~~(D)~~(C) The tax commissioner may adopt rules governing the administration of the partial exemption provided for by this section.

~~(E)~~(D) The determination of whether property qualifies for partial exemption under division (A) of this section is solely for the purpose of allowing the partial exemption under division (B) of this section."

**"Sec. 323.152.** In addition to the reduction in taxes required under section 319.302 of the Revised Code, taxes shall be reduced as provided in divisions (A) and (B) of this section.

(A)(1)(a) Division (A)(1) of this section applies to any of the following persons:

- (i) A person who is permanently and totally disabled;
- (ii) A person who is sixty-five years of age or older;
- (iii) A person who is the surviving spouse of a deceased person who was permanently and totally disabled or sixty-five years of age or older and who applied and qualified for a reduction in taxes under this division in the year of death, provided the surviving spouse is at least fifty-nine but not sixty-five or more years of age on the date the deceased spouse dies.

(b) Real property taxes on a homestead owned and occupied, or a homestead in a housing cooperative occupied, by a person to whom division (A)(1) of this section applies shall be reduced for each year for which an application for the reduction has been approved. The reduction shall equal one of the following amounts, as applicable to the person:

- (i) If the person received a reduction under division (A)(1) of this section for tax year 2006, the greater of the reduction for that tax year or the amount computed under division (A)(1)(c) of this section;
- (ii) If the person received, for any homestead, a reduction under division (A)(1) of this section for tax year 2013 or under division (A) of

section 4503.065 of the Revised Code for tax year 2014 or the person is the surviving spouse of such a person and the surviving spouse is at least fifty-nine years of age on the date the deceased spouse dies, the amount computed under division (A)(1)(c) of this section. For purposes of divisions (A)(1)(b)(ii) and (iii) of this section, a person receives a reduction under division (A)(1) of this section or under division (A) of section 4503.065 of the Revised Code for tax year 2013 or 2014, respectively, if the person files a late application for that respective tax year that is approved by the county auditor under section 323.153 or 4503.066 of the Revised Code.

(iii) If the person is not described in division (A)(1)(b)(i) or (ii) of this section and the person's total income does not exceed ~~thirty~~ thirty five thousand dollars, as adjusted under division (A)(1)(d) of this section, the amount computed under division (A)(1)(c) of this section.

(c) The amount of the reduction under division (A)(1)(c) of this section equals the product of the following:

(i) ~~Twenty-five~~ Thirty thousand dollars of the true value of the property in money;

(ii) The assessment percentage established by the tax commissioner under division (B) of section 5715.01 of the Revised Code, not to exceed thirty-five per cent;

(iii) The effective tax rate used to calculate the taxes charged against the property for the current year, where "effective tax rate" is defined as in section 323.08 of the Revised Code;

(iv) The quantity equal to one minus the sum of the percentage reductions in taxes received by the property for the current tax year under section 319.302 of the Revised Code and division (B) of section 323.152 of the Revised Code.

(d) Each calendar year, the tax commissioner shall adjust the total income threshold described in division (A)(1)(b)(iii) of this section by completing the following calculations in September of each year:

(i) Determine the percentage increase in the gross domestic product deflator determined by the bureau of economic analysis of the United States department of commerce from the first day of January of the preceding calendar year to the last day of December of the preceding calendar year;

(ii) Multiply that percentage increase by the total income threshold for the current tax year;

(iii) Add the resulting product to the total income threshold for the current tax year;

(iv) Round the resulting sum to the nearest multiple of one hundred dollars.

The commissioner shall certify the amount resulting from the adjustment to each county auditor not later than the first day of December each year. The certified amount applies to the following tax year for persons described in division (A)(1)(b)(iii) of this section. The commissioner shall not make the adjustment in any calendar year in which the amount resulting from the adjustment would be less than the total income threshold for the current tax year.

(2) Real property taxes on a homestead owned and occupied, or a homestead in a housing cooperative occupied, by a disabled veteran shall be reduced for each year for which an application for the reduction has been approved. The reduction shall equal the product obtained by multiplying fifty thousand dollars of the true value of the property in money by the amounts described in divisions (A)(1)(c)(ii) to (iv) of this section. The reduction is in lieu of any reduction under section 323.158 of the Revised Code or division (A)(1) of this section. The reduction applies to only one homestead owned and occupied by a disabled veteran.

