Revised Code be enacted to read as follows: 381

Sec. 9.242. (A) As used in this section: 382

(1) "State agency" has the meaning defined in section 1.60 of 383
the Revised Code. 384

(2) "State contract" means any contract for goods, services, 385
or construction that is paid for in whole or in part with state 386
funds. A state contract is considered to be awarded when it is 387
entered into or executed, regardless of whether the parties to the 388
contract have exchanged any money. 389

(3) "Participate" means to respond to any solicitation or 390
procurement issued by a state agency or be the recipient of an 391
award of a state contract, or to provide any goods or services to 392
any state agency. 393

(B) No vendor who has been debarred by any state agency shall 394
participate in any state contract during the period of debarment. 395
After the debarment period expires, the vendor may be eligible to 396
respond to any solicitation or procurement, provide goods or 397
services to, and be awarded contracts by state agencies if the 398
vendor is not otherwise listed on a list of debarred vendors 399
applicable to state contracts. 400

(C) State agencies shall exclude any vendor debarred under 401
sections 125.25, 153.02, or 5513.06 of the Revised Code, or any 402
other section of the Revised Code from participating in state 403
contracts. 404

Sec. 101.15. (A) As used in this section: 405

(1) "Caucus" means all of the members of either house of the 406

general assembly who are members of the same political party. 407

(2) "Committee" means any committee of either house of the 408
general assembly, a joint committee of both houses of the general 409
assembly, including a committee of conference, or a subcommittee 410
of any committee listed in division (A)(2) of this section. 411

(3) "Meeting" means any prearranged discussion of the public 412
business of a committee by a majority of its members. 413

(4) "Standing committee caucus" means all of the members of a 414
standing committee of either house of the general assembly who are 415
members of the same political party. 416

(B) Except as otherwise provided in division (F) of this 417
section, all meetings of any committee are declared to be public 418
meetings open to the public at all times. The secretary assigned 419
to the chairperson of the committee shall prepare, file, and 420
maintain the minutes of every regular or special meeting of a 421
committee. The committee, at its next regular or special meeting, 422
shall approve the minutes prepared, filed, and maintained by the 423
secretary, or, if the minutes prepared, filed, and maintained by 424
the secretary require correction before their approval, the 425
committee shall correct and approve the minutes at the next 426
following regular or special meeting. The committee shall make the 427
minutes available for public inspection not later than seven days 428
after the meeting the minutes reflect or not later than the 429
committee's next regular or special meeting, whichever occurs 430
first. 431

(C) Each committee shall establish a reasonable method 432
whereby any person may determine the time and place of all 433
regularly scheduled meetings and the time, place, and purpose of 434
all special meetings. No committee shall hold a regular or special 435
meeting unless it gives at least twenty-four hours' advance notice 436
to the news media that have requested notification. 437

The method established by each committee shall provide that, 438
upon request and payment of a reasonable fee, any person may 439
obtain reasonable advance notification of all meetings at which 440
any specific type of public business will be discussed. Provisions 441
for advance notification may include, but are not limited to, 442
mailing the agenda of meetings to all subscribers on a mailing 443
list or mailing notices in self-addressed stamped envelopes 444
provided by the person who desires advance notification. 445

(D) Any action of a committee relating to a bill or 446
resolution, or any other formal action of a committee, is invalid 447
unless taken in an open meeting of the committee. Any action of a 448
committee relating to a bill or resolution, or any other formal 449
action of a committee, taken in an open meeting is invalid if it 450
results from deliberations in a meeting not open to the public. 451

(E)(1) Any person may bring an action to enforce this 452
section. An action under this division shall be brought within two 453
years after the date of the alleged violation or threatened 454
violation. Upon proof of a violation or threatened violation of 455
this section in an action brought by any person, the court of 456
common pleas shall issue an injunction to compel the members of 457
the committee to comply with its provisions. 458

(2)(a) If the court of common pleas issues an injunction 459
under division (E)(1) of this section, the court shall order the 460
committee that it enjoins to pay a civil forfeiture of five 461
hundred dollars to the party that sought the injunction and shall 462
award to that party all court costs and, subject to reduction as 463
described in this division, reasonable attorney's fees. The court, 464
in its discretion, may reduce an award of attorney's fees to the 465
party that sought the injunction or not award attorney's fees to 466
that party if the court determines both of the following: 467

(i) That, based on the ordinary application of statutory law 468
and case law as it existed at the time of the violation or 469

threatened violation that was the basis of the injunction, a 470
well-informed committee reasonably would believe that the 471
committee was not violating or threatening to violate this 472
section; 473

(ii) That a well-informed committee reasonably would believe 474
that the conduct or threatened conduct that was the basis of the 475
injunction would serve the public policy that underlies the 476
authority that is asserted as permitting that conduct or 477
threatened conduct. 478

(b) If the court of common pleas does not issue an injunction 479
under division (E)(1) of this section and the court determines at 480
that time that the bringing of the action was frivolous conduct as 481
defined in division (A) of section 2323.51 of the Revised Code, 482
the court shall award to the committee all court costs and 483
reasonable attorney's fees, as determined by the court. 484

(3) Irreparable harm and prejudice to the party that sought 485
the injunction shall be conclusively and irrebuttably presumed 486
upon proof of a violation or threatened violation of this section. 487

(4) A member of a committee who knowingly violates an 488
injunction issued under division (E)(1) of this section may be 489
removed from office by an action brought in the court of common 490
pleas for that purpose by the prosecuting attorney of Franklin 491
county or by the attorney general. 492

(5) The remedies described in divisions (E)(1) to (4) of this 493
section shall be the exclusive remedies for a violation of this 494
section. 495

(F) This section does not apply to or affect either of the 496
following: 497

(1) All meetings of the joint legislative ethics committee 498
created under section 101.34 of the Revised Code other than a 499
meeting that is held for any of the following purposes: 500

(a) To consider the adoption, amendment, or rescission of any rule that the joint legislative ethics committee is authorized to adopt pursuant to division (B)(11) of section 101.34, division (E) of section 101.78, division (B) of section 102.02, or division (E) of section 121.68 of the Revised Code;

violator of a community control sanction or post-release control 2554
sanction has the financial capacity to retain the alleged 2555
violator's own counsel. 2556

(6) If the state public defender contracts with a county 2557
public defender commission, a joint county public defender 2558
commission, or a board of county commissioners for the provision 2559

(E)(1) Notwithstanding any contrary provision of sections 2622
109.02, 109.07, 109.361 to 109.366, and 120.03 of the Revised Code 2623
that pertains to representation by the attorney general, an 2624
assistant attorney general, or special counsel of an officer or 2625
employee, as defined in section 109.36 of the Revised Code, or of 2626
an entity of state government, the state public defender may elect 2627
to contract with, and to have the state pay pursuant to division 2628
(E)(2) of this section for the services of, private legal counsel 2629
to represent the Ohio public defender commission, the state public 2630

commission or the state public defender, and attorneys described 2632
in division (C) of section 120.41 of the Revised Code in a 2633
malpractice or other civil action or proceeding that arises from 2634
alleged actions or omissions related to responsibilities derived 2635
pursuant to this chapter, or in a civil action that is based upon 2636
alleged violations of the constitution or statutes of the United 2637
States, including section 1983 of Title 42 of the United States 2638
Code, 93 Stat. 1284 (1979), 42 U.S.C.A. 1983, as amended, and that 2639
arises from alleged actions or omissions related to 2640
responsibilities derived pursuant to this chapter, if the state 2641
public defender determines, in good faith, that the defendant in 2642
the civil action or proceeding did not act manifestly outside the 2643
scope of the defendant's employment or official responsibilities, 2644
with malicious purpose, in bad faith, or in a wanton or reckless 2645
manner. If the state public defender elects not to contract 2646
pursuant to this division for private legal counsel in a civil 2647
action or proceeding, then, in accordance with sections 109.02, 2648
109.07, 109.361 to 109.366, and 120.03 of the Revised Code, the 2649
attorney general shall represent or provide for the representation 2650

of the Ohio public defender commission, the state public defender, 2651
assistant state public defenders, other employees of the 2652
commission or the state public defender, or attorneys described in 2653

(2)(a) Subject to division (E)(2)(b) of this section, payment 2656
from the state treasury for the services of private legal counsel 2657
with whom the state public defender has contracted pursuant to 2658
division (E)(1) of this section shall be accomplished only through 2659
the following procedure: 2660

(i) The private legal counsel shall file with the attorney 2661
general a copy of the contract; a request for an award of legal 2662
fees, court costs, and expenses earned or incurred in connection 2663
with the defense of the Ohio public defender commission, the state 2664
public defender, an assistant state public defender, an employee, 2665
or an attorney in a specified civil action or proceeding; a 2666
written itemization of those fees, costs, and expenses, including 2667
the signature of the state public defender and the state public 2668
defender's attestation that the fees, costs, and expenses were 2669
earned or incurred pursuant to division (E)(1) of this section to 2670
the best of the state public defender's knowledge and information; 2671
a written statement whether the fees, costs, and expenses are for 2672
all legal services to be rendered in connection with that defense, 2673
are only for legal services rendered to the date of the request 2674
and additional legal services likely will have to be provided in 2675
connection with that defense, or are for the final legal services 2676
rendered in connection with that defense; a written statement 2677
indicating whether the private legal counsel previously submitted 2678
a request for an award under division (E)(2) of this section in 2679
connection with that defense and, if so, the date and the amount 2680
of each award granted; and, if the fees, costs, and expenses are 2681
for all legal services to be rendered in connection with that 2682

defense or are for the final legal services rendered in connection 2683
with that defense, a certified copy of any judgment entry in the 2684
civil action or proceeding or a signed copy of any settlement 2685
agreement entered into between the parties to the civil action or 2686
proceeding. 2687

(ii) Upon receipt of a request for an award of legal fees, 2688
court costs, and expenses and the requisite supportive 2689
documentation described in division (E)(2)(a)(i) of this section, 2690
the attorney general shall review the request and documentation; 2691
determine whether any of the limitations specified in division 2692
(E)(2)(b) of this section apply to the request; and, if an award 2693
of legal fees, court costs, or expenses is permissible after 2694
applying the limitations, prepare a document awarding legal fees, 2695
court costs, or expenses to the private legal counsel. The 2696
document shall name the private legal counsel as the recipient of 2697
the award; specify the total amount of the award as determined by 2698
the attorney general; itemize the portions of the award that 2699
represent legal fees, court costs, and expenses; specify any 2700
limitation applied pursuant to division (E)(2)(b) of this section 2701
to reduce the amount of the award sought by the private legal 2702
counsel; state that the award is payable from the state treasury 2703
pursuant to division (E)(2)(a)(iii) of this section; and be 2704
approved by the inclusion of the signatures of the attorney 2705
general, the state public defender, and the private legal counsel. 2706

(iii) The attorney general shall forward a copy of the 2707
document prepared pursuant to division (E)(2)(a)(ii) of this 2708
section to the director of budget and management. The award of 2709
legal fees, court costs, or expenses shall be paid out of the 2710
state public defender's appropriations, to the extent there is a 2711
sufficient available balance in those appropriations. If the state 2712
public defender does not have a sufficient available balance in 2713
the state public defender's appropriations to pay the entire award 2714

of legal fees, court costs, or expenses, the director shall make 2715
application for a transfer of appropriations out of the emergency 2716
purposes account or any other appropriation for emergencies or 2717
contingencies in an amount equal to the portion of the award that 2718
exceeds the sufficient available balance in the state public 2719
defender's appropriations. A transfer of appropriations out of the 2720
emergency purposes account or any other appropriation for 2721
emergencies or contingencies shall be authorized if there are 2722
sufficient moneys greater than the sum total of then pending 2723
emergency purposes account requests, or requests for releases from 2724
the other appropriation. If a transfer of appropriations out of 2725
the emergency purposes account or other appropriation for 2726
emergencies or contingencies is made to pay an amount equal to the 2727
portion of the award that exceeds the sufficient available balance 2728
in the state public defender's appropriations, the director shall 2729
cause the payment to be made to the private legal counsel. If 2730
sufficient moneys do not exist in the emergency purposes account 2731
or other appropriation for emergencies or contingencies to pay an 2732
amount equal to the portion of the award that exceeds the 2733
sufficient available balance in the state public defender's 2734
appropriations, the private legal counsel shall request the 2735
general assembly to make an appropriation sufficient to pay an 2736
amount equal to the portion of the award that exceeds the 2737
sufficient available balance in the state public defender's 2738
appropriations, and no payment in that amount shall be made until 2739
the appropriation has been made. The private legal counsel shall 2740
make the request during the current biennium and during each 2741
succeeding biennium until a sufficient appropriation is made. 2742

(b) An award of legal fees, court costs, and expenses 2743
pursuant to division (E) of this section is subject to the 2744
following limitations: 2745

(i) The maximum award or maximum aggregate of a series of 2746

awards of legal fees, court costs, and expenses to the private 2747
legal counsel in connection with the defense of the Ohio public 2748
defender commission, the state public defender, an assistant state 2749
public defender, an employee, or an attorney in a specified civil 2750
action or proceeding shall not exceed fifty thousand dollars. 2751

(ii) The private legal counsel shall not be awarded legal 2752
fees, court costs, or expenses to the extent the fees, costs, or 2753
expenses are covered by a policy of malpractice or other 2754
insurance. 2755

(iii) The private legal counsel shall be awarded legal fees 2756
and expenses only to the extent that the fees and expenses are 2757
reasonable in light of the legal services rendered by the private 2758
legal counsel in connection with the defense of the Ohio public 2759
defender commission, the state public defender, an assistant state 2760
public defender, an employee, or an attorney in a specified civil 2761
action or proceeding. 2762

(c) If, pursuant to division (E)(2)(a) of this section, the 2763
attorney general denies a request for an award of legal fees, 2764
court costs, or expenses to private legal counsel because of the 2765
application of a limitation specified in division (E)(2)(b) of 2766
this section, the attorney general shall notify the private legal 2767
counsel in writing of the denial and of the limitation applied. 2768

(d) If, pursuant to division (E)(2)(c) of this section, a 2769
private legal counsel receives a denial of an award notification 2770
or if a private legal counsel refuses to approve a document under 2771
division (E)(2)(a)(ii) of this section because of the proposed 2772
application of a limitation specified in division (E)(2)(b) of 2773
this section, the private legal counsel may commence a civil 2774
action against the attorney general in the court of claims to 2775
prove the private legal counsel's entitlement to the award sought, 2776
to prove that division (E)(2)(b) of this section does not prohibit 2777
or otherwise limit the award sought, and to recover a judgment for 2778

the amount of the award sought. A civil action under division 2779
(E)(2)(d) of this section shall be commenced no later than two 2780
years after receipt of a denial of award notification or, if the 2781
private legal counsel refused to approve a document under division 2782
(E)(2)(a)(ii) of this section because of the proposed application 2783
of a limitation specified in division (E)(2)(b) of this section, 2784
no later than two years after the refusal. Any judgment of the 2785
court of claims in favor of the private legal counsel shall be 2786
paid from the state treasury in accordance with division (E)(2)(a) 2787
of this section. 2788

(F) If a court appoints the office of the state public 2789
defender to represent a petitioner in a postconviction relief 2790
proceeding under section 2953.21 of the Revised Code, the 2791
petitioner has received a sentence of death, and the proceeding 2792
relates to that sentence, all of the attorneys who represent the 2793
petitioner in the proceeding pursuant to the appointment, whether 2794
an assistant state public defender, the state public defender, or 2795
another attorney, shall be certified under Rule 20 of the Rules of 2796
Superintendence for the Courts of Ohio to represent indigent 2797
defendants charged with or convicted of an offense for which the 2798
death penalty can be or has been imposed. 2799

(G)(1) The state public defender may conduct a legal 2800
assistance referral service for children committed to the 2801
department of youth services relative to conditions of confinement 2802
claims. If the legal assistance referral service receives a 2803
request for assistance from a child confined in a facility 2804
operated, or contracted for, by the department of youth services 2805
and the state public defender determines that the child has a 2806
conditions of confinement claim that has merit, the state public 2807
defender may refer the child to a private attorney. If no private 2808
attorney who the child has been referred to by the state public 2809
defender accepts the case within a reasonable time, the state 2810

public defender may prepare, as appropriate, pro se pleadings in 2811
the form of a complaint regarding the conditions of confinement at 2812
the facility where the child is confined with a motion for 2813
appointment of counsel and other applicable pleadings necessary 2814
for sufficient pro se representation. 2815

(2) Division (G)(1) of this section does not authorize the 2816
state public defender to represent a child committed to the 2817
department of youth services in general civil matters arising 2818
solely out of state law. 2819

(3) The state public defender shall not undertake the 2820
representation of a child in court based on a conditions of 2821
confinement claim arising under this division. 2822

(H) A child's right to representation or services under this 2823
section is not affected by the child, or another person on behalf 2824
of the child, previously having paid for similar representation or 2825
services or having waived legal representation. 2826

(I) The state public defender shall have reasonable access to 2827
any child committed to the department of youth services, 2828
department of youth services institution, and department of youth 2829
services record as needed to implement this section. 2830

(J) As used in this section: 2831

(1) "Community control sanction" has the same meaning as in 2832
section 2929.01 of the Revised Code. 2833

(2) "Conditions of confinement" means any issue involving a 2834
constitutional right or other civil right related to a child's 2835
incarceration, including, but not limited to, actions cognizable 2836
under 42 U.S.C. 1983. 2837

(3) "Post-release control sanction" has the same meaning as 2838
in section 2967.01 of the Revised Code. 2839

Sec. 120.18. (A) The county public defender commission's 2840

report to the board of county commissioners shall be audited by 2841
the county auditor. The board of county commissioners, after 2842
review and approval of the audited report, may then certify it to 2843
the state public defender for reimbursement. If a request for the 2844
reimbursement of any operating expenditure incurred by a county 2845
public defender office is not received by the state public 2846
defender within sixty days after the end of the calendar month in 2847
which the expenditure is incurred, the state public defender shall 2848
not pay the requested reimbursement, unless the county has 2849
requested, and the state public defender has granted, an extension 2850
of the sixty-day time limit. Each request for reimbursement shall 2851
include a certification by the county public defender that the 2852
persons provided representation by the county public defender's 2853
office during the period covered by the report were indigent and, 2854
for each person provided representation during that period, a 2855
financial disclosure form completed by the person on a form 2856
prescribed by the state public defender. The state public defender 2857
shall also review the report and, in accordance with the 2858
standards, guidelines, and maximums established pursuant to 2859
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 2860
prepare a voucher for ~~fifty per cent of~~ up to the total cost of 2861
each county public defender's office for the period of time 2862
covered by the certified report and a voucher for ~~fifty per cent~~ 2863
~~of~~ the costs and expenses that are reimbursable under section 2864
120.35 of the Revised Code, if any, ~~or, if the amount of money~~ 2865
~~appropriated by the general assembly to reimburse counties for the~~ 2866
~~operation of county public defender offices, joint county public~~ 2867
~~defender offices, and county appointed counsel systems is not~~ 2868
~~sufficient to pay fifty per cent of the total cost of all of the~~ 2869
~~offices and systems, for the lesser amount required by section~~ 2870
~~120.34 of the Revised Code.~~ For the purposes of this section, 2871
"total cost" means total expenses minus costs and expenses 2872
reimbursable under section 120.35 of the Revised Code and any 2873

funds received by the county public defender commission pursuant 2874
to a contract, except a contract entered into with a municipal 2875
corporation pursuant to division (E) of section 120.14 of the 2876
Revised Code, gift, or grant. 2877

(B) If the county public defender fails to maintain the 2878
standards for the conduct of the office established by rules of 2879
the Ohio public defender commission pursuant to divisions (B) and 2880
(C) of section 120.03 or the standards established by the state 2881
public defender pursuant to division (B)(7) of section 120.04 of 2882
the Revised Code, the Ohio public defender commission shall notify 2883
the county public defender commission and the board of county 2884
commissioners of the county that the county public defender has 2885
failed to comply with its rules or the standards of the state 2886
public defender. Unless the county public defender commission or 2887
the county public defender corrects the conduct of the county 2888
public defender's office to comply with the rules and standards 2889
within ninety days after the date of the notice, the state public 2890
defender may deny payment of all or part of the county's 2891
reimbursement from the state provided for in division (A) of this 2892
section. 2893

Sec. 120.28. (A) The joint county public defender 2894
commission's report to the joint board of county commissioners 2895
shall be audited by the fiscal officer of the district. The joint 2896
board of county commissioners, after review and approval of the 2897
audited report, may then certify it to the state public defender 2898
for reimbursement. If a request for the reimbursement of any 2899
operating expenditure incurred by a joint county public defender 2900
office is not received by the state public defender within sixty 2901
days after the end of the calendar month in which the expenditure 2902
is incurred, the state public defender shall not pay the requested 2903
reimbursement, unless the joint board of county commissioners has 2904
requested, and the state public defender has granted, an extension 2905

of the sixty-day time limit. Each request for reimbursement shall 2906
include a certification by the joint county public defender that 2907
all persons provided representation by the joint county public 2908
defender's office during the period covered by the request were 2909
indigent and, for each person provided representation during that 2910
period, a financial disclosure form completed by the person on a 2911
form prescribed by the state public defender. The state public 2912
defender shall also review the report and, in accordance with the 2913
standards, guidelines, and maximums established pursuant to 2914
divisions (B)(7) and (8) of section 120.04 of the Revised Code, 2915
prepare a voucher for ~~fifty per cent of up to~~ the total cost of 2916
each joint county public defender's office for the period of time 2917
covered by the certified report and a voucher for ~~fifty per cent~~ 2918
~~of~~ the costs and expenses that are reimbursable under section 2919
120.35 of the Revised Code, if any, ~~or, if the amount of money~~ 2920
~~appropriated by the general assembly to reimburse counties for the~~ 2921
~~operation of county public defender offices, joint county public~~ 2922
~~defender offices, and county appointed counsel systems is not~~ 2923
~~sufficient to pay fifty per cent of the total cost of all of the~~ 2924
~~offices and systems, for the lesser amount required by section~~ 2925
~~120.34 of the Revised Code.~~ For purposes of this section, "total 2926
cost" means total expenses minus costs and expenses reimbursable 2927
under section 120.35 of the Revised Code and any funds received by 2928
the joint county public defender commission pursuant to a 2929
contract, except a contract entered into with a municipal 2930
corporation pursuant to division (E) of section 120.24 of the 2931
Revised Code, gift, or grant. Each county in the district shall be 2932
entitled to a share of such state reimbursement in proportion to 2933
the percentage of the total cost it has agreed to pay. 2934

(B) If the joint county public defender fails to maintain the 2935
standards for the conduct of the office established by the rules 2936

under which the municipal corporation shall reimburse the county 2962

the person in any proceeding included within the provisions of the 2969

resolution; 2970

person in such a proceeding. 2972

(2) The court having jurisdiction over the proceeding in a 2973

(3) The board of county commissioners shall establish a 2984
schedule of fees by case or on an hourly basis to be paid to 2985
counsel for legal services provided pursuant to a resolution 2986
adopted under this section. Prior to establishing the schedule, 2987
the board of county commissioners shall request the bar 2988
association or associations of the county to submit a proposed 2989
schedule for cases other than capital cases. The schedule 2990
submitted shall be subject to the review, amendment, and approval 2991
of the board of county commissioners, except with respect to 2992
capital cases. With respect to capital cases, the schedule shall 2993
provide for fees by case or on an hourly basis to be paid to 2994
counsel in the amount or at the rate set by the capital case 2995
attorney fee council pursuant to division (D) of this section, and 2996
the board of county commissioners shall approve that amount or 2997
rate. 2998

(4) Counsel selected by the indigent person or appointed by 2999
the court at the request of an indigent person in a county that 3000

to represent a person charged with any violation of an ordinance 3002
of a municipal corporation that has not contracted with the county 3003
commissioners for the payment of appointed counsel, shall be paid 3004
by the county and shall receive the compensation and expenses the 3005
court approves. With respect to capital cases, the court shall 3006
approve compensation and expenses in accordance with the amount or 3007

to division (D) of this section. Each request for payment shall 3009
include a financial disclosure form completed by the indigent 3010
person on a form prescribed by the state public defender. 3011

the board of county commissioners in the schedule adopted pursuant 3013
to division (A)(3) of this section. No court shall approve 3014
compensation and expenses that exceed the amount fixed pursuant to 3015
division (A)(3) of this section. 3016

The fees and expenses approved by the court shall not be 3017
taxed as part of the costs and shall be paid by the county. 3018
However, if the person represented has, or may reasonably be 3019
expected to have, the means to meet some part of the cost of the 3020
services rendered to the person, the person shall pay the county 3021
an amount that the person reasonably can be expected to pay. 3022
Pursuant to section 120.04 of the Revised Code, the county shall 3023
pay to the state public defender a percentage of the payment 3024
received from the person in an amount proportionate to the 3025
percentage of the costs of the person's case that were paid to the 3026
county by the state public defender pursuant to this section. The 3027
money paid to the state public defender shall be credited to the 3028
client payment fund created pursuant to division (B)(5) of section 3029

auditor. The county auditor shall report periodically, but not 3034
less than annually, to the board of county commissioners and to 3035
the state public defender the amounts paid out pursuant to the 3036
approval of the court. The board of county commissioners, after 3037
review and approval of the auditor's report, or the county 3038
auditor, with permission from and notice to the board of county 3039
commissioners, may then certify it to the state public defender 3040
for reimbursement. The state public defender may pay a requested 3041
reimbursement only if the request for reimbursement includes a 3042
financial disclosure form completed by the indigent person on a 3043
form prescribed by the state public defender or if the court 3044
certifies by electronic signature as prescribed by the state 3045
public defender that a financial disclosure form has been 3046
completed by the indigent person and is available for inspection. 3047
If a request for the reimbursement of the cost of counsel in any 3048
case is not received by the state public defender within ninety 3049
days after the end of the calendar month in which the case is 3050
finally disposed of by the court, unless the county has requested 3051
and the state public defender has granted an extension of the 3052
ninety-day limit, the state public defender shall not pay the 3053
requested reimbursement. The state public defender shall also 3054
review the report and, in accordance with the standards, 3055
guidelines, and maximums established pursuant to divisions (B)(7) 3056
and (8) of section 120.04 of the Revised Code, prepare a voucher 3057
for ~~fifty per cent of~~ up to the total cost of each county 3058
appointed counsel system in the period of time covered by the 3059
certified report and a voucher for ~~fifty per cent of~~ the costs and 3060
expenses that are reimbursable under section 120.35 of the Revised 3061
Code, if any, ~~or, if the amount of money appropriated by the~~ 3062
~~general assembly to reimburse counties for the operation of county~~ 3063
~~public defender offices, joint county public defender offices, and~~ 3064
~~county appointed counsel systems is not sufficient to pay fifty~~ 3065

~~per cent of the total cost of all of the offices and systems other 3066

of the Revised Code, for the lesser amount required by section 3068
120.34 of the Revised Code. 3069~~

(5) If any county appointed counsel system fails to maintain 3070
the standards for the conduct of the system established by the 3071
rules of the Ohio public defender commission pursuant to divisions 3072
(B) and (C) of section 120.03 or the standards established by the 3073
state public defender pursuant to division (B)(7) of section 3074

shall notify the board of county commissioners of the county that 3076
the county appointed counsel system has failed to comply with its 3077
rules or the standards of the state public defender. Unless the 3078
board of county commissioners corrects the conduct of its 3079
appointed counsel system to comply with the rules and standards 3080
within ninety days after the date of the notice, the state public 3081
defender may deny all or part of the county's reimbursement from 3082
the state provided for in division (A)(4) of this section. 3083

described in division (A) of this section, the board of county 3088
commissioners of any county may contract with the state public 3089
defender for the state public defender's legal representation of 3090
indigent persons. A contract entered into pursuant to this 3091
division may provide for payment for the services provided on a 3092
per case, hourly, or fixed contract basis. 3093

(C) If a court appoints an attorney pursuant to this section 3094
to represent a petitioner in a postconviction relief proceeding 3095
under section 2953.21 of the Revised Code, the petitioner has 3096
received a sentence of death, and the proceeding relates to that 3097

proceeding pursuant to the appointment shall be certified under 3099
Rule 20 of the Rules of Superintendence for the Courts of Ohio to 3100

capital case. 3107

(2) The capital case attorney fee council shall consist of 3108
five members, all of whom shall be active judges serving on one of 3109

initial terms shall commence ninety days after September 28, 2016. 3113
The chief justice of the supreme court shall appoint the members 3114

prior calendar year for legal services in that county as compared 3409
to the total amount expended in the prior calendar year for legal 3410

expenditure of public funds to be made in connection with the 3720
economic development project. 3721

If a public body holds an executive session to consider any 3722
of the matters listed in divisions (G)(2) to (8) of this section, 3723
the motion and vote to hold that executive session shall state 3724

shall not hold an executive session when meeting for the purposes 3728
specified in that division. 3729

invalid unless adopted in an open meeting of the public body. A 3731
resolution, rule, or formal action adopted in an open meeting that 3732
results from deliberations in a meeting not open to the public is 3733
invalid unless the deliberations were for a purpose specifically 3734
authorized in division (G) or (J) of this section and conducted at 3735
an executive session held in compliance with this section. A 3736
resolution, rule, or formal action adopted in an open meeting is 3737
invalid if the public body that adopted the resolution, rule, or 3738
formal action violated division (F) of this section. 3739

(I)(1) Any person may bring an action to enforce this 3740
section. An action under division (I)(1) of this section shall be 3741
brought within two years after the date of the alleged violation 3742
or threatened violation. Upon proof of a violation or threatened 3743
violation of this section in an action brought by any person, the 3744
court of common pleas shall issue an injunction to compel the 3745
members of the public body to comply with its provisions. 3746

(2)(a) If the court of common pleas issues an injunction 3747
pursuant to division (I)(1) of this section, the court shall order 3748
the public body that it enjoins to pay a civil forfeiture of five 3749

hundred dollars to the party that sought the injunction and shall 3750
award to that party all court costs and, subject to reduction as 3751
described in division (I)(2) of this section, reasonable 3752
attorney's fees. The court, in its discretion, may reduce an award 3753
of attorney's fees to the party that sought the injunction or not 3754
award attorney's fees to that party if the court determines both 3755
of the following: 3756

(i) That, based on the ordinary application of statutory law 3757
and case law as it existed at the time of violation or threatened 3758
violation that was the basis of the injunction, a well-informed 3759
public body reasonably would believe that the public body was not 3760
violating or threatening to violate this section; 3761

(ii) That a well-informed public body reasonably would 3762
believe that the conduct or threatened conduct that was the basis 3763
of the injunction would serve the public policy that underlies the 3764
authority that is asserted as permitting that conduct or 3765
threatened conduct. 3766

(b) If the court of common pleas does not issue an injunction 3767
pursuant to division (I)(1) of this section and the court 3768
determines at that time that the bringing of the action was 3769
frivolous conduct, as defined in division (A) of section 2323.51 3770
of the Revised Code, the court shall award to the public body all 3771
court costs and reasonable attorney's fees, as determined by the 3772
court. 3773

(3) Irreparable harm and prejudice to the party that sought 3774
the injunction shall be conclusively and irrebuttably presumed 3775
upon proof of a violation or threatened violation of this section. 3776

(4) A member of a public body who knowingly violates an 3777
injunction issued pursuant to division (I)(1) of this section may 3778
be removed from office by an action brought in the court of common 3779
pleas for that purpose by the prosecuting attorney or the attorney 3780

general. 3781

(J)(1) Pursuant to division (C) of section 5901.09 of the 3782

conducts as an executive session that pertains to the applicant's, 3798
recipient's, or former recipient's application for financial 3799
assistance. 3800

4022
4023
4024
4025

(b) On application of a county council, the cabinet council 4026
may grant an exemption from any rules or interagency agreements of 4027
a state department participating on the council if an exemption is 4028
necessary for the council to implement an alternative program or 4029
approach for service delivery to families and children. The 4030
application shall describe the proposed program or approach and 4031
specify the rules or interagency agreements from which an 4032
exemption is necessary. The cabinet council shall approve or 4033
disapprove the application in accordance with standards and 4034
procedures it shall adopt. If an application is approved, the 4035
exemption is effective only while the program or approach is being 4036
implemented, including a reasonable period during which the 4037
program or approach is being evaluated for effectiveness. 4038

(5)(a) Each county council shall designate an administrative 4039
agent for the council from among the following public entities: 4040

any of the county's boards of education or governing boards of 4049
educational service centers; or the county's juvenile court. Any 4050
of the foregoing public entities, other than the board of county 4051
commissioners, may decline to serve as the council's 4052
administrative agent. 4053

A county council's administrative agent shall serve as the 4054
council's appointing authority for any employees of the council. 4055
The council shall file an annual budget with its administrative 4056
agent, with copies filed with the county auditor and with the 4057

board of county commissioners, unless the board is serving as the 4058
council's administrative agent. The council's administrative agent 4059
shall ensure that all expenditures are handled in accordance with 4060
policies, procedures, and activities prescribed by state 4061
departments in rules or interagency agreements that are applicable 4062
to the council's functions. 4063

The administrative agent of a county council shall send 4064
notice of a member's absence if a member listed in division (B)(1) 4065
of this section has been absent from either three consecutive 4066
meetings of the county council or a county council subcommittee, 4067
or from one-quarter of such meetings in a calendar year, whichever 4068
is less. The notice shall be sent to the board of county 4069
commissioners that establishes the county council and, for the 4070
members listed in divisions (B)(1)(b), (c), (e), and (l) of this 4071
section, to the governing board overseeing the respective entity; 4072
for the member listed in division (B)(1)(f) of this section, to 4073

superintendent; for a member listed in division (B)(1)(g) or (h) 4075
of this section, to the school board that employs the 4076
superintendent; for the member listed in division (B)(1)(i) of 4077
this section, to the mayor of the municipal corporation; for the 4078
member listed in division (B)(1)(k) of this section, to the 4079
director of youth services; and for the member listed in division 4080
(B)(1)(n) of this section, to that member's board of trustees. 4081

The administrative agent for a county council may do any of 4082
the following on behalf of the council: 4083

(i) Enter into agreements or administer contracts with public 4084
or private entities to fulfill specific council business. Such 4085
agreements and contracts are exempt from the competitive bidding 4086
requirements of section 307.86 of the Revised Code if they have 4087
been approved by the county council and they are for the purchase 4088
of family and child welfare or child protection services or other 4089

social or job and family services for families and children. The 4090
approval of the county council is not required to exempt 4091
agreements or contracts entered into under section 5139.34, 4092
5139.41, or 5139.43 of the Revised Code from the competitive 4093
bidding requirements of section 307.86 of the Revised Code. 4094

(ii) As determined by the council, provide financial 4095
stipends, reimbursements, or both, to family representatives for 4096
expenses related to council activity; 4097

(iii) Receive by gift, grant, devise, or bequest any moneys, 4098
lands, or other property for the purposes for which the council is 4099
established. The agent shall hold, apply, and dispose of the 4100
moneys, lands, or other property according to the terms of the 4101
gift, grant, devise, or bequest. Any interest or earnings shall be 4102
treated in the same manner and are subject to the same terms as 4103
the gift, grant, devise, or bequest from which it accrues. 4104

(b)(i) If the county council designates the board of county 4105
commissioners as its administrative agent, the board may, by 4106
resolution, delegate any of its powers and duties as 4107
administrative agent to an executive committee the board 4108
establishes from the membership of the county council. The board 4109
shall name to the executive committee at least the individuals 4110
described in divisions (B)(1)(b) to (h) of this section and may 4111
appoint the president of the board or another individual as the 4112
chair of the executive committee. The executive committee must 4113
include at least one family county council representative who does 4114
not have a family member employed by an agency represented on the 4115
council. 4116

(ii) The executive committee may, with the approval of the 4117
board, hire an executive director to assist the county council in 4118
administering its powers and duties. The executive director shall 4119
serve in the unclassified civil service at the pleasure of the 4120
executive committee. The executive director may, with the approval 4121

of the executive committee, hire other employees as necessary to 4122
properly conduct the county council's business. 4123

(iii) The board may require the executive committee to submit 4124
an annual budget to the board for approval and may amend or repeal 4125
the resolution that delegated to the executive committee its 4126
authority as the county council's administrative agent. 4127

(6) Two or more county councils may enter into an agreement 4128
to administer their county councils jointly by creating a regional 4129
family and children first council. A regional council possesses 4130
the same duties and authority possessed by a county council, 4131
except that the duties and authority apply regionally rather than 4132
to individual counties. Prior to entering into an agreement to 4133
create a regional council, the members of each county council to 4134
be part of the regional council shall meet to determine whether 4135
all or part of the members of each county council will serve as 4136
members of the regional council. 4137

(7) A board of county commissioners may approve a resolution 4138
by a majority vote of the board's members that requires the county 4139
council to submit a statement to the board each time the council 4140
proposes to enter into an agreement, adopt a plan, or make a 4141
decision, other than a decision pursuant to section 121.38 of the 4142
Revised Code, that requires the expenditure of funds for two or 4143
more families. The statement shall describe the proposed 4144
agreement, plan, or decision. 4145

Not later than fifteen days after the board receives the 4146
statement, it shall, by resolution approved by a majority of its 4147
members, approve or disapprove the agreement, plan, or decision. 4148
Failure of the board to pass a resolution during that time period 4149
shall be considered approval of the agreement, plan, or decision. 4150

An agreement, plan, or decision for which a statement is 4151
required to be submitted to the board shall be implemented only if 4152

it is approved by the board. 4153

(C) Each county shall develop a county service coordination 4154
mechanism. The county service coordination mechanism shall serve 4155
as the guiding document for coordination of services in the 4156
county. For children who also receive services under the help me 4157
grow program, the service coordination mechanism shall be 4158
consistent with rules adopted by the department of health under 4159
section 3701.61 of the Revised Code. All family service 4160
coordination plans shall be developed in accordance with the 4161
county service coordination mechanism. The mechanism shall be 4162
developed and approved with the participation of the county 4163
entities representing child welfare; developmental disabilities; 4164
alcohol, drug addiction, and mental health services; health; 4165
juvenile judges; education; the county family and children first 4166
council; and the county early intervention collaborative 4167
established pursuant to the federal early intervention program 4168
operated under the "Individuals with Disabilities Education Act of 4169
2004." The county shall establish an implementation schedule for 4170
the mechanism. The cabinet council may monitor the implementation 4171
and administration of each county's service coordination 4172
mechanism. 4173

Each mechanism shall include all of the following: 4174

(1) A procedure for an agency, including a juvenile court, or 4175
a family voluntarily seeking service coordination, to refer the 4176
child and family to the county council for service coordination in 4177
accordance with the mechanism; 4178

(2) A procedure ensuring that a family and all appropriate 4179
staff from involved agencies, including a representative from the 4180
appropriate school district, are notified of and invited to 4181
participate in all family service coordination plan meetings; 4182

(3) A procedure that permits a family to initiate a meeting 4183

to develop or review the family's service coordination plan and 4184
allows the family to invite a family advocate, mentor, or support 4185
person of the family's choice to participate in any such meeting; 4186

(4) A procedure for ensuring that a family service 4187
coordination plan meeting is conducted for each child who receives 4188
service coordination under the mechanism and for whom an emergency 4189
out-of-home placement has been made or for whom a nonemergency 4190
out-of-home placement is being considered. The meeting shall be 4191
conducted within ten days of an emergency out-of-home placement. 4192
The meeting shall be conducted before a nonemergency out-of-home 4193
placement. The family service coordination plan shall outline how 4194
the county council members will jointly pay for services, where 4195
applicable, and provide services in the least restrictive 4196
environment. 4197

(5) A procedure for monitoring the progress and tracking the 4198
outcomes of each service coordination plan requested in the county 4199
including monitoring and tracking children in out-of-home 4200
placements to assure continued progress, appropriateness of 4201
placement, and continuity of care after discharge from placement 4202
with appropriate arrangements for housing, treatment, and 4203
education; 4204

(6) A procedure for protecting the confidentiality of all 4205
personal family information disclosed during service coordination 4206
meetings or contained in the comprehensive family service 4207
coordination plan; 4208

(7) A procedure for assessing the needs and strengths of any 4209
child or family that has been referred to the council for service 4210
coordination, including a child whose parent or custodian is 4211
voluntarily seeking services, and for ensuring that parents and 4212
custodians are afforded the opportunity to participate; 4213

(8) A procedure for development of a family service 4214

coordination plan described in division (D) of this section; 4215

(9) A local dispute resolution process to serve as the 4216
process that must be used first to resolve disputes among the 4217
agencies represented on the county council concerning the 4218
provision of services to children, including children who are 4219
abused, neglected, dependent, unruly, alleged unruly, or 4220
delinquent children and under the jurisdiction of the juvenile 4221
court and children whose parents or custodians are voluntarily 4222
seeking services. The local dispute resolution process shall 4223
comply with sections 121.38, 121.381, and 121.382 of the Revised 4224
Code. The local dispute resolution process shall be used to 4225
resolve disputes between a child's parents or custodians and the 4226
county council regarding service coordination. The county council 4227
shall inform the parents or custodians of their right to use the 4228
dispute resolution process. Parents or custodians shall use 4229
existing local agency grievance procedures to address disputes not 4230
involving service coordination. The dispute resolution process is 4231
in addition to and does not replace other rights or procedures 4232
that parents or custodians may have under other sections of the 4233
Revised Code. 4234

The cabinet council shall adopt rules in accordance with 4235
Chapter 119. of the Revised Code establishing an administrative 4236
review process to address problems that arise concerning the 4237
operation of a local dispute resolution process. 4238

Nothing in division (C)(4) of this section shall be 4239
interpreted as overriding or affecting decisions of a juvenile 4240
court regarding an out-of-home placement, long-term placement, or 4241
emergency out-of-home placement. 4242

(D) Each county shall develop a family service coordination 4243
plan that does all of the following: 4244

(1) Designates service responsibilities among the various 4245

state and local agencies that provide services to children and 4246
their families, including children who are abused, neglected, 4247
dependent, unruly, or delinquent children and under the 4248
jurisdiction of the juvenile court and children whose parents or 4249
custodians are voluntarily seeking services; 4250

(2) Designates an individual, approved by the family, to 4251
track the progress of the family service coordination plan, 4252
schedule reviews as necessary, and facilitate the family service 4253
coordination plan meeting process; 4254

(3) Ensures that assistance and services to be provided are 4255
responsive to the strengths and needs of the family, as well as 4256
the family's culture, race, and ethnic group, by allowing the 4257
family to offer information and suggestions and participate in 4258
decisions. Identified assistance and services shall be provided in 4259
the least restrictive environment possible. 4260

(4) Includes a process for dealing with a child who is 4261
alleged to be an unruly child. The process shall include methods 4262
to divert the child from the juvenile court system; 4263

(5) Includes timelines for completion of goals specified in 4264
the plan with regular reviews scheduled to monitor progress toward 4265
those goals; 4266

(6) Includes a plan for dealing with short-term crisis 4267
situations and safety concerns. 4268

(E)(1) The process provided for under division (D)(4) of this 4269
section may include, but is not limited to, the following: 4270

(a) Designation of the person or agency to conduct the 4271
assessment of the child and the child's family as described in 4272
division (C)(7) of this section and designation of the instrument 4273

capital investment project. 4544

(E) An agreement entered into under this section shall 4545
include all of the following: 4546

(3) A requirement that the computer data center remain an 4561
eligible computer data center during the term of the agreement and 4562
that the applicant maintain operations at the eligible computer 4563
data center during that term. An applicant does not violate the 4564
requirement described in division (E)(3) of this section if the 4565
applicant ceases operations at the eligible computer data center 4566
during the term of the agreement but resumes those operations 4567
within eighteen months after the date of cessation. The agreement 4568
shall provide that, in such a case, the applicant and any other 4569
taxpayer that operates a computer data center business at the 4570
project site shall not claim the tax exemption authorized in the 4571

subject to the withholding obligation imposed under section 4580
5747.06 of the Revised Code of at least one million five hundred 4581
thousand dollars to employees at the eligible computer data 4582
center. 4583

(5) A requirement that each taxpayer subject to the agreement 4584
annually report to the director of development services 4585
employment, tax withholding, capital investment, and other 4586
information required by the director to perform the director's 4587
duties under this section. 4588

(6) A requirement that the director of development services 4589
annually review the annual reports of each taxpayer subject to the 4590
agreement to verify the information reported under division (E)(5) 4591
of this section and compliance with the agreement. Upon 4592
verification, the director shall issue a certificate to each such 4593
taxpayer stating that the information has been verified and that 4594
the taxpayer remains eligible for the exemption specified in the 4595
agreement. 4596

(7) A provision providing that the taxpayers subject to the 4597
agreement may not relocate a substantial number of employment 4598
positions from elsewhere in this state to the project site unless 4599
the director of development services determines that the 4600
appropriate taxpayer notified the legislative authority of the 4601
county, township, or municipal corporation from which the 4602
employment positions would be relocated. For purposes of this 4603
paragraph, the movement of an employment position from one 4604
political subdivision to another political subdivision shall be 4605
considered a relocation of an employment position unless the 4606
movement is confined to the project site. The transfer of an 4607
employment position from one political subdivision to another 4608
political subdivision shall not be considered a relocation of an 4609
employment position if the employment position in the first 4610
political subdivision is replaced by another employment position. 4611

(8) A waiver by each taxpayer subject to the agreement of any 4612
limitations periods relating to assessments or adjustments 4613
resulting from the taxpayer's failure to comply with the 4614
agreement. 4615

(F) The term of an agreement under this section shall be 4616
determined by the tax credit authority, and the amount of the 4617
exemption shall not exceed one hundred per cent of such taxes that 4618
would otherwise be owed in respect to the exempted computer data 4619
center equipment. 4620

(G) If any taxpayer subject to an agreement under this 4621
section fails to meet or comply with any condition or requirement 4622
set forth in the agreement, the tax credit authority may amend the 4623
agreement to reduce the percentage of the exemption or term during 4624
which the exemption applies to the computer data center equipment 4625
used or to be used by the noncompliant taxpayer at an eligible 4626
computer data center. The reduction of the percentage or term may 4627
take effect in the current calendar year. 4628

(H) Financial statements and other information submitted to 4629
the department of development services or the tax credit authority 4630
by an applicant for or recipient of an exemption under this 4631
section, and any information taken for any purpose from such 4632
statements or information, are not public records subject to 4633
section 149.43 of the Revised Code. However, the chairperson of 4634
the authority may make use of the statements and other information 4635
for purposes of issuing public reports or in connection with court 4636
proceedings concerning tax exemption agreements under this 4637
section. Upon the request of the tax commissioner, the chairperson 4638
of the authority shall provide to the tax commissioner any 4639
statement or other information submitted by an applicant for or 4640
recipient of an exemption under this section. The tax commissioner 4641
shall preserve the confidentiality of the statement or other 4642
information. 4643

(I) The tax commissioner shall issue a direct payment permit 4644
under section 5739.031 of the Revised Code to each taxpayer 4645
subject to an agreement under this section. Such direct payment 4646
permit shall authorize the taxpayer to pay any sales and use taxes 4647
due on purchases of computer data center equipment used or to be 4648
used in an eligible computer data center and to pay any sales and 4649
use taxes due on purchases of tangible personal property or 4650
taxable services other than computer data center equipment used or 4651
to be used in an eligible computer data center directly to the tax 4652
commissioner. Each such taxpayer shall pay pursuant to such direct 4653
payment permit all sales tax levied on such purchases under 4654
sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised 4655
Code and all use tax levied on such purchases under sections 4656
5741.02, 5741.021, 5741.022, and 5741.023 of the Revised Code, 4657
consistent with the terms of the agreement entered into under this 4658
section. 4659

During the term of an agreement under this section each 4660
taxpayer subject to the agreement shall submit to the tax 4661
commissioner a return that shows the amount of computer data 4662
center equipment purchased for use at the eligible computer data 4663
center, the amount of tangible personal property and taxable 4664
services other than computer data center equipment purchased for 4665
use at the eligible computer data center, the amount of tax under 4666
Chapter 5739. or 5741. of the Revised Code that would be due in 4667
the absence of the agreement under this section, the exemption 4668
percentage for computer data center equipment specified in the 4669
agreement, and the amount of tax due under Chapter 5739. or 5741. 4670
of the Revised Code as a result of the agreement under this 4671
section. Each such taxpayer shall pay the tax shown on the return 4672
to be due in the manner and at the times as may be further 4673
prescribed by the tax commissioner. Each such taxpayer shall 4674
include a copy of the director of development services' 4675
certificate of verification issued under division (E)(6) of this 4676

section. Failure to submit a copy of the certificate with the 4677
return does not invalidate the claim for exemption if the taxpayer 4678
submits a copy of the certificate to the tax commissioner within 4679
the time prescribed by section 5703.0510 of the Revised Code. 4680

