purchase, at par value or premium, a debt instrument issued by 33
the rural growth fund that meets all of the following criteria: 34

(1) The debt instrument has an original maturity date of 35

management fee to the extent it does not exceed two per cent of 62
the rural business growth fund's eligible investment authority. 63
"Eligible distribution" does not include such a distribution to 64
a person that made a credit-eligible capital contribution to the 65
rural business growth fund. 66

Sec. 122.151. (A) On and after October 1, 2017, a person 142
that has developed a business plan to invest in rural business 143
concerns in this state and has successfully solicited private 144
investors to make capital contributions in support of the plan 145
may apply to the development services agency for certification 146
as a rural business growth fund. The application shall include 147
all of the following: 148

(1) The total eligible investment authority sought by the 149
applicant under the business plan; 150

(2) Documents and other evidence sufficient to prove, to 151
the satisfaction of the agency, that the applicant meets all of 152
the following criteria: 153

(a) The applicant or an affiliate of the applicant is 154
licensed as a rural business investment company under 7 U.S.C. 155
2009cc, or as a small business investment company under 15 156
U.S.C. 681. 157

(b) As of the date the application is submitted, the 158
applicant has invested more than one hundred million dollars in 159
operating companies, including at least fifty million dollars in 160
operating companies located in rural areas. In computing 161

investments under this division, the applicant may include 162
investments made by affiliates of the applicant. 163

(3) The industries in which the applicant proposes to make 164
rural growth investments and the percentage of the rural growth 165
investments that will be made in each industry. The applicant 166
shall identify each industry by using the codes utilized by the 167
north American industry classification system. 168

(4) An estimate of the number of jobs that will be created 169
or retained in this state as a result of the applicant's rural 170
growth investments; 171

(5) A revenue impact assessment for the applicant's 172
proposed rural growth investments prepared by a nationally 173
recognized third-party independent economic forecasting firm 174
using a dynamic economic forecasting model. The revenue impact 175
assessment shall analyze the applicant's business plan over the 176
ten years following the date the application is submitted to the 177
agency. 178

(6) A signed affidavit from each investor successfully 179
solicited by the applicant to make a credit eligible capital 180
contribution in support of the business plan. Each affidavit 181
shall include information sufficient for the tax commissioner to 182
identify the investor and shall state the amount of the 183
investor's credit-eligible capital contribution. 184

(7) A nonrefundable application fee of five thousand 185
dollars. 186

(B) (1) Except as provided in division (B) (2) of this 187
section, the development services agency shall review and make a 188
determination with respect to each application submitted under 189
division (A) of this section within thirty days of receipt. The 190

agency shall review and make determinations on the applications 191
in the order in which the applications are received by the 192
agency. Applications received by the agency on the same day 193
shall be deemed to have been received simultaneously. Except as 194
provided in division (C) of section 122.154 of the Revised Code, 195
the agency shall approve not more than seventy-five million 196
dollars in eligible investment authority and not more than 197
forty-five million dollars in credit-eligible capital 198
contributions under this section. 199

(2) If the agency denies an application for certification 200
as a rural business growth fund, and approving a subsequently 201
submitted application would result in exceeding the dollar 202
limitation on eligible investment authority or credit-eligible 203
contributions prescribed by division (B)(1) of this section 204
assuming the previously denied application were completed, 205
clarified, or cured under division (D) of this section, the 206
agency may refrain from making a determination on the 207
subsequently submitted application until the previously denied 208
application is reconsidered or the fifteen-day period for 209
submitting additional information respecting that application 210
has passed, whichever comes first. 211

(C) The agency shall deny an application submitted under 212
this section if any of the following are true: 213

(1) The application is incomplete. 214

(2) The application fee is not paid in full. 215

(3) The applicant does not satisfy all the criteria 216
described in division (A)(2) of this section. 217

(4) The revenue impact assessment submitted under division 218
(A)(5) of this section does not demonstrate that the applicant's 219

business plan will result in a positive economic impact on this 220
state over a ten-year period that exceeds the cumulative amount 221
of tax credits that would be issued under section 122.152 of the 222
Revised Code if the application were approved. 223

