable value among taxing districts in the county as shown in the assessment. If a petitioner is seeking a reduction in taxable value on the basis of a lower percentage of true value than the percentage at which the commissioner assessed the petitioner's taxable property, the appeal notice shall indicate the reduction in taxable value sought by the

petitioner without regard to the reduction sought on the basis of the lower percentage and shall indicate that the petitioner is required to pay tax on the reduced taxable value determined without regard to the reduction sought on the basis of a lower percentage of true value, as provided under division (B)(2)(c) of this section. The appeal notice shall include a statement that the reduced taxable value and the apportionment indicated in the notice are not final and are subject to adjustment by the commissioner or by the board of tax appeals or a court on appeal. If the commissioner finds an error in the appeal notice, the commissioner may amend the notice, but the notice is only for informational and tax payment purposes; the notice is not subject to appeal by any person. The commissioner also shall mail a copy of the appeal notice to the petitioner. Upon the request of a taxing authority, the county auditor may disclose to the taxing authority the extent to which a reduction in taxable value sought by a petitioner would affect the apportionment of taxable value to the taxing district or districts under the taxing authority's jurisdiction, but such a disclosure does not constitute a notice required by law to be given for the purpose of section 5717.02 of the Revised Code.

(D) If the petitioner requests a hearing on the petition, the tax commissioner shall assign a time and place for the hearing on the petition and notify the petitioner of such time and place, but the commissioner may continue the hearing from time to time as necessary.

(E) The tax commissioner may make corrections to the assessment as the commissioner finds proper. The commissioner shall serve a copy of the commissioner's final determination on the petitioner in the manner provided in section 5703.37 of the Revised Code. The commissioner's decision in the matter shall be final, subject to appeal under section 5717.02 of the Revised Code. The With respect to a final determination issued for an assessment certified under section 5727.23 of the Revised Code, the commissioner also shall transmit a copy of the final determination to the ~~treasurer of state or~~ applicable county auditor. In the absence of any further appeal, or when a decision of the board of tax appeals or of any court to which the decision has been appealed becomes final, the commissioner shall notify the public utility and, as appropriate, ~~the treasurer of state who~~ shall proceed under section 5727.42 of the Revised Code, or notify the applicable county auditor, who shall proceed under section 5727.471 of the Revised Code.

The notification made under this division is not subject to further appeal.

(F) On appeal, no adjustment shall be made in the tax commissioner's assessment ~~issued~~ certified under section 5727.23 of the Revised Code that reduces the taxable value of a petitioner's taxable property by an amount that

exceeds the reduction sought by the petitioner in its petition for reassessment or in any additional objections properly and timely raised after the petition is filed with the commissioner.

Sec. 5727.48. The tax commissioner, on application by a public utility, may extend to the public utility a further specified time, not to exceed ~~sixty~~ thirty days, within which to file any report or statement required by this chapter to be filed with the commissioner, except reports required by sections 5727.24 to 5727.29 of the Revised Code. A public utility must file such an application, in writing, with the commissioner on or before the date that the report or statement is otherwise required to be filed.

Sec. 5727.53. The taxes, fees, and penalties provided by this chapter that are remitted to the treasurer of state may be recovered by an action brought in the name of the state in the court of common pleas of Franklin county, or of any county in which such public utility is doing business, or in which the line of any railroad company is located, and such court of common pleas shall have jurisdiction of the action regardless of the amount involved. The attorney general, on request of the tax commissioner, shall institute such action in the court of common pleas of Franklin county or of any of such counties the commissioner directs. ~~In any such action it shall be sufficient to allege that the tax, fee, or penalty sought to be recovered stands charged on the delinquent duplicate of the treasurer of state, and that the same has been unpaid for a period of thirty days after having been placed thereon.~~ Sums recovered in any such action shall be paid into the state treasury in the same manner as the tax.

Sec. 5727.60. If a person fails to file a report within the time prescribed by section 5727.08 or 5727.31 of the Revised Code, including any extensions of time granted by the tax commissioner, a penalty of fifty dollars per month, not to exceed five hundred dollars, may be imposed for each month or fraction of a month elapsing between the due date of the report, including any extensions, and the date the report was filed. The penalty under this section for failing to file a report required by section 5727.08 of the Revised Code shall be paid into the state general revenue fund. ~~If the penalty is not paid within fifteen days after notice of the penalty is mailed to the person who failed to timely file the report, the tax commissioner shall certify the penalty as a claim to the attorney general for collection.~~ The penalty under this section for failing to file the report required by section 5727.31 of the Revised Code shall be deposited into the state treasury in the same manner as the tax, and the commissioner may collect the penalty by assessment pursuant to section 5727.38 of the Revised Code. The tax commissioner may abate this penalty in full or in part.

Sec. 5727.80. As used in sections 5727.80 to 5727.95 of the Revised Code:

(A) "Electric distribution company" means either of the following:

(1) A person who distributes electricity through a meter of an end user in this state or to an unmetered location in this state;

(2) The end user of electricity in this state, if the end user obtains electricity that is not distributed or transmitted to the end user by an electric distribution company that is required to remit the tax imposed by section 5727.81 of the Revised Code.

"Electric distribution company" does not include an end user of electricity in this state who self-generates electricity that is used directly by that end user on the same site that the electricity is generated or a person that donates all of the electricity the person generates to a political subdivision of the state. Division (A)(2) of this section shall not apply to a political subdivision in this state that is the end user of electricity that is donated to the political subdivision.

(B) "Kilowatt hour" means one thousand watt hours of electricity.