(J) If the director of development services determines that 4681
one or more taxpayers received an exemption from taxes due on the 4682
purchase of computer data center equipment purchased for use at a 4683
computer data center that no longer complies with the requirement 4684
under division (E)(3) of this section, the director shall notify 4685
the tax credit authority and, if applicable, the taxpayer that 4686
applied to enter the agreement for the exemption under division 4687
(C) of this section of the noncompliance. After receiving such a 4688
notice, and after giving each taxpayer subject to the agreement an 4689
opportunity to explain the noncompliance, the authority may 4690
terminate the agreement and require each such taxpayer to pay to 4691
the state all or a portion of the taxes that would have been owed 4692
in regards to the exempt equipment in previous years, all as 4693
determined under rules adopted pursuant to division (K) of this 4694
section. In determining the portion of the taxes that would have 4695
been owed on the previously exempted equipment to be paid to this 4696
state by a taxpayer, the authority shall consider the effect of 4697
market conditions on the eligible computer data center, whether 4698
the taxpayer continues to maintain other operations in this state, 4699
and, with respect to agreements involving multiple taxpayers, the 4700
taxpayer's level of responsibility for the noncompliance. After 4701
making the determination, the authority shall certify to the tax 4702
commissioner the amount to be paid by each taxpayer subject to the 4703
agreement. The tax commissioner shall make an assessment for that 4704
amount against each such taxpayer under Chapter 5739. or 5741. of 4705
the Revised Code. The time limitations on assessments under those 4706
chapters do not apply to an assessment under this division, but 4707
the tax commissioner shall make the assessment within one year 4708
after the date the authority certifies to the tax commissioner the 4709

amount to be paid by the taxpayer. 4710

(K) The director of development services, after consultation 4711
with the tax commissioner and in accordance with Chapter 119. of 4712
the Revised Code, shall adopt rules necessary to implement this 4713
section. The rules may provide for recipients of tax exemptions 4714
under this section to be charged fees to cover administrative 4715
costs incurred in the administration of this section. The fees 4716
collected shall be credited to the tax incentives operating fund 4717
created in section 122.174 of the Revised Code. At the time the 4718
director gives public notice under division (A) of section 119.03 4719

claim the credit in the order prescribed by section 5747.98 of the 4829

certificate, subject to the limitations of this section. A 4848

expenditures that qualify as eligible production expenditures. The 5035
certified public accountant shall issue a report to the company 5036
and to the director of development services certifying the 5037
company's eligible production expenditures and any other 5038

director disallows an expenditure, the director shall issue a 5042
written notice to the motion picture production company stating 5043
that the expenditure is disallowed and the reason for the 5044
disallowance. Upon examination of the report and disallowance of 5045
any expenditures, the director shall determine finally the lesser 5046
of the total budgeted eligible production expenditures stated in 5047
the application submitted under ~~division (B)~~ of this section or 5048

prescribed by division ~~(D)~~(C) of this section. 5054

~~(F)~~(E) This state reserves the right to refuse the use of 5055

sufficient evidence of reviewable progress; expenditures that 5064
qualify as eligible production expenditures; a competitive process 5065
for approving credits; consideration of geographic distribution of 5066
credits; and implementation of the program described in division 5067
~~(I)~~(H) of this section. The rules shall be adopted under Chapter 5068
119. of the Revised Code. 5069

(2) To cover the administrative costs of the program, the 5070
director shall require each applicant to pay an application fee 5071
equal to the lesser of ten thousand dollars or one per cent of the 5072
estimated value of the tax credit as stated in the application. 5073
The fees collected shall be credited to the tax incentives 5074
operating fund created in section 122.174 of the Revised Code. All 5075
grants, gifts, fees, and contributions made to the director for 5076
marketing and promotion of the motion picture industry within this 5077
state shall also be credited to the fund. 5078

~~(H)~~(G)(1) After the director of development services makes 5079
the determination required under division ~~(D)~~(C) of this section, 5080

issued may transfer the authority to claim all or a portion of the 5082
amount of the tax credit the motion picture company is authorized 5083

to claim pursuant to that certificate under section 5726.55, 5084
5733.59, 5747.66, or 5751.54 of the Revised Code to one or more 5085

division, the motion picture company shall submit the following 5087
information to the director, on a form prescribed by the director: 5088

(a) Information necessary for the director to identify the 5089
certificate that is the basis for the transfer; 5090

(b) The portion or amount of the tax credit transferred to 5091
each transferee; 5092

(c) The portion or amount of the tax credit that the motion 5093
picture company retains the authority to claim; 5094

(d) The tax identification number of each transferee; 5095

(e) The date of the transfer; 5096

(f) Any other information required by the director; 5097

(g) Any information required by the tax commissioner. 5098

The director shall deliver a copy of any submission received 5099
under division ~~(H)~~(G)(1) of this section to the tax commissioner. 5100

(2) A transferee may not claim a credit under section 5101
5726.55, 5733.59, 5747.66, or 5751.54 of the Revised Code unless 5102
and until the transferring motion picture company complies with 5103
division ~~(H)~~(G)(1) of this section. A transferee may claim the 5104
transferred amount of any credit or portion of a credit for the 5105
same taxable year or tax period for which the transferring motion 5106
picture company was authorized to claim the credit or portion of a 5107
credit pursuant to the certificate. A motion picture company shall 5108
make no transfer under division ~~(H)~~(G)(1) of this section after 5109
the last day of the tax period or taxable year for which the 5110
motion picture company is required to claim the credit pursuant to 5111
the certificate. 5112

A motion picture company may make not more than one transfer 5113

under division ~~(H)~~(G)(1) of this section for each tax credit 5114
certificate, but pursuant to that transaction, may allocate the 5115
authority to claim a portion of the credit to more than one 5116
transferee. A motion picture company may not authorize more than 5117
one transferee to claim the same portion of a credit. 5118

~~(I)~~(H) The director of development services shall establish a 5119
program for the training of Ohio residents who are or wish to be 5120
employed in the film or multimedia industry. Under the program, 5121
the director shall: 5122

director, and have met any other requirements established by the 5127

required by the director, authorize a reimbursement payment to 5135
each motion picture company whose application was approved under 5136
division ~~(I)~~(H)(2) of this section. The payment shall equal fifty 5137
per cent of the salaries paid to film and multimedia trainees 5138

and there is no time limitation on the issuance of an assessment 6342

under applicable law, an action to collect a tax debt commences 6343
when the action is filed in the courts of this state to collect 6344
the liability. 6345

that corrections to permanent improvements are necessary to remove 6562
or prevent health or safety hazards. 6563

(b) Existing fiscal and net indebtedness limitations make 6564
adequate replacement, additions, or improvements impossible. 6565

district pursuant to section 133.18 of the Revised Code the 6568

in excess of any insurance or condemnation proceeds received by 6570
the district, of permanent improvements to respond to the 6571
emergency need. 6572

professional engineer, or other person experienced in the design 6598
and implementation of energy conservation measures for an analysis 6599

installations, or remodeling that would significantly reduce 6601
energy consumption in buildings owned by the district. The report 6602
shall include estimates of all costs of such installations, 6603
modifications, or remodeling, including costs of design, 6604
engineering, installation, maintenance, repairs, measurement and 6605

consumption data for the preceding three years with the utility 6610
baseline based on only the actual energy consumption data for the 6611
preceding twelve months, and estimates of the amounts by which 6612
energy consumption and resultant operational and maintenance 6613
costs, as defined by the commission, would be reduced. 6614

If the board finds after receiving the report that the amount 6615
of money the district would spend on such installations, 6616
modifications, or remodeling is not likely to exceed the amount of 6617
money it would save in energy and resultant operational and 6618

maintenance costs over the ensuing fifteen years, the board may 6619
submit to the commission a copy of its findings and a request for 6620
approval to incur indebtedness to finance the making or 6621
modification of installations or the remodeling of buildings for 6622
the purpose of significantly reducing energy consumption. 6623

The facilities construction commission, in consultation with 6624
the auditor of state, may deny a request under division (G)(1) of 6625
this section by the board of education of any school district that 6626

No district board of education of a school district that is 6630
in a state of fiscal emergency pursuant to division (B) of section 6631
3316.03 of the Revised Code shall submit a request without 6632
submitting evidence that the installations, modifications, or 6633
remodeling have been approved by the district's financial planning 6634
and supervision commission established under section 3316.05 of 6635

academic distress commission established under that section, for 6641
so long as such commission continues to be required for the 6642
district. 6643~~

(2) The board of education may contract with a person 6644
experienced in the implementation of student transportation to 6645

for the use of alternative fuel vehicles by school districts. The 6647
report shall include cost estimates detailing the return on 6648
investment over the life of the alternative fuel vehicles and 6649
environmental impact of alternative fuel vehicles. The report also 6650

shall include estimates of all costs associated with alternative 6651
fuel transportation, including facility modifications and vehicle 6652
purchase costs or conversion costs. 6653

If the board finds after receiving the report that the amount 6654
of money the district would spend on purchasing alternative fuel 6655
vehicles or vehicle conversion is not likely to exceed the amount 6656
of money it would save in fuel and resultant operational and 6657
maintenance costs over the ensuing five years, the board may 6658
submit to the commission a copy of its findings and a request for 6659
approval to incur indebtedness to finance the purchase of new 6660
alternative fuel vehicles or vehicle conversions for the purpose 6661
of reducing fuel costs. 6662

the auditor of state, may deny a request under division (G)(2) of 6664
this section by the board of education of any school district that 6665
is in a state of fiscal watch pursuant to division (A) of section 6666
3316.03 of the Revised Code, if it determines that the expenditure 6667
of funds is not in the best interest of the school district. 6668

No district board of education of a school district that is 6669
in a state of fiscal emergency pursuant to division (B) of section 6670
3316.03 of the Revised Code shall submit a request without 6671
submitting evidence that the purchase or conversion of alternative 6672
fuel vehicles has been approved by the district's financial 6673
planning and supervision commission established under section 6674
3316.05 of the Revised Code. 6675

~~No board of education of a school district for which an 6676
academic distress commission has been established under section 6677
3302.10 of the Revised Code shall submit a request without first 6678
receiving approval to incur indebtedness from the district's 6679
academic distress commission established under that section, for 6680
so long as such commission continues to be required for the 6681

Upon receipt of the commission's approval, the district may issue securities without a vote of the electors in a principal amount not to exceed nine-tenths of one per cent of its tax valuation for the purpose specified in division (G)(1) or (2) of this section, but the total net indebtedness of the district without a vote of the electors incurred under this and all other sections of the Revised Code, except section 3318.052 of the Revised Code, shall not exceed one per cent of the district's tax valuation.

such installations, modifications, or remodeling. The resultant 6714
operational and maintenance cost savings shall be certified by the 6715
school district treasurer. The report shall be submitted annually 6716
to the commission. 6717

(b) If the facilities construction commission verifies that 6718
the certified annual reports submitted to the commission by a 6719
board of education under division (G)(4)(a) of this section 6720
fulfill the guarantee required under division (B) of section 6721
3313.372 of the Revised Code for three consecutive years, the 6722

and annually update a report in a form and manner prescribed by 6729
the facilities construction commission documenting the purchase of 6730
new alternative fuel vehicles or vehicle conversions, the 6731
associated environmental impact, and return on investment. The 6732
resultant fuel and operational and maintenance cost savings shall 6733
be certified by the school district treasurer. The report shall be 6734
submitted annually to the commission. 6735

at the time of the certification and confirmation, reasonably 6758
expects to have sufficient revenue available for the purpose of 6759
operating such permanent improvements for their intended purpose 6760
upon acquisition or completion thereof, and the superintendent of 6761
public instruction approves the taxing authority's confirmation. 6762

(B)(1) Upon request and subject to division (B)(8) of this 7554
section, all public records responsive to the request shall be 7555
promptly prepared and made available for inspection to any person 7556
at all reasonable times during regular business hours. Subject to 7557
division (B)(8) of this section, upon request by any person, a 7558
public office or person responsible for public records shall make 7559
copies of the requested public record available to the requester 7560
at cost and within a reasonable period of time. If a public record 7561
contains information that is exempt from the duty to permit public 7562
inspection or to copy the public record, the public office or the 7563
person responsible for the public record shall make available all 7564
of the information within the public record that is not exempt. 7565
When making that public record available for public inspection or 7566
copying that public record, the public office or the person 7567
responsible for the public record shall notify the requester of 7568
any redaction or make the redaction plainly visible. A redaction 7569
shall be deemed a denial of a request to inspect or copy the 7570

redacted information, except if federal or state law authorizes or 7571
requires a public office to make the redaction. 7572

(2) To facilitate broader access to public records, a public 7573
office or the person responsible for public records shall organize 7574
and maintain public records in a manner that they can be made 7575
available for inspection or copying in accordance with division 7576
(B) of this section. A public office also shall have available a 7577
copy of its current records retention schedule at a location 7578
readily available to the public. If a requester makes an ambiguous 7579
or overly broad request or has difficulty in making a request for 7580
copies or inspection of public records under this section such 7581
that the public office or the person responsible for the requested 7582
public record cannot reasonably identify what public records are 7583
being requested, the public office or the person responsible for 7584
the requested public record may deny the request but shall provide 7585
the requester with an opportunity to revise the request by 7586
informing the requester of the manner in which records are 7587
maintained by the public office and accessed in the ordinary 7588
course of the public office's or person's duties. 7589

(3) If a request is ultimately denied, in part or in whole, 7590
the public office or the person responsible for the requested 7591
public record shall provide the requester with an explanation, 7592
including legal authority, setting forth why the request was 7593
denied. If the initial request was provided in writing, the 7594
explanation also shall be provided to the requester in writing. 7595
The explanation shall not preclude the public office or the person 7596
responsible for the requested public record from relying upon 7597
additional reasons or legal authority in defending an action 7598
commenced under division (C) of this section. 7599

(4) Unless specifically required or authorized by state or 7600
federal law or in accordance with division (B) of this section, no 7601
public office or person responsible for public records may limit 7602

or condition the availability of public records by requiring 7603
disclosure of the requester's identity or the intended use of the 7604
requested public record. Any requirement that the requester 7605
disclose the requester's identity or the intended use of the 7606
requested public record constitutes a denial of the request. 7607

(5) A public office or person responsible for public records 7608
may ask a requester to make the request in writing, may ask for 7609
the requester's identity, and may inquire about the intended use 7610
of the information requested, but may do so only after disclosing 7611
to the requester that a written request is not mandatory, that the 7612
requester may decline to reveal the requester's identity or the 7613
intended use, and when a written request or disclosure of the 7614
identity or intended use would benefit the requester by enhancing 7615
the ability of the public office or person responsible for public 7616
records to identify, locate, or deliver the public records sought 7617
by the requester. 7618

(6) If any person requests a copy of a public record in 7619
accordance with division (B) of this section, the public office or 7620
person responsible for the public record may require that person 7621
to pay in advance the cost involved in providing the copy of the 7622
public record in accordance with the choice made by the person 7623
requesting the copy under this division. The public office or the 7624
person responsible for the public record shall permit that person 7625
to choose to have the public record duplicated upon paper, upon 7626
the same medium upon which the public office or person responsible 7627
for the public record keeps it, or upon any other medium upon 7628
which the public office or person responsible for the public 7629
record determines that it reasonably can be duplicated as an 7630
integral part of the normal operations of the public office or 7631
person responsible for the public record. When the person 7632
requesting the copy makes a choice under this division, the public 7633
office or person responsible for the public record shall provide a 7634

copy of it in accordance with the choice made by that person. 7635
Nothing in this section requires a public office or person 7636
responsible for the public record to allow the person requesting a 7637
copy of the public record to make the copies of the public record. 7638

(7)(a) Upon a request made in accordance with division (B) of 7639
this section and subject to division (B)(6) of this section, a 7640
public office or person responsible for public records shall 7641
transmit a copy of a public record to any person by United States 7642
mail or by any other means of delivery or transmission within a 7643
reasonable period of time after receiving the request for the 7644
copy. The public office or person responsible for the public 7645
record may require the person making the request to pay in advance 7646
the cost of postage if the copy is transmitted by United States 7647
mail or the cost of delivery if the copy is transmitted other than 7648
by United States mail, and to pay in advance the costs incurred 7649
for other supplies used in the mailing, delivery, or transmission. 7650

(b) Any public office may adopt a policy and procedures that 7651
it will follow in transmitting, within a reasonable period of time 7652
after receiving a request, copies of public records by United 7653
States mail or by any other means of delivery or transmission 7654
pursuant to division (B)(7) of this section. A public office that 7655
adopts a policy and procedures under division (B)(7) of this 7656
section shall comply with them in performing its duties under that 7657
division. 7658

(c) In any policy and procedures adopted under division 7659
(B)(7) of this section: 7660

(i) A public office may limit the number of records requested 7661
by a person that the office will physically deliver by United 7662
States mail or by another delivery service to ten per month, 7663
unless the person certifies to the office in writing that the 7664
person does not intend to use or forward the requested records, or 7665
the information contained in them, for commercial purposes; 7666

(ii) A public office that chooses to provide some or all of its public records on a web site that is fully accessible to and searchable by members of the public at all times, other than during acts of God outside the public office's control or maintenance, and that charges no fee to search, access, download, or otherwise receive records provided on the web site, may limit to ten per month the number of records requested by a person that the office will deliver in a digital format, unless the requested records are not provided on the web site and unless the person certifies to the office in writing that the person does not intend to use or forward the requested records, or the information contained in them, for commercial purposes.

(iii) For purposes of division (B)(7) of this section, "commercial" shall be narrowly construed and does not include reporting or gathering news, reporting or gathering information to assist citizen oversight or understanding of the operation or activities of government, or nonprofit educational research.

(8)(a) A public office or person responsible for public records is not required to permit a person who is incarcerated pursuant to a criminal conviction or a juvenile adjudication to inspect or to obtain a copy of any public record concerning a criminal investigation or prosecution or concerning what would be a criminal investigation or prosecution if the subject of the investigation or prosecution were an adult, unless the request to inspect or to obtain a copy of the record is for the purpose of acquiring information that is subject to release as a public record under this section and the judge who imposed the sentence or made the adjudication with respect to the person, or the judge's successor in office, finds that the information sought in the public record is necessary to support what appears to be a justiciable claim of the person.

(b) A public office or person responsible for public records

is not required to permit a person who is subject to an order 7699
finding the person to be a vexatious litigator under section 7700
2323.52 of the Revised Code to inspect or to obtain a copy of any 7701
public record, except pursuant to a court order issued under 7702
division (J) of that section. 7703

(9)(a) Upon written request made and signed by a journalist, 7704
a public office, or person responsible for public records, having 7705
custody of the records of the agency employing a specified 7706
designated public service worker shall disclose to the journalist 7707
the address of the actual personal residence of the designated 7708
public service worker and, if the designated public service 7709
worker's spouse, former spouse, or child is employed by a public 7710
office, the name and address of the employer of the designated 7711
public service worker's spouse, former spouse, or child. The 7712
request shall include the journalist's name and title and the name 7713
and address of the journalist's employer and shall state that 7714
disclosure of the information sought would be in the public 7715
interest. 7716

(b) Division (B)(9)(a) of this section also applies to 7717
journalist requests for: 7718

(i) Customer information maintained by a municipally owned or 7719
operated public utility, other than social security numbers and 7720
any private financial information such as credit reports, payment 7721
methods, credit card numbers, and bank account information; 7722

(ii) Information about minors involved in a school vehicle 7723
accident as provided in division (A)(1)(gg) of this section, other 7724
than personal information as defined in section 149.45 of the 7725
Revised Code. 7726

(c) As used in division (B)(9) of this section, "journalist" 7727
means a person engaged in, connected with, or employed by any news 7728
medium, including a newspaper, magazine, press association, news 7729

agency, or wire service, a radio or television station, or a 7730
similar medium, for the purpose of gathering, processing, 7731
transmitting, compiling, editing, or disseminating information for 7732
the general public. 7733

(10) Upon a request made by a victim, victim's attorney, or 7734
victim's representative, as that term is used in section 2930.02 7735
of the Revised Code, a public office or person responsible for 7736
public records shall transmit a copy of a depiction of the victim 7737
as described in division (A)(1)(gg) of this section to the victim, 7738
victim's attorney, or victim's representative. 7739

(C)(1) If a person allegedly is aggrieved by the failure of a 7740
public office or the person responsible for public records to 7741
promptly prepare a public record and to make it available to the 7742
person for inspection in accordance with division (B) of this 7743
section or by any other failure of a public office or the person 7744
responsible for public records to comply with an obligation in 7745
accordance with division (B) of this section, the person allegedly 7746
aggrieved may do only one of the following, and not both: 7747

(a) File a complaint with the clerk of the court of claims or 7748
the clerk of the court of common pleas under section 2743.75 of 7749
the Revised Code; 7750

(b) Commence a mandamus action to obtain a judgment that 7751
orders the public office or the person responsible for the public 7752
record to comply with division (B) of this section, that awards 7753
court costs and reasonable attorney's fees to the person that 7754
instituted the mandamus action, and, if applicable, that includes 7755
an order fixing statutory damages under division (C)(2) of this 7756
section. The mandamus action may be commenced in the court of 7757
common pleas of the county in which division (B) of this section 7758
allegedly was not complied with, in the supreme court pursuant to 7759
its original jurisdiction under Section 2 of Article IV, Ohio 7760
Constitution, or in the court of appeals for the appellate 7761

district in which division (B) of this section allegedly was not 7762
complied with pursuant to its original jurisdiction under Section 7763
3 of Article IV, Ohio Constitution. 7764

(2) If a requester transmits a written request by hand 7765
delivery, electronic submission, or certified mail to inspect or 7766
receive copies of any public record in a manner that fairly 7767
describes the public record or class of public records to the 7768
public office or person responsible for the requested public 7769
records, except as otherwise provided in this section, the 7770
requester shall be entitled to recover the amount of statutory 7771
damages set forth in this division if a court determines that the 7772
public office or the person responsible for public records failed 7773
to comply with an obligation in accordance with division (B) of 7774
this section. 7775

The amount of statutory damages shall be fixed at one hundred 7776
dollars for each business day during which the public office or 7777
person responsible for the requested public records failed to 7778
comply with an obligation in accordance with division (B) of this 7779
section, beginning with the day on which the requester files a 7780
mandamus action to recover statutory damages, up to a maximum of 7781
one thousand dollars. The award of statutory damages shall not be 7782
construed as a penalty, but as compensation for injury arising 7783
from lost use of the requested information. The existence of this 7784
injury shall be conclusively presumed. The award of statutory 7785
damages shall be in addition to all other remedies authorized by 7786
this section. 7787

The court may reduce an award of statutory damages or not 7788
award statutory damages if the court determines both of the 7789
following: 7790

(a) That, based on the ordinary application of statutory law 7791
and case law as it existed at the time of the conduct or 7792
threatened conduct of the public office or person responsible for 7793

the requested public records that allegedly constitutes a failure 7794
to comply with an obligation in accordance with division (B) of 7795
this section and that was the basis of the mandamus action, a 7796
well-informed public office or person responsible for the 7797
requested public records reasonably would believe that the conduct 7798
or threatened conduct of the public office or person responsible 7799
for the requested public records did not constitute a failure to 7800
comply with an obligation in accordance with division (B) of this 7801
section; 7802

(b) That a well-informed public office or person responsible 7803
for the requested public records reasonably would believe that the 7804
conduct or threatened conduct of the public office or person 7805
responsible for the requested public records would serve the 7806
public policy that underlies the authority that is asserted as 7807
permitting that conduct or threatened conduct. 7808

(3) In a mandamus action filed under division (C)(1) of this 7809
section, the following apply: 7810

(a)(i) If the court orders the public office or the person 7811
responsible for the public record to comply with division (B) of 7812
this section, the court shall determine and award to the relator 7813
all court costs, which shall be construed as remedial and not 7814
punitive. 7815

(ii) If the court makes a determination described in division 7816
(C)(3)(b)(iii) of this section, the court shall determine and 7817
award to the relator all court costs, which shall be construed as 7818
remedial and not punitive. 7819

(b) If the court renders a judgment that orders the public 7820
office or the person responsible for the public record to comply 7821
with division (B) of this section or if the court determines any 7822
of the following, the court may award reasonable attorney's fees 7823
to the relator, subject to division (C)(4) of this section: 7824

(i) The public office or the person responsible for the 7825
public records failed to respond affirmatively or negatively to 7826
the public records request in accordance with the time allowed 7827
under division (B) of this section. 7828

(ii) The public office or the person responsible for the 7829
public records promised to permit the relator to inspect or 7830
receive copies of the public records requested within a specified 7831
period of time but failed to fulfill that promise within that 7832
specified period of time. 7833

(iii) The public office or the person responsible for the 7834
public records acted in bad faith when the office or person 7835
voluntarily made the public records available to the relator for 7836
the first time after the relator commenced the mandamus action, 7837
but before the court issued any order concluding whether or not 7838
the public office or person was required to comply with division 7839
(B) of this section. No discovery may be conducted on the issue of 7840
the alleged bad faith of the public office or person responsible 7841
for the public records. This division shall not be construed as 7842
creating a presumption that the public office or the person 7843
responsible for the public records acted in bad faith when the 7844
office or person voluntarily made the public records available to 7845
the relator for the first time after the relator commenced the 7846
mandamus action, but before the court issued any order described 7847
in this division. 7848

(c) The court shall not award attorney's fees to the relator 7849
if the court determines both of the following: 7850

(i) That, based on the ordinary application of statutory law 7851
and case law as it existed at the time of the conduct or 7852
threatened conduct of the public office or person responsible for 7853
the requested public records that allegedly constitutes a failure 7854
to comply with an obligation in accordance with division (B) of 7855
this section and that was the basis of the mandamus action, a 7856

well-informed public office or person responsible for the 7857
requested public records reasonably would believe that the conduct 7858
or threatened conduct of the public office or person responsible 7859
for the requested public records did not constitute a failure to 7860
comply with an obligation in accordance with division (B) of this 7861
section; 7862

(ii) That a well-informed public office or person responsible 7863
for the requested public records reasonably would believe that the 7864
conduct or threatened conduct of the public office or person 7865
responsible for the requested public records would serve the 7866
public policy that underlies the authority that is asserted as 7867
permitting that conduct or threatened conduct. 7868

(4) All of the following apply to any award of reasonable 7869
attorney's fees awarded under division (C)(3)(b) of this section: 7870

(a) The fees shall be construed as remedial and not punitive. 7871

(b) The fees awarded shall not exceed the total of the 7872
reasonable attorney's fees incurred before the public record was 7873
made available to the relator and the fees described in division 7874
(C)(4)(c) of this section. 7875

(c) Reasonable attorney's fees shall include reasonable fees 7876
incurred to produce proof of the reasonableness and amount of the 7877
fees and to otherwise litigate entitlement to the fees. 7878

(d) The court may reduce the amount of fees awarded if the 7879
court determines that, given the factual circumstances involved 7880
with the specific public records request, an alternative means 7881
should have been pursued to more effectively and efficiently 7882
resolve the dispute that was subject to the mandamus action filed 7883
under division (C)(1) of this section. 7884

(5) If the court does not issue a writ of mandamus under 7885
division (C) of this section and the court determines at that time 7886
that the bringing of the mandamus action was frivolous conduct as 7887

defined in division (A) of section 2323.51 of the Revised Code, 7888
the court may award to the public office all court costs, 7889
expenses, and reasonable attorney's fees, as determined by the 7890
court. 7891

(D) Chapter 1347. of the Revised Code does not limit the 7892
provisions of this section. 7893

(E)(1) To ensure that all employees of public offices are 7894
appropriately educated about a public office's obligations under 7895
division (B) of this section, all elected officials or their 7896
appropriate designees shall attend training approved by the 7897
attorney general as provided in section 109.43 of the Revised 7898
Code. A future official may satisfy the requirements of this 7899
division by attending the training before taking office, provided 7900
that the future official may not send a designee in the future 7901
official's place. 7902

(2) All public offices shall adopt a public records policy in 7903
compliance with this section for responding to public records 7904
requests. In adopting a public records policy under this division, 7905
a public office may obtain guidance from the model public records 7906
policy developed and provided to the public office by the attorney 7907
general under section 109.43 of the Revised Code. Except as 7908
otherwise provided in this section, the policy may not limit the 7909
number of public records that the public office will make 7910
available to a single person, may not limit the number of public 7911
records that it will make available during a fixed period of time, 7912
and may not establish a fixed period of time before it will 7913
respond to a request for inspection or copying of public records, 7914
unless that period is less than eight hours. 7915

The public office shall distribute the public records policy 7916
adopted by the public office under this division to the employee 7917
of the public office who is the records custodian or records 7918
manager or otherwise has custody of the records of that office. 7919

The public office shall require that employee to acknowledge 7920
receipt of the copy of the public records policy. The public 7921
office shall create a poster that describes its public records 7922
policy and shall post the poster in a conspicuous place in the 7923
public office and in all locations where the public office has 7924
branch offices. The public office may post its public records 7925
policy on the internet web site of the public office if the public 7926
office maintains an internet web site. A public office that has 7927

(C) No responsible party shall employ an applicant or continue to employ an employee in a direct-care position if any of the following apply:

(1) A review of the databases listed in division (E) of this section reveals any of the following:

(a) That the applicant or employee is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(b) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the applicant or employee abused, neglected, or exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(c) That the applicant or employee is included in one or more of the databases, if any, specified in rules adopted under this section and the rules prohibit the responsible party from

employing an applicant or continuing to employ an employee 8876
included in such a database in a direct-care position. 8877

(2) After the applicant or employee is provided, pursuant to 8878
division (F)(2)(a) of this section, a copy of the form prescribed 8879

and the standard impression sheet prescribed pursuant to division 8881
(C)(2) of that section, the applicant or employee fails to 8882

(3) Unless the applicant or employee meets standards 8885

section to have been convicted of, pleaded guilty to, or been 8888
found eligible for intervention in lieu of conviction for a 8889
disqualifying offense. 8890

(D) Except as provided by division (G) of this section, the 8891
chief administrator of a responsible party shall inform each 8892
applicant of both of the following at the time of the applicant's 8893
initial application for employment or referral to the responsible 8894
party by an employment service for a direct-care position: 8895

(1) That a review of the databases listed in division (E) of 8896
this section will be conducted to determine whether the 8897
responsible party is prohibited by division (C)(1) of this section 8898

(2) That, unless the database review reveals that the 8900
applicant may not be employed in the direct-care position, a 8901
criminal records check of the applicant will be conducted and the 8902
applicant is required to provide a set of the applicant's 8903

(E) As a condition of employing any applicant in a 8905
direct-care position, the chief administrator of a responsible 8906

accordance with rules adopted under this section. If rules adopted 8908
under this section so require, the chief administrator of a 8909
responsible party shall conduct a database review of an employee 8910
in accordance with the rules as a condition of continuing to 8911
employ the employee in a direct-care position. However, a chief 8912
administrator is not required to conduct a database review of an 8913
applicant or employee if division (G) of this section applies. A 8914
database review shall determine whether the applicant or employee 8915
is included in any of the following: 8916

(F)(1) As a condition of employing any applicant in a 8936

direct-care position, the chief administrator of a responsible 8937
party shall request that the superintendent of the bureau of 8938
criminal identification and investigation conduct a criminal 8939
records check of the applicant. If rules adopted under this 8940
section so require, the chief administrator of a responsible party 8941
shall request that the superintendent conduct a criminal records 8942
check of an employee at times specified in the rules as a 8943
condition of continuing to employ the employee in a direct-care 8944

request the criminal records check of the applicant or employee if 8946
division (G) of this section applies or the responsible party is 8947

may request that the superintendent include information from the 8963
federal bureau of investigation in the criminal records check. 8964

(2) The chief administrator shall do all of the following: 8965

positions and both of the following apply:	8992
(1) The chief administrator of the responsible party receives	8993
from the employment service confirmation that a review of the	8994
databases listed in division (E) of this section was conducted of	8995

(H)(1) A responsible party may employ conditionally an 9007
applicant for whom a criminal records check request is required by 9008
this section prior to obtaining the results of the criminal 9009
records check if the responsible party is not prohibited by 9010
division (C)(1) of this section from employing the applicant in a 9011
direct-care position and either of the following applies: 9012

(a) The chief administrator of the responsible party requests 9013
the criminal records check in accordance with division (F) of this 9014
section ~~not later than five business days after~~ before 9015

(b) The applicant is referred to the responsible party by an 9018
employment service, the employment service or the applicant 9019
provides the chief administrator of the responsible party a letter 9020
that is on the letterhead of the employment service, the letter is 9021
dated and signed by a supervisor or another designated official of 9022
the employment service, and the letter states all of the 9023

request for information from the federal bureau of investigation, 9048
are not obtained within the period ending sixty days after the 9049
date the request for the criminal records check is made. 9050
Regardless of when the results of the criminal records check are 9051
obtained, if the results indicate that the applicant has been 9052
convicted of, pleaded guilty to, or been found eligible for 9053
intervention in lieu of conviction for a disqualifying offense, 9054
the responsible party shall terminate the applicant's employment 9055
unless the applicant meets standards specified in rules adopted 9056
under this section that permit the responsible party to employ the 9057
applicant and the responsible party chooses to employ the 9058
applicant. Termination of employment under this division shall be 9059
considered just cause for discharge for purposes of division 9060
(D)(2) of section 4141.29 of the Revised Code if the applicant 9061

makes any attempt to deceive the responsible party about the 9062
applicant's criminal record. 9063

activity in a single county or in two or more counties if it 9330
determines, based upon the complaint filed and the information 9331

relative to it or based upon any information that it may have 9332
received, that there is reason to believe that organized criminal 9333
activity has occurred and continues to occur in that county or in 9334
each of those counties. The commission shall not establish an 9335
organized crime task force to investigate organized criminal 9336
activity in any single county unless it makes the determination 9337
required under this division relative to that county and shall not 9338
establish an organized crime task force to investigate organized 9339
criminal activity in two or more counties unless it makes the 9340
determination required under this division relative to each of 9341
those counties. The commission, at any time, may terminate an 9342
organized crime task force it has established under this section. 9343

(C)(1) If the commission establishes an organized crime task 9344

for the initial appointment of a director. 9365

(2) A task force director appointed under this section shall 9366
assemble a task force investigatory staff, of a size determined by 9367

Unless it appears to the commission and the director, based upon 9369
the complaint filed and any information relative to it or based 9370
upon any information that the commission may have received, that 9371
there is reason to believe that the office of the prosecuting 9372
attorney of the county or one of the counties served by the task 9373
force is implicated in the organized criminal activity to be 9374
investigated, one member of the investigatory staff shall be the 9375
prosecuting attorney or an assistant prosecuting attorney of the 9376

investigation if the person is an employee of the bureau. To the 9390
extent possible, the investigatory staff shall be composed of 9391
persons familiar with investigatory techniques that generally 9392
would be utilized in an investigation of organized criminal 9393
activity. To the extent practicable, the investigatory staff shall 9394
be assembled in such a manner that numerous law enforcement 9395
agencies within the county or the counties served by the task 9396
force are represented on the investigatory staff. The 9397

investigatory staff shall be assembled in such a manner that at 9398
least one sheriff, deputy sheriff, municipal corporation law 9399
enforcement officer, or township law enforcement officer from each 9400

investigatory staff. A task force director, at any time, may 9402
remove any member of the investigatory staff the task force 9403
director has assembled under this division and may replace any 9404
member so removed according to the guidelines for the initial 9405
assembly of the investigatory staff. 9406

(3) The commission may provide an organized crime task force 9407
established under this section with technical and clerical 9408
employees and with equipment necessary to efficiently conduct its 9409

the investigation for which it is assembled, is responsible only 9416
to the task force director and shall operate under the direction 9417
and control of the task force director. Any necessary and actual 9418
expenses incurred by a task force director or investigatory staff, 9419
including any such expenses incurred for food, lodging, or travel, 9420
and any other necessary and actual expenses of an investigation 9421
into organized criminal activity conducted by a task force, shall 9422
be paid by the commission. ~~For~~ 9423

(2) For purposes of workers' compensation and the allocation 9424
of liability for any death, injury, or damage they may cause in 9425
the performance of their duties, a task force director and 9426
investigatory staff, during the period of the investigation for 9427
which the task force is assembled, shall be considered to be 9428
employees of the commission and of the state. ~~However, for~~ 9429

municipal corporation or township, or agent of the bureau of 9438

costs incurred under division (D)(3) of this section resulting 9441
from the payment of any compensation, rights, or benefits as 9442
described in that division from the organized crime commission 9443
fund created in section 177.011 of the Revised Code. 9444

(E) Except as provided in this division, upon the 9445
establishment of a task force, the commission shall provide the 9446
prosecuting attorney of each of the counties served by the task 9447
force with written notice that the task force has been established 9448
to investigate organized criminal activity in that county. Such 9449
notice shall not be provided to a prosecuting attorney if it 9450
appears to the commission, based upon the complaint filed and any 9451
information relative to it or based upon any information that the 9452
commission may have received, that there is reason to believe that 9453
the office of that prosecuting attorney is implicated in the 9454
organized criminal activity to be investigated. 9455

being or is expected to be investigated by the task force shall be 9462
kept confidential by the commission and its director and 9463
employees, and by the task force and its director, investigatory 9464
staff, and employees until an indictment is returned or a criminal 9465
action or proceeding is initiated in a court of proper 9466
jurisdiction. 9467

(G) For purposes of divisions (C) and (E) of this section, 9468
the office of a prosecuting attorney shall be considered as being 9469
implicated in organized criminal activity only if the prosecuting 9470
attorney, one or more of the prosecuting attorney's assistants, or 9471
one or more of the prosecuting attorney's employees has committed 9472

of timber that is receiving the tax benefit under section 5713.23 9613

or 5713.31 of the Revised Code and all improvements connected with 9614
such commercial production of timber. 9615

(2) Each year, the county auditor shall review each parcel of 9616
real property to determine whether it qualifies for the partial 9617
exemption provided for by this section as of the first day of 9618
January of the current tax year. 9619

(B) After complying with section 319.301 of the Revised Code, 9620
the county auditor shall reduce the remaining sums to be levied by 9621
qualifying levies against each parcel of real property that is 9622
listed on the general tax list and duplicate of real and public 9623
utility property for the current tax year and that qualifies for 9624
partial exemption under division (A) of this section, and against 9625
each manufactured and mobile home that is taxed pursuant to 9626
division (D)(2) of section 4503.06 of the Revised Code and that is 9627
on the manufactured home tax list for the current tax year, by ten 9628
per cent, to provide a partial exemption for that parcel or home. 9629
For the purposes of this division: 9630

(1) "Qualifying levy" means a levy approved at an election 9631
held before September 29, 2013; a levy within the ten-mill 9632
limitation; a levy provided for by the charter of a municipal 9633

public utility property tax duplicate, the treasurer shall certify 9649
to the tax commissioner the total amount by which the real 9650
property taxes were reduced under this section, as shown on the 9651
duplicate. Such reduction shall not directly or indirectly affect 9652
the determination of the principal amount of notes that may be 9653
issued in anticipation of any tax levies or the amount of bonds or 9654
notes for any planned improvements. If after application of 9655
sections 5705.31 and 5705.32 of the Revised Code and other 9656
applicable provisions of law, including divisions (F) and (I) of 9657
section 321.24 of the Revised Code, there would be insufficient 9658
funds for payment of debt charges on bonds or notes payable from 9659
taxes reduced by this section, the reduction of taxes provided for 9660
in this section shall be adjusted to the extent necessary to 9661
provide funds from such taxes. 9662

(D) The tax commissioner may adopt rules governing the 9663
administration of the partial exemption provided for by this 9664
section. 9665

(E) The determination of whether property qualifies for 9666
partial exemption under division (A) of this section is solely for 9667
the purpose of allowing the partial exemption under division (B) 9668
of this section. 9669

Sec. 321.24. (A) On or before the fifteenth day of February, 9670
in each year, the county treasurer shall settle with the county 9671
auditor for all taxes and assessments that the treasurer has 9672
collected on the general duplicate of real and public utility 9673
property at the time of making the settlement. If the county 9674
treasurer has made or will make advance payments to the several 9675

taxing districts of current year unpaid taxes under section 9676
321.341 of the Revised Code before collecting them, the county 9677
treasurer shall take the advance payments into account for 9678
purposes of the settlement with the county auditor under this 9679
division. 9680

(B) On or before the thirtieth day of June, in each year, the 9681
treasurer shall settle with the auditor for all advance payments 9682
of general personal and classified property taxes that the 9683
treasurer has received at the time of making the settlement. 9684

(C) On or before the tenth day of August, in each year, the 9685
treasurer shall settle with the auditor for all taxes and 9686
assessments that the treasurer has collected on the general 9687
duplicates of real and public utility property at the time of 9688
making such settlement, not included in the preceding February 9689
settlement. If the county treasurer has made or will make advance 9690
payments to the several taxing districts of the current year 9691
delinquent taxes under section 321.341 of the Revised Code before 9692
collecting them, the county treasurer shall take the advance 9693
payments into account for purposes of the settlement with the 9694
county auditor under this division. 9695

(D) On or before the thirty-first day of October, in each 9696
year, the treasurer shall settle with the auditor for all taxes 9697
that the treasurer has collected on the general personal and 9698
classified property duplicates, and for all advance payments of 9699
general personal and classified property taxes, not included in 9700
the preceding June settlement, that the treasurer has received at 9701
the time of making such settlement. 9702

(E) In the event the time for the payment of taxes is 9703
extended, pursuant to section 323.17 of the Revised Code, the date 9704
on or before which settlement for the taxes so extended must be 9705
made, as herein prescribed, shall be deemed to be extended for a 9706

like period of time. At each such settlement, the auditor shall 9707
allow to the treasurer, on the moneys received or collected and 9708
accounted for by the treasurer, the treasurer's fees, at the rate 9709
or percentage allowed by law, at a full settlement of the 9710
treasurer. 9711

(F) Within thirty days after the day of each settlement of 9712
taxes required under divisions (A) and (C) of this section, the 9713
treasurer shall certify to the tax commissioner any adjustments 9714
that have been made to the amount certified previously pursuant to 9715
section 319.302 of the Revised Code and that the settlement has 9716
been completed. Upon receipt of such certification, the 9717
commissioner shall provide for payment to the county treasurer 9718
from the general revenue fund of an amount equal to one-half of 9719
the amount certified by the treasurer in the preceding tax year 9720
under section 319.302 of the Revised Code, less the sum of (1) 9721
one-half of the amount computed for all taxing districts in that 9722
county for the current fiscal year under section 5703.80 of the 9723
Revised Code for crediting to the property tax administration fund 9724
and (2) any reduction required by the commissioner under division 9725
(D) of section 718.83 of the Revised Code. Such payment shall be 9726
credited upon receipt to the county's undivided income tax fund, 9727
and the county auditor shall transfer to the county general fund 9728
from the amount thereof the total amount of all fees and charges 9729
which the auditor and treasurer would have been authorized to 9730
receive had such section not been in effect and that amount had 9731
been levied and collected as taxes. The county auditor shall 9732
distribute the amount remaining among the various taxing districts 9733
in the county as if it had been levied, collected, and settled as 9734
real property taxes. The amount distributed to each taxing 9735
district shall be reduced by the total of the amounts computed for 9736
the district under section 5703.80 of the Revised Code, but the 9737
reduction shall not exceed the amount that otherwise would be 9738
distributed to the taxing district under this division. The amount 9739

distributed to a taxing district shall account for any reduction 9740
required by the commissioner under division (D) of section 718.83 9741
of the Revised Code. The tax commissioner shall make available to 9742
taxing districts such information as is sufficient for a taxing 9743
district to be able to determine the amount of the reduction in 9744
its distribution under this section. 9745

(G)(1) Within thirty days after the day of the settlement 9746

revenue fund of an amount equal to the amount certified under 9751
former section 319.311 of the Revised Code and paid in the state's 9752
fiscal year 2003 multiplied by the percentage specified in 9753
division (G)(2) of this section. The payment shall be credited 9754
upon receipt to the county's undivided income tax fund, and the 9755
county auditor shall distribute the amount thereof among the 9756
various taxing districts of the county as if it had been levied, 9757
collected, and settled as personal property taxes. The amount 9758
received by a taxing district under this division shall be 9759
apportioned among its funds in the same proportion as the current 9760
year's personal property taxes are apportioned. 9761

(2) Payments required under division (G)(1) of this section 9762
shall be made at the following percentages of the amount certified 9763
under former section 319.311 of the Revised Code and paid under 9764
division (G)(1) of this section in the state's fiscal year 2003: 9765

(a) In fiscal year 2004, ninety per cent; 9766

(b) In fiscal year 2005, eighty per cent; 9767

(c) In fiscal year 2006, sixty-four per cent; 9768

(d) In fiscal year 2007, forty per cent; 9769

(e) In fiscal year 2008, thirty-two per cent; 9770

(f) In fiscal year 2009, sixteen per cent. 9771

After fiscal year 2009, no payments shall be made under 9772
division (G)(1) of this section. 9773

(H)(1) On or before the fifteenth day of April each year, the 9774
county treasurer shall settle with the county auditor for all 9775
manufactured home taxes that the county treasurer has collected on 9776
the manufactured home tax duplicate at the time of making the 9777
settlement. 9778

(2) On or before the fifteenth day of September each year, 9779
the county treasurer shall settle with the county auditor for all 9780
remaining manufactured home taxes that the county treasurer has 9781
collected on the manufactured home tax duplicate at the time of 9782
making the settlement. 9783

(3) If the time for payment of such taxes is extended under 9784
section 4503.06 of the Revised Code, the time for making the 9785
settlement as prescribed by divisions (H)(1) and (2) of this 9786
section is extended for a like period of time. 9787

(I) On or before the second Monday in September of each year, 9788
the county treasurer shall certify to the tax commissioner the 9789
total amount by which the manufactured home taxes levied in that 9790
year were reduced pursuant to section 319.302 of the Revised Code. 9791
Within ninety days after the receipt of such certification, the 9792
commissioner shall provide for payment to the county treasurer 9793
from the general revenue fund of an amount equal to the amount 9794
certified by the treasurer. Such payment shall be credited upon 9795
receipt to the county's undivided income tax fund, and the county 9796
auditor shall transfer to the county general fund from the amount 9797
thereof the total amount of all fees and charges that the auditor 9798
and treasurer would have been authorized to receive had such 9799
section not been in effect and that amount had been levied and 9800
collected as manufactured home taxes. The county auditor shall 9801

distribute the amount remaining among the various taxing districts 9802
in the county as if it had been levied, collected, and settled as 9803
manufactured home taxes. 9804

issuance of the notification the county auditor shall record the 9932
partial exemption in the appropriate column on the general tax 9933

jail, of any vacant or abandoned public building or structure 9949
owned by the county that has not been dedicated to or is not then 9950
in use for any county or other public purpose, or any building or 9951
structure rented or leased by the county. The board of county 9952
commissioners of any county, by resolution, also may dedicate and 9953

permit the use, as a minimum security jail, of any building or structure purchased by or constructed by or for the county. Subject to divisions (B)(3) and (C) of this section, upon the effective date of such a resolution, the specified building or structure shall be used, in accordance with this section, for the confinement of persons who meet one of the following conditions:

(a) The person is sentenced to a term of imprisonment for a traffic violation or a misdemeanor or is sentenced to a residential sanction in the jail for a felony of the fourth or fifth degree pursuant to sections 2929.11 to 2929.19 of the Revised Code, and the jail administrator or the jail administrator's designee has classified the person as a minimal security risk. (b) The person is charged with a traffic violation, a misdemeanor, or a felony of the fourth or fifth degree and has had bail set and has not been released on bail and is confined in a county or municipal jail pending trial, and the jail administrator or the jail administrator's designee has classified the person as a minimal security risk. In determining the person's classification under this division, the administrator or designee shall consider all relevant factors, including, but not limited to, the person's escape risk and propensity for assaultive or violent behavior, based upon the person's prior and current behavior. Nothing in this division authorizes the operation or management of a minimum security jail by a private entity.

(c) The person is an inmate transferred by order of a judge of the sentencing court upon the request of the sheriff, administrator, jailer, or other person responsible for operating

the jail other than a contractor as defined in section 9.06 of the Revised Code, who is named in the request as being suitable for confinement in a minimum security facility.