(5) The credit-eligible capital contributions described in 224
affidavits submitted under division (A)(6) of this section do 225
not equal sixty per cent of the total amount of eligible 226
investment authority sought under the applicant's business plan. 227

(6) The agency has already approved the maximum amount of 228
eligible investment authority and credit-eligible capital 229
contributions allowed under division (B) of this section. 230

(D) If the agency denies an application under division (C) 231
of this section, the agency shall send notice of its 232
determination to the applicant. The notice shall include the 233
reasons that the application was denied. If the application was 234
denied for any reason other than the reason specified in 235
division (C)(6) of this section, the applicant may provide 236
additional information to the agency to complete, clarify, or 237
cure defects in the application. The additional information must 238
be submitted within fifteen days after the date the notice of 239
denial was dispatched by the agency. If the person or entity 240
submits additional information within fifteen days, the agency 241
shall reconsider the application within thirty days after 242
receiving the additional information. The application shall be 243
reviewed and considered before any pending application submitted 244
after the original submission date of the reconsidered 245
application. If the person or entity does not submit additional 246
information within fifteen days after dispatch of the notice of 247
denial, the applicant may submit a new application with a new 248
submission date at any time. 249

(E) If approving multiple simultaneously submitted applications would result in exceeding the overall eligible investment limit prescribed by division (B) of this section, the development services agency shall proportionally reduce the eligible investment authority and the credit-eligible capital contributions for each approved application as necessary to avoid exceeding the limit. 250
251
252
253
254
255
256

(F) The development services agency shall not deny a rural business growth fund application or reduce the requested eligible investment authority for reasons other than those described in divisions (C) and (E) of this section. If the agency approves such an application, the agency shall issue all of the following notices: 257
258
259
260
261
262

(1) To the applicant, a written notice certifying that the applicant qualifies as a rural business growth fund and specifying the amount of the applicant's eligible investment authority; 263
264
265
266

(2) To each investor whose affidavit was included in the application, a tax credit certificate specifying the amount of the investor's credit-eligible capital contribution; 267
268
269

(3) To the tax commissioner, a copy of each tax credit certificate issued under division (F) (2) of this section. 270
271

(G) A rural business growth fund shall do all of the following within sixty days of receiving the certification issued under division (F) (1) of this section: 272
273
274

(1) Collect the credit-eligible capital contributions from each investor issued a tax credit certificate under division (F) 275
276

(2) of this section; 277

(2) Collect one or more investments of cash that, when 278

added to the contributions collected under division (G) (1) of 279
this section, equal the fund's eligible investment authority. At 280
least ten per cent of the fund's eligible investment authority 281
shall be comprised of equity investments contributed by 282
affiliates of the rural business growth fund, including 283
employees, officers, and directors of such affiliates. 284

Within sixty-five days after receiving the certification 285
issued under division (F) (1) of this section, the rural business 286
growth fund shall send to the development services agency 287
documentation sufficient to prove that the amounts described in 288
divisions (G) (1) and (2) of this section have been collected. If 289
the rural business growth fund fails to fully comply with 290
division (G) of this section, the fund's certification shall 291
lapse. 292

Eligible investment authority and corresponding credit- 293
eligible capital contributions that lapse under this division do 294
not count toward limits on total eligible investment authority 295
and credit-eligible capital contributions prescribed by division 296
(B) of this section. Once eligible investment authority has 297
lapsed, the agency shall first award lapsed authority pro rata 298
to each rural business growth fund that was awarded less than 299
the requested eligible investment authority under division (E) 300
of this section. Any remaining eligible investment authority may 301
be awarded by the agency to new applicants. 302

(H) Application fees submitted to the agency pursuant to 303
division (A) (7) of this section shall be credited to the Ohio 304
rural jobs fund, which is hereby created, and used by the agency 305
to administer this section and sections 122.15 to 122.154 of the 306
Revised Code. 307

Sec. 122.152. (A) There is hereby allowed a nonrefundable 308

tax credit for taxpayers that made a credit-eligible capital contribution to a rural business growth fund and were issued a tax credit certificate under division (F) (2) of section 122.151 of the Revised Code. The credit may be claimed against the tax imposed by section 5725.18, 5729.03, or 5729.06 of the Revised Code. 309
310
311
312
313
314

(B) On the closing date, the taxpayer shall earn a vested credit equal to the amount of the taxpayer's credit-eligible capital contribution to the rural business growth fund, as specified on the tax credit certificate. The taxpayer may claim up to one-third of the credit authorized under this section for each of the taxable years that includes the second, third, and fourth anniversary dates of the closing date, exclusive of amounts carried forward pursuant to division (C) of this section. 315
316
317
318
319
320
321
322
323

(C) The credit shall be claimed in the order required under section 5725.98 or 5729.98 of the Revised Code as applicable. If the amount of the credit for a taxable year exceeds the tax otherwise due for that year, the excess shall be carried forward to ensuing taxable years until fully used. A taxpayer claiming a credit under this section shall submit a copy of the tax credit certificate with the taxpayer's return for each taxable year for which the credit is claimed. 324
325
326
327
328
329
330
331

Sec. 122.153. (A) The development services agency shall revoke a tax credit certificate issued under section 122.151 of the Revised Code if any of the following occur with respect to a rural business growth fund before the fund is decertified under division (C) of this section: 332
333
334
335
336

(1) The rural business growth fund in which the credit-eligible capital contribution was made does not invest one 337
338

hundred per cent of its eligible investment authority in rural 339
growth investments in this state within two years of the closing 340
date. 341

(2) The rural business growth fund, after investing one 342
hundred per cent of its eligible investment authority in rural 343
growth investments in this state, fails to maintain that 344
investment until the fifth anniversary of the closing date. For 345
the purposes of this division, an investment is "maintained" 346
even if the investment is sold or repaid so long as the rural 347
business growth fund reinvests an amount equal to the capital 348
returned or recovered by the fund from the original investment, 349
exclusive of any profits realized, in other rural growth 350
investments in this state within twelve months of the receipt of 351
such capital. Amounts received periodically by a rural business 352
growth fund shall be treated as continually invested in rural 353
growth investments if the amounts are reinvested in one or more 354
rural growth investments by the end of the following calendar 355
year. A rural business growth fund is not required to reinvest 356
capital returned from rural growth investments after the fourth 357
anniversary of the closing date, and such rural growth 358
investments shall be considered held continuously by the rural 359
growth fund through the fifth anniversary of the closing date. 360

(3) The rural business growth fund makes a distribution or 361
payment other than an eligible distribution before the fifth 362
anniversary of the closing date. 363

(4) The rural business growth fund invests more than 364
twenty per cent of its eligible investment authority in the same 365
rural business concern, including amounts invested in affiliates 366
of the rural business concern. 367

(5) The rural business growth fund makes a rural growth 368

investment in a rural business concern that directly or 369
indirectly through an affiliate owns, has the right to acquire 370
an ownership interest, makes a loan to, or makes an investment 371
in the rural business growth fund, an affiliate of the rural 372
business growth fund, or an investor in the rural business 373
growth fund. Division (A) (5) of this section does not apply to 374
investments in publicly traded securities by a rural business 375
concern or an owner or affiliate of such concern. 376

Before revoking one or more tax credit certificates under 377
this division, the agency shall notify the rural business growth 378
fund of the reasons for the pending revocation. If the rural 379
business growth fund corrects the violations outlined in the 380
notice to the satisfaction of the agency within one hundred 381
eighty days of the date the notice was dispatched, the agency 382
shall not revoke the tax credit certificates. 383