If a homestead qualifies for a reduction in taxes under division (A)(2) of this section for the year in which the disabled veteran dies, and the disabled veteran is survived by a spouse who occupied the homestead when the disabled veteran died and who acquires ownership of the homestead or, in the case of a homestead that is a unit in a housing cooperative, continues to occupy the homestead, the reduction shall continue through the year in which the surviving spouse dies or remarries.

(B) To provide a partial exemption, real property taxes on any homestead, and manufactured home taxes on any manufactured or mobile home on which a manufactured home tax is assessed pursuant to division (D)(2) of section 4503.06 of the Revised Code, shall be reduced for each year for which an application for the reduction has been approved. The amount of the reduction shall equal two and one-half per cent of the amount of taxes to be levied by qualifying levies on the homestead or the manufactured or mobile home after applying section 319.301 of the Revised Code. ~~For the purposes of this division, "qualifying levy" has the same meaning as in section 319.302 of the Revised Code.~~

(C) The reductions granted by this section do not apply to special assessments or respread of assessments levied against the homestead, and if there is a transfer of ownership subsequent to the filing of an application for a reduction in taxes, such reductions are not forfeited for such year by virtue of such transfer.

(D) The reductions in taxable value referred to in this section shall be applied solely as a factor for the purpose of computing the reduction of taxes under this section and shall not affect the total value of property in any subdivision or taxing district as listed and assessed for taxation on the tax

lists and duplicates, or any direct or indirect limitations on indebtedness of a subdivision or taxing district. If after application of sections 5705.31 and 5705.32 of the Revised Code, including the allocation of all levies within the ten-mill limitation to debt charges to the extent therein provided, there would be insufficient funds for payment of debt charges not provided for by levies in excess of the ten-mill limitation, the reduction of taxes provided for in sections 323.151 to 323.159 of the Revised Code shall be proportionately adjusted to the extent necessary to provide such funds from levies within the ten-mill limitation.

(E) No reduction shall be made on the taxes due on the homestead of any person convicted of violating division (D) or (E) of section 323.153 of the Revised Code for a period of three years following the conviction."

The motion to amend was laid on the table.

The question recurring, "Shall the bill pass?"

Representative Kelly moved to amend, amendment 2973, as follows:

In line 9 of the title, after "123.21," insert "124.136,"

In line 257 of the title, after "sections" insert "9.319,"

In line 275 of the title, after "3902.30," insert "4113.42, 4113.80,"

In line 505, after "123.21," insert "124.136,"

In line 659, after "sections" insert "9.319,"

In line 672, after "3902.30," insert "4113.42, 4113.80,"

Between lines 686 and 687, insert:

**"Sec. 9.319. Each entity that submits a bid or other proposal for a contract with the state or an agency of the state shall provide a salary audit. The salary audit shall provide information on the compensation and career opportunities available to the entity's employees, and shall indicate the sex of each employee for whom information is provided. The information in the salary audit shall be of such a substance and nature as to enable a contracting authority to compare, by sex, the compensation and career opportunities provided by the entity to its employees, in jobs the performance of which requires equal skill, effort, and responsibility and that are performed under similar conditions.**

**The director of administrative services shall adopt rules under Chapter 119. of the Revised Code that delineate the form and content, and the manner of submission, of a salary audit."**

Between lines 7387 and 7388, insert:

**"Sec. 124.136. (A)(1)** Each permanent full-time and permanent part-time employee paid in accordance with section 124.152 of the Revised Code and each employee listed in division (B)(2) or (4) of section 124.14 of the Revised Code who works thirty or more hours per week, and who meets the requirement of division (A)(2) of this section is eligible, upon the birth or adoption of a child, for a parental leave of absence and parental leave benefits under this section. Parental leave of absence shall begin on the day of the birth of a child or on the day on which custody of a child is taken for adoption placement by the prospective parents.

(2) To be eligible for leave and benefits under this section, an employee must be the biological parent of a newly born child or the legal guardian of and reside in the same household as a newly adopted child. Employees may elect to receive two thousand dollars for adoption expenses in lieu of receiving the paid leave benefit provided under this section. Such payment may be requested upon placement of the child in the employee's home. If the child is already residing in the home, payment may be requested at the time the adoption is approved.