(2) The board of county commissioners of any county, by resolution, may affiliate with one or more adjacent counties, or with one or more municipal corporations located within the county or within an adjacent county, and dedicate and permit the use, as a minimum security jail, of any vacant or abandoned public building or structure owned by any of the affiliating counties or municipal corporations that has not been dedicated to or is not then in use for any public purpose, or any building or structure rented or leased by any of the affiliating counties or municipal corporations. The board of county commissioners of any county, by resolution, also may affiliate with one or more adjacent counties or with one or more municipal corporations located within the county or within an adjacent county and dedicate and permit the use, as a minimum security jail, of any building or structure purchased by or constructed by or for any of the affiliating counties or municipal corporations. Any counties and municipal corporations that affiliate for purposes of this division shall enter into an agreement that establishes the responsibilities for the operation and for the cost of operation of the minimum security jail. Subject to divisions (B)(3) and (C) of this section, upon the effective date of a resolution adopted under this division, the specified building or structure shall be used, in accordance with this section, for the confinement of persons who meet one of the following conditions:

(a) The person is sentenced to a term of imprisonment for a traffic violation, a misdemeanor, or a violation of an ordinance of any municipal corporation, or is sentenced to a residential sanction in the jail for a felony of the fourth or fifth degree pursuant to sections 2929.11 to 2929.19 of the Revised Code, and

the jail administrator or the jail administrator's designee has 10018
classified the person as a minimal security risk. In determining 10019
the person's classification under this division, the administrator 10020
or designee shall consider all relevant factors, including, but 10021
not limited to, the person's escape risk and propensity for 10022
assaultive or violent behavior, based upon the person's prior and 10023
current behavior. 10024

(b) The person is charged with a traffic violation, a 10025
misdemeanor, or a felony of the fourth or fifth degree and has had 10026
bail set and has not been released on bail and is confined in a 10027
county jail pending trial, and the jail administrator or the jail 10028
administrator's designee has classified the person as a minimal 10029
security risk. In determining the person's classification under 10030
this division, the administrator or designee shall consider all 10031
relevant factors, including, but not limited to, the person's 10032
escape risk and propensity for assaultive or violent behavior, 10033
based upon the person's prior and current behavior. Nothing in 10034
this division authorizes the operation or management of a minimum 10035
security jail by a private entity. 10036

(c) The person is an inmate transferred by order of a judge 10037
of the sentencing court upon the request of the sheriff, 10038
administrator, jailer, or other person responsible for operating 10039
the jail other than a contractor as defined in section 9.06 of the 10040
Revised Code, who is named in the request as being suitable for 10041
confinement in a minimum security facility. 10042

(3) No person shall be confined in a building or structure 10043
dedicated as a minimum security jail under division (B)(1) or (2) 10044
of this section unless the judge who sentenced the person to the 10045
term of imprisonment for the traffic violation or the misdemeanor 10046
specifies that the term of imprisonment is to be served in that 10047
jail, and division (B)(1) or (2) of this section permits the 10048
confinement of the person in that jail or unless the judge who 10049

sentenced the person to the residential sanction for the felony 10050
specifies that the residential sanction is to be served in a jail, 10051
and division (B)(1) or (2) of this section permits the confinement 10052
of the person in that jail. If a rented or leased building or 10053
structure is so dedicated, the building or structure may be used 10054
as a minimum security jail only during the period that it is 10055
rented or leased by the county or by an affiliated county or 10056
municipal corporation. If a person convicted of a misdemeanor is 10057
confined to a building or structure dedicated as a minimum 10058
security jail under division (B)(1) or (2) of this section and the 10059
sheriff, administrator, jailer, or other person responsible for 10060
operating the jail other than a contractor as defined in section 10061
9.06 of the Revised Code determines that it would be more 10062
appropriate for the person so confined to be confined in another 10063
jail or workhouse facility, the sheriff, administrator, jailer, or 10064
other person may transfer the person so confined to a more 10065
appropriate jail or workhouse facility. 10066

(C) All of the following apply to a building or structure 10067
that is dedicated pursuant to division (B)(1) or (2) of this 10068
section for use as a minimum security jail: 10069

(1) To the extent that the use of the building or structure 10070
as a minimum security jail requires a variance from any county, 10071
municipal corporation, or township zoning regulations or 10072
ordinances, the variance shall be granted. 10073

(2) Except as provided in this section, the building or 10074
structure shall not be used to confine any person unless it is in 10075
substantial compliance with any applicable housing, fire 10076
prevention, sanitation, health, and safety codes, regulations, or 10077
standards. 10078

(3) Unless such satisfaction or compliance is required under 10079
the standards described in division (C)(4) of this section, and 10080
notwithstanding any other provision of state or local law to the 10081

contrary, the building or structure need not satisfy or comply 10082
with any state or local building standard or code in order to be 10083
used to confine a person for the purposes specified in division 10084
(B) of this section. 10085

(4) The building or structure shall not be used to confine 10086
any person unless it is in compliance with all minimum standards 10087
and minimum renovation, modification, and construction criteria 10088
for ~~minimum security~~ jails that have been proposed by the 10089
department of rehabilitation and correction, through its bureau of 10090
adult detention, under section 5120.10 of the Revised Code. 10091

(5) The building or structure need not be renovated or 10092
modified into a secure detention facility in order to be used 10093
solely to confine a person for the purposes specified in divisions 10094
(B)(1)(a) or (b) and (B)(2)(a) or (b) of this section. 10095

(6) The building or structure shall be used, equipped, 10096
furnished, and staffed in the manner necessary to provide adequate 10097
and suitable living, sleeping, food service or preparation, 10098
drinking, bathing and toilet, sanitation, and other necessary 10099
facilities, furnishings, and equipment. 10100

(D) Except as provided in this section, a minimum security 10101
jail dedicated and used under this section shall be considered to 10102
be part of the jail, workhouse, or other correctional facilities 10103
of the county or the affiliated counties and municipal 10104
corporations for all purposes under the law. All persons confined 10105
in such a minimum security jail shall be and shall remain, in all 10106
respects, under the control of the county authority that has 10107
responsibility for the management and operation of the jail, 10108
workhouse, or other correctional facilities of the county or, if 10109
it is operated by any affiliation of counties or municipal 10110
corporations, under the control of the specified county or 10111
municipal corporation with that authority, provided that, if the 10112
person was convicted of a felony and is serving a residential 10113

sanction in the facility, all provisions of law that pertain to 10114
persons convicted of a felony that would not by their nature 10115
clearly be inapplicable apply regarding the person. A minimum 10116
security jail dedicated and used under this section shall be 10117
managed and maintained in accordance with policies and procedures 10118
adopted by the board of county commissioners or the affiliated 10119
counties and municipal corporations governing the safe and 10120
healthful operation of the jail, the confinement and supervision 10121
of the persons sentenced to it, and their participation in work 10122
release or similar rehabilitation programs. In addition to other 10123
rules of conduct and discipline, the rights of ingress and egress 10124
of persons confined in a minimum security jail dedicated and used 10125
under this section shall be subject to reasonable restrictions. 10126
Every person confined in a minimum security jail dedicated and 10127
used under this section shall be given verbal and written 10128
notification, at the time of the person's admission to the jail, 10129
that purposely leaving, or purposely failing to return to, the 10130
jail without proper authority or permission constitutes the felony 10131
offense of escape. 10132

(E) If a person who has been convicted of or pleaded guilty 10133
to an offense is sentenced to a term of imprisonment or a 10134
residential sanction in a minimum security jail as described in 10135
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 10136
an inmate transferred to a minimum security jail by order of a 10137
judge of the sentencing court as described in division (B)(1)(c) 10138
or (B)(2)(c) of this section, at the time of reception and at 10139
other times the person in charge of the operation of the jail 10140
determines to be appropriate, the sheriff or other person in 10141
charge of the operation of the jail may cause the convicted 10142
offender to be examined and tested for tuberculosis, HIV 10143
infection, hepatitis, including but not limited to hepatitis A, B, 10144
and C, and other contagious diseases. The person in charge of the 10145
operation of the jail may cause a convicted offender in the jail 10146

who refuses to be tested or treated for tuberculosis, HIV 10147
infection, hepatitis, including but not limited to hepatitis A, B, 10148
and C, or another contagious disease to be tested and treated 10149
involuntarily. 10150

Sec. 351.021. (A) The resolution of the county commissioners 10151
creating a convention facilities authority, or any amendment or 10152
supplement to that resolution, may authorize the authority to levy 10153
one or both of the excise taxes authorized by division (B) of this 10154
section to pay the cost of one or more facilities; to pay 10155
principal, interest, and premium on convention facilities 10156
authority tax anticipation bonds issued to pay those costs; to pay 10157
the operating costs of the authority; to pay operating and 10158
maintenance costs of those facilities; and to pay the costs of 10159
administering the excise tax. 10160

(B) The board of directors of a convention facilities 10161
authority that has been authorized pursuant to resolution adopted, 10162
amended, or supplemented by the board of county commissioners 10163
pursuant to division (A) of this section may levy, by resolution 10164
adopted on or before December 31, 1988, either or both of the 10165
following: 10166

(1) Within the territory of the authority, an additional 10167
excise tax not to exceed four per cent on each transaction. The 10168
excise tax authorized by division (B)(1) of this section shall be 10169
in addition to any excise tax levied pursuant to section 5739.08 10170
or 5739.09 of the Revised Code, or division (B)(2) of this 10171
section. 10172

(2) Within that portion of any municipal corporation that is 10173
located within the territory of the authority or within the 10174
boundaries of any township that is located within the territory of 10175
the authority, which municipal corporation or township is levying 10176
any portion of the excise tax authorized by division (A) of 10177

section 5739.08 of the Revised Code, and with the approval, by 10178
ordinance or resolution, of the legislative authority of that 10179
municipal corporation or township, an additional excise tax not to 10180
exceed nine-tenths of one per cent on each transaction. The excise 10181
tax authorized by division (B)(2) of this section may be levied 10182
only if, on the effective date of the levy specified in the 10183
resolution making the levy, the amount being levied pursuant to 10184
division (A) of section 5739.08 of the Revised Code by each 10185
municipal corporation or township in which the tax authorized by 10186
division (B)(2) of this section will be levied, when added to the 10187
amount levied under division (B)(2) of this section, does not 10188
exceed three per cent on each transaction. The excise tax 10189
authorized by division (B)(2) of this section shall be in addition 10190
to any excise tax that is levied pursuant to section 5739.08 or 10191
5739.09 of the Revised Code, or division (B)(1) of this section. 10192

(C)(1) The board of directors of a convention facilities 10193
authority that is located in an eligible Appalachian county; that 10194
has been authorized pursuant to resolution adopted, amended, or 10195
supplemented by the board of county commissioners pursuant to 10196
division (A) of this section; and that is not levying a tax under 10197
division (B)(1) or (2) of this section may levy within the 10198
territory of the authority, by resolution adopted on or before 10199
December 31, 2005, an additional excise tax not to exceed three 10200
per cent on each transaction. The excise tax authorized under 10201
division (C)(1) of this section shall be in addition to any excise 10202
tax levied pursuant to section 5739.08 or 5739.09 of the Revised 10203
Code. 10204

As used in division (C)(1) of this section, "eligible 10205
Appalachian county" means a county in this state designated as 10206
being in the "Appalachian region" under the "Appalachian Regional 10207
Development Act of 1965," 79 Stat. 4, 40 U.S.C. App. 403, and 10208
having a population less than eighty thousand according to the 10209

most recent federal decennial census. 10210

(2) Division (C)(2) of this section applies only to a 10211
convention facilities authority located in a county with a 10212
population, according to the 2000 federal decennial census, of at 10213
least one hundred thirty-five thousand and not more than one 10214
hundred fifty thousand and containing entirely within its 10215
boundaries the territory of a municipal corporation with a 10216
population according to that census of more than fifty thousand. 10217
The board of directors of such a convention facilities authority, 10218
by resolution adopted on or before November 1, 2009, may levy 10219
within the territory of the authority an excise tax on 10220
transactions by which lodging by a hotel is or is to be furnished 10221
to transient guests at a rate not to exceed three per cent on such 10222
transactions for the same purposes for which a tax may be levied 10223
under division (B) of this section. The resolution may be adopted 10224
only if the board of county commissioners of the county, by 10225
resolution, authorizes the levy of the tax. The resolution of the 10226
board of county commissioners is subject to referendum as 10227
prescribed by sections 305.31 to 305.41 of the Revised Code. If, 10228
pursuant to those procedures, a referendum is to be held, the 10229
board's resolution does not take effect until approved by a 10230
majority of electors voting on the question. The convention 10231
facilities authority may adopt the resolution authorized by 10232
division (C)(2) of this section before the election, but the 10233
authority's resolution shall not take effect if the board of 10234
commissioners' resolution is not approved at the election. A tax 10235
levied under division (C)(2) of this section is in addition to any 10236
tax levied under section 5739.09 of the Revised Code. 10237

(D) The authority shall provide for the administration and 10238
allocation of an excise tax levied pursuant to division (B) or (C) 10239
of this section. All receipts arising from those excise taxes 10240
shall be expended for the purposes provided in, and in accordance 10241

with this section and section 351.141 of the Revised Code. An 10242
excise tax levied under division (B) or (C) of this section shall 10243
remain in effect at the rate at which it is levied for at least 10244
the duration of the period for which the receipts from the tax 10245
have been anticipated and pledged pursuant to section 351.141 of 10246
the Revised Code. 10247

(E) Except as provided in division (B)(2) of this section, 10248
the levy of an excise tax on each transaction pursuant to sections 10249
5739.08 and 5739.09 of the Revised Code does not prevent a 10250
convention facilities authority from levying an excise tax 10251
pursuant to division (B) or (C) of this section. 10252

(F) A convention facilities authority located in a county 10253
with a population greater than eighty thousand but less than 10254
ninety thousand according to the 2010 federal decennial census 10255
that levies a tax under division (B) of this section may amend the 10256
resolution levying the tax to allocate a portion of the revenue 10257
from the tax for support of tourism-related sites or facilities 10258
and programs operated by the county or a municipal corporation 10259
within the county in which the authority is located or for the 10260
purpose of leasing lands for county fairs, erecting buildings for 10261
county fair purposes, making improvements on a county fairground, 10262
or for any purpose connected with the use of a county fairground 10263
or with the management thereof by the county in which the 10264
authority is located. The revenue allocated by the authority for 10265
such purposes in a calendar year shall not exceed fifteen per cent 10266
of the total revenue from the tax in the preceding calendar year. 10267

(G) A tax levied by a convention facilities authority under 10268
this section on transactions by which lodging by a hotel is or is 10269
to be furnished to transient guests, if the transaction is 10270
conducted through a hotel intermediary, shall be levied on the 10271
basis of the lodging's fair market value. The hotel intermediary 10272
shall collect the tax due from the purchaser and remit it to the 10273

convention facilities authority. As used in this division, 10274
"lodging's fair market value" and "hotel intermediary" have the 10275
same meanings as in section 5739.01 of the Revised Code. 10276

Sec. 353.06. As used in this section, "hotel," "lodging's 10277
fair market value," "hotel intermediary," and "transient guests" 10278
have the same meanings as in section 5739.01 of the Revised Code. 10279

A resolution creating a lake facilities authority under 10280
section 353.02 of the Revised Code, or any amendments or 10281
supplements thereto, may authorize the authority to levy an excise 10282
tax on transactions by which lodging in a hotel is or is to be 10283
furnished to transient guests to pay any costs authorized under 10284
this chapter; to pay principal, interest, and premium on lake 10285
facilities authority tax anticipation bonds issued to pay those 10286
costs; to pay the operating costs of the authority; and to pay the 10287
costs of administering the tax. 10288

Upon the affirmative vote of at least a majority of the 10289
qualified electors in a primary or general election within the 10290
impacted lake district voting at an election held for the purpose 10291
of authorizing the tax, the board of directors of a lake 10292
facilities authority authorized to levy a tax under this section 10293
may, by resolution, levy an additional excise tax within the 10294
territory of the impacted lake district on all transactions by 10295
which lodging in a hotel is or is to be furnished to transient 10296
guests. The rate of the tax, when added to the aggregate rate of 10297
excise taxes levied in the impacted lake district pursuant to 10298
section 351.021, 5739.08, or 5739.09 of the Revised Code, shall 10299
not cause the total aggregate rate to exceed five per cent on any 10300
such transaction. 10301

The lake facilities authority shall provide for the 10302
administration and allocation of a tax levied pursuant to this 10303
section. All receipts arising from the tax shall be expended for 10304

the purposes provided in, and in accordance with, this section. An 10305
excise tax levied under this section shall remain in effect at the 10306
rate at which it is levied for at least the duration of the period 10307
for which the receipts from the tax have been anticipated and 10308
pledged pursuant to section 353.08 of the Revised Code. 10309

The form of the ballot in an election held on the question of 10310
levying a tax proposed pursuant to this section shall be as 10311
follows or in any other form acceptable to the secretary of state: 10312

"An excise tax on all transactions by which lodging in a 10313
hotel is or is to be furnished to transient guests within the 10314
territory of the (name of impacted lake district) for 10315
the purpose of at a rate of for 10316
(number of years the tax is to be levied). 10317

	For the Excise Tax
	Against the Excise Tax

"

A tax levied by a lake facilities authority under this 10321
section on transactions by which lodging by a hotel is or is to be 10322
furnished to transient guests, if the transaction is conducted 10323
through a hotel intermediary, shall be levied on the basis of the 10324
lodging's fair market value. The hotel intermediary shall collect 10325
the tax due from the purchaser and remit it to the lake facilities 10326
authority. 10327

Sec. 505.262. (A) Notwithstanding division (D) of section 10328
505.37 of the Revised Code or any other statute of this state and 10329
subject to division (C) of this section, the board of township 10330
trustees of any township, by unanimous vote, may adopt a 10331
resolution allowing the township to contract for the purchase of 10332
equipment, buildings, and sites, or for the construction of 10333
buildings, for any lawful township purpose. The board may issue, 10334
by resolution adopted by unanimous vote, securities of the 10335

township to finance purchases and construction made pursuant to 10336
this division. The securities shall be signed by the board and 10337
attested by the signature of the township fiscal officer, and the 10338
maximum maturity of those securities is subject to the limitations 10339
in section 133.20 of the Revised Code. The securities shall bear 10340
interest not to exceed the rate determined as provided in section 10341
9.95 of the Revised Code and shall not be subject to Chapter 133. 10342
of the Revised Code. The resolution authorizing the issuance of 10343
the securities shall provide for levying and collecting annually 10344
by taxation, amounts sufficient to pay the interest on and 10345
principal of the securities. The securities may contain a clause 10346
permitting prepayment at the option of the board. Securities shall 10347
be offered for sale on the open market or given to the vendor or 10348
contractor if no sale is made. 10349

(B) No purchase or construction pursuant to division (A) of 10350
this section shall be undertaken unless the county auditor 10351
certifies that, if the purchase or construction is undertaken, the 10352
debt service charge for the purchase or construction in the first 10353
year, together with the debt service charge for that same year for 10354
any other purchase or construction already undertaken pursuant to 10355
division (A) of this section, does not exceed one-tenth of the 10356
township's total revenue from all sources. If the county auditor 10357
so certifies, in every year of the debt after the first year, the 10358
county budget commission shall include a debt charge in the 10359
township's annual tax budget submitted pursuant to sections 10360
5705.01 to 5705.47 of the Revised Code sufficient to meet the 10361
annual debt incurred pursuant to division (A) of this section, if 10362
the debt charge is omitted from the budget. 10363

(C) A board of township trustees of an urban township as 10364
defined in section 504.01 of the Revised Code may adopt a 10365
resolution to require a majority vote rather than a unanimous vote 10366
for the purposes of contracting for or issuing securities for the 10367

construction of buildings under division (A) of this section. 10368

Sec. 505.37. (A) The board of township trustees may establish 10369
all necessary rules to guard against the occurrence of fires and 10370
to protect the property and lives of the citizens against damage 10371
and accidents, and may, with the approval of the specifications by 10372
the prosecuting attorney or, if the township has adopted limited 10373
home rule government under Chapter 504. of the Revised Code, with 10374
the approval of the specifications by the township's law director, 10375
purchase, lease, lease with an option to purchase, or otherwise 10376
provide any fire apparatus, mechanical resuscitators, underwater 10377
rescue and recovery equipment, or other fire equipment, 10378
appliances, materials, fire hydrants, and water supply for 10379
fire-fighting and fire and rescue purposes that seems advisable to 10380
the board. The board shall provide for the care and maintenance of 10381
such fire equipment, and, for these purposes, may purchase, lease, 10382
lease with an option to purchase, or construct and maintain 10383
necessary buildings, and it may establish and maintain lines of 10384
fire-alarm communications within the limits of the township. The 10385
board may employ one or more persons to maintain and operate such 10386
fire equipment, or it may enter into an agreement with a volunteer 10387
fire company for the use and operation of the equipment. The board 10388
may compensate the members of a volunteer fire company on any 10389
basis and in any amount that it considers equitable. 10390

10391

When the estimated cost to purchase fire apparatus, 10392
mechanical resuscitators, underwater rescue and recovery 10393
equipment, or other fire equipment, appliances, materials, fire 10394
hydrants, buildings, or fire-alarm communications equipment or 10395
services exceeds fifty thousand dollars, the contract shall be let 10396
by competitive bidding. When competitive bidding is required, the 10397
board shall advertise once a week for not less than two 10398
consecutive weeks in a newspaper of general circulation within the 10399

township. The board may also cause notice to be inserted in trade 10400
papers or other publications designated by it or to be distributed 10401
by electronic means, including posting the notice on the board's 10402
internet web site. If the board posts the notice on its web site, 10403
it may eliminate the second notice otherwise required to be 10404
published in a newspaper of general circulation within the 10405
township, provided that the first notice published in such 10406
newspaper meets all of the following requirements: 10407

(1) It is published at least two weeks before the opening of 10408
bids. 10409

(2) It includes a statement that the notice is posted on the 10410
board's internet web site. 10411

(3) It includes the internet address of the board's internet 10412
web site. 10413

(4) It includes instructions describing how the notice may be 10414
accessed on the board's internet web site. 10415

The advertisement shall include the time, date, and place 10416
where the clerk of the township, or the clerk's designee, will 10417
read bids publicly. The time, date, and place of bid openings may 10418
be extended to a later date by the board of township trustees, 10419
provided that written or oral notice of the change shall be given 10420
to all persons who have received or requested specifications not 10421
later than ninety-six hours prior to the original time and date 10422
fixed for the opening. The board may reject all the bids or accept 10423
the lowest and best bid, provided that the successful bidder meets 10424
the requirements of section 153.54 of the Revised Code when the 10425
contract is for the construction, demolition, alteration, repair, 10426
or reconstruction of an improvement. 10427

(B) The boards of township trustees of any two or more 10428
townships, or the legislative authorities of any two or more 10429
political subdivisions, or any combination of these, may, through 10430

joint action, unite in the joint purchase, lease, lease with an 10431
option to purchase, maintenance, use, and operation of fire 10432
equipment described in division (A) of this section, or for any 10433
other purpose designated in sections 505.37 to 505.42 of the 10434
Revised Code, and may prorate the expense of the joint action on 10435
any terms that are mutually agreed upon. 10436

(C) The board of township trustees of any township may, by 10437
resolution, whenever it is expedient and necessary to guard 10438
against the occurrence of fires or to protect the property and 10439
lives of the citizens against damages resulting from their 10440
occurrence, create a fire district of any portions of the township 10441
that it considers necessary. The board may purchase, lease, lease 10442
with an option to purchase, or otherwise provide any fire 10443
apparatus, mechanical resuscitators, underwater rescue and 10444
recovery equipment, or other fire equipment, appliances, 10445
materials, fire hydrants, and water supply for fire-fighting and 10446
fire and rescue purposes, or may contract for the fire protection 10447
for the fire district as provided in section 9.60 of the Revised 10448
Code. The fire district so created shall be given a separate name 10449
by which it shall be known. 10450

Additional unincorporated territory of the township may be 10451
added to a fire district upon the board's adoption of a resolution 10452
authorizing the addition. A municipal corporation, or a portion of 10453
a municipal corporation, that is within or adjoining the township 10454
may be added to a fire district upon the board's adoption of a 10455
resolution authorizing the addition and the municipal legislative 10456
authority's adoption of a resolution or ordinance requesting the 10457
addition of the municipal corporation or a portion of the 10458
municipal corporation to the fire district. 10459

If the township fire district imposes a tax, additional 10460
unincorporated territory of the township or a municipal 10461
corporation or a portion of a municipal corporation that is within 10462

or adjoining the township shall become part of the fire district 10463
only after all of the following have occurred: 10464

(1) Adoption by the board of township trustees of a 10465
resolution approving the expansion of the territorial limits of 10466
the district and, if the resolution proposes to add a municipal 10467
corporation or a portion of a municipal corporation, adoption by 10468
the municipal legislative authority of a resolution or ordinance 10469
requesting the addition of the municipal corporation or a portion 10470
of the municipal corporation to the district; 10471

(2) Adoption by the board of township trustees of a 10472
resolution recommending the extension of the tax to the additional 10473
territory; 10474

(3) Approval of the tax by the electors of the territory 10475
proposed for addition to the district. 10476

Each resolution of the board adopted under division (C)(2) of 10477
this section shall state the name of the fire district, a 10478
description of the territory to be added, and the rate and 10479
termination date of the tax, which shall be the rate and 10480
termination date of the tax currently in effect in the fire 10481
district. 10482

The board of trustees shall certify each resolution adopted 10483
under division (C)(2) of this section to the board of elections in 10484
accordance with section 5705.19 of the Revised Code. The election 10485
required under division (C)(3) of this section shall be held, 10486
canvassed, and certified in the manner provided for the submission 10487
of tax levies under section 5705.25 of the Revised Code, except 10488
that the question appearing on the ballot shall read: 10489

"Shall the territory within 10490
(description of the proposed territory to be added) be added to 10491
..... (name) fire district, and a property tax 10492
at a rate of taxation not exceeding (here insert tax rate) 10493

be in effect for (here insert the number of years the tax is to be in effect or "a continuing period of time," as applicable)?"

If the question is approved by at least a majority of the electors voting on it, the joinder shall be effective as of the first day of July of the year following approval, and on that date, the township fire district tax shall be extended to the taxable property within the territory that has been added. If the territory that has been added is a municipal corporation or portion thereof and if it had adopted a tax levy for fire purposes, the levy is terminated on the effective date of the joinder in the area of the municipal corporation added to the district.

Any municipal corporation may withdraw from a township fire district created under division (C) of this section by the adoption by the municipal legislative authority of a resolution or ordinance ordering withdrawal. On the first day of July of the year following the adoption of the resolution or ordinance of withdrawal, the withdrawing municipal corporation ~~withdrawing~~ or the portion thereof ceases to be a part of the district, and the power of the fire district to levy a tax upon taxable property in the withdrawing municipal corporation or the portion thereof terminates, except that the fire district shall continue to levy and collect taxes for the payment of indebtedness within the territory of the fire district as it was composed at the time the indebtedness was incurred.

Upon the withdrawal of any municipal corporation from a township fire district created under division (C) of this section, the county auditor shall ascertain, apportion, and order a division of the funds on hand, moneys and taxes in the process of collection except for taxes levied for the payment of indebtedness, credits, and real and personal property, either in

money or in kind, on the basis of the valuation of the respective 10526
tax duplicates of the withdrawing municipal corporation and the 10527
remaining territory of the fire district. 10528

A board of township trustees may remove unincorporated 10529
territory of the township from the fire district upon the adoption 10530
of a resolution authorizing the removal. On the first day of July 10531
of the year following the adoption of the resolution, the 10532
unincorporated township territory described in the resolution 10533
ceases to be a part of the district, and the power of the fire 10534
district to levy a tax upon taxable property in that territory 10535
terminates, except that the fire district shall continue to levy 10536
and collect taxes for the payment of indebtedness within the 10537
territory of the fire district as it was composed at the time the 10538
indebtedness was incurred. 10539

(D) The board of township trustees of any township, the board 10540
of fire district trustees of a fire district created under section 10541
505.371 of the Revised Code, or the legislative authority of any 10542
municipal corporation may purchase, lease, or lease with an option 10543
to purchase the necessary fire equipment described in division (A) 10544
of this section, buildings, and sites for the township, fire 10545
district, or municipal corporation and issue securities for that 10546
purpose with maximum maturities as provided in section 133.20 of 10547
the Revised Code. The board of township trustees, board of fire 10548
district trustees, or legislative authority may also construct any 10549
buildings necessary to house fire equipment and issue securities 10550
for that purpose with maximum maturities as provided in section 10551
133.20 of the Revised Code. 10552

The board of township trustees, board of fire district 10553
trustees, or legislative authority may issue the securities of the 10554
township, fire district, or municipal corporation, signed by the 10555
board or designated officer of the municipal corporation and 10556
attested by the signature of the township fiscal officer, fire 10557

district clerk, or municipal clerk, covering any deferred payments 10558
and payable at the times provided, which securities shall bear 10559
interest not to exceed the rate determined as provided in section 10560
9.95 of the Revised Code, and shall not be subject to Chapter 133. 10561
of the Revised Code. The legislation authorizing the issuance of 10562
the securities shall provide for levying and collecting annually 10563
by taxation, amounts sufficient to pay the interest on and 10564
principal of the securities. The securities shall be offered for 10565
sale on the open market or given to the vendor or contractor if no 10566
sale is made. 10567

Section 505.40 of the Revised Code does not apply to any 10568
securities issued, or any lease with an option to purchase entered 10569
into, in accordance with this division. 10570

(E) A board of township trustees of any township or a board 10571
of fire district trustees of a fire district created under section 10572
505.371 of the Revised Code may purchase a policy or policies of 10573
liability insurance for the officers, employees, and appointees of 10574
the fire department, fire district, or joint fire district 10575
governed by the board that includes personal injury liability 10576
coverage as to the civil liability of those officers, employees, 10577
and appointees for false arrest, detention, or imprisonment, 10578
malicious prosecution, libel, slander, defamation or other 10579
violation of the right of privacy, wrongful entry or eviction, or 10580
other invasion of the right of private occupancy, arising out of 10581
the performance of their duties. 10582

When a board of township trustees cannot, by deed of gift or 10583
by purchase and upon terms it considers reasonable, procure land 10584
for a township fire station that is needed in order to respond in 10585
reasonable time to a fire or medical emergency, the board may 10586
appropriate land for that purpose under sections 163.01 to 163.22 10587
of the Revised Code. If it is necessary to acquire additional 10588
adjacent land for enlarging or improving the fire station, the 10589

board may purchase, appropriate, or accept a deed of gift for the 10590
land for these purposes. 10591

(F) As used in this division, "emergency medical service 10592
organization" has the same meaning as in section 4766.01 of the 10593
Revised Code. 10594

A board of township trustees, by adoption of an appropriate 10595
resolution, may choose to have the state board of emergency 10596
medical, fire, and transportation services license any emergency 10597
medical service organization it operates. If the board adopts such 10598
a resolution, Chapter 4766. of the Revised Code, except for 10599
sections 4766.06 and 4766.99 of the Revised Code, applies to the 10600
organization. All rules adopted under the applicable sections of 10601
that chapter also apply to the organization. A board of township 10602
trustees, by adoption of an appropriate resolution, may remove its 10603
emergency medical service organization from the jurisdiction of 10604
the state board of emergency medical, fire, and transportation 10605
services. 10606

Sec. 505.371. (A) The boards of township trustees of one or 10607
more townships and the legislative authorities of one or more 10608
municipal corporations, or the legislative authorities of two or 10609
more municipal corporations, or the boards of township trustees of 10610
two or more townships, may, by adoption of a joint resolution by a 10611
majority of the members of each board of township trustees and by 10612
a majority of the members of the legislative authority of each 10613
municipal corporation, create a joint fire district comprising all 10614
or any portions of the municipal corporations and all or any 10615
portions of the townships as are mutually agreed upon. A joint 10616
fire district so created shall be given a name different from the 10617
name of any participating township or municipal corporation. 10618

(B) The governing body of the joint fire district shall be a 10619
board of fire district trustees, which shall include one 10620

representative from each board of township trustees and one 10621
representative from the legislative authority of each municipal 10622
corporation in the district. The board of fire district trustees 10623
may exercise the same powers as are granted to a board of township 10624
trustees in sections 505.37 to 505.45 of the Revised Code, 10625
including, but not limited to, the power to levy a tax upon all 10626
taxable property in the fire district as provided in section 10627
505.39 of the Revised Code. The board of fire district trustees 10628
may be compensated at a rate not to exceed thirty dollars per 10629
meeting, not to exceed fifteen meetings per year, and may be 10630
reimbursed for all necessary expenses incurred. The board shall 10631
employ a clerk of the board of fire district trustees. 10632

(C)(1) The board of fire district trustees may establish 10633
reasonable charges for the use of ambulance or emergency medical 10634
services. The board may establish different charges for residents 10635
and nonresidents of the district, and may waive, at its 10636
discretion, all or part of the charge for any resident of the 10637
district. The charge for nonresidents shall be an amount not less 10638
than the authorized medicare reimbursement rate, except that if, 10639
prior to February 4, 1998, the board had different charges for 10640
residents and nonresidents and the charge for nonresidents was 10641
less than the authorized medicare reimbursement rate, the board 10642
may charge nonresidents less than the authorized medicare 10643
reimbursement rate. 10644

(2) In the resolution creating the joint fire district, the 10645
political subdivisions that create the district may provide that 10646
any of those political subdivisions may agree to pay any charges 10647
for the use of ambulance or emergency medical services that the 10648
board of fire district trustees establishes under division (C)(1) 10649
of this section and that are incurred by the residents of the 10650
particular political subdivision. Unless the board elects pursuant 10651
to that division to waive all or part of the charges for the use 10652

of ambulance or emergency medical services that any resident of 10653
the district incurs, the residents of a particular political 10654
subdivision that has not so agreed to pay the charges for the use 10655
of ambulance or emergency medical services incurred by its 10656
residents shall pay those charges. 10657

(3) Charges collected under division (C) of this section 10658
shall be kept in a separate fund designated as the ambulance and 10659
emergency medical services fund and shall be appropriated and 10660
administered by the board. The fund shall be used for the payment 10661
of the costs of the management, maintenance, and operation of 10662
ambulance and emergency medical services in the district. 10663

(4) As used in division (C) of this section, "authorized 10664
medicare reimbursement rate" has the same meaning as in section 10665
505.84 of the Revised Code. 10666

(D) Any municipal corporation or township, or parts of them, 10667
may join an existing joint fire district by the adoption of a 10668
resolution requesting such membership and upon approval of the 10669
board of fire district trustees. Any municipal corporation or 10670
township may withdraw from a joint fire district created under 10671
this section, by the adoption of a resolution ordering withdrawal. 10672
On or after the first day of January of the year following the 10673
adoption of the resolution of withdrawal, the municipal 10674
corporation or township withdrawing ceases to be a part of such 10675
district, and the power of the district to levy a tax upon taxable 10676
property in the withdrawing township or municipal corporation 10677
terminates, except that the district shall continue to levy and 10678
collect taxes for the payment of indebtedness within the territory 10679
of the district as it was comprised at the time the indebtedness 10680
was incurred. 10681

Upon the withdrawal of any township or municipal corporation 10682
from a joint fire district created under this section, the county 10683
auditor shall ascertain, apportion, and order a division of the 10684

funds on hand, including funds in the ambulance and emergency 10685
medical services fund, moneys and taxes in the process of 10686
collection, except for taxes levied for the payment of 10687
indebtedness, credits, and real and personal property, either in 10688
money or in kind, on the basis of the valuation of the respective 10689
tax duplicates of the withdrawing municipal corporation or 10690
township and the remaining territory of the joint fire district. 10691

When the number of townships and municipal corporations 10692
comprising a joint fire district is reduced to one, the joint fire 10693
district ceases to exist by operation of law, and the funds, 10694
credits, and property remaining after apportionments to 10695
withdrawing municipal corporations or townships shall be assumed 10696
by the one remaining township or municipal corporation. When a 10697
joint fire district ceases to exist and an indebtedness remains 10698
unpaid, the board of county commissioners shall continue to levy 10699
and collect taxes for the payment of that indebtedness within the 10700
territory of the joint fire district as it was comprised at the 10701
time the indebtedness was incurred. 10702

(E) Neither this section nor any other section of the Revised 10703
Code requires, or shall be construed to require, that the fire 10704
chief of a joint fire district be a resident of the fire district. 10705

Sec. 701.10. The legislative authority of a municipal 10706
corporation ~~that is located in a charter county and~~ that has 10707
established a rate or charge for the provision of collection or 10708
disposal services for garbage, ashes, animal and vegetable refuse, 10709
dead animals, or animal offal may certify to the county ~~fiscal~~ 10710
~~officer~~ auditor, by ordinance, the amount of the rate or charge 10711
that has not been paid in accordance with applicable requirements 10712
by a person using the collection or disposal services. The amount 10713
certified shall be a lien on the person's property to which 10714
services are provided, placed on the tax list in a separate 10715

column, collected as other taxes, and paid into the general fund 10716
of the municipal corporation. 10717

Sec. 711.131. (A) Notwithstanding sections 711.001 to 711.13 10718
of the Revised Code and except as provided in division (C) of this 10719
section, unless the rules adopted under section 711.05, 711.09, or 10720
711.10 of the Revised Code are amended pursuant to division (B) of 10721
this section, a proposed division of a parcel of land along an 10722
existing public street, not involving the opening, widening, or 10723
extension of any street or road, and involving no more than five 10724
lots after the original tract has been completely subdivided, may 10725
be submitted to the planning authority having approving 10726
jurisdiction of plats under section 711.05, 711.09, or 711.10 of 10727
the Revised Code for approval without plat. If the authority 10728
acting through a properly designated representative finds that a 10729
proposed division is not contrary to applicable platting, 10730
subdividing, zoning, health, sanitary, or access management 10731
regulations, regulations adopted under division (B)(3) of section 10732
307.37 of the Revised Code regarding existing surface or 10733
subsurface drainage, or household sewage treatment rules adopted 10734
under section 3718.02 of the Revised Code, it shall approve the 10735
proposed division within seven business days after its submission 10736
and, on presentation of a conveyance of the parcel, shall stamp 10737
the conveyance "approved by (planning authority); no plat 10738
required" and have it signed by its clerk, secretary, or other 10739
official as may be designated by it. The planning authority may 10740
require the submission of a sketch and other information that is 10741
pertinent to its determination under this division. 10742

(B) For a period of up to two years after ~~the effective date~~ 10743
~~of this amendment~~ the effective date of this amendment, the rules 10744
adopted under section 711.05, 711.09, or 711.10 of the Revised 10745
Code may be amended within that period to authorize the planning 10746

authority involved to approve proposed divisions of parcels of 10747
land without plat under this division. If an authority so amends 10748
its rules, it may approve no more than five lots without a plat 10749
from an original tract as that original tract exists on the 10750
effective date of the amendment to the rules. The authority shall 10751
make the findings and approve a proposed division in the time and 10752
manner specified in division (A) of this section. 10753

(C) This section does not apply to parcels subject to section 10754
711.133 of the Revised Code. 10755

(D) As used in this section, "business day" means a day of 10756
the week excluding Saturday, Sunday, or a legal holiday as defined 10757
in section 1.14 of the Revised Code. 10758

Sec. 718.83. (A) On or before the last day of each month, the 10759
tax commissioner shall certify to the director of budget and 10760
management the amount to be paid to each municipal corporation, 10761
based on amounts reported on annual returns and declarations of 10762
estimated tax under sections 718.85 and 718.88 of the Revised 10763
Code, less any amounts previously distributed and net of any audit 10764
adjustments made or refunds granted by the commissioner, for the 10765
~~ealender~~ calendar month preceding the month in which the 10766
certification is made. Not later than the fifth day of each month, 10767
the director shall provide for payment of the amount certified to 10768
each municipal corporation from the municipal ~~income~~ net profit 10769
tax fund, plus a pro rata share of any investment earnings 10770
accruing to the fund since the previous payment under this 10771
section, and minus any reduction required by the commissioner 10772
under division (D) of this section. Each municipal corporation's 10773
share of such earnings shall equal the proportion that the 10774
municipal corporation's certified tax payment is of the total 10775
taxes certified to all municipal corporations in that quarter. All 10776
investment earnings on money in the municipal ~~income~~ net profit 10777

tax fund shall be credited to that fund. 10778

(B) If the tax commissioner determines that the amount of tax 10779
paid by a taxpayer and distributed to a municipal corporation 10780
under this section for a taxable year exceeds the amount payable 10781
to that municipal corporation under sections 718.80 to 718.95 of 10782
the Revised Code after accounting for amounts remitted with the 10783
annual return and as estimated taxes, the commissioner shall 10784
proceed according to divisions (A) and (B) of section 5703.77 of 10785
the Revised Code. 10786

(C) If the amount of a municipal corporation's net 10787
distribution computed by the commissioner under division (A) of 10788
this section is less than zero, the commissioner may notify the 10789
municipal corporation of the deficiency. Within thirty days after 10790
receiving such a notice, the municipal corporation shall pay an 10791
amount equal to the deficiency to the treasurer of state. The 10792
treasurer of state shall credit any payment received under this 10793
division to the municipal net profit tax fund. 10794

(D) If a municipal corporation fails to make a timely payment 10795
required under division (C) of this section, the commissioner may 10796
recover the deficiency using any or all of the following options: 10797

(1) Deduct the amount of the deficiency from the next 10798
distribution to that municipal corporation under division (A) of 10799
this section or, if the amount of the deficiency exceeds the 10800
amount of such distribution, withhold such distributions entirely 10801
until the withheld amount equals the amount of the municipal 10802
corporation's deficiency; 10803

(2) Deduct the amount of the deficiency from the next payment 10804
to that municipal corporation under division (A) of section 10805
5745.05 of the Revised Code or, if the amount of the deficiency 10806
exceeds the amount of such distribution, withhold such 10807
distributions entirely until the withheld amount equals the amount 10808

of the municipal corporation's deficiency; 10809

(3) Deduct the amount of the deficiency from the municipal 10810
corporation's share of the next payment made by the commissioner 10811
under division (F) of section 321.24 of the Revised Code or, if 10812
the amount of the deficiency exceeds the amount of the municipal 10813
corporation's share of such payment, withhold the municipal 10814
corporation's share of the payments entirely until the withheld 10815
amount equals the amount of the municipal corporation's 10816
deficiency. 10817

(E) The total amount of payments and distributions withheld 10818
from a municipal corporation under division (D) of this section 10819
shall not exceed the unpaid portion of the municipal corporation's 10820
net distribution deficiency. All amounts withheld under division 10821
(D) of this section shall be credited to the municipal net profit 10822
tax fund. 10823

(F) The commissioner may adopt rules necessary to administer 10824
this section. 10825

Sec. 718.85. (A)(1) For each taxable year, every taxpayer 10826
shall file an annual return. Such return, along with the amount of 10827
tax shown to be due on the return less the amount paid for the 10828
taxable year under section 718.88 of the Revised Code, shall be 10829
submitted to the tax commissioner, on a form and in the manner 10830
prescribed by the commissioner, on or before the fifteenth day of 10831
the fourth month following the end of the taxpayer's taxable year. 10832

(2) If a taxpayer has multiple taxable years beginning within 10833
one calendar year, the taxpayer shall aggregate the facts and 10834
figures necessary to compute the tax due under this chapter, in 10835
accordance with sections 718.81, 718.82, and, if applicable, 10836
718.86 of the Revised Code onto its annual return. 10837

(3) The remittance shall be made payable to the treasurer of 10838

state and in the form prescribed by the tax commissioner. If the amount payable with the tax return is ten dollars or less, no remittance is required.

(B) The tax commissioner shall immediately forward to the treasurer of state all amounts the commissioner receives pursuant to sections 718.80 to 718.95 of the Revised Code. The treasurer shall credit ninety-nine and one-half per cent of such amounts to the municipal ~~income~~ net profit tax fund which is hereby created in the state treasury, and the remainder to the municipal income tax administrative fund established under section 5745.03 of the Revised Code.

(C)(1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's identification number. Each return shall be verified by a declaration under penalty of perjury.

(2)(a) The tax commissioner may require a taxpayer to include, with each annual tax return, amended return, or request for refund filed with the commissioner under sections 718.80 to 718.95 of the Revised Code, copies of any relevant documents or other information.

(b) A taxpayer that files an annual tax return electronically through the Ohio business gateway or in another manner as prescribed by the tax commissioner shall either submit the documents required under this division electronically as prescribed at the time of filing or, if electronic submission is not available, mail the documents to the tax commissioner. The department of taxation shall publish a method of electronically submitting the documents required under this division on or before January 1, 2019.

(3) After a taxpayer files a tax return, the tax commissioner 10870
may request, and the taxpayer shall provide, any information, 10871
statements, or documents required to determine and verify the 10872
taxpayer's municipal income tax. 10873

(D)(1)(a) Any taxpayer that has duly requested an automatic 10874
extension for filing the taxpayer's federal income tax return 10875
shall automatically receive an extension for the filing of a tax 10876
return with the commissioner under this section. The extended due 10877
date of the return shall be the fifteenth day of the tenth month 10878
after the last day of the taxable year to which the return 10879
relates. 10880

(b) A taxpayer that has not requested or received a six-month 10881
extension for filing the taxpayer's federal income tax return may 10882
request that the commissioner grant the taxpayer a six-month 10883
extension of the date for filing the taxpayer's municipal income 10884
tax return. If the commissioner receives the request on or before 10885
the date the municipal income tax return is due, the commissioner 10886
shall grant the taxpayer's extension request. 10887

(c) An extension of time to file under division (D)(1) of 10888
this section is not an extension of the time to pay any tax due 10889
unless the tax commissioner grants an extension of that date. 10890

(2) If the commissioner considers it necessary in order to 10891
ensure payment of a tax imposed in accordance with section 718.04 10892
of the Revised Code, the commissioner may require taxpayers to 10893
file returns and make payments otherwise than as provided in this 10894
section, including taxpayers not otherwise required to file annual 10895
returns. 10896

(E) Each return required to be filed in accordance with this 10897
section shall include a box that the taxpayer may check to 10898
authorize another person, including a tax return preparer who 10899
prepared the return, to communicate with the tax commissioner 10900

about matters pertaining to the return. The return or instructions 10901
accompanying the return shall indicate that by checking the box 10902
the taxpayer authorizes the commissioner to contact the preparer 10903
or other person concerning questions that arise during the 10904
examination or other review of the return and authorizes the 10905
preparer or other person only to provide the commissioner with 10906
information that is missing from the return, to contact the 10907
commissioner for information about the examination or other review 10908
of the return or the status of the taxpayer's refund or payments, 10909
and to respond to notices about mathematical errors, offsets, or 10910
return preparation that the taxpayer has received from the 10911
commissioner and has shown to the preparer or other person. 10912

(F) When income tax returns or other documents require the 10913
signature of a tax return preparer, the tax commissioner shall 10914
accept a facsimile or electronic version of such a signature in 10915
lieu of a manual signature. 10916

Sec. 718.90. (A) If any taxpayer required to file a return 10917
under section 718.80 to 718.95 of the Revised Code fails to file 10918
the return within the time prescribed, files an incorrect return, 10919
or fails to remit the full amount of the tax due for the period 10920
covered by the return, the tax commissioner may make an assessment 10921
against the taxpayer for any deficiency for the period for which 10922
the return or tax is due, based upon any information in the 10923
commissioner's possession. 10924

The tax commissioner shall not make or issue an assessment 10925
against a taxpayer more than three years after the later of the 10926
date the return subject to assessment was required to be filed or 10927
the date the return was filed. Such time limit may be extended if 10928
both the taxpayer and the commissioner consent in writing to the 10929
extension. Any such extension shall extend the three-year time 10930
limit in section 718.91 of the Revised Code for the same period of 10931

time. There shall be no bar or limit to an assessment against a taxpayer that fails to file a return subject to assessment as required by sections 718.80 to 718.95 of the Revised Code, or that files a fraudulent return. The commissioner shall give the taxpayer assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the taxpayer assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment signed by the authorized agent of the taxpayer assessed having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the taxpayer to the treasurer of state. The petition shall indicate the taxpayer's objections, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the taxpayer has an office or place of business in this state, the county in which the taxpayer's statutory agent is located, or Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment against the taxpayer assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for municipal income taxes," and shall have the same effect as other judgments.