(B) (1) If the development services agency revokes a tax 384
credit certificate under division (A) of this section, the 385
agency shall notify the tax commissioner and the superintendent 386
of insurance of the revocation. The superintendent shall make an 387
assessment under Chapter 5725. or 5729. of the Revised Code for 388
the amount of the credit claimed by the certificate holder 389
before the certificate was revoked. The time limitations on 390
assessments under those chapters do not apply to an assessment 391
under this division, but the superintendent shall make the 392
assessment within one year after the date the agency notifies 393
the superintendent that the certificate has been revoked. 394

(2) If tax credit certificates are revoked under this 395
section, the associated eligible investment authority and 396
credit-eligible capital contributions do not count toward the 397
limit on total eligible investment authority and credit-eligible 398

capital contributions described by division (B) of section 399
122.151 of the Revised Code. The agency shall first award 400
reverted authority pro rata to each rural business growth fund 401
that was awarded less than the requested eligible investment 402
authority under division (E) of section 122.151 of the Revised 403
Code. Any remaining eligible investment authority may be awarded 404
by the agency to new applicants. 405

(C) (1) On or after the fifth anniversary of the closing 406
date, a rural business growth fund that has not committed any of 407
the acts described in division (A) of this section may apply to 408
the development services agency to decertify as a rural business 409
growth fund. The agency shall respond to the application within 410
thirty days after receiving the application. In evaluating the 411
application, the fact that no tax credit certificates have been 412
revoked with respect to the rural business growth fund shall be 413
sufficient evidence to prove that the fund is eligible for 414
decertification. The agency shall not unreasonably deny an 415
application submitted under this division. 416

(2) The agency shall send notice of its determination with 417
respect to an application submitted under division (C) (1) of 418
this section to the rural business growth fund. If the 419
application is denied, the notice shall include the reasons for 420
the determination. 421

(3) The agency shall not revoke a tax credit certificate 422
due to any actions of a rural business growth fund that occur 423
after the date the fund's application for decertification is 424
approved under division (C) of this section. This division does 425
not prohibit the agency from revoking a tax credit certificate 426
due to the actions of a rural business growth fund that occur 427
before the date the fund's application for decertification is 428

approved, even if those actions are discovered after that date. 429

Sec. 122.154. (A) Each rural business growth fund shall 430
submit a report to the development services agency on or before 431
the fifth business day after the second anniversary of the 432
closing date. The report shall provide documentation as to the 433
investment of the fund's eligible investment authority in rural 434
growth investments. Such documentation shall include the 435
following: 436

(1) A bank statement of the rural business growth fund 437
displaying each rural growth investment; 438

(2) The name and location of each business in which the 439
rural business growth fund has made a rural growth investment, 440
including evidence that the business qualified as a rural 441
business concern at the time the investment was made. 442

(B) On or before the last day of February of each year 443
following the year in which the report required under division 444
(A) of this section is due, the rural business growth fund shall 445
submit an annual report to the development services agency 446
including the following: 447

(1) The number of employment positions created or retained 448
as a result of the fund's rural growth investments as of the 449
last day of the preceding calendar year; 450

(2) The average annual salary of the positions described 451
in division (B) (1) of this section; 452

(3) Any other information required by the agency. 453

(C) The director of development services, after 454
consultation with the tax commissioner and the superintendent of 455
insurance and in accordance with Chapter 119. of the Revised 456

Code, shall adopt rules necessary to implement sections 122.15 457
to 122.154 of the Revised Code. 458

Sec. 5725.98. (A) To provide a uniform procedure for 459
calculating the amount of tax imposed by section 5725.18 of the 460
Revised Code that is due under this chapter, a taxpayer shall 461
claim any credits and offsets against tax liability to which it 462
is entitled in the following order: 463

(1) The credit for an insurance company or insurance 464
company group under section 5729.031 of the Revised Code; 465

(2) The credit for eligible employee training costs under 466
section 5725.31 of the Revised Code; 467

(3) The credit for purchasers of qualified low-income 468
community investments under section 5725.33 of the Revised Code; 469

(4) The nonrefundable job retention credit under division 470
(B) of section 122.171 of the Revised Code; 471

(5) The nonrefundable credit for investments in rural 472
business growth funds under section 122.152 of the Revised Code; 473
