(c) As authorized under section 3318.051 of the Revised Code, 31856
the school district board shall, if approved by the commission, 31857
annually transfer into the maintenance fund required under section 31858
3318.05 of the Revised Code the amount prescribed in section 31859
3318.051 of the Revised Code in lieu of the tax otherwise required 31860
under division (D)(2)(a) of this section for the maintenance of 31861
the classroom facilities included in the basic project cost as 31862
determined by the commission. 31863

(d) If the school district board has rescinded the agreement 31864
to make transfers under section 3318.051 of the Revised Code, as 31865
provided under division (F) of that section, the electors of the 31866
school district, in accordance with section 3318.063 of the 31867
Revised Code, first shall approve the levy of taxes outside the 31868
ten-mill limitation for the period specified in that section at a 31869
rate of not less than one-half mill for each dollar of valuation. 31870

(e) The school district board shall apply the proceeds of a 31871
tax to leverage bonds as authorized under section 3318.052 of the 31872
Revised Code or dedicate a local donated contribution in the 31873
manner described in division (B) of section 3318.084 of the 31874
Revised Code in an amount equivalent to the additional tax 31875
otherwise required under division (D)(2)(a) of this section for 31876
the maintenance of the classroom facilities included in the basic 31877
project cost as determined by the commission. 31878

(3) A school district board may opt to delay taking any of 31879
the actions described in division (D)(2) of this section until the 31880
school district becomes eligible for state assistance under 31881
sections 3318.01 to 3318.20 of the Revised Code. In order to 31882
exercise this option, the board shall certify to the commission a 31883
resolution indicating the board's intent to do so prior to 31884
entering into an agreement under division (B) of this section. 31885

(4) If pursuant to division (D)(3) of this section a district 31886
board opts to delay levying an additional tax until the district 31887
becomes eligible for state assistance, it shall submit the 31888
question of levying that tax to the district electors as follows: 31889

(a) In accordance with section 3318.06 of the Revised Code if 31890
it will also be necessary pursuant to division (E) of this section 31891
to submit a proposal for approval of a bond issue; 31892

(b) In accordance with section 3318.361 of the Revised Code 31893
if it is not necessary to also submit a proposal for approval of a 31894
bond issue pursuant to division (E) of this section. 31895

(5) No state assistance under sections 3318.01 to 3318.20 of 31896
the Revised Code shall be released until a school district board 31897
that adopts and certifies a resolution under division (D) of this 31898
section also demonstrates to the satisfaction of the commission 31899
compliance with the provisions of division (D)(2) of this section. 31900

Any amount required for maintenance under division (D)(2) of 31901
this section shall be deposited into a separate fund as specified 31902
in division (B) of section 3318.05 of the Revised Code. 31903

(E)(1) If the school district becomes eligible for state 31904
assistance under sections 3318.01 to 3318.20 of the Revised Code 31905
for its entire project or for future segments, if the district 31906
previously segmented its project as authorized in section 3318.034 31907
of the Revised Code, based on its percentile ranking under 31908
division (B)(3) of this section or is offered assistance under 31909

section 3318.364 of the Revised Code, the commission shall conduct 31910
a new assessment of the school district's classroom facilities 31911
needs and shall recalculate the basic project cost based on this 31912
new assessment. The basic project cost recalculated under this 31913
division shall include the amount of expenditures made by the 31914
school district board under division (D)(1) of this section. The 31915
commission shall then recalculate the school district's portion of 31916
the new basic project cost, which shall be the percentage of the 31917
original basic project cost assigned to the school district as its 31918
portion under division (C) of this section. The commission shall 31919
deduct the expenditure of school district moneys made under 31920
division (D)(1) of this section from the school district's portion 31921
of the basic project cost as recalculated under this division. If 31922
the amount of school district resources applied by the school 31923
district board to the school district's portion of the basic 31924
project cost under this section is less than the total amount of 31925
such portion as recalculated under this division, the school 31926
district board by a majority vote of all of its members shall, if 31927
it desires to seek state assistance under sections 3318.01 to 31928
3318.20 of the Revised Code, adopt a resolution as specified in 31929
section 3318.06 of the Revised Code to submit to the electors of 31930
the school district the question of approval of a bond issue in 31931
order to pay any additional amount of school district portion 31932
required for state assistance. Any tax levy approved under 31933
division (D) of this section satisfies the requirements to levy 31934
the additional tax under section 3318.06 of the Revised Code. 31935

(2) If the amount of school district resources applied by the 31936
school district board to the school district's portion of the 31937
basic project cost under this section is more than the total 31938
amount of such portion as recalculated under this division, within 31939
one year after the school district's portion is recalculated under 31940
division (E)(1) of this section the commission may grant to the 31941
school district the difference between the two calculated 31942

portions, but at no time shall the commission expend any state 31943
funds on a project in an amount greater than the state's portion 31944
of the basic project cost as recalculated under this division. 31945

Any reimbursement under this division shall be only for local 31946
resources the school district has applied toward construction cost 31947
expenditures for the classroom facilities approved by the 31948
commission, which shall not include any financing costs associated 31949
with that construction. 31950

The school district board shall use any moneys reimbursed to 31951
the district under this division to pay off any debt service the 31952
district owes for classroom facilities constructed under its 31953
project under this section before such moneys are applied to any 31954
other purpose. However, the district board first may deposit 31955
moneys reimbursed under this division into the district's general 31956
fund or a permanent improvement fund to replace local resources 31957
the district withdrew from those funds, as long as, and to the 31958
extent that, those local resources were used by the district for 31959
constructing classroom facilities included in the district's basic 31960
project cost. 31961

charges, the chancellor shall continue to pay to the agent from 32993
each periodic distribution thereafter, and until the full amount 32994
due the agent for unpaid bond service charges is paid in full, the 32995
lesser of the remaining amount due the agent for bond service 32996

paying agents or fiscal agents during any fiscal biennium of the 33009
state only from and to the extent that money is appropriated to 33010

state, and the holders or owners of those obligations have no 33019
right to have excises or taxes levied or appropriations made by 33020
the general assembly for the payment of bond service charges on 33021
the obligations, and the obligations shall contain a statement to 33022
that effect. The agreement for or the actual withholding and 33023
payment of money under this section does not constitute the 33024
assumption by the state of any debt of a community or technical 33025
college district or a community or technical college, and bond 33026
service charges on the related obligations are not anticipated to 33027
be paid from the state general revenue fund for purposes of 33028

college district, or the issuing authority in the case of 33032
obligations issued by the issuing authority, shall appoint a 33033
paying agent or fiscal agent who is not an officer or employee of 33034
the district or college. 33035

(H) The chancellor, with the advice and consent of the office 33036
of budget and management, may adopt reasonable rules not 33037
inconsistent with this section for the implementation of this 33038
section to secure payment of bond service charges on obligations 33039
issued by a community or technical college district or by the 33040
issuing authority for the benefit of a community or technical 33041
college district or the community or technical college it 33042

operates. Those rules shall include criteria for the evaluation 33043
and approval or denial of community or technical college district 33044
requests for withholding under this section. 33045

(I) The authority granted by this section is in addition to 33046
and not a limitation on any other authorizations granted by or 33047
pursuant to law for the same or similar purposes. 33048

Sec. 3333.65. The chancellor of higher education shall 33049
require each state university or college that the controlling 33050
board approves to receive an award under the Ohio innovation 33051
partnership to enter into an agreement governing the use of the 33052
award. The agreement shall contain terms the chancellor determines 33053
to be necessary, which shall include performance measures, 33054
reporting requirements, and an obligation to fulfill pledges of 33055
other institutional, public, or nonpublic resources for the 33056

The chancellor may require a state university or college that 33058
violates the terms of its agreement to repay the award plus 33059
interest at the rate required by section 5703.47 of the Revised 33060
Code to the chancellor only as the award and any interest due is 33061
collected from a student for repayment. The chancellor shall not 33062
hold a state university or college responsible for repayment to 33063
the department of higher education until the state university or 33064
college is able to obtain repayment from the student or if the 33065
state university or college has certified collection of the 33066
repayment to the attorney general and has sent a copy of the 33067
certification to the chancellor. 33068

If the chancellor makes an award to a program or initiative 33069
that is intended to be implemented by a state university or 33070
college in collaboration with other state institutions of higher 33071
education or nonpublic Ohio universities or colleges, the 33072
chancellor may enter into an agreement with the collaborating 33073

universities or colleges that permits awards to be received 33074
directly by the collaborating universities or colleges consistent 33075
with the terms of the program or initiative. In that case, the 33076
chancellor shall incorporate into the agreement terms consistent 33077
with the requirements of this section. 33078

Sec. 3345.48. (A) As used in this section: 33079

(1) "Cohort" means a group of students who will complete 33080
their bachelor's degree requirements and graduate from a state 33081
university at the same time. A cohort may include transfer 33082
students and other selected undergraduate student academic 33083
programs as determined by the board of trustees of a state 33084
university. 33085

(2) "Eligible student" means an undergraduate student who: 33086

(a) Is enrolled full-time in a bachelor's degree program at a 33087
state university; 33088

(b) Is a resident of this state, as defined by the chancellor 33089
of higher education under section 3333.31 of the Revised Code. 33090

(3) "State university" has the same meaning as in section 33091
3345.011 of the Revised Code. 33092

(B) The board of trustees of ~~a~~ each state university ~~may~~ 33093
shall establish an undergraduate tuition guarantee program that 33094
allows eligible students in the same cohort to pay a fixed rate 33095
for general and instructional fees for four years. A board of 33096
trustees may include room and board and any additional fees in the 33097
program. 33098

~~If the board of trustees chooses to establish such a program,~~ 33099
The board shall adopt rules for the program that include, but 33100
are not limited to, all of the following: 33101

(1) The number of credit hours required to earn an 33102
undergraduate degree in each major; 33103

(2) A guarantee that the general and instructional fees for 33104
each student in the cohort shall remain constant for four years so 33105
long as the student complies with the requirements of the program, 33106
except that, notwithstanding any law to the contrary, the board 33107
may increase the guaranteed amount by up to six per cent above 33108
what has been charged in the previous academic year one time for 33109
the first cohort enrolled under the tuition guarantee program. If 33110
the board of trustees determines that economic conditions or other 33111
circumstances require an increase for the first cohort of above 33112
six per cent, the board shall submit a request to increase the 33113
amount by a specified percentage to the chancellor. The 33114
chancellor, based on information the chancellor requires from the 33115

consumer price index prepared by the bureau of labor statistics of 33122
the United States department of labor (all urban consumers, all 33123

(b) The percentage amount the general assembly restrains 33125
increases on in-state undergraduate instructional and general fees 33126
for the applicable fiscal year. If the general assembly does not 33127
enact a limit on the increase of in-state undergraduate 33128
instructional and general fees, then no limit shall apply under 33129
this division for the cohort that first enrolls in any academic 33130
year for which the general assembly does not prescribe a limit. 33131

If, beginning with the academic year that starts four years 33132
after September 29, 2013, the board of trustees determines that 33133
the general and instructional fees charged under the tuition 33134
guarantee have fallen significantly lower than those of other 33135

state universities, the board of trustees may submit a request to 33136
increase the amount charged to a cohort by a specified percentage 33137
to the chancellor, who shall approve or disapprove such a request. 33138

(3) A benchmark by which the board sets annual increases in 33139
general and instructional fees. This benchmark and any subsequent 33140
change to the benchmark shall be subject to approval of the 33141
chancellor. 33142

(4) Eligibility requirements for students to participate in 33143
the program; 33144

years due to a lack of available classes or space in classes 33149
provided by the university, the university shall provide the 33150
necessary course or courses for completion to the student free of 33151
charge. 33152

student's control, as determined by the board of trustees, the 33155
university shall provide the necessary course or courses for 33156
completion to the student at the student's initial cohort rate. 33157

(c) For a student who did not complete the program in four 33158
years for any other reason, as determined by the board of 33159
trustees, the university shall provide the necessary course or 33160
courses for completion to the student at a rate determined through 33161
a method established by the board under division (B)(7) of this 33162
section. 33163

(7) Guidelines for adjusting a student's annual charges if 33164
the student, due to circumstances under the student's control, is 33165

unable to complete a degree program within four years; 33166

(8) A requirement that the rules adopted under division (B) 33167
of this section be published or posted in the university handbook, 33168
course catalog, and web site. 33169

~~(C) If a board of trustees implements a program under this~~ 33170

~~(E) Within five years after September 29, 2013, the~~ 33180
~~chancellor shall publish on the chancellor's web site a report~~ 33181
~~that includes all of the following:~~ 33182

~~(1) The state universities that have adopted an undergraduate~~ 33183
~~tuition guarantee program under this section;~~ 33184

~~(2) The details of each undergraduate tuition guarantee~~ 33185
~~program established under this section;~~ 33186

~~(3) Comparative data, including general and instructional~~ 33187
~~fees, room and board, graduation rates, and retention rates, from~~ 33188
~~all state universities.~~ 33189

~~(F)~~ Except as provided in this section, no other limitation 33190

of the charter is effective immediately upon its acceptance by the 33287
board of regents, and the state community college district shall 33288

thereupon become a community college district. If a levy is 33289

program operated under the authority of the contract that was 35887
extended under division (A)(1) of this section. The director of 35888
administrative services shall select a vendor through a 35889

program provide notification of the program's requirements to each 35904
owner of a motor vehicle that is required to be inspected under 35905
the program. The contract shall require the notification to be 35906
provided not later than sixty days prior to the date by which the 35907
owner of the motor vehicle is required to have the motor vehicle 35908
inspected. The director of environmental protection and the vendor 35909
shall jointly agree on the content of the notice. However, the 35910
notice shall include at a minimum the locations of all inspection 35911
facilities within a specified distance of the address that is 35912
listed on the owner's motor vehicle registration; 35913

that section existed prior to its repeal and reenactment by Am. 35939
Sub. H.B. 66 of the 126th general assembly, provided that the 35940
rules do not conflict with this section. 35941

this state multiplied by the fees levied under this division. Fees 37317
levied under this division do not apply to materials separated 37318
from a mixed waste stream for recycling by a generator or 37319
materials removed from the solid waste stream through recycling, 37320
as "recycling" is defined in rules adopted under section 3734.02 37321
of the Revised Code. 37322

The owner or operator of a solid waste transfer facility or 37323
disposal facility, as applicable, shall prepare and file with the 37324
director of environmental protection each month a return 37325
indicating the total tonnage of solid wastes received at the 37326
facility during that month and the total amount of the fees 37327
required to be collected under this division during that month. In 37328
addition, the owner or operator of a solid waste disposal facility 37329
shall indicate on the return the total tonnage of solid wastes 37330

received from transfer facilities located in this state during 37331
that month for which the fees were required to be collected by the 37332
transfer facilities. The monthly returns shall be filed on a form 37333
prescribed by the director. Not later than thirty days after the 37334
last day of the month to which a return applies, the owner or 37335
operator shall mail to the director the return for that month 37336
together with the fees required to be collected under this 37337
division during that month as indicated on the return or may 37338
submit the return and fees electronically in a manner approved by 37339
the director. If the return is filed and the amount of the fees 37340
due is paid in a timely manner as required in this division, the 37341
owner or operator may retain a discount of three-fourths of one 37342
per cent of the total amount of the fees that are required to be 37343
paid as indicated on the return. 37344

The owner or operator may request an extension of not more 37345
than thirty days for filing the return and remitting the fees, 37346
provided that the owner or operator has submitted such a request 37347
in writing to the director together with a detailed description of 37348
why the extension is requested, the director has received the 37349
request not later than the day on which the return is required to 37350
be filed, and the director has approved the request. If the fees 37351
are not remitted within thirty days after the last day of the 37352
month to which the return applies or are not remitted by the last 37353
day of an extension approved by the director, the owner or 37354
operator shall not retain the three-fourths of one per cent 37355
discount and shall pay an additional ten per cent of the amount of 37356
the fees for each month that they are late. For purposes of 37357
calculating the late fee, the first month in which fees are late 37358
begins on the first day after the deadline has passed for timely 37359
submitting the return and fees, and one additional month shall be 37360
counted every thirty days thereafter. 37361

The owner or operator of a solid waste facility may request a 37362

refund or credit of fees levied under this division and remitted 37363
to the director that have not been paid to the owner or operator. 37364
Such a request shall be made only if the fees have not been 37365
collected by the owner or operator, have become a debt that has 37366
become worthless or uncollectable for a period of six months or 37367
more, and may be claimed as a deduction, including a deduction 37368
claimed if the owner or operator keeps accounts on an accrual 37369
basis, under the "Internal Revenue Code of 1954," 68A Stat. 50, 26 37370
U.S.C. 166, as amended, and regulations adopted under it. Prior to 37371
making a request for a refund or credit, an owner or operator 37372
shall make reasonable efforts to collect the applicable fees. A 37373
request for a refund or credit shall not include any costs 37374
resulting from those efforts to collect unpaid fees. 37375

A request for a refund or credit of fees shall be made in 37376
writing, on a form prescribed by the director, and shall be 37377
supported by evidence that may be required in rules adopted by the 37378
director under this chapter. After reviewing the request, and if 37379
the request and evidence submitted with the request indicate that 37380
a refund or credit is warranted, the director shall grant a refund 37381
to the owner or operator or shall permit a credit to be taken by 37382
the owner or operator on a subsequent monthly return submitted by 37383
the owner or operator. The amount of a refund or credit shall not 37384
exceed an amount that is equal to ninety days' worth of fees owed 37385
to an owner or operator by a particular debtor of the owner or 37386
operator. A refund or credit shall not be granted by the director 37387
to an owner or operator more than once in any twelve-month period 37388
for fees owed to the owner or operator by a particular debtor. 37389

If, after receiving a refund or credit from the director, an 37390
owner or operator receives payment of all or part of the fees, the 37391
owner or operator shall remit the fees with the next monthly 37392
return submitted to the director together with a written 37393
explanation of the reason for the submittal. 37394

For purposes of computing the fees levied under this division 37395
or division (B) of this section, any solid waste transfer or 37396
disposal facility that does not use scales as a means of 37397
determining gate receipts shall use a conversion factor of three 37398
cubic yards per ton of solid waste or one cubic yard per ton for 37399
baled waste, as applicable. 37400

The fees levied under this division and divisions (B) and (C) 37401
of this section are in addition to all other applicable fees and 37402
taxes and shall be paid by the customer or a political subdivision 37403
to the owner or operator of a solid waste transfer or disposal 37404
facility. In the alternative, the fees shall be paid by a customer 37405
or political subdivision to a transporter of waste who 37406
subsequently transfers the fees to the owner or operator of such a 37407
facility. The fees shall be paid notwithstanding the existence of 37408
any provision in a contract that the customer or a political 37409
subdivision may have with the owner or operator or with a 37410
transporter of waste to the facility that would not require or 37411
allow such payment regardless of whether the contract was entered 37412
prior to or after October 16, 2009. For those purposes, "customer" 37413
means a person who contracts with, or utilizes the solid waste 37414
services of, the owner or operator of a solid waste transfer or 37415
disposal facility or a transporter of solid waste to such a 37416
facility. 37417

(B) For the purposes specified in division (G) of this 37418
section, the solid waste management policy committee of a county 37419
or joint solid waste management district may levy fees upon the 37420
following activities: 37421

(1) The disposal at a solid waste disposal facility located 37422
in the district of solid wastes generated within the district; 37423

(2) The disposal at a solid waste disposal facility within 37424
the district of solid wastes generated outside the boundaries of 37425
the district, but inside this state; 37426

(3) The disposal at a solid waste disposal facility within 37427
the district of solid wastes generated outside the boundaries of 37428
this state. 37429

The solid waste management plan of the county or joint 37430
district approved under section 3734.521 or 3734.55 of the Revised 37431
Code and any amendments to it, or the resolution adopted under 37432
this division, as appropriate, shall establish the rates of the 37433
fees levied under divisions (B)(1), (2), and (3) of this section, 37434
if any, and shall specify whether the fees are levied on the basis 37435
of tons or cubic yards as the unit of measurement. A solid waste 37436
management district that levies fees under this division on the 37437
basis of cubic yards shall do so in accordance with division (A) 37438
of this section. 37439

The fee levied under division (B)(1) of this section shall be 37440
not less than one dollar per ton nor more than two dollars per 37441
ton, the fee levied under division (B)(2) of this section shall be 37442
not less than two dollars per ton nor more than four dollars per 37443
ton, and the fee levied under division (B)(3) of this section 37444
shall be not more than the fee levied under division (B)(1) of 37445
this section. 37446

Prior to the approval of the solid waste management plan of a 37447
district under section 3734.55 of the Revised Code, the solid 37448
waste management policy committee of a district may levy fees 37449
under this division by adopting a resolution establishing the 37450
proposed amount of the fees. Upon adopting the resolution, the 37451
committee shall deliver a copy of the resolution to the board of 37452
county commissioners of each county forming the district and to 37453
the legislative authority of each municipal corporation and 37454
township under the jurisdiction of the district and shall prepare 37455
and publish the resolution and a notice of the time and location 37456
where a public hearing on the fees will be held. Upon adopting the 37457
resolution, the committee shall deliver written notice of the 37458

adoption of the resolution; of the amount of the proposed fees; 37459
and of the date, time, and location of the public hearing to the 37460
director and to the fifty industrial, commercial, or institutional 37461
generators of solid wastes within the district that generate the 37462
largest quantities of solid wastes, as determined by the 37463
committee, and to their local trade associations. The committee 37464
shall make good faith efforts to identify those generators within 37465
the district and their local trade associations, but the 37466
nonprovision of notice under this division to a particular 37467
generator or local trade association does not invalidate the 37468
proceedings under this division. The publication shall occur at 37469
least thirty days before the hearing. After the hearing, the 37470
committee may make such revisions to the proposed fees as it 37471
considers appropriate and thereafter, by resolution, shall adopt 37472
the revised fee schedule. Upon adopting the revised fee schedule, 37473
the committee shall deliver a copy of the resolution doing so to 37474
the board of county commissioners of each county forming the 37475
district and to the legislative authority of each municipal 37476
corporation and township under the jurisdiction of the district. 37477
Within sixty days after the delivery of a copy of the resolution 37478
adopting the proposed revised fees by the policy committee, each 37479
such board and legislative authority, by ordinance or resolution, 37480
shall approve or disapprove the revised fees and deliver a copy of 37481
the ordinance or resolution to the committee. If any such board or 37482
legislative authority fails to adopt and deliver to the policy 37483
committee an ordinance or resolution approving or disapproving the 37484
revised fees within sixty days after the policy committee 37485
delivered its resolution adopting the proposed revised fees, it 37486
shall be conclusively presumed that the board or legislative 37487
authority has approved the proposed revised fees. The committee 37488
shall determine if the resolution has been ratified in the same 37489
manner in which it determines if a draft solid waste management 37490
plan has been ratified under division (B) of section 3734.55 of 37491

the Revised Code. 37492

The committee may amend the schedule of fees levied pursuant 37493
to a resolution adopted and ratified under this division by 37494
adopting a resolution establishing the proposed amount of the 37495
amended fees. The committee may repeal the fees levied pursuant to 37496
such a resolution by adopting a resolution proposing to repeal 37497
them. Upon adopting such a resolution, the committee shall proceed 37498
to obtain ratification of the resolution in accordance with this 37499
division. 37500

Not later than fourteen days after declaring the new fees to 37501
be ratified or the fees to be repealed under this division, the 37502
committee shall notify by certified mail the owner or operator of 37503
each solid waste disposal facility that is required to collect the 37504
fees of the ratification and the amount of the fees or of the 37505
repeal of the fees. Collection of any fees shall commence or 37506
collection of repealed fees shall cease on the first day of the 37507
second month following the month in which notification is sent to 37508
the owner or operator. 37509

Fees levied under this division also may be established, 37510
amended, or repealed by a solid waste management policy committee 37511
through the adoption of a new district solid waste management 37512
plan, the adoption of an amended plan, or the amendment of the 37513
plan or amended plan in accordance with sections 3734.55 and 37514
3734.56 of the Revised Code or the adoption or amendment of a 37515
district plan in connection with a change in district composition 37516
under section 3734.521 of the Revised Code. 37517

Not later than fourteen days after the director issues an 37518
order approving a district's solid waste management plan, amended 37519
plan, or amendment to a plan or amended plan that establishes, 37520
amends, or repeals a schedule of fees levied by the district, the 37521
committee shall notify by certified mail the owner or operator of 37522
each solid waste disposal facility that is required to collect the 37523

fees of the approval of the plan or amended plan, or the amendment 37524
to the plan, as appropriate, and the amount of the fees, if any. 37525
In the case of an initial or amended plan approved under section 37526
3734.521 of the Revised Code in connection with a change in 37527
district composition, other than one involving the withdrawal of a 37528
county from a joint district, the committee, within fourteen days 37529
after the change takes effect pursuant to division (G) of that 37530
section, shall notify by certified mail the owner or operator of 37531
each solid waste disposal facility that is required to collect the 37532
fees that the change has taken effect and of the amount of the 37533
fees, if any. Collection of any fees shall commence or collection 37534
of repealed fees shall cease on the first day of the second month 37535
following the month in which notification is sent to the owner or 37536
operator. 37537

If, in the case of a change in district composition involving 37538
the withdrawal of a county from a joint district, the director 37539
completes the actions required under division (G)(1) or (3) of 37540
section 3734.521 of the Revised Code, as appropriate, forty-five 37541
days or more before the beginning of a calendar year, the policy 37542
committee of each of the districts resulting from the change that 37543
obtained the director's approval of an initial or amended plan in 37544
connection with the change, within fourteen days after the 37545
director's completion of the required actions, shall notify by 37546
certified mail the owner or operator of each solid waste disposal 37547
facility that is required to collect the district's fees that the 37548
change is to take effect on the first day of January immediately 37549
following the issuance of the notice and of the amount of the fees 37550
or amended fees levied under divisions (B)(1) to (3) of this 37551
section pursuant to the district's initial or amended plan as so 37552
approved or, if appropriate, the repeal of the district's fees by 37553
that initial or amended plan. Collection of any fees set forth in 37554
such a plan or amended plan shall commence on the first day of 37555
January immediately following the issuance of the notice. If such 37556

an initial or amended plan repeals a schedule of fees, collection 37557
of the fees shall cease on that first day of January. 37558

If, in the case of a change in district composition involving 37559
the withdrawal of a county from a joint district, the director 37560
completes the actions required under division (G)(1) or (3) of 37561
section 3734.521 of the Revised Code, as appropriate, less than 37562
forty-five days before the beginning of a calendar year, the 37563
director, on behalf of each of the districts resulting from the 37564
change that obtained the director's approval of an initial or 37565
amended plan in connection with the change proceedings, shall 37566
notify by certified mail the owner or operator of each solid waste 37567
disposal facility that is required to collect the district's fees 37568
that the change is to take effect on the first day of January 37569
immediately following the mailing of the notice and of the amount 37570
of the fees or amended fees levied under divisions (B)(1) to (3) 37571
of this section pursuant to the district's initial or amended plan 37572
as so approved or, if appropriate, the repeal of the district's 37573
fees by that initial or amended plan. Collection of any fees set 37574
forth in such a plan or amended plan shall commence on the first 37575
day of the second month following the month in which notification 37576
is sent to the owner or operator. If such an initial or amended 37577
plan repeals a schedule of fees, collection of the fees shall 37578
cease on the first day of the second month following the month in 37579
which notification is sent to the owner or operator. 37580

If the schedule of fees that a solid waste management 37581
district is levying under divisions (B)(1) to (3) of this section 37582
is amended or repealed, the fees in effect immediately prior to 37583
the amendment or repeal shall continue to be collected until 37584
collection of the amended fees commences or collection of the 37585
repealed fees ceases, as applicable, as specified in this 37586
division. In the case of a change in district composition, money 37587
so received from the collection of the fees of the former 37588

districts shall be divided among the resulting districts in 37589
accordance with division (B) of section 343.012 of the Revised 37590
Code and the agreements entered into under division (B) of section 37591
343.01 of the Revised Code to establish the former and resulting 37592
districts and any amendments to those agreements. 37593

For the purposes of the provisions of division (B) of this 37594
section establishing the times when newly established or amended 37595
fees levied by a district are required to commence and the 37596
collection of fees that have been amended or repealed is required 37597
to cease, "fees" or "schedule of fees" includes, in addition to 37598
fees levied under divisions (B)(1) to (3) of this section, those 37599
levied under section 3734.573 or 3734.574 of the Revised Code. 37600

(C) For the purposes of defraying the added costs to a 37601
municipal corporation or township of maintaining roads and other 37602
public facilities and of providing emergency and other public 37603
services, and compensating a municipal corporation or township for 37604
reductions in real property tax revenues due to reductions in real 37605
property valuations resulting from the location and operation of a 37606
solid waste disposal facility within the municipal corporation or 37607
township, a municipal corporation or township in which such a 37608
solid waste disposal facility is located may levy a fee of not 37609
more than twenty-five cents per ton on the disposal of solid 37610
wastes at a solid waste disposal facility located within the 37611
boundaries of the municipal corporation or township regardless of 37612
where the wastes were generated. 37613

The legislative authority of a municipal corporation or 37614
township may levy fees under this division by enacting an 37615
ordinance or adopting a resolution establishing the amount of the 37616
fees. Upon so doing the legislative authority shall mail a 37617
certified copy of the ordinance or resolution to the board of 37618
county commissioners or directors of the county or joint solid 37619
waste management district in which the municipal corporation or 37620

township is located or, if a regional solid waste management 37621
authority has been formed under section 343.011 of the Revised 37622
Code, to the board of trustees of that regional authority, the 37623
owner or operator of each solid waste disposal facility in the 37624
municipal corporation or township that is required to collect the 37625
fee by the ordinance or resolution, and the director of 37626
environmental protection. Although the fees levied under this 37627
division are levied on the basis of tons as the unit of 37628
measurement, the legislative authority, in its ordinance or 37629
resolution levying the fees under this division, may direct that 37630
the fees be levied on the basis of cubic yards as the unit of 37631
measurement based upon a conversion factor of three cubic yards 37632
per ton generally or one cubic yard per ton for baled wastes. 37633

Not later than five days after enacting an ordinance or 37634
adopting a resolution under this division, the legislative 37635
authority shall so notify by certified mail the owner or operator 37636
of each solid waste disposal facility that is required to collect 37637
the fee. Collection of any fee levied on or after March 24, 1992, 37638
shall commence on the first day of the second month following the 37639
month in which notification is sent to the owner or operator. 37640

(D)(1) The fees levied under divisions (A), (B), and (C) of 37641
this section do not apply to the disposal of solid wastes that: 37642

(a) Are disposed of at a facility owned by the generator of 37643
the wastes when the solid waste facility exclusively disposes of 37644
solid wastes generated at one or more premises owned by the 37645
generator regardless of whether the facility is located on a 37646
premises where the wastes are generated; 37647

(b) Are generated from the combustion of coal, or from the 37648
combustion of primarily coal, regardless of whether the disposal 37649
facility is located on the premises where the wastes are 37650
generated; 37651

(c) Are asbestos or asbestos-containing materials or products 37652
disposed of at a construction and demolition debris facility that 37653
is licensed under Chapter 3714. of the Revised Code or at a solid 37654
waste facility that is licensed under this chapter. 37655

(2) Except as provided in section 3734.571 of the Revised 37656
Code, any fees levied under division (B)(1) of this section apply 37657
to solid wastes originating outside the boundaries of a county or 37658
joint district that are covered by an agreement for the joint use 37659
of solid waste facilities entered into under section 343.02 of the 37660
Revised Code by the board of county commissioners or board of 37661
directors of the county or joint district where the wastes are 37662
generated and disposed of. 37663

(3) When solid wastes, other than solid wastes that consist 37664
of scrap tires, are burned in a disposal facility that is an 37665
incinerator or energy recovery facility, the fees levied under 37666
divisions (A), (B), and (C) of this section shall be levied upon 37667
the disposal of the fly ash and bottom ash remaining after burning 37668
of the solid wastes and shall be collected by the owner or 37669
operator of the sanitary landfill where the ash is disposed of. 37670

(4) When solid wastes are delivered to a solid waste transfer 37671
facility, the fees levied under divisions (B) and (C) of this 37672
section shall be levied upon the disposal of solid wastes 37673
transported off the premises of the transfer facility for disposal 37674
and shall be collected by the owner or operator of the solid waste 37675
disposal facility where the wastes are disposed of. 37676

(5) The fees levied under divisions (A), (B), and (C) of this 37677
section do not apply to sewage sludge that is generated by a waste 37678
water treatment facility holding a national pollutant discharge 37679
elimination system permit and that is disposed of through 37680
incineration, land application, or composting or at another 37681
resource recovery or disposal facility that is not a landfill. 37682

(6) The fees levied under divisions (A), (B), and (C) of this section do not apply to solid wastes delivered to a solid waste composting facility for processing. When any unprocessed solid waste or compost product is transported off the premises of a composting facility and disposed of at a landfill, the fees levied under divisions (A), (B), and (C) of this section shall be collected by the owner or operator of the landfill where the unprocessed waste or compost product is disposed of.