Execution shall issue upon the judgment upon the request of the 10964
tax commissioner, and all laws applicable to sales on execution 10965
shall apply to sales made under the judgment. 10966

If the assessment is not paid in its entirety within sixty 10967
days after the day the assessment was issued, the portion of the 10968
assessment consisting of tax due shall bear interest at the rate 10969
per annum prescribed by section 5703.47 of the Revised Code from 10970
the day the commissioner issues the assessment until the 10971
assessment is paid or until it is certified to the attorney 10972
general for collection under section 131.02 of the Revised Code, 10973
whichever comes first. If the unpaid portion of the assessment is 10974
certified to the attorney general for collection, the entire 10975
unpaid portion of the assessment shall bear interest at the rate 10976
per annum prescribed by section 5703.47 of the Revised Code from 10977
the date of certification until the date it is paid in its 10978
entirety. Interest shall be paid in the same manner as the tax and 10979
may be collected by issuing an assessment under this section. 10980

(D) All money collected under this section shall be credited 10981
to the municipal ~~income~~ net profit tax fund and distributed to the 10982
municipal corporation to which the money is owed based on the 10983
assessment issued under this section. 10984

(E) If the tax commissioner believes that collection of the 10985
tax will be jeopardized unless proceedings to collect or secure 10986
collection of the tax are instituted without delay, the 10987
commissioner may issue a jeopardy assessment against the taxpayer 10988
liable for the tax. Immediately upon the issuance of the jeopardy 10989
assessment, the commissioner shall file an entry with the clerk of 10990
the court of common pleas in the manner prescribed by division (C) 10991
of this section. Notice of the jeopardy assessment shall be served 10992
on the taxpayer assessed or the taxpayer's legal representative in 10993
the manner provided in section 5703.37 of the Revised Code within 10994
five days of the filing of the entry with the clerk. The total 10995

amount assessed is immediately due and payable, unless the 10996
taxpayer assessed files a petition for reassessment in accordance 10997
with division (B) of this section and provides security in a form 10998
satisfactory to the commissioner and in an amount sufficient to 10999
satisfy the unpaid balance of the assessment. Full or partial 11000
payment of the assessment does not prejudice the commissioner's 11001
consideration of the petition for reassessment. 11002

(F) Notwithstanding the fact that a petition for reassessment 11003
is pending, the taxpayer may pay all or a portion of the 11004
assessment that is the subject of the petition. The acceptance of 11005
a payment by the treasurer of state does not prejudice any claim 11006
for refund upon final determination of the petition. 11007

If upon final determination of the petition an error in the 11008
assessment is corrected by the tax commissioner, upon petition so 11009
filed or pursuant to a decision of the board of tax appeals or any 11010
court to which the determination or decision has been appealed, so 11011
that the amount due from the taxpayer under the corrected 11012
assessment is less than the portion paid, there shall be issued to 11013
the taxpayer, its assigns, or legal representative a refund in the 11014
amount of the overpayment as provided by section 718.91 of the 11015
Revised Code, with interest on that amount as provided by that 11016
section. 11017

Sec. 742.114. (A) As used in this section and in section 11018
742.116 of the Revised Code: 11019

(1) "Agent" means a dealer, as defined in section 1707.01 of 11020
the Revised Code, who is licensed under sections 1707.01 to 11021
~~1707.45~~ 1707.50 of the Revised Code or under comparable laws of 11022
another state or of the United States. 11023

(2) "Minority business enterprise" has the same meaning as in 11024
section 122.71 of the Revised Code. 11025

(3) "Ohio-qualified agent" means an agent designated as such	11026
by the board of trustees of the fund.	11027

Subject to divisions (B)(3) and (C) of this section, upon the 11128

escape risk and propensity for assaultive or violent behavior, 11144
based upon the person's prior and current behavior. 11145

(b) The person is an inmate transferred by order of a judge 11146

confinement in a minimum security facility. 11151

(3) No person shall be confined in a building or structure 11152
dedicated as a minimum security jail under division (B)(1) or (2) 11153
of this section unless the judge who sentenced the person to the 11154
term of imprisonment for the traffic violation or the misdemeanor 11155
specifies that the term of imprisonment is to be served in that 11156
jail, and division (B)(1) or (2) of this section permits the 11157
confinement of the person in that jail or unless the judge who 11158
sentenced the person to the residential sanction for the felony 11159
specifies that the residential sanction is to be served in a jail, 11160
and division (B)(1) or (2) of this section permits the confinement 11161
of the person in that jail. If a rented or leased building or 11162
structure is so dedicated, the building or structure may be used 11163
as a minimum security jail only during the period that it is 11164
rented or leased by the municipal corporation or by an affiliated 11165
county or municipal corporation. If a person convicted of a 11166
misdemeanor is confined to a building or structure dedicated as a 11167
minimum security jail under division (B)(1) or (2) of this section 11168
and the sheriff, administrator, jailer, or other person 11169
responsible for operating the jail other than a contractor as 11170
defined in division (H) of section 9.06 of the Revised Code 11171

confined to be confined in another jail or workhouse facility, the 11173
sheriff, administrator, jailer, or other person may transfer the 11174
person so confined to a more appropriate jail or workhouse 11175
facility. 11176

structure that is dedicated pursuant to division (B)(1) or (2) of 11178
this section for use as a minimum security jail: 11179

(1) To the extent that the use of the building or structure 11180
as a minimum security jail requires a variance from any municipal 11181

corporation, county, or township zoning ordinances or regulations, 11182
the variance shall be granted. 11183

(2) Except as provided in this section, the building or 11184
structure shall not be used to confine any person unless it is in 11185
substantial compliance with any applicable housing, fire 11186
prevention, sanitation, health, and safety codes, regulations, or 11187
standards. 11188

(3) Unless such satisfaction or compliance is required under 11189
the standards described in division (C)(4) of this section, and 11190
notwithstanding any other provision of state or local law to the 11191
contrary, the building or structure need not satisfy or comply 11192
with any state or local building standard or code in order to be 11193
used to confine a person for the purposes specified in division 11194
(B) of this section. 11195

(4) The building or structure shall not be used to confine 11196
any person unless it is in compliance with all minimum standards 11197

for ~~minimum security~~ jails that have been proposed by the 11199
department of rehabilitation and correction, through its bureau of 11200
adult detention, under section 5120.10 of the Revised Code. 11201

(5) The building or structure need not be renovated or 11202
modified into a secure detention facility in order to be used 11203
solely to confine a person for the purposes specified in divisions 11204
(B)(1)(a) and (B)(2)(a) of this section. 11205

(6) The building or structure shall be used, equipped, 11206
furnished, and staffed to provide adequate and suitable living, 11207
sleeping, food service or preparation, drinking, bathing and 11208
toilet, sanitation, and other necessary facilities, furnishings, 11209
and equipment. 11210

(D) Except as provided in this section, a minimum security 11211
jail dedicated and used under this section shall be considered to 11212

be part of the jail, workhouse, or other correctional facilities 11213
of the municipal corporation or the affiliated counties and 11214
municipal corporations for all purposes under the law. All persons 11215
confined in such a minimum security jail shall be and shall 11216
remain, in all respects, under the control of the authority of the 11217
municipal corporation that has responsibility for the management 11218
and operation of the jail, workhouse, or other correctional 11219
facilities of the municipal corporation or, if it is operated by 11220
any affiliation of counties or municipal corporations, under the 11221
control of the specified county or municipal corporation with that 11222
authority, provided that, if the person was convicted of a felony 11223
and is serving a residential sanction in the facility, all 11224
provisions of law that pertain to persons convicted of a felony 11225
that would not by their nature clearly be inapplicable apply 11226
regarding the person. A minimum security jail dedicated and used 11227
under this section shall be managed and maintained in accordance 11228
with policies and procedures adopted by the legislative authority 11229
of the municipal corporation or the affiliated counties and 11230
municipal corporations governing the safe and healthful operation 11231
of the jail, the confinement and supervision of the persons 11232
sentenced to it, and their participation in work release or 11233
similar rehabilitation programs. In addition to other rules of 11234
conduct and discipline, the rights of ingress and egress of 11235
persons confined in a minimum security jail dedicated and used 11236
under this section shall be subject to reasonable restrictions. 11237
Every person confined in a minimum security jail dedicated and 11238
used under this section shall be given verbal and written 11239
notification, at the time of the person's admission to the jail, 11240
that purposely leaving, or purposely failing to return to, the 11241
jail without proper authority or permission constitutes the felony 11242
offense of escape. 11243

(E) If a person who has been convicted of or pleaded guilty 11244
to an offense is sentenced to a term of imprisonment or a 11245

residential sanction in a minimum security jail as described in 11246
division (B)(1)(a) or (B)(2)(a) of this section, or if a person is 11247
an inmate transferred to a minimum security jail by order of a 11248
judge of the sentencing court as described in division (B)(1)(b) 11249

to be appropriate, the person in charge of the operation of the 11252
jail may cause the convicted offender to be examined and tested 11253
for tuberculosis, HIV infection, hepatitis, including but not 11254
limited to hepatitis A, B, and C, and other contagious diseases. 11255
The person in charge of the operation of the jail may cause a 11256

Sec. 1509.28. (A) The chief of the division of oil and gas 12016
resources management, upon the chief's own motion or upon 12017
application by the owners of sixty-five per cent of the land area 12018
overlying the pool, shall hold a hearing to consider the need for 12019
the operation as a unit of an entire pool or part thereof. In 12020
calculating the sixty-five per cent, an owner's entire interest in 12021
each tract in the proposed unit area, including any divided, 12022
undivided, partial, fee, or other interest in the tract, shall be 12023

included to the fullest extent of that interest. An application by 12024
owners shall be accompanied by a nonrefundable fee of ten thousand 12025
dollars and by such information as the chief may request. 12026

The chief shall make an order providing for the unit 12027
operation of a pool or part thereof if the chief finds that such 12028
operation is reasonably necessary to increase substantially the 12029
ultimate recovery of oil and gas, and the value of the estimated 12030
additional recovery of oil or gas exceeds the estimated additional 12031
cost incident to conducting the operation. The order shall be upon 12032
terms and conditions that are just and reasonable and shall 12033
prescribe a plan for unit operations that shall include: 12034

(1) A description of the unitized area, termed the unit area; 12035

(2) A statement of the nature of the operations contemplated; 12036

(3) An allocation to the separately owned tracts in the unit 12037
area of all the oil and gas that is produced from the unit area 12038
and is saved, being the production that is not used in the conduct 12039
of operations on the unit area or not unavoidably lost. The 12040
allocation shall be in accord with the agreement, if any, of the 12041
interested parties. If there is no such agreement, the chief shall 12042
determine the value, from the evidence introduced at the hearing, 12043
of each separately owned tract in the unit area, exclusive of 12044
physical equipment, for development of oil and gas by unit 12045
operations, and the production allocated to each tract shall be 12046
the proportion that the value of each tract so determined bears to 12047
the value of all tracts in the unit area. 12048

(4) A provision for the credits and charges to be made in the 12049
adjustment among the owners in the unit area for their respective 12050
investments in wells, tanks, pumps, machinery, materials, and 12051
equipment contributed to the unit operations; 12052

(5) A provision providing how the expenses of unit 12053
operations, including capital investment, shall be determined and 12054

charged to the separately owned tracts and how the expenses shall 12055
be paid; 12056

(6) A provision, if necessary, for carrying or otherwise 12057
financing any person who is unable to meet the person's financial 12058
obligations in connection with the unit, allowing a reasonable 12059
interest charge for such service; 12060

(7) A provision for the supervision and conduct of the unit 12061
operations, in respect to which each person shall have a vote with 12062
a value corresponding to the percentage of the expenses of unit 12063
operations chargeable against the interest of that person; 12064

(8) The time when the unit operations shall commence, and the 12065
manner in which, and the circumstances under which, the unit 12066
operations shall terminate; 12067

(9) Such additional provisions as are found to be appropriate 12068
for carrying on the unit operations, and for the protection or 12069
adjustment of correlative rights. 12070

(B) No order of the chief providing for unit operations shall 12071
become effective unless and until the plan for unit operations 12072
prescribed by the chief has been approved in writing by those 12073
owners who, under the chief's order, will be required to pay at 12074
least sixty-five per cent of the costs of the unit operation, and 12075
also by the royalty or, with respect to unleased acreage, fee 12076
owners of sixty-five per cent of the acreage to be included in the 12077
unit. If the plan for unit operations has not been so approved by 12078
owners and royalty owners at the time the order providing for unit 12079
operations is made, the chief shall upon application and notice 12080
hold such supplemental hearings as may be required to determine if 12081
and when the plan for unit operations has been so approved. If the 12082
owners and royalty owners, or either, owning the required 12083
percentage of interest in the unit area do not approve the plan 12084
for unit operations within a period of six months from the date on 12085

which the order providing for unit operations is made, the order 12086
shall cease to be of force and shall be revoked by the chief. 12087

An order providing for unit operations may be amended by an 12088
order made by the chief, in the same manner and subject to the 12089
same conditions as an original order providing for unit 12090
operations, provided that: 12091

(1) If such an amendment affects only the rights and 12092
interests of the owners, the approval of the amendment by the 12093
royalty owners shall not be required. 12094

(2) No such order of amendment shall change the percentage 12095
for allocation of oil and gas as established for any separately 12096
owned tract by the original order, except with the consent of all 12097
persons owning interest in the tract. 12098

The chief, by an order, may provide for the unit operation of 12099
a pool or a part thereof that embraces a unit area established by 12100
a previous order of the chief. Such an order, in providing for the 12101
allocation of unit production, shall first treat the unit area 12102
previously established as a single tract, and the portion of the 12103
unit production so allocated thereto shall then be allocated among 12104
the separately owned tracts included in the previously established 12105
unit area in the same proportions as those specified in the 12106
previous order. 12107

Oil and gas allocated to a separately owned tract shall be 12108
deemed, for all purposes, to have been actually produced from the 12109
tract, and all operations, including, but not limited to, the 12110
commencement, drilling, operation of, or production from a well 12111
upon any portion of the unit area shall be deemed for all purposes 12112
the conduct of such operations and production from any lease or 12113
contract for lands any portion of which is included in the unit 12114
area. The operations conducted pursuant to the order of the chief 12115
shall constitute a fulfillment of all the express or implied 12116

obligations of each lease or contract covering lands in the unit 12117
area to the extent that compliance with such obligations cannot be 12118
had because of the order of the chief. 12119

Oil and gas allocated to any tract, and the proceeds from the 12120
sale thereof, shall be the property and income of the several 12121
persons to whom, or to whose credit, the same are allocated or 12122
payable under the order providing for unit operations. 12123

No order of the chief or other contract relating to the sale 12124
or purchase of production from a separately owned tract shall be 12125
terminated by the order providing for unit operations, but shall 12126
remain in force and apply to oil and gas allocated to the tract 12127
until terminated in accordance with the provisions thereof. 12128

Notwithstanding divisions (A) to (H) of section 1509.73 of 12129
the Revised Code and rules adopted under it, the chief shall issue 12130
an order for the unit operation of a pool or a part of a pool that 12131
encompasses a unit area for which all or a portion of the mineral 12132
rights are owned by the department of transportation. 12133

Except to the extent that the parties affected so agree, no 12134
order providing for unit operations shall be construed to result 12135
in a transfer of all or any part of the title of any person to the 12136
oil and gas rights in any tract in the unit area. All property, 12137
whether real or personal, that may be acquired for the account of 12138
the owners within the unit area shall be the property of such 12139
owners in the proportion that the expenses of unit operations are 12140
charged. 12141

Sec. 1509.31. (A)(1) No person shall operate a well in this 12142
state unless the person first registers with and obtains an 12143
identification number from the chief of the division of oil and 12144
gas resources management. 12145

(2) Whenever the entire interest of an oil and gas lease is 12146

assigned or otherwise transferred, the assignor or transferor 12147
shall notify the holders of the royalty interests, and, if a well 12148
or wells exist on the lease, the division of oil and gas resources 12149
management, of the name and address of the assignee or transferee 12150
by certified mail, return receipt requested, not later than thirty 12151
days after the date of the assignment or transfer. When notice of 12152
any such assignment or transfer is required to be provided to the 12153
division, it shall be provided on a form prescribed and provided 12154
by the division and verified by both the assignor or transferor 12155
and by the assignee or transferee ~~and shall be accompanied by a~~ 12156
~~nonrefundable fee of one hundred dollars for each well.~~ The notice 12157
form applicable to assignments or transfers of a well to the owner 12158
of the surface estate of the tract on which the well is located 12159
shall contain a statement informing the landowner that the well 12160
may require periodic servicing to maintain its productivity; that, 12161
upon assignment or transfer of the well to the landowner, the 12162
landowner becomes responsible for compliance with the requirements 12163
of this chapter and rules adopted under it, including, without 12164
limitation, the proper disposal of brine obtained from the well, 12165
the plugging of the well when it becomes incapable of producing 12166
oil or gas, and the restoration of the well site; and that, upon 12167
assignment or transfer of the well to the landowner, the landowner 12168
becomes responsible for the costs of compliance with the 12169
requirements of this chapter and rules adopted under it and the 12170
costs for operating and servicing the well. 12171

(3) Notwithstanding division (A)(2) of this section, the 12172
assignee or transferee shall notify the division of oil and gas 12173
resources management of the assignment or transfer if both of the 12174
following apply: 12175

(a) The assignor or transferor failed to notify the division 12176
of the assignment or transfer as required by division (A)(2) of 12177
this section; 12178

(b) The assignor or transferor is deceased, dissolved, cannot
be located, or is otherwise incapable of complying with the
notification requirement. 12179
12180
12181

The assignee or transferee shall notify the division of the
assignment or transfer on a form prescribed and provided by the
division. At a minimum, the form shall require the assignee or
transferee to attest that the assignee or transferee is the owner.
The division shall not charge a fee for such assignment or
transfer when notice is provided in accordance with division
(A)(3) of this section. 12182
12183
12184
12185
12186
12187
12188

(B) When the entire interest of a well is proposed to be 12189
assigned or otherwise transferred to the landowner for use as an 12190
exempt domestic well, the owner who has been issued a permit under 12191
this chapter for the well shall submit to the chief of the 12192
division of oil and gas resources management an application for 12193
the assignment or transfer that contains all documents that the 12194
chief requires ~~and a nonrefundable fee of one hundred dollars~~. The 12195
application for such an assignment or transfer shall be prescribed 12196
and provided by the chief. The chief may approve the application 12197
if the application is accompanied by a release of all of the oil 12198
and gas leases that are included in the applicable formation of 12199
the drilling unit, the release is in a form such that the well 12200
ownership merges with the fee simple interest of the surface 12201
tract, and the release is in a form that may be recorded. However, 12202
if the owner of the well does not release the oil and gas leases 12203
associated with the well that is proposed to be assigned or 12204
otherwise transferred or if the fee simple tract that results from 12205
the merger of the well ownership with the fee simple interest of 12206
the surface tract is less than five acres, the proposed exempt 12207
domestic well owner shall post a five thousand dollar bond with 12208
the division prior to the assignment or transfer of the well to 12209
ensure that the well will be properly plugged. The chief, for good 12210

cause, may modify the requirements of this section governing the 12211
assignment or transfer of the interests of a well to the 12212
landowner. Upon the assignment or transfer of the well, the owner 12213
of an exempt domestic well is not subject to the severance tax 12214
levied under section 5749.02 of the Revised Code, but is subject 12215
to all applicable fees established in this chapter. 12216

(C) The owner holding a permit under section 1509.05 of the 12217
Revised Code is responsible for all obligations and liabilities 12218
imposed by this chapter and any rules, orders, and terms and 12219
conditions of a permit adopted or issued under it, and no 12220
assignment or transfer by the owner relieves the owner of the 12221
obligations and liabilities until and unless the assignee or 12222
transferee files with the division the information described in 12223
divisions (A)(1), (2), (3), (4), (5), (10), (11), and (12) of 12224
section 1509.06 of the Revised Code; obtains liability insurance 12225
coverage required by section 1509.07 of the Revised Code, except 12226
when none is required by that section; and executes and files a 12227
surety bond, negotiable certificates of deposit or irrevocable 12228
letters of credit, or cash, as described in that section. Instead 12229
of a bond, but only upon acceptance by the chief, the assignee or 12230
transferee may file proof of financial responsibility, described 12231
in section 1509.07 of the Revised Code. Section 1509.071 of the 12232
Revised Code applies to the surety bond, cash, and negotiable 12233
certificates of deposit and irrevocable letters of credit 12234
described in this section. Unless the chief approves a 12235
modification, each assignee or transferee shall operate in 12236
accordance with the plans and information filed by the permit 12237
holder pursuant to section 1509.06 of the Revised Code. 12238

(D) If a mortgaged property that is being foreclosed is 12239
subject to an oil or gas lease, pipeline agreement, or other 12240
instrument related to the production or sale of oil or natural gas 12241
and the lease, agreement, or other instrument was recorded 12242

subsequent to the mortgage, and if the lease, agreement, or other 12243
instrument is not in default, the oil or gas lease, pipeline 12244
agreement, or other instrument, as applicable, has priority over 12245
all other liens, claims, or encumbrances on the property so that 12246
the oil or gas lease, pipeline agreement, or other instrument is 12247
not terminated or extinguished upon the foreclosure sale of the 12248
mortgaged property. If the owner of the mortgaged property was 12249
entitled to oil and gas royalties before the foreclosure sale, the 12250
oil or gas royalties shall be paid to the purchaser of the 12251
foreclosed property. 12252

Sec. 1509.36. Any person adversely affected by an order by 12253
the chief of the division of oil and gas resources management may 12254

appellee shall be deemed to be parties to the appeal. 12259

The appeal shall be in writing and shall set forth the order 12260
complained of and the grounds upon which the appeal is based. The 12261
appeal shall be filed with the commission within thirty days after 12262
the date upon which the ~~appellant~~ person to whom the order was 12263
issued received ~~notice by certified mail~~ the order and, for all 12264

after the date of the order complained of. Notice of the filing of 12266
the appeal shall be filed with the chief within three days after 12267
the appeal is filed with the commission. 12268

Upon the filing of the appeal the commission promptly shall 12269
fix the time and place at which the hearing on the appeal will be 12270
held, and shall give the appellant and the chief at least ten 12271
days' written notice thereof by mail. The commission may postpone 12272
or continue any hearing upon its own motion or upon application of 12273

the appellant or of the chief. 12274

The filing of an appeal provided for in this section does not 12275
automatically suspend or stay execution of the order appealed 12276
from, but upon application by the appellant the commission may 12277
suspend or stay the execution pending determination of the appeal 12278
upon such terms as the commission considers proper. 12279

Either party to the appeal or any interested person who, 12280
pursuant to commission rules has been granted permission to 12281
appear, may submit such evidence as the commission considers 12282
admissible. 12283

For the purpose of conducting a hearing on an appeal, the 12284

those allowed by the court of common pleas in criminal cases. 12293
Witnesses shall be paid the fees and mileage provided for under 12294
section 119.094 of the Revised Code. Such fees and mileage 12295

division of oil and gas resources management. 12299

In case of disobedience or neglect of any subpoena served on 12300
any person, or the refusal of any witness to testify to any matter 12301
regarding which the witness may be lawfully interrogated, the 12302
court of common pleas of the county in which the disobedience, 12303
neglect, or refusal occurs, or any judge thereof, on application 12304
of the commission or any member thereof, shall compel obedience by 12305

attachment proceedings for contempt as in the case of disobedience 12306
of the requirements of a subpoena issued from that court or a 12307
refusal to testify therein. Witnesses at such hearings shall 12308
testify under oath, and any member of the commission may 12309
administer oaths or affirmations to persons who so testify. 12310

At the request of any party to the appeal, a record of the 12311
testimony and other evidence submitted shall be taken by an 12312
official court reporter at the expense of the party making the 12313
request for the record. The record shall include all of the 12314
testimony and other evidence and the rulings on the admissibility 12315
thereof presented at the hearing. The commission shall pass upon 12316
the admissibility of evidence, but any party may at the time 12317
object to the admission of any evidence and except to the rulings 12318
of the commission thereon, and if the commission refuses to admit 12319
evidence the party offering same may make a proffer thereof, and 12320
such proffer shall be made a part of the record of the hearing. 12321

If upon completion of the hearing the commission finds that 12322
the order appealed from was lawful and reasonable, it shall make a 12323
written order affirming the order appealed from; if the commission 12324
finds that the order was unreasonable or unlawful, it shall make a 12325
written order vacating the order appealed from and making the 12326
order that it finds the chief should have made. Every order made 12327
by the commission shall contain a written finding by the 12328
commission of the facts upon which the order is based. 12329

Notice of the making of the order shall be given forthwith to 12330
each party to the appeal by mailing a certified copy thereof to 12331
each such party by certified mail. 12332

The order of the commission is final unless vacated by the 12333
court of common pleas of Franklin county in an appeal as provided 12334
for in section 1509.37 of the Revised Code. Sections 1509.01 to 12335

that any person who believes the person's rights to be unlawfully 12339
affected by those sections or any official action taken thereunder 12340
must pursue in order to protect and preserve those rights, nor do 12341
those sections constitute a procedure that that person must pursue 12342
before that person may lawfully appeal to the courts to protect 12343
and preserve those rights. 12344

eighteen years at the time of application for a permit. 12704

(b) "Senior" means an applicant who is sixty-six years of age 12705
or older at the time of application for a permit. 12706

(C) Each type of fur taker permit is valid during the hunting 12707
license year in which the permit is purchased. The money received 12708
shall be paid into the state treasury to the credit of the fund 12709
established in section 1533.15 of the Revised Code. Apprentice fur 12710
taker permits and apprentice youth fur taker permits are subject 12711
to the requirements established under section 1533.102 of the 12712

imprisonment and fines that may be imposed. 12718

(2) No person shall issue a fur taker permit, other than an 12719

or fur taker permit or evidence of such a license or permit. 12732

(3) No person shall issue a fur taker permit, other than an apprentice fur taker permit or an apprentice youth fur taker permit, to any person who fails to present the evidence required by this section. No person shall purchase or obtain a fur taker permit, other than an apprentice fur taker permit or an apprentice youth fur taker permit, without presenting to the issuing agent the evidence required by this section. Any fur taker permit issued in violation of this section is void.

(E) The chief, with approval of the wildlife council, shall adopt rules prescribing a trapper education course for first-time fur taker permit buyers, other than buyers of apprentice fur taker permits or apprentice youth fur taker permits, and for volunteer instructors. The chief shall issue a certificate of completion to each person who successfully completes the course and passes an examination prescribed by the chief.

(F) Every person, while hunting or trapping fur-bearing animals on lands of another, shall carry the person's fur taker permit with the person's signature written on the permit. Failure to carry such a signed permit constitutes an offense under this

considers necessary to carry out this section. 12766

(G) An owner who is a resident of this state or an owner who 12767
is exempt from obtaining a hunting license under section 1533.10 12768
of the Revised Code and the children of the owner of lands in this 12769

fur taker permit. The tenant and children of the tenant may hunt 12783
or trap fur-bearing animals on lands where they reside without a 12784
fur taker permit. 12785

is hereby established. Moneys shall be paid from the fund on the 12801
order of the director of natural resources for the following 12802
purposes: 12803

appropriate nonprofit organization for the acquisition, 12808
development, management, or preservation of lands and waters 12809
within the United States or Canada that provide or will provide 12810
habitat for waterfowl with migration routes that cross this state. 12811

No moneys derived from the issuance of wetlands habitat 12812
stamps shall be spent for purposes other than those specified by 12813
this section. All investment earnings of the fund shall be 12814
credited to the fund. 12815

Wetlands habitat stamps shall be furnished by and in a form 12816
prescribed by the chief of the division of wildlife and issued by 12817
clerks and other agents authorized to issue licenses and permits 12818

kept by the clerks and other agents shall be uniform throughout 12820
the state, in such form or manner as the director prescribes, and 12821
open at all reasonable hours to the inspection of any person. 12822
Unless otherwise provided by rule, each stamp shall remain in 12823

stamp in ink and shall exhibit the stamp to any enforcement 12831
officer so requesting. No person shall fail to carry and exhibit 12832
the person's stamp. 12833

A wetlands habitat stamp is not transferable. 12834

The chief shall establish a procedure to obtain subject 12835
matter to be printed on the wetlands habitat stamp and shall use, 12836
dispose of, or distribute the subject matter as the chief 12837
considers necessary. The chief also shall adopt rules necessary to 12838
administer this section. 12839

section. 14787

(D) For purposes of division (B) of this section, events 14788
relating to any affiliated issuer that occurred before the 14789
affiliation arose will not be considered disqualifying if the 14790
affiliated entity is not either of the following: 14791

(1) In control of the issuer; 14792

(2) Under common control with the issuer by a third party 14793
that was in control of the affiliated entity at the time of the 14794
events. 14795

Sec. 1707.10. Any securities required by sections 1707.01 to 14796
~~1707.45~~ 1707.50, inclusive, of the Revised Code, to be registered 14797
by qualification before being sold in this state may be offered 14798
for sale and sold preliminary to and pending their full 14799
qualification, where the division of securities is satisfied that 14800
the issuer is solvent and of good business repute and that such 14801
preliminary offering will not deceive or tend to deceive the 14802
public; but no such preliminary offering shall be made until the 14803
division consents thereto in writing, and such consent shall be on 14804
condition that within thirty days from the date thereof, or within 14805
such further time as the division allows, there is filed in the 14806
office of the division application under such sections for the 14807
full qualification of said securities, or for a registration of 14808
such securities by description if, within such time, such 14809
securities become entitled to registration by description; and the 14810
entire proceeds of the sale of such securities, without deduction 14811

for commissions or other charges, shall be segregated or deposited 14812
in escrow in such manner and for such time as the division 14813
directs. 14814

No applicant which is an issuer not a resident of this state 14815
shall be entitled to the benefit of this section unless there 14816
shall also be on file with the division a consent to service as 14817
provided in section 1707.11 of the Revised Code. 14818

At the time of filing the statement prescribed in this 14819
section, the applicant shall pay to the division the filing fee 14820
prescribed by section 1707.09 of the Revised Code; and upon 14821
receipt of notice of the division's favorable action on the 14822
application, the applicant shall pay to the division the 14823
registration fee prescribed by such section for the qualification 14824
of securities. 14825

If the dealer is unable to complete such qualification or 14826
such registration by description, or if the division, acting upon 14827
more complete information furnished or obtained from its 14828
examination, does not finally register such security by 14829
description or qualification, the issuer or dealer who has sold it 14830
or offered it for sale shall withdraw the security from the market 14831
and return or tender to purchasers of the security, within such 14832
time as the division specifies, the amounts paid for it by them. 14833

Sec. 1707.13. The division of securities may suspend the 14834
registration by description or by qualification of any securities, 14835
or the right of any dealers or of the issuer, or of both, to buy, 14836
sell, or deal in any particular security whether it is registered, 14837
qualified, or exempt or even though transactions in it are 14838
registered or exempt, if the division finds that the issuer has 14839
violated sections 1707.01 to ~~1707.45~~ 1707.50, inclusive, of the 14840
Revised Code, or any lawful order or requirement of the division, 14841
has fraudulently conducted its business, or has been engaged in or 14842

is engaged or about to engage in deceptive or fraudulent acts, 14843
practices, or transactions; that such security is being disposed 14844
of or purchased on grossly unfair terms, in such manner as to 14845
deceive or defraud or as to tend to deceive or defraud purchasers 14846
or sellers, or in disregard of the lawful rules and regulations of 14847
the division applicable to such security or to transactions 14848
therein; or, in the case of securities being sold under a 14849
registration or qualification, that the issuer is insolvent. 14850
Notice of such suspension shall be mailed by the division to the 14851
issuer and to all licensed dealers concerned. Such notice shall 14852
specify the particular security whose registration is being 14853
suspended and shall set a date, not more than ten days later than 14854
the date of the order of suspension, for a hearing on the 14855
continuation or revocation of such suspension. For good cause the 14856
division may continue such hearing on application of any 14857
interested party. In conducting such hearing the division shall 14858
have all the authority and powers set forth in section 1707.23 of 14859
the Revised Code. Following such hearing the division shall either 14860
confirm or revoke such suspension. No such suspension shall 14861
invalidate any sale of securities made prior thereto; and the 14862
rights of persons defrauded by any sale shall in no wise be 14863
impaired. 14864

If the issuer of a security refuses to permit an examination 14865
to be made by the division of its books, records, and property, or 14866
refuses to furnish the division any information which it may 14867
lawfully require under sections 1707.01 to ~~1707.45~~ 1707.50, 14868
inclusive, of the Revised Code, such refusal is a sufficient 14869
ground for the division to suspend the registration by description 14870
or by qualification of such security, or the right of any dealers 14871
or of the issuer, or of both, to buy, sell, or deal in such 14872
security. 14873

If any interested party desires an investigation at a place 14874

other than the office of the division, such person may be required 14875
by the division to advance sufficient funds to pay the actual 14876
expenses of such investigation. 14877

Whenever the division determines, upon hearing, that any 14878
application for qualification was made, or that any securities or 14879
any transaction was registered by description, by a person who 14880
knew that untrue statements were contained in such application or 14881
description, the division may proceed under sections 1707.19, 14882
1707.23, and 1707.44 of the Revised Code, or any of them, against 14883
the person who filed such application or such registration by 14884
description. 14885

by the division may act as an investment adviser representative 14894
for another investment adviser if the natural person also is 14895
licensed by the division, or is properly excepted from licensure, 14896
as an investment adviser representative of the other investment 14897
adviser. 14898

(3) The person is employed by or associated with an 14899

of business in this state. 14902

(4) The person is employed by or associated with an 14903
investment adviser that is excepted from licensure pursuant to 14904

(4) Nothing in this section shall be construed to prohibit a natural person from being licensed by the division as both a dealer and an investment adviser representative.

(C) An investment adviser representative's license issued under this section shall not be effective during any period when the investment adviser representative is not employed by or associated with an investment adviser that is licensed by the division or that is in compliance with the notice filing requirements of division (B) of section 1707.141 of the Revised Code. Notice of the commencement and termination of the employment

or association of an investment adviser representative licensed 14936

notice filings requirements of division (B) of section 1707.141 of 14949
the Revised Code. 14950

(D)(1) Application for an investment adviser representative 14951
license shall be made in accordance with this section and by 14952
filing with the division the information, materials, and forms 14953
specified in rules adopted by the division. 14954

(2) The division shall by rule require an applicant to pass 14955
an examination designated by the division or achieve a specified 14956
professional designation. 14957

(3) Prior to issuing the investment adviser representative 14958
license, the division may require the applicant to reimburse the 14959
division for the actual expenses incurred in investigating the 14960
applicant. An itemized statement of any such expenses that the 14961
applicant is required to pay shall be furnished to the applicant 14962
by the division. 14963

(E) If the division finds that the applicant is of good 14964
business repute, appears to be qualified to act as an investment 14965
adviser representative, and has complied with sections 1707.01 to 14966

~~1707.45~~ 1707.50 of the Revised Code and the rules adopted under 14967

(D) The division may, by rule or order, waive, in whole or in 15036

and prescribe different requirements for different classes. 15153

(2) Notwithstanding sections 121.71 to 121.76 of the Revised 15154

with the securities administrators of the other states and the 15170
securities and exchange commission with a view of effectuating the 15171
policy of this section to achieve maximum uniformity in the form 15172

overall securities regulation wherever practicable. 15174

(C) The division may ~~by rule or order~~ prescribe: 15175

(D) All rules and forms of the division shall be published; and in addition to fulfilling the requirements of Chapter 119. of the Revised Code, the division shall prescribe, and shall publish and make available its rules regarding the sale of securities, the administration of sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised Code, and the procedure and practice before the division.

(E)(1) No provision of sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised Code imposing any liability applies to any act done or omitted in good faith in conformity with any rule, form, or order of the division of securities, notwithstanding that the rule, form, or order may later be amended or rescinded or be determined by judicial or other authority to be invalid for any reason, except that the issuance of an order granting effectiveness to a registration under section 1707.09 or 1707.091 of the Revised Code for the purposes of this division shall not be deemed an order other than as the establishment of the fact of registration.

(2) No provision of sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised Code imposing any liability, penalty, sanction, or disqualification applies to any act done or omitted in good faith in conformity with either of the following:

writing and contains a provision substantially in the following 15587
language: 15588

No sum shall be used for commission, promotion, and organization expenses on account of any share of stock in this company in excess of per cent of the amount actually paid upon separate subscriptions, and the remainder of such payment shall be invested as authorized by the law governing such company and shall be held by the organizers of such company before organization, and by its directors and officers after organization, as bailees for the subscriber, to be used only in the conduct of the business of such company after the company has been licensed and authorized for such business by proper authority.

In lieu of "in excess of per cent of the amount actually paid upon separate subscriptions," the language of such contract may be, "..... dollars per share from every fully paid subscription"; and in lieu of "organizers" it may be "trustees" if such payments are to be held by trustees.

Funds and securities held by such organizers, trustees, directors, or officers, as bailees, shall be deposited with a bank or trust company of this state, or invested as provided in sections 3925.05 and 3925.08 of the Revised Code, until such company has been licensed to transact the business of insurance in this state.

The amount of such commission, promotion, and organization expenses shall in no case exceed fifteen per cent of the amount actually received upon the subscriptions; except that in the case of joint-stock life insurance companies and joint-stock insurance companies other than life, the amount of such commission, promotion, and organization expenses shall in no case exceed ten per cent of the amount actually received upon the subscriptions.

Sec. 1707.34. (A) Sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised Code do not apply to the sale of warehouse receipts for

intoxicating liquor to distillers, to rectifiers, or to any person 15620
engaged in the business of dealing in warehouse receipts. 15621

(B) Warehouse receipts for intoxicating liquor may be sold in 15622
this state in accord with and upon compliance with sections 15623
1707.01 to ~~1707.45~~ 1707.50 of the Revised Code. 15624

Sec. 1707.35. All securities which were "certificated" by the 15625
division of securities before July 22, 1929, are, if the 15626
"certification" remained unrevoked on such date, qualified for all 15627
purposes under sections 1707.01 to ~~1707.45~~ 1707.50, inclusive, of 15628
the Revised Code. 15629

All securities authorized to be sold by reason of the filing 15630
of information relative thereto before July 22, 1929, shall for 15631
all purposes be deemed registered by description under such 15632
sections, but the division shall have the same power to require 15633
further information with respect to the further sale of such 15634
securities as with respect to the further sale of securities 15635
registered by description or by qualification under sections 15636
1707.01 to ~~1707.45~~ 1707.50, inclusive, of the Revised Code. 15637

Sec. 1707.38. The issuance or sale of any security in 15638
violation of sections 1707.01 to ~~1707.45~~ 1707.50, inclusive, of 15639
the Revised Code, does not invalidate such security; but the 15640
rights of persons defrauded by any such issuance or sale shall not 15641
be impaired. 15642

Sec. 1707.39. When any securities have been sold without 15643
compliance with sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised 15644
Code, or any former law in force at the time of such sale, any 15645
interested person may apply in writing to the division of 15646
securities for the qualification of such securities under such 15647
sections. If it appears to the division that no person has been 15648
defrauded, prejudiced, or damaged by such noncompliance or sale 15649

and that no person will be defrauded, prejudiced, or damaged by 15650
such qualification, the division may permit such securities to be 15651
so qualified upon the payment of a fee of one hundred dollars plus 15652
a fee of one-fifth of one per cent of the aggregate price at which 15653
the securities have been sold in this state, which fee shall in no 15654
case be less than one hundred dollars nor more than two thousand 15655
dollars. In addition, the division may require the applicant to 15656
advance sufficient funds to pay the actual expenses of an 15657
examination or investigation by the division, whether to be 15658
conducted in this state or outside this state. An itemized 15659
statement of such expenses shall be furnished to the applicant. 15660

Such qualification shall estop the division from proceeding 15661
under division (D) of section 1707.23 of the Revised Code against 15662
anyone who has violated division (C)(1) of section 1707.44 of the 15663
Revised Code for acts within the scope of the application, or from 15664
proceeding with administrative action pursuant to section 1707.13 15665
of the Revised Code. 15666

Sec. 1707.391. When any securities have been sold in reliance 15667
upon division (Q), (W), (X), or (Y) of section 1707.03 of the 15668
Revised Code, section 1707.08 of the Revised Code, or any other 15669
section of this chapter that the division of securities may 15670
specify by rule, but such reliance was improper because the 15671
required filings were not timely or properly made due to excusable 15672
neglect, upon the effective date of an application made to the 15673
division and payment of any applicable fee, if required and not 15674
already paid, and upon payment of a penalty fee equal to the 15675
greater of the fee or one hundred dollars, the sale of the 15676
securities shall be deemed exempt, qualified, or registered, as 15677
though timely and properly filed. The application shall become 15678
effective upon the expiration of fourteen days after the date of 15679
the filing in question if prior thereto the division did not give 15680
notice to the applicant that the application was denied based on a 15681

finding of lack of excusable neglect. The division shall promptly 15682
adopt and promulgate rules establishing provisions defining 15683
excusable neglect and otherwise establishing reasonable standards 15684
for determining excusable neglect. 15685

The effectiveness of an application under this section does 15686
not relieve anyone who has, other than for excusable neglect, 15687
violated sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised Code, 15688
or any previous law in force at the time of sale, from prosecution 15689
thereunder. 15690

Sec. 1707.40. Except as provided in section 1707.261 of the 15691
Revised Code, sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised 15692
Code create no new civil liabilities, and do not limit or restrict 15693
common law liabilities for deception or fraud other than as 15694
specified in sections 1707.042, 1707.043, 1707.41, 1707.42, and 15695
1707.43 of the Revised Code, and there is no civil liability for 15696
noncompliance with orders, requirements, rules, or regulations 15697
made by the division of securities under sections 1707.19, 15698
1707.20, 1707.201, and 1707.23 of the Revised Code. 15699

Sec. 1707.431. For purposes of this section, the following 15700
persons shall not be deemed to have effected, participated in, or 15701
aided the seller in any way in making, a sale or contract of sale 15702
in violation of sections 1707.01 to ~~1707.45~~ 1707.50 of the Revised 15703
Code: 15704

(A) Any attorney, accountant, or engineer whose performance 15705
is incidental to the practice of the person's profession; 15706

(B) Any person, other than an investment adviser, investment 15707
adviser representative, bureau of workers' compensation chief 15708
investment officer, or state retirement system investment officer, 15709
who brings any issuer together with any potential investor, 15710
without receiving, directly or indirectly, a commission, fee, or 15711

other remuneration based on the sale of any securities by the issuer to the investor. Remuneration received by the person solely for the purpose of offsetting the reasonable out-of-pocket costs incurred by the person shall not be deemed a commission, fee, or other remuneration.

Any person claiming exemption under this division for a publicly advertised meeting shall file a notice with the division of securities indicating an intent to cause or hold such a meeting at least twenty-one days prior to the meeting. The division may, upon receipt of such notice, issue an order denying the availability of an exemption under this division not more than fourteen days after receipt of the notice based on a finding that the applicant is not entitled to the exemption. Notwithstanding the notice described in this section, a failure to file the notice does not create a presumption that a person was participating in or aiding in the making of a sale or contract of sale in violation of this chapter.

(C) Any person whom the division exempts from this provision by rule.

Sec. 1707.44. (A)(1) No person shall engage in any act or practice that violates division (A), (B), or (C) of section 1707.14 of the Revised Code, and no salesperson shall sell securities in this state without being licensed pursuant to section 1707.16 of the Revised Code.

that violates division (A) of section 1707.054 or section 1707.055 15744
of the Revised Code. 15745

(B) No person shall knowingly make or cause to be made any 15746
false representation concerning a material and relevant fact, in 15747
any oral statement or in any prospectus, circular, description, 15748
application, or written statement, for any of the following 15749
purposes: 15750

(1) Registering securities or transactions, or exempting 15751
securities or transactions from registration, under this chapter; 15752

(2) Securing the qualification of any securities under this 15753
chapter; 15754

(3) Procuring the licensing of any dealer, salesperson, 15755
investment adviser, investment adviser representative, bureau of 15756
workers' compensation chief investment officer, ~~or~~ state 15757
retirement system investment officer, or portal operator as 15758
defined in section 1707.05 of the Revised Code under this chapter; 15759

(4) Selling any securities in this state; 15760

or as to the advisability of investing in, purchasing, or selling 15762
securities; 15763

(X) of section 1707.03 or section 1707.092 or 1707.141 of the 15765
Revised Code. 15766

(C) No person shall knowingly sell, cause to be sold, offer 15767
for sale, or cause to be offered for sale, any security which 15768
comes under any of the following descriptions: 15769

(1) Is not exempt under section 1707.02 of the Revised Code, 15770
nor the subject matter of one of the transactions exempted in 15771

section 1707.03, 1707.04, or 1707.34 of the Revised Code, has not
been registered by coordination or qualification, and is not the
subject matter of a transaction that has been registered by
description;

(2) The prescribed fees for registering by description, by
coordination, or by qualification have not been paid in respect to
such security;

(3) The person has been notified by the division, or has
knowledge of the notice, that the right to buy, sell, or deal in
such security has been suspended or revoked, or that the
registration by description, by coordination, or by qualification
under which it may be sold has been suspended or revoked;

(4) The offer or sale is accompanied by a statement that the
security offered or sold has been or is to be in any manner
indorsed by the division.

(D) No person who is an officer, director, or trustee of, or
a dealer, or portal operator for, any issuer, and who knows such
issuer to be insolvent in that the liabilities of the issuer
exceed its assets, shall sell any securities of or for any such
issuer, without disclosing the fact of the insolvency to the
purchaser.

(E) No person with intent to aid in the sale of any
securities on behalf of the issuer, shall knowingly make any
representation not authorized by such issuer or at material
variance with statements and documents filed with the division by
such issuer.

(F) No person, with intent to deceive, shall sell, cause to

assets, taken at their fair market value.

(G) No person in purchasing or selling securities shall 15803
knowingly engage in any act or practice that is, in this chapter, 15804
declared illegal, defined as fraudulent, or prohibited. 15805

(H) No licensed dealer shall refuse to buy from, sell to, or 15806
trade with any person because the person appears on a blacklist 15807

governmental entity, nor sell any securities of or for any issuer 15809
who is known in relation to the issuance or sale of the securities 15810
to have engaged in such practices. 15811

(I) No dealer in securities, knowing that the dealer's 15812
liabilities exceed the reasonable value of the dealer's assets, 15813
shall accept money or securities, except in payment of or as 15814
security for an existing debt, from a customer who is ignorant of 15815
the dealer's insolvency, and thereby cause the customer to lose 15816

benefit, when the dealer has a lien or indebtedness on such 15825
securities. 15826

It is an affirmative defense to a charge under this division 15827
that, at the time the securities involved were pledged, sold, or 15828
disposed of, the dealer had in the dealer's possession or control, 15829
and available for delivery, securities of the same kinds and in 15830
amounts sufficient to satisfy all customers entitled to the 15831
securities, upon demand and tender of any amount due on the 15832
securities. 15833

(J) No person, with purpose to deceive, shall make, issue, 15834
publish, or cause to be made, issued, or published any statement 15835
or advertisement as to the value of securities, or as to alleged 15836
facts affecting the value of securities, or as to the financial 15837
condition of any issuer of securities, when the person knows that 15838
the statement or advertisement is false in any material respect. 15839

(K) No person, with purpose to deceive, shall make, record, 15840
or publish or cause to be made, recorded, or published, a report 15841
of any transaction in securities which is false in any material 15842

statements were made. 15884

(N) No person knowingly shall influence, coerce, manipulate, 15885

in accordance with division (B) of this section; 16055

~~(B)(2)~~ Prior to the adoption of any rules or amendments to 16056
those rules under division (B) of section 1711.53 and division (B) 16057

Sec. 1711.53. (A)(1) No person shall operate an amusement 16076

ride within the state without a permit issued by the director of 16077
agriculture under division (A)(2) of this section. The owner of an 16078
amusement ride, whether the ride is a temporary amusement ride or 16079
a permanent amusement ride, who desires to operate the amusement 16080
ride within the state shall, prior to the operation of the 16081
amusement ride and annually thereafter, submit to the department 16082
of agriculture an application for a permit, together with the 16083
appropriate permit and inspection fee, on a form to be furnished 16084
by the department. Prior to issuing any permit the department 16085
shall, within thirty days after the date on which it receives the 16086
application, inspect each amusement ride described in the 16087
application. The owner of an amusement ride shall have the 16088
amusement ride ready for inspection not later than two hours after 16089
the time that is requested by the person for the inspection. 16090

(2) For each amusement ride found to comply with the rules 16091
adopted by the director under division (B) of this section and 16092
division (B) of section 1711.551 of the Revised Code, the director 16093
shall issue an annual permit, provided that evidence of liability 16094
insurance coverage for the amusement ride as required by section 16095
1711.54 of the Revised Code is on file with the department. 16096

(3) The director shall issue with each permit a decal 16097
indicating that the amusement ride has been issued the permit. The 16098
owner of the amusement ride shall affix the decal on the ride at a 16099
location where the decal is easily visible to the patrons of the 16100
ride. A copy of the permit shall be kept on file at the same 16101
address as the location of the amusement ride identified on the 16102
permit, and shall be made available for inspection, upon 16103
reasonable demand, by any person. An owner may operate an 16104
amusement ride prior to obtaining a permit, provided that the 16105
operation is for the purpose of testing the amusement ride or 16106
training amusement ride operators and other employees of the owner 16107
and the amusement ride is not open to the public. 16108

(B) The director, in accordance with Chapter 119. of the 16109
Revised Code, shall adopt rules providing for a schedule of fines, 16110
with no fine exceeding five thousand dollars, for violations of 16111
sections 1711.50 to 1711.57 of the Revised Code or any rules 16112
adopted under this division and for the classification of 16113
amusement rides and rules for the safe operation and inspection of 16114
all amusement rides as are necessary for amusement ride safety and 16115
for the protection of the general public. Rules adopted by the 16116
director for the safe operation and inspection of amusement rides 16117
shall be reasonable and based upon generally accepted engineering 16118
standards and practices. In adopting rules under this section, the 16119
director may adopt by reference, in whole or in part, the national 16120
fire code or the national electrical code (NEC) prepared by the 16121
national fire protection association, the standards of the 16122
American society for testing and materials (ASTM) or the American 16123
national standards institute (ANSI), or any other principles, 16124
tests, or standards of nationally recognized technical or 16125
scientific authorities. Insofar as is practicable and consistent 16126
with sections 1711.50 to 1711.57 of the Revised Code, rules 16127
adopted under this division shall be consistent with the rules of 16128
other states. The department shall cause sections 1711.50 to 16129
1711.57 of the Revised Code and the rules adopted in accordance 16130
with this division and division (B) of section 1711.551 of the 16131
Revised Code to be published in pamphlet form and a copy to be 16132
furnished without charge to each owner of an amusement ride who 16133
holds a current permit or is an applicant therefor. 16134

(C) With respect to an application for a permit for an 16135
amusement ride, an owner may apply to the director for a waiver or 16136
modification of any rule adopted under division (B) of this 16137
section if there are practical difficulties or unnecessary 16138
hardships for the amusement ride to comply with the rules. Any 16139
application shall set forth the reasons for the request. The 16140
director, with the approval of the advisory council on amusement 16141

ride safety, may waive or modify the application of a rule to any 16142
amusement ride if the public safety is secure. Any authorization 16143
by the director under this division shall be in writing and shall 16144
set forth the conditions under which the waiver or modification is 16145
authorized, and the department shall retain separate records of 16146
all proceedings under this division. 16147

(D)(1) The director shall employ and provide for training of 16148
a chief inspector and additional inspectors and employees as may 16149
be necessary to administer and enforce sections 1711.50 to 1711.57 16150
of the Revised Code. The director may appoint or contract with 16151
other persons to perform inspections of amusement rides, provided 16152
that the persons meet the qualifications for inspectors 16153
established by rules adopted under division (B) of this section 16154
and are not owners, or employees of owners, of any amusement ride 16155
subject to inspection under sections 1711.50 to 1711.57 of the 16156
Revised Code. No person shall inspect an amusement ride who, 16157
within six months prior to the date of inspection, was an employee 16158
of the owner of the ride. 16159

(2) Before the director contracts with other persons to 16160
inspect amusement rides, the director shall seek the advice of the 16161
advisory council on amusement ride safety on whether to contract 16162
with those persons. The advice shall not be binding upon the 16163
director. After having received the advice of the council, the 16164
director may proceed to contract with inspectors in accordance 16165
with the procedures specified in division (E)(2) of section 16166
1711.11 of the Revised Code. 16167

(3) With the advice and consent of the advisory council on 16168
amusement ride safety, the director may employ a special 16169
consultant to conduct an independent investigation of an amusement 16170
ride accident. This consultant need not be in the civil service of 16171
the state, but shall have qualifications to conduct the 16172
investigation acceptable to the council. 16173

119. of the Revised Code establishing an annual fee that is less		16193
than one hundred five <u>fifty-four</u> dollars for an inspection and		16194
reinspection of an inflatable ride. In adopting the rules, the		16195
director shall ensure that the fee reasonably reflects the costs		16196
of inspection and reinspection of an inflatable ride. If the		16197
director issues a permit for an inflatable ride for a time period		16198
of less than one year, the director shall charge a prorated fee		16199
for the permit equal to one-twelfth of the annual permit fee		16200

multiplied by the number of full months for which the permit is issued. 16201
16202