(C) For an electric distribution company, "meter of an end user in this state" means the last meter used to measure the kilowatt hours distributed by an electric distribution company to a location in this state, or the last meter located outside of this state that is used to measure the kilowatt hours consumed at a location in this state.

(D) "Person" has the same meaning as in section 5701.01 of the Revised Code, but also includes a political subdivision of the state.

(E) "Municipal electric utility" means a municipal corporation that owns or operates a system for the distribution of electricity.

(F) "Qualified end user" means an end user of electricity that satisfies either of the following criteria:

(1) The end user uses more than three million kilowatt hours of electricity at one manufacturing location in this state for a calendar day for use in a qualifying manufacturing process.

(2) The end user uses electricity at a manufacturing location in this state for use in a chlor-alkali manufacturing process but, if the end user uses electricity distributed by a municipal electric utility, the end user can only be a "qualified end user" upon obtaining the consent of the legislative authority of the municipal corporation that owns or operates the utility.

(G) "Qualified regeneration" means a process to convert electricity to a form of stored energy by means such as using electricity to compress air for storage or to pump water to an elevated storage reservoir, if such stored energy is subsequently used to generate electricity for sale to others

primarily during periods when there is peak demand for electricity.

(H) "Qualified regeneration meter" means the last meter used to measure electricity used in a qualified regeneration process.

(I) "Qualifying manufacturing process" means ~~the performance of an electrochemical reaction in which electrons from direct current electricity remain a part of the product being manufactured~~ an electrochemical manufacturing process or a chlor-alkali manufacturing process.

(J) "Self-assessing purchaser" means a purchaser that meets all the requirements of, and pays the excise tax in accordance with, division (C) of section 5727.81 of the Revised Code.

(K) "Natural gas distribution company" means a natural gas company or a combined company, as defined in section 5727.01 of the Revised Code, that is subject to the excise tax imposed by section 5727.24 of the Revised Code and that distributes natural gas through a meter of an end user in this state or to an unmetered location in this state.

(L) "MCF" means one thousand cubic feet.

(M) For a natural gas distribution company, "meter of an end user in this state" means the last meter used to measure the MCF of natural gas distributed by a natural gas distribution company to a location in this state, or the last meter located outside of this state that is used to measure the natural gas consumed at a location in this state.

(N) "Flex customer" means an industrial or a commercial facility that has consumed more than one billion cubic feet of natural gas a year at a single location during any of the previous five years, or an industrial or a commercial end user of natural gas that purchases natural gas distribution services from a natural gas distribution company at discounted rates or charges established in any of the following:

(1) A special arrangement subject to review and regulation by the public utilities commission under section 4905.31 of the Revised Code;

(2) A special arrangement with a natural gas distribution company pursuant to a municipal ordinance;

(3) A variable rate schedule that permits rates to vary between defined amounts, provided that the schedule is on file with the public utilities commission.

An end user that meets this definition on January 1, 2000, or thereafter is a "flex customer" for purposes of determining the rate of taxation under division (D) of section 5727.811 of the Revised Code.

(O) "Electrochemical manufacturing process" means the performance of an electrochemical reaction in which electrons from direct current electricity remain a part of the product being manufactured. "Electrochemical

manufacturing process" does not include a chlor-alkali manufacturing process.

(P) "Chlor-alkali manufacturing process" means a process that uses electricity to produce chlorine and other chemicals through the electrolysis of a salt solution.

Sec. 5727.81. (A) For the purpose of raising revenue to fund the needs of this state and its local governments, an excise tax is hereby levied and imposed on an electric distribution company for all electricity distributed by such company at the following rates per kilowatt hour of electricity distributed in a thirty-day period by the company through a meter of an end user in this state:

KILOWATT HOURS DISTRIBUTED TO AN END USER	RATE PER KILOWATT HOUR
For the first 2,000	\$.00465
For the next 2,001 to 15,000	\$.00419
For 15,001 and above	\$.00363

If no meter is used to measure the kilowatt hours of electricity distributed by the company, the rates shall apply to the estimated kilowatt hours of electricity distributed to an unmetered location in this state.

The electric distribution company shall base the monthly tax on the kilowatt hours of electricity distributed to an end user through the meter of the end user that is not measured for a thirty-day period by dividing the days in the measurement period into the total kilowatt hours measured during the measurement period to obtain a daily average usage. The tax shall be determined by obtaining the sum of divisions (A)(1), (2), and (3) of this section and multiplying that amount by the number of days in the measurement period:

(1) Multiplying \$0.00465 per kilowatt hour for the first sixty-seven kilowatt hours distributed using a daily average;

(2) Multiplying \$0.00419 for the next sixty-eight to five hundred kilowatt hours distributed using a daily average;

(3) Multiplying \$0.00363 for the remaining kilowatt hours distributed using a daily average.

Except as provided in division (C) of this section, the electric distribution company shall pay the tax to the tax commissioner in accordance with section 5727.82 of the Revised Code, unless required to remit each tax payment by electronic funds transfer to the treasurer of state in accordance with section 5727.83 of the Revised Code.

Only the distribution of electricity through a meter of an end user in this state shall be used by the electric distribution company to compute the

amount or estimated amount of tax due. In the event a meter is not actually read for a measurement period, the estimated kilowatt hours distributed by an electric distribution company to bill for its distribution charges shall be used.

(B) Except as provided in division (C) of this section, each electric distribution company shall pay the tax imposed by this section in all of the following circumstances:

(1) The electricity is distributed by the company through a meter of an end user in this state;

(2) The company is distributing electricity through a meter located in another state, but the electricity is consumed in this state in the manner prescribed by the tax commissioner;

(3) The company is distributing electricity in this state without the use of a meter, but the electricity is consumed in this state as estimated and in the manner prescribed by the tax commissioner.