(7) When solid wastes that consist of scrap tires are processed at a scrap tire recovery facility, the fees levied under divisions (A), (B), and (C) of this section shall be levied upon the disposal of the fly ash and bottom ash or other solid wastes remaining after the processing of the scrap tires and shall be collected by the owner or operator of the solid waste disposal facility where the ash or other solid wastes are disposed of.

(8) The director of environmental protection may issue an order exempting from the fees levied under this section solid wastes, including, but not limited to, scrap tires, that are generated, transferred, or disposed of as a result of a contract providing for the expenditure of public funds entered into by the administrator or regional administrator of the United States environmental protection agency, the director of environmental protection, or the director of administrative services on behalf of the director of environmental protection for the purpose of remediating conditions at a hazardous waste facility, solid waste facility, or other location at which the administrator or regional administrator or the director of environmental protection has reason to believe that there is a substantial threat to public health or safety or the environment or that the conditions are causing or contributing to air or water pollution or soil contamination. An order issued by the director of environmental protection under division (D)(8) of this section shall include a

determination that the amount of the fees not received by a solid waste management district as a result of the order will not adversely impact the implementation and financing of the district's approved solid waste management plan and any approved amendments to the plan. Such an order is a final action of the director of environmental protection.

(E) The fees levied under divisions (B) and (C) of this section shall be collected by the owner or operator of the solid waste disposal facility where the wastes are disposed of as a trustee for the county or joint district and municipal corporation or township where the wastes are disposed of. Moneys from the fees levied under division (B) of this section shall be forwarded to the board of county commissioners or board of directors of the district in accordance with rules adopted under division (H) of this section. Moneys from the fees levied under division (C) of this section shall be forwarded to the treasurer or such other officer of the municipal corporation as, by virtue of the charter, has the duties of the treasurer or to the fiscal officer of the township, as appropriate, in accordance with those rules.

(F) Moneys received by the treasurer or other officer of the municipal corporation under division (E) of this section shall be paid into the general fund of the municipal corporation. Moneys received by the fiscal officer of the township under that division shall be paid into the general fund of the township. The treasurer or other officer of the municipal corporation or the township fiscal officer, as appropriate, shall maintain separate records of the moneys received from the fees levied under division (C) of this section.

(G) Moneys received by the board of county commissioners or board of directors under division (E) of this section or section 3734.571, 3734.572, 3734.573, or 3734.574 of the Revised Code shall be paid to the county treasurer, or other official acting in

a similar capacity under a county charter, in a county district or 37747
to the county treasurer or other official designated by the board 37748
of directors in a joint district and kept in a separate and 37749

December 1993, to be collected no sooner than July 1, 1994; 38576

(2) Twenty dollars per ton on the total actual emissions of 38577

Air Act prior to calendar year 2000. Those fees shall be assessed 38594
on the emissions from such a generating unit commencing in 38595
calendar year 2001 based upon the total actual emissions from the 38596
generating unit during calendar year 2000 and shall continue to be 38597
assessed each subsequent calendar year based on the total actual 38598

emissions from the generating unit during the preceding calendar 38599
year. 38600

(3) The director shall issue invoices to owners or operators 38601
of air contaminant sources who are required to pay a fee assessed 38602
under division (B) or (D) of this section. Any such invoice shall 38603
be issued no sooner than the applicable date when the fee first 38604
may be collected in a year under the applicable division, shall 38605
identify the nature and amount of the fee assessed, and shall 38606
indicate that the fee is required to be paid within thirty days 38607
after the issuance of the invoice. 38608

from January 1, 1994, through December 31, 2003, each person who 38610
owns or operates an air contaminant source; who is required to 38611
apply for a permit to operate pursuant to rules adopted under 38612
division (G), or a variance pursuant to division (H), of section 38613
3704.03 of the Revised Code; and who is not required to apply for 38614
and obtain a Title V permit under section 3704.036 of the Revised 38615

contaminant source; who is required to apply for a permit to 38628
operate pursuant to rules adopted under division (G), or a 38629
variance pursuant to division (H), of section 3704.03 of the 38630

Revised Code; and who is not required to apply for and obtain a Title V permit under section 3704.03 of the Revised Code shall pay a single fee based upon the sum of the actual annual emissions from the facility of the regulated pollutants particulate matter, sulfur dioxide, nitrogen oxides, organic compounds, and lead in accordance with the following schedule:

(3)(a) As used in division (D) of this section, "synthetic minor facility" means a facility for which one or more permits to install or permits to operate have been issued for the air contaminant sources at the facility that include terms and conditions that lower the facility's potential to emit air contaminants below the major source thresholds established in rules adopted under section 3704.036 of the Revised Code.

(b) Beginning January 1, 2000, through June 30, ~~2020~~ 2022, each person who owns or operates a synthetic minor facility shall pay an annual fee based on the sum of the actual annual emissions from the facility of particulate matter, sulfur dioxide, nitrogen dioxide, organic compounds, and lead in accordance with the following schedule:

The fees assessed under division (D)(3) of this section shall be collected no sooner than the fifteenth day of April, commencing in 2000. The fees assessed under division (D) of this section in a calendar year shall be based upon the sum of the actual emissions of those regulated pollutants during the preceding calendar year. For the purpose of division (D) of this section, emissions of air contaminants may be calculated using engineering calculations, emission factors, material balance calculations, or performance testing procedures, as authorized by the director. The director, by rule, may require persons who are required to pay the fees assessed under division (D) of this section to pay those fees biennially rather than annually.

(E)(1) Consistent with the need to cover the reasonable costs of the Title V permit program, the director annually shall increase the fees prescribed in division (B) of this section by the percentage, if any, by which the consumer price index for the most recent calendar year ending before the beginning of a year exceeds the consumer price index for calendar year 1989. Upon calculating an increase in fees authorized by division (E)(1) of this section, the director shall compile revised fee schedules for

the purposes of division (B) of this section and shall make the revised schedules available to persons required to pay the fees assessed under that division and to the public.

(2) For the purposes of division (E)(1) of this section:

(a) The consumer price index for any year is the average of the consumer price index for all urban consumers published by the United States department of labor as of the close of the twelve-month period ending on the thirty-first day of August of that year.

(b) If the 1989 consumer price index is revised, the director shall use the revision of the consumer price index that is most consistent with that for calendar year 1989.

this section, by one-twelfth for each full month during the 38909
billing year that the source was not discharging, but only if the 38910
person holding the NPDES discharge permit for the source notifies 38911
the director in writing, not later than the first day of October 38912
of the billing year, of the circumstances causing the cessation of 38913

discharge. 38914

(iii) The annual discharge fee established in division 38915
(L)(3)(a)(i) of this section, except for the surcharge applicable 38916

prior to the date on which the fee is due. In the case of NPDES 38921
discharge permits for new sources, the fee shall be calculated 38922
using the average daily design flow of the facility until actual 38923
average daily discharge flow values are available for the time 38924
period specified in division (L)(3)(a)(iii) of this section. The 38925

any fee required by this section; 39436

(3) Provide for the waiver of any fee, or any part thereof, 39437

(4) Prescribe measures that the director considers necessary 39442

for the issuance or review specified by this section, the director 39447
may condition the issuance or review on the payment by the person 39448
receiving the issuance or review of, in addition to the fee 39449
specified by this section, the amount, or any portion thereof, in 39450

plan approval, or certification. If payment is late, the person 39460
responsible for payment of the fee shall pay an additional ten per 39461
cent of the amount due for each month that it is late. 39462

of this section, each sewage sludge facility shall pay a 39508
nonrefundable annual sludge fee equal to three dollars and fifty 39509
cents per dry ton of sewage sludge, including the dry tons of 39510
sewage sludge in materials derived from sewage sludge, that the 39511
sewage sludge facility treats or disposes of in this state. The 39512
annual volume of sewage sludge treated or disposed of by a sewage 39513
sludge facility shall be calculated using the first day of January 39514
through the thirty-first day of December of the calendar year 39515
preceding the date on which payment of the fee is due. 39516

(2)(a) Except as provided in division (Y)(2)(d) of this 39517
section, each sewage sludge facility shall pay a minimum annual 39518
sewage sludge fee of one hundred dollars. 39519

(b) The annual sludge fee required to be paid by a sewage 39520

hundred dollars. 39529

(ii) A sewage sludge facility that treats or disposes of 39530
exceptional quality sludge shall not be required to pay the annual 39531
sludge fee for treatment or disposal in this state of exceptional 39532
quality sludge generated outside of this state and contained in 39533
bags or other containers not greater than one hundred pounds in 39534
capacity. 39535

A thirty-five per cent reduction for exceptional quality 39536

division (Y)(3) of this section. 39538

(c) A sewage sludge facility that transfers sewage sludge to another sewage sludge facility in this state for further treatment prior to disposal in this state shall not be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred. In such a case, the sewage sludge facility that disposes of the sewage sludge shall pay the annual sludge fee. However, the facility transferring the sewage sludge shall pay the one-hundred-dollar minimum fee required under division (Y)(2)(a) of this section.

In the case of a sewage sludge facility that treats sewage sludge in this state and transfers it out of this state to another entity for disposal, the sewage sludge facility in this state shall be required to pay the annual sludge fee for the tons of sewage sludge that have been transferred.

(d) A sewage sludge facility that generates sewage sludge resulting from an average daily discharge flow of less than five thousand gallons per day is not subject to the fees assessed under division (Y) of this section.

(3) No sewage sludge facility required to pay the annual sludge fee shall be required to pay more than the maximum annual fee for each disposal method that the sewage sludge facility uses. The maximum annual fee does not include the additional amount that may be charged under division (Y)(5) of this section for late payment of the annual sludge fee. The maximum annual fee for the following methods of disposal of sewage sludge is as follows:

(a) Incineration: five thousand dollars;

(b) Preexisting land reclamation project or disposal in a landfill: five thousand dollars;

(4)(a) In the case of an entity that generates sewage sludge 39570
or a sewage sludge facility that treats sewage sludge and 39571
transfers the sewage sludge to an incineration facility for 39572
disposal, the incineration facility, and not the entity generating 39573
the sewage sludge or the sewage sludge facility treating the 39574
sewage sludge, shall pay the annual sludge fee for the tons of 39575
sewage sludge that are transferred. However, the entity or 39576
facility generating or treating the sewage sludge shall pay the 39577
one-hundred-dollar minimum fee required under division (Y)(2)(a) 39578
of this section. 39579

(b) In the case of an entity that generates sewage sludge and 39580
transfers the sewage sludge to a landfill for disposal or to a 39581
sewage sludge facility for land reclamation or surface disposal, 39582
the entity generating the sewage sludge, and not the landfill or 39583
sewage sludge facility, shall pay the annual sludge fee for the 39584
tons of sewage sludge that are transferred. 39585

(5) Not later than the first day of April of the calendar 39586
year following March 17, 2000, and each first day of April 39587
thereafter, the director shall issue invoices to persons who are 39588
required to pay the annual sludge fee. The invoice shall identify 39589
the nature and amount of the annual sludge fee assessed and state 39590
the first day of May as the deadline for receipt by the director 39591
of objections regarding the amount of the fee and the first day of 39592
July as the deadline for payment of the fee. 39593

Not later than the first day of May following receipt of an 39594
invoice, a person required to pay the annual sludge fee may submit 39595
objections to the director concerning the accuracy of information 39596
regarding the number of dry tons of sewage sludge used to 39597
calculate the amount of the annual sludge fee or regarding whether 39598
the sewage sludge qualifies for the exceptional quality sludge 39599
discount established in division (Y)(2)(b) of this section. The 39600
director may consider the objections and adjust the amount of the 39601

fee to ensure that it is accurate. 39602

If the director does not adjust the amount of the annual 39603
sludge fee in response to a person's objections, the person may 39604
appeal the director's determination in accordance with Chapter 39605
119. of the Revised Code. 39606

Not later than the first day of June, the director shall 39607
notify the objecting person regarding whether the director has 39608
found the objections to be valid and the reasons for the finding. 39609
If the director finds the objections to be valid and adjusts the 39610
amount of the annual sludge fee accordingly, the director shall 39611
issue with the notification a new invoice to the person 39612
identifying the amount of the annual sludge fee assessed and 39613
stating the first day of July as the deadline for payment. 39614

Not later than the first day of July, any person who is 39615
required to do so shall pay the annual sludge fee. Any person who 39616
is required to pay the fee, but who fails to do so on or before 39617
that date shall pay an additional amount that equals ten per cent 39618
of the required annual sludge fee. 39619

(6) The director shall transmit all moneys collected under 39620
division (Y) of this section to the treasurer of state for deposit 39621
into the surface water protection fund created in section 6111.038 39622
of the Revised Code. The moneys shall be used to defray the costs 39623
of administering and enforcing provisions in Chapter 6111. of the 39624
Revised Code and rules adopted under it that govern the use, 39625
storage, treatment, or disposal of sewage sludge. 39626

(7) Beginning in fiscal year 2001, and every two years 39627
thereafter, the director shall review the total amount of moneys 39628
generated by the annual sludge fees to determine if that amount 39629
exceeded six hundred thousand dollars in either of the two 39630
preceding fiscal years. If the total amount of moneys in the fund 39631
exceeded six hundred thousand dollars in either fiscal year, the 39632

director, after review of the fee structure and consultation with 39633
affected persons, shall issue an order reducing the amount of the 39634
fees levied under division (Y) of this section so that the 39635
estimated amount of moneys resulting from the fees will not exceed 39636
six hundred thousand dollars in any fiscal year. 39637

If, upon review of the fees under division (Y)(7) of this 39638
section and after the fees have been reduced, the director 39639
determines that the total amount of moneys collected and 39640
accumulated is less than six hundred thousand dollars, the 39641
director, after review of the fee structure and consultation with 39642
affected persons, may issue an order increasing the amount of the 39643
fees levied under division (Y) of this section so that the 39644
estimated amount of moneys resulting from the fees will be 39645
approximately six hundred thousand dollars. Fees shall never be 39646
increased to an amount exceeding the amount specified in division 39647
(Y)(7) of this section. 39648

Notwithstanding section 119.06 of the Revised Code, the 39649
director may issue an order under division (Y)(7) of this section 39650
without the necessity to hold an adjudicatory hearing in 39651
connection with the order. The issuance of an order under this 39652
division is not an act or action for purposes of section 3745.04 39653
of the Revised Code. 39654

been authorized to conduct harness racing meets. When such second 39777
permit is issued pursuant to this division for racing at the one 39778
race track, racing shall not be conducted at that race track on 39779
the same day that racing is conducted at the other race track in 39780

horse racing is being conducted, except that this provision shall 39795
not apply to a horse-racing meeting held at the state fair or at a 39796
fair conducted by a county agricultural society or at a fair 39797
conducted by an independent agricultural society. Distribution of 39798

transferred to the lottery profits education fund, and the 39874
director of budget and management may transfer the excess to the 39875

lottery. In addition, whenever, in the judgment of the director of 39877
the state lottery commission, the amount to the credit of the 39878
state lottery fund that represents proceeds from statewide joint 39879
lottery games equals the entire net proceeds of those games as 39880

recommend any additional legislation to assist in carrying out 40206
fully, in statutory form, the purposes declared in that section. 40207

testing and evaluation, the board shall determine by rule that any 40214
particular fixture, device, material, process of manufacture, 40215

sanitary erection, use, or construction, to that described in any 40220
section of the Revised Code, wherever the use of a fixture, 40221
device, material, method of manufacture, system, or method of 40222
construction described in that section of the Revised Code is 40223
permitted by law. The board shall amend or annul any rule or issue 40224
an authorization for the use of a new material or manufactured 40225
unit on any like application. No department, officer, board, or 40226
commission of the state other than the board of building standards 40227

or the board of building appeals shall permit the use of any 40228
fixture, device, material, method of manufacture, newly designed 40229
product, system, or method of construction at variance with what 40230
is described in any rule the board of building standards adopts or 40231
issues or that is authorized by any section of the Revised Code. 40232
Nothing in this section shall be construed as requiring approval, 40233
by rule, of plans for an industrialized unit that conforms with 40234
the rules the board of building standards adopts pursuant to 40235
section 3781.11 of the Revised Code. 40236

(D) The board shall recommend rules, codes, and standards to 40237

b. Govern the methods, processes, and any other aspect of the 40907
research, creation, and testing of a treatment or therapeutic 40908
protocol for each disease for which a prize may be awarded. 40909

2. The commission shall also adopt rules establishing the 40910
criteria for defining and classifying the diseases for which 40911
prizes shall be awarded. The commission may define and classify 40912
subsets of diseases, for example, tubular carcinoma of the breast. 40913
For purposes of sections 3.a. and c. of this article, a subset of 40914
a disease shall be considered one disease. The commission may 40915
consult the most recent edition of the international 40916
classification of disease as published by the world health 40917
organization or other definitions agreed to by a two-thirds vote 40918
of the commission. 40919

3. The commission shall also adopt rules regarding prizes for 40920
curing diseases that establish the following: 40921

a. At least ten major diseases for which to create prizes, 40922
which shall be determined based on the following factors: 40923

i. The severity of the disease to a human individual's 40924
overall health and well-being; 40925

ii. The survival rate or severity of impact of the disease; 40926

iii. The public health expenses and treatment expenses for the disease. 40927

40934
40935
40936

40938
40939

iii. It requires less than one year of the treatment or protocol to completely cure the disease. 40940
40941

c. The procedure for determining the diseases for which to award prizes, which includes the option to award prizes for more than ten diseases that meet the above criteria, if agreed to by two-thirds vote of the commission, and a requirement to update the list every three years. 40942
40943
40944
40945
40946

d. The submission and evaluation procedures and guidelines, including filing and review procedures, a requirement that the person or entity submitting the cure bears the burden of proof in demonstrating that the treatment or therapeutic protocol meets the above criteria, and limitations preventing public access to treatment or protocol submissions. 40947
40948
40949
40950
40951
40952

e. The estimated five-year public health savings that would result from a cure, which shall be equal to the five-year public health expenses for each disease in each compacting state, and a procedure to update these expenses every three years in conjunction with the requirements in section 3.c. of this article. 40953
40954
40955
40956
40957

The estimated five-year public health savings amount shall be 40958
calculated, estimated, and publicized every three years by 40959
actuaries employed or contracted by the commission. 40960

f. The prize amount with respect to cures for each disease, 40961
which shall be equal to the most recent estimated total five-year 40962
savings in public health expenses for the disease as calculated in 40963
section 3.e. of this article in all of the compacting states; 40964
amounts donated by charities, individuals, and any other entities 40965
intended for the prize under Article I of the compact; and any 40966
other factors that the commission deems appropriate. 40967

g. The prize distribution procedures and guidelines, which 40968
shall include the following requirements: 40969

i. Upon acceptance of a cure, the prize winner shall transfer 40970
to the commission the patent and all related intellectual property 40971
for the manufacture and distribution of the treatment or 40972
therapeutic protocol in exchange for the prize, except in the case 40973
that the prize money is considered by the commission to be too 40974
low, and that a prize will be awarded only to the first person or 40975
entity that submits a successful cure for a disease for which a 40976
prize may be awarded. 40977

ii. Donation amounts intended for the prize shall be kept in 40978
a separate, interest-bearing account maintained by the commission. 40979
This account shall be the only account in which prize money is 40980
kept. 40981

iii. Each compacting state shall have the responsibility to 40982
pay annually the compacting state's actual one-year savings in 40983
public health expenses for the particular disease for which a cure 40984
has been accepted. The compacting state shall make such an annual 40985
payment until it has fulfilled its prize responsibility as 40986
established in section 3.f. of this article. Each compacting 40987
state's payment responsibility begins one year after the date the 40988

cure becomes widely available. The commission shall employ or 40989
contract with actuaries to calculate each state's actual one-year 40990
savings in public health expenses at the end of each year to 40991
determine each state's responsibility for the succeeding year. 40992

iv. Compacting states may meet prize responsibilities by any 40993
method including the issuance of bonds or other obligations, with 40994
the principal and interest of those bonds or obligations to be 40995
repaid only from revenue derived from estimated public health 40996
expense savings from a cure to a disease. If the compacting state 40997
does not make such revenue available to repay some or all of the 40998
revenue bonds or obligations issued, the owners or holders of 40999
those bonds or obligations have no right to have excises or taxes 41000
levied to pay the principal or interest on them. The revenue bonds 41001
and obligations are not a debt of the issuing compacting state. 41002

v. A compacting state may issue bonds or other debt that are 41003
general obligations, under which the full faith and credit, 41004
revenue, and taxing power of the state is pledged to pay the 41005
principal and interest under those obligations, only if authorized 41006
by the compacting state's constitution or, if constitutional 41007
authorization is not required, by other law of the compacting 41008
state. 41009

vi. Upon acceptance of a cure, the commission shall obtain a 41010
loan from a financial institution in an amount equal to the most 41011
recently calculated total estimated five-year public health 41012
expenses for the disease in all compacting states, in accordance 41013
with section 3.f. of this article. The commission reserves the 41014
right to continuously evaluate the cure in the interim and rescind 41015
a prize offer if the commission finds that the cure no longer 41016
meets the commission's criteria. 41017

4. The commission may award a prize for a treatment or 41018
therapeutic protocol that yields a survival rate that is less than 41019
what is established in the cure criteria through at least five 41020

years after the treatment or protocol has ended. In that case, the 41021
prize amount awarded for that treatment or therapeutic protocol 41022
shall be reduced from the prize amount originally determined by 41023
the commission for a cure for that disease. The reduction shall be 41024
in proportion to the survival rate yielded by that treatment or 41025
protocol as compared to the survival rate established in the cure 41026
criteria. 41027

5. The commission also shall adopt rules that do the 41028
following: 41029

a. Establish the following regarding commission records: 41030

i. Conditions and procedures for public inspection and 41031
copying of its information and official records, except such 41032
information and records involving the privacy of individuals or 41033
would otherwise violate privacy laws under federal law and the 41034
laws of the compacting states; 41035

ii. Procedures for sharing with federal and state agencies, 41036
including law enforcement agencies, records and information 41037
otherwise exempt from disclosure; 41038

iii. Guidelines for entering into agreements with federal and 41039
state agencies to receive or exchange information or records 41040
subject to nondisclosure and confidentiality provisions. 41041

b. Provide a process for commission review of submitted 41042
treatments and therapeutic protocols for curing diseases that 41043
includes the following: 41044

i. An opportunity for an appeal, not later than thirty days 41045
after a rejection of a treatment or protocol for prize 41046
consideration, to a review panel established under the 41047
commission's dispute resolution process; 41048

ii. Commission monitoring and review of treatment and 41049
protocol effectiveness consistent with the cure criteria 41050

established by the commission for the particular disease; 41051

iii. Commission reconsideration, modification, or withdrawal 41052
of approval of a treatment or protocol for prize consideration for 41053
failure to continue to meet the cure criteria established by the 41054
commission for the particular disease. 41055

c. Establish a dispute resolution process to resolve disputes 41056
or other issues under the compact that may arise between two or 41057
more compacting states or between the commission and individuals 41058
or entities who submit treatments and therapeutic protocols to 41059
cure diseases, which process shall provide for: 41060

i. Administrative review by a review panel appointed by the 41061
commission; 41062

ii. Judicial review of decisions issued after an 41063
administrative review; and 41064

iii. Qualifications to be appointed to a panel, due process 41065
requirements, including notice and hearing procedures, and any 41066
other procedure, requirement, or standard necessary to provide 41067
adequate dispute resolution. 41068

d. Establish and impose annual member dues on compacting 41069
states, which shall be calculated based on the percentage of each 41070
compacting state's population in relation to the population of all 41071
the compacting states. 41072

6. Recognizing that the goal of the compact is to pool the 41073
potential savings of as many states and countries as possible to 41074
generate sufficient financial incentive to develop a cure for many 41075
of the world's most devastating diseases, the compact will respect 41076
the laws of each of these United States by adopting rules that 41077
establish ethical standards for research that shall be followed in 41078
order for a prize to be claimed. The compact, in the rules, shall 41079
establish a common set of ethical standards that embodies the laws 41080
and restrictions in each of the states so that to be eligible for 41081

claiming a prize the entity submitting a cure must not have 41082
violated any of the ethical standards in any one of the fifty 41083
states, whether the states have joined the compact or not. The 41084
compact will publish these common ethical standards along with the 41085
specific criteria for a cure for each of the diseases the compact 41086
has targeted. 41087

So long as a researcher follows the common ethical standards 41088
in effect at the time the research is done, an entity presenting a 41089
cure will be deemed to have followed the standards. On or before 41090
January 1 of each year, the compact shall review all state laws to 41091
determine if additional ethical standards have been enacted by any 41092
of the fifty states and the federal government. Any changes to the 41093
common ethical standards rules based on new state laws shall be 41094
adopted and published by the compact, but shall not take effect in 41095

1. Any state is eligible to become a compacting state. 41244

2. The compact shall become effective and binding upon 41245

states; provided, the commission shall only be established after 41247
six states become compacting states. Thereafter, the compact shall 41248
become effective and binding as to any other compacting state upon 41249
enactment of the compact into law by that state. 41250

3. Amendments to the compact may be proposed by the 41251
commission for enactment by the compacting states. No amendment 41252
shall become effective and binding until all compacting states 41253
enact the amendment into law. 41254

Article XIV. Withdrawal, Default, and Expulsion 41255

1. Withdrawal 41256

a. Once effective, the compact shall continue in force and 41257
remain binding upon each and every compacting state; provided, 41258
that a compacting state may withdraw from the compact by doing 41259
both of the following: 41260

i. Repealing the law enacting the compact in that state; 41261

ii. Notifying the commission in writing of the intent to 41262

I. At least three years after the date the notice is sent; 41264

II. After the repeal takes effect. 41265

b. The effective date of withdrawal is the date described in section 1.a.ii. of this article. 41266
41267

c. The member representing the withdrawing state shall immediately notify the management committee in writing upon the introduction of legislation in that state repealing the compact. If a management committee has not been established, the member shall immediately notify the commission. 41268

41274
41275
41276

e. The withdrawing state is responsible for all obligations, duties and liabilities incurred through the effective date of withdrawal, including any obligations, the performance of which extend beyond the effective date of withdrawal. defaulting state in writing of the suspension pending cure of the 41297
default. The commission shall stipulate the conditions and the 41298
time period within which the defaulting state shall cure its 41299
default. If the defaulting state fails to cure the default within 41300
the time period specified by the commission, the defaulting state 41301
shall be expelled from the compact and all rights, privileges, and 41302
benefits conferred by the compact shall be terminated from the 41303
effective date of the expulsion. Any state that is expelled from 41304
the compact shall be liable for any cure prize or prizes for three 41305
years after its removal. The commission shall also take 41306
appropriate legal action to ensure that any compacting state that 41307
withdraws from the compact remains liable for paying its 41308
responsibility towards a prize for a cure that was accepted while 41309
the compacting state was a member of the commission. 41310

b. The expelled state must reenact the compact in order to 41311
become a compacting state. 41312

3. Dissolution of Compact 41313

a. The compact dissolves effective upon the date of either of 41314
the following: 41315

i. The withdrawal or expulsion of a compacting state, which 41316
withdrawal or expulsion reduces membership in the compact to one 41317
compacting state; 41318

ii. The commission votes to dissolve the compact. 41319

b. Upon the dissolution of the compact, the compact becomes 41320
null and void and shall be of no further force or effect, and the 41321
business and affairs of the commission shall be wound up and any 41322
surplus funds shall be distributed in accordance with the 41323
commission's bylaws, provided, that the commission shall pay all 41324
outstanding prizes awarded before the dissolution of the compact, 41325
as well as any other outstanding debts and obligations incurred 41326
during the existence of the compact. Any unawarded funds donated 41327

to be a part of a prize shall be returned to the donor, along with 41328
any interest earned on the amount. 41329

Article XV. Severability and Construction 41330

1. The provisions of the compact shall be severable; and if 41331
any phrase, clause, sentence, or provision is deemed 41332
unenforceable, the remaining provisions of the compact shall be 41333
enforceable. 41334

2. The provisions of the compact shall be liberally construed 41335
to effectuate its purposes. 41336

Article XVI. Binding Effect of Compact and Other Laws 41337

1. Other Laws: Nothing herein prevents the enforcement of any 41338
other law of a compacting state, except as provided in section 41339
2.b. of this article. 41340

2. Binding Effect of the Compact 41341

a. All lawful actions of the commission, including all 41342
commission rules, are binding upon the compacting states. 41343

b. All agreements between the commission and the compacting 41344
states are binding in accordance with their terms. 41345

c. Except to the extent authorized by the compacting state's 41346
constitution or, if constitutional authorization is not required, 41347
by other law of the compacting state, such state, by entering into 41348
the compact does not: 41349

i. Commit the full faith and credit or taxing power of the 41350
compacting state for the payment of prizes or other obligations 41351
under the compact; 41352

ii. Make prize payment responsibilities or other obligations 41353
under the compact a debt of the compacting state. 41354

d. Upon the request of a party to a conflict over the meaning 41355
or interpretation of commission actions, and upon a majority vote 41356

of the compacting states, the commission may issue advisory 41357
opinions regarding the meaning or interpretation in dispute. 41358

e. In the event any provision of the compact exceeds the 41359
constitutional limits imposed on any compacting state, the 41360
obligations, duties, powers or jurisdiction sought to be conferred 41361
by that provision upon the commission shall be ineffective as to 41362
that compacting state, and those obligations, duties, powers, or 41363
jurisdiction shall remain in the compacting state and shall be 41364
exercised by the agency thereof to which those obligations, 41365
duties, powers, or jurisdiction are delegated by law in effect at 41366
the time the compact becomes effective. 41367

Sec. 3901.381. (A) Except as provided in sections 3901.382, 41368
3901.383, 3901.384, and 3901.386 of the Revised Code, a 41369
third-party payer shall process a claim for payment for health 41370
care services rendered by a provider to a beneficiary in 41371
accordance with this section. 41372

(B)(1) Unless division (B)(2) or (3) of this section applies, 41373
when a third-party payer receives from a provider or beneficiary a 41374
claim on the standard claim form prescribed in rules adopted by 41375
the superintendent of insurance under section 3902.22 of the 41376
Revised Code, the third-party payer shall pay or deny the claim 41377
not later than thirty days after receipt of the claim. When a 41378
third-party payer denies a claim, the third-party payer shall 41379
notify the provider and the beneficiary. The notice shall state, 41380
with specificity, why the third-party payer denied the claim. 41381

(2)(a) Unless division (B)(3) of this section applies, when a 41382
provider or beneficiary has used the standard claim form, but the 41383
third-party payer determines that reasonable supporting 41384
documentation is needed to establish the third-party payer's 41385
responsibility to make payment, the third-party payer shall pay or 41386
deny the claim not later than forty-five days after receipt of the 41387

claim. Supporting documentation includes the verification of 41388
employer and beneficiary coverage under a benefits contract, 41389
confirmation of premium payment, medical information regarding the 41390
beneficiary and the services provided, information on the 41391
responsibility of another third-party payer to make payment or 41392
confirmation of the amount of payment by another third-party 41393
payer, and information that is needed to correct material 41394
deficiencies in the claim related to a diagnosis or treatment or 41395
the provider's identification. 41396

Not later than thirty days after receipt of the claim, the 41397
third-party payer shall notify all relevant external sources that 41398
the supporting documentation is needed. All such notices shall 41399
state, with specificity, the supporting documentation needed. If 41400
the notice was not provided in writing, the provider, beneficiary, 41401
or third-party payer may request the third-party payer to provide 41402
the notice in writing, and the third-party payer shall then 41403
provide the notice in writing. If any of the supporting 41404
documentation is under the control of the beneficiary, the 41405
beneficiary shall provide the supporting documentation to the 41406
third-party payer. 41407

The number of days that elapse between the third-party 41408
payer's last request for supporting documentation within the 41409
thirty-day period and the third-party payer's receipt of all of 41410
the supporting documentation that was requested shall not be 41411
counted for purposes of determining the third-party payer's 41412
compliance with the time period of not more than forty-five days 41413
for payment or denial of a claim. Except as provided in division 41414
(B)(2)(b) of this section, if the third-party payer requests 41415
additional supporting documentation after receiving the initially 41416
requested documentation, the number of days that elapse between 41417
making the request and receiving the additional supporting 41418
documentation shall be counted for purposes of determining the 41419

third-party payer's compliance with the time period of not more than forty-five days. 41420
41421