(3) The average number of regular hours worked, which shall

include all hours of holiday pay and other types of paid leave, during the three-month period immediately preceding the day parental leave of absence begins shall be used to determine eligibility and benefits under this section for part-time employees, but such benefits shall not exceed forty hours per week. If an employee has not worked for a three-month period, the number of hours for which the employee has been scheduled to work per week during the employee's period of employment shall be used to determine eligibility and benefits under this section.

(B) Parental leave granted under this section shall not exceed six continuous weeks, which shall include four weeks or one hundred sixty hours of paid leave for permanent full-time employees and a prorated number of hours of paid leave for permanent part-time employees. All employees granted parental leave shall serve a waiting period of fourteen days that begins on the day parental leave begins and during which they shall not receive paid leave under this section. Employees may choose to work during the waiting period. During the remaining four weeks of the leave period, employees shall receive paid leave equal to seventy per cent of their base rate of pay. All of the following apply to employees granted parental leave:

(1) They remain eligible to receive all employer-paid benefits and continue to accrue all other forms of paid leave as if they were in active pay status.

(2) They are ineligible to receive overtime pay, and no portion of their parental leave shall be included in calculating their overtime pay.

(3) They are ineligible to receive holiday pay. A holiday occurring during the leave period shall be counted as one day of parental leave and be paid as such.

(C) Employees receiving parental leave may utilize available sick leave, personal leave, vacation leave, or compensatory time balances in order to be paid during the fourteen-day waiting period and to supplement the seventy per cent of their base rate of pay received during the remaining part of their parental leave period, in an amount sufficient to give them up to one hundred per cent of their pay for time on parental leave.

Use of parental leave does not affect an employee's eligibility for other forms of paid leave granted under this chapter and does not prohibit an employee from taking leave under the "Family and Medical Leave Act of 1993," 107 Stat. 6, 29 U.S.C.A. 2601, except that parental leave shall be included in any leave time provided under that act.

(D) Employees receiving disability leave benefits under section 124.385 of the Revised Code prior to becoming eligible for parental leave shall continue to receive disability leave benefits for the duration of their disabling condition or as otherwise provided under the disability leave benefits program. If an employee is receiving disability leave benefits

because of pregnancy and these benefits expire prior to the expiration date of any benefits the employee would have been entitled to receive under this section, the employee shall receive parental leave for such additional time without being required to serve an additional waiting period.

(E) An employee who receives parental leave under section 4113.80 of the Revised Code for the birth or adoption of a child is not eligible to receive parental leave under this section with respect to that child."

Between lines 59948 and 59949, insert:

"Sec. 4113.42. (A) As used in this section, "employee" and "employer" have the same meanings as defined in section 4113.51 of the Revised Code.

(B) No employer shall discharge or otherwise retaliate against an employee because the employee has discussed the employee's salary or wage rate with another employee.

Sec. 4113.80. (A) As used in this section:

(1) "Employee" and "employer" have the same meanings as in the federal "Family and Medical Leave Act," 29 U.S.C. 2611.

(2) "Eligible employee" means an employee who has been employed by an employer from whom leave is requested for at least twelve months and who has been employed for at least one thousand two hundred fifty hours of service with that employer during the previous twelve-month period.

(3) "Normal hourly wage rate" means one of the following:

(a) For an employee who is paid on an hourly basis, the hourly wage rate at which the employee is customarily paid when working for the employee's employer;

(b) For an employee who is not paid on an hourly basis, one fortieth of the weekly wage rate at which the employee is customarily paid when working for the employee's employer.

(B)(1) An employer shall provide four hundred eighty hours of paid parental leave to an eligible employee of the employer who works in this state upon either of the following:

(a) The birth of a child of the employee;

(b) The placement of a child with the employee for adoption.

(2) The entitlement to leave under division (B)(1) of this section expires at the end of the twelve-month period beginning on the date of such birth or placement.

(3) An employer shall pay an eligible employee for paid parental leave required under this section at a pay rate of at least one hundred per cent of the employee's normal hourly wage rate for each hour of paid leave taken.

(C) In any case in which the necessity for leave under this section is foreseeable based on an expected birth or placement, the employee shall provide the employer with not less than thirty days' notice before the date the leave is to begin, of the employee's intention to take that leave, except that if the date of the birth or placement requires leave to begin in less than thirty days, the employee shall provide such notice as is practicable.