(C)(1) As used in division (C) of this section:

(a) "Total price of electricity" means the aggregate value in money of anything paid or transferred, or promised to be paid or transferred, to obtain electricity or electric service, including but not limited to the value paid or promised to be paid for the transmission or distribution of electricity and for transition costs as described in Chapter 4928. of the Revised Code.

(b) "Package" means the provision or the acquisition, at a combined price, of electricity with other services or products, or any combination thereof, such as natural gas or other fuels; energy management products, software, and services; machinery and equipment acquisition; and financing agreements.

(c) "Single location" means a facility located on contiguous property separated only by a roadway, railway, or waterway.

(2) Division (C) of this section applies to any commercial or industrial purchaser's receipt of electricity through a meter of an end user in this state or through more than one meter at a single location in this state in a quantity that exceeds forty-five million kilowatt hours of electricity over the course of the preceding calendar year, or any commercial or industrial purchaser that will consume more than forty-five million kilowatt hours of electricity over the course of the succeeding twelve months as estimated by the tax commissioner. The tax commissioner shall make such an estimate upon the written request by an applicant for registration as a self-assessing purchaser under this division. For the meter reading period including July 1, 2008, through the meter reading period including December 31, 2010, such a purchaser may elect to self-assess the excise tax imposed by this section at

the rate of \$.00075 per kilowatt hour on the first five hundred four million kilowatt hours distributed to that meter or location during the registration year, and a percentage of the total price of all electricity distributed to that meter or location equal to three and one-half per cent. For the meter reading period including January 1, 2011, and thereafter, such a purchaser may elect to self-assess the excise tax imposed by this section at the rate of \$.00257 per kilowatt hour for the first five hundred million kilowatt hours, and \$.001832 per kilowatt hour for each kilowatt hour in excess of five hundred million kilowatt hours, distributed to that meter or location during the registration year.

A qualified end user that receives electricity through a meter of an end user in this state or through more than one meter at a single location in this state and that consumes, over the course of the previous calendar year, more than forty-five million kilowatt hours in other than its qualifying manufacturing process, may elect to self-assess the tax as allowed by this division with respect to the electricity used in other than its qualifying manufacturing process.

Payment of the tax shall be made directly to the tax commissioner in accordance with divisions (A)(4) and (5) of section 5727.82 of the Revised Code, or the treasurer of state in accordance with section 5727.83 of the Revised Code. If the electric distribution company serving the self-assessing purchaser is a municipal electric utility and the purchaser is within the municipal corporation's corporate limits, payment shall be made to such municipal corporation's general fund and reports shall be filed in accordance with divisions (A)(4) and (5) of section 5727.82 of the Revised Code, except that "municipal corporation" shall be substituted for "treasurer of state" and "tax commissioner." A self-assessing purchaser that pays the excise tax as provided in this division shall not be required to pay the tax to the electric distribution company from which its electricity is distributed. If a self-assessing purchaser's receipt of electricity is not subject to the tax as measured under this division, the tax on the receipt of such electricity shall be measured and paid as provided in division (A) of this section.

(3) In the case of the acquisition of a package, unless the elements of the package are separately stated isolating the total price of electricity from the price of the remaining elements of the package, the tax imposed under this section applies to the entire price of the package. If the elements of the package are separately stated, the tax imposed under this section applies to the total price of the electricity.

(4) Any electric supplier that sells electricity as part of a package shall separately state to the purchaser the total price of the electricity and, upon

request by the tax commissioner, the total price of each of the other elements of the package.

(5) The tax commissioner may adopt rules relating to the computation of the total price of electricity with respect to self-assessing purchasers, which may include rules to establish the total price of electricity purchased as part of a package.

(6) An annual application for registration as a self-assessing purchaser shall be made for each qualifying meter or location on a form prescribed by the tax commissioner. The registration year begins on the first day of May and ends on the following thirtieth day of April. Persons may apply after the first day of May for the remainder of the registration year. In the case of an applicant applying on the basis of an estimated consumption of forty-five million kilowatt hours over the course of the succeeding twelve months, the applicant shall provide such information as the tax commissioner considers to be necessary to estimate such consumption. At the time of making the application and by the first day of May of each year, a self-assessing purchaser shall pay a fee of five hundred dollars to the tax commissioner, or to the treasurer of state as provided in section 5727.83 of the Revised Code, for each qualifying meter or location. The tax commissioner shall immediately pay to the treasurer of state all amounts that the tax commissioner receives under this section. The treasurer of state shall deposit such amounts into the kilowatt hour excise tax administration fund, which is hereby created in the state treasury. Money in the fund shall be used to defray the tax commissioner's cost in administering the tax owed under section 5727.81 of the Revised Code by self-assessing purchasers. After the application is approved by the tax commissioner, the registration shall remain in effect for the current registration year, or until canceled by the registrant upon written notification to the commissioner of the election to pay the tax in accordance with division (A) of this section, or until canceled by the tax commissioner for not paying the tax or fee under division (C) of this section or for not meeting the qualifications in division (C)(2) of this section. The tax commissioner shall give written notice to the electric distribution company from which electricity is delivered to a self-assessing purchaser of the purchaser's self-assessing status, and the electric distribution company is relieved of the obligation to pay the tax imposed by division (A) of this section for electricity distributed to that self-assessing purchaser until it is notified by the tax commissioner that the self-assessing purchaser's registration is canceled. Within fifteen days of notification of the canceled registration, the electric distribution company shall be responsible for payment of the tax imposed by division (A) of this section on electricity

distributed to a purchaser that is no longer registered as a self-assessing purchaser. A self-assessing purchaser with a canceled registration must file a report and remit the tax imposed by division (A) of this section on all electricity it receives for any measurement period prior to the tax being reported and paid by the electric distribution company. A self-assessing purchaser whose registration is canceled by the tax commissioner is not eligible to register as a self-assessing purchaser for two years after the registration is canceled.