The fees for an expedited inspection, failure to cancel a scheduled inspection, and failure to have an amusement ride ready for inspection do not apply to go karts. 16203
16204
16205

As used in division (E)(1) of this section, "expedited inspection" means an inspection of an amusement ride by the department not later than ten days after the owner of the amusement ride files an application for a permit under this section. 16206

(2) All fees and fines collected by the department under sections 1711.50 to 1711.57 of the Revised Code shall be deposited in the state treasury to the credit of the amusement ride inspection fund, which is hereby created, and shall be used only for the purpose of administering and enforcing sections 1711.11 and 1711.50 to 1711.57 of the Revised Code. 16211
16212
16213
16214
16215
16216

(3) The owner of an amusement ride shall be required to pay a reinspection fee only if the reinspection was conducted at the owner's request under division (F) of this section, if the reinspection is required by division (F) of this section because of an accident, or if the reinspection is required by division (F) of section 1711.55 of the Revised Code. If a reinspection is conducted at the request of the chief officer of a fair, festival, or event where the ride is operating, the reinspection fee shall be charged to the fair, festival, or event. 16217

16228
16229
16230

(F) A reinspection of an amusement ride shall take place if 16231

an accident occurs, if the owner of the ride or the chief officer 16232
of the fair, festival, or event where the ride is operating 16233
requests a reinspection, or if the reinspection is required by 16234
division (F) of section 1711.55 of the Revised Code. 16235

(G) As a supplement to its annual inspection of a temporary 16236
amusement ride, the department may inspect the ride during each 16237
scheduled event, as listed in the schedule of events provided to 16238
the department by the owner pursuant to division (C) of section 16239
1711.55 of the Revised Code, at which the ride is operated in this 16240
state. These supplemental inspections are in addition to any other 16241
inspection or reinspection of the ride as may be required under 16242
sections 1711.50 to 1711.57 of the Revised Code, and the owner of 16243
the temporary amusement ride is not required to pay an inspection 16244
or reinspection fee for this supplemental inspection. Nothing in 16245
this division shall be construed to prohibit the owner of a 16246
temporary amusement ride having a valid permit to operate in this 16247
state from operating the ride at a scheduled event before the 16248
department conducts a supplemental inspection. 16249

(H) The department may annually conduct a midseason 16250
operational inspection of every amusement ride upon which it 16251
conducts an annual inspection pursuant to division (A) of this 16252
section. The midseason operational inspection is in addition to 16253
any other inspection or reinspection of the amusement ride as may 16254
be required pursuant to sections 1711.50 to 1711.57 of the Revised 16255
Code. The owner of an amusement ride shall submit to the 16256
department, at the time determined by the department, the 16257
midseason operational inspection fee specified in division (E) of 16258
this section. The director, in accordance with Chapter 119. of the 16259
Revised Code, shall adopt rules specifying the time period during 16260
which the department will conduct midseason operational 16261
inspections. 16262

Sec. 1711.532. Not later than November 1, 2019, and annually thereafter, the director of agriculture shall submit a detailed financial report to the speaker of the house of representatives and to the president of the senate that includes all of the following information applicable to the twelve months immediately preceding the report's submission: 16263

Sec. 1724.02. (A) In furtherance of the purposes set forth in 16293
section 1724.01 of the Revised Code, a community improvement 16294
corporation shall have the following powers: 16295

credit, or any other financial instruments or securities, 16298
including the issuance of its bonds, debentures, notes, or other 16299

on its property, franchises, rights, and privileges of every kind 16302
and nature or any part thereof or interest therein; and 16303

(b) If the community improvement corporation is a county land 16304
reutilization corporation, the corporation may request, by 16305

of the Revised Code as security for such borrowing by the 16310
corporation; and 16311

(ii)(I) If the land subject to reutilization is located 16312
within an unincorporated area of the county, that the board of 16313
county commissioners issue notes under section 307.082 of the 16314
Revised Code for the purpose of constructing public infrastructure 16315
improvements and take other actions as the board determines are in 16316
the interest of the county and are authorized under sections 16317
5709.78 to 5709.81 of the Revised Code or bonds or notes under 16318
section 5709.81 of the Revised Code for the refunding purposes set 16319
forth in that section; or 16320

(II) If the land subject to reutilization is located within 16321
the corporate boundaries of a municipal corporation, that the 16322

person applying for said loan shows that the person has applied 16332
for the loan through ordinary banking or commercial channels and 16333
that the loan has been refused by at least one bank or other 16334
financial institution. Nothing in this division shall preclude a 16335
county land reutilization corporation from making revolving loans 16336
to community development corporations, private entities, or any 16337
person for the purposes contained in the corporation's plan under 16338
section 1724.10 of the Revised Code. 16339

(3) To purchase, receive, hold, manage, lease, 16340
lease-purchase, or otherwise acquire and to sell, convey, 16341

time in the satisfaction of debts or enforcement of obligations, 16347

federal government, the state, any political subdivision, or any 16349

the number of occupied real properties held by the corporation to 16352
exceed the greater of either fifty properties or twenty-five per 16353
cent of all real property held by the corporation for 16354

industrial plants, other business establishments, or housing 16368
thereon, or causing the same to occur, for the purpose of 16369
assembling and enhancing utilization of the real estate, or for 16370
the purpose of disposing of such real estate to others in whole or 16371
in part for the construction of industrial plants, other business 16372
establishments, or housing; and to acquire, reclaim, manage, 16373
contract for the management of, construct or reconstruct, alter, 16374

evidences of interest in, or indebtedness of, any person, firm, 16381
corporation, joint stock company, association, or trust, and while 16382
the owner or holder thereof, to exercise all the rights, powers, 16383
and privileges of ownership, including the right to vote therein, 16384

improvement corporation shall be used for such acquisition or 16386
subscription. 16387

(6) To mortgage, pledge, or otherwise encumber any property 16388
acquired pursuant to the powers contained in division (A)(3), (4), 16389
or (5) of this section. 16390

(7) Nothing in this section shall limit the right of a 16391
community improvement corporation to become a member of or a 16392
stockholder in a corporation formed under Chapter 1726. of the 16393
Revised Code. 16394

administration of grants, or to make applications as principal for 16396
grants for county land reutilization corporations. 16397

the Revised Code on behalf of a county that organizes or contracts 16399
with a county land reutilization corporation. 16400

assessment lien, or property for which a municipal corporation or 16405
township has contracted with a county land reutilization 16406
corporation to provide code enforcement or nuisance abatement 16407
assistance. 16408

(11) To charge fees or exchange in-kind goods or services for 16409
services rendered to political subdivisions and other persons or 16410

reutilization corporation and employ others for the benefit of the 16414
corporation as approved and funded by the board of directors. No 16415
employee of the corporation is or shall be deemed to be an 16416
employee of the political subdivision for whose benefit the 16417
corporation is organized solely because the employee is employed 16418

by the corporation.	16419
(13) To purchase tax certificates at auction, negotiated sale, or from a third party who purchased and is a holder of one or more tax certificates issued pursuant to sections 5721.30 to 5721.43 of the Revised Code.	16420 16421 16422 16423

that division, and in all other cases, by rule, shall establish a 16626
schedule of fees and costs to be taxed in any civil or criminal 16627
action or proceeding. 16628

(b)(i) The legislative authority of a municipal corporation 16629
may by ordinance establish a schedule of fees to be taxed as costs 16630
in any civil, criminal, or traffic action or proceeding in a 16631
municipal court for the performance by officers or other employees 16632

of the municipal corporation's police department or marshal's 16633
office of any of the services specified in sections 311.17 and 16634

Revised Code or the rule of court shall apply. 16641

(ii) When an officer or employee of a municipal police 16642
department or marshal's office performs in a civil, criminal, or 16643

which a taxable fee has been established under this section or any 16656
other section of the Revised Code, the fee for the service is the 16657
same and is taxable to the same extent as if the service had been 16658
performed by an officer or employee of the police department or 16659
marshal's office of the municipal corporation in which the court 16660
is located. The clerk of that court shall pay the fee, when 16661
collected, into the general fund of the entity or entities that 16662
fund the bailiff's salary, in the same prorated amount as the 16663
salary is funded. 16664

(iv) Division (A)(1)(b) of this section does not authorize or
require any officer or employee of a police department or
marshal's office of a municipal corporation or any bailiff of a
municipal court to perform any service not otherwise authorized by
law.

(2) The municipal court, by rule, may require an advance
deposit for the filing of any civil action or proceeding and
publication fees as provided in section 2701.09 of the Revised
Code. The court shall waive the requirement for advance deposit
for a party that the court determines qualifies as an indigent
litigant as set forth in section 2323.311 of the Revised Code.

(3) When a jury trial is demanded in any civil action or
proceeding, the party making the demand may be required to make an
advance deposit as fixed by rule of court, unless the court

forth in section 2323.311 of the Revised Code. If a jury is
called, the fees of a jury shall be taxed as costs.

(4) In any civil or criminal action or proceeding, each
witness shall receive twelve dollars for each full day's
attendance and six dollars for each half day's attendance. Each
witness in a municipal court that is not a county-operated
municipal court also shall receive fifty and one-half cents for
each mile necessarily traveled to and from the witness's place of
residence to the action or proceeding.

(5) A reasonable charge for driving, towing, carting,
storing, keeping, and preserving motor vehicles and other personal
property recovered or seized in any proceeding may be taxed as
part of the costs in a trial of the cause, in an amount that shall
be fixed by rule of court.

(6) Chattel property seized under any writ or process issued
by the court shall be preserved pending final disposition for the

benefit of all persons interested and may be placed in storage 16696
when necessary or proper for that preservation. The custodian of 16697
any chattel property so stored shall not be required to part with 16698
the possession of the property until a reasonable charge, to be 16699
fixed by the court, is paid. 16700

(7) The municipal court, as it determines, may refund all 16701
deposits and advance payments of fees and costs, including those 16702
for jurors and summoning jurors, when they have been paid by the 16703
losing party. 16704

(8) Charges for the publication of legal notices required by 16705
statute or order of court may be taxed as part of the costs, as 16706
provided by section 7.13 of the Revised Code. 16707

(B)(1)(a) The municipal court may determine that, for the 16708
efficient operation of the court, additional funds are necessary 16709
to acquire and pay for special projects of the court including, 16710

the rehabilitation of existing facilities, the acquisition of 16712
equipment, the hiring and training of staff, community service 16713
programs, mediation or dispute resolution services, the employment 16714
of magistrates, the training and education of judges, acting 16715
judges, and magistrates, and other related services. Upon that 16716
determination, the court by rule may charge a fee, in addition to 16717
all other court costs, on the filing of each criminal cause, civil 16718
action or proceeding, or judgment by confession. 16719

(b) If the municipal court offers a special program or 16720
service in cases of a specific type, the municipal court by rule 16721
may assess an additional charge in a case of that type, over and 16722
above court costs, to cover the special program or service. The 16723
municipal court shall adjust the special assessment periodically, 16724
but not retroactively, so that the amount assessed in those cases 16725
does not exceed the actual cost of providing the service or 16726
program. 16727

(c) Any fee or charge assessed under division (B)(1)(a) or 16728
(b) of this section on the filing of a civil action or proceeding 16729
shall be waived if the court determines that the person on whom 16730
the fee or charge is assessed qualifies as an indigent litigant as 16731
set forth in section 2323.311 of the Revised Code. 16732

(d) All moneys collected under division (B) of this section 16733
shall be paid to the county treasurer if the court is a 16734
county-operated municipal court or to the city treasurer if the 16735
court is not a county-operated municipal court for deposit into 16736
either a general special projects fund or a fund established for a 16737
specific special project. Moneys from a fund of that nature shall 16738
be disbursed upon an order of the court in an amount no greater 16739
than the actual cost to the court of a project. If a specific fund 16740
is terminated because of the discontinuance of a program or 16741
service established under division (B) of this section, the 16742
municipal court may order that moneys remaining in the fund be 16743
transferred to an account established under this division for a 16744
similar purpose. 16745

(2) As used in division (B) of this section: 16746

whether filed as part of a multiple charge on a single summons, 16751
citation, or complaint or as a separate charge on a single 16752
summons, citation, or complaint. "Criminal cause" does not include 16753
separate violations of the same statute or ordinance, or 16754

additional filing fees in each new civil action or proceeding for 16766
the charitable public purpose of providing financial assistance to 16767
legal aid societies that operate within the state and to support 16768
the office of the state public defender. This division does not 16769
apply to any execution on a judgment, proceeding in aid of 16770
execution, or other post-judgment proceeding arising out of a 16771
civil action. The filing fees required to be collected under this 16772
division shall be in addition to any other court costs imposed in 16773
the action or proceeding and shall be collected at the time of the 16774
filing of the action or proceeding. The court shall not waive the 16775
payment of the additional filing fees in a new civil action or 16776
proceeding unless the court waives the advanced payment of all 16777
filing fees in the action or proceeding for the party that the 16778
court determines is qualified as an indigent litigant as set forth 16779
in section 2323.311 of the Revised Code. All such moneys collected 16780
during a month except for an amount equal to up to one per cent of 16781
those moneys retained to cover administrative costs shall be 16782

The court may retain up to one per cent of the moneys it 16793
collects under this division to cover administrative costs, 16794
including the hiring of any additional personnel necessary to 16795
implement this division. If the court fails to transmit to the 16796
treasurer of state the moneys the court collects under this 16797
division in a manner prescribed by the treasurer of state or by 16798
the Ohio ~~legal assistance~~ access to justice foundation, the court 16799

amounts and an affidavit from the acting judge ~~or assigned judge~~ 16844
stating the days and hours worked. The administrative director 16845
shall cause reimbursements of those amounts to be issued to the 16846
county if the administrative director verifies that those amounts 16847
were, in fact, so paid. 16848

(C) The supreme court, pursuant to division (A)(2) of this 16849
section, is required to pay any compensation to which an assigned 16850

assigned to a county court for reimbursement of the county portion 16855
of the compensation previously paid by the state for the 16856
twelve-month period preceding the last day of June. The county 16857
portion of the compensation shall be that part of each per diem 16858
paid by the state which is proportional to the county shares of 16859
the total compensation of a resident judge of such court. The 16860
county treasurer shall forward the payment within thirty days. 16861
After forwarding the payment, the county treasurer shall seek 16862
reimbursement from the applicable local municipalities as 16863

Sec. 1907.24. (A) Subject to division (C) of this section, a 16865
county court shall fix and tax fees and costs as follows: 16866

(1) The county court shall require an advance deposit for the 16867
filing of any new civil action or proceeding when required by 16868
division (C) of this section, subject to its waiver pursuant to 16869
that division, and, in all other cases, shall establish a schedule 16870
of fees and costs to be taxed in any civil or criminal action or 16871
proceeding. 16872

(2) The county court by rule may require an advance deposit 16873
for the filing of a civil action or proceeding and publication 16874
fees as provided in section 2701.09 of the Revised Code. The court 16875
shall waive an advance deposit requirement for a party that the 16876
court determines qualifies as an indigent litigant as set forth in 16877
section 2323.311 of the Revised Code. 16878

(3) When a party demands a jury trial in a civil action or 16879
proceeding, the county court may require the party to make an 16880
advance deposit as fixed by rule of court, unless the court 16881
determines that the party qualifies as an indigent litigant as set 16882
forth in section 2323.311 of the Revised Code. If a jury is 16883
called, the county court shall tax the fees of a jury as costs. 16884

(4) In a civil or criminal action or proceeding, the county court shall fix the fees of witnesses in accordance with sections 2335.06 and 2335.08 of the Revised Code.

(5) A county court may tax as part of the costs in a trial of the cause, in an amount fixed by rule of court, a reasonable charge for driving, towing, carting, storing, keeping, and preserving motor vehicles and other personal property recovered or seized in a proceeding.

(6) The court shall preserve chattel property seized under a writ or process issued by the court pending final disposition for the benefit of all interested persons. The court may place the chattel property in storage when necessary or proper for its preservation. The custodian of chattel property so stored shall not be required to part with the possession of the property until a reasonable charge, to be fixed by the court, is paid.

(7) The county court, as it determines, may refund all deposits and advance payments of fees and costs, including those for jurors and summoning jurors, when they have been paid by the losing party.

Upon that

determination, the court by rule may charge a fee, in addition to 16916
all other court costs, on the filing of each criminal cause, civil 16917
action or proceeding, or judgment by confession. 16918

(b) If the county court offers a special program or service 16919
in cases of a specific type, the county court by rule may assess 16920
an additional charge in a case of that type, over and above court 16921
costs, to cover the special program or service. The county court 16922
shall adjust the special assessment periodically, but not 16923
retroactively, so that the amount assessed in those cases does not 16924
exceed the actual cost of providing the service or program. 16925

(c) Any fee or charge assessed under division (B)(1)(a) or 16926
(b) of this section on the filing of a civil action or proceeding 16927
shall be waived if the court determines that the person on whom 16928
the fee or charge is assessed qualifies as an indigent litigant as 16929
set forth in section 2323.311 of the Revised Code. 16930

(d) All moneys collected under division (B) of this section 16931
shall be paid to the county treasurer for deposit into either a 16932
general special projects fund or a fund established for a specific 16933
special project. Moneys from a fund of that nature shall be 16934
disbursed upon an order of the court in an amount no greater than 16935
the actual cost to the court of a project. If a specific fund is 16936
terminated because of the discontinuance of a program or service 16937
established under division (B) of this section, the county court 16938
may order that moneys remaining in the fund be transferred to an 16939
account established under this division for a similar purpose. 16940

(2) As used in division (B) of this section: 16941

(a) "Criminal cause" means a charge alleging the violation of 16942
a statute or ordinance, or subsection of a statute or ordinance, 16943
that requires a separate finding of fact or a separate plea before 16944
disposition and of which the defendant may be found guilty, 16945
whether filed as part of a multiple charge on a single summons, 16946

citation, or complaint or as a separate charge on a single 16947
summons, citation, or complaint. "Criminal cause" does not include 16948
separate violations of the same statute or ordinance, or 16949
subsection of the same statute or ordinance, unless each charge is 16950
filed on a separate summons, citation, or complaint. 16951

(b) "Civil action or proceeding" means any civil litigation 16952
that must be determined by judgment entry. 16953

(C) Subject to division (E) of this section, the county court 16954

division the sum of twenty-six dollars as additional filing fees 16956
in each new civil action or proceeding for the charitable public 16957
purpose of providing financial assistance to legal aid societies 16958
that operate within the state and to support the office of the 16959
state public defender. Subject to division (E) of this section, 16960
the county court shall collect in its small claims division the 16961
sum of eleven dollars as additional filing fees in each new civil 16962
action or proceeding for the charitable public purpose of 16963
providing financial assistance to legal aid societies that operate 16964
within the state and to support the office of the state public 16965
defender. This division does not apply to any execution on a 16966
judgment, proceeding in aid of execution, or other post-judgment 16967
proceeding arising out of a civil action. The filing fees required 16968
to be collected under this division shall be in addition to any 16969
other court costs imposed in the action or proceeding and shall be 16970
collected at the time of the filing of the action or proceeding. 16971
The court shall not waive the payment of the additional filing 16972
fees in a new civil action or proceeding unless the court waives 16973
the advanced payment of all filing fees in the action or 16974
proceeding for the party that the court determines is qualified as 16975
an indigent litigant as set forth in section 2323.311 of the 16976
Revised Code. All such moneys collected during a month except for 16977
an amount equal to up to one per cent of those moneys retained to 16978

cover administrative costs shall be transmitted on or before the 16979
twentieth day of the following month by the clerk of the court to 16980
the treasurer of state in a manner prescribed by the treasurer of 16981
state or by the Ohio ~~legal assistance~~ access to justice 16982
foundation. The treasurer of state shall deposit four per cent of 16983
the funds collected under this division to the credit of the civil 16984
case filing fee fund established under section 120.07 of the 16985
Revised Code and ninety-six per cent of the funds collected under 16986
this division to the credit of the legal aid fund established 16987
under section 120.52 of the Revised Code. 16988

The court may retain up to one per cent of the moneys it 16989
collects under this division to cover administrative costs, 16990
including the hiring of any additional personnel necessary to 16991
implement this division. If the court fails to transmit to the 16992
treasurer of state the moneys the court collects under this 16993
division in a manner prescribed by the treasurer of state or by 16994
the Ohio ~~legal assistance~~ access to justice foundation, the court 16995
shall forfeit the moneys the court retains under this division to 16996
cover administrative costs, including the hiring of any additional 16997
personnel necessary to implement this division, and shall transmit 16998
to the treasurer of state all moneys collected under this 16999
division, including the forfeited amount retained for 17000
administrative costs, for deposit in the legal aid fund. 17001

(D) The county court shall establish by rule a schedule of 17002
fees for miscellaneous services performed by the county court or 17003
any of its judges in accordance with law. If judges of the court 17004
of common pleas perform similar services, the fees prescribed in 17005
the schedule shall not exceed the fees for those services 17006
prescribed by the court of common pleas. 17007

(E) Under the circumstances described in sections 2969.21 to 17008
2969.27 of the Revised Code, the clerk of the county court shall 17009
charge the fees and perform the other duties specified in those 17010

sections. 17011

Sec. 2151.23. (A) The juvenile court has exclusive original 17012

shall be made to any juvenile court unless the consent of the	17129
juvenile judge first is obtained. After a certification of that	17130
nature is made and consent is obtained, the juvenile court shall	17131
proceed as if the action originally had been begun in that court,	17132

except as to awards for spousal support or support due and unpaid 17133
at the time of certification, over which the juvenile court has no 17134
jurisdiction. 17135

(D) The juvenile court, except as provided in divisions (G) 17136

jurisdiction to modify the judgment and decree of the court of 17141
common pleas as the same relate to the custody and support of 17142
children. 17143

(E) The juvenile court, except as provided in divisions (G) 17144
and (I) of section 2301.03 of the Revised Code, has jurisdiction 17145

by any court of competent jurisdiction if the child comes within 17147
the jurisdiction of the juvenile court as defined by this section. 17148

(F)(1) The juvenile court shall exercise its jurisdiction in 17149
child custody matters in accordance with sections 3109.04 and 17150
3127.01 to 3127.53 of the Revised Code and, as applicable, 17151
sections 5103.20 to 5103.22 or 5103.23 to 5103.237 of the Revised 17152
Code. 17153

(2) The juvenile court shall exercise its jurisdiction in 17154
child support matters in accordance with section 3109.05 of the 17155
Revised Code. 17156

(G) Any juvenile court that makes or modifies an order for 17157
child support shall comply with Chapters 3119., 3121., 3123., and 17158
3125. of the Revised Code. If any person required to pay child 17159
support under an order made by a juvenile court on or after April 17160
15, 1985, or modified on or after December 1, 1986, is found in 17161
contempt of court for failure to make support payments under the 17162
order, the court that makes the finding, in addition to any other 17163

penalty or remedy imposed, shall assess all court costs arising 17164
out of the contempt proceeding against the person and require the 17165
person to pay any reasonable attorney's fees of any adverse party, 17166
as determined by the court, that arose in relation to the act of 17167
contempt. 17168

(H) If a child who is charged with an act that would be an 17169
offense if committed by an adult was fourteen years of age or 17170
older and under eighteen years of age at the time of the alleged 17171
act and if the case is transferred for criminal prosecution 17172
pursuant to section 2152.12 of the Revised Code, except as 17173
provided in section 2152.121 of the Revised Code, the juvenile 17174
court does not have jurisdiction to hear or determine the case 17175
subsequent to the transfer. The court to which the case is 17176
transferred for criminal prosecution pursuant to that section has 17177
jurisdiction subsequent to the transfer to hear and determine the 17178
case in the same manner as if the case originally had been 17179
commenced in that court, subject to section 2152.121 of the 17180
Revised Code, including, but not limited to, jurisdiction to 17181
accept a plea of guilty or another plea authorized by Criminal 17182
Rule 11 or another section of the Revised Code and jurisdiction to 17183
accept a verdict and to enter a judgment of conviction pursuant to 17184
the Rules of Criminal Procedure against the child for the 17185
commission of the offense that was the basis of the transfer of 17186
the case for criminal prosecution, whether the conviction is for 17187
the same degree or a lesser degree of the offense charged, for the 17188
commission of a lesser-included offense, or for the commission of 17189
another offense that is different from the offense charged. 17190

(I) If a person under eighteen years of age allegedly commits 17191
an act that would be a felony if committed by an adult and if the 17192
person is not taken into custody or apprehended for that act until 17193
after the person attains twenty-one years of age, the juvenile 17194
court does not have jurisdiction to hear or determine any portion 17195

of the case charging the person with committing that act. In those 17196
circumstances, divisions (A) and (B) of section 2152.12 of the 17197
Revised Code do not apply regarding the act, and the case charging 17198
the person with committing the act shall be a criminal prosecution 17199
commenced and heard in the appropriate court having jurisdiction 17200
of the offense as if the person had been eighteen years of age or 17201
older when the person committed the act. All proceedings 17202
pertaining to the act shall be within the jurisdiction of the 17203
court having jurisdiction of the offense, and that court has all 17204
the authority and duties in the case that it has in other criminal 17205
cases in that court. 17206

(J) In exercising its exclusive original jurisdiction under 17207
division (A)(16) of this section with respect to any proceedings 17208
brought under section 2151.34 or 3113.31 of the Revised Code in 17209
which the respondent is a child, the juvenile court retains all 17210
dispositionary powers consistent with existing rules of juvenile 17211
procedure and may also exercise its discretion to adjudicate 17212
proceedings as provided in sections 2151.34 and 3113.31 of the 17213
Revised Code, including the issuance of protection orders or the 17214
approval of consent agreements under those sections. 17215

Sec. 2151.353. (A) If a child is adjudicated an abused, 17216
neglected, or dependent child, the court may make any of the 17217
following orders of disposition: 17218

(1) Place the child in protective supervision; 17219

(2) Commit the child to the temporary custody of any of the 17220
following: 17221

(a) A public children services agency; 17222

(b) A private child placing agency; 17223

(c) Either parent; 17224

(d) A relative residing within or outside the state; 17225

(e) A probation officer for placement in a certified foster home;	17226 17227
(f) Any other person approved by the court.	17228
(3) Award legal custody of the child to either parent or to any other person who, prior to the dispositional hearing, files a motion requesting legal custody of the child or is identified as a proposed legal custodian in a complaint or motion filed prior to the dispositional hearing by any party to the proceedings. A person identified in a complaint or motion filed by a party to the proceedings as a proposed legal custodian shall be awarded legal custody of the child only if the person identified signs a statement of understanding for legal custody that contains at least the following provisions:	17229 17230 17231 17232 17233 17234 17235 17236 17237 17238
(a) That it is the intent of the person to become the legal custodian of the child and the person is able to assume legal responsibility for the care and supervision of the child;	17239 17240 17241
(b) That the person understands that legal custody of the child in question is intended to be permanent in nature and that the person will be responsible as the custodian for the child until the child reaches the age of majority. Responsibility as custodian for the child shall continue beyond the age of majority if, at the time the child reaches the age of majority, the child is pursuing a diploma granted by the board of education or other governing authority, successful completion of the curriculum of any high school, successful completion of an individualized education program developed for the student by any high school, or an age and schooling certificate. Responsibility beyond the age of majority shall terminate when the child ceases to continuously pursue such an education, completes such an education, or is excused from such an education under standards adopted by the state board of education, whichever occurs first.	17242 17243 17244 17245 17246 17247 17248 17249 17250 17251 17252 17253 17254 17255 17256

(c) That the parents of the child have residual parental 17257
rights, privileges, and responsibilities, including, but not 17258
limited to, the privilege of reasonable visitation, consent to 17259
adoption, the privilege to determine the child's religious 17260
affiliation, and the responsibility for support; 17261

(d) That the person understands that the person must be 17262
present in court for the dispositional hearing in order to affirm 17263
the person's intention to become legal custodian, to affirm that 17264
the person understands the effect of the custodianship before the 17265
court, and to answer any questions that the court or any parties 17266
to the case may have. 17267

(4) Commit the child to the permanent custody of a public 17268
children services agency or private child placing agency, if the 17269
court determines in accordance with division (E) of section 17270
2151.414 of the Revised Code that the child cannot be placed with 17271
one of the child's parents within a reasonable time or should not 17272
be placed with either parent and determines in accordance with 17273
division (D)(1) of section 2151.414 of the Revised Code that the 17274
permanent commitment is in the best interest of the child. If the 17275
court grants permanent custody under this division, the court, 17276
upon the request of any party, shall file a written opinion 17277
setting forth its findings of fact and conclusions of law in 17278
relation to the proceeding. 17279

(5) Place the child in a planned permanent living arrangement 17280
with a public children services agency or private child placing 17281
agency, if a public children services agency or private child 17282
placing agency requests the court to place the child in a planned 17283
permanent living arrangement and if the court finds, by clear and 17284
convincing evidence, that a planned permanent living arrangement 17285
is in the best interest of the child, that the child is sixteen 17286
years of age or older, and that one of the following exists: 17287

(a) The child, because of physical, mental, or psychological 17288

problems or needs, is unable to function in a family-like setting 17289
and must remain in residential or institutional care now and for 17290

hearing held pursuant to section 2151.35 of the Revised Code. 17292

(b) The parents of the child have significant physical, 17293
mental, or psychological problems and are unable to care for the 17294
child because of those problems, adoption is not in the best 17295
interest of the child, as determined in accordance with division 17296

retains a significant and positive relationship with a parent or 17298
relative. 17299

(c) The child has been counseled on the permanent placement 17300
options available to the child, and is unwilling to accept or 17301
unable to adapt to a permanent placement. 17302

(6) Order the removal from the child's home until further 17303
order of the court of the person who committed abuse as described 17304
in section 2151.031 of the Revised Code against the child, who 17305
caused or allowed the child to suffer neglect as described in 17306
section 2151.03 of the Revised Code, or who is the parent, 17307
guardian, or custodian of a child who is adjudicated a dependent 17308
child and order any person not to have contact with the child or 17309
the child's siblings. 17310

(B)(1) When making a determination on whether to place a 17311
child in a planned permanent living arrangement pursuant to 17312
division (A)(5)(b) or (c) of this section, the court shall 17313
consider all relevant information that has been presented to the 17314
court, including information gathered from the child, the child's 17315
guardian ad litem, and the public children services agency or 17316
private child placing agency. 17317

(2) A child who is placed in a planned permanent living 17318
arrangement pursuant to division (A)(5)(b) or (c) of this section 17319

shall be placed in an independent living setting or in a family 17320
setting in which the caregiver has been provided by the agency 17321
that has custody of the child with a notice that addresses the 17322
following: 17323

(a) The caregiver understands that the planned permanent 17324
living arrangement is intended to be permanent in nature and that 17325
the caregiver will provide a stable placement for the child 17326
through the child's emancipation or until the court releases the 17327
child from the custody of the agency, whichever occurs first. 17328

(b) The caregiver is expected to actively participate in the 17329
youth's independent living case plan, attend agency team meetings 17330
and court hearings as appropriate, complete training, as provided 17331
in division (B) of section 5103.035 of the Revised Code, related 17332
to providing the child independent living services, and assist in 17333
the child's transition into adulthood. 17334

(3) The department of job and family services shall develop a 17335
model notice to be provided by an agency that has custody of a 17336
child to a caregiver under division (B)(2) of this section. The 17337
agency may modify the model notice to apply to the needs of the 17338
agency. 17339

(C) No order for permanent custody or temporary custody of a 17340
child or the placement of a child in a planned permanent living 17341
arrangement shall be made pursuant to this section unless the 17342
complaint alleging the abuse, neglect, or dependency contains a 17343
prayer requesting permanent custody, temporary custody, or the 17344
placement of the child in a planned permanent living arrangement 17345
as desired, the summons served on the parents of the child 17346
contains as is appropriate a full explanation that the granting of 17347
an order for permanent custody permanently divests them of their 17348
parental rights, a full explanation that an adjudication that the 17349
child is an abused, neglected, or dependent child may result in an 17350
order of temporary custody that will cause the removal of the 17351

child from their legal custody until the court terminates the 17352
order of temporary custody or permanently divests the parents of 17353
their parental rights, or a full explanation that the granting of 17354
an order for a planned permanent living arrangement will result in 17355
the removal of the child from their legal custody if any of the 17356
conditions listed in divisions (A)(5)(a) to (c) of this section 17357
are found to exist, and the summons served on the parents contains 17358
a full explanation of their right to be represented by counsel and 17359
to have counsel appointed pursuant to Chapter 120. of the Revised 17360
Code if they are indigent. 17361

If after making disposition as authorized by division (A)(2) 17362
of this section, a motion is filed that requests permanent custody 17363
of the child, the court may grant permanent custody of the child 17364
to the movant in accordance with section 2151.414 of the Revised 17365
Code. 17366

pursuant to division (A)(1) of this section, the court may place 17368
any reasonable restrictions upon the child, the child's parents, 17369
guardian, or custodian, or any other person, including, but not 17370
limited to, any of the following: 17371

(1) Order a party, within forty-eight hours after the 17372
issuance of the order, to vacate the child's home indefinitely or 17373
for a specified period of time; 17374

(2) Order a party, a parent of the child, or a physical 17375
custodian of the child to prevent any particular person from 17376
having contact with the child; 17377

(3) Issue an order restraining or otherwise controlling the 17378
conduct of any person which conduct would not be in the best 17379
interest of the child. 17380

(E) As part of its dispositional order, the court shall 17381
journalize a case plan for the child. The journalized case plan 17382

shall not be changed except as provided in section 2151.412 of the Revised Code.

(F)(1) The court shall retain jurisdiction over any child for whom the court issues an order of disposition pursuant to division (A) of this section or pursuant to section 2151.414 or 2151.415 of the Revised Code until the child attains the age of eighteen years if the child is not mentally retarded, developmentally disabled, or physically impaired, the child attains the age of twenty-one years if the child is mentally retarded, developmentally disabled, or physically impaired, or the child is adopted and a final decree of adoption is issued, except that the court may retain jurisdiction over the child and continue any order of disposition under division (A) of this section or under section 2151.414 or 2151.415 of the Revised Code for a specified period of time to enable the child to graduate from high school or vocational school. ~~The court shall retain jurisdiction over a person who meets the requirements described in division (A)(1) of section 5101.1411 of the Revised Code and who is subject to a voluntary participation agreement that is in effect.~~ The court shall make an entry continuing its jurisdiction under this division in the journal.

(2) Any public children services agency, any private child placing agency, the department of job and family services, or any party, other than any parent whose parental rights with respect to the child have been terminated pursuant to an order issued under division (A)(4) of this section, by filing a motion with the court, may at any time request the court to modify or terminate any order of disposition issued pursuant to division (A) of this section or section 2151.414 or 2151.415 of the Revised Code. The court shall hold a hearing upon the motion as if the hearing were the original dispositional hearing and shall give all parties to the action and the guardian ad litem notice of the hearing

pursuant to the Juvenile Rules. If applicable, the court shall 17415
comply with section 2151.42 of the Revised Code. 17416

(G) Any temporary custody order issued pursuant to division 17417
(A) of this section shall terminate one year after the earlier of 17418
the date on which the complaint in the case was filed or the child 17419
was first placed into shelter care, except that, upon the filing 17420
of a motion pursuant to section 2151.415 of the Revised Code, the 17421
temporary custody order shall continue and not terminate until the 17422
court issues a dispositional order under that section. In 17423
resolving the motion, the court shall not order an existing 17424
temporary custody order to continue beyond two years after the 17425
date on which the complaint was filed or the child was first 17426
placed into shelter care, whichever date is earlier, regardless of 17427
whether any extensions have been previously ordered pursuant to 17428
division (D) of section 2151.415 of the Revised Code. 17429

(H)(1) No later than one year after the earlier of the date 17430
the complaint in the case was filed or the child was first placed 17431
in shelter care, a party may ask the court to extend an order for 17432
protective supervision for six months or to terminate the order. A 17433
party requesting extension or termination of the order shall file 17434
a written request for the extension or termination with the court 17435
and give notice of the proposed extension or termination in 17436
writing before the end of the day after the day of filing it to 17437
all parties and the child's guardian ad litem. If a public 17438
children services agency or private child placing agency requests 17439
termination of the order, the agency shall file a written status 17440
report setting out the facts supporting termination of the order 17441
at the time it files the request with the court. If no party 17442
requests extension or termination of the order, the court shall 17443
notify the parties that the court will extend the order for six 17444
months or terminate it and that it may do so without a hearing 17445
unless one of the parties requests a hearing. All parties and the 17446

guardian ad litem shall have seven days from the date a notice is 17447
sent pursuant to this division to object to and request a hearing 17448
on the proposed extension or termination. 17449

(a) If it receives a timely request for a hearing, the court 17450
shall schedule a hearing to be held no later than thirty days 17451
after the request is received by the court. The court shall give 17452
notice of the date, time, and location of the hearing to all 17453
parties and the guardian ad litem. At the hearing, the court shall 17454
determine whether extension or termination of the order is in the 17455
child's best interest. If termination is in the child's best 17456
interest, the court shall terminate the order. If extension is in 17457
the child's best interest, the court shall extend the order for 17458
six months. 17459

(b) If it does not receive a timely request for a hearing, 17460
the court may extend the order for six months or terminate it 17461
without a hearing and shall journalize the order of extension or 17462
termination not later than fourteen days after receiving the 17463
request for extension or termination or after the date the court 17464
notifies the parties that it will extend or terminate the order. 17465
If the court does not extend or terminate the order, it shall 17466
schedule a hearing to be held no later than thirty days after the 17467
expiration of the applicable fourteen-day time period and give 17468
notice of the date, time, and location of the hearing to all 17469
parties and the child's guardian ad litem. At the hearing, the 17470
court shall determine whether extension or termination of the 17471
order is in the child's best interest. If termination is in the 17472
child's best interest, the court shall terminate the order. If 17473
extension is in the child's best interest, the court shall issue 17474
an order extending the order for protective supervision six 17475
months. 17476

(2) If the court grants an extension of the order for 17477
protective supervision pursuant to division (H)(1) of this 17478

section, a party may, prior to termination of the extension, file 17479
with the court a request for an additional extension of six months 17480
or for termination of the order. The court and the parties shall 17481
comply with division (H)(1) of this section with respect to 17482
extending or terminating the order. 17483

(3) If a court grants an extension pursuant to division 17484
(H)(2) of this section, the court shall terminate the order for 17485
protective supervision at the end of the extension. 17486

(I) The court shall not issue a dispositional order pursuant 17487
to division (A) of this section that removes a child from the 17488
child's home unless the court complies with section 2151.419 of 17489
the Revised Code and includes in the dispositional order the 17490
findings of fact required by that section. 17491

(J) If a motion or application for an order described in 17492
division (A)(6) of this section is made, the court shall not issue 17493
the order unless, prior to the issuance of the order, it provides 17494
to the person all of the following: 17495

(2) The grounds for the motion or application; 17497

(3) An opportunity to present evidence and witnesses at a 17498
hearing regarding the motion or application; 17499

(4) An opportunity to be represented by counsel at the 17500
hearing. 17501

(K) The jurisdiction of the court shall terminate one year 17502
after the date of the award or, if the court takes any further 17503
action in the matter subsequent to the award, the date of the 17504
latest further action subsequent to the award, if the court awards 17505
legal custody of a child to either of the following: 17506

(1) A legal custodian who, at the time of the award of legal 17507
custody, resides in a county of this state other than the county 17508

the date of the award or, if the court takes any further action in 17513
the matter subsequent to the award, one year after the date of the 17514
latest further action subsequent to the award. 17515

The court in the county in which the legal custodian resides 17516
then shall have jurisdiction in the matter. 17517

division shall make it or cause it to be made to the public 17686
children services agency or to a peace officer. In the 17687
circumstances described in section 5120.173 of the Revised Code, a 17688
person making a report or causing a report to be made under this 17689
division shall make it or cause it to be made to the entity 17690
specified in that section. 17691

(C) Any report made pursuant to division (A) or (B) of this 17692
section shall be made forthwith either by telephone or in person 17693
and shall be followed by a written report, if requested by the 17694
receiving agency or officer. The written report shall contain: 17695

(3) Any other information, including, but not limited to, results and reports of any medical examinations, tests, or procedures performed under division (D) of this section, that might be helpful in establishing the cause of the injury, abuse, or neglect that is known or reasonably suspected or believed, as applicable, to have occurred or of the threat of injury, abuse, or neglect that is known or reasonably suspected or believed, as applicable, to exist.

(D)(1) Any person, who is required by division (A) of this section to report child abuse or child neglect that is known or reasonably suspected or believed to have occurred, may take or cause to be taken color photographs of areas of trauma visible on a child and, if medically necessary for the purpose of diagnosing or treating injuries that are suspected to have occurred as a result of child abuse or child neglect, perform or cause to be performed radiological examinations and any other medical examinations of, and tests or procedures on, the child.

(2) The results and any available reports of examinations, tests, or procedures made under division (D)(1) of this section shall be included in a report made pursuant to division (A) of this section. Any additional reports of examinations, tests, or procedures that become available shall be provided to the public children services agency, upon request.

(3) If a health care professional provides health care services in a hospital, children's advocacy center, or emergency medical facility to a child about whom a report has been made

under division (A) of this section, the health care professional 17731
may take any steps that are reasonably necessary for the release 17732
or discharge of the child to an appropriate environment. Before 17733
the child's release or discharge, the health care professional may 17734
obtain information, or consider information obtained, from other 17735
entities or individuals that have knowledge about the child. 17736
Nothing in division (D)(3) of this section shall be construed to 17737

and 2151.31 of the Revised Code. 17739

(4) A health care professional may conduct medical 17740
examinations, tests, or procedures on the siblings of a child 17741
about whom a report has been made under division (A) of this 17742
section and on other children who reside in the same home as the 17743
child, if the professional determines that the examinations, 17744
tests, or procedures are medically necessary to diagnose or treat 17745
the siblings or other children in order to determine whether 17746
reports under division (A) of this section are warranted with 17747
respect to such siblings or other children. The results of the 17748
examinations, tests, or procedures on the siblings and other 17749
children may be included in a report made pursuant to division (A) 17750
of this section. 17751

(5) Medical examinations, tests, or procedures conducted 17752
under divisions (D)(1) and (4) of this section and decisions 17753
regarding the release or discharge of a child under division 17754
(D)(3) of this section do not constitute a law enforcement 17755
investigation or activity. 17756

(E)(1) When a peace officer receives a report made pursuant 17757
to division (A) or (B) of this section, upon receipt of the 17758
report, the peace officer who receives the report shall refer the 17759
report to the appropriate public children services agency, unless 17760
an arrest is made at the time of the report that results in the 17761
appropriate public children services agency being contacted 17762

concerning the possible abuse or neglect of a child or the 17763
possible threat of abuse or neglect of a child. 17764

(2) When a public children services agency receives a report 17765
pursuant to this division or division (A) or (B) of this section, 17766

shall do both of the following: 17768

(a) Comply with section 2151.422 of the Revised Code; 17769

(b) If the county served by the agency is also served by a 17770
children's advocacy center and the report alleges sexual abuse of 17771
a child or another type of abuse of a child that is specified in 17772
the memorandum of understanding that creates the center as being 17773
within the center's jurisdiction, comply regarding the report with 17774
the protocol and procedures for referrals and investigations, with 17775
the coordinating activities, and with the authority or 17776
responsibility for performing or providing functions, activities, 17777
and services stipulated in the interagency agreement entered into 17778
under section 2151.428 of the Revised Code relative to that 17779
center. 17780

(F) No peace officer shall remove a child about whom a report 17781
is made pursuant to this section from the child's parents, 17782
stepparents, or guardian or any other persons having custody of 17783
the child without consultation with the public children services 17784
agency, unless, in the judgment of the officer, and, if the report 17785
was made by physician, the physician, immediate removal is 17786
considered essential to protect the child from further abuse or 17787
neglect. The agency that must be consulted shall be the agency 17788
conducting the investigation of the report as determined pursuant 17789
to section 2151.422 of the Revised Code. 17790

(G)(1) Except as provided in section 2151.422 of the Revised 17791
Code or in an interagency agreement entered into under section 17792
2151.428 of the Revised Code that applies to the particular 17793

report, the public children services agency shall investigate, 17794
within twenty-four hours, each report of child abuse or child 17795
neglect that is known or reasonably suspected or believed to have 17796
occurred and of a threat of child abuse or child neglect that is 17797
known or reasonably suspected or believed to exist that is 17798
referred to it under this section to determine the circumstances 17799
surrounding the injuries, abuse, or neglect or the threat of 17800
injury, abuse, or neglect, the cause of the injuries, abuse, 17801
neglect, or threat, and the person or persons responsible. The 17802
investigation shall be made in cooperation with the law 17803
enforcement agency and in accordance with the memorandum of 17804
understanding prepared under division (K) of this section. A 17805
representative of the public children services agency shall, at 17806
the time of initial contact with the person subject to the 17807
investigation, inform the person of the specific complaints or 17808
allegations made against the person. The information shall be 17809
given in a manner that is consistent with division (I)(1) of this 17810
section and protects the rights of the person making the report 17811
under this section. 17812

A failure to make the investigation in accordance with the 17813
memorandum is not grounds for, and shall not result in, the 17814
dismissal of any charges or complaint arising from the report or 17815
the suppression of any evidence obtained as a result of the report 17816
and does not give, and shall not be construed as giving, any 17817
rights or any grounds for appeal or post-conviction relief to any 17818
person. The public children services agency shall report each case 17819
to the uniform statewide automated child welfare information 17820
system that the department of job and family services shall 17821
maintain in accordance with section 5101.13 of the Revised Code. 17822
The public children services agency shall submit a report of its 17823
investigation, in writing, to the law enforcement agency. 17824

(2) The public children services agency shall make any 17825

recommendations to the county prosecuting attorney or city director of law that it considers necessary to protect any children that are brought to its attention.

(H)(1)(a) Except as provided in divisions (H)(1)(b) and (I)(3) of this section, any person, health care professional, hospital, institution, school, health department, or agency shall be immune from any civil or criminal liability for injury, death, or loss to person or property that otherwise might be incurred or imposed as a result of any of the following:

(b) Immunity under division (H)(1)(a)(ii) of this section shall not apply when a health care provider has deviated from the standard of care applicable to the provider's profession.

(c) Notwithstanding section 4731.22 of the Revised Code, the physician-patient privilege shall not be a ground for excluding evidence regarding a child's injuries, abuse, or neglect, or the cause of the injuries, abuse, or neglect in any judicial proceeding resulting from a report submitted pursuant to this section.

(2) In any civil or criminal action or proceeding in which it is alleged and proved that participation in the making of a report under this section was not in good faith or participation in a judicial proceeding resulting from a report made under this section was not in good faith, the court shall award the prevailing party reasonable attorney's fees and costs and, if a civil action or proceeding is voluntarily dismissed, may award reasonable attorney's fees and costs to the party against whom the civil action or proceeding is brought.

(I)(1) Except as provided in divisions (I)(4) and (O) of this section, a report made under this section is confidential. The information provided in a report made pursuant to this section and the name of the person who made the report shall not be released for use, and shall not be used, as evidence in any civil action or proceeding brought against the person who made the report. Nothing in this division shall preclude the use of reports of other incidents of known or suspected abuse or neglect in a civil action or proceeding brought pursuant to division (N) of this section against a person who is alleged to have violated division (A)(1) of this section, provided that any information in a report that would identify the child who is the subject of the report or the maker of the report, if the maker of the report is not the defendant or an agent or employee of the defendant, has been redacted. In a criminal proceeding, the report is admissible in evidence in accordance with the Rules of Evidence and is subject to discovery in accordance with the Rules of Criminal Procedure.

(2)(a) Except as provided in division (I)(2)(b) of this section, no person shall permit or encourage the unauthorized dissemination of the contents of any report made under this section.

(b) A health care professional that obtains the same information contained in a report made under this section from a

source other than the report may disseminate the information, if 17889
its dissemination is otherwise permitted by law. 17890

(3) A person who knowingly makes or causes another person to 17891
make a false report under division (B) of this section that 17892
alleges that any person has committed an act or omission that 17893
resulted in a child being an abused child or a neglected child is 17894
guilty of a violation of section 2921.14 of the Revised Code. 17895

(4) If a report is made pursuant to division (A) or (B) of 17896
this section and the child who is the subject of the report dies 17897
for any reason at any time after the report is made, but before 17898
the child attains eighteen years of age, the public children 17899
services agency or peace officer to which the report was made or 17900
referred, on the request of the child fatality review board or the 17901
director of health pursuant to guidelines established under 17902
section 3701.70 of the Revised Code, shall submit a summary sheet 17903
of information providing a summary of the report to the review 17904
board of the county in which the deceased child resided at the 17905
time of death or to the director. On the request of the review 17906
board or director, the agency or peace officer may, at its 17907
discretion, make the report available to the review board or 17908
director. If the county served by the public children services 17909
agency is also served by a children's advocacy center and the 17910
report of alleged sexual abuse of a child or another type of abuse 17911
of a child is specified in the memorandum of understanding that 17912
creates the center as being within the center's jurisdiction, the 17913
agency or center shall perform the duties and functions specified 17914
in this division in accordance with the interagency agreement 17915
entered into under section 2151.428 of the Revised Code relative 17916
to that advocacy center. 17917

of a child referred to a children's advocacy center pursuant to an 17922
interagency agreement entered into under section 2151.428 of the 17923
Revised Code, in writing of the disposition of the investigation. 17924
The agency shall not provide to the person any information that 17925
identifies the person who made the report, statements of 17926
witnesses, or police or other investigative reports. 17927

(J) Any report that is required by this section, other than a 17928
report that is made to the state highway patrol as described in 17929
section 5120.173 of the Revised Code, shall result in protective 17930
services and emergency supportive services being made available by 17931
the public children services agency on behalf of the children 17932
about whom the report is made, in an effort to prevent further 17933
neglect or abuse, to enhance their welfare, and, whenever 17934

to provide the services shall be the agency conducting the 17936

described in division (A)(1) of this section was imposed, the 18561
court may declare a surplus in the fund and, subject to an 18562
appropriation by the board of county commissioners, expend those 18563

paid to the county treasurer to be disbursed, upon an order of the 18583
court of common pleas and subject to appropriation by the board of 18584
county commissioners, in an amount no greater than the actual cost 18585
to the court of procuring and maintaining technology and computer 18586
systems for the office of the clerk of the court of common pleas. 18587

(2) If the court of common pleas of a county makes the 18588
determination described in division (B)(1) of this section, the 18589
board of county commissioners of that county may issue one or more 18590
general obligation bonds for the purpose of procuring and 18591

providing financial assistance to legal aid societies that operate 18604
within the state and to support the office of the state public 18605
defender. This division does not apply to a juvenile division of a 18606
court of common pleas, except that an additional filing fee of 18607

filing fees required to be collected under this division shall be 18614
in addition to any other filing fees imposed in the action or 18615
proceeding and shall be collected at the time of the filing of the 18616

additional filing fees in a new civil action or proceeding unless 18618
the court waives the advanced payment of all filing fees in the 18619
action or proceeding. All such moneys collected during a month 18620
except for an amount equal to up to one per cent of those moneys 18621
retained to cover administrative costs shall be transmitted on or 18622

under this division to the credit of the legal aid fund 18630
established under section 120.52 of the Revised Code. 18631

The court may retain up to one per cent of the moneys it 18632
collects under this division to cover administrative costs, 18633
including the hiring of any additional personnel necessary to 18634
implement this division. If the court fails to transmit to the 18635
treasurer of state the moneys the court collects under this 18636
division in a manner prescribed by the treasurer of state or by 18637
the Ohio ~~legal assistance~~ access to justice foundation, the court 18638
shall forfeit the moneys the court retains under this division to 18639

personnel necessary to implement this division, and shall transmit 18641
to the treasurer of state all moneys collected under this 18642

division, including the forfeited amount retained for 18643
administrative costs, for deposit in the legal aid fund. 18644

sections 3113.35 to 3113.39 of the Revised Code. The filing fees 18650
required to be collected under this division shall be in addition 18651
to any other filing fees imposed in the action or proceeding and 18652
shall be collected at the time of the filing of the action or 18653
proceeding. The court shall not waive the payment of the 18654
additional filing fees in a new action or proceeding for 18655
annulment, divorce, or dissolution of marriage unless the court 18656
waives the advanced payment of all filing fees in the action or 18657
proceeding. On or before the twentieth day of each month, all 18658
moneys collected during the immediately preceding month pursuant 18659
to this division shall be deposited by the clerk of the court into 18660

program or additional services in cases of a specific type, the 18679
court by rule may assess an additional charge in a case of that 18680
type, over and above court costs, to cover the special program or 18681
service. The court shall adjust the special assessment 18682

in those cases does not exceed the actual cost of providing the 18684
service or program. 18685

be paid to the county treasurer for deposit into either a general 18687
special projects fund or a fund established for a specific special 18688

an order of the court, subject to an appropriation by the board of 18690
county commissioners, in an amount no greater than the actual cost 18691
to the court of a project. If a specific fund is terminated 18692
because of the discontinuance of a program or service established 18693
under division (E) of this section, the court may order, subject 18694
to an appropriation by the board of county commissioners, that 18695

of, or the making of an application in, legal proceedings in the 18969
court of claims or in a court of common pleas, municipal court, or 18970
county court unless the court of common pleas that entered that 18971
order is satisfied that the proceedings or application are not an 18972
abuse of process of the court in question and that there are 18973
reasonable grounds for the proceedings or application. If a person 18974
who has been found to be a vexatious litigator under this section 18975
requests the court of common pleas that entered an order under 18976
division (D)(1) of this section to grant the person leave to 18977

within which the legal proceedings or application involved 18983

court of appeals shall file an application for leave to proceed in 18990
the court of appeals in which the legal proceedings would be 18991
instituted or are pending. The court of appeals shall not grant a 18992
person found to be a vexatious litigator leave for the institution 18993
or continuance of, or the making of an application in, legal 18994

violence or that is a qualifying assault offense, the court shall 19821
sentence the offender to a community control sanction or 19822
combination of community control sanctions if all of the following 19823
apply: 19824

(i) The offender previously has not been convicted of or 19825
pleaded guilty to a felony offense. 19826

(ii) The most serious charge against the offender at the time 19827
of sentencing is a felony of the fourth or fifth degree. 19828

~~(iii) If the court made a request of the department of 19829
rehabilitation and correction pursuant to division (B)(1)(c) of 19830
this section, the department, within the forty five day period 19831
specified in that division, provided the court with the names of, 19832
contact information for, and program details of one or more 19833
community control sanctions that are available for persons 19834
sentenced by the court. 19835~~

~~(iv)~~ The offender previously has not been convicted of or 19836
pleaded guilty to a misdemeanor offense of violence that the 19837
offender committed within two years prior to the offense for which 19838

sentence is being imposed. 19839

(b) The court has discretion to impose a prison term upon an 19840
offender who is convicted of or pleads guilty to a felony of the 19841
fourth or fifth degree that is not an offense of violence or that 19842
is a qualifying assault offense if any of the following apply: 19843

(i) The offender committed the offense while having a firearm 19844
on or about the offender's person or under the offender's control. 19845

(ii) If the offense is a qualifying assault offense, the 19846
offender caused serious physical harm to another person while 19847
committing the offense, and, if the offense is not a qualifying 19848
assault offense, the offender caused physical harm to another 19849
person while committing the offense. 19850

(iii) The offender violated a term of the conditions of bond 19851
as set by the court. 19852

~~(iv) The court made a request of the department of 19853
rehabilitation and correction pursuant to division (B)(1)(c) of 19854
this section, and the department, within the forty five day period 19855
specified in that division, did not provide the court with the 19856
name of, contact information for, and program details of any 19857
community control sanction that is available for persons sentenced 19858
by the court. 19859~~

~~(v)~~ The offense is a sex offense that is a fourth or fifth 19860
degree felony violation of any provision of Chapter 2907. of the 19861
Revised Code. 19862

~~(vi)~~(v) In committing the offense, the offender attempted to 19863
cause or made an actual threat of physical harm to a person with a 19864
deadly weapon. 19865

~~(vii)~~(vi) In committing the offense, the offender attempted 19866
to cause or made an actual threat of physical harm to a person, 19867
and the offender previously was convicted of an offense that 19868

caused physical harm to a person. 19869

~~(viii)~~(vii) The offender held a public office or position of 19870
trust, and the offense related to that office or position; the 19871
offender's position obliged the offender to prevent the offense or 19872
to bring those committing it to justice; or the offender's 19873
professional reputation or position facilitated the offense or was 19874
likely to influence the future conduct of others. 19875

~~(ix)~~(viii) The offender committed the offense for hire or as 19876
part of an organized criminal activity. 19877

~~(x)~~(ix) The offender at the time of the offense was serving, 19878

~~(xi)~~(x) The offender committed the offense while under a 19880
community control sanction, while on probation, or while released 19881
from custody on a bond or personal recognizance. 19882

(c) ~~If a court that is sentencing an offender who is 19883
convicted of or pleads guilty to a felony of the fourth or fifth 19884
degree that is not an offense of violence or that is a qualifying 19885
assault offense believes that no community control sanctions are 19886
available for its use that, if imposed on the offender, will 19887
adequately fulfill the overriding principles and purposes of 19888
sentencing, the court shall contact the department of 19889
rehabilitation and correction and ask the department to provide 19890
the court with the names of, contact information for, and program 19891
details of one or more community control sanctions that are 19892
available for persons sentenced by the court. Not later than 19893
forty five days after receipt of a request from a court under this 19894
division, the department shall provide the court with the names 19895
of, contact information for, and program details of one or more 19896
community control sanctions that are available for persons 19897
sentenced by the court, if any. Upon making a request under this 19898
division that relates to a particular offender, a court shall 19899~~

~~defer sentencing of that offender until it receives from the
department the names of, contact information for, and program
details of one or more community control sanctions that are
available for persons sentenced by the court or for forty five
days, whichever is the earlier.~~

~~If the department provides the court with the names of,
contact information for, and program details of one or more
community control sanctions that are available for persons
sentenced by the court within the forty five day period specified
in this division, the court shall impose upon the offender a
community control sanction under division (B)(1)(a) of this
section, except that the court may impose a prison term under
division (B)(1)(b) of this section if a factor described in
division (B)(1)(b)(i) or (ii) of this section applies. If the
department does not provide the court with the names of, contact
information for, and program details of one or more community
control sanctions that are available for persons sentenced by the
court within the forty five day period specified in this division,
the court may impose upon the offender a prison term under
division (B)(1)(b)(iv) of this section.~~

~~(d) A sentencing court may impose an additional penalty under
division (B) of section 2929.15 of the Revised Code upon an
offender sentenced to a community control sanction under division
(B)(1)(a) of this section if the offender violates the conditions
of the community control sanction, violates a law, or leaves the
state without the permission of the court or the offender's
probation officer.~~

~~(2) If division (B)(1) of this section does not apply, except
as provided in division (E), (F), or (G) of this section, in
determining whether to impose a prison term as a sanction for a
felony of the fourth or fifth degree, the sentencing court shall
comply with the purposes and principles of sentencing under~~

section 2929.11 of the Revised Code and with section 2929.12 of 19932
the Revised Code. 19933

(C) Except as provided in division (D), (E), (F), or (G) of 19934
this section, in determining whether to impose a prison term as a 19935
sanction for a felony of the third degree or a felony drug offense 19936
that is a violation of a provision of Chapter 2925. of the Revised 19937
Code and that is specified as being subject to this division for 19938
purposes of sentencing, the sentencing court shall comply with the 19939
purposes and principles of sentencing under section 2929.11 of the 19940
Revised Code and with section 2929.12 of the Revised Code. 19941

(D)(1) Except as provided in division (E) or (F) of this 19942
section, for a felony of the first or second degree, for a felony 19943
drug offense that is a violation of any provision of Chapter 19944
2925., 3719., or 4729. of the Revised Code for which a presumption 19945
in favor of a prison term is specified as being applicable, and 19946
for a violation of division (A)(4) or (B) of section 2907.05 of 19947
the Revised Code for which a presumption in favor of a prison term 19948
is specified as being applicable, it is presumed that a prison 19949
term is necessary in order to comply with the purposes and 19950
principles of sentencing under section 2929.11 of the Revised 19951
Code. Division (D)(2) of this section does not apply to a 19952
presumption established under this division for a violation of 19953
division (A)(4) of section 2907.05 of the Revised Code. 19954

(2) Notwithstanding the presumption established under 19955
division (D)(1) of this section for the offenses listed in that 19956
division other than a violation of division (A)(4) or (B) of 19957
section 2907.05 of the Revised Code, the sentencing court may 19958
impose a community control sanction or a combination of community 19959
control sanctions instead of a prison term on an offender for a 19960
felony of the first or second degree or for a felony drug offense 19961
that is a violation of any provision of Chapter 2925., 3719., or 19962
4729. of the Revised Code for which a presumption in favor of a 19963

prison term is specified as being applicable if it makes both of 19964
the following findings: 19965

(a) A community control sanction or a combination of 19966
community control sanctions would adequately punish the offender 19967
and protect the public from future crime, because the applicable 19968
factors under section 2929.12 of the Revised Code indicating a 19969
lesser likelihood of recidivism outweigh the applicable factors 19970
under that section indicating a greater likelihood of recidivism. 19971

(b) A community control sanction or a combination of 19972
community control sanctions would not demean the seriousness of 19973
the offense, because one or more factors under section 2929.12 of 19974
the Revised Code that indicate that the offender's conduct was 19975
less serious than conduct normally constituting the offense are 19976
applicable, and they outweigh the applicable factors under that 19977
section that indicate that the offender's conduct was more serious 19978
than conduct normally constituting the offense. 19979

(E)(1) Except as provided in division (F) of this section, 19980
for any drug offense that is a violation of any provision of 19981
Chapter 2925. of the Revised Code and that is a felony of the 19982
third, fourth, or fifth degree, the applicability of a presumption 19983
under division (D) of this section in favor of a prison term or of 19984
division (B) or (C) of this section in determining whether to 19985
impose a prison term for the offense shall be determined as 19986
specified in section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 19987
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 2925.37 of the 19988
Revised Code, whichever is applicable regarding the violation. 19989

(2) If an offender who was convicted of or pleaded guilty to 19990
a felony violates the conditions of a community control sanction 19991
imposed for the offense solely by reason of producing positive 19992
results on a drug test or by acting pursuant to division (B)(2)(b) 19993
of section 2925.11 of the Revised Code with respect to a minor 19994
drug possession offense, the court, as punishment for the 19995

violation of the sanction, shall not order that the offender be 19996
imprisoned unless the court determines on the record either of the 19997
following: 19998

(a) The offender had been ordered as a sanction for the 19999
felony to participate in a drug treatment program, in a drug 20000
education program, or in narcotics anonymous or a similar program, 20001
and the offender continued to use illegal drugs after a reasonable 20002
period of participation in the program. 20003

(b) The imprisonment of the offender for the violation is 20004
consistent with the purposes and principles of sentencing set 20005
forth in section 2929.11 of the Revised Code. 20006

(3) A court that sentences an offender for a drug abuse 20007
offense that is a felony of the third, fourth, or fifth degree may 20008
require that the offender be assessed by a properly credentialed 20009
professional within a specified period of time. The court shall 20010
require the professional to file a written assessment of the 20011
offender with the court. If the offender is eligible for a 20012
community control sanction and after considering the written 20013
assessment, the court may impose a community control sanction that 20014
includes addiction services and recovery supports included in a 20015
community-based continuum of care established under section 20016
340.032 of the Revised Code. If the court imposes addiction 20017
services and recovery supports as a community control sanction, 20018
the court shall direct the level and type of addiction services 20019
and recovery supports after considering the assessment and 20020
recommendation of community addiction services providers. 20021

(F) Notwithstanding divisions (A) to (E) of this section, the 20022
court shall impose a prison term or terms under sections 2929.02 20023
to 2929.06, section 2929.14, section 2929.142, or section 2971.03 20024
of the Revised Code and except as specifically provided in section 20025
2929.20, divisions (C) to (I) of section 2967.19, or section 20026
2967.191 of the Revised Code or when parole is authorized for the 20027

offense under section 2967.13 of the Revised Code shall not reduce 20028
the term or terms pursuant to section 2929.20, section 2967.19, 20029
section 2967.193, or any other provision of Chapter 2967. or 20030
Chapter 5120. of the Revised Code for any of the following 20031
offenses: 20032

(1) Aggravated murder when death is not imposed or murder; 20033

(2) Any rape, regardless of whether force was involved and 20034
regardless of the age of the victim, or an attempt to commit rape 20035
if, had the offender completed the rape that was attempted, the 20036
offender would have been guilty of a violation of division 20037
(A)(1)(b) of section 2907.02 of the Revised Code and would be 20038
sentenced under section 2971.03 of the Revised Code; 20039

(3) Gross sexual imposition or sexual battery, if the victim 20040
is less than thirteen years of age and if any of the following 20041
applies: 20042

(a) Regarding gross sexual imposition, the offender 20043
previously was convicted of or pleaded guilty to rape, the former 20044
offense of felonious sexual penetration, gross sexual imposition, 20045
or sexual battery, and the victim of the previous offense was less 20046
than thirteen years of age; 20047

(b) Regarding gross sexual imposition, the offense was 20048
committed on or after August 3, 2006, and evidence other than the 20049
testimony of the victim was admitted in the case corroborating the 20050
violation. 20051

(c) Regarding sexual battery, either of the following 20052
applies: 20053

(i) The offense was committed prior to August 3, 2006, the 20054
offender previously was convicted of or pleaded guilty to rape, 20055
the former offense of felonious sexual penetration, or sexual 20056
battery, and the victim of the previous offense was less than 20057
thirteen years of age. 20058

- (ii) The offense was committed on or after August 3, 2006. 20059
- (4) A felony violation of section 2903.04, 2903.06, 2903.08, 20060
2903.11, 2903.12, 2903.13, 2905.32, 2907.07, 2921.321, or 2923.132 20061
of the Revised Code if the section requires the imposition of a 20062
prison term; 20063
- (5) A first, second, or third degree felony drug offense for 20064
which section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 20065
2925.11, 2925.13, 2925.22, 2925.23, 2925.36, 2925.37, 3719.99, or 20066
4729.99 of the Revised Code, whichever is applicable regarding the 20067
violation, requires the imposition of a mandatory prison term; 20068
- (6) Any offense that is a first or second degree felony and 20069
that is not set forth in division (F)(1), (2), (3), or (4) of this 20070
section, if the offender previously was convicted of or pleaded 20071
guilty to aggravated murder, murder, any first or second degree 20072
felony, or an offense under an existing or former law of this 20073
state, another state, or the United States that is or was 20074
substantially equivalent to one of those offenses; 20075
- (7) Any offense that is a third degree felony and either is a 20076
violation of section 2903.04 of the Revised Code or an attempt to 20077
commit a felony of the second degree that is an offense of 20078
violence and involved an attempt to cause serious physical harm to 20079
a person or that resulted in serious physical harm to a person if 20080
the offender previously was convicted of or pleaded guilty to any 20081
of the following offenses: 20082
- (a) Aggravated murder, murder, involuntary manslaughter, 20083

attempt to commit any of those offenses; 20088
- (b) An offense under an existing or former law of this state, 20089

another state, or the United States that is or was substantially 20090
equivalent to an offense listed in division (F)(7)(a) of this 20091
section that resulted in the death of a person or in physical harm 20092
to a person. 20093

(8) Any offense, other than a violation of section 2923.12 of 20094
the Revised Code, that is a felony, if the offender had a firearm 20095
on or about the offender's person or under the offender's control 20096
while committing the felony, with respect to a portion of the 20097
sentence imposed pursuant to division (B)(1)(a) of section 2929.14 20098
of the Revised Code for having the firearm; 20099

(9) Any offense of violence that is a felony, if the offender 20100
wore or carried body armor while committing the felony offense of 20101

or a mandatory prison term in accordance with the following: 20201

(1) If the offender is being sentenced for a fourth degree 20202
felony OVI offense and if the offender has not been convicted of 20203
and has not pleaded guilty to a specification of the type 20204
described in section 2941.1413 of the Revised Code, the court may 20205
impose upon the offender a mandatory term of local incarceration 20206
of sixty days or one hundred twenty days as specified in division 20207
(G)(1)(d) of section 4511.19 of the Revised Code. The court shall 20208
not reduce the term pursuant to section 2929.20, 2967.193, or any 20209
other provision of the Revised Code. The court that imposes a 20210
mandatory term of local incarceration under this division shall 20211
specify whether the term is to be served in a jail, a 20212
community-based correctional facility, a halfway house, or an 20213
alternative residential facility, and the offender shall serve the 20214
term in the type of facility specified by the court. A mandatory 20215

term of local incarceration imposed under division (G)(1) of this 20216
section is not subject to any other Revised Code provision that 20217
pertains to a prison term except as provided in division (A)(1) of 20218
this section. 20219

(2) If the offender is being sentenced for a third degree 20220
felony OVI offense, or if the offender is being sentenced for a 20221
fourth degree felony OVI offense and the court does not impose a 20222
mandatory term of local incarceration under division (G)(1) of 20223
this section, the court shall impose upon the offender a mandatory 20224
prison term of one, two, three, four, or five years if the 20225
offender also is convicted of or also pleads guilty to a 20226
specification of the type described in section 2941.1413 of the 20227
Revised Code or shall impose upon the offender a mandatory prison 20228
term of sixty days or one hundred twenty days as specified in 20229
division (G)(1)(d) or (e) of section 4511.19 of the Revised Code 20230
if the offender has not been convicted of and has not pleaded 20231
guilty to a specification of that type. Subject to divisions (C) 20232
to (I) of section 2967.19 of the Revised Code, the court shall not 20233
reduce the term pursuant to section 2929.20, 2967.19, 2967.193, or 20234
any other provision of the Revised Code. The offender shall serve 20235
the one-, two-, three-, four-, or five-year mandatory prison term 20236
consecutively to and prior to the prison term imposed for the 20237
underlying offense and consecutively to any other mandatory prison 20238
term imposed in relation to the offense. In no case shall an 20239
offender who once has been sentenced to a mandatory term of local 20240
incarceration pursuant to division (G)(1) of this section for a 20241
fourth degree felony OVI offense be sentenced to another mandatory 20242
term of local incarceration under that division for any violation 20243
of division (A) of section 4511.19 of the Revised Code. In 20244
addition to the mandatory prison term described in division (G)(2) 20245
of this section, the court may sentence the offender to a 20246
community control sanction under section 2929.16 or 2929.17 of the 20247
Revised Code, but the offender shall serve the prison term prior 20248

to serving the community control sanction. The department of 20249
rehabilitation and correction may place an offender sentenced to a 20250
mandatory prison term under this division in an intensive program 20251
prison established pursuant to section 5120.033 of the Revised 20252
Code if the department gave the sentencing judge prior notice of 20253
its intent to place the offender in an intensive program prison 20254
established under that section and if the judge did not notify the 20255
department that the judge disapproved the placement. Upon the 20256
establishment of the initial intensive program prison pursuant to 20257
section 5120.033 of the Revised Code that is privately operated 20258
and managed by a contractor pursuant to a contract entered into 20259
under section 9.06 of the Revised Code, both of the following 20260
apply: 20261

(a) The department of rehabilitation and correction shall 20262
make a reasonable effort to ensure that a sufficient number of 20263
offenders sentenced to a mandatory prison term under this division 20264
are placed in the privately operated and managed prison so that 20265
the privately operated and managed prison has full occupancy. 20266

(b) Unless the privately operated and managed prison has full 20267
occupancy, the department of rehabilitation and correction shall 20268
not place any offender sentenced to a mandatory prison term under 20269
this division in any intensive program prison established pursuant 20270
to section 5120.033 of the Revised Code other than the privately 20271
operated and managed prison. 20272

(H) If an offender is being sentenced for a sexually oriented 20273
offense or child-victim oriented offense that is a felony 20274
committed on or after January 1, 1997, the judge shall require the 20275
offender to submit to a DNA specimen collection procedure pursuant 20276
to section 2901.07 of the Revised Code. 20277

(I) If an offender is being sentenced for a sexually oriented 20278
offense or a child-victim oriented offense committed on or after 20279
January 1, 1997, the judge shall include in the sentence a summary 20280

of the offender's duties imposed under sections 2950.04, 2950.041, 20281
2950.05, and 2950.06 of the Revised Code and the duration of the 20282
duties. The judge shall inform the offender, at the time of 20283
sentencing, of those duties and of their duration. If required 20284
under division (A)(2) of section 2950.03 of the Revised Code, the 20285
judge shall perform the duties specified in that section, or, if 20286
required under division (A)(6) of section 2950.03 of the Revised 20287
Code, the judge shall perform the duties specified in that 20288
division. 20289

(J)(1) Except as provided in division (J)(2) of this section, 20290
when considering sentencing factors under this section in relation 20291
to an offender who is convicted of or pleads guilty to an attempt 20292
to commit an offense in violation of section 2923.02 of the 20293
Revised Code, the sentencing court shall consider the factors 20294
applicable to the felony category of the violation of section 20295
2923.02 of the Revised Code instead of the factors applicable to 20296
the felony category of the offense attempted. 20297

(2) When considering sentencing factors under this section in 20298
relation to an offender who is convicted of or pleads guilty to an 20299
attempt to commit a drug abuse offense for which the penalty is 20300
determined by the amount or number of unit doses of the controlled 20301
substance involved in the drug abuse offense, the sentencing court 20302
shall consider the factors applicable to the felony category that 20303
the drug abuse offense attempted would be if that drug abuse 20304
offense had been committed and had involved an amount or number of 20305
unit doses of the controlled substance that is within the next 20306
lower range of controlled substance amounts than was involved in 20307
the attempt. 20308

(K) As used in this section: 20309

(1) "Community addiction services provider" has the same 20310
meaning as in section 5119.01 of the Revised Code. 20311

(2) "Drug abuse offense" has the same meaning as in section 20312
2925.01 of the Revised Code. 20313

(3) "Minor drug possession offense" has the same meaning as 20314
in section 2925.11 of the Revised Code. 20315

(4) "Qualifying assault offense" means a violation of section 20316
2903.13 of the Revised Code for which the penalty provision in 20317
division (C)(8)(b) or (C)(9)(b) of that section applies. 20318

(L) At the time of sentencing an offender for any sexually 20319
oriented offense, if the offender is a tier III sex 20320
offender/child-victim offender relative to that offense and the 20321
offender does not serve a prison term or jail term, the court may 20322
require that the offender be monitored by means of a global 20323
positioning device. If the court requires such monitoring, the 20324
cost of monitoring shall be borne by the offender. If the offender 20325
is indigent, the cost of compliance shall be paid by the crime 20326
victims reparations fund. 20327

Sec. 2929.15. (A)(1) If in sentencing an offender for a 20328
felony the court is not required to impose a prison term, a 20329
mandatory prison term, or a term of life imprisonment upon the 20330
offender, the court may directly impose a sentence that consists 20331
of one or more community control sanctions authorized pursuant to 20332
section 2929.16, 2929.17, or 2929.18 of the Revised Code. If the 20333
court is sentencing an offender for a fourth degree felony OVI 20334
offense under division (G)(1) of section 2929.13 of the Revised 20335
Code, in addition to the mandatory term of local incarceration 20336
imposed under that division and the mandatory fine required by 20337
division (B)(3) of section 2929.18 of the Revised Code, the court 20338
may impose upon the offender a community control sanction or 20339
combination of community control sanctions in accordance with 20340
sections 2929.16 and 2929.17 of the Revised Code. If the court is 20341
sentencing an offender for a third or fourth degree felony OVI 20342

offense under division (G)(2) of section 2929.13 of the Revised Code, in addition to the mandatory prison term or mandatory prison term and additional prison term imposed under that division, the court also may impose upon the offender a community control sanction or combination of community control sanctions under section 2929.16 or 2929.17 of the Revised Code, but the offender shall serve all of the prison terms so imposed prior to serving the community control sanction.

The duration of all community control sanctions imposed upon an offender under this division shall not exceed five years. If the offender absconds or otherwise leaves the jurisdiction of the court in which the offender resides without obtaining permission from the court or the offender's probation officer to leave the jurisdiction of the court, or if the offender is confined in any institution for the commission of any offense while under a community control sanction, the period of the community control sanction ceases to run until the offender is brought before the court for its further action. If the court sentences the offender to one or more nonresidential sanctions under section 2929.17 of the Revised Code, the court shall impose as a condition of the nonresidential sanctions that, during the period of the sanctions, the offender must abide by the law and must not leave the state without the permission of the court or the offender's probation officer. The court may impose any other conditions of release under a community control sanction that the court considers appropriate, including, but not limited to, requiring that the offender not ingest or be injected with a drug of abuse and submit to random drug testing as provided in division (D) of this section to determine whether the offender ingested or was injected with a drug of abuse and requiring that the results of the drug test indicate that the offender did not ingest or was not injected with a drug of abuse.

(2)(a) If a court sentences an offender to any community control sanction or combination of community control sanctions authorized pursuant to section 2929.16, 2929.17, or 2929.18 of the Revised Code, the court shall place the offender under the general control and supervision of a department of probation in the county that serves the court for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer. Alternatively, if the offender resides in another county and a county department of probation has been established in that county or that county is served by a multicounty probation department established under section 2301.27 of the Revised Code, the court may request the court of common pleas of that county to receive the offender into the general control and supervision of that county or multicounty department of probation for purposes of reporting to the court a violation of any condition of the sanctions, any condition of release under a community control sanction imposed by the court, a violation of law, or the departure of the offender from this state without the permission of the court or the offender's probation officer, subject to the jurisdiction of the trial judge over and with respect to the person of the offender, and to the rules governing that department of probation.

If there is no department of probation in the county that serves the court, the court shall place the offender, regardless of the offender's county of residence, under the general control and supervision of the adult parole authority if the court has entered into an agreement with the authority as described in division (B) of section 2301.32 of the Revised Code or under an entity authorized under division (B) of section 2301.27 of the Revised Code to provide probation and supervisory services to

counties for purposes of reporting to the court a violation of any 20408
of the sanctions, any condition of release under a community 20409
control sanction imposed by the court, a violation of law, or the 20410
departure of the offender from this state without the permission 20411
of the court or the offender's probation officer. 20412

(b) If the court imposing sentence upon an offender sentences 20413
the offender to any community control sanction or combination of 20414
community control sanctions authorized pursuant to section 20415
2929.16, 2929.17, or 2929.18 of the Revised Code, and if the 20416
offender violates any condition of the sanctions, any condition of 20417
release under a community control sanction imposed by the court, 20418
violates any law, or departs the state without the permission of 20419
the court or the offender's probation officer, the public or 20420
private person or entity that operates or administers the sanction 20421
or the program or activity that comprises the sanction shall 20422
report the violation or departure directly to the sentencing 20423
court, or shall report the violation or departure to the county or 20424
multicounty department of probation with general control and 20425
supervision over the offender under division (A)(2)(a) of this 20426
section or the officer of that department who supervises the 20427
offender, or, if there is no such department with general control 20428
and supervision over the offender under that division, to the 20429
adult parole authority if the court has entered into an agreement 20430
with the authority as described in division (B) of section 2301.32 20431
of the Revised Code, or an entity authorized under division (B) of 20432
section 2301.27 of the Revised Code to provide probation and 20433
supervisory services to the county. If the public or private 20434
person or entity that operates or administers the sanction or the 20435
program or activity that comprises the sanction reports the 20436
violation or departure to the county or multicounty department of 20437
probation, the adult parole authority, or any other entity 20438
providing probation and supervisory services to the county, the 20439
department's, authority's, or other entity's officers may treat 20440

the offender as if the offender were on probation and in violation 20441
of the probation, and shall report the violation of the condition 20442
of the sanction, any condition of release under a community 20443
control sanction imposed by the court, the violation of law, or 20444
the departure from the state without the required permission to 20445
the sentencing court. 20446

(3) If an offender who is eligible for community control 20447
sanctions under this section admits to being drug addicted or the 20448
court has reason to believe that the offender is drug addicted, 20449
and if the offense for which the offender is being sentenced was 20450
related to the addiction, the court may require that the offender 20451
be assessed by a properly credentialed professional within a 20452
specified period of time and shall require the professional to 20453
file a written assessment of the offender with the court. If a 20454
court imposes treatment and recovery support services as a 20455
community control sanction, the court shall direct the level and 20456
type of treatment and recovery support services after 20457
consideration of the written assessment, if available at the time 20458
of sentencing, and recommendations of the professional and other 20459
treatment and recovery support services providers. 20460

(4) If an assessment completed pursuant to division (A)(3) of 20461
this section indicates that the offender is addicted to drugs or 20462
alcohol, the court may include in any community control sanction 20463
imposed for a violation of section 2925.02, 2925.03, 2925.04, 20464
2925.05, 2925.06, 2925.11, 2925.13, 2925.22, 2925.23, 2925.36, or 20465
2925.37 of the Revised Code a requirement that the offender 20466
participate in alcohol and drug addiction services and recovery 20467
supports certified under section 5119.36 of the Revised Code or 20468
offered by a properly credentialed community addiction services 20469
provider. 20470

(B)(1) If the conditions of a community control sanction are 20471
violated or if the offender violates a law or leaves the state 20472

without the permission of the court or the offender's probation officer, the sentencing court may impose upon the violator one or more of the following penalties:

(a) A longer time under the same sanction if the total time under the sanctions does not exceed the five-year limit specified in division (A) of this section;

(b) A more restrictive sanction under section 2929.16, 2929.17, or 2929.18 of the Revised Code, including but not limited to, a new term in a community-based correctional facility, halfway house, or jail pursuant to division (A)(6) of section 2929.16 of the Revised Code;

(c) A prison term on the offender pursuant to section 2929.14 of the Revised Code and division (B)(3) of this section, provided that a prison term imposed under this division is subject to the following limitations, as applicable:

(i) If the prison term is imposed for any technical violation of the conditions of a community control sanction imposed for a felony of the fifth degree or for any violation of law committed while under a community control sanction imposed for such a felony that consists of a new criminal offense and that is not a felony, the prison term shall not exceed ninety days.

(ii) If the prison term is imposed for any technical violation of the conditions of a community control sanction imposed for a felony of the fourth degree that is not an offense of violence and is not a sexually oriented offense or for any violation of law committed while under a community control sanction imposed for such a felony that consists of a new criminal offense and that is not a felony, the prison term shall not exceed one hundred eighty days.

(2) If an offender was acting pursuant to division (B)(2)(b) of section 2925.11 of the Revised Code and in so doing violated

the conditions of a community control sanction based on a minor drug possession offense, as defined in section 2925.11 of the Revised Code, the sentencing court may consider the offender's conduct in seeking or obtaining medical assistance for another in good faith or for self or may consider the offender being the subject of another person seeking or obtaining medical assistance in accordance with that division as a mitigating factor before imposing any of the penalties described in division (B)(1) of this section.

(3) The prison term, if any, imposed upon a violator pursuant to this division and division (B)(1) of this section shall be within the range of prison terms described in this division and shall not exceed the prison term specified in the notice provided to the offender at the sentencing hearing pursuant to division (B)(2) of section 2929.19 of the Revised Code. The court may reduce the longer period of time that the offender is required to spend under the longer sanction, the more restrictive sanction, or a prison term imposed pursuant to division (B)(1) of this section by the time the offender successfully spent under the sanction that was initially imposed. Except as otherwise specified in this division, the prison term imposed under this division and division (B)(1) of this section shall be within the range of prison terms available as a definite term for the offense for which the sanction that was violated was imposed. If the offense for which the sanction that was violated was imposed is a felony of the first or second degree committed on or after ~~the effective date of this amendment~~ March 22, 2019, the prison term so imposed under this division shall be within the range of prison terms available as a minimum term for the offense under division (A)(1)(a) or (2)(a) of section 2929.14 of the Revised Code.

(C) If an offender, for a significant period of time, fulfills the conditions of a sanction imposed pursuant to section

2929.16, 2929.17, or 2929.18 of the Revised Code in an exemplary 20536
manner, the court may reduce the period of time under the sanction 20537
or impose a less restrictive sanction, but the court shall not 20538
permit the offender to violate any law or permit the offender to 20539
leave the state without the permission of the court or the 20540
offender's probation officer. 20541

(D)(1) If a court under division (A)(1) of this section 20542
imposes a condition of release under a community control sanction 20543
that requires the offender to submit to random drug testing, the 20544
department of probation, the adult parole authority, or any other 20545
entity that has general control and supervision of the offender 20546
under division (A)(2)(a) of this section may cause the offender to 20547
submit to random drug testing performed by a laboratory or entity 20548
that has entered into a contract with any of the governmental 20549
entities or officers authorized to enter into a contract with that 20550
laboratory or entity under section 341.26, 753.33, or 5120.63 of 20551
the Revised Code. 20552

(2) If no laboratory or entity described in division (D)(1) 20553
of this section has entered into a contract as specified in that 20554
division, the department of probation, the adult parole authority, 20555
or any other entity that has general control and supervision of 20556
the offender under division (A)(2)(a) of this section shall cause 20557
the offender to submit to random drug testing performed by a 20558
reputable public laboratory to determine whether the individual 20559
who is the subject of the drug test ingested or was injected with 20560
a drug of abuse. 20561

(3) A laboratory or entity that has entered into a contract 20562
pursuant to section 341.26, 753.33, or 5120.63 of the Revised Code 20563
shall perform the random drug tests under division (D)(1) of this 20564
section in accordance with the applicable standards that are 20565
included in the terms of that contract. A public laboratory shall 20566
perform the random drug tests under division (D)(2) of this 20567

section in accordance with the standards set forth in the policies 20568
and procedures established by the department of rehabilitation and 20569
correction pursuant to section 5120.63 of the Revised Code. An 20570
offender who is required under division (A)(1) of this section to 20571
submit to random drug testing as a condition of release under a 20572
community control sanction and whose test results indicate that 20573
the offender ingested or was injected with a drug of abuse shall 20574
pay the fee for the drug test if the department of probation, the 20575
adult parole authority, or any other entity that has general 20576
control and supervision of the offender requires payment of a fee. 20577
A laboratory or entity that performs the random drug testing on an 20578
offender under division (D)(1) or (2) of this section shall 20579
transmit the results of the drug test to the appropriate 20580
department of probation, the adult parole authority, or any other 20581
entity that has general control and supervision of the offender 20582
under division (A)(2)(a) of this section. 20583

Sec. 2929.34. (A) A person who is convicted of or pleads 20584
guilty to aggravated murder, murder, or an offense punishable by 20585
life imprisonment and who is sentenced to a term of life 20586
imprisonment or a prison term pursuant to that conviction shall 20587
serve that term in an institution under the control of the 20588
department of rehabilitation and correction. 20589

(B)(1) A person who is convicted of or pleads guilty to a 20590
felony other than aggravated murder, murder, or an offense 20591
punishable by life imprisonment and who is sentenced to a term of 20592
imprisonment or a prison term pursuant to that conviction shall 20593
serve that term as follows: 20594

(a) Subject to divisions (B)(1)(b), (B)(2), and (B)(3) of 20595
this section, in an institution under the control of the 20596
department of rehabilitation and correction if the term is a 20597
prison term or as otherwise determined by the sentencing court 20598

pursuant to section 2929.16 of the Revised Code if the term is not a prison term;

(b) In a facility of a type described in division (G)(1) of section 2929.13 of the Revised Code, if the offender is sentenced pursuant to that division.

(2) If the term is a prison term, the person may be imprisoned in a jail that is not a minimum security jail pursuant to agreement under section 5120.161 of the Revised Code between the department of rehabilitation and correction and the local authority that operates the jail.

(3)(a) As used in divisions (B)(3)(a) to (d) of this section:

~~(i) "Target county" means Franklin county, Cuyahoga county, Hamilton county, Summit county, Montgomery county, Lucas county, Butler county, Stark county, Lorain county, and Mahoning county.~~

~~(ii) "Voluntary, "voluntary county" means any county in which the board of county commissioners of the county and the administrative judge of the general division of the court of common pleas of the county enter into an agreement of the type described in division (B)(3)(b) of this section and in which the agreement has not been terminated as described in that division.~~

(b) In any voluntary county ~~other than a target county~~, the board of county commissioners of the county and the administrative judge of the general division of the court of common pleas of the county may agree to having the county participate in the procedures regarding local and state confinement established under division (B)(3)(c) of this section. A board of county commissioners and an administrative judge of a court of common pleas that enter into an agreement of the type described in this division may terminate the agreement, but a termination under this division shall take effect only at the end of the state fiscal biennium in which the termination decision is made.

(c) Except as provided in division (B)(3)(d) of this section, 20630
on and after July 1, 2018, no person sentenced by the court of 20631
common pleas of a ~~target county or of a~~ voluntary county to a 20632
prison term ~~that is twelve months or less~~ for a felony of the 20633
fifth degree shall serve the term in an institution under the 20634
control of the department of rehabilitation and correction. The 20635
person shall instead serve the sentence as a term of confinement 20636
in a facility of a type described in division (C) or (D) of this 20637
section. Nothing in this division relieves the state of its 20638
obligation to pay for the cost of confinement of the person in a 20639
community-based correctional facility under division (D) of this 20640
section. 20641

(d) Division (B)(3)(c) of this section does not apply to any 20642
person to whom any of the following apply: 20643

(i) The felony of the fifth degree was an offense of 20644
violence, as defined in section 2901.01 of the Revised Code, a sex 20645
offense under Chapter 2907. of the Revised Code, a violation of 20646

section. 20685

(B) The board of county commissioners shall establish a 20686

defender for reimbursement. The request for reimbursement shall be 20732
accompanied by a financial disclosure form completed by each 20733
indigent person for whom counsel was provided on a form prescribed 20734

costs and expenses that are reimbursable under section 120.35 of 20742
the Revised Code, if any, to the board. 20743

(F) If any county system for paying appointed counsel fails 20744
to maintain the standards for the conduct of the system 20745

the commission shall notify the board of county commissioners of 20750
the county that the county system for paying appointed counsel has 20751
failed to comply with its rules. Unless the board corrects the 20752
conduct of its appointed counsel system to comply with the rules 20753
within ninety days after the date of the notice, the state public 20754
defender may deny all or part of the county's reimbursement from 20755
the state provided for in this section. 20756

Sec. 2950.08. (A) Subject to division (B) of this section, 20757

(4) The director of job and family services, or an employee 20783
of the director, for the purpose of complying with division (D) of 20784

(B) Division (A) of this section does not apply to any 20786
information that is contained in the internet sex offender and 20787

child-victim offender database established by the attorney general 20788
under division (A)(11) of section 2950.13 of the Revised Code 20789
regarding offenders and that is disseminated as described in that 20790
division. 20791

Sec. 3107.035. (A) At the time of the initial home study, and 20792
every two years thereafter, if the home study is updated, and 20793
until it becomes part of a final decree of adoption or an 20794
interlocutory order of adoption, the agency or attorney that 20795
arranges an adoption for the prospective adoptive parent shall 20796
conduct a search of the United States department of justice 20797
national sex offender public web site regarding the prospective 20798
adoptive parent and all persons eighteen years of age or older who 20799
reside with the prospective adoptive parent. 20800

(B) A petition for adoption may be denied based solely on the 20801
results of the search of the national sex offender public web 20802
site. 20803

(C) The director of job and family services shall adopt rules 20804

(B) The court may continue the hearing from time to time to 20810
permit further observation, investigation, or consideration of any 20811
facts or circumstances affecting the granting of the petition, and 20812
may examine the petitioners separate and apart from each other. 20813

(C) If, at the conclusion of the hearing, the court finds 20814
that the required consents have been obtained or excused and that 20815
the adoption is in the best interest of the person sought to be 20816
adopted as supported by the evidence, it may issue, subject to 20817

division (C)(1)~~(a)~~ of section 2151.86, section 3107.064, and 20818
division (E) of section 3107.09 of the Revised Code, and any other 20819
limitations specified in this chapter, a final decree of adoption 20820
or an interlocutory order of adoption, which by its own terms 20821

specified in the order, which, except as provided in division (B) 20823
of section 3107.13 of the Revised Code, shall not be less than six 20824

adoption is in the best interest of the person sought to be 20828

the petitioner is old enough to adopt as provided by section 20830
3107.03 of the Revised Code. 20831

In an interlocutory order of adoption, the court shall 20832

petitioner in violation of law, the court shall dismiss the 20839
petition and may determine the agency or person to have temporary 20840
or permanent custody of the person, which may include the agency 20841

county where the minor is then residing for appropriate action and 20846

orders issued in accordance with that schedule and the worksheets 20856
created under rules adopted under section 3119.022 of the Revised 20857
Code adequately provide for the needs of children who are subject 20858
to the child support orders. ~~The department may consider the 20859
adequacy and appropriateness of the current schedule, whether 20860
there are substantial and permanent changes in household 20861
consumption and savings patterns, particularly those resulting in 20862
substantial and permanent changes in the per cent of total 20863
household expenditures on children, and whether there have been 20864
substantial and permanent changes to the federal and state income 20865
tax code other than inflationary adjustments to such things as the 20866

section 3119.021 of the Revised Code. The department shall prepare 20870

~~(E)~~(G) Any expenses incurred by an advisory council shall be 20939
paid by the department. 20940

Sec. 3119.05. When a court computes the amount of child 20941
support required to be paid under a court child support order or a 20942
child support enforcement agency computes the amount of child 20943
support to be paid pursuant to an administrative child support 20944
order, all of the following apply: 20945

(A) The parents' current and past income and personal 20946
earnings shall be verified by electronic means or with suitable 20947
documents, including, but not limited to, paystubs, employer 20948
statements, receipts and expense vouchers related to 20949
self-generated income, tax returns, and all supporting 20950
documentation and schedules for the tax returns. 20951

(B) The annual amount of any court-ordered spousal support 20952
actually paid, excluding any ordered payment on arrears, shall be 20953
deducted from the annual income of that parent to the extent that 20954
payment of that court-ordered spousal support is verified by 20955
supporting documentation. 20956

(C) The court or agency shall adjust the amount of child 20957
support paid by a parent to give credit for children not included 20958
in the current calculation. When calculating the adjusted amount, 20959
the court or agency shall use the schedule and do the following: 20960

(1) Determine the amount of child support that each parent 20961
would be ordered to pay for all children for whom the parent has 20962
the legal duty to support, according to each parent's annual 20963
income. If the number of children subject to the order is greater 20964
than six, multiply the amount for three children in accordance 20965
with division (C)(4) of this section to determine the amount of 20966
child support. 20967

(2) Compute a child support credit amount for each parent's 20968

children who are not subject to this order by dividing the amount 20969
determined in division (C)(1) of this section by the total number 20970
of children whom the parent is obligated to support and 20971
multiplying that number by the number of the parent's children who 20972
are not subject to this order. 20973

(3) Determine the adjusted income of the parents by 20974
subtracting the credit for minor children not subject to this 20975
order computed under division (C)(2) of this section, from the 20976
annual income of each parent for the children each has a duty to 20977
support that are not subject to this order. 20978

(4) If the number of children is greater than six, multiply 20979
the amount for three children by: 20980

(a) 1.440 for seven children; 20981

(b) 1.540 for eight children; 20982

(c) 1.638 for nine children; 20983

(d) 1.734 for ten children; 20984

(e) 1.827 for eleven children; 20985

(f) 1.919 for twelve children; 20986

(g) 2.008 for thirteen children; 20987

(h) 2.096 for fourteen children; 20988

(i) 2.182 for more than fourteen children. 20989

(D) When the court or agency calculates the annual income of 20990
a parent, it shall include the lesser of the following as income 20991
from overtime and bonuses: 20992

(1) The yearly average of all overtime, commissions, and 20993
bonuses received during the three years immediately prior to the 20994
time when the person's child support obligation is being computed; 20995

(2) The total overtime, commissions, and bonuses received 20996
during the year immediately prior to the time when the person's 20997

child support obligation is being computed. 20998

(E) When the court or agency calculates the annual income of 20999
a parent, it shall not include any income earned by the spouse of 21000
that parent. 21001

(F) The court shall issue a separate medical support order 21002
for extraordinary medical expenses, including orthodontia, dental, 21003
optical, and psychological services. 21004

If the court makes an order for payment of private education, 21005
and other appropriate expenses, it shall do so by issuing a 21006
separate order. 21007

The court may consider these expenses in adjusting a child 21008
support order. 21009

(G) When a court or agency calculates the amount of child 21010
support to be paid pursuant to a court child support order or an 21011
administrative child support order, the following shall apply: 21012

(1) The court or agency shall apply the basic child support 21013
schedule to the parents' combined annual incomes and to each 21014
parent's individual income. 21015

(2) If the combined annual income of both parents or the 21016
individual annual income of a parent is an amount that is between 21017
two amounts set forth in the first column of the schedule, the 21018
court or agency may use the basic child support obligation that 21019
corresponds to the higher of the two amounts in the first column 21020
of the schedule, use the basic child support obligation that 21021
corresponds to the lower of the two amounts in the first column of 21022
the schedule, or calculate a basic child support obligation that 21023
is between those two amounts and corresponds proportionally to the 21024
parents' actual combined annual income or the individual parent's 21025
annual income. 21026

(3) If the annual individual income of either or both of the 21027

parents is within the self-sufficiency reserve in the basic child support schedule, the court or agency shall do both of the following:

(a) Calculate the basic child support obligation for the parents using the schedule amount applicable to the combined annual income and the schedule amount applicable to the income in the self-sufficiency reserve;

(b) Determine the lesser of the following amounts to be the applicable basic child support obligation:

(i) The amount that results from using the combined annual income of the parents not in the self-sufficiency reserve of the schedule; or

(ii) The amount that results from using the individual parent's income within the self-sufficiency reserve of the schedule.

(H) When the court or agency calculates annual income, the court or agency, when appropriate, may average income over a reasonable period of years.

(I) Unless it would be unjust or inappropriate and therefore not in the best interests of the child, a court or agency shall not determine a parent to be voluntarily unemployed or underemployed and shall not impute income to that parent if any of the following conditions exist:

(1) The parent is receiving recurring monetary income from means-tested public assistance benefits, including cash assistance payments under the Ohio works first program established under Chapter 5107. of the Revised Code, general assistance under former Chapter 5113. of the Revised Code, supplemental security income, or means-tested veterans' benefits;

(2) The parent is approved for social security disability

insurance benefits because of a mental or physical disability, or 21058
the court or agency determines that the parent is unable to work 21059
based on medical documentation that includes a physician's 21060
diagnosis and a physician's opinion regarding the parent's mental 21061
or physical disability and inability to work. 21062

(3) The parent has proven that the parent has made continuous 21063
and diligent efforts without success to find and accept 21064
employment, including temporary employment, part-time employment, 21065
or employment at less than the parent's previous salary or wage. 21066

(4) The parent is complying with court-ordered family 21067
reunification efforts in a child abuse, neglect, or dependency 21068
proceeding, to the extent that compliance with those efforts 21069
limits the parent's ability to earn income. 21070

(5) The parent is ~~incarcerated or~~ institutionalized for a 21071
period of twelve months or more with no other available income or 21072
~~assets, unless the parent is incarcerated for an offense relating~~ 21073
~~to the abuse or neglect of a child who is the subject of the~~ 21074
~~support order or an offense under Title XXIX of the Revised Code~~ 21075
~~against the obligee or a child who is the subject of the support~~ 21076
~~order.~~ 21077

(J) When a court or agency calculates the income of a parent, 21078
it shall not determine a parent to be voluntarily unemployed or 21079
underemployed and shall not impute income to that parent if the 21080
parent is incarcerated. 21081

(K) When a court or agency requires a parent to pay an amount 21082
for that parent's failure to support a child for a period of time 21083
prior to the date the court modifies or issues a court child 21084
support order or an agency modifies or issues an administrative 21085
child support order for the current support of the child, the 21086
court or agency shall calculate that amount using the basic child 21087
support schedule, worksheets, and child support laws in effect, 21088

and the incomes of the parents as they existed, for that prior 21089
period of time. 21090

~~(K)~~(L) A court or agency may disregard a parent's additional 21091
income from overtime or additional employment when the court or 21092
agency finds that the additional income was generated primarily to 21093
support a new or additional family member or members, or under 21094
other appropriate circumstances. 21095

~~(L)~~(M) If both parents involved in the immediate child 21096
support determination have a prior order for support relative to a 21097
minor child or children born to both parents, the court or agency 21098
shall collect information about the existing order or orders and 21099
consider those together with the current calculation for support 21100
to ensure that the total of all orders for all children of the 21101
parties does not exceed the amount that would have been ordered if 21102
all children were addressed in a single judicial or administrative 21103
proceeding. 21104

~~(M)~~(N) A support obligation of a parent with annual income 21105
subject to the self-sufficiency reserve of the basic child support 21106
schedule shall not exceed the support obligation that would result 21107
from application of the schedule without the reserve. 21108

~~(N)~~(O) Any non-means tested benefit received by the child or 21109
children subject to the order resulting from the claims of either 21110
parent shall be deducted from that parent's annual child support 21111
obligation after all other adjustments have been made. If that 21112
non-means tested benefit exceeds the child support obligation of 21113
the parent from whose claim the benefit is realized, the child 21114
support obligation for that parent shall be zero. 21115

~~(O)~~(P) As part of the child support calculation, the parents 21116
shall be ordered to share the costs of child care. Subject to the 21117
limitations in this division, a child support obligor shall pay an 21118
amount equal to the obligor's income share of the child care cost 21119

incurred for the child or children subject to the order. 21120

(1) The child care cost used in the calculation: 21121

(a) Shall be for the child determined to be necessary to 21122
allow a parent to work, or for activities related to employment 21123
training; 21124

(b) Shall be verifiable by credible evidence as determined by 21125
a court or child support enforcement agency; 21126

(c) Shall exclude any reimbursed or subsidized child care 21127
cost, including any state or federal tax credit for child care 21128
available to the parent or caretaker, whether or not claimed; 21129

(d) Shall not exceed the maximum state-wide average cost 21130
estimate ~~issued by the department of job and family services,~~ 21131
~~using the data collected and reported as required in section~~ 21132
~~5104.04 of the Revised Code~~ determined in accordance with 45 21133
C.F.R. 98.45. 21134

(2) When the annual income of the obligor is subject to the 21135
self-sufficiency reserve of the basic support schedule, the share 21136
of the child care cost paid by the obligor shall be equal to the 21137
lower of the obligor's income share of the child care cost, or 21138
fifty per cent of the child care cost. 21139

(O) As used in this section, a parent is considered 21140
"incarcerated" if the parent is confined under a sentence imposed 21141
for an offense or serving a term of imprisonment, jail, or local 21142
incarceration, or other term under a sentence imposed by a 21143
government entity authorized to order such confinement. 21144

of the Revised Code, including extraordinary costs associated with 21190
caring for a child or children with specialized physical, 21191
psychological, or educational needs; 21192

(Q) Any other relevant factor. 21193

If the court grants a deviation based on division (Q) of this 21194
section, it shall specifically state in the order the facts that 21195
are the basis for the deviation. 21196

Sec. 3119.27. (A) A court that issues or modifies a court 21197
support order, or an administrative agency that issues or modifies 21198
an administrative child support order, shall impose on the obligor 21199
under the support order a processing charge in the amount of two 21200
per cent of the support payment to be collected under a support 21201
order. No court or agency may call the charge a poundage fee. 21202

(B) In each child support case that is a Title IV-D case, the 21203
department of job and family services shall annually claim 21204
~~twenty-five~~ thirty-five dollars from the processing charge 21205
described in division (A) of this section for federal reporting 21206

~~(D)~~(C) "Health plan administrator" means any entity authorized under Title XXXIX of the Revised Code to engage in the business of insurance in this state, any health insuring corporation, any legal entity that is self-insured and provides

benefits to its employees or members, and the administrator of any 21239
such entity or corporation. 21240

~~(E)~~(D) "National medical support notice" means a form 21241
required by the "Child Support Performance and Incentive Act of 21242

amended, and jointly developed and promulgated by the secretary of 21244
health and human services and the secretary of labor in federal 21245
regulations adopted under that act as modified by the department 21246

~~(F)~~(E) "Person required to provide health insurance coverage" 21249

Revised Code. 21254

~~(G)~~(F) "Reasonable cost" means that the cost of ~~private~~ 21255
health insurance coverage to the person required to provide health 21256
insurance coverage for the children who are the subject of the 21257
child support order does not exceed an amount equal to five per 21258
cent of the annual income of that person. ~~For purposes of this~~ 21259
~~division, the cost of health insurance is an amount equal to the~~ 21260
~~difference in cost between self only and family coverage.~~ 21261

~~However, if the United States secretary of health and human 21262
services issues a regulation that redefines "reasonable cost" or a 21263
similar term or phrase, or clarifies the elements of cost used 21264
when determining reasonable cost relating to the provision of 21265
health care for children in a child support order, and if those 21266
changes are substantively different than the definitions and terms 21267
used in this section, those terms shall have the meaning as 21268
defined by the United States secretary of health and human 21269
services.~~ 21270

Sec. 3119.30. (A) In any action or proceeding in which a 21271
child support order is issued or modified, the court, with respect 21272
to court child support orders, and the child support enforcement 21273
agency, with respect to administrative child support orders, shall 21274
determine the person or persons responsible for the health care 21275
coverage of the children subject to the child support order and 21276
shall include provisions for the health care coverage of the 21277
children in the child support order. The order shall specify that 21278
the obligor and obligee are both liable for the health care 21279
expenses for the children who are not covered by private health 21280
insurance according to a formula established by each court, with 21281
respect to a court child support order, or each child support 21282
enforcement agency, with respect to an administrative child 21283
support order. 21284

(B) The child support obligee is rebuttably presumed to be 21285
the appropriate parent to provide health insurance coverage for 21286
the children subject to the child support order. The order shall 21287
specify that the obligee must provide the health insurance 21288
coverage unless rebutted pursuant to division (B)(1) of this 21289
section. 21290

(1) The court or child support enforcement agency may 21291
consider the following factors to rebut the presumption when 21292
determining if the child support obligor is the appropriate parent 21293
to provide health insurance coverage: 21294

(a) The obligor already has health insurance coverage for the 21295
child that is reasonable in cost; 21296

(b) The obligor already has health insurance coverage in 21297
place for the child that is not reasonable in cost, but the 21298
obligor wishes to be named the health insurance obligor and 21299
provide coverage under division (A)(2)(a) of section 3119.302 of 21300
the Revised Code; 21301

(c) The obligor can obtain health insurance coverage for the 21302
child that is reasonable in cost through an employer or other 21303
source. For employer-based coverage, the court or child support 21304
enforcement agency shall consider the length of time the obligor 21305
has worked with the employer and the stability of the insurance. 21306

(d) The obligee is a non-parent individual or agency that has 21307
no duty to provide medical support. 21308

(2) If ~~private~~ health insurance coverage for the children is 21309
not available at a reasonable cost to the obligor or the obligee 21310
at the time the court or agency issues the order, the order shall 21311
include a requirement that the obligee obtain ~~private~~ health 21312
insurance care coverage for the children not later than thirty 21313
days after it becomes available to the obligee at a reasonable 21314
cost, and to inform the child support enforcement agency when 21315
~~private~~ health insurance care coverage for the children has been 21316
obtained. 21317

(3) If ~~private~~ health insurance coverage becomes available to 21318
the obligor at a reasonable cost, the obligor shall inform the 21319
child support enforcement agency and may seek a modification of 21320
health insurance care coverage from the court with respect to a 21321
court child support order, or from the agency with respect to an 21322
administrative support order. 21323

(C) When a child support order is issued or modified, the 21324
order shall include a cash medical support amount consistent with 21325
division (B) of section 3119.302 of the Revised Code for each 21326
child subject to the order. The cash medical support amount shall 21327
be ordered based on the number of children subject to the order 21328
and split between the parties using the parents' income share. 21329

(D) Any cash medical support paid pursuant to division (C) of 21330
this section shall be paid through the department of job and 21331
family services by the obligor to either the obligee if the 21332

children are not medicaid recipients, or to the department of 21333
medicaid when a medicaid assignment is in effect for any child 21334
under the support order. 21335

(E) The cost of providing health insurance coverage for a 21336
child subject to an order shall be defrayed by a credit against 21337
that parent's annual income when calculating support as required 21338
under section 3119.02 of the Revised Code using the basic child 21339
support schedule and applicable worksheet. The credit shall be 21340
equal to the total actual out-of-pocket cost for health insurance 21341
premiums for the coverage. Any credit given will be less any 21342
subsidy, including a premium tax credit or cost-sharing reduction 21343
received by the parent providing coverage. 21344

(F) Both parents may be ordered to provide health care 21345
coverage and pay cash medical support if the obligee is a 21346
nonparent individual or agency that has no duty to provide medical 21347
support. 21348

Sec. 3119.302. (A) When the court, with respect to a court 21349
child support order, or the child support enforcement agency, with 21350
respect to an administrative child support order, determines the 21351
person or persons responsible for the health care coverage of the 21352
children subject to the order pursuant to section 3119.30 of the 21353
Revised Code, all of the following apply: 21354

(1) The court or agency shall consider any ~~private~~ health 21355
insurance coverage in which the obligor, obligee, or children, are 21356
enrolled at the time the court or agency issues the order. 21357

(2) If the cost of ~~private~~ health insurance coverage to 21358
either parent exceeds a reasonable cost, that parent shall not be 21359
ordered to provide ~~private~~ health insurance coverage for the child 21360
except as follows: 21361

(a) When the parent requests to obtain or maintain the 21362

~~private~~ health insurance coverage that exceeds a reasonable cost; 21363

(b) When the court determines that it is in the best interest 21364
of the children for a parent to obtain and maintain ~~private~~ health 21365
insurance coverage that exceeds a reasonable cost and the cost 21366
will not impose an undue financial burden on either parent. If the 21367
court makes such a determination, the court must include the facts 21368
and circumstances of the determination in the child support order. 21369

(3) If ~~private~~ health insurance coverage is available at a 21370
reasonable cost to either parent through a group policy, contract, 21371
or plan, and the court determines that it is not in the best 21372
interest of the children to utilize the available ~~private~~ health 21373
insurance coverage, the court shall state the facts and 21374
circumstances of the determination in the child support order. 21375

(4) Notwithstanding division ~~(C)~~(B) of section 3119.29 of the 21376
Revised Code, the court or agency may do either of the following: 21377

(a) Permit primary care services to be farther than thirty 21378
miles if residents in part or all of the immediate geographic area 21379
customarily travel farther distances ; 21380

(b) Require primary care services be accessible by public 21381
transportation if public transportation is the obligee's only 21382
source of transportation. 21383

If the court or agency makes either accessibility 21384
determination, it shall include this accessibility determination 21385
in the child support order. 21386

(B) The director of job and family services shall 21387
periodically update the amount of the cash medical support 21388
obligation to be paid pursuant to division (C) of section 3119.30 21389
of the Revised Code. The updates shall be made in consideration of 21390
the medical expenditure panel survey, conducted by the United 21391
States department of health and human services for health care 21392
research and quality. The amount shall be based on the most recent 21393

survey year data available and shall be calculated by multiplying 21394
the total amount expended for health services for children by the 21395
percentage that is out-of-pocket divided by the number of 21396
individuals less than eighteen years of age that have any private 21397
insurance. 21398

Sec. 3119.31. In any action or proceeding in which a court or 21399
child support enforcement agency is determining the person 21400
responsible for the health care coverage of the children who are 21401
or will be the subject of a child support order, each party shall 21402
provide to the court or child support enforcement agency a list of 21403
any group health insurance policies, contracts, or plans available 21404
to the party and the cost ~~for self only and family~~ of coverage 21405
under the available policies, contracts, or plans. 21406

Sec. 3119.32. A child support order shall contain all of the 21407
following: 21408

are required under section 3119.30 of the Revised Code to provide 21410

requirement that whoever is required to provide ~~private~~ health 21412
~~insurance~~ care coverage provide to the other, not later than 21413
thirty days after the issuance of the order, information regarding 21414
the benefits, limitations, and exclusions of the coverage, copies 21415
of any ~~insurance~~ forms necessary to receive reimbursement, 21416
payment, or other benefits under the coverage, and a copy of any 21417
necessary ~~insurance cards~~ proof of coverage; 21418

(2) If the obligor, obligee, or both obligor and obligee, are 21419
required under section 3119.30 of the Revised Code to provide 21420
~~private~~ health ~~insurance~~ care coverage for the children, a 21421
requirement that whoever is required to provide ~~private~~ health 21422
~~insurance~~ care coverage provide to the child support enforcement 21423

agency, not later than thirty days after the issuance of the 21424
order, documentation that verifies that coverage is being provided 21425
as ordered. 21426

(B) A statement setting forth the name and address of the 21427
individual who is to be reimbursed for medical expenses. 21428

(C) A requirement that a person required to provide ~~private~~ 21429
health ~~insurance~~ care coverage for the children designate the 21430
children as covered dependents under any ~~private~~ health ~~insurance~~ 21431

~~contracts~~. 21433

(D) A requirement that the obligor, the obligee, or both of 21434
them under a formula established by the court, with respect to a 21435
court child support order, or the child support enforcement 21436
agency, with respect to an administrative child support order, pay 21437
extraordinary medical expenses for the children. 21438

(E) A notice that the employer of the person required to 21439
obtain ~~private~~ health ~~insurance~~ care coverage through that 21440
employer is required to release to the other parent, any person 21441
subject to an order issued under section 3109.19 of the Revised 21442
Code, or the child support enforcement agency on written request 21443

issuance of a notice requiring the new employer to take whatever 21456
action is necessary to enroll the children in private health care 21457
insurance coverage provided by the new employer, when insurance is 21458
not being provided by any other source." 21459

Sec. 3125.25. The director of job and family services shall 21460

(D)(1) Wherever in Titles IX, XXIII, XXIX, XXXIII, XXXVII, 21553

promotion of students or requirements for graduation on the 21581
ability of students, at any grade level, to earn credits or 21582

The state board shall base any standards governing the 21587
assignment of staff on ensuring each school has a sufficient 21588

In the formulation and administration of such standards for 21591
nonpublic schools the board shall also consider the particular 21592
needs, methods and objectives of those schools, provided they do 21593
not conflict with the provision of a general education of a high 21594

(F) No person shall be charged a fee for taking any assessment administered under this section.

the assessments have been administered. 22095

However, any assessment that a student takes during the 22096

later than the thirtieth day of June following the administration. 22118

(3) For assessments administered under this section by a 22119
joint vocational school district, the department or entity shall 22120
also send to each city, local, or exempted village school district 22121
a list of the individual scores of any students of such city, 22122
local, or exempted village school district who are attending 22123

87 Stat. 355, 29 U.S.C. 794, as amended, specifies that taking the 22139
assessment in an online format is an appropriate accommodation for 22140
the student may take the assessment in an online format. 22141

(H) Individual scores on any assessments administered under 22142
this section shall be released by a district board only in 22143

accordance with section 3319.321 of the Revised Code and the rules 22144
adopted under division (A) of this section. No district board or 22145
its employees shall utilize individual or aggregate results in any 22146
manner that conflicts with rules for the ethical use of 22147
assessments adopted pursuant to division (A) of this section. 22148

(I) Except as provided in division (G) of this section, the 22149
department or an entity with which the department contracts for 22150
the scoring of the assessment shall not release any individual 22151
scores on any assessment administered under this section. The 22152
state board shall adopt rules to ensure the protection of student 22153

data verification codes assigned to students pursuant to division 22155
(D)(2) of section 3301.0714 of the Revised Code to protect the 22156
confidentiality of student scores. 22157

school district established pursuant to divisions (A) to (C) of 22165
section 3311.52 of the Revised Code may enter into an agreement 22166

section to students of the city, exempted village, or local school 22169
district who are attending school in the cooperative education 22170
school district. 22171

(2) In accordance with rules that the state board shall 22172

school district established pursuant to section 3311.521 of the 22175

department, the parent or guardian of a student enrolled in the 22196
school who is not participating in a state scholarship program may 22197
submit notice to the chief administrative officer of the school 22198
that the parent or guardian does not wish to have the student take 22199
the ~~elementary~~ assessments prescribed for the student's grade 22200
level under division (A) of section 3301.0710 of the Revised Code. 22201
If a parent or guardian submits an opt-out notice, the school 22202
shall not administer the assessments to that student. This option 22203
does not apply to any assessment required for a high school 22204
diploma under section 3313.612 of the Revised Code. 22205

Each chartered nonpublic school subject to division (K)(1) of 22206

this section shall report the results of each assessment 22207
administered under that division to the department. 22208

(2) A chartered nonpublic school may submit to the 22209
superintendent of public instruction a request for a waiver from 22210

submitted under division (K)(2) of this section. No waiver shall 22214

year. 22216

To be eligible to submit a request for a waiver, a chartered 22217
nonpublic school shall meet the following conditions: 22218

(a) At least ninety-five per cent of the students enrolled in 22219
the school are children with disabilities, as defined under 22220
section 3323.01 of the Revised Code, or have received a diagnosis 22221
by a school district or from a physician, including a 22222

including diagnostic assessments and nationally standardized 22234
norm-referenced achievement assessments that measure reading and 22235
math skills. 22236

(3) Any chartered nonpublic school that is not subject to 22237

division (K)(1) of this section may participate in the assessment 22238

division (A) of section 3301.0710 of the Revised Code. The chief 22240
administrator of the school shall specify which assessments the 22241
school will administer. Such specification shall be made in 22242
writing to the superintendent of public instruction prior to the 22243
first day of August of any school year in which assessments are 22244
administered and shall include a pledge that the nonpublic school 22245
will administer the specified assessments in the same manner as 22246
public schools are required to do under this section and rules 22247
adopted by the department. 22248

(4) The department of education shall furnish the assessments 22249
prescribed by section 3301.0710 of the Revised Code to each 22250
chartered nonpublic school that is subject to division (K)(1) of 22251
this section or participates under division (K)(3) of this 22252
section. 22253

scholarship program, the student shall either take all of the 22260
assessments prescribed by division (B) of section 3301.0712 of the 22261
Revised Code or take an alternative assessment approved by the 22262
department under section 3313.619 of the Revised Code. However, a 22263

division (A)(1) of section 3313.618 of the Revised Code to qualify 22267
for a high school diploma prior to the date of the administration 22268
of the assessment prescribed under division (B)(1) of section 22269

3301.0712 of the Revised Code shall not be required to take that 22270
assessment. No governing authority of a chartered nonpublic school 22271

(2) For a student who is enrolled in a chartered nonpublic 22274
school that is accredited through the independent schools 22275
association of the central states, and who is not attending the 22276
school under a state scholarship program, the student shall not be 22277
required to take any assessment prescribed under section 3301.0712 22278

state scholarship program, the student shall do one of the 22285

student's school publishes the results of that assessment for each 22291
graduating class. The published results of that assessment shall 22292
include the overall composite scores, mean scores, twenty-fifth 22293
percentile scores, and seventy-fifth percentile scores for each 22294
subject area of the assessment. 22295

(iii) Take an alternative assessment approved by the 22296
department under section 3313.619 of the Revised Code. 22297

(b) The school has solely served a student population described in division (L)(4)(a) of this section for at least ten years.

(c) The school makes available to the department at least five years of records of internal testing conducted by the school that affords the department data required for accountability purposes, including growth in student achievement in reading or mathematics, or both, as measured by nationally norm-referenced assessments that have developed appropriate standards for students.

Division (L)(4) of this section applies to any student

attending such school regardless of whether the student receives 22332
special education or related services and regardless of whether 22333

information provided in the hearing, the referee shall recommend 22929
whether the department should issue a revised report card for the 22930

the district did not make a good faith effort to report data as 22932
required by this section, the district shall bear the full cost of 22933
conducting the hearing and of issuing any revised report card. 22934

reported under this section caused a school district to receive 22936
excess state funds in any fiscal year, the district shall 22937
reimburse the department an amount equal to the excess funds, in 22938

The state board of education shall adopt rules, pursuant to 23190
Chapter 119. of the Revised Code, for the implementation of the 23191

Annually, not later than the fifteenth day of September or the preceding Friday when that day falls on a Saturday or Sunday, the department ~~of education~~ shall assign a letter grade for overall academic performance and for each separate performance measure for each school district, and each school building in a district, in accordance with this section. The state board shall adopt rules pursuant to Chapter 119. of the Revised Code to establish performance criteria for each letter grade and prescribe a method by which the department assigns each letter grade. For a school building to which any of the performance measures do not apply, due to grade levels served by the building, the state board shall designate the performance measures that are applicable to the building and that must be calculated separately and used to calculate the building's overall grade. The department shall issue annual report cards reflecting the performance of each school district, each building within each district, and for the state as a whole using the performance measures and letter grade system described in this section. located, as prescribed in section 3314.02 of the Revised Code, the 23269

(A)(1) For the 2012-2013 school year, the department shall 23272
issue grades as described in division (E) of this section for each 23273

and assigned a letter grade, including performance benchmarks for 23452
each grade. 23453

At least forty-five days prior to the stateboard's adoption 23454
of rules to prescribe the methods by which the performance 23455
measures under division (B)(1) of this section shall be assessed 23456
and assigned a letter grade, the department shall conduct a public 23457

career-technical courses offered through dual enrollment or 23570
statewide articulation, that appear on a student's college 23571

(c) Progress, which shall include the performance measures in divisions (C)(1)(e) and (f) of this section;	23605 23606
(d) Graduation, which shall include the performance measure in division (C)(1)(d) of this section;	23607 23608
(e) Kindergarten through third-grade literacy, which shall include the performance measure in division (C)(1)(g) of this section;	23609 23610 23611
(f) Prepared for success, which shall include the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. The state board shall develop a method to determine a grade for the component in division (C)(3)(f) of this section using the performance measures in divisions (C)(2)(a), (b), (c), (d), (e), and (f) of this section. When available, the state board may incorporate the performance measure under division (C)(2)(g) of this section into the component under division (C)(3)(f) of this section. When determining the overall grade for the prepared for success component prescribed by division (C)(3)(f) of this section, no individual student shall be counted in more than one performance measure. However, if a student qualifies for more than one performance measure in the component, the state board may, in its method to determine a grade for the component, specify an additional weight for such a student that is not greater than or equal to 1.0. In determining the overall score under division (C)(3)(f) of this section, the state board shall ensure that the pool of students included in the performance measures aggregated under that division are all of the students included in the four-	23612 23613 23614 23615 23616 23617 23618 23619 23620 23621 23622 23623 23624 23625 23626 23627 23628 23629 23630

and five-year adjusted graduation cohort. 23631

In the rules adopted under division (C)(3) of this section, 23632
the state board shall adopt a method for determining a grade for 23633
each component in divisions (C)(3)(a) to (f) of this section. The 23634
state board also shall establish a method to assign an overall 23635
grade of "A," "B," "C," "D," or "F" using the grades assigned for 23636
each component. The method the state board adopts for assigning an 23637
overall grade shall ~~give equal weight to the components in~~ 23638
~~divisions (C)(3)(b) and (c) of this section~~ use either the 23639
performance index score measure under division (C)(1)(b) or the 23640
value-added progress dimension measure under division (C)(1)(e) of 23641
this section, whichever is higher, but not both measures. The 23642
rules adopted by the state board shall prohibit the calculation of 23643
the overall grade to include both the performance index score and 23644
value-added progress dimension measures and shall ensure that a 23645
district or building receives the highest overall grade possible 23646
using the appropriate measure. However, for the purposes of 23647
prescribing new buildings where students are eligible for the 23648
educational choice scholarship under section 3310.03 of the 23649
Revised Code or defining "challenged school districts" in which 23650
new start-up community schools may be located, as prescribed in 23651
section 3314.02 of the Revised Code, the department shall use both 23652
measures to determine the overall letter grade for a district or a 23653
building. 23654

At least forty-five days prior to the state board's adoption 23655
of rules to prescribe the methods for calculating the overall 23656
grade for the report card, as required by this division, the 23657
department shall conduct a public presentation before the standing 23658
committees of the house of representatives and the senate that 23659
consider education legislation describing the format for the 23660
report card, weights that will be assigned to the components of 23661
the overall grade, and the method for calculating the overall 23662

grade. 23663

(D) On or after July 1, 2015, the state board may develop a 23664
measure of student academic progress for high school students 23665
using only data from assessments in English language arts and 23666
mathematics. If the state board develops this measure, each school 23667
district and applicable school building shall be assigned a 23668
separate letter grade for it not sooner than the 2017-2018 school 23669
year. The district's or building's grade for that measure shall 23670
not be included in determining the district's or building's 23671
overall letter grade. 23672

(E) The letter grades assigned to a school district or 23673
building under this section shall be as follows: 23674

(1) "A" for a district or school making excellent progress; 23675

(2) "B" for a district or school making above average 23676
progress; 23677

(3) "C" for a district or school making average progress; 23678

(4) "D" for a district or school making below average 23679
progress; 23680

(5) "F" for a district or school failing to meet minimum 23681
progress. 23682

(F) When reporting data on student achievement and progress, 23683
the department shall disaggregate that data according to the 23684
following categories: 23685

(1) Performance of students by grade-level; 23686

(2) Performance of students by race and ethnic group; 23687

(3) Performance of students by gender; 23688

(4) Performance of students grouped by those who have been 23689
enrolled in a district or school for three or more years; 23690

(5) Performance of students grouped by those who have been 23691

enrolled in a district or school for more than one year and less than three years;	23692 23693
(6) Performance of students grouped by those who have been enrolled in a district or school for one year or less;	23694 23695
(7) Performance of students grouped by those who are economically disadvantaged;	23696 23697
(8) Performance of students grouped by those who are enrolled in a conversion community school established under Chapter 3314. of the Revised Code;	23698 23699 23700
(9) Performance of students grouped by those who are classified as limited English proficient <u>learners</u> ;	23701 23702
(10) Performance of students grouped by those who have disabilities;	23703 23704
(11) Performance of students grouped by those who are classified as migrants;	23705 23706
(12) Performance of students grouped by those who are identified as gifted in superior cognitive ability and the specific academic ability fields of reading and math pursuant to Chapter 3324. of the Revised Code. In disaggregating specific academic ability fields for gifted students, the department shall use data for those students with specific academic ability in math and reading. If any other academic field is assessed, the department shall also include data for students with specific academic ability in that field as well.	23707 23708 23709 23710 23711 23712 23713 23714 23715
(13) Performance of students grouped by those who perform in the lowest quintile for achievement on a statewide basis, as determined by a method prescribed by the state board.	23716 23717 23718
The department may disaggregate data on student performance according to other categories that the department determines are appropriate. To the extent possible, the department shall	23719 23720 23721

disaggregate data on student performance according to any 23722
combinations of two or more of the categories listed in divisions 23723
(F)(1) to (13) of this section that it deems relevant. 23724

In reporting data pursuant to division (F) of this section, 23725
the department shall not include in the report cards any data 23726
statistical in nature that is statistically unreliable or that 23727
could result in the identification of individual students. For 23728
this purpose, the department shall not report student performance 23729
data for any group identified in division (F) of this section that 23730
contains less than ten students. If the department does not report 23731
student performance data for a group because it contains less than 23732
ten students, the department shall indicate on the report card 23733
that is why data was not reported. 23734

(G) The department may include with the report cards any 23735
additional education and fiscal performance data it deems 23736
valuable. 23737

(H) The department shall include on each report card a list 23738
of additional information collected by the department that is 23739
available regarding the district or building for which the report 23740
card is issued. When available, such additional information shall 23741
include student mobility data disaggregated by race and 23742
socioeconomic status, college enrollment data, and the reports 23743
prepared under section 3302.031 of the Revised Code. 23744

The department shall maintain a site on the world wide web. 23745
The report card shall include the address of the site and shall 23746
specify that such additional information is available to the 23747
public at that site. The department shall also provide a copy of 23748
each item on the list to the superintendent of each school 23749
district. The district superintendent shall provide a copy of any 23750
item on the list to anyone who requests it. 23751

(I)(1)(a) Except as provided in division (I)(1)(b) of this 23752

section, for any district that sponsors a conversion community 23753
school under Chapter 3314. of the Revised Code, the department 23754
shall combine data regarding the academic performance of students 23755
enrolled in the community school with comparable data from the 23756
schools of the district for the purpose of determining the 23757
performance of the district as a whole on the report card issued 23758
for the district under this section or section 3302.033 of the 23759
Revised Code. 23760

(b) The department shall not combine data from any conversion 23761
community school that a district sponsors if a majority of the 23762
students enrolled in the conversion community school are enrolled 23763
in a dropout prevention and recovery program that is operated by 23764
the school, as described in division (A)~~(4)~~(2)(a) of section 23765
3314.35 of the Revised Code. The department shall include as an 23766
addendum to the district's report card the ratings and performance 23767
measures that are required under section 3314.017 of the Revised 23768
Code for any community school to which division (I)(1)(b) of this 23769
section applies. This addendum shall include, at a minimum, the 23770
data specified in divisions (C)(1)(a), (C)(2), and (C)(3) of 23771
section 3314.017 of the Revised Code. 23772

(2) Any district that leases a building to a community school 23773
located in the district or that enters into an agreement with a 23774
community school located in the district whereby the district and 23775
the school endorse each other's programs may elect to have data 23776
regarding the academic performance of students enrolled in the 23777
community school combined with comparable data from the schools of 23778
the district for the purpose of determining the performance of the 23779
district as a whole on the district report card. Any district that 23780
so elects shall annually file a copy of the lease or agreement 23781
with the department. 23782

(3) Any municipal school district, as defined in section 23783
3311.71 of the Revised Code, that sponsors a community school 23784

located within the district's territory, or that enters into an 23785
agreement with a community school located within the district's 23786
territory whereby the district and the community school endorse 23787
each other's programs, may exercise either or both of the 23788
following elections: 23789

(a) To have data regarding the academic performance of 23790
students enrolled in that community school combined with 23791
comparable data from the schools of the district for the purpose 23792
of determining the performance of the district as a whole on the 23793
district's report card; 23794

(b) To have the number of students attending that community 23795
school noted separately on the district's report card. 23796

The election authorized under division (I)(3)(a) of this 23797
section is subject to approval by the governing authority of the 23798
community school. 23799

Any municipal school district that exercises an election to 23800
combine or include data under division (I)(3) of this section, by 23801
the first day of October of each year, shall file with the 23802
department documentation indicating eligibility for that election, 23803
as required by the department. 23804

(J) The department shall include on each report card the 23805
percentage of teachers in the district or building who are 23806
properly certified or licensed teachers, as defined in section 23807
3319.074 of the Revised Code, and a comparison of that percentage 23808
with the percentages of such teachers in similar districts and 23809
buildings. 23810

(K)(1) In calculating English language arts, mathematics, or 23811
science assessment passage rates used to determine school district 23812
or building performance under this section, the department shall 23813
include all students taking an assessment with accommodation or to 23814
whom an alternate assessment is administered pursuant to division 23815

(C)(1) or (3) of section 3301.0711 of the Revised Code. 23816

(2) In calculating performance index scores, rates of 23817
achievement on the performance indicators established by the state 23818
board under section 3302.02 of the Revised Code, and annual 23819
measurable objectives for determining adequate yearly progress for 23820
school districts and buildings under this section, the department 23821
shall do all of the following: 23822

(a) Include for each district or building only those students 23823
who are included in the ADM certified for the first full school 23824
week of October and are continuously enrolled in the district or 23825
building through the time of the spring administration of any 23826
assessment prescribed by division (A)(1) or (B)(1) of section 23827
3301.0710 or division (B) of section 3301.0712 of the Revised Code 23828
that is administered to the student's grade level; 23829

(b) Include cumulative totals from both the fall and spring 23830
administrations of the third grade English language arts 23831
achievement assessment; 23832

(c) Except as required by the No Child Left Behind Act of 23833
2001, exclude for each district or building any ~~limited~~ English 23834
~~proficient student~~ learner who has been enrolled in United States 23835
schools for less than one full school year. 23836

(L) Beginning with the 2015-2016 school year and at least 23837
once every three years thereafter, the state board of education 23838
shall review and may adjust the benchmarks for assigning letter 23839
grades to the performance measures and components prescribed under 23840
divisions (C)(3) and (D) of this section. 23841

Sec. 3302.036. (A) Notwithstanding anything in the Revised 23842
Code to the contrary, the department of education shall not assign 23843
an overall letter grade under division (C)(3) of section 3302.03 23844
of the Revised Code for any school district or building for the 23845

2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years, may, at the
discretion of the state board of education, not assign an
individual grade to any component prescribed under division (C)(3)
of section 3302.03 of the Revised Code, and shall not rank school
districts, community schools established under Chapter 3314. of
the Revised Code, or STEM schools established under Chapter 3326.
of the Revised Code under section 3302.21 of the Revised Code for
those school years. The report card ratings issued for the
2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years shall not be
considered in determining whether a school district or a school is
subject to sanctions or penalties. However, the report card
ratings of any previous or subsequent years shall be considered in
determining whether a school district or building is subject to
sanctions or penalties. Accordingly, the report card ratings for
the 2014-2015, 2015-2016, ~~or~~ and 2016-2017 school years shall have
no effect in determining sanctions or penalties, but shall not
create a new starting point for determinations that are based on
ratings over multiple years.

(B) The provisions from which a district or school is exempt
under division (A) of this section shall be the following:

(1) Any restructuring provisions established under this
chapter, except as required under the "No Child Left Behind Act of
2001";

(2) Provisions for the Columbus city school pilot project
under section 3302.042 of the Revised Code;

~~(3) Provisions for academic distress commissions under former
section 3302.10 of the Revised Code as it existed prior to the
effective date of this amendment. The provisions of this section
do not apply to academic distress commissions under the version of
that section as it exists on or after the effective date of this
amendment.~~

(5)(4) Provisions defining "challenged school districts" in which new start-up community schools may be located, as prescribed in section 3314.02 of the Revised Code;	23880 23881 23882
(6)(5) Provisions prescribing community school closure requirements under section 3314.35 or 3314.351 of the Revised Code.	23883 23884 23885
(C) Notwithstanding anything in the Revised Code to the contrary and except as provided in Section 3 of H.B. 7 of the 131st general assembly, no school district, community school, or STEM school shall utilize at any time during a student's academic career a student's score on any assessment administered under division (A) of section 3301.0710 or division (B)(2) of section 3301.0712 of the Revised Code in the 2014-2015, 2015-2016, or <u>and</u> 2016-2017 school year <u>years</u> as a factor in any decision to promote or to deny the student promotion to a higher grade level or in any decision to grant course credit. No individual student score reports on such assessments administered in the 2014-2015, 2015-2016, or 2016-2017 school years shall be released, except to a student's school district or school or to the student or the student's parent or guardian.	23886 23887 23888 23889 23890 23891 23892 23893 23894 23895 23896 23897 23898 23899
<u>Sec. 3302.037. (A) If any change is made to the calculation or determination of grades, or to the graded measures, on the report card issued under section 3302.03 of the Revised Code, the report card ratings issued for the school year in which the change takes effect shall not be considered in determining whether a school district or a school is subject to sanctions or penalties. Furthermore, the report card ratings of any previous years shall not be considered in determining whether a school district or</u>	23900 23901 23902 23903 23904 23905 23906 23907

building is subject to sanctions or penalties. Accordingly, the 23908
change in report card shall create a new starting point for 23909
determinations that are based on ratings over multiple years. 23910

(B) The provisions for which a district or school's rating 23911
are reset under division (A) of this section include the 23912
following: 23913

(1) Any restructuring provisions established under this 23914
chapter, except as required under federal law; 23915

(2) Provisions for the Columbus city school pilot project 23916
under section 3302.042 of the Revised Code; 23917

(3) Provisions for academic distress commissions under 23918
section 3302.10 of the Revised Code; 23919

(4) Provisions prescribing community school closure 23920
requirements under section 3314.35 or 3314.351 of the Revised 23921
Code. 23922

(C) This section does not apply to either of the following: 23923

(1) Provisions prescribing new buildings where students are 23924
eligible for the educational choice scholarships under section 23925
3310.03 of the Revised Code; 23926

(2) Provisions defining "challenged school districts" in 23927
which new start-up community schools may be located, as prescribed 23928
in section 3314.02 of the Revised Code. 23929

Sec. 3302.038. (A) Notwithstanding anything in the Revised 23930
Code to the contrary, when a school district's or school's grade 23931
for the value-added progress dimension or the performance index 23932
score calculated under section 3302.03 of the Revised Code is 23933
considered in determining whether a school district or a school is 23934
subject to sanctions or penalties on or after the effective date 23935
of this section, the department of education shall apply the 23936
higher grade of the two measures, regardless of which measure is 23937

specified. At no time shall both grades be used to determine any 23938
sanctions or penalties. 23939

(B) This section does not apply to either of the following: 23940

(1) Provisions prescribing new buildings where students are 23941
eligible for the educational choice scholarships under section 23942
3310.03 of the Revised Code; 23943

(2) Provisions defining "challenged school districts" in 23944
which new start-up community schools may be located, as prescribed 23945
in section 3314.02 of the Revised Code. 23946

Sec. 3302.039. (A) If the department of education fails to 23947
assign report card ratings by the date required under section 23948
3302.03 of the Revised Code or sponsor ratings by the date 23949
required under section 3314.016 of the Revised Code, the report 23950
card ratings or sponsor ratings issued for the school year in 23951
which the department misses the deadline shall not be considered 23952
in determining whether a school district or building is subject to 23953
sanctions or penalties. Furthermore, the report card ratings or 23954
sponsor ratings of any previous years shall not be considered in 23955
determining whether a school district, building, or sponsor is 23956
subject to sanctions or penalties. Accordingly, the missed 23957
deadline shall create a new starting point for determinations that 23958
are based on ratings over multiple years. 23959

(B) This section does not apply to either of the following: 23960

(1) Provisions prescribing new buildings where students are 23961
eligible for the educational choice scholarships under section 23962
3310.03 of the Revised Code; 23963

(2) Provisions defining "challenged school districts" in 23964
which new start-up community schools may be located, as prescribed 23965
in section 3314.02 of the Revised Code. 23966

Sec. 3302.042. (A) This section shall operate as a pilot 23967
project that applies to any school that has been ranked according 23968
to performance index score under section 3302.21 of the Revised 23969
Code in the lowest five per cent of all public school buildings 23970
statewide for three or more consecutive school years and is 23971
operated by the Columbus city school district. This section does 23972
not apply to a school building that is ranked according to the 23973
value-added progress dimension under section 3302.03 of the 23974
Revised Code above the lowest five per cent of all public school 23975
buildings statewide for three or more consecutive years. The pilot 23976
project shall commence once the department of education 23977
establishes implementation guidelines for the pilot project in 23978
consultation with the Columbus city school district. 23979

(B) Except as provided in division (D), (E), or (F) of this 23980
section, if the parents or guardians of at least fifty per cent of 23981
the students enrolled in a school to which this section applies, 23982
or if the parents or guardians of at least fifty per cent of the 23983
total number of students enrolled in that school and the schools 23984
of lower grade levels whose students typically matriculate into 23985
that school, by the thirty-first day of December of any school 23986
year in which the school is subject to this section, sign and file 23987
with the school district treasurer a petition requesting the 23988
district board of education to implement one of the following 23989
reforms in the school, and if the validity and sufficiency of the 23990
petition is certified in accordance with division (C) of this 23991
section, the board shall implement the requested reform in the 23992
next school year: 23993

(1) Reopen the school as a community school under Chapter 23994
3314. of the Revised Code; 23995

(2) Replace at least seventy per cent of the school's 23996
personnel who are related to the school's poor academic 23997

performance or, at the request of the petitioners, retain not more than thirty per cent of the personnel; 23998
23999

(3) Contract with another school district or a nonprofit or for-profit entity with a demonstrated record of effectiveness to operate the school; 24000
24001
24002

(4) Turn operation of the school over to the department; 24003

(5) Any other major restructuring of the school that makes fundamental reforms in the school's staffing or governance. 24004
24005

(C) Not later than thirty days after receipt of a petition under division (B) of this section, the district treasurer shall verify the validity and sufficiency of the signatures on the petition and certify to the district board whether the petition contains the necessary number of valid signatures to require the board to implement the reform requested by the petitioners. If the treasurer certifies to the district board that the petition does not contain the necessary number of valid signatures, any person who signed the petition may file an appeal with the county auditor within ten days after the certification. Not later than thirty days after the filing of an appeal, the county auditor shall conduct an independent verification of the validity and sufficiency of the signatures on the petition and certify to the district board whether the petition contains the necessary number of valid signatures to require the board to implement the requested reform. If the treasurer or county auditor certifies that the petition contains the necessary number of valid signatures, the district board shall notify the superintendent of public instruction and the state board of education of the certification. 24006

time on or after July 1, 2017, the two units of instruction	25310
prescribed by division (B)(7) of this section shall include at	25311

least one-half unit of instruction in the study of world history 25312
and civilizations. 25313

(8) Elective units, seven units until September 15, 2003, and 25314
six units thereafter. 25315

Each student's electives shall include at least one unit, or 25316
two half units, chosen from among the areas of 25317
business/technology, fine arts, and/or foreign language. 25318

(C) Beginning with students who enter ninth grade for the 25319
first time on or after July 1, 2010, except as provided in 25320
divisions (D) to (F) of this section, the requirements for 25321
graduation from every public and chartered nonpublic high school 25322
shall include twenty units that are designed to prepare students 25323
for the workforce and college. The units shall be distributed as 25324
follows: 25325

(1) English language arts, four units; 25326

(2) Health, one-half unit, which shall include instruction in 25327
nutrition and the benefits of nutritious foods and physical 25328
activity for overall health; 25329

(3) Mathematics, four units, which shall include one unit of 25330
algebra II or the equivalent of algebra II, or one unit of 25331
advanced computer science as described in the standards adopted 25332
pursuant to division (A)(4) of section 3301.079 of the Revised 25333
Code. However, students who enter ninth grade for the first time 25334
on or after July 1, 2015, and who are pursuing a career-technical 25335
instructional track shall not be required to take algebra II or 25336
advanced computer science, and instead may complete a career-based 25337
pathway mathematics course approved by the department of education 25338
as an alternative. 25339

For students who choose to take advanced computer science in 25340
lieu of algebra II under division (C)(3) of this section, the 25341
school shall communicate to those students that some institutions 25342

of higher education may require algebra II for the purpose of 25343
college admission. Also, the parent, guardian, or legal custodian 25344
of each student who chooses to take advanced computer science in 25345
lieu of algebra II shall sign and submit to the school a document 25346
containing a statement acknowledging that not taking algebra II 25347
may have an adverse effect on college admission decisions. 25348

(4) Physical education, one-half unit; 25349

(5) Science, three units with inquiry-based laboratory 25350
experience that engages students in asking valid scientific 25351
questions and gathering and analyzing information, which shall 25352
include the following, or their equivalent: 25353

(a) Physical sciences, one unit; 25354

(b) Life sciences, one unit; 25355

(c) Advanced study in one or more of the following sciences, 25356
one unit: 25357

(i) Chemistry, physics, or other physical science; 25358

(ii) Advanced biology or other life science; 25359

(iii) Astronomy, physical geology, or other earth or space 25360
science; 25361

(iv) Computer science. 25362

No student shall substitute a computer science course for a 25363
life sciences or biology course under division (C)(5) of this 25364
section. 25365

(6) History and government, one unit, which shall comply with 25366
division (M) of this section and shall include both of the 25367
following: 25368

(a) American history, one-half unit; 25369

(b) American government, one-half unit. 25370

(7) Social studies, two units. 25371

Each school shall integrate the study of economics and 25372
financial literacy, as expressed in the social studies academic 25373
content standards adopted by the state board of education under 25374
division (A)(1) of section 3301.079 of the Revised Code and the 25375
academic content standards for financial literacy and 25376
entrepreneurship adopted under division (A)(2) of that section, 25377
into one or more existing social studies credits required under 25378
division (C)(7) of this section, or into the content of another 25379
class, so that every high school student receives instruction in 25380
those concepts. In developing the curriculum required by this 25381
paragraph, schools shall use available public-private partnerships 25382
and resources and materials that exist in business, industry, and 25383
through the centers for economics education at institutions of 25384
higher education in the state. 25385

Beginning with students who enter ninth grade for the first 25386
time on or after July 1, 2017, the two units of instruction 25387
prescribed by division (C)(7) of this section shall include at 25388
least one-half unit of instruction in the study of world history 25389
and civilizations. 25390

(8) Five units consisting of one or any combination of 25391
foreign language, fine arts, business, career-technical education, 25392
family and consumer sciences, technology which may include 25393
computer science, agricultural education, a junior reserve officer 25394
training corps (JROTC) program approved by the congress of the 25395
United States under title 10 of the United States Code, or English 25396
language arts, mathematics, science, or social studies courses not 25397
otherwise required under division (C) of this section. 25398

Ohioans must be prepared to apply increased knowledge and 25399
skills in the workplace and to adapt their knowledge and skills 25400
quickly to meet the rapidly changing conditions of the 25401
twenty-first century. National studies indicate that all high 25402
school graduates need the same academic foundation, regardless of 25403

the opportunities they pursue after graduation. The goal of Ohio's 25404
system of elementary and secondary education is to prepare all 25405
students for and seamlessly connect all students to success in 25406
life beyond high school graduation, regardless of whether the next 25407
step is entering the workforce, beginning an apprenticeship, 25408
engaging in post-secondary training, serving in the military, or 25409
pursuing a college degree. 25410

The requirements for graduation prescribed in division (C) of 25411
this section are the standard expectation for all students 25412
entering ninth grade for the first time at a public or chartered 25413
nonpublic high school on or after July 1, 2010. A student may 25414
satisfy this expectation through a variety of methods, including, 25415
but not limited to, integrated, applied, career-technical, and 25416
traditional coursework. 25417

Stronger coordination between high schools and institutions 25418
of higher education is necessary to prepare students for more 25419
challenging academic endeavors and to lessen the need for academic 25420
remediation in college, thereby reducing the costs of higher 25421
education for Ohio's students, families, and the state. The state 25422
board and the chancellor of higher education shall develop 25423
policies to ensure that only in rare instances will students who 25424
complete the requirements for graduation prescribed in division 25425
(C) of this section require academic remediation after high 25426
school. 25427

School districts, community schools, and chartered nonpublic 25428
schools shall integrate technology into learning experiences 25429
across the curriculum in order to maximize efficiency, enhance 25430
learning, and prepare students for success in the 25431
technology-driven twenty-first century. Districts and schools 25432
shall use distance and web-based course delivery as a method of 25433
providing or augmenting all instruction required under this 25434
division, including laboratory experience in science. Districts 25435

and schools shall utilize technology access and electronic 25436
learning opportunities provided by the broadcast educational media 25437
commission, chancellor, the Ohio learning network, education 25438
technology centers, public television stations, and other public 25439
and private providers. 25440

(D) Except as provided in division (E) of this section, a 25441
student who enters ninth grade on or after July 1, 2010, and 25442
before July 1, 2016, may qualify for graduation from a public or 25443
chartered nonpublic high school even though the student has not 25444
completed the requirements for graduation prescribed in division 25445
(C) of this section if all of the following conditions are 25446
satisfied: 25447

(1) During the student's third year of attending high school, 25448
as determined by the school, the student and the student's parent, 25449
guardian, or custodian sign and file with the school a written 25450
statement asserting the parent's, guardian's, or custodian's 25451
consent to the student's graduating without completing the 25452
requirements for graduation prescribed in division (C) of this 25453
section and acknowledging that one consequence of not completing 25454
those requirements is ineligibility to enroll in most state 25455
universities in Ohio without further coursework. 25456

(2) The student and parent, guardian, or custodian fulfill 25457
any procedural requirements the school stipulates to ensure the 25458
student's and parent's, guardian's, or custodian's informed 25459
consent and to facilitate orderly filing of statements under 25460
division (D)(1) of this section. Annually, each district or school 25461
shall notify the department of the number of students who choose 25462
to qualify for graduation under division (D) of this section and 25463
the number of students who complete the student's success plan and 25464
graduate from high school. 25465

(3) The student and the student's parent, guardian, or 25466
custodian and a representative of the student's high school 25467

jointly develop a student success plan for the student in the 25468
manner described in division (C)(1) of section 3313.6020 of the 25469
Revised Code that specifies the student matriculating to a 25470
two-year degree program, acquiring a business and 25471
industry-recognized credential, or entering an apprenticeship. 25472

(4) The student's high school provides counseling and support 25473
for the student related to the plan developed under division 25474
(D)(3) of this section during the remainder of the student's high 25475
school experience. 25476

(5)(a) Except as provided in division (D)(5)(b) of this 25477
section, the student successfully completes, at a minimum, the 25478
curriculum prescribed in division (B) of this section. 25479

(b) Beginning with students who enter ninth grade for the 25480
first time on or after July 1, 2014, a student shall be required 25481
to complete successfully, at the minimum, the curriculum 25482
prescribed in division (B) of this section, except as follows: 25483

(i) Mathematics, four units, one unit which shall be one of 25484
the following: 25485

(I) Probability and statistics; 25486

(II) Computer science; 25487

(III) Applied mathematics or quantitative reasoning; 25488

(IV) Any other course approved by the department using 25489
standards established by the superintendent not later than October 25490
1, 2014. 25491

(ii) Elective units, five units; 25492

(iii) Science, three units as prescribed by division (B) of 25493
this section which shall include inquiry-based laboratory 25494
experience that engages students in asking valid scientific 25495
questions and gathering and analyzing information. 25496

The department, in collaboration with the chancellor, shall 25497

analyze student performance data to determine if there are 25498
mitigating factors that warrant extending the exception permitted 25499
by division (D) of this section to high school classes beyond 25500
those entering ninth grade before July 1, 2016. The department 25501
shall submit its findings and any recommendations not later than 25502
December 1, 2015, to the speaker and minority leader of the house 25503
of representatives, the president and minority leader of the 25504
senate, the chairpersons and ranking minority members of the 25505
standing committees of the house of representatives and the senate 25506
that consider education legislation, the state board of education, 25507
and the superintendent of public instruction. 25508

(E) Each school district and chartered nonpublic school 25509
retains the authority to require an even more challenging minimum 25510
curriculum for high school graduation than specified in division 25511
(B) or (C) of this section. A school district board of education, 25512
through the adoption of a resolution, or the governing authority 25513
of a chartered nonpublic school may stipulate any of the 25514
following: 25515

(1) A minimum high school curriculum that requires more than 25516
twenty units of academic credit to graduate; 25517

(2) An exception to the district's or school's minimum high 25518
school curriculum that is comparable to the exception provided in 25519
division (D) of this section but with additional requirements, 25520
which may include a requirement that the student successfully 25521
complete more than the minimum curriculum prescribed in division 25522
(B) of this section; 25523

(3) That no exception comparable to that provided in division 25524
(D) of this section is available. 25525

If a school district or chartered nonpublic school requires a 25526
foreign language as an additional graduation requirement under 25527
division (E) of this section, a student may apply one unit of 25528

instruction in computer coding to satisfy one unit of foreign 25529
language. If a student applies more than one computer coding 25530
course to satisfy the foreign language requirement, the courses 25531
shall be sequential and progressively more difficult. 25532

(F) A student enrolled in a dropout prevention and recovery 25533
program, which program has received a waiver from the department, 25534
may qualify for graduation from high school by successfully 25535
completing a competency-based instructional program administered 25536
by the dropout prevention and recovery program in lieu of 25537
completing the requirements for graduation prescribed in division 25538
(C) of this section. The department shall grant a waiver to a 25539
dropout prevention and recovery program, within sixty days after 25540
the program applies for the waiver, if the program meets all of 25541
the following conditions: 25542

(1) The program serves only students not younger than sixteen 25543
years of age and not older than twenty-one years of age. 25544

(2) The program enrolls students who, at the time of their 25545
initial enrollment, either, or both, are at least one grade level 25546
behind their cohort age groups or experience crises that 25547
significantly interfere with their academic progress such that 25548
they are prevented from continuing their traditional programs. 25549

(3) The program requires students to attain at least the 25550
applicable score designated for each of the assessments prescribed 25551
under division (B)(1) of section 3301.0710 of the Revised Code or, 25552
to the extent prescribed by rule of the state board under division 25553
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 25554
of that section. 25555

(4) The program develops a student success plan for the 25556
student in the manner described in division (C)(1) of section 25557
3313.6020 of the Revised Code that specifies the student's 25558
matriculating to a two-year degree program, acquiring a business 25559

and industry-recognized credential, or entering an apprenticeship. 25560

(5) The program provides counseling and support for the 25561
student related to the plan developed under division (F)(4) of 25562
this section during the remainder of the student's high school 25563
experience. 25564

(6) The program requires the student and the student's 25565
parent, guardian, or custodian to sign and file, in accordance 25566
with procedural requirements stipulated by the program, a written 25567
statement asserting the parent's, guardian's, or custodian's 25568
consent to the student's graduating without completing the 25569
requirements for graduation prescribed in division (C) of this 25570
section and acknowledging that one consequence of not completing 25571
those requirements is ineligibility to enroll in most state 25572
universities in Ohio without further coursework. 25573

(7) Prior to receiving the waiver, the program has submitted 25574
to the department an instructional plan that demonstrates how the 25575
academic content standards adopted by the state board under 25576
section 3301.079 of the Revised Code will be taught and assessed. 25577

(8) Prior to receiving the waiver, the program has submitted 25578
to the department a policy on career advising that satisfies the 25579
requirements of section 3313.6020 of the Revised Code, with an 25580
emphasis on how every student will receive career advising. 25581

(9) Prior to receiving the waiver, the program has submitted 25582
to the department a written agreement outlining the future 25583
cooperation between the program and any combination of local job 25584
training, postsecondary education, nonprofit, and health and 25585
social service organizations to provide services for students in 25586
the program and their families. 25587

Divisions (F)(8) and (9) of this section apply only to 25588
waivers granted on or after July 1, 2015. 25589

If the department does not act either to grant the waiver or 25590

to reject the program application for the waiver within sixty days 25591
as required under this section, the waiver shall be considered to 25592
be granted. 25593

(G) Every high school may permit students below the ninth 25594
grade to take advanced work. If a high school so permits, it shall 25595
award high school credit for successful completion of the advanced 25596
work and shall count such advanced work toward the graduation 25597
requirements of division (B) or (C) of this section if the 25598
advanced work was both: 25599

(1) Taught by a person who possesses a license or certificate 25600
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 25601
Code that is valid for teaching high school; 25602

(2) Designated by the board of education of the city, local, 25603
or exempted village school district, the board of the cooperative 25604
education school district, or the governing authority of the 25605
chartered nonpublic school as meeting the high school curriculum 25606
requirements. 25607

Each high school shall record on the student's high school 25608
transcript all high school credit awarded under division (G) of 25609
this section. In addition, if the student completed a seventh- or 25610
eighth-grade fine arts course described in division (K) of this 25611
section and the course qualified for high school credit under that 25612
division, the high school shall record that course on the 25613
student's high school transcript. 25614

(H) The department shall make its individual academic career 25615
plan available through its Ohio career information system web site 25616
for districts and schools to use as a tool for communicating with 25617
and providing guidance to students and families in selecting high 25618
school courses. 25619

(I) A school district or chartered nonpublic school may 25620
integrate academic content in a subject area for which the state 25621

board has adopted standards under section 3301.079 of the Revised Code into a course in a different subject area, including a career-technical education course, in accordance with guidance for integrated coursework developed by the department. Upon successful completion of an integrated course, a student may receive credit for both subject areas that were integrated into the course. Units earned for subject area content delivered through integrated academic and career-technical instruction are eligible to meet the graduation requirements of division (B) or (C) of this section.

For purposes of meeting graduation requirements, if an end-of-course examination has been prescribed under section 3301.0712 of the Revised Code for the subject area delivered through integrated instruction, the school district or school may administer the related subject area examinations upon the student's completion of the integrated course.

Nothing in division (I) of this section shall be construed to excuse any school district, chartered nonpublic school, or student from any requirement in the Revised Code related to curriculum, assessments, or the awarding of a high school diploma.

(J)(1) The state board, in consultation with the chancellor, shall adopt a statewide plan implementing methods for students to earn units of high school credit based on a demonstration of subject area competency, instead of or in combination with completing hours of classroom instruction. The state board shall adopt the plan not later than March 31, 2009, and commence phasing in the plan during the 2009-2010 school year. The plan shall include a standard method for recording demonstrated proficiency on high school transcripts. Each school district and community school shall comply with the state board's plan adopted under this division and award units of high school credit in accordance with the plan. The state board may adopt existing methods for earning high school credit based on a demonstration of subject area

competency as necessary prior to the 2009-2010 school year. 25654

(2) Not later than December 31, 2015, the state board shall 25655
update the statewide plan adopted pursuant to division (J)(1) of 25656
this section to also include methods for students enrolled in 25657
seventh and eighth grade to meet curriculum requirements based on 25658
a demonstration of subject area competency, instead of or in 25659
combination with completing hours of classroom instruction. 25660
Beginning with the 2017-2018 school year, each school district and 25661
community school also shall comply with the updated plan adopted 25662
pursuant to this division and permit students enrolled in seventh 25663
and eighth grade to meet curriculum requirements based on subject 25664
area competency in accordance with the plan. 25665

(3) Not later than December 31, 2017, the department shall 25666
develop a framework for school districts and community schools to 25667
use in granting units of high school credit to students who 25668
demonstrate subject area competency through work-based learning 25669
experiences, internships, or cooperative education. Beginning with 25670
the 2018-2019 school year, each district and community school 25671
shall comply with the framework. Each district and community 25672
school also shall review any policy it has adopted regarding the 25673
demonstration of subject area competency to identify ways to 25674
incorporate work-based learning experiences, internships, and 25675
cooperative education into the policy in order to increase student 25676
engagement and opportunities to earn units of high school credit. 25677

(K) This division does not apply to students who qualify for 25678
graduation from high school under division (D) or (F) of this 25679
section, or to students pursuing a career-technical instructional 25680
track as determined by the school district board of education or 25681
the chartered nonpublic school's governing authority. 25682
Nevertheless, the general assembly encourages such students to 25683
consider enrolling in a fine arts course as an elective. 25684

Beginning with students who enter ninth grade for the first 25685

time on or after July 1, 2010, each student enrolled in a public 25686
or chartered nonpublic high school shall complete two semesters or 25687
the equivalent of fine arts to graduate from high school. The 25688
coursework may be completed in any of grades seven to twelve. Each 25689
student who completes a fine arts course in grade seven or eight 25690
may elect to count that course toward the five units of electives 25691
required for graduation under division (C)(8) of this section, if 25692
the course satisfied the requirements of division (G) of this 25693
section. In that case, the high school shall award the student 25694
high school credit for the course and count the course toward the 25695
five units required under division (C)(8) of this section. If the 25696
course in grade seven or eight did not satisfy the requirements of 25697
division (G) of this section, the high school shall not award the 25698
student high school credit for the course but shall count the 25699
course toward the two semesters or the equivalent of fine arts 25700
required by this division. 25701

(L) Notwithstanding anything to the contrary in this section, 25702
the board of education of each school district and the governing 25703
authority of each chartered nonpublic school may adopt a policy to 25704
excuse from the high school physical education requirement each 25705
student who, during high school, has participated in 25706
interscholastic athletics, marching band, show choir, or 25707
cheerleading for at least two full seasons or in the junior 25708
reserve officer training corps for at least two full school years. 25709
If the board or authority adopts such a policy, the board or 25710
authority shall not require the student to complete any physical 25711
education course as a condition to graduate. However, the student 25712
shall be required to complete one-half unit, consisting of at 25713
least sixty hours of instruction, in another course of study. In 25714
the case of a student who has participated in the junior reserve 25715
officer training corps for at least two full school years, credit 25716
received for that participation may be used to satisfy the 25717
requirement to complete one-half unit in another course of study. 25718

(M) It is important that high school students learn and understand United States history and the governments of both the United States and the state of Ohio. Therefore, beginning with students who enter ninth grade for the first time on or after July 1, 2012, the study of American history and American government required by divisions (B)(6) and (C)(6) of this section shall include the study of all of the following documents:

(1) The Declaration of Independence;

(2) The Northwest Ordinance;

(3) The Constitution of the United States with emphasis on the Bill of Rights;

(4) The Ohio Constitution.

The study of each of the documents prescribed in divisions (M)(1) to (4) of this section shall include study of that document in its original context.

The study of American history and government required by divisions (B)(6) and (C)(6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.

(N) A student may apply one unit of instruction in computer science to satisfy one unit of mathematics or one unit of science under division (C) of this section as the student chooses, regardless of the field of certification of the teacher who teaches the course, so long as that teacher meets the licensure requirements prescribed by section 3319.236 of the Revised Code and, prior to teaching the course, completes a professional development program determined to be appropriate by the district board.

If a student applies more than one computer science course to 25749
satisfy curriculum requirements under that division, the courses 25750
shall be sequential and progressively more difficult or cover 25751
different subject areas within computer science. 25752

Sec. 3313.608. (A)(1) Beginning with students who enter third 25753
grade in the school year that starts July 1, 2009, and until June 25754

service center shall submit an affidavit to the department 26750

subsidy for providing services to that district. 26779

(H) Pursuant to division (B) of section 3317.023 of the 26780
Revised Code, the department annually shall deduct from each 26781

Revised Code. 26801

(2) Purchases made by a school district or political 26802
subdivision that has entered into an agreement with the service 26803
center as described in this division are exempt from competitive 26804
bidding required by law for the purchase of supplies, materials, 26805
equipment, or services. No political subdivision shall make any 26806
purchase under this division when the political subdivision has 26807

students residing in the pilot project school district who are 27026
enrolled in a registered private school and were required to take 27027
an assessment pursuant to division (A)(11) of section 3313.976 of 27028
the Revised Code; 27029

(b) By registered private school, which shall include all 27030
scholarship students enrolled in that school who were required to 27031
take an assessment pursuant to division (A)(11) of section 27032
3313.976 of the Revised Code. 27033

(2) The department shall disaggregate the student performance 27034
data described in division (G)(1) of this section according to the 27035
following categories: 27036

(a) Grade level; 27037

(b) Race and ethnicity; 27038

(c) Gender; 27039

(d) Students who have participated in the scholarship program 27040
for three or more years; 27041

(e) Students who have participated in the scholarship program 27042
for more than one year and less than three years; 27043

(f) Students who have participated in the scholarship program 27044
for one year or less; 27045

(g) Economically disadvantaged students. 27046

(3) The department shall post the student performance data 27047
required under divisions (G)(1) and (2) of this section on its web 27048
site and shall include that data in the information about the 27049
scholarship program provided to students under division (A) of 27050
this section. In reporting student performance data under this 27051
division, the department shall not include any data that is 27052
statistically unreliable or that could result in the 27053
identification of individual students. For this purpose, the 27054
department shall not report performance data for any group that 27055
contains less than ten students. 27056

(4) The department shall provide the parent of each 27057
scholarship student enrolled in a registered private school with 27058
information comparing the student's performance on the assessments 27059
administered pursuant to division (A)(11) of section 3313.976 of 27060
the Revised Code with the average performance of similar students 27061
enrolled in the building operated by the pilot project school 27062
district that the scholarship student would otherwise attend. In 27063
calculating the performance of similar students, the department 27064
shall consider age, grade, race and ethnicity, gender, and 27065
socioeconomic status. 27066

(H)(1) Except as provided in division (H)(2) of this section, 27067
for scholarships awarded the 2020-2021 school year and for each 27068
school year thereafter, the department shall conduct two 27069
application periods each year for the pilot project scholarship 27070
program, as follows: 27071

(a) The first application period shall open not sooner than 27072
the first day of February prior to the first day of July of the 27073
school year for which a scholarship is sought and run not less 27074

than seventy-five days. 27075

(b) The second application period shall open not sooner than 27076
the first day of July of the school year for which the scholarship 27077
is sought and run not less than thirty days. 27078

(2) If the pilot scholarships awarded in the first 27079
application period for any school year use the entirety of the 27080
amount appropriated by the general assembly for such scholarships 27081
for that school year, the department need not conduct a second 27082
application period for scholarships. If, after the first 27083
application period, there are funds remaining to award, the 27084
department shall conduct a second application period in accordance 27085
with division (H)(1)(b) of this section. 27086

(3) Not later than the thirty-first day of May of each school 27087
year, the department shall determine whether funds remain 27088
available for pilot project scholarship program after the first 27089
application period. 27090

(4) For scholarships awarded for any school year prior to the 27091
2020-2021 school year, the state superintendent shall establish a 27092
deadline for a single application period. 27093

Sec. 3314.016. This section applies to any entity that 27094
sponsors a community school, regardless of whether section 27095
3314.021 or 3314.027 of the Revised Code exempts the entity from 27096
the requirement to be approved for sponsorship under divisions 27097
(A)(2) and (B)(1) of section 3314.015 of the Revised Code. The 27098
office of Ohio school sponsorship established under section 27099
3314.029 of the Revised Code shall be rated under division (B) of 27100
this section, but divisions (A) and (C) of this section do not 27101
apply to the office. 27102

(A) An entity that sponsors a community school shall be 27103
permitted to enter into contracts under section 3314.03 of the 27104

Revised Code to sponsor additional community schools only if the 27105
entity meets all of the following criteria: 27106

(1) The entity is in compliance with all provisions of this 27107
chapter requiring sponsors of community schools to report data or 27108
information to the department of education. 27109

(2) The entity is not rated as "ineffective" under division 27110
(B)(6) of this section. 27111

(3) Except as set forth in sections 3314.021 and 3314.027 of 27112
the Revised Code, the entity has received approval from and 27113
entered into an agreement with the department of education 27114
pursuant to section 3314.015 of the Revised Code. 27115

(B)(1) The department shall develop and implement an 27116
evaluation system that annually rates and assigns an overall 27117
rating to each entity that sponsors a community school. The 27118
department, not later than the first day of February of each year, 27119
shall post on the department's web site the framework for the 27120
evaluation system, including technical documentation that the 27121
department intends to use to rate sponsors for the next school 27122
year. The department shall solicit public comment on the 27123
evaluation system for thirty consecutive days. Not later than the 27124
first day of April of each year, the department shall compile and 27125
post on the department's web site all public comments that were 27126
received during the public comment period. The evaluation system 27127
shall be posted on the department's web site by the fifteenth day 27128
of July of each school year. Any changes to the evaluation system 27129
after that date shall take effect the following year. The 27130
evaluation system shall be based on the following components: 27131

(a) Academic performance of students enrolled in community 27132
schools sponsored by the same entity. The academic performance 27133
component shall be derived from the performance measures 27134
prescribed for the state report cards under section 3302.03 or 27135

3314.017 of the Revised Code, and shall be based on the 27136
performance of the schools for the school year for which the 27137
evaluation is conducted. In addition to the academic performance 27138
for a specific school year, the academic performance component 27139
shall also include year-to-year changes in the overall sponsor 27140
portfolio. For a community school for which no graded performance 27141
measures are applicable or available, the department shall use 27142
nonreport card performance measures specified in the contract 27143
between the community school and the sponsor under division (A)(4) 27144
of section 3314.03 of the Revised Code. 27145

(b) Adherence by a sponsor to the quality practices 27146
prescribed by the department under division (B)(3) of this 27147
section. For a sponsor that was rated "effective" or "exemplary" 27148
on its most recent rating, the department may evaluate that 27149
sponsor's adherence to quality practices once over a period of 27150
three years. If the department elects to evaluate a sponsor once 27151
over a period of three years, the most recent rating for a 27152
sponsor's adherence to quality practices shall be used when 27153
determining an annual overall rating conducted under this section. 27154

(c) Compliance with all applicable laws and administrative 27155
rules by an entity that sponsors a community school. 27156

(2) In calculating an academic performance component, the 27157
department shall exclude all community schools that have been in 27158
operation for not more than two full school years and all 27159
community schools described in division (A)~~(4)~~(2)(b) of section 27160
3314.35 of the Revised Code. However, the academic performance of 27161
the community schools described in division (A)~~(4)~~(2)(b) of 27162
section 3314.35 of the Revised Code shall be reported, but shall 27163
not be used as a factor when determining a sponsoring entity's 27164
rating under this section. 27165

(3) The department, in consultation with entities that 27166
sponsor community schools, shall prescribe quality practices for 27167

community school sponsors and develop an instrument to measure 27168
adherence to those quality practices. The quality practices shall 27169
be based on standards developed by the national association of 27170
charter school authorizers or any other nationally organized 27171
community school organization. 27172

(4)(a) The department may permit peer review of a sponsor's 27173
adherence to the quality practices prescribed under division 27174
(B)(3) of this section. Peer reviewers shall be limited to 27175
individuals employed by sponsors rated "effective" or "exemplary" 27176
on the most recent ratings conducted under this section. 27177

(b) The department shall require individuals participating in 27178
peer review under division (B)(4)(a) of this section to complete 27179
training approved or established by the department. 27180

(c) The department may enter into an agreement with another 27181
entity to provide training to individuals conducting peer review 27182
of sponsors. Prior to entering into an agreement with an entity, 27183
the department shall review and approve of the entity's training 27184
program. 27185

(5) Not later than July 1, 2013, the state board of education 27186
shall adopt rules in accordance with Chapter 119. of the Revised 27187
Code prescribing standards for measuring compliance with 27188
applicable laws and rules under division (B)(1)(c) of this 27189
section. 27190

(6) The department annually shall rate all entities that 27191
sponsor community schools as either "exemplary," "effective," 27192
"ineffective," or "poor," based on the components prescribed by 27193
division (B) of this section, where each component is weighted 27194
equally. A separate rating shall be given by the department for 27195
each component of the evaluation system. 27196

The department shall publish the ratings between the first 27197
day of October and the fifteenth day of November. If the 27198

department fails to assign ratings by the fifteenth day of 27199
November, a sponsor shall be assigned the same rating for each 27200
component that it was assigned for the previous school year or an 27201
"effective" rating for all components, whichever is the higher per 27202
component rating. 27203

Prior to the publication of the final ratings, the department 27204
shall designate and provide notice of a period of at least ten 27205
business days during which each sponsor may review the information 27206
used by the department to determine the sponsor's rating on the 27207
components prescribed by ~~divisions~~ division (B)(1)(~~b~~) and (~~c~~) of 27208
this section. If the sponsor believes there is an error in the 27209
department's evaluation, the sponsor may request adjustments to 27210
the rating of ~~either~~ any of those components based on 27211
documentation previously submitted as part of an evaluation. The 27212
sponsor shall provide to the department any necessary evidence or 27213
information to support the requested adjustments. The department 27214
shall review the evidence and information, determine whether an 27215
adjustment is valid, and promptly notify the sponsor of its 27216
determination and reasons. If any adjustments to the data could 27217
result in a change to the rating on the applicable component or to 27218
the overall rating, the department shall recalculate the ratings 27219
prior to publication. 27220

The department shall provide training on an annual basis 27221
regarding the evaluation system prescribed under this section. The 27222
training shall, at a minimum, describe methodology, timelines, and 27223
data required for the evaluation system. The first training 27224
session shall occur not later than March 2, 2016. Beginning in 27225
2018, the training shall be made available to each entity that 27226
sponsors a community school by the fifteenth day of July of each 27227
year and shall include guidance on any changes made to the 27228
evaluation system. 27229

(7)(a) Entities with an overall rating of "exemplary" for at 27230

least two consecutive years may take advantage of the following 27231
incentives: 27232

(i) Renewal of the written agreement with the department, not 27233
to exceed ten years, provided that the entity consents to 27234
continued evaluation of adherence to quality practices as 27235
described in division (B)(1)(b) of this section; 27236

(ii) The ability to extend the term of the contract between 27237
the sponsoring entity and the community school beyond the term 27238
described in the written agreement with the department; 27239

(iii) An exemption from the preliminary agreement and 27240
contract adoption and execution deadline requirements prescribed 27241
in division (D) of section 3314.02 of the Revised Code; 27242

(iv) An exemption from the automatic contract expiration 27243
requirement, should a new community school fail to open by the 27244
thirtieth day of September of the calendar year in which the 27245
community school contract is executed; 27246

(v) No limit on the number of community schools the entity 27247
may sponsor; 27248

(vi) No territorial restrictions on sponsorship. 27249

An entity may continue to sponsor any community schools with 27250
which it entered into agreements under division (B)(7)(a)(v) or 27251
(vi) of this section while rated "exemplary," notwithstanding the 27252
fact that the entity later receives a lower overall rating. 27253

(b) Entities with an overall rating of "effective" for at 27254
least three consecutive years shall be evaluated by the department 27255
once every five years. 27256

(c)(i) Entities that receive an overall rating of 27257
"ineffective" shall be prohibited from sponsoring any new or 27258
additional community schools during the time in which the sponsor 27259
is rated as "ineffective" and shall be subject to a quality 27260

improvement plan based on correcting the deficiencies that led to 27261
the "ineffective" rating, with timelines and benchmarks that have 27262
been established by the department. 27263

(ii) Entities that receive an overall rating of "ineffective" 27264
on their three most recent ratings shall have all sponsorship 27265
authority revoked. Within thirty days after receiving its third 27266
rating of "ineffective," the entity may appeal the revocation of 27267
its sponsorship authority to the superintendent of public 27268
instruction, who shall appoint an independent hearing officer to 27269
conduct a hearing in accordance with Chapter 119. of the Revised 27270
Code. The hearing shall be conducted within thirty days after 27271
receipt of the notice of appeal. Within forty-five days after the 27272
hearing is completed, the state board of education shall determine 27273
whether the revocation is appropriate based on the hearing 27274
conducted by the independent hearing officer, and if determined 27275
appropriate, the revocation shall be confirmed. 27276

~~(e)~~(d) Entities that receive an overall rating of "poor" 27277
shall have all sponsorship authority revoked. Within thirty days 27278
after receiving a rating of "poor," the entity may appeal the 27279
revocation of its sponsorship authority to the superintendent of 27280
public instruction, who shall appoint an independent hearing 27281
officer to conduct a hearing in accordance with Chapter 119. of 27282
the Revised Code. The hearing shall be conducted within thirty 27283
days after receipt of the notice of appeal. Within forty-five days 27284
after the hearing is completed, the state board of education shall 27285
determine whether the revocation is appropriate based on the 27286
hearing conducted by the independent hearing officer, and if 27287
determined appropriate, the revocation shall be confirmed. 27288

(8) For the 2014-2015 school year and each school year 27289
thereafter, student academic performance prescribed under division 27290
(B)(1)(a) of this section shall include student academic 27291
performance data from community schools that primarily serve 27292

students enrolled in a dropout prevention and recovery program. 27293

(C) If the governing authority of a community school enters 27294
into a contract with a sponsor prior to the date on which the 27295
sponsor is prohibited from sponsoring additional schools under 27296
division (A) of this section and the school has not opened for 27297
operation as of that date, that contract shall be void and the 27298
school shall not open until the governing authority secures a new 27299
sponsor by entering into a contract with the new sponsor under 27300
section 3314.03 of the Revised Code. However, the department's 27301
office of Ohio school sponsorship, established under section 27302
3314.029 of the Revised Code, may assume the sponsorship of the 27303
school until the earlier of the expiration of two school years or 27304
until a new sponsor is secured by the school's governing 27305
authority. A community school sponsored by the department under 27306
this division shall not be included when calculating the maximum 27307
number of directly authorized community schools permitted under 27308
division (A)(3) of section 3314.029 of the Revised Code. 27309

(D) When an entity's authority to sponsor schools is revoked 27310
pursuant to division (B)(7)(b) or (c) of this section, the office 27311
of Ohio school sponsorship shall assume sponsorship of any schools 27312
with which the original sponsor has contracted for the remainder 27313
of that school year. The office may continue sponsoring those 27314
schools until the earlier of: 27315

(1) The expiration of two school years from the time that 27316
sponsorship is revoked; 27317

(2) When a new sponsor is secured by the governing authority 27318
pursuant to division (C)(1) of section 3314.02 of the Revised 27319
Code. 27320

Any community school sponsored under this division shall not 27321
be counted for purposes of directly authorized community schools 27322
under division (A)(3) of section 3314.029 of the Revised Code. 27323

Sec. 3314.017. (A) The state board of education shall 27324
prescribe by rules, adopted in accordance with Chapter 119. of the 27325
Revised Code, an academic performance rating and report card 27326
system that satisfies the requirements of this section for 27327
community schools that primarily serve students enrolled in 27328
dropout prevention and recovery programs as described in division 27329
(A)~~(4)~~(2)(a) of section 3314.35 of the Revised Code, to be used in 27330
lieu of the system prescribed under sections 3302.03 and 3314.012 27331
of the Revised Code beginning with the 2012-2013 school year. Each 27332
such school shall comply with the testing and reporting 27333
requirements of the system as prescribed by the state board. 27334

(B) Nothing in this section shall at any time relieve a 27335
school from its obligations under the "No Child Left Behind Act of 27336
2001" to make "adequate yearly progress," as both that act and 27337
that term are defined in section 3302.01 of the Revised Code, or a 27338
school's amenability to the provisions of section 3302.04 or 27339
3302.041 of the Revised Code. The department shall continue to 27340
report each school's performance as required by the act and to 27341
enforce applicable sanctions under section 3302.04 or 3302.041 of 27342
the Revised Code. 27343

(C) The rules adopted by the state board shall prescribe the 27344
following performance indicators for the rating and report card 27345
system required by this section: 27346

(1) Graduation rate for each of the following student 27347
cohorts: 27348

students who form the adjusted cohort for the graduating class; 27351

27380
27381

(D)(1) The state board's rules shall prescribe the expected performance levels and benchmarks for each of the indicators prescribed by division (C) of this section based on the data gathered by the department under division ~~(F)~~(G) of this section. 27382
27383
27384
27385

Based on a school's level of attainment or nonattainment of the	27386

and (2) of this section improve by ten per cent for two 27415
consecutive years, a school shall be rated not less than "meets 27416

governing authority of a community school. 28665

(H) The department of education shall adjust the amounts 28666

subtracted and paid under division (C) of this section to reflect 28667
any enrollment of students in community schools for less than the 28668
equivalent of a full school year. The state board of education 28669
within ninety days after April 8, 2003, shall adopt in accordance 28670
with Chapter 119. of the Revised Code rules governing the payments 28671
to community schools under this section including initial payments 28672
in a school year and adjustments and reductions made in subsequent 28673
periodic payments to community schools and corresponding 28674
deductions from school district accounts as provided under 28675
division (C) of this section. For purposes of this section: 28676

(1) A student shall be considered enrolled in the community 28677
school for any portion of the school year the student is 28678
participating at a college under Chapter 3365. of the Revised 28679
Code. 28680

(2) A student shall be considered to be enrolled in a 28681
community school for the period of time beginning on the later of 28682
the date on which the school both has received documentation of 28683
the student's enrollment from a parent and the student has 28684
commenced participation in learning opportunities as defined in 28685
the contract with the sponsor, or thirty days prior to the date on 28686
which the student is entered into the education management 28687
information system established under section 3301.0714 of the 28688
Revised Code. For purposes of applying this division and divisions 28689
(H)(3) and (4) of this section to a community school student, 28690
"learning opportunities" shall be defined in the contract, which 28691
shall describe both classroom-based and non-classroom-based 28692
learning opportunities and shall be in compliance with criteria 28693
and documentation requirements for student participation which 28694
shall be established by the department. Any student's instruction 28695
time in non-classroom-based learning opportunities shall be 28696
certified by an employee of the community school. A student's 28697
enrollment shall be considered to cease on the date on which any 28698

of the following occur: 28699

(a) The community school receives documentation from a parent 28700
terminating enrollment of the student. 28701

(b) The community school is provided documentation of a 28702
student's enrollment in another public or private school. 28703

(c) The community school ceases to offer learning 28704
opportunities to the student pursuant to the terms of the contract 28705
with the sponsor or the operation of any provision of this 28706
chapter. 28707

Except as otherwise specified in this paragraph, beginning in 28708
the 2011-2012 school year, any student who completed the prior 28709
school year in an internet- or computer-based community school 28710
shall be considered to be enrolled in the same school in the 28711
subsequent school year until the student's enrollment has ceased 28712
as specified in division (H)(2) of this section. The department 28713
shall continue subtracting and paying amounts for the student 28714
under division (C) of this section without interruption at the 28715
start of the subsequent school year. However, if the student 28716
without a legitimate excuse fails to participate in the first 28717
seventy-two consecutive hours of learning opportunities offered to 28718
the student in that subsequent school year, the student shall be 28719
considered not to have re-enrolled in the school for that school 28720
year and the department shall recalculate the payments to the 28721
school for that school year to account for the fact that the 28722
student is not enrolled. 28723

(3) The department shall determine each community school 28724
student's percentage of full-time equivalency based on the 28725
percentage of learning opportunities offered by the community 28726
school to that student, reported either as number of hours or 28727
number of days, is of the total learning opportunities offered by 28728
the community school to a student who attends for the school's 28729

entire school year. However, no internet- or computer-based 28730
community school shall be credited for any time a student spends 28731
participating in learning opportunities beyond ten hours within 28732
any period of twenty-four consecutive hours. Whether it reports 28733
hours or days of learning opportunities, each community school 28734
shall offer not less than nine hundred twenty hours of learning 28735
opportunities during the school year. 28736

(4) With respect to the calculation of full-time equivalency 28737
under division (H)(3) of this section, the department shall waive 28738
the number of hours or days of learning opportunities not offered 28739
to a student because the community school was closed during the 28740
school year due to disease epidemic, hazardous weather conditions, 28741
law enforcement emergencies, inoperability of school buses or 28742
other equipment necessary to the school's operation, damage to a 28743
school building, or other temporary circumstances due to utility 28744
failure rendering the school building unfit for school use, so 28745
long as the school was actually open for instruction with students 28746
in attendance during that school year for not less than the 28747
minimum number of hours required by this chapter. The department 28748
shall treat the school as if it were open for instruction with 28749
students in attendance during the hours or days waived under this 28750
division. 28751

(I) The department of education shall reduce the amounts paid 28752
under this section to reflect payments made to colleges under 28753

(J)(1) No student shall be considered enrolled in any 28755
internet- or computer-based community school or, if applicable to 28756

conditions are satisfied: 28760

(a) The student possesses or has been provided with all 28761

required hardware and software materials and all such materials 28762
are operational so that the student is capable of fully 28763
participating in the learning opportunities specified in the 28764
contract between the school and the school's sponsor as required 28765
by division (A)(23) of section 3314.03 of the Revised Code; 28766

(b) The school is in compliance with division (A) of section 28767
3314.22 of the Revised Code, relative to such student. 28768

(2) In accordance with policies adopted by the superintendent 28769
of public instruction, in consultation with the auditor of state, 28770
the department shall reduce the amounts otherwise payable under 28771
division (C) of this section to any community school that includes 28772
in its program the provision of computer hardware and software 28773
materials to any student, if such hardware and software materials 28774
have not been delivered, installed, and activated for each such 28775
student in a timely manner or other educational materials or 28776
services have not been provided according to the contract between 28777
the individual community school and its sponsor. 28778

The superintendent of public instruction and the auditor of 28779
state shall jointly establish a method for auditing any community 28780
school to which this division pertains to ensure compliance with 28781
this section. 28782

The superintendent, auditor of state, and the governor shall 28783
jointly make recommendations to the general assembly for 28784
legislative changes that may be required to assure fiscal and 28785
academic accountability for such schools. 28786

(K)(1) If the department determines that a review of a 28787
community school's enrollment is necessary, such review shall be 28788
completed and written notice of the findings shall be provided to 28789
the governing authority of the community school and its sponsor 28790
within ninety days of the end of the community school's fiscal 28791
year, unless extended for a period not to exceed thirty additional 28792

days for one of the following reasons: 28793

(a) The department and the community school mutually agree to 28794
the extension. 28795

(b) Delays in data submission caused by either a community 28796
school or its sponsor. 28797

(2) If the review results in a finding that additional 28798
funding is owed to the school, such payment shall be made within 28799
thirty days of the written notice. If the review results in a 28800
finding that the community school owes moneys to the state, the 28801
following procedure shall apply: 28802

(a) Within ten business days of the receipt of the notice of 28803
findings, the community school may appeal the department's 28804

hearing on the matter within thirty days of receipt of such an 28807
appeal and shall issue a decision within fifteen days of the 28808
conclusion of the hearing. 28809

(c) If the board has enlisted a designee to conduct the 28810
hearing, the designee shall certify its decision to the board. The 28811
board may accept the decision of the designee or may reject the 28812
decision of the designee and issue its own decision on the matter. 28813

(d) Any decision made by the board under this division is 28814
final. 28815

(3) If it is decided that the community school owes moneys to 28816
the state, the department shall deduct such amount from the 28817
school's future payments in accordance with guidelines issued by 28818
the superintendent of public instruction. 28819

(L) The department shall not subtract from a school 28820

conditions:	31568
(a) The district <u>is either of the following:</u>	31569
(i) <u>A district that</u> resulted from one of the following that	31570
became effective between July 1, 2013, and June 30, 2018:	31571
(i) (I) A transfer of all of the territory of one school	31572
district to another school district in accordance with section	31573
3311.22, 3311.231, 3311.24, or 3311.38 of the Revised Code;	31574
(ii) (II) The merger of two or more districts in accordance	31575

under section 3311.37 of the Revised Code.	31581
(ii) <u>A district that intends to build a new school building</u>	31582
<u>on land originally owned by a state community college, as that</u>	31583
<u>term is defined in section 3358.01 of the Revised Code, with the</u>	31584
<u>intention of collaboratively working with the state community</u>	31585
<u>college on workforce development programs and curriculum.</u>	31586
(b) The district has demonstrated to the Ohio facilities	31587
construction commission an efficient use of facility space,	31588
including a reduction in the number of buildings used by students	31589
and administrative staff.	31590
(2) "Basic project cost" and "required percentage of the	31591
basic project cost" have the same meanings as in section 3318.01	31592
of the Revised Code.	31593
(B) Notwithstanding anything to the contrary in this chapter:	31594
(1) If the commission determines that a district is an	31595
eligible school district, the commission shall give that district	31596
first priority for funding for a project under sections 3318.01 to	31597

3318.20 of the Revised Code as such funds become available, 31598
regardless of the district's percentile rank under section 31599
3318.011 of the Revised Code. If the district results from a 31600
transfer, merger, consolidation, or creation of a new local 31601
district that takes effect prior to April 6, 2017, the district's 31602
portion of the basic project cost shall be the required percentage 31603
of the basic project cost based on the percentile ranking of the 31604
district that was transferred, merged, consolidated, or existed 31605
prior to the creation of the new district that has the lowest 31606
three-year average adjusted valuation per pupil, as calculated 31607
under section 3318.011 of the Revised Code, on the date that the 31608
transfer, merger, consolidation, or creation of the new district 31609
became effective. 31610

(2) If an eligible school district is given priority under 31611
division (B)(1) of this section, the commission may reduce that 31612
district's portion of the basic project cost by twenty-five 31613
percentage points from the portion determined under section 31614
3318.032 of the Revised Code or, if the district results from a 31615
transfer, merger, consolidation, or creation of a new local 31616
district that takes effect prior to April 6, 2017, from the 31617
portion determined under division (B)(1) of this section. At no 31618
time, however, shall that district's portion of the basic project 31619
cost be less than five per cent. 31620

(3) If an eligible school district is given priority under 31621
division (B)(1) of this section, the commission may reduce that 31622
district's portion of the basic project cost by ten percentage 31623
points from the portion determined under section 3318.032 of the 31624
Revised Code or, if the district results from a transfer, merger, 31625
consolidation, or creation of a new local district that takes 31626
effect prior to April 6, 2017, from the portion determined under 31627
division (B)(1) of this section, if the district's project 31628
satisfies the following conditions: 31629

(a) The project involves construction of a building on land 31630
owned by a state institution of higher education, as that term is 31631
defined in section 3345.011 of the Revised Code, or on land 31632
originally owned by a state community college, as that term is 31633
defined in section 3358.01 of the Revised Code, with the intention 31634
of collaboratively working with the state community college on 31635
workforce development programs and curriculum, and the commission 31636
approves the project. 31637

(b) The district and the state institution of higher 31638
education enter into a written agreement regarding the continued 31639
use of the institution's land by the district, and the commission 31640
approves the agreement. Division (B)(3)(b) of this section does 31641
not apply to a district that satisfies the condition described in 31642
division (A)(1)(a)(ii) of this section. 31643

(c) On the date that the district and the state institution 31644
of higher education enter into the written agreement described in 31645
division (B)(3)(b) of this section, the state institution of 31646
higher education is participating in the college credit plus 31647
program established under Chapter 3365. of the Revised Code. 31648
Division (B)(3)(c) of this section does not apply to a district 31649
that satisfies the condition described in division (A)(1)(a)(ii) 31650
of this section. 31651

At no time, however, shall that district's portion of the 31652
basic project cost be less than five per cent. 31653

The reduction of the district's portion of the basic project 31654
cost described in division (B)(3) of this section may be in 31655
addition to a reduction of the district's portion of the basic 31656
project cost under division (B)(2) of this section. 31657

(C) Except as provided in division (B) of this section, a 31658
district's project undertaken pursuant to this section shall be 31659
subject to all other requirements in sections 3318.01 to 3318.20 31660

of the Revised Code. 31661

Sec. 3318.037. (A) For purposes of this section: 31662

(1) "Basic project cost," "percentile," and "school district's portion of the basic project cost" have the same meanings as in section 3318.01 of the Revised Code. 31663
31664
31665

(2) "Eligible school district" is a city, local, or exempted village school district that satisfies all of the following conditions: 31666
31667
31668

(a) The district intends to build new classroom facilities on land originally owned by a state community college, as that term is defined in section 3358.01 of the Revised Code, with the intention of collaboratively working with the state community college on workforce development programs and curriculum. 31669
31670
31671
31672
31673

(b) The district has previously participated in the school building assistance expedited local partnership program established under section 3318.36 of the Revised Code but did not construct any new facilities as part of that program. 31674
31675
31676
31677

(c) The district reapplies for the expedited local partnership program between January 1, 2019, and July 1, 2020. 31678
31679

(B) Notwithstanding anything to the contrary in this chapter, if an eligible school district reapplies for the expedited local partnership program between January 1, 2019, and July 1, 2020, and subsequently enters into a new agreement for that program, both of the following shall occur: 31680
31681
31682
31683
31684

(1) The district shall retain its percentile ranking that was determined at the time the district entered into its initial agreement under the expedited local partnership program. 31685
31686
31687

(2) The Ohio facilities construction commission shall give that district first priority for funding for a project under sections 3318.01 to 3318.20 of the Revised Code as such funds 31688
31689
31690

become available, regardless of the district's percentile rank 31691
under section 3318.011 of the Revised Code, and the district's 31692
portion of the basic project cost under sections 3318.01 to 31693
3318.20 of the Revised Code shall be the same percentage of the 31694
basic project cost as under its initial agreement under the 31695
expedited local partnership program. 31696

Sec. 3318.36. (A)(1) As used in this section: 31697

(a) "Ohio facilities construction commission," "classroom 31698
facilities," "school district," "school district board," "net 31699
bonded indebtedness," "required percentage of the basic project 31700
costs," "basic project cost," "valuation," and "percentile" have 31701
the same meanings as in section 3318.01 of the Revised Code. 31702

(b) "Required level of indebtedness" means five per cent of 31703
the school district's valuation for the year preceding the year in 31704
which the commission and school district enter into an agreement 31705
under division (B) of this section, plus [two one-hundredths of 31706
one per cent multiplied by (the percentile in which the district 31707
ranks minus one)]. 31708

(c) "Local resources" means any moneys generated in any 31709
manner permitted for a school district board to raise the school 31710
district portion of a project undertaken with assistance under 31711
sections 3318.01 to 3318.20 of the Revised Code. 31712

(2) For purposes of determining the required level of 31713
indebtedness, the required percentage of the basic project costs 31714
under division (C)(1) of this section, and priority for assistance 31715
under sections 3318.01 to 3318.20 of the Revised Code, the 31716
percentile ranking of a school district with which the commission 31717
has entered into an agreement under this section between the first 31718
day of July and the thirty-first day of August in each fiscal year 31719
is the percentile ranking calculated for that district for the 31720
immediately preceding fiscal year, and the percentile ranking of a 31721

school district with which the commission has entered into such 31722
agreement between the first day of September and the thirtieth day 31723
of June in each fiscal year is the percentile ranking calculated 31724
for that district for the current fiscal year. 31725

(B)(1) There is hereby established the school building 31726
assistance expedited local partnership program. Under the program, 31727
the Ohio facilities construction commission may enter into an 31728
agreement with the board of any school district under which the 31729
board may proceed with the new construction or major repairs of a 31730
part of the district's classroom facilities needs, as determined 31731
under sections 3318.01 to 3318.20 of the Revised Code, through the 31732
expenditure of local resources prior to the school district's 31733
eligibility for state assistance under those sections, and may 31734
apply that expenditure toward meeting the school district's 31735
portion of the basic project cost of the total of the district's 31736
classroom facilities needs, as recalculated under division (E) of 31737
this section, when the district becomes eligible for state 31738
assistance under sections 3318.01 to 3318.20 or section 3318.364 31739
of the Revised Code. ~~Any~~ 31740

Any school district that is reasonably expected to receive 31741
assistance under sections 3318.01 to 3318.20 of the Revised Code 31742
within two fiscal years from the date the school district adopts 31743
its resolution under division (B) of this section shall not be 31744
eligible to participate in the program established under this 31745
section unless that school district divides its project under 31746
those sections into segments as authorized by section 3318.034 of 31747
the Revised Code. In the case of a school district that has 31748
segmented its project as authorized in section 3318.034 of the 31749
Revised Code, the district shall select a discrete portion of one 31750
or more future segments of its project, to which the district may 31751
apply local resources under an agreement under this section prior 31752
to further state assistance for those future segments under 31753

sections 3318.01 to 3318.20 of the Revised Code. 31754

(2) To participate in the program, a school district board 31755
shall first adopt a resolution certifying to the commission the 31756
board's intent to participate in the program. 31757

The resolution shall specify the approximate date that the 31758
board intends to seek elector approval of any bond or tax measures 31759
or to apply other local resources to use to pay the cost of 31760
classroom facilities to be constructed under this section. The 31761
resolution may specify the application of local resources or 31762
elector-approved bond or tax measures after the resolution is 31763
adopted by the board, and in such case the board may proceed with 31764
a discrete portion of its project under this section as soon as 31765
the commission and the controlling board have approved the basic 31766
project cost of the district's classroom facilities needs as 31767
specified in division (D) of this section. The board shall submit 31768
its resolution to the commission not later than ten days after the 31769
date the resolution is adopted by the board. 31770

The commission shall not consider any resolution that is 31771
submitted pursuant to division (B)(2) of this section, as amended 31772
by this amendment, sooner than September 14, 2000. 31773

(3) For purposes of determining when a district that enters 31774
into an agreement under this section becomes eligible for 31775
assistance under sections 3318.01 to 3318.20 of the Revised Code 31776
or priority for assistance under section 3318.364 of the Revised 31777
Code, the commission shall use the district's percentile ranking 31778
determined at the time the district entered into the agreement 31779
under this section, as prescribed by division (A)(2) of this 31780
section. 31781

(4) Any project under this section shall comply with section 31782
3318.03 of the Revised Code and with any specifications for plans 31783
and materials for classroom facilities adopted by the commission 31784

under section 3318.04 of the Revised Code. 31785

(5) If a school district that enters into an agreement under 31786
this section has not begun a project applying local resources as 31787
provided for under that agreement at the time the district is 31788
notified by the commission that it is eligible to receive state 31789
assistance for its project under sections 3318.01 to 3318.20 of 31790
the Revised Code or for a segment of its project, if the district 31791
previously segmented its project as authorized in section 3318.034 31792
of the Revised Code, all assessment and agreement documents 31793
entered into under this section are void. 31794

(6) Only construction of or repairs to classroom facilities 31795
that have been approved by the commission and have been therefore 31796
included as part of a district's basic project cost qualify for 31797
application of local resources under this section. 31798

(C) Based on the results of on-site visits and assessment, 31799
the commission shall determine the basic project cost of the 31800
school district's classroom facilities needs. The commission shall 31801
determine the school district's portion of such basic project 31802
cost, which shall be the greater of: 31803

(1) The required percentage of the basic project costs, 31804
determined based on the school district's percentile ranking; 31805

(2) An amount necessary to raise the school district's net 31806
bonded indebtedness, as of the fiscal year the commission and the 31807
school district enter into the agreement under division (B) of 31808
this section, to within five thousand dollars of the required 31809
level of indebtedness. 31810

(D)(1) When the commission determines the basic project cost 31811
of the classroom facilities needs of a school district and the 31812
school district's portion of that basic project cost under 31813
division (C) of this section, the project shall be conditionally 31814
approved. Such conditional approval shall be submitted to the 31815

controlling board for approval thereof. The controlling board 31816
shall forthwith approve or reject the commission's determination, 31817
conditional approval, and the amount of the state's portion of the 31818
basic project cost; however, no state funds shall be encumbered 31819
under this section. Upon approval by the controlling board, the 31820
school district board may identify a discrete part of its 31821
classroom facilities needs, which shall include only new 31822
construction of or additions or major repairs to a particular 31823
building, to address with local resources. Upon identifying a part 31824
of the school district's basic project cost to address with local 31825
resources, the school district board may allocate any available 31826
school district moneys to pay the cost of that identified part, 31827
including the proceeds of an issuance of bonds if approved by the 31828
electors of the school district. 31829

All local resources utilized under this division shall first 31830
be deposited in the project construction account required under 31831
section 3318.08 of the Revised Code. 31832

(2) Unless the school district board exercises its option 31833
under division (D)(3) of this section, for a school district to 31834
qualify for participation in the program authorized under this 31835
section, one of the following conditions shall be satisfied: 31836

(a) The electors of the school district by a majority vote 31837
shall approve the levy of taxes outside the ten-mill limitation 31838
for a period of twenty-three years at the rate of not less than 31839
one-half mill for each dollar of valuation to be used to pay the 31840
cost of maintaining the classroom facilities included in the basic 31841
project cost as determined by the commission. The form of the 31842
ballot to be used to submit the question whether to approve the 31843
tax required under this division to the electors of the school 31844
district shall be the form for an additional levy of taxes 31845
prescribed in section 3318.361 of the Revised Code, which may be 31846
combined in a single ballot question with the questions prescribed 31847

under section 5705.218 of the Revised Code. 31848

(b) As authorized under division (C) of section 3318.05 of 31849
the Revised Code, the school district board shall earmark from the 31850
proceeds of a permanent improvement tax levied under section 31851