(D) In any case in which a husband and wife entitled to leave under this section or under the federal "Family and Medical Leave Act," 29 U.S.C. 2612, are employed by the same employer, the aggregate number of workweeks of leave to which both may be entitled may be limited to twelve workweeks during any twelve-month period in accordance with the federal "Family and Medical Leave Act," 29 U.S.C. 2612.

(E) An employer who is subject to the federal "Family and Medical Leave Act," 29 U.S.C. 2611 et seq., shall comply with the requirements with respect to restoration and maintenance of health benefits as specified in 29 U.S.C. 2614."

The motion to amend was laid on the table.

The question recurring, "Shall the bill pass?"

Representative Rogers moved to amend, amendment 2962, as follows:

In line 10 of the title, after "125.061," insert "125.09, 125.11, 125.112,"; after "125.28," insert "125.56,"

In line 506, after "125.061," insert "125.09, 125.11, 125.112,"; after "125.28," insert "125.56,"

Between lines 7900 and 7901, insert:

**"Sec. 125.09.** (A) Pursuant to section 125.07 of the Revised Code, the department of administrative services may prescribe such conditions under which competitive sealed bids will be received and terms of the proposed purchase as it considers necessary; provided, that all such conditions and terms shall be reasonable and shall not unreasonably restrict competition, and bidders may bid upon all or any item of the supplies or services listed in such notice. Those bidders claiming the preference for United States and Ohio products outlined in this chapter shall designate in their bids either that the product to be supplied is an Ohio product or that under the rules established by the director of administrative services they qualify as having a significant Ohio economic presence.

(B) The department may require that each bidder provide sufficient information about the energy efficiency or energy usage of the bidder's product or service.

(C) The director of administrative services shall, by rule adopted pursuant to Chapter 119. of the Revised Code, prescribe criteria and procedures for use by all state agencies in giving preference to United States and Ohio products as required by division (B) of section 125.11 of the Revised Code. The rules shall extend to:

(1) Criteria for determining that a product is produced or mined in the United States rather than in another country or territory;

(2) Criteria for determining that a product is produced or mined in Ohio;

(3) Information to be submitted by bidders as to the nature of a product and the location where it is produced or mined;

(4) Criteria and procedures to be used by the director to qualify bidders located in states bordering Ohio who might otherwise be excluded from being awarded a contract by operation of this section and section 125.11 of the Revised Code. The criteria and procedures shall recognize the level and regularity of interstate commerce between Ohio and the border states and provide that the non-Ohio businesses may qualify for award of a contract as long as they are located in a state that imposes no greater restrictions than are contained in this section and section 125.11 of the Revised Code upon persons located in Ohio selling products or services to agencies of that state. The criteria and procedures shall also provide that a

non-Ohio business shall not bid on a contract for state printing in this state if the business is located in a state that excludes Ohio businesses from bidding on state printing contracts in that state.

(5) Criteria and procedures to be used to qualify bidders whose manufactured products, except for mined products, are produced in other states or in North America, but the bidders have a significant Ohio economic presence in terms of the number of employees or capital investment a bidder has in this state. Bidders with a significant Ohio economic presence shall qualify for award of a contract on the same basis as if their products were produced in this state.

(6) Criteria and procedures for the director to grant waivers of the requirements of division (B) of section 125.11 of the Revised Code on a contract-by-contract basis where compliance with those requirements would result in the state agency paying an excessive price for the product or acquiring a disproportionately inferior product;

(7) Criteria and procedures to be used by an entity when the entity must demonstrate that the entity will create or retain jobs in Ohio as a result of being awarded a contract under division (B) of section 125.11 of the Revised Code;

(8) Such other requirements or procedures reasonably necessary to implement the system of preferences established pursuant to division (B) of section 125.11 of the Revised Code.

In adopting the rules required under this division, the director shall, to the maximum extent possible, conform to the requirements of the federal "Buy America Act," 47 Stat. 1520, (1933), 41 U.S.C.A. 10a-10d, as amended, and to the regulations adopted thereunder.