(7) If the tax commissioner cancels the self-assessing registration of a purchaser registered on the basis of its estimated consumption because the purchaser does not consume at least forty-five million kilowatt hours of electricity over the course of the twelve-month period for which the estimate was made, the tax commissioner shall assess and collect from the purchaser the difference between (a) the amount of tax that would have been payable under division (A) of this section on the electricity distributed to the purchaser during that period and (b) the amount of tax paid by the purchaser on such electricity pursuant to division (C)(2) of this section. The assessment shall be paid within sixty days after the tax commissioner issues it, regardless of whether the purchaser files a petition for reassessment under section 5727.89 of the Revised Code covering that period. If the purchaser does not pay the assessment within the time prescribed, the amount assessed is subject to the additional charge and the interest prescribed by divisions (B) and (C) of section 5727.82 of the Revised Code, and is subject to assessment under section 5727.89 of the Revised Code. If the purchaser is a qualified end user, division (C)(7) of this section applies only to electricity it consumes in other than its qualifying manufacturing process.

(D) The tax imposed by this section does not apply to the distribution of any kilowatt hours of electricity to the federal government, to an end user located at a federal facility that uses electricity for the enrichment of uranium, to a qualified regeneration meter, or to an end user for any day the end user is a qualified end user. The exemption under this division for a qualified end user only applies to the manufacturing location where the qualified end user uses electricity in a chlor-alkali manufacturing process or where the qualified end user uses more than three million kilowatt hours per day in a ~~qualifying an electrochemical~~ manufacturing process.

(E) All revenue arising from the tax imposed by this section shall be credited to the general revenue fund except as provided by division (C) of this section and section 5727.82 of the Revised Code.

Sec. 5729.98. (A) To provide a uniform procedure for calculating the amount of tax due under this chapter, a taxpayer shall claim any credits and

offsets against tax liability to which it is entitled in the following order:

(1) The credit for an insurance company or insurance company group under section 5729.031 of the Revised Code;

(C) For the purpose of the proper administration of this chapter, and to prevent the evasion of the tax, it is presumed that all sales made in this state are subject to the tax until the contrary is established.

(D) The levy of this tax on retail sales of recreation and sports club service shall not prevent a municipal corporation from levying any tax on recreation and sports club dues or on any income generated by recreation and sports club dues.

(E) The tax collected by the vendor from the consumer under this chapter is not part of the price, but is a tax collection for the benefit of the state, and of counties levying an additional sales tax pursuant to section 5739.021 or 5739.026 of the Revised Code and of transit authorities levying an additional sales tax pursuant to section 5739.023 of the Revised Code. Except for the discount authorized under section 5739.12 of the Revised Code and the effects of any rounding pursuant to section 5703.055 of the Revised Code, no person other than the state or such a county or transit authority shall derive any benefit from the collection or payment of the tax levied by this section or section 5739.021, 5739.023, or 5739.026 of the Revised Code.

Sec. 5739.021. (A) For the purpose of providing additional general revenues for the county ~~or~~, supporting criminal and administrative justice services in the county, funding a regional transportation improvement project under section 5595.06 of the Revised Code, or both any combination

of the foregoing, and to pay the expenses of administering such levy, any county may levy a tax at the rate of not more than one per cent at any multiple of ~~one-fourth~~ one-tenth of one per cent upon every retail sale made in the county, except sales of watercraft and outboard motors required to be titled pursuant to Chapter 1548. of the Revised Code and sales of motor vehicles, and may increase the rate of an existing tax to not more than one per cent at any multiple of ~~one-fourth~~ one-tenth of one per cent.

The tax shall be levied and the rate increased pursuant to a resolution of the board of county commissioners. The resolution shall state the purpose for which the tax is to be levied and the number of years for which the tax is to be levied, or that it is for a continuing period of time. If the tax is to be levied for the purpose of providing additional general revenues and for the purpose of supporting criminal and administrative justice services, the resolution shall state the rate or amount of the tax to be apportioned to each such purpose. The rate or amount may be different for each year the tax is to be levied, but the rates or amounts actually apportioned each year shall not be different from that stated in the resolution for that year. If the resolution is adopted as an emergency measure necessary for the immediate preservation of the public peace, health, or safety, it must receive an affirmative vote of all of the members of the board of county commissioners and shall state the reasons for such necessity. The board shall deliver a certified copy of the resolution to the tax commissioner, not later than the sixty-fifth day prior to the date on which the tax is to become effective, which shall be the first day of the calendar quarter.

Prior to the adoption of any resolution under this section, the board of county commissioners shall conduct two public hearings on the resolution, the second hearing to be not less than three nor more than ten days after the first. Notice of the date, time, and place of the hearings shall be given by publication in a newspaper of general circulation in the county, or as provided in section 7.16 of the Revised Code, once a week on the same day of the week for two consecutive weeks, the second publication being not less than ten nor more than thirty days prior to the first hearing.

Except as provided in division (B)(3) of this section, the resolution shall be subject to a referendum as provided in sections 305.31 to 305.41 of the Revised Code.

If a petition for a referendum is filed, the county auditor with whom the petition was filed shall, within five days, notify the board of county commissioners and the tax commissioner of the filing of the petition by certified mail. If the board of elections with which the petition was filed declares the petition invalid, the board of elections, within five days, shall

notify the board of county commissioners and the tax commissioner of that declaration by certified mail. If the petition is declared to be invalid, the effective date of the tax or increased rate of tax levied by this section shall be the first day of a calendar quarter following the expiration of sixty-five days from the date the commissioner receives notice from the board of elections that the petition is invalid.

(B)(1) A resolution that is not adopted as an emergency measure may direct the board of elections to submit the question of levying the tax or increasing the rate of tax to the electors of the county at a special election held on the date specified by the board of county commissioners in the resolution, provided that the election occurs not less than ninety days after a certified copy of such resolution is transmitted to the board of elections and the election is not held in February or August of any year. Upon transmission of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. No resolution adopted under this division shall go into effect unless approved by a majority of those voting upon it, and, except as provided in division (B)(3) of this section, shall become effective on the first day of a calendar quarter following the expiration of sixty-five days from the date the tax commissioner receives notice from the board of elections of the affirmative vote.

(2) A resolution that is adopted as an emergency measure shall go into effect as provided in division (A) of this section, but may direct the board of elections to submit the question of repealing the tax or increase in the rate of the tax to the electors of the county at the next general election in the county occurring not less than ninety days after a certified copy of the resolution is transmitted to the board of elections. Upon transmission of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. The ballot question shall be the same as that prescribed in section 5739.022 of the Revised Code. The board of elections shall notify the board of county commissioners and the tax commissioner of the result of the election immediately after the result has been declared. If a majority of the qualified electors voting on the question of repealing the tax or increase in the rate of the tax vote for repeal of the tax or repeal of the increase, the board of county commissioners, on the first day of a calendar quarter following the expiration of sixty-five days after the date the board and tax commissioner receive notice of the result of the election, shall, in the case of a repeal of the tax, cease to levy the tax, or, in the case of a repeal of an increase in the rate of the tax, cease to levy the increased rate and levy the

tax at the rate at which it was imposed immediately prior to the increase in rate.

(3) If a vendor makes a sale in this state by printed catalog and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or repealed or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (H) of this section.

(C) If a resolution is rejected at a referendum or if a resolution adopted after January 1, 1982, as an emergency measure is repealed by the electors pursuant to division (B)(2) of this section or section 5739.022 of the Revised Code, then for one year after the date of the election at which the resolution was rejected or repealed the board of county commissioners may not adopt any resolution authorized by this section as an emergency measure.

(D) The board of county commissioners, at any time while a tax levied under this section is in effect, may by resolution reduce the rate at which the tax is levied to a lower rate authorized by this section. Any reduction in the rate at which the tax is levied shall be made effective on the first day of a calendar quarter next following the sixty-fifth day after a certified copy of the resolution is delivered to the tax commissioner.

(E) The tax on every retail sale subject to a tax levied pursuant to this section shall be in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.023 or 5739.026 of the Revised Code.

A county that levies a tax pursuant to this section shall levy a tax at the same rate pursuant to section 5741.021 of the Revised Code.

The additional tax levied by the county shall be collected pursuant to section 5739.025 of the Revised Code. If the additional tax or some portion thereof is levied for the purpose of criminal and administrative justice services, the revenue from the tax, or the amount or rate apportioned to that purpose, shall be credited to a special fund created in the county treasury for receipt of that revenue.

Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a county under the Constitution of the United States or the Ohio Constitution.

(F) For purposes of this section, a copy of a resolution is "certified" when it contains a written statement attesting that the copy is a true and exact reproduction of the original resolution.

(G) If a board of commissioners intends to adopt a resolution to levy a

tax in whole or in part for the purpose of criminal and administrative justice services, the board shall prepare and make available at the first public hearing at which the resolution is considered a statement containing the following information:

(1) For each of the two preceding fiscal years, the amount of expenditures made by the county from the county general fund for the purpose of criminal and administrative justice services;

(2) For the fiscal year in which the resolution is adopted, the board's estimate of the amount of expenditures to be made by the county from the county general fund for the purpose of criminal and administrative justice services;

(3) For each of the two fiscal years after the fiscal year in which the resolution is adopted, the board's preliminary plan for expenditures to be made from the county general fund for the purpose of criminal and administrative justice services, both under the assumption that the tax will be imposed for that purpose and under the assumption that the tax would not be imposed for that purpose, and for expenditures to be made from the special fund created under division (E) of this section under the assumption that the tax will be imposed for that purpose.

The board shall prepare the statement and the preliminary plan using the best information available to the board at the time the statement is prepared. Neither the statement nor the preliminary plan shall be used as a basis to challenge the validity of the tax in any court of competent jurisdiction, nor shall the statement or preliminary plan limit the authority of the board to appropriate, pursuant to section 5705.38 of the Revised Code, an amount different from that specified in the preliminary plan.

(H) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) or (D) of this section, or from the board of elections of a notice of the results of an election required by division (A) or (B)(1) or (2) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

(I) As used in this section, "criminal and administrative justice services" means the exercise by the county sheriff of all powers and duties vested in that office by law; the exercise by the county prosecuting attorney of all powers and duties vested in that office by law; the exercise by any court in the county of all powers and duties vested in that court; the exercise by the clerk of the court of common pleas, any clerk of a municipal court having

jurisdiction throughout the county, or the clerk of any county court of all powers and duties vested in the clerk by law except, in the case of the clerk of the court of common pleas, the titling of motor vehicles or watercraft pursuant to Chapter 1548. or 4505. of the Revised Code; the exercise by the county coroner of all powers and duties vested in that office by law; making payments to any other public agency or a private, nonprofit agency, the purposes of which in the county include the diversion, adjudication, detention, or rehabilitation of criminals or juvenile offenders; the operation and maintenance of any detention facility, as defined in section 2921.01 of the Revised Code; and the construction, acquisition, equipping, or repair of such a detention facility, including the payment of any debt charges incurred in the issuance of securities pursuant to Chapter 133. of the Revised Code for the purpose of constructing, acquiring, equipping, or repairing such a facility.

Sec. 5739.023. (A)(1) For the purpose of providing additional general revenues for a transit authority or funding a regional transportation improvement project under section 5595.06 of the Revised Code, or both, and ~~paying to pay~~ the expenses of administering such levy, any transit authority as defined in division (U) of section 5739.01 of the Revised Code may levy a tax upon every retail sale made in the territory of the transit authority, except sales of watercraft and outboard motors required to be titled pursuant to Chapter 1548. of the Revised Code and sales of motor vehicles, at a rate of not more than one and one-half per cent at any multiple of ~~one-fourth~~ one-tenth of one per cent and may increase the existing rate of tax to not more than one and one-half per cent at any multiple of ~~one-fourth~~ one-tenth of one per cent. The tax shall be levied and the rate increased pursuant to a resolution of the legislative authority of the transit authority and a certified copy of the resolution shall be delivered by the fiscal officer to the board of elections as provided in section 3505.071 of the Revised Code and to the tax commissioner. The resolution shall specify the number of years for which the tax is to be in effect or that the tax is for a continuing period of time, and the date of the election on the question of the tax pursuant to section 306.70 of the Revised Code. The board of elections shall certify the results of the election to the transit authority and tax commissioner.

(2) Except as provided in division (C) of this section, the tax levied by the resolution shall become effective on the first day of a calendar quarter next following the sixty-fifth day following the date the tax commissioner receives from the board of elections the certification of the results of the election on the question of the tax.

(B) The legislative authority may, at any time while the tax is in effect, by resolution fix the rate of the tax at any rate authorized by this section and not in excess of that approved by the voters pursuant to section 306.70 of the Revised Code. Except as provided in division (C) of this section, any change in the rate of the tax shall be made effective on the first day of a calendar quarter next following the sixty-fifth day following the date the tax commissioner receives the certification of the resolution; provided, that in any case where bonds, or notes in anticipation of bonds, of a regional transit authority have been issued under section 306.40 of the Revised Code without a vote of the electors while the tax proposed to be reduced was in effect, the board of trustees of the regional transit authority shall continue to levy and collect under authority of the original election authorizing the tax a rate of tax that the board of trustees reasonably estimates will produce an amount in that year equal to the amount of principal of and interest on those bonds as is payable in that year.

(C) Upon receipt from the board of elections of the certification of the results of the election required by division (A) of this section, or from the legislative authority of the certification of a resolution under division (B) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

(D) If a vendor makes a sale in this state by printed catalog and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (C) of this section.

(E) The tax on every retail sale subject to a tax levied pursuant to this section is in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.021 or 5739.026 of the Revised Code.

(F) The additional tax levied by the transit authority shall be collected pursuant to section 5739.025 of the Revised Code.

(G) Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a transit authority under the constitution of the United States or the constitution of this state.

(H) The rate of a tax levied under this section is subject to reduction

~~(D) In lieu of collecting the tax pursuant to the schedules set forth in divisions (A), (B), and (C) of this section, a vendor may compute the tax on each sale as follows:~~

~~(1) On sales of fifteen cents or less, no tax shall apply.~~

~~(2) On sales in excess of fifteen cents, multiply the price by the aggregate rate of taxes in effect under sections 5739.02 and 5741.02 and sections 5739.021, 5739.023, 5739.026, 5741.021, 5741.022, and 5741.023 of the Revised Code. The computation shall be carried out to six decimal places. If the result is a fractional amount of a cent, the calculated tax shall be increased to the next highest cent and that amount shall be collected by the vendor.~~

~~(E)~~ On and after January 1, 2006, a (A) vendor shall compute the tax on each sale by multiplying the price by the aggregate rate of taxes in effect under sections 5739.02 and 5741.02, and sections 5739.021, 5739.023, 5739.026, 5741.021, 5741.022, and 5741.023 of the Revised Code. The computation shall be carried out to three decimal places. If the result is a fractional amount of a cent, the calculated tax shall be rounded to a whole cent using a method that rounds up to the next cent whenever the third decimal place is greater than four. A vendor may elect to compute the tax due on a transaction on an item or an invoice basis.

~~(F)~~(B) In auditing a vendor, the tax commissioner shall consider the method prescribed by this section that was used by the vendor in determining and collecting the tax due under this chapter on taxable transactions. If the vendor correctly collects and remits the tax due under this chapter in accordance with the ~~schedules in divisions (A), (B), and (C) of this section or in accordance with the~~ computation prescribed in division ~~(D) or (E)~~ (A) of this section, the commissioner shall not assess any additional tax on those transactions.

~~(G)~~(C)(1) With respect to a sale of a fractional ownership program aircraft used primarily in a fractional aircraft ownership program, including all accessories attached to such aircraft, the tax shall be calculated pursuant to ~~divisions~~ division ~~(A) to (E)~~ (A) of this section, provided that the tax commissioner shall modify those calculations so that the maximum tax on each program aircraft is eight hundred dollars. In the case of a sale of a fractional interest that is less than one hundred per cent of the program aircraft, the tax charged on the transaction shall be eight hundred dollars multiplied by a fraction, the numerator of which is the percentage of ownership or possession in the aircraft being purchased in the transaction, and the denominator of which is one hundred per cent.

(2) Notwithstanding any other provision of law to the contrary, the tax calculated under division ~~(G)~~(C)(1) of this section and paid with respect to the sale of a fractional ownership program aircraft used primarily in a fractional aircraft ownership program shall be credited to the general revenue fund.

Sec. 5739.026. (A) A board of county commissioners may levy a tax ~~of one-fourth or one-half of one per cent~~ on every retail sale in the county, except sales of watercraft and outboard motors required to be titled pursuant to Chapter 1548. of the Revised Code and sales of motor vehicles, at a rate of not more than one-half of one per cent at any multiple of one-tenth of one per cent and may increase an existing rate of ~~one-fourth of one per cent~~ tax to not more than one-half of one per cent at any multiple of one-tenth of one per cent, to pay the expenses of administering the tax and, except as provided in division (A)(6) of this section, for any one or more of the following purposes provided that the aggregate levy for all such purposes does not exceed one-half of one per cent:

(1) To provide additional revenues for the payment of bonds or notes issued in anticipation of bonds issued by a convention facilities authority established by the board of county commissioners under Chapter 351. of the Revised Code and to provide additional operating revenues for the convention facilities authority;

(2) To provide additional revenues for a transit authority operating in the county;

(3) To provide additional revenue for the county's general fund;

(4) To provide additional revenue for permanent improvements ~~within the county~~ to be distributed by the community improvements board in accordance with section 307.283 and to pay principal, interest, and premium on bonds issued under section 307.284 of the Revised Code;

(6) To provide revenue for the implementation and operation of a 9-1-1 system in the county. If the tax is levied or the rate increased exclusively for such purpose, the tax shall not be levied or the rate increased for more than five years. At the end of the last year the tax is levied or the rate increased, any balance remaining in the special fund established for such purpose shall remain in that fund and be used exclusively for such purpose until the fund is completely expended, and, notwithstanding section 5705.16 of the Revised Code, the board of county commissioners shall not petition for the

transfer of money from such special fund, and the tax commissioner shall not approve such a petition.

If the tax is levied or the rate increased for such purpose for more than five years, the board of county commissioners also shall levy the tax or increase the rate of the tax for one or more of the purposes described in divisions (A)(1) to (5) of this section and shall prescribe the method for allocating the revenues from the tax each year in the manner required by division (C) of this section.

(7) To provide additional revenue for the operation or maintenance of a detention facility, as that term is defined under division (F) of section 2921.01 of the Revised Code;

(8) To provide revenue to finance the construction or renovation of a sports facility, but only if the tax is levied for that purpose in the manner prescribed by section 5739.028 of the Revised Code.

(12) To provide additional revenue for a regional transportation improvement project under section 5595.06 of the Revised Code.

Pursuant to section 755.171 of the Revised Code, a board of county commissioners may pledge and contribute revenue from a tax levied for the purpose of division (A)(5) of this section to the payment of debt charges on bonds issued under section 755.17 of the Revised Code.

The rate of tax shall be a multiple of ~~one-fourth~~ one-tenth of one per cent, unless a portion of the rate of an existing tax levied under section 5739.023 of the Revised Code has been reduced, and the rate of tax levied under this section has been increased, pursuant to section 5739.028 of the Revised Code, in which case the aggregate of the rates of tax levied under

this section and section 5739.023 of the Revised Code shall be a multiple of ~~one-fourth~~ one-tenth of one per cent. The tax shall be levied and the rate increased pursuant to a resolution adopted by a majority of the members of the board. The board shall deliver a certified copy of the resolution to the tax commissioner, not later than the sixty-fifth day prior to the date on which the tax is to become effective, which shall be the first day of a calendar quarter.

Prior to the adoption of any resolution to levy the tax or to increase the rate of tax exclusively for the purpose set forth in division (A)(3) of this section, the board of county commissioners shall conduct two public hearings on the resolution, the second hearing to be no fewer than three nor more than ten days after the first. Notice of the date, time, and place of the hearings shall be given by publication in a newspaper of general circulation in the county, or as provided in section 7.16 of the Revised Code, once a week on the same day of the week for two consecutive weeks. The second publication shall be no fewer than ten nor more than thirty days prior to the first hearing. Except as provided in division (E) of this section, the resolution shall be subject to a referendum as provided in sections 305.31 to 305.41 of the Revised Code. If the resolution is adopted as an emergency measure necessary for the immediate preservation of the public peace, health, or safety, it must receive an affirmative vote of all of the members of the board of county commissioners and shall state the reasons for the necessity.

If the tax is for more than one of the purposes set forth in divisions (A)(1) to (7), (9), ~~and (10), and (12)~~ of this section, or is exclusively for one of the purposes set forth in division (A)(1), (2), (4), (5), (6), (7), (9), ~~or (10), or (12)~~ of this section, the resolution shall not go into effect unless it is approved by a majority of the electors voting on the question of the tax.

(B) The board of county commissioners shall adopt a resolution under section 351.02 of the Revised Code creating the convention facilities authority, or under section 307.283 of the Revised Code creating the community improvements board, before adopting a resolution levying a tax for the purpose of a convention facilities authority under division (A)(1) of this section or for the purpose of a community improvements board under division (A)(4) of this section.

(C)(1) If the tax is to be used for more than one of the purposes set forth in divisions (A)(1) to (7), (9), ~~and (10), and (12)~~ of this section, the board of county commissioners shall establish the method that will be used to determine the amount or proportion of the tax revenue received by the county during each year that will be distributed for each of those purposes,

including, if applicable, provisions governing the reallocation of a convention facilities authority's allocation if the authority is dissolved while the tax is in effect. The allocation method may provide that different proportions or amounts of the tax shall be distributed among the purposes in different years, but it shall clearly describe the method that will be used for each year. Except as otherwise provided in division (C)(2) of this section, the allocation method established by the board is not subject to amendment during the life of the tax.

(2) Subsequent to holding a public hearing on the proposed amendment, the board of county commissioners may amend the allocation method established under division (C)(1) of this section for any year, if the amendment is approved by the governing board of each entity whose allocation for the year would be reduced by the proposed amendment. In the case of a tax that is levied for a continuing period of time, the board may not so amend the allocation method for any year before the sixth year that the tax is in effect.

(a) If the additional revenues provided to the convention facilities authority are pledged by the authority for the payment of convention facilities authority revenue bonds for as long as such bonds are outstanding, no reduction of the authority's allocation of the tax shall be made for any year except to the extent that the reduced authority allocation, when combined with the authority's other revenues pledged for that purpose, is sufficient to meet the debt service requirements for that year on such bonds.

(b) If the additional revenues provided to the county are pledged by the county for the payment of bonds or notes described in division (A)(4) or (5) of this section, for as long as such bonds or notes are outstanding, no reduction of the county's or the community improvements board's allocation of the tax shall be made for any year, except to the extent that the reduced county or community improvements board allocation is sufficient to meet the debt service requirements for that year on such bonds or notes.

(c) If the additional revenues provided to the transit authority are pledged by the authority for the payment of revenue bonds issued under section 306.37 of the Revised Code, for as long as such bonds are outstanding, no reduction of the authority's allocation of tax shall be made for any year, except to the extent that the authority's reduced allocation, when combined with the authority's other revenues pledged for that purpose, is sufficient to meet the debt service requirements for that year on such bonds.

(d) If the additional revenues provided to the county are pledged by the county for the payment of bonds or notes issued under section 133.60 of the

Revised Code, for so long as the bonds or notes are outstanding, no reduction of the county's allocation of the tax shall be made for any year, except to the extent that the reduced county allocation is sufficient to meet the debt service requirements for that year on the bonds or notes.

(D)(1) The resolution levying the tax or increasing the rate of tax shall state the rate of the tax or the rate of the increase; the purpose or purposes for which it is to be levied; the number of years for which it is to be levied or that it is for a continuing period of time; the allocation method required by division (C) of this section; and if required to be submitted to the electors of the county under division (A) of this section, the date of the election at which the proposal shall be submitted to the electors of the county, which shall be not less than ninety days after the certification of a copy of the resolution to the board of elections and, if the tax is to be levied exclusively for the purpose set forth in division (A)(3) of this section, shall not occur in August of any year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. If approved by a majority of the electors, the tax shall become effective on the first day of a calendar quarter next following the sixty-fifth day following the date the board of county commissioners and tax commissioner receive from the board of elections the certification of the results of the election, except as provided in division (E) of this section.

(2)(a) A resolution specifying that the tax is to be used exclusively for the purpose set forth in division (A)(3) of this section that is not adopted as an emergency measure may direct the board of elections to submit the question of levying the tax or increasing the rate of the tax to the electors of the county at a special election held on the date specified by the board of county commissioners in the resolution, provided that the election occurs not less than ninety days after the resolution is certified to the board of elections and the election is not held in August of any year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. No resolution adopted under division (D)(2)(a) of this section shall go into effect unless approved by a majority of those voting upon it and, except as provided in division (E) of this section, not until the first day of a calendar quarter following the expiration of sixty-five days from the date the tax commissioner receives notice from the board of elections of the affirmative vote.

(b) A resolution specifying that the tax is to be used exclusively for the purpose set forth in division (A)(3) of this section that is adopted as an

emergency measure shall become effective as provided in division (A) of this section, but may direct the board of elections to submit the question of repealing the tax or increase in the rate of the tax to the electors of the county at the next general election in the county occurring not less than ninety days after the resolution is certified to the board of elections. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. The ballot question shall be the same as that prescribed in section 5739.022 of the Revised Code. The board of elections shall notify the board of county commissioners and the tax commissioner of the result of the election immediately after the result has been declared. If a majority of the qualified electors voting on the question of repealing the tax or increase in the rate of the tax vote for repeal of the tax or repeal of the increase, the board of county commissioners, on the first day of a calendar quarter following the expiration of sixty-five days after the date the board and tax commissioner received notice of the result of the election, shall, in the case of a repeal of the tax, cease to levy the tax, or, in the case of a repeal of an increase in the rate of the tax, cease to levy the increased rate and levy the tax at the rate at which it was imposed immediately prior to the increase in rate.

(c) A board of county commissioners, by resolution, may reduce the rate of a tax levied exclusively for the purpose set forth in division (A)(3) of this section to a lower rate authorized by this section. Any such reduction shall be made effective on the first day of the calendar quarter next following the sixty-fifth day after the tax commissioner receives a certified copy of the resolution from the board.

(E) If a vendor makes a sale in this state by printed catalog and the consumer computed the tax on the sale based on local rates published in the catalog, any tax levied or repealed or rate changed under this section shall not apply to such a sale until the first day of a calendar quarter following the expiration of one hundred twenty days from the date of notice by the tax commissioner pursuant to division (G) of this section.