(b) If a third-party payer determines, after receiving initially requested documentation, that it needs additional supporting documentation pertaining to a beneficiary's preexisting condition, which condition was unknown to the third-party payer and about which it was reasonable for the third-party payer to have no knowledge at the time of its initial request for documentation, and the third-party payer subsequently requests this additional supporting documentation, the number of days that elapse between making the request and receiving the additional supporting documentation shall not be counted for purposes of determining the third-party payer's compliance with the time period of not more than forty-five days. 41422

41428
41429
41430
41431
41432
41433

(c) When a third-party payer denies a claim, the third-party payer shall notify the provider and the beneficiary. The notice shall state, with specificity, why the third-party payer denied the claim. 41434
41435
41436
41437

(d) If a third-party payer determines that supporting documentation related to medical information is routinely necessary to process a claim for payment of a particular health care service, the third-party payer shall establish a description of the supporting documentation that is routinely necessary and make the description available to providers in a readily accessible format. 41438

(3) When a provider or beneficiary submits a claim by using 41453
the standard claim form prescribed in the superintendent's rules, 41454
but the information provided in the claim is materially deficient, 41455
the third-party payer shall notify the provider or beneficiary not 41456
later than fifteen days after receipt of the claim. The notice 41457
shall state, with specificity, the information needed to correct 41458
all material deficiencies. Once the material deficiencies are 41459
corrected, the third-party payer shall proceed in accordance with 41460
division (B)(1) or (2) of this section. 41461

It is not a violation of the notification time period of not 41462
more than fifteen days if a third-party payer fails to notify a 41463
provider or beneficiary of material deficiencies in the claim 41464
related to a diagnosis or treatment or the provider's 41465
identification. A third-party payer may request the information 41466
necessary to correct these deficiencies after the end of the 41467
notification time period. Requests for such information shall be 41468
made as requests for supporting documentation under division 41469
(B)(2) of this section, and payment or denial of the claim is 41470
subject to the time periods specified in that division. 41471

(C) For purposes of this section, if a dispute exists between 41472
a provider and a third-party payer as to the day a claim form was 41473
received by the third-party payer, both of the following apply: 41474

(1) If the provider or a person acting on behalf of the 41475
provider submits a claim directly to a third-party payer by mail 41476
and retains a record of the day the claim was mailed, there exists 41477
a rebuttable presumption that the claim was received by the 41478
third-party payer on the fifth business day after the day the 41479
claim was mailed, unless it can be proven otherwise. 41480

(2) If the provider or a person acting on behalf of the 41481
provider submits a claim directly to a third-party payer 41482

electronically, there exists a rebuttable presumption that the 41483
claim was received by the third-party payer twenty-four hours 41484
after the claim was submitted, unless it can be proven otherwise. 41485

(D) Nothing in this section requires a third-party payer to 41486
provide more than one notice to an employer whose premium for 41487
coverage of employees under a benefits contract has not been 41488
received by the third-party payer. 41489

(E) Compliance with the provisions of division (B)(3) of this 41490
section shall be determined separately from compliance with the 41491
provisions of divisions (B)(1) and (2) of this section. 41492

(F) A third-party payer shall transmit electronically any 41493
payment with respect to claims that the third-party payer receives 41494
electronically and pays to a contracted provider under this 41495
section and under sections 3901.383, 3901.384, and 3901.386 of the 41496
Revised Code. A provider shall not refuse to accept a payment made 41497
under this section or sections 3901.383, 3901.384, and 3901.386 of 41498
the Revised Code on the basis that the payment was transmitted 41499
electronically. 41500

Sec. 3901.3814. Sections 3901.38 and 3901.381 to 3901.3813 of 41501
the Revised Code do not apply to the following: 41502

(A) Policies offering coverage that is regulated under 41503
Chapters 3935. and 3937. of the Revised Code; 41504

(B) An employer's self-insurance plan and any of its 41505
administrators, as defined in section 3959.01 of the Revised Code, 41506
to the extent that federal law supersedes, preempts, prohibits, or 41507
otherwise precludes the application of any provisions of those 41508
sections to the plan and its administrators; 41509

(C) A third-party payer for coverage provided under the 41510
medicare advantage program operated under Title XVIII of the 41511
"Social Security Act," 49 Stat. 620 (1935), 42 U.S.C.A. 301, as 41512

amended; 41513

(D) A third-party payer for coverage provided under the 41514
medicaid program, ~~except that if a federal waiver applied for~~ 41515

system. On and after March 1, 2020, this section applies to all 42154
other health care providers. 42155

(B) Before a health care provider provides a health care 42156
product, service, or procedure to a patient, the patient or the 42157
patient's representative shall receive a reasonable, good faith 42158
cost estimate for the product, service, or procedure. This 42159
requirement does not apply when a patient seeks emergency 42160
services, a health care provider believes that a delay in care 42161
associated with fulfilling this requirement could harm the 42162
patient, or a circumstance described in section 3962.08 of the 42163
Revised Code occurs. 42164

A health care provider may elect to provide the cost estimate 42165
as described in section 3962.04 of the Revised Code or, if the 42166
patient is insured, elect for the patient's health plan issuer to 42167
provide the cost estimate after the provider has transmitted 42168
information to the issuer in accordance with section 3962.05 of 42169
the Revised Code. The provider shall notify the patient or the 42170
patient's representative who will provide the cost estimate. The 42171
provision of a cost estimate by the provider does not preclude the 42172
issuer from also providing a cost estimate to the patient or the 42173

patient's representative. 42174

Each health care provider or health plan issuer that provides 42175
a cost estimate shall ensure that the estimate is provided in a 42176
manner that complies with all applicable state and federal laws 42177
pertaining to the privacy of patient-identifying information. 42178

Sec. 3962.04. (A) Except as provided in division (B) of this 42179
section, a cost estimate provided by a health care provider shall 42180
contain all of the following: 42181

the patient is paying out-of-pocket or the patient's health plan 42183
issuer for each health care product, service, or procedure the 42184
patient is to receive, inclusive of facility, professional, and 42185
other fees, along with a short description and the applicable CPT 42186
code for the product, service, or procedure or, if no CPT code 42187
exists, another identifier the health plan issuer requires; 42188

(2) If the patient is insured under a health benefit plan, 42189
both of the following: 42190

(a) A notation of whether the provider is in-network or 42191
out-of-network for the patient; 42192

(b) The amount the health care provider expects to receive 42193
from the health plan issuer for the product, service, or 42194
procedure. The amount specified in the estimate shall be the 42195
amount the health plan issuer has agreed to reimburse the provider 42196
for the product, service, or procedure under a contract with the 42197
provider or the applicable government pay scale, if any. 42198

(3) The difference, if any, that the patient or other party 42199
responsible for the patient's care would be required to pay to the 42200
provider for the product, service, or procedure; 42201

(4) If the patient is not insured under a health benefit 42202
plan, the total amount the provider will charge the patient if the 42203

patient is paying out-of-pocket for each product, service, or 42204
procedure the patient is to receive, inclusive of facility, 42205
professional, and other fees, along with a short description and 42206
the applicable CPT code for the product, service, or procedure or, 42207
if no CPT code exists, another identifier that a health plan 42208
issuer would normally require. 42209

(B)(1) If a patient is to receive a health care product, 42210
service, or procedure in a hospital, the hospital is responsible 42211
for providing one comprehensive cost estimate to the patient or 42212
the patient's representative within the applicable time frame 42213
specified in division (D) of this section. The comprehensive cost 42214
estimate shall contain both of the following: 42215

(a) All information specified in division (A) of this section 42216
associated with products, services, or procedures to be provided 42217
by the hospital or its employees; 42218

(b) All information specified in division (A) of this section 42219
associated with products, services, or procedures to be provided 42220
by health care providers who are independent contractors of the 42221
hospital. 42222

(2) A health care provider who is an independent contractor 42223
of a hospital shall submit to the hospital all CPT codes or other 42224
identifiers the hospital needs to fulfill its responsibility under 42225
division (B)(1)(b) of this section. 42226

(C) A cost estimate required by this section shall be based 42227
on information provided at the time the appointment is made, as 42228
specified in section 3962.011 of the Revised Code, for the health 42229
care product, service, or procedure. In addition, the estimate 42230
need not take into account any information that subsequently 42231
arises, such as unknown, unanticipated, or subsequently needed 42232
health care products, services, or procedures provided for any 42233
reason after the initial appointment. Only one estimate is 42234

required per visit. 42235

If specific information, such as the health care provider who 42236
will be providing the health care product, service, or procedure, 42237
is not readily available at the time the appointment is made, the 42238
provider may base the cost estimate information specified in 42239
division (A)(1) of section 3962.04 of the Revised Code on either 42240
an average estimated charge for the product, service, or procedure 42241
that is submitted to the patient's health plan issuer or the 42242
average out-of-pocket price for the product, service, or procedure 42243
paid by patients who are uninsured. 42244

(D)(1) Except as provided in division (D)(2) or (3) of this 42245
section, the cost estimate required by this section shall be 42246
provided not later than twenty-four hours after the time the 42247
appointment for the health care product, service, or procedure is 42248
made, as specified in section 3962.011 of the Revised Code, or, if 42249
the product, service, or procedure is to be provided less than 42250
twenty-four hours after the appointment for the product, service, 42251
or procedure is made, as specified in section 3962.011 of the 42252
Revised Code, at the time the patient presents to receive the 42253
product, service, or procedure. 42254

(2) If the health care product, service, or procedure is to 42255
be provided by one or more independent contractors of the 42256
provider, the cost estimate shall be provided not later than 42257
thirty-six hours after the time the appointment for the product, 42258
service, or procedure is made, as specified in section 3962.011 of 42259
the Revised Code, or, if the product, service, or procedure is to 42260
be provided less than thirty-six hours after the appointment for 42261
the product, service, or procedure is made, as specified in 42262
section 3962.011 of the Revised Code, at the time the patient 42263
presents to receive the product, service, or procedure. 42264

(3) A provider may elect to send the cost estimate to the 42265
patient or the patient's representative by regular mail if the 42266

health care product, service, or procedure will be provided more 42267
than three days from the time the estimate is generated. If this 42268
election is made, the provider shall mail the cost estimate not 42269
later than the following, as applicable: 42270

(a) If the provider would otherwise be required to comply 42271
with division (D)(1) of this section, twenty-four hours after the 42272
time the appointment for the health care product, service, or 42273
procedure is made, as specified in section 3962.011 of the Revised 42274
Code; 42275

(b) If the provider would otherwise be required to comply 42276
with division (D)(2) of this section, thirty-six hours after the 42277
time the appointment for the health care product, service, or 42278
procedure is made, as specified in section 3962.011 of the Revised 42279
Code. 42280

(E)(1) If the patient is insured, a health care provider 42281
shall, not later than twenty-four hours after an appointment is 42282
made, as specified in section 3962.011 of the Revised Code, 42283
transmit to the patient's health plan issuer the patient's name; 42284
the patient's identification number, if one has been assigned; the 42285
CPT code or other identifier the issuer requires for each health 42286
care product, service, or procedure the patient is to receive; the 42287
provider's identification number; the provider's charge for each 42288
product, service, or procedure the patient has scheduled that will 42289
be delivered by a provider who is not in-network for the patient's 42290
health benefit plan; notification that the provider is providing 42291
the cost estimate to the patient or the patient's representative; 42292
and any other information the issuer requires from the provider. 42293

(2) If the provider is to provide a product, service, or 42294
procedure pursuant to a prescription or order from another 42295
provider, the provider who received the prescription or order 42296
shall transmit the information specified in division (E)(1) of 42297
this section to the patient's health plan issuer not later than 42298

twenty-four hours after receiving the prescription or order or, if 42299
received when the provider's office or facility is closed, 42300
twenty-four hours after the office or facility reopens. 42301

(3) Not later than five minutes after receiving information 42302
pursuant to division (E)(1) or (2) of this section, the health 42303
plan issuer shall give to the health care provider all information 42304
the provider needs to generate a cost estimate. 42305

If a health plan issuer does not provide the information 42306
necessary to generate the estimate, the health care provider shall 42307
notify the patient. The provider may note in the portion of the 42308
estimate pertaining to the information required by divisions 42309
(A)(2) and (3) of this section that health plan issuer information 42310
was not provided as required by law. In this case, the provider 42311
may specify only the information required by division (A)(1) of 42312
this section and, at the provider's discretion, the information 42313
required by division (A)(2) of this section. If the information 42314
necessary to complete the estimate is subsequently received and an 42315
updated estimate can be provided within the time limit established 42316
by division (D) of this section, the health care provider shall 42317
provide the updated estimate. 42318

(F) The cost estimate required by this section shall contain 42319
a disclaimer that the information is only an estimate based on 42320
facts available at the time it was prepared and that the amounts 42321
estimated could change as a result of unknown, unanticipated, or 42322
subsequently needed health care products, services, or procedures; 42323
changes to the patient's health benefit plan; or other changes. 42324
The provider has discretion in how the disclaimer is expressed. 42325

(G) If the amount estimated under division (A)(3) or (4) of 42326
this section changes by more than ten per cent before the patient 42327
initially presents for the health care product, service, or 42328
procedure, the health care provider shall supply to the patient an 42329
updated estimate within the time limit established by division (B) 42330

or (D) of this section, as applicable. 42331

(H) The cost estimate required by this section may be 42332
provided verbally or in electronic or written form and shall be 42333

written form, all of the following apply: 42335

(1) It shall be provided in large font. 42336

(2) Unless the estimate contains more than nine CPT codes or 42337
other identifiers, it shall be limited to one page. 42338

(3) The subject line of the communication containing the 42339
estimate shall state "Your Ohio Healthcare Price Transparency 42340
Estimate." 42341

(I) A patient may decline to receive a cost estimate under 42342
this section. 42343

(J) Nothing in this section prohibits a health care provider 42344
or health plan issuer from collecting payment from a patient for 42345
an administered health care product, service, or procedure 42346
regardless of whether the patient does or does not receive a cost 42347
estimate under this section before the product, service, or 42348
procedure is received. 42349

Sec. 3962.05. (A)(1) If a health care provider elects for a 42350
patient's health plan issuer to provide a cost estimate in lieu of 42351
the provider, the provider shall notify the issuer of this 42352
election through the issuer's portal described in section 1751.72, 42353

(f) Any other information the health plan issuer requires from the provider. 42370
42371

The portal also shall be able to transmit a copy of this information directly to the patient to whom the information pertains. 42372
42373
42374

Except as provided in division (A)(2) of this section, the transmission shall occur not later than twenty-four hours after the time the appointment for the health care product, service, or procedure is made, as specified in section 3962.011 of the Revised Code. 42375

(2) If the health care product, service, or procedure is to be provided by one or more independent contractors of the provider, the transmission shall occur not later than thirty-six hours after the time the appointment for the product, service, or procedure is made, as specified in section 3962.011 of the Revised Code. 42380
42381
42382
42383
42384
42385

A health plan issuer shall modify its portal as necessary to accommodate the information transmission. 42386
42387

(B) If a health care provider attests to the department of insurance that it is unable to transmit information through a health plan issuer's portal or through the connector portal, the 42388
42389
42390

provider may transmit the information by facsimile or telephone 42391
call to the department of insurance. The department shall enter 42392
the information on the provider's behalf in the relevant portal. 42393
Under these circumstances, the provider may compile patient 42394
information and transmit it to the department in a batch once 42395
every business day. 42396

Sec. 3962.06. (A) Under the circumstances described in 42397
division (A)(1) of section 3962.05 of the Revised Code, a health 42398
plan issuer shall provide a cost estimate to the patient or the 42399
patient's representative containing the information specified in 42400
divisions (A)(1) to (3) of section 3962.04 of the Revised Code, as 42401
well as the average rate the health plan issuer reimburses 42402
in-network providers for the same health care product, service, or 42403
procedure. 42404

(B) A health plan issuer shall ask the patient or the 42405
patient's representative whether the patient would prefer to 42406
receive cost estimates by electronic mail or other electronic 42407
means or by regular mail. The issuer shall send cost estimates by 42408
the means elected. 42409

If the means elected is by electronic mail or or other 42410
electronic means, the estimate shall be sent automatically, but 42411
not later than five minutes after the health plan issuer has 42412
received the necessary information from the health care provider. 42413
If the means elected is by regular mail, the estimate shall be 42414
mailed not later than forty-eight hours after the issuer has 42415
received the necessary information from the health care provider 42416
if the health care product, service, or procedure will be provided 42417
more than three days from the time the estimate is generated. For 42418
purposes of calculating the forty-eight hours, hours on a 42419
Saturday, Sunday, or legal holiday shall be excluded. 42420

If no election is made, the estimate shall be sent as 42421

follows: 42422

(1) If the health care product, service, or procedure will be provided more than three days from the time the estimate is generated, by regular mail; 42423
42424
42425

(2) If the health care product, service, or procedure will be provided less than three days from the time the estimate is generated and the electronic mail address of the patient or patient's representative is on file with the issuer, by electronic mail. 42426
42427
42428
42429
42430

A health plan issuer shall be held harmless if the electronic mail address of the patient or the patient's representative on file with the issuer is incorrect, invalid, or no longer used. 42431
42432
42433

(C)(1) The cost estimate required by this section shall be based on information provided at the time an appointment is made, as specified in section 3962.011 of the Revised Code. In addition, the estimate need not take into account any information that subsequently arises, such as unknown, unanticipated, or subsequently needed health care products, services, or procedures provided for any reason after the initial appointment. Only one estimate is required per visit. 42434
42435
42436
42437
42438
42439
42440
42441

(2) If specific information, such as the provider who will be providing the health care product, service, or procedure, is not readily available at the time the appointment is made, the health care provider may transmit that a provider is unknown and the health plan issuer may base the estimate on an average estimated charge submitted to the health plan issuer for the product, service, or procedure at that facility or location. 42442
42443
42444
42445
42446
42447
42448

(3) If a health care provider does not transmit to the health plan issuer the information necessary to generate the cost estimate, the issuer shall send to the patient or the patient's representative, by the same means used to send estimates, a notice 42449
42450
42451
42452

that the provider failed to transmit the necessary information as 42453
required by law and, consequently, a cost estimate could not be 42454
generated. This action shall be taken in the event a provider 42455
gives the issuer any indication that receipt of a health care 42456
product, service, or procedure is scheduled, such as through 42457
precertification. 42458

(D) The estimate required by this section shall contain both 42459
of the following: 42460

(1) A disclaimer that the information is only an estimate 42461
based on facts available at the time it was prepared and that the 42462
amounts estimated could change as a result of other factors; 42463
unknown, unanticipated, or subsequently needed health care 42464
products, services, or procedures; or changes to the patient's 42465
health benefit plan. The health plan issuer has discretion in how 42466
the disclaimer is expressed. 42467

(2) If applicable, a notation that a specific health care 42468
provider is out-of-network for the enrollee. 42469

(E) The cost estimate required by this section shall be 42470
provided in large font, be easy to understand, and, unless the 42471
estimate contains more than nine CPT codes or other identifiers, 42472
be limited to one page. The subject line of the communication 42473
containing the estimate shall state "Your Ohio Healthcare Price 42474
Transparency Estimate." 42475

(F) If the amount in a cost estimate required by this section 42476
changes by more than ten per cent before the patient presents for 42477
the health care product, service, or procedure, the health plan 42478
issuer shall supply to the patient an updated estimate by the 42479
means the patient or the patient's representative has elected 42480
under division (B) of this section and within the time frames 42481
specified in that division. 42482

(G) A patient may decline to receive a cost estimate under 42483

this section. 42484

(H) A patient is responsible for payment for an administered health care product, service, or procedure even if the patient does not receive a cost estimate under this section before the product, service, or procedure is received. 42485
42486
42487
42488

Sec. 3962.07. (A) Regardless of whether a cost estimate is provided to a patient by a health care provider under section 3962.04 of the Revised Code or by a health plan issuer under section 3962.06 of the Revised Code, a provider shall give the patient or the patient's representative the CPT code or other identifier the patient's health plan issuer requires for each health care product, service, or procedure the patient is to receive along with the charge information specified in division (A)(1) of section 3962.04 of the Revised Code associated with each code or other identifier. The provider has the following options for fulfilling this requirement: 42489
42490
42491
42492
42493
42494
42495
42496
42497
42498
42499

(1) The provider may send this information to the patient or the patient's representative through electronic means. 42500
42501

(2) The provider may send this information to the patient or patient's representative by regular mail if the health care product, service, or procedure will be provided more than three days from the time the appointment for the product, service, or procedure is made, as specified in section 3962.011 of the Revised Code. 42502
42503
42504
42505
42506
42507

(3) The provider may provide to the patient or the patient's representative a web site address where that individual may enter each code or identifier and retrieve the charge information. If this option is elected and the provider transmits the codes or identifiers to the patient's health plan issuer through a portal as described in section 3962.05 of the Revised Code, the provider may have the portal generate an automatic electronic mail message 42508
42509
42510
42511
42512
42513
42514

to the individual with instructions on how to retrieve charge 42515
information through the web site. 42516

(4) If the product, service, or procedure is to be provided 42517
less than three days from the time the appointment for the 42518
product, service, or procedure was made, the provider may give the 42519
information to the patient or the patient's representative at the 42520
time the patient presents for the product, service, or procedure 42521
to be received. 42522

Regardless of the manner in which the provider has elected to 42523
fulfill this requirement, the provider shall fulfill the 42524
requirement in accordance with all applicable state and federal 42525
laws pertaining to the privacy of patient-identifying information. 42526

The CPT codes or other identifiers and charge information 42527
shall, except as provided in division (B) of this section, be 42528
given to the patient or the patient's representative not later 42529
than twenty-four hours after the time the appointment for the 42530
health care product, service, or procedure is made, as specified 42531
in section 3962.011 of the Revised Code, or, if the product, 42532
service, or procedure is to be provided less than twenty-four 42533
hours after the appointment for the product, service, or procedure 42534
is made, as specified in section 3962.011 of the Revised Code, at 42535
the time the patient presents to receive the product, service, or 42536
procedure. 42537

(B) If the health care product, service, or procedure is to 42538
be provided by one or more independent contractors of the 42539
provider, the CPT codes or other identifiers and charge 42540
information shall be given to the patient or the patient's 42541
representative not later than thirty-six hours after the time the 42542
appointment for the product, service, or procedure is made, as 42543
specified in section 3962.011 of the Revised Code, or, if the 42544
product, service, or procedure is to be provided less than 42545
thirty-six hours after the appointment for the product, service, 42546

or procedure is made, as specified in section 3962.011 of the 42547
Revised Code, at the time the patient presents to receive the 42548
product, service, or procedure. 42549

Sec. 3962.08. (A) As used in this section, "office visit" 42550
means the family of CPT codes for "Evaluation and Management, 42551
Office Visits Established" (codes 99211, 99212, 99213, 99214, and 42552
99215) used for office or other outpatient visits for an 42553
established patient and the family of CPT codes for services 42554
similar to the foregoing, including vision services. 42555

(B) The requirement of section 3962.03 of the Revised Code 42556
does not apply in any of the following circumstances: 42557

(1) When the only service a health care provider will provide 42558
is an office visit; 42559

(2) When the patient was scheduled for only an office visit 42560
but during the visit it is determined that the patient needs a 42561
product, service, or procedure to be provided during that single 42562
visit; 42563

(3) When the patient seeks care without an appointment and 42564
without a prescription or order from another provider. 42565

(C) In the event a patient schedules or presents for health 42566
care products, services, or procedures in addition to an office 42567
visit but the health care provider is unable to estimate the level 42568
of office visit to be provided, or in the circumstances described 42569
in division (B)(3) of this section, the provider may enter a 42570
general designation for an unknown level of office visit. The 42571
estimate provided through the health care provider or health plan 42572
issuer under section 3962.03 of the Revised Code shall list the 42573
general designation and price range for all levels of office 42574
visits. 42575

Sec. 3962.081. In the event that a health care provider 42576

believes that a delay in care associated with fulfilling the cost estimate requirement of section 3962.03 of the Revised Code could harm the patient, the provider shall inform the patient or the patient's representative of this fact and provide the health care product, service, or procedure to the patient. After the product, service, or procedure is provided, the provider shall submit to the department of insurance a report, in the form and manner prescribed by the department, detailing why the provider believed that a delay in care could harm the patient. Annually, the department shall analyze the reports and prepare a summary of its findings. Each summary shall be submitted to the governor and, in accordance with section 101.68 of the Revised Code, the general assembly.

Sec. 3962.09. Not later than January 1, 2020, the department of insurance shall create or procure a connector portal that health care providers may use to transmit the information specified in section 3962.05 of the Revised Code to health plan issuers. The department shall ensure that the computer systems and software used in operating the connector portal are compatible with the computer systems and software manufactured by various vendors and used by health care providers and health plan issuers. In doing so, the department shall engage in active efforts to share with those vendors any information necessary to operate the connector portal in a manner that accomplishes both of the following, while also ensuring that the portal maintains the privacy of patient-identifying information in accordance with all applicable state and federal laws:

(A) Grants health care providers a means by which they may instantly transmit information and populate data fields that health plan issuers need to generate cost estimates under section 3962.06 of the Revised Code;

(B) Grants health plan issuers a means by which they may 42608
retrieve information directly from the connector portal in a 42609
seamless manner. 42610

Sec. 3962.10. A health care provider or health plan issuer 42611
that provides a cost estimate under this chapter is not liable in 42612
damages in a civil action for injury, death, or loss to person or 42613
property that allegedly arises from an act or omission associated 42614
with providing the estimate if the health care provider or health 42615
plan issuer made a good faith effort to collect the information 42616
necessary to generate the estimate and a good faith effort to 42617
provide the estimate to the patient or the patient's 42618
representative. 42619

Sec. 3962.11. (A) If, after completing an examination, the 42620
superintendent of insurance, department of health, department of 42621
medicaid, or appropriate regulatory board, as applicable, finds 42622
that a health plan issuer or health care provider has committed a 42623
series of violations that, taken together, constitute a consistent 42624
pattern or practice of violating the requirements of this chapter 42625
to provide cost estimates to patients or their representatives, 42626
the superintendent, department, or board may impose on the issuer 42627
or provider any of the administrative remedies specified in 42628
division (B) of this section. 42629

Before imposing an administrative remedy, the superintendent, 42630
department, or board shall give written notice to the health plan 42631
issuer or health care provider informing that party of the reasons 42632
for the finding, the administrative remedy that is proposed, and 42633
the opportunity to submit a written request for an administrative 42634
hearing regarding the finding and proposed remedy. If a hearing is 42635
requested, the superintendent, department, or board shall conduct 42636
the hearing in accordance with Chapter 119. of the Revised Code 42637
not later than fifteen days after receipt of the request. 42638

(B) In imposing administrative remedies under this section, 42639
the superintendent, department, or appropriate regulatory board 42640
may do either or both of the following: 42641

(1) Levy a monetary penalty in an amount determined in 42642
accordance with division (C) of this section; 42643

(2) Order the health plan issuer or health care provider to 42644
cease and desist from engaging in the violations. 42645

(C)(1) A finding by the superintendent, department, or 42646
appropriate regulatory board that a health plan issuer or health 42647
care provider has committed a series of violations that, taken 42648
together, constitutes a consistent pattern or practice of 42649
violating the requirements of this chapter to provide cost 42650
estimates to patients or their representatives, shall constitute a 42651
single offense for purposes of levying a fine as described in 42652
division (B)(1) of this section. 42653

(2) For a first offense, the superintendent or department may 42654
levy a fine of not more than one hundred thousand dollars; the 42655
appropriate regulatory board may levy a fine of not more than ten 42656
thousand dollars. 42657

For a second offense, the superintendent or department may 42658
levy a fine of not more than one hundred fifty thousand dollars; 42659
the appropriate regulatory board may levy a fine of not more than 42660
fifteen thousand dollars. 42661

For a third or subsequent offense, the superintendent or 42662
department may levy a fine of not more than three hundred thousand 42663
dollars; the appropriate regulatory board may levy a fine of not 42664
more than thirty thousand dollars. 42665

(3) In determining the amount of a fine to be levied within 42666
the limits specified in division (C)(2) of this section, the 42667
superintendent, department, or appropriate regulatory board shall 42668
consider the following factors: 42669

<u>(a) The extent and frequency of the violations;</u>	42670
<u>(b) Whether the violations were due to circumstances beyond the control of the health plan issuer or health care provider;</u>	42671 42672
<u>(c) Any remedial actions taken by the health plan issuer or health care provider;</u>	42673 42674
<u>(d) The actual or potential harm to others resulting from the violations;</u>	42675 42676
<u>(e) If the health plan issuer or health care provider knowingly and willingly committed the violations;</u>	42677 42678
<u>(f) The financial condition of the health plan issuer or health care provider;</u>	42679 42680
<u>(g) Any other factors the superintendent, department, or appropriate board considers appropriate.</u>	42681 42682
<u>(D) The amounts collected from levying fines under this section shall be paid into the state treasury to the credit of the general revenue fund.</u>	42683 42684 42685
<u>Sec. 3962.12. A contract clause that does any of the following is invalid and unenforceable:</u>	42686 42687
<u>(A) Prohibits a health care provider or health plan issuer from providing a patient with information that facilitates the patient's ability to choose a health care provider based on quality or cost, including providing a patient with cost and quality information for alternative providers when the patient demonstrates an intention to see a particular provider;</u>	42688 42689 42690 42691 42692 42693
<u>(B) Prohibits a health plan issuer from excluding any particular health care provider from a list or other resource that ranks providers based on quality or cost and is intended to help patients make decisions regarding their care;</u>	42694 42695 42696 42697
<u>(C) Restricts patient access to quality or cost information</u>	42698

provided by a health care provider or health plan issuer. 42699

Sec. 3962.13. (A) All of the following may adopt any rules 42700
necessary to carry out this chapter: 42701

(1) The superintendent of insurance; 42702

(2) The director of health; 42703

(3) The medicaid director; 42704

accordance with Chapter 119. of the Revised Code. 42709

Sec. 3962.14. Any member of the general assembly may 42710
intervene in litigation that challenges sections 3962.01 to 42711
3962.13 or section 5164.65 of the Revised Code. 42712

Sec. 3962.15. It is the general assembly's intent in enacting 42713
sections 3962.01 to 3962.14 of the Revised Code to provide 42714
patients with the information they need to make informed choices 42715
regarding their health care, to maximize health care cost savings 42716
for all residents of this state, and to reduce the burden of 42717
health care expenditures on government entities, including 42718
medicaid. 42719

Sec. 4109.05. (A) The director of commerce, after 42720
consultation with the director of health, shall adopt rules, in 42721
accordance with Chapter 119. of the Revised Code, prohibiting the 42722
employment of minors in occupations which are hazardous or 42723
detrimental to the health and well-being of minors. 42724

In adopting the rules, the director of commerce shall 42725

consider the orders issued pursuant to the "Fair Labor Standards Act of 1938," 52 Stat. 1060, 29 U.S.C. 201, as amended. 42726
42727

The director of commerce shall not adopt any rule that prohibits a minor who is sixteen or seventeen years of age and who is employed by an employer under the manufacturing mentorship program created in section 4109.22 of the Revised Code from being employed in a manufacturing occupation if the orders issued pursuant to the "Fair Labor Standards Act of 1938," 29 U.S.C. 201, et seq., permit the employment of the minor in the manufacturing occupation. court of competent jurisdiction to collect benefits and interest 42883
as provided in sections 4141.23 and 4141.27 of the Revised Code, 42884

(1)(a) Within six months after the determination under which the claimant was credited with that waiting period or paid benefits becomes final pursuant to section 4141.28 of the Revised Code, or within three years after the end of the benefit year in which such benefits were claimed, whichever is later, by order cancel such waiting period and require that such benefits be repaid to the director or be withheld from any benefits to which such applicant is or may become entitled before any additional benefits are paid, provided that the repayment or withholding shall not be required where the overpayment is the result of the director's correcting a prior decision due to a typographical or clerical error in the director's prior decision, or an error in an employer's report under division (G) of section 4141.28 of the Revised Code.

(b) The limitation specified in division (B)(1)(a) of this section shall not apply to cases involving the retroactive payment of remuneration covering periods for which benefits were previously paid to the claimant. However, in such cases, the director's order requiring repayment shall not be issued unless the director is notified of such retroactive payment within six

3301 to 3311. 42954

(3) If the amounts required to be repaid under division (B) 42955
of this section are not recovered within three years from the date 42956
the director's order requiring payment became final, initiate no 42957
further action to collect such benefits and the amount of any 42958
benefits not recovered at that time shall be canceled as 42959
uncollectible, provided that the time limit for collection shall 42960
be extended by the period of any stay to the collection or by any 42961
other time period to which the parties mutually agree. 42962

(C) The appeal provisions of sections 4141.281 and 4141.282 42963
of the Revised Code shall apply to all orders and determinations 42964
issued under this section, except that an individual's right of 42965
appeal under division (B)(2) of this section shall be limited to 42966
this state's authority to recover overpayment of benefits. 42967

(D) The director shall deposit any repayment collected under 42968

(E) If an individual makes a full repayment or a repayment 42973

that is less than the full amount required by this section, the 42974
director shall apply the repayment to the mutualized account under 42975
division (B) of section 4141.25 of the Revised Code, except that 42976
the director shall credit the repayment to the accounts of the 42977

against their accounts based on the proportion of benefits charged 42980
against the accounts as determined pursuant to division (D) of 42981
section 4141.24 of the Revised Code. 42982

purposes, and not as a pledge or other security interest. The 43101
characterization of any such transfer as a true sale and absolute 43102

financing for any purpose. Upon and following the transfer, the 43119
state shall not have any right, title, or interest in the 43120

levied by the state and its subdivisions to the same extent as if 43144
not transferred. The gross receipts and income of JobsOhio derived 43145
from the enterprise acquisition project shall be exempt from 43146
taxation levied by the state and its subdivisions, including, but 43147
not limited to, the taxes levied pursuant to Chapters 718., 5739., 43148
5741., 5747., and 5751. of the Revised Code. Any transfer from the 43149
state to JobsOhio of the enterprise acquisition project, or item 43150

title or a copy of the certificate of title marked "FOR 43457
DESTRUCTION" to the purchaser. 43458

(C)(1) When an insurance company declares it economically 43459
impractical to repair such a motor vehicle and has paid an agreed 43460
price for the purchase of the motor vehicle to any insured or 43461
claimant owner, the insurance company shall proceed as follows: 43462

(a) If an insurance company receives the certificate of title 43463
and the motor vehicle, within thirty business days, the insurance 43464
company shall deliver the certificate of title to a clerk of a 43465
court of common pleas and shall make application for a salvage 43466
certificate of title. This certificate of title, any supporting 43467
power of attorney, or application for a salvage certificate of 43468

verification as described in this chapter and in section 1337.25 43470

of the Revised Code. 43471

(b) If an insurance company obtains possession of the motor 43472
vehicle and a physical certificate of title was issued for the 43473
vehicle but the insurance company is unable to obtain the properly 43474
endorsed certificate of title for the motor vehicle within thirty 43475
business days following the vehicle's owner or lienholder's 43476
acceptance of the insurance company's payment for the vehicle, the 43477
insurance company may apply to the clerk of a court of common 43478
pleas for a salvage certificate of title without delivering the 43479
certificate of title for the motor vehicle. The application shall 43480
be accompanied by evidence that the insurance company has paid a 43481
total loss claim on the vehicle, a copy of the written request for 43482
the certificate of title from the insurance company or its 43483
designee, and proof that the request was delivered by a nationally 43484
recognized courier service to the last known address of the owner 43485
of the vehicle and any known lienholder, to obtain the certificate 43486
of title. 43487

(c) If an insurance company obtains possession of the motor 43488
vehicle and a physical certificate of title was not issued for the 43489
vehicle, the insurance company may apply to the clerk of a court 43490
of common pleas for a salvage certificate of title without 43491
delivering a certificate of title for the motor vehicle. The 43492
application shall be accompanied by the electronic certificate of 43493
title control number and a properly executed power of attorney, or 43494
other appropriate document, from the owner of the motor vehicle 43495
authorizing the insurance company to apply for a salvage 43496
certificate of title. The application for a salvage certificate of 43497
title, any supporting power of attorney, and any other appropriate 43498
document shall be exempt from the requirements of notarization and 43499
verification as described in this chapter and in section 1337.25 43500
of the Revised Code. 43501

(d) Upon receipt of a properly completed application for a 43502

salvage certificate of title as described in division (C)(1)(a), 43503
(b), or (c) or (C)(2) of this section, the clerk shall issue the 43504
salvage certificate of title on a form, prescribed by the 43505
registrar, that shall be easily distinguishable from the original 43506
certificate of title and shall bear the same information as the 43507
original certificate of title except that it may bear a different 43508
number than that of the original certificate of title. The salvage 43509
certificate of title shall include the following notice in bold 43510
lettering: 43511

"SALVAGE MOTOR VEHICLE - PURSUANT TO R.C. 4738.01." 43512

Except as provided in division (C)(3) of this section, the 43513
salvage certificate of title shall be assigned by the insurance 43514
company to a salvage dealer or any other person for use as 43515
evidence of ownership upon the sale or other disposition of the 43516
motor vehicle, and the salvage certificate of title shall be 43517
transferable to any other person. The clerk shall charge a fee of 43518
four dollars for the cost of processing each salvage certificate 43519
of title. 43520

(2) If an insurance company requests that a salvage motor 43521
vehicle auction take possession of a motor vehicle that is the 43522
subject of an insurance claim, and subsequently the insurance 43523
company denies coverage with respect to the motor vehicle or does 43524
not otherwise take ownership of the motor vehicle, the salvage 43525
motor vehicle auction may proceed as follows. After the salvage 43526
motor vehicle auction has possession of the motor vehicle for 43527
forty-five days, it may apply to the clerk of a court of common 43528
pleas for a salvage certificate of title without delivering the 43529
certificate of title for the motor vehicle. The application shall 43530
be accompanied by a copy of the written request that the vehicle 43531
be removed from the facility on the salvage motor vehicle 43532
auction's letterhead, and proof that the request was delivered by 43533
a nationally recognized courier service to the last known address 43534

of the owner of the vehicle and any known lienholder, requesting 43535
that the vehicle be removed from the facility of the salvage motor 43536
vehicle auction. Upon receipt of a properly completed application, 43537
the clerk shall follow the process as described in division 43538
(C)(1)(d) of this section. The salvage certificate of title so 43539
issued shall be free and clear of all liens. 43540

(3) If an insurance company considers a motor vehicle as 43541
described in division (C)(1)(a), (b), or (c) of this section to be 43542
impossible to restore for highway operation, the insurance company 43543
may assign the certificate of title to the motor vehicle to a 43544
salvage dealer or scrap metal processing facility and send the 43545
assigned certificate of title to the clerk of the court of common 43546
pleas of any county. The insurance company shall mark the face of 43547
the certificate of title "FOR DESTRUCTION" and shall deliver a 43548
photocopy of the certificate of title to the salvage dealer or 43549
scrap metal processing facility for its records. 43550

(4) If an insurance company declares it economically 43551
impractical to repair a motor vehicle, agrees to pay to the 43552
insured or claimant owner an amount in settlement of a claim 43553
against a policy of motor vehicle insurance covering the motor 43554
vehicle, and agrees to permit the insured or claimant owner to 43555
retain possession of the motor vehicle, the insurance company 43556
shall not pay the insured or claimant owner any amount in 43557
settlement of the insurance claim until the owner obtains a 43558
salvage certificate of title to the vehicle and furnishes a copy 43559
of the salvage certificate of title to the insurance company. 43560

(D) When a self-insured organization, rental or leasing 43561
company, or secured creditor becomes the owner of a motor vehicle 43562
that is burned, damaged, or dismantled and is determined to be 43563
economically impractical to repair, the self-insured organization, 43564
rental or leasing company, or secured creditor shall do one of the 43565
following: 43566

(1) Mark the face of the certificate of title to the motor vehicle "FOR DESTRUCTION" and surrender the certificate of title to a clerk of a court of common pleas for cancellation as described in division (A) of this section. The self-insured organization, rental or leasing company, or secured creditor then shall deliver the motor vehicle, together with a photocopy of the certificate of title, to a salvage dealer or scrap metal processing facility and shall cause the motor vehicle to be dismantled, flattened, crushed, or destroyed.

(2) Obtain a salvage certificate of title to the motor vehicle in the name of the self-insured organization, rental or leasing company, or secured creditor, as provided in division (C)(1) of this section, and then sell or otherwise dispose of the motor vehicle. If the motor vehicle is sold, the self-insured organization, rental or leasing company, or secured creditor shall obtain a salvage certificate of title to the motor vehicle in the name of the purchaser from a clerk of a court of common pleas.

(E) If a motor vehicle titled with a salvage certificate of title is restored for operation upon the highways, application shall be made to a clerk of a court of common pleas for a certificate of title. Upon inspection by the state highway patrol, which shall include establishing proof of ownership and an inspection of the motor number and vehicle identification number of the motor vehicle and of documentation or receipts for the materials used in restoration by the owner of the motor vehicle being inspected, which documentation or receipts shall be presented at the time of inspection, the clerk, upon surrender of the salvage certificate of title, shall issue a certificate of title for a fee prescribed by the registrar. The certificate of title shall be in the same form as the original certificate of title and shall bear the words "REBUILT SALVAGE" in black boldface letters on its face. Every subsequent certificate of title,

memorandum certificate of title, or duplicate certificate of title 43599
issued for the motor vehicle also shall bear the words "REBUILT 43600
SALVAGE" in black boldface letters on its face. The exact location 43601
on the face of the certificate of title of the words "REBUILT 43602
SALVAGE" shall be determined by the registrar, who shall develop 43603
an automated procedure within the automated title processing 43604
system to comply with this division. The clerk shall use 43605
reasonable care in performing the duties imposed on the clerk by 43606
this division in issuing a certificate of title pursuant to this 43607
division, but the clerk is not liable for any of the clerk's 43608
errors or omissions or those of the clerk's deputies, or the 43609
automated title processing system in the performance of those 43610
duties. A fee of fifty dollars shall be assessed by the state 43611
highway patrol for each inspection made pursuant to this division 43612
and shall be deposited into the public safety - highway purposes 43613
fund established by section 4501.06 of the Revised Code. 43614

(F) No person shall operate upon the highways in this state a 43615
motor vehicle, title to which is evidenced by a salvage 43616
certificate of title, except to deliver the motor vehicle pursuant 43617
to an appointment for an inspection under this section. 43618

(G) No motor vehicle the certificate of title to which has 43619
been marked "FOR DESTRUCTION" and surrendered to a clerk of a 43620
court of common pleas shall be used for anything except parts and 43621
scrap metal. 43622

(H)(1) Except as otherwise provided in this division, an 43623
owner of a manufactured or mobile home that will be taxed as real 43624
property pursuant to division (B) of section 4503.06 of the 43625
Revised Code shall surrender the certificate of title to the 43626
auditor of the county containing the taxing district in which the 43627
home is located. An owner whose home qualifies for real property 43628
taxation under divisions (B)(1)(a) and (b) of section 4503.06 of 43629
the Revised Code shall surrender the certificate within fifteen 43630

days after the home meets the conditions specified in those 43631
divisions. The auditor shall deliver the certificate of title to 43632
the clerk of the court of common pleas who issued it. 43633

(2) If the certificate of title for a manufactured or mobile 43634

agreement or the resolution providing for the issuance of revenue 43900
bonds may set forth the rights and remedies of the bondholders and 43901
trustee, and may contain other provisions for protecting and 43902
enforcing their rights and remedies that are determined in the 43903
discretion of the board of directors to be reasonable and proper. 43904
The agreement or resolution may provide for the custody, 43905
investment, and disbursement of all moneys derived from the sale 43906
of such bonds, or from the revenues of the port authority, other 43907

4582.14 of the Revised Code, and may provide for the deposit of 43909

such funds without regard to section 4582.15 of the Revised Code. 43910

All bonds issued under authority of this chapter, regardless 43911
of form or terms and regardless of any other law to the contrary, 43912
shall have all qualities and incidents of negotiable instruments, 43913
subject to provisions for registration, and may be issued in 43914
coupon, fully registered, or other form, or any combination 43915
thereof, as the board of directors determines. Provision may be 43916
made for the registration of any coupon bonds as to principal 43917
alone or as to both principal and interest, and for the conversion 43918
into coupon bonds of any fully registered bonds or bonds 43919
registered as to both principal and interest. 43920

The revenue bonds shall bear interest at such rate or rates, 43921
shall bear such date or dates, and shall mature within forty-five 43922
years following the date of issuance and in such amount, at such 43923
time or times, and in such number of installments, as may be 43924
provided in or pursuant to the resolution authorizing their 43925
issuance. The final maturity of any original issue of revenue 43926
bonds shall not be later than forty-five years from their date of 43927
issue. Such resolution also shall provide for the execution of the 43928
bonds, which may be by facsimile signatures unless prohibited by 43929
the resolution, and the manner of sale of the bonds. The 43930
resolution shall provide for, or provide for the determination of, 43931
any other terms and conditions relative to the issuance, sale, and 43932
retirement of the bonds that the board of directors in its 43933
discretion determines to be reasonable and proper. 43934

Whenever a port authority considers it expedient, it may 43935
issue renewal notes and refund any bonds, whether the bonds to be 43936
refunded have or have not matured. The final maturity of any 43937
notes, including any renewal notes, shall not be later than five 43938
years from the date of issue of the original issue of notes. The 43939
final maturity of any refunding bonds shall not be later than the 43940
later of forty-five years from the date of issue of the original 43941

issue of bonds. The refunding bonds shall be sold and the proceeds 43942
applied to the purchase, redemption, or payment of the bonds to be 43943
refunded and the costs of issuance of the refunding bonds. The 43944
bonds and notes issued under this chapter, their transfer, and the 43945
income therefrom, shall at all times be free from taxation within 43946
the state. 43947

any real or personal property, or any combination thereof, 43949

factories, offices, and other structures and facilities related 43951
to, useful for, or in furtherance of any authorized purpose, for 43952
such consideration and in such manner, consistent with Article 43953
VIII, Ohio Constitution, as the board in its sole discretion may 43954

interest in the property to the same or any other person or 43963

(d) Guarantee the obligations of any person or governmental 43965
entity. 43966

A port authority may accept and hold as consideration for the 43967
conveyance of property or any interest therein such property or 43968
interests therein as the board in its discretion may determine, 43969
notwithstanding any restrictions that apply to the investment of 43970
funds by a port authority. 43971

(6) Construct, maintain, repair, furnish, equip, sell, 43972

exchange, lease, or lease with an option to purchase, any property 43973

transportation, recreational, governmental operations, or cultural 43976
activities. 43977

combination thereof, related to, useful for, or in furtherance of 43983
an activity contemplated by Section 13 or 16 of Article VIII, Ohio 43984
Constitution, shall be made in such manner and subject to such 43985
terms and conditions as may be determined by the board of 43986
directors in its discretion. 43987

contracts that are subject to the division, notwithstanding any 43989
other provision of law that might otherwise apply, including, 43990
without limitation, any requirement of notice, any requirement of 43991
competitive bidding or selection, or any requirement for the 43992
provision of security. 43993

(c) Divisions (A)(6)(a) and (b) of this section do not apply 43994
to either of the following: 43995

sections 4582.01 to 4582.20 of the Revised Code shall authorize a 44021
port authority to take or disturb property or facilities belonging 44022

The board of embalmers and funeral directors shall consider objections filed by the party prior to issuing a final order. After reviewing the findings and advisory recommendations of the crematory review board, the written transcript of the crematory review board's proceedings, and any objections filed by a party, the board of embalmers and funeral directors shall issue a final order in the matter. The board may compel witnesses by subpoena to appear and testify in relation to investigations conducted under this chapter and may require by subpoena duces tecum the production of any book, paper, or document pertaining to an investigation. If a person does not comply with a subpoena or subpoena duces tecum, the board may apply to the court of common pleas of any county in this state for an order compelling the person to comply with the subpoena or subpoena duces tecum, or for failure to do so, to be held in contempt of court.

(H) If, as a result of its investigation conducted under division (G) of this section, the board of embalmers and funeral directors has reasonable cause to believe that the person investigated is violating any provision of this chapter or any rules adopted under this chapter governing or in connection with embalming, funeral directing, cremation, funeral homes, embalming facilities, or cremation facilities, or the operation of funeral homes, embalming facilities, or crematory facilities, it may, after providing the opportunity for an adjudicatory hearing, issue an order directing the person to cease the acts or practices that constitute the violation. thirty days after the mailing of the notice described in division 45112
(H)(1) of this section. 45113

(3) A stenographic record shall be taken, in the manner 45114
prescribed in section 119.09 of the Revised Code, at every 45115
adjudicatory hearing held under this section, regardless of 45116
whether the record may be the basis of an appeal to a court. 45117

(I) If, as a result of its investigation conducted under 45118
division (G) of this section, the board of embalmers and funeral 45119
directors has reasonable cause to believe that the person 45120
investigated is violating any provision of this chapter or any 45121
rules adopted under this chapter governing or in connection with 45122
crematory operators, crematory facilities, or cremation, the board 45123
shall send written notice of the alleged violation to the 45124
crematory review board. If, after the conclusion of the 45125
adjudicatory hearing in the matter conducted under division (F) of 45126
this section, the board of embalmers and funeral directors finds 45127
that a person is in violation of any provision of this chapter or 45128
any rules adopted under this chapter governing or in connection 45129
with crematory operators, crematory facilities, or cremation, the 45130
board may issue a final order under that division directing the 45131
person to cease the acts or practices that constitute the 45132
violation. 45133

section 4717.28, or division (D) or (E) of section 4717.31 of the 45141
Revised Code. The action shall be brought in the county where the 45142
violation occurred or the threatened violation is expected to 45143
occur. At the request of the board, the attorney general shall 45144
represent the board in any matter arising under this chapter. 45145

(K) The board of embalmers and funeral directors and the 45146
crematory review board may issue subpoenas for any person holding 45147
a license or permit under this chapter or persons holding 45148
themselves out as such, or for any other person whose testimony, 45149
in the opinion of either board, is necessary. The subpoena shall 45150
require the person to appear before the appropriate board or any 45151
designated member of either board, upon any hearing conducted 45152
under this chapter. The penalty for disobedience to the command of 45153
such a subpoena is the same as for refusal to answer such a 45154
process issued under authority of the court of common pleas. 45155

agreement, when ratified by a vote of a quorum, shall constitute 45662

consent agreement, the admissions and findings contained in the 45665

contains the board's findings. In the final order, the board may 45678
order any of the sanctions listed in division (A) or (B) of this 45679
section. 45680

(E) If a criminal action is brought against a registered 45681
nurse, licensed practical nurse, or dialysis technician for an act 45682

merits, the board shall conduct an adjudication to determine 45685
whether the registered nurse, licensed practical nurse, or 45686

dialysis technician committed the act on which the action was 45687
based. If the board determines on the basis of the adjudication 45688
that the registered nurse, licensed practical nurse, or dialysis 45689
technician committed the act, or if the registered nurse, licensed 45690
practical nurse, or dialysis technician fails to participate in 45691
the adjudication, the board may take action as though the 45692
registered nurse, licensed practical nurse, or dialysis technician 45693

If the board takes action on the basis of a conviction, plea, 45695
or a judicial finding as described in divisions (B)(3) to (7) of 45696
this section that is overturned on appeal, the registered nurse, 45697
licensed practical nurse, or dialysis technician may, on 45698
exhaustion of the appeal process, petition the board for 45699
reconsideration of its action. On receipt of the petition and 45700

its action. If the board determines that the decision on appeal 45702
was a decision on the merits, it shall permanently rescind its 45703
action. If the board determines that the decision on appeal was 45704
not a decision on the merits, it shall conduct an adjudication to 45705
determine whether the registered nurse, licensed practical nurse, 45706
or dialysis technician committed the act on which the original 45707
conviction, plea, or judicial finding was based. If the board 45708
determines on the basis of the adjudication that the registered 45709
nurse, licensed practical nurse, or dialysis technician committed 45710
such act, or if the registered nurse, licensed practical nurse, or 45711
dialysis technician does not request an adjudication, the board 45712
shall reinstate its action; otherwise, the board shall permanently 45713
rescind its action. 45714

Notwithstanding the provision of division (C)(2) of section 45715
2953.32 of the Revised Code specifying that if records pertaining 45716
to a criminal case are sealed under that section the proceedings 45717
in the case shall be deemed not to have occurred, sealing of the 45718

following records on which the board has based an action under 45719
this section shall have no effect on the board's action or any 45720
sanction imposed by the board under this section: records of any 45721
conviction, guilty plea, judicial finding of guilt resulting from 45722
a plea of no contest, or a judicial finding of eligibility for a 45723
pretrial diversion program or intervention in lieu of conviction. 45724

The board shall not be required to seal, destroy, redact, or 45725
otherwise modify its records to reflect the court's sealing of 45726
conviction records. 45727

(F) The board may investigate an individual's criminal 45728
background in performing its duties under this section. As part of 45729
such investigation, the board may order the individual to submit, 45730
at the individual's expense, a request to the bureau of criminal 45731
identification and investigation for a criminal records check and 45732
check of federal bureau of investigation records in accordance 45733
with the procedure described in section 4723.091 of the Revised 45734
Code. 45735

(G) During the course of an investigation conducted under 45736
this section, the board may compel any registered nurse, licensed 45737
practical nurse, or dialysis technician or applicant under this 45738
chapter to submit to a mental or physical examination, or both, as 45739
required by the board and at the expense of the individual, if the 45740
board finds reason to believe that the individual under 45741
investigation may have a physical or mental impairment that may 45742
affect the individual's ability to provide safe nursing care. 45743
Failure of any individual to submit to a mental or physical 45744
examination when directed constitutes an admission of the 45745
allegations, unless the failure is due to circumstances beyond the 45746
individual's control, and a default and final order may be entered 45747
without the taking of testimony or presentation of evidence. 45748

If the board finds that an individual is impaired, the board 45749
shall require the individual to submit to care, counseling, or 45750

treatment approved or designated by the board, as a condition for 45751
initial, continued, reinstated, or renewed authority to practice. 45752
The individual shall be afforded an opportunity to demonstrate to 45753
the board that the individual can begin or resume the individual's 45754
occupation in compliance with acceptable and prevailing standards 45755
of care under the provisions of the individual's authority to 45756
practice. 45757

For purposes of this division, any registered nurse, licensed 45758
practical nurse, or dialysis technician or applicant under this 45759
chapter shall be deemed to have given consent to submit to a 45760
mental or physical examination when directed to do so in writing 45761
by the board, and to have waived all objections to the 45762
admissibility of testimony or examination reports that constitute 45763
a privileged communication. 45764

(H) The board shall investigate evidence that appears to show 45765
that any person has violated any provision of this chapter or any 45766
rule of the board. Any person may report to the board any 45767
information the person may have that appears to show a violation 45768
of any provision of this chapter or rule of the board. In the 45769
absence of bad faith, any person who reports such information or 45770
who testifies before the board in any adjudication conducted under 45771
Chapter 119. of the Revised Code shall not be liable for civil 45772
damages as a result of the report or testimony. 45773

(I) All of the following apply under this chapter with 45774
respect to the confidentiality of information: 45775

(1) Information received by the board pursuant to a complaint 45776
or an investigation is confidential and not subject to discovery 45777
in any civil action, except that the board may disclose 45778
information to law enforcement officers and government entities 45779
for purposes of an investigation of either a licensed health care 45780
professional, including a registered nurse, licensed practical 45781
nurse, or dialysis technician, or a person who may have engaged in 45782

the unauthorized practice of nursing or dialysis care. No law 45783
enforcement officer or government entity with knowledge of any 45784
information disclosed by the board pursuant to this division shall 45785
divulge the information to any other person or government entity 45786
except for the purpose of a government investigation, a 45787
prosecution, or an adjudication by a court or government entity. 45788

(2) If an investigation requires a review of patient records, 45789
the investigation and proceeding shall be conducted in such a 45790
manner as to protect patient confidentiality. 45791

(3) All adjudications and investigations of the board shall 45792
be considered civil actions for the purposes of section 2305.252 45793
of the Revised Code. 45794

(4) Any board activity that involves continued monitoring of 45795
an individual as part of or following any disciplinary action 45796
taken under this section shall be conducted in a manner that 45797
maintains the individual's confidentiality. Information received 45798
or maintained by the board with respect to the board's monitoring 45799
activities is not subject to discovery in any civil action and is 45800
confidential, except that the board may disclose information to 45801
law enforcement officers and government entities for purposes of 45802
an investigation of a licensee or certificate holder. 45803

(J) Any action taken by the board under this section 45804
resulting in a suspension from practice shall be accompanied by a 45805
written statement of the conditions under which the person may be 45806
reinstated to practice. 45807

(K) When the board refuses to grant a license or certificate 45808
to an applicant, revokes a license or certificate, or refuses to 45809
reinstate a license or certificate, the board may specify that its 45810
action is permanent. An individual subject to permanent action 45811
taken by the board is forever ineligible to hold a license or 45812
certificate of the type that was refused or revoked and the board 45813

shall not accept from the individual an application for 45814
reinstatement of the license or certificate or for a new license 45815
or certificate. 45816

(L) No unilateral surrender of a nursing license, ~~certificate~~ 45817
~~of authority~~, or dialysis technician certificate issued under this 45818
chapter shall be effective unless accepted by majority vote of the 45819
board. No application for a nursing license, ~~certificate of~~ 45820
~~authority~~, or dialysis technician certificate issued under this 45821
chapter may be withdrawn without a majority vote of the board. The 45822
board's jurisdiction to take disciplinary action under this 45823
section is not removed or limited when an individual has a license 45824
or certificate classified as inactive or fails to renew a license 45825
or certificate. 45826

(M) Sanctions shall not be imposed under division (B)(24) of 45827
this section against any licensee who waives deductibles and 45828
copayments as follows: 45829

(1) In compliance with the health benefit plan that expressly 45830
allows such a practice. Waiver of the deductibles or copayments 45831
shall be made only with the full knowledge and consent of the plan 45832
purchaser, payer, and third-party administrator. Documentation of 45833
the consent shall be made available to the board upon request. 45834

(2) For professional services rendered to any other person 45835
licensed pursuant to this chapter to the extent allowed by this 45836
chapter and the rules of the board. 45837

Sec. 4727.03. (A) As used in this section, "experience and 45838
fitness in the capacity involved" means that the applicant for a 45839
pawnbroker's license demonstrates sufficient financial 45840
responsibility, reputation, and experience in the pawnbroker 45841
business, or in a related business, to act as a pawnbroker in 45842
compliance with this chapter. "Experience and fitness in the 45843
capacity involved" shall be determined by: 45844

(1) Prior or current ownership or management of, or 45845
employment in, a pawnshop; 45846

(2) Demonstration to the satisfaction of the superintendent 45847
of financial institutions of a thorough working knowledge of all 45848
pawnbroker laws and rules as they relate to the actual operation 45849
of a pawnshop. 45850

A demonstration shall include a demonstration of an ability 45851
to properly complete forms, knowledge of how to properly calculate 45852
interest and storage charges, and knowledge of legal notice and 45853
forfeiture procedures. The final determination of whether an 45854
applicant's demonstration is adequate rests with the 45855
superintendent. 45856

(3) A submission by the applicant and any stockholders, 45857
owners, managers, directors, or officers of the pawnshop, and 45858
employees of the applicant to a police record check; and 45859

(4) Liquid assets in a minimum amount of one hundred 45860
twenty-five thousand dollars at the time of applying for initial 45861
licensure and demonstration of the ability to maintain the liquid 45862
assets at a minimum amount of seventy-five thousand dollars for 45863
the duration of holding a valid pawnbroker's license. If an 45864
applicant holds a pawnbroker's license at the time of application 45865
or is applying for more than one license, this requirement shall 45866
be met separately for each license. 45867

(B) The superintendent may grant a license to act as a 45868
pawnbroker to any person of good character and having experience 45869
and fitness in the capacity involved to engage in the business of 45870
pawnbroking upon the payment to the superintendent of a license 45871
fee determined by the superintendent pursuant to section 1321.20 45872
of the Revised Code. A license is not transferable or assignable. 45873

(C) The superintendent may consider an application withdrawn 45874
and may retain the investigation fee required under division (D) 45875

of this section if both of the following are true: 45876

(1) An application for a license does not contain all of the 45877
information required under division (B) of this section. 45878

(2) The information is not submitted to the superintendent 45879
within ninety days after the superintendent requests the 45880
information from the applicant in writing. 45881

(D) The superintendent shall require an applicant for a 45882
pawnbroker's license to pay to the superintendent a nonrefundable 45883
initial investigation fee of two hundred dollars, which is for the 45884
exclusive use of the state. 45885

(E)(1) Except as otherwise provided in division (E)(2) of 45886
this section, a pawnbroker's license issued by the superintendent 45887
expires on the thirtieth day of June next following the date of 45888
its issuance, or on a different date set by the superintendent 45889
pursuant to section 1181.23 of the Revised Code, and may be 45890
renewed annually ~~by the thirtieth day of June~~ in accordance with 45891
the standard renewal procedure set forth in Chapter 4745. of the 45892
Revised Code. Fifty per cent of the annual license fee shall be 45893
for the use of the state, and fifty per cent shall be paid by the 45894
state to the municipal corporation, or if outside the limits of 45895
any municipal corporation, to the county, in which the office of 45896
the licensee is located. All such fees payable to municipal 45897
corporations or counties shall be paid annually. 45898

(2) A pawnbroker's license issued or renewed by the 45899
superintendent on or after January 1, 2006, expires on the 45900
thirtieth day of June in the even-numbered year next following the 45901
date of its issuance or renewal, as applicable, and may be renewed 45902
biennially by the thirtieth day of June in accordance with the 45903
standard renewal procedure set forth in Chapter 4745. of the 45904
Revised Code. Fifty per cent of the biennial license fee shall be 45905
for the use of the state, and fifty per cent shall be paid by the 45906

state to the municipal corporation, or if outside the limits of 45907
any municipal corporation, to the county, in which the office of 45908
the licensee is located. All such fees payable to municipal 45909
corporations or counties shall be paid biennially. If deemed 45910
necessary for participation, the superintendent may reset the 45911
renewal date and require annual registration pursuant to section 45912
1181.23 of the Revised Code. 45913

(F) The fee for renewal of a license shall be equivalent to 45914
the fee for an initial license established by the superintendent 45915
pursuant to section 1321.20 of the Revised Code. Any licensee who 45916
wishes to renew the pawnbroker's license but who fails to do so on 45917
or before the date the license expires shall reapply for licensure 45918
in the same manner and pursuant to the same requirements as for 45919
initial licensure, unless the licensee pays to the superintendent 45920
on or before the thirty-first day of August of the year the 45921
license expires, a late renewal penalty of one hundred dollars in 45922
addition to the regular renewal fee. Any licensee who fails to 45923
renew the license on or before the date the license expires is 45924
prohibited from acting as a pawnbroker until the license is 45925
renewed or a new license is issued under this section. Any 45926
licensee who renews a license between the first day of July and 45927
the thirty-first day of August of the year the license expires is 45928
not relieved from complying with this division. The superintendent 45929
may refuse to issue to or renew the license of any licensee who 45930
violates this division. 45931

(G) No license shall be granted to any person not a resident 45932
of or the principal office of which is not located in the 45933
municipal corporation or county designated in such license unless 45934
that applicant, in writing and in due form approved by and filed 45935
with the superintendent, first appoints an agent, a resident of 45936
the state, and city or county where the office is to be located, 45937
upon whom all judicial and other process, or legal notice, 45938

directed to the applicant may be served. In case of the death, 45939
removal from the state, or any legal disability or any 45940
disqualification of any such agent, service of such process or 45941
notice may be made upon the superintendent. 45942

The superintendent may, upon notice to the licensee and 45943
reasonable opportunity to be heard, suspend or revoke any license 45944
or assess a penalty against the licensee if the licensee, or the 45945
licensee's officers, agents, or employees, has violated this 45946
chapter. Any penalty shall be appropriate to the violation but in 45947
no case shall the penalty be less than two hundred nor more than 45948
two thousand dollars. Whenever, for any cause, a license is 45949
suspended or revoked, the superintendent shall not issue another 45950
license to the licensee nor to the legal spouse of the licensee, 45951
nor to any business entity of which the licensee is an officer or 45952
member or partner, nor to any person employed by the licensee, 45953
until the expiration of at least two years from the date of 45954
revocation or suspension of the license. The superintendent shall 45955
deposit all penalties allocated pursuant to this section into the 45956
state treasury to the credit of the consumer finance fund. 45957

Any proceedings for the revocation or suspension of a license 45958
or to assess a penalty against a licensee are subject to Chapter 45959
119. of the Revised Code. 45960

(H) If a licensee surrenders or chooses not to renew the 45961
pawnbroker's license, the licensee shall notify the superintendent 45962
thirty days prior to the date on which the licensee intends to 45963
close the licensee's business as a pawnbroker. Prior to the date, 45964
the licensee shall do either of the following with respect to all 45965
active loans: 45966

(1) Dispose of an active loan by selling the loan to another 45967
person holding a valid pawnbroker's license issued under this 45968
section; 45969

(2) Reduce the rate of interest on pledged articles held as security for a loan to eight per cent per annum or less effective on the date that the pawnbroker's license is no longer valid.

Sec. 4728.03. (A) As used in this section, "experience and fitness in the capacity involved" means that the applicant for a precious metals dealer's license has had sufficient financial responsibility, reputation, and experience in the business of precious metals dealer, or a related business, to act as a precious metals dealer in compliance with this chapter.

(B)(1) The division of financial institutions in the department of commerce may grant a precious metals dealer's license to any person of good character, having experience and fitness in the capacity involved, who demonstrates a net worth of at least ten thousand dollars and the ability to maintain that net worth during the licensure period. The superintendent of financial institutions shall compute the applicant's net worth according to generally accepted accounting principles.

(2) In place of the demonstration of net worth required by division (B)(1) of this section, an applicant may obtain a surety bond issued by a surety company authorized to do business in this state if all of the following conditions are met:

(a) A copy of the surety bond is filed with the division;

(b) The bond is in favor of any person, and of the state for the benefit of any person, injured by any violation of this chapter;

(c) The bond is in the amount of not less than ten thousand dollars.

(3) Before granting a license under this division, the division shall determine that the applicant meets the requirements of division (B)(1) or (2) of this section.

(C) The division shall require an applicant for a precious metals dealer's license to pay to the division a nonrefundable, initial investigation fee of two hundred dollars which shall be for the exclusive use of the state. The license fee for a precious metals dealer's license and the renewal fee shall be determined by the superintendent, provided that the fee may not exceed three hundred dollars. A license issued by the division shall expire on the last day of June next following the date of its issuance or annually on a different date set by the superintendent pursuant to section 1181.23 of the Revised Code. Fifty per cent of license fees shall be for the use of the state, and fifty per cent shall be paid to the municipal corporation, or if outside the limits of any municipal corporation, to the county in which the office of the licensee is located. All portions of license fees payable to municipal corporations or counties shall be paid as they accrue, by the treasurer of state, on vouchers issued by the director of budget and management.

(D) Every such license shall be renewed annually by the last day of June, or annually on a different date set by the superintendent pursuant to section 1181.23 of the Revised Code, according to the standard renewal procedure of Chapter 4745. of the Revised Code. No license shall be granted to any person not a resident of or the principal office of which is not located in the municipal corporation or county designated in such license, unless, and until such applicant shall, in writing and in due form, to be first approved by and filed with the division, appoint an agent, a resident of the state, and city or county where the office is to be located, upon whom all judicial and other process, or legal notice, directed to the applicant may be served; and in case of the death, removal from the state, or any legal disability or any disqualification of any agent, service of process or notice may be made upon the superintendent.

(E) The division may, pursuant to Chapter 119. of the Revised Code, upon notice to the licensee and after giving the licensee reasonable opportunity to be heard, revoke or suspend any license, if the licensee or the licensee's officers, agents, or employees violate this chapter. Whenever, for any cause, the license is revoked or suspended, the division shall not issue another license to the licensee nor to the husband or wife of the licensee, nor to any copartnership or corporation of which the licensee is an officer, nor to any person employed by the licensee, until the expiration of at least one year from the date of revocation of the license.

(F) In conducting an investigation to determine whether an applicant satisfies the requirements for licensure under this section, the superintendent may request that the superintendent of the bureau of criminal identification and investigation investigate and determine whether the bureau has procured any information pursuant to section 109.57 of the Revised Code pertaining to the applicant.

If the superintendent of financial institutions determines that conducting an investigation to determine whether an applicant satisfies the requirements for licensure under this section will require procuring information outside the state, then, in addition to the fee established under division (C) of this section, the superintendent may require the applicant to pay any of the actual expenses incurred by the division to conduct such an investigation, provided that the superintendent shall assess the applicant a total no greater than one thousand dollars for such expenses. The superintendent may require the applicant to pay in advance of the investigation, sufficient funds to cover the estimated cost of the actual expenses. If the superintendent requires the applicant to pay investigation expenses, the superintendent shall provide to the applicant an itemized

statement of the actual expenses incurred by the division to 46064
conduct the investigation. 46065

(G)(1) Except as otherwise provided in division (G)(2) of 46066
this section a precious metals dealer licensed under this section 46067
shall maintain a net worth of at least ten thousand dollars, 46068
computed as required under division (B)(1) of this section, for as 46069
long as the licensee holds a valid precious metals dealer's 46070
license issued pursuant to this section. 46071

(2) A licensee who obtains a surety bond under division 46072
(B)(2) of this section is exempt from the requirement of division 46073
(G)(1) of this section, but shall maintain the bond for at least 46074
two years after the date on which the licensee ceases to conduct 46075
business in this state. 46076

Sec. 4729.261. Not later than July 1, 2020, the state board 46077

department of medicaid in adopting the rules. 46082

Sec. 4729.48. When filling a prescription, if a pharmacist, 46083
pharmacy intern, or terminal distributor of dangerous drugs has 46084
information indicating that the cost-sharing amount required by 46085
the patient's health benefit plan exceeds the amount that may 46086
otherwise be charged for the same drug, both of the following 46087
apply: 46088

(A) The pharmacist, pharmacy intern, or terminal distributor 46089
shall provide this information to the patient. 46090

(B) The patient shall not be charged the higher amount. 46091

Sec. 4729.571. (A) The state board of pharmacy may suspend 46092

convincing evidence of a danger of immediate and serious harm to 46095
others due to either of the following: 46096

(1) The method used by the terminal distributor to possess or 46097
distribute dangerous drugs; 46098

(2) The method of prescribing dangerous drugs used by a 46099
licensed health professional authorized to prescribe drugs who 46100
holds a terminal distributor license or practices in the employ of 46101
or under contract with a terminal distributor. 46102

(B) The board shall follow the procedure for suspension 46103
without a prior hearing in section 119.07 of the Revised Code. The 46104
suspension shall remain in effect, unless removed by the board, 46105
until the board's final adjudication order becomes effective, 46106
except that if the board does not issue its final adjudication 46107
order within one hundred twenty days after the suspension, the 46108
suspension shall be void on the one hundred twenty-first day after 46109
the suspension. 46110

(C) Disciplinary actions taken by the board under divisions 46832
(A) and (B) of this section shall be taken pursuant to an 46833
adjudication under Chapter 119. of the Revised Code, except that 46834
in lieu of an adjudication, the board may enter into a consent 46835
agreement with a physician assistant or applicant to resolve an 46836
allegation of a violation of this chapter or any rule adopted 46837
under it. A consent agreement, when ratified by an affirmative 46838
vote of not fewer than six members of the board, shall constitute 46839
the findings and order of the board with respect to the matter 46840
addressed in the agreement. If the board refuses to ratify a 46841
consent agreement, the admissions and findings contained in the 46842
consent agreement shall be of no force or effect. 46843

(D) For purposes of divisions (B)(12), (15), and (16) of this 46844
section, the commission of the act may be established by a finding 46845
by the board, pursuant to an adjudication under Chapter 119. of 46846
the Revised Code, that the applicant or license holder committed 46847
the act in question. The board shall have no jurisdiction under 46848
these divisions in cases where the trial court renders a final 46849
judgment in the license holder's favor and that judgment is based 46850
upon an adjudication on the merits. The board shall have 46851
jurisdiction under these divisions in cases where the trial court 46852
issues an order of dismissal upon technical or procedural grounds. 46853

(E) The sealing of conviction records by any court shall have 46854
no effect upon a prior board order entered under the provisions of 46855
this section or upon the board's jurisdiction to take action under 46856
the provisions of this section if, based upon a plea of guilty, a 46857
judicial finding of guilt, or a judicial finding of eligibility 46858

for intervention in lieu of conviction, the board issued a notice 46859
of opportunity for a hearing prior to the court's order to seal 46860
the records. The board shall not be required to seal, destroy, 46861
redact, or otherwise modify its records to reflect the court's 46862
sealing of conviction records. 46863

(F) For purposes of this division, any individual who holds a 46864
license issued under this chapter, or applies for a license issued 46865
under this chapter, shall be deemed to have given consent to 46866
submit to a mental or physical examination when directed to do so 46867
in writing by the board and to have waived all objections to the 46868
admissibility of testimony or examination reports that constitute 46869
a privileged communication. 46870

(1) In enforcing division (B)(4) of this section, the board, 46871
upon a showing of a possible violation, may compel any individual 46872
who holds a license issued under this chapter or who has applied 46873
for a license pursuant to this chapter to submit to a mental 46874
examination, physical examination, including an HIV test, or both 46875
a mental and physical examination. The expense of the examination 46876
is the responsibility of the individual compelled to be examined. 46877
Failure to submit to a mental or physical examination or consent 46878
to an HIV test ordered by the board constitutes an admission of 46879
the allegations against the individual unless the failure is due 46880
to circumstances beyond the individual's control, and a default 46881
and final order may be entered without the taking of testimony or 46882
presentation of evidence. If the board finds a physician assistant 46883
unable to practice because of the reasons set forth in division 46884
(B)(4) of this section, the board shall require the physician 46885
assistant to submit to care, counseling, or treatment by 46886
physicians approved or designated by the board, as a condition for 46887
an initial, continued, reinstated, or renewed license. An 46888
individual affected under this division shall be afforded an 46889
opportunity to demonstrate to the board the ability to resume 46890

practicing in compliance with acceptable and prevailing standards 46891
of care. 46892

(2) For purposes of division (B)(5) of this section, if the 46893
board has reason to believe that any individual who holds a 46894
license issued under this chapter or any applicant for a license 46895
suffers such impairment, the board may compel the individual to 46896
submit to a mental or physical examination, or both. The expense 46897
of the examination is the responsibility of the individual 46898
compelled to be examined. Any mental or physical examination 46899
required under this division shall be undertaken by a treatment 46900
provider or physician qualified to conduct such examination and 46901
chosen by the board. 46902

Failure to submit to a mental or physical examination ordered 46903
by the board constitutes an admission of the allegations against 46904
the individual unless the failure is due to circumstances beyond 46905
the individual's control, and a default and final order may be 46906
entered without the taking of testimony or presentation of 46907
evidence. If the board determines that the individual's ability to 46908
practice is impaired, the board shall suspend the individual's 46909
license or deny the individual's application and shall require the 46910
individual, as a condition for initial, continued, reinstated, or 46911
renewed licensure, to submit to treatment. 46912

Before being eligible to apply for reinstatement of a license 46913
suspended under this division, the physician assistant shall 46914
demonstrate to the board the ability to resume practice or 46915
prescribing in compliance with acceptable and prevailing standards 46916
of care. The demonstration shall include the following: 46917

(a) Certification from a treatment provider approved under 46918
section 4731.25 of the Revised Code that the individual has 46919
successfully completed any required inpatient treatment; 46920

(b) Evidence of continuing full compliance with an aftercare 46921

contract or consent agreement; 46922

(c) Two written reports indicating that the individual's 46923
ability to practice has been assessed and that the individual has 46924
been found capable of practicing according to acceptable and 46925
prevailing standards of care. The reports shall be made by 46926
individuals or providers approved by the board for making such 46927
assessments and shall describe the basis for their determination. 46928

The board may reinstate a license suspended under this 46929
division after such demonstration and after the individual has 46930
entered into a written consent agreement. 46931

When the impaired physician assistant resumes practice or 46932
prescribing, the board shall require continued monitoring of the 46933
physician assistant. The monitoring shall include compliance with 46934
the written consent agreement entered into before reinstatement or 46935
with conditions imposed by board order after a hearing, and, upon 46936
termination of the consent agreement, submission to the board for 46937
at least two years of annual written progress reports made under 46938
penalty of falsification stating whether the physician assistant 46939
has maintained sobriety. 46940

(G) If the secretary and supervising member determine that 46941
there is clear and convincing evidence that a physician assistant 46942
has violated division (B) of this section and that the 46943
individual's continued practice or prescribing presents a danger 46944
of immediate and serious harm to the public, they may recommend 46945
that the board suspend the individual's license without a prior 46946
hearing. Written allegations shall be prepared for consideration 46947
by the board. 46948

The board, upon review of those allegations and by an 46949
affirmative vote of not fewer than six of its members, excluding 46950
the secretary and supervising member, may suspend a license 46951
without a prior hearing. A telephone conference call may be 46952

utilized for reviewing the allegations and taking the vote on the 46953
summary suspension. 46954

The board shall issue a written order of suspension by 46955
certified mail or in person in accordance with section 119.07 of 46956
the Revised Code. The order shall not be subject to suspension by 46957
the court during pendency of any appeal filed under section 119.12 46958
of the Revised Code. If the physician assistant requests an 46959
adjudicatory hearing by the board, the date set for the hearing 46960
shall be within fifteen days, but not earlier than seven days, 46961
after the physician assistant requests the hearing, unless 46962
otherwise agreed to by both the board and the license holder. 46963

A summary suspension imposed under this division shall remain 46964
in effect, unless reversed on appeal, until a final adjudicative 46965
order issued by the board pursuant to this section and Chapter 46966
119. of the Revised Code becomes effective. The board shall issue 46967
its final adjudicative order within sixty days after completion of 46968
its hearing. Failure to issue the order within sixty days shall 46969
result in dissolution of the summary suspension order, but shall 46970
not invalidate any subsequent, final adjudicative order. 46971

(H) If the board takes action under division (B)(11), (13), 46972
or (14) of this section, and the judicial finding of guilt, guilty 46973
plea, or judicial finding of eligibility for intervention in lieu 46974
of conviction is overturned on appeal, upon exhaustion of the 46975
criminal appeal, a petition for reconsideration of the order may 46976
be filed with the board along with appropriate court documents. 46977
Upon receipt of a petition and supporting court documents, the 46978
board shall reinstate the individual's license. The board may then 46979
hold an adjudication under Chapter 119. of the Revised Code to 46980
determine whether the individual committed the act in question. 46981
Notice of opportunity for hearing shall be given in accordance 46982
with Chapter 119. of the Revised Code. If the board finds, 46983
pursuant to an adjudication held under this division, that the 46984

individual committed the act, or if no hearing is requested, it 46985
may order any of the sanctions identified under division (B) of 46986
this section. 46987

(I) The license to practice issued to a physician assistant 46988
and the physician assistant's practice in this state are 46989
automatically suspended as of the date the physician assistant 46990
pleads guilty to, is found by a judge or jury to be guilty of, or 46991
is subject to a judicial finding of eligibility for intervention 46992
in lieu of conviction in this state or treatment or intervention 46993
in lieu of conviction in another state for any of the following 46994
criminal offenses in this state or a substantially equivalent 46995
criminal offense in another jurisdiction: aggravated murder, 46996
murder, voluntary manslaughter, felonious assault, kidnapping, 46997
rape, sexual battery, gross sexual imposition, aggravated arson, 46998
aggravated robbery, or aggravated burglary. Continued practice 46999
after the suspension shall be considered practicing without a 47000
license. 47001

The board shall notify the individual subject to the 47002
suspension by certified mail or in person in accordance with 47003
section 119.07 of the Revised Code. If an individual whose license 47004
is suspended under this division fails to make a timely request 47005
for an adjudication under Chapter 119. of the Revised Code, the 47006
board shall enter a final order permanently revoking the 47007
individual's license to practice. 47008

(J) In any instance in which the board is required by Chapter 47009
119. of the Revised Code to give notice of opportunity for hearing 47010
and the individual subject to the notice does not timely request a 47011
hearing in accordance with section 119.07 of the Revised Code, the 47012
board is not required to hold a hearing, but may adopt, by an 47013
affirmative vote of not fewer than six of its members, a final 47014
order that contains the board's findings. In that final order, the 47015
board may order any of the sanctions identified under division (A) 47016

or (B) of this section. 47017

(K) Any action taken by the board under division (B) of this 47018
section resulting in a suspension shall be accompanied by a 47019
written statement of the conditions under which the physician 47020
assistant's license may be reinstated. The board shall adopt rules 47021
in accordance with Chapter 119. of the Revised Code governing 47022
conditions to be imposed for reinstatement. Reinstatement of a 47023
license suspended pursuant to division (B) of this section 47024
requires an affirmative vote of not fewer than six members of the 47025
board. 47026

(L) When the board refuses to grant or issue to an applicant 47027
a license to practice as a physician assistant, revokes an 47028
individual's license, refuses to renew an individual's license, or 47029
refuses to reinstate an individual's license, the board may 47030
specify that its action is permanent. An individual subject to a 47031
permanent action taken by the board is forever thereafter 47032
ineligible to hold the license and the board shall not accept an 47033
application for reinstatement of the license or for issuance of a 47034
new license. 47035

(M) Notwithstanding any other provision of the Revised Code, 47036
all of the following apply: 47037

(1) The surrender of a license issued under this chapter is 47038
not effective unless or until accepted by the board. Reinstatement 47039
of a license surrendered to the board requires an affirmative vote 47040
of not fewer than six members of the board. 47041

(2) An application made under this chapter for a license may 47042
not be withdrawn without approval of the board. 47043

(3) Failure by an individual to renew a license in accordance 47044
with section 4730.14 of the Revised Code shall not remove or limit 47045
the board's jurisdiction to take disciplinary action under this 47046
section against the individual. 47047

~~Sec. 4730.28. (A) An individual whose license to practice as a physician assistant issued under this chapter has been suspended or is in an inactive state for any cause for more than two years may apply to the state medical board to have the license restored.~~

~~(B)(1) The board shall not restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code. any of the following: 48785

(a) Actions arising from property management accounts 48786
maintained in the name of the property owner; 48787

(b) A bonding company when it is not a principal in a real estate transaction; 48788
48789

(c) A person in an action for the payment of a commission or fee for the performance of an act or transaction specified or comprehended in division (A) or (C) of section 4735.01 of the Revised Code; 48790
48791
48792
48793

(d) Losses incurred by investors in real estate if the applicant and the licensee are principals in the investment. 48794
48795

(C) A person who applies to a court of common pleas for an order directing payment out of the fund shall file notice of the application with the superintendent. The superintendent may defend any such action on behalf of the fund and shall have recourse to all appropriate means of defense and review, including examination of witnesses, verification of actual and direct losses, and challenges to the underlying judgment required in division (B)(4)(a) of this section to determine whether the underlying judgment is based on activity only a licensed broker or licensed salesperson is permitted to perform. The superintendent may move the court at any time to dismiss the application when it appears there are no triable issues and the application is without merit. The motion may be supported by affidavit of any person having knowledge of the facts and may be made on the basis that the application, including the judgment referred to in it, does not form the basis for a meritorious recovery claim; provided, that the superintendent shall give written notice to the applicant at least ten days before such motion. The superintendent may, subject to court approval, compromise a claim based upon the application of an aggrieved party. The superintendent shall not be bound by any prior compromise or stipulation of the judgment debtor. 48796

(D) Notwithstanding any other provision of this section, the liability of the fund shall not exceed forty thousand dollars for any one licensee. If a licensee's license is reactivated as 48817
48818
48819

provided in division (E) of this section, the liability of the 48820
fund for the licensee under this section shall again be forty 48821
thousand dollars, but only for transactions that occur subsequent 48822
to the time of reactivation. 48823

If the forty-thousand-dollar liability of the fund is 48824
insufficient to pay in full the valid claims of all aggrieved 48825
persons by whom claims have been filed against any one licensee, 48826
the forty thousand dollars shall be distributed among them in the 48827
ratio that their respective claims bear to the aggregate of valid 48828
claims or in such other manner as the court finds equitable. 48829
Distribution of moneys shall be among the persons entitled to 48830
share in it, without regard to the order of priority in which 48831
their respective judgments may have been obtained or their claims 48832
have been filed. Upon petition of the superintendent, the court 48833
may require all claimants and prospective claimants against one 48834
licensee to be joined in one action, to the end that the 48835
respective rights of all such claimants to the fund may be 48836
equitably adjudicated and settled. 48837

(E) If the superintendent pays from the fund any amount in 48838
settlement of a claim or toward satisfaction of a judgment against 48839
a licensed broker or salesperson, the license of the broker or 48840
salesperson shall be automatically suspended upon the date of 48841
payment from the fund. The superintendent shall not reactivate the 48842
suspended license of that broker or salesperson until the broker 48843
or salesperson has repaid in full, plus interest per annum at the 48844
rate specified in division (A) of section 1343.03 of the Revised 48845
Code, the amount paid from the fund on the broker's or 48846
salesperson's account. A discharge in bankruptcy does not relieve 48847
a person from the suspension and requirements for reactivation 48848
provided in this section unless the underlying judgment has been 48849
included in the discharge and has not been reaffirmed by the 48850
debtor. 48851

(F) If, at any time, the money deposited in the fund is 48852
insufficient to satisfy any duly authorized claim or portion of a 48853
claim, the superintendent shall, when sufficient money has been 48854
deposited in the fund, satisfy such unpaid claims or portions, in 48855
the order that such claims or portions were originally filed, plus 48856
accumulated interest per annum at the rate specified in division 48857
(A) of section 1343.03 of the Revised Code. 48858

(G) When, upon the order of the court, the superintendent has 48859
paid from the fund any sum to the judgment creditor, the 48860
superintendent shall be subrogated to all of the rights of the 48861
judgment creditor to the extent of the amount so paid, and the 48862
judgment creditor shall assign all the judgment creditor's right, 48863
title, and interest in the judgment to the superintendent to the 48864
extent of the amount so paid. Any amount and interest so recovered 48865
by the superintendent on the judgment shall be deposited in the 48866
fund. 48867

(H) Nothing contained in this section shall limit the 48868
authority of the superintendent to take disciplinary action 48869
against any licensee under other provisions of this chapter; nor 48870
shall the repayment in full of all obligations to the fund by any 48871
licensee nullify or modify the effect of any other disciplinary 48872
proceeding brought pursuant to this chapter. 48873

(I) The superintendent shall collect from the fund a service 48874
fee in an amount equivalent to the interest rate specified in 48875
division (A) of section 1343.03 of the Revised Code multiplied by 48876
the annual interest earned on the assets of the fund, to defray 48877
the expenses incurred in the administration of the fund. 48878

Sec. 4735.13. (A) Every real estate broker licensed under 48879
this chapter shall have and maintain a definite place of business 48880
in this state. A post office box address is not a definite place 48881
of business for purposes of this section. The license of a real 48882

estate broker shall be prominently displayed in the office or 48883
place of business of the broker, and no license shall authorize 48884
the licensee to do business except from the location specified in 48885
it. If the broker maintains more than one place of business within 48886
the state, the broker shall apply for and procure a duplicate 48887
license for each branch office maintained by the broker. Each 48888
branch office shall be in the charge of a licensed broker or 48889
salesperson. The branch office license shall be prominently 48890
displayed at the branch office location. 48891

(B) The license of each real estate salesperson shall be 48892
mailed to and remain in the possession of the licensed broker with 48893
whom the salesperson is or is to be associated until the licensee 48894
places the license on inactive or resigned status or until the 48895
salesperson leaves the brokerage or is terminated. The broker 48896
shall keep each salesperson's license in a way that it can, and 48897
shall on request, be made immediately available for public 48898
inspection at the office or place of business of the broker. 48899
Except as provided in divisions (G) and (H) of this section, 48900
immediately upon the salesperson's leaving the association or 48901
termination of the association of a real estate salesperson with 48902
the broker, the broker shall return the salesperson's license to 48903
the superintendent of real estate. 48904

The failure of a broker to return the license of a real 48905
estate salesperson or broker who leaves or who is terminated, via 48906
certified mail return receipt requested, within three business 48907
days of the receipt of a written request from the superintendent 48908
for the return of the license, is prima-facie evidence of 48909
misconduct under division (A)(6) of section 4735.18 of the Revised 48910
Code. 48911

(C) A licensee shall notify the superintendent in writing 48912
within fifteen days of any of the following occurrences: 48913

(1) The licensee is convicted of a felony. 48914

(2) The licensee is convicted of a crime involving moral turpitude.	48915 48916
(3) The licensee is found to have violated any federal, state, or municipal civil rights law pertaining to discrimination in housing.	48917 48918 48919
(4) The licensee is found to have engaged in a discriminatory practice pertaining to housing accommodations described in division (H) of section 4112.02 of the Revised Code.	48920 48921 48922
(5) The licensee is the subject of an order by the department of commerce, the department of insurance, or the department of agriculture revoking or permanently surrendering any professional license, certificate, or registration.	48923 48924 48925 48926
(6) The licensee is the subject of an order by any government agency concerning real estate, financial matters, or the performance of fiduciary duties with respect to any license, certificate, or registration.	48927 48928 48929 48930
If a licensee fails to notify the superintendent within the required time, the superintendent immediately may suspend the license of the licensee.	48931 48932 48933
Any court that convicts a licensee of a violation of any municipal civil rights law pertaining to housing discrimination also shall notify the Ohio civil rights commission within fifteen days of the conviction.	48934 48935 48936 48937
(D) In case of any change of business location, a broker shall give notice to the superintendent, on a form prescribed by the superintendent, within thirty days after the change of location, whereupon the superintendent shall issue new licenses for the unexpired period without charge. If a broker changes a business location without giving the required notice and without receiving new licenses that action is prima-facie evidence of misconduct under division (A)(6) of section 4735.18 of the Revised	48938 48939 48940 48941 48942 48943 48944 48945

Code. 48946

(E) If a real estate broker desires to associate with another 48947
real estate broker in the capacity of a real estate salesperson, 48948
the broker shall apply to the superintendent to deposit the 48949
broker's real estate broker's license with the superintendent and 48950
for the issuance of a real estate salesperson's license. The 48951
application shall be made on a form prescribed by the 48952
superintendent and shall be accompanied by the recommendation of 48953
the real estate broker with whom the applicant intends to become 48954
associated and a fee of ~~twenty-five~~ thirty-four dollars for the 48955
real estate salesperson's license. One dollar of the fee shall be 48956
credited to the real estate education and research fund. If the 48957
superintendent is satisfied that the applicant is honest, 48958
truthful, and of good reputation, has not been convicted of a 48959
felony or a crime involving moral turpitude, and has not been 48960
finally adjudged by a court to have violated any municipal, state, 48961
or federal civil rights laws relevant to the protection of 48962
purchasers or sellers of real estate, and that the association of 48963
the real estate broker and the applicant will be in the public 48964
interest, the superintendent shall grant the application and issue 48965
a real estate salesperson's license to the applicant. Any license 48966
so deposited with the superintendent shall be subject to this 48967
chapter. A broker who intends to deposit the broker's license with 48968
the superintendent, as provided in this section, shall give 48969
written notice of this fact in a format prescribed by the 48970
superintendent to all salespersons associated with the broker when 48971
applying to place the broker's license on deposit. 48972

(F) If a real estate broker desires to become a member or 48973
officer of a partnership, association, limited liability company, 48974
limited liability partnership, or corporation that is or intends 48975
to become a licensed real estate broker, the broker shall notify 48976
the superintendent of the broker's intentions. The notice of 48977

intention shall be on a form prescribed by the superintendent and 48978
shall be accompanied by a fee of ~~twenty-five~~ thirty-four dollars. 48979
One dollar of the fee shall be credited to the real estate 48980
education and research fund. 48981

A licensed real estate broker who is a member or officer of a 48982
partnership, association, limited liability company, limited 48983
liability partnership, or corporation shall only act as a real 48984
estate broker for such partnership, association, limited liability 48985
company, limited liability partnership, or corporation. 48986

(G)(1) If a real estate broker or salesperson enters the 48987
armed forces, the broker or salesperson may place the broker's or 48988
salesperson's license on deposit with the Ohio real estate 48989
commission. The licensee shall not be required to renew the 48990
license until the renewal date that follows the date of discharge 48991
from the armed forces. Any license deposited with the commission 48992
shall be subject to this chapter. 48993

Any licensee whose license is on deposit under this division 48994
and who fails to meet the continuing education requirements of 48995
section 4735.141 of the Revised Code because the licensee is in 48996
the armed forces shall satisfy the commission that the licensee 48997
has complied with the continuing education requirements within 48998
twelve months of the licensee's first birthday after discharge or 48999
within the amount of time equal to the total number of months the 49000
licensee spent on active duty, whichever is greater. The licensee 49001
shall submit proper documentation of active duty service and the 49002
length of that active duty service to the superintendent. The 49003
extension shall not exceed the total number of months that the 49004
licensee served in active duty. The superintendent shall notify 49005
the licensee of the licensee's obligations under section 4735.141 49006
of the Revised Code at the time the licensee applies for 49007
reactivation of the licensee's license. 49008

(2) If a licensee is a spouse of a member of the armed forces 49009

and the spouse's service resulted in the licensee's absence from 49010
this state, both of the following apply: 49011

(a) The licensee shall not be required to renew the license 49012
until the renewal date that follows the date of the spouse's 49013
discharge from the armed forces. 49014

(b) If the licensee fails to meet the continuing education 49015
requirements of section 4735.141 of the Revised Code, the licensee 49016
shall satisfy the commission that the licensee has complied with 49017
the continuing education requirements within twelve months after 49018
the licensee's first birthday after the spouse's discharge or 49019
within the amount of time equal to the total number of months the 49020
licensee's spouse spent on active duty, whichever is greater. The 49021
licensee shall submit proper documentation of the spouse's active 49022
duty service and the length of that active duty service. This 49023
extension shall not exceed the total number of months that the 49024
licensee's spouse served in active duty. 49025

(3) In the case of a licensee as described in division (G)(2) 49026
of this section, who holds the license through a reciprocity 49027
agreement with another state, the spouse's service shall have 49028
resulted in the licensee's absence from the licensee's state of 49029
residence for the provisions of that division to apply. 49030

(4) As used in this division, "armed forces" means the armed 49031
forces of the United States or reserve component of the armed 49032
forces of the United States including the Ohio national guard or 49033
the national guard of any other state. 49034

(H) If a licensed real estate salesperson submits an 49035
application to the superintendent to leave the association of one 49036
broker to associate with a different broker, the broker possessing 49037
the licensee's license need not return the salesperson's license 49038
to the superintendent. The superintendent may process the 49039
application regardless of whether the licensee's license is 49040

returned to the superintendent. 49041

Sec. 4735.15. (A) The nonrefundable fees for reactivation or 49042
transfer of a license shall be as follows: 49043

(1) Reactivation or transfer of a broker's license into or 49044

fee shall be required for each member of such partnership, 49067
association, limited liability company, limited liability 49068
partnership, or corporation that is a real estate broker. If the 49069
real estate broker has not less than eleven nor more than twenty 49070

(D) In all cases, the fee and any penalty shall accompany the 49093
application for the license, license transfer, or license 49094

services not otherwise established by this chapter. 49097

(F) The commission may adopt rules that provide for a 49098
reduction in the fees established in divisions (B)(2) and (3) of 49099
this section. 49100

Sec. 4735.18. (A) Subject to section 4735.32 of the Revised Code, the superintendent of real estate, upon the superintendent's own motion, may investigate the conduct of any licensee. Subject to division (E) of this section and section 4735.32 of the Revised Code, the Ohio real estate commission shall impose disciplinary sanctions upon any licensee who, whether or not acting in the licensee's capacity as a real estate broker or salesperson, or in handling the licensee's own property, is found to have been convicted of a felony or a crime of moral turpitude, and may impose disciplinary sanctions upon any licensee who, in the licensee's capacity as a real estate broker or salesperson, or in handling the licensee's own property, is found guilty of:

committed the act in question. The board shall have no 51875
jurisdiction under these divisions in cases where the trial court 51876
renders a final judgment in the ~~certificate~~ license holder's favor 51877
and that judgment is based upon an adjudication on the merits. The 51878
board shall have jurisdiction under these divisions in cases where 51879
the trial court issues an order of dismissal on technical or 51880
procedural grounds. 51881

(E) The sealing of conviction records by any court shall have 51882
no effect on a prior board order entered under the provisions of 51883
this section or on the board's jurisdiction to take action under 51884
the provisions of this section if, based upon a plea of guilty, a 51885
judicial finding of guilt, or a judicial finding of eligibility 51886
for intervention in lieu of conviction, the board issued a notice 51887
of opportunity for a hearing prior to the court's order to seal 51888
the records. The board shall not be required to seal, destroy, 51889
redact, or otherwise modify its records to reflect the court's 51890
sealing of conviction records. 51891

(F) For purposes of this division, any individual who holds a 51892
~~certificate~~ license to practice issued under this chapter, or 51893
applies for a ~~certificate~~ license to practice, shall be deemed to 51894
have given consent to submit to a mental or physical examination 51895
when directed to do so in writing by the board and to have waived 51896
all objections to the admissibility of testimony or examination 51897
reports that constitute a privileged communication. 51898

(1) In enforcing division (B)(5) of this section, the board, 51899
on a showing of a possible violation, may compel any individual 51900
who holds a ~~certificate~~ license to practice issued under this 51901
chapter or who has applied for a ~~certificate~~ license to practice 51902
pursuant to this chapter to submit to a mental or physical 51903

examination, or both. A physical examination may include an HIV 51904
test. The expense of the examination is the responsibility of the 51905
individual compelled to be examined. Failure to submit to a mental 51906
or physical examination or consent to an HIV test ordered by the 51907
board constitutes an admission of the allegations against the 51908
individual unless the failure is due to circumstances beyond the 51909
individual's control, and a default and final order may be entered 51910
without the taking of testimony or presentation of evidence. If 51911
the board finds an anesthesiologist assistant unable to practice 51912
because of the reasons set forth in division (B)(5) of this 51913
section, the board shall require the anesthesiologist assistant to 51914
submit to care, counseling, or treatment by physicians approved or 51915
designated by the board, as a condition for an initial, continued, 51916
reinstated, or renewed ~~certificate~~ license to practice. An 51917
individual affected by this division shall be afforded an 51918
opportunity to demonstrate to the board the ability to resume 51919
practicing in compliance with acceptable and prevailing standards 51920
of care. 51921

(2) For purposes of division (B)(6) of this section, if the 51922
board has reason to believe that any individual who holds a 51923
~~certificate~~ license to practice issued under this chapter or any 51924
applicant for a ~~certificate~~ license to practice suffers such 51925
impairment, the board may compel the individual to submit to a 51926
mental or physical examination, or both. The expense of the 51927
examination is the responsibility of the individual compelled to 51928
be examined. Any mental or physical examination required under 51929
this division shall be undertaken by a treatment provider or 51930
physician qualified to conduct such examination and chosen by the 51931
board. 51932

Failure to submit to a mental or physical examination ordered 51933
by the board constitutes an admission of the allegations against 51934
the individual unless the failure is due to circumstances beyond 51935

the individual's control, and a default and final order may be 51936
entered without the taking of testimony or presentation of 51937
evidence. If the board determines that the individual's ability to 51938
practice is impaired, the board shall suspend the individual's 51939
~~certificate~~ license or deny the individual's application and shall 51940
require the individual, as a condition for an initial, continued, 51941
reinstated, or renewed ~~certificate~~ license to practice, to submit 51942
to treatment. 51943

Before being eligible to apply for reinstatement of a 51944
~~certificate~~ license suspended under this division, the 51945
anesthesiologist assistant shall demonstrate to the board the 51946
ability to resume practice in compliance with acceptable and 51947
prevailing standards of care. The demonstration shall include the 51948
following: 51949

(a) Certification from a treatment provider approved under 51950
section 4731.25 of the Revised Code that the individual has 51951
successfully completed any required inpatient treatment; 51952

(b) Evidence of continuing full compliance with an aftercare 51953
contract or consent agreement; 51954

(c) Two written reports indicating that the individual's 51955
ability to practice has been assessed and that the individual has 51956
been found capable of practicing according to acceptable and 51957
prevailing standards of care. The reports shall be made by 51958
individuals or providers approved by the board for making such 51959
assessments and shall describe the basis for their determination. 51960

The board may reinstate a ~~certificate~~ license suspended under 51961
this division after such demonstration and after the individual 51962
has entered into a written consent agreement. 51963

When the impaired anesthesiologist assistant resumes 51964
practice, the board shall require continued monitoring of the 51965
anesthesiologist assistant. The monitoring shall include 51966

monitoring of compliance with the written consent agreement 51967
entered into before reinstatement or with conditions imposed by 51968
board order after a hearing, and, on termination of the consent 51969
agreement, submission to the board for at least two years of 51970
annual written progress reports made under penalty of 51971
falsification stating whether the anesthesiologist assistant has 51972
maintained sobriety. 51973

(G) If the secretary and supervising member determine that 51974
there is clear and convincing evidence that an anesthesiologist 51975
assistant has violated division (B) of this section and that the 51976
individual's continued practice presents a danger of immediate and 51977
serious harm to the public, they may recommend that the board 51978
suspend the individual's ~~certificate~~ license without a prior 51979
hearing. Written allegations shall be prepared for consideration 51980
by the board. 51981

The board, on review of the allegations and by an affirmative 51982
vote of not fewer than six of its members, excluding the secretary 51983
and supervising member, may suspend a ~~certificate~~ license without 51984
a prior hearing. A telephone conference call may be utilized for 51985
reviewing the allegations and taking the vote on the summary 51986
suspension. 51987

The board shall issue a written order of suspension by 51988
certified mail or in person in accordance with section 119.07 of 51989
the Revised Code. The order shall not be subject to suspension by 51990
the court during pendency of any appeal filed under section 119.12 51991
of the Revised Code. If the anesthesiologist assistant requests an 51992
adjudicatory hearing by the board, the date set for the hearing 51993
shall be within fifteen days, but not earlier than seven days, 51994
after the anesthesiologist assistant requests the hearing, unless 51995
otherwise agreed to by both the board and the ~~certificate~~ license 51996
holder. 51997

A summary suspension imposed under this division shall remain 51998

in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board shall reinstate the ~~certificate~~ license to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(I) The ~~certificate~~ license to practice of an anesthesiologist assistant and the assistant's practice in this state are automatically suspended as of the date the anesthesiologist assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another

jurisdiction: aggravated murder, murder, voluntary manslaughter, 52031
felonious assault, kidnapping, rape, sexual battery, gross sexual 52032
imposition, aggravated arson, aggravated robbery, or aggravated 52033
burglary. Continued practice after the suspension shall be 52034
considered practicing without a ~~certificate~~ license. 52035

The board shall notify the individual subject to the 52036
suspension by certified mail or in person in accordance with 52037
section 119.07 of the Revised Code. If an individual whose 52038
~~certificate~~ license is suspended under this division fails to make 52039
a timely request for an adjudication under Chapter 119. of the 52040
Revised Code, the board shall enter a final order permanently 52041
revoking the individual's ~~certificate~~ license to practice. 52042

(J) In any instance in which the board is required by Chapter 52043
119. of the Revised Code to give notice of opportunity for hearing 52044
and the individual subject to the notice does not timely request a 52045
hearing in accordance with section 119.07 of the Revised Code, the 52046
board is not required to hold a hearing, but may adopt, by an 52047
affirmative vote of not fewer than six of its members, a final 52048
order that contains the board's findings. In the final order, the 52049
board may order any of the sanctions identified under division (A) 52050
or (B) of this section. 52051

(K) Any action taken by the board under division (B) of this 52052
section resulting in a suspension shall be accompanied by a 52053
written statement of the conditions under which the 52054
anesthesiologist assistant's ~~certificate~~ license may be 52055
reinstated. The board shall adopt rules in accordance with Chapter 52056
119. of the Revised Code governing conditions to be imposed for 52057
reinstatement. Reinstatement of a ~~certificate~~ license suspended 52058
pursuant to division (B) of this section requires an affirmative 52059
vote of not fewer than six members of the board. 52060

(L) When the board refuses to grant or issue a ~~certificate~~ 52061
license to practice as an anesthesiologist assistant to an 52062

applicant, revokes an individual's ~~certificate~~ license, refuses to 52063
renew an individual's ~~certificate~~ license, or refuses to reinstate 52064
an individual's ~~certificate~~ license, the board may specify that 52065
its action is permanent. An individual subject to a permanent 52066
action taken by the board is forever thereafter ineligible to hold 52067
a ~~certificate~~ license to practice as an anesthesiologist assistant 52068
and the board shall not accept an application for reinstatement of 52069
the ~~certificate~~ license or for issuance of a new ~~certificate~~ 52070
license. 52071

(M) Notwithstanding any other provision of the Revised Code, 52072
all of the following apply: 52073

(1) The surrender of a ~~certificate~~ license to practice issued 52074
under this chapter is not effective unless or until accepted by 52075
the board. Reinstatement of a ~~certificate~~ license surrendered to 52076
the board requires an affirmative vote of not fewer than six 52077
members of the board. 52078

(2) An application made under this chapter for a ~~certificate~~ 52079
license to practice may not be withdrawn without approval of the 52080
board. 52081

(3) Failure by an individual to renew a ~~certificate~~ license 52082
to practice in accordance with section 4760.06 of the Revised Code 52083
shall not remove or limit the board's jurisdiction to take 52084
disciplinary action under this section against the individual. 52085

Sec. 4760.131. On receipt of a notice pursuant to section 52086
3123.43 of the Revised Code, the state medical board shall comply 52087
with sections 3123.41 to 3123.50 of the Revised Code and any 52088
applicable rules adopted under section 3123.63 of the Revised Code 52089
with respect to a ~~certificate~~ license to practice as an 52090
anesthesiologist assistant issued pursuant to this chapter. 52091

Sec. 4760.132. If the state medical board has reason to 52092

believe that any person who has been granted a ~~certificate~~ license 52093
to practice as an anesthesiologist assistant under this chapter is 52094
mentally ill or mentally incompetent, it may file in the probate 52095
court of the county in which the person has a legal residence an 52096
affidavit in the form prescribed in section 5122.11 of the Revised 52097
Code and signed by the board secretary or a member of the board 52098
secretary's staff, whereupon the same proceedings shall be had as 52099
provided in Chapter 5122. of the Revised Code. The attorney 52100
general may represent the board in any proceeding commenced under 52101
this section. 52102

If any person who has been granted a ~~certificate~~ license to 52103
practice is adjudged by a probate court to be mentally ill or 52104
mentally incompetent, the person's ~~certificate~~ license shall be 52105
automatically suspended until the person has filed with the state 52106
medical board a certified copy of an adjudication by a probate 52107
court of the person's subsequent restoration to competency or has 52108
submitted to the board proof, satisfactory to the board, that the 52109
person has been discharged as having a restoration to competency 52110
in the manner and form provided in section 5122.38 of the Revised 52111
Code. The judge of the probate court shall forthwith notify the 52112
state medical board of an adjudication of mental illness or mental 52113
incompetence, and shall note any suspension of a ~~certificate~~ 52114
license in the margin of the court's record of such ~~certificate~~ 52115
license. 52116

Sec. 4760.14. (A) The state medical board shall investigate 52117
evidence that appears to show that any person has violated this 52118
chapter or the rules adopted under it. Any person may report to 52119
the board in a signed writing any information the person has that 52120
appears to show a violation of any provision of this chapter or 52121
the rules adopted under it. In the absence of bad faith, a person 52122
who reports such information or testifies before the board in an 52123
adjudication conducted under Chapter 119. of the Revised Code 52124

shall not be liable for civil damages as a result of reporting the 52125
information or providing testimony. Each complaint or allegation 52126
of a violation received by the board shall be assigned a case 52127
number and be recorded by the board. 52128

(B) Investigations of alleged violations of this chapter or 52129
rules adopted under it shall be supervised by the supervising 52130
member elected by the board in accordance with section 4731.02 of 52131
the Revised Code and by the secretary as provided in section 52132
4760.15 of the Revised Code. The board's president may designate 52133
another member of the board to supervise the investigation in 52134
place of the supervising member. A member of the board who 52135
supervises the investigation of a case shall not participate in 52136
further adjudication of the case. 52137

(C) In investigating a possible violation of this chapter or 52138
the rules adopted under it, the board may administer oaths, order 52139
the taking of depositions, issue subpoenas, and compel the 52140
attendance of witnesses and production of books, accounts, papers, 52141
records, documents, and testimony, except that a subpoena for 52142
patient record information shall not be issued without 52143
consultation with the attorney general's office and approval of 52144
the secretary and supervising member of the board. Before issuance 52145
of a subpoena for patient record information, the secretary and 52146
supervising member shall determine whether there is probable cause 52147
to believe that the complaint filed alleges a violation of this 52148
chapter or the rules adopted under it and that the records sought 52149
are relevant to the alleged violation and material to the 52150
investigation. The subpoena may apply only to records that cover a 52151
reasonable period of time surrounding the alleged violation. 52152

On failure to comply with any subpoena issued by the board 52153
and after reasonable notice to the person being subpoenaed, the 52154
board may move for an order compelling the production of persons 52155

or records pursuant to the Rules of Civil Procedure. 52156

A subpoena issued by the board may be served by a sheriff, 52157
the sheriff's deputy, or a board employee designated by the board. 52158
Service of a subpoena issued by the board may be made by 52159
delivering a copy of the subpoena to the person named therein, 52160
reading it to the person, or leaving it at the person's usual 52161
place of residence. When the person being served is an 52162
anesthesiologist assistant, service of the subpoena may be made by 52163
certified mail, restricted delivery, return receipt requested, and 52164
the subpoena shall be deemed served on the date delivery is made 52165
or the date the person refuses to accept delivery. 52166

A sheriff's deputy who serves a subpoena shall receive the 52167
same fees as a sheriff. Each witness who appears before the board 52168
in obedience to a subpoena shall receive the fees and mileage 52169
provided for under section 119.094 of the Revised Code. 52170

(D) All hearings and investigations of the board shall be 52171
considered civil actions for the purposes of section 2305.252 of 52172
the Revised Code. 52173

(E) Information received by the board pursuant to an 52174
investigation is confidential and not subject to discovery in any 52175
civil action. 52176

The board shall conduct all investigations and proceedings in 52177
a manner that protects the confidentiality of patients and persons 52178
who file complaints with the board. The board shall not make 52179
public the names or any other identifying information about 52180
patients or complainants unless proper consent is given. 52181

The board may share any information it receives pursuant to 52182
an investigation, including patient records and patient record 52183
information, with law enforcement agencies, other licensing 52184
boards, and other governmental agencies that are prosecuting, 52185
adjudicating, or investigating alleged violations of statutes or 52186

administrative rules. An agency or board that receives the 52187
information shall comply with the same requirements regarding 52188
confidentiality as those with which the state medical board must 52189
comply, notwithstanding any conflicting provision of the Revised 52190
Code or procedure of the agency or board that applies when it is 52191
dealing with other information in its possession. In a judicial 52192
proceeding, the information may be admitted into evidence only in 52193
accordance with the Rules of Evidence, but the court shall require 52194
that appropriate measures are taken to ensure that confidentiality 52195
is maintained with respect to any part of the information that 52196
contains names or other identifying information about patients or 52197
complainants whose confidentiality was protected by the state 52198
medical board when the information was in the board's possession. 52199
Measures to ensure confidentiality that may be taken by the court 52200
include sealing its records or deleting specific information from 52201
its records. 52202

(F) The state medical board shall develop requirements for 52203
and provide appropriate initial training and continuing education 52204
for investigators employed by the board to carry out its duties 52205
under this chapter. The training and continuing education may 52206
include enrollment in courses operated or approved by the Ohio 52207
peace officer training commission that the board considers 52208
appropriate under conditions set forth in section 109.79 of the 52209
Revised Code. 52210

(G) On a quarterly basis, the board shall prepare a report 52211
that documents the disposition of all cases during the preceding 52212
three months. The report shall contain the following information 52213
for each case with which the board has completed its activities: 52214

(1) The case number assigned to the complaint or alleged 52215
violation; 52216

(2) The type of ~~certificate~~ license to practice, if any, held 52217
by the individual against whom the complaint is directed; 52218

(3) A description of the allegations contained in the 52219
complaint; 52220

(4) The disposition of the case. 52221

The report shall state how many cases are still pending, and 52222
shall be prepared in a manner that protects the identity of each 52223
person involved in each case. The report is a public record for 52224
purposes of section 149.43 of the Revised Code. 52225

Sec. 4760.15. (A) As used in this section, "prosecutor" has 52226
the same meaning as in section 2935.01 of the Revised Code. 52227

(B) Whenever any person holding a valid ~~certificate~~ license 52228
issued pursuant to this chapter pleads guilty to, is subject to a 52229
judicial finding of guilt of, or is subject to a judicial finding 52230
of eligibility for intervention in lieu of conviction for a 52231
violation of Chapter 2907., 2925., or 3719. of the Revised Code or 52232
of any substantively comparable ordinance of a municipal 52233
corporation in connection with the person's practice, the 52234
prosecutor in the case, on forms prescribed and provided by the 52235
state medical board, shall promptly notify the board of the 52236
conviction. Within thirty days of receipt of that information, the 52237
board shall initiate action in accordance with Chapter 119. of the 52238
Revised Code to determine whether to suspend or revoke the 52239
~~certificate~~ license under section 4760.13 of the Revised Code. 52240

(C) The prosecutor in any case against any person holding a 52241
valid ~~certificate~~ license to practice issued pursuant to this 52242
chapter, on forms prescribed and provided by the state medical 52243
board, shall notify the board of any of the following: 52244

(1) A plea of guilty to, a finding of guilt by a jury or 52245
court of, or judicial finding of eligibility for intervention in 52246
lieu of conviction for a felony, or a case in which the trial 52247
court issues an order of dismissal upon technical or procedural 52248

grounds of a felony charge; 52249

(2) A plea of guilty to, a finding of guilt by a jury or 52250
court of, or judicial finding of eligibility for intervention in 52251
lieu of conviction for a misdemeanor committed in the course of 52252
practice, or a case in which the trial court issues an order of 52253
dismissal upon technical or procedural grounds of a charge of a 52254
misdemeanor, if the alleged act was committed in the course of 52255
practice; 52256

(3) A plea of guilty to, a finding of guilt by a jury or 52257
court of, or judicial finding of eligibility for intervention in 52258
lieu of conviction for a misdemeanor involving moral turpitude, or 52259
a case in which the trial court issues an order of dismissal upon 52260
technical or procedural grounds of a charge of a misdemeanor 52261
involving moral turpitude. 52262

The report shall include the name and address of the 52263
~~certificate~~ license holder, the nature of the offense for which 52264
the action was taken, and the certified court documents recording 52265
the action. 52266

Sec. 4760.16. (A) Within sixty days after the imposition of 52267
any formal disciplinary action taken by any health care facility, 52268
including a hospital, health care facility operated by ~~an~~ a health 52269
insuring corporation, ambulatory surgical facility, or similar 52270
facility, against any individual holding a valid ~~certificate~~ 52271
license to practice as an anesthesiologist assistant, the chief 52272
administrator or executive officer of the facility shall report to 52273
the state medical board the name of the individual, the action 52274
taken by the facility, and a summary of the underlying facts 52275
leading to the action taken. On request, the board shall be 52276
provided certified copies of the patient records that were the 52277
basis for the facility's action. Prior to release to the board, 52278
the summary shall be approved by the peer review committee that 52279

reviewed the case or by the governing board of the facility. 52280

The filing of a report with the board or decision not to file 52281
a report, investigation by the board, or any disciplinary action 52282
taken by the board, does not preclude a health care facility from 52283
taking disciplinary action against an anesthesiologist assistant. 52284

In the absence of fraud or bad faith, no individual or entity 52285
that provides patient records to the board shall be liable in 52286
damages to any person as a result of providing the records. 52287

(B)(1) Except as provided in division (B)(2) of this section, 52288
an anesthesiologist assistant, professional association or society 52289
of anesthesiologist assistants, physician, or professional 52290
association or society of physicians that believes a violation of 52291
any provision of this chapter, Chapter 4731. of the Revised Code, 52292
or rule of the board has occurred shall report to the board the 52293
information on which the belief is based. 52294

(2) An anesthesiologist assistant, professional association 52295
or society of anesthesiologist assistants, physician, or 52296
professional association or society of physicians that believes 52297
that a violation of division (B)(6) of section 4760.13 of the 52298
Revised Code has occurred shall report the information upon which 52299
the belief is based to the monitoring organization conducting the 52300
program established by the board under section 4731.251 of the 52301
Revised Code. If any such report is made to the board, it shall be 52302
referred to the monitoring organization unless the board is aware 52303
that the individual who is the subject of the report does not meet 52304

in lieu of an adjudication, the board may enter into a consent 53165
agreement with an oriental medicine practitioner or acupuncturist 53166
or applicant to resolve an allegation of a violation of this 53167
chapter or any rule adopted under it. A consent agreement, when 53168

ratified by an affirmative vote of not fewer than six members of 53169
the board, shall constitute the findings and order of the board 53170
with respect to the matter addressed in the agreement. If the 53171
board refuses to ratify a consent agreement, the admissions and 53172
findings contained in the consent agreement shall be of no force 53173
or effect. 53174

(D) For purposes of divisions (B)(12), (15), and (16) of this 53175
section, the commission of the act may be established by a finding 53176
by the board, pursuant to an adjudication under Chapter 119. of 53177
the Revised Code, that the applicant or ~~certificate~~ license holder 53178
committed the act in question. The board shall have no 53179
jurisdiction under these divisions in cases where the trial court 53180
renders a final judgment in the ~~certificate~~ license holder's favor 53181
and that judgment is based upon an adjudication on the merits. The 53182
board shall have jurisdiction under these divisions in cases where 53183
the trial court issues an order of dismissal upon technical or 53184
procedural grounds. 53185

(E) The sealing of conviction records by any court shall have 53186
no effect upon a prior board order entered under the provisions of 53187
this section or upon the board's jurisdiction to take action under 53188
the provisions of this section if, based upon a plea of guilty, a 53189
judicial finding of guilt, or a judicial finding of eligibility 53190
for intervention in lieu of conviction, the board issued a notice 53191
of opportunity for a hearing or entered into a consent agreement 53192
prior to the court's order to seal the records. The board shall 53193
not be required to seal, destroy, redact, or otherwise modify its 53194
records to reflect the court's sealing of conviction records. 53195

(F) For purposes of this division, any individual who holds a 53196
~~certificate~~ license to practice issued under this chapter, or 53197
applies for a ~~certificate~~ license to practice, shall be deemed to 53198
have given consent to submit to a mental or physical examination 53199
when directed to do so in writing by the board and to have waived 53200

all objections to the admissibility of testimony or examination 53201
reports that constitute a privileged communication. 53202

(1) In enforcing division (B)(5) of this section, the board, 53203
upon a showing of a possible violation, may compel any individual 53204
who holds a ~~certificate~~ license to practice issued under this 53205
chapter or who has applied for a ~~certificate~~ license pursuant to 53206
this chapter to submit to a mental examination, physical 53207
examination, including an HIV test, or both a mental and physical 53208
examination. The expense of the examination is the responsibility 53209
of the individual compelled to be examined. Failure to submit to a 53210
mental or physical examination or consent to an HIV test ordered 53211
by the board constitutes an admission of the allegations against 53212
the individual unless the failure is due to circumstances beyond 53213
the individual's control, and a default and final order may be 53214
entered without the taking of testimony or presentation of 53215
evidence. If the board finds an oriental medicine practitioner or 53216
acupuncturist unable to practice because of the reasons set forth 53217
in division (B)(5) of this section, the board shall require the 53218
individual to submit to care, counseling, or treatment by 53219
physicians approved or designated by the board, as a condition for 53220
an initial, continued, reinstated, or renewed ~~certificate~~ license 53221
to practice. An individual affected by this division shall be 53222
afforded an opportunity to demonstrate to the board the ability to 53223
resume practicing in compliance with acceptable and prevailing 53224
standards of care. 53225

(2) For purposes of division (B)(6) of this section, if the 53226
board has reason to believe that any individual who holds a 53227
~~certificate~~ license to practice issued under this chapter or any 53228
applicant for a ~~certificate~~ license suffers such impairment, the 53229
board may compel the individual to submit to a mental or physical 53230
examination, or both. The expense of the examination is the 53231
responsibility of the individual compelled to be examined. Any 53232

mental or physical examination required under this division shall 53233
be undertaken by a treatment provider or physician qualified to 53234
conduct such examination and chosen by the board. 53235

Failure to submit to a mental or physical examination ordered 53236
by the board constitutes an admission of the allegations against 53237
the individual unless the failure is due to circumstances beyond 53238
the individual's control, and a default and final order may be 53239
entered without the taking of testimony or presentation of 53240
evidence. If the board determines that the individual's ability to 53241
practice is impaired, the board shall suspend the individual's 53242
~~certificate~~ license or deny the individual's application and shall 53243
require the individual, as a condition for an initial, continued, 53244
reinstated, or renewed ~~certificate~~ license, to submit to 53245
treatment. 53246

Before being eligible to apply for reinstatement of a 53247
~~certificate~~ license suspended under this division, the oriental 53248
medicine practitioner or acupuncturist shall demonstrate to the 53249
board the ability to resume practice in compliance with acceptable 53250
and prevailing standards of care. The demonstration shall include 53251
the following: 53252

(a) Certification from a treatment provider approved under 53253
section 4731.25 of the Revised Code that the individual has 53254
successfully completed any required inpatient treatment; 53255

(b) Evidence of continuing full compliance with an aftercare 53256
contract or consent agreement; 53257

(c) Two written reports indicating that the individual's 53258
ability to practice has been assessed and that the individual has 53259
been found capable of practicing according to acceptable and 53260
prevailing standards of care. The reports shall be made by 53261
individuals or providers approved by the board for making such 53262
assessments and shall describe the basis for their determination. 53263

The board may reinstate a ~~certificate~~ license suspended under 53264
this division after such demonstration and after the individual 53265
has entered into a written consent agreement. 53266

When the impaired individual resumes practice, the board 53267
shall require continued monitoring of the individual. The 53268
monitoring shall include monitoring of compliance with the written 53269
consent agreement entered into before reinstatement or with 53270
conditions imposed by board order after a hearing, and, upon 53271
termination of the consent agreement, submission to the board for 53272
at least two years of annual written progress reports made under 53273
penalty of falsification stating whether the individual has 53274
maintained sobriety. 53275

(G) If the secretary and supervising member determine both of 53276
the following, they may recommend that the board suspend an 53277
individual's ~~certificate~~ license to practice without a prior 53278
hearing: 53279

(1) That there is clear and convincing evidence that an 53280
oriental medicine practitioner or acupuncturist has violated 53281
division (B) of this section; 53282

(2) That the individual's continued practice presents a 53283
danger of immediate and serious harm to the public. 53284

Written allegations shall be prepared for consideration by 53285
the board. The board, upon review of the allegations and by an 53286
affirmative vote of not fewer than six of its members, excluding 53287
the secretary and supervising member, may suspend a ~~certificate~~ 53288
license without a prior hearing. A telephone conference call may 53289
be utilized for reviewing the allegations and taking the vote on 53290
the summary suspension. 53291

The board shall issue a written order of suspension by 53292
certified mail or in person in accordance with section 119.07 of 53293
the Revised Code. The order shall not be subject to suspension by 53294

the court during pendency of any appeal filed under section 119.12 53295
of the Revised Code. If the oriental medicine practitioner or 53296
acupuncturist requests an adjudicatory hearing by the board, the 53297
date set for the hearing shall be within fifteen days, but not 53298
earlier than seven days, after the hearing is requested, unless 53299
otherwise agreed to by both the board and the ~~certificate~~ license 53300
holder. 53301

A summary suspension imposed under this division shall remain 53302
in effect, unless reversed on appeal, until a final adjudicative 53303
order issued by the board pursuant to this section and Chapter 53304
119. of the Revised Code becomes effective. The board shall issue 53305
its final adjudicative order within sixty days after completion of 53306
its hearing. Failure to issue the order within sixty days shall 53307
result in dissolution of the summary suspension order, but shall 53308
not invalidate any subsequent, final adjudicative order. 53309

(H) If the board takes action under division (B)(11), (13), 53310
or (14) of this section, and the judicial finding of guilt, guilty 53311
plea, or judicial finding of eligibility for intervention in lieu 53312
of conviction is overturned on appeal, upon exhaustion of the 53313
criminal appeal, a petition for reconsideration of the order may 53314
be filed with the board along with appropriate court documents. 53315
Upon receipt of a petition and supporting court documents, the 53316
board shall reinstate the ~~certificate to practice~~ license. The 53317
board may then hold an adjudication under Chapter 119. of the 53318
Revised Code to determine whether the individual committed the act 53319
in question. Notice of opportunity for hearing shall be given in 53320
accordance with Chapter 119. of the Revised Code. If the board 53321
finds, pursuant to an adjudication held under this division, that 53322
the individual committed the act, or if no hearing is requested, 53323
it may order any of the sanctions specified in division (B) of 53324
this section. 53325

(I) The ~~certificate~~ license to practice of an oriental 53326

medicine practitioner or acupuncturist and the practitioner's or 53327
acupuncturist's practice in this state are automatically suspended 53328
as of the date the practitioner or acupuncturist pleads guilty to, 53329
is found by a judge or jury to be guilty of, or is subject to a 53330
judicial finding of eligibility for intervention in lieu of 53331
conviction in this state or treatment or intervention in lieu of 53332
conviction in another jurisdiction for any of the following 53333
criminal offenses in this state or a substantially equivalent 53334
criminal offense in another jurisdiction: aggravated murder, 53335
murder, voluntary manslaughter, felonious assault, kidnapping, 53336
rape, sexual battery, gross sexual imposition, aggravated arson, 53337
aggravated robbery, or aggravated burglary. Continued practice 53338
after the suspension shall be considered practicing without a 53339
~~certificate~~ license. 53340

The board shall notify the individual subject to the 53341
suspension by certified mail or in person in accordance with 53342
section 119.07 of the Revised Code. If an individual whose 53343
~~certificate~~ license is suspended under this division fails to make 53344
a timely request for an adjudication under Chapter 119. of the 53345
Revised Code, the board shall enter a final order permanently 53346
revoking the individual's ~~certificate to practice~~ license. 53347

(J) In any instance in which the board is required by Chapter 53348
119. of the Revised Code to give notice of opportunity for hearing 53349
and the individual subject to the notice does not timely request a 53350
hearing in accordance with section 119.07 of the Revised Code, the 53351
board is not required to hold a hearing, but may adopt, by an 53352
affirmative vote of not fewer than six of its members, a final 53353
order that contains the board's findings. In the final order, the 53354
board may order any of the sanctions identified under division (A) 53355
or (B) of this section. 53356

(K) Any action taken by the board under division (B) of this 53357
section resulting in a suspension shall be accompanied by a 53358

written statement of the conditions under which the ~~certificate to~~ 53359
~~practice~~ license may be reinstated. The board shall adopt rules in 53360
accordance with Chapter 119. of the Revised Code governing 53361
conditions to be imposed for reinstatement. Reinstatement of a 53362
~~certificate~~ license suspended pursuant to division (B) of this 53363
section requires an affirmative vote of not fewer than six members 53364
of the board. 53365

(L) When the board refuses to grant or issue a ~~certificate to~~ 53366
~~practice~~ license to an applicant, revokes an individual's 53367
~~certificate~~ license, refuses to renew an individual's ~~certificate~~ 53368
license, or refuses to reinstate an individual's ~~certificate~~ 53369
license, the board may specify that its action is permanent. An 53370
individual subject to a permanent action taken by the board is 53371
forever thereafter ineligible to hold a ~~certificate~~ license to 53372
practice as an oriental medicine practitioner or ~~certificate~~ 53373
license to practice as an acupuncturist and the board shall not 53374
accept an application for reinstatement of the ~~certificate~~ license 53375
or for issuance of a new ~~certificate~~ license. 53376

(M) Notwithstanding any other provision of the Revised Code, 53377
all of the following apply: 53378

(1) The surrender of a ~~certificate~~ license to practice as an 53379
oriental medicine practitioner or ~~certificate~~ license to practice 53380
as an acupuncturist issued under this chapter is not effective 53381
unless or until accepted by the board. Reinstatement of a 53382
~~certificate~~ license surrendered to the board requires an 53383
affirmative vote of not fewer than six members of the board. 53384

(2) An application made under this chapter for a ~~certificate~~ 53385
license may not be withdrawn without approval of the board. 53386

(3) Failure by an individual to renew a ~~certificate~~ license 53387
in accordance with section 4762.06 of the Revised Code shall not 53388
remove or limit the board's jurisdiction to take disciplinary 53389

action under this section against the individual. 53390

Sec. 4762.131. On receipt of a notice pursuant to section 53391
3123.43 of the Revised Code, the state medical board shall comply 53392
with sections 3123.41 to 3123.50 of the Revised Code and any 53393
applicable rules adopted under section 3123.63 of the Revised Code 53394
with respect to a ~~certificate~~ license to practice as an oriental 53395
medicine practitioner or ~~certificate~~ license to practice as an 53396
acupuncturist issued pursuant to this chapter. 53397

Sec. 4762.132. If the state medical board has reason to 53398
believe that any person who has been granted under this chapter a 53399
~~certificate~~ license to practice as an oriental medicine 53400
practitioner or ~~certificate~~ license to practice as an 53401
acupuncturist is mentally ill or mentally incompetent, it may file 53402
in the probate court of the county in which the person has a legal 53403
residence an affidavit in the form prescribed in section 5122.11 53404
of the Revised Code and signed by the board secretary or a member 53405
of the board secretary's staff, whereupon the same proceedings 53406
shall be had as provided in Chapter 5122. of the Revised Code. The 53407
attorney general may represent the board in any proceeding 53408
commenced under this section. 53409

If any person who has been granted a ~~certificate~~ license is 53410
adjudged by a probate court to be mentally ill or mentally 53411
incompetent, the person's ~~certificate~~ license shall be 53412
automatically suspended until the person has filed with the state 53413
medical board a certified copy of an adjudication by a probate 53414
court of the person's subsequent restoration to competency or has 53415
submitted to the board proof, satisfactory to the board, that the 53416
person has been discharged as having a restoration to competency 53417
in the manner and form provided in section 5122.38 of the Revised 53418
Code. The judge of the probate court shall forthwith notify the 53419
state medical board of an adjudication of mental illness or mental 53420

incompetence, and shall note any suspension of a ~~certificate~~ 53421
license in the margin of the court's record of such ~~certificate~~ 53422
license. 53423

Sec. 4762.14. (A) The state medical board shall investigate 53424
evidence that appears to show that any person has violated this 53425
chapter or the rules adopted under it. Any person may report to 53426
the board in a signed writing any information the person has that 53427
appears to show a violation of any provision of this chapter or 53428
the rules adopted under it. In the absence of bad faith, a person 53429
who reports such information or testifies before the board in an 53430
adjudication conducted under Chapter 119. of the Revised Code 53431
shall not be liable for civil damages as a result of reporting the 53432
information or providing testimony. Each complaint or allegation 53433
of a violation received by the board shall be assigned a case 53434
number and be recorded by the board. 53435

(B) Investigations of alleged violations of this chapter or 53436
rules adopted under it shall be supervised by the supervising 53437
member elected by the board in accordance with section 4731.02 of 53438
the Revised Code and by the secretary as provided in section 53439
4762.17 of the Revised Code. The board's president may designate 53440
another member of the board to supervise the investigation in 53441
place of the supervising member. A member of the board who 53442
supervises the investigation of a case shall not participate in 53443
further adjudication of the case. 53444

(C) In investigating a possible violation of this chapter or 53445
the rules adopted under it, the board may administer oaths, order 53446
the taking of depositions, issue subpoenas, and compel the 53447
attendance of witnesses and production of books, accounts, papers, 53448
records, documents, and testimony, except that a subpoena for 53449
patient record information shall not be issued without 53450
consultation with the attorney general's office and approval of 53451

the secretary and supervising member of the board. Before issuance 53452
of a subpoena for patient record information, the secretary and 53453
supervising member shall determine whether there is probable cause 53454
to believe that the complaint filed alleges a violation of this 53455
chapter or the rules adopted under it and that the records sought 53456
are relevant to the alleged violation and material to the 53457
investigation. The subpoena may apply only to records that cover a 53458
reasonable period of time surrounding the alleged violation. 53459

On failure to comply with any subpoena issued by the board 53460
and after reasonable notice to the person being subpoenaed, the 53461
board may move for an order compelling the production of persons 53462
or records pursuant to the Rules of Civil Procedure. 53463

A subpoena issued by the board may be served by a sheriff, 53464
the sheriff's deputy, or a board employee designated by the board. 53465
Service of a subpoena issued by the board may be made by 53466
delivering a copy of the subpoena to the person named therein, 53467
reading it to the person, or leaving it at the person's usual 53468
place of residence. When the person being served is an oriental 53469
medicine practitioner or acupuncturist, service of the subpoena 53470
may be made by certified mail, restricted delivery, return receipt 53471
requested, and the subpoena shall be deemed served on the date 53472
delivery is made or the date the person refuses to accept 53473
delivery. 53474

A sheriff's deputy who serves a subpoena shall receive the 53475
same fees as a sheriff. Each witness who appears before the board 53476
in obedience to a subpoena shall receive the fees and mileage 53477
provided for under section 119.094 of the Revised Code. 53478

(D) All hearings and investigations of the board shall be 53479
considered civil actions for the purposes of section 2305.252 of 53480
the Revised Code. 53481

(E) Information received by the board pursuant to an 53482

investigation is confidential and not subject to discovery in any 53483
civil action. 53484

The board shall conduct all investigations and proceedings in 53485
a manner that protects the confidentiality of patients and persons 53486
who file complaints with the board. The board shall not make 53487
public the names or any other identifying information about 53488
patients or complainants unless proper consent is given. 53489

The board may share any information it receives pursuant to 53490
an investigation, including patient records and patient record 53491
information, with law enforcement agencies, other licensing 53492
boards, and other governmental agencies that are prosecuting, 53493
adjudicating, or investigating alleged violations of statutes or 53494
administrative rules. An agency or board that receives the 53495
information shall comply with the same requirements regarding 53496
confidentiality as those with which the state medical board must 53497
comply, notwithstanding any conflicting provision of the Revised 53498
Code or procedure of the agency or board that applies when it is 53499
dealing with other information in its possession. In a judicial 53500
proceeding, the information may be admitted into evidence only in 53501
accordance with the Rules of Evidence, but the court shall require 53502
that appropriate measures are taken to ensure that confidentiality 53503
is maintained with respect to any part of the information that 53504
contains names or other identifying information about patients or 53505
complainants whose confidentiality was protected by the state 53506
medical board when the information was in the board's possession. 53507
Measures to ensure confidentiality that may be taken by the court 53508
include sealing its records or deleting specific information from 53509
its records. 53510

(F) The state medical board shall develop requirements for 53511
and provide appropriate initial training and continuing education 53512
for investigators employed by the board to carry out its duties 53513
under this chapter. The training and continuing education may 53514

include enrollment in courses operated or approved by the Ohio
peace officer training commission that the board considers
appropriate under conditions set forth in section 109.79 of the
Revised Code.

(G) On a quarterly basis, the board shall prepare a report
that documents the disposition of all cases during the preceding
three months. The report shall contain the following information
for each case with which the board has completed its activities:

(1) The case number assigned to the complaint or alleged
violation;

(2) The type of ~~certificate to practice~~ license, if any, held
by the individual against whom the complaint is directed;

(3) A description of the allegations contained in the
complaint;

(4) The disposition of the case.

The report shall state how many cases are still pending, and
shall be prepared in a manner that protects the identity of each
person involved in each case. The report is a public record for
purposes of section 149.43 of the Revised Code.

Sec. 4762.15. (A) As used in this section, "prosecutor" has
the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid ~~certificate~~ license
to practice as an oriental medicine practitioner or valid
~~ertificate~~ license to practice as an acupuncturist issued
pursuant to this chapter pleads guilty to, is subject to a
judicial finding of guilt of, or is subject to a judicial finding
of eligibility for intervention in lieu of conviction for a
violation of Chapter 2907., 2925., or 3719. of the Revised Code or
of any substantively comparable ordinance of a municipal
corporation in connection with the person's practice, the

prosecutor in the case, on forms prescribed and provided by the 53545
state medical board, shall promptly notify the board of the 53546
conviction. Within thirty days of receipt of that information, the 53547
board shall initiate action in accordance with Chapter 119. of the 53548
Revised Code to determine whether to suspend or revoke the 53549
~~certificate~~ license under section 4762.13 of the Revised Code. 53550

(C) The prosecutor in any case against any person holding a 53551
valid ~~certificate to practice~~ license issued pursuant to this 53552
chapter, on forms prescribed and provided by the state medical 53553
board, shall notify the board of any of the following: 53554

(1) A plea of guilty to, a finding of guilt by a jury or 53555
court of, or judicial finding of eligibility for intervention in 53556
lieu of conviction for a felony, or a case in which the trial 53557
court issues an order of dismissal upon technical or procedural 53558
grounds of a felony charge; 53559

(2) A plea of guilty to, a finding of guilt by a jury or 53560
court of, or judicial finding of eligibility for intervention in 53561
lieu of conviction for a misdemeanor committed in the course of 53562
practice, or a case in which the trial court issues an order of 53563
dismissal upon technical or procedural grounds of a charge of a 53564
misdemeanor, if the alleged act was committed in the course of 53565
practice; 53566

(3) A plea of guilty to, a finding of guilt by a jury or 53567
court of, or judicial finding of eligibility for intervention in 53568
lieu of conviction for a misdemeanor involving moral turpitude, or 53569
a case in which the trial court issues an order of dismissal upon 53570
technical or procedural grounds of a charge of a misdemeanor 53571
involving moral turpitude. 53572

The report shall include the name and address of the 53573
~~certificate~~ license holder, the nature of the offense for which 53574
the action was taken, and the certified court documents recording 53575

the action. 53576

Sec. 4762.16. (A) Within sixty days after the imposition of 53577
any formal disciplinary action taken by any health care facility, 53578
including a hospital, health care facility operated by a health 53579
insuring corporation, ambulatory surgical center, or similar 53580
facility, against any individual holding a valid ~~certificate~~ 53581
license to practice as an oriental medicine practitioner or valid 53582
~~certificate~~ license to practice as an acupuncturist, the chief 53583
administrator or executive officer of the facility shall report to 53584
the state medical board the name of the individual, the action 53585
taken by the facility, and a summary of the underlying facts 53586
leading to the action taken. Upon request, the board shall be 53587
provided certified copies of the patient records that were the 53588
basis for the facility's action. Prior to release to the board, 53589
the summary shall be approved by the peer review committee that 53590
reviewed the case or by the governing board of the facility. 53591

The filing of a report with the board or decision not to file 53592
a report, investigation by the board, or any disciplinary action 53593
taken by the board, does not preclude a health care facility from 53594
taking disciplinary action against an oriental medicine 53595
practitioner or acupuncturist. 53596

In the absence of fraud or bad faith, no individual or entity 53597
that provides patient records to the board shall be liable in 53598
damages to any person as a result of providing the records. 53599

(B)(1) Except as provided in division (B)(2) of this section, 53600

chapter, Chapter 4731. of the Revised Code, or rule of the board 53605
has occurred shall report to the board the information upon which 53606

the belief is based. 53607

based to the monitoring organization conducting the program 53614
established by the board under section 4731.251 of the Revised 53615
Code. If any such report is made to the board, it shall be 53616
referred to the monitoring organization unless the board is aware 53617
that the individual who is the subject of the report does not meet 53618
the program eligibility requirements of section 4731.252 of the 53619
Revised Code. 53620

(C) Any professional association or society composed 53621
primarily of oriental medicine practitioners or acupuncturists 53622
that suspends or revokes an individual's membership for violations 53623
of professional ethics, or for reasons of professional 53624
incompetence or professional malpractice, within sixty days after 53625

and provided by the board, the name of the individual, the action 53627

underlying facts leading to the action taken. 53629

The filing of a report with the board or decision not to file 53630
a report, investigation by the board, or any disciplinary action 53631
taken by the board, does not preclude a professional organization 53632
from taking disciplinary action against an individual. 53633

(D) Any insurer providing professional liability insurance to 53634
any person holding a valid ~~certificate~~ license to practice as an 53635
oriental medicine practitioner or valid ~~certificate~~ license to 53636
practice as an acupuncturist or any other entity that seeks to 53637
indemnify the professional liability of an oriental medicine 53638

practitioner or acupuncturist shall notify the board within thirty 53639

information: 53643

(1) The name and address of the person submitting the 53644
notification; 53645

possible violation involves repeated malpractice. As used in this 53656
division, "repeated malpractice" means three or more claims for 53657
malpractice within the previous five-year period, each resulting 53658
in a judgment or settlement in excess of twenty-five thousand 53659
dollars in favor of the claimant, and each involving negligent 53660
conduct by the oriental medicine practitioner or acupuncturist. 53661

(F) All summaries, reports, and records received and 53662

confidence and shall not be subject to discovery or introduction 53664
in evidence in any federal or state civil action involving an 53665
oriental medicine practitioner, acupuncturist, supervising 53666
physician, or health care facility arising out of matters that are 53667
the subject of the reporting required by this section. The board 53668
may use the information obtained only as the basis for an 53669

investigation, as evidence in a disciplinary hearing against an 53670
oriental medicine practitioner, acupuncturist, or supervising 53671
physician, or in any subsequent trial or appeal of a board action 53672

the board shall be subject to the same confidentiality provisions 53681
as when maintained by the board. 53682

(G) Except for reports filed by an individual pursuant to 53683
division (B) of this section, the board shall send a copy of any 53684
reports or summaries it receives pursuant to this section to the 53685
acupuncturist. The oriental medicine practitioner or acupuncturist 53686
shall have the right to file a statement with the board concerning 53687
the correctness or relevance of the information. The statement 53688
shall at all times accompany that part of the record in 53689

engaged either directly or by complicity in the practice of 53714
oriental medicine or acupuncture without having first obtained a 53715
~~certificate~~ license to do so pursuant to this chapter, may, in 53716
accord with provisions of the Revised Code governing injunctions, 53717

from engaging either directly or by complicity in the unlawful 53719
practice of oriental medicine or acupuncture by applying for an 53720
injunction in any court of competent jurisdiction. 53721

(B) Prior to application for an injunction under division (A) 53722
of this section, the secretary of the state medical board shall 53723
notify the person allegedly engaged either directly or by 53724
complicity in the unlawful practice of oriental medicine or 53725
acupuncture by registered mail that the secretary has received 53726
information indicating that this person is so engaged. The person 53727
shall answer the secretary within thirty days showing that the 53728
person is either properly licensed for the stated activity or that 53729
the person is not in violation of this chapter. If the answer is 53730
not forthcoming within thirty days after notice by the secretary, 53731
the secretary shall request that the attorney general, the 53732
prosecuting attorney of the county in which the offense was 53733

committed or the offender resides, or the state medical board 53734

(C) Upon the filing of a verified petition in court, the 53736

same preference to this proceeding as is given all proceedings 53738
under Chapter 119. of the Revised Code, irrespective of the 53739
position of the proceeding on the calendar of the court. 53740

(D) Injunction proceedings as authorized by this section 53741
shall be in addition to, and not in lieu of, all penalties and 53742
other remedies provided in this chapter. 53743

(E) An injunction proceeding permitted by division (A) of 53744
this section may not be maintained against a person described in 53745
division (B) of section 4762.02 of the Revised Code or a 53746
chiropractor who holds a valid certificate to practice acupuncture 53747
issued under section 4734.283 of the Revised Code. 53748

Sec. 4762.22. An individual who holds a ~~certificate~~ license 53749
to practice as an oriental medicine practitioner or ~~certificate~~ 53750
license to practice as an acupuncturist issued under this chapter 53751
shall have professional liability insurance coverage in an amount 53752
that is not less than five hundred thousand dollars. 53753

Sec. 4763.16. (A) The real estate appraiser recovery fund is 53754
hereby created in the state treasury, to be administered by the 53755
superintendent of real estate. The treasurer of state shall credit 53756
to the fund amounts collected by the superintendent as prescribed 53757
in this section and interest earned on the assets of the fund. The 53758
superintendent shall ascertain the balance of the fund as of the 53759
first day of October of each year. If that balance is less than 53760
~~five~~ two hundred thousand dollars at any time, the director of 53761
budget and management, upon the request of the superintendent and 53762
approval of the controlling board, may transfer from the real 53763

estate appraiser operating fund to the real estate appraiser 53764
recovery fund a sum as will bring the real estate appraiser 53765
recovery fund to that amount. 53766

(B) When any person obtains a final judgment in any court of 53767
competent jurisdiction against a certificate holder, registrant, 53768
or licensee, based upon conduct that is in violation of this 53769
chapter or the rules adopted under it, which conduct occurred on 53770
or after the date of their certification, registration, or 53771
licensure, and that is associated with an act or transaction of a 53772
certificate holder, registrant, or licensee specified in this 53773
chapter, that person may file a verified complaint, as described 53774
in this division, in the Franklin county court of common pleas for 53775
an order directing payment out of the real estate appraiser 53776
recovery fund of the portion of the judgment that remains unpaid 53777
and that represents the actual and direct loss of the person for 53778
the act or transaction upon which the underlying judgment was 53779
based, and court costs, if awarded in the underlying judgment, 53780
provided that no person shall receive more than ten thousand 53781
dollars from the fund for any one judgment. A bonding or insurance 53782
company or any partnership, corporation, or association that uses 53783
any tool to develop a valuation of real property for purposes of a 53784
loan or that employs, retains, or engages as an independent 53785
contractor a person licensed, registered, or certified as a real 53786
estate appraiser in its usual or occasional operations may not 53787
seek an order directing, and is not eligible for, payment out of 53788
the fund. Punitive or exemplary damages are not recoverable from 53789
the fund. 53790

The complaint shall specify the nature of the act or 53791
transaction upon which the underlying judgment was based, the 53792
activities of the applicant in pursuit of remedies available under 53793
law for the collection of judgments, and the amount of the fee 53794
paid by the applicant to the certificate holder, registrant, or 53795

licensee. The applicant shall attach to the complaint a copy of 53796
each pleading and order in the underlying court action. 53797

The Franklin county court of common pleas shall order the 53798
superintendent to make payments out of the fund when the person 53799
seeking the order has shown all of the following: 53800

(1) The person has obtained a judgment, as provided in this 53801
division; 53802

(2) All appeals from the judgment have been exhausted and the 53803
person has given notice to the superintendent, as required by 53804
division (C) of this section; 53805

(3) The person is not a spouse of the certificate holder, 53806
registrant, or licensee, or the personal representative of the 53807
spouse; 53808

(4) The person has diligently pursued the person's remedies 53809
against all the certificate holders, registrants, licensees, and 53810
all other persons liable to the person in the transaction for 53811
which the person seeks recovery from the fund; 53812

(5) The person is making a complaint not more than one year 53813
after termination of all proceedings, including appeals, in 53814
connection with the judgment. 53815

(C) A person who applies to the Franklin county court of 53816
common pleas for an order directing payment out of the fund shall 53817
file notice of the complaint with the superintendent. The 53818
superintendent shall send notice to the affected certificate 53819
holder, registrant, or licensee, where possible. The 53820
superintendent may defend the action on behalf of the fund and 53821
shall have recourse to all appropriate means of defense and 53822
review, including examination of witnesses. The superintendent may 53823
move the court at any time to dismiss the complaint when it 53824
appears there are no triable issues and the complaint is without 53825
merit. The motion may be supported by affidavit of any person 53826

having knowledge of the facts and may be made on the basis that 53827
the complaint, including the judgment referred to in the 53828
complaint, does not form the basis for a meritorious recovery 53829
claim. The superintendent may, subject to court approval, 53830
compromise a claim based upon the complaint of an aggrieved party. 53831
The superintendent is not bound by any prior compromise or 53832
stipulation of the certificate holder, registrant, or licensee. 53833
Upon petition of the superintendent, the court may require all 53834
claimants and prospective claimants against one certificate 53835
holder, registrant, or licensee to be joined in one action, to the 53836
end that the respective rights of all such claimants to the fund 53837
may be equitably adjudicated and settled. 53838

(D) If the superintendent pays from the fund any amount in 53839
settlement of a claim or toward satisfaction of a judgment against 53840
a certificate holder, registrant, or licensee, the certificate, 53841
registration, or license of the certificate holder, registrant, or 53842
licensee automatically is suspended upon the date of payment from 53843
the fund. No certificate, registration, or license that has been 53844
suspended pursuant to this division shall be reinstated until the 53845
certificate holder, registrant, or licensee has repaid in full, 53846
plus interest per annum at the rate specified in division (A) of 53847
section 1343.03 of the Revised Code, the amount paid from the fund 53848
on the certificate holder's, registrant's, or licensee's account. 53849
A discharge in bankruptcy does not relieve a person from the 53850
suspension and requirements for reinstatement provided in this 53851
section. 53852

(E) If, at any time, the money deposited in the fund is 53853
insufficient to satisfy any duly authorized claim or portion of a 53854
claim, the superintendent shall, when sufficient money has been 53855
deposited in the fund, satisfy the unpaid claims or portions, in 53856
the order that the claims or portions were originally filed, plus 53857
accumulated interest per annum at the rate specified in division 53858

(A) of section 1343.03 of the Revised Code. 53859

(F) When, upon the order of the court, the superintendent has 53860
paid from the fund any sum to the judgment creditor, the 53861
superintendent is subrogated to all of the rights of the judgment 53862
creditor to the extent of the amount so paid, and the judgment 53863
creditor shall assign all of the judgment creditor's right, title, 53864
and interest in the judgment to the superintendent to the extent 53865
of the amount so paid. The superintendent shall deposit in the 53866
fund any amount and interest so recovered by the superintendent on 53867
the judgment. 53868

(G) Nothing contained in this section shall limit the 53869
authority of the real estate appraiser board to take disciplinary 53870
action against a certificate holder, registrant, or licensee under 53871
other provisions of this chapter. The repayment in full of all 53872
obligations to the fund by a certificate holder, registrant, or 53873
licensee does not nullify or modify the effect of any other 53874
disciplinary proceeding brought pursuant to this chapter, unless 53875
repayment is imposed as a condition in that proceeding. 53876

(H) The superintendent shall collect from the fund a service 53877
fee in an amount equivalent to the interest rate specified in 53878
division (A) of section 1343.03 of the Revised Code multiplied by 53879
the annual interest earned on the assets of the fund, to defray 53880
the expenses incurred in the administration of the fund. 53881

53975
53976

Sec. 4765.604. The patient who is the subject of a non-opioid 53977

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(11) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(12) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) A plea of guilty to, a judicial finding of guilt of, or

a judicial finding of eligibility for intervention in lieu of 54487
conviction for violating any state or federal law regulating the 54488
possession, distribution, or use of any drug, including 54489
trafficking in drugs; 54490

(17) Any of the following actions taken by the state agency 54491
responsible for regulating the practice of radiologist assistants 54492
in another jurisdiction, for any reason other than the nonpayment 54493
of fees: the limitation, revocation, or suspension of an 54494
individual's license to practice; acceptance of an individual's 54495
license surrender; denial of a license; refusal to renew or 54496
reinstate a license; imposition of probation; or issuance of an 54497
order of censure or other reprimand; 54498

(18) Violation of the conditions placed by the board on a 54499
~~certificate~~ license to practice as a radiologist assistant; 54500

(19) Failure to use universal blood and body fluid 54501
precautions established by rules adopted under section 4731.051 of 54502
the Revised Code; 54503

(20) Failure to cooperate in an investigation conducted by 54504
the board under section 4774.14 of the Revised Code, including 54505
failure to comply with a subpoena or order issued by the board or 54506
failure to answer truthfully a question presented by the board at 54507
a deposition or in written interrogatories, except that failure to 54508
cooperate with an investigation shall not constitute grounds for 54509
discipline under this section if a court of competent jurisdiction 54510
has issued an order that either quashes a subpoena or permits the 54511
individual to withhold the testimony or evidence in issue; 54512

(21) Failure to maintain a license as a radiographer under 54513
Chapter 4773. of the Revised Code; 54514

(22) Failure to maintain certification as a registered 54515
radiologist assistant from the American registry of radiologic 54516
technologists, including revocation by the registry of the 54517

assistant's certification or failure by the assistant to meet the 54518
registry's requirements for annual registration, or failure to 54519
notify the board that the certification as a registered 54520
radiologist assistant has not been maintained; 54521

(23) Failure to comply with any of the rules of ethics 54522
included in the standards of ethics established by the American 54523
registry of radiologic technologists, as those rules apply to an 54524
individual who holds the registry's certification as a registered 54525
radiologist assistant. 54526

(C) Disciplinary actions taken by the board under divisions 54527
(A) and (B) of this section shall be taken pursuant to an 54528
adjudication under Chapter 119. of the Revised Code, except that 54529
in lieu of an adjudication, the board may enter into a consent 54530
agreement with a radiologist assistant or applicant to resolve an 54531
allegation of a violation of this chapter or any rule adopted 54532
under it. A consent agreement, when ratified by an affirmative 54533
vote of not fewer than six members of the board, shall constitute 54534
the findings and order of the board with respect to the matter 54535
addressed in the agreement. If the board refuses to ratify a 54536
consent agreement, the admissions and findings contained in the 54537
consent agreement shall be of no force or effect. 54538

(D) For purposes of divisions (B)(11), (14), and (15) of this 54539
section, the commission of the act may be established by a finding 54540
by the board, pursuant to an adjudication under Chapter 119. of 54541
the Revised Code, that the applicant or ~~certificate~~ license holder 54542
committed the act in question. The board shall have no 54543
jurisdiction under these divisions in cases where the trial court 54544
renders a final judgment in the ~~certificate~~ license holder's favor 54545
and that judgment is based upon an adjudication on the merits. The 54546
board shall have jurisdiction under these divisions in cases where 54547
the trial court issues an order of dismissal on technical or 54548
procedural grounds. 54549

(E) The sealing of conviction records by any court shall have 54550
no effect on a prior board order entered under the provisions of 54551
this section or on the board's jurisdiction to take action under 54552
the provisions of this section if, based upon a plea of guilty, a 54553
judicial finding of guilt, or a judicial finding of eligibility 54554
for intervention in lieu of conviction, the board issued a notice 54555
of opportunity for a hearing prior to the court's order to seal 54556
the records. The board shall not be required to seal, destroy, 54557
redact, or otherwise modify its records to reflect the court's 54558
sealing of conviction records. 54559

(F) For purposes of this division, any individual who holds a 54560
~~certificate~~ license to practice as a radiologist assistant issued 54561
under this chapter, or applies for a ~~certificate to practice~~ 54562
license, shall be deemed to have given consent to submit to a 54563
mental or physical examination when directed to do so in writing 54564
by the board and to have waived all objections to the 54565
admissibility of testimony or examination reports that constitute 54566
a privileged communication. 54567

(1) In enforcing division (B)(5) of this section, the board, 54568
on a showing of a possible violation, may compel any individual 54569
who holds a ~~certificate~~ license to practice as a radiologist 54570
assistant issued under this chapter or who has applied for a 54571
~~certificate to practice~~ license to submit to a mental or physical 54572
examination, or both. A physical examination may include an HIV 54573
test. The expense of the examination is the responsibility of the 54574
individual compelled to be examined. Failure to submit to a mental 54575
or physical examination or consent to an HIV test ordered by the 54576
board constitutes an admission of the allegations against the 54577
individual unless the failure is due to circumstances beyond the 54578
individual's control, and a default and final order may be entered 54579
without the taking of testimony or presentation of evidence. If 54580
the board finds a radiologist assistant unable to practice because 54581

of the reasons set forth in division (B)(5) of this section, the 54582
board shall require the radiologist assistant to submit to care, 54583
counseling, or treatment by physicians approved or designated by 54584
the board, as a condition for an initial, continued, reinstated, 54585
or renewed ~~certificate to practice~~ license. An individual affected 54586
by this division shall be afforded an opportunity to demonstrate 54587
to the board the ability to resume practicing in compliance with 54588
acceptable and prevailing standards of care. 54589

(2) For purposes of division (B)(6) of this section, if the 54590
board has reason to believe that any individual who holds a 54591
~~certificate~~ license to practice as a radiologist assistant issued 54592
under this chapter or any applicant for a ~~certificate to practice~~ 54593
license suffers such impairment, the board may compel the 54594
individual to submit to a mental or physical examination, or both. 54595
The expense of the examination is the responsibility of the 54596
individual compelled to be examined. Any mental or physical 54597
examination required under this division shall be undertaken by a 54598
treatment provider or physician qualified to conduct such 54599
examination and chosen by the board. 54600

Failure to submit to a mental or physical examination ordered 54601
by the board constitutes an admission of the allegations against 54602
the individual unless the failure is due to circumstances beyond 54603
the individual's control, and a default and final order may be 54604
entered without the taking of testimony or presentation of 54605
evidence. If the board determines that the individual's ability to 54606
practice is impaired, the board shall suspend the individual's 54607
~~certificate~~ license or deny the individual's application and shall 54608
require the individual, as a condition for an initial, continued, 54609
reinstated, or renewed ~~certificate~~ license to practice, to submit 54610
to treatment. 54611

Before being eligible to apply for reinstatement of a 54612
~~certificate~~ license suspended under this division, the radiologist 54613

assistant shall demonstrate to the board the ability to resume 54614
practice in compliance with acceptable and prevailing standards of 54615
care. The demonstration shall include the following: 54616

(a) Certification from a treatment provider approved under 54617
section 4731.25 of the Revised Code that the individual has 54618
successfully completed any required inpatient treatment; 54619

(b) Evidence of continuing full compliance with an aftercare 54620
contract or consent agreement; 54621

(c) Two written reports indicating that the individual's 54622
ability to practice has been assessed and that the individual has 54623
been found capable of practicing according to acceptable and 54624
prevailing standards of care. The reports shall be made by 54625
individuals or providers approved by the board for making such 54626
assessments and shall describe the basis for their determination. 54627

The board may reinstate a ~~certificate~~ license suspended under 54628
this division after such demonstration and after the individual 54629
has entered into a written consent agreement. 54630

When the impaired radiologist assistant resumes practice, the 54631
board shall require continued monitoring of the radiologist 54632
assistant. The monitoring shall include monitoring of compliance 54633
with the written consent agreement entered into before 54634
reinstatement or with conditions imposed by board order after a 54635
hearing, and, on termination of the consent agreement, submission 54636
to the board for at least two years of annual written progress 54637
reports made under penalty of falsification stating whether the 54638
radiologist assistant has maintained sobriety. 54639

(G) If the secretary and supervising member determine that 54640
there is clear and convincing evidence that a radiologist 54641
assistant has violated division (B) of this section and that the 54642
individual's continued practice presents a danger of immediate and 54643
serious harm to the public, they may recommend that the board 54644

suspend the individual's ~~certificate~~ license to practice without a 54645
prior hearing. Written allegations shall be prepared for 54646
consideration by the board. 54647

The board, on review of the allegations and by an affirmative 54648
vote of not fewer than six of its members, excluding the secretary 54649
and supervising member, may suspend a ~~certificate~~ license without 54650
a prior hearing. A telephone conference call may be utilized for 54651
reviewing the allegations and taking the vote on the summary 54652
suspension. 54653

The board shall issue a written order of suspension by 54654
certified mail or in person in accordance with section 119.07 of 54655
the Revised Code. The order shall not be subject to suspension by 54656
the court during pendency of any appeal filed under section 119.12 54657
of the Revised Code. If the radiologist assistant requests an 54658
adjudicatory hearing by the board, the date set for the hearing 54659
shall be within fifteen days, but not earlier than seven days, 54660
after the radiologist assistant requests the hearing, unless 54661
otherwise agreed to by both the board and the ~~certificate~~ license 54662
holder. 54663

A summary suspension imposed under this division shall remain 54664
in effect, unless reversed on appeal, until a final adjudicative 54665
order issued by the board pursuant to this section and Chapter 54666
119. of the Revised Code becomes effective. The board shall issue 54667
its final adjudicative order within sixty days after completion of 54668
its hearing. Failure to issue the order within sixty days shall 54669
result in dissolution of the summary suspension order, but shall 54670
not invalidate any subsequent, final adjudicative order. 54671

(H) If the board takes action under division (B)(10), (12), 54672
or (13) of this section, and the judicial finding of guilt, guilty 54673
plea, or judicial finding of eligibility for intervention in lieu 54674
of conviction is overturned on appeal, on exhaustion of the 54675
criminal appeal, a petition for reconsideration of the order may 54676

be filed with the board along with appropriate court documents. On 54677
receipt of a petition and supporting court documents, the board 54678
shall reinstate the ~~certificate~~ license to practice as a 54679
radiologist assistant. The board may then hold an adjudication 54680
under Chapter 119. of the Revised Code to determine whether the 54681
individual committed the act in question. Notice of opportunity 54682
for hearing shall be given in accordance with Chapter 119. of the 54683
Revised Code. If the board finds, pursuant to an adjudication held 54684
under this division, that the individual committed the act, or if 54685
no hearing is requested, it may order any of the sanctions 54686
specified in division (B) of this section. 54687

(I) The ~~certificate~~ license to practice of a radiologist 54688
assistant and the assistant's practice in this state are 54689
automatically suspended as of the date the radiologist assistant 54690
pleads guilty to, is found by a judge or jury to be guilty of, or 54691
is subject to a judicial finding of eligibility for intervention 54692
in lieu of conviction in this state or treatment of intervention 54693
in lieu of conviction in another jurisdiction for any of the 54694
following criminal offenses in this state or a substantially 54695
equivalent criminal offense in another jurisdiction: aggravated 54696
murder, murder, voluntary manslaughter, felonious assault, 54697
kidnapping, rape, sexual battery, gross sexual imposition, 54698
aggravated arson, aggravated robbery, or aggravated burglary. 54699
Continued practice after the suspension shall be considered 54700
practicing without a ~~certificate~~ license. 54701

The board shall notify the individual subject to the 54702
suspension by certified mail or in person in accordance with 54703
section 119.07 of the Revised Code. If an individual whose 54704
~~certificate~~ license is suspended under this division fails to make 54705
a timely request for an adjudication under Chapter 119. of the 54706
Revised Code, the board shall enter a final order permanently 54707
revoking the individual's ~~certificate to practice~~ license. 54708

(J) In any instance in which the board is required by Chapter 54709
119. of the Revised Code to give notice of opportunity for hearing 54710
and the individual subject to the notice does not timely request a 54711
hearing in accordance with section 119.07 of the Revised Code, the 54712
board is not required to hold a hearing, but may adopt, by an 54713
affirmative vote of not fewer than six of its members, a final 54714
order that contains the board's findings. In the final order, the 54715
board may order any of the sanctions identified under division (A) 54716
or (B) of this section. 54717

(K) Any action taken by the board under division (B) of this 54718
section resulting in a suspension shall be accompanied by a 54719
written statement of the conditions under which the radiologist 54720
assistant's ~~certificate~~ license may be reinstated. The board shall 54721
adopt rules in accordance with Chapter 119. of the Revised Code 54722
governing conditions to be imposed for reinstatement. 54723
Reinstatement of a ~~certificate~~ license suspended pursuant to 54724
division (B) of this section requires an affirmative vote of not 54725
fewer than six members of the board. 54726

(L) When the board refuses to grant or issue a ~~certificate~~ 54727
license to practice as a radiologist assistant to an applicant, 54728
revokes an individual's ~~certificate~~ license, refuses to renew an 54729
individual's ~~certificate~~ license, or refuses to reinstate an 54730
individual's ~~certificate~~ license, the board may specify that its 54731
action is permanent. An individual subject to a permanent action 54732
taken by the board is forever thereafter ineligible to hold a 54733
~~certificate~~ license to practice as a radiologist assistant and the 54734
board shall not accept an application for reinstatement of the 54735
~~certificate~~ license or for issuance of a new ~~certificate~~ license. 54736

(M) Notwithstanding any other provision of the Revised Code, 54737
all of the following apply: 54738

(1) The surrender of a ~~certificate~~ license to practice as a 54739
radiologist assistant issued under this chapter is not effective 54740

unless or until accepted by the board. Reinstatement of a 54741
~~eertificate~~ license surrendered to the board requires an 54742
affirmative vote of not fewer than six members of the board. 54743

(2) An application made under this chapter for a ~~certificate~~ 54744
license to practice may not be withdrawn without approval of the 54745
board. 54746

(3) Failure by an individual to renew a ~~certificate~~ license 54747
to practice in accordance with section 4774.06 of the Revised Code 54748
shall not remove or limit the board's jurisdiction to take 54749
disciplinary action under this section against the individual. 54750

Sec. 4774.131. On receipt of a notice pursuant to section 54751
3123.43 of the Revised Code, the state medical board shall comply 54752
with sections 3123.41 to 3123.50 of the Revised Code and any 54753
applicable rules adopted under section 3123.63 of the Revised Code 54754
with respect to a ~~certificate~~ license to practice as a radiologist 54755
assistant issued under this chapter. 54756

Sec. 4774.132. If the state medical board has reason to 54757
believe that any person who has been granted a ~~certificate~~ license 54758
to practice as a radiologist assistant under this chapter is 54759
mentally ill or mentally incompetent, it may file in the probate 54760
court of the county in which the person has a legal residence an 54761
affidavit in the form prescribed in section 5122.11 of the Revised 54762
Code and signed by the board secretary or a member of the board 54763
secretary's staff, whereupon the same proceedings shall be had as 54764
provided in Chapter 5122. of the Revised Code. The attorney 54765
general may represent the board in any proceeding commenced under 54766
this section. 54767

If any person who has been granted a ~~certificate to practice~~ 54768
license is adjudged by a probate court to be mentally ill or 54769
mentally incompetent, the person's ~~certificate~~ license shall be 54770

automatically suspended until the person has filed with the state 54771
medical board a certified copy of an adjudication by a probate 54772
court of the person's subsequent restoration to competency or has 54773
submitted to the board proof, satisfactory to the board, that the 54774
person has been discharged as having a restoration to competency 54775
in the manner and form provided in section 5122.38 of the Revised 54776
Code. The judge of the probate court shall forthwith notify the 54777
state medical board of an adjudication of mental illness or mental 54778
incompetence, and shall note any suspension of a ~~certificate~~ 54779
license in the margin of the court's record of such ~~certificate~~ 54780
license. 54781

Sec. 4774.14. (A) The state medical board shall investigate 54782
evidence that appears to show that any person has violated this 54783
chapter or the rules adopted under it. Any person may report to 54784
the board in a signed writing any information the person has that 54785
appears to show a violation of any provision of this chapter or 54786
the rules adopted under it. In the absence of bad faith, a person 54787
who reports such information or testifies before the board in an 54788
adjudication conducted under Chapter 119. of the Revised Code 54789
shall not be liable for civil damages as a result of reporting the 54790
information or providing testimony. Each complaint or allegation 54791
of a violation received by the board shall be assigned a case 54792
number and be recorded by the board. 54793

(B) Investigations of alleged violations of this chapter or 54794
rules adopted under it shall be supervised by the supervising 54795
member elected by the board in accordance with section 4731.02 of 54796
the Revised Code and by the secretary as provided in section 54797
4774.17 of the Revised Code. The board's president may designate 54798
another member of the board to supervise the investigation in 54799
place of the supervising member. A member of the board who 54800
supervises the investigation of a case shall not participate in 54801
further adjudication of the case. 54802

(C) In investigating a possible violation of this chapter or 54803
the rules adopted under it, the board may administer oaths, order 54804
the taking of depositions, issue subpoenas, and compel the 54805
attendance of witnesses and production of books, accounts, papers, 54806
records, documents, and testimony, except that a subpoena for 54807
patient record information shall not be issued without 54808
consultation with the attorney general's office and approval of 54809
the secretary and supervising member of the board. Before issuance 54810
of a subpoena for patient record information, the secretary and 54811
supervising member shall determine whether there is probable cause 54812
to believe that the complaint filed alleges a violation of this 54813
chapter or the rules adopted under it and that the records sought 54814
are relevant to the alleged violation and material to the 54815
investigation. The subpoena may apply only to records that cover a 54816
reasonable period of time surrounding the alleged violation. 54817

On failure to comply with any subpoena issued by the board 54818
and after reasonable notice to the person being subpoenaed, the 54819
board may move for an order compelling the production of persons 54820
or records pursuant to the Rules of Civil Procedure. 54821

A subpoena issued by the board may be served by a sheriff, 54822
the sheriff's deputy, or a board employee designated by the board. 54823
Service of a subpoena issued by the board may be made by 54824
delivering a copy of the subpoena to the person named therein, 54825
reading it to the person, or leaving it at the person's usual 54826
place of residence. When the person being served is a radiologist 54827
assistant, service of the subpoena may be made by certified mail, 54828
restricted delivery, return receipt requested, and the subpoena 54829
shall be deemed served on the date delivery is made or the date 54830
the person refuses to accept delivery. 54831

A sheriff's deputy who serves a subpoena shall receive the 54832
same fees as a sheriff. Each witness who appears before the board 54833
in obedience to a subpoena shall receive the fees and mileage 54834

provided for witnesses in civil cases in the courts of common 54835
pleas. 54836

(D) All hearings and investigations of the board shall be 54837
considered civil actions for the purposes of section 2305.252 of 54838
the Revised Code. 54839

(E) Information received by the board pursuant to an 54840
investigation is confidential and not subject to discovery in any 54841
civil action. 54842

The board shall conduct all investigations and proceedings in 54843
a manner that protects the confidentiality of patients and persons 54844
who file complaints with the board. The board shall not make 54845
public the names or any other identifying information about 54846
patients or complainants unless proper consent is given. 54847

The board may share any information it receives pursuant to 54848
an investigation, including patient records and patient record 54849
information, with law enforcement agencies, other licensing 54850
boards, and other governmental agencies that are prosecuting, 54851
adjudicating, or investigating alleged violations of statutes or 54852
administrative rules. An agency or board that receives the 54853
information shall comply with the same requirements regarding 54854
confidentiality as those with which the state medical board must 54855
comply, notwithstanding any conflicting provision of the Revised 54856
Code or procedure of the agency or board that applies when it is 54857
dealing with other information in its possession. In a judicial 54858
proceeding, the information may be admitted into evidence only in 54859
accordance with the Rules of Evidence, but the court shall require 54860
that appropriate measures are taken to ensure that confidentiality 54861
is maintained with respect to any part of the information that 54862
contains names or other identifying information about patients or 54863
complainants whose confidentiality was protected by the state 54864
medical board when the information was in the board's possession. 54865
Measures to ensure confidentiality that may be taken by the court 54866

include sealing its records or deleting specific information from
its records.

(F) The state medical board shall develop requirements for
and provide appropriate initial training and continuing education
for investigators employed by the board to carry out its duties
under this chapter. The training and continuing education may
include enrollment in courses operated or approved by the Ohio
peace officer training commission that the board considers
appropriate under conditions set forth in section 109.79 of the
Revised Code.

(G) On a quarterly basis, the board shall prepare a report
that documents the disposition of all cases during the preceding
three months. The report shall contain the following information
for each case with which the board has completed its activities:

(1) The case number assigned to the complaint or alleged
violation;

(2) The type of ~~certificate~~ license, if any, held by the
individual against whom the complaint is directed;

(3) A description of the allegations contained in the
complaint;

(4) The disposition of the case.

The report shall state how many cases are still pending, and
shall be prepared in a manner that protects the identity of each
person involved in each case. The report is a public record for
purposes of section 149.43 of the Revised Code.

Sec. 4774.15. (A) As used in this section, "prosecutor" has
the same meaning as in section 2935.01 of the Revised Code.

(B) Whenever any person holding a valid ~~certificate~~ license
to practice as a radiologist assistant issued under this chapter

section or paid under division (E)(1)(b) of this section shall be 55293
in an amount specified by the board of not more than five thousand 55294
dollars. The board shall deposit civil penalties in accordance 55295
with section 4731.24 of the Revised Code. 55296

~~If a genetic counselor certifies that the genetic counselor~~ 55297
~~has completed the number of hours and type of continuing education~~ 55298
~~required for renewal of a license, and the board finds through the~~ 55299

~~random sample or any other means that the genetic counselor did 55300
not complete the requisite continuing education, the board may 55301
impose a civil penalty of not more than five thousand dollars. If 55302
a civil penalty is imposed in addition to any other action the 55303
board takes under section 4778.14 of the Revised Code, the board's 55304
finding shall be made pursuant to an adjudication under Chapter 55305
119. of the Revised Code and by an affirmative vote of not fewer 55306
than six members. A civil penalty imposed under this division may 55307
be in addition to or in lieu of any other action the board may 55308
take under section 4778.14 of the Revised Code. The board shall 55309
deposit civil penalties in accordance with section 4731.24 of the 55310
Revised Code. 55311~~

Sec. 4778.07. (A) A license to practice as a genetic 55312
counselor issued under section 4778.05 of the Revised Code that is 55313
not renewed on or before its expiration date is automatically 55314
suspended on its expiration date. Continued practice after 55315
suspension shall be considered as practicing in violation of 55316
section 4778.02 of the Revised Code. 55317

(B) If a license has been suspended pursuant to this section 55318
for two years or less, ~~the board shall reinstate the license it~~ 55319
may be reinstated upon an applicant's submission of a complete 55320
renewal application, the biennial renewal fee, and a monetary 55321
penalty of twenty-five dollars. 55322

(C)~~(1)~~ If a license has been suspended pursuant to this 55323
section for more than two years, it may be restored. Subject to 55324
section 4778.071 of the Revised Code, the board may restore the 55325
license upon an applicant's submission of a complete restoration 55326
application, the biennial renewal fee, and a monetary penalty of 55327
fifty dollars and compliance with sections 4776.01 to 4776.04 of 55328
the Revised Code. The board shall not restore a license unless the 55329
board, in its discretion, decides that the results of the criminal 55330

records check do not make the applicant ineligible for a license 55331
issued pursuant to section 4778.05 of the Revised Code. 55332

~~(2) The board may impose terms and conditions for the 55333
restoration, including the following: 55334~~

~~(a) Requiring the applicant to pass an oral or written 55335
examination, or both, to determine the applicant's present fitness 55336
to resume practice; 55337~~

~~(b) Requiring the applicant to obtain additional training and 55338
to pass an examination upon completion of such training; 55339~~

~~(c) Restricting or limiting the extent, scope, or type of 55340
practice of the applicant. 55341~~

Sec. 4778.071. (A) This section applies to both of the 55342
following: 55343

(1) An applicant seeking restoration of a license issued 55344
under this chapter that has been in a suspended or inactive state 55345
for any cause for more than two years; 55346

(2) An applicant seeking issuance of a license pursuant to 55347
this chapter who for more than two years has not been practicing 55348
as a genetic counselor as either of the following: 55349

(a) An active practitioner; 55350

(b) A student in a graduate program as described in section 55351
4778.03 of the Revised Code. 55352

(B) Before issuing a license to an applicant subject to this 55353
section or restoring a license to good standing for an applicant 55354
subject to this section, the state medical board may impose terms 55355
and conditions including any one or more of the following: 55356

(1) Requiring the applicant to pass an oral or written 55357
examination, or both, to determine the applicant's present fitness 55358
to resume practice; 55359

(2) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training; 55360
55361

(3) Requiring an assessment of the applicant's physical skills for purposes of determining whether the applicant's coordination, fine motor skills, and dexterity are sufficient for performing evaluations and procedures in a manner that meets the minimal standards of care; 55362
55363
55364
55365
55366

(4) Requiring an assessment of the applicant's skills in recognizing and understanding diseases and conditions; 55367
55368

(5) Requiring the applicant to undergo a comprehensive physical examination, which may include an assessment of physical abilities, evaluation of sensory capabilities, or screening for the presence of neurological disorders; 55369
55370
55371
55372

(6) Restricting or limiting the extent, scope, or type of practice of the applicant. 55373
55374

The board shall consider the moral background and the activities of the applicant during the period of suspension or inactivity. The board shall not issue or restore a license under this section unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code. 55375

Sec. 4928.02. It is the policy of this state to do the following throughout this state: 55380
55381

(A) Ensure the availability to consumers of adequate, reliable, safe, efficient, nondiscriminatory, and reasonably priced retail electric service; 55382
55383
55384

(B) Ensure the availability of unbundled and comparable retail electric service that provides consumers with the supplier, price, terms, conditions, and quality options they elect to meet their respective needs; 55385
55386
55387
55388

(C) Ensure diversity of electricity supplies and suppliers, 55389

by giving consumers effective choices over the selection of those 55390
supplies and suppliers and by encouraging the development of 55391
distributed and small generation facilities; 55392

(D) Encourage innovation and market access for cost-effective 55393
supply- and demand-side retail electric service including, but not 55394
limited to, demand-side management, time-differentiated pricing, 55395
waste energy recovery systems, smart grid programs, and 55396
implementation of advanced metering infrastructure; 55397

(E) Encourage cost-effective and efficient access to 55398
information regarding the operation of the transmission and 55399
distribution systems of electric utilities in order to promote 55400
both effective customer choice of retail electric service and the 55401
development of performance standards and targets for service 55402
quality for all consumers, including annual achievement reports 55403
written in plain language; 55404

(F) Ensure that an electric utility's transmission and 55405
distribution systems are available to a customer-generator or 55406
owner of distributed generation, so that the customer-generator or 55407
owner can market and deliver the electricity it produces; 55408

(G) Recognize the continuing emergence of competitive 55409
electricity markets through the development and implementation of 55410
flexible regulatory treatment; 55411

(H) Ensure effective competition in the provision of retail 55412
electric service by avoiding anticompetitive subsidies flowing 55413
from a noncompetitive retail electric service to a competitive 55414
retail electric service or to a product or service other than 55415
retail electric service, and vice versa, including by prohibiting 55416
the recovery of any generation-related costs through distribution 55417
or transmission rates; 55418

(I) Ensure retail electric service consumers protection 55419
against unreasonable sales practices, market deficiencies, and 55420

market power;	55421
(J) Provide coherent, transparent means of giving appropriate incentives to technologies that can adapt successfully to potential environmental mandates;	55422 55423 55424
(K) Encourage implementation of distributed generation across customer classes through regular review and updating of administrative rules governing critical issues such as, but not limited to, interconnection standards, standby charges, and net metering;	55425 55426 55427 55428 55429
(L) Protect at-risk populations, including, but not limited to, when considering the implementation of any new advanced energy or renewable energy resource;	55430 55431 55432
(M) Encourage the education of small business owners in this state regarding the use of, and encourage the use of, energy efficiency programs and alternative energy resources in their businesses;	55433 55434 55435 55436
(N) Facilitate the state's effectiveness in the global economy.	55437 55438
<u>(O) Encourage cost-effective, timely, and efficient access to and sharing of customer usage data with customers and competitive suppliers to promote customer choice and grid modernization.</u>	55439 55440 55441
<u>(P) Ensure that a customer's data is provided in a standard format and provided to third parties in as close to real time as is economically justifiable in order to spur economic investment and improve the energy options of individual customers.</u>	55442 55443 55444 55445
In carrying out this policy, the commission shall consider rules as they apply to the costs of electric distribution infrastructure, including, but not limited to, line extensions, for the purpose of development in this state.	55446 55447 55448 55449
Sec. 4928.143. (A) For the purpose of complying with section	55450

4928.141 of the Revised Code, an electric distribution utility may 55451
file an application for public utilities commission approval of an 55452
electric security plan as prescribed under division (B) of this 55453
section. The utility may file that application prior to the 55454
effective date of any rules the commission may adopt for the 55455
purpose of this section, and, as the commission determines 55456
necessary, the utility immediately shall conform its filing to 55457
those rules upon their taking effect. 55458

(B) Notwithstanding any other provision of Title XLIX of the 55459
Revised Code to the contrary except division (D) of this section, 55460
divisions (I), (J), and (K) of section 4928.20, division (E) of 55461
section 4928.64, and section 4928.69 of the Revised Code: 55462

(1) An electric security plan shall include provisions 55463
relating to the supply and pricing of electric generation service. 55464
In addition, if the proposed electric security plan has a term 55465
longer than three years, it may include provisions in the plan to 55466
permit the commission to test the plan pursuant to division (E) of 55467
this section and any transitional conditions that should be 55468
adopted by the commission if the commission terminates the plan as 55469
authorized under that division. 55470

(2) The plan may provide for or include, without limitation, 55471
any of the following: 55472

(a) Automatic recovery of any of the following costs of the 55473
electric distribution utility, provided the cost is prudently 55474
incurred: the cost of fuel used to generate the electricity 55475
supplied under the offer; the cost of purchased power supplied 55476
under the offer, including the cost of energy and capacity, and 55477
including purchased power acquired from an affiliate; the cost of 55478
emission allowances; and the cost of federally mandated carbon or 55479
energy taxes; 55480

(b) A reasonable allowance for construction work in progress 55481

for any of the electric distribution utility's cost of 55482
constructing an electric generating facility or for an 55483
environmental expenditure for any electric generating facility of 55484
the electric distribution utility, provided the cost is incurred 55485
or the expenditure occurs on or after January 1, 2009. Any such 55486
allowance shall be subject to the construction work in progress 55487
allowance limitations of division (A) of section 4909.15 of the 55488
Revised Code, except that the commission may authorize such an 55489
allowance upon the incurrence of the cost or occurrence of the 55490
expenditure. No such allowance for generating facility 55491
construction shall be authorized, however, unless the commission 55492
first determines in the proceeding that there is need for the 55493
facility based on resource planning projections submitted by the 55494
electric distribution utility. Further, no such allowance shall be 55495
authorized unless the facility's construction was sourced through 55496
a competitive bid process, regarding which process the commission 55497
may adopt rules. An allowance approved under division (B)(2)(b) of 55498
this section shall be established as a nonbypassable surcharge for 55499
the life of the facility. 55500

(c) The establishment of a nonbypassable surcharge for the 55501
life of an electric generating facility that is owned or operated 55502
by the electric distribution utility, was sourced through a 55503
competitive bid process subject to any such rules as the 55504
commission adopts under division (B)(2)(b) of this section, and is 55505
newly used and useful on or after January 1, 2009, which surcharge 55506
shall cover all costs of the utility specified in the application, 55507
excluding costs recovered through a surcharge under division 55508
(B)(2)(b) of this section. However, no surcharge shall be 55509
authorized unless the commission first determines in the 55510
proceeding that there is need for the facility based on resource 55511
planning projections submitted by the electric distribution 55512
utility. Additionally, if a surcharge is authorized for a facility 55513
pursuant to plan approval under division (C) of this section and 55514

as a condition of the continuation of the surcharge, the electric 55515
distribution utility shall dedicate to Ohio consumers the capacity 55516
and energy and the rate associated with the cost of that facility. 55517
Before the commission authorizes any surcharge pursuant to this 55518
division, it may consider, as applicable, the effects of any 55519
decommissioning, deratings, and retirements. 55520

(d) Terms, conditions, or charges relating to limitations on 55521
customer shopping for retail electric generation service, 55522
bypassability, standby, back-up, or supplemental power service, 55523
default service, carrying costs, amortization periods, and 55524
accounting or deferrals, including future recovery of such 55525
deferrals, as would have the effect of stabilizing or providing 55526
certainty regarding retail electric service; 55527

(e) Automatic increases or decreases in any component of the 55528
standard service offer price; 55529

(f) Consistent with sections 4928.23 to 4928.2318 of the 55530
Revised Code, both of the following: 55531

(i) Provisions for the electric distribution utility to 55532
securitize any phase-in, inclusive of carrying charges, of the 55533
utility's standard service offer price, which phase-in is 55534
authorized in accordance with section 4928.144 of the Revised 55535
Code; 55536

(ii) Provisions for the recovery of the utility's cost of 55537
securitization. 55538

(g) Provisions relating to transmission, ancillary, 55539
congestion, or any related service required for the standard 55540
service offer, including provisions for the recovery of any cost 55541
of such service that the electric distribution utility incurs on 55542
or after that date pursuant to the standard service offer; 55543

(h) Provisions regarding the utility's distribution service, 55544
including, without limitation and notwithstanding any provision of 55545

Title XLIX of the Revised Code to the contrary, provisions 55546
regarding single issue ratemaking, a revenue decoupling mechanism 55547
or any other incentive ratemaking, and provisions regarding 55548
distribution infrastructure and modernization incentives for the 55549
electric distribution utility. The latter may include a long-term 55550
energy delivery infrastructure modernization plan for that utility 55551
or any plan providing for the utility's recovery of costs, 55552
including lost revenue, shared savings, and avoided costs, and a 55553
just and reasonable rate of return on such infrastructure 55554
modernization. As part of its determination as to whether to allow 55555
in an electric distribution utility's electric security plan 55556
inclusion of any provision described in division (B)(2)(h) of this 55557
section, the commission shall examine the reliability of the 55558
electric distribution utility's distribution system and ensure 55559
that customers' and the electric distribution utility's 55560
expectations are aligned and that the electric distribution 55561
utility is placing sufficient emphasis on and dedicating 55562
sufficient resources to the reliability of its distribution 55563
system. 55564

(i) Provisions under which the electric distribution utility 55565
may implement economic development, job retention, and energy 55566
efficiency programs, which provisions may allocate program costs 55567
across all classes of customers of the utility and those of 55568
electric distribution utilities in the same holding company 55569
system. 55570

(C)(1) The burden of proof in the proceeding shall be on the 55571
electric distribution utility. The commission shall issue an order 55572
under this division for an initial application under this section 55573
not later than one hundred fifty days after the application's 55574
filing date and, for any subsequent application by the utility 55575
under this section, not later than two hundred seventy-five days 55576
after the application's filing date. Subject to division (D) of 55577

this section, the commission by order shall approve or modify and 55578
approve an application filed under division (A) of this section if 55579
it finds that the electric security plan so approved, including 55580
its pricing and all other terms and conditions, including any 55581
deferrals and any future recovery of deferrals, is more favorable 55582
in the aggregate as compared to the expected results that would 55583
otherwise apply under section 4928.142 of the Revised Code. 55584
Additionally, if the commission so approves an application that 55585
contains a surcharge under division (B)(2)(b) or (c) of this 55586
section, the commission shall ensure that the benefits derived for 55587
any purpose for which the surcharge is established are reserved 55588
and made available to those that bear the surcharge. Otherwise, 55589
the commission by order shall disapprove the application. 55590

(2)(a) If the commission modifies and approves an application 55591
under division (C)(1) of this section, the electric distribution 55592
utility may withdraw the application, thereby terminating it, and 55593
may file a new standard service offer under this section or a 55594
standard service offer under section 4928.142 of the Revised Code. 55595

(b) If the utility terminates an application pursuant to 55596
division (C)(2)(a) of this section or if the commission 55597
disapproves an application under division (C)(1) of this section, 55598
the commission shall issue such order as is necessary to continue 55599
the provisions, terms, and conditions of the utility's most recent 55600
standard service offer, along with any expected increases or 55601
decreases in fuel costs from those contained in that offer, until 55602
a subsequent offer is authorized pursuant to this section or 55603
section 4928.142 of the Revised Code, respectively. 55604

(D) Regarding the rate plan requirement of division (A) of 55605
section 4928.141 of the Revised Code, if an electric distribution 55606
utility that has a rate plan that extends beyond December 31, 55607
2008, files an application under this section for the purpose of 55608
its compliance with division (A) of section 4928.141 of the 55609

Revised Code, that rate plan and its terms and conditions are 55610
hereby incorporated into its proposed electric security plan and 55611
shall continue in effect until the date scheduled under the rate 55612
plan for its expiration, and that portion of the electric security 55613
plan shall not be subject to commission approval or disapproval 55614
under division (C) of this section, and the earnings test provided 55615
for in division (F) of this section shall not apply until after 55616
the expiration of the rate plan. However, that utility may include 55617
in its electric security plan under this section, and the 55618
commission may approve, modify and approve, or disapprove subject 55619
to division (C) of this section, provisions for the incremental 55620
recovery or the deferral of any costs that are not being recovered 55621
under the rate plan and that the utility incurs during that 55622
continuation period to comply with section 4928.141, division (B) 55623
of section 4928.64, or division (A) of section 4928.66 of the 55624
Revised Code. 55625

(E) If an electric security plan approved under division (C) 55626
of this section, except one withdrawn by the utility as authorized 55627
under that division, has a term, exclusive of phase-ins or 55628
deferrals, that exceeds three years from the effective date of the 55629
plan, the commission shall test the plan in the fourth year, and 55630
if applicable, every fourth year thereafter, to determine whether 55631
the plan, including its then-existing pricing and all other terms 55632
and conditions, including any deferrals and any future recovery of 55633
deferrals, continues to be more favorable in the aggregate and 55634
during the remaining term of the plan as compared to the expected 55635
results that would otherwise apply under section 4928.142 of the 55636
Revised Code. The commission shall also determine the prospective 55637
effect of the electric security plan to determine if that effect 55638
is substantially likely to provide the electric distribution 55639
utility with a return on common equity that is significantly in 55640
excess of the return on common equity that is likely to be earned 55641
by publicly traded companies, including utilities, that face 55642

comparable business and financial risk, with such adjustments for 55643
capital structure as may be appropriate. The burden of proof for 55644
demonstrating that significantly excessive earnings will not occur 55645
shall be on the electric distribution utility. For affiliated Ohio 55646
electric distribution utilities that operate under a joint 55647
electric security plan, their total earned return on common equity 55648
shall be used for purposes of assessing significantly excessive 55649
earnings. If the test results are in the negative or the 55650
commission finds that continuation of the electric security plan 55651
will result in a return on equity that is significantly in excess 55652
of the return on common equity that is likely to be earned by 55653
publicly traded companies, including utilities, that will face 55654
comparable business and financial risk, with such adjustments for 55655
capital structure as may be appropriate, during the balance of the 55656
plan, the commission may terminate the electric security plan, but 55657
not until it shall have provided interested parties with notice 55658
and an opportunity to be heard. The commission may impose such 55659
conditions on the plan's termination as it considers reasonable 55660
and necessary to accommodate the transition from an approved plan 55661
to the more advantageous alternative. In the event of an electric 55662
security plan's termination pursuant to this division, the 55663
commission shall permit the continued deferral and phase-in of any 55664
amounts that occurred prior to that termination and the recovery 55665
of those amounts as contemplated under that electric security 55666
plan. 55667

(F) With regard to the provisions that are included in an 55668
electric security plan under this section, the commission shall 55669
consider, following the end of each annual period of the plan, if 55670
any such adjustments resulted in excessive earnings as measured by 55671
whether the earned return on common equity of the electric 55672
distribution utility is significantly in excess of the return on 55673
common equity that was earned during the same period by publicly 55674
traded companies, including utilities, that face comparable 55675

business and financial risk, with such adjustments for capital 55676
structure as may be appropriate. In making its determination of 55677
significantly excessive earnings under this division, the 55678
commission shall, for affiliated Ohio electric distribution 55679
utilities that operate under a joint electric security plan, use 55680
the total of the utilities' earned return on common equity. 55681
Consideration also shall be given to the capital requirements of 55682
future committed investments in this state. The burden of proof 55683
for demonstrating that significantly excessive earnings did not 55684
occur shall be on the electric distribution utility. If the 55685
commission finds that such adjustments, in the aggregate, did 55686
result insignificantly excessive earnings, it shall require the 55687
electric distribution utility to return to consumers the amount of 55688
the excess by prospective adjustments; provided that, upon making 55689
such prospective adjustments, the electric distribution utility 55690
shall have the right to terminate the plan and immediately file an 55691
application pursuant to section 4928.142 of the Revised Code. Upon 55692
termination of a plan under this division, rates shall be set on 55693
the same basis as specified in division (C)(2)(b) of this section, 55694
and the commission shall permit the continued deferral and 55695
phase-in of any amounts that occurred prior to that termination 55696
and the recovery of those amounts as contemplated under that 55697
electric security plan. In making its determination of 55698
significantly excessive earnings under this division, the 55699
commission shall not consider, directly or indirectly, the 55700
revenue, expenses, or earnings of any affiliate that is not an 55701
Ohio electric distribution utility or parent company. 55702

Sec. 4937.01. As used in sections 4937.01 to 4937.05 of the 55703
Revised Code: 55704

(A) "Hazard" has the same meaning as in section 5502.21 of 55705
the Revised Code. 55706

(B) "Member agency" means the state agency of which a member
of the utility radiological safety board is an officer. 55707
55708

(C) "Nuclear electric facility" means any facility operated 55709
by a nuclear electric utility using nuclear energy to produce 55710
electricity and any facility for the storage of spent nuclear fuel 55711
arising from such production. 55712

(D) "Nuclear electric facility incident" means any hazard 55713
within the state which is associated with a nuclear electric 55714
facility and requires, pursuant to sections 5502.21 to 5502.51 of 55715
the Revised Code, emergency management to mitigate its effects. 55716

the security of the facility, the supervision of the inmates, or 59504

criminal records check of the applicant. If the waiver agency pays 62433
the fee for an applicant, it may charge the applicant a fee not 62434
exceeding the amount the waiver agency pays to the bureau under 62435
this section if the waiver agency notifies the applicant at the 62436
time of initial application for employment of the amount of the 62437
fee and that, unless the fee is paid, the applicant will not be 62438
considered for employment. 62439

under division (G)(1) of this section shall terminate the 62453
applicant's employment if the results of the criminal records 62454
check, other than the results of any request for information from 62455
the federal bureau of investigation, are not obtained within the 62456
period ending sixty days after the date the request for the 62457
criminal records check is made. Regardless of when the results of 62458
the criminal records check are obtained, if the results indicate 62459
that the applicant has been convicted of or has pleaded guilty to 62460
a disqualifying offense, the waiver agency shall terminate the 62461
applicant's employment unless circumstances specified in rules 62462

authorized by this section exist that permit the waiver agency to 62463
employ the applicant and the waiver agency chooses to employ the 62464
applicant. 62465

(H) The report of any criminal records check conducted 62466
pursuant to a request made under this section is not a public 62467
record for the purposes of section 149.43 of the Revised Code and 62468
shall not be made available to any person other than the 62469