**Sec. 125.11.** (A) Subject to division (B) of this section, contracts awarded pursuant to a reverse auction under section 125.072 of the Revised Code or pursuant to competitive sealed bidding, including contracts awarded under section 125.081 of the Revised Code, shall be awarded to the lowest responsive and responsible bidder in accordance with section 9.312 of the Revised Code. When the contract is for meat products as defined in section 918.01 of the Revised Code or poultry products as defined in section 918.21 of the Revised Code, only those bids received from vendors under inspection of the United States department of agriculture or who are licensed by the Ohio department of agriculture shall be eligible for acceptance. The department of administrative services may accept or reject any or all bids in whole or by items, except that when the contract is for services or products available from a qualified nonprofit agency pursuant to sections 125.60 to 125.6012 or 4115.31 to 4115.35 of the Revised Code, the contract shall be awarded to that agency.

(B) Prior to awarding a contract under division (A) of this section,

the department of administrative services or the state agency responsible for evaluating a contract for the purchase of products shall evaluate the bids received according to the criteria and procedures established pursuant to divisions (C)(1) and (2) of section 125.09 of the Revised Code for determining if a product is produced or mined in the United States and if a product is produced or mined in this state. The department or other state agency shall first consider bids that offer products that have been or that will be produced or mined in the United States. From among the remaining bids, the department or other state agency shall select the lowest responsive and responsible bid, in accordance with section 9.312 of the Revised Code, from among the bids that offer products that have been produced or mined in this state where sufficient competition can be generated within this state to ensure that compliance with these requirements will not result in an excessive price for the product or acquiring a disproportionately inferior product. For purposes of this division, "excessive price" means a price that exceeds by more than five per cent the lowest price bid, except that a price that exceeds the lowest price bid by more than five per cent but not more than ten per cent shall not be considered an excessive price if the entity submitting the bid has demonstrated that the entity will create or retain jobs in Ohio as a result of being awarded the contract. For purposes of this division, "lowest price bid" means the lowest price submitted on a responsive and responsible bid from among the bids that do not offer products that have been produced or mined in this state.

(C) Division (B) of this section applies to contracts for which competitive bidding is waived by the controlling board.

(D) Division (B) of this section does not apply to the purchase by the division of liquor control of spirituous liquor.

(E) The director of administrative services shall publish in the form of a model act for use by counties, townships, municipal corporations, or any other political subdivision described in division (B) of section 125.04 of the Revised Code, a system of preferences for products mined and produced in this state and in the United States and for Ohio-based contractors. The model act shall reflect substantial equivalence to the system of preferences in purchasing and public improvement contracting procedures under which the state operates pursuant to this chapter and section 153.012 of the Revised Code. To the maximum extent possible, consistent with the Ohio system of preferences in purchasing and public improvement contracting procedures, the model act shall incorporate all of the requirements of the federal "Buy America Act," 47 Stat. 1520 (1933), 41 U.S.C. 10a to 10d, as amended, and the rules adopted under that act.

Before and during the development and promulgation of the model act, the director shall consult with appropriate statewide organizations representing counties, townships, and municipal corporations so as to identify

the special requirements and concerns these political subdivisions have in their purchasing and public improvement contracting procedures. The director shall promulgate the model act by rule adopted pursuant to Chapter 119. of the Revised Code and shall revise the act as necessary to reflect changes in this chapter or section 153.012 of the Revised Code.

The director shall make available copies of the model act, supporting information, and technical assistance to any township, county, or municipal corporation wishing to incorporate the provisions of the act into its purchasing or public improvement contracting procedure.

(F) An entity that has been awarded a contract under division (B) of this section in part by demonstrating that the entity will create or retain jobs in Ohio as a result of being awarded the contract, and that has within a reasonable time following completion of the contract failed to fulfill the obligation to create or retain jobs, is liable to the state for an amount equal to the difference between the entity's bid price and the lowest price submitted on a responsive and reasonable bid from among the bids that did not offer products that have been produced or mined in this state.

The attorney general shall submit to the general assembly pursuant to section 101.68 of the Revised Code an annual report regarding the level of compliance of each such entity with the terms and conditions, including performance metrics, of their state awards for economic development. When the attorney general determines appropriate and to the extent that an entity that receives or has received a state award for economic development does not comply with a performance metric that is specified in the terms and conditions of the award, the attorney general shall pursue against and from that entity such remedies and

recoveries as are available under law. Between lines 8199 and 8200, insert:
