64162

(b) The cost to a medicaid managed care organization for covered health care the provider furnishes to an enrollee is less 64163
64164

than the cost the organization would have incurred if the enrollee 64165
had obtained the covered health care from another participating 64166
provider with which the enrollee initially scheduled an 64167
appointment for the covered health care. 64168

(4) "Participating provider" means a provider who is a member 64169
of a medicaid managed care organization's provider panel. 64170

(B) Each medicaid managed care organization shall establish 64171
and implement a program that incentivizes enrollees to obtain 64172
covered health care from high quality and efficient participating 64173
providers. The incentives shall be in the form of points awarded 64174
to enrollees under division (E) of this section which the 64175

system shall be similar to internet web sites that enable 64190
consumers to rate and provide comments about commercial products. 64191
The organization shall encourage enrollees to use the system after 64192

enrollees have made for each participating provider. 64195

(D) A medicaid managed care organization shall provide an enrollee all of the following before any covered health care, other than an emergency service, is furnished to the enrollee by a participating provider with which the enrollee has scheduled an appointment for the covered health care:

(2) The provider's quality rating under division (C)(1) of this section and average enrollee rating under division (C)(2) of this section;

(3) The address of the organization's internet web site at which the enrollee may access the enrollee rating system established under division (C)(2) of this section so that the enrollee can read the ratings and comments made by other enrollees about the provider and other participating providers;

(E)(1) Subject to division (E)(2) of this section, a medicaid managed care organization shall award points to an enrollee if the enrollee cancels an appointment for covered health care with a participating provider that is not a high quality and efficient participating provider and instead obtains the covered health care from a high quality and efficient participating provider. The number of points awarded shall be sufficient to incentivize the enrollee to cancel the initial appointment and obtain the covered health care from the high quality and efficient participating

provider. 64227

(2) A medicaid managed care organization shall monitor 64228
enrollees' behavior under the program to thwart abuse of the 64229
program. An enrollee found to have abused or attempted to abuse 64230

payment rate, not including any shared savings bonus received 64250
under division (D) of this section, for each medicaid managed care 64251
organization for the three fiscal years immediately preceding the 64252
fiscal year for which the determination is made; 64253

(2) Determine the average per recipient cost to the medicaid 64254

for mandatory services and the costs for those optional services 64262
that are covered by the medicaid program in this state and the 64263

section for the fiscal year; 64271

(b) Subject to division (E)(2) of this section, subtract the 64272

of this section for the fiscal year from the organization's 64274
initial three-year average determined under that division; 64275

(c) Determine the sum of the differences determined under 64276
divisions (E)(1)(a) and (b) of this section; 64277

(d) Multiply the sum determined under division (E)(1)(c) of 64278
this section by twenty per cent. 64279

(2) The amount determined under division (E)(1)(b) of this 64280
section for a medicaid managed care organization for the first 64281
fiscal year that the determination is made for the organization 64282
shall be zero. 64283

(3) If the amount determined under division (E)(1)(c) of this 64284
section for a medicaid managed care organization for the first or 64285

second fiscal year for which the determination is made is a 64286
negative number, the organization's shared savings bonus for that 64287
fiscal year shall be zero. If the amount determined under that 64288
division for a medicaid managed care organization for the third or 64289
a subsequent fiscal year for which the determination is made is a 64290
negative number, the department shall terminate the organization's 64291
contract with the department and enter into a contract with 64292
another managed care organization under section 5167.10 of the 64293
Revised Code. The effective date of the contract termination shall 64294
be the same as the effective date of the contract with the other 64295
managed care organization so as to avoid a disruption in medicaid 64296
recipients' access to services under the care management system. 64297

Sec. 5167.36. (A) As used in this section: 64298

(1) "Assignment share percentage" means the percentage of 64299

medicaid MCO plan in which to enroll, the department shall 64311
randomly assign the recipient to enroll in a medicaid MCO plan 64312
offered by one of the participating MCOs. The number of recipients 64313

MCO plan shall be determined in accordance with that participating 64315
MCO's assignment share percentage calculated under division (D) of 64316

this section for the year the enrollment takes place. 64317

All of the following shall participate in the quality incentive program: 64318

(b) Adjust the assignment share percentages of all of the 64348
other participating MCOs proportionally. 64349

(E)(1) The department shall award points annually to each 64350

the previous calendar year. Subject to divisions (E)(2) and (3) of 64352
this section, the department shall determine how points are 64353
awarded to participating MCOs. The number of points awarded to a 64354
participating MCO based on quality metrics shall not be more than 64355
twenty per cent of the total number of points awarded to the 64356
participating MCO. 64357

(2) The health metrics used to determine the number of points 64358
awarded to a participating MCO shall include the following health 64359
measurements for the group of medicaid recipients who have been 64360
randomly assigned under division (C) of this section to enroll in 64361
a medicaid MCO plan offered by the participating MCO: 64362

Sec. 5167.41. The department of medicaid may disenroll some or all medicaid recipients <u>enrolled in from a medicaid MCO plan offered by a medicaid</u> managed care organization if the department proposes to terminate or not to renew the contract <u>entered into under section 5167.10 of the Revised Code</u> and determines that the recipients' access to medically necessary services is jeopardized by the proposal to terminate or not to renew the contract. director shall adopt under section 5167.02 of the Revised Code. 64410
The request for, or conduct of, a reconsideration regarding a 64411
proposed disenrollment shall not delay the disenrollment. 64412

Sec. 5168.03. The requirements of sections 5168.06 to 5168.09 64413
of the Revised Code apply only as long as the United States ~~health~~ 64414
~~care financing administration~~ centers for medicare and medicaid 64415

5168.06 of the Revised Code is a permissible health care-related 64417
tax pursuant to the "Social Security Act," section 1903(w), 42 64418
U.S.C. 1396b(w). Whenever the department of medicaid is informed 64419
that the assessment is an impermissible health care-related tax, 64420
the department shall promptly refund to each hospital the amount 64421
of money currently in the hospital care assurance program fund 64422
created by section 5168.11 of the Revised Code that has been paid 64423

64426

Sec. 5168.05. (A) Except as provided in division (C) of this 64427
section, each hospital, on or before the first day of July of each 64428
year or at a later date approved by the medicaid director, shall 64429
submit to the department of medicaid a financial statement for the 64430
preceding calendar year that accurately reflects the income, 64431
expenses, assets, liabilities, and net worth of the hospital, and 64432
accompanying notes. A hospital that has a fiscal year different 64433
from the calendar year shall file its financial statement within 64434
one hundred eighty days of the end of its fiscal year or at a 64435
later date approved by the director. The financial statement shall 64436

be prepared by an independent certified public accountant and 64437
reflect an official audit report prepared in a manner consistent 64438
with generally accepted accounting principles. The financial 64439
statement shall, to the extent that the hospital has sufficient 64440
financial records, show bad debt and charity care separately from 64441
courtesy care and contractual allowances. 64442

(B) Except as provided in division (C) of this section, each 64443
hospital, within one hundred eighty days after the end of the 64444
hospital's cost reporting period, shall submit to the department a 64445
cost report in a format prescribed in rules adopted under section 64446
5168.02 of the Revised Code. The department shall grant a hospital 64447
an extension of the one hundred eighty day period if the ~~health~~ 64448
~~care financing administration of the United States department of~~ 64449
~~health and human~~ centers for medicare and medicaid services 64450
extends the date by which the hospital must submit its cost report 64451
for the hospital's cost reporting period. 64452

(C) The director may adopt rules under section 5168.02 of the 64453
Revised Code specifying financial information that must be 64454
submitted by hospitals for which no financial statement or cost 64455
report is available. The rules shall specify deadlines for 64456
submitting the information. Each such hospital shall submit the 64457
information specified in the rules not later than the deadline 64458
specified in the rules. 64459

Sec. 5168.06. (A) For the purpose of distributing funds to 64460
hospitals under the medicaid program pursuant to sections 5168.01 64461
to 5168.14 of the Revised Code and depositing funds into the 64462
health care/medicaid support and recoveries fund created under 64463
section 5162.52 of the Revised Code, there is hereby imposed an 64464
assessment on all hospitals. Each hospital's assessment shall be 64465
based on total facility costs. All hospitals shall be assessed 64466
according to the rate or rates established each program year in 64467

rules adopted under section 5168.02 of the Revised Code. The 64468
department shall assess all hospitals uniformly and in a manner 64469
consistent with federal statutes and regulations. During any 64470
program year, the department shall not assess any hospital more 64471
than two per cent of the hospital's total facility costs. 64472

The department shall establish an assessment rate or rates 64473
each program year that will do both of the following: 64474

(1) Yield funds that, when combined with intergovernmental 64475
transfers and federal matching funds, will produce a program of 64476
sufficient size to pay a substantial portion of the indigent care 64477
provided by hospitals; 64478

(2) Yield funds that, when combined with intergovernmental 64479
transfers and federal matching funds, will produce amounts for 64480
distribution to disproportionate share hospitals that do not 64481
exceed, in the aggregate, the limits prescribed by the United 64482
States ~~health care financing administration~~ centers for medicare
and medicaid services under the "Social Security Act," section 64483
1923(f), 42 U.S.C. 1396r-4(f). 64484
64485

(B)(1) Except as provided in division (B)(3) of this section, 64486
each hospital shall pay its assessment in periodic installments in 64487
accordance with a schedule established in rules adopted under 64488
section 5168.02 of the Revised Code. 64489

(2) The installments shall be equal in amount, unless either 64490
of the following applies: 64491

(a) The department makes adjustments during a program year 64492
under division (D) of section 5168.08 of the Revised Code in the 64493
total amount of hospitals' assessments; 64494

(b) The medicaid director determines that adjustments in the 64495
amounts of installments are necessary for the administration of 64496
sections 5168.01 to 5168.14 of the Revised Code and that unequal 64497
installments will not create cash flow difficulties for hospitals. 64498

(3) The director may adopt rules under section 5168.02 of the Revised Code establishing alternate schedules for hospitals to pay assessments under this section in order to reduce hospitals' cash flow difficulties.

Sec. 5168.07. (A) The department of medicaid may require governmental hospitals to make intergovernmental transfers each program year for the purpose of distributing funds to hospitals under the medicaid program pursuant to sections 5168.01 to 5168.14 of the Revised Code and depositing funds into the health care/medicaid support and recoveries fund created under section 5162.52 of the Revised Code. The department shall not require transfers in an amount that, when combined with hospital assessments paid under section 5168.06 of the Revised Code and federal matching funds, produce amounts for distribution to disproportionate share hospitals that, in the aggregate, exceed limits prescribed by the United States ~~health care financing administration~~ centers for medicare and medicaid services under the "Social Security Act," section 1923(f), 42 U.S.C. 1396r-4(f).

(B) Before or during each program year, the department shall notify each governmental hospital of the amount of the intergovernmental transfer it is required to make during the program year. Each governmental hospital shall make intergovernmental transfers as required by the department under this section in periodic installments, executed by electronic fund transfer, in accordance with a schedule established in rules adopted under section 5168.02 of the Revised Code.

Sec. 5168.08. (A) Before or during each program year, the department of medicaid shall mail to each hospital by certified mail, return receipt requested, the preliminary determination of the amount that the hospital is assessed under section 5168.06 of the Revised Code during the program year. The preliminary

determination of a hospital's assessment shall be calculated for a 64530
cost-reporting period that is specified in rules adopted under 64531
section 5168.02 of the Revised Code. 64532

The department shall consult with hospitals each year when 64533
determining the date on which it will mail the preliminary 64534
determinations in order to minimize hospitals' cash flow 64535
difficulties. 64536

If no hospital submits a request for reconsideration under 64537
division (B) of this section, the preliminary determination 64538
constitutes the final reconciliation of each hospital's assessment 64539
under section 5168.06 of the Revised Code. The final 64540
reconciliation is subject to adjustments under division (D) of 64541
this section. 64542

(B) Not later than fourteen days after the preliminary 64543
determinations are mailed, any hospital may submit to the 64544
department a written request to reconsider the preliminary 64545
determinations. The request shall be accompanied by written 64546
materials setting forth the basis for the reconsideration. If one 64547
or more hospitals submit a request, the department shall hold a 64548
public hearing not later than thirty days after the preliminary 64549
determinations are mailed to reconsider the preliminary 64550
determinations. The department shall mail to each hospital a 64551
written notice of the date, time, and place of the hearing at 64552
least ten days prior to the hearing. On the basis of the evidence 64553
submitted to the department or presented at the public hearing, 64554
the department shall reconsider and may adjust the preliminary 64555
determinations. The result of the reconsideration is the final 64556
reconciliation of the hospital's assessment under section 5168.06 64557
of the Revised Code. The final reconciliation is subject to 64558
adjustments under division (D) of this section. 64559

(C) The department shall mail to each hospital a written 64560
notice of its assessment for the program year under the final 64561

reconciliation. A hospital may appeal the final reconciliation of 64562
its assessment to the court of common pleas of Franklin county. 64563
While a judicial appeal is pending, the hospital shall pay, in 64564
accordance with the schedules required by division (B) of section 64565
5168.06 of the Revised Code, any amount of its assessment that is 64566
not in dispute into the hospital care assurance program fund 64567
created in section 5168.11 of the Revised Code. 64568

(D) In the course of any program year, the department may 64569
adjust the assessment rate or rates established in rules pursuant 64570
to section 5168.06 of the Revised Code or adjust the amounts of 64571
intergovernmental transfers required under section 5168.07 of the 64572
Revised Code and, as a result of the adjustment, adjust each 64573
hospital's assessment and intergovernmental transfer, to reflect 64574
refinements made by the United States ~~health care financing~~ 64575
~~administration~~ centers for medicare and medicaid services during 64576
that program year to the limits it prescribed under the "Social 64577
Security Act," section 1923(f), 42 U.S.C. 1396r-4(f). When 64578
adjusted, the assessment rate or rates must comply with division 64579
(A) of section 5168.06 of the Revised Code. An adjusted 64580
intergovernmental transfer must comply with division (A) of 64581
section 5168.07 of the Revised Code. The department shall notify 64582
hospitals of adjustments made under this division and adjust for 64583
the remainder of the program year the installments paid by 64584
hospitals under sections 5168.06 and 5168.07 of the Revised Code 64585
in accordance with rules adopted under section 5168.02 of the 64586

commission may enter into a written contract after submission of 65135
competitive proposals when the commission determines that 65136
competitive bidding is not practical or advantageous to the 65137
commission. The commission may conduct discussions with anyone 65138
that submits a competitive proposal when that proposal might be 65139
selected to ensure that the person understands and is responsive 65140
to the requirements of the project. The commission may award the 65141
contract to the person that submits the best proposal, as 65142
determined by the commission. The commission shall consider 65143

those outstanding bonds, and otherwise as provided by the 65211
commission. The bond proceedings also shall provide, subject to 65212
the provisions of any other applicable bond proceedings, for the 65213
pledge of all, or such part as the commission may determine of the 65214
pledged revenues and the applicable special fund or funds to the 65215
payment of the bond service charges, which pledge may be made to 65216
secure the bonds senior or subordinate to or on a parity with 65217
bonds theretofore or thereafter issued, if and to the extent 65218

funds as may be required in the applicable bond proceedings, shall 65234
be deposited to the infrastructure fund or funds and shall be 65235
exclusively used to pay the cost of infrastructure projects 65236
approved by the commission, except that income earned by the 65237
infrastructure fund may be used by the commission towards the 65238
payment of bond service charges. 65239

Sec. 5537.17. (A) Each turnpike project open to traffic shall 65240
be maintained and kept in good condition and repair by the Ohio 65241

disabilities general fund for each of the several particular 65314
purposes of the levies as specified in the resolutions under which 65315
the levies were approved, and proceeds from different levies that 65316
were approved for the same particular purpose shall be credited to 65317
accounts for that purpose. Other money received by the county for 65318
the purposes of Chapters 3323. and 5126. of the Revised Code and 65319
not required by state or federal law to be deposited to the credit 65320
of a different fund shall also be deposited to the credit of the 65321
county developmental disabilities general fund, in an account 65322
appropriate to the particular purpose for which the money was 65323
received. Unless otherwise provided by law, an unexpended balance 65324
at the end of a fiscal year in any account in the county 65325
developmental disabilities general fund shall be appropriated the 65326

A county board of developmental disabilities may request, by 65328

city, local, exempted village, cooperative education, or joint 65352
vocational school district, by a vote of two-thirds of all its 65353
members, may declare by resolution that the amount of taxes that 65354
may be raised within the ten-mill limitation by levies on the 65355
current tax duplicate will be insufficient to provide an adequate 65356
amount for the necessary requirements of the school district, that 65357
it is necessary to levy a tax in excess of such limitation for one 65358
of the purposes specified in division (A), (D), (F), (H), or (DD) 65359
of section 5705.19 of the Revised Code, for general permanent 65360
improvements, for the purpose of operating a cultural center, for 65361
the purpose of providing for school safety and security, or for 65362
the purpose of providing education technology, and that the 65363
question of such additional tax levy shall be submitted to the 65364
electors of the school district at a special election on a day to 65365
be specified in the resolution. In the case of a qualifying 65366

library levy for the support of a library association or private 65367
corporation, the question shall be submitted to the electors of 65368
the association library district. If the resolution states that 65369
the levy is for the purpose of operating a cultural center, the 65370
ballot shall state that the levy is "for the purpose of operating 65371
the..... (name of cultural center)."

As used in this division, "cultural center" means a 65373
freestanding building, separate from a public school building, 65374

cultural purposes; "education technology" means, but is not 65376
limited to, computer hardware, equipment, materials, and 65377
accessories, equipment used for two-way audio or video, and 65378
software; "general permanent improvements" means permanent 65379
improvements without regard to the limitation of division (F) of 65380
section 5705.19 of the Revised Code that the improvements be a 65381
specific improvement or a class of improvements that may be 65382
included in a single bond issue; and "providing for school safety 65383
and security" includes but is not limited to providing for 65384
permanent improvements to provide or enhance security, employment 65385
of or contracting for the services of safety personnel, providing 65386
mental health services and counseling, or providing training in 65387
safety and security practices and responses. 65388

A resolution adopted under this division shall be confined to 65389
a single purpose and shall specify the amount of the increase in 65390
rate that it is necessary to levy, the purpose of the levy, and 65391
the number of years during which the increase in rate shall be in 65392
effect. The number of years may be any number not exceeding five 65393
or, if the levy is for current expenses of the district or for 65394
general permanent improvements, for a continuing period of time. 65395

(B)(1) The board of education of a qualifying school 65396
district, by resolution, may declare that it is necessary to levy 65397

a tax in excess of the ten-mill limitation for the purpose of 65398
paying the current expenses of partnering community schools and, 65399
if any of the levy proceeds are so allocated, of the district. A 65400
qualifying school district that is not a municipal school district 65401
may allocate all of the levy proceeds to partnering community 65402
schools. A municipal school district shall allocate a portion of 65403
the levy proceeds to the current expenses of the district. The 65404
resolution shall declare that the question of the additional tax 65405
levy shall be submitted to the electors of the school district at 65406
a special election on a day to be specified in the resolution. The 65407
resolution shall state the purpose of the levy, the rate of the 65408
tax expressed in mills per dollar of taxable value, the number of 65409
such mills to be levied for the current expenses of the partnering 65410
community schools and the number of such mills, if any, to be 65411
levied for the current expenses of the school district, the number 65412
of years the tax will be levied, and the first year the tax will 65413
be levied. The number of years the tax may be levied may be any 65414
number not exceeding ten years, or for a continuing period of 65415
time. 65416

The levy of a tax for the current expenses of a partnering 65417
community school under this section and the distribution of 65418
proceeds from the tax by a qualifying school district to 65419
partnering community schools is hereby determined to be a proper 65420
public purpose. 65421

(2)(a) If any portion of the levy proceeds are to be 65422
allocated to the current expenses of the qualifying school 65423
district, the form of the ballot at an election held pursuant to 65424
division (B) of this section shall be as follows: 65425

the qualifying school district) for the purpose of current 65427
expenses of the school district and of partnering community 65428

(b) If all of the levy proceeds are to be allocated to the 65442
current expenses of partnering community schools, the form of the 65443
ballot shall be as follows: 65444

"Shall a levy be imposed by the..... (insert the name of 65445
the qualifying school district) for the purpose of current 65446
expenses of partnering community schools at a rate not 65447
exceeding..... (insert the number of mills) mills for each one 65448
dollar of valuation which amounts to..... (insert the rate 65449
expressed in dollars and cents) for each one hundred dollars of 65450

65457
" 65458

(3) Upon each receipt of a tax distribution by the qualifying 65459
school district, the board of education shall credit the portion 65460
allocated to partnering community schools to the partnering 65461

community schools fund. All income from the investment of money in 65462
the partnering community schools fund shall be credited to that 65463
fund. 65464

(a) If the qualifying school district is a municipal school 65465
district, the board of education shall distribute the partnering 65466
community schools amount among the then qualifying community 65467
schools not more than forty-five days after the school district 65468
receives and deposits each tax distribution. From each tax 65469
distribution, each such partnering community school shall receive 65470
a portion of the partnering community schools amount in the 65471
proportion that the number of its resident students bears to the 65472
aggregate number of resident students of all such partnering 65473
community schools as of the date of receipt and deposit of the tax 65474
distribution. 65475

(b) If the qualifying school district is not a municipal 65476
school district, the board of education may distribute all or a 65477
portion of the amount in the partnering community schools fund 65478
during a fiscal year to partnering community schools on or before 65479
the first day of June of the preceding fiscal year. Each such 65480
partnering community school shall receive a portion of the amount 65481
distributed by the board from the partnering community schools 65482
fund during the fiscal year in the proportion that the number of 65483
its resident students bears to the aggregate number of resident 65484
students of all such partnering community schools as of the date 65485
the school district received and deposited the most recent tax 65486
distribution. On or before the fifteenth day of June of each 65487
fiscal year, the board of education shall announce an estimated 65488
allocation to partnering community schools for the ensuing fiscal 65489
year. The board is not required to allocate to partnering 65490
community schools the entire partnering community schools amount 65491
in the fiscal year in which a tax distribution is received and 65492
deposited in the partnering community schools fund. The estimated 65493

allocation shall be published on the web site of the school 65494
district and expressed as a dollar amount per resident student. 65495
The actual allocation to community schools in a fiscal year need 65496
not conform to the estimate published by the school district so 65497
long if the estimate was made in good faith. 65498

Distributions by a school district under division (B)(3)(b) 65499
of this section shall be made in accordance with distribution 65500
agreements entered into by the board of education and each 65501
partnering community school eligible for distributions under this 65502
division. The distribution agreements shall be certified to the 65503
department of education each fiscal year before the thirtieth day 65504
of July. Each agreement shall provide for at least three 65505
distributions by the school district to the partnering community 65506
school during the fiscal year and shall require the initial 65507
distribution be made on or before the thirtieth day of July. 65508

(c) For the purposes of division (B) of this section, the 65509
number of resident students shall be the number of such students 65510
reported under section 3317.03 of the Revised Code and established 65511
by the department of education as of the date of receipt and 65512
deposit of the tax distribution. 65513

(4) To the extent an agreement whereby the qualifying school 65514
district and a community school endorse each other's programs is 65515
necessary for the community school to qualify as a partnering 65516
community school under division (B)(6)(b) of this section, the 65517
board of education of the school district shall certify to the 65518
department of education the agreement along with the determination 65519
that such agreement satisfies the requirements of that division. 65520
The board's determination is conclusive. 65521

(5) For the purposes of Chapter 3317. of the Revised Code or 65522
other laws referring to the "taxes charged and payable" for a 65523
school district, the taxes charged and payable for a qualifying 65524
school district that levies a tax under division (B) of this 65525

section includes only the taxes charged and payable under that 65526
levy for the current expenses of the school district, and does not 65527
include the taxes charged and payable for the current expenses of 65528
partnering community schools. The taxes charged and payable for 65529
the current expenses of partnering community schools shall not 65530
affect the calculation of "state education aid" as defined in 65531
section 5751.20 of the Revised Code. 65532

(6) As used in division (B) of this section: 65533

(a) "Qualifying school district" means a municipal school 65534
district, as defined in section 3311.71 of the Revised Code or a 65535

community school. 65537

(b) "Partnering community school" means a community school 65538

(i) If the qualifying school district is a municipal school 65542
district, the community school is sponsored by the district or is 65543
a party to an agreement with the district whereby the district and 65544
the community school endorse each other's programs; 65545

(ii) If the qualifying school district is not a municipal 65546
school district, the community school is sponsored by a sponsor 65547
that was rated as "exemplary" in the ratings most recently 65548
published under section 3314.016 of the Revised Code before the 65549
resolution proposing the levy is certified to the board of 65550
elections. 65551

(c) "Partnering community schools amount" means the product 65552
obtained, as of the receipt and deposit of the tax distribution, 65553
by multiplying the amount of a tax distribution by a fraction, the 65554
numerator of which is the number of mills per dollar of taxable 65555
value of the property tax to be allocated to partnering community 65556

schools, and the denominator of which is the total number of mills 65557
per dollar of taxable value authorized by the electors in the 65558
election held under division (B) of this section, each as set 65559
forth in the resolution levying the tax. If the resolution 65560
allocates all of the levy proceeds to partnering community 65561
schools, the "partnering schools amount" equals the amount of the 65562
tax distribution. 65563

(d) "Partnering community schools fund" means a separate fund 65564
established by the board of education of a qualifying school 65565
district for the deposit of partnering community school amounts 65566
under this section. 65567

(e) "Resident student" means a student enrolled in a 65568
partnering community school who is entitled to attend school in 65569
the qualifying school district under section 3313.64 or 3313.65 of 65570
the Revised Code. 65571

(f) "Tax distribution" means a distribution of proceeds of 65572
the tax authorized by division (B) of this section under section 65573
321.24 of the Revised Code and distributions that are attributable 65574
to that tax under sections 323.156 and 4503.068 of the Revised 65575
Code or other applicable law. 65576

(C) A resolution adopted under this section shall specify the 65577
date of holding the election, which shall not be earlier than 65578
ninety days after the adoption and certification of the resolution 65579
and which shall be consistent with the requirements of section 65580
3501.01 of the Revised Code. 65581

A resolution adopted under this section may propose to renew 65582
one or more existing levies imposed under division (A) or (B) of 65583
this section or to increase or decrease a single levy imposed 65584
under either such division. 65585

If the board of education imposes one or more existing levies 65586
for the purpose specified in division (F) of section 5705.19 of 65587

the Revised Code, the resolution may propose to renew one or more 65588
of those existing levies, or to increase or decrease a single such 65589
existing levy, for the purpose of general permanent improvements. 65590

If the resolution proposes to renew two or more existing 65591
levies, the levies shall be levied for the same purpose. The 65592
resolution shall identify those levies and the rates at which they 65593
are levied. The resolution also shall specify that the existing 65594
levies shall not be extended on the tax lists after the year 65595
preceding the year in which the renewal levy is first imposed, 65596
regardless of the years for which those levies originally were 65597
authorized to be levied. 65598

If the resolution proposes to renew an existing levy imposed 65599
under division (B) of this section, the rates allocated to the 65600
qualifying school district and to partnering community schools 65601
each may be increased or decreased or remain the same, and the 65602
total rate may be increased, decreased, or remain the same. The 65603
resolution and notice of election shall specify the number of the 65604
mills to be levied for the current expenses of the partnering 65605
community schools and the number of the mills, if any, to be 65606
levied for the current expenses of the qualifying school district. 65607

A resolution adopted under this section shall go into 65608
immediate effect upon its passage, and no publication of the 65609
resolution shall be necessary other than that provided for in the 65610
notice of election. A copy of the resolution shall immediately 65611
after its passing be certified to the board of elections of the 65612
proper county in the manner provided by section 5705.25 of the 65613
Revised Code. That section shall govern the arrangements for the 65614
submission of such question and other matters concerning the 65615
election to which that section refers, including publication of 65616
notice of the election, except that the election shall be held on 65617
the date specified in the resolution. In the case of a resolution 65618
adopted under division (B) of this section, the publication of 65619

notice of that election shall state the number of the mills, if 65620
any, to be levied for the current expenses of partnering community 65621
schools and the number of the mills to be levied for the current 65622
expenses of the qualifying school district. If a majority of the 65623
electors voting on the question so submitted in an election vote 65624
in favor of the levy, the board of education may make the 65625
necessary levy within the school district or, in the case of a 65626
qualifying library levy for the support of a library association 65627
or private corporation, within the association library district, 65628
at the additional rate, or at any lesser rate in excess of the 65629
ten-mill limitation on the tax list, for the purpose stated in the 65630
resolution. A levy for a continuing period of time may be reduced 65631
pursuant to section 5705.261 of the Revised Code. The tax levy 65632
shall be included in the next tax budget that is certified to the 65633
county budget commission. 65634

(D)(1) After the approval of a levy on the current tax list 65635
and duplicate for current expenses, for recreational purposes, for 65636
community centers provided for in section 755.16 of the Revised 65637
Code, or for a public library of the district under division (A) 65638
of this section, and prior to the time when the first tax 65639
collection from the levy can be made, the board of education may 65640
anticipate a fraction of the proceeds of the levy and issue 65641
anticipation notes in a principal amount not exceeding fifty per 65642
cent of the total estimated proceeds of the levy to be collected 65643
during the first year of the levy. 65644

(2) After the approval of a levy for general permanent 65645
improvements for a specified number of years or for permanent 65646
improvements having the purpose specified in division (F) of 65647
section 5705.19 of the Revised Code, the board of education may 65648
anticipate a fraction of the proceeds of the levy and issue 65649
anticipation notes in a principal amount not exceeding fifty per 65650
cent of the total estimated proceeds of the levy remaining to be 65651

collected in each year over a period of five years after the 65652
issuance of the notes. 65653

The notes shall be issued as provided in section 133.24 of 65654
the Revised Code, shall have principal payments during each year 65655
after the year of their issuance over a period not to exceed five 65656
years, and may have a principal payment in the year of their 65657
issuance. 65658

(3) After approval of a levy for general permanent 65659
improvements for a continuing period of time, the board of 65660
education may anticipate a fraction of the proceeds of the levy 65661
and issue anticipation notes in a principal amount not exceeding 65662
fifty per cent of the total estimated proceeds of the levy to be 65663
collected in each year over a specified period of years, not 65664
exceeding ten, after the issuance of the notes. 65665

The notes shall be issued as provided in section 133.24 of 65666
the Revised Code, shall have principal payments during each year 65667
after the year of their issuance over a period not to exceed ten 65668
years, and may have a principal payment in the year of their 65669
issuance. 65670

(4) After the approval of a levy on the current tax list and 65671
duplicate under division (B) of this section, and prior to the 65672
time when the first tax collection from the levy can be made, the 65673
board of education may anticipate a fraction of the proceeds of 65674
the levy for the current expenses of the school district and issue 65675
anticipation notes in a principal amount not exceeding fifty per 65676
cent of the estimated proceeds of the levy to be collected during 65677
the first year of the levy and allocated to the school district. 65678
The portion of the levy proceeds to be allocated to partnering 65679
community schools under that division shall not be included in the 65680
estimated proceeds anticipated under this division and shall not 65681
be used to pay debt charges on any anticipation notes. 65682

The notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

(E) The submission of questions to the electors under this section is subject to the limitation on the number of election dates established by section 5705.214 of the Revised Code.

(F) The board of education of any school district that levies a tax under this section for the purpose of providing for school safety and security may report to the department of education how the district is using revenue from that tax.

The board of education of any school district that proposes to levy a tax for the purpose of providing for school safety and security may share the proceeds of the tax with chartered nonpublic schools, as defined by section 3310.01 of the Revised Code, that are located in the territory of the school district as provided in this division. The resolution levying the tax and the form of the ballot shall state that proceeds from the levy are to be shared with chartered nonpublic schools and shall state the percentage of the proceeds that is to be shared with those schools.

If a percentage of the proceeds of such a tax are to be shared with chartered nonpublic schools under this division, such proceeds shall be shared with all chartered nonpublic schools located in the territory of the school district. Of the percentage of the proceeds to be shared with chartered nonpublic schools, each such school shall receive an amount that bears the same proportion of that percentage that the number of resident students attending that school bears to the total number of resident students attending all such schools in the territory of the school district. For the purposes of this section, a resident student is

a student enrolled in a chartered nonpublic school located in the 65715
territory of the school district who is entitled to attend school 65716
in the school district under section 3313.64 or 3313.65 of the 65717
Revised Code. 65718

All proceeds of the levy shall be credited to a fund of the 65719
school district created for that purpose, and the board of 65720
education shall pay each chartered nonpublic school its share of 65721
the proceeds from that fund not less frequently than once after 65722
each settlement of taxes under divisions (A) and (C) of section 65723
321.24 of the Revised Code. Any chartered nonpublic school 65724
receiving payments under this section shall use all of such 65725
payments only for providing for school safety and security. 65726

Sec. 5709.17. The following property shall be exempted from 65727
taxation: 65728

(A) Real estate held or occupied by an association or 65729
corporation, organized or incorporated under the laws of this 65730
state relative to soldiers' memorial associations or monumental 65731
building associations and that, in the opinion of the trustees, 65732
directors, or managers thereof, is necessary and proper to carry 65733
out the object intended for such association or corporation; 65734

(B) Real estate and tangible personal property held or 65735
occupied by a qualifying veterans' organization and used primarily 65736
for meetings and administration of the qualifying veterans' 65737
organization or for providing, on a not-for-profit basis, programs 65738
and supportive services to past or present members of the armed 65739
forces of the United States and their families, except real estate 65740
held by such an organization for the production of rental income 65741
in excess of thirty-six thousand dollars in a tax year, before 65742
accounting for any cost or expense incurred in the production of 65743
such income. For the purposes of this division, rental income 65744
includes only income arising directly from renting the real estate 65745

to others for consideration, but does not include income arising 65746
from renting the real estate to a qualifying veterans' 65747
organization. 65748

As used in this division, "qualifying veterans' organization" 65749
means an organization that is incorporated under the laws of this 65750
state or the United States and that meets either of the following 65751
requirements: 65752

(1) The organization qualifies for exemption from taxation 65753
under section 501(c)(19) or 501(c)(23) of the Internal Revenue 65754
Code. 65755

(2) The organization meets the criteria for exemption under 65756
section 501(c)(19) of the Internal Revenue Code and regulations 65757
adopted pursuant thereto, but is exempt from taxation under 65758
section 501(c)(4) of the Internal Revenue Code. 65759

(C) Tangible personal property held by a corporation 65760
chartered under 112 Stat. 1335, 36 U.S.C. 40701, described in 65761
section 501(c)(3) of the Internal Revenue Code, and exempt from 65762
taxation under section 501(a) of the Internal Revenue Code shall 65763
be exempt from taxation if it is property obtained as described in 65764
112 Stat. 1335-1341, 36 U.S.C.A. Chapter 407. 65765

(D) Real estate held or occupied by a fraternal organization 65766
and used primarily for meetings of and the administration of the 65767
fraternal organization or for providing, on a not-for-profit 65768
basis, educational or health services, except real estate held by 65769
such an organization for the production of rental income in excess 65770
of thirty-six thousand dollars in a tax year before accounting for 65771
any cost or expense incurred in the production of such income. For 65772
the purposes of this division, rental income includes only income 65773
arising directly from renting the real estate to others for 65774
consideration, but does not include income arising from renting 65775
the real estate to any fraternal organization for use primarily 65776

for meetings of and the administration of such fraternal 65777
organization or for providing, on a not-for-profit basis, 65778
educational or health services. As used in this division, ~~"rental~~ 65779
~~income" has the same meaning as in division (B) of this section,~~ 65780
and "fraternal organization" means a domestic fraternal society, 65781
order, or association operating under the lodge, council, or 65782
grange system that qualifies for exemption from taxation under 65783
section 501(c)(5), 501(c)(8), or 501(c)(10) of the "Internal 65784
Revenue Code of 1986," 100 Stat. 2085, 26 U.S.C. 1, as amended; 65785
that provides financial support for charitable purposes, as 65786
defined in division (B)(12) of section 5739.02 of the Revised 65787
Code; and that operates under a state governing body that has been 65788
operating in this state for at least eighty-five years. 65789

Sec. 5709.40. (A) As used in this section: 65790

meanings as in section 1728.01 of the Revised Code. 65792

residential purposes. 65797

(4) "Improvement" means the increase in the assessed value of 65798
any real property that would first appear on the tax list and 65799
duplicate of real and public utility property after the effective 65800
date of an ordinance adopted under this section were it not for 65801
the exemption granted by that ordinance. 65802

(5) "Incentive district" means an area not more than three 65803
hundred acres in size enclosed by a continuous boundary in which a 65804
project is being, or will be, undertaken and having one or more of 65805
the following distress characteristics: 65806

(a) At least fifty-one per cent of the residents of the district have incomes of less than eighty per cent of the median income of residents of the political subdivision in which the district is located, as determined in the same manner specified under section 119(b) of the "Housing and Community Development Act of 1974," 88 Stat. 633, 42 U.S.C. 5318, as amended;

(b) The average rate of unemployment in the district during the most recent twelve-month period for which data are available is equal to at least one hundred fifty per cent of the average rate of unemployment for this state for the same period.

(c) At least twenty per cent of the people residing in the district live at or below the poverty level as defined in the federal Housing and Community Development Act of 1974, 42 U.S.C. 5301, as amended, and regulations adopted pursuant to that act.

(d) The district is a blighted area.

(e) The district is in a situational distress area as designated by the director of development services under division (F) of section 122.23 of the Revised Code.

(f) As certified by the engineer for the political subdivision, the public infrastructure serving the district is inadequate to meet the development needs of the district as evidenced by a written economic development plan or urban renewal plan for the district that has been adopted by the legislative authority of the subdivision.

(g) The district is comprised entirely of unimproved land that is located in a distressed area as defined in section 122.23 of the Revised Code.

(6) "Overlay" means an area of not more than three hundred acres that is a square, or that is a rectangle having two longer sides that are not more than twice the length of the two shorter sides, that the legislative authority of a municipal corporation

delineates on a map of a proposed incentive district. 65838

(7) "Project" means development activities undertaken on one 65839
or more parcels, including, but not limited to, construction, 65840
expansion, and alteration of buildings or structures, demolition, 65841
remediation, and site development, and any building or structure 65842
that results from those activities. 65843

(8) "Public infrastructure improvement" includes, but is not 65844
limited to, public roads and highways; water and sewer lines; the 65845
continued maintenance of those public roads and highways and water 65846
and sewer lines; environmental remediation; land acquisition, 65847
including acquisition in aid of industry, commerce, distribution, 65848
or research; demolition, including demolition on private property 65849
when determined to be necessary for economic development purposes; 65850
stormwater and flood remediation projects, including such projects 65851
on private property when determined to be necessary for public 65852
health, safety, and welfare; the provision of gas, electric, and 65853
communications service facilities, including the provision of gas 65854
or electric service facilities owned by nongovernmental entities 65855
when such improvements are determined to be necessary for economic 65856
development purposes; and the enhancement of public waterways 65857
through improvements that allow for greater public access. 65858

(B) The legislative authority of a municipal corporation, by 65859
ordinance, may declare improvements to certain parcels of real 65860
property located in the municipal corporation to be a public 65861
purpose. Improvements with respect to a parcel that is used or to 65862
be used for residential purposes may be declared a public purpose 65863
under this division only if the parcel is located in a blighted 65864
area of an impacted city. For this purpose, "parcel that is used 65865
or to be used for residential purposes" means a parcel that, as 65866
improved, is used or to be used for purposes that would cause the 65867
tax commissioner to classify the parcel as residential property in 65868
accordance with rules adopted by the commissioner under section 65869

5713.041 of the Revised Code. Except ~~with the approval as~~ 65870
~~otherwise provided~~ under division (D) of this section ~~of the board~~ 65871
~~of education of each city, local, or exempted village school~~ 65872
~~district within which the improvements are located~~ or section 65873
5709.51 of the Revised Code, not more than seventy-five per cent 65874
of an improvement thus declared to be a public purpose may be 65875
exempted from real property taxation for a period of not more than 65876
ten years. The ordinance shall specify the percentage of the 65877
improvement to be exempted from taxation and the life of the 65878
exemption. 65879

An ordinance adopted or amended under this division shall 65880
designate the specific public infrastructure improvements made, to 65881
be made, or in the process of being made by the municipal 65882
corporation that directly benefit, or that once made will directly 65883
benefit, the parcels for which improvements are declared to be a 65884
public purpose. The service payments provided for in section 65885
5709.42 of the Revised Code shall be used to finance the public 65886
infrastructure improvements designated in the ordinance, for the 65887
purpose described in division (D)(1) of this section or as 65888
provided in section 5709.43 of the Revised Code. 65889

(C)(1) The legislative authority of a municipal corporation 65890
may adopt an ordinance creating an incentive district and 65891
declaring improvements to parcels within the district to be a 65892
public purpose and, except as provided in division (C)(2) of this 65893
section, exempt from taxation as provided in this section, but no 65894
legislative authority of a municipal corporation that has a 65895
population that exceeds twenty-five thousand, as shown by the most 65896
recent federal decennial census, shall adopt an ordinance that 65897
creates an incentive district if the sum of the taxable value of 65898
real property in the proposed district for the preceding tax year 65899
and the taxable value of all real property in the municipal 65900
corporation that would have been taxable in the preceding year 65901

were it not for the fact that the property was in an existing 65902
incentive district and therefore exempt from taxation exceeds 65903
twenty-five per cent of the taxable value of real property in the 65904
municipal corporation for the preceding tax year. The ordinance 65905
shall delineate the boundary of the proposed district and 65906
specifically identify each parcel within the district. A proposed 65907
district may not include any parcel that is or has been exempted 65908
from taxation under division (B) of this section or that is or has 65909
been within another district created under this division. An 65910
ordinance may create more than one such district, and more than 65911
one ordinance may be adopted under division (C)(1) of this 65912
section. 65913

(2)(a) Not later than thirty days prior to adopting an 65914
ordinance under division (C)(1) of this section, if the municipal 65915
corporation intends to apply for exemptions from taxation under 65916
section 5709.911 of the Revised Code on behalf of owners of real 65917
property located within the proposed incentive district, the 65918
legislative authority of the municipal corporation shall conduct a 65919
public hearing on the proposed ordinance. Not later than thirty 65920
days prior to the public hearing, the legislative authority shall 65921
give notice of the public hearing and the proposed ordinance by 65922
first class mail to every real property owner whose property is 65923
located within the boundaries of the proposed incentive district 65924
that is the subject of the proposed ordinance. The notice shall 65925
include a map of the proposed incentive district on which the 65926
legislative authority of the municipal corporation shall have 65927
delineated an overlay. The notice shall inform the property owner 65928
of the owner's right to exclude the owner's property from the 65929
incentive district if the owner's entire parcel of property will 65930
not be located within the overlay, by submitting a written 65931
response in accordance with division (C)(2)(b) of this section. 65932
The notice also shall include information detailing the required 65933
contents of the response, the address to which the response may be 65934

mailed, and the deadline for submitting the response. 65935

(b) Any owner of real property located within the boundaries 65936
of an incentive district proposed under division (C)(1) of this 65937
section whose entire parcel of property is not located within the 65938
overlay may exclude the property from the proposed incentive 65939
district by submitting a written response to the legislative 65940
authority of the municipal corporation not later than forty-five 65941
days after the postmark date on the notice required under division 65942
(C)(2)(a) of this section. The response shall be sent by first 65943
class mail or delivered in person at a public hearing held by the 65944
legislative authority under division (C)(2)(a) of this section. 65945
The response shall conform to any content requirements that may be 65946
established by the municipal corporation and included in the 65947
notice provided under division (C)(2)(a) of this section. In the 65948
response, property owners may identify a parcel by street address, 65949
by the manner in which it is identified in the ordinance, or by 65950
other means allowing the identity of the parcel to be ascertained. 65951

(c) Before adopting an ordinance under division (C)(1) of 65952
this section, the legislative authority of a municipal corporation 65953
shall amend the ordinance to exclude any parcel located wholly or 65954
partly outside the overlay for which a written response has been 65955
submitted under division (C)(2)(b) of this section. A municipal 65956
corporation shall not apply for exemptions from taxation under 65957
section 5709.911 of the Revised Code for any such parcel, and 65958
service payments may not be required from the owner of the parcel. 65959
Improvements to a parcel excluded from an incentive district under 65960
this division may be exempted from taxation under division (B) of 65961
this section pursuant to an ordinance adopted under that division 65962
or under any other section of the Revised Code under which the 65963
parcel qualifies. 65964

(3)(a) An ordinance adopted under division (C)(1) of this 65965
section shall specify the life of the incentive district and the 65966

percentage of the improvements to be exempted, shall designate the 65967
public infrastructure improvements made, to be made, or in the 65968
process of being made, that benefit or serve, or, once made, will 65969
benefit or serve parcels in the district. The ordinance also shall 65970
identify one or more specific projects being, or to be, undertaken 65971
in the district that place additional demand on the public 65972
infrastructure improvements designated in the ordinance. The 65973
project identified may, but need not be, the project under 65974
division (C)(3)(b) of this section that places real property in 65975
use for commercial or industrial purposes. Except as otherwise 65976
permitted under that division, the service payments provided for 65977
in section 5709.42 of the Revised Code shall be used to finance 65978
the designated public infrastructure improvements, for the purpose 65979
described in division (D)(1), (E), or (F) of this section, or as 65980
provided in section 5709.43 of the Revised Code. 65981

An ordinance adopted under division (C)(1) of this section on 65982
or after March 30, 2006, shall not designate police or fire 65983
equipment as public infrastructure improvements, and no service 65984
payment provided for in section 5709.42 of the Revised Code and 65985
received by the municipal corporation under the ordinance shall be 65986
used for police or fire equipment. 65987

(b) An ordinance adopted under division (C)(1) of this 65988
section may authorize the use of service payments provided for in 65989
section 5709.42 of the Revised Code for the purpose of housing 65990
renovations within the incentive district, provided that the 65991
ordinance also designates public infrastructure improvements that 65992
benefit or serve the district, and that a project within the 65993
district places real property in use for commercial or industrial 65994
purposes. Service payments may be used to finance or support 65995
loans, deferred loans, and grants to persons for the purpose of 65996
housing renovations within the district. The ordinance shall 65997
designate the parcels within the district that are eligible for 65998

housing renovation. The ordinance shall state separately the 65999
amounts or the percentages of the expected aggregate service 66000
payments that are designated for each public infrastructure 66001
improvement and for the general purpose of housing renovations. 66002

(4) Except with the approval of the board of education of 66003
each city, local, or exempted village school district within the 66004
territory of which the incentive district is or will be located, 66005
and subject to division (E) of this section, the life of an 66006
incentive district shall not exceed ten years, and the percentage 66007
of improvements to be exempted shall not exceed seventy-five per 66008
cent. With approval of the board of education, the life of a 66009
district may be not more than thirty years, and the percentage of 66010
improvements to be exempted may be not more than one hundred per 66011
cent. The approval of a board of education shall be obtained in 66012
the manner provided in division (D) of this section. 66013

(D)(1) If the ordinance declaring improvements to a parcel to 66014
be a public purpose or creating an incentive district specifies 66015
that payments in lieu of taxes provided for in section 5709.42 of 66016
the Revised Code shall be paid to the city, local, or exempted 66017
village, and joint vocational school district in which the parcel 66018
or incentive district is located in the amount of the taxes that 66019
would have been payable to the school district if the improvements 66020
had not been exempted from taxation, the percentage of the 66021
improvement that may be exempted from taxation may exceed 66022
seventy-five per cent, and the exemption may be granted for up to 66023
thirty years, without the approval of the board of education as 66024
otherwise required under division (D)(2) of this section. 66025

(2) Improvements with respect to a parcel may be exempted 66026
from taxation under division (B) of this section, and improvements 66027
to parcels within an incentive district may be exempted from 66028
taxation under division (C) of this section, for up to ten years 66029
or, with the approval under this paragraph of the board of 66030

education of the city, local, or exempted village school district 66031
within which the parcel or district is located, for up to thirty 66032
years. The percentage of the improvement exempted from taxation 66033
may, with such approval, exceed seventy-five per cent, but shall 66034
not exceed one hundred per cent. Not later than forty-five 66035
business days prior to adopting an ordinance under this section 66036
declaring improvements to be a public purpose that is subject to 66037
approval by a board of education under this division, the 66038
legislative authority shall deliver to the board of education a 66039
notice stating its intent to adopt an ordinance making that 66040
declaration. The notice regarding improvements with respect to a 66041
parcel under division (B) of this section shall identify the 66042
parcels for which improvements are to be exempted from taxation, 66043
provide an estimate of the true value in money of the 66044
improvements, specify the period for which the improvements would 66045
be exempted from taxation and the percentage of the improvement 66046
that would be exempted, and indicate the date on which the 66047
legislative authority intends to adopt the ordinance. The notice 66048
regarding improvements to parcels within an incentive district 66049
under division (C) of this section shall delineate the boundaries 66050
of the district, specifically identify each parcel within the 66051
district, identify each anticipated improvement in the district, 66052
provide an estimate of the true value in money of each such 66053
improvement, specify the life of the district and the percentage 66054
of improvements that would be exempted, and indicate the date on 66055
which the legislative authority intends to adopt the ordinance. 66056
The board of education, by resolution adopted by a majority of the 66057
board, may approve the exemption for the period or for the 66058
exemption percentage specified in the notice; may disapprove the 66059
exemption for the number of years in excess of ten, may disapprove 66060
the exemption for the percentage of the improvement to be exempted 66061
in excess of seventy-five per cent, or both; or may approve the 66062
exemption on the condition that the legislative authority and the 66063

board negotiate an agreement providing for compensation to the 66064
school district equal in value to a percentage of the amount of 66065
taxes exempted in the eleventh and subsequent years of the 66066
exemption period or, in the case of exemption percentages in 66067
excess of seventy-five per cent, compensation equal in value to a 66068
percentage of the taxes that would be payable on the portion of 66069
the improvement in excess of seventy-five per cent were that 66070
portion to be subject to taxation, or other mutually agreeable 66071
compensation. If an agreement is negotiated between the 66072
legislative authority and the board to compensate the school 66073
district for all or part of the taxes exempted, including 66074
agreements for payments in lieu of taxes under section 5709.42 of 66075
the Revised Code, the legislative authority shall compensate the 66076
joint vocational school district within which the parcel or 66077
district is located at the same rate and under the same terms 66078
received by the city, local, or exempted village school district. 66079

(3) The board of education shall certify its resolution to 66080
the legislative authority not later than fourteen days prior to 66081
the date the legislative authority intends to adopt the ordinance 66082
as indicated in the notice. If the board of education and the 66083
legislative authority negotiate a mutually acceptable compensation 66084
agreement, the ordinance may declare the improvements a public 66085
purpose for the number of years specified in the ordinance or, in 66086
the case of exemption percentages in excess of seventy-five per 66087
cent, for the exemption percentage specified in the ordinance. In 66088
either case, if the board and the legislative authority fail to 66089
negotiate a mutually acceptable compensation agreement, the 66090
ordinance may declare the improvements a public purpose for not 66091
more than ten years, and shall not exempt more than seventy-five 66092
per cent of the improvements from taxation. If the board fails to 66093
certify a resolution to the legislative authority within the time 66094
prescribed by this division, the legislative authority thereupon 66095
may adopt the ordinance and may declare the improvements a public 66096

purpose for up to thirty years, or, in the case of exemption 66097
percentages proposed in excess of seventy-five per cent, for the 66098
exemption percentage specified in the ordinance. The legislative 66099
authority may adopt the ordinance at any time after the board of 66100
education certifies its resolution approving the exemption to the 66101
legislative authority, or, if the board approves the exemption on 66102
the condition that a mutually acceptable compensation agreement be 66103
negotiated, at any time after the compensation agreement is agreed 66104
to by the board and the legislative authority. 66105

(4) If a board of education has adopted a resolution waiving 66106
its right to approve exemptions from taxation under this section 66107
and the resolution remains in effect, approval of exemptions by 66108
the board is not required under division (D) of this section. If a 66109
board of education has adopted a resolution allowing a legislative 66110
authority to deliver the notice required under division (D) of 66111
this section fewer than forty-five business days prior to the 66112
legislative authority's adoption of the ordinance, the legislative 66113
authority shall deliver the notice to the board not later than the 66114
number of days prior to such adoption as prescribed by the board 66115
in its resolution. If a board of education adopts a resolution 66116
waiving its right to approve agreements or shortening the 66117
notification period, the board shall certify a copy of the 66118
resolution to the legislative authority. If the board of education 66119
rescinds such a resolution, it shall certify notice of the 66120
rescission to the legislative authority. 66121

(5) If the legislative authority is not required by division 66122
(D) of this section to notify the board of education of the 66123
legislative authority's intent to declare improvements to be a 66124
public purpose, the legislative authority shall comply with the 66125
notice requirements imposed under section 5709.83 of the Revised 66126
Code, unless the board has adopted a resolution under that section 66127
waiving its right to receive such a notice. 66128

(6) Nothing in division (D) of this section prohibits the 66129
legislative authority of a municipal corporation from amending the 66130
ordinance or resolution under section 5709.51 of the Revised Code 66131
to extend the term of the exemption. 66132

(E)(1) If a proposed ordinance under division (C)(1) of this 66133
section exempts improvements with respect to a parcel within an 66134
incentive district for more than ten years, or the percentage of 66135
the improvement exempted from taxation exceeds seventy-five per 66136
cent, not later than forty-five business days prior to adopting 66137
the ordinance the legislative authority of the municipal 66138
corporation shall deliver to the board of county commissioners of 66139
the county within which the incentive district will be located a 66140
notice that states its intent to adopt an ordinance creating an 66141
incentive district. The notice shall include a copy of the 66142
proposed ordinance, identify the parcels for which improvements 66143
are to be exempted from taxation, provide an estimate of the true 66144
value in money of the improvements, specify the period of time for 66145
which the improvements would be exempted from taxation, specify 66146
the percentage of the improvements that would be exempted from 66147
taxation, and indicate the date on which the legislative authority 66148
intends to adopt the ordinance. 66149

(2) The board of county commissioners, by resolution adopted 66150
by a majority of the board, may object to the exemption for the 66151
number of years in excess of ten, may object to the exemption for 66152
the percentage of the improvement to be exempted in excess of 66153
seventy-five per cent, or both. If the board of county 66154
commissioners objects, the board may negotiate a mutually 66155
acceptable compensation agreement with the legislative authority. 66156
In no case shall the compensation provided to the board exceed the 66157
property taxes forgone due to the exemption. If the board of 66158
county commissioners objects, and the board and legislative 66159
authority fail to negotiate a mutually acceptable compensation 66160

agreement, the ordinance adopted under division (C)(1) of this 66161
section shall provide to the board compensation in the eleventh 66162
and subsequent years of the exemption period equal in value to not 66163
more than fifty per cent of the taxes that would be payable to the 66164
county or, if the board's objection includes an objection to an 66165
exemption percentage in excess of seventy-five per cent, 66166
compensation equal in value to not more than fifty per cent of the 66167
taxes that would be payable to the county, on the portion of the 66168
improvement in excess of seventy-five per cent, were that portion 66169
to be subject to taxation. The board of county commissioners shall 66170
certify its resolution to the legislative authority not later than 66171
thirty days after receipt of the notice. 66172

(3) If the board of county commissioners does not object or 66173
fails to certify its resolution objecting to an exemption within 66174
thirty days after receipt of the notice, the legislative authority 66175
may adopt the ordinance, and no compensation shall be provided to 66176
the board of county commissioners. If the board timely certifies 66177
its resolution objecting to the ordinance, the legislative 66178
authority may adopt the ordinance at any time after a mutually 66179
acceptable compensation agreement is agreed to by the board and 66180
the legislative authority, or, if no compensation agreement is 66181
negotiated, at any time after the legislative authority agrees in 66182
the proposed ordinance to provide compensation to the board of 66183
fifty per cent of the taxes that would be payable to the county in 66184
the eleventh and subsequent years of the exemption period or on 66185
the portion of the improvement in excess of seventy-five per cent, 66186
were that portion to be subject to taxation. 66187

(F) Service payments in lieu of taxes that are attributable 66188
to any amount by which the effective tax rate of either a renewal 66189
levy with an increase or a replacement levy exceeds the effective 66190
tax rate of the levy renewed or replaced, or that are attributable 66191
to an additional levy, for a levy authorized by the voters for any 66192

of the following purposes on or after January 1, 2006, and which 66193
are provided pursuant to an ordinance creating an incentive 66194
district under division (C)(1) of this section that is adopted on 66195
or after January 1, 2006, or a later date as specified in this 66196
division, shall be distributed to the appropriate taxing authority 66197
as required under division (C) of section 5709.42 of the Revised 66198
Code in an amount equal to the amount of taxes from that 66199
additional levy or from the increase in the effective tax rate of 66200
such renewal or replacement levy that would have been payable to 66201
that taxing authority from the following levies were it not for 66202
the exemption authorized under division (C) of this section: 66203

(1) A tax levied under division (L) of section 5705.19 or 66204
section 5705.191 or 5705.222 of the Revised Code for community 66205
developmental disabilities programs and services pursuant to 66206
Chapter 5126. of the Revised Code; 66207

(2) A tax levied under division (Y) of section 5705.19 of the 66208
Revised Code for providing or maintaining senior citizens services 66209
or facilities; 66210

(3) A tax levied under section 5705.22 of the Revised Code 66211
for county hospitals; 66212

(4) A tax levied by a joint-county district or by a county 66213
under section 5705.19, 5705.191, or 5705.221 of the Revised Code 66214
for alcohol, drug addiction, and mental health services or 66215
facilities; 66216

(5) A tax levied under section 5705.23 of the Revised Code 66217
for library purposes; 66218

(6) A tax levied under section 5705.24 of the Revised Code 66219
for the support of children services and the placement and care of 66220
children; 66221

(7) A tax levied under division (Z) of section 5705.19 of the 66222
Revised Code for the provision and maintenance of zoological park 66223

services and facilities under section 307.76 of the Revised Code; 66224

(8) A tax levied under section 511.27 or division (H) of 66225
section 5705.19 of the Revised Code for the support of township 66226
park districts; 66227

(9) A tax levied under division (A), (F), or (H) of section 66228
5705.19 of the Revised Code for parks and recreational purposes of 66229
a joint recreation district organized pursuant to division (B) of 66230
section 755.14 of the Revised Code; 66231

(10) A tax levied under section 1545.20 or 1545.21 of the 66232
Revised Code for park district purposes; 66233

(11) A tax levied under section 5705.191 of the Revised Code 66234
for the purpose of making appropriations for public assistance; 66235
human or social services; public relief; public welfare; public 66236
health and hospitalization; and support of general hospitals; 66237

(12) A tax levied under section 3709.29 of the Revised Code 66238
for a general health district program. 66239

(13) A tax levied by a township under section 505.39, 66240
division (I) of section 5705.19, or division (JJ) of section 66241
5705.19 of the Revised Code to the extent the proceeds are used 66242
for the purposes described in division (I) of that section, for 66243
the purpose of funding fire, emergency medical, and ambulance 66244
services as described in that section and those divisions. 66245
Division (F)(13) of this section applies only if the township 66246
levying the tax provides fire, emergency medical, or ambulance 66247
services in the incentive district, and only to incentive 66248
districts created by an ordinance adopted on or after the 66249
effective date of the amendment of this section by H.B. 69 of the 66250
132nd general assembly, March 23, 2018. The board of township 66251
trustees may, by resolution, waive the application of this 66252
division or negotiate with the municipal corporation that created 66253
the district for a lesser amount of payments in lieu of taxes. 66254

(G) An exemption from taxation granted under this section 66255
commences with the tax year specified in the ordinance so long as 66256
the year specified in the ordinance commences after the effective 66257
date of the ordinance. If the ordinance specifies a year 66258
commencing before the effective date of the resolution or 66259
specifies no year whatsoever, the exemption commences with the tax 66260
year in which an exempted improvement first appears on the tax 66261
list and duplicate of real and public utility property and that 66262
commences after the effective date of the ordinance. In lieu of 66263
stating a specific year, the ordinance may provide that the 66264
exemption commences in the tax year in which the value of an 66265
improvement exceeds a specified amount or in which the 66266
construction of one or more improvements is completed, provided 66267
that such tax year commences after the effective date of the 66268
ordinance. With respect to the exemption of improvements to 66269
parcels under division (B) of this section, the ordinance may 66270
allow for the exemption to commence in different tax years on a 66271
parcel-by-parcel basis, with a separate exemption term specified 66272
for each parcel. 66273

Except as otherwise provided in this division or section 66274
5709.51 of the Revised Code, the exemption ends on the date 66275
specified in the ordinance as the date the improvement ceases to 66276
be a public purpose or the incentive district expires, or ends on 66277
the date on which the public infrastructure improvements and 66278
housing renovations are paid in full from the municipal public 66279
improvement tax increment equivalent fund established under 66280
division (A) of section 5709.43 of the Revised Code, whichever 66281
occurs first. The exemption of an improvement with respect to a 66282
parcel or within an incentive district may end on a later date, as 66283
specified in the ordinance, if the legislative authority and the 66284
board of education of the city, local, or exempted village school 66285
district within which the parcel or district is located have 66286
entered into a compensation agreement under section 5709.82 of the 66287

Revised Code with respect to the improvement, and the board of 66288
education has approved the term of the exemption under division 66289
(D)(2) of this section, but in no case shall the improvement be 66290
exempted from taxation for more than thirty years. Exemptions 66291
shall be claimed and allowed in the same manner as in the case of 66292
other real property exemptions. If an exemption status changes 66293
during a year, the procedure for the apportionment of the taxes 66294
for that year is the same as in the case of other changes in tax 66295
exemption status during the year. 66296

(H) Additional municipal financing of public infrastructure 66297
improvements and housing renovations may be provided by any 66298
methods that the municipal corporation may otherwise use for 66299
financing such improvements or renovations. If the municipal 66300
corporation issues bonds or notes to finance the public 66301
infrastructure improvements and housing renovations and pledges 66302
money from the municipal public improvement tax increment 66303
equivalent fund to pay the interest on and principal of the bonds 66304
or notes, the bonds or notes are not subject to Chapter 133. of 66305
the Revised Code. 66306

(I) The municipal corporation, not later than fifteen days 66307
after the adoption of an ordinance under this section, shall 66308
submit to the director of development services a copy of the 66309
ordinance. On or before the thirty-first day of March of each 66310
year, the municipal corporation shall submit a status report to 66311
the director of development services. The report shall indicate, 66312
in the manner prescribed by the director, the progress of the 66313
project during each year that an exemption remains in effect, 66314
including a summary of the receipts from service payments in lieu 66315
of taxes; expenditures of money from the funds created under 66316
section 5709.43 of the Revised Code; a description of the public 66317
infrastructure improvements and housing renovations financed with 66318
such expenditures; and a quantitative summary of changes in 66319

employment and private investment resulting from each project. 66320

(J) Nothing in this section shall be construed to prohibit a 66321
legislative authority from declaring to be a public purpose 66322
improvements with respect to more than one parcel. 66323

(K) If a parcel is located in a new community district in 66324
which the new community authority imposes a community development 66325
charge on the basis of rentals received from leases of real 66326
property as described in division (L)(2) of section 349.01 of the 66327
Revised Code, the parcel may not be exempted from taxation under 66328
this section. 66329

Sec. 5709.41. (A) As used in this section: 66330

(1) "Business day" means a day of the week excluding 66331
Saturday, Sunday, and a legal holiday as defined under section 66332
1.14 of the Revised Code. 66333

(2) "Improvement" means the increase in assessed value of any 66334
parcel of property subsequent to the acquisition of the parcel by 66335
a municipal corporation engaged in urban redevelopment. 66336

(B) The legislative authority of a municipal corporation, by 66337
ordinance, may declare to be a public purpose any improvement to a 66338
parcel of real property if both of the following apply: 66339

(1) The municipal corporation held fee title to the parcel 66340
prior to the adoption of the ordinance; 66341

(2) The parcel is leased, or the fee of the parcel is 66342
conveyed, to any person either before or after adoption of the 66343
ordinance. 66344

Improvements used or to be used for residential purposes may 66345
be declared a public purpose under this section only if the parcel 66346
is located in a blighted area of an impacted city as those terms 66347
are defined in section 1728.01 of the Revised Code. For this 66348
purpose, "parcel that is used or to be used for residential 66349

purposes" means a parcel that, as improved, is used or to be used 66350
for purposes that would cause the tax commissioner to classify the 66351
parcel as residential property in accordance with rules adopted by 66352
the commissioner under section 5713.041 of the Revised Code. 66353

(C) Except as otherwise provided in division (C)(1), (2), or 66354
(3) of this section, not more than seventy-five per cent of an 66355
improvement thus declared to be a public purpose may be exempted 66356
from real property taxation. The ordinance shall specify the 66357
percentage of the improvement to be exempted from taxation. If a 66358
parcel is located in a new community district in which the new 66359
community authority imposes a community development charge on the 66360
basis of rentals received from leases of real property as 66361
described in division (L)(2) of section 349.01 of the Revised 66362
Code, the parcel may not be exempted from taxation under this 66363
section. 66364

(1) If the ordinance declaring improvements to a parcel to be 66365
a public purpose specifies that payments in lieu of taxes provided 66366
for in section 5709.42 of the Revised Code shall be paid to the 66367
city, local, or exempted village school district in which the 66368
parcel is located in the amount of the taxes that would have been 66369
payable to the school district if the improvements had not been 66370
exempted from taxation, the percentage of the improvement that may 66371
be exempted from taxation may exceed seventy-five per cent, and 66372
the exemption may be granted for up to thirty years, without the 66373
approval of the board of education as otherwise required under 66374
division (C)(2) of this section. 66375

(2) Improvements may be exempted from taxation for up to ten 66376
years or, with the approval of the board of education of the city, 66377
local, or exempted village school district within the territory of 66378
which the improvements are or will be located, for up to thirty 66379
years. The percentage of the improvement exempted from taxation 66380
may, with such approval, exceed seventy-five per cent, but shall 66381

not exceed one hundred per cent. Not later than forty-five 66382
business days prior to adopting an ordinance under this section, 66383
the legislative authority shall deliver to the board of education 66384
a notice stating its intent to declare improvements to be a public 66385
purpose under this section. The notice shall describe the parcel 66386
and the improvements, provide an estimate of the true value in 66387
money of the improvements, specify the period for which the 66388
improvements would be exempted from taxation and the percentage of 66389
the improvements that would be exempted, and indicate the date on 66390
which the legislative authority intends to adopt the ordinance. 66391
The board of education, by resolution adopted by a majority of the 66392
board, may approve the exemption for the period or for the 66393
exemption percentage specified in the notice, may disapprove the 66394
exemption for the number of years in excess of ten, may disapprove 66395
the exemption for the percentage of the improvements to be 66396
exempted in excess of seventy-five per cent, or both, or may 66397
approve the exemption on the condition that the legislative 66398
authority and the board negotiate an agreement providing for 66399
compensation to the school district equal in value to a percentage 66400
of the amount of taxes exempted in the eleventh and subsequent 66401
years of the exemption period, or, in the case of exemption 66402
percentages in excess of seventy-five per cent, compensation equal 66403
in value to a percentage of the taxes that would be payable on the 66404
portion of the improvement in excess of seventy-five per cent were 66405
that portion to be subject to taxation. The board of education 66406
shall certify its resolution to the legislative authority not 66407
later than fourteen days prior to the date the legislative 66408
authority intends to adopt the ordinance as indicated in the 66409
notice. If the board of education approves the exemption on the 66410
condition that a compensation agreement be negotiated, the board 66411
in its resolution shall propose a compensation percentage. If the 66412
board of education and the legislative authority negotiate a 66413
mutually acceptable compensation agreement, the ordinance may 66414

declare the improvements a public purpose for the number of years 66415
specified in the ordinance or, in the case of exemption 66416
percentages in excess of seventy-five per cent, for the exemption 66417
percentage specified in the ordinance. In either case, if the 66418
board and the legislative authority fail to negotiate a mutually 66419
acceptable compensation agreement, the ordinance may declare the 66420
improvements a public purpose for not more than ten years, but 66421
shall not exempt more than seventy-five per cent of the 66422
improvements from taxation. If the board fails to certify a 66423
resolution to the legislative authority within the time prescribed 66424
by this division, the legislative authority thereupon may adopt 66425
the ordinance and may declare the improvements a public purpose 66426
for up to thirty years. The legislative authority may adopt the 66427
ordinance at any time after the board of education certifies its 66428
resolution approving the exemption to the legislative authority, 66429
or, if the board approves the exemption on the condition that a 66430
mutually acceptable compensation agreement be negotiated, at any 66431
time after the compensation agreement is agreed to by the board 66432
and the legislative authority. If a mutually acceptable 66433
compensation agreement is negotiated between the legislative 66434
authority and the board, including agreements for payments in lieu 66435
of taxes under section 5709.42 of the Revised Code, the 66436
legislative authority shall compensate the joint vocational school 66437
district within the territory of which the improvements are or 66438
will be located at the same rate and under the same terms received 66439
by the city, local, or exempted village school district. 66440

(3) If a board of education has adopted a resolution waiving 66441
its right to approve exemptions from taxation and the resolution 66442
remains in effect, approval of exemptions by the board is not 66443
required under this division. If a board of education has adopted 66444
a resolution allowing a legislative authority to deliver the 66445
notice required under this division fewer than forty-five business 66446
days prior to the legislative authority's adoption of the 66447

ordinance, the legislative authority shall deliver the notice to 66448
the board not later than the number of days prior to such adoption 66449
as prescribed by the board in its resolution. If a board of 66450
education adopts a resolution waiving its right to approve 66451
exemptions or shortening the notification period, the board shall 66452
certify a copy of the resolution to the legislative authority. If 66453
the board of education rescinds such a resolution, it shall 66454
certify notice of the rescission to the legislative authority. 66455

(4) If the legislative authority is not required by division 66456
(C)(1), (2), or (3) of this section to notify the board of 66457
education of the legislative authority's intent to declare 66458
improvements to be a public purpose, the legislative authority 66459
shall comply with the notice requirements imposed under section 66460
5709.83 of the Revised Code, unless the board has adopted a 66461
resolution under that section waiving its right to receive such a 66462
notice. 66463

(5) Nothing in division (C) of this section prohibits the 66464
legislative authority of a municipal corporation from amending the 66465
ordinance or resolution under section 5709.51 of the Revised Code 66466
to extend the term of the exemption. 66467

(D) The exemption commences on the effective date of the 66468
ordinance and ends on the date specified in the ordinance as the 66469
date the improvement ceases to be a public purpose. The exemption 66470
shall be claimed and allowed in the same or a similar manner as in 66471
the case of other real property exemptions. If an exemption status 66472
changes during a tax year, the procedure for the apportionment of 66473
the taxes for that year is the same as in the case of other 66474
changes in tax exemption status during the year. 66475

(E) A municipal corporation, not later than fifteen days 66476
after the adoption of an ordinance granting a tax exemption under 66477
this section, shall submit to the director of development services 66478
a copy of the ordinance. On or before the thirty-first day of 66479

March each year, the municipal corporation shall submit a status 66480
report to the director of development outlining the progress of 66481
the project during each year that the exemption remains in effect. 66482

Sec. 5709.51. (A) The legislative authority of a municipal 66483
corporation, a board of township trustees, or a board of county 66484
commissioners may amend an ordinance or resolution adopted in 66485
accordance with division (B) of section 5709.40, section 5709.41, 66486
division (B) of section 5709.73, or division (A) of section 66487
5709.78 of the Revised Code, as applicable, to extend the 66488
exemption from taxation of improvements to the parcel or parcels 66489
designated in the ordinance or resolution for an additional period 66490
of not more than thirty years if all of the following conditions 66491
are met: 66492

(1) The service payments made pursuant to section 5709.42, 66493
5709.74, or 5709.79 of the Revised Code by the owner or owners of 66494
the parcel or parcels designated in the ordinance or resolution 66495
exceeded one million five hundred thousand dollars in the calendar 66496
year preceding the adoption of the amendment. 66497

(2) The service payments described in division (A)(1) of this 66498
section did not exceed one million five hundred thousand dollars 66499
in any calendar year before the calendar year immediately 66500
preceding the adoption of the amendment. This condition applies 66501
only to amendments adopted under this section on or after January 66502
1, 2021. 66503

(3) The amendment extending the exemption provides for 66504
compensation to the city, local, or exempted village school 66505
district in which the parcel or parcels are located equal in value 66506
to the amount of taxes that would be payable to the school 66507
district if the improvements had not been exempted from taxation 66508
for the additional period. 66509

(B) Not later than fifteen days after amending an ordinance 66510

or resolution under this section, the legislative authority of the 66511
municipal corporation, board of township trustees, or board of 66512
county commissioners shall send a copy of the amendment to the 66513
director of development services. 66514

Sec. 5709.54. (A) As used in this section: 66515

(1) "Pre-residential development property" means a subdivided 66516
parcel of unimproved real property on which construction of one or 66517
more residential buildings is planned but has not yet commenced. 66518
The construction of streets, sidewalks, curbs, or driveways or the 66519
installation of water, sewer, or other utility lines on a 66520
subdivided parcel does not cause construction of a residential 66521
building to commence for purposes of division (A)(1) or (B) of 66522
this section. 66523

(2) "Residential building" means a building or structure any 66524
part of which is to be used as a dwelling. 66525

(3) "Unexempted value" means, for any subdivided parcel, one 66526
of the following: 66527

(a) Except as provided in division (A)(3)(b) of this section, 66528
the nonagricultural taxable value of the original property for the 66529
tax year preceding the tax year the subdivided property first 66530
appears on the tax list as a subdivided parcel multiplied by a 66531
fraction, the numerator of which is the true value in money of the 66532
subdivided parcel for the tax year the subdivided parcel first 66533
appears on the tax list and the denominator of which is the true 66534
value in money of all subdivided parcels subdivided from that 66535
original parcel for that tax year. 66536

(b) If a subdivided parcel exempted under this section is 66537
itself subdivided, the "unexempted value" of the newly subdivided 66538
parcel equals the unexempted value, as defined in division 66539
(A)(3)(a) of this section, of the parcel from which the newly 66540

subdivided parcel was subdivided for the tax year preceding the 66541
tax year the newly subdivided parcel first appears on the tax list 66542
multiplied by a fraction, the numerator of which is the true value 66543
in money of the newly subdivided parcel for the tax year it first 66544
appears on the tax list and the denominator of which is the true 66545
value in money for that year of all newly subdivided parcels 66546
resulting from the most recent subdivision. 66547

(4) "Subdivided parcel" means a parcel resulting from the 66548
subdivision of original property pursuant to a plat subdividing 66549
that property presented to the county auditor under section 66550
5713.18 of the Revised Code. 66551

(5) "Original property" means the parcel from which a 66552
subdivided parcel is subdivided. 66553

(6) "Qualifying owner" means the owner of pre-residential 66554
development property for any portion of a tax year ending on or 66555
after the effective date of the enactment of this section by H.B. 66556
166 of the 133rd general assembly that includes the date a plat 66557
subdividing land including such property is presented to the 66558
county auditor under section 5713.18 of the Revised Code, or any 66559
other person to which title to the property is transferred, 66560
without consideration, by another qualifying owner. 66561

(7) "Nonagricultural taxable value" means the taxable value 66562
of land as if such land were valued and assessed for a tax year 66563
pursuant to Section 2 of Article XII, Ohio Constitution, and not 66564
in accordance with Section 36 of Article II, Ohio Constitution. 66565

(B) Any increase in taxable value above the unexempted value 66566
of pre-residential development property owned by a qualifying 66567
owner is exempted from taxation beginning with the first tax year 66568
the pre-residential development property appears on the tax list 66569
after a plat subdividing land including that property is presented 66570
to the county auditor under section 5713.18 of the Revised Code 66571

and for each of the two ensuing tax years or, if later, each of 66572
the ensuing tax years until, but not including, the tax year in 66573
which a sexennial reappraisal is completed, except that the 66574
exemption shall not apply beginning with the tax year that begins 66575
after the tax year in which the earlier of the following occurs: 66576

(1) Construction of a residential building on that property 66577
commences; 66578

(2) Title to the property is transferred for consideration by 66579
a qualifying owner to another person. 66580

(C) The tax commissioner shall not approve an application for 66581
an exemption authorized under this section unless the applicant 66582
for the exemption certifies that the parcel that is the subject of 66583
the exemption satisfies the requirements of division (A)(1) of 66584
this section for pre-residential development property. 66585

(D) Nothing in this section shall be construed to authorize a 66586
parcel subject to the partial exemption authorized by this section 66587
to be valued and assessed for taxation in any manner other than in 66588
accordance with Section 36 of Article II or Section 2 of Article 66589
XII, Ohio Constitution, as applicable to the parcel. 66590

Sec. 5709.73. (A) As used in this section and section 5709.74 66591
of the Revised Code: 66592

(1) "Business day" means a day of the week excluding 66593
Saturday, Sunday, and a legal holiday as defined in section 1.14 66594
of the Revised Code. 66595

(2) "Further improvements" or "improvements" means the 66596
increase in the assessed value of real property that would first 66597
appear on the tax list and duplicate of real and public utility 66598
property after the effective date of a resolution adopted under 66599
this section were it not for the exemption granted by that 66600
resolution. For purposes of division (B) of this section, 66601

"improvements" do not include any property used or to be used for residential purposes. For this purpose, "property that is used or to be used for residential purposes" means property that, as improved, is used or to be used for purposes that would cause the tax commissioner to classify the property as residential property in accordance with rules adopted by the commissioner under section 5713.041 of the Revised Code.

(3) "Housing renovation" means a project carried out for residential purposes.

(4) "Incentive district" has the same meaning as in section 5709.40 of the Revised Code, except that a blighted area is in the unincorporated area of a township.

(5) "Overlay" has the same meaning as in section 5709.40 of the Revised Code, except that the overlay is delineated by the board of township trustees.

(6) "Project" and "public infrastructure improvement" have the same meanings as in section 5709.40 of the Revised Code.

(B) A board of township trustees may, by unanimous vote, adopt a resolution that declares to be a public purpose any public infrastructure improvements made that are necessary for the development of certain parcels of land located in the unincorporated area of the township. ~~Except with the approval as otherwise provided~~ under division (D) of this section ~~of the board of education of each city, local, or exempted village school district within which the improvements are located~~ or section 5709.51 of the Revised Code, the resolution may exempt from real property taxation not more than seventy-five per cent of further improvements to a parcel of land that directly benefits from the public infrastructure improvements, for a period of not more than ten years. The resolution shall specify the percentage of the further improvements to be exempted and the life of the exemption.

(C)(1) A board of township trustees may adopt, by unanimous 66633
vote, a resolution creating an incentive district and declaring 66634
improvements to parcels within the district to be a public purpose 66635
and, except as provided in division (C)(2) of this section, exempt 66636
from taxation as provided in this section, but no board of 66637
township trustees of a township that has a population that exceeds 66638
twenty-five thousand, as shown by the most recent federal 66639
decennial census, shall adopt a resolution that creates an 66640
incentive district if the sum of the taxable value of real 66641
property in the proposed district for the preceding tax year and 66642
the taxable value of all real property in the township that would 66643
have been taxable in the preceding year were it not for the fact 66644
that the property was in an existing incentive district and 66645
therefore exempt from taxation exceeds twenty-five per cent of the 66646
taxable value of real property in the township for the preceding 66647
tax year. The district shall be located within the unincorporated 66648
area of the township and shall not include any territory that is 66649
included within a district created under division (B) of section 66650
5709.78 of the Revised Code. The resolution shall delineate the 66651
boundary of the proposed district and specifically identify each 66652
parcel within the district. A proposed district may not include 66653
any parcel that is or has been exempted from taxation under 66654
division (B) of this section or that is or has been within another 66655
district created under this division. A resolution may create more 66656
than one such district, and more than one resolution may be 66657
adopted under division (C)(1) of this section. 66658

(2)(a) Not later than thirty days prior to adopting a 66659
resolution under division (C)(1) of this section, if the township 66660
intends to apply for exemptions from taxation under section 66661
5709.911 of the Revised Code on behalf of owners of real property 66662
located within the proposed incentive district, the board shall 66663
conduct a public hearing on the proposed resolution. Not later 66664
than thirty days prior to the public hearing, the board shall give 66665

notice of the public hearing and the proposed resolution by first 66666
class mail to every real property owner whose property is located 66667
within the boundaries of the proposed incentive district that is 66668
the subject of the proposed resolution. The notice shall include a 66669
map of the proposed incentive district on which the board of 66670
township trustees shall have delineated an overlay. The notice 66671
shall inform the property owner of the owner's right to exclude 66672
the owner's property from the incentive district if both of the 66673
following conditions are met: 66674

(i) The owner's entire parcel of property will not be located 66675
within the overlay. 66676

(ii) The owner has submitted a statement to the board of 66677
county commissioners of the county in which the parcel is located 66678
indicating the owner's intent to seek a tax exemption for 66679
improvements to the owner's parcel under division (A) or (B) of 66680
section 5709.78 of the Revised Code within the next five years. 66681

When both of the preceding conditions are met, the owner may 66682
exclude the owner's property from the incentive district by 66683
submitting a written response in accordance with division 66684
(C)(2)(b) of this section. The notice also shall include 66685
information detailing the required contents of the response, the 66686
address to which the response may be mailed, and the deadline for 66687
submitting the response. 66688

(b) Any owner of real property located within the boundaries 66689
of an incentive district proposed under division (C)(1) of this 66690
section who meets the conditions specified in divisions 66691
(C)(2)(a)(i) and (ii) of this section may exclude the property 66692
from the proposed incentive district by submitting a written 66693
response to the board not later than forty-five days after the 66694
postmark date on the notice required under division (C)(2)(a) of 66695
this section. The response shall include a copy of the statement 66696
submitted under division (C)(2)(a)(ii) of this section. The 66697

response shall be sent by first class mail or delivered in person 66698
at a public hearing held by the board under division (C)(2)(a) of 66699
this section. The response shall conform to any content 66700
requirements that may be established by the board and included in 66701
the notice provided under division (C)(2)(a) of this section. In 66702
the response, property owners may identify a parcel by street 66703
address, by the manner in which it is identified in the 66704
resolution, or by other means allowing the identity of the parcel 66705
to be ascertained. 66706

(c) Before adopting a resolution under division (C)(1) of 66707
this section, the board shall amend the resolution to exclude any 66708
parcel for which a written response has been submitted under 66709
division (C)(2)(b) of this section. A township shall not apply for 66710
exemptions from taxation under section 5709.911 of the Revised 66711
Code for any such parcel, and service payments may not be required 66712
from the owner of the parcel. Improvements to a parcel excluded 66713
from an incentive district under this division may be exempted 66714
from taxation under division (B) of this section pursuant to a 66715
resolution adopted under that division or under any other section 66716
of the Revised Code under which the parcel qualifies. 66717

(3)(a) A resolution adopted under division (C)(1) of this 66718
section shall specify the life of the incentive district and the 66719
percentage of the improvements to be exempted, shall designate the 66720
public infrastructure improvements made, to be made, or in the 66721
process of being made, that benefit or serve, or, once made, will 66722
benefit or serve parcels in the district. The resolution also 66723
shall identify one or more specific projects being, or to be, 66724
undertaken in the district that place additional demand on the 66725
public infrastructure improvements designated in the resolution. 66726
The project identified may, but need not be, the project under 66727
division (C)(3)(b) of this section that places real property in 66728
use for commercial or industrial purposes. 66729

A resolution adopted under division (C)(1) of this section on 66730
or after March 30, 2006, shall not designate police or fire 66731
equipment as public infrastructure improvements, and, except as 66732
provided in division (F) of this section, no service payment 66733
provided for in section 5709.74 of the Revised Code and received 66734
by the township under the resolution shall be used for police or 66735
fire equipment. 66736

(b) A resolution adopted under division (C)(1) of this 66737
section may authorize the use of service payments provided for in 66738
section 5709.74 of the Revised Code for the purpose of housing 66739
renovations within the incentive district, provided that the 66740
resolution also designates public infrastructure improvements that 66741
benefit or serve the district, and that a project within the 66742
district places real property in use for commercial or industrial 66743
purposes. Service payments may be used to finance or support 66744
loans, deferred loans, and grants to persons for the purpose of 66745
housing renovations within the district. The resolution shall 66746
designate the parcels within the district that are eligible for 66747
housing renovations. The resolution shall state separately the 66748
amount or the percentages of the expected aggregate service 66749
payments that are designated for each public infrastructure 66750
improvement and for the purpose of housing renovations. 66751

(4) Except with the approval of the board of education of 66752
each city, local, or exempted village school district within the 66753
territory of which the incentive district is or will be located, 66754
and subject to division (E) of this section, the life of an 66755
incentive district shall not exceed ten years, and the percentage 66756
of improvements to be exempted shall not exceed seventy-five per 66757
cent. With approval of the board of education, the life of a 66758
district may be not more than thirty years, and the percentage of 66759
improvements to be exempted may be not more than one hundred per 66760
cent. The approval of a board of education shall be obtained in 66761

the manner provided in division (D) of this section. 66762

(D) Improvements with respect to a parcel may be exempted 66763
from taxation under division (B) of this section, and improvements 66764
to parcels within an incentive district may be exempted from 66765
taxation under division (C) of this section, for up to ten years 66766
or, with the approval of the board of education of the city, 66767
local, or exempted village school district within which the parcel 66768
or district is located, for up to thirty years. The percentage of 66769
the improvements exempted from taxation may, with such approval, 66770
exceed seventy-five per cent, but shall not exceed one hundred per 66771
cent. Not later than forty-five business days prior to adopting a 66772
resolution under this section declaring improvements to be a 66773
public purpose that is subject to approval by a board of education 66774
under this division, the board of township trustees shall deliver 66775
to the board of education a notice stating its intent to adopt a 66776
resolution making that declaration. The notice regarding 66777
improvements with respect to a parcel under division (B) of this 66778
section shall identify the parcels for which improvements are to 66779
be exempted from taxation, provide an estimate of the true value 66780
in money of the improvements, specify the period for which the 66781
improvements would be exempted from taxation and the percentage of 66782
the improvements that would be exempted, and indicate the date on 66783
which the board of township trustees intends to adopt the 66784
resolution. The notice regarding improvements made under division 66785
(C) of this section to parcels within an incentive district shall 66786
delineate the boundaries of the district, specifically identify 66787
each parcel within the district, identify each anticipated 66788
improvement in the district, provide an estimate of the true value 66789
in money of each such improvement, specify the life of the 66790
district and the percentage of improvements that would be 66791
exempted, and indicate the date on which the board of township 66792
trustees intends to adopt the resolution. The board of education, 66793
by resolution adopted by a majority of the board, may approve the 66794

exemption for the period or for the exemption percentage specified 66795
in the notice; may disapprove the exemption for the number of 66796
years in excess of ten, may disapprove the exemption for the 66797
percentage of the improvements to be exempted in excess of 66798
seventy-five per cent, or both; or may approve the exemption on 66799
the condition that the board of township trustees and the board of 66800
education negotiate an agreement providing for compensation to the 66801
school district equal in value to a percentage of the amount of 66802
taxes exempted in the eleventh and subsequent years of the 66803
exemption period or, in the case of exemption percentages in 66804
excess of seventy-five per cent, compensation equal in value to a 66805
percentage of the taxes that would be payable on the portion of 66806
the improvements in excess of seventy-five per cent were that 66807
portion to be subject to taxation, or other mutually agreeable 66808
compensation. 66809

The board of education shall certify its resolution to the 66810
board of township trustees not later than fourteen days prior to 66811
the date the board of township trustees intends to adopt the 66812
resolution as indicated in the notice. If the board of education 66813
and the board of township trustees negotiate a mutually acceptable 66814
compensation agreement, the resolution may declare the 66815
improvements a public purpose for the number of years specified in 66816
the resolution or, in the case of exemption percentages in excess 66817
of seventy-five per cent, for the exemption percentage specified 66818
in the resolution. In either case, if the board of education and 66819
the board of township trustees fail to negotiate a mutually 66820
acceptable compensation agreement, the resolution may declare the 66821
improvements a public purpose for not more than ten years, and 66822
shall not exempt more than seventy-five per cent of the 66823
improvements from taxation. If the board of education fails to 66824
certify a resolution to the board of township trustees within the 66825
time prescribed by this section, the board of township trustees 66826
thereupon may adopt the resolution and may declare the 66827

improvements a public purpose for up to thirty years or, in the 66828
case of exemption percentages proposed in excess of seventy-five 66829
per cent, for the exemption percentage specified in the 66830
resolution. The board of township trustees may adopt the 66831
resolution at any time after the board of education certifies its 66832
resolution approving the exemption to the board of township 66833
trustees, or, if the board of education approves the exemption on 66834
the condition that a mutually acceptable compensation agreement be 66835
negotiated, at any time after the compensation agreement is agreed 66836
to by the board of education and the board of township trustees. 66837
If a mutually acceptable compensation agreement is negotiated 66838
between the board of township trustees and the board of education, 66839
including agreements for payments in lieu of taxes under section 66840
5709.74 of the Revised Code, the board of township trustees shall 66841
compensate the joint vocational school district within which the 66842
parcel or district is located at the same rate and under the same 66843
terms received by the city, local, or exempted village school 66844
district. 66845

If a board of education has adopted a resolution waiving its 66846
right to approve exemptions from taxation under this section and 66847
the resolution remains in effect, approval of such exemptions by 66848
the board of education is not required under division (D) of this 66849
section. If a board of education has adopted a resolution allowing 66850
a board of township trustees to deliver the notice required under 66851
division (D) of this section fewer than forty-five business days 66852
prior to adoption of the resolution by the board of township 66853
trustees, the board of township trustees shall deliver the notice 66854
to the board of education not later than the number of days prior 66855
to the adoption as prescribed by the board of education in its 66856
resolution. If a board of education adopts a resolution waiving 66857
its right to approve exemptions or shortening the notification 66858
period, the board of education shall certify a copy of the 66859
resolution to the board of township trustees. If the board of 66860

education rescinds the resolution, it shall certify notice of the 66861
rescission to the board of township trustees. 66862

If the board of township trustees is not required by division 66863
(D) of this section to notify the board of education of the board 66864
of township trustees' intent to declare improvements to be a 66865
public purpose, the board of township trustees shall comply with 66866
the notice requirements imposed under section 5709.83 of the 66867
Revised Code before taking formal action to adopt the resolution 66868
making that declaration, unless the board of education has adopted 66869
a resolution under that section waiving its right to receive the 66870
notice. 66871

Nothing in this division prohibits the board of township 66872
trustees from amending the resolution under section 5709.51 of the 66873
Revised Code to extend the term of the exemption. 66874

(E)(1) If a proposed resolution under division (C)(1) of this 66875
section exempts improvements with respect to a parcel within an 66876
incentive district for more than ten years, or the percentage of 66877
the improvement exempted from taxation exceeds seventy-five per 66878
cent, not later than forty-five business days prior to adopting 66879
the resolution the board of township trustees shall deliver to the 66880
board of county commissioners of the county within which the 66881
incentive district is or will be located a notice that states its 66882
intent to adopt a resolution creating an incentive district. The 66883
notice shall include a copy of the proposed resolution, identify 66884
the parcels for which improvements are to be exempted from 66885
taxation, provide an estimate of the true value in money of the 66886
improvements, specify the period of time for which the 66887
improvements would be exempted from taxation, specify the 66888
percentage of the improvements that would be exempted from 66889
taxation, and indicate the date on which the board of township 66890
trustees intends to adopt the resolution. 66891

(2) The board of county commissioners, by resolution adopted 66892

by a majority of the board, may object to the exemption for the 66893
number of years in excess of ten, may object to the exemption for 66894
the percentage of the improvement to be exempted in excess of 66895
seventy-five per cent, or both. If the board of county 66896
commissioners objects, the board may negotiate a mutually 66897
acceptable compensation agreement with the board of township 66898
trustees. In no case shall the compensation provided to the board 66899
of county commissioners exceed the property taxes foregone due to 66900
the exemption. If the board of county commissioners objects, and 66901
the board of county commissioners and board of township trustees 66902
fail to negotiate a mutually acceptable compensation agreement, 66903
the resolution adopted under division (C)(1) of this section shall 66904
provide to the board of county commissioners compensation in the 66905
eleventh and subsequent years of the exemption period equal in 66906
value to not more than fifty per cent of the taxes that would be 66907
payable to the county or, if the board of county commissioner's 66908
objection includes an objection to an exemption percentage in 66909
excess of seventy-five per cent, compensation equal in value to 66910
not more than fifty per cent of the taxes that would be payable to 66911
the county, on the portion of the improvement in excess of 66912
seventy-five per cent, were that portion to be subject to 66913
taxation. The board of county commissioners shall certify its 66914
resolution to the board of township trustees not later than thirty 66915
days after receipt of the notice. 66916

(3) If the board of county commissioners does not object or 66917
fails to certify its resolution objecting to an exemption within 66918
thirty days after receipt of the notice, the board of township 66919
trustees may adopt its resolution, and no compensation shall be 66920
provided to the board of county commissioners. If the board of 66921
county commissioners timely certifies its resolution objecting to 66922
the trustees' resolution, the board of township trustees may adopt 66923
its resolution at any time after a mutually acceptable 66924
compensation agreement is agreed to by the board of county 66925

commissioners and the board of township trustees, or, if no 66926
compensation agreement is negotiated, at any time after the board 66927
of township trustees agrees in the proposed resolution to provide 66928
compensation to the board of county commissioners of fifty per 66929
cent of the taxes that would be payable to the county in the 66930
eleventh and subsequent years of the exemption period or on the 66931
portion of the improvement in excess of seventy-five per cent, 66932
were that portion to be subject to taxation. 66933

(F) Service payments in lieu of taxes that are attributable 66934
to any amount by which the effective tax rate of either a renewal 66935
levy with an increase or a replacement levy exceeds the effective 66936
tax rate of the levy renewed or replaced, or that are attributable 66937
to an additional levy, for a levy authorized by the voters for any 66938
of the following purposes on or after January 1, 2006, and which 66939
are provided pursuant to a resolution creating an incentive 66940
district under division (C)(1) of this section that is adopted on 66941
or after January 1, 2006, or a later date as specified in this 66942
division, shall be distributed to the appropriate taxing authority 66943
as required under division (C) of section 5709.74 of the Revised 66944
Code in an amount equal to the amount of taxes from that 66945
additional levy or from the increase in the effective tax rate of 66946
such renewal or replacement levy that would have been payable to 66947
that taxing authority from the following levies were it not for 66948
the exemption authorized under division (C) of this section: 66949

(1) A tax levied under division (L) of section 5705.19 or 66950
section 5705.191 or 5705.222 of the Revised Code for community 66951
developmental disabilities programs and services pursuant to 66952
Chapter 5126. of the Revised Code; 66953

(2) A tax levied under division (Y) of section 5705.19 of the 66954
Revised Code for providing or maintaining senior citizens services 66955
or facilities; 66956

(3) A tax levied under section 5705.22 of the Revised Code 66957

for county hospitals;	66958
(4) A tax levied by a joint-county district or by a county	66959
under section 5705.19, 5705.191, or 5705.221 of the Revised Code	66960
for alcohol, drug addiction, and mental health services or	66961
families;	66962
(5) A tax levied under section 5705.23 of the Revised Code	66963
for library purposes;	66964
(6) A tax levied under section 5705.24 of the Revised Code	66965
for the support of children services and the placement and care of	66966
children;	66967
(7) A tax levied under division (Z) of section 5705.19 of the	66968
Revised Code for the provision and maintenance of zoological park	66969
services and facilities under section 307.76 of the Revised Code;	66970
(8) A tax levied under section 511.27 or division (H) of	66971
section 5705.19 of the Revised Code for the support of township	66972
park districts;	66973
(9) A tax levied under division (A), (F), or (H) of section	66974
5705.19 of the Revised Code for parks and recreational purposes of	66975
a joint recreation district organized pursuant to division (B) of	66976
section 755.14 of the Revised Code;	66977
(10) A tax levied under section 1545.20 or 1545.21 of the	66978
Revised Code for park district purposes;	66979
(11) A tax levied under section 5705.191 of the Revised Code	66980
for the purpose of making appropriations for public assistance;	66981
human or social services; public relief; public welfare; public	66982
health and hospitalization; and support of general hospitals;	66983
(12) A tax levied under section 3709.29 of the Revised Code	66984
for a general health district program;	66985
(13) A tax levied by a township under section 505.39, 505.51,	66986
or division (I), (J), (U), or (JJ) of section 5705.19 of the	66987

Revised Code for the purpose of funding fire, police, emergency 66988
medical, or ambulance services as described in those sections. 66989
Division (F)(13) of this section applies only to incentive 66990
districts created by a resolution adopted on or after March 22, 66991
2019, the effective date of the amendment of this section by H.B. 66992
500 of the 132nd general assembly, and only if that resolution 66993
specifies that division (F) of this section shall apply to such a 66994
tax. 66995

(G) An exemption from taxation granted under this section 66996
commences with the tax year specified in the resolution so long as 66997
the year specified in the resolution commences after the effective 66998
date of the resolution. If the resolution specifies a year 66999
commencing before the effective date of the resolution or 67000
specifies no year whatsoever, the exemption commences with the tax 67001
year in which an exempted improvement first appears on the tax 67002
list and duplicate of real and public utility property and that 67003
commences after the effective date of the resolution. In lieu of 67004
stating a specific year, the resolution may provide that the 67005
exemption commences in the tax year in which the value of an 67006
improvement exceeds a specified amount or in which the 67007
construction of one or more improvements is completed, provided 67008
that such tax year commences after the effective date of the 67009
resolution. With respect to the exemption of improvements to 67010
parcels under division (B) of this section, the resolution may 67011
allow for the exemption to commence in different tax years on a 67012
parcel-by-parcel basis, with a separate exemption term specified 67013
for each parcel. 67014

Except as otherwise provided in this division and section 67015
5709.51 of the Revised Code, the exemption ends on the date 67016
specified in the resolution as the date the improvement ceases to 67017
be a public purpose or the incentive district expires, or ends on 67018
the date on which the public infrastructure improvements and 67019

housing renovations are paid in full from the township public 67020
improvement tax increment equivalent fund established under 67021
section 5709.75 of the Revised Code, whichever occurs first. The 67022
exemption of an improvement with respect to a parcel or within an 67023
incentive district may end on a later date, as specified in the 67024
resolution, if the board of township trustees and the board of 67025
education of the city, local, or exempted village school district 67026
within which the parcel or district is located have entered into a 67027
compensation agreement under section 5709.82 of the Revised Code 67028
with respect to the improvement and the board of education has 67029
approved the term of the exemption under division (D) of this 67030
section, but in no case shall the improvement be exempted from 67031
taxation for more than thirty years. The board of township 67032
trustees may, by majority vote, adopt a resolution permitting the 67033
township to enter into such agreements as the board finds 67034
necessary or appropriate to provide for the construction or 67035
undertaking of public infrastructure improvements and housing 67036
renovations. Any exemption shall be claimed and allowed in the 67037
same or a similar manner as in the case of other real property 67038
exemptions. If an exemption status changes during a tax year, the 67039
procedure for the apportionment of the taxes for that year is the 67040
same as in the case of other changes in tax exemption status 67041
during the year. 67042

(H) The board of township trustees may issue the notes of the 67043
township to finance all costs pertaining to the construction or 67044
undertaking of public infrastructure improvements and housing 67045
renovations made pursuant to this section. The notes shall be 67046
signed by the board and attested by the signature of the township 67047
fiscal officer, shall bear interest not to exceed the rate 67048
provided in section 9.95 of the Revised Code, and are not subject 67049
to Chapter 133. of the Revised Code. The resolution authorizing 67050
the issuance of the notes shall pledge the funds of the township 67051
public improvement tax increment equivalent fund established 67052

pursuant to section 5709.75 of the Revised Code to pay the 67053
interest on and principal of the notes. The notes, which may 67054
contain a clause permitting prepayment at the option of the board, 67055
shall be offered for sale on the open market or given to the 67056
vendor or contractor if no sale is made. 67057

(I) The township, not later than fifteen days after the 67058
adoption of a resolution under this section, shall submit to the 67059
director of development services a copy of the resolution. On or 67060
before the thirty-first day of March of each year, the township 67061
shall submit a status report to the director of development 67062
services. The report shall indicate, in the manner prescribed by 67063
the director, the progress of the project during each year that 67064
the exemption remains in effect, including a summary of the 67065
receipts from service payments in lieu of taxes; expenditures of 67066
money from the fund created under section 5709.75 of the Revised 67067
Code; a description of the public infrastructure improvements and 67068
housing renovations financed with the expenditures; and a 67069
quantitative summary of changes in private investment resulting 67070
from each project. 67071

(J) Nothing in this section shall be construed to prohibit a 67072
board of township trustees from declaring to be a public purpose 67073
improvements with respect to more than one parcel. 67074

If a parcel is located in a new community district in which 67075
the new community authority imposes a community development charge 67076
on the basis of rentals received from leases of real property as 67077
described in division (L)(2) of section 349.01 of the Revised 67078
Code, the parcel may not be exempted from taxation under this 67079
section. 67080

(K) A board of township trustees that adopted a resolution 67081
under this section prior to July 21, 1994, may amend that 67082
resolution to include any additional public infrastructure 67083
improvement. A board of township trustees that seeks by the 67084

amendment to utilize money from its township public improvement 67085
tax increment equivalent fund for land acquisition in aid of 67086
industry, commerce, distribution, or research, demolition on 67087
private property, or stormwater and flood remediation projects may 67088
do so provided that the board currently is a party to a 67089
hold-harmless agreement with the board of education of the city, 67090
local, or exempted village school district within the territory of 67091
which are located the parcels that are subject to an exemption. 67092
For the purposes of this division, a "hold-harmless agreement" 67093
means an agreement under which the board of township trustees 67094
agrees to compensate the school district for one hundred per cent 67095
of the tax revenue that the school district would have received 67096
from further improvements to parcels designated in the resolution 67097
were it not for the exemption granted by the resolution. 67098

(L) Notwithstanding the limitation prescribed by division (D) 67099
of this section on the number of years that improvements to a 67100
parcel or parcels may be exempted from taxation, a board of 67101
trustees of a township with a population of fifteen thousand or 67102
more may amend a resolution originally adopted under this section 67103
before December 31, 1994, to extend the exemption of improvements 67104
to the parcel or parcels included in such resolution for an 67105
additional period not to exceed fifteen years. The amendment shall 67106
not increase the percentage of improvements to the parcel or 67107
parcels exempted from taxation. Before adopting an amendment 67108
authorized under this division, the board of township trustees 67109
shall obtain the approval of each board of education of the city, 67110
local, or exempted village school district within which the 67111
exempted parcels are located in the manner required under division 67112
(D) of this section, except that (1) the board of education may 67113
approve the exemption on the condition that the board of township 67114
trustees and the board of education negotiate an agreement 67115
providing for compensation to the school district equal in value 67116
to the amount of taxes the district forgoes in each year the 67117

exemption is extended pursuant to this division or any other 67118
mutually agreeable compensation and (2) if the board of education 67119
fails to certify a resolution approving the amendment to the board 67120
of township trustees within the time prescribed by division (D) of 67121
this section, the board of township trustees shall not adopt the 67122
amendment authorized under this division. 67123

No approval under this division shall be required from a 67124
board of education that has adopted a resolution waiving its right 67125
to approve exemptions from taxation pursuant to division (D) of 67126
this section. If the board of education has adopted such a 67127
resolution, the board of township trustees shall comply with the 67128
notice requirements imposed under section 5709.83 of the Revised 67129
Code before taking formal action to adopt an amendment authorized 67130
under this division unless the board of education has adopted a 67131
resolution under that section waiving its right to receive the 67132
notice. Not later than fourteen days before adopting an amendment 67133
authorized under this division, the board of township trustees 67134
shall deliver a notice identical to a notice required under 67135
section 5709.83 of the Revised Code to the board of county 67136
commissioners of each county in which the exempted parcels are 67137
located. 67138

Sec. 5709.78. (A) A board of county commissioners may, by 67139
resolution, declare improvements to certain parcels of real 67140
property located in the unincorporated territory of the county to 67141
be a public purpose. Except ~~with the approval as otherwise~~ 67142
~~provided~~ under division (C) of this section ~~of the board of~~ 67143
~~education of each city, local, or exempted village school district~~ 67144
~~within which the improvements are located~~ or section 5709.51 of 67145
the Revised Code, not more than seventy-five per cent of an 67146
improvement thus declared to be a public purpose may be exempted 67147
from real property taxation, for a period of not more than ten 67148
years. The resolution shall specify the percentage of the 67149

improvement to be exempted and the life of the exemption. 67150

A resolution adopted under this division shall designate the 67151
specific public infrastructure improvements made, to be made, or 67152
in the process of being made by the county that directly benefit, 67153
or that once made will directly benefit, the parcels for which 67154
improvements are declared to be a public purpose. The service 67155
payments provided for in section 5709.79 of the Revised Code shall 67156
be used to finance the public infrastructure improvements 67157
designated in the resolution, or as provided in section 5709.80 of 67158
the Revised Code. 67159

(B)(1) A board of county commissioners may adopt a resolution 67160
creating an incentive district and declaring improvements to 67161
parcels within the district to be a public purpose and, except as 67162
provided in division (B)(2) of this section, exempt from taxation 67163
as provided in this section, but no board of county commissioners 67164
of a county that has a population that exceeds twenty-five 67165
thousand, as shown by the most recent federal decennial census, 67166
shall adopt a resolution that creates an incentive district if the 67167
sum of the taxable value of real property in the proposed district 67168
for the preceding tax year and the taxable value of all real 67169
property in the county that would have been taxable in the 67170
preceding year were it not for the fact that the property was in 67171
an existing incentive district and therefore exempt from taxation 67172
exceeds twenty-five per cent of the taxable value of real property 67173
in the county for the preceding tax year. The district shall be 67174
located within the unincorporated territory of the county and 67175
shall not include any territory that is included within a district 67176
created under division (C) of section 5709.73 of the Revised Code. 67177
The resolution shall delineate the boundary of the proposed 67178
district and specifically identify each parcel within the 67179
district. A proposed district may not include any parcel that is 67180
or has been exempted from taxation under division (A) of this 67181

section or that is or has been within another district created 67182
under this division. A resolution may create more than one such 67183
district, and more than one resolution may be adopted under 67184
division (B)(1) of this section. 67185

(2)(a) Not later than thirty days prior to adopting a 67186
resolution under division (B)(1) of this section, if the county 67187
intends to apply for exemptions from taxation under section 67188
5709.911 of the Revised Code on behalf of owners of real property 67189
located within the proposed incentive district, the board of 67190
county commissioners shall conduct a public hearing on the 67191
proposed resolution. Not later than thirty days prior to the 67192
public hearing, the board shall give notice of the public hearing 67193
and the proposed resolution by first class mail to every real 67194
property owner whose property is located within the boundaries of 67195
the proposed incentive district that is the subject of the 67196
proposed resolution. The board also shall provide the notice by 67197
first class mail to the clerk of each township in which the 67198
proposed incentive district will be located. The notice shall 67199
include a map of the proposed incentive district on which the 67200
board of county commissioners shall have delineated an overlay. 67201
The notice shall inform property owners of the owner's right to 67202
exclude the owner's property from the incentive district if both 67203
of the following conditions are met: 67204

(i) The owner's entire parcel of property will not be located 67205
within the overlay. 67206

(ii) The owner has submitted a statement to the board of 67207
township trustees of the township in which the parcel is located 67208
indicating the owner's intent to seek a tax exemption for 67209
improvements to the owner's parcel under division (B) or (C) of 67210
section 5709.73 of the Revised Code within the next five years. 67211

When both of the preceding conditions are met, the owner may 67212
exclude the owner's property from the incentive district by 67213

submitting a written response in accordance with division 67214
(B)(2)(b) of this section. The notice also shall include 67215
information detailing the required contents of the response, the 67216
address to which the response may be mailed, and the deadline for 67217
submitting the response. 67218

(b) Any owner of real property located within the boundaries 67219
of an incentive district proposed under division (B) (1) of this 67220
section who meets the conditions specified in divisions 67221
(B)(2)(a)(i) and (ii) of this section may exclude the property 67222
from the proposed incentive district by submitting a written 67223
response to the board not later than forty-five days after the 67224
postmark date on the notice required under division (B)(2)(a) of 67225
this section. The response shall include a copy of the statement 67226
submitted under division (B)(2)(a)(ii) of this section. The 67227
response shall be sent by first class mail or delivered in person 67228
at a public hearing held by the board under division (B)(2)(a) of 67229
this section. The response shall conform to any content 67230
requirements that may be established by the board and included in 67231
the notice provided under division (B)(2)(a) of this section. In 67232
the response, property owners may identify a parcel by street 67233
address, by the manner in which it is identified in the 67234
resolution, or by other means allowing the identity of the parcel 67235
to be ascertained. 67236

(c) Before adopting a resolution under division (B)(1) of 67237
this section, the board shall amend the resolution to exclude any 67238
parcel for which a written response has been submitted under 67239
division (B)(2)(b) of this section. A county shall not apply for 67240
exemptions from taxation under section 5709.911 of the Revised 67241
Code for any such parcel, and service payments may not be required 67242
from the owner of the parcel. Improvements to a parcel excluded 67243
from an incentive district under this division may be exempted 67244
from taxation under division (A) of this section pursuant to a 67245

resolution adopted under that division or under any other section 67246
of the Revised Code under which the parcel qualifies. 67247

(3)(a) A resolution adopted under division (B)(1) of this 67248
section shall specify the life of the incentive district and the 67249
percentage of the improvements to be exempted, shall designate the 67250
public infrastructure improvements made, to be made, or in the 67251
process of being made, that benefit or serve, or, once made, will 67252
benefit or serve parcels in the district. The resolution also 67253
shall identify one or more specific projects being, or to be, 67254
undertaken in the district that place additional demand on the 67255
public infrastructure improvements designated in the resolution. 67256
The project identified may, but need not be, the project under 67257
division (B)(3)(b) of this section that places real property in 67258
use for commercial or industrial purposes. 67259

A resolution adopted under division (B)(1) of this section on 67260
or after March 30, 2006, shall not designate police or fire 67261
equipment as public infrastructure improvements, and no service 67262
payment provided for in section 5709.79 of the Revised Code and 67263
received by the county under the resolution shall be used for 67264
police or fire equipment. 67265

(b) A resolution adopted under division (B)(1) of this 67266
section may authorize the use of service payments provided for in 67267
section 5709.79 of the Revised Code for the purpose of housing 67268
renovations within the incentive district, provided that the 67269
resolution also designates public infrastructure improvements that 67270
benefit or serve the district, and that a project within the 67271
district places real property in use for commercial or industrial 67272
purposes. Service payments may be used to finance or support 67273
loans, deferred loans, and grants to persons for the purpose of 67274
housing renovations within the district. The resolution shall 67275
designate the parcels within the district that are eligible for 67276
housing renovations. The resolution shall state separately the 67277

amount or the percentages of the expected aggregate service 67278
payments that are designated for each public infrastructure 67279
improvement and for the purpose of housing renovations. 67280

(4) Except with the approval of the board of education of 67281
each city, local, or exempted village school district within the 67282
territory of which the incentive district is or will be located, 67283
and subject to division (D) of this section, the life of an 67284
incentive district shall not exceed ten years, and the percentage 67285
of improvements to be exempted shall not exceed seventy-five per 67286
cent. With approval of the board of education, the life of a 67287
district may be not more than thirty years, and the percentage of 67288
improvements to be exempted may be not more than one hundred per 67289
cent. The approval of a board of education shall be obtained in 67290
the manner provided in division (C) of this section. 67291

(C)(1) Improvements with respect to a parcel may be exempted 67292
from taxation under division (A) of this section, and improvements 67293
to parcels within an incentive district may be exempted from 67294
taxation under division (B) of this section, for up to ten years 67295
or, with the approval of the board of education of each city, 67296
local, or exempted village school district within which the parcel 67297
or district is located, for up to thirty years. The percentage of 67298
the improvements exempted from taxation may, with such approval, 67299
exceed seventy-five per cent, but shall not exceed one hundred per 67300
cent. Not later than forty-five business days prior to adopting a 67301
resolution under this section declaring improvements to be a 67302
public purpose that is subject to the approval of a board of 67303
education under this division, the board of county commissioners 67304
shall deliver to the board of education a notice stating its 67305
intent to adopt a resolution making that declaration. The notice 67306
regarding improvements with respect to a parcel under division (A) 67307
of this section shall identify the parcels for which improvements 67308
are to be exempted from taxation, provide an estimate of the true 67309

value in money of the improvements, specify the period for which 67310
the improvements would be exempted from taxation and the 67311
percentage of the improvements that would be exempted, and 67312
indicate the date on which the board of county commissioners 67313
intends to adopt the resolution. The notice regarding improvements 67314
to parcels within an incentive district under division (B) of this 67315
section shall delineate the boundaries of the district, 67316
specifically identify each parcel within the district, identify 67317
each anticipated improvement in the district, provide an estimate 67318
of the true value in money of each such improvement, specify the 67319
life of the district and the percentage of improvements that would 67320
be exempted, and indicate the date on which the board of county 67321
commissioners intends to adopt the resolution. The board of 67322
education, by resolution adopted by a majority of the board, may 67323
approve the exemption for the period or for the exemption 67324
percentage specified in the notice; may disapprove the exemption 67325
for the number of years in excess of ten, may disapprove the 67326
exemption for the percentage of the improvements to be exempted in 67327
excess of seventy-five per cent, or both; or may approve the 67328
exemption on the condition that the board of county commissioners 67329
and the board of education negotiate an agreement providing for 67330
compensation to the school district equal in value to a percentage 67331
of the amount of taxes exempted in the eleventh and subsequent 67332
years of the exemption period or, in the case of exemption 67333
percentages in excess of seventy-five per cent, compensation equal 67334
in value to a percentage of the taxes that would be payable on the 67335
portion of the improvements in excess of seventy-five per cent 67336
were that portion to be subject to taxation, or other mutually 67337
agreeable compensation. 67338

(2) The board of education shall certify its resolution to 67339
the board of county commissioners not later than fourteen days 67340
prior to the date the board of county commissioners intends to 67341
adopt its resolution as indicated in the notice. If the board of 67342

education and the board of county commissioners negotiate a 67343
mutually acceptable compensation agreement, the resolution of the 67344
board of county commissioners may declare the improvements a 67345
public purpose for the number of years specified in that 67346
resolution or, in the case of exemption percentages in excess of 67347
seventy-five per cent, for the exemption percentage specified in 67348
the resolution. In either case, if the board of education and the 67349
board of county commissioners fail to negotiate a mutually 67350
acceptable compensation agreement, the resolution may declare the 67351
improvements a public purpose for not more than ten years, and 67352
shall not exempt more than seventy-five per cent of the 67353
improvements from taxation. If the board of education fails to 67354
certify a resolution to the board of county commissioners within 67355
the time prescribed by this section, the board of county 67356
commissioners thereupon may adopt the resolution and may declare 67357
the improvements a public purpose for up to thirty years or, in 67358
the case of exemption percentages proposed in excess of 67359
seventy-five per cent, for the exemption percentage specified in 67360
the resolution. The board of county commissioners may adopt the 67361
resolution at any time after the board of education certifies its 67362
resolution approving the exemption to the board of county 67363
commissioners, or, if the board of education approves the 67364
exemption on the condition that a mutually acceptable compensation 67365
agreement be negotiated, at any time after the compensation 67366
agreement is agreed to by the board of education and the board of 67367
county commissioners. If a mutually acceptable compensation 67368
agreement is negotiated between the board of county commissioners 67369
and the board of education, including agreements for payments in 67370
lieu of taxes under section 5709.79 of the Revised Code, the board 67371
of county commissioners shall compensate the joint vocational 67372
school district within which the parcel or district is located at 67373
the same rate and under the same terms received by the city, 67374
local, or exempted village school district. 67375

(3) If a board of education has adopted a resolution waiving its right to approve exemptions from taxation under this section and the resolution remains in effect, approval of such exemptions by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under division (C) of this section fewer than forty-five business days prior to approval of the resolution by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve exemptions or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(4) Nothing in division (C) of this section prohibits the board of county commissioners from amending the resolution under section 5709.51 of the Revised Code to extend the term of the exemption.

(D)(1) If a proposed resolution under division (B)(1) of this section exempts improvements with respect to a parcel within an incentive district for more than ten years, or the percentage of the improvement exempted from taxation exceeds seventy-five per cent, not later than forty-five business days prior to adopting the resolution the board of county commissioners shall deliver to the board of township trustees of any township within which the incentive district is or will be located a notice that states its intent to adopt a resolution creating an incentive district. The notice shall include a copy of the proposed resolution, identify

the parcels for which improvements are to be exempted from 67408
taxation, provide an estimate of the true value in money of the 67409
improvements, specify the period of time for which the 67410
improvements would be exempted from taxation, specify the 67411
percentage of the improvements that would be exempted from 67412
taxation, and indicate the date on which the board intends to 67413
adopt the resolution. 67414

(2) The board of township trustees, by resolution adopted by 67415
a majority of the board, may object to the exemption for the 67416
number of years in excess of ten, may object to the exemption for 67417
the percentage of the improvement to be exempted in excess of 67418
seventy-five per cent, or both. If the board of township trustees 67419
objects, the board of township trustees may negotiate a mutually 67420
acceptable compensation agreement with the board of county 67421
commissioners. In no case shall the compensation provided to the 67422
board of township trustees exceed the property taxes forgone due 67423
to the exemption. If the board of township trustees objects, and 67424
the board of township trustees and the board of county 67425
commissioners fail to negotiate a mutually acceptable compensation 67426
agreement, the resolution adopted under division (B)(1) of this 67427
section shall provide to the board of township trustees 67428
compensation in the eleventh and subsequent years of the exemption 67429
period equal in value to not more than fifty per cent of the taxes 67430
that would be payable to the township or, if the board of township 67431
trustee's objection includes an objection to an exemption 67432
percentage in excess of seventy-five per cent, compensation equal 67433
in value to not more than fifty per cent of the taxes that would 67434
be payable to the township on the portion of the improvement in 67435
excess of seventy-five per cent, were that portion to be subject 67436
to taxation. The board of township trustees shall certify its 67437
resolution to the board of county commissioners not later than 67438
thirty days after receipt of the notice. 67439

(3) If the board of township trustees does not object or 67440
fails to certify a resolution objecting to an exemption within 67441
thirty days after receipt of the notice, the board of county 67442
commissioners may adopt its resolution, and no compensation shall 67443
be provided to the board of township trustees. If the board of 67444
township trustees certifies its resolution objecting to the 67445
commissioners' resolution, the board of county commissioners may 67446
adopt its resolution at any time after a mutually acceptable 67447
compensation agreement is agreed to by the board of county 67448
commissioners and the board of township trustees. If the board of 67449
township trustees certifies a resolution objecting to the 67450
commissioners' resolution, the board of county commissioners may 67451
adopt its resolution at any time after a mutually acceptable 67452
compensation agreement is agreed to by the board of county 67453
commissioners and the board of township trustees, or, if no 67454
compensation agreement is negotiated, at any time after the board 67455
of county commissioners in the proposed resolution to provide 67456
compensation to the board of township trustees of fifty per cent 67457
of the taxes that would be payable to the township in the eleventh 67458
and subsequent years of the exemption period or on the portion of 67459
the improvement in excess of seventy-five per cent, were that 67460
portion to be subject to taxation. 67461

(E) Service payments in lieu of taxes that are attributable 67462
to any amount by which the effective tax rate of either a renewal 67463
levy with an increase or a replacement levy exceeds the effective 67464
tax rate of the levy renewed or replaced, or that are attributable 67465
to an additional levy, for a levy authorized by the voters for any 67466
of the following purposes on or after January 1, 2006, and which 67467
are provided pursuant to a resolution creating an incentive 67468
district under division (B)(1) of this section that is adopted on 67469
or after January 1, 2006, shall be distributed to the appropriate 67470
taxing authority as required under division (D) of section 5709.79 67471
of the Revised Code in an amount equal to the amount of taxes from 67472

that additional levy or from the increase in the effective tax rate of such renewal or replacement levy that would have been payable to that taxing authority from the following levies were it not for the exemption authorized under division (B) of this section:

(1) A tax levied under division (L) of section 5705.19 or section 5705.191 or 5705.222 of the Revised Code for community developmental disabilities programs and services pursuant to Chapter 5126. of the Revised Code;

(2) A tax levied under division (Y) of section 5705.19 of the Revised Code for providing or maintaining senior citizens services or facilities;

(3) A tax levied under section 5705.22 of the Revised Code for county hospitals;

(4) A tax levied by a joint-county district or by a county under section 5705.19, 5705.191, or 5705.221 of the Revised Code for alcohol, drug addiction, and mental health services or facilities;

(5) A tax levied under section 5705.23 of the Revised Code for library purposes;

(6) A tax levied under section 5705.24 of the Revised Code for the support of children services and the placement and care of children;

(7) A tax levied under division (Z) of section 5705.19 of the Revised Code for the provision and maintenance of zoological park services and facilities under section 307.76 of the Revised Code;

(8) A tax levied under section 511.27 or division (H) of section 5705.19 of the Revised Code for the support of township park districts;

(9) A tax levied under division (A), (F), or (H) of section

5705.19 of the Revised Code for parks and recreational purposes of 67503
a joint recreation district organized pursuant to division (B) of 67504
section 755.14 of the Revised Code; 67505

(10) A tax levied under section 1545.20 or 1545.21 of the 67506
Revised Code for park district purposes; 67507

(11) A tax levied under section 5705.191 of the Revised Code 67508
for the purpose of making appropriations for public assistance; 67509
human or social services; public relief; public welfare; public 67510
health and hospitalization; and support of general hospitals; 67511

(12) A tax levied under section 3709.29 of the Revised Code 67512
for a general health district program. 67513

(F) An exemption from taxation granted under this section 67514
commences with the tax year specified in the resolution so long as 67515
the year specified in the resolution commences after the effective 67516
date of the resolution. If the resolution specifies a year 67517
commencing before the effective date of the resolution or 67518
specifies no year whatsoever, the exemption commences with the tax 67519
year in which an exempted improvement first appears on the tax 67520
list and duplicate of real and public utility property and that 67521
commences after the effective date of the resolution. In lieu of 67522
stating a specific year, the resolution may provide that the 67523
exemption commences in the tax year in which the value of an 67524
improvement exceeds a specified amount or in which the 67525
construction of one or more improvements is completed, provided 67526
that such tax year commences after the effective date of the 67527
resolution. With respect to the exemption of improvements to 67528
parcels under division (A) of this section, the resolution may 67529
allow for the exemption to commence in different tax years on a 67530
parcel-by-parcel basis, with a separate exemption term specified 67531
for each parcel. 67532

Except as otherwise provided in this division, the exemption 67533

ends on the date specified in the resolution as the date the 67534
improvement ceases to be a public purpose or the incentive 67535
district expires, or ends on the date on which the county can no 67536
longer require annual service payments in lieu of taxes under 67537
section 5709.79 of the Revised Code, whichever occurs first. The 67538
exemption of an improvement with respect to a parcel or within an 67539
incentive district may end on a later date, as specified in the 67540
resolution, if the board of commissioners and the board of 67541
education of the city, local, or exempted village school district 67542
within which the parcel or district is located have entered into a 67543
compensation agreement under section 5709.82 of the Revised Code 67544
with respect to the improvement, and the board of education has 67545
approved the term of the exemption under division (C)(1) of this 67546
section, but in no case shall the improvement be exempted from 67547
taxation for more than thirty years. Exemptions shall be claimed 67548
and allowed in the same or a similar manner as in the case of 67549
other real property exemptions. If an exemption status changes 67550
during a tax year, the procedure for the apportionment of the 67551
taxes for that year is the same as in the case of other changes in 67552
tax exemption status during the year. 67553

(G) If the board of county commissioners is not required by 67554
this section to notify the board of education of the board of 67555
county commissioners' intent to declare improvements to be a 67556
public purpose, the board of county commissioners shall comply 67557
with the notice requirements imposed under section 5709.83 of the 67558
Revised Code before taking formal action to adopt the resolution 67559
making that declaration, unless the board of education has adopted 67560
a resolution under that section waiving its right to receive such 67561
a notice. 67562

(H) The county, not later than fifteen days after the 67563
adoption of a resolution under this section, shall submit to the 67564
director of development services a copy of the resolution. On or 67565

before the thirty-first day of March of each year, the county 67566
shall submit a status report to the director of development 67567
services. The report shall indicate, in the manner prescribed by 67568
the director, the progress of the project during each year that an 67569
exemption remains in effect, including a summary of the receipts 67570
from service payments in lieu of taxes; expenditures of money from 67571
the fund created under section 5709.80 of the Revised Code; a 67572
description of the public infrastructure improvements and housing 67573
renovations financed with such expenditures; and a quantitative 67574
summary of changes in employment and private investment resulting 67575
from each project. 67576

(I) Nothing in this section shall be construed to prohibit a 67577
board of county commissioners from declaring to be a public 67578
purpose improvements with respect to more than one parcel. 67579

(J) If a parcel is located in a new community district in 67580
which the new community authority imposes a community development 67581
charge on the basis of rentals received from leases of real 67582
property as described in division (L)(2) of section 349.01 of the 67583
Revised Code, the parcel may not be exempted from taxation under 67584
this section. 67585

Sec. 5713.08. (A) The county auditor shall make a list of all 67586
real and personal property in the auditor's county that is 67587
exempted from taxation. Such list shall show the name of the 67588
owner, the value of the property exempted, and a statement in 67589
brief form of the ground on which such exemption has been granted. 67590
It shall be corrected annually by adding thereto the items of 67591
property which have been exempted during the year, and by striking 67592
therefrom the items which in the opinion of the auditor have lost 67593
their right of exemption and which have been reentered on the 67594
taxable list, but no property shall be struck from the exempt 67595
property list solely because the property has been conveyed to a 67596

single member limited liability company with a nonprofit purpose 67597
from its nonprofit member or because the property has been 67598
conveyed by a single member limited liability company with a 67599
nonprofit purpose to its nonprofit member. No additions shall be 67600
made to such exempt lists and no additional items of property 67601
shall be exempted from taxation without the consent of the tax 67602
commissioner as is provided for in section 5715.27 of the Revised 67603
Code or without the consent of the housing officer under section 67604
3735.67 of the Revised Code, except for property exempted by the 67605
auditor under that section, property owned by a community school 67606
and subject to the exemption authorized under division (A)(1) of 67607
section 5709.07 of the Revised Code for tax years after the tax 67608
year for which the commissioner grants an application under 67609
section 5715.27 of the Revised Code, as described in division (I) 67610
of that section, or qualifying agricultural real property, as 67611
defined in section 5709.28 of the Revised Code, that is enrolled 67612
in an agriculture security area that is exempt under that section. 67613
The 67614

The commissioner may revise at any time the list in every 67615
county so that no property is improperly or illegally exempted 67616
from taxation. The auditor shall follow the orders of the 67617
commissioner given under this section. An abstract of such list 67618
shall be filed annually with the commissioner, on a form approved 67619
by the commissioner, and a copy thereof shall be kept on file in 67620
the office of each auditor for public inspection. 67621

An application for exemption of property shall include a 67622
certificate executed by the county treasurer certifying one of the 67623
following: 67624

(1) That all taxes, interest, and penalties levied and 67625
assessed against the property sought to be exempted have been paid 67626
in full for all of the tax years preceding the tax year for which 67627
the application for exemption is filed, except for such taxes, 67628

interest, and penalties that may be remitted under division (C) of 67629
this section; 67630

(2) That the applicant has entered into a valid delinquent 67631
tax contract with the county treasurer pursuant to division (A) of 67632
section 323.31 of the Revised Code to pay all of the delinquent 67633
taxes, interest, and penalties charged against the property, 67634
except for such taxes, interest, and penalties that may be 67635
remitted under division (C) of this section. If the auditor 67636
receives notice under section 323.31 of the Revised Code that such 67637
a written delinquent tax contract has become void, the auditor 67638
shall strike such property from the list of exempted property and 67639
reenter such property on the taxable list. If property is removed 67640
from the exempt list because a written delinquent tax contract has 67641
become void, current taxes shall first be extended against that 67642
property on the general tax list and duplicate of real and public 67643
utility property for the tax year in which the auditor receives 67644
the notice required by division (A) of section 323.31 of the 67645
Revised Code that the delinquent tax contract has become void or, 67646
if that notice is not timely made, for the tax year in which falls 67647
the latest date by which the treasurer is required by such section 67648
to give such notice. A county auditor shall not remove from any 67649
tax list and duplicate the amount of any unpaid delinquent taxes, 67650
assessments, interest, or penalties owed on property that is 67651
placed on the exempt list pursuant to this division. 67652

(3) That a tax certificate has been issued under section 67653
5721.32 or 5721.33 of the Revised Code with respect to the 67654
property that is the subject of the application, and the tax 67655
certificate is outstanding. 67656

(B) If the treasurer's certificate is not included with the 67657
application or the certificate reflects unpaid taxes, penalties, 67658
and interest that may not be remitted, the tax commissioner or 67659
county auditor with whom the application was filed shall notify 67660

the property owner of that fact, and the applicant shall be given 67661
sixty days from the date that notification was mailed in which to 67662
provide the tax commissioner or county auditor with a corrected 67663
treasurer's certificate. If a corrected treasurer's certificate is 67664
not received within the time permitted, the tax commissioner or 67665
county auditor does not have authority to consider the tax 67666
exemption application. 67667

(C) Any taxes, interest, and penalties which have become a 67668
lien after the property was first used for the exempt purpose, but 67669
in no case prior to the date of acquisition of the title to the 67670
property by the applicant, may be remitted by the commissioner or 67671
county auditor, except as is provided in division (A) of section 67672
5713.081 of the Revised Code. 67673

(D) Real property acquired by the state in fee simple is 67674
exempt from taxation from the date of acquisition of title or date 67675
of possession, whichever is the earlier date, provided that all 67676
taxes, interest, and penalties as provided in the apportionment 67677
provisions of section 319.20 of the Revised Code have been paid to 67678
the date of acquisition of title or date of possession by the 67679
state, whichever is earlier. The proportionate amount of taxes 67680
that are a lien but not yet determined, assessed, and levied for 67681
the year in which the property is acquired, shall be remitted by 67682
the county auditor for the balance of the year from date of 67683
acquisition of title or date of possession, whichever is earlier. 67684
This section shall not be construed to authorize the exemption of 67685
such property from taxation or the remission of taxes, interest, 67686
and penalties thereon until all private use has terminated. 67687

Sec. 5715.19. (A) As used in this section, "member" has the 67688
same meaning as in section 1705.01 of the Revised Code, and 67689
"internet identifier of record" has the same meaning as in section 67690
9.312 of the Revised Code. 67691

(1) Subject to division (A)(2) of this section, a complaint 67692
against any of the following determinations for the current tax 67693
year shall be filed with the county auditor on or before the 67694
thirty-first day of March of the ensuing tax year or the date of 67695
closing of the collection for the first half of real and public 67696
utility property taxes for the current tax year, whichever is 67697
later: 67698

(a) Any classification made under section 5713.041 of the 67699
Revised Code; 67700

(b) Any determination made under section 5713.32 or 5713.35 67701
of the Revised Code; 67702

(c) Any recoupment charge levied under section 5713.35 of the 67703
Revised Code; 67704

(d) The determination of the total valuation or assessment of 67705
any parcel that appears on the tax list, except parcels assessed 67706
by the tax commissioner pursuant to section 5727.06 of the Revised 67707
Code; 67708

(e) The determination of the total valuation of any parcel 67709
that appears on the agricultural land tax list, except parcels 67710
assessed by the tax commissioner pursuant to section 5727.06 of 67711
the Revised Code; 67712

(f) Any determination made under division (A) of section 67713
319.302 of the Revised Code. 67714

If such a complaint is filed by mail or certified mail, the 67715
date of the United States postmark placed on the envelope or 67716
sender's receipt by the postal service shall be treated as the 67717
date of filing. A private meter postmark on an envelope is not a 67718
valid postmark for purposes of establishing the filing date. 67719

Any person owning taxable real property in the county or in a 67720
taxing district with territory in the county; such a person's 67721

spouse; an individual who is retained by such a person and who 67722
holds a designation from a professional assessment organization, 67723
such as the institute for professionals in taxation, the national 67724
council of property taxation, or the international association of 67725
assessing officers; a public accountant who holds a permit under 67726
section 4701.10 of the Revised Code, a general or residential real 67727
estate appraiser licensed or certified under Chapter 4763. of the 67728
Revised Code, or a real estate broker licensed under Chapter 4735. 67729
of the Revised Code, who is retained by such a person; if the 67730
person is a firm, company, association, partnership, limited 67731
liability company, or corporation, an officer, a salaried 67732
employee, a partner, or a member of that person; if the person is 67733
a trust, a trustee of the trust; the board of county 67734
commissioners; the prosecuting attorney or treasurer of the 67735
county; the board of township trustees of any township with 67736
territory within the county; the board of education of any school 67737
district with any territory in the county; or the mayor or 67738
legislative authority of any municipal corporation with any 67739
territory in the county may file such a complaint regarding any 67740
such determination affecting any real property in the county, 67741
except that a person owning taxable real property in another 67742
county may file such a complaint only with regard to any such 67743
determination affecting real property in the county that is 67744
located in the same taxing district as that person's real property 67745
is located. The county auditor shall present to the county board 67746
of revision all complaints filed with the auditor. 67747

(2) As used in division (A)(2) of this section, "interim 67748
period" means, for each county, the tax year to which section 67749
5715.24 of the Revised Code applies and each subsequent tax year 67750
until the tax year in which that section applies again. 67751

No person, board, or officer shall file a complaint against 67752
the valuation or assessment of any parcel that appears on the tax 67753

list if it filed a complaint against the valuation or assessment 67754
of that parcel for any prior tax year in the same interim period, 67755
unless the person, board, or officer alleges that the valuation or 67756
assessment should be changed due to one or more of the following 67757
circumstances that occurred after the tax lien date for the tax 67758
year for which the prior complaint was filed and that the 67759
circumstances were not taken into consideration with respect to 67760
the prior complaint: 67761

(a) The property was sold in an arm's length transaction, as 67762
described in section 5713.03 of the Revised Code; 67763

(b) The property lost value due to some casualty; 67764

(c) Substantial improvement was added to the property; 67765

(d) An increase or decrease of at least fifteen per cent in 67766
the property's occupancy has had a substantial economic impact on 67767
the property. 67768

(3) If a county board of revision, the board of tax appeals, 67769
or any court dismisses a complaint filed under this section or 67770
section 5715.13 of the Revised Code for the reason that the act of 67771
filing the complaint was the unauthorized practice of law or the 67772
person filing the complaint was engaged in the unauthorized 67773
practice of law, the party affected by a decrease in valuation or 67774
the party's agent, or the person owning taxable real property in 67775
the county or in a taxing district with territory in the county, 67776
may refile the complaint, notwithstanding division (A)(2) of this 67777
section. 67778

(4)(a) No complaint filed under this section or section 67779
5715.13 of the Revised Code shall be dismissed for the reason that 67780
the complaint fails to accurately identify the owner of the 67781
property that is the subject of the complaint. 67782

(b) If a complaint fails to accurately identify the owner of 67783
the property that is the subject of the complaint, the board of 67784

revision shall exercise due diligence to ensure the correct 67785
property owner is notified as required by divisions (B) and (C) of 67786
this section. 67787

(5) Notwithstanding division (A)(2) of this section, a 67788
person, board, or officer may file a complaint against the 67789
valuation or assessment of any parcel that appears on the tax list 67790
if it filed a complaint against the valuation or assessment of 67791
that parcel for any prior tax year in the same interim period if 67792
the person, board, or officer withdrew the complaint before the 67793
complaint was heard by the board. 67794

(6) A board of county commissioners, a board of township 67795
trustees, the board of education of a school district, or the 67796
mayor or legislative authority of a municipal corporation may not 67797
file a complaint or a counterclaim to a complaint under this 67798
section with respect to property the political subdivision does 67799
not own unless the board or legislative authority or, in the case 67800
of a mayor, the legislative authority of the municipal corporation 67801
first adopts a resolution authorizing the filing of the complaint 67802
or counterclaim at a public meeting of the board or legislative 67803
authority. The resolution shall include all of the following 67804
information: 67805

(a) Identification of the parcel or parcels that are the 67806
subject of the complaint or counterclaim by street address, if 67807
available from online records of the county auditor, and by 67808
permanent parcel number; 67809

(b) The name of at least one of the record owners of the 67810
parcel or parcels; 67811

(c) If the resolution authorizes the filing of a complaint, 67812
the basis for the complaint under divisions (A)(1)(a) to (f) of 67813
this section relative to each parcel identified in the resolution. 67814

A board or legislative authority shall not adopt a resolution 67815

required under division (A)(6) of this section that identifies 67816
more than one parcel under division (A)(6)(a) of this section, 67817
except that a single resolution may identify more than one parcel 67818
under that division if each parcel has the same record owner or 67819
the same record owners, as applicable. Such a resolution shall not 67820
include any other matter and shall be adopted by a separate vote 67821
from the question of whether to adopt any other resolution except 67822
another resolution under division (A)(6) of this section. 67823

Before adopting a resolution required by division (A)(6) of 67824
this section, the board or legislative authority shall mail a 67825
written notice to at least one of the record owners of the parcel 67826
or parcels identified in the resolution stating the intent of the 67827
board or legislative authority in adopting the resolution, the 67828
proposed date of adoption, and, if the resolution is to authorize 67829
the filing of a complaint, the basis for the complaint under 67830
divisions (A)(1)(a) to (f) of this section relative to each parcel 67831
identified in the resolution. The notice shall be sent by 67832
certified mail to the last known tax-mailing address of at least 67833
one of the record owners and, if different from that tax-mailing 67834
address, to the street address of the parcel or parcels identified 67835
in the resolution. Alternatively, if the board has record of an 67836
internet identifier of record associated with at least one of the 67837
record owners, the board may send the notice by ordinary mail and 67838
by that internet identifier of record of the time and place the 67839
resolution will be heard. The notice shall be postmarked at least 67840
fourteen calendar days before the board or legislative authority 67841
adopts the resolution. 67842

A board of revision has jurisdiction to consider a complaint 67843
or counterclaim filed pursuant to a resolution adopted under 67844
division (A)(6) of this section only if the board, mayor, or 67845
legislative authority causes the resolution to be certified to the 67846
board of revision within thirty days after the last date such a 67847

complaint or counterclaim could be filed. The failure to 67848
accurately identify the street address or the name of the record 67849
owners of the parcel in the resolution shall not invalidate the 67850
resolution nor be a cause for dismissal of the complaint or 67851
counterclaim. 67852

(7) A complaint form prescribed by a board of revision or the 67853
tax commissioner for the purposes of this section shall include a 67854
box that a board, mayor, or legislative authority, when filing a 67855
complaint or counterclaim, must check indicating that a resolution 67856
authorizing the complaint was adopted in accordance with division 67857
(A)(6) of this section and that notice was provided before 67858
adoption of the resolution to at least one of the record owners of 67859
the property that is the subject of the complaint or counterclaim. 67860

(B) Within thirty days after the last date such complaints 67861
may be filed, the auditor shall give notice of each complaint in 67862
which the stated amount of overvaluation, undervaluation, 67863
discriminatory valuation, illegal valuation, or incorrect 67864
determination is at least seventeen thousand five hundred dollars 67865
to each property owner whose property is the subject of the 67866
complaint, if the complaint was not filed by the owner or the 67867
owner's spouse, and to each board of education whose school 67868
district may be affected by the complaint. For the purposes of 67869
this division, separate complaints filed with respect to parcels 67870
which together form an economic unit shall be treated as if the 67871
parcels were included on a single complaint. As used in this 67872
division, "economic unit" means property comprised of multiple 67873
parcels that is united by an economic function such that it will 67874
normally be sold as a single property. An economic unit may be 67875
comprised of parcels that are neither contiguous nor owned by the 67876
same owner, but the parcels must be managed and operated on a 67877
unitary basis and each parcel must make a positive contribution to 67878
the operation of the unit. 67879

Within thirty days after receiving such notice, a board of 67880
education; a property owner; the owner's spouse; an individual who 67881
is retained by such an owner and who holds a designation from a 67882
professional assessment organization, such as the institute for 67883
professionals in taxation, the national council of property 67884
taxation, or the international association of assessing officers; 67885
a public accountant who holds a permit under section 4701.10 of 67886
the Revised Code, a general or residential real estate appraiser 67887
licensed or certified under Chapter 4763. of the Revised Code, or 67888
a real estate broker licensed under Chapter 4735. of the Revised 67889
Code, who is retained by such a person; or, if the property owner 67890
is a firm, company, association, partnership, limited liability 67891
company, corporation, or trust, an officer, a salaried employee, a 67892
partner, a member, or trustee of that property owner, may file a 67893
complaint in support of or objecting to the amount of alleged 67894
overvaluation, undervaluation, discriminatory valuation, illegal 67895
valuation, or incorrect determination stated in a previously filed 67896
complaint or objecting to the current valuation. Upon the filing 67897
of a complaint under this division, the board of education or the 67898
property owner shall be made a party to the action. 67899

(C) Each board of revision shall notify any complainant and 67900
also the property owner, if the property owner's address is known, 67901
when a complaint is filed by one other than the property owner, 67902
not less than ten days prior to the hearing, either by certified 67903
mail or, if the board has record of an internet identifier of 67904
record associated with the owner, by ordinary mail and by that 67905
internet identifier of record of the time and place the same will 67906
be heard. The board of revision shall hear and render its decision 67907
on a complaint within ninety days after the filing thereof with 67908
the board, except that if a complaint is filed within thirty days 67909
after receiving notice from the auditor as provided in division 67910
(B) of this section, the board shall hear and render its decision 67911
within ninety days after such filing. 67912

(D) The determination of any such complaint shall relate back 67913
to the date when the lien for taxes or recoupment charges for the 67914
current year attached or the date as of which liability for such 67915
year was determined. Liability for taxes and recoupment charges 67916
for such year and each succeeding year until the complaint is 67917
finally determined and for any penalty and interest for nonpayment 67918
thereof within the time required by law shall be based upon the 67919
determination, valuation, or assessment as finally determined. 67920
Each complaint shall state the amount of overvaluation, 67921
undervaluation, discriminatory valuation, illegal valuation, or 67922
incorrect classification or determination upon which the complaint 67923
is based. The treasurer shall accept any amount tendered as taxes 67924
or recoupment charge upon property concerning which a complaint is 67925
then pending, computed upon the claimed valuation as set forth in 67926
the complaint. If a complaint filed under this section for the 67927
current year is not determined by the board within the time 67928
prescribed for such determination, the complaint and any 67929
proceedings in relation thereto shall be continued by the board as 67930
a valid complaint for any ensuing year until such complaint is 67931
finally determined by the board or upon any appeal from a decision 67932
of the board. In such case, the original complaint shall continue 67933
in effect without further filing by the original taxpayer, the 67934
original taxpayer's assignee, or any other person or entity 67935
authorized to file a complaint under this section. 67936

(E) If a taxpayer files a complaint as to the classification, 67937
valuation, assessment, or any determination affecting the 67938
taxpayer's own property and tenders less than the full amount of 67939
taxes or recoupment charges as finally determined, an interest 67940
charge shall accrue as follows: 67941

(1) If the amount finally determined is less than the amount 67942
billed but more than the amount tendered, the taxpayer shall pay 67943
interest at the rate per annum prescribed by section 5703.47 of 67944

the Revised Code, computed from the date that the taxes were due 67945
on the difference between the amount finally determined and the 67946
amount tendered. This interest charge shall be in lieu of any 67947
penalty or interest charge under section 323.121 of the Revised 67948
Code unless the taxpayer failed to file a complaint and tender an 67949
amount as taxes or recoupment charges within the time required by 67950
this section, in which case section 323.121 of the Revised Code 67951
applies. 67952

(2) If the amount of taxes finally determined is equal to or 67953
greater than the amount billed and more than the amount tendered, 67954
the taxpayer shall pay interest at the rate prescribed by section 67955
5703.47 of the Revised Code from the date the taxes were due on 67956
the difference between the amount finally determined and the 67957
amount tendered, such interest to be in lieu of any interest 67958
charge but in addition to any penalty prescribed by section 67959
323.121 of the Revised Code. 67960

(F) Upon request of a complainant, the tax commissioner shall 67961
determine the common level of assessment of real property in the 67962
county for the year stated in the request that is not valued under 67963
section 5713.31 of the Revised Code, which common level of 67964
assessment shall be expressed as a percentage of true value and 67965
the common level of assessment of lands valued under such section, 67966
which common level of assessment shall also be expressed as a 67967
percentage of the current agricultural use value of such lands. 67968
Such determination shall be made on the basis of the most recent 67969
available sales ratio studies of the commissioner and such other 67970
factual data as the commissioner deems pertinent. 67971

(G) A complainant shall provide to the board of revision all 67972
information or evidence within the complainant's knowledge or 67973
possession that affects the real property that is the subject of 67974
the complaint. A complainant who fails to provide such information 67975
or evidence is precluded from introducing it on appeal to the 67976

board of tax appeals or the court of common pleas, except that the 67977
board of tax appeals or court may admit and consider the evidence 67978
if the complainant shows good cause for the complainant's failure 67979
to provide the information or evidence to the board of revision. 67980

(H) In case of the pendency of any proceeding in court based 67981
upon an alleged excessive, discriminatory, or illegal valuation or 67982
incorrect classification or determination, the taxpayer may tender 67983
to the treasurer an amount as taxes upon property computed upon 67984
the claimed valuation as set forth in the complaint to the court. 67985
The treasurer may accept the tender. If the tender is not 67986
accepted, no penalty shall be assessed because of the nonpayment 67987
of the full taxes assessed. 67988

Sec. 5715.27. (A)(1) Except as provided in division (A)(2) of 67989
this section and in section 3735.67 of the Revised Code, the 67990
owner, a vendee in possession under a purchase agreement or a land 67991
contract, the beneficiary of a trust, or a lessee for an initial 67992
term of not less than thirty years of any property may file an 67993
application with the tax commissioner, on forms prescribed by the 67994
commissioner, requesting that such property be exempted from 67995
taxation and that taxes, interest, and penalties be remitted as 67996
provided in division (C) of section 5713.08 of the Revised Code. 67997

(2) If the property that is the subject of the application 67998
for exemption is any of the following, the application shall be 67999
filed with the county auditor of the county in which the property 68000
is listed for taxation: 68001

(a) A public road or highway; 68002

(b) Property belonging to the federal government of the 68003
United States; 68004

(c) Additions or other improvements to an existing building 68005
or structure that belongs to the state or a political subdivision, 68006

as defined in section 5713.081 of the Revised Code, and that is 68007
exempted from taxation as property used exclusively for a public 68008
purpose. 68009

(B) The board of education of any school district may request 68010
the tax commissioner or county auditor to provide it with 68011
notification of applications for exemption from taxation for 68012
property located within that district. If so requested, the 68013
commissioner or auditor shall send to the board on a monthly basis 68014
reports that contain sufficient information to enable the board to 68015
identify each property that is the subject of an exemption 68016
application, including, but not limited to, the name of the 68017
property owner or applicant, the address of the property, and the 68018
auditor's parcel number. The commissioner or auditor shall mail 68019
the reports by the fifteenth day of the month following the end of 68020
the month in which the commissioner or auditor receives the 68021
applications for exemption. 68022

(C) A board of education that has requested notification 68023
under division (B) of this section may, with respect to any 68024
application for exemption of property located in the district and 68025
included in the commissioner's or auditor's most recent report 68026
provided under that division, file a statement with the 68027
commissioner or auditor and with the applicant indicating its 68028
intent to submit evidence and participate in any hearing on the 68029
application. The statements shall be filed prior to the first day 68030
of the third month following the end of the month in which that 68031
application was docketed by the commissioner or auditor. A 68032
statement filed in compliance with this division entitles the 68033
district to submit evidence and to participate in any hearing on 68034
the property and makes the district a party for purposes of 68035
sections 5717.02 to 5717.04 of the Revised Code in any appeal of 68036
the commissioner's or auditor's decision to the board of tax 68037
appeals. 68038

(D) The commissioner or auditor shall not hold a hearing on 68039
or grant or deny an application for exemption of property in a 68040
school district whose board of education has requested 68041
notification under division (B) of this section until the end of 68042
the period within which the board may submit a statement with 68043
respect to that application under division (C) of this section. 68044
The commissioner or auditor may act upon an application at any 68045
time prior to that date upon receipt of a written waiver from each 68046
such board of education, or, in the case of exemptions authorized 68047
by section 725.02, 1728.10, 5709.40, 5709.41, 5709.411, 5709.45, 68048
5709.62, 5709.63, 5709.632, 5709.73, 5709.78, 5709.84, or 5709.88 68049
of the Revised Code, upon the request of the property owner. 68050
Failure of a board of education to receive the report required in 68051
division (B) of this section shall not void an action of the 68052
commissioner or auditor with respect to any application. The 68053
commissioner or auditor may extend the time for filing a statement 68054
under division (C) of this section. 68055

(E) A complaint may also be filed with the commissioner or 68056
auditor by any person, board, or officer authorized by section 68057
5715.19 of the Revised Code to file complaints with the county 68058
board of revision against the continued exemption of any property 68059
granted exemption by the commissioner or auditor under this 68060
section. 68061

(F) An application for exemption and a complaint against 68062
exemption shall be filed prior to the thirty-first day of December 68063
of the tax year for which exemption is requested or for which the 68064
liability of the property to taxation in that year is requested. 68065
The commissioner or auditor shall consider such application or 68066
complaint in accordance with procedures established by the 68067
commissioner, determine whether the property is subject to 68068
taxation or exempt therefrom, and, if the commissioner makes the 68069
determination, certify the determination to the auditor. Upon 68070

making the determination or receiving the commissioner's 68071
determination, the auditor shall correct the tax list and 68072
duplicate accordingly. If a tax certificate has been sold under 68073
section 5721.32 or 5721.33 of the Revised Code with respect to 68074
property for which an exemption has been requested, the tax 68075
commissioner or auditor shall also certify the findings to the 68076
county treasurer of the county in which the property is located. 68077

(G) Applications and complaints, and documents of any kind 68078
related to applications and complaints, filed with the tax 68079
commissioner or county auditor under this section are public 68080
records within the meaning of section 149.43 of the Revised Code. 68081

(H) If the commissioner or auditor determines that the use of 68082
property or other facts relevant to the taxability of property 68083
that is the subject of an application for exemption or a complaint 68084
under this section has changed while the application or complaint 68085
was pending, the commissioner or auditor may make the 68086
determination under division (F) of this section separately for 68087
each tax year beginning with the year in which the application or 68088
complaint was filed or the year for which remission of taxes under 68089
division (C) of section 5713.08 of the Revised Code was requested, 68090
and including each subsequent tax year during which the 68091
application or complaint is pending before the commissioner or 68092
auditor. 68093

(I) If the tax commissioner grants an application filed by a 68094
community school under this section for the exemption authorized 68095
under division (A)(1) of section 5709.07 of the Revised Code, any 68096
property that is the subject of that application shall be exempt 68097
from property tax for each succeeding tax year regardless of 68098
whether the community school files an application under this 68099
section with respect to such property. The community school, on or 68100
before the thirty-first day of December of each such succeeding 68101
tax year, shall submit a statement to the commissioner attesting 68102

that the property that is the subject of that initial application 68103
qualifies for the exemption authorized under division (A)(1) of 68104
section 5709.07 of the Revised Code for that succeeding tax year. 68105
If the community school fails to file such a statement for a tax 68106
year or if the commissioner otherwise discovers that the property 68107
no longer qualifies for that exemption, the commissioner shall 68108
order the county auditor to return the property to the tax list. 68109

Sec. 5726.04. (A) The tax levied on a financial institution 68110

each dollar of total Ohio equity capital greater than two hundred 68117
million and less than one billion three hundred million dollars, 68118
and by two and one-half mills for each dollar of total Ohio equity 68119
capital equal to or greater than one billion three hundred million 68120
dollars. 68121

(B) If the reporting person for a financial institution files 68122
an FR Y-9 or call report, the total equity capital of the 68123
financial institution shall equal the total equity capital shown 68124
on the reporting person's FR Y-9 or call report as of the end of 68125
the taxable year. The total equity capital of all other financial 68126
institutions shall be reported as of the end of the taxable year 68127
in accordance with generally accepted accounting principles. 68128

(C) For the purposes of this section, "total Ohio equity 68129
capital" means the product of (1) the total equity capital of a 68130
financial institution as of the end of a taxable year to the 68131

reporting person's FR-Y9 or call report as of the end of the 68134
taxable year, multiplied by (2) the Ohio apportionment ratio 68135
calculated for the financial institution under section 5726.05 of 68136
the Revised Code, except as provided in section 5726.041 of the 68137

tax levied by this section or section 5747.41 of the Revised Code, 68590
including a rule defining "qualifying investor" or "qualifying 68591

~~(57) Sales of tangible personal property that is not required 70674
to be registered or licensed under the laws of this state to a 70675
citizen of a foreign nation that is not a citizen of the United 70676
States, provided the property is delivered to a person in this 70677
state that is not a related member of the purchaser, is physically 70678
present in this state for the sole purpose of temporary storage 70679
and package consolidation, and is subsequently delivered to the 70680
purchaser at a delivery address in a foreign nation. As used in 70681
division (B)(56) of this section, "related member" has the same 70682~~

~~meaning as in section 5733.042 of the Revised Code, and "temporary storage" means the storage of tangible personal property for a period of not more than sixty days.~~

(C) For the purpose of the proper administration of this chapter, and to prevent the evasion of the tax, it is presumed that all sales made in this state are subject to the tax until the contrary is established.

(D) The levy of this tax on retail sales of recreation and sports club service shall not prevent a municipal corporation from levying any tax on recreation and sports club dues or on any income generated by recreation and sports club dues.

(E) The tax collected by the vendor from the consumer under this chapter is not part of the price, but is a tax collection for the benefit of the state, and of counties levying an additional sales tax pursuant to section 5739.021 or 5739.026 of the Revised Code and of transit authorities levying an additional sales tax pursuant to section 5739.023 of the Revised Code. Except for the discount authorized under section 5739.12 of the Revised Code and the effects of any rounding pursuant to section 5703.055 of the Revised Code, no person other than the state or such a county or transit authority shall derive any benefit from the collection or payment of the tax levied by this section or section 5739.021, 5739.023, or 5739.026 of the Revised Code.

Sec. 5739.021. (A) For the purpose of providing additional general revenues for the county, supporting criminal and administrative justice services in the county, funding a regional transportation improvement project under section 5595.06 of the Revised Code, or any combination of the foregoing, and to pay the expenses of administering such levy, any county may levy a tax at the rate of not more than one per cent upon every retail sale made in the county, except sales of watercraft and outboard motors

required to be titled pursuant to Chapter 1548. of the Revised 70714
Code and sales of motor vehicles, and may increase the rate of an 70715
existing tax to not more than one per cent. The rate of any tax 70716
levied pursuant to this section shall be a multiple of ~~one-fourth~~ 70717
~~or one-tenth~~ one-twentieth of one per cent. 70718

The tax shall be levied and the rate increased pursuant to a 70719
resolution of the board of county commissioners. The resolution 70720
shall state the purpose for which the tax is to be levied and the 70721
number of years for which the tax is to be levied, or that it is 70722
for a continuing period of time. If the tax is to be levied for 70723
the purpose of providing additional general revenues and for the 70724
purpose of supporting criminal and administrative justice 70725
services, the resolution shall state the rate or amount of the tax 70726
to be apportioned to each such purpose. The rate or amount may be 70727
different for each year the tax is to be levied, but the rates or 70728
amounts actually apportioned each year shall not be different from 70729
that stated in the resolution for that year. If the resolution is 70730
adopted as an emergency measure necessary for the immediate 70731
preservation of the public peace, health, or safety, it must 70732
receive an affirmative vote of all of the members of the board of 70733
county commissioners and shall state the reasons for such 70734
necessity. The board shall deliver a certified copy of the 70735
resolution to the tax commissioner, not later than the sixty-fifth 70736
day prior to the date on which the tax is to become effective, 70737
which shall be the first day of the calendar quarter. 70738

Prior to the adoption of any resolution under this section, 70739
the board of county commissioners shall conduct two public 70740
hearings on the resolution, the second hearing to be not less than 70741
three nor more than ten days after the first. Notice of the date, 70742
time, and place of the hearings shall be given by publication in a 70743
newspaper of general circulation in the county, or as provided in 70744
section 7.16 of the Revised Code, once a week on the same day of 70745

the week for two consecutive weeks, the second publication being 70746
not less than ten nor more than thirty days prior to the first 70747
hearing. 70748

Except as provided in division (B)(3) of this section, the 70749
resolution shall be subject to a referendum as provided in 70750
sections 305.31 to 305.41 of the Revised Code. 70751

If a petition for a referendum is filed, the county auditor 70752
with whom the petition was filed shall, within five days, notify 70753
the board of county commissioners and the tax commissioner of the 70754
filing of the petition by certified mail. If the board of 70755
elections with which the petition was filed declares the petition 70756
invalid, the board of elections, within five days, shall notify 70757
the board of county commissioners and the tax commissioner of that 70758
declaration by certified mail. If the petition is declared to be 70759
invalid, the effective date of the tax or increased rate of tax 70760
levied by this section shall be the first day of a calendar 70761
quarter following the expiration of sixty-five days from the date 70762
the commissioner receives notice from the board of elections that 70763
the petition is invalid. 70764

(B)(1) A resolution that is not adopted as an emergency 70765
measure may direct the board of elections to submit the question 70766
of levying the tax or increasing the rate of tax to the electors 70767
of the county at a special election held on the date specified by 70768
the board of county commissioners in the resolution, provided that 70769
the election occurs not less than ninety days after a certified 70770
copy of such resolution is transmitted to the board of elections 70771
and the election is not held in February or August of any year. 70772
Upon transmission of the resolution to the board of elections, the 70773
board of county commissioners shall notify the tax commissioner in 70774
writing of the levy question to be submitted to the electors. No 70775
resolution adopted under this division shall go into effect unless 70776
approved by a majority of those voting upon it, and, except as 70777

provided in division (B)(3) of this section, shall become 70778
effective on the first day of a calendar quarter following the 70779
expiration of sixty-five days from the date the tax commissioner 70780
receives notice from the board of elections of the affirmative 70781
vote. 70782

(2) A resolution that is adopted as an emergency measure 70783
shall go into effect as provided in division (A) of this section, 70784
but may direct the board of elections to submit the question of 70785
repealing the tax or increase in the rate of the tax to the 70786
electors of the county at the next general election in the county 70787
occurring not less than ninety days after a certified copy of the 70788
resolution is transmitted to the board of elections. Upon 70789
transmission of the resolution to the board of elections, the 70790
board of county commissioners shall notify the tax commissioner in 70791
writing of the levy question to be submitted to the electors. The 70792
ballot question shall be the same as that prescribed in section 70793
5739.022 of the Revised Code. The board of elections shall notify 70794
the board of county commissioners and the tax commissioner of the 70795
result of the election immediately after the result has been 70796
declared. If a majority of the qualified electors voting on the 70797
question of repealing the tax or increase in the rate of the tax 70798
vote for repeal of the tax or repeal of the increase, the board of 70799
county commissioners, on the first day of a calendar quarter 70800
following the expiration of sixty-five days after the date the 70801
board and tax commissioner receive notice of the result of the 70802
election, shall, in the case of a repeal of the tax, cease to levy 70803
the tax, or, in the case of a repeal of an increase in the rate of 70804
the tax, cease to levy the increased rate and levy the tax at the 70805
rate at which it was imposed immediately prior to the increase in 70806
rate. 70807

(3) If a vendor makes a sale in this state by printed catalog 70808
and the consumer computed the tax on the sale based on local rates 70809

published in the catalog, any tax levied or repealed or rate 70810
changed under this section shall not apply to such a sale until 70811
the first day of a calendar quarter following the expiration of 70812
one hundred twenty days from the date of notice by the tax 70813
commissioner pursuant to division (H) of this section. 70814

(C) If a resolution is rejected at a referendum or if a 70815
resolution adopted after January 1, 1982, as an emergency measure 70816
is repealed by the electors pursuant to division (B)(2) of this 70817
section or section 5739.022 of the Revised Code, then for one year 70818
after the date of the election at which the resolution was 70819
rejected or repealed the board of county commissioners may not 70820
adopt any resolution authorized by this section as an emergency 70821
measure. 70822

(D) The board of county commissioners, at any time while a 70823
tax levied under this section is in effect, may by resolution 70824
reduce the rate at which the tax is levied to a lower rate 70825
authorized by this section. Any reduction in the rate at which the 70826
tax is levied shall be made effective on the first day of a 70827
calendar quarter next following the sixty-fifth day after a 70828
certified copy of the resolution is delivered to the tax 70829
commissioner. 70830

(E) The tax on every retail sale subject to a tax levied 70831
pursuant to this section shall be in addition to the tax levied by 70832
section 5739.02 of the Revised Code and any tax levied pursuant to 70833
section 5739.023 or 5739.026 of the Revised Code. 70834

A county that levies a tax pursuant to this section shall 70835
levy a tax at the same rate pursuant to section 5741.021 of the 70836
Revised Code. 70837

The additional tax levied by the county shall be collected 70838
pursuant to section 5739.025 of the Revised Code. If the 70839
additional tax or some portion thereof is levied for the purpose 70840

of criminal and administrative justice services, the revenue from 70841
the tax, or the amount or rate apportioned to that purpose, shall 70842
be credited to a special fund created in the county treasury for 70843
receipt of that revenue. 70844

Any tax levied pursuant to this section is subject to the 70845
exemptions provided in section 5739.02 of the Revised Code and in 70846
addition shall not be applicable to sales not within the taxing 70847
power of a county under the Constitution of the United States or 70848
the Ohio Constitution. 70849

(F) For purposes of this section, a copy of a resolution is 70850
"certified" when it contains a written statement attesting that 70851
the copy is a true and exact reproduction of the original 70852
resolution. 70853

(G) If a board of commissioners intends to adopt a resolution 70854
to levy a tax in whole or in part for the purpose of criminal and 70855
administrative justice services, the board shall prepare and make 70856
available at the first public hearing at which the resolution is 70857
considered a statement containing the following information: 70858

(1) For each of the two preceding fiscal years, the amount of 70859
expenditures made by the county from the county general fund for 70860
the purpose of criminal and administrative justice services; 70861

(2) For the fiscal year in which the resolution is adopted, 70862
the board's estimate of the amount of expenditures to be made by 70863
the county from the county general fund for the purpose of 70864
criminal and administrative justice services; 70865

(3) For each of the two fiscal years after the fiscal year in 70866
which the resolution is adopted, the board's preliminary plan for 70867
expenditures to be made from the county general fund for the 70868
purpose of criminal and administrative justice services, both 70869
under the assumption that the tax will be imposed for that purpose 70870
and under the assumption that the tax would not be imposed for 70871

that purpose, and for expenditures to be made from the special 70872
fund created under division (E) of this section under the 70873
assumption that the tax will be imposed for that purpose. 70874

The board shall prepare the statement and the preliminary 70875
plan using the best information available to the board at the time 70876
the statement is prepared. Neither the statement nor the 70877
preliminary plan shall be used as a basis to challenge the 70878
validity of the tax in any court of competent jurisdiction, nor 70879
shall the statement or preliminary plan limit the authority of the 70880
board to appropriate, pursuant to section 5705.38 of the Revised 70881
Code, an amount different from that specified in the preliminary 70882
plan. 70883

(H) Upon receipt from a board of county commissioners of a 70884
certified copy of a resolution required by division (A) or (D) of 70885
this section, or from the board of elections of a notice of the 70886
results of an election required by division (A) or (B)(1) or (2) 70887
of this section, the tax commissioner shall provide notice of a 70888
tax rate change in a manner that is reasonably accessible to all 70889
affected vendors. The commissioner shall provide this notice at 70890
least sixty days prior to the effective date of the rate change. 70891
The commissioner, by rule, may establish the method by which 70892
notice will be provided. 70893

(I) As used in this section, "criminal and administrative 70894
justice services" means the exercise by the county sheriff of all 70895
powers and duties vested in that office by law; the exercise by 70896
the county prosecuting attorney of all powers and duties vested in 70897
that office by law; the exercise by any court in the county of all 70898
powers and duties vested in that court; the exercise by the clerk 70899
of the court of common pleas, any clerk of a municipal court 70900
having jurisdiction throughout the county, or the clerk of any 70901
county court of all powers and duties vested in the clerk by law 70902
except, in the case of the clerk of the court of common pleas, the 70903

titling of motor vehicles or watercraft pursuant to Chapter 1548. 70904
or 4505. of the Revised Code; the exercise by the county coroner 70905
of all powers and duties vested in that office by law; making 70906
payments to any other public agency or a private, nonprofit 70907
agency, the purposes of which in the county include the diversion, 70908
adjudication, detention, or rehabilitation of criminals or 70909
juvenile offenders; the operation and maintenance of any detention 70910
facility, as defined in section 2921.01 of the Revised Code; and 70911
the construction, acquisition, equipping, or repair of such a 70912
detention facility, including the payment of any debt charges 70913
incurred in the issuance of securities pursuant to Chapter 133. of 70914
the Revised Code for the purpose of constructing, acquiring, 70915
equipping, or repairing such a facility. 70916

Sec. 5739.023. (A)(1) For the purpose of providing additional 70917
general revenues for a transit authority or funding a regional 70918
transportation improvement project under section 5595.06 of the 70919
Revised Code, or both, and to pay the expenses of administering 70920
such levy, any transit authority as defined in division (U) of 70921
section 5739.01 of the Revised Code may levy a tax upon every 70922
retail sale made in the territory of the transit authority, except 70923
sales of watercraft and outboard motors required to be titled 70924
pursuant to Chapter 1548. of the Revised Code and sales of motor 70925
vehicles, at a rate of not more than one and one-half per cent and 70926
may increase the rate of an existing tax to not more than one and 70927
one-half per cent. The rate of any tax levied pursuant to this 70928
section shall be a multiple of ~~one-fourth or one-tenth~~ 70929
one-twentieth of one per cent. The tax shall be levied and the 70930
rate increased pursuant to a resolution of the legislative 70931
authority of the transit authority and a certified copy of the 70932
resolution shall be delivered by the fiscal officer to the board 70933
of elections as provided in section 3505.071 of the Revised Code 70934
and to the tax commissioner. The resolution shall specify the 70935

number of years for which the tax is to be in effect or that the tax is for a continuing period of time, and the date of the election on the question of the tax pursuant to section 306.70 of the Revised Code. Except as provided in division (C) of this section, any change in the rate of the tax shall be made effective on the first day of a calendar quarter next following the sixty-fifth day following the date the tax commissioner receives the certification of the resolution; provided, that in any case where bonds, or notes in anticipation of bonds, of a regional transit authority have been issued under section 306.40 of the Revised Code without a vote of the electors while the tax proposed to be reduced was in effect, the board of trustees of the regional transit authority shall continue to levy and collect under authority of the original election authorizing the tax a rate of tax that the board of trustees reasonably estimates will produce an amount in that year equal to the amount of principal of and interest on those bonds as is payable in that year.

(A) of this section, or from the legislative authority of the 70968
certification of a resolution under division (B) of this section, 70969
the tax commissioner shall provide notice of a tax rate change in 70970

The commissioner shall provide this notice at least sixty days 70972
prior to the effective date of the rate change. The commissioner, 70973
by rule, may establish the method by which notice will be 70974

(D) If a vendor makes a sale in this state by printed catalog 70976
and the consumer computed the tax on the sale based on local rates 70977
published in the catalog, any tax levied or rate changed under 70978

section 5739.021 or 5739.026 of the Revised Code. 70986

(F) The additional tax levied by the transit authority shall 70987
be collected pursuant to section 5739.025 of the Revised Code. 70988

(G) Any tax levied pursuant to this section is subject to the 70989

(H) The rate of a tax levied under this section is subject to 70994
reduction under section 5739.028 of the Revised Code, if a ballot 70995
question is approved by voters pursuant to that section. 70996

Sec. 5739.025. (A) A vendor shall compute the tax on each sale by multiplying the price by the aggregate rate of taxes in effect under sections 5739.02 and 5741.02, and sections 5739.021, 5739.023, 5739.026, 5741.021, 5741.022, and 5741.023 of the Revised Code. The computation shall be carried out to three decimal places. If the result is a fractional amount of a cent, the calculated tax shall be rounded to a whole cent using a method that rounds up to the next cent whenever the third decimal place is greater than four. A vendor may elect to compute the tax due on a transaction on an item or an invoice basis.

(B) In auditing a vendor, the tax commissioner shall consider the method prescribed by this section that was used by the vendor in determining and collecting the tax due under this chapter on taxable transactions. If the vendor correctly collects and remits the tax due under this chapter in accordance with the computation prescribed in division (A) of this section, the commissioner shall not assess any additional tax on those transactions.

~~(C)(1) With respect to a sale of a fractional ownership program aircraft used primarily in a fractional aircraft ownership program, including all accessories attached to such aircraft, the tax shall be calculated pursuant to division (A) of this section, provided that the tax commissioner shall modify those calculations so that the maximum tax on each program aircraft is eight hundred dollars. In the case of a sale of a fractional interest that is less than one hundred per cent of the program aircraft, the tax charged on the transaction shall be eight hundred dollars multiplied by a fraction, the numerator of which is the percentage of ownership or possession in the aircraft being purchased in the transaction, and the denominator of which is one hundred per cent.~~

~~(2) Notwithstanding any other provision of law to the contrary, the tax calculated under division (C)(1) of this section~~

~~and paid with respect to the sale of a fractional ownership 71028
program aircraft used primarily in a fractional aircraft ownership 71029
program shall be credited to the general revenue fund. 71030~~

Sec. 5739.026. (A) A board of county commissioners may levy a 71031
tax on every retail sale in the county, except sales of watercraft 71032
and outboard motors required to be titled pursuant to Chapter 71033
1548. of the Revised Code and sales of motor vehicles, at a rate 71034
of not more than one-half of one per cent and may increase the 71035
rate of an existing tax to not more than one-half of one per cent 71036
to pay the expenses of administering the tax and, except as 71037
provided in division (A)(6) of this section, for any one or more 71038
of the following purposes provided that the aggregate levy for all 71039
such purposes does not exceed one-half of one per cent: 71040

(1) To provide additional revenues for the payment of bonds 71041

(2) To provide additional revenues for a transit authority 71047
operating in the county; 71048

(3) To provide additional revenue for the county's general 71049
fund; 71050

(4) To provide additional revenue for permanent improvements 71051

and premium on bonds issued under section 307.284 of the Revised 71054
Code; 71055

(5) To provide additional revenue for the acquisition, 71056
construction, equipping, or repair of any specific permanent 71057

improvement or any class or group of permanent improvements, which 71058
improvement or class or group of improvements shall be enumerated 71059
in the resolution required by division (D) of this section, and to 71060
pay principal, interest, premium, and other costs associated with 71061
the issuance of bonds or notes in anticipation of bonds issued 71062
pursuant to Chapter 133. of the Revised Code for the acquisition, 71063
construction, equipping, or repair of the specific permanent 71064
improvement or class or group of permanent improvements; 71065

(6) To provide revenue for the implementation and operation 71066
of a 9-1-1 system in the county. If the tax is levied or the rate 71067
increased exclusively for such purpose, the tax shall not be 71068
levied or the rate increased for more than five years. At the end 71069
of the last year the tax is levied or the rate increased, any 71070
balance remaining in the special fund established for such purpose 71071
shall remain in that fund and be used exclusively for such purpose 71072
until the fund is completely expended, and, notwithstanding 71073
section 5705.16 of the Revised Code, the board of county 71074
commissioners shall not petition for the transfer of money from 71075
such special fund, and the tax commissioner shall not approve such 71076
a petition. 71077

If the tax is levied or the rate increased for such purpose 71078
for more than five years, the board of county commissioners also 71079
shall levy the tax or increase the rate of the tax for one or more 71080
of the purposes described in divisions (A)(1) to (5) of this 71081
section and shall prescribe the method for allocating the revenues 71082
from the tax each year in the manner required by division (C) of 71083
this section. 71084

(7) To provide additional revenue for the operation or 71085
maintenance of a detention facility, as that term is defined under 71086
division (F) of section 2921.01 of the Revised Code; 71087

(8) To provide revenue to finance the construction or 71088
renovation of a sports facility, but only if the tax is levied for 71089

that purpose in the manner prescribed by section 5739.028 of the Revised Code. 71090
71091

As used in division (A)(8) of this section: 71092

(a) "Sports facility" means a facility intended to house major league professional athletic teams. 71093
71094

(b) "Constructing" or "construction" includes providing fixtures, furnishings, and equipment. 71095
71096

(9) To provide additional revenue for the acquisition of agricultural easements, as defined in section 5301.67 of the Revised Code; to pay principal, interest, and premium on bonds issued under section 133.60 of the Revised Code; and for the supervision and enforcement of agricultural easements held by the county; 71097
71098
71099
71100
71101
71102

(10) To provide revenue for the provision of ambulance, paramedic, or other emergency medical services; 71103
71104

(11) To provide revenue for the operation of a lake facilities authority and the remediation of an impacted watershed by a lake facilities authority, as provided in Chapter 353. of the Revised Code; 71105
71106
71107
71108

(12) To provide additional revenue for a regional transportation improvement project under section 5595.06 of the Revised Code. 71109
71110
71111

Pursuant to section 755.171 of the Revised Code, a board of county commissioners may pledge and contribute revenue from a tax levied for the purpose of division (A)(5) of this section to the payment of debt charges on bonds issued under section 755.17 of the Revised Code. 71112
71113
71114
71115
71116

The rate of tax shall be a multiple of ~~one-fourth or one-tenth~~ one-twentieth of one per cent, unless a portion of the rate of an existing tax levied under section 5739.023 of the 71117
71118
71119

Revised Code has been reduced, and the rate of tax levied under 71120
this section has been increased, pursuant to section 5739.028 of 71121
the Revised Code, in which case the aggregate of the rates of tax 71122
levied under this section and section 5739.023 of the Revised Code 71123
shall be a multiple of ~~one fourth or one tenth~~ one-twentieth of 71124
one per cent. 71125

The tax shall be levied and the rate increased pursuant to a 71126
resolution adopted by a majority of the members of the board. The 71127
board shall deliver a certified copy of the resolution to the tax 71128
commissioner, not later than the sixty-fifth day prior to the date 71129
on which the tax is to become effective, which shall be the first 71130
day of a calendar quarter. 71131

Prior to the adoption of any resolution to levy the tax or to 71132
increase the rate of tax exclusively for the purpose set forth in 71133
division (A)(3) of this section, the board of county commissioners 71134
shall conduct two public hearings on the resolution, the second 71135
hearing to be no fewer than three nor more than ten days after the 71136
first. Notice of the date, time, and place of the hearings shall 71137
be given by publication in a newspaper of general circulation in 71138
the county, or as provided in section 7.16 of the Revised Code, 71139
once a week on the same day of the week for two consecutive weeks. 71140
The second publication shall be no fewer than ten nor more than 71141
thirty days prior to the first hearing. Except as provided in 71142
division (E) of this section, the resolution shall be subject to a 71143
referendum as provided in sections 305.31 to 305.41 of the Revised 71144
Code. If the resolution is adopted as an emergency measure 71145
necessary for the immediate preservation of the public peace, 71146
health, or safety, it must receive an affirmative vote of all of 71147
the members of the board of county commissioners and shall state 71148
the reasons for the necessity. 71149

If the tax is for more than one of the purposes set forth in 71150
divisions (A)(1) to (7), (9), (10), and (12) of this section, or 71151

is exclusively for one of the purposes set forth in division 71152
(A)(1), (2), (4), (5), (6), (7), (9), (10), or (12) of this 71153
section, the resolution shall not go into effect unless it is 71154
approved by a majority of the electors voting on the question of 71155
the tax. 71156

(B) The board of county commissioners shall adopt a 71157
resolution under section 351.02 of the Revised Code creating the 71158
convention facilities authority, or under section 307.283 of the 71159
Revised Code creating the community improvements board, before 71160
adopting a resolution levying a tax for the purpose of a 71161
convention facilities authority under division (A)(1) of this 71162
section or for the purpose of a community improvements board under 71163
division (A)(4) of this section. 71164

(C)(1) If the tax is to be used for more than one of the 71165
purposes set forth in divisions (A)(1) to (7), (9), (10), and (12) 71166
of this section, the board of county commissioners shall establish 71167
the method that will be used to determine the amount or proportion 71168
of the tax revenue received by the county during each year that 71169
will be distributed for each of those purposes, including, if 71170
applicable, provisions governing the reallocation of a convention 71171
facilities authority's allocation if the authority is dissolved 71172
while the tax is in effect. The allocation method may provide that 71173
different proportions or amounts of the tax shall be distributed 71174
among the purposes in different years, but it shall clearly 71175
describe the method that will be used for each year. Except as 71176
otherwise provided in division (C)(2) of this section, the 71177
allocation method established by the board is not subject to 71178
amendment during the life of the tax. 71179

(2) Subsequent to holding a public hearing on the proposed 71180
amendment, the board of county commissioners may amend the 71181
allocation method established under division (C)(1) of this 71182
section for any year, if the amendment is approved by the 71183

governing board of each entity whose allocation for the year would 71184
be reduced by the proposed amendment. In the case of a tax that is 71185
levied for a continuing period of time, the board may not so amend 71186
the allocation method for any year before the sixth year that the 71187
tax is in effect. 71188

(a) If the additional revenues provided to the convention 71189
facilities authority are pledged by the authority for the payment 71190
of convention facilities authority revenue bonds for as long as 71191
such bonds are outstanding, no reduction of the authority's 71192
allocation of the tax shall be made for any year except to the 71193
extent that the reduced authority allocation, when combined with 71194
the authority's other revenues pledged for that purpose, is 71195
sufficient to meet the debt service requirements for that year on 71196
such bonds. 71197

(b) If the additional revenues provided to the county are 71198
pledged by the county for the payment of bonds or notes described 71199
in division (A)(4) or (5) of this section, for as long as such 71200
bonds or notes are outstanding, no reduction of the county's or 71201
the community improvements board's allocation of the tax shall be 71202
made for any year, except to the extent that the reduced county or 71203
community improvements board allocation is sufficient to meet the 71204
debt service requirements for that year on such bonds or notes. 71205

(c) If the additional revenues provided to the transit 71206
authority are pledged by the authority for the payment of revenue 71207
bonds issued under section 306.37 of the Revised Code, for as long 71208
as such bonds are outstanding, no reduction of the authority's 71209
allocation of tax shall be made for any year, except to the extent 71210
that the authority's reduced allocation, when combined with the 71211
authority's other revenues pledged for that purpose, is sufficient 71212
to meet the debt service requirements for that year on such bonds. 71213

(d) If the additional revenues provided to the county are 71214
pledged by the county for the payment of bonds or notes issued 71215

under section 133.60 of the Revised Code, for so long as the bonds 71216
or notes are outstanding, no reduction of the county's allocation 71217
of the tax shall be made for any year, except to the extent that 71218
the reduced county allocation is sufficient to meet the debt 71219
service requirements for that year on the bonds or notes. 71220

(D)(1) The resolution levying the tax or increasing the rate 71221
of tax shall state the rate of the tax or the rate of the 71222
increase; the purpose or purposes for which it is to be levied; 71223
the number of years for which it is to be levied or that it is for 71224
a continuing period of time; the allocation method required by 71225
division (C) of this section; and if required to be submitted to 71226
the electors of the county under division (A) of this section, the 71227
date of the election at which the proposal shall be submitted to 71228
the electors of the county, which shall be not less than ninety 71229
days after the certification of a copy of the resolution to the 71230
board of elections and, if the tax is to be levied exclusively for 71231
the purpose set forth in division (A)(3) of this section, shall 71232
not occur in August of any year. Upon certification of the 71233
resolution to the board of elections, the board of county 71234
commissioners shall notify the tax commissioner in writing of the 71235
levy question to be submitted to the electors. If approved by a 71236
majority of the electors, the tax shall become effective on the 71237
first day of a calendar quarter next following the sixty-fifth day 71238
following the date the board of county commissioners and tax 71239
commissioner receive from the board of elections the certification 71240
of the results of the election, except as provided in division (E) 71241
of this section. 71242

(2)(a) A resolution specifying that the tax is to be used 71243
exclusively for the purpose set forth in division (A)(3) of this 71244
section that is not adopted as an emergency measure may direct the 71245
board of elections to submit the question of levying the tax or 71246
increasing the rate of the tax to the electors of the county at a 71247

special election held on the date specified by the board of county commissioners in the resolution, provided that the election occurs not less than ninety days after the resolution is certified to the board of elections and the election is not held in August of any year. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. No resolution adopted under division (D)(2)(a) of this section shall go into effect unless approved by a majority of those voting upon it and, except as provided in division (E) of this section, not until the first day of a calendar quarter following the expiration of sixty-five days from the date the tax commissioner receives notice from the board of elections of the affirmative vote.

(b) A resolution specifying that the tax is to be used exclusively for the purpose set forth in division (A)(3) of this section that is adopted as an emergency measure shall become effective as provided in division (A) of this section, but may direct the board of elections to submit the question of repealing the tax or increase in the rate of the tax to the electors of the county at the next general election in the county occurring not less than ninety days after the resolution is certified to the board of elections. Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to the electors. The ballot question shall be the same as that prescribed in section 5739.022 of the Revised Code. The board of elections shall notify the board of county commissioners and the tax commissioner of the result of the election immediately after the result has been declared. If a majority of the qualified electors voting on the question of repealing the tax or increase in the rate of the tax vote for repeal of the tax or repeal of the increase, the board of county commissioners, on the first day of a

calendar quarter following the expiration of sixty-five days after 71281
the date the board and tax commissioner received notice of the 71282
result of the election, shall, in the case of a repeal of the tax, 71283
cease to levy the tax, or, in the case of a repeal of an increase 71284
in the rate of the tax, cease to levy the increased rate and levy 71285
the tax at the rate at which it was imposed immediately prior to 71286
the increase in rate. 71287

(c) A board of county commissioners, by resolution, may 71288
reduce the rate of a tax levied exclusively for the purpose set 71289
forth in division (A)(3) of this section to a lower rate 71290
authorized by this section. Any such reduction shall be made 71291
effective on the first day of the calendar quarter next following 71292
the sixty-fifth day after the tax commissioner receives a 71293
certified copy of the resolution from the board. 71294

(E) If a vendor makes a sale in this state by printed catalog 71295
and the consumer computed the tax on the sale based on local rates 71296
published in the catalog, any tax levied or repealed or rate 71297
changed under this section shall not apply to such a sale until 71298
the first day of a calendar quarter following the expiration of 71299
one hundred twenty days from the date of notice by the tax 71300
commissioner pursuant to division (G) of this section. 71301

(F) The tax levied pursuant to this section shall be in 71302
addition to the tax levied by section 5739.02 of the Revised Code 71303
and any tax levied pursuant to section 5739.021 or 5739.023 of the 71304
Revised Code. 71305

A county that levies a tax pursuant to this section shall 71306
levy a tax at the same rate pursuant to section 5741.023 of the 71307
Revised Code. 71308

The additional tax levied by the county shall be collected 71309
pursuant to section 5739.025 of the Revised Code. 71310

Any tax levied pursuant to this section is subject to the 71311

exemptions provided in section 5739.02 of the Revised Code and in 71312
addition shall not be applicable to sales not within the taxing 71313
power of a county under the Constitution of the United States or 71314
the Ohio Constitution. 71315

(G) Upon receipt from a board of county commissioners of a 71316
certified copy of a resolution required by division (A) of this 71317
section, or from the board of elections a notice of the results of 71318
an election required by division (D)(1), (2)(a), (b), or (c) of 71319
this section, the tax commissioner shall provide notice of a tax 71320
rate change in a manner that is reasonably accessible to all 71321
affected vendors. The commissioner shall provide this notice at 71322
least sixty days prior to the effective date of the rate change. 71323
The commissioner, by rule, may establish the method by which 71324
notice will be provided. 71325

Sec. 5739.03. (A) Except as provided in section 5739.05 or 71326
section 5739.051 of the Revised Code, the tax imposed by or 71327
pursuant to section 5739.02, 5739.021, 5739.023, or 5739.026 of 71328
the Revised Code shall be paid by the consumer to the vendor, and 71329
each vendor shall collect from the consumer, as a trustee for the 71330
state of Ohio, the full and exact amount of the tax payable on 71331
each taxable sale, in the manner and at the times provided as 71332
follows: 71333

(1) If the price is, at or prior to the provision of the 71334
service or the delivery of possession of the thing sold to the 71335
consumer, paid in currency passed from hand to hand by the 71336
consumer or the consumer's agent to the vendor or the vendor's 71337
agent, the vendor or the vendor's agent shall collect the tax with 71338
and at the same time as the price; 71339

(2) If the price is otherwise paid or to be paid, the vendor 71340
or the vendor's agent shall, at or prior to the provision of the 71341
service or the delivery of possession of the thing sold to the 71342

consumer, charge the tax imposed by or pursuant to section 71343
5739.02, 5739.021, 5739.023, or 5739.026 of the Revised Code to 71344
the account of the consumer, which amount shall be collected by 71345
the vendor from the consumer in addition to the price. Such sale 71346
shall be reported on and the amount of the tax applicable thereto 71347
shall be remitted with the return for the period in which the sale 71348
is made, and the amount of the tax shall become a legal charge in 71349
favor of the vendor and against the consumer. 71350

(B)(1)(a) If any sale is claimed to be exempt under division 71351
(E) of section 5739.01 of the Revised Code or under section 71352
5739.02 of the Revised Code, with the exception of divisions 71353
(B)(1) to (11), (28), or ~~(56)~~(52) of section 5739.02 of the 71354
Revised Code, or if the consumer claims the transaction is not a 71355
taxable sale due to one or more of the exclusions provided under 71356
divisions (JJ)(1) to (5) of section 5739.01 of the Revised Code, 71357
the consumer must provide to the vendor, and the vendor must 71358
obtain from the consumer, a certificate specifying the reason that 71359
the sale is not legally subject to the tax. The certificate shall 71360
be in such form, and shall be provided either in a hard copy form 71361
or electronic form, as the tax commissioner prescribes. 71362

(b) A vendor that obtains a fully completed exemption 71363
certificate from a consumer is relieved of liability for 71364
collecting and remitting tax on any sale covered by that 71365
certificate. If it is determined the exemption was improperly 71366
claimed, the consumer shall be liable for any tax due on that sale 71367
under section 5739.02, 5739.021, 5739.023, or 5739.026 or Chapter 71368
5741. of the Revised Code. Relief under this division from 71369
liability does not apply to any of the following: 71370

(i) A vendor that fraudulently fails to collect tax; 71371

(ii) A vendor that solicits consumers to participate in the 71372
unlawful claim of an exemption; 71373

(iii) A vendor that accepts an exemption certificate from a consumer that claims an exemption based on who purchases or who sells property or a service, when the subject of the transaction sought to be covered by the exemption certificate is actually received by the consumer at a location operated by the vendor in this state, and this state has posted to its web site an exemption certificate form that clearly and affirmatively indicates that the claimed exemption is not available in this state;

(iv) A vendor that accepts an exemption certificate from a consumer who claims a multiple points of use exemption under division (D) of section 5739.033 of the Revised Code, if the item purchased is tangible personal property, other than prewritten computer software.

(2) The vendor shall maintain records, including exemption certificates, of all sales on which a consumer has claimed an exemption, and provide them to the tax commissioner on request.

(3) The tax commissioner may establish an identification system whereby the commissioner issues an identification number to a consumer that is exempt from payment of the tax. The consumer must present the number to the vendor, if any sale is claimed to be exempt as provided in this section.

(4) If no certificate is provided or obtained within ninety days after the date on which such sale is consummated, it shall be presumed that the tax applies. Failure to have so provided or obtained a certificate shall not preclude a vendor, within one hundred twenty days after the tax commissioner gives written notice of intent to levy an assessment, from either establishing that the sale is not subject to the tax, or obtaining, in good faith, a fully completed exemption certificate.

(5) Certificates need not be obtained nor provided where the identity of the consumer is such that the transaction is never

subject to the tax imposed or where the item of tangible personal 71405
property sold or the service provided is never subject to the tax 71406
imposed, regardless of use, or when the sale is in interstate 71407
commerce. 71408

(6) If a transaction is claimed to be exempt under division 71409
(B)(13) of section 5739.02 of the Revised Code, the contractor 71410
shall obtain certification of the claimed exemption from the 71411
contractee. This certification shall be in addition to an 71412
exemption certificate provided by the contractor to the vendor. A 71413
contractee that provides a certification under this division shall 71414
be deemed to be the consumer of all items purchased by the 71415
contractor under the claim of exemption, if it is subsequently 71416
determined that the exemption is not properly claimed. The 71417
certification shall be in such form as the tax commissioner 71418
prescribes. 71419

(C) As used in this division, "contractee" means a person who 71420
seeks to enter or enters into a contract or agreement with a 71421
contractor or vendor for the construction of real property or for 71422
the sale and installation onto real property of tangible personal 71423
property. 71424

Any contractor or vendor may request from any contractee a 71425
certification of what portion of the property to be transferred 71426
under such contract or agreement is to be incorporated into the 71427
realty and what portion will retain its status as tangible 71428
personal property after installation is completed. The contractor 71429
or vendor shall request the certification by certified mail 71430
delivered to the contractee, return receipt requested. Upon 71431
receipt of such request and prior to entering into the contract or 71432
agreement, the contractee shall provide to the contractor or 71433
vendor a certification sufficiently detailed to enable the 71434
contractor or vendor to ascertain the resulting classification of 71435
all materials purchased or fabricated by the contractor or vendor 71436

and transferred to the contractee. This requirement applies to a 71437
contractee regardless of whether the contractee holds a direct 71438
payment permit under section 5739.031 of the Revised Code or 71439
provides to the contractor or vendor an exemption certificate as 71440
provided under this section. 71441

For the purposes of the taxes levied by this chapter and 71442
Chapter 5741. of the Revised Code, the contractor or vendor may in 71443
good faith rely on the contractee's certification. Notwithstanding 71444
division (B) of section 5739.01 of the Revised Code, if the tax 71445
commissioner determines that certain property certified by the 71446
contractee as tangible personal property pursuant to this division 71447
is, in fact, real property, the contractee shall be considered to 71448
be the consumer of all materials so incorporated into that real 71449
property and shall be liable for the applicable tax, and the 71450
contractor or vendor shall be excused from any liability on those 71451
materials. 71452

If a contractee fails to provide such certification upon the 71453
request of the contractor or vendor, the contractor or vendor 71454
shall comply with the provisions of this chapter and Chapter 5741. 71455
of the Revised Code without the certification. If the tax 71456
commissioner determines that such compliance has been performed in 71457
good faith and that certain property treated as tangible personal 71458
property by the contractor or vendor is, in fact, real property, 71459
the contractee shall be considered to be the consumer of all 71460
materials so incorporated into that real property and shall be 71461
liable for the applicable tax, and the construction contractor or 71462
vendor shall be excused from any liability on those materials. 71463

This division does not apply to any contract or agreement 71464
where the tax commissioner determines as a fact that a 71465
certification under this division was made solely on the decision 71466
or advice of the contractor or vendor. 71467

(D) Notwithstanding division (B) of section 5739.01 of the 71468

Revised Code, whenever the total rate of tax imposed under this 71469
chapter is increased after the date after a construction contract 71470
is entered into, the contractee shall reimburse the construction 71471
contractor for any additional tax paid on tangible property 71472
consumed or services received pursuant to the contract. 71473

(E) A vendor who files a petition for reassessment contesting 71474
the assessment of tax on sales for which the vendor obtained no 71475
valid exemption certificates and for which the vendor failed to 71476
establish that the sales were properly not subject to the tax 71477
during the one-hundred-twenty-day period allowed under division 71478
(B) of this section, may present to the tax commissioner 71479
additional evidence to prove that the sales were properly subject 71480
to a claim of exception or exemption. The vendor shall file such 71481
evidence within ninety days of the receipt by the vendor of the 71482
notice of assessment, except that, upon application and for 71483
reasonable cause, the period for submitting such evidence shall be 71484
extended thirty days. 71485

The commissioner shall consider such additional evidence in 71486
reaching the final determination on the assessment and petition 71487
for reassessment. 71488

(F) Whenever a vendor refunds the price, minus any separately 71489
stated delivery charge, of an item of tangible personal property 71490
on which the tax imposed under this chapter has been paid, the 71491
vendor shall also refund the amount of tax paid, minus the amount 71492
of tax attributable to the delivery charge. 71493

Sec. 5739.05. (A)(1) The tax commissioner shall enforce and 71494
administer sections 5739.01 to 5739.31 of the Revised Code, which 71495
are hereby declared to be sections which the commissioner is 71496
required to administer within the meaning of sections 5703.17 to 71497
5703.37, 5703.39, 5703.41, and 5703.45 of the Revised Code. The 71498
commissioner may adopt and promulgate, in accordance with sections 71499

119.01 to 119.13 of the Revised Code, such rules as the 71500
commissioner deems necessary to administer sections 5739.01 to 71501
5739.31 of the Revised Code. 71502

(2) On or before the first day of May of each year, the 71503
commissioner shall make available to vendors a notice explaining 71504
the three-day exemption period required under division (B)~~(56)~~(52) 71505
of section 5739.02 of the Revised Code. 71506

(B) Upon application, the commissioner may authorize a vendor 71507
to pay on a predetermined basis the tax levied by or pursuant to 71508
section 5739.02, 5739.021, 5739.023, or 5739.026 of the Revised 71509
Code upon sales of things produced or distributed or services 71510
provided by such vendor, and the commissioner may waive the 71511
collection of the tax from the consumer. The commissioner shall 71512
not grant such authority unless the commissioner finds that the 71513
granting of the authority would improve compliance and increase 71514
the efficiency of the administration of the tax. The person to 71515
whom such authority is granted shall post a notice, if required by 71516
the commissioner, at the location where the product is offered for 71517
sale that the tax is included in the selling price. The 71518
commissioner may adopt rules to administer this division. 71519

(C) Upon application, the commissioner may authorize a vendor 71520
to remit, on the basis of a prearranged agreement under this 71521
division, the tax levied by section 5739.02 or pursuant to section 71522
5739.021, 5739.023, or 5739.026 of the Revised Code. The 71523
proportions and ratios in a prearranged agreement shall be 71524
determined either by a test check conducted by the commissioner 71525
under terms and conditions agreed to by the commissioner and the 71526
vendor or by any other method agreed upon by the vendor and the 71527
commissioner. If the parties are unable to agree to the terms and 71528
conditions of the test check or other method, the application 71529
shall be denied. 71530

If used, the test check shall determine the proportion that taxable retail sales bear to all of the vendor's retail sales and the ratio which the tax required to be collected under sections 5739.02, 5739.021, 5739.023, and 5739.026 of the Revised Code bears to the receipts from the vendor's taxable retail sales.

The vendor's liability for remitting the tax shall be based solely upon the proportions and ratios established in the agreement until such time that the vendor or the commissioner believes that the nature of the vendor's business has so changed as to make the agreement no longer representative. The commissioner may give notice to the vendor at any time that the authorization is revoked or the vendor may notify the commissioner that the vendor no longer elects to report under the authorization. Such notice shall be delivered to the other party personally or by registered mail. The revocation or cancellation is effective the last day of the month in which the vendor or the commissioner receives the notice.

Sec. 5739.082. A tax levied by a board of township trustees or the legislative authority of a municipal corporation pursuant to section 5739.08 of the Revised Code on transactions by which lodging by a hotel is or is to be furnished to transient guests, if the transaction is conducted through a hotel intermediary, shall be levied on the basis of the lodging's fair market value. The hotel intermediary shall collect the tax due from the purchaser and remit it to the township or municipal corporation.

Sec. 5739.09. (A)(1) A board of county commissioners may, by resolution adopted by a majority of the members of the board, levy an excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The

regulations may prescribe the time for payment of the tax, and may 71562
provide for the imposition of a penalty or interest, or both, for 71563
late payments, provided that the penalty does not exceed ten per 71564
cent of the amount of tax due, and the rate at which interest 71565
accrues does not exceed the rate per annum prescribed pursuant to 71566
section 5703.47 of the Revised Code. Except as provided in 71567
divisions (A)(2), (3), (4), (5), (6), (7), (8), (9), (10), (11), 71568
and (12) of this section, the regulations shall provide, after 71569
deducting the real and actual costs of administering the tax, for 71570
the return to each municipal corporation or township that does not 71571
levy an excise tax on the transactions, a uniform percentage of 71572
the tax collected in the municipal corporation or in the 71573
unincorporated portion of the township from each transaction, not 71574
to exceed thirty-three and one-third per cent. The remainder of 71575
the revenue arising from the tax shall be deposited in a separate 71576
fund and shall be spent solely to make contributions to the 71577
convention and visitors' bureau operating within the county, 71578
including a pledge and contribution of any portion of the 71579
remainder pursuant to an agreement authorized by section 307.678 71580
or 307.695 of the Revised Code, provided that if the board of 71581
county commissioners of an eligible county as defined in section 71582
307.678 or 307.695 of the Revised Code adopts a resolution 71583
amending a resolution levying a tax under this division to provide 71584
that revenue from the tax shall be used by the board as described 71585
in either division (D) of section 307.678 or division (H) of 71586
section 307.695 of the Revised Code, the remainder of the revenue 71587
shall be used as described in the resolution making that 71588
amendment. Except as provided in division (A)(2), (3), (4), (5), 71589
(6), (7), (8), (9), (10), or (11) or (H) of this section, on and 71590
after May 10, 1994, a board of county commissioners may not levy 71591
an excise tax pursuant to this division in any municipal 71592
corporation or township located wholly or partly within the county 71593

that has in effect an ordinance or resolution levying an excise 71594
tax pursuant to division (B) of this section. The board of a 71595
county that has levied a tax under division (C) of this section 71596
may, by resolution adopted within ninety days after July 15, 1985, 71597
by a majority of the members of the board, amend the resolution 71598
levying a tax under this division to provide for a portion of that 71599
tax to be pledged and contributed in accordance with an agreement 71600
entered into under section 307.695 of the Revised Code. A tax, any 71601
revenue from which is pledged pursuant to such an agreement, shall 71602
remain in effect at the rate at which it is imposed for the 71603
duration of the period for which the revenue from the tax has been 71604
so pledged. 71605

The board of county commissioners of an eligible county as 71606
defined in section 307.695 of the Revised Code may, by resolution 71607
adopted by a majority of the members of the board, amend a 71608
resolution levying a tax under this division to provide that the 71609
revenue from the tax shall be used by the board as described in 71610
division (H) of section 307.695 of the Revised Code, in which case 71611
the tax shall remain in effect at the rate at which it was imposed 71612
for the duration of any agreement entered into by the board under 71613
section 307.695 of the Revised Code, the duration during which any 71614
securities issued by the board under that section are outstanding, 71615
or the duration of the period during which the board owns a 71616
project as defined in section 307.695 of the Revised Code, 71617
whichever duration is longest. 71618

The board of county commissioners of an eligible county as 71619
defined in section 307.678 of the Revised Code may, by resolution, 71620
amend a resolution levying a tax under this division to provide 71621
that revenue from the tax, not to exceed five hundred thousand 71622
dollars each year, may be used as described in division (E) of 71623
section 307.678 of the Revised Code. 71624

Notwithstanding division (A)(1) of this section, the board of
county commissioners of a county described in division (A)(8)(a)
of this section may, by resolution, amend a resolution levying a
tax under this division to provide that all or a portion of the
revenue from the tax, including any revenue otherwise required to
be returned to townships or municipal corporations under this
division, may be used or pledged for the payment of debt service
on securities issued to pay the costs of constructing, operating,
and maintaining sports facilities described in division (A)(8)(b)
of this section.

The board of county commissioners of a county described in
division (A)(9) of this section may, by resolution, amend a
resolution levying a tax under this division to provide that all
or a portion of the revenue from the tax may be used for the
purposes described in section 307.679 of the Revised Code.

(2) A board of county commissioners that levies an excise tax
under division (A)(1) of this section on June 30, 1997, at a rate
of three per cent, and that has pledged revenue from the tax to an
agreement entered into under section 307.695 of the Revised Code
or, in the case of the board of county commissioners of an
eligible county as defined in section 307.695 of the Revised Code,
has amended a resolution levying a tax under division (C) of this
section to provide that proceeds from the tax shall be used by the
board as described in division (H) of section 307.695 of the
Revised Code, may, at any time by a resolution adopted by a
majority of the members of the board, amend the resolution levying
a tax under division (A)(1) of this section to provide for an
increase in the rate of that tax up to seven per cent on each
transaction; to provide that revenue from the increase in the rate
shall be used as described in division (H) of section 307.695 of
the Revised Code or be spent solely to make contributions to the
convention and visitors' bureau operating within the county to be

used specifically for promotion, advertising, and marketing of the 71657
region in which the county is located; and to provide that the 71658
rate in excess of the three per cent levied under division (A)(1) 71659
of this section shall remain in effect at the rate at which it is 71660
imposed for the duration of the period during which any agreement 71661
is in effect that was entered into under section 307.695 of the 71662
Revised Code by the board of county commissioners levying a tax 71663
under division (A)(1) of this section, the duration of the period 71664
during which any securities issued by the board under division (I) 71665
of section 307.695 of the Revised Code are outstanding, or the 71666
duration of the period during which the board owns a project as 71667
defined in section 307.695 of the Revised Code, whichever duration 71668
is longest. The amendment also shall provide that no portion of 71669
that revenue need be returned to townships or municipal 71670
corporations as would otherwise be required under division (A)(1) 71671
of this section. 71672

(3) A board of county commissioners that levies a tax under 71673
division (A)(1) of this section on March 18, 1999, at a rate of 71674
three per cent may, by resolution adopted not later than 71675
forty-five days after March 18, 1999, amend the resolution levying 71676
the tax to provide for all of the following: 71677

(a) That the rate of the tax shall be increased by not more 71678
than an additional four per cent on each transaction; 71679

(b) That all of the revenue from the increase in the rate 71680
shall be pledged and contributed to a convention facilities 71681
authority established by the board of county commissioners under 71682
Chapter 351. of the Revised Code on or before November 15, 1998, 71683
and used to pay costs of constructing, maintaining, operating, and 71684
promoting a facility in the county, including paying bonds, or 71685
notes issued in anticipation of bonds, as provided by that 71686
chapter; 71687

(c) That no portion of the revenue arising from the increase 71688

in rate need be returned to municipal corporations or townships as 71689
otherwise required under division (A)(1) of this section; 71690

(d) That the increase in rate shall not be subject to 71691
diminution by initiative or referendum or by law while any bonds, 71692
or notes in anticipation of bonds, issued by the authority under 71693
Chapter 351. of the Revised Code to which the revenue is pledged, 71694
remain outstanding in accordance with their terms, unless 71695
provision is made by law or by the board of county commissioners 71696
for an adequate substitute therefor that is satisfactory to the 71697
trustee if a trust agreement secures the bonds. 71698

Division (A)(3) of this section does not apply to the board 71699
of county commissioners of any county in which a convention center 71700
or facility exists or is being constructed on November 15, 1998, 71701
or of any county in which a convention facilities authority levies 71702
a tax pursuant to section 351.021 of the Revised Code on that 71703
date. 71704

As used in division (A)(3) of this section, "cost" and 71705
"facility" have the same meanings as in section 351.01 of the 71706
Revised Code, and "convention center" has the same meaning as in 71707
section 307.695 of the Revised Code. 71708

(4)(a) A board of county commissioners that levies a tax 71709
under division (A)(1) of this section on June 30, 2002, at a rate 71710
of three per cent may, by resolution adopted not later than 71711
September 30, 2002, amend the resolution levying the tax to 71712
provide for all of the following: 71713

(i) That the rate of the tax shall be increased by not more 71714
than an additional three and one-half per cent on each 71715
transaction; 71716

(ii) That all of the revenue from the increase in rate shall 71717
be pledged and contributed to a convention facilities authority 71718
established by the board of county commissioners under Chapter 71719

351. of the Revised Code on or before May 15, 2002, and be used to 71720
pay costs of constructing, expanding, maintaining, operating, or 71721
promoting a convention center in the county, including paying 71722
bonds, or notes issued in anticipation of bonds, as provided by 71723
that chapter; 71724

(iii) That no portion of the revenue arising from the 71725
increase in rate need be returned to municipal corporations or 71726
townships as otherwise required under division (A)(1) of this 71727
section; 71728

(iv) That the increase in rate shall not be subject to 71729
diminution by initiative or referendum or by law while any bonds, 71730
or notes in anticipation of bonds, issued by the authority under 71731
Chapter 351. of the Revised Code to which the revenue is pledged, 71732
remain outstanding in accordance with their terms, unless 71733
provision is made by law or by the board of county commissioners 71734
for an adequate substitute therefor that is satisfactory to the 71735
trustee if a trust agreement secures the bonds. 71736

(b) Any board of county commissioners that, pursuant to 71737
division (A)(4)(a) of this section, has amended a resolution 71738
levying the tax authorized by division (A)(1) of this section may 71739
further amend the resolution to provide that the revenue referred 71740
to in division (A)(4)(a)(ii) of this section shall be pledged and 71741
contributed both to a convention facilities authority to pay the 71742
costs of constructing, expanding, maintaining, or operating one or 71743
more convention centers in the county, including paying bonds, or 71744
notes issued in anticipation of bonds, as provided in Chapter 351. 71745
of the Revised Code, and to a convention and visitors' bureau to 71746
pay the costs of promoting one or more convention centers in the 71747
county. 71748

As used in division (A)(4) of this section, "cost" has the 71749
same meaning as in section 351.01 of the Revised Code, and 71750
"convention center" has the same meaning as in section 307.695 of 71751

the Revised Code. 71752

(5)(a) As used in division (A)(5) of this section: 71753

(i) "Port authority" means a port authority created under 71754
Chapter 4582. of the Revised Code. 71755

(ii) "Port authority military-use facility" means port 71756
authority facilities on which or adjacent to which is located an 71757
installation of the armed forces of the United States, a reserve 71758
component thereof, or the national guard and at least part of 71759
which is made available for use, for consideration, by the armed 71760
forces of the United States, a reserve component thereof, or the 71761
national guard. 71762

(b) For the purpose of contributing revenue to pay operating 71763
expenses of a port authority that operates a port authority 71764
military-use facility, the board of county commissioners of a 71765
county that created, participated in the creation of, or has 71766
joined such a port authority may do one or both of the following: 71767

(i) Amend a resolution previously adopted under division 71768
(A)(1) of this section to designate some or all of the revenue 71769
from the tax levied under the resolution to be used for that 71770
purpose, notwithstanding that division; 71771

(ii) Amend a resolution previously adopted under division 71772
(A)(1) of this section to increase the rate of the tax by not more 71773
than an additional two per cent and use the revenue from the 71774
increase exclusively for that purpose. 71775

(c) If a board of county commissioners amends a resolution to 71776
increase the rate of a tax as authorized in division (A)(5)(b)(ii) 71777
of this section, the board also may amend the resolution to 71778
specify that the increase in rate of the tax does not apply to 71779
"hotels," as otherwise defined in section 5739.01 of the Revised 71780
Code, having fewer rooms used for the accommodation of guests than 71781
a number of rooms specified by the board. 71782

(6) A board of county commissioners of a county organized 71783
under a county charter adopted pursuant to Article X, Section 3, 71784
Ohio Constitution, and that levies an excise tax under division 71785
(A)(1) of this section at a rate of three per cent and levies an 71786
additional excise tax under division (E) of this section at a rate 71787
of one and one-half per cent may, by resolution adopted not later 71788
than January 1, 2008, by a majority of the members of the board, 71789
amend the resolution levying a tax under division (A)(1) of this 71790
section to provide for an increase in the rate of that tax by not 71791
more than an additional one per cent on transactions by which 71792
lodging by a hotel is or is to be furnished to transient guests. 71793
Notwithstanding divisions (A)(1) and (E) of this section, the 71794
resolution shall provide that all of the revenue from the increase 71795
in rate, after deducting the real and actual costs of 71796
administering the tax, shall be used to pay the costs of 71797
improving, expanding, equipping, financing, or operating a 71798
convention center by a convention and visitors' bureau in the 71799
county. The increase in rate shall remain in effect for the period 71800
specified in the resolution, not to exceed ten years, and may be 71801
extended for an additional period of time not to exceed ten years 71802
thereafter by a resolution adopted by a majority of the members of 71803
the board. The increase in rate shall be subject to the 71804
regulations adopted under division (A)(1) of this section, except 71805
that the resolution may provide that no portion of the revenue 71806
from the increase in the rate shall be returned to townships or 71807
municipal corporations as would otherwise be required under that 71808
division. 71809

(7) Division (A)(7) of this section applies only to a county 71810
with a population greater than sixty-five thousand and less than 71811
seventy thousand according to the most recent federal decennial 71812
census and in which, on December 31, 2006, an excise tax is levied 71813
under division (A)(1) of this section at a rate not less than and 71814
not greater than three per cent, and in which the most recent 71815

increase in the rate of that tax was enacted or took effect in 71816
November 1984. 71817

The board of county commissioners of a county to which this 71818
division applies, by resolution adopted by a majority of the 71819
members of the board, may increase the rate of the tax by not more 71820
than one per cent on transactions by which lodging by a hotel is 71821
or is to be furnished to transient guests. The increase in rate 71822
shall be for the purpose of paying expenses deemed necessary by 71823
the convention and visitors' bureau operating in the county to 71824
promote travel and tourism. The increase in rate shall remain in 71825
effect for the period specified in the resolution, not to exceed 71826
twenty years, provided that the increase in rate may not continue 71827
beyond the time when the purpose for which the increase is levied 71828
ceases to exist. If revenue from the increase in rate is pledged 71829
to the payment of debt charges on securities, the increase in rate 71830
is not subject to diminution by initiative or referendum or by law 71831
for so long as the securities are outstanding, unless provision is 71832
made by law or by the board of county commissioners for an 71833
adequate substitute for that revenue that is satisfactory to the 71834
trustee if a trust agreement secures payment of the debt charges. 71835
The increase in rate shall be subject to the regulations adopted 71836
under division (A)(1) of this section, except that the resolution 71837
may provide that no portion of the revenue from the increase in 71838
the rate shall be returned to townships or municipal corporations 71839
as would otherwise be required under division (A)(1) of this 71840
section. A resolution adopted under division (A)(7) of this 71841
section is subject to referendum under sections 305.31 to 305.99 71842
of the Revised Code. 71843

(8)(a) Division (A)(8) of this section applies only to a 71844
county satisfying all of the following: 71845

(i) The population of the county is greater than one hundred 71846
seventy-five thousand and less than two hundred twenty-five 71847

thousand according to the most recent federal decennial census. 71848

(ii) An amusement park with an average yearly attendance in excess of two million guests is located in the county. 71849
71850

(iii) On December 31, 2014, an excise tax was levied in the county under division (A)(1) of this section at a rate of three per cent. 71851
71852
71853

(b) The board of county commissioners of a county to which this division applies, by resolution adopted by a majority of the members of the board, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be used to pay the costs of constructing and maintaining facilities owned by the county or by a port authority created under Chapter 4582. of the Revised Code, and designed to host sporting events and expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism with reference to the sports facilities, and to pay or pledge to the payment of debt service on securities issued to pay the costs of constructing, operating, and maintaining the sports facilities. The increase in rate shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required 71854

(9) The board of county commissioners of a county with a 71881
population greater than seventy-five thousand and less than 71882
seventy-eight thousand, by resolution adopted by a majority of the 71883
members of the board not later than October 15, 2015, may increase 71884
the rate of the tax by not more than one per cent on transactions 71885
by which lodging by a hotel is or is to be furnished to transient 71886
guests. The increase in rate shall be for the purposes described 71887
in section 307.679 of the Revised Code or for the promotion of 71888
travel and tourism in the county, including travel and tourism to 71889
sports facilities. The increase in rate shall remain in effect for 71890
the period specified in the resolution and as necessary to fulfill 71891
the county's obligations under a cooperative agreement entered 71892
into under section 307.679 of the Revised Code. If the resolution 71893
is adopted by the board before September 29, 2015, but after that 71894
enactment becomes law, the increase in rate shall become effective 71895
beginning on September 29, 2015. If revenue from the increase in 71896
rate is pledged to the payment of debt charges on securities, or 71897
to substitute for other revenues pledged to the payment of such 71898
debt, the increase in rate is not subject to diminution by 71899
initiative or referendum or by law for so long as the securities 71900
are outstanding, unless provision is made by law or by the board 71901
of county commissioners for an adequate substitute for that 71902
revenue that is satisfactory to the trustee if a trust agreement 71903
secures payment of the debt charges. The increase in rate shall be 71904
subject to the regulations adopted under division (A)(1) of this 71905
section, except that no portion of the revenue from the increase 71906
in the rate shall be returned to townships or municipal 71907
corporations as would otherwise be required under division (A)(1) 71908
of this section. 71909

(10) Division (A)(10) of this section applies only to 71910
counties satisfying either of the following: 71911

(a) A county that, on July 1, 2015, does not levy an excise tax under division (A)(1) of this section and that has a population of at least thirty-nine thousand but not more than forty thousand according to the 2010 federal decennial census;

(b) A county that, on July 1, 2015, levies an excise tax under division (A)(1) of this section at a rate of three per cent and that has a population of at least seventy-one thousand but not more than seventy-five thousand according to 2010 federal decennial census.

The board of county commissioners of a county to which division (A)(10) of this section applies, by resolution adopted by a majority of the members of the board, may levy an excise tax at a rate not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests for the purpose of acquiring, constructing, equipping, or repairing permanent improvements, as defined in section 133.01 of the Revised Code. If the board does not levy a tax under division (A)(1) of this section, the board shall establish regulations necessary to provide for the administration of the tax, which may prescribe the time for payment of the tax and the imposition of penalty or interest subject to the limitations on penalty and interest provided in division (A)(1) of this section. No portion of the revenue shall be returned to townships or municipal corporations in the county unless otherwise provided by resolution of the board. The tax shall apply throughout the territory of the county, including in any township or municipal corporation levying an excise tax under division (B) of this section or division (A) of section 5739.08 of the Revised Code. The levy of the tax is subject to referendum as provided under section 305.31 of the Revised Code.

The tax shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to

the payment of debt charges on securities, the increase in rate is 71944
not subject to diminution by initiative or referendum or by law 71945
for so long as the securities are outstanding unless provision is 71946
made by law or by the board for an adequate substitute for that 71947
revenue that is satisfactory to the trustee if a trust agreement 71948
secures payment of the debt charges. 71949

(11) The board of county commissioners of an eligible county, 71950
as defined in section 307.678 of the Revised Code, that levies an 71951
excise tax under division (A)(1) of this section on July 1, 2017, 71952
at a rate of three per cent may, by resolution adopted by a 71953
majority of the members of the board, amend the resolution levying 71954
the tax to increase the rate of the tax by not more than an 71955
additional three per cent on each transaction. No portion of the 71956
revenue shall be returned to townships or municipal corporations 71957
in the county unless otherwise provided by resolution of the 71958
board. Otherwise, the revenue from the increase in the rate shall 71959
be distributed and used in the same manner described under 71960
division (A)(1) of this section or distributed or used to provide 71961
credit enhancement facilities as authorized under section 307.678 71962
of the Revised Code. The increase in rate shall remain in effect 71963
for the period specified in the resolution. If revenue from the 71964
increase in rate is pledged to the payment of debt charges on 71965
securities, the increase in rate is not subject to diminution by 71966
initiative or referendum or by law for so long as the securities 71967
are outstanding unless provision is made by law or by the board 71968
for an adequate substitute for that revenue that is satisfactory 71969
to the trustee if a trust agreement secures payment of the debt 71970
charges. 71971

(12)(a) As used in this division: 71972

(i) "Eligible county" means a county that has a population 71973
greater than one hundred ninety thousand and less than two hundred 71974
thousand according to the 2010 federal decennial census and that 71975

levies an excise tax under division (A)(1) of this section at a 71976
rate of three per cent. 71977

(ii) "Professional sports facility" means a sports facility 71978
that is intended to house major or minor league professional 71979
athletic teams, including a stadium, together with all parking 71980
facilities, walkways, and other auxiliary facilities, real and 71981
personal property, property rights, easements, and interests that 71982
may be appropriate for, or used in connection with, the operation 71983
of the facility. 71984

(b) Subject to division (A)(12)(c) of this section, the board 71985
of county commissioners of an eligible county, by resolution 71986
adopted by a majority of the members of the board, may increase 71987
the rate of the tax by not more than one per cent on transactions 71988
by which lodging by a hotel is or is to be furnished to transient 71989
guests. Revenue from the increase in rate shall be used for the 71990
purposes of paying the costs of constructing, improving, and 71991
maintaining a professional sports facility in the county and 71992
paying expenses considered necessary by the convention and 71993
visitors' bureau operating in the county to promote travel and 71994
tourism with respect to that professional sports facility. The tax 71995
shall take effect only after the convention and visitors' bureau 71996
enters into a contract for the construction, improvement, or 71997
maintenance of a professional sports facility that is or will be 71998
located on property acquired, in whole or in part, with revenue 71999
from the increased rate, and thereafter shall remain in effect for 72000
the period specified in the resolution. If revenue from the 72001
increase in rate is pledged to the payment of debt charges on 72002
securities, the increase in rate is not subject to diminution by 72003
initiative or referendum or by law for so long as the securities 72004
are outstanding, unless a provision is made by law or by the board 72005
of county commissioners for an adequate substitute for that 72006
revenue that is satisfactory to the trustee if a trust agreement 72007

secures payment of the debt charges. The increase in rate shall be 72008
subject to the regulations adopted under division (A)(1) of this 72009
section, except that the resolution may provide that no portion of 72010
the revenue from the increase in the rate shall be returned to 72011
townships or municipal corporations as would otherwise be required 72012
under division (A)(1) of this section. 72013

(c) If, on December 31, 2019, the convention and visitors' 72014
bureau has not entered into a contract for the construction, 72015
improvement, or maintenance of a professional sports facility that 72016
is or will be located on property acquired, in whole or in part, 72017
with revenue from the increased rate, the authority to levy the 72018
tax under division (A)(12)(b) of this section is hereby repealed 72019
on that date. 72020

(B)(1) The legislative authority of a municipal corporation 72021
or the board of trustees of a township that is not wholly or 72022
partly located in a county that has in effect a resolution levying 72023
an excise tax pursuant to division (A)(1) of this section may, by 72024
ordinance or resolution, levy an excise tax not to exceed three 72025
per cent on transactions by which lodging by a hotel is or is to 72026
be furnished to transient guests. The legislative authority of the 72027
municipal corporation or the board of trustees of the township 72028
shall deposit at least fifty per cent of the revenue from the tax 72029
levied pursuant to this division into a separate fund, which shall 72030
be spent solely to make contributions to convention and visitors' 72031
bureaus operating within the county in which the municipal 72032
corporation or township is wholly or partly located, and the 72033
balance of that revenue shall be deposited in the general fund. 72034
The municipal corporation or township shall establish all 72035
regulations necessary to provide for the administration and 72036
allocation of the tax. The regulations may prescribe the time for 72037
payment of the tax, and may provide for the imposition of a 72038
penalty or interest, or both, for late payments, provided that the 72039

penalty does not exceed ten per cent of the amount of tax due, and 72040
the rate at which interest accrues does not exceed the rate per 72041
annum prescribed pursuant to section 5703.47 of the Revised Code. 72042
The levy of a tax under this division is in addition to any tax 72043
imposed on the same transaction by a municipal corporation or a 72044
township as authorized by division (A) of section 5739.08 of the 72045
Revised Code. 72046

(2)(a) The legislative authority of the most populous 72047
municipal corporation located wholly or partly in a county in 72048
which the board of county commissioners has levied a tax under 72049
division (A)(4) of this section may amend, on or before September 72050
30, 2002, that municipal corporation's ordinance or resolution 72051
that levies an excise tax on transactions by which lodging by a 72052
hotel is or is to be furnished to transient guests, to provide for 72053
all of the following: 72054

(i) That the rate of the tax shall be increased by not more 72055
than an additional one per cent on each transaction; 72056

(ii) That all of the revenue from the increase in rate shall 72057
be pledged and contributed to a convention facilities authority 72058
established by the board of county commissioners under Chapter 72059
351. of the Revised Code on or before May 15, 2002, and be used to 72060
pay costs of constructing, expanding, maintaining, operating, or 72061
promoting a convention center in the county, including paying 72062
bonds, or notes issued in anticipation of bonds, as provided by 72063
that chapter; 72064

(iii) That the increase in rate shall not be subject to 72065
diminution by initiative or referendum or by law while any bonds, 72066
or notes in anticipation of bonds, issued by the authority under 72067
Chapter 351. of the Revised Code to which the revenue is pledged, 72068
remain outstanding in accordance with their terms, unless 72069
provision is made by law, by the board of county commissioners, or 72070
by the legislative authority, for an adequate substitute therefor 72071

that is satisfactory to the trustee if a trust agreement secures 72072
the bonds. 72073

(b) The legislative authority of a municipal corporation 72074
that, pursuant to division (B)(2)(a) of this section, has amended 72075
its ordinance or resolution to increase the rate of the tax 72076
authorized by division (B)(1) of this section may further amend 72077
the ordinance or resolution to provide that the revenue referred 72078
to in division (B)(2)(a)(ii) of this section shall be pledged and 72079
contributed both to a convention facilities authority to pay the 72080
costs of constructing, expanding, maintaining, or operating one or 72081
more convention centers in the county, including paying bonds, or 72082
notes issued in anticipation of bonds, as provided in Chapter 351. 72083
of the Revised Code, and to a convention and visitors' bureau to 72084
pay the costs of promoting one or more convention centers in the 72085
county. 72086

As used in division (B)(2) of this section, "cost" has the 72087
same meaning as in section 351.01 of the Revised Code, and 72088
"convention center" has the same meaning as in section 307.695 of 72089
the Revised Code. 72090

(3) The legislative authority of an eligible municipal 72091
corporation may amend, on or before December 31, 2017, that 72092
municipal corporation's ordinance or resolution that levies an 72093
excise tax on transactions by which lodging by a hotel is or is to 72094
be furnished to transient guests, to provide for the following: 72095

(a) That the rate of the tax shall be increased by not more 72096
than an additional three per cent on each transaction; 72097

(b) That all of the revenue from the increase in rate shall 72098
be used by the municipal corporation for economic development and 72099
tourism-related purposes. 72100

As used in division (B)(3) of this section, "eligible 72101
municipal corporation" means a municipal corporation that, on the 72102

effective date of the amendment of this section by H.B. 49 of the 132nd general assembly, September 29, 2017, levied a tax under division (B)(1) of this section at a rate of three per cent and that is located in a county that, on that date, levied a tax under division (A) of this section at a rate of three per cent and that has, according to the most recent federal decennial census, a population exceeding three hundred thousand but not greater than three hundred fifty thousand.

(C) For the purposes described in section 307.695 of the Revised Code and to cover the costs of administering the tax, a board of county commissioners of a county where a tax imposed under division (A)(1) of this section is in effect may, by resolution adopted within ninety days after July 15, 1985, by a majority of the members of the board, levy an additional excise tax not to exceed three per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The tax authorized by this division shall be in addition to any tax that is levied pursuant to division (A) of this section, but it shall not apply to transactions subject to a tax levied by a municipal corporation or township pursuant to the authorization granted by division (A) of section 5739.08 of the Revised Code. The board shall establish all regulations necessary to provide for the administration and allocation of the tax. The regulations may prescribe the time for payment of the tax, and may provide for the imposition of a penalty or interest, or both, for late payments, provided that the penalty does not exceed ten per cent of the amount of tax due, and the rate at which interest accrues does not exceed the rate per annum prescribed pursuant to section 5703.47 of the Revised Code. All revenues arising from the tax shall be expended in accordance with section 307.695 of the Revised Code. The board of county commissioners of an eligible county as defined in section 307.695 of the Revised Code may, by resolution adopted by a majority of the members of the board, amend the resolution

levying a tax under this division to provide that the revenue from 72136
the tax shall be used by the board as described in division (H) of 72137
section 307.695 of the Revised Code. A tax imposed under this 72138
division shall remain in effect at the rate at which it is imposed 72139
for the duration of the period during which any agreement entered 72140
into by the board under section 307.695 of the Revised Code is in 72141
effect, the duration of the period during which any securities 72142
issued by the board under division (I) of section 307.695 of the 72143
Revised Code are outstanding, or the duration of the period during 72144
which the board owns a project as defined in section 307.695 of 72145
the Revised Code, whichever duration is longest. 72146

(D) For the purpose of providing contributions under division 72147
(B)(1) of section 307.671 of the Revised Code to enable the 72148
acquisition, construction, and equipping of a port authority 72149
educational and cultural facility in the county and, to the extent 72150
provided for in the cooperative agreement authorized by that 72151
section, for the purpose of paying debt service charges on bonds, 72152
or notes in anticipation of bonds, described in division (B)(1)(b) 72153
of that section, a board of county commissioners, by resolution 72154
adopted within ninety days after December 22, 1992, by a majority 72155
of the members of the board, may levy an additional excise tax not 72156
to exceed one and one-half per cent on transactions by which 72157
lodging by a hotel is or is to be furnished to transient guests. 72158
The excise tax authorized by this division shall be in addition to 72159
any tax that is levied pursuant to divisions (A), (B), and (C) of 72160
this section, to any excise tax levied pursuant to section 5739.08 72161
of the Revised Code, and to any excise tax levied pursuant to 72162
section 351.021 of the Revised Code. The board of county 72163
commissioners shall establish all regulations necessary to provide 72164
for the administration and allocation of the tax that are not 72165
inconsistent with this section or section 307.671 of the Revised 72166
Code. The regulations may prescribe the time for payment of the 72167
tax, and may provide for the imposition of a penalty or interest, 72168

or both, for late payments, provided that the penalty does not 72169
exceed ten per cent of the amount of tax due, and the rate at 72170
which interest accrues does not exceed the rate per annum 72171
prescribed pursuant to section 5703.47 of the Revised Code. All 72172
revenues arising from the tax shall be expended in accordance with 72173
section 307.671 of the Revised Code and division (D) of this 72174
section. The levy of a tax imposed under this division may not 72175
commence prior to the first day of the month next following the 72176
execution of the cooperative agreement authorized by section 72177
307.671 of the Revised Code by all parties to that agreement. The 72178
tax shall remain in effect at the rate at which it is imposed for 72179
the period of time described in division (C) of section 307.671 of 72180
the Revised Code for which the revenue from the tax has been 72181
pledged by the county to the corporation pursuant to that section, 72182
but, to any extent provided for in the cooperative agreement, for 72183
no lesser period than the period of time required for payment of 72184
the debt service charges on bonds, or notes in anticipation of 72185
bonds, described in division (B)(1)(b) of that section. 72186

(E) For the purpose of paying the costs of acquiring, 72187
constructing, equipping, and improving a municipal educational and 72188
cultural facility, including debt service charges on bonds 72189
provided for in division (B) of section 307.672 of the Revised 72190
Code, and for any additional purposes determined by the county in 72191
the resolution levying the tax or amendments to the resolution, 72192
including subsequent amendments providing for paying costs of 72193
acquiring, constructing, renovating, rehabilitating, equipping, 72194
and improving a port authority educational and cultural performing 72195
arts facility, as defined in section 307.674 of the Revised Code, 72196
and including debt service charges on bonds provided for in 72197
division (B) of section 307.674 of the Revised Code, the 72198
legislative authority of a county, by resolution adopted within 72199
ninety days after June 30, 1993, by a majority of the members of 72200
the legislative authority, may levy an additional excise tax not 72201

to exceed one and one-half per cent on transactions by which 72202
lodging by a hotel is or is to be furnished to transient guests. 72203
The excise tax authorized by this division shall be in addition to 72204
any tax that is levied pursuant to divisions (A), (B), (C), and 72205
(D) of this section, to any excise tax levied pursuant to section 72206
5739.08 of the Revised Code, and to any excise tax levied pursuant 72207
to section 351.021 of the Revised Code. The legislative authority 72208
of the county shall establish all regulations necessary to provide 72209
for the administration and allocation of the tax. The regulations 72210
may prescribe the time for payment of the tax, and may provide for 72211
the imposition of a penalty or interest, or both, for late 72212
payments, provided that the penalty does not exceed ten per cent 72213
of the amount of tax due, and the rate at which interest accrues 72214
does not exceed the rate per annum prescribed pursuant to section 72215
5703.47 of the Revised Code. All revenues arising from the tax 72216
shall be expended in accordance with section 307.672 of the 72217
Revised Code and this division. The levy of a tax imposed under 72218
this division shall not commence prior to the first day of the 72219
month next following the execution of the cooperative agreement 72220
authorized by section 307.672 of the Revised Code by all parties 72221
to that agreement. The tax shall remain in effect at the rate at 72222
which it is imposed for the period of time determined by the 72223
legislative authority of the county. That period of time shall not 72224
exceed fifteen years, except that the legislative authority of a 72225
county with a population of less than two hundred fifty thousand 72226
according to the most recent federal decennial census, by 72227
resolution adopted by a majority of its members before the 72228
original tax expires, may extend the duration of the tax for an 72229
additional period of time. The additional period of time by which 72230
a legislative authority extends a tax levied under this division 72231
shall not exceed fifteen years. 72232

(F) The legislative authority of a county that has levied a 72233
tax under division (E) of this section may, by resolution adopted 72234

within one hundred eighty days after January 4, 2001, by a 72235
majority of the members of the legislative authority, amend the 72236
resolution levying a tax under that division to provide for the 72237
use of the proceeds of that tax, to the extent that it is no 72238
longer needed for its original purpose as determined by the 72239
parties to a cooperative agreement amendment pursuant to division 72240
(D) of section 307.672 of the Revised Code, to pay costs of 72241
acquiring, constructing, renovating, rehabilitating, equipping, 72242
and improving a port authority educational and cultural performing 72243
arts facility, including debt service charges on bonds provided 72244
for in division (B) of section 307.674 of the Revised Code, and to 72245
pay all obligations under any guaranty agreements, reimbursement 72246
agreements, or other credit enhancement agreements described in 72247
division (C) of section 307.674 of the Revised Code. The 72248
resolution may also provide for the extension of the tax at the 72249
same rate for the longer of the period of time determined by the 72250
legislative authority of the county, but not to exceed an 72251
additional twenty-five years, or the period of time required to 72252
pay all debt service charges on bonds provided for in division (B) 72253
of section 307.672 of the Revised Code and on port authority 72254
revenue bonds provided for in division (B) of section 307.674 of 72255
the Revised Code. All revenues arising from the amendment and 72256
extension of the tax shall be expended in accordance with section 72257
307.674 of the Revised Code, this division, and division (E) of 72258
this section. 72259

(G) For purposes of a tax levied by a county, township, or 72260
municipal corporation under this section or section 5739.08 of the 72261
Revised Code, a board of county commissioners, board of township 72262
trustees, or the legislative authority of a municipal corporation 72263
may adopt a resolution or ordinance at any time specifying that 72264
"hotel," as otherwise defined in section 5739.01 of the Revised 72265
Code, includes the following: 72266

(1) Establishments in which fewer than five rooms are used 72267
for the accommodation of guests. 72268

(2) Establishments at which rooms are used for the 72269
accommodation of guests regardless of whether each room is 72270
accessible through its own keyed entry or several rooms are 72271
accessible through the same keyed entry; and, in determining the 72272
number of rooms, all rooms are included regardless of the number 72273
of structures in which the rooms are situated or the number of 72274
parcels of land on which the structures are located if the 72275
structures are under the same ownership and the structures are not 72276
identified in advertisements of the accommodations as distinct 72277
establishments. For the purposes of division (G)(2) of this 72278
section, two or more structures are under the same ownership if 72279
they are owned by the same person, or if they are owned by two or 72280
more persons the majority of the ownership interests of which are 72281
owned by the same person. 72282

The resolution or ordinance may apply to a tax imposed 72283
pursuant to this section prior to the adoption of the resolution 72284
or ordinance if the resolution or ordinance so states, but the tax 72285
shall not apply to transactions by which lodging by such an 72286
establishment is provided to transient guests prior to the 72287
adoption of the resolution or ordinance. 72288

(H)(1) As used in this division: 72289

(a) "Convention facilities authority" has the same meaning as 72290
in section 351.01 of the Revised Code. 72291

(b) "Convention center" has the same meaning as in section 72292
307.695 of the Revised Code. 72293

(2) Notwithstanding any contrary provision of division (D) of 72294
this section, the legislative authority of a county with a 72295
population of one million or more according to the most recent 72296
federal decennial census that has levied a tax under division (D) 72297

of this section may, by resolution adopted by a majority of the 72298
members of the legislative authority, provide for the extension of 72299
such levy and may provide that the proceeds of that tax, to the 72300
extent that they are no longer needed for their original purpose 72301
as defined by a cooperative agreement entered into under section 72302
307.671 of the Revised Code, shall be deposited into the county 72303
general revenue fund. The resolution shall provide for the 72304
extension of the tax at a rate not to exceed the rate specified in 72305
division (D) of this section for a period of time determined by 72306
the legislative authority of the county, but not to exceed an 72307
additional forty years. 72308

(3) The legislative authority of a county with a population 72309
of one million or more that has levied a tax under division (A)(1) 72310
of this section may, by resolution adopted by a majority of the 72311
members of the legislative authority, increase the rate of the tax 72312
levied by such county under division (A)(1) of this section to a 72313
rate not to exceed five per cent on transactions by which lodging 72314
by a hotel is or is to be furnished to transient guests. 72315
Notwithstanding any contrary provision of division (A)(1) of this 72316
section, the resolution may provide that all collections resulting 72317
from the rate levied in excess of three per cent, after deducting 72318
the real and actual costs of administering the tax, shall be 72319
deposited in the county general fund. 72320

(4) The legislative authority of a county with a population 72321
of one million or more that has levied a tax under division (A)(1) 72322
of this section may, by resolution adopted on or before August 30, 72323
2004, by a majority of the members of the legislative authority, 72324
provide that all or a portion of the proceeds of the tax levied 72325
under division (A)(1) of this section, after deducting the real 72326
and actual costs of administering the tax and the amounts required 72327
to be returned to townships and municipal corporations with 72328
respect to the first three per cent levied under division (A)(1) 72329

of this section, shall be deposited in the county general fund, 72330
provided that such proceeds shall be used to satisfy any pledges 72331
made in connection with an agreement entered into under section 72332
307.695 of the Revised Code. 72333

(5) No amount collected from a tax levied, extended, or 72334
required to be deposited in the county general fund under division 72335
(H) of this section shall be contributed to a convention 72336

July 1, 2003, for the principal purpose of constructing, 72338
improving, expanding, equipping, financing, or operating a 72339
convention center unless the mayor of the municipal corporation in 72340
which the convention center is to be operated by that convention 72341
facilities authority, corporation, or other entity has consented 72342
to the creation of that convention facilities authority, 72343
corporation, or entity. Notwithstanding any contrary provision of 72344
section 351.04 of the Revised Code, if a tax is levied by a county 72345
under division (H) of this section, the board of county 72346
commissioners of that county may determine the manner of 72347
selection, the qualifications, the number, and terms of office of 72348
the members of the board of directors of any convention facilities 72349
authority, corporation, or other entity described in division 72350
(H)(5) of this section. 72351

required to be deposited in the county general fund under division 72353
(H) of this section may be used for any purpose other than paying 72354
the direct and indirect costs of constructing, improving, 72355
expanding, equipping, financing, or operating a convention center 72356
and for the real and actual costs of administering the tax, 72357
unless, prior to the adoption of the resolution of the legislative 72358
authority of the county authorizing the levy, extension, increase, 72359
or deposit, the county and the mayor of the most populous 72360
municipal corporation in that county have entered into an 72361

agreement as to the use of such amounts, provided that such 72362
agreement has been approved by a majority of the mayors of the 72363
other municipal corporations in that county. The agreement shall 72364
provide that the amounts to be used for purposes other than paying 72365
the convention center or administrative costs described in 72366
division (H)(6)(a) of this section be used only for the direct and 72367
indirect costs of capital improvements, including the financing of 72368
capital improvements. 72369

(b) If the county in which the tax is levied has an 72370
association of mayors and city managers, the approval of that 72371
association of an agreement described in division (H)(6)(a) of 72372
this section shall be considered to be the approval of the 72373
majority of the mayors of the other municipal corporations for 72374
purposes of that division. 72375

(7) Each year, the auditor of state shall conduct an audit of 72376
the uses of any amounts collected from taxes levied, extended, or 72377
deposited under division (H) of this section and shall prepare a 72378
report of the auditor of state's findings. The auditor of state 72379
shall submit the report to the legislative authority of the county 72380
that has levied, extended, or deposited the tax, the speaker of 72381
the house of representatives, the president of the senate, and the 72382
leaders of the minority parties of the house of representatives 72383

(b) "Convention center" has the same meaning as in section 72388
307.695 of the Revised Code. 72389

(2) Notwithstanding any contrary provision of division (D) of 72390
this section, the legislative authority of a county with a 72391
population of one million two hundred thousand or more according 72392

to the most recent federal decennial census or the most recent 72393
annual population estimate published or released by the United 72394
States census bureau at the time the resolution is adopted placing 72395
the levy on the ballot, that has levied a tax under division (D) 72396
of this section may, by resolution adopted by a majority of the 72397
members of the legislative authority, provide for the extension of 72398
such levy and may provide that the proceeds of that tax, to the 72399
extent that the proceeds are no longer needed for their original 72400
purpose as defined by a cooperative agreement entered into under 72401
section 307.671 of the Revised Code and after deducting the real 72402
and actual costs of administering the tax, shall be used for 72403
paying the direct and indirect costs of constructing, improving, 72404
expanding, equipping, financing, or operating a convention center. 72405
The resolution shall provide for the extension of the tax at a 72406
rate not to exceed the rate specified in division (D) of this 72407
section for a period of time determined by the legislative 72408
authority of the county, but not to exceed an additional forty 72409
years. 72410

(3) The legislative authority of a county with a population 72411
of one million two hundred thousand or more that has levied a tax 72412
under division (A)(1) of this section may, by resolution adopted 72413
by a majority of the members of the legislative authority, 72414
increase the rate of the tax levied by such county under division 72415
(A)(1) of this section to a rate not to exceed five per cent on 72416
transactions by which lodging by a hotel is or is to be furnished 72417
to transient guests. Notwithstanding any contrary provision of 72418
division (A)(1) of this section, the resolution shall provide that 72419
all collections resulting from the rate levied in excess of three 72420
per cent, after deducting the real and actual costs of 72421
administering the tax, shall be used for paying the direct and 72422
indirect costs of constructing, improving, expanding, equipping, 72423
financing, or operating a convention center. 72424

(4) The legislative authority of a county with a population 72425
of one million two hundred thousand or more that has levied a tax 72426
under division (A)(1) of this section may, by resolution adopted 72427
on or before July 1, 2008, by a majority of the members of the 72428
legislative authority, provide that all or a portion of the 72429

and the amounts required to be returned to townships and municipal 72432
corporations with respect to the first three per cent levied under 72433
division (A)(1) of this section, shall be used to satisfy any 72434
pledges made in connection with an agreement entered into under 72435
section 307.695 of the Revised Code or shall otherwise be used for 72436
paying the direct and indirect costs of constructing, improving, 72437
expanding, equipping, financing, or operating a convention center. 72438

(5) Any amount collected from a tax levied or extended under 72439
division (I) of this section may be contributed to a convention 72440
facilities authority created before July 1, 2005, but no amount 72441
collected from a tax levied or extended under division (I) of this 72442
section may be contributed to a convention facilities authority, 72443
corporation, or other entity created after July 1, 2005, unless 72444
the mayor of the municipal corporation in which the convention 72445
center is to be operated by that convention facilities authority, 72446
corporation, or other entity has consented to the creation of that 72447
convention facilities authority, corporation, or entity. 72448

(J)(1) Except as provided in division (J)(2) of this section, 72449

2013, the effective date of H.B. 59 of the 130th general assembly, 72452
except for any such money pledged, as of that effective date, to 72453
the payment of debt service charges on bonds, notes, securities, 72454
or lease agreements, shall be used solely for tourism sales, 72455
marketing and promotion, and their associated costs, including, 72456

but not limited to, operational and administrative costs of the 72457
bureau, sales and marketing, and maintenance of the physical 72458
bureau structure. 72459

(2) A convention and visitors' bureau that has entered into 72460
an agreement under section 307.678 of the Revised Code may use 72461
revenue it receives from a tax levied under division (A)(1) of 72462
this section as described in division (E) of section 307.678 of 72463
the Revised Code. 72464

(K) The board of county commissioners of a county with a 72465
population between one hundred three thousand and one hundred 72466
seven thousand according to the most recent federal decennial 72467
census, by resolution adopted by a majority of the members of the 72468
board within six months after September 15, 2014, the effective 72469
date of H.B. 483 of the 130th general assembly, may levy a tax not 72470
to exceed three per cent on transactions by which a hotel is or is 72471
to be furnished to transient guests. The purpose of the tax shall 72472
be to pay the costs of expanding, maintaining, or operating a 72473
soldiers' memorial and the costs of administering the tax. All 72474
revenue arising from the tax shall be credited to one or more 72475
special funds in the county treasury and shall be spent solely for 72476
the purposes of paying those costs. The board of county 72477
commissioners shall adopt all rules necessary to provide for the 72478
administration of the tax subject to the same limitations on 72479
imposing penalty or interest under division (A)(1) of this 72480
section. 72481

As used in this division "soldiers' memorial" means a 72482

(L) A board of county commissioners of an eligible county, by 72485
resolution adopted by a majority of the members of the board, may 72486
levy an excise tax at the rate of up to three per cent on 72487
transactions by which lodging by a hotel is or is to be furnished 72488

to transient guests for the purpose of paying the costs of 72489
permanent improvements at sites at which one or more agricultural 72490
societies conduct fairs or exhibits, paying the costs of 72491
maintaining or operating such permanent improvements, and paying 72492
the costs of administering the tax. A resolution adopted under 72493
this division, other than a resolution that only extends the 72494
period of time for which the tax is levied, shall direct the board 72495
of elections to submit the question of the proposed lodging tax to 72496
the electors of the county at a special election held on the date 72497
specified by the board in the resolution, provided that the 72498
election occurs not less than ninety days after a certified copy 72499
of the resolution is transmitted to the board of elections. A 72500
resolution submitted to the electors under this division shall not 72501
go into effect unless it is approved by a majority of those voting 72502
upon it. The resolution takes effect on the date the board of 72503
county commissioners receives notification from the board of 72504
elections of an affirmative vote. 72505

The tax shall remain in effect for the period specified in 72506
the resolution, not to exceed five years, and may be extended for 72507
an additional period of time not to exceed fifteen years 72508
thereafter by a resolution adopted by a majority of the members of 72509
the board. A resolution extending the period of time for which the 72510
tax is in effect is not subject to approval of the electors of the 72511
county, but is subject to referendum under sections 305.31 to 72512
305.99 of the Revised Code. All revenue arising from the tax shall 72513
be credited to one or more special funds in the county treasury 72514
and shall be spent solely for the purposes of paying the costs of 72515
such permanent improvements and maintaining or operating the 72516
improvements. Revenue allocated for the use of a county 72517
agricultural society may be credited to the county agricultural 72518
society fund created in section 1711.16 of the Revised Code upon 72519
appropriation by the board. If revenue is credited to that fund, 72520
it shall be expended only as provided in that section. 72521

The board of county commissioners shall adopt all rules 72522
necessary to provide for the administration of the tax. The rules 72523
may prescribe the time for payment of the tax, and may provide for 72524
the imposition or penalty or interest, or both, for late payments, 72525
provided that the penalty does not exceed ten per cent of the 72526
amount of tax due, and the rate at which interest accrues does not 72527

counties of this state. 72542

The board of county commissioners of an eligible county that 72543
has entered into an agreement with a port authority in the county 72544
under section 4582.56 of the Revised Code may levy an additional 72545
lodging tax on transactions by which lodging by a hotel is or is 72546
to be furnished to transient guests for the purpose of financing 72547
lakeshore improvement projects constructed or financed by the port 72548
authority under that section. The resolution levying the tax shall 72549
specify the purpose of the tax, the rate of the tax, which shall 72550
not exceed two per cent, and the number of years the tax will be 72551
levied or that it will be levied for a continuing period of time. 72552
The tax shall be administered pursuant to the regulations adopted 72553

by the board under division (A) of this section, except that all 72554
the proceeds of the tax levied under this division shall be 72555
pledged to the payment of the costs, including debt charges, of 72556
lakeshore improvements undertaken by a port authority pursuant to 72557
the agreement under section 4582.56 of the Revised Code. No 72558
revenue from the tax may be used to pay the current expenses of 72559
the port authority. 72560

A resolution levying a tax under this division is subject to 72561
referendum under sections 305.31 to 305.41 and 305.99 of the 72562
Revised Code. 72563

(N)(1)(a) Notwithstanding division (A) of this section, the 72564
board of county commissioners, board of township trustees, or 72565

obtaining such approval, the county may pay such proceeds to the 72592
bureau to use for the agreed-upon purpose. 72593

require that all or a portion of the proceeds of that tax 72613
otherwise required to be spent solely to make contributions to the 72614
convention and visitors' bureau operating within the county 72615
pursuant to division (A) of this section shall be used to foster 72616

and develop tourism in a tourism development district. 72617

(c) A county shall not use any of the proceeds in the manner 72618
described in division (N)(2)(a) or (b) of this section unless the 72619
convention and visitors' bureau operating within the county 72620
approves the manner in which such proceeds are used to foster and 72621
develop tourism in the tourism development district. Upon 72622
obtaining such approval, the county may pay such proceeds to the 72623

necessary for the efficient administration of this chapter, to 72672

or cable television, by means of which sellers solicit purchases 72690
of their goods or services. 72691

the tax commissioner. Not later than the first day of March, June, 73292
September, and December, the director of budget and management 73293

shall include the transferred amount in the computation of the 73330
amount due the municipal corporation in the next certification to 73331

the director under division (A) of this section. 73332

Sec. 5747.01. Except as otherwise expressly provided or 73333
clearly appearing from the context, any term used in this chapter 73334

No deduction for medical care insurance under division (A)(11) of this section shall be allowed either to any taxpayer who is eligible to participate in any subsidized health plan maintained by any employer of the taxpayer or of the taxpayer's spouse, or to any taxpayer who is entitled to, or on application would be entitled to, benefits under part A of Title XVIII of the "Social Security Act," 49 Stat. 620 (1935), 42 U.S.C. 301, as amended. For the purposes of division (A)(11)(a) of this section, "subsidized health plan" means a health plan for which the employer pays any portion of the plan's cost. (b) Deduct, to the extent not otherwise deducted or excluded 73425

per cent of the taxpayer's federal adjusted gross income. 73431

(c) Deduct, to the extent not otherwise deducted or excluded 73432
in computing federal or Ohio adjusted gross income, any amount 73433
included in federal adjusted gross income under section 105 or not 73434
excluded under section 106 of the Internal Revenue Code solely 73435
because it relates to an accident and health plan for a person who 73436
otherwise would be a "qualifying relative" and thus a "dependent" 73437
under section 152 of the Internal Revenue Code but for the fact 73438
that the person fails to meet the income and support limitations 73439
under section 152(d)(1)(B) and (C) of the Internal Revenue Code. 73440

(d) For purposes of division (A)(11) of this section, 73441

152(d)(1)(B) and (C) of the Internal Revenue Code. 73451

refund of expenses that in any year the taxpayer had deducted as 73454
an itemized deduction pursuant to section 63 of the Internal 73455
Revenue Code and applicable United States department of the 73456
treasury regulations. The deduction otherwise allowed under 73457

division (A)(12)(a) of this section shall be reduced to the extent 73458
the reimbursement is attributable to an amount the taxpayer 73459
deducted under this section in any taxable year. 73460

(b) Add any amount not otherwise included in Ohio adjusted 73461
gross income for any taxable year to the extent that the amount is 73462
attributable to the recovery during the taxable year of any amount 73463
deducted or excluded in computing federal or Ohio adjusted gross 73464
income in any taxable year. 73465

(a) It is allowable for repayment of an item that was 73470
included in the taxpayer's adjusted gross income for a prior 73471
taxable year and did not qualify for a credit under division (A) 73472
or (B) of section 5747.05 of the Revised Code for that year; 73473

(b) It does not otherwise reduce the taxpayer's adjusted 73474
gross income for the current or any other taxable year. 73475

(14) Deduct an amount equal to the deposits made to, and net 73476
investment earnings of, a medical savings account during the 73477
taxable year, in accordance with section 3924.66 of the Revised 73478
Code. The deduction allowed by division (A)(14) of this section 73479
does not apply to medical savings account deposits and earnings 73480
otherwise deducted or excluded for the current or any other 73481
taxable year from the taxpayer's federal adjusted gross income. 73482

(15)(a) Add an amount equal to the funds withdrawn from a 73483
medical savings account during the taxable year, and the net 73484
investment earnings on those funds, when the funds withdrawn were 73485
used for any purpose other than to reimburse an account holder 73486
for, or to pay, eligible medical expenses, in accordance with 73487
section 3924.66 of the Revised Code; 73488

(b) Add the amounts distributed from a medical savings account under division (A)(2) of section 3924.68 of the Revised Code during the taxable year. 73489

73496
73497
73498

(b) The amount resulted in a reduction of the taxpayer's federal adjusted gross income as required to be reported for any of the taxpayer's taxable years under the Internal Revenue Code. 73499
73500
73501

(17) Deduct the amount contributed by the taxpayer to an individual development account program established by a county department of job and family services pursuant to sections 329.11 to 329.14 of the Revised Code for the purpose of matching funds deposited by program participants. On request of the tax commissioner, the taxpayer shall provide any information that, in the tax commissioner's opinion, is necessary to establish the amount deducted under division (A)(17) of this section. 73502

culminates in a degree or diploma at an eligible institution. The 73521
deduction may be claimed only to the extent that qualified tuition 73522
and fees are not otherwise deducted or excluded for any taxable 73523
year from federal or Ohio adjusted gross income. The deduction may 73524
not be claimed for educational expenses for which the taxpayer 73525
claims a credit under section 5747.27 of the Revised Code. 73526

(19) Add any reimbursement received during the taxable year 73527
of any amount the taxpayer deducted under division (A)(18) of this 73528
section in any previous taxable year to the extent the amount is 73529
not otherwise included in Ohio adjusted gross income. 73530

(v) of this section, add five-sixths of the amount of depreciation 73532
expense allowed by subsection (k) of section 168 of the Internal 73533
Revenue Code, including the taxpayer's proportionate or 73534

this section, add five-sixths of the amount of qualifying section 73539
179 depreciation expense, including the taxpayer's proportionate 73540
or distributive share of the amount of qualifying section 179 73541
depreciation expense allowed to any pass-through entity in which 73542
the taxpayer has a direct or indirect ownership interest. 73543

computing either federal taxable income or income of the S portion 74031
of an electing small business trust for the taxable year; 74032

(8) Except in the case of the final return of an estate, add 74033
any amount deducted by the taxpayer on both its Ohio estate tax 74034

itemized deduction pursuant to section 63 of the Internal Revenue 74040
Code and applicable treasury regulations. The deduction otherwise 74041
allowed under division (S)(9)(a) of this section shall be reduced 74042

taxpayer or decedent deducted under this section in any taxable 74044
year. 74045

(b) Add any amount not otherwise included in Ohio taxable 74046

income for any taxable year to the extent that the amount is 74047
attributable to the recovery during the taxable year of any amount 74048

taxpayer's taxable years under the Internal Revenue Code. 74073

(12) Deduct any amount, net of related expenses deducted in 74074

if the assets of the trust include at least ten acres of land 74077

satisfying the definition of "land devoted exclusively to agricultural use" under section 5713.30 of the Revised Code, regardless of whether the land is valued for tax purposes as such land under sections 5713.30 to 5713.38 of the Revised Code. If the trust is a pass-through entity investor, section 5747.231 of the Revised Code applies in ascertaining if the trust is eligible to claim the deduction provided by division (S)(12) of this section in connection with the pass-through entity's farm income.

Except for farm income attributable to the S portion of an electing small business trust, the deduction provided by division (S)(12) of this section is allowed only to the extent that the trust has not distributed such farm income. Division (S)(12) of this section applies only to taxable years of a trust beginning in 2002 or thereafter.

(13) Add the net amount of income described in section 641(c) of the Internal Revenue Code to the extent that amount is not included in federal taxable income.

(14) Add or deduct the amount the taxpayer would be required to add or deduct under division (A)(20) or (21) of this section if the taxpayer's Ohio taxable income were computed in the same manner as an individual's Ohio adjusted gross income is computed under this section. (b) The requirements of section 5747.011 of the Revised Code are satisfied for the trust's taxable year in which the trust recognizes the gain or loss.	74162 74163 74164

(3) "Modified nonbusiness income" means a trust's Ohio taxable income other than modified business income, other than the	74168 74169

extent such qualifying investment income is not otherwise part of 74172
modified business income. 74173

(4) "Modified Ohio taxable income" applies only to trusts, 74174

(i) The trust's modified business income; 74180

(ii) The trust's qualifying investment income, as defined in 74181
section 5747.012 of the Revised Code, but only to the extent the 74182
qualifying investment income does not otherwise constitute 74183
modified business income and does not otherwise constitute a 74184
qualifying trust amount. 74185

(b) The qualifying trust amount multiplied by a fraction, the 74186
numerator of which is the sum of the book value of the qualifying 74187
investee's physical assets in this state on the last day of the 74188
qualifying investee's fiscal or calendar year ending immediately 74189
prior to the day on which the trust recognizes the qualifying 74190
trust amount, and the denominator of which is the sum of the book 74191
value of the qualifying investee's total physical assets 74192
everywhere on the last day of the qualifying investee's fiscal or 74193
calendar year ending immediately prior to the day on which the 74194
trust recognizes the qualifying trust amount. If, for a taxable 74195
year, the trust recognizes a qualifying trust amount with respect 74196
to more than one qualifying investee, the amount described in 74197
division (BB)(4)(b) of this section shall equal the sum of the 74198
products so computed for each such qualifying investee. 74199

(c)(i) With respect to a trust or portion of a trust that is 74200

a resident as ascertained in accordance with division (I)(3)(d) of 74201
this section, its modified nonbusiness income. 74202

not a resident as ascertained in accordance with division 74204

section 5747.20 of the Revised Code, except as otherwise provided 74207
in division (BB)(4)(c)(ii) of this section. With respect to a 74208
trust or portion of a trust that is not a resident as ascertained 74209
in accordance with division (I)(3)(d) of this section, the trust's 74210
portion of modified nonbusiness income recognized from the sale, 74211
exchange, or other disposition of a debt interest in or equity 74212
interest in a section 5747.212 entity, as defined in section 74213

of the Revised Code without regard to division (A) of that 74218
section. 74219

If the allocation and apportionment of a trust's income under 74220
divisions (BB)(4)(a) and (c) of this section do not fairly 74221
represent the modified Ohio taxable income of the trust in this 74222
state, the alternative methods described in division (C) of 74223
section 5747.21 of the Revised Code may be applied in the manner 74224
and to the same extent provided in that section. 74225

(5)(a) Except as set forth in division (BB)(5)(b) of this 74226
section, "qualifying investee" means a person in which a trust has 74227
an equity or ownership interest, or a person or unit of government 74228
the debt obligations of either of which are owned by a trust. For 74229
the purposes of division (BB)(2)(a) of this section and for the 74230
purpose of computing the fraction described in division (BB)(4)(b) 74231
of this section, all of the following apply: 74232

(i) If the qualifying investee is a member of a qualifying controlled group on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, then "qualifying investee" includes all persons in the qualifying controlled group on such last day.

(ii) If the qualifying investee, or if the qualifying investee and any members of the qualifying controlled group of which the qualifying investee is a member on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the gain or loss, separately or cumulatively own, directly or indirectly, on the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount, more than fifty per cent of the equity of a pass-through entity, then the qualifying investee and the other members are deemed to own the proportionate share of the pass-through entity's physical assets which the pass-through entity directly or indirectly owns on the last day of the pass-through entity's calendar or fiscal year ending within or with the last day of the qualifying investee's fiscal or calendar year ending immediately prior to the date on which the trust recognizes the qualifying trust amount.

(iii) For the purposes of division (BB)(5)(a)(iii) of this section, "upper level pass-through entity" means a pass-through entity directly or indirectly owning any equity of another pass-through entity, and "lower level pass-through entity" means that other pass-through entity.

An upper level pass-through entity, whether or not it is also a qualifying investee, is deemed to own, on the last day of the upper level pass-through entity's calendar or fiscal year, the proportionate share of the lower level pass-through entity's

physical assets that the lower level pass-through entity directly 74265
or indirectly owns on the last day of the lower level pass-through 74266
entity's calendar or fiscal year ending within or with the last 74267
day of the upper level pass-through entity's fiscal or calendar 74268
year. If the upper level pass-through entity directly and 74269
indirectly owns less than fifty per cent of the equity of the 74270
lower level pass-through entity on each day of the upper level 74271
pass-through entity's calendar or fiscal year in which or with 74272
which ends the calendar or fiscal year of the lower level 74273
pass-through entity and if, based upon clear and convincing 74274
evidence, complete information about the location and cost of the 74275
physical assets of the lower pass-through entity is not available 74276
to the upper level pass-through entity, then solely for purposes 74277
of ascertaining if a gain or loss constitutes a qualifying trust 74278
amount, the upper level pass-through entity shall be deemed as 74279
owning no equity of the lower level pass-through entity for each 74280
day during the upper level pass-through entity's calendar or 74281
fiscal year in which or with which ends the lower level 74282
pass-through entity's calendar or fiscal year. Nothing in division 74283
(BB)(5)(a)(iii) of this section shall be construed to provide for 74284
any deduction or exclusion in computing any trust's Ohio taxable 74285
income. 74286

(b) With respect to a trust that is not a resident for the 74287
taxable year and with respect to a part of a trust that is not a 74288
resident for the taxable year, "qualifying investee" for that 74289
taxable year does not include a C corporation if both of the 74290
following apply: 74291

(i) During the taxable year the trust or part of the trust 74292
recognizes a gain or loss from the sale, exchange, or other 74293
disposition of equity or ownership interests in, or debt 74294
obligations of, the C corporation. 74295

(ii) Such gain or loss constitutes nonbusiness income. 74296

(6) "Available" means information is such that a person is able to learn of the information by the due date plus extensions, if any, for filing the return for the taxable year in which the trust recognizes the gain or loss.

(CC) "Qualifying controlled group" has the same meaning as in section 5733.04 of the Revised Code.

(DD) "Related member" has the same meaning as in section 5733.042 of the Revised Code.

(EE)(1) For the purposes of division (EE) of this section:

(a) "Qualifying person" means any person other than a qualifying corporation.

(b) "Qualifying corporation" means any person classified for federal income tax purposes as an association taxable as a corporation, except either of the following:

(1) "Trust" does not include a qualified pre-income tax trust.

(2) A "qualified pre-income tax trust" is any pre-income tax

trust that makes a qualifying pre-income tax trust election as 74327
described in division (FF)(3) of this section. 74328

(3) A "qualifying pre-income tax trust election" is an 74329
election by a pre-income tax trust to subject to the tax imposed 74330
by section 5751.02 of the Revised Code the pre-income tax trust 74331
and all pass-through entities of which the trust owns or controls, 74332
directly, indirectly, or constructively through related interests, 74333
five per cent or more of the ownership or equity interests. The 74334
trustee shall notify the tax commissioner in writing of the 74335
election on or before April 15, 2006. The election, if timely 74336
made, shall be effective on and after January 1, 2006, and shall 74337
apply for all tax periods and tax years until revoked by the 74338
trustee of the trust. 74339

(4) A "pre-income tax trust" is a trust that satisfies all of 74340
the following requirements: 74341

executed by the grantor before January 1, 1972; 74343

(b) The trust became irrevocable upon the creation of the 74344
trust; and 74345

(c) The grantor was domiciled in this state at the time the 74346

individual's business income that is included in federal adjusted 74351
gross income exceeds the amount of business income the individual 74352
is authorized to deduct under division (A)(31) of this section for 74353
the taxable year. 74354~~

~~(II) "Employer" does not include a franchisor with respect to 74355
the franchisor's relationship with a franchisee or an employee of 74356~~

a franchisee, unless the franchisor agrees to assume that role in 74357
writing or a court of competent jurisdiction determines that the 74358
franchisor exercises a type or degree of control over the 74359
franchisee or the franchisee's employees that is not customarily 74360
exercised by a franchisor for the purpose of protecting the 74361
franchisor's trademark, brand, or both. For purposes of this 74362
division, "franchisor" and "franchisee" have the same meanings as 74363
in 16 C.F.R. 436.1. 74364

(II) "Modified adjusted gross income" means Ohio adjusted 74365
gross income plus any amount deducted under division (A)(31) of 74366

(1) In the case of trusts, the tax imposed by this section 74382
shall be measured by modified Ohio taxable income under division 74383
(D) of this section and levied in the same amount as the tax is 74384
imposed on estates as prescribed in division (A)(2) of this 74385
section. 74386

(2) In the case of estates, the tax imposed by this section 74387

(3) In the case of individuals, ~~for taxable years beginning~~ 74394

thousand ~~five~~ two hundred fifty dollars, no tax shall be imposed 74401
on that balance. If the balance thus obtained is greater than ~~ten~~ 74402

(4)(a) In the case of individuals, for taxable years beginning in 2016 or thereafter, the tax imposed by this section on taxable business income shall equal three per cent of the result obtained by subtracting any amount allowed under division (A)(4)(b) of this section from the individual's taxable business income.		74420 74421 74422 74423 74424 74425
(b) If the exemptions allowed to an individual under division (A)(3) of this section exceed the taxpayer's Ohio adjusted gross income less taxable business income, the excess shall be deducted from taxable business income before computing the tax under division (A)(4)(a) of this section.		74426 74427 74428 74429 74430
(5) Except as otherwise provided in this division, in August of each year, the tax commissioner shall make a new adjustment to the income amounts prescribed in divisions (A)(2) and (3) of this section by multiplying the percentage increase in the gross domestic product deflator computed that year under section 5747.025 of the Revised Code by each of the income amounts resulting from the adjustment under this division in the preceding		74431 74432 74433 74434 74435 74436 74437

year, adding the resulting product to the corresponding income 74438
amount resulting from the adjustment in the preceding year, and 74439
rounding the resulting sum to the nearest multiple of fifty 74440
dollars. The tax commissioner also shall recompute each of the tax 74441
dollar amounts to the extent necessary to reflect the new 74442
adjustment of the income amounts. To recompute the tax dollar 74443
amount corresponding to the lowest tax rate in division (A)(3) of 74444
this section, the commissioner shall multiply the tax rate 74445
prescribed in division (A)(2) of this section by the income amount 74446
specified in that division and as adjusted according to this 74447
paragraph. The rates of taxation shall not be adjusted. 74448

The adjusted amounts apply to taxable years beginning in the 74449
calendar year in which the adjustments are made and to taxable 74450
years beginning in each ensuing calendar year until a calendar 74451
year in which a new adjustment is made pursuant to this division. 74452
The tax commissioner shall not make a new adjustment in any year 74453
in which the amount resulting from the adjustment would be less 74454
than the amount resulting from the adjustment in the preceding 74455
year. 74456

(B) If the director of budget and management makes a 74457
certification to the tax commissioner under division (B) of 74458
section 131.44 of the Revised Code, the amount of tax as 74459
determined under divisions (A)(1) to (3) of this section shall be 74460
reduced by the percentage prescribed in that certification for 74461
taxable years beginning in the calendar year in which that 74462
certification is made. 74463

(C) The levy of this tax on income does not prevent a 74464
municipal corporation, a joint economic development zone created 74465
under section 715.691, or a joint economic development district 74466
created under section 715.70, 715.71, or 715.72 of the Revised 74467
Code from levying a tax on income. 74468

(D) This division applies only to taxable years of a trust 74469

beginning in 2002 or thereafter. 74470

(1) The tax imposed by this section on a trust shall be 74471
computed by multiplying the Ohio modified taxable income of the 74472
trust by the rates prescribed by division (A) of this section. 74473

(2) A resident trust may claim a credit against the tax 74474
computed under division (D) of this section equal to the lesser of 74475
(a) the tax paid to another state or the District of Columbia on 74476
the resident trust's modified nonbusiness income, other than the 74477
portion of the resident trust's nonbusiness income that is 74478
qualifying investment income as defined in section 5747.012 of the 74479
Revised Code, or (b) the effective tax rate, based on modified 74480
Ohio taxable income, multiplied by the resident trust's modified 74481
nonbusiness income other than the portion of the resident trust's 74482
nonbusiness income that is qualifying investment income. The 74483
credit applies before any other applicable credits. 74484

(3) ~~The credits enumerated in divisions (A)(1) to (9) and~~ 74485
~~(A)(18) to (20) of section 5747.98 authorized by the following~~ 74486
sections of the Revised Code do not apply to a trust subject to 74487
division (D) of this section: section 5747.022, 5747.05, 5747.054, 74488
5747.055, 5747.27, 5747.37, 5747.66, or 5747.71 of the Revised 74489
Code. Any ~~credits enumerated in other divisions of credit~~ 74490
authorized against the tax imposed by this section 5747.98 of the 74491
~~Revised Code apply~~ applies to a trust subject to division (D) of 74492
this section that otherwise qualifies for such a credit. To the 74493
extent that the trust distributes income for the taxable year for 74494
which a credit is available to the trust, the credit shall be 74495
shared by the trust and its beneficiaries. The tax commissioner 74496
and the trust shall be guided by applicable regulations of the 74497
United States treasury regarding the sharing of credits. 74498

(E) For the purposes of this section, "trust" means any trust 74499
described in Subchapter J of Chapter 1 of the Internal Revenue 74500
Code, excluding trusts that are not irrevocable as defined in 74501

division (I)(3)(b) of section 5747.01 of the Revised Code and that 74502
have no modified Ohio taxable income for the taxable year, 74503
charitable remainder trusts, qualified funeral trusts and preneed 74504
funeral contract trusts established pursuant to sections 4717.31 74505
to 4717.38 of the Revised Code that are not qualified funeral 74506
trusts, endowment and perpetual care trusts, qualified settlement 74507
trusts and funds, designated settlement trusts and funds, and 74508
trusts exempted from taxation under section 501(a) of the Internal 74509
Revenue Code. 74510

(F) Nothing in division (A)(3) of this section shall prohibit 74511
an individual with an Ohio adjusted gross income, less ~~taxable~~ 74512
~~business income and~~ exemptions, of ~~ten~~ twenty-two thousand ~~five~~ 74513
two hundred fifty dollars or less from filing a return under this 74514
chapter to receive a refund of taxes withheld or to claim any 74515
refundable credit allowed under this chapter. 74516

Sec. 5747.022. An individual subject to the tax imposed by 74517
section 5747.02 of the Revised Code whose ~~Ohio~~ modified adjusted 74518
gross income, less applicable exemptions under section 5747.025 of 74519
the Revised Code, for the taxable year as shown on an individual 74520
or joint annual return is less than thirty thousand dollars may 74521
claim a credit equal to twenty dollars times the number of 74522
exemptions allowed for the taxpayer, the taxpayer's spouse, and 74523
each dependent under section 5747.02 of the Revised Code. The 74524
credit shall be claimed in the order required under section 74525
5747.98 of the Revised Code. The credit shall not be considered in 74526
determining the taxes required to be withheld under section 74527
5747.06 of the Revised Code or the estimated taxes required to be 74528
paid under section 5747.09 of the Revised Code. In the case of an 74529
individual with respect to whom an exemption under section 5747.02 74530
of the Revised Code is allowable to another taxpayer for a taxable 74531
year beginning in the calendar year in which the individual's 74532
taxable year begins, the "number of exemptions allowed" for 74533

purposes of calculating the credit allowed under this section to 74534
such individual for the individual's taxable year shall not 74535
include an exemption for the individual. 74536

Sec. 5747.025. (A) For taxable years beginning in 2014 or 74537
2015, the personal exemption for the taxpayer, the taxpayer's 74538
spouse, and each dependent shall be one of the following amounts: 74539

(1) Two thousand two hundred dollars if the taxpayer's ~~Ohio~~ 74540
modified adjusted gross income for the taxable year as shown on an 74541
individual or joint annual return is less than or equal to forty 74542
thousand dollars; 74543

(2) One thousand nine hundred fifty dollars if the taxpayer's 74544
~~Ohio~~ modified adjusted gross income for the taxable year as shown 74545
on an individual or joint annual return is greater than forty 74546
thousand dollars but less than or equal to eighty thousand 74547
dollars; 74548

(3) One thousand seven hundred dollars if the taxpayer's ~~Ohio~~ 74549
modified adjusted gross income for the taxable year as shown on an 74550
individual or joint annual return is greater than eighty thousand 74551
dollars. 74552

(B) For taxable years beginning in 2016 and thereafter, the 74553
personal exemption amounts prescribed in division (A) of this 74554
section shall be adjusted each year in the manner prescribed in 74555
division (C) of this section. In the case of an individual with 74556
respect to whom an exemption under section 5747.02 of the Revised 74557
Code is allowable to another taxpayer for a taxable year beginning 74558
in the calendar year in which the individual's taxable year 74559
begins, the exemption amount applicable to such individual for 74560
such individual's taxable year shall be zero. 74561

(C) Except as otherwise provided in this division, in August 74562
of each year, the tax commissioner shall determine the percentage 74563

increase in the gross domestic product deflator determined by the 74564
bureau of economic analysis of the United States department of 74565
commerce from the first day of January of the preceding calendar 74566
year to the last day of December of the preceding year, and make a 74567
new adjustment to the personal exemption amount for taxable years 74568
beginning in the current calendar year by multiplying that amount 74569
by the percentage increase in the gross domestic product deflator 74570
for that period; adding the resulting product to the personal 74571
exemption amount for taxable years beginning in the preceding 74572
calendar year; and rounding the resulting sum upward to the 74573
nearest multiple of fifty dollars. The adjusted amount applies to 74574
taxable years beginning in the calendar year in which the 74575
adjustment is made and to taxable years beginning in each ensuing 74576
calendar year until a calendar year in which a new adjustment is 74577
made pursuant to this division. The commissioner shall not make a 74578
new adjustment in any calendar year in which the amount resulting 74579
from the adjustment would be less than the amount resulting from 74580
the adjustment in the preceding calendar year. 74581

Sec. 5747.05. As used in this section, "income tax" includes 74582
both a tax on net income and a tax measured by net income. 74583

The following credits shall be allowed against the aggregate 74584
income tax liability imposed by section 5747.02 of the Revised 74585
Code on individuals and estates: 74586

(A)(1) The amount of tax otherwise due under section 5747.02 74587
of the Revised Code on such portion of the combined adjusted gross 74588
income and business income of any nonresident taxpayer that is not 74589
allocable or apportionable to this state pursuant to sections 74590
5747.20 to 5747.23 of the Revised Code. The credit provided under 74591
this division shall not exceed the total tax due under section 74592
5747.02 of the Revised Code. 74593

(2) The tax commissioner may enter into an agreement with the 74594

taxing authorities of any state or of the District of Columbia 74595
that imposes an income tax to provide that compensation paid in 74596
this state to a nonresident taxpayer shall not be subject to the 74597
tax levied in section 5747.02 of the Revised Code so long as 74598
compensation paid in such other state or in the District of 74599
Columbia to a resident taxpayer shall likewise not be subject to 74600
the income tax of such other state or of the District of Columbia. 74601

(B) The lesser of division (B)(1) or (2) of this section: 74602

(1) The aggregate amount of tax otherwise due under section 74603
5747.02 of the Revised Code on such portion of the combined 74604
adjusted gross income and business income of a resident taxpayer 74605
that in another state or in the District of Columbia is subjected 74606
to an income tax. The credit provided under division (B)(1) of 74607
this section shall not exceed the total tax due under section 74608
5747.02 of the Revised Code. 74609

(2) The amount of income tax liability to another state or 74610
the District of Columbia on the portion of the combined adjusted 74611
gross income and business income of a resident taxpayer that in 74612
another state or in the District of Columbia is subjected to an 74613
income tax. The credit provided under division (B)(2) of this 74614
section shall not exceed the total amount of tax otherwise due 74615
under section 5747.02 of the Revised Code. 74616

(3) If the credit provided under division (B) of this section 74617
is affected by a change in either the portion of the combined 74618
adjusted gross income and business income of a resident taxpayer 74619
subjected to an income tax in another state or the District of 74620
Columbia or the amount of income tax liability that has been paid 74621
to another state or the District of Columbia, the taxpayer shall 74622
report the change to the tax commissioner within sixty days of the 74623
change in such form as the commissioner requires. 74624

(a) In the case of an underpayment, the report shall be 74625

accompanied by payment of any additional tax due as a result of 74626
the reduction in credit together with interest on the additional 74627
tax and is a return subject to assessment under section 5747.13 of 74628
the Revised Code solely for the purpose of assessing any 74629
additional tax due under this division, together with any 74630
applicable penalty and interest. It shall not reopen the 74631
computation of the taxpayer's tax liability under this chapter 74632
from a previously filed return no longer subject to assessment 74633
except to the extent that such liability is affected by an 74634
adjustment to the credit allowed by division (B) of this section. 74635

(b) In the case of an overpayment, an application for refund 74636
may be filed under this division within the sixty-day period 74637
prescribed for filing the report even if it is beyond the period 74638
prescribed in section 5747.11 of the Revised Code if it otherwise 74639
conforms to the requirements of such section. An application filed 74640
under this division shall only claim refund of overpayments 74641
resulting from an adjustment to the credit allowed by division (B) 74642
of this section unless it is also filed within the time prescribed 74643
in section 5747.11 of the Revised Code. It shall not reopen the 74644
computation of the taxpayer's tax liability except to the extent 74645
that such liability is affected by an adjustment to the credit 74646
allowed by division (B) of this section. 74647

(4) No credit shall be allowed under division (B) of this 74648
section: 74649

(a) For income tax paid or accrued to another state or to the 74650
District of Columbia if the taxpayer, when computing federal 74651
adjusted gross income, has directly or indirectly deducted, or was 74652
required to directly or indirectly deduct, the amount of that 74653
income tax; 74654

(b) For compensation that is not subject to the income tax of 74655
another state or the District of Columbia as the result of an 74656
agreement entered into by the tax commissioner under division 74657

(A)(3) of this section; or 74658

(c) For income tax paid or accrued to another state or the 74659
District of Columbia if the taxpayer fails to furnish such proof 74660
as the tax commissioner shall require that such income tax 74661
liability has been paid. 74662

(C) An individual who is a resident for part of a taxable 74663
year and a nonresident for the remainder of the taxable year is 74664
allowed the credits under divisions (A) and (B) of this section in 74665
accordance with rules prescribed by the tax commissioner. In no 74666
event shall the same income be subject to both credits. 74667

(D) The credit allowed under division (A) of this section 74668
shall be calculated based upon the amount of tax due under section 74669
5747.02 of the Revised Code after subtracting any other credits 74670
that precede the credit under that division in the order required 74671
under section 5747.98 of the Revised Code. The credit allowed 74672
under division (B) of this section shall be calculated based upon 74673
the amount of tax due under section 5747.02 of the Revised Code 74674
after subtracting any other credits that precede the credit under 74675
that division in the order required under section 5747.98 of the 74676
Revised Code. 74677

(E)(1) On a joint return filed by a husband and wife, each of 74678
whom had adjusted gross income of at least five hundred dollars, 74679
exclusive of interest, dividends and distributions, royalties, 74680
rent, and capital gains, a credit equal to the lesser of six 74681
hundred fifty dollars or the percentage shown in column B that 74682
corresponds with the taxpayer's modified adjusted gross income, 74683
less exemptions for the taxable year, of the total amount of tax 74684
due after allowing for any other credit that precedes this credit 74685

Sec. 5747.055. (A) As used in this section "retirement income" means retirement benefits, annuities, or distributions 74713
74714

that are made from or pursuant to a pension, retirement, or profit-sharing plan and that:

(1) In the case of an individual, are received by the individual on account of retirement and are included in the individual's adjusted gross income;

(2) In the case of an estate, are payable to the estate for the benefit of the surviving spouse of the decedent and are included in the estate's taxable income.

(B) A credit shall be allowed against a taxpayer's aggregate tax liability under section 5747.02 of the Revised Code for taxpayers who received retirement income during the taxable year and whose modified adjusted gross income for the taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars. Only one such credit shall be allowed for each return, and the amount of the credit shall be computed in accordance with the following schedule:

Over \$8,000	\$200

(C) A taxpayer who received a lump-sum distribution from a pension, retirement, or profit-sharing plan in the taxable year and whose modified adjusted gross income for the taxable year, less applicable exemptions under section 5747.025 of the Revised Code, as shown on an individual or joint annual return is less than one hundred thousand dollars, may elect to receive a credit

under this division in lieu of the credit allowed under division 74746
(B) of this section. A taxpayer making such an election is not 74747
entitled to the credit authorized under this division or division 74748
(B) of this section in subsequent taxable years. A taxpayer 74749
electing the credit under this division shall receive a credit for 74750
the taxable year against the taxpayer's aggregate tax liability 74751
under section 5747.02 of the Revised Code computed as follows: 74752

(1) Divide the amount of retirement income received during 74753
the taxable year by the taxpayer's expected remaining life on the 74754
last day of the taxable year, as shown by annuity tables issued 74755
under the provisions of the Internal Revenue Code and in effect 74756
for the calendar year that includes the last day of the taxable 74757
year; 74758

(2) Using the quotient thus obtained as the amount of 74759
retirement income received during the taxable year, compute the 74760
credit for the taxable year in accordance with division (B) of 74761
this section; 74762

(3) Multiply the credit thus obtained by the taxpayer's 74763
expected remaining life. The product thus obtained shall be the 74764
credit under this division for the taxable year. 74765

(D) If the credit under division (C) or (E) of this section 74766
exceeds the taxpayer's aggregate tax liability under section 74767
5747.02 of the Revised Code for the taxable year after allowing 74768
for any other credit that precedes that credit in the order 74769
required under section 5747.98 of the Revised Code, the taxpayer 74770
may elect to receive a credit for each subsequent taxable year. 74771
The amount of the credit for each such year shall be computed as 74772
follows: 74773

(1) Determine the amount by which the unused credit elected 74774
under division (C) or (E) of this section exceeded the total tax 74775
due for the taxable year after allowing for any preceding credit 74776

in the required order; 74777

(2) Divide the amount of such excess by one year less than 74778
the taxpayer's expected remaining life on the last day of the 74779
taxable year of the distribution for which the credit was allowed 74780
under division (C) or (E) of this section. The quotient thus 74781
obtained shall be the credit for each subsequent year. 74782

(E) If subsequent to the receipt of a lump-sum distribution 74783
and an election under division (C) of this section an individual 74784
receives another lump-sum distribution within one taxable year, 74785
and the taxpayer's modified adjusted gross income for the taxable 74786
year, less applicable exemptions under section 5747.025 of the 74787
Revised Code, as shown on an individual or joint annual return is 74788
less than one hundred thousand dollars, the taxpayer may elect to 74789
receive a credit for that taxable year. The credit shall equal the 74790
lesser of: 74791

(1) A credit computed in the manner prescribed in division 74792
(C) of this section; 74793

(2) The amount of credit, if any, to which the taxpayer would 74794
otherwise be entitled for the taxable year under division (D) of 74795
this section times the taxpayer's expected remaining life on the 74796
last day of the taxable year. A taxpayer who elects to receive a 74797
credit under this division is not entitled to a credit under this 74798
division or division (B) or (C) of this section for any subsequent 74799
year except as provided in division (D) of this section. 74800

(F) A credit equal to fifty dollars for each return required 74801
to be filed under section 5747.08 of the Revised Code shall be 74802
allowed against a taxpayer's aggregate tax liability under section 74803
5747.02 of the Revised Code for taxpayers sixty-five years of age 74804
or older during the taxable year whose modified adjusted gross 74805
income, less applicable exemptions under section 5747.025 of the 74806
Revised Code, as shown on an individual or joint annual return is 74807

less than one hundred thousand dollars for that taxable year. 74808

(G) A taxpayer sixty-five years of age or older during the 74809
taxable year who has received a lump-sum distribution from a 74810
pension, retirement, or profit-sharing plan in the taxable year, 74811
and whose modified adjusted gross income, less applicable 74812
exemptions under section 5747.025 of the Revised Code, as shown on 74813
an individual or joint annual return is less than one hundred 74814
thousand dollars for that taxable year may elect to receive a 74815
credit under this division in lieu of the credit to which the 74816
taxpayer is entitled under division (F) of this section. A 74817
taxpayer making such an election shall receive a credit for the 74818
taxable year against the taxpayer's aggregate tax liability under 74819
section 5747.02 of the Revised Code equal to fifty dollars times 74820
the taxpayer's expected remaining life as shown by annuity tables 74821
issued under the Internal Revenue Code and in effect for the 74822
calendar year that includes the last day of the taxable year. A 74823
taxpayer making an election under this division is not entitled to 74824
the credit authorized under this division or division (F) of this 74825
section in subsequent taxable years. 74826

(H) The credits allowed by this section shall be claimed in 74827
the order required under section 5747.98 of the Revised Code. The 74828
tax commissioner may require a taxpayer to furnish any information 74829
necessary to support a claim for credit under this section, and no 74830
credit shall be allowed unless such information is provided. 74831

Sec. 5747.08. An annual return with respect to the tax 74832
imposed by section 5747.02 of the Revised Code and each tax 74833
imposed under Chapter 5748. of the Revised Code shall be made by 74834
every taxpayer for any taxable year for which the taxpayer is 74835
liable for the tax imposed by that section or under that chapter, 74836
unless the total credits allowed under division (E) of section 74837
5747.05 and divisions (F) and (G) of section 5747.055 of the 74838

Revised Code for the year are equal to or exceed the tax imposed 74839
by section 5747.02 of the Revised Code, in which case no return 74840
shall be required unless the taxpayer is liable for a tax imposed 74841
pursuant to Chapter 5748. of the Revised Code. 74842

(A) If an individual is deceased, any return or notice 74843
required of that individual under this chapter shall be made and 74844
filed by that decedent's executor, administrator, or other person 74845
charged with the property of that decedent. 74846

(B) If an individual is unable to make a return or notice 74847
required by this chapter, the return or notice required of that 74848
individual shall be made and filed by the individual's duly 74849
authorized agent, guardian, conservator, fiduciary, or other 74850
person charged with the care of the person or property of that 74851
individual. 74852

(C) Returns or notices required of an estate or a trust shall 74853
be made and filed by the fiduciary of the estate or trust. 74854

(D)(1)(a) Except as otherwise provided in division (D)(1)(b) 74855
of this section, any pass-through entity may file a single return 74856
on behalf of one or more of the entity's investors other than an 74857
investor that is a person subject to the tax imposed under section 74858
5733.06 of the Revised Code. The single return shall set forth the 74859
name, address, and social security number or other identifying 74860
number of each of those pass-through entity investors and shall 74861
indicate the distributive share of each of those pass-through 74862
entity investor's income taxable in this state in accordance with 74863
sections 5747.20 to 5747.231 of the Revised Code. Such 74864
pass-through entity investors for whom the pass-through entity 74865
elects to file a single return are not entitled to the exemption 74866
or credit provided for by sections 5747.02 and 5747.022 of the 74867
Revised Code; shall calculate the tax before business credits at 74868
the highest rate of tax set forth in section 5747.02 of the 74869
Revised Code for the taxable year for which the return is filed; 74870

and are entitled to only their distributive share of the business 74871
credits as defined in division (D)(2) of this section. A single 74872
check drawn by the pass-through entity shall accompany the return 74873
in full payment of the tax due, as shown on the single return, for 74874
such investors, other than investors who are persons subject to 74875
the tax imposed under section 5733.06 of the Revised Code. 74876

(b)(i) A pass-through entity shall not include in such a 74877
single return any investor that is a trust to the extent that any 74878
direct or indirect current, future, or contingent beneficiary of 74879
the trust is a person subject to the tax imposed under section 74880
5733.06 of the Revised Code. 74881

(ii) A pass-through entity shall not include in such a single 74882
return any investor that is itself a pass-through entity to the 74883
extent that any direct or indirect investor in the second 74884
pass-through entity is a person subject to the tax imposed under 74885
section 5733.06 of the Revised Code. 74886

(c) Nothing in division (D) of this section precludes the tax 74887
commissioner from requiring such investors to file the return and 74888
make the payment of taxes and related interest, penalty, and 74889
interest penalty required by this section or section 5747.02, 74890
5747.09, or 5747.15 of the Revised Code. Nothing in division (D) 74891
of this section precludes such an investor from filing the annual 74892
return under this section, utilizing the refundable credit equal 74893
to the investor's proportionate share of the tax paid by the 74894
pass-through entity on behalf of the investor under division (I) 74895
of this section, and making the payment of taxes imposed under 74896
section 5747.02 of the Revised Code. Nothing in division (D) of 74897
this section shall be construed to provide to such an investor or 74898
pass-through entity any additional deduction or credit, other than 74899
the credit provided by division (I) of this section, solely on 74900
account of the entity's filing a return in accordance with this 74901
section. Such a pass-through entity also shall make the filing and 74902

payment of estimated taxes on behalf of the pass-through entity 74903
investors other than an investor that is a person subject to the 74904
tax imposed under section 5733.06 of the Revised Code. 74905

(2) For the purposes of this section, "business credits" 74906
means the credits listed in section 5747.98 of the Revised Code 74907
excluding the following credits: 74908

(a) The retirement income credit under division (B) of 74909
section 5747.055 of the Revised Code; 74910

(b) The senior citizen credit under division (F) of section 74911
5747.055 of the Revised Code; 74912

(c) The lump sum distribution credit under division (G) of 74913
section 5747.055 of the Revised Code; 74914

(d) The dependent care credit under section 5747.054 of the 74915
Revised Code; 74916

(f) The lump sum retirement income credit under division (D) 74919
of section 5747.055 of the Revised Code; 74920

(g) The lump sum retirement income credit under division (E) 74921
of section 5747.055 of the Revised Code; 74922

(h) The credit for displaced workers who pay for job training 74923
under section 5747.27 of the Revised Code; 74924

(i) The twenty-dollar personal exemption credit under section 74925
5747.022 of the Revised Code; 74926

(j) The joint filing credit under division (E) of section 74927
5747.05 of the Revised Code; 74928

(k) The nonresident credit under division (A) of section 74929
5747.05 of the Revised Code; 74930

(l) The credit for a resident's out-of-state income under 74931

division (B) of section 5747.05 of the Revised Code; 74932

(m) The earned income tax credit under section 5747.71 of the Revised Code; 74933
74934

(n) The lead abatement credit under section 5747.26 of the Revised Code. 74935
74936

(3) The election provided for under division (D) of this section applies only to the taxable year for which the election is made by the pass-through entity. Unless the tax commissioner provides otherwise, this election, once made, is binding and irrevocable for the taxable year for which the election is made. Nothing in this division shall be construed to provide for any deduction or credit that would not be allowable if a nonresident pass-through entity investor were to file an annual return. 74937

(4) If a pass-through entity makes the election provided for under division (D) of this section, the pass-through entity shall be liable for any additional taxes, interest, interest penalty, or penalties imposed by this chapter if the tax commissioner finds that the single return does not reflect the correct tax due by the pass-through entity investors covered by that return. Nothing in this division shall be construed to limit or alter the liability, if any, imposed on pass-through entity investors for unpaid or underpaid taxes, interest, interest penalty, or penalties as a result of the pass-through entity's making the election provided for under division (D) of this section. For the purposes of division (D) of this section, "correct tax due" means the tax that would have been paid by the pass-through entity had the single return been filed in a manner reflecting the commissioner's findings. Nothing in division (D) of this section shall be construed to make or hold a pass-through entity liable for tax attributable to a pass-through entity investor's income from a source other than the pass-through entity electing to file the single return. 74945

(E) If a husband and wife file a joint federal income tax return for a taxable year, they shall file a joint return under this section for that taxable year, and their liabilities are joint and several, but, if the federal income tax liability of either spouse is determined on a separate federal income tax return, they shall file separate returns under this section.

If either spouse is not required to file a federal income tax return and either or both are required to file a return pursuant to this chapter, they may elect to file separate or joint returns, and, pursuant to that election, their liabilities are separate or joint and several. If a husband and wife file separate returns pursuant to this chapter, each must claim the taxpayer's own exemption, but not both, as authorized under section 5747.02 of the Revised Code on the taxpayer's own return.

(F) Each return or notice required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number. Each return shall be verified by a declaration under the penalties of perjury. The tax commissioner shall prescribe the form that the signature and declaration shall take.

(G) Each return or notice required to be filed under this section shall be made and filed as required by section 5747.04 of the Revised Code, on or before the fifteenth day of April of each year, on forms that the tax commissioner shall prescribe, together with remittance made payable to the treasurer of state in the combined amount of the state and all school district income taxes shown to be due on the form.

Upon good cause shown, the commissioner may extend the period for filing any notice or return required to be filed under this section and may adopt rules relating to extensions. If the

extension results in an extension of time for the payment of any 74996
state or school district income tax liability with respect to 74997
which the return is filed, the taxpayer shall pay at the time the 74998
tax liability is paid an amount of interest computed at the rate 74999
per annum prescribed by section 5703.47 of the Revised Code on 75000
that liability from the time that payment is due without extension 75001
to the time of actual payment. Except as provided in section 75002
5747.132 of the Revised Code, in addition to all other interest 75003
charges and penalties, all taxes imposed under this chapter or 75004
Chapter 5748. of the Revised Code and remaining unpaid after they 75005
become due, except combined amounts due of one dollar or less, 75006
bear interest at the rate per annum prescribed by section 5703.47 75007
of the Revised Code until paid or until the day an assessment is 75008
issued under section 5747.13 of the Revised Code, whichever occurs 75009
first. 75010

If the commissioner considers it necessary in order to ensure 75011
the payment of the tax imposed by section 5747.02 of the Revised 75012
Code or any tax imposed under Chapter 5748. of the Revised Code, 75013
the commissioner may require returns and payments to be made 75014
otherwise than as provided in this section. 75015

To the extent that any provision in this division conflicts 75016
with any provision in section 5747.026 of the Revised Code, the 75017
provision in that section prevails. 75018

(H) The amounts withheld by an employer pursuant to section 75019
5747.06 of the Revised Code, a casino operator pursuant to section 75020
5747.063 of the Revised Code, or a lottery sales agent pursuant to 75021
section 5747.064 of the Revised Code shall be allowed to the 75022
recipient of the compensation casino winnings, or lottery prize 75023
award as credits against payment of the appropriate taxes imposed 75024
on the recipient by section 5747.02 and under Chapter 5748. of the 75025
Revised Code. 75026

(I) If a pass-through entity elects to file a single return 75027

under division (D) of this section and if any investor is required 75028
to file the annual return and make the payment of taxes required 75029
by this chapter on account of the investor's other income that is 75030
not included in a single return filed by a pass-through entity or 75031
any other investor elects to file the annual return, the investor 75032
is entitled to a refundable credit equal to the investor's 75033
proportionate share of the tax paid by the pass-through entity on 75034
behalf of the investor. The investor shall claim the credit for 75035
the investor's taxable year in which or with which ends the 75036
taxable year of the pass-through entity. Nothing in this chapter 75037
shall be construed to allow any credit provided in this chapter to 75038
be claimed more than once. For the purpose of computing any 75039
interest, penalty, or interest penalty, the investor shall be 75040
deemed to have paid the refundable credit provided by this 75041
division on the day that the pass-through entity paid the 75042
estimated tax or the tax giving rise to the credit. 75043

(J) The tax commissioner shall ensure that each return 75044
required to be filed under this section includes a box that the 75045
taxpayer may check to authorize a paid tax preparer who prepared 75046
the return to communicate with the department of taxation about 75047
matters pertaining to the return. The return or instructions 75048
accompanying the return shall indicate that by checking the box 75049
the taxpayer authorizes the department of taxation to contact the 75050
preparer concerning questions that arise during the processing of 75051
the return and authorizes the preparer only to provide the 75052
department with information that is missing from the return, to 75053
contact the department for information about the processing of the 75054
return or the status of the taxpayer's refund or payments, and to 75055
respond to notices about mathematical errors, offsets, or return 75056
preparation that the taxpayer has received from the department and 75057
has shown to the preparer. 75058

(K) The tax commissioner shall permit individual taxpayers to 75059

instruct the department of taxation to cause any refund of 75060
overpaid taxes to be deposited directly into a checking account, 75061
savings account, or an individual retirement account or individual 75062
retirement annuity, or preexisting college savings plan or program 75063
account offered by the Ohio tuition trust authority under Chapter 75064
3334. of the Revised Code, as designated by the taxpayer, when the 75065
taxpayer files the annual return required by this section 75066
electronically. 75067

(L) The tax commissioner may adopt rules to administer this 75068
section. 75069

75329

An application filed under this division shall claim a refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the federal adjustments unless it is also filed within the time prescribed in section 5747.11 of the Revised Code. It shall not reopen those facts, figures, computations, or attachments that are 75330

not affected, either directly or indirectly, by the federal 75337
adjustments. 75338

(G)(1) Unless otherwise agreed in writing by the taxpayer and 75339
the tax commissioner, or except as provided in division (G)(2) of 75340
this section, any adjustments made by either party after the end 75341
of the period for issuing an assessment under section 5747.13 of 75342
the Revised Code are limited to changes to the taxpayer's 75343
aggregate tax liability under section 5747.02 of the Revised Code 75344
arising from federal adjustments. 75345

(2) The deadline specified in division (G)(1) of this section 75346
shall be extended by sixty days if an audited partnership or 75347
tiered partner with ten thousand or more direct partners submits a 75348
request for extension before that deadline. 75349

(3) Any extension authorized under this section shall also 75350
extend the period for issuing assessments or applying for a refund 75351
by the same amount of time. 75352

Sec. 5747.26. (A) Terms used in this section have the same 75353
meanings as in section 3742.50 of the Revised Code. 75354

(B) There is hereby allowed a nonrefundable credit against a 75355
taxpayer's aggregate tax liability under section 5747.02 of the 75356
Revised Code for a taxpayer to whom a lead abatement tax credit 75357
certificate was issued under section 3742.50 of the Revised Code. 75358
The credit equals the amount listed on the certificate and shall 75359
be claimed for the taxable year in which the certificate was 75360
issued. 75361

The credit shall be claimed in the order required under 75362
section 5747.98 of the Revised Code. If the credit exceeds the 75363
taxpayer's aggregate tax due under section 5747.02 of the Revised 75364
Code for that taxable year after allowing for credits that precede 75365
the credit under this section in that order, such excess shall be 75366

allowed as a credit in each of the ensuing seven taxable years, 75367
but the amount of any excess credit allowed in any such taxable 75368
year shall be deducted from the balance carried forward to the 75369
ensuing taxable year. 75370

(C) The taxpayer shall provide, upon request of the tax 75371
commissioner, any documentation necessary to verify the taxpayer 75372
is entitled to the credit under this section. 75373

Sec. 5747.41. For the same purposes for which the tax is 75374
levied under section 5747.02 of the Revised Code, there is hereby 75375
levied a withholding tax on every qualifying pass-through entity 75376
having at least one qualifying investor who is an individual and 75377
on every qualifying trust having at least one qualifying 75378
beneficiary who is an individual. The withholding tax imposed by 75379
this section is imposed on the sum of the adjusted qualifying 75380
amounts of a qualifying pass-through entity's qualifying investors 75381
who are individuals and on the sum of the adjusted qualifying 75382
amounts of a qualifying trust's qualifying beneficiaries, at the 75383
rate of ~~five~~ three per cent of that sum. 75384

The tax imposed by this section applies only if the 75385
qualifying entity has nexus with this state under the Constitution 75386
of the United States for any portion of the qualifying entity's 75387
qualifying taxable year, and the sum of the qualifying entity's 75388
adjusted qualifying amounts exceeds one thousand dollars for the 75389
qualifying entity's qualifying taxable year. 75390

The levy of the tax under this section does not prevent a 75391
municipal corporation or a joint economic development district 75392
created under section 715.70, 715.71, or 715.72 of the Revised 75393
Code from levying a tax on income. 75394

Sec. 5747.461. There is hereby created in the state treasury 75395
the local government audit support fund. The fund shall consist of 75396

revenue credited pursuant to section 131.511 of the Revised Code 75397
and any other revenue as provided by law. The auditor of state 75398
shall use the fund to support the cost of financial audits, 75399
performance audits, and other audits of local public offices 75400
performed pursuant to Chapter 117. of the Revised Code or as 75401
otherwise provided by law. 75402

The fund shall be used in a manner to be determined by the 75403
auditor of state to offset the audit costs that would otherwise be 75404
charged to local public offices in the absence of the fund. 75405

Sec. 5747.73. There is hereby allowed a nonrefundable credit 75406
against a taxpayer's aggregate tax liability under section 5747.02 75407
of the Revised Code equal to thirty per cent of the amount of the 75408
credit the taxpayer claims for the taxable year under section 51 75409
of the Internal Revenue Code on the basis of service rendered by a 75410
qualified ex-felon, as that term is defined under that section. 75411
The credit shall be claimed in the order required under section 75412
5747.98 of the Revised Code. Any credit amount in excess of the 75413
tax due, after allowing for other credits preceding the credit in 75414
that order, may be carried forward for seven taxable years, but 75415
the amount of the excess credit allowed in any such year shall be 75416
deducted from the balance carried forward to the next year. 75417

Sec. 5747.98. (A) To provide a uniform procedure for 75418
calculating a taxpayer's aggregate tax liability under section 75419
5747.02 of the Revised Code, a taxpayer shall claim any credits to 75420
which the taxpayer is entitled in the following order: 75421

(1) Either the retirement income credit under division (B) of 75422

district income upon which a school district income tax is 75552
imposed. 75553

(I) "School district purposes" means any of the purposes for 75554
which a tax may be levied pursuant to division (A) of section 75555
5705.21 of the Revised Code, including the combined purposes 75556
authorized by section 5705.217 of the Revised Code. 75557

Sec. 5751.02. (A) For the purpose of funding the needs of 75558
this state and its local governments, there is hereby levied a 75559
commercial activity tax on each person with taxable gross receipts 75560
for the privilege of doing business in this state. For the 75561
purposes of this chapter, "doing business" means engaging in any 75562
activity, whether legal or illegal, that is conducted for, or 75563
results in, gain, profit, or income, at any time during a calendar 75564
year. Persons on which the commercial activity tax is levied 75565
include, but are not limited to, persons with substantial nexus 75566
with this state. The tax imposed under this section is not a 75567
transactional tax and is not subject to Public Law No. 86-272, 73 75568
Stat. 555. The tax imposed under this section is in addition to 75569
any other taxes or fees imposed under the Revised Code. The tax 75570
levied under this section is imposed on the person receiving the 75571
gross receipts and is not a tax imposed directly on a purchaser. 75572
The tax imposed by this section is an annual privilege tax for the 75573
calendar year that, in the case of calendar year taxpayers, is the 75574

annual tax period and, in the case of calendar quarter taxpayers, 75575
contains all quarterly tax periods in the calendar year. A 75576
taxpayer is subject to the annual privilege tax for doing business 75577
during any portion of such calendar year. 75578

(B) The tax imposed by this section is a tax on the taxpayer 75579
and shall not be billed or invoiced to another person. Even if the 75580
tax or any portion thereof is billed or invoiced and separately 75581
stated, such amounts remain part of the price for purposes of the 75582
sales and use taxes levied under Chapters 5739. and 5741. of the 75583
Revised Code. Nothing in division (B) of this section prohibits: 75584

(1) A person from including in the price charged for a good 75585
or service an amount sufficient to recover the tax imposed by this 75586
section; or 75587

(2) A lessor from including an amount sufficient to recover 75588
the tax imposed by this section in a lease payment charged, or 75589
from including such an amount on a billing or invoice pursuant to 75590
the terms of a written lease agreement providing for the recovery 75591
of the lessor's tax costs. The recovery of such costs shall be 75592
based on an estimate of the total tax cost of the lessor during 75593
the tax period, as the tax liability of the lessor cannot be 75594
calculated until the end of that period. 75595

(C)(1) The commercial activities tax receipts fund is hereby 75596
created in the state treasury and shall consist of money arising 75597
from the tax imposed under this chapter. ~~Seventy-five~~ Sixty-five 75598
one-hundredths of one per cent of the money credited to that fund 75599
shall be credited to the revenue enhancement fund and shall be 75600
used to defray the costs incurred by the department of taxation in 75601
administering the tax imposed by this chapter and in implementing 75602
tax reform measures. The remainder of the money in the commercial 75603
activities tax receipts fund shall first be credited to the 75604
commercial activity tax motor fuel receipts fund, pursuant to 75605

division (C)(2) of this section, and the remainder shall be 75606
 credited in the following percentages each fiscal year to the 75607
 general revenue fund, to the school district tangible property tax 75608
 replacement fund, which is hereby created in the state treasury 75609
 for the purpose of making the payments described in section 75610
 5709.92 of the Revised Code, and to the local government tangible 75611
 property tax replacement fund, which is hereby created in the 75612
 state treasury for the purpose of making the payments described in 75613
 section 5709.93 of the Revised Code, in the following percentages: 75614

2018 and thereafter	85.0%	13.0%	2.0%	75618

(2) Not later than the twentieth day of February, May, 75619
 August, and November of each year, the commissioner shall provide 75620
 for payment from the commercial activities tax receipts fund to 75621
 the commercial activity tax motor fuel receipts fund an amount 75622
 that bears the same ratio to the balance in the commercial 75623
 activities tax receipts fund that (a) the taxable gross receipts 75624
 attributed to motor fuel used for propelling vehicles on public 75625
 highways as indicated by returns filed by the tenth day of that 75626
 month for a liability that is due and payable on or after July 1, 75627
 2013, for a tax period ending before July 1, 2014, bears to (b) 75628
 all taxable gross receipts as indicated by those returns for such 75629

 under section 5709.92 of the Revised Code at the times the 75633

payments are to be made, the director of budget and management 75634
shall transfer from the general revenue fund to the school 75635
district tangible property tax replacement fund the difference 75636
between the total amount to be paid and the amount in the school 75637
district tangible property tax replacement fund. 75638

(2) If the total amount in the local government tangible 75639
property tax replacement fund is insufficient to make all payments 75640
under section 5709.93 of the Revised Code at the times the 75641
payments are to be made, the director of budget and management 75642
shall transfer from the general revenue fund to the local 75643
government tangible property tax replacement fund the difference 75644
between the total amount to be paid and the amount in the local 75645
government tangible property tax replacement fund. 75646

(E)(1) On or after the first day of June of each year, the 75647
director of budget and management may transfer any balance in the 75648

maintenance, or repair of public highways and bridges and other 75666
statutory highway purposes. That certification shall allocate the 75667
total amount of debt service paid from the general revenue fund 75668
and attributable to those costs in the current fiscal year 75669
according to the applicable section of the Ohio Constitution under 75670
which the bonds were originally issued. 75671

(3) On or before the thirtieth day of June of each fiscal 75672

Sec. 5910.06. The Ohio war orphans and severely disabled 75953
veterans' children scholarship board shall make a complete report 75954
of its administration of this chapter, to each first regular 75955
session of the general assembly. 75956

Sec. 5910.07. The Ohio war orphans and severely disabled 75957
veterans' children scholarship donation fund is created in the 75958
state treasury. The fund shall consist of gifts, bequests, grants, 75959
and contributions made to the fund under section 5910.02 of the 75960
Revised Code. Investment earnings of the fund shall be deposited 75961
into the fund. The fund shall be used to operate the war orphans 75962
and severely disabled veterans' children scholarship program and 75963
to provide grants under sections 5910.01 to 5910.06 of the Revised 75964
Code. 75965

Sec. 5910.08. There is hereby created in the state treasury 75966
the war orphans and severely disabled veterans' children 75967
scholarship reserve fund. As soon as possible following the end of 75968
each fiscal year, the chancellor of higher education shall certify 75969
to the director of budget and management the unencumbered balance 75970
of the general revenue fund appropriations made in the immediately 75971
preceding fiscal year for purposes of the war orphans and severely 75972
disabled veterans' children scholarship program created in Chapter 75973

5910. of the Revised Code. Upon receipt of the certification, the 75974
director of budget and management may transfer an amount not 75975
exceeding the certified amount from the general revenue fund to 75976
the war orphans and severely disabled veterans' children 75977
scholarship reserve fund. Moneys in the war orphans and severely 75978
disabled veterans' children scholarship reserve fund shall be used 75979
to pay scholarship obligations in excess of the general revenue 75980
fund appropriations made for that purpose. 75981

The director of budget and management may transfer any 75982
unencumbered balance from the war orphans and severely disabled 75983
veterans' children scholarship reserve fund to the general revenue 75984
fund. 75985

If it is determined that general revenue fund appropriations 75986
are insufficient to meet the obligations of the war orphans and 75987
severely disabled veterans' children scholarship in a fiscal year, 75988
the director of budget and management may transfer funds from the 75989
war orphans and severely disabled veterans' children scholarship 75990
reserve fund to the general revenue fund in order to meet those 75991
obligations. The amount transferred is hereby appropriated. If the 75992
funds transferred from the war orphans and severely disabled 75993
veterans' children scholarship reserve fund are not needed, the 75994
director of budget and management may transfer the unexpended 75995
balance from the general revenue fund back to the war orphans and 75996
severely disabled veterans' children scholarship reserve fund. 75997

school building level, revenue by source; expenditures for 76285
salaries, wages, and benefits of employees, showing such amounts 76286

financial information required by the standards for financial 76304
reporting, as prescribed by division (B)(2) of this section and 76305

submitted pursuant to this division available in such a way that 76307
allows for comparison between financial information included in 76308
these reports and financial information included in reports 76309
produced prior to July 1, 2013. The department shall post these 76310
reports in a prominent location on its web site and shall notify 76311
each school when reports are made available. 76312

(C) The state board shall administer and supervise the 76313

allocation and distribution of all state and federal funds for 76314
public school education under the provisions of law, and may 76315
prescribe such systems of accounting as are necessary and proper 76316
to this function. It may require county auditors and treasurers, 76317
boards of education, educational service center governing boards, 76318
treasurers of such boards, teachers, and other school officers and 76319
employees, or other public officers or employees, to file with it 76320
such reports as it may prescribe relating to such funds, or to the 76321
management and condition of such funds. 76322

(D)(1) Wherever in Titles IX, XXIII, XXIX, XXXIII, XXXVII, 76323
XLVII, and LI of the Revised Code a reference is made to standards 76324
prescribed under this section or division (D) of this section, 76325
that reference shall be construed to refer to the standards 76326
prescribed under division (D)(2) of this section, unless the 76327
context specifically indicates a different meaning or intent. 76328

(2) The state board shall formulate and prescribe minimum 76329
standards to be applied to all elementary and secondary schools in 76330
this state for the purpose of providing children access to a 76331
general education of high quality according to the learning needs 76332
of each individual, including students with disabilities, 76333
economically disadvantaged students, limited English proficient 76334
students, and students identified as gifted. Such standards shall 76335
provide adequately for: the licensing of teachers, administrators, 76336
and other professional personnel and their assignment according to 76337
training and qualifications; efficient and effective instructional 76338
materials and equipment, including library facilities; the proper 76339
organization, administration, and supervision of each school, 76340
including regulations for preparing all necessary records and 76341
reports and the preparation of a statement of policies and 76342
objectives for each school; the provision of safe buildings, 76343
grounds, health and sanitary facilities and services; admission of 76344
pupils, and such requirements for their promotion from grade to 76345

grade as will assure that they are capable and prepared for the 76346
level of study to which they are certified; requirements for 76347
graduation; and such other factors as the board finds necessary. 76348

The state board shall base any standards governing the 76349
promotion of students or requirements for graduation on the 76350
ability of students, at any grade level, to earn credits or 76351
advance upon demonstration of mastery of knowledge and skills 76352
through competency-based learning models. Credits of grade level 76353
advancement shall not require a minimum number of days or hours in 76354
a classroom. 76355

The state board shall base any standards governing the 76356
assignment of staff on ensuring each school has a sufficient 76357
number of teachers to ensure a student has an appropriate level of 76358
interaction to meet each student's personal learning goals. 76359

In the formulation and administration of such standards for 76360
nonpublic schools the board shall also consider the particular 76361
needs, methods and objectives of those schools, provided they do 76362
not conflict with the provision of a general education of a high 76363
quality and provided that regular procedures shall be followed for 76364
promotion from grade to grade of pupils who have met the 76365
educational requirements prescribed. 76366

All chartered, nonchartered, and accredited nonpublic schools 76367
shall comply with the minimum education standards adopted by the 76368
state board under this division. However, the state board shall 76369
not prescribe additional operating standards for nonchartered or 76370
accredited nonpublic schools. As used in this section, "accredited 76371
nonpublic school" means an accredited nonpublic school as 76372
described in section 3301.165 of the Revised Code. 76373

(3) In addition to the minimum standards required by division 76374
(D)(2) of this section, the state board may formulate and 76375
prescribe the following additional minimum operating standards for 76376

school districts: 76377

(a) Standards for the effective and efficient organization, 76378
administration, and supervision of each school district with a 76379
commitment to high expectations for every student based on the 76380
learning needs of each individual, including students with 76381
disabilities, economically disadvantaged students, limited English 76382
proficient students, and students identified as gifted, and 76383
commitment to closing the achievement gap without suppressing the 76384
achievement levels of higher achieving students so that all 76385
students achieve core knowledge and skills in accordance with the 76386
statewide academic standards adopted under section 3301.079 of the 76387
Revised Code; 76388

(b) Standards for the establishment of business advisory 76389
councils under section 3313.82 of the Revised Code; 76390

each individual, including students with disabilities, 76395
economically disadvantaged students, limited English proficient 76396
students, and students identified as gifted, and commitment to 76397
closing the achievement gap without suppressing the achievement 76398

core knowledge and skills in accordance with the statewide 76400
academic standards adopted under section 3301.079 of the Revised 76401
Code. 76402

(E) The state board may require as part of the health 76403
curriculum information developed under section 2108.34 of the 76404
Revised Code promoting the donation of anatomical gifts pursuant 76405
to Chapter 2108. of the Revised Code and may provide the 76406
information to high schools, educational service centers, and 76407
joint vocational school district boards of education; 76408

(F) The state board shall prepare and submit annually to the governor and the general assembly a report on the status, needs, and major problems of the public schools of the state, with recommendations for necessary legislative action and a ten-year projection of the state's public and nonpublic school enrollment, by year and by grade level.

(G) The state board shall prepare and submit to the director of budget and management the biennial budgetary requests of the state board of education, for its agencies and for the public schools of the state.

(H) The state board shall cooperate with federal, state, and local agencies concerned with the health and welfare of children and youth of the state.

(I) The state board shall require such reports from school districts and educational service centers, school officers, and employees as are necessary and desirable. The superintendents and treasurers of school districts and educational service centers shall certify as to the accuracy of all reports required by law or state board or state department of education rules to be submitted by the district or educational service center and which contain information necessary for calculation of state funding. Any superintendent who knowingly falsifies such report shall be subject to license revocation pursuant to section 3319.31 of the Revised Code.

(J) In accordance with Chapter 119. of the Revised Code, the state board shall adopt procedures, standards, and guidelines for the education of children with disabilities pursuant to Chapter 3323. of the Revised Code, including procedures, standards, and guidelines governing programs and services operated by county boards of developmental disabilities pursuant to section 3323.09 of the Revised Code.

(K) For the purpose of encouraging the development of special 76440
programs of education for academically gifted children, the state 76441
board shall employ competent persons to analyze and publish data, 76442
promote research, advise and counsel with boards of education, and 76443
encourage the training of teachers in the special instruction of 76444
gifted children. The board may provide financial assistance out of 76445
any funds appropriated for this purpose to boards of education and 76446
educational service center governing boards for developing and 76447
conducting programs of education for academically gifted children. 76448

(L) The state board shall require that all public schools 76449
emphasize and encourage, within existing units of study, the 76450
teaching of energy and resource conservation as recommended to 76451
each district board of education by leading business persons 76452
involved in energy production and conservation, beginning in the 76453
primary grades. 76454

(M) The state board shall formulate and prescribe minimum 76455
standards requiring the use of phonics as a technique in the 76456
teaching of reading in grades kindergarten through three. In 76457
addition, the state board shall provide in-service training 76458
programs for teachers on the use of phonics as a technique in the 76459
teaching of reading in grades kindergarten through three. 76460

(N) The state board may adopt rules necessary for carrying 76461
out any function imposed on it by law, and may provide rules as 76462
are necessary for its government and the government of its 76463
employees, and may delegate to the superintendent of public 76464
instruction the management and administration of any function 76465
imposed on it by law. It may provide for the appointment of board 76466
members to serve on temporary committees established by the board 76467
for such purposes as are necessary. Permanent or standing 76468
committees shall not be created. 76469

(O) Upon application from the board of education of a school 76470
district, the superintendent of public instruction may issue a 76471

waiver exempting the district from compliance with the standards 76472
adopted under divisions (B)(2) and (D) of this section, as they 76473
relate to the operation of a school operated by the district. The 76474
state board shall adopt standards for the approval or disapproval 76475
of waivers under this division. The state superintendent shall 76476
consider every application for a waiver, and shall determine 76477
whether to grant or deny a waiver in accordance with the state 76478
board's standards. For each waiver granted, the state 76479
superintendent shall specify the period of time during which the 76480
waiver is in effect, which shall not exceed five years. A district 76481
board may apply to renew a waiver. 76482

other than accredited nonpublic schools, as described in section 76484
3301.165 of the Revised Code, standards for teacher certification 76485
prescribed under section 3301.07 of the Revised Code shall provide 76486
for certification, without further educational requirements, of 76487
any administrator, supervisor, or teacher who has attended and 76488
received a bachelor's degree from a college or university 76489
accredited by a national or regional association in the United 76490
States except that, at the discretion of the state board of 76491
education, this requirement may be met by having an equivalent 76492
degree from a foreign college or university of comparable 76493
standing. Standards for certification of any administrator, 76494
supervisor, or teacher of an accredited nonpublic school shall 76495
require compliance with the educational qualifications prescribed 76496
by the independent schools association of the central states. 76497
However, nothing in this section exempts an accredited nonpublic 76498
school from the requirement that each applicant undergo a criminal 76499
records check under section 3319.39 of the Revised Code. 76500

(2) In the case of nonchartered, nontax-supported schools, 76501
the standards for teacher certification prescribed under section 76502
3301.07 of the Revised Code shall provide for certification, 76503

The individualized education program may excuse the student from taking any particular assessment required to be administered under this section if it instead specifies an alternate assessment method approved by the department of education as conforming to requirements of federal law for receipt of federal funds for disadvantaged pupils. To the extent possible, the individualized education program shall not

excuse the student from taking an assessment unless no reasonable 76659
accommodation can be made to enable the student to take the 76660
assessment. No board shall prohibit a student who is not required 76661
to take an assessment under division (C)(1) of this section from 76662
taking the assessment. 76663

(b) Any alternate assessment approved by the department for a 76664
student under this division shall produce measurable results 76665
comparable to those produced by the assessment it replaces in 76666
order to allow for the student's results to be included in the 76667
data compiled for a school district or building under section 76668
3302.03 of the Revised Code. 76669

(c)(i) Any student enrolled in a chartered nonpublic school 76670

a disability shall be excused from taking any particular 76675
assessment required to be administered under this section if a 76676
plan developed for the student pursuant to rules adopted by the 76677
state board excuses the student from taking that assessment. 76678

(ii) A student with significant cognitive disabilities to 76679
whom an alternate assessment is administered in accordance with 76680
division (C)(1) of this section and a student determined to have a 76681
disability that includes an intellectual disability as outlined in 76682
guidance issued by the department shall not be required to take 76683
the assessment prescribed under division (B)(1) of section 76684
3301.0712 of the Revised Code. 76685

(iii) In the case of any student who is enrolled in a 76686
chartered nonpublic school and is so excused from taking an 76687

The district board shall annually report the number of students who have not taken one or more of the assessments required by this section to the state board not later than the thirtieth day of June.

(3) As used in this division, "limited English proficient student" has the same meaning as in 20 U.S.C. 7801.

No school district board shall excuse any limited English proficient student from taking any particular assessment required to be administered under this section, except as follows:

(a) Any limited English proficient student who has been enrolled in United States schools for less than two years and for whom no appropriate accommodations are available based on guidance issued by the department shall not be required to take the assessment prescribed under division (B)(1) of section 3301.0712 of the Revised Code.

(b) Any limited English proficient student who has been enrolled in United States schools for less than one full school year shall not be required to take any reading, writing, or English language arts assessment.

However, no board shall prohibit a limited English proficient student who is not required to take an assessment under division (C)(3) of this section from taking the assessment. A board may permit any limited English proficient student to take an assessment required to be administered under this section with appropriate accommodations, as determined by the department. For each limited English proficient student, each school district shall annually assess that student's progress in learning English,

in accordance with procedures approved by the department. 76722

(4)(a) The governing authority of a chartered nonpublic or an 76723
accredited nonpublic school may excuse a limited English 76724
proficient student from taking any assessment administered under 76725
this section. 76726

(b) No governing authority of a chartered nonpublic school 76727
shall require a limited English proficient student who has been 76728
enrolled in United States schools for less than two years and for 76729
whom no appropriate accommodations are available based on guidance 76730
issued by the department to take the assessment prescribed under 76731
division (B)(1) of section 3301.0712 of the Revised Code. 76732

(c) No governing authority of a chartered nonpublic school 76733
shall prohibit a limited English proficient student from taking an 76734
assessment from which the student was excused under division 76735
(C)(4) of this section. 76736

(D)(1) In the school year next succeeding the school year in 76737
which the assessments prescribed by division (A)(1) or (B)(1) of 76738
section 3301.0710 of the Revised Code or former division (A)(1), 76739
(A)(2), or (B) of section 3301.0710 of the Revised Code as it 76740
existed prior to September 11, 2001, are administered to any 76741
student, the board of education of any school district in which 76742
the student is enrolled in that year shall provide to the student 76743
intervention services commensurate with the student's performance, 76744
including any intensive intervention required under section 76745
3313.608 of the Revised Code, in any skill in which the student 76746
failed to demonstrate at least a score at the proficient level on 76747
the assessment. 76748

(2) Following any administration of the assessments 76749
prescribed by division (D) of section 3301.0710 of the Revised 76750
Code to ninth grade students, each school district that has a 76751
three-year average graduation rate of not more than seventy-five 76752

per cent shall determine for each high school in the district 76753
whether the school shall be required to provide intervention 76754
services to any students who took the assessments. In determining 76755
which high schools shall provide intervention services based on 76756
the resources available, the district shall consider each school's 76757
graduation rate and scores on the practice assessments. The 76758
district also shall consider the scores received by ninth grade 76759
students on the English language arts and mathematics assessments 76760
prescribed under division (A)(1)(f) of section 3301.0710 of the 76761
Revised Code in the eighth grade in determining which high schools 76762
shall provide intervention services. 76763

Each high school selected to provide intervention services 76764
under this division shall provide intervention services to any 76765
student whose results indicate that the student is failing to make 76766
satisfactory progress toward being able to attain scores at the 76767
proficient level on the Ohio graduation tests. Intervention 76768
services shall be provided in any skill in which a student 76769
demonstrates unsatisfactory progress and shall be commensurate 76770
with the student's performance. Schools shall provide the 76771
intervention services prior to the end of the school year, during 76772
the summer following the ninth grade, in the next succeeding 76773
school year, or at any combination of those times. 76774

(E) Except as provided in section 3313.608 of the Revised 76775
Code and division (N) of this section, no school district board of 76776
education shall utilize any student's failure to attain a 76777
specified score on an assessment administered under this section 76778
as a factor in any decision to deny the student promotion to a 76779
higher grade level. However, a district board may choose not to 76780
promote to the next grade level any student who does not take an 76781
assessment administered under this section or make up an 76782
assessment as provided by division (C)(2) of this section and who 76783
is not exempt from the requirement to take the assessment under 76784

division (C)(3) of this section. 76785

(F) No person shall be charged a fee for taking any 76786
assessment administered under this section. 76787

(G)(1) Each school district board shall designate one 76788
location for the collection of assessments administered in the 76789
spring under division (B)(1) of this section and those 76790
administered under divisions (B)(2) to (7) of this section. Each 76791
district board shall submit the assessments to the entity with 76792
which the department contracts for the scoring of the assessments 76793
as follows: 76794

(a) If the district's total enrollment in grades kindergarten 76795
through twelve during the first full school week of October was 76796
less than two thousand five hundred, not later than the Friday 76797
after all of the assessments have been administered; 76798

(b) If the district's total enrollment in grades kindergarten 76799
through twelve during the first full school week of October was 76800
two thousand five hundred or more, but less than seven thousand, 76801
not later than the Monday after all of the assessments have been 76802
administered; 76803

(c) If the district's total enrollment in grades kindergarten 76804
through twelve during the first full school week of October was 76805
seven thousand or more, not later than the Tuesday after all of 76806
the assessments have been administered. 76807

However, any assessment that a student takes during the 76808
make-up period described in division (C)(2) of this section shall 76809
be submitted not later than the Friday following the day the 76810
student takes the assessment. 76811

(2) The department or an entity with which the department 76812
contracts for the scoring of the assessment shall send to each 76813
school district board a list of the individual scores of all 76814
persons taking a state achievement assessment as follows: 76815

(a) Except as provided in division (G)(2)(b) or (c) of this section, within forty-five days after the administration of the assessments prescribed by sections 3301.0710 and 3301.0712 of the Revised Code, but in no case shall the scores be returned later than the thirtieth day of June following the administration;

(b) In the case of the third-grade English language arts assessment, within forty-five days after the administration of that assessment, but in no case shall the scores be returned later than the fifteenth day of June following the administration;

(c) In the case of the writing component of an assessment or end-of-course examination in the area of English language arts, except for the third-grade English language arts assessment, the results may be sent after forty-five days of the administration of the writing component, but in no case shall the scores be returned later than the thirtieth day of June following the administration.

(3) For assessments administered under this section by a joint vocational school district, the department or entity shall also send to each city, local, or exempted village school district a list of the individual scores of any students of such city, local, or exempted village school district who are attending school in the joint vocational school district.

(4) Beginning with the 2019-2020 school year, a school district, other public school, ~~or~~ chartered nonpublic school, or accredited nonpublic school may administer the third-grade English language arts or mathematics assessment, or both, in a paper format in any school year for which the district board of education or school governing body adopts a resolution indicating that the district or school chooses to administer the assessment in a paper format. The board or governing body shall submit a copy of the resolution to the department of education not later than the first day of May prior to the school year for which it will apply. If the resolution is submitted, the district or school

shall administer the assessment in a paper format to all students 76848
in the third grade, except that any student whose individualized 76849
education program or plan developed under section 504 of the 76850
"Rehabilitation Act of 1973," 87 Stat. 355, 29 U.S.C. 794, as 76851
amended, specifies that taking the assessment in an online format 76852
is an appropriate accommodation for the student may take the 76853
assessment in an online format. 76854

(H) Individual scores on any assessments administered under 76855
this section shall be released by a district board only in 76856
accordance with section 3319.321 of the Revised Code and the rules 76857
adopted under division (A) of this section. No district board or 76858
its employees shall utilize individual or aggregate results in any 76859
manner that conflicts with rules for the ethical use of 76860
assessments adopted pursuant to division (A) of this section. 76861

(I) Except as provided in division (G) of this section, the 76862
department or an entity with which the department contracts for 76863
the scoring of the assessment shall not release any individual 76864
scores on any assessment administered under this section. The 76865
state board shall adopt rules to ensure the protection of student 76866
confidentiality at all times. The rules may require the use of the 76867
data verification codes assigned to students pursuant to division 76868
(D)(2) of section 3301.0714 of the Revised Code to protect the 76869
confidentiality of student scores. 76870

(J) Notwithstanding division (D) of section 3311.52 of the 76871
Revised Code, this section does not apply to the board of 76872
education of any cooperative education school district except as 76873
provided under rules adopted pursuant to this division. 76874

(1) In accordance with rules that the state board shall 76875
adopt, the board of education of any city, exempted village, or 76876
local school district with territory in a cooperative education 76877
school district established pursuant to divisions (A) to (C) of 76878
section 3311.52 of the Revised Code may enter into an agreement 76879

district who are attending school in the cooperative education 76883
school district. 76884

(2) In accordance with rules that the state board shall 76885
adopt, the board of education of any city, exempted village, or 76886
local school district with territory in a cooperative education 76887
school district established pursuant to section 3311.521 of the 76888
Revised Code shall enter into an agreement with the cooperative 76889
district that provides for the administration of any assessment 76890
prescribed under this section to both of the following: 76891

(a) Students who are attending school in the cooperative 76892
district and who, if the cooperative district were not 76893
established, would be entitled to attend school in the city, 76894
local, or exempted village school district pursuant to section 76895
3313.64 or 3313.65 of the Revised Code; 76896

(b) Persons described in division (B)(8)(b) of this section. 76897

Any assessment of students pursuant to such an agreement 76898
shall be in lieu of any assessment of such students or persons 76899
pursuant to this section. 76900

(K)(1) Except as otherwise provided in division (K)(1) or (2) 76901
of this section, each chartered nonpublic school for which at 76902
least sixty-five per cent of its total enrollment is made up of 76903
students who are participating in state scholarship programs shall 76904
administer the elementary assessments prescribed by section 76905

a student enrolled in the school who is not participating in a 76908
state scholarship program may submit notice to the chief 76909
administrative officer of the school that the parent or guardian 76910

does not wish to have the student take the elementary assessments 76911
prescribed for the student's grade level under division (A) of 76912
section 3301.0710 of the Revised Code. If a parent or guardian 76913
submits an opt-out notice, the school shall not administer the 76914
assessments to that student. This option does not apply to any 76915
assessment required for a high school diploma under section 76916
3313.612 of the Revised Code. 76917

(2) A chartered nonpublic school may submit to the 76918
superintendent of public instruction a request for a waiver from 76919
administering the elementary assessments prescribed by division 76920
(A) of section 3301.0710 of the Revised Code. The state 76921
superintendent shall approve or disapprove a request for a waiver 76922
submitted under division (K)(2) of this section. No waiver shall 76923
be approved for any school year prior to the 2015-2016 school 76924
year. 76925

To be eligible to submit a request for a waiver, a chartered 76926
nonpublic school shall meet the following conditions: 76927

(a) At least ninety-five per cent of the students enrolled in 76928
the school are children with disabilities, as defined under 76929
section 3323.01 of the Revised Code, or have received a diagnosis 76930
by a school district or from a physician, including a 76931
neuropsychiatrist or psychiatrist, or a psychologist who is 76932

the thirty-first day of July following the school year that the 77069

(2) The department may field test proposed questions with 77071
samples of students to determine the validity, reliability, or 77072
appropriateness of questions for possible inclusion in a future 77073
year's assessment. The department also may use anchor questions on 77074
assessments to ensure that different versions of the same 77075
assessment are of comparable difficulty. 77076

Field test questions and anchor questions shall not be 77077
considered in computing scores for individual students. Field test 77078
questions and anchor questions may be included as part of the 77079

under division (O)(2) of this section shall not be a public 77084
record. Such field test questions and anchor questions shall be 77085
redacted from any assessments which are released as a public 77086
record pursuant to division (O)(1) of this section. 77087

(4) This division applies to the assessments prescribed by 77088
division (A) of section 3301.0710 of the Revised Code. 77089

(a) The first administration of each assessment, as specified 77090
in former section 3301.0712 of the Revised Code, shall be a public 77091

to the 2011-2012 school year, not less than forty per cent of the 77094
questions on the assessment that are used to compute a student's 77095
score shall be a public record. The department shall determine 77096
which questions will be needed for reuse on a future assessment 77097
and those questions shall not be public records and shall be 77098

redacted from the assessment prior to its release as a public 77099
record. However, for each redacted question, the department shall 77100
inform each city, local, and exempted village school district of 77101
the statewide academic standard adopted by the state board under 77102
section 3301.079 of the Revised Code and the corresponding 77103
benchmark to which the question relates. The preceding sentence 77104

preferred answers that are used to compute a student's score shall 77117
become a public record as follows: 77118

(i) Forty per cent of the questions and preferred answers on 77119
the assessments on the thirty-first day of July following the 77120
administration of the assessment; 77121

(ii) Twenty per cent of the questions and preferred answers 77122
on the assessment on the thirty-first day of July one year after 77123
the administration of the assessment; 77124

(iii) The remaining forty per cent of the questions and 77125
preferred answers on the assessment on the thirty-first day of 77126

Beginning with the assessments administered in the spring of the 2017-2018 school year, not less than forty per cent of the questions on each assessment that are used to compute a student's score shall be a public record. The department shall determine which questions will be needed for reuse on a future assessment and those questions shall not be public records and shall be redacted from the assessment prior to its release as a public record. However, for each redacted question, the department shall inform each city, local, and exempted village school district of the corresponding statewide academic standard adopted by the state board under section 3301.079 of the Revised Code and the corresponding benchmark to which the question relates. The department is not required to provide corresponding standards and benchmarks to field test questions that are redacted under division (O)(3) of this section.

and (F) of this section and in sections 3313.412 and 3313.413 of 77834
the Revised Code, when a board of education decides to dispose of 77835
real or personal property that it owns in its corporate capacity 77836
and that exceeds in value ten thousand dollars, it shall sell the 77837
property at public auction, after giving at least thirty days' 77838
notice of the auction by publication in a newspaper of general 77839
circulation in the school district, by publication as provided in 77840
section 7.16 of the Revised Code, or by posting notices in five of 77841

property, if it is real property, is situated, or, if it is 77843
personal property, in the school district of the board of 77844
education that owns the property. The board may offer real 77845
property for sale as an entire tract or in parcels. 77846

(B) When the board of education has offered real or personal 77847
property for sale at public auction at least once pursuant to 77848
division (A) of this section, and the property has not been sold, 77849
the board may sell it at a private sale. Regardless of how it was 77850
offered at public auction, at a private sale, the board shall, as 77851
it considers best, sell real property as an entire tract or in 77852
parcels, and personal property in a single lot or in several lots. 77853

(C) If a board of education decides to dispose of real or 77854
personal property that it owns in its corporate capacity and that 77855
exceeds in value ten thousand dollars, it may sell the property to 77856
the adjutant general; to any subdivision or taxing authority as 77857
respectively defined in section 5705.01 of the Revised Code, 77858
township park district, board of park commissioners established 77859
under Chapter 755. of the Revised Code, or park district 77860

or partially tax-supported university, university branch, or 77862
college; to a nonprofit institution of higher education that has a 77863
certificate of authorization under Chapter 1713. of the Revised 77864
Code; to the governing authority of a chartered nonpublic school 77865
or an accredited nonpublic school described in section 3301.165 of 77866
the Revised Code; or to the board of trustees of a school district 77867
library, upon such terms as are agreed upon. The sale of real or 77868
personal property to the board of trustees of a school district 77869
library is limited, in the case of real property, to a school 77870
district library within whose boundaries the real property is 77871
situated, or, in the case of personal property, to a school 77872
district library whose boundaries lie in whole or in part within 77873
the school district of the selling board of education. 77874

(D) When a board of education decides to trade as a part or 77875
an entire consideration, an item of personal property on the 77876
purchase price of an item of similar personal property, it may 77877
trade the same upon such terms as are agreed upon by the parties 77878
to the trade. 77879

(E) The president and the treasurer of the board of education 77880
shall execute and deliver deeds or other necessary instruments of 77881
conveyance to complete any sale or trade under this section. 77882

(F) When a board of education has identified a parcel of real 77883
property that it determines is needed for school purposes, the 77884
board may, upon a majority vote of the members of the board, 77885
acquire that property by exchanging real property that the board 77886
owns in its corporate capacity for the identified real property or 77887
by using real property that the board owns in its corporate 77888
capacity as part or an entire consideration for the purchase price 77889
of the identified real property. Any exchange or acquisition made 77890
pursuant to this division shall be made by a conveyance executed 77891
by the president and the treasurer of the board. 77892

(G) When a school district board of education has property 77893

that the board, by resolution, finds is not needed for school 77894
district use, is obsolete, or is unfit for the use for which it 77895
was acquired, the board may donate that property in accordance 77896
with this division if the fair market value of the property is, in 77897
the opinion of the board, two thousand five hundred dollars or 77898
less. 77899

The property may be donated to an eligible nonprofit 77900
organization that is located in this state and is exempt from 77901
federal income taxation pursuant to 26 U.S.C. 501(a) and (c)(3). 77902
Before donating any property under this division, the board shall 77903
adopt a resolution expressing its intent to make unneeded, 77904
obsolete, or unfit-for-use school district property available to 77905
these organizations. The resolution shall include guidelines and 77906
procedures the board considers to be necessary to implement the 77907
donation program and shall indicate whether the school district 77908
will conduct the donation program or the board will contract with 77909
a representative to conduct it. If a representative is known when 77910
the resolution is adopted, the resolution shall provide contact 77911
information such as the representative's name, address, and 77912
telephone number. 77913

The resolution shall include within its procedures a 77914
requirement that any nonprofit organization desiring to obtain 77915
donated property under this division shall submit a written notice 77916
to the board or its representative. The written notice shall 77917
include evidence that the organization is a nonprofit organization 77918
that is located in this state and is exempt from federal income 77919
taxation pursuant to 26 U.S.C. 501(a) and (c)(3); a description of 77920
the organization's primary purpose; a description of the type or 77921
types of property the organization needs; and the name, address, 77922
and telephone number of a person designated by the organization's 77923
governing board to receive donated property and to serve as its 77924
agent. 77925

After adoption of the resolution, the board shall publish, in 77926
a newspaper of general circulation in the school district or as 77927
provided in section 7.16 of the Revised Code, notice of its intent 77928
to donate unneeded, obsolete, or unfit-for-use school district 77929
property to eligible nonprofit organizations. The notice shall 77930
include a summary of the information provided in the resolution 77931
and shall be published twice. The second notice shall be published 77932
not less than ten nor more than twenty days after the previous 77933
notice. A similar notice also shall be posted continually in the 77934
board's office. If the school district maintains a web site on the 77935
internet, the notice shall be posted continually at that web site. 77936

The board or its representatives shall maintain a list of all 77937
nonprofit organizations that notify the board or its 77938
representative of their desire to obtain donated property under 77939
this division and that the board or its representative determines 77940
to be eligible, in accordance with the requirements set forth in 77941
this section and in the donation program's guidelines and 77942
procedures, to receive donated property. 77943

The board or its representative also shall maintain a list of 77944
all school district property the board finds to be unneeded, 77945
obsolete, or unfit for use and to be available for donation under 77946
this division. The list shall be posted continually in a 77947
conspicuous location in the board's office, and, if the school 77948
district maintains a web site on the internet, the list shall be 77949
posted continually at that web site. An item of property on the 77950
list shall be donated to the eligible nonprofit organization that 77951
first declares to the board or its representative its desire to 77952
obtain the item unless the board previously has established, by 77953
resolution, a list of eligible nonprofit organizations that shall 77954
be given priority with respect to the item's donation. Priority 77955
may be given on the basis that the purposes of a nonprofit 77956
organization have a direct relationship to specific school 77957

district purposes of programs provided or administered by the 77958
board. A resolution giving priority to certain nonprofit 77959
organizations with respect to the donation of an item of property 77960
shall specify the reasons why the organizations are given that 77961
priority. 77962

Members of the board shall consult with the Ohio ethics 77963
commission, and comply with Chapters 102. and 2921. of the Revised 77964
Code, with respect to any donation under this division to a 77965
nonprofit organization of which a board member, any member of a 77966
board member's family, or any business associate of a board member 77967
is a trustee, officer, board member, or employee. 77968

Sec. 3313.48. (A) The board of education of each city, 77969
exempted village, local, and joint vocational school district 77970
shall provide for the free education of the youth of school age 77971
within the district under its jurisdiction, at such places as will 77972
be most convenient for the attendance of the largest number 77973
thereof. Each school so provided ~~and~~, each chartered nonpublic 77974
school, and each accredited nonpublic school described in section 77975
3301.165 of the Revised Code shall be open for instruction with 77976
pupils in attendance, including scheduled classes, supervised 77977
activities, and approved education options but excluding lunch and 77978
breakfast periods and extracurricular activities, for not less 77979
than four hundred fifty-five hours in the case of pupils in 77980
kindergarten unless such pupils are provided all-day kindergarten, 77981
as defined in section 3321.05 of the Revised Code, in which case 77982
the pupils shall be in attendance for nine hundred ten hours; nine 77983
hundred ten hours in the case of pupils in grades one through six; 77984
and one thousand one hours in the case of pupils in grades seven 77985
through twelve in each school year, which may include all of the 77986
following: 77987

(1) Up to the equivalent of two school days per year during 77988

which pupils would otherwise be in attendance but are not required 77989
to attend for the purpose of individualized parent-teacher 77990
conferences and reporting periods; 77991

(2) Up to the equivalent of two school days per year during 77992
which pupils would otherwise be in attendance but are not required 77993
to attend for professional meetings of teachers; 77994

(3) Morning and afternoon recess periods of not more than 77995
fifteen minutes duration per period for pupils in grades 77996
kindergarten through six. 77997

(B) Not later than thirty days prior to adopting a school 77998
calendar, the board of education of each city, exempted village, 77999
and local school district shall hold a public hearing on the 78000
school calendar, addressing topics that include, but are not 78001
limited to, the total number of hours in a school year, length of 78002
school day, and beginning and end dates of instruction. 78003

(C) No school operated by a city, exempted village, local, or 78004
joint vocational school district shall reduce the number of hours 78005
in each school year that the school is scheduled to be open for 78006
instruction from the number of hours per year the school was open 78007
for instruction during the previous school year unless the 78008
reduction is approved by a resolution adopted by the district 78009
board of education. Any reduction so approved shall not result in 78010
fewer hours of instruction per school year than the applicable 78011
number of hours required under division (A) of this section. 78012

(D) Prior to making any change in the hours or days in which 78013
a high school under its jurisdiction is open for instruction, the 78014
board of education of each city, exempted village, and local 78015
school district shall consider the compatibility of the proposed 78016
change with the scheduling needs of any joint vocational school 78017
district in which any of the high school's students are also 78018
enrolled. The board shall consider the impact of the proposed 78019

change on student access to the instructional programs offered by 78020
the joint vocational school district, incentives for students to 78021
participate in career-technical education, transportation, and the 78022
timing of graduation. The board shall provide the joint vocational 78023
school district board with advance notice of the proposed change 78024
and the two boards shall enter into a written agreement 78025
prescribing reasonable accommodations to meet the scheduling needs 78026
of the joint vocational school district prior to implementation of 78027
the change. 78028

(E) Prior to making any change in the hours or days in which 78029
a school under its jurisdiction is open for instruction, the board 78030
of education of each city, exempted village, and local school 78031
district shall consider the compatibility of the proposed change 78032
with the scheduling needs of any community school established 78033
under Chapter 3314. of the Revised Code to which the district is 78034
required to transport students under sections 3314.09 and 3327.01 78035
of the Revised Code. The board shall consider the impact of the 78036
proposed change on student access to the instructional programs 78037
offered by the community school, transportation, and the timing of 78038
graduation. The board shall provide the sponsor, governing 78039
authority, and operator of the community school with advance 78040
notice of the proposed change, and the board and the governing 78041
authority, or operator if such authority is delegated to the 78042
operator, shall enter into a written agreement prescribing 78043
reasonable accommodations to meet the scheduling needs of the 78044
community school prior to implementation of the change. 78045

(F) Prior to making any change in the hours or days in which 78046
the schools under its jurisdiction are open for instruction, the 78047
board of education of each city, exempted village, and local 78048
school district shall consult with the chartered and accredited 78049
nonpublic schools to which the district is required to transport 78050
students under section 3327.01 of the Revised Code and shall 78051

consider the effect of the proposed change on the schedule for 78052
transportation of those students to their nonpublic schools. The 78053
governing authority of a chartered or an accredited nonpublic 78054
school shall consult with each school district board of education 78055
that transports students to the chartered nonpublic school under 78056
section 3327.01 of the Revised Code prior to making any change in 78057
the hours or days in which the nonpublic school is open for 78058
instruction. 78059

(G) The state board of education shall not adopt or enforce 78060
any rule or standard that imposes on chartered or accredited 78061
nonpublic schools the procedural requirements imposed on school 78062
districts by divisions (B), (C), (D), and (E) of this section. 78063

Sec. 3313.481. Wherever in Title XXXIII of the Revised Code 78064
the term "school day" is used, unless otherwise specified, that 78065
term shall be construed to mean the time during a calendar day 78066
that a school is open for instruction pursuant to the schedule 78067
adopted by the board of education of the school district or the 78068
governing authority of the chartered or accredited nonpublic 78069
school in accordance with section 3313.48 of the Revised Code. 78070

Sec. 3313.482. (A)(1) Prior to the first day of August of 78071
each school year, the board of education of any school district 78072
~~or~~ the governing authority of any chartered nonpublic school, or 78073
the governing authority of an accredited nonpublic school 78074
described in section 3301.165 of the Revised Code may adopt a plan 78075
to require students to access and complete classroom lessons 78076
posted on the district's or nonpublic school's web portal or web 78077
site in order to make up hours in that school year on which it is 78078
necessary to close schools for disease epidemic, hazardous weather 78079
conditions, law enforcement emergencies, inoperability of school 78080
buses or other equipment necessary to the school's operation, 78081
damage to a school building, or other temporary circumstances due 78082

to utility failure rendering the school building unfit for school use. 78083
78084

Prior to the first day of August of each school year, the governing authority of any community school established under Chapter 3314. that is not an internet- or computer-based community school, as defined in section 3314.02 of the Revised Code, may adopt a plan to require students to access and complete classroom lessons posted on the school's web portal or web site in order to make up hours in that school year on which it is necessary to close the school for any of the reasons specified in division (H)(4) of section 3314.08 of the Revised Code so that the school is in compliance with the minimum number of hours required under Chapter 3314. of the Revised Code. 78085
78086
78087
78088
78089
78090
78091
78092
78093
78094
78095

A plan adopted by a school district board, chartered nonpublic school governing authority, accredited nonpublic school governing authority, or community school governing authority shall provide for making up any number of hours, up to a maximum of the number of hours that are the equivalent of three school days. 78096
78097
78098
78099
78100

(2) Each plan adopted under this section by a school district board of education shall include the written consent of the teachers' employee representative designated under division (B) of section 4117.04 of the Revised Code. 78101
78102
78103
78104

(3) Each plan adopted under this section shall provide for the following: 78105
78106

(a) Not later than the first day of November of the school year, each classroom teacher shall develop a sufficient number of lessons for each course taught by the teacher that school year to cover the number of make-up hours specified in the plan. The teacher shall designate the order in which the lessons are to be posted on the district's, community school's, or nonpublic school's web portal or web site in the event of a school closure. 78107
78108
78109
78110
78111
78112
78113

Teachers may be granted up to one professional development day to 78114
create lesson plans for those lessons. 78115

(b) To the extent possible and necessary, a classroom teacher 78116
shall update or replace, based on current instructional progress, 78117
one or more of the lesson plans developed under division (A)(3)(a) 78118
of this section before they are posted on the web portal or web 78119
site under division (A)(3)(c) of this section or distributed under 78120
division (B) of this section. 78121

(c) As soon as practicable after a school closure, a district 78122
or school employee responsible for web portal or web site 78123
operations shall make the designated lessons available to students 78124
on the district's, community school's, or nonpublic school's 78125
portal or site. A lesson shall be posted for each course that was 78126
scheduled to meet on the day or hours of the closure. 78127

(d) Each student enrolled in a course for which a lesson is 78128
posted on the portal or site shall be granted a two-week period 78129
from the date of posting to complete the lesson. The student's 78130
classroom teacher shall grade the lesson in the same manner as 78131
other lessons. The student may receive an incomplete or failing 78132
grade if the lesson is not completed on time. 78133

(e) If a student does not have access to a computer at the 78134
student's residence and the plan does not include blizzard bags 78135
under division (B) of this section, the student shall be permitted 78136
to work on the posted lessons at school after the student's school 78137
reopens. If the lessons were posted prior to the reopening, the 78138
student shall be granted a two-week period from the date of the 78139
reopening, rather than from the date of posting as otherwise 78140
required under division (A)(3)(d) of this section, to complete the 78141
lessons. The district board or community school or nonpublic 78142
school governing authority may provide the student access to a 78143
computer before, during, or after the regularly scheduled school 78144
day or may provide a substantially similar paper lesson in order 78145

to complete the lessons. 78146

(B)(1) In addition to posting classroom lessons online under 78147
division (A) of this section, the board of education of any school 78148
district or governing authority of any community, accredited, or 78149
chartered nonpublic school may include in the plan distribution of 78150
"blizzard bags," which are paper copies of the lessons posted 78151
online. 78152

(2) If a school opts to use blizzard bags, teachers shall 78153
prepare paper copies in conjunction with the lessons to be posted 78154
online and update the paper copies whenever the teacher updates 78155
the online lesson plans. 78156

(3) The board of education of any school district or 78157
governing authority of any community, accredited, or chartered 78158
nonpublic school that opts to use blizzard bags shall specify in 78159
the plan the method of distribution of blizzard bag lessons, which 78160

(a) Physical sciences, one unit; 78616

(b) Life sciences, one unit; 78617

(c) Advanced study in one or more of the following sciences, 78618

(i) Chemistry, physics, or other physical science; 78620

(ii) Advanced biology or other life science; 78621

(iii) Astronomy, physical geology, or other earth or space 78622

(iv) Computer science. 78624

No student shall substitute a computer science course for a 78625
life sciences or biology course under division (C)(5) of this 78626
section. 78627

(6) History and government, one unit, which shall comply with 78628
division (M) of this section and shall include both of the 78629
following: 78630

(a) American history, one-half unit; 78631

(b) American government, one-half unit. 78632

(7) Social studies, two units. 78633

Each school shall integrate the study of economics and 78634
financial literacy, as expressed in the social studies academic 78635
content standards adopted by the state board of education under 78636
division (A)(1) of section 3301.079 of the Revised Code and the 78637
academic content standards for financial literacy and 78638
entrepreneurship adopted under division (A)(2) of that section, 78639
into one or more existing social studies credits required under 78640
division (C)(7) of this section, or into the content of another 78641
class, so that every high school student receives instruction in 78642
those concepts. In developing the curriculum required by this 78643
paragraph, schools shall use available public-private partnerships 78644
and resources and materials that exist in business, industry, and 78645
through the centers for economics education at institutions of 78646
higher education in the state. 78647

Beginning with students who enter ninth grade for the first 78648
time on or after July 1, 2017, the two units of instruction 78649
prescribed by division (C)(7) of this section shall include at 78650
least one-half unit of instruction in the study of world history 78651
and civilizations. 78652

(8) Five units consisting of one or any combination of 78653
foreign language, fine arts, business, career-technical education, 78654
family and consumer sciences, technology which may include 78655
computer science, agricultural education, a junior reserve officer 78656
training corps (JROTC) program approved by the congress of the 78657
United States under title 10 of the United States Code, or English 78658
language arts, mathematics, science, or social studies courses not 78659
otherwise required under division (C) of this section. 78660

Ohioans must be prepared to apply increased knowledge and 78661
skills in the workplace and to adapt their knowledge and skills 78662
quickly to meet the rapidly changing conditions of the 78663
twenty-first century. National studies indicate that all high 78664

school graduates need the same academic foundation, regardless of 78665
the opportunities they pursue after graduation. The goal of Ohio's 78666
system of elementary and secondary education is to prepare all 78667
students for and seamlessly connect all students to success in 78668
life beyond high school graduation, regardless of whether the next 78669
step is entering the workforce, beginning an apprenticeship, 78670
engaging in post-secondary training, serving in the military, or 78671
pursuing a college degree. 78672

The requirements for graduation prescribed in division (C) of 78673
this section are the standard expectation for all students 78674
entering ninth grade for the first time at a public or chartered 78675
nonpublic high school on or after July 1, 2010. A student may 78676
satisfy this expectation through a variety of methods, including, 78677
but not limited to, integrated, applied, career-technical, and 78678
traditional coursework. 78679

Stronger coordination between high schools and institutions 78680
of higher education is necessary to prepare students for more 78681
challenging academic endeavors and to lessen the need for academic 78682
remediation in college, thereby reducing the costs of higher 78683
education for Ohio's students, families, and the state. The state 78684
board and the chancellor of higher education shall develop 78685
policies to ensure that only in rare instances will students who 78686
complete the requirements for graduation prescribed in division 78687
(C) of this section require academic remediation after high 78688
school. 78689

School districts, community schools, and chartered nonpublic 78690
schools shall integrate technology into learning experiences 78691
across the curriculum in order to maximize efficiency, enhance 78692
learning, and prepare students for success in the 78693
technology-driven twenty-first century. Districts and schools 78694
shall use distance and web-based course delivery as a method of 78695
providing or augmenting all instruction required under this 78696

division, including laboratory experience in science. Districts 78697
and schools shall utilize technology access and electronic 78698
learning opportunities provided by the broadcast educational media 78699
commission, chancellor, the Ohio learning network, education 78700
technology centers, public television stations, and other public 78701
and private providers. 78702

(D) Except as provided in division (E) of this section, a 78703
student who enters ninth grade on or after July 1, 2010, and 78704
before July 1, 2016, may qualify for graduation from a public or 78705
chartered nonpublic high school even though the student has not 78706
completed the requirements for graduation prescribed in division 78707
(C) of this section if all of the following conditions are 78708
satisfied: 78709

(1) During the student's third year of attending high school, 78710
as determined by the school, the student and the student's parent, 78711
guardian, or custodian sign and file with the school a written 78712
statement asserting the parent's, guardian's, or custodian's 78713
consent to the student's graduating without completing the 78714
requirements for graduation prescribed in division (C) of this 78715
section and acknowledging that one consequence of not completing 78716
those requirements is ineligibility to enroll in most state 78717
universities in Ohio without further coursework. 78718

(2) The student and parent, guardian, or custodian fulfill 78719
any procedural requirements the school stipulates to ensure the 78720
student's and parent's, guardian's, or custodian's informed 78721
consent and to facilitate orderly filing of statements under 78722
division (D)(1) of this section. Annually, each district or school 78723
shall notify the department of the number of students who choose 78724
to qualify for graduation under division (D) of this section and 78725
the number of students who complete the student's success plan and 78726
graduate from high school. 78727

(3) The student and the student's parent, guardian, or 78728

custodian and a representative of the student's high school 78729
jointly develop a student success plan for the student in the 78730
manner described in division (C)(1) of section 3313.6020 of the 78731
Revised Code that specifies the student matriculating to a 78732
two-year degree program, acquiring a business and 78733
industry-recognized credential, or entering an apprenticeship. 78734

(4) The student's high school provides counseling and support 78735
for the student related to the plan developed under division 78736
(D)(3) of this section during the remainder of the student's high 78737
school experience. 78738

(5)(a) Except as provided in division (D)(5)(b) of this 78739
section, the student successfully completes, at a minimum, the 78740
curriculum prescribed in division (B) of this section. 78741

(b) Beginning with students who enter ninth grade for the 78742
first time on or after July 1, 2014, a student shall be required 78743
to complete successfully, at the minimum, the curriculum 78744
prescribed in division (B) of this section, except as follows: 78745

(i) Mathematics, four units, one unit which shall be one of 78746
the following: 78747

(I) Probability and statistics; 78748

(II) Computer science; 78749

(III) Applied mathematics or quantitative reasoning; 78750

(IV) Any other course approved by the department using 78751
standards established by the superintendent not later than October 78752
1, 2014. 78753

(ii) Elective units, five units; 78754

(iii) Science, three units as prescribed by division (B) of 78755
this section which shall include inquiry-based laboratory 78756
experience that engages students in asking valid scientific 78757
questions and gathering and analyzing information. 78758

The department, in collaboration with the chancellor, shall analyze student performance data to determine if there are mitigating factors that warrant extending the exception permitted by division (D) of this section to high school classes beyond those entering ninth grade before July 1, 2016. The department shall submit its findings and any recommendations not later than December 1, 2015, to the speaker and minority leader of the house of representatives, the president and minority leader of the senate, the chairpersons and ranking minority members of the standing committees of the house of representatives and the senate that consider education legislation, the state board of education, and the superintendent of public instruction.

(E) Each school district and chartered nonpublic school retains the authority to require an even more challenging minimum curriculum for high school graduation than specified in division (B) or (C) of this section. A school district board of education, through the adoption of a resolution, or the governing authority of a chartered nonpublic school may stipulate any of the following:

(1) A minimum high school curriculum that requires more than twenty units of academic credit to graduate;

(2) An exception to the district's or school's minimum high school curriculum that is comparable to the exception provided in division (D) of this section but with additional requirements, which may include a requirement that the student successfully complete more than the minimum curriculum prescribed in division (B) of this section;

(3) That no exception comparable to that provided in division (D) of this section is available.

(F) A student enrolled in a dropout prevention and recovery program, which program has received a waiver from the department,

may qualify for graduation from high school by successfully 78790
completing a competency-based instructional program administered 78791
by the dropout prevention and recovery program in lieu of 78792
completing the requirements for graduation prescribed in division 78793
(C) of this section. The department shall grant a waiver to a 78794
dropout prevention and recovery program, within sixty days after 78795
the program applies for the waiver, if the program meets all of 78796
the following conditions: 78797

(1) The program serves only students not younger than sixteen 78798
years of age and not older than twenty-one years of age. 78799

(2) The program enrolls students who, at the time of their 78800
initial enrollment, either, or both, are at least one grade level 78801
behind their cohort age groups or experience crises that 78802
significantly interfere with their academic progress such that 78803
they are prevented from continuing their traditional programs. 78804

(3) The program requires students to attain at least the 78805
applicable score designated for each of the assessments prescribed 78806
under division (B)(1) of section 3301.0710 of the Revised Code or, 78807
to the extent prescribed by rule of the state board under division 78808
(D)(5) of section 3301.0712 of the Revised Code, division (B)(2) 78809
of that section. 78810

(4) The program develops a student success plan for the 78811
student in the manner described in division (C)(1) of section 78812
3313.6020 of the Revised Code that specifies the student's 78813
matriculating to a two-year degree program, acquiring a business 78814
and industry-recognized credential, or entering an apprenticeship. 78815

(5) The program provides counseling and support for the 78816
student related to the plan developed under division (F)(4) of 78817
this section during the remainder of the student's high school 78818
experience. 78819

(6) The program requires the student and the student's 78820

parent, guardian, or custodian to sign and file, in accordance 78821
with procedural requirements stipulated by the program, a written 78822
statement asserting the parent's, guardian's, or custodian's 78823
consent to the student's graduating without completing the 78824
requirements for graduation prescribed in division (C) of this 78825
section and acknowledging that one consequence of not completing 78826
those requirements is ineligibility to enroll in most state 78827
universities in Ohio without further coursework. 78828

(7) Prior to receiving the waiver, the program has submitted 78829
to the department an instructional plan that demonstrates how the 78830
academic content standards adopted by the state board under 78831
section 3301.079 of the Revised Code will be taught and assessed. 78832

(8) Prior to receiving the waiver, the program has submitted 78833
to the department a policy on career advising that satisfies the 78834
requirements of section 3313.6020 of the Revised Code, with an 78835
emphasis on how every student will receive career advising. 78836

(9) Prior to receiving the waiver, the program has submitted 78837
to the department a written agreement outlining the future 78838
cooperation between the program and any combination of local job 78839
training, postsecondary education, nonprofit, and health and 78840
social service organizations to provide services for students in 78841
the program and their families. 78842

Divisions (F)(8) and (9) of this section apply only to 78843
waivers granted on or after July 1, 2015. 78844

If the department does not act either to grant the waiver or 78845
to reject the program application for the waiver within sixty days 78846
as required under this section, the waiver shall be considered to 78847
be granted. 78848

(G) Every high school may permit students below the ninth 78849
grade to take advanced work. If a high school so permits, it shall 78850
award high school credit for successful completion of the advanced 78851

work and shall count such advanced work toward the graduation 78852
requirements of division (B) or (C) of this section if the 78853
advanced work was both: 78854

(1) Taught by a person who possesses a license or certificate 78855
issued under section 3301.071, 3319.22, or 3319.222 of the Revised 78856
Code that is valid for teaching high school; 78857

(2) Designated by the board of education of the city, local, 78858
or exempted village school district, the board of the cooperative 78859
education school district, or the governing authority of the 78860
chartered nonpublic school as meeting the high school curriculum 78861
requirements. 78862

Each high school shall record on the student's high school 78863
transcript all high school credit awarded under division (G) of 78864
this section. In addition, if the student completed a seventh- or 78865
eighth-grade fine arts course described in division (K) of this 78866
section and the course qualified for high school credit under that 78867
division, the high school shall record that course on the 78868
student's high school transcript. 78869

(H) The department shall make its individual academic career 78870
plan available through its Ohio career information system web site 78871
for districts and schools to use as a tool for communicating with 78872
and providing guidance to students and families in selecting high 78873
school courses. 78874

(I) A school district or chartered nonpublic school may 78875
integrate academic content in a subject area for which the state 78876
board has adopted standards under section 3301.079 of the Revised 78877
Code into a course in a different subject area, including a 78878
career-technical education course, in accordance with guidance for 78879
integrated coursework developed by the department. Upon successful 78880
completion of an integrated course, a student may receive credit 78881
for both subject areas that were integrated into the course. Units 78882

earned for subject area content delivered through integrated 78883
academic and career-technical instruction are eligible to meet the 78884
graduation requirements of division (B) or (C) of this section. 78885

For purposes of meeting graduation requirements, if an 78886
end-of-course examination has been prescribed under section 78887
3301.0712 of the Revised Code for the subject area delivered 78888
through integrated instruction, the school district or school may 78889
administer the related subject area examinations upon the 78890
student's completion of the integrated course. 78891

Nothing in division (I) of this section shall be construed to 78892
excuse any school district, chartered nonpublic school, or student 78893
from any requirement in the Revised Code related to curriculum, 78894
assessments, or the awarding of a high school diploma. 78895

(J)(1) The state board, in consultation with the chancellor, 78896
shall adopt a statewide plan implementing methods for students to 78897
earn units of high school credit based on a demonstration of 78898
subject area competency, instead of or in combination with 78899
completing hours of classroom instruction. The state board shall 78900
adopt the plan not later than March 31, 2009, and commence phasing 78901
in the plan during the 2009-2010 school year. The plan shall 78902
include a standard method for recording demonstrated proficiency 78903
on high school transcripts. Each school district and community 78904
school shall comply with the state board's plan adopted under this 78905
division and award units of high school credit in accordance with 78906
the plan. The state board may adopt existing methods for earning 78907
high school credit based on a demonstration of subject area 78908
competency as necessary prior to the 2009-2010 school year. 78909

(2) Not later than December 31, 2015, the state board shall 78910
update the statewide plan adopted pursuant to division (J)(1) of 78911
this section to also include methods for students enrolled in 78912
seventh and eighth grade to meet curriculum requirements based on 78913
a demonstration of subject area competency, instead of or in 78914

combination with completing hours of classroom instruction. 78915
Beginning with the 2017-2018 school year, each school district and 78916
community school also shall comply with the updated plan adopted 78917
pursuant to this division and permit students enrolled in seventh 78918
and eighth grade to meet curriculum requirements based on subject 78919
area competency in accordance with the plan. 78920

(3) Not later than December 31, 2017, the department shall 78921
develop a framework for school districts and community schools to 78922
use in granting units of high school credit to students who 78923
demonstrate subject area competency through work-based learning 78924
experiences, internships, or cooperative education. Beginning with 78925
the 2018-2019 school year, each district and community school 78926
shall comply with the framework. Each district and community 78927
school also shall review any policy it has adopted regarding the 78928
demonstration of subject area competency to identify ways to 78929
incorporate work-based learning experiences, internships, and 78930
cooperative education into the policy in order to increase student 78931
engagement and opportunities to earn units of high school credit. 78932

(K) This division does not apply to students who qualify for 78933
graduation from high school under division (D) or (F) of this 78934
section, or to students pursuing a career-technical instructional 78935
track as determined by the school district board of education or 78936
the chartered nonpublic school's governing authority. 78937
Nevertheless, the general assembly encourages such students to 78938
consider enrolling in a fine arts course as an elective. 78939

Beginning with students who enter ninth grade for the first 78940
time on or after July 1, 2010, each student enrolled in a public 78941
or chartered nonpublic high school shall complete two semesters or 78942
the equivalent of fine arts to graduate from high school. The 78943
coursework may be completed in any of grades seven to twelve. Each 78944
student who completes a fine arts course in grade seven or eight 78945
may elect to count that course toward the five units of electives 78946

required for graduation under division (C)(8) of this section, if 78947
the course satisfied the requirements of division (G) of this 78948
section. In that case, the high school shall award the student 78949
high school credit for the course and count the course toward the 78950
five units required under division (C)(8) of this section. If the 78951
course in grade seven or eight did not satisfy the requirements of 78952
division (G) of this section, the high school shall not award the 78953
student high school credit for the course but shall count the 78954
course toward the two semesters or the equivalent of fine arts 78955
required by this division. 78956

(L) Notwithstanding anything to the contrary in this section, 78957
the board of education of each school district and the governing 78958
authority of each chartered nonpublic school may adopt a policy to 78959
excuse from the high school physical education requirement each 78960
student who, during high school, has participated in 78961
interscholastic athletics, marching band, or cheerleading for at 78962
least two full seasons or in the junior reserve officer training 78963
corps for at least two full school years. If the board or 78964
authority adopts such a policy, the board or authority shall not 78965
require the student to complete any physical education course as a 78966
condition to graduate. However, the student shall be required to 78967
complete one-half unit, consisting of at least sixty hours of 78968
instruction, in another course of study. In the case of a student 78969
who has participated in the junior reserve officer training corps 78970
for at least two full school years, credit received for that 78971
participation may be used to satisfy the requirement to complete 78972
one-half unit in another course of study. 78973

(M) It is important that high school students learn and 78974
understand United States history and the governments of both the 78975
United States and the state of Ohio. Therefore, beginning with 78976
students who enter ninth grade for the first time on or after July 78977
1, 2012, the study of American history and American government 78978

required by divisions (B)(6) and (C)(6) of this section shall	78979
include the study of all of the following documents:	78980
(1) The Declaration of Independence;	78981
(2) The Northwest Ordinance;	78982
(3) The Constitution of the United States with emphasis on the Bill of Rights;	78983 78984
(4) The Ohio Constitution.	78985
The study of each of the documents prescribed in divisions (M)(1) to (4) of this section shall include study of that document in its original context.	78986 78987 78988
The study of American history and government required by divisions (B)(6) and (C)(6) of this section shall include the historical evidence of the role of documents such as the Federalist Papers and the Anti-Federalist Papers to firmly establish the historical background leading to the establishment of the provisions of the Constitution and Bill of Rights.	78989 78990 78991 78992 78993 78994
(N) A student may apply one unit of instruction in computer science to satisfy one unit of mathematics or one unit of science under division (C) of this section as the student chooses, regardless of the field of certification of the teacher who teaches the course, so long as that teacher meets the licensure requirements prescribed by section 3319.236 of the Revised Code and, prior to teaching the course, completes a professional development program determined to be appropriate by the district board.	78995 78996 78997 78998 78999 79000 79001 79002 79003
If a student applies more than one computer science course to satisfy curriculum requirements under that division, the courses shall be sequential and progressively more difficult or cover different subject areas within computer science.	79004 79005 79006 79007
<u>(O) This section shall not apply to accredited nonpublic</u>	79008

schools described in section 3301.165 of the Revised Code. 79009

Sec. 3313.62. The school year shall begin on the first day of 79010
July of each calendar year and close on the thirtieth day of June 79011
of the succeeding calendar year. A school week shall consist of 79012
five days. A chartered nonpublic school or an accredited nonpublic 79013
school described in section 3301.165 of the Revised Code may be 79014
open for instruction with pupils in attendance on any day of the 79015
week, including Saturday or Sunday. 79016

Sec. 3313.716. (A) Notwithstanding section 3313.713 of the 79017
Revised Code or any policy adopted under that section, a student 79018
of a school operated by a city, local, exempted village, or joint 79019
vocational school district ~~or~~, a student of a chartered nonpublic 79020
school, or a student of an accredited nonpublic school described 79021
in section 3301.165 of the Revised Code may possess and use a 79022
metered dose inhaler or a dry powder inhaler to alleviate 79023
asthmatic symptoms, or before exercise to prevent the onset of 79024
asthmatic symptoms, if both of the following conditions are 79025
satisfied: 79026

(1) The student has the written approval of the student's 79027
physician and, if the student is a minor, the written approval of 79028
the parent, guardian, or other person having care or charge of the 79029
student. The physician's written approval shall include at least 79030
all of the following information: 79031

(a) The student's name and address; 79032

(b) The names and dose of the medication contained in the 79033
inhaler; 79034

(c) The date the administration of the medication is to 79035
begin; 79036

(d) The date, if known, that the administration of the 79037
medication is to cease; 79038

(e) Written instructions that outline procedures school personnel should follow in the event that the asthma medication does not produce the expected relief from the student's asthma attack; 79039
79040
79041
79042

(f) Any severe adverse reactions that may occur to the child using the inhaler and that should be reported to the physician; 79043
79044

(g) Any severe adverse reactions that may occur to another child, for whom the inhaler is not prescribed, should such a child receive a dose of the medication; 79045
79046
79047

(h) At least one emergency telephone number for contacting the physician in an emergency; 79048
79049

(i) At least one emergency telephone number for contacting the parent, guardian, or other person having care or charge of the student in an emergency; 79050

other accommodations for English language learners attending 80739
nonpublic schools within the district described in division (E)(1) 80740
of section 3317.024 of the Revised Code. 80741

Clerical and supervisory personnel hired pursuant to division 80742
(J) of this section shall perform their services in the public 80743
schools, in nonpublic schools, public centers, or mobile units 80744
where the services are provided to the nonpublic school pupil, 80745
except that such personnel may accompany pupils to and from the 80746
service sites when necessary to ensure the safety of the children 80747
receiving the services. 80748

All services provided pursuant to this section may be 80749
provided under contract with educational service centers, the 80750
department of health, city or general health districts, or private 80751
agencies whose personnel are properly licensed by an appropriate 80752
state board or agency. 80753

Transportation of pupils provided pursuant to divisions (E), 80754
(F), (G), and (I) of this section shall be provided by the school 80755
district from its general funds and not from moneys paid to it 80756
under division (E)(1) of section 3317.024 of the Revised Code 80757
unless a special transportation request is submitted by the parent 80758
of the child receiving service pursuant to such divisions. If such 80759
an application is presented to the school district, it may pay for 80760
the transportation from moneys paid to it under division (E)(1) of 80761
section 3317.024 of the Revised Code. 80762

No school district shall provide health or remedial services 80763
to nonpublic school pupils as authorized by this section unless 80764
such services are available to pupils attending the public schools 80765
within the district. 80766

Materials, equipment, computer hardware or software, 80767
textbooks, digital texts, and health and remedial services 80768
provided for the benefit of nonpublic school pupils pursuant to 80769
this section and the admission of pupils to such nonpublic schools 80770
shall be provided without distinction as to race, creed, color, or 80771
national origin of such pupils or of their teachers. 80772

No school district shall provide services, materials, or equipment that contain religious content for use in religious courses, devotional exercises, religious training, or any other religious activity.

As used in this section, "parent" includes a person standing in loco parentis to a child.

As used in this section, "accredited nonpublic school" means an accredited nonpublic school as described in section 3301.165 of the Revised Code.

Notwithstanding section 3317.01 of the Revised Code, payments shall be made under this section to any city, local, or exempted village school district within which is located one or more nonpublic elementary or high schools described in division (E)(1) of section 3317.024 of the Revised Code and any payments made to school districts under division (E)(1) of section 3317.024 of the Revised Code for purposes of this section may be disbursed without submission to and approval of the controlling board.

The allocation of payments for materials, equipment, textbooks, digital texts, health services, and remedial services to city, local, and exempted village school districts shall be on the basis of the state board of education's estimated annual average daily membership in nonpublic elementary and high schools located in the district described in division (E)(1) of section 3317.024 of the Revised Code.

Payments made to city, local, and exempted village school districts under this section shall be equal to specific appropriations made for the purpose. All interest earned by a school district on such payments shall be used by the district for the same purposes and in the same manner as the payments may be used.

The department of education shall adopt guidelines and

procedures under which such programs and services shall be 80804
provided, under which districts shall be reimbursed for 80805
administrative costs incurred in providing such programs and 80806
services, and under which any unexpended balance of the amounts 80807
appropriated by the general assembly to implement this section may 80808
be transferred to the auxiliary services personnel unemployment 80809
compensation fund established pursuant to section 4141.47 of the 80810
Revised Code. The department shall also adopt guidelines and 80811
procedures limiting the purchase and loan of the items described 80812
in division (K) of this section to items that are in general use 80813
in the public schools of the state, that are incapable of 80814
diversion to religious use, and that are susceptible to individual 80815
use rather than classroom use. Within thirty days after the end of 80816
each biennium, each board of education shall remit to the 80817
department all moneys paid to it under division (E)(1) of section 80818
3317.024 of the Revised Code and any interest earned on those 80819
moneys that are not required to pay expenses incurred under this 80820
section during the biennium for which the money was appropriated 80821
and during which the interest was earned. If a board of education 80822
subsequently determines that the remittal of moneys leaves the 80823
board with insufficient money to pay all valid expenses incurred 80824
under this section during the biennium for which the remitted 80825
money was appropriated, the board may apply to the department of 80826
education for a refund of money, not to exceed the amount of the 80827
insufficiency. If the department determines the expenses were 80828
lawfully incurred and would have been lawful expenditures of the 80829
refunded money, it shall certify its determination and the amount 80830
of the refund to be made to the director of job and family 80831
services who shall make a refund as provided in section 4141.47 of 80832
the Revised Code. 80833

Each school district shall label materials, equipment, 80834
computer hardware or software, textbooks, and digital texts 80835
purchased or leased for loan to a nonpublic school under this 80836

section, acknowledging that they were purchased or leased with 80837
state funds under this section. However, a district need not label 80838
materials, equipment, computer hardware or software, textbooks, or 80839
digital texts that the district determines are consumable in 80840
nature or have a value of less than two hundred dollars. 80841

Sec. 3317.062. (A) Moneys paid to chartered and accredited 80842
nonpublic schools under division (E)(2) of section 3317.024 of the 80843
Revised Code shall be used for one or more of the following 80844
purposes: 80845

(1) To purchase secular textbooks or digital texts, as 80846
defined in divisions (A)(1) and (2) of section 3317.06 of the 80847
Revised Code, as have been approved by the superintendent of 80848
public instruction for use in public schools in the state; 80849

(2) To provide the services described in divisions (B), (C), 80850
(D), and (Q) of section 3317.06 of the Revised Code; 80851

(3) To provide the services described in divisions (E), (F), 80852
(G), and (I) of section 3317.06 of the Revised Code. If such 80853
services are provided in public schools or in public centers, 80854
transportation to and from such facilities shall be provided by 80855
the nonpublic school. 80856

(4) To supply for use by pupils attending the school such 80857
standardized tests and scoring services as are in use in the 80858
public schools of the state; 80859

(5) To hire clerical personnel to assist in the 80860
administration of divisions (A)(2), (3), and (4) of this section 80861
and to hire supervisory personnel to supervise the providing of 80862
services and textbooks pursuant to this section. These personnel 80863
shall perform their services in the public schools, in nonpublic 80864
schools, public centers, or mobile units where the services are 80865
provided to the nonpublic school pupil, except that such personnel 80866

may accompany pupils to and from the service sites when necessary 80867
to ensure the safety of the children receiving the services. All 80868
services provided pursuant to this section may be provided under 80869
contract with school districts, educational service centers, the 80870
department of health, city or general health districts, or private 80871
agencies whose personnel are properly licensed by an appropriate 80872
state board or agency. 80873

(6) To purchase any of the materials described in division 80874
(K) of section 3317.06 of the Revised Code; 80875

(7) To purchase any of the equipment described in division 80876
(L) of section 3317.06 of the Revised Code; 80877

(8) To purchase mobile units to be used for the provision of 80878
services pursuant to division (A)(3) of this section and to pay 80879
for necessary repairs and operating costs associated with these 80880
units; 80881

(9) To purchase the equipment described in division (O) of 80882
section 3317.06 of the Revised Code; 80883

(10) To procure and pay for security services described in 80884
division (P) of section 3317.06 of the Revised Code. 80885

(B) Materials, equipment, computer hardware and software, 80886
textbooks, digital texts, and health and remedial services 80887
provided pursuant to this section and the admission of pupils to 80888
nonpublic schools shall be provided without distinction as to 80889
race, creed, color, or national origin of such pupils or of their 80890
teachers. 80891

(C) Any interest earned by a chartered nonpublic school on 80892
moneys paid to it under division (E)(2) of section 3317.024 of the 80893
Revised Code shall be used by the school for the same purposes and 80894
in the same manner as the payments may be used under this section. 80895

(D) The department of education shall adopt guidelines and 80896

procedures regarding both of the following: 80897

(1) The expenditure of moneys under this section; 80898

(2) The audit of nonpublic schools receiving funds under this 80899
section to ensure the appropriate use of funds. 80900

(E) The department shall adopt a rule specifying the party 80901
that owns any property purchased by a chartered nonpublic school 80902
with moneys paid under division (E)(2) of section 3317.024 of the 80903
Revised Code. The rule shall include procedures for disposal of 80904
the property by the designated owner when appropriate. 80905

(F) Within thirty days after the end of each biennium, each 80906
chartered nonpublic school shall remit to the department all 80907
moneys paid to it under division (E)(2) of section 3317.024 of the 80908
Revised Code and any interest earned on those moneys that are not 80909
required to pay expenses incurred under this section during the 80910
biennium for which the moneys were appropriated and during which 80911
the interest was earned. If a school subsequently determines that 80912
the remittal of moneys leaves the school with insufficient money 80913
to pay all valid expenses incurred under this section during the 80914
biennium for which the remitted moneys were appropriated, the 80915
school may apply to the department for a refund of money, not to 80916
exceed the amount of the insufficiency. If the department 80917
determines the expenses were lawfully incurred and would have been 80918
lawful expenditures of the refunded money, the department shall 80919
make a refund in the necessary amount. 80920

(G) As used in this section, "accredited nonpublic school" 80921
means an accredited nonpublic school as described in section 80922
3301.165 of the Revised Code. 80923

Sec. 3317.063. The superintendent of public instruction, in 80924
accordance with rules adopted by the department of education, 80925
shall annually reimburse each chartered nonpublic school and each 80926

accredited nonpublic school as described in section 3301.165 of 80927
the Revised Code for the actual mandated service administrative 80928
and clerical costs incurred by such school during the preceding 80929
school year in preparing, maintaining, and filing reports, forms, 80930
and records, and in providing such other administrative and 80931
clerical services that are not an integral part of the teaching 80932
process as may be required by state law or rule or by requirements 80933
duly promulgated by city, exempted village, or local school 80934
districts. The mandated service costs reimbursed pursuant to this 80935
section shall include, but are not limited to, the preparation, 80936
filing and maintenance of forms, reports, or records and other 80937
clerical and administrative services relating to state chartering 80938
or approval of the nonpublic school, pupil attendance, pupil 80939
health and health testing, transportation of pupils, federally 80940
funded education programs, pupil appraisal, pupil progress, 80941
educator licensure, unemployment and workers' compensation, 80942
transfer of pupils, and such other education related data which 80943
are now or hereafter shall be required of such nonpublic school by 80944
state law or rule, or by requirements of the state department of 80945
education, other state agencies, or city, exempted village, or 80946
local school districts. 80947

The reimbursement required by this section shall be for 80948
school years beginning on or after July 1, 1981. 80949

Each nonpublic school which seeks reimbursement pursuant to 80950
this section shall submit to the superintendent of public 80951
instruction an application together with such additional reports 80952
and documents as the department of education may require. Such 80953
application, reports, and documents shall contain such information 80954
as the department of education may prescribe in order to carry out 80955
the purposes of this section. No payment shall be made until the 80956
superintendent of public instruction has approved such 80957
application. 80958

Each nonpublic school which applies for reimbursement 80959
pursuant to this section shall maintain a separate account or 80960
system of accounts for the expenses incurred in rendering the 80961
required services for which reimbursement is sought. Such accounts 80962
shall contain such information as is required by the department of 80963
education and shall be maintained in accordance with rules adopted 80964
by the department of education. 80965

Reimbursement payments to a nonpublic school pursuant to this 80966
section shall not exceed an amount for each school year equal to 80967
three hundred sixty dollars per pupil enrolled in that nonpublic 80968
school. 80969

The superintendent of public instruction may, from time to 80970
time, examine any and all accounts and records of a nonpublic 80971
school which have been maintained pursuant to this section in 80972
support of an application for reimbursement, for the purpose of 80973
determining the costs to such school of rendering the services for 80974
which reimbursement is sought. If after such audit it is 80975
determined that any school has received funds in excess of the 80976
actual cost of providing such services, said school shall 80977
immediately reimburse the state in such excess amount. 80978

Any payments made to chartered or accredited nonpublic 80979
schools under this section may be disbursed without submission to 80980
and approval of the controlling board. 80981

teacher a total of not more than ten years of service pursuant to 81023
divisions (A)(1)(b), (c), and (d) of this section. 81024

complained of exist, the superintendent shall order the board to 81033
correct such conditions within ten days from the date of the 81034
finding. No moneys shall be distributed to the district or 81035
educational service center under this chapter until the 81036
superintendent has satisfactory evidence of the board of 81037
education's full compliance with such order. 81038

Each teacher shall be fully credited with placement in the 81039
appropriate academic training level column in the district's or 81040
educational service center's salary schedule with years of service 81041

the Revised Code. No rule shall be adopted or exercised by any 81043
board of education or educational service center governing board 81044
which restricts the placement or the crediting of annual salary 81045
increments for any teacher according to the appropriate academic 81046
training level column. 81047

Sec. 3319.311. (A)(1) The state board of education, or the 81087
superintendent of public instruction on behalf of the board, may 81088
investigate any information received about a person that 81089
reasonably appears to be a basis for action under section 3319.31 81090
of the Revised Code, including information received pursuant to 81091
section 3314.40, 3319.291, 3319.313, 3326.24, 3328.19, 5126.253, 81092
or 5153.176 of the Revised Code. Except as provided in division 81093
(A)(2) of this section, the board shall contract with the office 81094
of the Ohio attorney general to conduct any investigation of that 81095
nature. The board shall pay for the costs of the contract only 81096
from moneys in the state board of education licensure fund 81097
established under section 3319.51 of the Revised Code. Except as 81098
provided in division (A)(2) of this section, all information 81099
received pursuant to section 3314.40, 3319.291, 3319.313, 3326.24, 81100
3328.19, 5126.253, or 5153.176 of the Revised Code, and all 81101
information obtained during an investigation is confidential and 81102
is not a public record under section 149.43 of the Revised Code. 81103
If an investigation is conducted under this division regarding 81104
information received about a person and no action is taken against 81105
the person under this section or section 3319.31 of the Revised 81106
Code within two years of the completion of the investigation, all 81107
records of the investigation shall be expunged. 81108

(2) In the case of a person about whom the board has learned 81109
of a plea of guilty to, finding of guilt by a jury or court of, or 81110
a conviction of an offense listed in division (C) of section 81111
3319.31 of the Revised Code, or substantially comparable conduct 81112
occurring in a jurisdiction outside this state, the board or the 81113
superintendent of public instruction need not conduct any further 81114
investigation and shall take the action required by division (C) 81115
or (F) of that section. Except as provided in division (G) of this 81116

(B) The superintendent of public instruction shall review the 81120
results of each investigation of a person conducted under division 81121
(A)(1) of this section and shall determine, on behalf of the state 81122
board, whether the results warrant initiating action under 81123
division (B) of section 3319.31 of the Revised Code. The 81124
superintendent shall advise the board of such determination at a 81125
meeting of the board. Within fourteen days of the next meeting of 81126
the board, any member of the board may ask that the question of 81127
initiating action under section 3319.31 of the Revised Code be 81128
placed on the board's agenda for that next meeting. Prior to 81129
initiating that action against any person, the person's name and 81130
any other personally identifiable information shall remain 81131
confidential. 81132

(C) The board shall take no action against a person under 81133
division (B) of section 3319.31 of the Revised Code without 81134
providing the person with written notice of the charges and with 81135
an opportunity for a hearing in accordance with Chapter 119. of 81136
the Revised Code. 81137

(D) For purposes of an investigation under division (A)(1) of 81138
this section or a hearing under division (C) of this section or 81139
under division (E)(2) of section 3319.31 of the Revised Code, the 81140
board, or the superintendent on behalf of the board, may 81141

month in which its board determines to submit to the electors the 83532
question of issuing the proposed securities; 83533

(b) Twelve per cent of the sum of its tax valuation plus an 83534
amount that is the product of multiplying that tax valuation by 83535

that corrections to permanent improvements are necessary to remove 83551
or prevent health or safety hazards. 83552

(b) Existing fiscal and net indebtedness limitations make 83553
adequate replacement, additions, or improvements impossible. 83554

(2) Upon the declaration of an emergency, the board of 83555
education may, by resolution, submit to the electors of the 83556
district pursuant to section 133.18 of the Revised Code the 83557

emergency need. 83561

(3) The procedures for the election shall be as provided in 83562
section 133.18 of the Revised Code, except that: 83563

(d) The board of education shall then certify its resolution 83577

and recommendations pertaining to installations, modifications of 83589
installations, or remodeling that would significantly reduce 83590
energy consumption in buildings owned by the district. The report 83591
shall include estimates of all costs of such installations, 83592
modifications, or remodeling, including costs of design, 83593
engineering, installation, maintenance, repairs, measurement and 83594
verification of energy savings, and debt service, forgone residual 83595
value of materials or equipment replaced by the energy 83596

construction commission, a baseline analysis of actual energy 83598
consumption data for the preceding three years with the utility 83599
baseline based on only the actual energy consumption data for the 83600
preceding twelve months, and estimates of the amounts by which 83601
energy consumption and resultant operational and maintenance 83602
costs, as defined by the commission, would be reduced. 83603

If the board finds after receiving the report that the amount 83604

of money the district would spend on such installations, 83605
modifications, or remodeling is not likely to exceed the amount of 83606
money it would save in energy and resultant operational and 83607
maintenance costs over the ensuing fifteen years, the board may 83608
submit to the commission a copy of its findings and a request for 83609
approval to incur indebtedness to finance the making or 83610
modification of installations or the remodeling of buildings for 83611
the purpose of significantly reducing energy consumption. 83612

The facilities construction commission, in consultation with 83613
the auditor of state, may deny a request under division (G)(1) of 83614
this section by the board of education of any school district that 83615
is in a state of fiscal watch pursuant to division (A) of section 83616

of funds is not in the best interest of the school district. 83618

No district board of education of a school district that is 83619
in a state of fiscal emergency pursuant to division (B) of section 83620
3316.03 of the Revised Code shall submit a request without 83621
submitting evidence that the installations, modifications, or 83622
remodeling have been approved by the district's financial planning 83623
and supervision commission established under section 3316.05 of 83624
the Revised Code. 83625

No board of education of a school district for which an 83626
academic distress commission has been established under section 83627
3302.10 of the Revised Code shall submit a request without first 83628
receiving approval to incur indebtedness from the district's 83629
academic distress commission established under that section, for 83630
so long as such commission continues to be required for the 83631
district. 83632

(2) The board of education may contract with a person 83633
experienced in the implementation of student transportation to 83634
produce a report that includes an analysis of and recommendations 83635
for the use of alternative fuel vehicles by school districts. The 83636

report shall include cost estimates detailing the return on 83637
investment over the life of the alternative fuel vehicles and 83638
environmental impact of alternative fuel vehicles. The report also 83639
shall include estimates of all costs associated with alternative 83640
fuel transportation, including facility modifications and vehicle 83641
purchase costs or conversion costs. 83642

If the board finds after receiving the report that the amount 83643
of money the district would spend on purchasing alternative fuel 83644
vehicles or vehicle conversion is not likely to exceed the amount 83645
of money it would save in fuel and resultant operational and 83646
maintenance costs over the ensuing five years, the board may 83647
submit to the commission a copy of its findings and a request for 83648
approval to incur indebtedness to finance the purchase of new 83649
alternative fuel vehicles or vehicle conversions for the purpose 83650
of reducing fuel costs. 83651

The facilities construction commission, in consultation with 83652
the auditor of state, may deny a request under division (G)(2) of 83653
this section by the board of education of any school district that 83654
is in a state of fiscal watch pursuant to division (A) of section 83655
3316.03 of the Revised Code, if it determines that the expenditure 83656
of funds is not in the best interest of the school district. 83657

No district board of education of a school district that is 83658
in a state of fiscal emergency pursuant to division (B) of section 83659
3316.03 of the Revised Code shall submit a request without 83660
submitting evidence that the purchase or conversion of alternative 83661
fuel vehicles has been approved by the district's financial 83662
planning and supervision commission established under section 83663
3316.05 of the Revised Code. 83664

No board of education of a school district for which an 83665
academic distress commission has been established under section 83666
3302.10 of the Revised Code shall submit a request without first 83667
receiving approval to incur indebtedness from the district's 83668

academic distress commission established under that section, for 83669
so long as such commission continues to be required for the 83670
district. 83671

(3) The facilities construction commission shall approve the 83672
board's request provided that the following conditions are 83673
satisfied: 83674

(a) The commission determines that the board's findings are 83675
reasonable. 83676

(b) The request for approval is complete. 83677

(c) If the request was submitted under division (G)(1) of 83678
this section, the installations, modifications, or remodeling are 83679
consistent with any project to construct or acquire classroom 83680
facilities, or to reconstruct or make additions to existing 83681
classroom facilities under sections 3318.01 to 3318.20 or sections 83682
3318.40 to 3318.45 of the Revised Code. 83683

Upon receipt of the commission's approval, the district may 83684
issue securities without a vote of the electors in a principal 83685
amount not to exceed nine-tenths of one per cent of its tax 83686
valuation for the purpose specified in division (G)(1) or (2) of 83687
this section, but the total net indebtedness of the district 83688
without a vote of the electors incurred under this and all other 83689
sections of the Revised Code, except section 3318.052 of the 83690
Revised Code, shall not exceed one per cent of the district's tax 83691
valuation. 83692

(4)(a) So long as any securities issued under division (G)(1) 83693
of this section remain outstanding, the board of education shall 83694
monitor the energy consumption and resultant operational and 83695
maintenance costs of buildings in which installations or 83696
modifications have been made or remodeling has been done pursuant 83697
to that division. Except as provided in division (G)(4)(b) of this 83698
section, the board shall maintain and annually update a report in 83699

a form and manner prescribed by the facilities construction 83700
commission documenting the reductions in energy consumption and 83701
resultant operational and maintenance cost savings attributable to 83702
such installations, modifications, or remodeling. The resultant 83703
operational and maintenance cost savings shall be certified by the 83704
school district treasurer. The report shall be submitted annually 83705
to the commission. 83706

(b) If the facilities construction commission verifies that 83707
the certified annual reports submitted to the commission by a 83708
board of education under division (G)(4)(a) of this section 83709
fulfill the guarantee required under division (B) of section 83710
3313.372 of the Revised Code for three consecutive years, the 83711
board of education shall no longer be subject to the annual 83712
reporting requirements of division (G)(4)(a) of this section. 83713

(5) So long as any securities issued under division (G)(2) of 83714
this section remain outstanding, the board of education shall 83715
monitor the purchase of new alternative fuel vehicles or vehicle 83716
conversions pursuant to that division. The board shall maintain 83717
and annually update a report in a form and manner prescribed by 83718
the facilities construction commission documenting the purchase of 83719
new alternative fuel vehicles or vehicle conversions, the 83720
associated environmental impact, and return on investment. The 83721
resultant fuel and operational and maintenance cost savings shall 83722
be certified by the school district treasurer. The report shall be 83723
submitted annually to the commission. 83724

(H) With the consent of the superintendent of public 83725
instruction, a school district may incur without a vote of the 83726
electors net indebtedness that exceeds the amounts stated in 83727
divisions (A) and (G) of this section for the purpose of paying 83728
costs of permanent improvements, if and to the extent that both of 83729
the following conditions are satisfied: 83730

(1) The fiscal officer of the school district estimates that 83731

receipts of the school district from payments made under or 83732
pursuant to agreements entered into pursuant to section 725.02, 83733
1728.10, 3735.671, 5709.081, 5709.082, 5709.40, 5709.41, 5709.45, 83734
5709.57, 5709.62, 5709.63, 5709.632, 5709.73, 5709.78, or 5709.82 83735
of the Revised Code, or distributions under division (C) of 83736
section 5709.43 or division (B) of section 5709.47 of the Revised 83737
Code, or any combination thereof, are, after accounting for any 83738
appropriate coverage requirements, sufficient in time and amount, 83739
and are committed by the proceedings, to pay the debt charges on 83740
the securities issued to evidence that indebtedness and payable 83741
from those receipts, and the taxing authority of the district 83742
confirms the fiscal officer's estimate, which confirmation is 83743
approved by the superintendent of public instruction; 83744

(2) The fiscal officer of the school district certifies, and 83745
the taxing authority of the district confirms, that the district, 83746
at the time of the certification and confirmation, reasonably 83747
expects to have sufficient revenue available for the purpose of 83748
operating such permanent improvements for their intended purpose 83749
upon acquisition or completion thereof, and the superintendent of 83750
public instruction approves the taxing authority's confirmation. 83751

The maximum maturity of securities issued under division (H) 83752
of this section shall be the lesser of twenty years or the maximum 83753
maturity calculated under section 133.20 of the Revised Code. 83754

(I) A school district may incur net indebtedness by the 83755
issuance of securities in accordance with the provisions of this 83756
chapter in excess of the limit specified in division (B) or (C) of 83757
this section when necessary to raise the school district portion 83758
of the basic project cost and any additional funds necessary to 83759
participate in a project under Chapter 3318. of the Revised Code, 83760
including the cost of items designated by the facilities 83761
construction commission as required locally funded initiatives, 83762
the cost of other locally funded initiatives in an amount that 83763

does not exceed fifty per cent of the district's portion of the 83764
basic project cost, and the cost for site acquisition. The 83765
commission shall notify the superintendent of public instruction 83766
whenever a school district will exceed either limit pursuant to 83767
this division. 83768

(J) A school district whose portion of the basic project cost 83769
of its classroom facilities project under sections 3318.01 to 83770
3318.20 of the Revised Code is greater than or equal to one 83771
hundred million dollars may incur without a vote of the electors 83772
net indebtedness in an amount up to two per cent of its tax 83773
valuation through the issuance of general obligation securities in 83774
order to generate all or part of the amount of its portion of the 83775
basic project cost if the controlling board has approved the 83776
facilities construction commission's conditional approval of the 83777
project under section 3318.04 of the Revised Code. The school 83778
district board and the Ohio facilities construction commission 83779
shall include the dedication of the proceeds of such securities in 83780
the agreement entered into under section 3318.08 of the Revised 83781
Code. No state moneys shall be released for a project to which 83782
this section applies until the proceeds of any bonds issued under 83783
this section that are dedicated for the payment of the school 83784
district portion of the project are first deposited into the 83785
school district's project construction fund. 83786

Sec. 133.18. (A) The taxing authority of a subdivision may by 83787
legislation submit to the electors of the subdivision the question 83788
of issuing any general obligation bonds, for one purpose, that the 83789
subdivision has power or authority to issue. 83790

(B) When the taxing authority of a subdivision desires or is 83791
required by law to submit the question of a bond issue to the 83792
electors, it shall pass legislation that does all of the 83793
following: 83794

(1) Declares the necessity and purpose of the bond issue; 83795

(2) States the date of the ~~authorized~~ election at which the 83796
question shall be submitted to the electors, which shall be a 83797
general election or a special election held on a day on which a 83798
primary election may be held; 83799

(3) States the amount, approximate date, estimated net 83800
average rate of interest, and maximum number of years over which 83801
the principal of the bonds may be paid; 83802

(4) Declares the necessity of levying a tax outside the tax 83803
limitation to pay the debt charges on the bonds and any 83804
anticipatory securities. 83805

The estimated net average interest rate shall be determined 83806
by the taxing authority based on, among other factors, then 83807
existing market conditions, and may reflect adjustments for any 83808
anticipated direct payments expected to be received by the taxing 83809
authority from the government of the United States relating to the 83810
bonds and the effect of any federal tax credits anticipated to be 83811
available to owners of all or a portion of the bonds. The 83812
estimated net average rate of interest, and any statutory or 83813
charter limit on interest rates that may then be in effect and 83814
that is subsequently amended, shall not be a limitation on the 83815
actual interest rate or rates on the securities when issued. 83816

(C)(1) The taxing authority shall certify a copy of the 83817
legislation passed under division (B) of this section to the 83818
county auditor. The county auditor shall promptly calculate and 83819
advise and, not later than ninety days before the election, 83820
confirm that advice by certification to, the taxing authority the 83821
estimated average annual property tax levy, expressed in cents or 83822
dollars and cents for each one hundred dollars of tax valuation 83823
and in mills for each one dollar of tax valuation, that the county 83824
auditor estimates to be required throughout the stated maturity of 83825

the bonds to pay the debt charges on the bonds. In calculating the 83826
estimated average annual property tax levy for this purpose, the 83827
county auditor shall assume that the bonds are issued in one 83828
series bearing interest and maturing in substantially equal 83829
principal amounts in each year over the maximum number of years 83830
over which the principal of the bonds may be paid as stated in 83831
that legislation, and that the amount of the tax valuation of the 83832
subdivision for the current year remains the same throughout the 83833
maturity of the bonds, except as otherwise provided in division 83834
(C)(2) of this section. If the tax valuation for the current year 83835
is not determined, the county auditor shall base the calculation 83836
on the estimated amount of the tax valuation submitted by the 83837
county auditor to the county budget commission. If the subdivision 83838
is located in more than one county, the county auditor shall 83839
obtain the assistance of the county auditors of the other 83840
counties, and those county auditors shall provide assistance, in 83841
establishing the tax valuation of the subdivision for purposes of 83842
certifying the estimated average annual property tax levy. 83843

(2) When considering the tangible personal property component 83844
of the tax valuation of the subdivision, the county auditor shall 83845
take into account the assessment percentages prescribed in section 83846
5711.22 of the Revised Code. The tax commissioner may issue rules, 83847
orders, or instructions directing how the assessment percentages 83848
must be utilized. 83849

(D) After receiving the county auditor's advice under 83850
division (C) of this section, the taxing authority by legislation 83851
may determine to proceed with submitting the question of the issue 83852
of securities, and shall, not later than the ninetieth day before 83853
the day of the election, file the following with the board of 83854
elections: 83855

(1) Copies of the legislation provided for in divisions (B) 83856
and (D) of this section; 83857

(2) The amount of the estimated average annual property tax 83858
levy, expressed in cents or dollars and cents for each one hundred 83859
dollars of tax valuation and in mills for each one dollar of tax 83860
valuation, as estimated and certified to the taxing authority by 83861
the county auditor. 83862

(E)(1) The board of elections shall prepare the ballots and 83863
make other necessary arrangements for the submission of the 83864
question to the electors of the subdivision. If the subdivision is 83865
located in more than one county, the board shall inform the boards 83866
of elections of the other counties of the filings with it, and 83867
those other boards shall if appropriate make the other necessary 83868
arrangements for the election in their counties. The election 83869
shall be conducted, canvassed, and certified in the manner 83870
provided in Title XXXV of the Revised Code. 83871

(2) The election shall be held at the regular places for 83872
voting in the subdivision. If the electors of only a part of a 83873
precinct are qualified to vote at the election the board of 83874
elections may assign the electors in that part to an adjoining 83875
precinct, including an adjoining precinct in another county if the 83876
board of elections of the other county consents to and approves 83877
the assignment. Each elector so assigned shall be notified of that 83878
fact prior to the election by notice mailed by the board of 83879
elections, in such manner as it determines, prior to the election. 83880

(3) The board of elections shall publish a notice of the 83881
election once in a newspaper of general circulation in the 83882
subdivision, no later than ten days prior to the election. The 83883
notice shall state all of the following: 83884

(a) The principal amount of the proposed bond issue; 83885

(b) The stated purpose for which the bonds are to be issued; 83886

(c) The maximum number of years over which the principal of 83887
the bonds may be paid; 83888

(d) The estimated additional average annual property tax 83889
levy, expressed in cents or dollars and cents for each one hundred 83890
dollars of tax valuation and in mills for each one dollar of tax 83891
valuation, to be levied outside the tax limitation, as estimated 83892
and certified to the taxing authority by the county auditor; 83893

(e) The first calendar year in which the tax is expected to 83894
be due. 83895

(F)(1) The form of the ballot to be used at the election 83896
shall be substantially either of the following, as applicable: 83897

(a) "Shall bonds be issued by the (name of 83898
subdivision) for the purpose of (purpose of the bond 83899
issue) in the principal amount of (principal amount of 83900
the bond issue), to be repaid annually over a maximum period of 83901
..... (the maximum number of years over which the principal 83902
of the bonds may be paid) years, and an annual levy of property 83903
taxes be made outside the (as applicable, "ten-mill" or 83904
"...charter tax") limitation, estimated by the county auditor to 83905
average over the repayment period of the bond issue 83906
(number of mills) mills for each one dollar of tax valuation, 83907
which amounts to (rate expressed in cents or dollars 83908
and cents, such as "36 cents" or "\$1.41") for each one hundred 83909
dollars of tax valuation, commencing in (first year the 83910
tax will be levied), first due in calendar year (first 83911
calendar year in which the tax shall be due), to pay the annual 83912
debt charges on the bonds, and to pay debt charges on any notes 83913
issued in anticipation of those bonds? 83914

83918

(b) In the case of an election held pursuant to legislation 83919

adopted under section 3375.43 or 3375.431 of the Revised Code: 83920

"Shall bonds be issued for (name of library) for 83921
the purpose of (purpose of the bond issue), in the 83922
principal amount of (amount of the bond issue) by 83923

and levy the tax) as the issuer of the bonds, to be repaid 83925
annually over a maximum period of (the maximum number 83926
of years over which the principal of the bonds may be paid) years, 83927
and an annual levy of property taxes be made outside the ten-mill 83928
limitation, estimated by the county auditor to average over the 83929
repayment period of the bond issue (number of mills) 83930
mills for each one dollar of tax valuation, which amounts to 83931

valuation, commencing in (first year the tax will be 83934
levied), first due in calendar year (first calendar 83935
year in which the tax shall be due), to pay the annual debt 83936
charges on the bonds, and to pay debt charges on any notes issued 83937
in anticipation of those bonds? 83938

	For the bond issue
	Against the bond issue

83939
83940
83941
83942

(2) The purpose for which the bonds are to be issued shall be 83943
printed in the space indicated, in boldface type. 83944

(G) The board of elections shall promptly certify the results 83945
of the election to the tax commissioner, the county auditor of 83946
each county in which any part of the subdivision is located, and 83947
the fiscal officer of the subdivision. The election, including the 83948
proceedings for and result of the election, is incontestable other 83949
than in a contest filed under section 3515.09 of the Revised Code 83950

in which the plaintiff prevails. 83951

(H) If a majority of the electors voting upon the question 83952
vote for it, the taxing authority of the subdivision may proceed 83953
under sections 133.21 to 133.33 of the Revised Code with the 83954
issuance of the securities and with the levy and collection of a 83955
property tax outside the tax limitation during the period the 83956
securities are outstanding sufficient in amount to pay the debt 83957
charges on the securities, including debt charges on any 83958
anticipatory securities required to be paid from that tax. If 83959
legislation passed under section 133.22 or 133.23 of the Revised 83960
Code authorizing those securities is filed with the county auditor 83961
on or before the last day of November, the amount of the voted 83962
property tax levy required to pay debt charges or estimated debt 83963
charges on the securities payable in the following year shall if 83964
requested by the taxing authority be included in the taxes levied 83965
for collection in the following year under section 319.30 of the 83966
Revised Code. 83967

(I)(1) If, before any securities authorized at an election 83968
under this section are issued, the net indebtedness of the 83969
subdivision exceeds that applicable to that subdivision or those 83970
securities, then and so long as that is the case none of the 83971
securities may be issued. 83972

(2) No securities authorized at an election under this 83973
section may be initially issued after the first day of the sixth 83974
January following the election, but this period of limitation 83975
shall not run for any time during which any part of the permanent 83976
improvement for which the securities have been authorized, or the 83977
issuing or validity of any part of the securities issued or to be 83978
issued, or the related proceedings, is involved or questioned 83979
before a court or a commission or other tribunal, administrative 83980
agency, or board. 83981

(3) Securities representing a portion of the amount 83982

authorized at an election that are issued within the applicable 83983
limitation on net indebtedness are valid and in no manner affected 83984
by the fact that the balance of the securities authorized cannot 83985
be issued by reason of the net indebtedness limitation or lapse of 83986
time. 83987

(4) Nothing in this division (I) shall be interpreted or 83988
applied to prevent the issuance of securities in an amount to fund 83989
or refund anticipatory securities lawfully issued. 83990

(5) The limitations of divisions (I)(1) and (2) of this 83991
section do not apply to any securities authorized at an election 83992
under this section if at least ten per cent of the principal 83993
amount of the securities, including anticipatory securities, 83994
authorized has theretofore been issued, or if the securities are 83995
to be issued for the purpose of participating in any federally or 83996
state-assisted program. 83997

(6) The certificate of the fiscal officer of the subdivision 83998
is conclusive proof of the facts referred to in this division. 83999

resolution or ordinance by the board of county commissioners of 84003
each county, the legislative authority of each municipal 84004
corporation, and the board of township trustees of each township 84005

84020
84021
84022
84023
84024

(F) The manner in which vacancies on the board of trustees of the regional transit authority shall be filled; 84025
84026

(G) The manner and to what extent the expenses of the regional transit authority shall be apportioned among the counties, municipal corporations, and townships creating it; 84027
84028
84029

(H) The purposes, including the kinds of transit facilities, for which the regional transit authority is organized. 84030

The regional transit authority provided for in the resolution or ordinance shall be deemed to be created upon the adoption of the resolution or ordinance by the board of county commissioners of each county, the legislative authority of each municipal corporation, and the board of township trustees of each township enumerated in the resolution or ordinance. 84032
84033
84034
84035
84036
84037

The resolution or ordinance creating a regional transit authority may be amended to include additional counties, municipal corporations, or townships or for any other purpose, by the adoption of the amendment by the board of county commissioners of each county, the legislative authority of each municipal corporation, and the board of township trustees of each township 84038

inclusion of additional counties, municipal corporations, or 84049
townships in the regional transit authority, a copy of each 84050
resolution or ordinance shall be filed with the clerk of the board 84051
of the county commissioners of each county, the clerk of the 84052
legislative authority of each municipal corporation, and the 84053
fiscal officer of the board of trustees of each township proposed 84054
to be included in the regional transit authority. The inclusion is 84055
effective when all such filing has been completed, unless the 84056
regional transit authority to which territory is to be added has 84057
authority to levy an ad valorem tax on property, or a sales tax, 84058
within its territorial boundaries, in which event the inclusion 84059
shall become effective on the sixtieth day after the last such 84060
filing is accomplished, unless, prior to the expiration of the 84061
sixty-day period, qualified electors residing in the area proposed 84062
to be added to the regional transit authority, equal in number to 84063
at least ten per cent of the qualified electors from the area who 84064
voted for governor at the last gubernatorial election, file a 84065
petition of referendum against the inclusion. Any petition of 84066

district, and the majority affirmative vote shall be determined by 84095
the vote cast in the district as a whole. Upon certification of a 84096
proposal to the appropriate board or boards of elections pursuant 84097
to this section, the board or boards of election shall make the 84098
necessary arrangements for the submission of the question to the 84099

If the question is approved by at least a majority of the 84111
electors voting on the question, the joinder is immediately 84112
effective, and the regional transit authority may extend the levy 84113
of the tax against all the taxable property within the territory 84114
which has been added. If the question is approved at a general 84115
election ~~or at a special election occurring prior to the general~~ 84116
~~election but after the fifteenth day of July,~~ the regional transit 84117
authority may amend its budget and resolution adopted pursuant to 84118
section 5705.34 of the Revised Code, and the levy shall be placed 84119
on the current tax list and duplicate and collected as other taxes 84120
are collected from all taxable property within the territorial 84121
boundaries of the regional transit authority, including the 84122
territory within each political subdivision added as a result of 84123
the election. 84124

The territorial boundaries of a regional transit authority 84125
shall be coextensive with the territorial boundaries of the 84126
counties, municipal corporations, and townships included within 84127
the regional transit authority, provided that the same area may be 84128
included in more than one regional transit authority so long as 84129
the regional transit authorities are not organized for purposes as 84130
provided for in the resolutions or ordinances creating the same, 84131
and any amendments to them, relating to the same kinds of transit 84132
facilities; and provided further, that if a regional transit 84133
authority includes only a portion of an entire county, a regional 84134
transit authority for the same purposes may be created in the 84135
remaining portion of the same county by resolution of the board of 84136
county commissioners acting alone or in conjunction with municipal 84137
corporations and townships as provided in this section. 84138

No regional transit authority shall be organized after 84139
January 1, 1975, to include any area already included in a 84140
regional transit authority, except that any regional transit 84141

authority organized after June 29, 1974, and having territorial 84142
boundaries entirely within a single county shall, upon adoption by 84143
the board of county commissioners of the county of a resolution 84144

territorial jurisdiction the existing regional transit authority 84146
and for purposes including the purposes for which the existing 84147
regional transit authority was created, be dissolved and its 84148
territory included in such new regional transit authority. Any 84149
resolution creating such a new regional transit authority shall 84150
make adequate provision for satisfaction of the obligations of the 84151
dissolved regional transit authority. 84152

Sec. 306.321. The resolution or ordinance creating a regional 84153
transit authority may be amended to include additional counties, 84154
municipal corporations, or townships by the adoption of an 84155
amendment by the board of county commissioners of each county, the 84156
legislative authority of each municipal corporation, and the board 84157
of township trustees of each township which has created or, prior 84158
to the adoption of the amendment, joined or proposes to join the 84159
regional transit authority. 84160

After each county, municipal corporation, and township which 84161
has created or, prior to the adoption of the amendment, joined or 84162
proposes to join the regional transit authority has adopted its 84163
resolution or ordinance approving inclusion of additional 84164
counties, municipal corporations, or townships in the regional 84165
transit authority, a copy of each resolution or ordinance shall be 84166
filed with the clerk of the board of the county commissioners of 84167
each county, the clerk of the legislative authority of each 84168
municipal corporation, and the fiscal officer of the board of 84169
trustees of each township proposed to be included in the regional 84170
transit authority. 84171

Any ordinances or resolutions adopted pursuant to this 84172

section approving inclusion of additional counties, municipal 84173
corporations, or townships in the regional transit authority shall 84174
provide that the board of trustees of the regional transit 84175
authority must, not later than the tenth day following the day on 84176
which the filing of the ordinances or resolutions, as required by 84177
the immediately preceding paragraph, is completed, adopt its 84178
resolution providing for submission to the electors of the 84179
regional transit authority as enlarged, of the question pursuant 84180
to section 306.49 of the Revised Code, of the renewal, the renewal 84181
and increase, or the increase of, or the imposition of an 84182
additional, ad valorem tax, or of the question pursuant to section 84183
306.70 of the Revised Code, of the renewal, the renewal and 84184
increase, or the increase of, or the imposition of an additional, 84185
sales and use tax. The resolution submitting the question of the 84186
tax shall specify the date of the election, which shall be a 84187
general election or a special election held on a day on which a 84188
primary election may be held, occurring not less than ninety days 84189
after certification of the resolution to the board of elections 84190
~~and which shall be consistent with the requirements of section~~ 84191
~~3501.01 of the Revised Code.~~ The inclusion of the territory of the 84192
additional counties, municipal corporations, or townships in the 84193
regional transit authority shall be effective as of the date on 84194
which the resolution of the board of trustees of the regional 84195
transit authority is adopted submitting the question to the 84196
electors, provided that until the question is approved, existing 84197
contracts providing payment for transit services within the added 84198
territory shall remain in effect and transit services shall not be 84199
affected by the inclusion of the additional territory. The 84200
resolution shall be certified to the board of elections and the 84201
election shall be held, canvassed, and certified as provided in 84202
section 306.49 of the Revised Code in the case of an ad valorem 84203
tax or in section 306.70 of the Revised Code in the case of a 84204
sales and use tax. 84205

If the question of the tax which is submitted is not approved 84206
by a majority of the electors of the enlarged regional transit 84207
authority voting on the question, as of the day following the day 84208
on which the results of the election become conclusive, the 84209
additional counties, municipal corporations, or townships, which 84210
had been included in the regional transit authority as of the date 84211
of the adoption of the resolution submitting to the electors the 84212
question, shall be removed from the territory of the regional 84213
transit authority and shall no longer be a part of that authority 84214
without any further action by either the political subdivisions 84215
which were included in the authority prior to the adoption of the 84216
resolution submitting the question to the electors or of the 84217
political subdivisions added to the authority as a result of the 84218
adoption of the resolution. The regional transit authority reduced 84219
to its territory as it existed prior to the inclusion of the 84220
additional counties, municipal corporations, or townships, shall 84221
be entitled to levy and collect any ad valorem or sales and use 84222
taxes which it was authorized to levy and collect prior to the 84223
enlargement of its territory and for which authorization has not 84224
expired, as if the enlargement had not occurred. 84225

If the question of the tax which is submitted provides for a 84226
sales and use tax to be imposed and the question is approved, and 84227
the regional transit authority had previously been authorized 84228
pursuant to section 306.49 of the Revised Code to levy an ad 84229
valorem tax, the regional transit authority shall appropriate from 84230
the first moneys received from the sales and use tax in each year, 84231
the full amount required in order to pay the principal of and 84232
interest on any notes of the regional transit authority issued 84233
pursuant to section 306.49 of the Revised Code, in anticipation of 84234
the collection of the ad valorem tax; and shall not thereafter 84235
levy and collect the ad valorem tax previously approved unless the 84236
levy and collection is necessary to pay the principal of and 84237
interest on notes issued in anticipation of the tax in order to 84238

avoid impairing the obligation of the contract between the 84239
regional transit authority and the note holders. 84240

If the question of the additional or renewal tax levy is 84241
approved, the tax may be levied and collected as is otherwise 84242
provided for an ad valorem tax or a sales and use tax imposed by a 84243
regional transit authority, provided that if a question relating 84244
to an ad valorem tax is approved at the general election ~~or at a~~ 84245
~~special election occurring prior to a general election, but after~~ 84246
~~the fifteenth day of July,~~ the regional transit authority may 84247
amend its budget for its next fiscal year and its resolution 84248
adopted pursuant to section 5705.34 of the Revised Code or adopt 84249
such resolution, and the levy shall be placed on the current tax 84250
list and duplicate and collected as all other taxes are collected 84251
from all taxable property within the enlarged territory of the 84252
regional transit authority including the territory within each 84253
political subdivision which has been added to the regional transit 84254
authority pursuant to this section, provided further that if a 84255
question relating to sales and use tax is approved after the 84256
fifteenth day of July in any calendar year, the regional transit 84257
authority may amend its budget for the current and next fiscal 84258
year and any resolution adopted pursuant to section 5705.34 of the 84259
Revised Code, to reflect the imposition of the sales and use tax 84260
and shall amend its budget for the next fiscal year and any 84261
resolution adopted pursuant to section 5705.34 of the Revised Code 84262
to comply with the immediately preceding paragraph. If the budget 84263
of the regional transit authority is amended pursuant to this 84264
paragraph, the county auditor shall prepare and deliver an amended 84265
certificate of estimated resources to reflect the change in 84266
anticipated revenues of the regional transit authority. 84267

The procedures of this section are in addition to and an 84268
alternative to those established in section 306.32 of the Revised 84269

except that, if the resolution proposed the inclusion without a 84321

of trustees a petition requesting such election, signed by a 84892
number of qualified electors residing in the new community 84893
district equal to not less than eight per cent of the total vote 84894
cast for all candidates for governor in the new community district 84895
at the most recent general election at which a governor was 84896
elected. If a majority of the votes cast favor dissolution, the 84897
board of trustees shall, by resolution, declare the authority 84898
dissolved and thereupon the community authority shall be 84899
dissolved. A certified copy of the resolution shall, within 84900
fifteen days after its adoption, be filed with the clerk of the 84901
organizational board of commissioners of the county with which the 84902
petition for the organization of the new community authority was 84903
filed. 84904

Upon dissolution of a new community authority, the powers 84905
thereof shall cease to exist. Any property of the new community 84906
authority shall vest with a municipal corporation, county, or 84907
township in which that property is located or with the developer 84908
of the new community authority or the developer's designee, all as 84909
provided in a resolution adopted by the organizational board of 84910
commissioners. Any vesting of property in a municipal corporation, 84911
township, or county shall be subject to acceptance of the property 84912
by resolution of the legislative authority of the municipal 84913
corporation, board of township trustees, or board of county 84914
commissioners, as applicable. If the legislative authority of a 84915
municipal corporation, board of township trustees, or board of 84916
county commissioners declines to accept the property, the property 84917
vests with the developer or the developer's designee. Any funds of 84918
the community authority at the time of dissolution shall be 84919
transferred to the municipal corporation and county or township, 84920
as provided in a resolution, in which the new community district 84921
is located in the proportion to the assessed valuation of taxable 84922
real property of the new community authority within such municipal 84923
corporation and township or county as said valuation appears on 84924
the current assessment rolls. 84925

Sec. 505.14. The board of township trustees of a township 84926
described in section 505.13 of the Revised Code, which, for any 84927
reason, is inaccessible from the mainland at some time of the 84928
year, may construct, acquire, purchase, lease, and maintain a 84929
house as the residence of a resident physician, when, in the 84930
opinion of a majority of the members of such board, it is 84931
necessary for the maintenance of the public health and welfare. 84932

For the maintenance, construction, acquisition, purchase, or 84933
lease of such a house the board may levy a tax upon all the 84934
taxable property in the township, in such amount as it determines. 84935

The question of levying such a tax shall be submitted to the qualified electors of the township at a general election or a special election held on a day on which a primary election may be held. The trustees shall certify such resolution to the board of elections not later than four p.m. of the ninetieth day before the day of the election. Twenty days' notice thereof shall be previously given by posting in at least three public places in the township. Such notice shall state specifically the amount to be raised and the purpose thereof. If a majority of all votes cast at such election upon the proposition is in favor thereof, the tax provided for is authorized.

Upon the authorization of such tax levy the board may issue notes in anticipation of such revenues, to mature in not more than two years from the date of issue, and to bear interest at not more than four per cent per annum.

Sec. 505.20. In addition to the tax already authorized by law, the board of township trustees may levy a tax, not to exceed five mills on the dollar for the purpose of drilling an oil or gas well in the township, when so authorized by a majority vote of the electors of such township at a ~~regular~~ general election or a special election held on a day on which a primary election may be held. Such election shall be conducted the same as elections for township officers, and the tax shall be collected as other taxes.

Sec. 505.47. The board of township trustees may pay the cost of the construction, rebuilding, or repair of footbridges authorized by section 505.46 of the Revised Code out of any funds, unappropriated for any other purpose, in the township treasury. If there be no funds in the township treasury available for these purposes, the board may levy a tax for the purpose of procuring the necessary funds for the construction, rebuilding, or repair of the footbridges. The tax shall be levied upon all of the taxable

property in the township and shall be certified, levied, and 84967
collected in the manner prescribed for other township taxes. The 84968
money so raised shall be paid over to the township fiscal officer, 84969
and the fiscal officer shall pay it out on the order of the board, 84970
certified by the fiscal officer. 84971

The tax shall not be levied until it has been approved by a 84972
majority of the qualified voters of the township, voting at ~~any a~~ 84973
general election or a special election held on a day on which a 84974
primary election at which the question shall be submitted may be 84975
held. ~~The election shall be called at a regular meeting of the~~ 84976
~~board and shall be held within thirty days from the date of the~~ 84977
~~resolution of the board calling for it.~~ Twenty days' notice of the 84978
election shall be given by the posting of notices by the fiscal 84979
officer in ten public places of the township. Provisions for 84980
holding the election shall be made by the board of elections, upon 84981
receiving notice from the fiscal officer of the date and purpose 84982
of the election. 84983

Sec. 511.27. (A) To defray the expenses of the township park 84984
district and for purchasing, appropriating, operating, 84985
maintaining, and improving lands for parks or recreational 84986
purposes, the board of park commissioners may levy a sufficient 84987
tax within the ten-mill limitation, not to exceed one mill on each 84988
dollar of valuation on all real and personal property within the 84989
township, and on all real and personal property within any 84990
municipal corporation that is within the township, that was within 84991
the township at the time that the park district was established, 84992
or the boundaries of which are coterminous with or include the 84993
township. The levy shall be over and above all other taxes and 84994
limitations on such property authorized by law. 84995

(B) Except as otherwise provided in division (C) of this 84996
section, the board of park commissioners, not less than ninety 84997

days before the day of the election, may declare by resolution 84998
that the amount of taxes that may be raised within the ten-mill 84999
limitation will be insufficient to provide an adequate amount for 85000
the necessary requirements of the district and that it is 85001
necessary to levy a tax in excess of that limitation for the use 85002
of the district. The resolution shall specify the purpose for 85003
which the taxes shall be used, the annual rate proposed, and the 85004
number of consecutive years the levy will be in effect. Upon the 85005
adoption of the resolution, the question of levying the taxes 85006
shall be submitted to the electors of the township and the 85007
electors of any municipal corporation that is within the township, 85008
that was within the township at the time that the park district 85009
was established, or the boundaries of which are coterminous with 85010
or include the township, at a general election or a special 85011
election to be held on a day on which a primary election may be held 85012
on whichever of the following occurs first: 85013

~~(1) The day of the next ensuing general election;~~ 85014

~~(2) The first Tuesday after the first Monday in May of any 85015
calendar year, except that, if a presidential primary election is 85016
held in that calendar year, then the day of that election. 85017~~

The rate submitted to the electors at any one election shall 85018
not exceed two mills annually upon each dollar of valuation. If a 85019
majority of the electors voting upon the question of the levy vote 85020
in favor of the levy, the tax shall be levied on all real and 85021
personal property within the township and on all real and personal 85022
property within any municipal corporation that is within the 85023
township, that was within the township at the time that the park 85024
district was established, or the boundaries of which are 85025
coterminous with or include the township, and the levy shall be 85026
over and above all other taxes and limitations on such property 85027
authorized by law. 85028

(C) In any township park district that contains only 85029

unincorporated territory, if the township board of park 85030
commissioners is appointed by the board of township trustees, 85031
before a tax can be levied and certified to the county auditor 85032
pursuant to section 5705.34 of the Revised Code or before a 85033
resolution for a tax levy can be certified to the board of 85034
elections pursuant to section 511.28 of the Revised Code, the 85035
board of park commissioners shall receive approval for its levy 85036
request from the board of township trustees. The board of park 85037
commissioners shall adopt a resolution requesting the board of 85038
township trustees to approve the levy request, stating the annual 85039
rate of the proposed levy and the reason for the levy request. On 85040
receiving this request, the board of township trustees shall vote 85041
on whether to approve the request and, if a majority votes to 85042
approve it, shall issue a resolution approving the levy at the 85043
requested rate. 85044

Sec. 511.28. A copy of any resolution for a tax levy adopted 85045
by the township board of park commissioners as provided in section 85046
511.27 of the Revised Code shall be certified by the clerk of the 85047
board of park commissioners to the board of elections of the 85048
proper county, together with a certified copy of the resolution 85049
approving the levy, passed by the board of township trustees if 85050
such a resolution is required by division (C) of section 511.27 of 85051
the Revised Code, not less than ninety days before a general 85052
election or a special election held on a day on which a primary 85053
election in any year may be held. The board of elections shall 85054
submit the proposal to the electors as provided in section 511.27 85055
of the Revised Code at ~~the succeeding general or primary~~ that 85056
election. A resolution to renew an existing levy may not be placed 85057
on the ballot unless the question is submitted at the general 85058
election held during the last year the tax to be renewed may be 85059
extended on the real and public utility property tax list and 85060
duplicate, or at ~~any~~ the general election or a special election 85061

held on a day on which a primary election may be held occurring in 85062
the ensuing year. The board of park commissioners shall cause 85063
notice that the vote will be taken to be published once a week for 85064
two consecutive weeks prior to the election in a newspaper of 85065
general circulation, or as provided in section 7.16 of the Revised 85066
Code, in the county within which the park district is located. 85067
Additionally, if the board of elections operates and maintains a 85068
web site, the board of elections shall post that notice on its web 85069
site for thirty days prior to the election. The notice shall state 85070
the purpose of the proposed levy, the annual rate proposed 85071
expressed in dollars and cents for each one hundred dollars of 85072
valuation as well as in mills for each one dollar of valuation, 85073
the number of consecutive years during which the levy shall be in 85074
effect, and the time and place of the election. 85075

The form of the ballots cast at the election shall be: "An 85076
additional tax for the benefit of (name of township park district) 85077
..... for the purpose of (purpose stated in the order of the 85078

this section may be changed by substituting for the words "An 85089
additional" at the beginning of the form, the words "A renewal of 85090

or the words "A renewal of part of an existing levy, being a 85094
reduction of mills, to constitute a" in the case of a 85095
decrease in the rate of the existing levy. 85096

If the tax is to be placed on the current tax list, the form 85097
of the ballot shall be modified by adding, after the statement of 85098
the number of years the levy is to run, the phrase ", commencing 85099
in (first year the tax is to be levied), first due in 85100
calendar year (first calendar year in which the tax 85101
shall be due)." 85102

The question covered by the order shall be submitted as a 85103
separate proposition, but may be printed on the same ballot with 85104
any other proposition submitted at the same election, other than 85105
the election of officers. More than one such question may be 85106
submitted at the same election. 85107

 submitted at the same election other than the election of 85174
 officers. More than one such question may be submitted at the same 85175
 election. 85176

If the levy is approved by a majority of electors voting on 85177
 the question, the board of elections shall certify the result of 85178
 the election to the tax commissioner. In the first year of the 85179
 levy, the tax shall be extended on the tax lists after the 85180

Sec. 715.38. The legislative authority of a municipal 85346
corporation which, for any reason, is inaccessible from the 85347
mainland at some time of the year, may provide for the maintenance 85348
of a physician when, in the opinion of a majority of the members 85349
of the legislative authority, it is necessary for the preservation 85350
of the public health and welfare. 85351

An additional tax may be levied upon all the taxable property 85352

thereof shall be previously given by posting in at least three 85359

per annum. 85369

Sec. 715.691. (A) As used in this section: 85370

(1) "Contracting party" means a municipal corporation that 85371
has entered into a joint economic development zone contract or any 85372
party succeeding to the municipal corporation, or a township that 85373
entered into a joint economic development zone contract with a 85374

municipal corporation. 85375

(2) "Zone" means a joint economic development zone designated 85376
under this section. 85377

(3) "Substantial amendment" means an amendment to a joint 85378
economic development zone contract that increases the rate of 85379
municipal income tax that may be imposed within the zone, changes 85380
the purposes for which municipal income tax revenue derived from 85381
the zone may be used, or adds new territory to the zone. 85382

(B) This section provides procedures and requirements for 85383
creating and operating a joint economic development zone. This 85384
section applies only if one of the contracting parties to the zone 85385
does not levy a municipal income tax under Chapter 718. of the 85386
Revised Code. 85387

At any time before January 1, 2015, two or more municipal 85388
corporations or one or more townships and one or more municipal 85389
corporations may enter into a contract whereby they agree to share 85390
in the costs of improvements for an area or areas located in one 85391
or more of the contracting parties that they designate as a joint 85392
economic development zone for the purpose of facilitating new or 85393
expanded growth for commercial or economic development in the 85394
state. The contract and zone shall meet the requirements of 85395
divisions (B) to (J) of this section. 85396

(C) The contract shall set forth each contracting party's 85397
contribution to the joint economic development zone. The 85398
contributions may be in any form that the contracting parties 85399
agree to, and may include, but are not limited to, the provision 85400
of services, money, or equipment. The contract may be amended, 85401
renewed, or terminated with the consent of the contracting 85402
parties, subject to division (K) of this section. The contract 85403
shall continue in existence throughout the term it specifies and 85404
shall be binding on the contracting parties and on any entities 85405

succeeding to the contracting parties. If the contract is approved 85406
by the electors of any contracting party under division (F) of 85407
this section or substantially amended after the effective date of 85408
H.B. 289 of the 130th general assembly, June 5, 2014, the 85409
contracting parties shall include within the contract or the 85410
amendment to the contract an economic development plan for the 85411
zone, a schedule for the implementation or provision of any new, 85412
expanded, or additional services, facilities, or improvements 85413
within the zone or in the area surrounding the zone, and any 85414
provisions necessary for the contracting parties to create a joint 85415
economic development review council in compliance with section 85416
715.692 of the Revised Code. 85417

(D) Before the legislative authority of any of the 85418
contracting parties enacts an ordinance or resolution approving a 85419
contract to designate a joint economic development zone, the 85420
legislative authority of each of the contracting parties shall 85421
hold a public hearing concerning the contract and zone. Each 85422
legislative authority shall provide at least thirty days' public 85423
notice of the time and place of the public hearing in a newspaper 85424
of general circulation in the municipal corporation or township. 85425
During the thirty-day period prior to the public hearing, all of 85426
the following documents shall be available for public inspection 85427
in the office of the clerk of the legislative authority of a 85428
municipal corporation that is a contracting party and in the 85429
office of the fiscal officer of a township that is a contracting 85430
party: 85431

(1) A copy of the contract designating the zone; 85432

(2) A description of the area or areas to be included in the 85433
zone, including a map in sufficient detail to denote the specific 85434
boundaries of the area or areas; 85435

(3) An economic development plan for the zone that includes a 85436
schedule for the provision of any new, expanded, or additional 85437

services, facilities, or improvements. 85438

A public hearing held under division (D) of this section 85439
shall allow for public comment and recommendations on the contract 85440
and zone. The contracting parties may include in the contract any 85441
of those recommendations prior to approval of the contract. 85442

(E) After the public hearings required under division (D) of 85443
this section have been held and the economic development plan has 85444
been approved under division (D) of section 715.692 of the Revised 85445
Code, and before January 1, 2015, each contracting party may enact 85446
an ordinance or resolution approving the contract to designate a 85447
joint economic development zone. After each contracting party has 85448
enacted an ordinance or resolution, the clerk of the legislative 85449
authority of a municipal corporation that is a contracting party 85450
and the fiscal officer of a township that is a contracting party 85451
shall file with the board of elections of each county within which 85452
a contracting party is located a copy of the ordinance or 85453
resolution approving the contract and shall direct the board of 85454
elections to submit the ordinance or resolution to the electors of 85455
the contracting party on the day of the next general, primary, or 85456
special election occurring at least ninety days after the 85457
ordinance or resolution is filed with the board of elections. If 85458
any of the contracting parties is a township, however, then only 85459
the township or townships shall submit the resolution to the 85460
electors. The board of elections shall not submit an ordinance or 85461
resolution filed under this division to the electors at any 85462
election occurring on or after January 1, 2015. 85463

(F)(1) If a vote is required to approve a municipal 85464
corporation as a contracting party to a joint economic development 85465
zone under this section, the ballot shall be in the following 85466
form: 85467

"Shall the ordinance of the legislative authority of the 85468
(city or village) of (name of contracting party) approving the 85469

contract with (name of each other contracting party) for the 85470
designation of a joint economic development zone be approved? 85471

	FOR THE ORDINANCE AND CONTRACT
	AGAINST THE ORDINANCE AND CONTRACT

85472
85473

"

85474

85475

(2) If a vote is required to approve a township as a 85476
contracting party to a joint economic development zone under this 85477
section, the ballot shall be in the following form: 85478

"Shall the resolution of the board of township trustees of 85479
the township of (name of contracting party) approving the contract 85480
with (name of each other contracting party) for the designation of 85481
a joint economic development zone be approved? 85482

	FOR THE ORDINANCE AND CONTRACT
	AGAINST THE ORDINANCE AND CONTRACT

85483
85484

"

85485

85486

If a majority of the electors of each contracting party 85487
voting on the issue vote for the ordinance or resolution and 85488
contract, the ordinance or resolution shall become effective 85489
immediately and the contract shall go into effect immediately or 85490
in accordance with its terms. 85491

(G)(1) A board of directors shall govern each joint economic 85492
development zone created under this section. The members of the 85493
board shall be appointed as provided in the contract. Each of the 85494
contracting parties shall appoint three members to the board. 85495

Terms for each member shall be for two years, each term ending on 85496
the same day of the month of the year as did the term that it 85497
succeeds. A member may be reappointed to the board. 85498

(2) Membership on the board is not the holding of a public 85499
office or employment within the meaning of any section of the 85500
Revised Code or any charter provision prohibiting the holding of 85501
other public office or employment. Membership on the board is not 85502
a direct or indirect interest in a contract or expenditure of 85503
money by a municipal corporation, township, county, or other 85504
political subdivision with which a member may be affiliated. 85505
Notwithstanding any provision of law or a charter to the contrary, 85506
no member of the board shall forfeit or be disqualified from 85507
holding any public office or employment by reason of membership on 85508
the board. 85509

(3) The board is a public body for the purposes of section 85510
121.22 of the Revised Code. Chapter 2744. of the Revised Code 85511
applies to the board and the zone. 85512

(H) The contract may grant to the board of directors 85513
appointed under division (G) of this section the power to adopt a 85514
resolution to levy an income tax within the zone. The income tax 85515
shall be used for the purposes of the zone and for the purposes of 85516
the contracting parties pursuant to the contract. Not less than 85517
fifty per cent of the revenue from the tax shall be used solely to 85518
provide the new, expanded, or additional services, facilities, or 85519
improvements specified in the economic development plan until all 85520
such services, facilities, or improvements have been completed as 85521
specified in that plan. The income tax may be levied in the zone 85522
based on income earned by persons working within the zone and on 85523
the net profits of businesses located in the zone. The income tax 85524
is subject to Chapter 718. of the Revised Code, except that a vote 85525
shall be required by the electors residing in the zone to approve 85526
the rate of income tax unless a majority of the electors residing 85527

within the zone, as determined by the total number of votes cast 85528
in the zone for the office of governor at the most recent general 85529
election for that office, submit a petition to the board 85530
requesting that the election provided for in division (H)(1) of 85531
this section not be held. If no electors reside within the zone, 85532
then division (H)(3) of this section applies. The rate of the 85533
income tax shall be no higher than the highest rate being levied 85534
by a municipal corporation that is a party to the contract. 85535

(1) The board of directors may levy an income tax at a rate 85536
that is not higher than the highest rate being levied by a 85537
municipal corporation that is a party to the contract, provided 85538
that the rate of the income tax is first submitted to and approved 85539
by the electors of the zone at the ~~succeeding regular~~ next general 85540
election or special election held on a day on which a primary 85541
~~election, or a special election called by the board may be held,~~ 85542
occurring subsequent to ninety days after a certified copy of the 85543
resolution levying the income tax and calling for the election is 85544
filed with the board of elections. If the voters approve the levy 85545
of the income tax, the income tax shall be in force for the full 85546
period of the contract establishing the zone. No election shall be 85547
held under this section if a majority of the electors residing 85548
within the zone, determined as specified in division (H) of this 85549
section, submit a petition to that effect to the board of 85550
directors. Any increase in the rate of an income tax by the board 85551
of directors shall be approved by a vote of the electors of the 85552
zone and shall be in force for the remaining period of the 85553
contract establishing the zone. 85554

(2) Whenever a zone is located in the territory of more than 85555
one contracting party, a majority vote of the electors in each of 85556
the several portions of the territory of the contracting parties 85557
constituting the zone approving the levy of the tax is required 85558
before it may be imposed under division (H) of this section. 85559

(3) If no electors reside in the zone, no election for the approval or rejection of an income tax shall be held under this section, provided that where no electors reside in the zone, the rate of the income tax shall be no higher than the highest rate being levied by a municipal corporation that is a party to the contract.

(4) The board of directors of a zone levying an income tax shall enter into an agreement with one of the municipal corporations that is a party to the contract to administer, collect, and enforce the income tax on behalf of the zone.

(5) The board of directors of a zone shall publish or post public notice within the zone of any resolution adopted levying an income tax in the same manner required of municipal corporations under sections 731.21 and 731.25 of the Revised Code.

(I)(1) If for any reason a contracting party reverts to or has its boundaries changed so that it is classified as a township that is the entity succeeding to that contracting party, the township is considered to be a municipal corporation for the purposes of the contract for the full period of the contract establishing the joint economic development zone, except that if that contracting party is administering, collecting, and enforcing the income tax on behalf of the district as provided in division (H)(4) of this section, the contract shall be amended to allow one of the other contracting parties to administer, collect, and enforce that tax.

(2) Notwithstanding any other section of the Revised Code, if there is any change in the boundaries of a township so that a municipal corporation once located within the township is no longer so located, the township shall remain in existence even though its remaining unincorporated area contains less than twenty-two square miles, if the township has been or becomes a party to a contract creating a joint economic development zone

under this section or the contract creating that joint economic 85592
development zone under this section is terminated or repudiated 85593
for any reason by any party or person. The township shall continue 85594
its existing status in all respects, including having the same 85595
form of government and the same elected board of trustees as its 85596
governing body. The township shall continue to receive all of its 85597
tax levies and sources of income as a township in accordance with 85598
any section of the Revised Code, whether the levies and sources of 85599
income generate millage within the ten-mill limitation or in 85600
excess of the ten-mill limitation. The name of the township may be 85601
changed to the name of the contracting party appearing in the 85602
contract creating a joint economic development zone under this 85603
section, so long as the name does not conflict with any other name 85604
in the state that has been certified by the secretary of state. 85605
The township shall have all of the powers set out in sections 85606
715.79, 715.80, and 715.81 of the Revised Code. 85607

(J) If, after creating and operating a joint economic 85608
development zone under this section, a contracting party that did 85609
not levy a municipal income tax under Chapter 718. of the Revised 85610
Code levies such a tax, the tax shall not apply to the zone for 85611
the full period of the contract establishing the zone if the board 85612
of directors of the zone has levied an income tax as provided in 85613
division (H) of this section. 85614

(K) No substantial amendment may be made to any joint 85615
economic development zone contract after December 31, 2014. 85616

Sec. 715.70. (A) This section and section 715.71 of the 85617
Revised Code apply only to: 85618

(1) Municipal corporations and townships within a county that 85619
has adopted a charter under Sections 3 and 4 of Article X, Ohio 85620
Constitution; 85621

(2) Municipal corporations and townships that have created a 85622

joint economic development district comprised entirely of real 85623
property owned by a municipal corporation at the time the district 85624
was created under this section. The real property owned by the 85625
municipal corporation shall include an airport owned by the 85626
municipal corporation and located entirely beyond the municipal 85627
corporation's corporate boundary. 85628

(3) Municipal corporations or townships that are part of or 85629
contiguous to a transportation improvement district created under 85630
Chapter 5540. of the Revised Code and that have created a joint 85631
economic development district under this section or section 715.71 85632
of the Revised Code prior to November 15, 1995; 85633

(4) Municipal corporations that have previously entered into 85634
a contract creating a joint economic development district pursuant 85635
to division (A)(2) of this section, even if the territory to be 85636
included in the district does not meet the requirements of that 85637
division. 85638

(B)(1) One or more municipal corporations and one or more 85639
townships may enter into a contract approved by the legislative 85640
authority of each contracting party pursuant to which they create 85641
as a joint economic development district an area or areas for the 85642
purpose of facilitating economic development to create or preserve 85643
jobs and employment opportunities and to improve the economic 85644
welfare of the people in the state and in the area of the 85645
contracting parties. A municipal corporation described in division 85646
(A)(4) of this section may enter into a contract with other 85647
municipal corporations and townships to create a new joint 85648
economic development district. In a district that includes a 85649
municipal corporation described in division (A)(4) of this 85650
section, the territory of each of the contracting parties shall be 85651
contiguous to the territory of at least one other contracting 85652
party, or contiguous to the territory of a township or municipal 85653
corporation that is contiguous to another contracting party, even 85654

if the intervening township or municipal corporation is not a 85655
contracting party. The area or areas of land to be included in the 85656
district shall not include any parcel of land owned in fee by a 85657
municipal corporation or a township or parcel of land that is 85658
leased to a municipal corporation or a township, unless the 85659
municipal corporation or township is a party to the contract or 85660
unless the municipal corporation or township has given its consent 85661
to have its parcel of land included in the district by the 85662
adoption of a resolution. As used in this division, "parcel of 85663
land" means any parcel of land owned by a municipal corporation or 85664
a township for at least a six-month period within a five-year 85665
period prior to the creation of a district, but "parcel of land" 85666
does not include streets or public ways and sewer, water, and 85667
other utility lines whether owned in fee or otherwise. 85668

The district created shall be located within the territory of 85669
one or more of the participating parties and may consist of all or 85670
a portion of such territory. The boundaries of the district shall 85671
be described in the contract or in an addendum to the contract. 85672

(2) Prior to the public hearing to be held pursuant to 85673
division (D)(2) of this section, the participating parties shall 85674
give a copy of the proposed contract to each municipal corporation 85675
located within one-quarter mile of the proposed joint economic 85676
development district and not otherwise a party to the contract, 85677
and afford the municipal corporation the reasonable opportunity, 85678
for a period of thirty days following receipt of the proposed 85679
contract, to make comments and suggestions to the participating 85680
parties regarding elements contained in the proposed contract. 85681

(3) The district shall not exceed two thousand acres in area. 85682
The territory of the district shall not completely surround 85683
territory that is not included within the boundaries of the 85684
district. 85685

(4) Sections 503.07 to 503.12 of the Revised Code do not 85686

apply to territory included within a district created pursuant to 85687
this section as long as the contract creating the district is in 85688
effect, unless the legislative authority of each municipal 85689
corporation and the board of township trustees of each township 85690
included in the district consent, by ordinance or resolution, to 85691
the application of those sections of the Revised Code. 85692

(5) Upon the execution of the contract creating the district 85693
by the parties to the contract, a participating municipal 85694
corporation or township included within the district shall file a 85695
copy of the fully executed contract with the county recorder of 85696
each county within which a party to the contract is located, in 85697
the miscellaneous records of the county. No annexation proceeding 85698
pursuant to Chapter 709. of the Revised Code that proposes the 85699
annexation to, merger, or consolidation with a municipal 85700
corporation of any unincorporated territory within the district 85701
shall be commenced for a period of three years after the contract 85702
is filed with the county recorder of each county within which a 85703
party to the contract is located unless each board of township 85704
trustees whose territory is included, in whole or part, within the 85705
district and the territory proposed to be annexed, merged, or 85706
consolidated adopts a resolution consenting to the commencement of 85707
the proceeding and a copy of the resolution is filed with the 85708
legislative authority of each county within which a party to the 85709
contract is located or unless the contract is terminated during 85710
this period. 85711

The contract entered into between the municipal corporations 85712
and townships pursuant to this section may provide for the 85713
prohibition of any annexation by the participating municipal 85714
corporations of any unincorporated territory within the district 85715
beyond the three-year mandatory prohibition of any annexation 85716
provided for in division (B)(5) of this section. 85717

(C)(1) After the legislative authority of a municipal 85718

corporation and the board of township trustees have adopted an 85719
ordinance and resolution approving a contract to create a joint 85720
economic development district pursuant to this section, and after 85721
a contract has been signed, the municipal corporations and 85722
townships shall jointly file a petition with the legislative 85723
authority of each county within which a party to the contract is 85724
located. 85725

(a) The petition shall contain all of the following: 85726

territory of one or more of the contracting parties; 85729

(ii) A brief summary of the services to be provided by each 85730
party to the contract or a reference to the portion of the 85731
contract describing those services; 85732

(iii) A description of the area or areas to be designated as 85733
the district; 85734

(iv) The signature of a representative of each of the 85735
contracting parties. 85736

(b) The following documents shall be filed with the petition: 85737

(i) A signed copy of the contract, together with copies of 85738
district maps and plans related to or part of the contract; 85739

(ii) A certified copy of the ordinances and resolutions of 85740
the contracting parties approving the contract; 85741

(iii) A certificate from each of the contracting parties 85742
indicating that the public hearings required by division (D)(2) of 85743
this section have been held, the date of the hearings, and 85744
evidence of publication of the notice of the hearings; 85745

(iv) One or more signed statements of persons who are owners 85746
of property located in whole or in part within the area to be 85747
designated as the district, requesting that the property be 85748

included within the district, provided that those statements shall 85749
represent a majority of the persons owning property located in 85750
whole or in part within the district and persons owning a majority 85751
of the acreage located within the district. A signature may be 85752
withdrawn by the signer up to but not after the time of the public 85753
hearing required by division (D)(2) of this section. 85754

(2) The legislative authority of each county within which a 85755
party to the contract is located shall adopt a resolution 85756
approving the petition for the creation of the district if the 85757
petition and other documents have been filed in accordance with 85758
the requirements of division (C)(1) of this section. If the 85759
petition and other documents do not substantially meet the 85760
requirements of that division, the legislative authority of any 85761
county within which a party to the contract is located may adopt a 85762
resolution disapproving the petition for the creation of the 85763
district. The legislative authority of each county within which a 85764
party to the contract is located shall adopt a resolution 85765
approving or disapproving the petition within thirty days after 85766
the petition was filed. If the legislative authority of each such 85767
county does not adopt the resolution within the thirty-day period, 85768
the petition shall be deemed approved and the contract shall go 85769
into effect immediately after that approval or at such other time 85770
as the contract specifies. 85771

(D)(1) The contract creating the district shall set forth or 85772
provide for the amount or nature of the contribution of each 85773
municipal corporation and township to the development and 85774
operation of the district and may provide for the sharing of the 85775
costs of the operation of and improvements for the district. The 85776
contributions may be in any form to which the contracting 85777
municipal corporations and townships agree and may include but are 85778
not limited to the provision of services, money, real or personal 85779
property, facilities, or equipment. The contract may provide for 85780

the contracting parties to share revenue from taxes levied on 85781
property by one or more of the contracting parties if those 85782
revenues may lawfully be applied to that purpose under the 85783
legislation by which those taxes are levied. The contract shall 85784
provide for new, expanded, or additional services, facilities, or 85785
improvements, including expanded or additional capacity for or 85786
other enhancement of existing services, facilities, or 85787
improvements, provided that those services, facilities, or 85788
improvements, or expanded or additional capacity for or 85789
enhancement of existing services, facilities, or improvements, 85790

prior to the execution of the contract. 85792

(2) Before the legislative authority of a municipal 85793
corporation or a board of township trustees passes any ordinance 85794
or resolution approving a contract to create a joint economic 85795
development district pursuant to this section, the legislative 85796
authority of the municipal corporation and the board of township 85797
trustees shall each hold a public hearing concerning the joint 85798
economic development district contract and shall provide thirty 85799
days' public notice of the time and place of the public hearing in 85800
a newspaper of general circulation in the municipal corporation 85801
and the township. The board of township trustees may provide 85802
additional notice to township residents in accordance with section 85803
9.03 of the Revised Code, and any additional notice shall include 85804
the public hearing announcement; a summary of the terms of the 85805
contract; a statement that the entire text of the contract and 85806
district maps and plans are on file for public examination in the 85807
office of the township fiscal officer; and information pertaining 85808
to any tax changes that will or may occur as a result of the 85809
contract. 85810

During the thirty-day period prior to the public hearing, a 85811
copy of the text of the contract together with copies of district 85812

maps and plans related to or part of the contract shall be on 85813
file, for public examination, in the offices of the clerk of the 85814
legislative authority of the municipal corporation and of the 85815
township fiscal officer. The public hearing provided for in 85816
division (D)(2) of this section shall allow for public comment and 85817
recommendations from the public on the proposed contract. The 85818
contracting parties may include in the contract any of those 85819
recommendations prior to the approval of the contract. 85820

(3) Any resolution of the board of township trustees that 85821
approves a contract that creates a joint economic development 85822
district pursuant to this section shall be subject to a referendum 85823
of the electors of the township. When a referendum petition, 85824
signed by ten per cent of the number of electors in the township 85825
who voted for the office of governor at the most recent general 85826
election for the office of governor, is presented to the board of 85827
township trustees within thirty days after the board of township 85828
trustees adopted the resolution, ordering that the resolution be 85829
submitted to the electors of the township for their approval or 85830
rejection, the board of township trustees shall, after ten days 85831
and not later than four p.m. of the ninetieth day before the 85832
election, certify the text of the resolution to the board of 85833
elections. The board of elections shall submit the resolution to 85834
the electors of the township for their approval or rejection at 85835
the next general, election or special election held on a day on 85836
which a primary, or special election may be held, occurring 85837
subsequent to ninety days after the certifying of the petition to 85838
the board of elections. 85839

(4) Upon the creation of a district under this section or 85840
section 715.71 of the Revised Code, one of the contracting parties 85841
shall file a copy of the following with the director of 85842
development: 85843

(a) The petition and other documents described in division 85844

(C)(1) of this section, if the district is created under this 85845
section; 85846

(b) The documents described in division (D) of section 715.71 85847
of the Revised Code, if the district is created under this 85848
section. 85849

(E) The district created by the contract shall be governed by 85850
a board of directors that shall be established by or pursuant to 85851
the contract. The board is a public body for the purposes of 85852
section 121.22 of the Revised Code. The provisions of Chapter 85853
2744. of the Revised Code apply to the board and the district. The 85854
members of the board shall be appointed as provided in the 85855
contract from among the elected members of the legislative 85856
authorities and the elected chief executive officers of the 85857
contracting parties, provided that there shall be at least two 85858
members appointed from each of the contracting parties. 85859

(F) The contract shall enumerate the specific powers, duties, 85860
and functions of the board of directors of a district, and the 85861
contract shall provide for the determination of procedures that 85862
are to govern the board of directors. The contract may grant to 85863
the board the power to adopt a resolution to levy an income tax 85864
within the district. The income tax shall be used for the purposes 85865
of the district and for the purposes of the contracting municipal 85866
corporations and townships pursuant to the contract. The income 85867
tax may be levied in the district based on income earned by 85868
persons working or residing within the district and based on the 85869
net profits of businesses located in the district. The income tax 85870
shall follow the provisions of Chapter 718. of the Revised Code, 85871
except that a vote shall be required by the electors residing in 85872
the district to approve the rate of income tax. If no electors 85873
reside within the district, then division (F)(4) of this section 85874
applies. The rate of the income tax shall be no higher than the 85875
highest rate being levied by a municipal corporation that is a 85876

party to the contract. 85877

(1) Within one hundred eighty days after the first meeting of 85878
the board of directors, the board may levy an income tax, provided 85879
that the rate of the income tax is first submitted to and approved 85880
by the electors of the district at the ~~succeeding regular~~ next 85881
general election or special election held on a day on which a 85882
primary election, or a special election called by the board may be 85883
held, occurring subsequent to ninety days after a certified copy 85884
of the resolution levying the income tax and calling for the 85885
election is filed with the board of elections. If the voters 85886
approve the levy of the income tax, the income tax shall be in 85887
force for the full period of the contract establishing the 85888
district. Any increase in the rate of an income tax that was first 85889
levied within one hundred eighty days after the first meeting of 85890
the board of directors shall be approved by a vote of the electors 85891
of the district, shall be in force for the remaining period of the 85892
contract establishing the district, and shall not be subject to 85893
division (F)(2) of this section. 85894

(2) Any resolution of the board of directors levying an 85895
income tax that is adopted subsequent to one hundred eighty days 85896
after the first meeting of the board of directors shall be subject 85897
to a referendum as provided in division (F)(2) of this section. 85898
Any resolution of the board of directors levying an income tax 85899
that is adopted subsequent to one hundred eighty days after the 85900
first meeting of the board of directors shall be subject to an 85901
initiative proceeding to amend or repeal the resolution levying 85902
the income tax as provided in division (F)(2) of this section. 85903
When a referendum petition, signed by ten per cent of the number 85904
of electors in the district who voted for the office of governor 85905
at the most recent general election for the office of governor, is 85906
filed with the county auditor of each county within which a party 85907
to the contract is located within thirty days after the resolution 85908

is adopted by the board or when an initiative petition, signed by 85909
ten per cent of the number of electors in the district who voted 85910
for the office of governor at the most recent general election for 85911
the office of governor, is filed with the county auditor of each 85912
such county ordering that a resolution to amend or repeal a prior 85913
resolution levying an income tax be submitted to the electors 85914
within the district for their approval or rejection, the county 85915
auditor of each such county, after ten days and not later than 85916
four p.m. of the ninetieth day before the election, shall certify 85917
the text of the resolution to the board of elections of that 85918
county. The county auditor of each such county shall retain the 85919
petition. The board of elections shall submit the resolution to 85920
such electors, for their approval or rejection, at the next 85921
general, election or special election held on a day on which a 85922
primary, or special election may be held, occurring subsequent to 85923
ninety days after the certifying of such petition to the board of 85924
elections. 85925

(3) Whenever a district is located in the territory of more 85926
than one contracting party, a majority vote of the electors, if 85927
any, in each of the several portions of the territory of the 85928
contracting parties constituting the district approving the levy 85929
of the tax is required before it may be imposed pursuant to this 85930
division. 85931

(4) If there are no electors residing in the district, no 85932
election for the approval or rejection of an income tax shall be 85933
held pursuant to this section, provided that where no electors 85934
reside in the district, the maximum rate of the income tax that 85935
may be levied shall not exceed one per cent. 85936

(5) The board of directors of a district levying an income 85937
tax shall enter into an agreement with one of the municipal 85938
corporations that is a party to the contract to administer, 85939
collect, and enforce the income tax on behalf of the district. The 85940

resolution levying the income tax shall provide the same credits, 85941
if any, to residents of the district for income taxes paid to 85942
other such districts or municipal corporations where the residents 85943
work, as credits provided to residents of the municipal 85944
corporation administering the income tax. 85945

(6)(a) The board shall publish or post public notice within 85946
the district of any resolution adopted levying an income tax in 85947
the same manner required of municipal corporations under sections 85948
731.21 and 731.25 of the Revised Code. 85949

(b) Except as otherwise specified by this division, any 85950
referendum or initiative proceeding within a district shall be 85951
conducted in the same manner as is required for such proceedings 85952
within a municipal corporation pursuant to sections 731.28 to 85953
731.40 of the Revised Code. 85954

(G) Membership on the board of directors does not constitute 85955
the holding of a public office or employment within the meaning of 85956
any section of the Revised Code or any charter provision 85957
prohibiting the holding of other public office or employment, and 85958
shall not constitute an interest, either direct or indirect, in a 85959
contract or expenditure of money by any municipal corporation, 85960
township, county, or other political subdivision with which the 85961
member may be connected. No member of a board of directors shall 85962
be disqualified from holding any public office or employment, nor 85963
shall such member forfeit or be disqualified from holding any such 85964
office or employment, by reason of the member's membership on the 85965
board of directors, notwithstanding any law or charter provision 85966
to the contrary. 85967

(H) The powers and authorizations granted pursuant to this 85968
section or section 715.71 of the Revised Code are in addition to 85969
and not in derogation of all other powers granted to municipal 85970
corporations and townships pursuant to law. When exercising a 85971
power or performing a function or duty under a contract authorized 85972

pursuant to this section or section 715.71 of the Revised Code, a 85973
municipal corporation may exercise all of the powers of a 85974
municipal corporation, and may perform all the functions and 85975
duties of a municipal corporation, within the district, pursuant 85976
to and to the extent consistent with the contract. When exercising 85977
a power or performing a function or duty under a contract 85978
authorized pursuant to this section or section 715.71 of the 85979
Revised Code, a township may exercise all of the powers of a 85980
township, and may perform all the functions and duties of a 85981
township, within the district, pursuant to and to the extent 85982
consistent with the contract. The district board of directors has 85983
no powers except those specifically set forth in the contract as 85984
agreed to by the participating parties. No political subdivision 85985
shall authorize or grant any tax exemption pursuant to Chapter 85986
1728. or section 3735.67, 5709.62, 5709.63, or 5709.632 of the 85987
Revised Code on any property located within the district without 85988
the consent of the contracting parties. The prohibition for any 85989
tax exemption pursuant to this division shall not apply to any 85990
exemption filed, pending, or approved, or for which an agreement 85991
has been entered into, before the effective date of the contract 85992
entered into by the parties. 85993

(I) Municipal corporations and townships may enter into 85994
binding agreements pursuant to a contract authorized under this 85995
section or section 715.71 of the Revised Code with respect to the 85996
substance and administration of zoning and other land use 85997
regulations, building codes, public permanent improvements, and 85998
other regulatory and proprietary matters that are determined, 85999
pursuant to the contract, to be for a public purpose and to be 86000
desirable with respect to the operation of the district or to 86001
facilitate new or expanded economic development in the state or 86002
the district, provided that no contract shall exempt the territory 86003
within the district from the procedures and processes of land use 86004
regulation applicable pursuant to municipal corporation, township, 86005

and county regulations, including but not limited to procedures 86006
and processes concerning zoning. 86007

(J) A contract creating a joint economic development district 86008
under this section or section 715.71 of the Revised Code may 86009
designate property as a community entertainment district or may be 86010
amended to designate property as a community entertainment 86011
district as prescribed in division (D) of section 4301.80 of the 86012
Revised Code. A joint economic development district contract or 86013
amendment designating a community entertainment district shall 86014
include all information and documentation described in divisions 86015
(B)(1) through (6) of section 4301.80 of the Revised Code. The 86016
public notice required under division (D)(2) of this section and 86017
division (C) of section 715.71 of the Revised Code shall specify 86018
that the contract designates a community entertainment district 86019
and describe the location of that district. Except as provided in 86020
division (F) of section 4301.80 of the Revised Code, an area 86021
designated as a community entertainment district under a joint 86022
economic development district contract shall not lose its 86023
designation even if the contract is canceled or terminated. 86024

(K) A contract entered into pursuant to this section or 86025
section 715.71 of the Revised Code may be amended and it may be 86026
renewed, canceled, or terminated as provided in or pursuant to the 86027
contract. The contract may be amended to add property owned by one 86028
of the contracting parties to the district, or may be amended to 86029
delete property from the district whether or not one of the 86030
contracting parties owns the deleted property. The contract shall 86031
continue in existence throughout its term and shall be binding on 86032
the contracting parties and on any entities succeeding to such 86033
parties, whether by annexation, merger, or otherwise. The income 86034
tax levied by the board pursuant to this section or section 715.71 86035
of the Revised Code shall apply in the entire district throughout 86036
the term of the contract, notwithstanding that all or a portion of 86037

the district becomes subject to annexation, merger, or 86038
incorporation. No township or municipal corporation is divested of 86039
its rights or obligations under the contract because of 86040
annexation, merger, or succession of interests. 86041

(L) After the creation of a joint economic development 86042
district described in division (A)(2) of this section, a municipal 86043
corporation that is a contracting party may cease to own property 86044
included in the district, but such property shall continue to be 86045
included in the district and subject to the terms of the contract. 86046

purpose of facilitating economic development to create or preserve 86060
jobs and employment opportunities and to improve the economic 86061
welfare of the people in this state and in the area of the 86062
contracting parties. The district created shall be located within 86063
the territory of one or more of the contracting parties and may 86064
consist of all or a portion of that territory. The boundaries of 86065
the district shall be described in the contract or in an addendum 86066
to the contract. The area or areas of land to be included in the 86067
district shall not include any parcel of land owned in fee by or 86068

leased to a municipal corporation or township, unless the 86069
municipal corporation or township is a party to the contract or 86070
has given its consent to have its parcel of land included in the 86071
district by the adoption of a resolution. As used in this 86072
division, "parcel of land" has the same meaning as in division (B) 86073
of section 715.70 of the Revised Code. 86074

(C) Before the legislative authority of a municipal 86075
corporation or a board of township trustees adopts an ordinance or 86076
resolution approving a contract to create a joint economic 86077
development district under this section, it shall hold a public 86078
hearing concerning the joint economic development district 86079
contract and shall provide thirty days' public notice of the time 86080
and place of the public hearing in a newspaper of general 86081
circulation in the municipal corporation and the township. Each 86082
municipal corporation and township that is a party to the contract 86083
shall hold a public hearing. During the thirty-day period prior to 86084
a public hearing, a copy of the text of the contract together with 86085
copies of district maps and plans related to or part of the 86086
contract shall be on file, for public examination, in the offices 86087
of the clerk of the legislative authority of the municipal 86088
corporation and of the township fiscal officer. The public 86089
hearings provided for in this division shall allow for public 86090
comment and recommendations on the proposed contract. The 86091
participating parties may include in the contract any of those 86092
recommendations prior to approval of the contract. 86093

(D) After the legislative authority of a municipal 86094
corporation and the board of township trustees have adopted an 86095
ordinance and resolution approving a contract to create a joint 86096
economic development district, the municipal corporation and the 86097
township jointly shall file with the legislative authority of each 86098
county within which a party to the contract is located all of the 86099

the election is to be held and shall direct the board of elections 86134
to conduct the election in the township. 86135

The ballot shall be in the following form: 86136

effective immediately and the contract shall go into effect 86148
immediately or in accordance with its terms. 86149

(F) The contract creating the district shall set forth or 86150
provide for the amount or nature of the contribution of each 86151
municipal corporation and township to the development and 86152
operation of the district and may provide for the sharing of the 86153
costs of the operation of and improvements for the district. The 86154
contributions may be in any form to which the contracting 86155
municipal corporations and townships agree and may include but are 86156
not limited to the provision of services, money, real or personal 86157
property, facilities, or equipment. The contract may provide for 86158
the contracting parties to share revenue from taxes levied on 86159
property by one or more of the contracting parties if those 86160
revenues may lawfully be applied to that purpose under the 86161
legislation by which those taxes are levied. The contract shall 86162
provide for new, expanded, or additional services, facilities, or 86163

improvements, including expanded or additional capacity for or 86164
other enhancement of existing services, facilities, or 86165
improvements, provided that the existing services, facilities, or 86166
improvements, or the expanded or additional capacity for or 86167

provide for the determination of procedures that are to govern the 86173
board of directors. The contract may grant to the board the power 86174
to adopt a resolution to levy an income tax within the district. 86175
The income tax shall be used for the purposes of the district and 86176
for the purposes of the contracting municipal corporations and 86177
townships pursuant to the contract. The income tax may be levied 86178
in the district based on income earned by persons working or 86179
residing within the district and based on the net profits of 86180
businesses located in the district. The income tax of the district 86181
shall follow the provisions of Chapter 718. of the Revised Code, 86182
except that no vote shall be required by the electors residing in 86183
the district. The rate of the income tax shall be no higher than 86184
the highest rate being levied by a municipal corporation that is a 86185
party to the contract. 86186

The board of directors of a district levying an income tax 86187
shall enter into an agreement with one of the municipal 86188
corporations that is a party to the contract to administer, 86189
collect, and enforce the income tax on behalf of the district. The 86190
resolution levying the income tax shall provide the same credits, 86191
if any, to residents of the district for income taxes paid to 86192
other districts or municipal corporations where the residents 86193
work, as credits provided to residents of the municipal 86194
corporation administering the income tax. 86195

(H) No annexation proceeding pursuant to Chapter 709. of the Revised Code that proposes the annexation to or merger or consolidation with a municipal corporation, except a municipal corporation that is a party to the contract, of any unincorporated territory within the district shall be commenced for a period of three years after the contract is filed with the legislative authority of each county within which a party to the contract is located in accordance with division (D) of this section unless each board of township trustees whose territory is included, in whole or part, within the district and the territory proposed to be annexed, merged, or consolidated adopts a resolution consenting to the commencement of the proceeding and a copy of the resolution is filed with the legislative authority of each such county or unless the contract is terminated during this three-year period. The contract entered into between the municipal corporations and townships pursuant to this section may provide for the prohibition of any annexation by the participating municipal corporations of any unincorporated territory within the district.

(B) This section provides alternative procedures and requirements to those set forth in sections 715.70 and 715.71 of the Revised Code for creating and operating a joint economic development district. This section applies to municipal

corporations and townships that are located in the same county or 86258
in adjacent counties. 86259

(C) One or more municipal corporations, one or more 86260
townships, and, under division (D) of this section, one or more 86261
counties may enter into a contract pursuant to which they 86262
designate one or more areas as a joint economic development 86263
district for the purpose of facilitating economic development and 86264

(1) Except as otherwise provided in division (C)(2) of this 86268
section, the territory of each of the contracting parties shall be 86269
contiguous to the territory of at least one other contracting 86270
party, or contiguous to the territory of a township, municipal 86271

party, even if the intervening township or municipal corporation 86273
is not a contracting party. 86274

(2) Contracting parties that have entered into a contract 86275
under section 715.70 or 715.71 of the Revised Code creating a 86276
joint economic development district prior to November 15, 1995, 86277
may enter into a contract under this section even if the territory 86278
of each of the contracting parties is not contiguous to the 86279
territory of at least one other contracting party, or contiguous 86280
to the territory of a township or municipal corporation that is 86281

under division (C)(1) of this section. The contract and district 86283
shall meet the requirements of this section. 86284

(D) If, on or after December 30, 2008, but on or before June 86285
30, 2009, one or more municipal corporations and one or more 86286

under this section, one or more counties in which all of those 86288
municipal corporations or townships are located also may enter 86289

into the contract as a contracting party or parties. 86290

(E)(1) The area or areas to be included in a joint economic 86291
development district shall meet all of the following criteria: 86292

(a) The area or areas shall be located within the territory 86293
of one or more of the contracting parties and may consist of all 86294
of the territory of any or all of the contracting parties. 86295

(b) No electors, except those residing in a mixed-use 86296
development, shall reside within the area or areas on the 86297
effective date of the contract creating the district. 86298

(c) The area or areas shall not include any parcel of land 86299
owned in fee by or leased to a municipal corporation or township, 86300
unless the municipal corporation or township is a contracting 86301
party or has given its consent to have the parcel of land included 86302
in the district by the adoption of an ordinance or resolution. 86303

(2) The contracting parties may designate excluded parcels 86304
within the boundaries of the joint economic development district. 86305
Excluded parcels are not part of the district and persons employed 86306
or residing on such parcels shall not be subject to any income tax 86307
imposed within the district under division (F)(5) of this section. 86308

(F)(1) The contract creating a joint economic development 86309
district shall provide for the amount or nature of the 86310
contribution of each contracting party to the development and 86311
operation of the district and may provide for the sharing of the 86312
costs of the operation of and improvements for the district. The 86313
contributions may be in any form to which the contracting parties 86314
agree and may include, but are not limited to, the provision of 86315
services, money, real or personal property, facilities, or 86316
equipment. 86317

(2) The contract may provide for the contracting parties to 86318
share revenue from taxes levied by one or more of the contracting 86319
parties if those revenues may lawfully be applied to that purpose 86320

under the legislation by which those taxes are levied. 86321

(3) The contract shall include an economic development plan 86322
for the district that consists of a schedule for the provision of 86323
new, expanded, or additional services, facilities, or 86324
improvements. The contract may provide for expanded or additional 86325
capacity for or other enhancement of existing services, 86326
facilities, or improvements. 86327

(4) The contract shall enumerate the specific powers, duties, 86328
and functions of the board of directors of the district described 86329
under division (P) of this section and shall designate procedures 86330
consistent with that division for appointing members to the board. 86331
The contract shall enumerate rules to govern the board in carrying 86332
out its business under this section. 86333

(5)(a) The contract may grant to the board the power to adopt 86334
a resolution to levy an income tax within the entire district or 86335
within portions of the district designated by the contract. The 86336
income tax shall be used to carry out the economic development 86337
plan for the district or the portion of the district in which the 86338
tax is levied and for any other lawful purpose of the contracting 86339
parties pursuant to the contract, including the provision of 86340
utility services by one or more of the contracting parties. 86341

(b) An income tax levied under this section shall be based on 86342
both the income earned by persons employed or residing within the 86343
district and the net profit of businesses operating within the 86344
district. 86345

Except as provided in this section, the income tax levied 86346
within the district is subject to Chapter 718. of the Revised 86347
Code, except that no vote shall be required. The rate of the 86348
income tax shall be no higher than the highest rate being levied 86349
by a municipal corporation that is a contracting party. 86350

(c) If the board adopts a resolution to levy an income tax, 86351

it shall enter into an agreement with a municipal corporation that 86352
is a contracting party to administer, collect, and enforce the 86353
income tax on behalf of the district. 86354

(d) A resolution levying an income tax under this section 86355
shall require the contracting parties to annually set aside a 86356
percentage, to be stated in the resolution, of the amount of the 86357
income tax collected for the long-term maintenance of the 86358
district. 86359

(e) An income tax levied under this section shall apply in 86360
the district or the portion of the district in which the contract 86361
authorizes an income tax throughout the term of the contract 86362
creating the district. The tax shall not apply to any persons 86363
employed or residing on a parcel excluded from the district under 86364
division (E)(2) of this section. 86365

(6) If there is unincorporated territory in the district, the 86366
contract shall specify that restrictions on annexation proceedings 86367
under division (R) of this section apply to such unincorporated 86368
territory. The contract may prohibit proceedings under Chapter 86369
709. of the Revised Code proposing the annexation to, merger of, 86370
or consolidation with a municipal corporation that is a 86371
contracting party of any unincorporated territory within a 86372
township that is a contracting party during the term of the 86373
contract regardless of whether that territory is located within 86374
the district. 86375

(7) The contract may designate property as a community 86376
entertainment district, or may be amended to designate property as 86377
a community entertainment district, as prescribed in division (D) 86378
of section 4301.80 of the Revised Code. A contract or amendment 86379
designating a community entertainment district shall include all 86380
information and documentation described in divisions (B)(1) to (6) 86381
of section 4301.80 of the Revised Code. The public notice required 86382
under division (I) of this section shall specify that the contract 86383

designates a community entertainment district and describe the 86384
location of that district. Except as provided in division (F) of 86385
section 4301.80 of the Revised Code, an area designated as a 86386
community entertainment district under a joint economic 86387
development district contract shall not lose its designation even 86388
if the contract is canceled or terminated. 86389

(G) The contract creating a joint economic development 86390
district shall continue in existence throughout its term and shall 86391
be binding on the contracting parties and on any parties 86392
succeeding to the contracting parties, whether by annexation, 86393
merger, or consolidation. Except as provided in division (H) of 86394
this section, the contract may be amended, renewed, or terminated 86395
with the approval of the contracting parties or any parties 86396
succeeding to the contracting parties. If the contract is amended 86397
to add or remove an area to or from an existing district, the 86398
amendment shall be adopted in the manner prescribed under division 86399
(L) of this section. 86400

(H) If two or more contracting parties previously have 86401
entered into a separate contract for utility services, then 86402
amendment, renewal, or termination of the separate contract for 86403
utility services shall not constitute any part of the 86404
consideration for the contract creating a joint economic 86405
development district. A contract creating a joint economic 86406
development district shall be rebuttably presumed to violate this 86407
division if it is entered into within two years prior or five 86408
years subsequent to the amendment, renewal, or termination of a 86409
separate contract for utility services that two or more 86410
contracting parties previously have entered into. The presumption 86411
stated in this division may be rebutted by clear and convincing 86412
evidence of both of the following: 86413

(1) That other substantial consideration existed to support 86414
the contract creating a joint economic development district; 86415

(2) That the contracting parties entered into the contract 86416
creating a joint economic development district freely and without 86417
duress or coercion related to the amendment, renewal, or 86418
termination of the separate contract for utility services. 86419

A contract creating a joint economic development district 86420
that violates this division is void and unenforceable. 86421

(I)(1) Before the legislative authority of any of the 86422
contracting parties adopts an ordinance or resolution approving a 86423
contract to create a district, the legislative authority of each 86424
of the contracting parties shall hold a public hearing concerning 86425
the contract and district. Each legislative authority shall 86426
provide at least thirty days' public notice of the time and place 86427
of the public hearing in a newspaper of general circulation in the 86428
municipal corporation, township, or county, as applicable. During 86429
the thirty-day period prior to the public hearing and until the 86430
date that an ordinance or resolution is adopted under division (K) 86431
of this section to approve the joint economic development district 86432
contract, all of the following documents shall be available for 86433
public inspection in the office of the clerk of the legislative 86434
authority of a municipal corporation and county that is a 86435
contracting party and in the office of the fiscal officer of a 86436
township that is a contracting party: 86437

(a) A copy of the contract creating the district, including 86438
the economic development plan for the district and the schedule 86439
for the provision of new, expanded, or additional services, 86440
facilities, or improvements described in division (F)(3) of this 86441
section; 86442

(b) A description of the area or areas to be included in the 86443
district, including a map in sufficient detail to denote the 86444
specific boundaries of the area or areas and to indicate any 86445
zoning restrictions applicable to the area or areas, and the 86446
parcel number, provided for under section 319.28 of the Revised 86447

Code, of any parcel located within the boundaries of the joint 86448
economic development district and excluded from the district under 86449
division (E)(2) of this section; 86450

(c) If the contract authorizes the board of directors of the 86451
district to adopt a resolution to levy an income tax within the 86452
district or within portions of the district, a schedule for the 86453
collection of the tax. 86454

(2) A public hearing held under this division shall allow for 86455
public comment and recommendations on the contract and district. 86456
The contracting parties may include in the contract any of those 86457
recommendations prior to approval of the contract. 86458

(J) Before any of the contracting parties approves a contract 86459
under division (K) of this section, the contracting parties shall 86460
circulate one or more petitions to record owners of real property 86461
located within the proposed joint economic development district 86462
and owners of businesses operating within the proposed district. 86463
The petitions shall state that all of the documents described in 86464
divisions (I)(1)(a) to (c) of this section are available for 86465
public inspection in the office of the clerk of the legislative 86466
authority of each municipal corporation and county that is a 86467
contracting party or the office of the fiscal officer of each 86468
township that is a contracting party. The petitions shall clearly 86469
indicate that, by signing the petition, the record owner or owner 86470
consents to the proposed joint economic development district. 86471

A contracting party may send written notice of the petitions 86472
by certified mail with return receipt requested to the last known 86473
mailing addresses of any or all of the record owners of real 86474
property located within the proposed district or the owners of 86475
businesses operating within the proposed district. The contracting 86476
parties shall equally share the costs of complying with this 86477
division. 86478

(K)(1) After the public hearings required under division (I) 86479
of this section have been held and the petitions described in 86480
division (J) of this section have been signed by the majority of 86481
the record owners of real property located within the proposed 86482
joint economic development district and by a majority of the 86483
owners of businesses, if any, operating within the proposed 86484
district, each contracting party may adopt an ordinance or 86485
resolution approving the contract to create a joint economic 86486
development district. Not later than ten days after all of the 86487
contracting parties have adopted ordinances or resolutions 86488
approving the district contract, each contracting party shall give 86489
notice of the proposed district to all of the following: 86490

(a) Each record owner of real property to be included in the 86491
district and in the territory of that contracting party who did 86492
not sign the petitions described in division (J) of this section; 86493

(b) An owner of each business operating within the district 86494
and in the territory of that contracting party no owner of which 86495
signed the petitions described in division (J) of this section. 86496

(2) Such notices shall be given by certified mail and shall 86497
specify that the property or business is located within an area to 86498
be included in the district and that all of the documents 86499
described in divisions (I)(1)(a) to (c) of this section are 86500
available for public inspection in the office of the clerk of the 86501
legislative authority of each municipal corporation and county 86502
that is a contracting party or the office of the fiscal officer of 86503
each township that is a contracting party. The contracting parties 86504
shall equally share the costs of complying with division (K) of 86505
this section. 86506

(L)(1) The contracting parties may amend the joint economic 86507
development district contract to add any area that was not 86508
originally included in the district if the area satisfies the 86509
criteria prescribed under division (E) of this section. The 86510

contracting parties may also amend the district contract to remove 86511
any area originally included in the district or exclude one or 86512
more parcels located within the district pursuant to division 86513
(E)(2) of this section. 86514

(2) An amendment adding an area to a district, removing an 86515
area from the district, or excluding one or more parcels from the 86516
district may be approved only by a resolution or ordinance adopted 86517
by each of the contracting parties. The contracting parties shall 86518
conduct public hearings on the amendment and provide notice in the 86519
manner required under division (I) of this section for original 86520
contracts. The contracting parties shall make available for public 86521
inspection a copy of the amendment, a description of the area to 86522
be added, removed, or excluded to or from the district, and a map 86523
of that area in sufficient detail to denote the specific 86524
boundaries of the area and to indicate any zoning restrictions 86525
applicable to the area. 86526

(3) Before adopting a resolution or ordinance approving the 86527
addition of an area to the district, the contracting parties shall 86528
circulate petitions to the record owners of real property located 86529
within the proposed addition to the district and owners of 86530
businesses operating within the proposed addition to the district 86531
in the same manner required under division (J) of this section for 86532
original contracts. The contracting parties may notify such record 86533
owners of real property and owners of businesses that the 86534
petitions are available for signing in the same manner provided by 86535
that division. The contracting parties shall equally share the 86536
costs of complying with this division. 86537

(4) The contracting parties to a joint economic development 86538
district may vote to approve an amendment to the district contract 86539
under this division after the public hearings required under 86540
division (L)(2) of this section are completed and, if the 86541
amendment adds an area or areas to the district, the petitions 86542

required under division (L)(3) of this section have been signed by 86543
the majority of record owners of real property located within the 86544
area or areas added to the district and by a majority of the 86545
owners of businesses, if any, operating within the proposed 86546
addition to the district. 86547

(5) Not later than ten days after all of the contracting 86548
parties have adopted ordinances or resolutions approving an 86549
amendment adding one or more areas to the district, each 86550
contracting party shall give notice of the addition to all of the 86551
following: 86552

(a) Each record owner of real property to be included in the 86553
addition to the district and in the territory of that contracting 86554
party who did not sign the petitions described in division (L)(3) 86555
of this section; 86556

(b) An owner of each business operating within the addition 86557
to the district and in the territory of that contracting party no 86558
owner of which signed the petitions described in division (L)(3) 86559
of this section. 86560

The contracting parties shall equally share the costs of 86561
complying with division (L)(5) of this section. 86562

(M)(1) A board of township trustees that is a party to a 86563
contract creating a joint economic development district may choose 86564
not to submit its resolution approving the contract to the 86565
electors of the township if all of the following conditions are 86566
satisfied: 86567

(a) The resolution has been approved by a unanimous vote of 86568
the members of the board of township trustees or, if a county is 86569
one of the contracting parties under division (D) of this section, 86570
the resolution has been approved by a majority vote of the members 86571
of the board of township trustees; 86572

(b) The contracting parties have circulated petitions as 86573

required under division (J) of this section and obtained the 86574
signatures required under division (L) of this section; 86575

(c) The territory to be included in the proposed district is 86576
zoned in a manner appropriate to the function of the district. 86577

(2) If the board of township trustees has not invoked its 86578
authority under division (M)(1) of this section, the board, at 86579
least ninety days before the date of the election, shall file its 86580
resolution approving the district contract with the board of 86581
elections for submission to the electors of the township for 86582
approval at the next succeeding general, election or special 86583
election held on a day on which a primary, ~~or special~~ election may 86584
be held. 86585

(3) Any contract creating a district in which a board of 86586
township trustees is a party shall provide that the contract is 86587
not effective before the thirty-first day after its approval, 86588
including approval by the electors of the township if required by 86589
this section. 86590

(4) If the board of township trustees invokes its authority 86591
under division (M)(1) of this section and does not submit the 86592
district contract to the electors for approval, the resolution of 86593
the board of township trustees approving the contract is subject 86594
to a referendum of the electors of the township when requested 86595
through a petition. When signed by ten per cent of the number of 86596
electors in the township who voted for the office of governor at 86597
the most recent general election, a referendum petition asking 86598
that the resolution be submitted to the electors of the township 86599
may be presented to the board of township trustees. Such a 86600
petition shall be presented within thirty days after the board of 86601
township trustees adopts the resolution approving the district 86602
contract. The board of township trustees shall, not later than 86603
four p.m. of the tenth day after receipt of the petition, certify 86604
the text of the resolution to the board of elections. The board of 86605

elections shall submit the resolution to the electors of the township for their approval or rejection at the next general, election or special election held on a day on which a primary, or special election may be held, occurring at least ninety days after certification of the resolution.

(N) The ballot respecting a resolution to create a district or a referendum of such a resolution shall be in the following form:

"Shall the resolution of the board of township trustees approving the contract with (here insert name of every other contracting party) for the creation of a joint economic development district be approved?"

FOR THE RESOLUTION AND CONTRACT

AGAINST THE RESOLUTION AND CONTRACT"

If a majority of the electors of the township voting on the issue vote for the resolution and contract, the resolution shall become effective immediately and the contract shall go into effect on the thirty-first day after the election or thereafter in accordance with terms of the contract.

(O) Upon the creation of a district under this section, one of the contracting parties shall file a copy of each of the following documents with the director of development services:

(1) All of the documents described in divisions (I)(1)(a) to (c) of this section;

(2) Certified copies of the ordinances and resolutions of the contracting parties relating to the contract and district;

(3) Documentation from each contracting party that the public hearings required by division (I) of this section have been held, the date of the hearings, and evidence that notice of the hearings was published as required by that division;

(4) A copy of the signed petitions required under divisions 86636
(J) and (K) of this section. 86637

(P) A board of directors shall govern each district created 86638
under this section. 86639

(1) If there are businesses operating and persons employed 86640
within the district, the board shall be composed of the following 86641
members: 86642

(a) One member representing the municipal corporations that 86643
are contracting parties; 86644

(b) One member representing the townships that are 86645
contracting parties; 86646

(c) One member representing the owners of businesses 86647
operating within the district; 86648

The legislative authority of each contracting party shall be 86734

(2) Any or all of the contracting parties may submit a 86740

(4) The court shall grant the exemption requested in the 86759
complaint if all of the criteria described in divisions (Q)(1)(a) 86760

(5) If all the criteria described in divisions (Q)(1)(a) to 86762
(c) of this section are not met, the court shall deny the 86763

(2) The contract creating a joint economic development 86796
district may prohibit any annexation proceeding by a contracting 86797
municipal corporation of any unincorporated territory within the 86798
district or zone beyond the period described in division (R)(1) of 86799
this section. 86800

(3) No contracting party is divested or relieved of its 86801

consolidation. 86804

(S) Contracting parties may enter into agreements pursuant to 86805
the contract creating a joint economic development district with 86806
respect to the substance and administration of zoning and other 86807
land use regulations, building codes, permanent public 86808
improvements, and other regulatory and proprietary matters 86809
determined to be for a public purpose. No contract, however, shall 86810
exempt the territory within the district from the procedures of 86811
land use regulation applicable pursuant to municipal corporation, 86812
township, and county regulations, including, but not limited to, 86813

(T) The powers granted under this section are in addition to 86815
and not in the derogation of all other powers possessed by or 86816
granted to municipal corporations, townships, and counties 86817
pursuant to law. 86818

(1) When exercising a power or performing a function or duty 86819
under a contract entered into under this section, a municipal 86820

5709.632 of the Revised Code on any property located within the 86838
district without the consent of all the contracting parties. The 86839
prohibition against granting a tax exemption under this section 86840
does not apply to any exemption filed, pending, or approved before 86841
the effective date of the contract entered into under this 86842
section. 86843

the tax, provided that the provision does not conflict with any 86865
provision of this chapter. 86866

(B) Any municipal corporation that, on or before March 23, 86867
2015, levies an income tax at a rate in excess of one per cent may 86868

(C)(1) No municipal corporation shall tax income at other 86872
than a uniform rate. 86873

(2) Except as provided in division (B) of this section, no 86874
municipal corporation shall levy a tax on income at a rate in 86875

A municipal corporation is not required to refund taxes not paid to the municipal corporation.

(E) Except as otherwise provided in this chapter, a municipal corporation that levies an income tax in effect for taxable years beginning before January 1, 2016, may continue to administer and enforce the provisions of such tax for all taxable years beginning before January 1, 2016, provided that the provisions of such tax are consistent with this chapter as it existed prior to March 23, 2015.

No municipal corporation shall enforce an ordinance or

resolution that conflicts with the provisions of this chapter. 86914

(G)(1) Division (G) of this section applies to a municipal 86915
corporation that, at the time of entering into a written agreement 86916
under division (G)(2) of this section, shares the same territory 86917
as a city, local, or exempted village school district, to the 86918
extent that not more than thirty per cent of the territory of the 86919
municipal corporation is located outside the school district and a 86920

the tax, except that the legislative authority may not propose to 86969
levy the income tax on the incomes of nonresident individuals. 86970
Prior to proposing the tax, the legislative authority shall 86971
negotiate and enter into a written agreement with the board of 86972

to the school district. 87032

Sec. 718.10. (A) This section applies to a group of two or 87033
more municipal corporations that, taken together, share the same 87034
territory as a single city, local, or exempted village school 87035
district, to the extent that not more than five per cent of the 87036
territory of the municipal corporations as a group is located 87037

tax, which shall be a general election or a special election held 87058
on a day on which a primary election may be held, and all of which 87059
shall be the same for each municipal corporation. The agreement 87060
also shall state the purpose for which the school district will 87061
use the money, and specify the method and schedule by which each 87062

~~The special election shall be held on a day specified in division~~ 87064
~~(D) of section 3501.01 of the Revised Code, including a day on~~ 87065

After the legislative authorities and board of education have 87068

of the Revised Code and shall state the rate of the tax, the 87072
percentage of tax revenue to be paid to the school district, the 87073
purpose for which the municipal corporation will use its share of 87074
the tax revenue, and the first year the tax will be levied. Each 87075
ordinance also shall state that the question of the income tax 87076
will be submitted to the electors of the municipal corporation on 87077
the same date as the submission of questions of an identical tax 87078
to the electors of each of the other municipal corporations in the 87079
group, and that unless the electors of all of the municipal 87080
corporations in the group approve the tax in their respective 87081
municipal corporations, none of the municipal corporations in the 87082
group shall levy the tax. Each legislative authority also shall 87083
adopt a resolution specifying the ~~regular or special election~~ date 87084
the election will be held, as provided in the written agreement, 87085
and directing the board of elections to conduct the election. At 87086
least ninety days before the date of the election, each 87087
legislative authority shall file certified copies of the ordinance 87088
and resolution with the board of elections. 87089

(C) For each of the municipal corporations, the board of 87090
elections shall make the necessary arrangements for the submission 87091

the county in which the township park district is located. The 87136
proposed park district shall include within its boundary all 87137
townships and municipal corporations in which lands owned by the 87138
township park district seeking conversion are located, and may 87139

county in which the township park district is located. 87141

(B) Conversion of a township park district into a park 87142

initiated by a resolution adopted by the board of park 87144
commissioners of the park district. Any resolution initiating a 87145
conversion shall include the following: 87146

(1) The name of the township park district seeking 87147
conversion; 87148

The resolution may also include a proposed tax levy for the 87153
operation and maintenance of the proposed park district. If such a 87154
tax levy is proposed, the resolution shall specify the annual rate 87155
of the tax, expressed in dollars and cents for each one hundred 87156
dollars of valuation and in mills for each dollar of valuation, 87157
and shall specify the number of consecutive years the levy will be 87158
in effect. The annual rate of such a tax may not be higher than 87159
the total combined millage of all levies then in effect for the 87160
benefit of the township park district named in the resolution. 87161

(C) Upon adoption of the resolution provided for in division 87162
(B) of this section, the board of park commissioners of the 87163
township park district seeking conversion under this section shall 87164
certify the resolution to the board of elections of the county in 87165

which the park district is located no later than four p.m. of the 87166
seventy-fifth day before the day of the election at which the 87167
question will be voted upon. Upon certification of the resolution 87168
to the board, the board of elections shall make the necessary 87169
arrangements to submit the question of conversion of the township 87170
park into a park district operated and maintained under Chapter 87171
1545. of the Revised Code, to the electors who reside in the 87172
territory of the proposed park district and are qualified to vote 87173
at the next ~~primary or~~ general election ~~who reside in the~~ 87174
~~territory of the proposed park district~~ or special election held 87175

resolution. 87178

(D) The ballot submitted to the electors as provided in 87179
division (C) of this section shall contain the following language: 87180

district seeking conversion) be converted into a park district to 87182

district), which park district shall include the following 87185
townships and municipal corporations: 87186

converted) and in the levy of a new tax for the operation and 87191

Sec. 1545.21. The board of park commissioners, by resolution, 87231
may submit to the electors of the park district the question of 87232
levying taxes for the use of the district. The resolution shall 87233
declare the necessity of levying such taxes, shall specify the 87234
purpose for which such taxes shall be used, the annual rate 87235
proposed, and the number of consecutive years the rate shall be 87236
levied. Such resolution shall be forthwith certified to the board 87237
of elections in each county in which any part of such district is 87238
located, not later than the ninetieth day before the day of the 87239
election, and the question of the levy of taxes as provided in 87240
such resolution shall be submitted to the electors of the district 87241
at a general election or a special election held on a day on which 87242
a primary election to be held on whichever of the following occurs
first: 87243
87244

~~(A) The day of the next general election;~~ 87245

~~(B) The first Tuesday after the first Monday in May in any 87246
calendar year, except that if a presidential primary election is 87247
held in that calendar year, then the day of that election may be 87248
held. The 87249~~

The ballot shall set forth the purpose for which the taxes 87250
shall be levied, the annual rate of levy, and the number of years 87251
of such levy. If the tax is to be placed on the current tax list, 87252
the form of the ballot shall state that the tax will be levied in 87253
the current tax year and shall indicate the first calendar year 87254
the tax will be due. If the resolution of the board of park 87255
commissioners provides that an existing levy will be canceled upon 87256
the passage of the new levy, the ballot may include a statement 87257
that: "an existing levy of ... mills (stating the original levy 87258
millage), having ... years remaining, will be canceled and 87259

replaced upon the passage of this levy." In such case, the ballot 87260
may refer to the new levy as a "replacement levy" if the new 87261
millage does not exceed the original millage of the levy being 87262
canceled or as a "replacement and additional levy" if the new 87263
millage exceeds the original millage of the levy being canceled. 87264
If a majority of the electors voting upon the question of such 87265
levy vote in favor thereof, such taxes shall be levied and shall 87266
be in addition to the taxes authorized by section 1545.20 of the 87267
Revised Code, and all other taxes authorized by law. The rate 87268
submitted to the electors at any one time shall not exceed two 87269
mills annually upon each dollar of valuation unless the purpose of 87270
the levy includes providing operating revenues for one of Ohio's 87271
major metropolitan zoos, as defined in section 4503.74 of the 87272
Revised Code, in which case the rate shall not exceed three mills 87273
annually upon each dollar of valuation. When a tax levy has been 87274
authorized as provided in this section or in section 1545.041 of 87275
the Revised Code, the board of park commissioners may issue bonds 87276
pursuant to section 133.24 of the Revised Code in anticipation of 87277
the collection of such levy, provided that such bonds shall be 87278
issued only for the purpose of acquiring and improving lands. Such 87279
levy, when collected, shall be applied in payment of the bonds so 87280
issued and the interest thereon. The amount of bonds so issued and 87281
outstanding at any time shall not exceed one per cent of the total 87282
tax valuation in such district. Such bonds shall bear interest at 87283
a rate not to exceed the rate determined as provided in section 87284
9.95 of the Revised Code. 87285

Sec. 3311.21. (A) In addition to the resolutions authorized 87286
by sections 5705.194, 5705.199, 5705.21, 5705.212, and 5705.213 of 87287
the Revised Code, the board of education of a joint vocational or 87288
cooperative education school district by a vote of two-thirds of 87289
its full membership may at any time adopt a resolution declaring 87290
the necessity to levy a tax in excess of the ten-mill limitation 87291

for a period not to exceed ten years to provide funds for any one 87292
or more of the following purposes, which may be stated in the 87293
following manner in such resolution, the ballot, and the notice of 87294
election: purchasing a site or enlargement thereof and for the 87295
erection and equipment of buildings; for the purpose of enlarging, 87296
improving, or rebuilding thereof; for the purpose of providing for 87297
the current expenses of the joint vocational or cooperative school 87298
district; or for a continuing period for the purpose of providing 87299
for the current expenses of the joint vocational or cooperative 87300
education school district. The resolution shall specify the amount 87301
of the proposed rate and, if a renewal, whether the levy is to 87302
renew all, or a portion of, the existing levy, and shall specify 87303
the first year in which the levy will be imposed. If the levy 87304
provides for but is not limited to current expenses, the 87305
resolution shall apportion the annual rate of the levy between 87306
current expenses and the other purpose or purposes. Such 87307
apportionment may but need not be the same for each year of the 87308
levy, but the respective portions of the rate actually levied each 87309
year for current expenses and the other purpose or purposes shall 87310
be limited by such apportionment. The portion of any such rate 87311
actually levied for current expenses of a joint vocational or 87312
cooperative education school district shall be used in applying 87313
division (A) of section 3317.01 of the Revised Code. The portion 87314
of any such rate not apportioned to the current expenses of a 87315
joint vocational or cooperative education school district shall be 87316
used in applying division (B) of this section. On the adoption of 87317
such resolution, the joint vocational or cooperative education 87318
school district board of education shall certify the resolution to 87319
the board of elections of the county containing the most populous 87320
portion of the district, which board shall receive resolutions for 87321
filing and send them to the boards of elections of each county in 87322
which territory of the district is located, furnish all ballots 87323
for the election as provided in section 3505.071 of the Revised 87324

Code, and prepare the election notice; and the board of elections 87325
of each county in which the territory of such district is located 87326
shall make the other necessary arrangements for the submission of 87327
the question to the electors of the joint vocational or 87328
cooperative education school district at the next ~~primary or~~ 87329
general election or special election held on a day on which a 87330
primary election may be held, occurring not less than ninety days 87331
after the resolution was received from the joint vocational or 87332
cooperative education school district board of education, ~~or at a~~ 87333
~~special election to be held at a time designated by the district~~ 87334
~~board of education consistent with the requirements of section~~ 87335
~~3501.01 of the Revised Code, which date shall not be earlier than~~ 87336
~~ninety days after the adoption and certification of the~~ 87337
~~resolution.~~ 87338

The board of elections of the county or counties in which 87339
territory of the joint vocational or cooperative education school 87340
district is located shall cause to be published in a newspaper of 87341
general circulation in that district an advertisement of the 87342
proposed tax levy question, together with a statement of the 87343
amount of the proposed levy once a week for two consecutive weeks 87344
or as provided in section 7.16 of the Revised Code, prior to the 87345
election at which the question is to appear on the ballot. If the 87346
board of elections operates and maintains a web site, the board 87347
also shall post the advertisement on its web site for thirty days 87348
prior to that election. 87349

If a majority of the electors voting on the question of 87350
levying such tax vote in favor of the levy, the joint vocational 87351
or cooperative education school district board of education shall 87352
annually make the levy within the district at the rate specified 87353
in the resolution and ballot or at any lesser rate, and the county 87354
auditor of each affected county shall annually place the levy on 87355
the tax list and duplicate of each school district in the county 87356

having territory in the joint vocational or cooperative education 87357
school district. The taxes realized from the levy shall be 87358
collected at the same time and in the same manner as other taxes 87359
on the duplicate, and the taxes, when collected, shall be paid to 87360
the treasurer of the joint vocational or cooperative education 87361
school district and deposited to a special fund, which shall be 87362
established by the joint vocational or cooperative education 87363
school district board of education for all revenue derived from 87364
any tax levied pursuant to this section and for the proceeds of 87365
anticipation notes which shall be deposited in such fund. After 87366
the approval of the levy, the joint vocational or cooperative 87367
education school district board of education may anticipate a 87368
fraction of the proceeds of the levy and from time to time, during 87369
the life of the levy, but in any year prior to the time when the 87370
tax collection from the levy so anticipated can be made for that 87371
year, issue anticipation notes in an amount not exceeding fifty 87372
per cent of the estimated proceeds of the levy to be collected in 87373
each year up to a period of five years after the date of the 87374
issuance of the notes, less an amount equal to the proceeds of the 87375
levy obligated for each year by the issuance of anticipation 87376
notes, provided that the total amount maturing in any one year 87377
shall not exceed fifty per cent of the anticipated proceeds of the 87378
levy for that year. Each issue of notes shall be sold as provided 87379
in Chapter 133. of the Revised Code, and shall, except for such 87380
limitation that the total amount of such notes maturing in any one 87381
year shall not exceed fifty per cent of the anticipated proceeds 87382
of the levy for that year, mature serially in substantially equal 87383
installments, during each year over a period not to exceed five 87384
years after their issuance. 87385

(B) Prior to the application of section 319.301 of the 87386
Revised Code, the rate of a levy that is limited to, or to the 87387
extent that it is apportioned to, purposes other than current 87388
expenses shall be reduced in the same proportion in which the 87389

district's total valuation increases during the life of the levy 87390
because of additions to such valuation that have resulted from 87391
improvements added to the tax list and duplicate. 87392

(C) The form of ballot cast at an election under division (A) 87393
of this section shall be as prescribed by section 5705.25 of the 87394
Revised Code. 87395

Sec. 3311.213. (A) With the approval of the board of 87396
education of a joint vocational school district that is in 87397
existence, any school district in the county or counties 87398
comprising the joint vocational school district or any school 87399
district in a county adjacent to a county comprising part of a 87400
joint vocational school district may become a part of the joint 87401
vocational school district. On the adoption of a resolution of 87402
approval by the board of education of the joint vocational school 87403
district, it shall advertise a copy of such resolution in a 87404
newspaper of general circulation in the school district proposing 87405
to become a part of such joint vocational school district once 87406
each week for two weeks, or as provided in section 7.16 of the 87407
Revised Code, immediately following the date of the adoption of 87408
such resolution. Such resolution shall not become effective until 87409
the later of the sixty-first day after its adoption or until the 87410
board of elections certifies the results of an election in favor 87411
of joining of the school district to the joint vocational school 87412
district if such an election is held under division (B) of this 87413
section. 87414

(B) During the sixty-day period following the date of the 87415
adoption of a resolution to join a school district to a joint 87416
vocational school district under division (A) of this section, the 87417
electors of the school district that proposes joining the joint 87418
vocational school district may petition for a referendum vote on 87419
the resolution. The question whether to approve or disapprove the 87420

resolution shall be submitted to the electors of such school 87421
district if a number of qualified electors equal to twenty per 87422
cent of the number of electors in the school district who voted 87423
for the office of governor at the most recent general election for 87424
that office sign a petition asking that the question of whether 87425
the resolution shall be disapproved be submitted to the electors. 87426
The petition shall be filed with the board of elections of the 87427
county in which the school district is located. If the school 87428
district is located in more than one county, the petition shall be 87429
filed with the board of elections of the county in which the 87430
majority of the territory of the school district is located. The 87431
board shall certify the validity and sufficiency of the signatures 87432
on the petition. 87433

The board of elections shall immediately notify the board of 87434
education of the joint vocational school district and the board of 87435
education of the school district that proposes joining the joint 87436
vocational school district that the petition has been filed. 87437

The effect of the resolution shall be stayed until the board 87438
of elections certifies the validity and sufficiency of the 87439
signatures on the petition. If the board of elections determines 87440
that the petition does not contain a sufficient number of valid 87441
signatures and sixty days have passed since the adoption of the 87442
resolution, the resolution shall become effective. 87443

If the board of elections certifies that the petition 87444
contains a sufficient number of valid signatures, the board shall 87445
submit the question to the qualified electors of the school 87446
district ~~on the day of~~ at the next general or special election 87447
held on a day on which a primary election may be held, occurring 87448
at least ninety days after but no later than six months after the 87449
board of elections certifies the validity and sufficiency of 87450
signatures on the petition. ~~If there is no general or primary~~ 87451
~~election held at least ninety days after but no later than six~~ 87452

~~months after the board of elections certifies the validity and~~ 87453
~~sufficiency of signatures on the petition, the board shall submit~~ 87454
~~the question to the electors at a special election to be held on~~ 87455
~~the next day specified for special elections in division (D) of~~ 87456
~~section 3501.01 of the Revised Code that occurs at least ninety~~ 87457
~~days after the board certifies the validity and sufficiency of~~ 87458
~~signatures on the petition.~~ The election shall be conducted and 87459
canvassed and the results shall be certified in the same manner as 87460
in regular elections for the election of members of a board of 87461
education. 87462

If a majority of the electors voting on the question 87463
disapprove the resolution, the resolution shall not become 87464
effective. 87465

(C) If the resolution becomes effective, the board of 87466
education of the joint vocational school district shall notify the 87467
county auditor of the county in which the school district becoming 87468
a part of the joint vocational school district is located, who 87469
shall thereupon have any outstanding levy for building purposes, 87470
bond retirement, or current expenses in force in the joint 87471
vocational school district spread over the territory of the school 87472
district becoming a part of the joint vocational school district. 87473
On the addition of a city or exempted village school district or 87474
an educational service center to the joint vocational school 87475
district, pursuant to this section, the board of education of such 87476
joint vocational school district shall submit to the state board 87477
of education a proposal to enlarge the membership of such board by 87478
the addition of one or more persons at least one of whom shall be 87479
a member of the board of education or governing board of such 87480
additional school district or educational service center, and the 87481
term of each such additional member. On the addition of a local 87482
school district to the joint vocational school district, pursuant 87483
to this section, the board of education of such joint vocational 87484

school district may submit to the state board of education a 87485
proposal to enlarge the membership of such board by the addition 87486
of one or more persons who are members of the educational service 87487
center governing board of such additional local school district. 87488
On approval by the state board of education additional members 87489
shall be added to such joint vocational school district board of 87490
education. 87491

Sec. 3311.22. A governing board of an educational service 87492
center may propose, by resolution adopted by majority vote of its 87493
full membership, or qualified electors of the area affected equal 87494
in number to at least fifty-five per cent of the qualified 87495
electors voting at the last general election residing within that 87496
portion of a school district, or districts proposed to be 87497
transferred may propose, by petition, the transfer of a part or 87498
all of one or more local school districts to another local school 87499
district or districts within the territory of the educational 87500
service center. Such transfers may be made only to local school 87501
districts adjoining the school district that is proposed to be 87502
transferred, unless the board of education of the district 87503
proposed to be transferred has entered into an agreement pursuant 87504
to section 3313.42 of the Revised Code, in which case such 87505
transfers may be made to any local school district within the 87506
territory of the educational service center. 87507

When a governing board of an educational service center 87508
adopts a resolution proposing a transfer of school territory it 87509
shall forthwith file a copy of such resolution, together with an 87510
accurate map of the territory described in the resolution, with 87511
the board of education of each school district whose boundaries 87512
would be altered by such proposal. A governing board of an 87513
educational service center proposing a transfer of territory under 87514
the provisions of this section shall at its next regular meeting 87515
that occurs not earlier than thirty days after the adoption by the 87516

governing board of a resolution proposing such transfer, adopt a 87517
resolution making the transfer effective at any time prior to the 87518
next succeeding first day of July, unless, prior to the expiration 87519
of such thirty-day period, qualified electors residing in the area 87520
proposed to be transferred, equal in number to a majority of the 87521
qualified electors voting at the last general election, file a 87522
petition of referendum against such transfer. 87523

Any petition of transfer or petition of referendum filed 87524
under the provisions of this section shall be filed at the office 87525
of the educational service center superintendent. The person 87526
presenting the petition shall be given a receipt containing 87527
thereon the time of day, the date, and the purpose of the 87528
petition. 87529

The educational service center superintendent shall cause the 87530
board of elections to check the sufficiency of signatures on any 87531
petition of transfer or petition of referendum filed under this 87532
section and, if found to be sufficient, the superintendent shall 87533
present the petition to the educational service center governing 87534
board at a meeting of the board which shall occur not later than 87535
thirty days following the filing of the petition. 87536

Upon presentation to the educational service center governing 87537
board of a proposal to transfer territory as requested by petition 87538
of fifty-five per cent of the qualified electors voting at the 87539
last general election or a petition of referendum against a 87540
proposal of the county board to transfer territory, the governing 87541
board shall promptly certify the proposal to the board of 87542
elections for the purpose of having the proposal placed on the 87543
ballot at the next general election or special election held on a 87544
day on which a primary election ~~which occurs~~ may be held, 87545
occurring not less than ninety days after the date of such 87546
certification, ~~or at a special election, the date of which shall~~ 87547
~~be specified in the certification, which date shall not be less~~ 87548

~~than ninety days after the date of such certification.~~ Signatures 87549
on a petition of transfer or petition of referendum may be 87550
withdrawn up to and including the above mentioned meeting of the 87551
educational service center governing board only by order of the 87552
board upon testimony of the petitioner concerned under oath before 87553
the board that the petitioner's signature was obtained by fraud, 87554
duress, or misrepresentation. 87555

If a petition is filed with the educational service center 87556
governing board which proposes the transfer of a part or all of 87557
the territory included in a resolution of transfer previously 87558
adopted by the educational service center governing board, no 87559
action shall be taken on such petition if within the thirty-day 87560
period after the adoption of the resolution of transfer a 87561
referendum petition is filed. After the election, if the proposed 87562
transfer fails to receive a majority vote, action on such petition 87563
shall then be processed under this section as though originally 87564
filed under the provisions hereof. If no referendum petition is 87565
filed within the thirty-day period after the adoption of the 87566
resolution of transfer, no action shall be taken on such petition. 87567

If a petition is filed with the educational service center 87568
governing board which proposes the transfer of a part or all of 87569
the territory included in a petition previously filed by electors 87570
no action shall be taken on such new petition. 87571

Upon certification of a proposal to the board or boards of 87572
elections pursuant to this section, the board or boards of 87573
elections shall make the necessary arrangements for the submission 87574
of such question to the electors of the county or counties 87575
qualified to vote thereon, and the election shall be conducted and 87576
canvassed and the results shall be certified in the same manner as 87577
in regular elections for the election of members of a board of 87578
education. 87579

The persons qualified to vote upon a proposal are the 87580

electors residing in the district or districts containing 87581
territory that is proposed to be transferred. If the proposed 87582
transfer be approved by at least a majority of the electors voting 87583
on the proposal, the educational service center governing board 87584
shall make such transfer at any time prior to the next succeeding 87585
first day of July. If the proposed transfer is not approved by at 87586
least a majority of the electors voting on the proposal, the 87587
question of transferring any property included in the territory 87588
covered by the proposal shall not be submitted to electors at any 87589
election prior to the first general election the date of which is 87590
at least two years after the date of the original election, or the 87591
first special election held on a day on which a primary election 87592
may be held in an even-numbered year the date of which is at least 87593
two years after the date of the original election. A transfer 87594
shall be subject to the approval of the receiving board or boards 87595
of education, unless the proposal was initiated by the educational 87596
service center governing board, in which case, if the transfer is 87597
opposed by the board of education offered the territory, the local 87598
board may, within thirty days, following the receipt of the notice 87599
of transfer, appeal to the state board of education which shall 87600
then either approve or disapprove the transfer. 87601

Following an election upon a proposed transfer initiated by a 87602
petition the board of education that is offered territory shall, 87603
within thirty days following receipt of the proposal, either 87604
accept or reject the transfer. 87605

When an entire school district is proposed to be transferred 87606
to two or more school districts and the offer is rejected by any 87607
one of the receiving boards of education, none of the territory 87608
included in the proposal shall be transferred. 87609

Upon the acceptance of territory by the receiving board or 87610
boards of education the educational service center governing board 87611
offering the territory shall file with the county auditor and with 87612

the state board of education an accurate map showing the 87613
boundaries of the territory transferred. 87614

Upon the making of such transfer, the net indebtedness of the 87615
former district from which territory was transferred shall be 87616
apportioned between the acquiring school district and that portion 87617
of the former school district remaining after the transfer in the 87618
ratio which the assessed valuation of the territory transferred to 87619
the acquiring school district bears to the assessed valuation of 87620
the original school district as of the effective date of the 87621
transfer. As used in this section "net indebtedness" means the 87622
difference between the par value of the outstanding and unpaid 87623
bonds and notes of the school district and the amount held in the 87624
sinking fund and other indebtedness retirement funds for their 87625
redemption. 87626

Upon the making of any transfer under this section, the funds 87627
of the district from which territory was transferred shall be 87628
divided equitably by the educational service center governing 87629
board between the acquiring district and any part of the original 87630
district remaining after the transfer. 87631

If an entire district is transferred the board of education 87632
of such district is thereby abolished or if a member of the board 87633
of education lives in that part of a school district transferred 87634
the member becomes a nonresident of the school district from which 87635
the territory was transferred and such member ceases to be a 87636
member of the board of education of such district. 87637

The legal title of all property of the board of education in 87638
the territory transferred shall become vested in the board of 87639
education of the school district to which such territory is 87640
transferred. 87641

Subsequent to June 30, 1959, if an entire district is 87642
transferred, foundation program moneys accruing to a district 87643

accepting school territory under the provisions of this section or 87644
former section 3311.22 of the Revised Code, shall not be less, in 87645
any year during the next succeeding three years following the 87646
transfer, than the sum of the amounts received by the districts 87647
separately in the year in which the transfer was consummated. 87648

Sec. 3311.231. A governing board of an educational service 87649
center may propose, by resolution adopted by majority vote of its 87650
full membership, or qualified electors of the area affected equal 87651
in number to not less than fifty-five per cent of the qualified 87652
electors voting at the last general election residing within that 87653
portion of a school district proposed to be transferred may 87654
propose, by petition, the transfer of a part or all of one or more 87655
local school districts within the territory of the center to an 87656
adjoining educational service center or to an adjoining city or 87657
exempted village school district. 87658

A governing board of an educational service center adopting a 87659
resolution proposing a transfer of school territory under this 87660
section shall file a copy of such resolution together with an 87661
accurate map of the territory described in the resolution, with 87662
the board of education of each school district whose boundaries 87663
would be altered by such proposal. Where a transfer of territory 87664
is proposed by a governing board of an educational service center 87665
under this section, the governing board shall, at its next regular 87666
meeting that occurs not earlier than the thirtieth day after the 87667
adoption by the governing board of the resolution proposing such 87668
transfer, adopt a resolution making the transfer as originally 87669
proposed, effective at any time prior to the next succeeding first 87670
day of July, unless, prior to the expiration of such thirty-day 87671
period, qualified electors residing in the area proposed to be 87672
transferred, equal in number to a majority of the qualified 87673
electors voting at the last general election, file a petition of 87674
referendum against such transfer. 87675

Any petition of transfer or petition of referendum under the 87676
provisions of this section shall be filed at the office of the 87677
educational service center superintendent. The person presenting 87678
the petition shall be given a receipt containing thereon the time 87679
of day, the date, and the purpose of the petition. 87680

The educational service center superintendent shall cause the 87681
board of elections to check the sufficiency of signatures on any 87682
such petition, and, if found to be sufficient, the superintendent 87683
shall present the petition to the educational service center 87684
governing board at a meeting of said governing board which shall 87685
occur not later than thirty days following the filing of said 87686
petition. 87687

The educational service center governing board shall promptly 87688
certify the proposal to the board of elections of such counties in 87689
which school districts whose boundaries would be altered by such 87690
proposal are located for the purpose of having the proposal placed 87691
on the ballot at the next general election or special election 87692
held on a day on which a primary election which occurs may be 87693
held, occurring not less than ninety days after the date of such 87694
certification ~~or at a special election, the date of which shall be~~ 87695
~~specified in the certification, which date shall not be less than~~ 87696
~~ninety days after the date of such certification.~~ 87697

Signatures on a petition of transfer or petition of 87698
referendum may be withdrawn up to and including the above 87699
mentioned meeting of the educational service center governing 87700
board only by order of the governing board upon testimony of the 87701
petitioner concerned under oath before the board that the 87702
petitioner's signature was obtained by fraud, duress, or 87703
misrepresentation. 87704

If a petition is filed with the educational service center 87705
governing board which proposes the transfer of a part or all of 87706
the territory included either in a petition previously filed by 87707

electors or in a resolution of transfer previously adopted by the 87708
educational service center governing board, no action shall be 87709
taken on such new petition as long as the previously initiated 87710
proposal is pending before the governing board or is subject to an 87711
election. 87712

Upon certification of a proposal to the board or boards of 87713
elections pursuant to this section, the board or boards of 87714
elections shall make the necessary arrangements for the submission 87715
of such question to the electors of the county or counties 87716
qualified to vote thereon, and the election shall be conducted and 87717
canvassed and the results shall be certified in the same manner as 87718
in regular elections for the election of members of a board of 87719
education. 87720

The persons qualified to vote upon a proposal are the 87721
electors residing in the district or districts containing 87722
territory that is proposed to be transferred. If the proposed 87723
transfer is approved by at least a majority of the electors voting 87724
on the proposal, the educational service center governing board 87725
shall make such transfer at any time prior to the next succeeding 87726
first day of July, subject to the approval of the receiving board 87727
of education in case of a transfer to a city or exempted village 87728
school district, and subject to the approval of the educational 87729
service center governing board of the receiving center, in case of 87730
a transfer to an educational service center. If the proposed 87731
transfer is not approved by at least a majority of the electors 87732
voting on the proposal, the question of transferring any property 87733
included in the territory covered by the proposal shall not be 87734
submitted to electors at any election prior to the first general 87735
election the date of which is at least two years after the date of 87736
the original election, or the first special election held on a day 87737
on which a primary election may be held in an even-numbered year 87738
the date of which is at least two years after the date of the 87739

original election. 87740

Where a territory is transferred under this section to a city 87741
or exempted village school district, the board of education of 87742
such district shall, and where territory is transferred to an 87743
educational service center the governing board of such educational 87744
service center shall, within thirty days following receipt of the 87745
proposal, either accept or reject the transfer. 87746

Where a governing board of an educational service center 87747
adopts a resolution accepting territory transferred to the 87748
educational service center under the provisions of sections 87749
3311.231 and 3311.24 of the Revised Code, the governing board 87750
shall, at the time of the adoption of the resolution accepting the 87751
territory, designate the school district to which the accepted 87752
territory shall be annexed. 87753

When an entire school district is proposed to be transferred 87754
to two or more adjoining school districts and the offer is 87755
rejected by any one of the receiving boards of education, none of 87756
the territory included in the proposal shall be transferred. 87757

Upon the acceptance of territory by the receiving board or 87758
boards of education the educational service center governing board 87759
offering the territory shall file with the county auditor of each 87760
county affected by the transfer and with the state board of 87761
education an accurate map showing the boundaries of the territory 87762
transferred. 87763

Upon the making of such transfer, the net indebtedness of the 87764
former district from which territory was transferred shall be 87765
apportioned between the acquiring school district and the portion 87766
of the former school district remaining after the transfer in the 87767
ratio which the assessed valuation of the territory transferred to 87768
the acquiring school district bears to the assessed valuation of 87769
the original school district as of the effective date of the 87770

transfer. As used in this section "net indebtedness" means the 87771
difference between the par value of the outstanding and unpaid 87772
bonds and notes of the school district and the amount held in the 87773
sinking fund and other indebtedness retirement funds for their 87774
redemption. 87775

Upon the making of any transfer under this section, the funds 87776
of the district from which territory was transferred shall be 87777
divided equitably by the educational service center governing 87778
board, between the acquiring district and any part of the original 87779
district remaining after the transfer. 87780

If an entire district is transferred the board of education 87781
of such district is thereby abolished or if a member of the board 87782
of education lives in that part of a school district transferred 87783
the member becomes a nonresident of the school district from which 87784
the territory was transferred and such member ceases to be a 87785
member of the board of education of such district. 87786

The legal title of all property of the board of education in 87787
the territory transferred shall become vested in the board of 87788
education of the school district to which such territory is 87789
transferred. 87790

If an entire district is transferred, foundation program 87791
moneys accruing to a district receiving school territory under the 87792
provisions of this section shall not be less, in any year during 87793
the next succeeding three years following the transfer, than the 87794
sum of the amounts received by the districts separately in the 87795
year in which the transfer was consummated. 87796

Sec. 3311.26. The state board of education may, by resolution 87797
adopted by majority vote of its full membership, propose the 87798
creation of a new local school district from one or more local 87799
school districts or parts thereof, including the creation of a 87800
local district with noncontiguous territory from one or more local 87801

school districts if one of those districts has entered into an 87802
agreement under section 3313.42 of the Revised Code. Such proposal 87803
shall include an accurate map showing the territory affected. 87804
After the adoption of the resolution, the state board shall file a 87805
copy of such proposal with the board of education of each school 87806
district whose boundaries would be altered by such proposal. 87807

87808

Upon the creation of a new district under this section, the 87809
state board shall at its next regular meeting that occurs not 87810
earlier than thirty days after the adoption by the state board of 87811
the resolution proposing such creation, adopt a resolution making 87812
the creation effective prior to the next succeeding first day of 87813
July, unless, prior to the expiration of such thirty-day period, 87814
qualified electors residing in the area included in such proposed 87815
new district, equal in number to thirty-five per cent of the 87816
qualified electors voting at the last general election, file a 87817
petition of referendum against the creation of the proposed new 87818
district. 87819

A petition of referendum filed under this section shall be 87820
filed at the office of the state superintendent of public 87821
instruction. The person presenting the petition shall be given a 87822
receipt containing thereon the time of day, the date, and the 87823
purpose of the petition. 87824

If a petition of referendum is filed, the state board shall, 87825
at the next regular meeting of the state board, certify the 87826
proposal to the board of elections for the purpose of having the 87827
proposal placed on the ballot at the next general election or 87828
special election held on a day on which a primary election which 87829
occurs may be held, occurring not less than ninety days after the 87830
date of such certification, ~~or at a special election, the date of~~ 87831
~~which shall be specified in the certification, which date shall~~ 87832
~~not be less than ninety days after the date of such certification.~~ 87833

Upon certification of a proposal to the board or boards of 87834
elections pursuant to this section, the board or boards of 87835
elections shall make the necessary arrangements for the submission 87836
of such question to the electors of the county or counties 87837
qualified to vote thereon, and the election shall be conducted and 87838
canvassed and the results shall be certified in the same manner as 87839
in regular elections for the election of members of a board of 87840
education. 87841

The persons qualified to vote upon a proposal are the 87842
electors residing in the proposed new districts. 87843

If the proposed district be approved by at least a majority 87844
of the electors voting on the proposal, the state board shall then 87845
create such new district prior to the next succeeding first day of 87846
July. 87847

Upon the creation of such district, the indebtedness of each 87848
former district becoming in its entirety a part of the new 87849
district shall be assumed in full by the new district. Upon the 87850
creation of such district, that part of the net indebtedness of 87851
each former district becoming only in part a part of the new 87852
district shall be assumed by the new district which bears the same 87853
ratio to the entire net indebtedness of the former district as the 87854
assessed valuation of the part taken by the new district bears to 87855
the entire assessed valuation of the former district as fixed on 87856
the effective date of transfer. As used in this section, "net 87857
indebtedness" means the difference between the par value of the 87858
outstanding and unpaid bonds and notes of the school district and 87859
the amount held in the sinking fund and other indebtedness 87860
retirement funds for their redemption. Upon the creation of such 87861
district, the funds of each former district becoming in its 87862
entirety a part of the new district shall be paid over in full to 87863
the new district. Upon the creation of such district, the funds of 87864
each former district becoming only in part a part of the new 87865

district shall be divided equitably by the state board between the 87866
new district and that part of the former district not included in 87867
the new district as such funds existed on the effective date of 87868
the creation of the new district. 87869

The state board shall, following the election, file with the 87870
county auditor of each county affected by the creation of a new 87871
district an accurate map showing the boundaries of such newly 87872
created district. 87873

When a new local school district is so created, a board of 87874
education for such newly created district shall be appointed by 87875
the state board. The members of such appointed board of education 87876
shall hold their office until their successors are elected and 87877
qualified. A board of education shall be elected for such newly 87878
created district at the next general election held in an odd 87879
numbered year occurring more than ninety days after the 87880
appointment of the board of education of such newly created 87881
district. At such election two members shall be elected for a term 87882
of two years and three members shall be elected for a term of four 87883
years, and, thereafter, their successors shall be elected in the 87884
same manner and for the same terms as members of the board of 87885
education of a local school district. 87886

When the new district consists of territory lying in two or 87887
more counties, the state board shall determine to which 87888
educational service center the new district shall be assigned. 87889

The legal title of all property of the board of education in 87890
the territory taken shall become vested in the board of education 87891
of the newly created school district. 87892

Foundation program moneys accruing to a district created 87893
under the provisions of this section or previous section 3311.26 87894
of the Revised Code, shall not be less, in any year during the 87895
next succeeding three years following the creation, than the sum 87896

of the amounts received by the districts separately in the year in 87897
which the creation of the district became effective. 87898

If, prior to September 26, 2003, a local school district 87899
board of education or a group of individuals requests the 87900
governing board of an educational service center to consider 87901
proposing the creation of a new local school district, the 87902
governing board, at any time during the one-year period following 87903
the date that request is made, may adopt a resolution proposing 87904
the creation of a new local school district in response to that 87905
request and in accordance with the first paragraph of the version 87906
of this section in effect prior to September 26, 2003. If the 87907
governing board so proposes within that one-year period, the 87908
governing board may proceed to create the new local school 87909
district as it proposed, in accordance with the version of this 87910
section in effect prior to September 26, 2003, subject to the 87911
provisions of that version authorizing a petition and referendum 87912
on the matter. 87913

Consolidations of school districts which include all of the 87914
schools of a county and which become effective on or after July 1, 87915
1959, shall be governed and included under this section. 87916

Sec. 3311.50. (A) As used in this section, "county school 87917
financing district" means a taxing district consisting of the 87918
following territory: 87919

(1) The territory that constitutes the educational service 87920
center on the date that the governing board of that educational 87921
service center adopts a resolution under division (B) of this 87922
section declaring that the territory of the educational service 87923
center is a county school financing district, exclusive of any 87924
territory subsequently withdrawn from the district under division 87925
(D) of this section; 87926

(2) Any territory that has been added to the county school 87927

financing district under this section. 87928

A county school financing district may include the territory 87929
of a city, local, or exempted village school district whose 87930
territory also is included in the territory of one or more other 87931
county school financing districts. 87932

(B) The governing board of any educational service center 87933
may, by resolution, declare that the territory of the educational 87934
service center is a county school financing district. The 87935
resolution shall state the purpose for which the county school 87936
financing district is created, which may be for any one or more of 87937
the following purposes: 87938

(1) To levy taxes for the provision of special education by 87939
the school districts that are a part of the district, including 87940
taxes for permanent improvements for special education; 87941

(2) To levy taxes for the provision of specified educational 87942
programs and services by the school districts that are a part of 87943
the district, as identified in the resolution creating the 87944
district, including the levying of taxes for permanent 87945
improvements for those programs and services. Services financed by 87946
the levy may include school safety and security and mental health 87947
services, including training and employment of or contracting for 87948
the services of safety personnel, mental health personnel, social 87949
workers, and counselors. 87950

(3) To levy taxes for permanent improvements of school 87951
districts that are a part of the district. 87952

The governing board of the educational service center that 87953
creates a county school financing district shall serve as the 87954
taxing authority of the district and may use educational service 87955
center governing board employees to perform any of the functions 87956
necessary in the performance of its duties as a taxing authority. 87957
A county school financing district shall not employ any personnel. 87958

With the approval of a majority of the members of the board 87959
of education of each school district within the territory of the 87960
county school financing district, the taxing authority of the 87961
financing district may amend the resolution creating the district 87962
to broaden or narrow the purposes for which it was created. 87963

A governing board of an educational service center may create 87964
more than one county school financing district. If a governing 87965
board of an educational service center creates more than one such 87966
district, it shall clearly distinguish among the districts it 87967
creates by including a designation of each district's purpose in 87968
the district's name. 87969

(C) A majority of the members of a board of education of a 87970
city, local, or exempted village school district may adopt a 87971
resolution requesting that its territory be joined with the 87972
territory of any county school financing district. Copies of the 87973
resolution shall be filed with the state board of education and 87974
the taxing authority of the county school financing district. 87975
Within sixty days of its receipt of such a resolution, the county 87976
school financing district's taxing authority shall vote on the 87977
question of whether to accept the school district's territory as 87978
part of the county school financing district. If a majority of the 87979
members of the taxing authority vote to accept the territory, the 87980
school district's territory shall thereupon become a part of the 87981
county school financing district unless the county school 87982
financing district has in effect a tax imposed under section 87983
5705.215 of the Revised Code. If the county school financing 87984
district has such a tax in effect, the taxing authority shall 87985
certify a copy of its resolution accepting the school district's 87986
territory to the school district's board of education, which may 87987
then adopt a resolution, with the affirmative vote of a majority 87988
of its members, proposing the submission to the electors of the 87989
question of whether the district's territory shall become a part 87990

of the county school financing district and subject to the taxes 87991
imposed by the financing district. The resolution shall set forth 87992
the date on which the question shall be submitted to the electors, 87993
which shall be at a general election or a special election held on 87994
a day on which a primary election may be held on a date , as 87995
specified in the resolution, which shall not be earlier than 87996
ninety days after the adoption and certification of the 87997
resolution. A copy of the resolution shall immediately be 87998
certified to the board of elections of the proper county, which 87999
shall make arrangements for the submission of the proposal to the 88000
electors of the school district. The board of the joining district 88001
shall publish notice of the election in a newspaper of general 88002
circulation in the county once a week for two consecutive weeks, 88003
or as provided in section 7.16 of the Revised Code, prior to the 88004
election. Additionally, if the board of elections operates and 88005
maintains a web site, the board of elections shall post notice of 88006
the election on its web site for thirty days prior to the 88007
election. The question appearing on the ballot shall read: 88008

"Shall the territory within (name of the school 88009
district proposing to join the county school financing district) 88010
..... be added to (name) county school 88011
financing district, and a property tax for the purposes of 88012
..... (here insert purposes) at a rate of taxation 88013
not exceeding (here insert the outstanding tax rate) 88014
..... be in effect for (here insert the number of 88015
years the tax is to be in effect or "a continuing period of time," 88016
as applicable)?" 88017

If the proposal is approved by a majority of the electors 88018
voting on it, the joinder shall take effect on the first day of 88019
July following the date of the election, and the county board of 88020
elections shall notify the county auditor of each county in which 88021
the school district joining its territory to the county school 88022

financing district is located. 88023

(D) The board of any city, local, or exempted village school 88024
district whose territory is part of a county school financing 88025
district may withdraw its territory from the county school 88026
financing district thirty days after submitting to the governing 88027
board that is the taxing authority of the district and the state 88028
board a resolution proclaiming such withdrawal, adopted by a 88029
majority vote of its members, but any county school financing 88030
district tax levied in such territory on the effective date of the 88031
withdrawal shall remain in effect in such territory until such tax 88032
expires or is renewed. No board may adopt a resolution withdrawing 88033
from a county school financing district that would take effect 88034
during the forty-five days preceding the date of an election at 88035
which a levy proposed under section 5705.215 of the Revised Code 88036
is to be voted upon. 88037

(E) A city, local, or exempted village school district does 88038
not lose its separate identity or legal existence by reason of 88039
joining its territory to a county school financing district under 88040
this section and an educational service center does not lose its 88041
separate identity or legal existence by reason of creating a 88042
county school financing district that accepts or loses territory 88043
under this section. 88044

Sec. 3313.38. The board of education of a school district 88045
that is inaccessible from the mainland at some time of the year 88046
for any reason may purchase, erect, or rent, and maintain a 88047
residence for a principal or teacher, when in the opinion of a 88048
majority of the members of the board it is necessary to insure 88049
adequate personnel for the schools of such district. To provide a 88050
sum sufficient for the purchase price, the cost of the erection, 88051
or the cost of renting such residence an additional tax may be 88052
levied upon all the taxable property in the school district, in 88053

such amount as the board determines. The question of levying such 88054
tax, and the amount thereof, shall be separately submitted to the 88055
qualified electors of the school district at a general election or 88056
a special election held on a day on which a primary election may 88057
be held. Twenty days' notice thereof shall be previously given by 88058
posting notice of such election in at least three public places in 88059
the school district. Such notice shall state specifically the 88060
amount to be raised and the purposes thereof. If a majority of all 88061
votes cast at such election upon the proposition are in favor 88062
thereof, the tax provided for shall be authorized. 88063

Upon authorization of the tax levy the members of the board 88064
may issue notes in anticipation of such revenues to mature in not 88065
more than two years from the date of issue and to bear interest at 88066
not more than four per cent per annum. 88067

Sec. 3313.911. The state board of education may adopt a 88068
resolution assigning a city, exempted village, or local school 88069
district that is not a part of a joint vocational school district 88070
to membership in a joint vocational school district. A copy of the 88071
resolution shall be certified to the board of education of the 88072
joint vocational school district and the board of education of the 88073
district proposed to be assigned. The board of education of the 88074
joint vocational school district shall advertise a copy of the 88075
resolution in a newspaper of general circulation in the district 88076
proposed to be assigned once each week for two weeks, or as 88077
provided in section 7.16 of the Revised Code, immediately 88078
following the certification of the resolution to the board. The 88079
assignment shall take effect on the ninety-first day after the 88080
state board adopts the resolution, unless prior to that date 88081
qualified electors residing in the school district proposed for 88082
assignment, equal in number to ten per cent of the qualified 88083
electors of that district voting at the last general election, 88084
file a petition against the assignment. 88085

The petition of referendum shall be filed with the treasurer 88086
of the board of education of the district proposed to be assigned 88087
to the joint vocational school district. The treasurer shall give 88088
the person presenting the petition a receipt showing the time of 88089
day, date, and purpose of the petition. The treasurer shall cause 88090
the board of elections to determine the sufficiency of signatures 88091
on the petition and if the signatures are found to be sufficient, 88092
shall present the petition to the board of education of the 88093
district. The board of education shall promptly certify the 88094
question to the board of elections for the purpose of having the 88095
question placed on the ballot at the next general, ~~primary,~~ 88096
election or special election held on a day on which a primary 88097
election may be held, occurring not earlier than sixty days after 88098
the date of the certification. 88099

Only those qualified electors residing in the district 88100
proposed for assignment to the joint vocational school district 88101
are qualified to vote on the question. If a majority of the 88102
electors voting on the question vote against the assignment, it 88103
shall not take place, and the state board of education shall 88104
require the district to contract with the joint vocational school 88105
district or another school district as authorized by section 88106
3313.91 of the Revised Code. 88107

If a majority of the electors voting on the question do not 88108
vote against the assignment, the assignment shall take immediate 88109
effect, and the board of education of the joint vocational school 88110
district shall notify the county auditor of the county in which 88111
the school district becoming a part of the joint vocational school 88112
district is located to have any outstanding levy of the joint 88113
vocational school district spread over the territory of the school 88114
district that has become a part of the joint vocational school 88115
district. 88116

The assignment of a school district to a joint vocational 88117

school district pursuant to this section is subject to any 88118
agreements made between the board of education of the assigned 88119
school district and the board of education of the joint vocational 88120
school district. Such an agreement may include provisions for a 88121
payment by the assigned school district to the joint vocational 88122
school district of an amount to be contributed toward the cost of 88123
the existing facilities of the joint vocational school district. 88124

Sec. 3318.06. (A) After receipt of the conditional approval 88125
of the Ohio facilities construction commission, the school 88126
district board by a majority of all of its members shall, if it 88127
desires to proceed with the project, declare all of the following 88128
by resolution: 88129

(1) That by issuing bonds in an amount equal to the school 88130
district's portion of the basic project cost the district is 88131
unable to provide adequate classroom facilities without assistance 88132
from the state; 88133

(2) Unless the school district board has resolved to transfer 88134
money in accordance with section 3318.051 of the Revised Code or 88135
to apply the proceeds of a property tax or the proceeds of an 88136
income tax, or a combination of proceeds from such taxes, as 88137
authorized under section 3318.052 of the Revised Code, that to 88138
qualify for such state assistance it is necessary to do either of 88139
the following: 88140

(a) Levy a tax outside the ten-mill limitation the proceeds 88141
of which shall be used to pay the cost of maintaining the 88142
classroom facilities included in the project; 88143

(b) Earmark for maintenance of classroom facilities from the 88144
proceeds of an existing permanent improvement tax levied under 88145
section 5705.21 of the Revised Code, if such tax can be used for 88146
maintenance, an amount equivalent to the amount of the additional 88147
tax otherwise required under this section and sections 3318.05 and 88148

3318.08 of the Revised Code. 88149

(3) That the question of any tax levy specified in a 88150
resolution described in division (A)(2)(a) of this section, if 88151
required, shall be submitted to the electors of the school 88152
district at the next general election or special election held on 88153
a day on which a primary election may be held, ~~if there be a~~ 88154
~~general or primary election occurring~~ not less than ninety and not 88155
more than one hundred ten days after the day of the adoption of 88156
such resolution ~~or, if not, at a special election to be held at a~~ 88157
~~time specified in the resolution which shall be not less than~~ 88158
~~ninety days after the day of the adoption of the resolution and~~ 88159
~~which shall be in accordance with the requirements of section~~ 88160
~~3501.01 of the Revised Code.~~ 88161

Such resolution shall also state that the question of issuing 88162
bonds of the board shall be combined in a single proposal with the 88163
question of such tax levy. More than one election under this 88164
section may be held in any one calendar year. Such resolution 88165
shall specify both of the following: 88166

(a) That the rate which it is necessary to levy shall be at 88167
the rate of not less than one-half mill for each one dollar of 88168
valuation, and that such tax shall be levied for a period of 88169
twenty-three years; 88170

(b) That the proceeds of the tax shall be used to pay the 88171
cost of maintaining the classroom facilities included in the 88172
project. 88173

(B) A copy of a resolution adopted under division (A) of this 88174
section shall after its passage and not less than ninety days 88175
prior to the date set therein for the election be certified to the 88176
county board of elections. 88177

The resolution of the school district board, in addition to 88178
meeting other applicable requirements of section 133.18 of the 88179

Revised Code, shall state that the amount of bonds to be issued 88180
will be an amount equal to the school district's portion of the 88181
basic project cost, and state the maximum maturity of the bonds 88182
which may be any number of years not exceeding the term calculated 88183
under section 133.20 of the Revised Code as determined by the 88184
board. In estimating the amount of bonds to be issued, the board 88185
shall take into consideration the amount of moneys then in the 88186
bond retirement fund and the amount of moneys to be collected for 88187
and disbursed from the bond retirement fund during the remainder 88188
of the year in which the resolution of necessity is adopted. 88189

If the bonds are to be issued in more than one series, the 88190
resolution may state, in addition to the information required to 88191
be stated under division (B)(3) of section 133.18 of the Revised 88192
Code, the number of series, which shall not exceed five, the 88193
principal amount of each series, and the approximate date each 88194
series will be issued, and may provide that no series, or any 88195
portion thereof, may be issued before such date. Upon such a 88196
resolution being certified to the county auditor as required by 88197
division (C) of section 133.18 of the Revised Code, the county 88198
auditor, in calculating, advising, and confirming the estimated 88199
average annual property tax levy under that division, shall also 88200
calculate, advise, and confirm by certification the estimated 88201
average property tax levy for each series of bonds to be issued. 88202

Notice of the election shall include the fact that the tax 88203
levy shall be at the rate of not less than one-half mill for each 88204
one dollar of valuation for a period of twenty-three years, and 88205
that the proceeds of the tax shall be used to pay the cost of 88206
maintaining the classroom facilities included in the project. 88207

If the bonds are to be issued in more than one series, the 88208
board of education, when filing copies of the resolution with the 88209
board of elections as required by division (D) of section 133.18 88210
of the Revised Code, may direct the board of elections to include 88211

in the notice of election the principal amount and approximate 88212
date of each series, the maximum number of years over which the 88213
principal of each series may be paid, the estimated additional 88214
average property tax levy for each series, and the first calendar 88215
year in which the tax is expected to be due for each series, in 88216
addition to the information required to be stated in the notice 88217
under divisions (E)(3)(a) to (e) of section 133.18 of the Revised 88218
Code. 88219

(C)(1) Except as otherwise provided in division (C)(2) of 88220
this section, the form of the ballot to be used at such election 88221
shall be: 88222

"A majority affirmative vote is necessary for passage. 88223

Shall bonds be issued by the (here insert name 88224
of school district) school district to pay the local share of 88225
school construction under the State of Ohio Classroom Facilities 88226
Assistance Program in the principal amount of (here 88227
insert principal amount of the bond issue), to be repaid annually 88228
over a maximum period of (here insert the maximum 88229
number of years over which the principal of the bonds may be paid) 88230
years, and an annual levy of property taxes be made outside the 88231
ten-mill limitation, estimated by the county auditor to average 88232
over the repayment period of the bond issue (here 88233
insert the number of mills estimated) mills for each one dollar of 88234
tax valuation, which amounts to (rate expressed in 88235
cents or dollars and cents, such as "thirty-six cents" or "\$0.36") 88236
for each one hundred dollars of tax valuation to pay the annual 88237
debt charges on the bonds and to pay debt charges on any notes 88238
issued in anticipation of the bonds?" 88239

and, unless the additional levy 88240
of taxes is not required pursuant 88241
to division (C) of section 88242
3318.05 of the Revised Code, 88243

"Shall an additional levy of taxes be made for a period of 88244
 twenty-three years to benefit the (here insert name 88245
 of school district) school district, the proceeds of which shall 88246
 be used to pay the cost of maintaining the classroom facilities 88247
 included in the project at the rate of (here insert the 88248
 number of mills, which shall not be less than one-half mill) mills 88249

	AGAINST THE BOND ISSUE AND TAX LEVY	"

88251
 88252
 88253
 88254

(2) If authority is sought to issue bonds in more than one 88255
 series and the board of education so elects, the form of the 88256
 ballot shall be as prescribed in section 3318.062 of the Revised 88257
 Code. If the board of education elects the form of the ballot 88258
 prescribed in that section, it shall so state in the resolution 88259
 adopted under this section. 88260

(D) If it is necessary for the school district to acquire a 88261
 site for the classroom facilities to be acquired pursuant to 88262
 sections 3318.01 to 3318.20 of the Revised Code, the district 88263
 board may propose either to issue bonds of the board or to levy a 88264
 tax to pay for the acquisition of such site, and may combine the 88265
 question of doing so with the questions specified in division (B) 88266
 of this section. Bonds issued under this division for the purpose 88267
 of acquiring a site are a general obligation of the school 88268
 district and are Chapter 133. securities. 88269

The form of that portion of the ballot to include the 88270
 question of either issuing bonds or levying a tax for site 88271
 acquisition purposes shall be one of the following: 88272

(1) "Shall bonds be issued by the (here insert 88273
 name of the school district) school district to pay costs of 88274

acquiring a site for classroom facilities under the State of Ohio 88275
Classroom Facilities Assistance Program in the principal amount of 88276
..... (here insert principal amount of the bond issue), to be 88277
repaid annually over a maximum period of (here insert 88278
maximum number of years over which the principal of the bonds may 88279
be paid) years, and an annual levy of property taxes be made 88280
outside the ten-mill limitation, estimated by the county auditor 88281
to average over the repayment period of the bond issue 88282
(here insert number of mills) mills for each one dollar of tax 88283
valuation, which amount to (here insert rate expressed 88284
in cents or dollars and cents, such as "thirty-six cents" or 88285
"\$0.36") for each one hundred dollars of valuation to pay the 88286
annual debt charges on the bonds and to pay debt charges on any 88287
notes issued in anticipation of the bonds?" 88288

(2) "Shall an additional levy of taxes outside the ten-mill 88289
limitation be made for the benefit of the (here insert 88290
name of the school district) school district for the purpose of 88291
acquiring a site for classroom facilities in the sum of 88292
(here insert annual amount the levy is to produce) estimated by 88293
the county auditor to average (here insert number of 88294
mills) mills for each one hundred dollars of valuation, for a 88295
period of (here insert number of years the millage is to 88296
be imposed) years?" 88297

Where it is necessary to combine the question of issuing 88298
bonds of the school district and levying a tax as described in 88299
division (B) of this section with the question of issuing bonds of 88300
the school district for acquisition of a site, the question 88301
specified in that division to be voted on shall be "For the Bond 88302
Issues and the Tax Levy" and "Against the Bond Issues and the Tax 88303
Levy." 88304

Where it is necessary to combine the question of issuing 88305
bonds of the school district and levying a tax as described in 88306

division (B) of this section with the question of levying a tax 88307
for the acquisition of a site, the question specified in that 88308
division to be voted on shall be "For the Bond Issue and the Tax 88309
Levies" and "Against the Bond Issue and the Tax Levies." 88310

Where the school district board chooses to combine the 88311
question in division (B) of this section with any of the 88312
additional questions described in divisions (A) to (D) of section 88313
3318.056 of the Revised Code, the question specified in division 88314
(B) of this section to be voted on shall be "For the Bond Issues 88315
and the Tax Levies" and "Against the Bond Issues and the Tax 88316
Levies." 88317

If a majority of those voting upon a proposition hereunder 88318
which includes the question of issuing bonds vote in favor 88319
thereof, and if the agreement provided for by section 3318.08 of 88320
the Revised Code has been entered into, the school district board 88321
may proceed under Chapter 133. of the Revised Code, with the 88322
issuance of bonds or bond anticipation notes in accordance with 88323
the terms of the agreement. 88324

Sec. 3318.061. This section applies only to school districts 88325
eligible to receive additional assistance under division (B)(2) of 88326
section 3318.04 of the Revised Code. 88327

The board of education of a school district in which a tax 88328
described by division (B) of section 3318.05 and levied under 88329
section 3318.06 of the Revised Code is in effect, may adopt a 88330
resolution by vote of a majority of its members to extend the term 88331
of that tax beyond the expiration of that tax as originally 88332
approved under that section. The school district board may include 88333
in the resolution a proposal to extend the term of that tax at the 88334
rate of not less than one-half mill for each dollar of valuation 88335
for a period of twenty-three years from the year in which the 88336
school district board and the Ohio facilities construction 88337

commission enter into an agreement under division (B)(2) of 88338
section 3318.04 of the Revised Code or in the following year, as 88339
specified in the resolution. Such a resolution may be adopted at 88340
any time before such an agreement is entered into and before the 88341
tax levied pursuant to section 3318.06 of the Revised Code 88342
expires. If the resolution is combined with a resolution to issue 88343
bonds to pay the school district's portion of the basic project 88344
cost, it shall conform with the requirements of divisions (A)(1), 88345
(2), and (3) of section 3318.06 of the Revised Code, except that 88346

consideration such factors as the population of the proposed 88481
district, the present and potential pupil enrollment, the present 88482
and potential higher education facilities in the district, and 88483

college district. 88487

The attorney general shall be the attorney for each community 88488
college district and shall provide legal advice in all matters 88489
relating to its powers and duties. 88490

A proposal to create a community college district may be 88491
presented to the Ohio board of regents in any of the following 88492

ways: 88493

(C) Qualified electors residing in a county or in two or more contiguous counties may execute a petition proposing the creation of a community college district comprised of the territory of a county or two or more contiguous counties, respectively. Such petition shall be presented to the board of elections of the most populous county in which the proposed community college district is situated, and shall be signed by at least two per cent of the total number of resident electors who voted in the most recent election for governor in the territory of such proposed district. Such petition shall set forth the necessity for the district, a demonstration that it will be conducive to the public convenience and welfare, and a description of the territory to be included in the proposed district.

Upon receiving a petition duly executed pursuant to this division, the board of elections of the most populous county shall certify the fact of such petition to the election boards of the other counties, if any, to be included in such district. The proposal to create such district shall be placed on the ballot by the board of elections and submitted to vote in each affected county or group of contiguous counties, at the next ~~primary or~~

general election or special election held on a day on which a 88525
primary election may be held, occurring more than seventy-five 88526
days after the filing of such petition. ~~If there is no primary or~~ 88527
~~general election occurring within ninety days after the filing of~~ 88528
~~such petition, the board of elections of the most populous county~~ 88529
~~shall fix the date of a special election to be held in each~~ 88530
~~affected county, or group of contiguous counties, such date to be~~ 88531
~~not less than seventy five days after the filing of the petition~~ 88532
~~and to be consistent with the requirements of section 3501.01 of~~ 88533
~~the Revised Code.~~ If a majority of the electors voting on the 88534
proposition in the proposed community college district vote in 88535
favor thereof, the board of elections of the most populous county 88536
in which the proposed district is situated shall certify such fact 88537
to the Ohio board of regents. 88538

(D) No county shall be included in the territory of more than 88539
one community college district. 88540

A community college district may also be created under 88541
division (D) of section 3358.02 of the Revised Code. 88542

Sec. 3354.12. (A) Upon the request by resolution approved by 88543
the board of trustees of a community college district, and upon 88544
certification to the board of elections not less than ninety days 88545

place upon the ballot in their respective counties the question of 88549
levying a tax on all the taxable property in the community college 88550
district outside the ten-mill limitation, for a specified period 88551
of years or for a continuing period of time, to provide funds for 88552
any one or more of the following purposes: the acquisition of 88553
sites, the erection, furnishing, and equipment of buildings, the 88554
acquisition, construction, or improvement of any property which 88555

the board of trustees of a community college district is 88556
authorized to acquire, construct, or improve and which has an 88557
estimated life of usefulness of five years or more as certified by 88558
the fiscal officer, and the payment of operating costs. ~~Not more~~ 88559

If such proposal is to be or include the renewal of an 88564
existing levy at the expiration thereof, the ballot for such 88565
election shall state whether it is a renewal of a tax; a renewal 88566
of a stated number of mills and an increase of a stated number of 88567
mills, or a renewal of a part of an existing levy with a reduction 88568

of time provides for but is not limited to current expenses, the 88577
resolution of the board of trustees providing for the election on 88578
such levy shall apportion the annual rate of the levy between 88579
current expenses and the other purpose or purposes. Such 88580
apportionment need not be the same for each year of the levy, but 88581
the respective portions of the rate actually levied each year for 88582
current expenses and the other purpose or purposes shall be 88583
limited by such apportionment. The portion of the rate apportioned 88584
to the other purpose or purposes shall be reduced as provided in 88585
division (B) of this section. 88586

question approve thereof, the county auditor or auditors of the 88588
county or counties comprising such district shall annually, for 88589
the applicable years, place such levy on the tax duplicate in such 88590
district, in an amount determined by the board of trustees, but 88591
not to exceed the amount set forth in the proposition approved by 88592
the electors. 88593

The boards of trustees of a community college district shall 88594
establish a special fund for all revenue derived from any tax 88595
levied pursuant to this section. 88596

The boards of elections of the county or counties comprising 88597
the district shall cause to be published in a newspaper of general 88598
circulation in each such county an advertisement of the proposed 88599
tax levy question once a week for two consecutive weeks, or as 88600
provided in section 7.16 of the Revised Code, prior to the 88601
election at which the question is to appear on the ballot. If a 88602
board of elections operates and maintains a web site, that board 88603
also shall post the advertisement on its web site for thirty days 88604
prior to that election. 88605

After the approval of such levy by vote, the board of 88606
trustees of a community college district may anticipate a fraction 88607
of the proceeds of such levy and from time to time issue 88608
anticipation notes having such maturity or maturities that the 88609
aggregate principal amount of all such notes maturing in any 88610
calendar year shall not exceed seventy-five per cent of the 88611
anticipated proceeds from such levy for such year, and that no 88612
note shall mature later than the thirty-first day of December of 88613
the tenth calendar year following the calendar year in which such 88614
note is issued. Each issue of notes shall be sold as provided in 88615
Chapter 133. of the Revised Code. 88616

The amount of bonds or anticipatory notes authorized pursuant 88617
to Chapter 3354. of the Revised Code, may include sums to repay 88618
moneys previously borrowed, advanced, or granted and expended for 88619

the purposes of such bond or anticipatory note issues, whether 88620
such moneys were advanced from the available funds of the 88621
community college district or by other persons, and the community 88622
college district may restore and repay to such funds or persons 88623
from the proceeds of such issues the moneys so borrowed, advanced 88624
or granted. 88625

All operating costs of such community college may be paid out 88626
of any gift or grant from the state, pursuant to division (K) of 88627
section 3354.09 of the Revised Code; out of student fees and 88628
tuition collected pursuant to division (G) of section 3354.09 of 88629
the Revised Code; or out of unencumbered funds from any other 88630
source of the community college income not prohibited by law. 88631

(B) Prior to the application of section 319.301 of the 88632
Revised Code, the rate of a levy that is limited to, or to the 88633
extent that it is apportioned to, purposes other than current 88634
expenses shall be reduced in the same proportion in which the 88635
district's total valuation increases during the life of the levy 88636
because of additions to such valuation that have resulted from 88637
improvements added to the tax list and duplicate. 88638

Sec. 3357.02. A technical college district may be created 88639
with the approval of the Ohio board of regents pursuant to 88640

district, the present and potential pupil enrollment, present and 88643
potential higher education facilities in the district, and such 88644

district. The Ohio board of regents may undertake a study or 88646
contract for a study to be made relative to its establishment or 88647
application of such standards. 88648

shall be determined by the vote cast in the entire district. Upon 88837
certification of a proposal to the board or boards of elections 88838
pursuant to this section, the board or boards of elections shall 88839

district, and the election shall be held, canvassed, and certified 88842
in the manner provided for the submission of tax levies under 88843
section 5705.19 of the Revised Code, except that the question 88844
appearing on the ballot shall read: 88845

tax or taxes) at a rate of taxation not to exceed (here 88850

voting on the question, the joinder is effective immediately, and 88854
the district may extend the levy of the tax against all the 88855
taxable property within the territory that has been added. If the 88856
question is approved at a general election ~~or at a special~~ 88857
~~election occurring prior to a general election but after the~~ 88858
~~fifteenth day of July in any calendar year~~, the district may amend 88859
its budget and resolution adopted pursuant to section 5705.34 of 88860
the Revised Code, and the levy shall be placed on the current tax 88861
list and duplicate and collected as other taxes are collected from 88862
all taxable property within the territory of the district, 88863
including the territory added as a result of the election. 88864

The territory of a district shall be coextensive with the 88865
territory of the counties, municipal corporations, and townships 88866
included within the district, provided that the same territory may 88867
not be included in more than one regional arts and cultural 88868
district, and provided, that if a district includes only a portion 88869
of an entire county, a district may be created in the remaining 88870
portion of the same county by resolution of the board of county 88871
commissioners acting alone or in conjunction with municipal 88872

considered a cost in any computation required under rules of the 88908
liquor control commission regulating minimum prices or mark-ups. 88909
88910

Only one sale of the same article shall be used in computing, 88911
reporting, and paying the amount of tax due. 88912

The tax shall be levied pursuant to a resolution of the 88913
county commissioners approved by a majority of the electors in the 88914
county voting on the question of levying the tax, which resolution 88915
shall specify the rate of the tax, the number of years the tax 88916
will be levied, and the purposes for which the tax is levied. The 88917
election may be held on the date of a general election or a 88918
special election held on a day on which a primary election or 88919

results by the board of elections. A copy of the resolution 88926
levying the tax and the certification of the board of elections 88927
shall be certified to the tax commissioner at least sixty days 88928
prior to the date on which the tax is to become effective. 88929

A resolution under this section may be joined on the ballot 88930
as a single question with a resolution adopted under section 88931
307.697 or 5743.024 of the Revised Code to levy a tax for the same 88932
purposes and for the purpose of paying the expenses of 88933
administering the tax. The form of the ballot in an election held 88934
pursuant to this section shall be as prescribed in section 307.697 88935

of the Revised Code. 88936

(B) The board of county commissioners of a county in which a 88937
tax is imposed under this section on the effective date of the 88938
amendment of this section by H.B. 59 of the 130th general 88939
assembly, September 29, 2013, may levy a tax for the purpose of 88940
section 307.673 of the Revised Code regardless of whether or not 88941
the cooperative agreement authorized under that section has been 88942
entered into prior to the day the resolution adopted under 88943
division (B)(1) or (2) of this section is adopted, for the purpose 88944
of reimbursing a county for costs incurred in the construction of 88945
a sports facility pursuant to an agreement entered into by the 88946
county under section 307.696 of the Revised Code, or for the 88947
purpose of paying the costs of capital repairs of and improvements 88948
to a sports facility. The tax shall be levied and approved in one 88949
of the manners prescribed by division (B)(1) or (2) of this 88950
section. 88951

(1) The tax may be levied pursuant to a resolution adopted by 88952
a majority of the members of the board of county commissioners not 88953

a tax under division (D)(1) of section 307.697 or division (C)(1) 88956
of section 5743.024 of the Revised Code at the same time. Subject 88957
to the resolution being submitted to a referendum under sections 88958
305.31 to 305.41 of the Revised Code, the resolution shall take 88959
effect immediately, but the tax levied pursuant to the resolution 88960
shall not be levied prior to the day following the last day that 88961
any tax previously levied pursuant to this division may be levied. 88962

(2) The tax may be levied pursuant to a resolution adopted by 88963
a majority of the members of the board of county commissioners not 88964
later than September 1, 2015, and approved by a majority of the 88965
electors of the county voting on the question of levying the tax. 88966
The board of county commissioners shall certify a copy of the 88967

resolution to the board of elections immediately upon adopting a 88968
resolution under division (D)(2) of this section. The election may 88969
be held on the date of a general election or a special election 88970
held on a day on which a primary election may be held, occurring 88971
not sooner than ninety days after the date the board certifies its 88972
resolution to the board of elections. The form of the ballot shall 88973
be as prescribed by division (C) of section 307.697 of the Revised 88974
Code, except that the phrase "paying not more than one-half of the 88975
costs of providing a sports facility together with related 88976
redevelopment and economic development projects" shall be replaced 88977
by the phrase "paying the costs of constructing, renovating, 88978
improving, or repairing a sports facility and reimbursing a county 88979
for costs incurred by the county in the construction of a sports 88980
facility," and the phrase ", beginning (here insert the 88981
earliest date the tax would take effect)" shall be appended after 88982
"years." A board of county commissioners submitting the question 88983
of a tax under division (B)(2) of this section may submit the 88984
question of a tax under division (D)(2) of section 307.697 or 88985
division (C)(2) of section 5743.024 of the Revised Code as a 88986
single question, and the form of the ballot shall include each of 88987
the proposed taxes. 88988

If approved by a majority of electors voting on the question, 88989
the tax shall take effect on the day specified on the ballot, 88990
which shall not be earlier than the day following the last day 88991
that any tax previously levied pursuant to this division may be 88992
levied. 88993

The rate of a tax levied pursuant to division (B)(1) or (2) 88994
of this section shall not exceed the rate specified in division 88995
(A) of this section. A tax levied pursuant to division (B)(1) or 88996
(2) of this section may be levied for any number of years not 88997
exceeding twenty. 88998

A board of county commissioners adopting a resolution under 88999

division (B)(1) or (2) of this section shall certify a copy of the 89000
resolution to the tax commissioner immediately upon adoption of 89001
the resolution. 89002

(C) No tax shall be levied under division (A) of this section 89003
on or after September 23, 2008. This division does not apply to a 89004
tax levied under division (B) of this section, and does not 89005
prevent the collection of any tax levied under this section before 89006
September 23, 2008, so long as that tax remains effective. 89007

Sec. 4301.424. (A) For the purpose of section 351.26 of the 89008
Revised Code and to pay any or all of the charge the board of 89009
elections makes against the county to hold the election on the 89010
question of levying the tax, the board of county commissioners, in 89011
the manner prescribed by division (A) of section 351.26 of the 89012
Revised Code, may levy a tax on each gallon of spirituous liquor; 89013
on the sale of beer; and on the sale of wine and mixed beverages. 89014
The tax on spirituous liquor shall be imposed on spirituous liquor 89015
sold to or purchased by liquor permit holders for resale, and sold 89016
at retail by the division of liquor control, in the county at a 89017
rate not greater than three dollars per gallon; the tax on beer, 89018
wine, and mixed beverages shall be imposed on all beer, wine, and 89019
mixed beverages sold for resale at retail in the county, and on 89020
all beer, wine, and mixed beverages sold at retail in the county 89021
by the manufacturer, bottler, importer, or other person and upon 89022
which the tax has not been paid. The rate of the tax on beer shall 89023
not exceed sixteen cents per gallon, and the rate of the tax on 89024
wine and mixed beverages shall not exceed thirty-two cents per 89025
gallon. Only one sale of the same article shall be used in 89026
computing, reporting, and paying the amount of tax due. The tax 89027
may be levied for any number of years not exceeding twenty. 89028

The tax shall be levied pursuant to a resolution of the board 89029
of county commissioners adopted as prescribed by division (A) of 89030

section 351.26 of the Revised Code and approved by a majority of 89031
the electors in the county voting on the question of levying the 89032
tax. The resolution shall specify the rates of the tax, the number 89033
of years the tax will be levied, and the purposes for which the 89034
tax is levied. Such election may be held on the date of a general 89035
election or a special election held on a day on which a primary 89036
election may be held, occurring not sooner than ninety days after 89037
the date the board certifies its resolution to the board of 89038
elections. If approved by the electors, the tax takes effect on 89039
the first day of the month specified in the resolution but not 89040
sooner than the first day of the month that is at least sixty days 89041
after the certification of the election results by the board of 89042
elections. A copy of the resolution levying the tax shall be 89043
certified to the division of liquor control and the tax 89044
commissioner at least sixty days prior to the date on which the 89045
tax is to become effective. 89046

(B) A resolution under this section may be joined on the 89047
ballot as a single question with a resolution adopted under 89048
section 5743.026 of the Revised Code to levy a tax for the same 89049
purposes, and for the purpose of paying the expenses of 89050
administering that tax. 89051

(C) The form of the ballot in an election held on the 89052
question of levying a tax proposed pursuant to this section shall 89053
be as prescribed by section 351.26 of the Revised Code. 89054

(D) No tax shall be levied under this section on or after 89055
September 23, 2008. This division does not prevent the collection 89056
of any tax levied under this section before that date so long as 89057
that tax remains effective. 89058

Sec. 5705.191. The taxing authority of any subdivision, other 89059
than the board of education of a school district or the taxing 89060
authority of a county school financing district, by a vote of 89061

two-thirds of all its members, may declare by resolution that the 89062
amount of taxes that may be raised within the ten-mill limitation 89063
by levies on the current tax duplicate will be insufficient to 89064
provide an adequate amount for the necessary requirements of the 89065
subdivision, and that it is necessary to levy a tax in excess of 89066
such limitation for any of the purposes in section 5705.19 of the 89067
Revised Code, or to supplement the general fund for the purpose of 89068
making appropriations for one or more of the following purposes: 89069
public assistance, human or social services, relief, welfare, 89070
hospitalization, health, and support of general hospitals, and 89071
that the question of such additional tax levy shall be submitted 89072
to the electors of the subdivision at a general, election or a 89073
special election held on a day on which a primary, ~~or special~~ 89074
election ~~to~~ may be held, occurring at a time therein specified. In 89075
the case of a qualifying library levy for the support of a library 89076
association or private corporation, the question of the levy shall 89077
be submitted to the electors of the association library district. 89078
Such resolution shall not include a levy on the current tax list 89079
and duplicate unless such election is to be held at or prior to 89080
the general election day of the current tax year. Such resolution 89081
shall conform to the requirements of section 5705.19 of the 89082
Revised Code, except that a levy to supplement the general fund 89083
for the purposes of public assistance, human or social services, 89084
relief, welfare, hospitalization, health, or the support of 89085
general or tuberculosis hospitals may not be for a longer period 89086
than ten years. All other levies under this section may not be for 89087
a longer period than five years unless a longer period is 89088
permitted by section 5705.19 of the Revised Code, and the 89089
resolution shall specify the date of holding such election, which 89090
shall not be earlier than ninety days after the adoption and 89091
certification of such resolution. The resolution shall go into 89092
immediate effect upon its passage and no publication of the same 89093
is necessary other than that provided for in the notice of 89094

election. A copy of such resolution, immediately after its 89095
passage, shall be certified to the board of elections of the 89096
proper county or counties in the manner provided by section 89097
5705.25 of the Revised Code, and such section shall govern the 89098
arrangements for the submission of such question and other matters 89099
with respect to such election, to which section 5705.25 of the 89100
Revised Code refers, excepting that such election shall be held on 89101
the date of the general election or the special election held on a 89102
day on which a primary election may be held, as specified in the 89103
resolution, ~~which shall be consistent with the requirements of~~ 89104
~~section 3501.01 of the Revised Code,~~ provided that only one 89105
~~special~~ election for the submission of such question may be held 89106
in any one calendar year ~~and provided that a special election may~~ 89107
~~be held upon the same day a primary election is held.~~ Publication 89108
of notice of that election shall be made in a newspaper of general 89109
circulation in the county once a week for two consecutive weeks, 89110
or as provided in section 7.16 of the Revised Code, prior to the 89111
election. If the board of elections operates and maintains a web 89112
site, the board of elections shall post notice of the election on 89113
its web site for thirty days prior to the election. 89114

If a majority of the electors voting on the question vote in 89115
favor thereof, the taxing authority of the subdivision may make 89116
the necessary levy within such subdivision or, in the case of a 89117
qualifying library levy for the support of a library association 89118
or private corporation, within the association library district, 89119
at the additional rate or at any lesser rate outside the ten-mill 89120
limitation on the tax list and duplicate for the purpose stated in 89121
the resolution. Such tax levy shall be included in the next annual 89122
tax budget that is certified to the county budget commission. 89123

After the approval of such a levy by the electors, the taxing 89124
authority of the subdivision may anticipate a fraction of the 89125
proceeds of such levy and issue anticipation notes. In the case of 89126

a continuing levy that is not levied for the purpose of current 89127
expenses, notes may be issued at any time after approval of the 89128
levy in an amount not more than fifty per cent of the total 89129
estimated proceeds of the levy for the succeeding ten years, less 89130
an amount equal to the fraction of the proceeds of the levy 89131
previously anticipated by the issuance of anticipation notes. In 89132
the case of a levy for a fixed period that is not for the purpose 89133
of current expenses, notes may be issued at any time after 89134
approval of the levy in an amount not more than fifty per cent of 89135
the total estimated proceeds of the levy throughout the remaining 89136
life of the levy, less an amount equal to the fraction of the 89137
proceeds of the levy previously anticipated by the issuance of 89138
anticipation notes. In the case of a levy for current expenses, 89139
notes may be issued after the approval of the levy by the electors 89140
and prior to the time when the first tax collection from the levy 89141
can be made. Such notes may be issued in an amount not more than 89142
fifty per cent of the total estimated proceeds of the levy 89143
throughout the term of the levy in the case of a levy for a fixed 89144
period, or fifty per cent of the total estimated proceeds for the 89145
first ten years of the levy in the case of a continuing levy. 89146

No anticipation notes that increase the net indebtedness of a 89147
county may be issued without the prior consent of the board of 89148
county commissioners of that county. The notes shall be issued as 89149
provided in section 133.24 of the Revised Code, shall have 89150
principal payments during each year after the year of their 89151
issuance over a period not exceeding the life of the levy 89152
anticipated, and may have a principal payment in the year of their 89153
issuance. 89154

"Taxing authority" and "subdivision" have the same meanings 89155
as in section 5705.01 of the Revised Code. 89156

This section is supplemental to and not in derogation of 89157
sections 5705.20, 5705.21, and 5705.22 of the Revised Code. 89158

Sec. 5705.192. (A) For the purposes of this section only, 89159
"taxing authority" includes a township board of park commissioners 89160
appointed under section 511.18 of the Revised Code. 89161

(B) A taxing authority may propose to replace an existing 89162
levy that the taxing authority is authorized to levy, regardless 89163
of the section of the Revised Code under which the authority is 89164
granted, except a school district emergency levy proposed pursuant 89165
to sections 5705.194 to 5705.197 of the Revised Code. The taxing 89166
authority may propose to replace the existing levy in its entirety 89167
at the rate at which it is authorized to be levied; may propose to 89168
replace a portion of the existing levy at a lesser rate; or may 89169
propose to replace the existing levy in its entirety and increase 89170
the rate at which it is levied. If the taxing authority proposes 89171
to replace an existing levy, the proposed levy shall be called a 89172
replacement levy and shall be so designated on the ballot. Except 89173
as otherwise provided in this division, a replacement levy shall 89174
be limited to the purpose of the existing levy, and shall appear 89175
separately on the ballot from, and shall not be conjoined with, 89176
the renewal of any other existing levy. In the case of an existing 89177
school district levy imposed under section 5705.21 of the Revised 89178
Code for the purpose specified in division (F) of section 5705.19 89179
of the Revised Code, or in the case of an existing school district 89180
levy imposed under section 5705.217 of the Revised Code for the 89181
acquisition, construction, enlargement, renovation, and financing 89182
of permanent improvements, the replacement for that existing levy 89183
may be for the same purpose or for the purpose of general 89184
permanent improvements as defined in section 5705.21 of the 89185
Revised Code. The replacement for an existing levy imposed under 89186
division (L) of section 5705.19 or section 5705.222 of the Revised 89187
Code may be for any purpose authorized for a levy imposed under 89188
section 5705.222 of the Revised Code. 89189

The resolution proposing a replacement levy shall specify the 89190

purpose of the levy; its proposed rate expressed in mills; whether 89191
the proposed rate is the same as the rate of the existing levy, a 89192
reduction, or an increase; the extent of any reduction or increase 89193
expressed in mills; the first calendar year in which the levy will 89194
be due; and the term of the levy, expressed in years or, if 89195
applicable, that it will be levied for a continuing period of 89196
time. 89197

The sections of the Revised Code governing the maximum rate 89198
and term of the existing levy, the contents of the resolution that 89199
proposed the levy, the adoption of the resolution, the 89200
arrangements for the submission of the question of the levy, and 89201
notice of the election also govern the respective provisions of 89202
the proposal to replace the existing levy, except as provided in 89203
divisions (B)(1) to (4) of this section: 89204

(1) In the case of an existing school district levy that is 89205
imposed under section 5705.21 of the Revised Code for the purpose 89206
specified in division (F) of section 5705.19 of the Revised Code 89207
or under section 5705.217 of the Revised Code for the acquisition, 89208
construction, enlargement, renovation, and financing of permanent 89209
improvements, and that is to be replaced by a levy for general 89210
permanent improvements, the term of the replacement levy may be 89211
for a continuing period of time. 89212

(2) The date on which the election is held shall be as 89213
follows: 89214

(a) For the replacement of a levy with a fixed term of years, 89215
the date of the general election held during the last year the 89216
existing levy may be extended on the real and public utility 89217
property tax list and duplicate, or the date of ~~any~~ either the 89218
general election or the special election held on a day on which a 89219
primary election may be held, occurring in the ensuing year; 89220

(b) For the replacement of a levy imposed for a continuing 89221

period of time, the date of ~~any~~ a general election or a special 89222
election held on a day on which a primary election may be held, 89223
occurring in any year after the year the levy to be replaced is 89224
first approved by the electors, except that only one election on 89225
the question of replacing the levy may be held during any calendar 89226
year. 89227

The failure by the electors to approve a proposal to replace 89228
a levy imposed for a continuing period of time does not terminate 89229
the existing continuing levy. 89230

(3) In the case of an existing school district levy imposed 89231
under division (B) of section 5705.21, division (C) of section 89232
5705.212, or division ~~(J)~~(I) of section 5705.218 of the Revised 89233
Code, the rates allocated to the qualifying school district and to 89234
partnering community schools each may be increased or decreased or 89235
remain the same, and the total rate may be increased, decreased, 89236
or remain the same. 89237

(4) In the case of an existing levy imposed under division 89238
(L) of section 5705.19 of the Revised Code, the term may be for 89239
any number of years not exceeding ten or for a continuing period 89240
of time. 89241

(C) The form of the ballot at the election on the question of 89242
a replacement levy shall be as follows: 89243

"A replacement of a tax for the benefit of (name 89244
of subdivision or public library) for the purpose of 89245
(the purpose stated in the resolution) at a rate not exceeding 89246
..... mills for each one dollar of valuation, which amounts 89247
to (rate expressed in dollars and cents) for each one 89248

If the proposal is to replace an existing levy and increase the rate of the existing levy, the form of the ballot shall be changed by adding the words "..... mills of an existing levy and an increase of mills, to constitute" after the words "a replacement of." If the proposal is to replace only a portion of an existing levy, the form of the ballot shall be changed by adding the words "a portion of an existing levy, being a reduction of mills, to constitute" after the words "a replacement of." If the existing levy is imposed under division (B) of section 5705.21, division (C)(1) of section 5705.212, or division ~~(J)~~(I) of section 5705.218 of the Revised Code, the form of the ballot also shall state the portion of the total increased rate or of the total rate as reduced that is to be allocated to partnering community schools.

the election of officers. More than one such question may be 89285
submitted at the same election. 89286

(D) Two or more existing levies, or any portion of those 89287
levies, may be combined into one replacement levy, so long as all 89288
of the existing levies are for the same purpose and either all are 89289
due to expire the same year or all are for a continuing period of 89290
time. The question of combining all or portions of those existing 89291
levies into the replacement levy shall appear as one ballot 89292
proposition before the electors. If the electors approve the 89293
ballot proposition, all or the stated portions of the existing 89294
levies are replaced by one replacement levy. 89295

(E) A levy approved in excess of the ten-mill limitation 89296
under this section shall be certified to the tax commissioner. In 89297
the first year of a levy approved under this section, the levy 89298
shall be extended on the tax lists after the February settlement 89299
succeeding the election at which the levy was approved. If the 89300
levy is to be placed on the tax lists of the current year, as 89301
specified in the resolution providing for its submission, the 89302
result of the election shall be certified immediately after the 89303
canvass by the board of elections to the taxing authority, which 89304
shall forthwith make the necessary levy and certify it to the 89305
county auditor, who shall extend it on the tax lists for 89306
collection. After the first year, the levy shall be included in 89307
the annual tax budget that is certified to the county budget 89308
commission. 89309

If notes are authorized to be issued in anticipation of the 89310
proceeds of the existing levy, notes may be issued in anticipation 89311
of the proceeds of the replacement levy, and such issuance is 89312
subject to the terms and limitations governing the issuance of 89313
notes in anticipation of the proceeds of the existing levy. 89314

(F) This section does not authorize a tax to be levied in any 89315
year after the year in which revenue is not needed for the purpose 89316

for which the tax is levied. 89317

Sec. 5705.194. The board of education of any city, local, 89318
exempted village, cooperative education, or joint vocational 89319
school district at any time may declare by resolution that the 89320
revenue that will be raised by all tax levies which the district 89321
is authorized to impose, when combined with state and federal 89322
revenues, will be insufficient to provide for the emergency 89323
requirements of the school district or to avoid an operating 89324
deficit, and that it is therefore necessary to levy an additional 89325
tax in excess of the ten-mill limitation. The resolution shall be 89326
confined to a single purpose and shall specify that purpose. If 89327
the levy is proposed to renew all or a portion of the proceeds 89328
derived from one or more existing levies imposed pursuant to this 89329
section, it shall be called a renewal levy and shall be so 89330
designated on the ballot. If two or more existing levies are to be 89331
included in a single renewal levy but are not scheduled to expire 89332
in the same year, the resolution shall specify that the existing 89333
levies to be renewed shall not be levied after the year preceding 89334
the year in which the renewal levy is first imposed. 89335
Notwithstanding the original purpose of any one or more existing 89336
levies that are to be in any single renewal levy, the purpose of 89337
the renewal levy may be either to avoid an operating deficit or to 89338
provide for the emergency requirements of the school district. The 89339
resolution shall further specify the amount of money it is 89340
necessary to raise for the specified purpose for each calendar 89341
year the millage is to be imposed; if a renewal levy, whether the 89342
levy is to renew all, or a portion of, the proceeds derived from 89343
one or more existing levies; and the number of years in which the 89344
millage is to be in effect, which may include a levy upon the 89345
current year's tax list. The number of years may be any number not 89346
exceeding ten. 89347

The question shall be submitted at a general election or a 89348

special election ~~held~~ on a ~~date~~ day on which a primary election 89349
may be held, as specified in the resolution. The date shall not be 89350
earlier than eighty days after the adoption and certification of 89351
the resolution to the county auditor ~~and shall be consistent with~~ 89352
~~the requirements of section 3501.01 of the Revised Code.~~ A 89353
resolution for a renewal levy shall not be placed on the ballot 89354

renewed may be extended on the real and public utility property 89360
tax list and duplicate, or at any such election held in the 89361
ensuing year, except that if the resolution proposes renewing two 89362
or more existing levies, the question shall be submitted on the 89363
date of ~~the~~ a general election or a special election held on a day 89364
on which a primary election may be held during , occurring in the 89365
last year at least one of the levies to be renewed may be extended 89366
on ~~that~~ the tax list and duplicate, or at any such election held 89367
during the ensuing year. For purposes of this section and sections 89368
5705.197 and 5705.199 of the Revised Code, a levy shall be 89369
considered to be an "existing levy" through the year following the 89370
last year it can be placed on the real and public utility property 89371
tax list and duplicate. 89372

~~The submission of questions to the electors under this~~ 89373
~~section is subject to the limitation on the number of election~~ 89374

The resolution shall go into immediate effect upon its 89376
passage, and no publication of the resolution shall be necessary 89377
other than that provided for in the notice of election. A copy of 89378
the resolution shall immediately after its passing be certified to 89379
the county auditor of the proper county. Section 5705.195 of the 89380

Revised Code shall govern the arrangements for the submission of 89381
questions to the electors under this section and other matters 89382
concerning the election. Publication of notice of the election 89383
shall be made in one newspaper of general circulation in the 89384
county once a week for two consecutive weeks, or as provided in 89385
section 7.16 of the Revised Code, prior to the election. If the 89386
board of elections operates and maintains a web site, the board of 89387
elections shall post notice of the election on its web site for 89388
thirty days prior to the election. If a majority of the electors 89389
voting on the question submitted in an election vote in favor of 89390
the levy, the board of education of the school district may make 89391
the additional levy necessary to raise the amount specified in the 89392
resolution for the purpose stated in the resolution. The tax levy 89393
shall be included in the next tax budget that is certified to the 89394
county budget commission. 89395

After the approval of the levy and prior to the time when the 89396
first tax collection from the levy can be made, the board of 89397
education may anticipate a fraction of the proceeds of the levy 89398
and issue anticipation notes in an amount not exceeding the total 89399
estimated proceeds of the levy to be collected during the first 89400
year of the levy. 89401

The notes shall be issued as provided in section 133.24 of 89402
the Revised Code, shall have principal payments during each year 89403
after the year of their issuance over a period not to exceed five 89404
years, and may have principal payment in the year of their 89405
issuance. 89406

Sec. 5705.199. (A) At any time the board of education of a 89407
city, local, exempted village, cooperative education, or joint 89408
vocational school district, by a vote of two-thirds of all its 89409
members, may declare by resolution that the revenue that will be 89410
raised by all tax levies that the district is authorized to 89411

impose, when combined with state and federal revenues, will be 89412
insufficient to provide for the necessary requirements of the 89413
school district, and that it is therefore necessary to levy a tax 89414
in excess of the ten-mill limitation for the purpose of providing 89415
for the necessary requirements of the school district. Such a levy 89416
shall be proposed as a substitute for all or a portion of one or 89417
more existing levies imposed under sections 5705.194 to 5705.197 89418
of the Revised Code or under this section, by levying a tax as 89419
follows: 89420

(1) In the initial year the levy is in effect, the levy shall 89421
be in a specified amount of money equal to the aggregate annual 89422
dollar amount of proceeds derived from the levy or levies, or 89423
portion thereof, being substituted. 89424

(2) In each subsequent year the levy is in effect, the levy 89425
shall be in a specified amount of money equal to the sum of the 89426
following: 89427

(a) The dollar amount of the proceeds derived from the levy 89428
in the prior year; and 89429

(b) The dollar amount equal to the product of the total 89430
taxable value of all taxable real property in the school district 89431
in the then-current year, excluding carryover property as defined 89432
in section 319.301 of the Revised Code, multiplied by the annual 89433
levy, expressed in mills for each one dollar of valuation, that 89434
was required to produce the annual dollar amount of the levy under 89435
this section in the prior year; provided, that the amount under 89436
division (A)(2)(b) of this section shall not be less than zero. 89437

(B) The resolution proposing the substitute levy shall 89438
specify the annual dollar amount the levy is to produce in its 89439
initial year; the first calendar year in which the levy will be 89440
due; and the term of the levy expressed in years, which may be any 89441
number not exceeding ten, or for a continuing period of time. The 89442

resolution shall specify the date of holding the election, which 89443
shall not be earlier than ninety days after certification of the 89444
resolution to the board of elections, and which shall be 89445
~~consistent with the requirements of section 3501.01 of the Revised~~ 89446
~~Code~~ the date of a general election or a special election held on 89447
a day on which a primary election may be held. If two or more 89448
existing levies are to be included in a single substitute levy, 89449
but are not scheduled to expire in the same year, the resolution 89450
shall specify that the existing levies to be substituted shall not 89451
be levied after the year preceding the year in which the 89452
substitute levy is first imposed. 89453

The resolution shall go into immediate effect upon its 89454
passage, and no publication of the resolution shall be necessary 89455
other than that provided for in the notice of election. A copy of 89456
the resolution shall immediately after its passage be certified to 89457
the county auditor in the manner provided by section 5705.195 of 89458
the Revised Code, and sections 5705.194 and 5705.196 of the 89459
Revised Code shall govern the arrangements for the submission of 89460
the question and other matters concerning the notice of election 89461
and the election, except as may be provided otherwise in this 89462
section. 89463

(C) The form of the ballot to be used at the election on the 89464
question of a levy under this section shall be as follows: 89465

"Shall a tax levy substituting for an existing levy be 89466
imposed by the (here insert name of school district) 89467

89485
89486
89487

If the levy submitted is a proposal to substitute all or a 89488
portion of more than one existing levy, the form of the ballot may 89489
be changed so long as the ballot reflects the number of levies to 89490
be substituted and that none of the existing levies to be 89491
substituted will be levied after the year preceding the year in 89492
which the substitute levy is first imposed. The form of the ballot 89493
shall be modified by substituting the statement "Shall a tax levy 89494
substituting for an existing levy" with "Shall a tax levy 89495
substituting for existing levies" and adding the following 89496
statement after "added to its tax list?" and before "For the Tax 89497
Levy": 89498

"If approved, any remaining tax years on any of the 89499
..... (here insert the number of existing levies) existing 89500
levies will not be collected after (here insert the 89501
current tax year or, if not the current tax year, the applicable 89502
tax year)." 89503

~~(D) The submission of questions to the electors under this 89504
section is subject to the limitation on the number of election 89505~~

~~dates established by section 5705.214 of the Revised Code.~~ 89506

~~(E)~~ If a majority of the electors voting on the question so 89507
submitted in an election vote in favor of the levy, the board of 89508
education may make the necessary levy within the school district 89509
at the rate and for the purpose stated in the resolution. The tax 89510
levy shall be included in the next tax budget that is certified to 89511
the county budget commission. 89512

~~(F)~~(E) A levy for a continuing period of time may be 89513
decreased pursuant to section 5705.261 of the Revised Code. 89514

~~(G)~~(F) A levy under this section substituting for all or a 89515
portion of one or more existing levies imposed under sections 89516
5705.194 to 5705.197 of the Revised Code or under this section 89517
shall be treated as having renewed the levy or levies being 89518
substituted for purposes of the payments made under sections 89519
5751.20 to 5751.22 of the Revised Code. 89520

~~(H)~~(G) After the approval of a levy on the current tax list 89521
and duplicate, and prior to the time when the first tax collection 89522
from the levy can be made, the board of education may anticipate a 89523
fraction of the proceeds of the levy and issue anticipation notes 89524
in a principal amount not exceeding fifty per cent of the total 89525
estimated proceeds of the levy to be collected during the first 89526
year of the levy. The notes shall be issued as provided in section 89527
133.24 of the Revised Code, shall have principal payments during 89528
each year after the year of their issuance over a period not to 89529
exceed five years, and may have a principal payment in the year of 89530
their issuance. 89531

Sec. 5705.21. (A) At any time, the board of education of any 89532
city, local, exempted village, cooperative education, or joint 89533
vocational school district, by a vote of two-thirds of all its 89534
members, may declare by resolution that the amount of taxes that 89535
may be raised within the ten-mill limitation by levies on the 89536

current tax duplicate will be insufficient to provide an adequate 89537
amount for the necessary requirements of the school district, that 89538
it is necessary to levy a tax in excess of such limitation for one 89539
of the purposes specified in division (A), (D), (F), (H), or (DD) 89540
of section 5705.19 of the Revised Code, for general permanent 89541
improvements, for the purpose of operating a cultural center, for 89542
the purpose of providing for school safety and security, or for 89543
the purpose of providing education technology, and that the 89544
question of such additional tax levy shall be submitted to the 89545
electors of the school district at a general election or a special 89546
election held on a day ~~to~~ on which a primary election may be held, 89547
as specified in the resolution. In the case of a qualifying 89548
library levy for the support of a library association or private 89549
corporation, the question shall be submitted to the electors of 89550
the association library district. If the resolution states that 89551
the levy is for the purpose of operating a cultural center, the 89552
ballot shall state that the levy is "for the purpose of operating 89553
the..... (name of cultural center)." 89554

As used in this division, "cultural center" means a 89555
freestanding building, separate from a public school building, 89556
that is open to the public for educational, musical, artistic, and 89557
cultural purposes; "education technology" means, but is not 89558
limited to, computer hardware, equipment, materials, and 89559
accessories, equipment used for two-way audio or video, and 89560
software; "general permanent improvements" means permanent 89561
improvements without regard to the limitation of division (F) of 89562

time. 89599

The levy of a tax for the current expenses of a partnering 89600

(3) Upon each receipt of a tax distribution by the qualifying 89642
school district, the board of education shall credit the portion 89643
allocated to partnering community schools to the partnering 89644
community schools fund. All income from the investment of money in 89645
the partnering community schools fund shall be credited to that 89646
fund. 89647

(a) If the qualifying school district is a municipal school 89648
district, the board of education shall distribute the partnering 89649
community schools amount among the then qualifying community 89650
schools not more than forty-five days after the school district 89651
receives and deposits each tax distribution. From each tax 89652
distribution, each such partnering community school shall receive 89653
a portion of the partnering community schools amount in the 89654
proportion that the number of its resident students bears to the 89655
aggregate number of resident students of all such partnering 89656
community schools as of the date of receipt and deposit of the tax 89657
distribution. 89658

(b) If the qualifying school district is not a municipal 89659
school district, the board of education may distribute all or a 89660
portion of the amount in the partnering community schools fund 89661
during a fiscal year to partnering community schools on or before 89662
the first day of June of the preceding fiscal year. Each such 89663
partnering community school shall receive a portion of the amount 89664

distributed by the board from the partnering community schools 89665
fund during the fiscal year in the proportion that the number of 89666
its resident students bears to the aggregate number of resident 89667
students of all such partnering community schools as of the date 89668
the school district received and deposited the most recent tax 89669
distribution. On or before the fifteenth day of June of each 89670
fiscal year, the board of education shall announce an estimated 89671
allocation to partnering community schools for the ensuing fiscal 89672
year. The board is not required to allocate to partnering 89673
community schools the entire partnering community schools amount 89674
in the fiscal year in which a tax distribution is received and 89675
deposited in the partnering community schools fund. The estimated 89676
allocation shall be published on the web site of the school 89677
district and expressed as a dollar amount per resident student. 89678
The actual allocation to community schools in a fiscal year need 89679
not conform to the estimate published by the school district so 89680
long if the estimate was made in good faith. 89681

Distributions by a school district under division (B)(3)(b) 89682
of this section shall be made in accordance with distribution 89683
agreements entered into by the board of education and each 89684
partnering community school eligible for distributions under this 89685
division. The distribution agreements shall be certified to the 89686
department of education each fiscal year before the thirtieth day 89687
of July. Each agreement shall provide for at least three 89688
distributions by the school district to the partnering community 89689
school during the fiscal year and shall require the initial 89690
distribution be made on or before the thirtieth day of July. 89691

(c) For the purposes of division (B) of this section, the 89692
number of resident students shall be the number of such students 89693
reported under section 3317.03 of the Revised Code and established 89694
by the department of education as of the date of receipt and 89695
deposit of the tax distribution. 89696

(4) To the extent an agreement whereby the qualifying school district and a community school endorse each other's programs is necessary for the community school to qualify as a partnering community school under division (B)(6)(b) of this section, the board of education of the school district shall certify to the department of education the agreement along with the determination that such agreement satisfies the requirements of that division. The board's determination is conclusive.

(5) For the purposes of Chapter 3317. of the Revised Code or other laws referring to the "taxes charged and payable" for a school district, the taxes charged and payable for a qualifying school district that levies a tax under division (B) of this section includes only the taxes charged and payable under that levy for the current expenses of the school district, and does not include the taxes charged and payable for the current expenses of partnering community schools. The taxes charged and payable for the current expenses of partnering community schools shall not affect the calculation of "state education aid" as defined in section 5751.20 of the Revised Code.

(6) As used in division (B) of this section:

(a) "Qualifying school district" means a municipal school district, as defined in section 3311.71 of the Revised Code or a school district that contains within its territory a partnering community school.

(b) "Partnering community school" means a community school established under Chapter 3314. of the Revised Code that is located within the territory of the qualifying school district and meets one of the following criteria:

(i) If the qualifying school district is a municipal school district, the community school is sponsored by the district or is a party to an agreement with the district whereby the district and

the community school endorse each other's programs; 89728

(ii) If the qualifying school district is not a municipal 89729
school district, the community school is sponsored by a sponsor 89730
that was rated as "exemplary" in the ratings most recently 89731
published under section 3314.016 of the Revised Code before the 89732
resolution proposing the levy is certified to the board of 89733
elections. 89734

(c) "Partnering community schools amount" means the product 89735
obtained, as of the receipt and deposit of the tax distribution, 89736
by multiplying the amount of a tax distribution by a fraction, the 89737
numerator of which is the number of mills per dollar of taxable 89738
value of the property tax to be allocated to partnering community 89739
schools, and the denominator of which is the total number of mills 89740
per dollar of taxable value authorized by the electors in the 89741
election held under division (B) of this section, each as set 89742
forth in the resolution levying the tax. If the resolution 89743
allocates all of the levy proceeds to partnering community 89744
schools, the "partnering schools amount" equals the amount of the 89745
tax distribution. 89746

(d) "Partnering community schools fund" means a separate fund 89747
established by the board of education of a qualifying school 89748
district for the deposit of partnering community school amounts 89749
under this section. 89750

(e) "Resident student" means a student enrolled in a 89751
partnering community school who is entitled to attend school in 89752
the qualifying school district under section 3313.64 or 3313.65 of 89753
the Revised Code. 89754

(f) "Tax distribution" means a distribution of proceeds of 89755
the tax authorized by division (B) of this section under section 89756
321.24 of the Revised Code and distributions that are attributable 89757
to that tax under sections 323.156 and 4503.068 of the Revised 89758

Code or other applicable law. 89759

(C) A resolution adopted under this section shall specify the 89760
date of holding the election, as authorized under this section, 89761
which shall not be earlier than ninety days after the adoption and 89762
certification of the resolution ~~and which shall be consistent with~~ 89763
~~the requirements of section 3501.01 of the Revised Code.~~ 89764

A resolution adopted under this section may propose to renew 89765
one or more existing levies imposed under division (A) or (B) of 89766
this section or to increase or decrease a single levy imposed 89767
under either such division. 89768

If the board of education imposes one or more existing levies 89769
for the purpose specified in division (F) of section 5705.19 of 89770
the Revised Code, the resolution may propose to renew one or more 89771
of those existing levies, or to increase or decrease a single such 89772
existing levy, for the purpose of general permanent improvements. 89773

If the resolution proposes to renew two or more existing 89774
levies, the levies shall be levied for the same purpose. The 89775
resolution shall identify those levies and the rates at which they 89776
are levied. The resolution also shall specify that the existing 89777
levies shall not be extended on the tax lists after the year 89778
preceding the year in which the renewal levy is first imposed, 89779
regardless of the years for which those levies originally were 89780
authorized to be levied. 89781

If the resolution proposes to renew an existing levy imposed 89782
under division (B) of this section, the rates allocated to the 89783
qualifying school district and to partnering community schools 89784
each may be increased or decreased or remain the same, and the 89785
total rate may be increased, decreased, or remain the same. The 89786
resolution and notice of election shall specify the number of the 89787
mills to be levied for the current expenses of the partnering 89788
community schools and the number of the mills, if any, to be 89789

levied for the current expenses of the qualifying school district. 89790

A resolution adopted under this section shall go into 89791
immediate effect upon its passage, and no publication of the 89792
resolution shall be necessary other than that provided for in the 89793
notice of election. A copy of the resolution shall immediately 89794
after its passing be certified to the board of elections of the 89795
proper county in the manner provided by section 5705.25 of the 89796
Revised Code. That section shall govern the arrangements for the 89797
submission of such question and other matters concerning the 89798
election to which that section refers, including publication of 89799
notice of the election, except that the election shall be held on 89800
the date specified in the resolution. In the case of a resolution 89801
adopted under division (B) of this section, the publication of 89802
notice of that election shall state the number of the mills, if 89803
any, to be levied for the current expenses of partnering community 89804
schools and the number of the mills to be levied for the current 89805
expenses of the qualifying school district. If a majority of the 89806
electors voting on the question so submitted in an election vote 89807
in favor of the levy, the board of education may make the 89808
necessary levy within the school district or, in the case of a 89809
qualifying library levy for the support of a library association 89810
or private corporation, within the association library district, 89811
at the additional rate, or at any lesser rate in excess of the 89812
ten-mill limitation on the tax list, for the purpose stated in the 89813
resolution. A levy for a continuing period of time may be reduced 89814
pursuant to section 5705.261 of the Revised Code. The tax levy 89815
shall be included in the next tax budget that is certified to the 89816
county budget commission. 89817

(D)(1) After the approval of a levy on the current tax list 89818
and duplicate for current expenses, for recreational purposes, for 89819
community centers provided for in section 755.16 of the Revised 89820
Code, or for a public library of the district under division (A) 89821

of this section, and prior to the time when the first tax 89822
collection from the levy can be made, the board of education may 89823
anticipate a fraction of the proceeds of the levy and issue 89824
anticipation notes in a principal amount not exceeding fifty per 89825
cent of the total estimated proceeds of the levy to be collected 89826
during the first year of the levy. 89827

(2) After the approval of a levy for general permanent 89828
improvements for a specified number of years or for permanent 89829
improvements having the purpose specified in division (F) of 89830
section 5705.19 of the Revised Code, the board of education may 89831
anticipate a fraction of the proceeds of the levy and issue 89832
anticipation notes in a principal amount not exceeding fifty per 89833
cent of the total estimated proceeds of the levy remaining to be 89834
collected in each year over a period of five years after the 89835
issuance of the notes. 89836

The notes shall be issued as provided in section 133.24 of 89837
the Revised Code, shall have principal payments during each year 89838
after the year of their issuance over a period not to exceed five 89839
years, and may have a principal payment in the year of their 89840
issuance. 89841

(3) After approval of a levy for general permanent 89842
improvements for a continuing period of time, the board of 89843
education may anticipate a fraction of the proceeds of the levy 89844
and issue anticipation notes in a principal amount not exceeding 89845
fifty per cent of the total estimated proceeds of the levy to be 89846
collected in each year over a specified period of years, not 89847
exceeding ten, after the issuance of the notes. 89848

The notes shall be issued as provided in section 133.24 of 89849
the Revised Code, shall have principal payments during each year 89850
after the year of their issuance over a period not to exceed ten 89851
years, and may have a principal payment in the year of their 89852
issuance. 89853

(4) After the approval of a levy on the current tax list and duplicate under division (B) of this section, and prior to the time when the first tax collection from the levy can be made, the board of education may anticipate a fraction of the proceeds of the levy for the current expenses of the school district and issue anticipation notes in a principal amount not exceeding fifty per cent of the estimated proceeds of the levy to be collected during the first year of the levy and allocated to the school district. The portion of the levy proceeds to be allocated to partnering community schools under that division shall not be included in the estimated proceeds anticipated under this division and shall not be used to pay debt charges on any anticipation notes.

The notes shall be issued as provided in section 133.24 of the Revised Code, shall have principal payments during each year after the year of their issuance over a period not to exceed five years, and may have a principal payment in the year of their issuance.

~~(E) The submission of questions to the electors under this section is subject to the limitation on the number of election dates established by section 5705.214 of the Revised Code.~~

~~(F)~~ The board of education of any school district that levies a tax under this section for the purpose of providing for school safety and security may report to the department of education how the district is using revenue from that tax.

Sec. 5705.211. (A) As used in this section:

(1) "Adjusted charge-off increase" for a tax year means two and two-tenths per cent of the cumulative carryover property value increase.

(2) "Cumulative carryover property value increase" means the sum of the increases in carryover value certified under division

(B)(2) of section 3317.015 of the Revised Code and included in a school district's total taxable value in the computation of recognized valuation under division (B) of that section for all fiscal years from the fiscal year that ends in the first tax year a levy under this section is extended on the tax list of real and public utility property until and including the fiscal year that ends in the current tax year.

(3) "Taxes charged and payable" means the taxes charged and payable from a tax levy extended on the real and public utility property tax list and the general list of personal property before any reduction under section 319.302, 323.152, or 323.158 of the Revised Code.

(B) The board of education of a city, local, or exempted village school district may adopt a resolution proposing the levy of a tax in excess of the ten-mill limitation for the purpose of paying the current operating expenses of the district. If the resolution is approved as provided in division (D) of this section, the tax may be levied at such a rate each tax year that the total taxes charged and payable from the levy equals the adjusted charge-off increase for the tax year or equals a lesser amount as prescribed under division (C) of this section. The tax may be levied for a continuing period of time or for a specific number of years, but not fewer than five years, as provided in the resolution. The tax may not be placed on the tax list for a tax year beginning before the first day of January following adoption of the resolution. A board of education may not adopt a resolution under this section proposing to levy a tax under this section concurrently with any other tax levied by the board under this section.

(C) After the first year a tax is levied under this section, the rate of the tax in any year shall not exceed the rate, estimated by the county auditor, that would cause the sums levied

from the tax against carryover property to exceed one hundred four 89916
per cent of the sums levied from the tax against carryover 89917
property in the preceding year. A board of education imposing a 89918
tax under this section may specify in the resolution imposing the 89919
tax that the percentage shall be less than one hundred four per 89920
cent, but the percentage shall not be less than one hundred per 89921
cent. At any time after a resolution adopted under this section is 89922
approved by a majority of electors as provided in division (D) of 89923
this section, the board of education, by resolution, may decrease 89924
the percentage specified in the resolution levying the tax. 89925

(D) A resolution adopted under this section shall state that 89926
the purpose of the tax is to pay current operating expenses of the 89927
district, and shall specify the first year in which the tax is to 89928
be levied, the number of years the tax will be levied or that it 89929
will be levied for a continuing period of time, and the election 89930
at which the question of the tax is to appear on the ballot, which 89931
shall be a general election or a special election ~~consistent with~~ 89932
~~the requirements of section 3501.01 of the Revised Code held on a~~ 89933
day on which a primary election may be held. If the board of 89934
education specifies a percentage less than one hundred four per 89935
cent pursuant to division (C) of this section, the percentage 89936
shall be specified in the resolution. 89937

Upon adoption of the resolution, the board of education may 89938
certify a copy of the resolution to the proper county board of 89939
elections. The copy of the resolution shall be certified to the 89940
board of elections not later than ninety days before the day of 89941
the election at which the question of the tax is to appear on the 89942
ballot. Upon receiving a timely certified copy of such a 89943
resolution, the board of elections shall make the necessary 89944
arrangements for the submission of the question to the electors of 89945
the school district, and the election shall be conducted, 89946
canvassed, and certified in the same manner as regular elections 89947

in the school district for the election of members of the board of 89948
education. Notice of the election shall be published in a 89949
newspaper of general circulation in the school district once per 89950
week for four consecutive weeks or as provided in section 7.16 of 89951
the Revised Code. The notice shall state that the purpose of the 89952
tax is for the current operating expenses of the school district, 89953
the first year the tax is to be levied, the number of years the 89954
tax is to be levied or that it is to be levied for a continuing 89955
period of time, that the tax is to be levied each year in an 89956
amount estimated to offset decreases in state base cost funding 89957
caused by appreciation in real estate values, and that the 89958
estimated additional tax in any year shall not exceed the previous 89959
year's by more than four per cent, or a lesser percentage 89960
specified in the resolution levying the tax, except for increases 89961
caused by the addition of new taxable property. 89962

The question shall be submitted as a separate proposition but 89963
may be printed on the same ballot with any other proposition 89964
submitted at the same election other than the election of 89965
officers. 89966

The form of the ballot shall be substantially as follows: 89967

"An additional tax for the benefit of (name of school 89968
district) for the purpose of paying the current operating expenses 89969
of the district, for (number of years or for continuing 89970
period of time), at a rate sufficient to offset any reduction in 89971
basic state funding caused by appreciation in real estate values? 89972
This levy will permit variable annual growth in revenue up to 89973

authorized to levy a tax under this section shall certify the tax 90011
to the county auditor before the first day of October of the tax 90012
year in which the tax is to be levied, or at a later date as 90013
approved by the tax commissioner. 90014

Sec. 5705.212. (A)(1) The board of education of any school 90015
district, at any time and by a vote of two-thirds of all of its 90016
members, may declare by resolution that the amount of taxes that 90017
may be raised within the ten-mill limitation will be insufficient 90018
to provide an adequate amount for the present and future 90019
requirements of the school district, that it is necessary to levy 90020
not more than five taxes in excess of that limitation for current 90021
expenses, and that each of the proposed taxes first will be levied 90022
in a different year, over a specified period of time. The board 90023
shall identify the taxes proposed under this section as follows: 90024
the first tax to be levied shall be called the "original tax." 90025
Each tax subsequently levied shall be called an "incremental tax." 90026
The rate of each incremental tax shall be identical, but the rates 90027
of such incremental taxes need not be the same as the rate of the 90028
original tax. The resolution also shall state that the question of 90029
these additional taxes shall be submitted to the electors of the 90030
school district at a general election or a special election held 90031
on a day on which a primary election may be held. The resolution 90032
shall specify separately for each tax proposed: the amount of the 90033
increase in rate that it is necessary to levy, expressed 90034
separately for the original tax and each incremental tax; that the 90035
purpose of the levy is for current expenses; the number of years 90036
during which the original tax shall be in effect; a specification 90037
that the last year in which the original tax is in effect shall 90038
also be the last year in which each incremental tax shall be in 90039
effect; and the year in which each tax first is proposed to be 90040
levied. The original tax may be levied for any number of years not 90041
exceeding ten, or for a continuing period of time. The resolution 90042

shall specify the date of holding the ~~special~~ election, which 90043
shall not be earlier than ninety days after the adoption and 90044
certification of the resolution ~~and shall be consistent with the~~ 90045
~~requirements of section 3501.01 of the Revised Code.~~ 90046

(2) The board of education, by a vote of two-thirds of all of 90047
its members, may adopt a resolution proposing to renew taxes 90048
levied other than for a continuing period of time under division 90049
(A)(1) of this section. Such a resolution shall provide for 90050
levying a tax and specify all of the following: 90051

(a) That the tax shall be called and designated on the ballot 90052
as a renewal levy; 90053

(b) The rate of the renewal tax, which shall be a single rate 90054
that combines the rate of the original tax and each incremental 90055
tax into a single rate. The rate of the renewal tax shall not 90056
exceed the aggregate rate of the original and incremental taxes. 90057

(c) The number of years, not to exceed ten, that the renewal 90058
tax will be levied, or that it will be levied for a continuing 90059
period of time; 90060

(d) That the purpose of the renewal levy is for current 90061
expenses; 90062

(e) Subject to the certification and notification 90063
requirements of section 5705.251 of the Revised Code, that the 90064
question of the renewal levy shall be submitted to the electors of 90065
the school district at the general election held during the last 90066
year the original tax may be extended on the real and public 90067
utility property tax list and duplicate or at a the general 90068
election or the special election held on a day on which a primary 90069
election may be held, occurring during the ensuing year. 90070

(3) A resolution adopted under division (A)(1) or (2) of this 90071
section shall go into immediate effect upon its adoption and no 90072
publication of the resolution is necessary other than that 90073

provided for in the notice of election. Immediately after its 90074
adoption, a copy of the resolution shall be certified to the board 90075
of elections of the proper county in the manner provided by 90076
division (A) of section 5705.251 of the Revised Code, and that 90077
division shall govern the arrangements for the submission of the 90078
question and other matters concerning the election to which that 90079
section refers. The election shall be held on the date specified 90080
in the resolution. If a majority of the electors voting on the 90081
question so submitted in an election vote in favor of the taxes or 90082
a renewal tax, the board of education, if the original or a 90083
renewal tax is authorized to be levied for the current year, 90084
immediately may make the necessary levy within the school district 90085
at the authorized rate, or at any lesser rate in excess of the 90086
ten-mill limitation, for the purpose stated in the resolution. No 90087
tax shall be imposed prior to the year specified in the resolution 90088
as the year in which it is first proposed to be levied. The rate 90089
of the original tax and the rate of each incremental tax shall be 90090
cumulative, so that the aggregate rate levied in any year is the 90091
sum of the rates of both the original tax and all incremental 90092
taxes levied in or prior to that year under the same proposal. A 90093
tax levied for a continuing period of time under this section may 90094
be reduced pursuant to section 5705.261 of the Revised Code. 90095

(B) Notwithstanding section 133.30 of the Revised Code, after 90096
the approval of a tax to be levied in the current or the 90097
succeeding year and prior to the time when the first tax 90098
collection from that levy can be made, the board of education may 90099
anticipate a fraction of the proceeds of the levy and issue 90100
anticipation notes in an amount not to exceed fifty per cent of 90101
the total estimated proceeds of the levy to be collected during 90102
the first year of the levy. The notes shall be sold as provided in 90103
Chapter 133. of the Revised Code. If anticipation notes are 90104
issued, they shall mature serially and in substantially equal 90105
amounts during each year over a period not to exceed five years; 90106

and the amount necessary to pay the interest and principal as the 90107
anticipation notes mature shall be deemed appropriated for those 90108
purposes from the levy, and appropriations from the levy by the 90109
board of education shall be limited each fiscal year to the 90110
balance available in excess of that amount. 90111

If the auditor of state has certified a deficit pursuant to 90112
section 3313.483 of the Revised Code, the notes authorized under 90113
this section may be sold in accordance with Chapter 133. of the 90114
Revised Code, except that the board may sell the notes after 90115
providing a reasonable opportunity for competitive bidding. 90116

(C)(1) The board of education of a qualifying school 90117
district, at any time and by a vote of two-thirds of all its 90118
members, may declare by resolution that it is necessary to levy 90119
not more than five taxes in excess of the ten-mill limitation for 90120
the current expenses of partnering community schools and, if any 90121
of the levy proceeds are so allocated, of the school district, and 90122
that each of the proposed taxes first will be levied in a 90123
different year, over a specified period of time. A qualifying 90124
school district that is not a municipal school district may 90125
allocate all of the levy proceeds to partnering community schools. 90126
A municipal school district shall allocate a portion of the levy 90127
proceeds to the current expenses of the district. The board shall 90128
identify the taxes proposed under this division in the same manner 90129
as in division (A)(1) of this section. The rate of each 90130
incremental tax shall be identical, but the rates of such 90131
incremental taxes need not be the same as the rate of the original 90132
tax. In addition to the specifications required of the resolution 90133
in division (A) of this section, the resolution shall state the 90134
number of the mills to be levied each year for the current 90135
expenses of the partnering community schools and the number of the 90136
mills, if any, to be levied each year for the current expenses of 90137
the school district. The number of mills for the current expenses 90138

of partnering community schools shall be the same for each of the 90139
incremental taxes, and the number of mills for the current 90140
expenses of the qualifying school district shall be the same for 90141
each of the incremental taxes. 90142

The levy of taxes for the current expenses of a partnering 90143
community school under division (C) of this section and the 90144
distribution of proceeds from the tax by a qualifying school 90145
district to partnering community schools is hereby determined to 90146
be a proper public purpose. 90147

(2) The board of education, by a vote of two-thirds of all of 90148
its members, may adopt a resolution proposing to renew taxes 90149
levied other than for a continuing period of time under division 90150
(C)(1) of this section. In such a renewal levy, the rates 90151
allocated to the qualifying school district and to partnering 90152
community schools each may be increased or decreased or remain the 90153
same, and the total rate may be increased, decreased, or remain 90154
the same. In addition to the requirements of division (A)(2) of 90155
this section, the resolution shall state the number of the mills 90156
to be levied for the current expenses of the partnering community 90157
schools and the number of the mills to be levied for the current 90158
expenses of the school district. 90159

(3) A resolution adopted under division (C)(1) or (2) of this 90160
section is subject to the rules and procedures prescribed by 90161
division (A)(3) of this section. 90162

(4) The proceeds of each tax levied under division (C)(1) or 90163
(2) of this section shall be credited and distributed in the 90164
manner prescribed by division (B)(3) of section 5705.21 of the 90165
Revised Code, and divisions (B)(4), (5), and (6) of that section 90166
apply to taxes levied under division (C) of this section. 90167

(5) Notwithstanding section 133.30 of the Revised Code, after 90168
the approval of a tax to be levied under division (C)(1) or (2) of 90169

this section, in the current or succeeding year and prior to the 90170
time when the first tax collection from that levy can be made, the 90171
board of education may anticipate a fraction of the proceeds of 90172
the levy for the current expenses of the qualifying school 90173
district and issue anticipation notes in a principal amount not 90174
exceeding fifty per cent of the estimated proceeds of the levy to 90175
be collected during the first year of the levy and allocated to 90176
the school district. The portion of levy proceeds to be allocated 90177
to partnering community schools shall not be included in the 90178
estimated proceeds anticipated under this division and shall not 90179
be used to pay debt charges on any anticipation notes. 90180

The notes shall be sold as provided in Chapter 133. of the 90181
Revised Code. If anticipation notes are issued, they shall mature 90182
serially and in substantially equal amounts during each year over 90183
a period not to exceed five years. The amount necessary to pay the 90184
interest and principal as the anticipation notes mature shall be 90185
deemed appropriated for those purposes from the levy, and 90186
appropriations from the levy by the board of education shall be 90187
limited each fiscal year to the balance available in excess of 90188
that amount. 90189

If the auditor of state has certified a deficit pursuant to 90190
section 3313.483 of the Revised Code, the notes authorized under 90191
this section may be sold in accordance with Chapter 133. of the 90192
Revised Code, except that the board may sell the notes after 90193
providing a reasonable opportunity for competitive bidding. 90194

As used in division (C) of this section, "qualifying school 90195
district" and "partnering community schools" have the same 90196
meanings as in section 5705.21 of the Revised Code. 90197

~~(D) The submission of questions to the electors under this 90198
section is subject to the limitation on the number of election 90199
dates established by section 5705.214 of the Revised Code. 90200~~

Sec. 5705.213. (A)(1) The board of education of any school 90201
district, at any time and by a vote of two-thirds of all of its 90202
members, may declare by resolution that the amount of taxes that 90203
may be raised within the ten-mill limitation will be insufficient 90204
to provide an adequate amount for the present and future 90205
requirements of the school district and that it is necessary to 90206
levy a tax in excess of that limitation for current expenses. The 90207
resolution also shall state that the question of the additional 90208
tax shall be submitted to the electors of the school district at a 90209
general election or a special election held on a day on which a 90210
primary election may be held. The resolution shall specify, for 90211
each year the levy is in effect, the amount of money that the levy 90212
is proposed to raise, which may, for years after the first year 90213
the levy is made, be expressed in terms of a dollar or percentage 90214
increase over the prior year's amount. The resolution also shall 90215
specify that the purpose of the levy is for current expenses, the 90216
number of years during which the tax shall be in effect which may 90217
be for any number of years not exceeding ten, and the year in 90218
which the tax first is proposed to be levied. The resolution shall 90219
specify the date of holding the ~~special~~ election, which shall not 90220
be earlier than ninety-five days after the adoption and 90221
certification of the resolution to the county auditor and not 90222
earlier than ninety days after certification to the board of 90223
elections. ~~The date of the election shall be consistent with the~~ 90224
~~requirements of section 3501.01 of the Revised Code.~~ 90225

(2) The board of education, by a vote of two-thirds of all of 90226
its members, may adopt a resolution proposing to renew a tax 90227
levied under division (A)(1) of this section. Such a resolution 90228
shall provide for levying a tax and specify all of the following: 90229

(a) That the tax shall be called and designated on the ballot 90230
as a renewal levy; 90231

(b) The amount of the renewal tax, which shall be no more than the amount of tax levied during the last year the tax being renewed is authorized to be in effect;

(c) The number of years, not to exceed ten, that the renewal tax will be levied, or that it will be levied for a continuing period of time;

(d) That the purpose of the renewal levy is for current expenses;

(e) Subject to the certification and notification requirements of section 5705.251 of the Revised Code, that the question of the renewal levy shall be submitted to the electors of the school district at the general election held during the last year the tax being renewed may be extended on the real and public utility property tax list and duplicate or at a the general election or the special election held on a day on which a primary election may be held, occurring during the ensuing year.

(3) A resolution adopted under division (A)(1) or (2) of this section shall go into immediate effect upon its adoption and no publication of the resolution is necessary other than that provided for in the notice of election. Immediately after its adoption, a copy of the resolution shall be certified to the county auditor of the proper county, who shall, within five days, calculate and certify to the board of education the estimated levy, for the first year, and for each subsequent year for which the tax is proposed to be in effect. The estimates shall be made both in mills for each dollar of valuation, and in dollars and cents for each one hundred dollars of valuation. In making the estimates, the auditor shall assume that the amount of the tax list remains throughout the life of the levy, the same as the tax list for the current year. If the tax list for the current year is not determined, the auditor shall base the auditor's estimates on the estimated amount of the tax list for the current year as

submitted to the county budget commission. 90264

If the board desires to proceed with the submission of the 90265
question, it shall certify its resolution, with the estimated tax 90266
levy expressed in mills and dollars and cents per hundred dollars 90267
of valuation for each year that the tax is proposed to be in 90268
effect, to the board of elections of the proper county in the 90269
manner provided by division (A) of section 5705.251 of the Revised 90270
Code. Section 5705.251 of the Revised Code shall govern the 90271
arrangements for the submission of the question and other matters 90272
concerning the election to which that section refers. The election 90273
shall be held on the date specified in the resolution. If a 90274
majority of the electors voting on the question so submitted in an 90275
election vote in favor of the tax, and if the tax is authorized to 90276
be levied for the current year, the board of education immediately 90277
may make the additional levy necessary to raise the amount 90278
specified in the resolution or a lesser amount for the purpose 90279
stated in the resolution. 90280

~~(4) The submission of questions to the electors under this 90281
section is subject to the limitation on the number of election 90282
dates established by section 5705.214 of the Revised Code. 90283~~

(B) Notwithstanding sections 133.30 and 133.301 of the 90284
Revised Code, after the approval of a tax to be levied in the 90285
current or the succeeding year and prior to the time when the 90286
first tax collection from that levy can be made, the board of 90287
education may anticipate a fraction of the proceeds of the levy 90288
and issue anticipation notes in an amount not to exceed fifty per 90289
cent of the total estimated proceeds of the levy to be collected 90290
during the first year of the levy. The notes shall be sold as 90291
provided in Chapter 133. of the Revised Code. If anticipation 90292
notes are issued, they shall mature serially and in substantially 90293
equal amounts during each year over a period not to exceed five 90294
years; and the amount necessary to pay the interest and principal 90295

as the anticipation notes mature shall be deemed appropriated for 90296
those purposes from the levy, and appropriations from the levy by 90297
the board of education shall be limited each fiscal year to the 90298
balance available in excess of that amount. 90299

If the auditor of state has certified a deficit pursuant to 90300
section 3313.483 of the Revised Code, the notes authorized under 90301
this section may be sold in accordance with Chapter 133. of the 90302
Revised Code, except that the board may sell the notes after 90303
providing a reasonable opportunity for competitive bidding. 90304

Sec. 5705.214. Notwithstanding any section of the Revised 90305
Code to the contrary, the board of education of a school district 90306
may submit a proposal to levy a property tax on the ballot at a 90307
special election held in August if the resolution or ordinance 90308
proposing the tax declares that the purpose of such tax, in 90309
addition to any other purpose authorized for that tax under the 90310
Revised Code, is to prevent the conditions that would qualify the 90311
school district for a fiscal emergency declaration as described in 90312
division (B) of section 3316.03 of the Revised Code. This 90313
additional purpose shall be included in the election notice 90314
advertising the levy and in the levy's ballot language. 90315

Sec. 5705.217. (A) The board of education of a city, local, 90316
or exempted village school district, at any time by a vote of 90317
two-thirds of all its members, may declare by resolution that the 90318
amount of taxes that can be raised within the ten-mill limitation 90319
will be insufficient to provide an adequate amount for the present 90320
and future requirements of the school district; that it is 90321
necessary to levy an additional tax in excess of that limitation 90322
for the purposes of providing funds for current operating expenses 90323
and for general permanent improvements as defined in section 90324
5705.21 of the Revised Code; and that the question of the tax 90325
shall be submitted to the electors of the district at a general 90326

election or a special election held on a day on which a primary 90327
election may be held. The tax may be levied for a specified number 90328
of years not exceeding five or for a continuing period of time. 90329
The resolution shall specify the proposed tax rate, the first year 90330
the tax will be levied, and the number of years it will be levied, 90331
or that it will be levied for a continuing period of time. The 90332
resolution shall apportion the annual rate of the tax between 90333
current operating expenses and permanent improvements. The 90334
apportionment may but need not be the same for each year of the 90335
tax, but the respective portions of the rate actually levied each 90336
year for current operating expenses and permanent improvements 90337
shall be limited by the apportionment. 90338

The resolution shall specify the date of holding the ~~special~~ 90339
election, which shall not be earlier than ninety days after 90340
certification of the resolution to the board of elections ~~and~~ 90341
~~shall be consistent with the requirements of section 3501.01 of~~ 90342
~~the Revised Code.~~ The resolution shall go into immediate effect 90343
upon its passage, and no publication of it is necessary other than 90344
that provided in the notice of election. The board of education 90345
shall certify a copy of the resolution to the board of elections 90346
immediately after its adoption. Section 5705.25 of the Revised 90347
Code governs the arrangements and form of the ballot for the 90348
submission of the question to the electors. 90349

If a majority of the electors voting on the question vote in 90350
favor of the tax, the board of education may make the levy at the 90351
additional rate, or at any lesser rate in excess of the ten-mill 90352
limitation. If the tax is for a continuing period of time, it may 90353
be decreased in accordance with section 5705.261 of the Revised 90354
Code. 90355

A board of education may adopt a resolution to renew one or 90356
more existing levies imposed under this section, or to increase or 90357
decrease the rate of a tax levied under this section, for the 90358

purpose of providing funds for either current expenses and general 90359
permanent improvements or solely for general permanent 90360
improvements. 90361

(B)(1) After the approval of a tax for current operating 90362
expenses under this section and prior to the time the first 90363
collection and distribution from the levy can be made, the board 90364
of education may anticipate a fraction of the proceeds of such 90365
levy and issue anticipation notes in a principal amount not 90366
exceeding fifty per cent of the total estimated proceeds of the 90367
tax to be collected during the first year of the levy. 90368

(2) After the approval of a tax for general permanent 90369
improvements levied under this section for a specified number of 90370
years, the board of education may anticipate a fraction of the 90371
proceeds of such tax and issue anticipation notes in a principal 90372
amount not exceeding fifty per cent of the total estimated 90373
proceeds of the tax remaining to be collected in each year over a 90374
specified period of years, not exceeding the number of years for 90375
which the tax was levied, after issuance of the notes. 90376

(3) After the approval of a tax for general permanent 90377
improvements levied under this section for a continuing period of 90378
time, the board of education may anticipate a fraction of the 90379
proceeds of such tax and issue anticipation notes in a principal 90380
amount not exceeding fifty per cent of the total estimated 90381
proceeds of the tax to be collected in each year over a specified 90382
period of years, not exceeding ten, after issuance of the notes. 90383

Anticipation notes under this section shall be issued as 90384
provided in section 133.24 of the Revised Code. Notes issued under 90385
division (B)(1) or (2) of this section shall have principal 90386
payments during each year after the year of their issuance over a 90387
period not to exceed five years, and may have a principal payment 90388
in the year of their issuance. Notes issued under division (B)(3) 90389
of this section shall have principal payments during each year 90390

after the year of their issuance over a period not to exceed ten 90391
years, and may have a principal payment in the year of their 90392
issuance. 90393

~~(C) The submission of a question to the electors under this 90394
section is subject to the limitation on the number of elections 90395
that can be held in a year under section 5705.214 of the Revised 90396
Code. 90397~~

Sec. 5705.218. (A) The board of education of a city, local, 90398
or exempted village school district, at any time by a vote of 90399
two-thirds of all its members, may declare by resolution that it 90400
may be necessary for the school district to issue general 90401
obligation bonds for permanent improvements. The resolution shall 90402
state all of the following: 90403

(1) The necessity and purpose of the bond issue; 90404

(2) The date of the ~~special~~ election at which the question 90405
shall be submitted to the electors, which shall be the date of a 90406
general election or a special election held on a day on which a 90407
primary election may be held; 90408

(3) The amount, approximate date, estimated rate of interest, 90409
and maximum number of years over which the principal of the bonds 90410
may be paid; 90411

(4) The necessity of levying a tax outside the ten-mill 90412
limitation to pay debt charges on the bonds and any anticipatory 90413
securities. 90414

On adoption of the resolution, the board shall certify a copy 90415
of it to the county auditor. The county auditor promptly shall 90416
estimate and certify to the board the average annual property tax 90417
rate required throughout the stated maturity of the bonds to pay 90418
debt charges on the bonds, in the same manner as under division 90419
(C) of section 133.18 of the Revised Code. 90420

Sec. 5705.2111. (A) If the board of directors of a regional 90892
student education district created under section 3313.83 of the 90893
Revised Code desires to levy a tax in excess of the ten-mill 90894
limitation throughout the district for the purpose of funding the 90895
services to be provided by the district to students enrolled in 90896
the school districts of which the district is composed and their 90897

exceed three mills per dollar of taxable value in the regional 90903
student education district. 90904

(B)(1) If a majority of the boards of education of the school 90905

composed approves the proposal for the tax levy, the board of 90907
directors of the regional student education district may adopt a 90908
resolution approved by a majority of the board's full membership 90909
declaring the necessity of levying the proposed tax in excess of 90910
the ten-mill limitation throughout the district for the purpose of 90911
funding the services to be provided by the district to students 90912
enrolled in the school districts of which the district is composed 90913
and their immediate family members. The resolution shall provide 90914
for the question of the tax to be submitted to the electors of the 90915

day on which a primary, ~~or special~~ election ~~on a day to~~ may be 90917
held, as specified in the resolution ~~that is consistent with the~~ 90918
~~requirements of section 3501.01 of the Revised Code and that~~ 90919

certified to the board of elections. The resolution shall specify 90921
the rate or amount of the tax and the number of years the tax will 90922
be levied or that the tax will be levied for a continuing period 90923
of time. The aggregate rate of tax levied by a regional student 90924
education district under this section at any time shall not exceed 90925
three mills per dollar of taxable value in the district. A tax 90926
levied under this section may be renewed, subject to section 90927
5705.25 of the Revised Code, or replaced as provided in section 90928
5705.192 of the Revised Code. 90929

(2) The resolution shall take effect immediately upon 90930
passage, and no publication of the resolution is necessary other 90931
than that provided in the notice of election. The resolution shall 90932
be certified and submitted in the manner provided under section 90933
5705.25 of the Revised Code, and that section governs the 90934
arrangements governing submission of the question and other 90935
matters concerning the election. 90936

Sec. 5705.2112. (A) As used in this section and section 90937
5705.2113 of the Revised Code: 90938

(1) "Qualifying partnership" has the same meaning as in 90939
section 3318.71 of the Revised Code. 90940

(2) "Fiscal board" means the board of education of the school 90941
district that is selected as the fiscal agent of a qualifying 90942
partnership under division (D) of section 3318.71 of the Revised 90943
Code. 90944

(3) "Participating school district" means a city, local, 90945
exempted village, cooperative education, or joint vocational 90946
school district that is a party to the qualifying partnership 90947
agreement described in section 3318.71 of the Revised Code. 90948

(4) "Tax distribution" means a distribution of proceeds of 90949
the tax authorized by this section under section 321.24 of the 90950

Revised Code and distributions that are attributable to that tax 90951
under sections 323.156 and 4503.068 of the Revised Code or other 90952
applicable law. 90953

(5) "Acquisition of classroom facilities" has the same 90954
meaning as in section 3318.01 of the Revised Code. 90955

(B) The fiscal board of a qualifying partnership may levy a 90956
tax under this section in excess of the ten-mill limitation for 90957
the purpose of funding the acquisition of classroom facilities 90958
that benefit the qualifying partnership. The tax is subject to the 90959
approval of the electors of all participating school districts. 90960
Before proposing the tax to such electors, the fiscal board shall 90961
obtain identical resolutions adopted by two-thirds of the members 90962
of the board of education of each participating school district. 90963
The resolutions shall specify all of the following: 90964

(1) The rate of the levy; 90965

(2) The purpose of the levy, which shall be confined to the 90966
acquisition of classroom facilities; 90967

(3) The number of years during which the levy shall be in 90968
effect, which shall be for any number of years not exceeding ten; 90969

(4) That the question of the levy shall be submitted to the 90970
electors of each participating school district at a general 90971
election or a special election held on a day on which a primary 90972
election may be held; 90973

(5) The date that such ~~special~~ election shall be held, which 90974
shall not be earlier than ninety days after the resolutions are 90975
certified to the board or boards of elections under division (C) 90976
of this section ~~and which shall be consistent with the~~ 90977
~~requirements of section 3501.01 of the Revised Code.~~ 90978

(C) A resolution adopted under division (B) of this section 90979
shall go into immediate effect upon its passage, and no 90980

publication of the resolution shall be necessary other than that 90981
provided for in the notice of election. Upon passing such a 90982
resolution, the board of education of a participating school 90983
district shall certify a copy of the resolution to the fiscal 90984
board of the qualifying partnership. Once the fiscal board 90985
receives an identical resolution from each participating school 90986
district, the fiscal board shall certify copies of such 90987
resolutions to the board of elections of the proper county or 90988
counties in the manner provided by section 5705.25 of the Revised 90989
Code. That section shall govern the arrangements for the 90990
submission of the levy to the electors of each participating 90991
school district and other matters concerning the election to which 90992
that section refers, including publication of notice of the 90993
election, except that the election shall be held on the date 90994
specified in the resolutions and the notice shall be published in 90995
newspapers of general circulation in all the participating school 90996
districts. 90997

The question of the levy shall be submitted as a single 90998
ballot issue to the electors of all the participating school 90999
districts. If a majority of all such electors voting on the 91000
question so submitted in the election vote in favor of the levy, 91001
the fiscal board may make the necessary levy within the territory 91002
of the participating school districts at the additional rate, or 91003
at any lesser rate in excess of the ten-mill limitation on the tax 91004
list, for the purpose stated in the resolutions. 91005

~~The submission of questions to the electors under this 91006
section is subject to the limitation on the number of election 91007
dates established by section 5705.214 of the Revised Code. 91008~~

(D) Each tax distribution shall be deposited to a special 91009
fund, established for the purposes described in the resolutions 91010
proposing the tax levy, in the county treasury of the county in 91011
which the fiscal board of the qualifying partnership is located. 91012

The fiscal board shall be the custodian of the amounts deposited 91013
to such fund and shall have the same rights and responsibilities 91014
with respect to the fund as boards of education do with respect to 91015
other levy revenues. 91016

(E) The levy of a tax under this section for the purpose of 91017
funding the acquisition of classroom facilities benefiting a 91018
qualifying partnership is hereby determined to be a proper public 91019
purpose. For the purposes of Chapter 3317. of the Revised Code or 91020
other laws referring to the "taxes charged and payable" for a 91021
school district, the taxes charged and payable for a levy 91022
authorized under this section are not included in the taxes 91023
charged and payable for any participating school district. The 91024
taxes charged and payable for a levy authorized under this section 91025
shall not affect the calculation of "state education aid," as 91026
defined in section 5751.20 of the Revised Code, for any 91027
participating school district. 91028

(F)(1) After the approval of a levy under this section for a 91029
specified number of years, the fiscal board of a qualifying 91030
partnership may anticipate a fraction of the proceeds of the levy 91031
and issue anticipation notes in a principal amount not exceeding 91032
seventy-five per cent of the total estimated proceeds of the levy 91033
remaining to be collected in each year over a period of ten years 91034
after the issuance of the notes. 91035

The notes shall be issued as provided in section 133.24 of 91036
the Revised Code, shall have principal payments during each year 91037
after the year of their issuance over a period not to exceed ten 91038
years, and may have a principal payment in the year of their 91039
issuance. 91040

(2) The fiscal board of a qualifying partnership is a "taxing 91041
authority" for the purposes of Chapter 133. of the Revised Code 91042
with respect to the tax and securities authorized under this 91043
section, and the treasurer of the school district serving as the 91044

fiscal board is the fiscal officer for the purposes of that 91045
chapter. 91046

Sec. 5705.221. (A) At any time, the board of county 91047
commissioners of any county by a majority vote of the full 91048
membership may declare by resolution and certify to the board of 91049
elections of the county that the amount of taxes which may be 91050
raised within the ten-mill limitation by levies on the current tax 91051
duplicate will be insufficient to provide the necessary 91052
requirements of the county's alcohol, drug addiction, and mental 91053
health service district established pursuant to Chapter 340. of 91054
the Revised Code, or the county's contribution to a joint-county 91055
district of which the county is a part, and that it is necessary 91056
to levy a tax in excess of such limitation for the operation of 91057
community addiction services providers and community mental health 91058
services providers and the acquisition, construction, renovation, 91059
financing, maintenance, and operation of alcohol and drug 91060
addiction facilities and mental health facilities. 91061

Such resolution shall conform to section 5705.19 of the 91062
Revised Code, except that the increased rate may be in effect for 91063
any number of years not exceeding ten. 91064

The resolution shall be certified and submitted in the manner 91065
provided in section 5705.25 of the Revised Code, ~~except that it~~ . 91066
The resolution may be placed on the ballot ~~in any~~ at a general 91067
election or a special election held on a day on which a primary 91068
election may be held, and shall be certified to the board of 91069
elections not less than ninety days before the election at which 91070
it will be voted upon. 91071

If the majority of the electors voting on a levy to 91072
supplement general fund appropriations for the support of the 91073
comprehensive community addiction and mental health services 91074
providers vote in favor of the levy, the board may levy a tax 91075

within the county at the additional rate outside the ten-mill 91076
limitation during the specified or continuing period, for the 91077
purpose stated in the resolution. 91078

(B) When electors have approved a tax levy under this 91079
section, the board of county commissioners may anticipate a 91080
fraction of the proceeds of the levy and, from time to time, issue 91081
anticipation notes in accordance with section 5705.191 or 5705.193 91082
of the Revised Code. 91083

(C) The county auditor who is the fiscal officer of the 91084
alcohol, drug addiction, and mental health service district, upon 91085
receipt of a resolution from the board of alcohol, drug addiction, 91086
and mental health services, shall establish for the district a 91087
capital improvements account or a reserve balance account, or 91088
both, as specified in the resolution. The capital improvements 91089
account shall be a contingency fund for the necessary acquisition, 91090
replacement, renovation, or construction of facilities and movable 91091
and fixed equipment. Upon the request of the board, funds not 91092
needed to pay for current expenses may be appropriated to the 91093
capital improvements account, in amounts such that the account 91094
does not exceed twenty-five per cent of the replacement value of 91095
all capital facilities and equipment currently used by the board 91096
for programs and services. Other funds which are available for 91097
current capital expenses from federal, state, or local sources may 91098
also be appropriated to this account. 91099

The reserve balance account shall contain those funds that 91100
are not needed to pay for current operating expenses and not 91101
deposited in the capital improvements account but that will be 91102
needed to pay for operating expenses in the future. Upon the 91103
request of a board, such funds shall be appropriated to the 91104
reserve balance account. Payments from the capital improvements 91105
account and the reserve balance account shall be made by the 91106
county treasurer who is the custodian of funds for the district 91107

upon warrants issued by the county auditor who is the fiscal 91108
officer of the district pursuant to orders of the board. 91109

Sec. 5705.222. (A) At any time the board of county 91110
commissioners of any county by a majority vote of the full 91111
membership may declare by resolution and certify to the board of 91112
elections of the county that the amount of taxes which may be 91113
raised within the ten-mill limitation by levies on the current tax 91114
duplicate will be insufficient to provide the necessary 91115
requirements of the county board of developmental disabilities 91116
established pursuant to Chapter 5126. of the Revised Code and that 91117
it is necessary to levy a tax in excess of such limitation for the 91118
operation of community programs and services authorized by county 91119
boards of developmental disabilities, for the acquisition, 91120
construction, renovation, financing, maintenance, and operation of 91121
developmental disabilities facilities, or for both of such 91122
purposes. 91123

The resolution shall conform to section 5705.19 of the 91124
Revised Code, except that the increased rate may be in effect for 91125
any number of years not exceeding ten or for a continuing period 91126
of time. 91127

The resolution shall be certified and submitted in the manner 91128
provided in section 5705.25 of the Revised Code, ~~except that it~~ . 91129
The resolution may be placed on the ballot ~~in any~~ at a general 91130
election or at a special election held on a day on which a primary 91131
election may be held, and shall be certified to the board of 91132
elections not less than ninety days before the election at which 91133
it will be voted upon. 91134

If the majority of the electors voting on a levy for the 91135
support of the programs and services of the county board of 91136
developmental disabilities vote in favor of the levy, the board of 91137
county commissioners may levy a tax within the county at the 91138

additional rate outside the ten-mill limitation during the 91139
specified or continuing period, for the purpose stated in the 91140
resolution. 91141

The county board of developmental disabilities, within its 91142
budget and with the approval of the board of county commissioners 91143
through annual appropriations, shall use the proceeds of a levy 91144
approved under this section or division (L) of section 5705.19 of 91145
the Revised Code solely for the purposes authorized by that 91146
section or division. 91147

A board of county commissioners that levies a tax under this 91148
section or for the purpose authorized by division (L) of section 91149
5705.19 of the Revised Code, by a majority vote of the full 91150
membership, may adopt a resolution to renew such a levy, or renew 91151
two or more such levies as a single ballot question, in the manner 91152
provided by section 5705.25 of the Revised Code for the renewal of 91153
existing levies. The purpose of the renewal levy may be for any of 91154
the purposes authorized for a levy imposed under this section or 91155
division (L) of section 5705.19 of the Revised Code. The term of 91156
the renewal levy may be for any number of years not exceeding ten 91157
or for a continuing period of time. 91158

(B) When electors have approved a tax levy under this 91159
section, the county commissioners may anticipate a fraction of the 91160
proceeds of the levy and issue anticipation notes in accordance 91161
with section 5705.191 or 5705.193 of the Revised Code. 91162

(C) The county auditor, upon receipt of a resolution from the 91163
county board of developmental disabilities, shall establish a 91164
capital improvements account or a reserve balance account, or 91165
both, as specified in the resolution. The capital improvements 91166
account shall be a contingency account for the necessary 91167
acquisition, replacement, renovation, or construction of 91168
facilities and movable and fixed equipment. Upon the request of 91169
the county board of developmental disabilities, moneys not needed 91170

to pay for current expenses may be appropriated to this account, 91171
in amounts such that this account does not exceed twenty-five per 91172
cent of the replacement value of all capital facilities and 91173
equipment currently used by the county board of developmental 91174
disabilities for developmental disabilities programs and services. 91175
Other moneys available for current capital expenses from federal, 91176
state, or local sources may also be appropriated to this account. 91177

The reserve balance account shall contain those moneys that 91178
are not needed to pay for current operating expenses and not 91179
deposited in the capital improvements account but that will be 91180
needed to pay for operating expenses in the future. Upon the 91181
request of a county board of developmental disabilities, the board 91182
of county commissioners may appropriate moneys to the reserve 91183
balance account. 91184

Sec. 5705.23. The board of library trustees of any county, 91185
municipal corporation, school district, or township public library 91186
by a vote of two-thirds of all its members may at any time declare 91187
by resolution that the amount of taxes which may be raised within 91188
the ten-mill limitation by levies on the current tax duplicate 91189
will be insufficient to provide an adequate amount for the 91190
necessary requirements of the public library, that it is necessary 91191
to levy a tax in excess of such limitation for current expenses of 91192
the public library or for the construction of any specific 91193
permanent improvement or class of improvements which the board of 91194
library trustees is authorized to make or acquire and which could 91195
be included in a single issue of bonds, and that the question of 91196
such additional tax levy shall be submitted by the taxing 91197
authority of the political subdivision to whose jurisdiction the 91198
board is subject, to the electors of the subdivision, or, in the 91199
case of a qualifying library levy, to the electors residing within 91200
the boundaries of the library district ~~on the day specified by~~ 91201
~~division (E) of section 3501.01 of the Revised Code for the~~ 91202

~~holding of at a general election or a special election held on a~~ 91203
~~day on which a primary election or at an election on another day~~ 91204
~~to be specified in the resolution. No more than two elections~~ 91205
~~shall may be held under authority of this section in any one~~ 91206
~~calendar year.~~ Such resolution shall conform to section 5705.19 of 91207
the Revised Code, except that the tax levy may be in effect for 91208
any specified number of years or for a continuing period of time, 91209
as set forth in the resolution, and the resolution shall specify 91210
the date of holding the election, which shall not be earlier than 91211
ninety days after the adoption and certification of the resolution 91212
to the taxing authority of the political subdivision to whose 91213
jurisdiction the board is subject, ~~and which shall be consistent~~ 91214
~~with the requirements of section 3501.01 of the Revised Code.~~ The 91215
resolution shall not include a levy on the current tax list and 91216
duplicate unless the election is to be held at or prior to the 91217
first Tuesday after the first Monday in November of the current 91218
tax year. 91219

Upon receipt of the resolution, the taxing authority of the 91220
political subdivision to whose jurisdiction the board is subject 91221
shall adopt a resolution providing for the submission of such 91222
additional tax levy to the electors of the subdivision, or, in the 91223
case of a qualifying library levy, to the electors residing within 91224
the boundaries of the library district on the date specified in 91225
the resolution of the board of library trustees. The resolution 91226
adopted by the taxing authority shall otherwise conform to the 91227
resolution certified to it by the board. The resolution of the 91228
taxing authority shall be certified to the board of elections of 91229
the proper county not less than ninety days before the date of 91230
such election. Such resolution shall go into immediate effect upon 91231
its passage, and no publication of the resolution shall be 91232
necessary other than that provided in the notice of election. 91233
Section 5705.25 of the Revised Code shall govern the arrangements 91234
for the submission of such question and other matters concerning 91235

the election, to which that section refers, except that such 91236
election shall be held on the date specified in the resolution. If 91237
a majority of the electors voting on the question so submitted in 91238
an election vote in favor of such levy, the taxing authority may 91239
forthwith make the necessary levy within the subdivision or, in 91240
the case of a qualifying library levy, within the boundaries of 91241
the library district at the additional rate in excess of the 91242
ten-mill limitation on the tax list, for the purpose stated in 91243
such resolutions. Such tax levy shall be included in the next 91244
annual tax budget that is certified to the county budget 91245
commission. The proceeds of any library levy in excess of the 91246
ten-mill limitation shall be used for purposes of the board in 91247
accordance with the law applicable to the board. 91248

After the approval of a levy on the current tax list and 91249
duplicate to provide an increase in current expenses, and prior to 91250
the time when the first tax collection from such levy can be made, 91251
the taxing authority at the request of the board of library 91252
trustees may anticipate a fraction of the proceeds of such levy 91253
and issue anticipation notes in an amount not exceeding fifty per 91254
cent of the total estimated proceeds of the levy to be collected 91255

(D) The question covered by a resolution adopted under 91786

ballot with any other question submitted at the same election, 91789
other than the election of officers. More than one question may be 91790
submitted at the same election. 91791

(E) Taxes voted in excess of the ten-mill limitation under 91792
division (B) or (C) of this section shall be certified to the tax 91793
commissioner. If an additional tax is to be placed upon the tax 91794
list of the current year, as specified in the resolution providing 91795
for its submission, the result of the election shall be certified 91796
immediately after the canvass by the board of elections to the 91797
board of education. The board of education immediately shall make 91798

the necessary levy and certify it to the county auditor, who shall 91799
extend it on the tax list for collection. After the first year, 91800
the levy shall be included in the annual tax budget that is 91801
certified to the county budget commission. 91802

Sec. 5705.261. The question of decrease of an increased rate 91803
of levy approved for a continuing period of time by the voters of 91804
a subdivision or, in the case of a qualifying library levy, the 91805
voters of the library district or association library district, 91806
may be initiated by the filing of a petition with the board of 91807
elections of the proper county not less than ninety days before 91808
the general election in any year requesting that an election be 91809
held on such question. Such petition shall state the amount of the 91810
proposed decrease in the rate of levy and shall be signed by 91811
qualified electors residing in the subdivision, library district, 91812
or association library district equal in number to at least ten 91813
per cent of the total number of votes cast in the subdivision, 91814
library district, or association library district for the office 91815
of governor at the most recent general election for that office. 91816
Only one such petition may be filed during each five-year period 91817
following the election at which the voters approved the increased 91818
rate for a continuing period of time. 91819

After determination by it that such petition is valid, the 91820
board of elections shall submit the question to the electors of 91821
the subdivision, library district, or association library district 91822
at the succeeding general election. The election shall be 91823
conducted, canvassed, and certified in the same manner as regular 91824
elections in such subdivision, library district, or association 91825
library district for county offices. Notice of the election shall 91826
be published in a newspaper of general circulation in the district 91827
once a week for two consecutive weeks, or as provided in section 91828
7.16 of the Revised Code, prior to the election. If the board of 91829
elections operates and maintains a web site, the board of 91830

elections shall post notice of the election on its web site for 91831
thirty days prior to the election. The notice shall state the 91832
purpose, the amount of the proposed decrease in rate, and the time 91833
and place of the election. The form of the ballot cast at such 91834
election shall be prescribed by the secretary of state. The 91835
question covered by such petition shall be submitted as a separate 91836
proposition but it may be printed on the same ballot with any 91837
other propositions submitted at the same election other than the 91838
election of officers. If a majority of the qualified electors 91839
voting on the question of a decrease at such election approve the 91840
proposed decrease in rate, the result of the election shall be 91841
certified immediately after the canvass by the board of elections 91842
to the appropriate taxing authority, which shall thereupon, after 91843
the current year, cease to levy such increased rate or levy such 91844
tax at such reduced rate upon the duplicate of the subdivision, 91845
library district, or association library district. If notes have 91846
been issued in anticipation of the collection of such levy, the 91847
taxing authority shall continue to levy and collect under 91848
authority of the election authorizing the original levy such 91849
amounts as will be sufficient to pay the principal of and interest 91850
on such anticipation notes as the same fall due. 91851

In the case of a levy for the current expenses of a 91852
qualifying school district and of partnering community schools 91853
imposed under section 5705.192, division (B) of section 5705.21, 91854
division (C) of section 5705.212, or division ~~(J)~~ (I) of section 91855
5705.218 of the Revised Code for a continuing period of time, the 91856
rate allocated to the school district and to partnering community 91857
schools shall each be decreased by a number of mills per dollar 91858
that is proportionate to the decrease in the rate of the levy in 91859
proportion to the rate at which the levy was imposed before the 91860
decrease. 91861

Sec. 5705.55. (A) The board of directors of a lake facilities 91862

authority, by a vote of two-thirds of all its members, may at any 91863
time declare by resolution that the amount of taxes which may be 91864
raised within the ten-mill limitation by levies on the current tax 91865
duplicate will be insufficient to provide an adequate amount for 91866
the necessary requirements of the authority, that it is necessary 91867
to levy a tax in excess of such limitation for any of the purposes 91868
specified in divisions (A), (B), (F), and (H) of section 5705.19 91869
of the Revised Code, and that the question of such additional tax 91870
levy shall be submitted by the board to the electors residing 91871
within the boundaries of the impacted lake district on the day of 91872
a ~~primary or~~ general election or a special election held on a day 91873
on which a primary election may be held. The resolution shall 91874
conform to section 5705.19 of the Revised Code, except that the 91875
tax levy may be in effect for no more than five years, as set 91876
forth in the resolution, unless the levy is for the payment of 91877
debt charges, and the total number of mills levied for each dollar 91878
of taxable valuation that may be levied under this section for any 91879
tax year shall not exceed one mill. If the levy is for the payment 91880
of debt charges, the levy shall be for the life of the bond 91881
indebtedness. 91882

The resolution shall specify the date of holding the 91883
election, which shall not be earlier than ninety days after the 91884
adoption and certification of the resolution to the board of 91885
elections. The resolution shall not include a levy on the current 91886
tax list and duplicate unless the election is to be held at or 91887
prior to the first Tuesday after the first Monday in November of 91888
the current tax year. 91889

The resolution shall be certified to the board of elections 91890
of the proper county or counties not less than ninety days before 91891
the date of the election. The resolution shall go into immediate 91892
effect upon its passage, and no publication of the resolution 91893
shall be necessary other than that provided in the notice of 91894

election. Section 5705.25 of the Revised Code shall govern the 91895
arrangements for the submission of such question and other matters 91896
concerning the election, to which that section refers, except that 91897
the election shall be held on the date specified in the 91898
resolution. If a majority of the electors voting on the question 91899
so submitted in an election vote in favor of the levy, the board 91900
of directors may forthwith make the necessary levy within the 91901
boundaries of the impacted lake district at the additional rate in 91902
excess of the ten-mill limitation on the tax list, for the purpose 91903
stated in the resolution. The tax levy shall be included in the 91904
next annual tax budget that is certified to the county budget 91905
commission. 91906

(B) The form of the ballot in an election held on the 91907
question of levying a tax proposed pursuant to this section shall 91908
be as follows or in any other form acceptable to the secretary of 91909
state: 91910

"A tax for the benefit of (name of lake facilities authority) 91911
..... for the purpose of at a rate not exceeding 91912
..... mills for each one dollar of valuation, which amounts to 91913
(rate expressed in dollars and cents) for each one 91914
hundred dollars of valuation, for (life of 91915
indebtedness or number of years the levy is to run). 91916

	For the Tax Levy	
	Against the Tax Levy	"

(C) On approval of the levy, notes may be issued in 91921
anticipation of the collection of the proceeds of the tax levy, 91922
other than the proceeds to be received for the payment of bond 91923
debt charges, in the amount and manner and at the times as are 91924
provided in section 5705.193 of the Revised Code, for the issuance 91925

of notes by a county in anticipation of the proceeds of a tax 91926
levy. The lake facilities authority may borrow money in 91927
anticipation of the collection of current revenues as provided in 91928
section 133.10 of the Revised Code. 91929

(D) If a tax is levied under this section in a tax year, no 91930
other taxing authority of a subdivision or taxing unit, including 91931
a port authority, may levy a tax on property in the impacted lake 91932
district in the same tax year if the purpose of the levy is 91933
substantially the same as the purpose for which the lake 91934
facilities authority of the impacted lake district was created. 91935

Sec. 5705.72. (A) As used in this section and in section 91936
5705.25 of the Revised Code with regard to a levy submitted under 91937
this section, "electors" means electors of the unincorporated area 91938
of a township. 91939

(B) The board of trustees of any township that withdraws or 91940
proposes by resolution to withdraw the unincorporated area of the 91941
township from a regional transit authority under section 306.55 of 91942
the Revised Code, by vote of two-thirds of all the members of the 91943
board of trustees, may declare by resolution that the amount of 91944
taxes that may be raised within the ten-mill limitation will be 91945
insufficient to provide transportation services to the 91946
unincorporated area of the township and that it is necessary to 91947
levy a tax in excess of that limitation within the unincorporated 91948
area of that township for the purpose of providing transportation 91949
services for the movement of persons within, from, or to the 91950
unincorporated area of that township. 91951

The resolution shall specify the necessary amount of the 91952
increase in rate to levy, the purpose of such increase, and the 91953
number of years, not exceeding ten, during which the rate increase 91954
shall be in effect, which may or may not include a levy upon the 91955
tax list of the current year. 91956

The resolution shall be submitted to the proper county board 91957
of elections not less than ninety days before the date of the 91958
election at which the question will appear on the ballot and in 91959
the manner provided by section 5705.25 of the Revised Code, ~~except~~ 91960
~~that the.~~ The question may be submitted to electors at a general 91961
election or a special election held on a ~~date consistent with~~ 91962
~~section 3501.01 of the Revised Code~~ day on which a primary 91963
election may be held. 91964

A resolution adopted by the board of trustees of a township 91965
under this section may be combined with a resolution for the 91966
withdrawal of the unincorporated area of the township from a 91967
regional transit authority as provided in section 306.55 of the 91968
Revised Code, by vote of two-thirds of all members of the board. 91969
The board may certify the combined resolution to the board of 91970
elections as a combined question. The question appearing on the 91971
ballot shall be as provided in section 5705.252 of the Revised 91972
Code. 91973

When electors have approved a tax levy under this section, 91974
the board of township trustees may anticipate a fraction of the 91975
proceeds of the levy and issue anticipation notes as authorized by 91976
section 5705.191 of the Revised Code for a current expense levy 91977
with a fixed term, and may anticipate the collection of current 91978
revenue under section 133.10 of the Revised Code. 91979

Sec. 5739.021. (A) For the purpose of providing additional 91980
general revenues for the county, supporting criminal and 91981
administrative justice services in the county, funding a regional 91982
transportation improvement project under section 5595.06 of the 91983
Revised Code, or any combination of the foregoing, and to pay the 91984
expenses of administering such levy, any county may levy a tax at 91985
the rate of not more than one per cent upon every retail sale made 91986
in the county, except sales of watercraft and outboard motors 91987

required to be titled pursuant to Chapter 1548. of the Revised 91988
Code and sales of motor vehicles, and may increase the rate of an 91989
existing tax to not more than one per cent. The rate of any tax 91990
levied pursuant to this section shall be a multiple of one-fourth 91991
or one-tenth of one per cent. 91992

The tax shall be levied and the rate increased pursuant to a 91993
resolution of the board of county commissioners. The resolution 91994
shall state the purpose for which the tax is to be levied and the 91995
number of years for which the tax is to be levied, or that it is 91996
for a continuing period of time. If the tax is to be levied for 91997
the purpose of providing additional general revenues and for the 91998
purpose of supporting criminal and administrative justice 91999
services, the resolution shall state the rate or amount of the tax 92000
to be apportioned to each such purpose. The rate or amount may be 92001
different for each year the tax is to be levied, but the rates or 92002
amounts actually apportioned each year shall not be different from 92003
that stated in the resolution for that year. If the resolution is 92004
adopted as an emergency measure necessary for the immediate 92005
preservation of the public peace, health, or safety, it must 92006
receive an affirmative vote of all of the members of the board of 92007
county commissioners and shall state the reasons for such 92008
necessity. The board shall deliver a certified copy of the 92009
resolution to the tax commissioner, not later than the sixty-fifth 92010
day prior to the date on which the tax is to become effective, 92011
which shall be the first day of the calendar quarter. 92012

Prior to the adoption of any resolution under this section, 92013
the board of county commissioners shall conduct two public 92014
hearings on the resolution, the second hearing to be not less than 92015
three nor more than ten days after the first. Notice of the date, 92016
time, and place of the hearings shall be given by publication in a 92017
newspaper of general circulation in the county, or as provided in 92018
section 7.16 of the Revised Code, once a week on the same day of 92019

the week for two consecutive weeks, the second publication being 92020
not less than ten nor more than thirty days prior to the first 92021
hearing. 92022

Except as provided in division (B)(3) of this section, the 92023
resolution shall be subject to a referendum as provided in 92024
sections 305.31 to 305.41 of the Revised Code. 92025

If a petition for a referendum is filed, the county auditor 92026
with whom the petition was filed shall, within five days, notify 92027
the board of county commissioners and the tax commissioner of the 92028
filing of the petition by certified mail. If the board of 92029
elections with which the petition was filed declares the petition 92030
invalid, the board of elections, within five days, shall notify 92031
the board of county commissioners and the tax commissioner of that 92032
declaration by certified mail. If the petition is declared to be 92033
invalid, the effective date of the tax or increased rate of tax 92034
levied by this section shall be the first day of a calendar 92035
quarter following the expiration of sixty-five days from the date 92036
the commissioner receives notice from the board of elections that 92037
the petition is invalid. 92038

(B)(1) A resolution that is not adopted as an emergency 92039
measure may direct the board of elections to submit the question 92040
of levying the tax or increasing the rate of tax to the electors 92041
of the county at a general election or a special election held on 92042
a day on which a primary election may be held ~~on the date~~ , as 92043
specified by the board of county commissioners in the resolution, 92044
provided that the election occurs not less than ninety days after 92045
a certified copy of such resolution is transmitted to the board of 92046
elections ~~and the election is not held in February or August of~~ 92047
~~any year~~. Upon transmission of the resolution to the board of 92048
elections, the board of county commissioners shall notify the tax 92049
commissioner in writing of the levy question to be submitted to 92050
the electors. No resolution adopted under this division shall go 92051

into effect unless approved by a majority of those voting upon it, 92052
and, except as provided in division (B)(3) of this section, shall 92053
become effective on the first day of a calendar quarter following 92054
the expiration of sixty-five days from the date the tax 92055
commissioner receives notice from the board of elections of the 92056
affirmative vote. 92057

(2) A resolution that is adopted as an emergency measure 92058
shall go into effect as provided in division (A) of this section, 92059
but may direct the board of elections to submit the question of 92060
repealing the tax or increase in the rate of the tax to the 92061
electors of the county at the next general election in the county 92062
occurring not less than ninety days after a certified copy of the 92063
resolution is transmitted to the board of elections. Upon 92064
transmission of the resolution to the board of elections, the 92065
board of county commissioners shall notify the tax commissioner in 92066
writing of the levy question to be submitted to the electors. The 92067
ballot question shall be the same as that prescribed in section 92068
5739.022 of the Revised Code. The board of elections shall notify 92069
the board of county commissioners and the tax commissioner of the 92070
result of the election immediately after the result has been 92071
declared. If a majority of the qualified electors voting on the 92072
question of repealing the tax or increase in the rate of the tax 92073
vote for repeal of the tax or repeal of the increase, the board of 92074
county commissioners, on the first day of a calendar quarter 92075
following the expiration of sixty-five days after the date the 92076
board and tax commissioner receive notice of the result of the 92077
election, shall, in the case of a repeal of the tax, cease to levy 92078
the tax, or, in the case of a repeal of an increase in the rate of 92079
the tax, cease to levy the increased rate and levy the tax at the 92080
rate at which it was imposed immediately prior to the increase in 92081
rate. 92082

(3) If a vendor makes a sale in this state by printed catalog 92083

and the consumer computed the tax on the sale based on local rates 92084
published in the catalog, any tax levied or repealed or rate 92085
changed under this section shall not apply to such a sale until 92086
the first day of a calendar quarter following the expiration of 92087
one hundred twenty days from the date of notice by the tax 92088
commissioner pursuant to division (H) of this section. 92089

(C) If a resolution is rejected at a referendum or if a 92090
resolution adopted after January 1, 1982, as an emergency measure 92091
is repealed by the electors pursuant to division (B)(2) of this 92092
section or section 5739.022 of the Revised Code, then for one year 92093
after the date of the election at which the resolution was 92094
rejected or repealed the board of county commissioners may not 92095
adopt any resolution authorized by this section as an emergency 92096
measure. 92097

(D) The board of county commissioners, at any time while a 92098
tax levied under this section is in effect, may by resolution 92099
reduce the rate at which the tax is levied to a lower rate 92100
authorized by this section. Any reduction in the rate at which the 92101
tax is levied shall be made effective on the first day of a 92102
calendar quarter next following the sixty-fifth day after a 92103
certified copy of the resolution is delivered to the tax 92104
commissioner. 92105

(E) The tax on every retail sale subject to a tax levied 92106
pursuant to this section shall be in addition to the tax levied by 92107
section 5739.02 of the Revised Code and any tax levied pursuant to 92108
section 5739.023 or 5739.026 of the Revised Code. 92109

A county that levies a tax pursuant to this section shall 92110
levy a tax at the same rate pursuant to section 5741.021 of the 92111
Revised Code. 92112

The additional tax levied by the county shall be collected 92113
pursuant to section 5739.025 of the Revised Code. If the 92114

additional tax or some portion thereof is levied for the purpose 92115
of criminal and administrative justice services, the revenue from 92116
the tax, or the amount or rate apportioned to that purpose, shall 92117
be credited to a special fund created in the county treasury for 92118
receipt of that revenue. 92119

Any tax levied pursuant to this section is subject to the 92120
exemptions provided in section 5739.02 of the Revised Code and in 92121
addition shall not be applicable to sales not within the taxing 92122
power of a county under the Constitution of the United States or 92123
the Ohio Constitution. 92124

(F) For purposes of this section, a copy of a resolution is 92125
"certified" when it contains a written statement attesting that 92126
the copy is a true and exact reproduction of the original 92127
resolution. 92128

(G) If a board of commissioners intends to adopt a resolution 92129
to levy a tax in whole or in part for the purpose of criminal and 92130
administrative justice services, the board shall prepare and make 92131
available at the first public hearing at which the resolution is 92132
considered a statement containing the following information: 92133

(1) For each of the two preceding fiscal years, the amount of 92134
expenditures made by the county from the county general fund for 92135
the purpose of criminal and administrative justice services; 92136

(2) For the fiscal year in which the resolution is adopted, 92137
the board's estimate of the amount of expenditures to be made by 92138
the county from the county general fund for the purpose of 92139
criminal and administrative justice services; 92140

(3) For each of the two fiscal years after the fiscal year in 92141
which the resolution is adopted, the board's preliminary plan for 92142
expenditures to be made from the county general fund for the 92143
purpose of criminal and administrative justice services, both 92144
under the assumption that the tax will be imposed for that purpose 92145

and under the assumption that the tax would not be imposed for 92146
that purpose, and for expenditures to be made from the special 92147
fund created under division (E) of this section under the 92148
assumption that the tax will be imposed for that purpose. 92149

The board shall prepare the statement and the preliminary 92150
plan using the best information available to the board at the time 92151
the statement is prepared. Neither the statement nor the 92152
preliminary plan shall be used as a basis to challenge the 92153
validity of the tax in any court of competent jurisdiction, nor 92154
shall the statement or preliminary plan limit the authority of the 92155
board to appropriate, pursuant to section 5705.38 of the Revised 92156
Code, an amount different from that specified in the preliminary 92157
plan. 92158

(H) Upon receipt from a board of county commissioners of a 92159
certified copy of a resolution required by division (A) or (D) of 92160
this section, or from the board of elections of a notice of the 92161
results of an election required by division (A) or (B)(1) or (2) 92162
of this section, the tax commissioner shall provide notice of a 92163
tax rate change in a manner that is reasonably accessible to all 92164
affected vendors. The commissioner shall provide this notice at 92165
least sixty days prior to the effective date of the rate change. 92166
The commissioner, by rule, may establish the method by which 92167
notice will be provided. 92168

(I) As used in this section, "criminal and administrative 92169
justice services" means the exercise by the county sheriff of all 92170
powers and duties vested in that office by law; the exercise by 92171
the county prosecuting attorney of all powers and duties vested in 92172
that office by law; the exercise by any court in the county of all 92173
powers and duties vested in that court; the exercise by the clerk 92174
of the court of common pleas, any clerk of a municipal court 92175
having jurisdiction throughout the county, or the clerk of any 92176
county court of all powers and duties vested in the clerk by law 92177

except, in the case of the clerk of the court of common pleas, the 92178
titling of motor vehicles or watercraft pursuant to Chapter 1548. 92179
or 4505. of the Revised Code; the exercise by the county coroner 92180
of all powers and duties vested in that office by law; making 92181
payments to any other public agency or a private, nonprofit 92182
agency, the purposes of which in the county include the diversion, 92183
adjudication, detention, or rehabilitation of criminals or 92184
juvenile offenders; the operation and maintenance of any detention 92185
facility, as defined in section 2921.01 of the Revised Code; and 92186
the construction, acquisition, equipping, or repair of such a 92187
detention facility, including the payment of any debt charges 92188
incurred in the issuance of securities pursuant to Chapter 133. of 92189
the Revised Code for the purpose of constructing, acquiring, 92190
equipping, or repairing such a facility. 92191

Sec. 5739.026. (A) A board of county commissioners may levy a 92192
tax on every retail sale in the county, except sales of watercraft 92193
and outboard motors required to be titled pursuant to Chapter 92194
1548. of the Revised Code and sales of motor vehicles, at a rate 92195
of not more than one-half of one per cent and may increase the 92196
rate of an existing tax to not more than one-half of one per cent 92197
to pay the expenses of administering the tax and, except as 92198
provided in division (A)(6) of this section, for any one or more 92199
of the following purposes provided that the aggregate levy for all 92200
such purposes does not exceed one-half of one per cent: 92201

(1) To provide additional revenues for the payment of bonds 92202
or notes issued in anticipation of bonds issued by a convention 92203
facilities authority established by the board of county 92204
commissioners under Chapter 351. of the Revised Code and to 92205
provide additional operating revenues for the convention 92206
facilities authority; 92207

(2) To provide additional revenues for a transit authority 92208

operating in the county; 92209

(3) To provide additional revenue for the county's general 92210
fund; 92211

(4) To provide additional revenue for permanent improvements 92212
to be distributed by the community improvements board in 92213
accordance with section 307.283 and to pay principal, interest, 92214
and premium on bonds issued under section 307.284 of the Revised 92215
Code; 92216

(5) To provide additional revenue for the acquisition, 92217
construction, equipping, or repair of any specific permanent 92218
improvement or any class or group of permanent improvements, which 92219
improvement or class or group of improvements shall be enumerated 92220
in the resolution required by division (D) of this section, and to 92221
pay principal, interest, premium, and other costs associated with 92222
the issuance of bonds or notes in anticipation of bonds issued 92223
pursuant to Chapter 133. of the Revised Code for the acquisition, 92224
construction, equipping, or repair of the specific permanent 92225
improvement or class or group of permanent improvements; 92226

(6) To provide revenue for the implementation and operation 92227
of a 9-1-1 system in the county. If the tax is levied or the rate 92228
increased exclusively for such purpose, the tax shall not be 92229
levied or the rate increased for more than five years. At the end 92230
of the last year the tax is levied or the rate increased, any 92231
balance remaining in the special fund established for such purpose 92232
shall remain in that fund and be used exclusively for such purpose 92233
until the fund is completely expended, and, notwithstanding 92234
section 5705.16 of the Revised Code, the board of county 92235
commissioners shall not petition for the transfer of money from 92236
such special fund, and the tax commissioner shall not approve such 92237
a petition. 92238

If the tax is levied or the rate increased for such purpose 92239

for more than five years, the board of county commissioners also 92240
shall levy the tax or increase the rate of the tax for one or more 92241
of the purposes described in divisions (A)(1) to (5) of this 92242
section and shall prescribe the method for allocating the revenues 92243
from the tax each year in the manner required by division (C) of 92244
this section. 92245

(7) To provide additional revenue for the operation or 92246
maintenance of a detention facility, as that term is defined under 92247
division (F) of section 2921.01 of the Revised Code; 92248

(8) To provide revenue to finance the construction or 92249
renovation of a sports facility, but only if the tax is levied for 92250
that purpose in the manner prescribed by section 5739.028 of the 92251
Revised Code. 92252

As used in division (A)(8) of this section: 92253

(a) "Sports facility" means a facility intended to house 92254
major league professional athletic teams. 92255

(b) "Constructing" or "construction" includes providing 92256
fixtures, furnishings, and equipment. 92257

(9) To provide additional revenue for the acquisition of 92258
agricultural easements, as defined in section 5301.67 of the 92259
Revised Code; to pay principal, interest, and premium on bonds 92260
issued under section 133.60 of the Revised Code; and for the 92261
supervision and enforcement of agricultural easements held by the 92262
county; 92263

(10) To provide revenue for the provision of ambulance, 92264
paramedic, or other emergency medical services; 92265

(11) To provide revenue for the operation of a lake 92266
facilities authority and the remediation of an impacted watershed 92267
by a lake facilities authority, as provided in Chapter 353. of the 92268
Revised Code; 92269

(12) To provide additional revenue for a regional 92270
transportation improvement project under section 5595.06 of the 92271
Revised Code. 92272

Pursuant to section 755.171 of the Revised Code, a board of 92273
county commissioners may pledge and contribute revenue from a tax 92274
levied for the purpose of division (A)(5) of this section to the 92275
payment of debt charges on bonds issued under section 755.17 of 92276
the Revised Code. 92277

The rate of tax shall be a multiple of one-fourth or 92278
one-tenth of one per cent, unless a portion of the rate of an 92279
existing tax levied under section 5739.023 of the Revised Code has 92280
been reduced, and the rate of tax levied under this section has 92281
been increased, pursuant to section 5739.028 of the Revised Code, 92282
in which case the aggregate of the rates of tax levied under this 92283
section and section 5739.023 of the Revised Code shall be a 92284
multiple of one-fourth or one-tenth of one per cent. 92285

The tax shall be levied and the rate increased pursuant to a 92286
resolution adopted by a majority of the members of the board. The 92287
board shall deliver a certified copy of the resolution to the tax 92288
commissioner, not later than the sixty-fifth day prior to the date 92289
on which the tax is to become effective, which shall be the first 92290
day of a calendar quarter. 92291

Prior to the adoption of any resolution to levy the tax or to 92292
increase the rate of tax exclusively for the purpose set forth in 92293
division (A)(3) of this section, the board of county commissioners 92294
shall conduct two public hearings on the resolution, the second 92295
hearing to be no fewer than three nor more than ten days after the 92296
first. Notice of the date, time, and place of the hearings shall 92297
be given by publication in a newspaper of general circulation in 92298
the county, or as provided in section 7.16 of the Revised Code, 92299
once a week on the same day of the week for two consecutive weeks. 92300
The second publication shall be no fewer than ten nor more than 92301

thirty days prior to the first hearing. Except as provided in 92302
division (E) of this section, the resolution shall be subject to a 92303
referendum as provided in sections 305.31 to 305.41 of the Revised 92304
Code. If the resolution is adopted as an emergency measure 92305
necessary for the immediate preservation of the public peace, 92306
health, or safety, it must receive an affirmative vote of all of 92307
the members of the board of county commissioners and shall state 92308
the reasons for the necessity. 92309

If the tax is for more than one of the purposes set forth in 92310
divisions (A)(1) to (7), (9), (10), and (12) of this section, or 92311
is exclusively for one of the purposes set forth in division 92312
(A)(1), (2), (4), (5), (6), (7), (9), (10), or (12) of this 92313
section, the resolution shall not go into effect unless it is 92314
approved by a majority of the electors voting on the question of 92315
the tax. 92316

(B) The board of county commissioners shall adopt a 92317
resolution under section 351.02 of the Revised Code creating the 92318
convention facilities authority, or under section 307.283 of the 92319
Revised Code creating the community improvements board, before 92320
adopting a resolution levying a tax for the purpose of a 92321
convention facilities authority under division (A)(1) of this 92322
section or for the purpose of a community improvements board under 92323
division (A)(4) of this section. 92324

(C)(1) If the tax is to be used for more than one of the 92325
purposes set forth in divisions (A)(1) to (7), (9), (10), and (12) 92326
of this section, the board of county commissioners shall establish 92327
the method that will be used to determine the amount or proportion 92328
of the tax revenue received by the county during each year that 92329
will be distributed for each of those purposes, including, if 92330
applicable, provisions governing the reallocation of a convention 92331
facilities authority's allocation if the authority is dissolved 92332
while the tax is in effect. The allocation method may provide that 92333

different proportions or amounts of the tax shall be distributed 92334
among the purposes in different years, but it shall clearly 92335
describe the method that will be used for each year. Except as 92336
otherwise provided in division (C)(2) of this section, the 92337
allocation method established by the board is not subject to 92338
amendment during the life of the tax. 92339

(2) Subsequent to holding a public hearing on the proposed 92340
amendment, the board of county commissioners may amend the 92341
allocation method established under division (C)(1) of this 92342
section for any year, if the amendment is approved by the 92343
governing board of each entity whose allocation for the year would 92344
be reduced by the proposed amendment. In the case of a tax that is 92345
levied for a continuing period of time, the board may not so amend 92346
the allocation method for any year before the sixth year that the 92347
tax is in effect. 92348

(a) If the additional revenues provided to the convention 92349
facilities authority are pledged by the authority for the payment 92350
of convention facilities authority revenue bonds for as long as 92351
such bonds are outstanding, no reduction of the authority's 92352
allocation of the tax shall be made for any year except to the 92353
extent that the reduced authority allocation, when combined with 92354
the authority's other revenues pledged for that purpose, is 92355
sufficient to meet the debt service requirements for that year on 92356
such bonds. 92357

(b) If the additional revenues provided to the county are 92358
pledged by the county for the payment of bonds or notes described 92359
in division (A)(4) or (5) of this section, for as long as such 92360
bonds or notes are outstanding, no reduction of the county's or 92361
the community improvements board's allocation of the tax shall be 92362
made for any year, except to the extent that the reduced county or 92363
community improvements board allocation is sufficient to meet the 92364
debt service requirements for that year on such bonds or notes. 92365

(c) If the additional revenues provided to the transit authority are pledged by the authority for the payment of revenue bonds issued under section 306.37 of the Revised Code, for as long as such bonds are outstanding, no reduction of the authority's allocation of tax shall be made for any year, except to the extent that the authority's reduced allocation, when combined with the authority's other revenues pledged for that purpose, is sufficient to meet the debt service requirements for that year on such bonds.

(d) If the additional revenues provided to the county are pledged by the county for the payment of bonds or notes issued under section 133.60 of the Revised Code, for so long as the bonds or notes are outstanding, no reduction of the county's allocation of the tax shall be made for any year, except to the extent that the reduced county allocation is sufficient to meet the debt service requirements for that year on the bonds or notes.

(D)(1) The resolution levying the tax or increasing the rate of tax shall state the rate of the tax or the rate of the increase; the purpose or purposes for which it is to be levied; the number of years for which it is to be levied or that it is for a continuing period of time; the allocation method required by division (C) of this section; and if required to be submitted to the electors of the county under division (A) of this section, the date of the election at which the proposal shall be submitted to the electors of the county, which shall be a general election or a special election held on a day on which a primary election may be held, occurring not less than ninety days after the certification of a copy of the resolution to the board of elections ~~and, if the tax is to be levied exclusively for the purpose set forth in division (A)(3) of this section, shall not occur in August of any year.~~ Upon certification of the resolution to the board of elections, the board of county commissioners shall notify the tax commissioner in writing of the levy question to be submitted to

the electors. If approved by a majority of the electors, the tax 92398
shall become effective on the first day of a calendar quarter next 92399
following the sixty-fifth day following the date the board of 92400
county commissioners and tax commissioner receive from the board 92401
of elections the certification of the results of the election, 92402
except as provided in division (E) of this section. 92403

(2)(a) A resolution specifying that the tax is to be used 92404
exclusively for the purpose set forth in division (A)(3) of this 92405
section that is not adopted as an emergency measure may direct the 92406
board of elections to submit the question of levying the tax or 92407
increasing the rate of the tax to the electors of the county at a 92408
general election or a special election held on a day on which a 92409
primary election may be held on the date , as specified by the 92410
board of county commissioners in the resolution, provided that the 92411
election occurs not less than ninety days after the resolution is 92412
certified to the board of elections ~~and the election is not held~~ 92413
~~in August of any year~~. Upon certification of the resolution to the 92414
board of elections, the board of county commissioners shall notify 92415
the tax commissioner in writing of the levy question to be 92416
submitted to the electors. No resolution adopted under division 92417
(D)(2)(a) of this section shall go into effect unless approved by 92418
a majority of those voting upon it and, except as provided in 92419
division (E) of this section, not until the first day of a 92420
calendar quarter following the expiration of sixty-five days from 92421
the date the tax commissioner receives notice from the board of 92422
elections of the affirmative vote. 92423

(b) A resolution specifying that the tax is to be used 92424
exclusively for the purpose set forth in division (A)(3) of this 92425
section that is adopted as an emergency measure shall become 92426
effective as provided in division (A) of this section, but may 92427
direct the board of elections to submit the question of repealing 92428
the tax or increase in the rate of the tax to the electors of the 92429

county at the next general election in the county occurring not 92430
less than ninety days after the resolution is certified to the 92431
board of elections. Upon certification of the resolution to the 92432
board of elections, the board of county commissioners shall notify 92433
the tax commissioner in writing of the levy question to be 92434
submitted to the electors. The ballot question shall be the same 92435
as that prescribed in section 5739.022 of the Revised Code. The 92436
board of elections shall notify the board of county commissioners 92437
and the tax commissioner of the result of the election immediately 92438
after the result has been declared. If a majority of the qualified 92439
electors voting on the question of repealing the tax or increase 92440
in the rate of the tax vote for repeal of the tax or repeal of the 92441
increase, the board of county commissioners, on the first day of a 92442
calendar quarter following the expiration of sixty-five days after 92443
the date the board and tax commissioner received notice of the 92444
result of the election, shall, in the case of a repeal of the tax, 92445
cease to levy the tax, or, in the case of a repeal of an increase 92446
in the rate of the tax, cease to levy the increased rate and levy 92447
the tax at the rate at which it was imposed immediately prior to 92448
the increase in rate. 92449

(c) A board of county commissioners, by resolution, may 92450
reduce the rate of a tax levied exclusively for the purpose set 92451
forth in division (A)(3) of this section to a lower rate 92452
authorized by this section. Any such reduction shall be made 92453
effective on the first day of the calendar quarter next following 92454
the sixty-fifth day after the tax commissioner receives a 92455
certified copy of the resolution from the board. 92456

(E) If a vendor makes a sale in this state by printed catalog 92457
and the consumer computed the tax on the sale based on local rates 92458
published in the catalog, any tax levied or repealed or rate 92459
changed under this section shall not apply to such a sale until 92460
the first day of a calendar quarter following the expiration of 92461

one hundred twenty days from the date of notice by the tax commissioner pursuant to division (G) of this section.

(F) The tax levied pursuant to this section shall be in addition to the tax levied by section 5739.02 of the Revised Code and any tax levied pursuant to section 5739.021 or 5739.023 of the Revised Code.

A county that levies a tax pursuant to this section shall levy a tax at the same rate pursuant to section 5741.023 of the Revised Code.

The additional tax levied by the county shall be collected pursuant to section 5739.025 of the Revised Code.

Any tax levied pursuant to this section is subject to the exemptions provided in section 5739.02 of the Revised Code and in addition shall not be applicable to sales not within the taxing power of a county under the Constitution of the United States or the Ohio Constitution.

(G) Upon receipt from a board of county commissioners of a certified copy of a resolution required by division (A) of this section, or from the board of elections a notice of the results of an election required by division (D)(1), (2)(a), (b), or (c) of this section, the tax commissioner shall provide notice of a tax rate change in a manner that is reasonably accessible to all affected vendors. The commissioner shall provide this notice at least sixty days prior to the effective date of the rate change. The commissioner, by rule, may establish the method by which notice will be provided.

Sec. 5739.028. As used in this section "sports facility" and "constructing" have the same meanings as in division (A)(8) of section 5739.026 of the Revised Code.

This section applies only to taxes levied pursuant to

sections 5739.023 and 5741.022 of the Revised Code by a regional 92492
transit authority created under section 306.31 of the Revised Code 92493
for a continuing period of time and at an aggregate rate, on ~~the~~ 92494
~~effective date of this section~~ July 19, 1995, greater than 92495
one-half of one per cent on every retail sale made in the 92496
territory of the transit authority. 92497

The board of county commissioners of the most populous county 92498
in the territory of a regional transit authority levying a tax to 92499
which this section applies may adopt a resolution not later than 92500
one hundred eighty days after ~~the effective date of this section~~ 92501
July 19, 1995 proposing to reduce the rate of such a tax and to 92502
increase by the same extent the rate of tax levied under sections 92503

anticipation of bonds, the board of county commissioners adopting 92576
a resolution under this section shall provide sufficient revenue 92577
from the tax for the repayment of debt charges on those bonds or 92578

Sec. 5739.09. (A)(1) A board of county commissioners may, by 92581
resolution adopted by a majority of the members of the board, levy 92582
an excise tax not to exceed three per cent on transactions by 92583

the revenue arising from the tax shall be deposited in a separate 92601
fund and shall be spent solely to make contributions to the 92602
convention and visitors' bureau operating within the county, 92603
including a pledge and contribution of any portion of the 92604
remainder pursuant to an agreement authorized by section 307.678 92605

307.678 or 307.695 of the Revised Code adopts a resolution 92608
amending a resolution levying a tax under this division to provide 92609
that revenue from the tax shall be used by the board as described 92610
in either division (D) of section 307.678 or division (H) of 92611

levying a tax under this division to provide for a portion of that 92624

the tax shall remain in effect at the rate at which it was imposed 92637
for the duration of any agreement entered into by the board under 92638
section 307.695 of the Revised Code, the duration during which any 92639
securities issued by the board under that section are outstanding, 92640
or the duration of the period during which the board owns a 92641
project as defined in section 307.695 of the Revised Code, 92642
whichever duration is longest. 92643

The board of county commissioners of an eligible county as 92644
defined in section 307.678 of the Revised Code may, by resolution, 92645

Notwithstanding division (A)(1) of this section, the board of 92650
county commissioners of a county described in division (A)(8)(a) 92651

of this section may, by resolution, amend a resolution levying a 92652
tax under this division to provide that all or a portion of the 92653

of three per cent, and that has pledged revenue from the tax to an 92667
agreement entered into under section 307.695 of the Revised Code 92668
or, in the case of the board of county commissioners of an 92669
eligible county as defined in section 307.695 of the Revised Code, 92670

section to provide that proceeds from the tax shall be used by the 92672
board as described in division (H) of section 307.695 of the 92673
Revised Code, may, at any time by a resolution adopted by a 92674
majority of the members of the board, amend the resolution levying 92675
a tax under division (A)(1) of this section to provide for an 92676
increase in the rate of that tax up to seven per cent on each 92677
transaction; to provide that revenue from the increase in the rate 92678
shall be used as described in division (H) of section 307.695 of 92679

rate in excess of the three per cent levied under division (A)(1) 92684
of this section shall remain in effect at the rate at which it is 92685
imposed for the duration of the period during which any agreement 92686
is in effect that was entered into under section 307.695 of the 92687
Revised Code by the board of county commissioners levying a tax 92688
under division (A)(1) of this section, the duration of the period 92689
during which any securities issued by the board under division (I) 92690
of section 307.695 of the Revised Code are outstanding, or the 92691
duration of the period during which the board owns a project as 92692
defined in section 307.695 of the Revised Code, whichever duration 92693
is longest. The amendment also shall provide that no portion of 92694

(c) That no portion of the revenue arising from the increase 92713
in rate need be returned to municipal corporations or townships as 92714
otherwise required under division (A)(1) of this section; 92715

(d) That the increase in rate shall not be subject to 92716
diminution by initiative or referendum or by law while any bonds, 92717
or notes in anticipation of bonds, issued by the authority under 92718
Chapter 351. of the Revised Code to which the revenue is pledged, 92719

provision is made by law or by the board of county commissioners 92721

section; 92753

(iv) That the increase in rate shall not be subject to 92754

ceases to exist. If revenue from the increase in rate is pledged 92854
to the payment of debt charges on securities, the increase in rate 92855
is not subject to diminution by initiative or referendum or by law 92856
for so long as the securities are outstanding, unless provision is 92857
made by law or by the board of county commissioners for an 92858
adequate substitute for that revenue that is satisfactory to the 92859
trustee if a trust agreement secures payment of the debt charges. 92860
The increase in rate shall be subject to the regulations adopted 92861
under division (A)(1) of this section, except that the resolution 92862
may provide that no portion of the revenue from the increase in 92863

The increase in rate shall be used to pay the costs of constructing and maintaining facilities owned by the county or by a port authority created under Chapter 4582. of the Revised Code, and designed to host sporting events and expenses deemed necessary by the convention and visitors' bureau operating in the county to promote travel and tourism with reference to the sports facilities, and to pay or pledge to the payment of debt service on securities issued to pay the costs of constructing, operating, and maintaining the sports facilities. The increase in rate shall remain in effect for the period specified in the resolution. If revenue from the increase in rate is pledged to the payment of debt charges on securities, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that the resolution may provide that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section. 92879

(9) The board of county commissioners of a county with a population greater than seventy-five thousand and less than seventy-eight thousand, by resolution adopted by a majority of the members of the board not later than October 15, 2015, may increase the rate of the tax by not more than one per cent on transactions by which lodging by a hotel is or is to be furnished to transient guests. The increase in rate shall be for the purposes described in section 307.679 of the Revised Code or for the promotion of travel and tourism in the county, including travel and tourism to sports facilities. The increase in rate shall remain in effect for the period specified in the resolution and as necessary to fulfill the county's obligations under a cooperative agreement entered into under section 307.679 of the Revised Code. If the resolution is adopted by the board before September 29, 2015, but after that enactment becomes law, the increase in rate shall become effective beginning on September 29, 2015. If revenue from the increase in rate is pledged to the payment of debt charges on securities, or to substitute for other revenues pledged to the payment of such debt, the increase in rate is not subject to diminution by initiative or referendum or by law for so long as the securities are outstanding, unless provision is made by law or by the board of county commissioners for an adequate substitute for that revenue that is satisfactory to the trustee if a trust agreement secures payment of the debt charges. The increase in rate shall be subject to the regulations adopted under division (A)(1) of this section, except that no portion of the revenue from the increase in the rate shall be returned to townships or municipal corporations as would otherwise be required under division (A)(1) of this section.

(10) Division (A)(10) of this section applies only to counties satisfying either of the following:

(a) A county that, on July 1, 2015, does not levy an excise

tax under division (A)(1) of this section and that has a 92938
population of at least thirty-nine thousand but not more than 92939
forty thousand according to the 2010 federal decennial census; 92940

(b) A county that, on July 1, 2015, levies an excise tax 92941
under division (A)(1) of this section at a rate of three per cent 92942
and that has a population of at least seventy-one thousand but not 92943
more than seventy-five thousand according to 2010 federal 92944
decennial census. 92945

The board of county commissioners of a county to which 92946
division (A)(10) of this section applies, by resolution adopted by 92947
a majority of the members of the board, may levy an excise tax at 92948
a rate not to exceed three per cent on transactions by which 92949
lodging by a hotel is or is to be furnished to transient guests 92950
for the purpose of acquiring, constructing, equipping, or 92951
repairing permanent improvements, as defined in section 133.01 of 92952
the Revised Code. If the board does not levy a tax under division 92953
(A)(1) of this section, the board shall establish regulations 92954
necessary to provide for the administration of the tax, which may 92955
prescribe the time for payment of the tax and the imposition of 92956
penalty or interest subject to the limitations on penalty and 92957
interest provided in division (A)(1) of this section. No portion 92958
of the revenue shall be returned to townships or municipal 92959
corporations in the county unless otherwise provided by resolution 92960
of the board. The tax shall apply throughout the territory of the 92961
county, including in any township or municipal corporation levying 92962
an excise tax under division (B) of this section or division (A) 92963
of section 5739.08 of the Revised Code. The levy of the tax is 92964
subject to referendum as provided under section 305.31 of the 92965
Revised Code. 92966

The tax shall remain in effect for the period specified in 92967
the resolution. If revenue from the increase in rate is pledged to 92968
the payment of debt charges on securities, the increase in rate is 92969

not subject to diminution by initiative or referendum or by law 92970
for so long as the securities are outstanding unless provision is 92971
made by law or by the board for an adequate substitute for that 92972
revenue that is satisfactory to the trustee if a trust agreement 92973
secures payment of the debt charges. 92974

(11) The board of county commissioners of an eligible county, 92975
as defined in section 307.678 of the Revised Code, that levies an 92976
excise tax under division (A)(1) of this section on July 1, 2017, 92977
at a rate of three per cent may, by resolution adopted by a 92978
majority of the members of the board, amend the resolution levying 92979
the tax to increase the rate of the tax by not more than an 92980
additional three per cent on each transaction. No portion of the 92981
revenue shall be returned to townships or municipal corporations 92982
in the county unless otherwise provided by resolution of the 92983
board. Otherwise, the revenue from the increase in the rate shall 92984
be distributed and used in the same manner described under 92985
division (A)(1) of this section or distributed or used to provide 92986
credit enhancement facilities as authorized under section 307.678 92987
of the Revised Code. The increase in rate shall remain in effect 92988
for the period specified in the resolution. If revenue from the 92989
increase in rate is pledged to the payment of debt charges on 92990
securities, the increase in rate is not subject to diminution by 92991
initiative or referendum or by law for so long as the securities 92992
are outstanding unless provision is made by law or by the board 92993
for an adequate substitute for that revenue that is satisfactory 92994
to the trustee if a trust agreement secures payment of the debt 92995
charges. 92996

(12)(a) As used in this division: 92997

(i) "Eligible county" means a county that has a population 92998
greater than one hundred ninety thousand and less than two hundred 92999
thousand according to the 2010 federal decennial census and that 93000
levies an excise tax under division (A)(1) of this section at a 93001

rate of three per cent. 93002

(ii) "Professional sports facility" means a sports facility 93003
that is intended to house major or minor league professional 93004
athletic teams, including a stadium, together with all parking 93005
facilities, walkways, and other auxiliary facilities, real and 93006
personal property, property rights, easements, and interests that 93007
may be appropriate for, or used in connection with, the operation 93008
of the facility. 93009

(b) Subject to division (A)(12)(c) of this section, the board 93010
of county commissioners of an eligible county, by resolution 93011
adopted by a majority of the members of the board, may increase 93012
the rate of the tax by not more than one per cent on transactions 93013
by which lodging by a hotel is or is to be furnished to transient 93014
guests. Revenue from the increase in rate shall be used for the 93015
purposes of paying the costs of constructing, improving, and 93016
maintaining a professional sports facility in the county and 93017
paying expenses considered necessary by the convention and 93018
visitors' bureau operating in the county to promote travel and 93019
tourism with respect to that professional sports facility. The tax 93020
shall take effect only after the convention and visitors' bureau 93021
enters into a contract for the construction, improvement, or 93022
maintenance of a professional sports facility that is or will be 93023
located on property acquired, in whole or in part, with revenue 93024
from the increased rate, and thereafter shall remain in effect for 93025
the period specified in the resolution. If revenue from the 93026
increase in rate is pledged to the payment of debt charges on 93027
securities, the increase in rate is not subject to diminution by 93028
initiative or referendum or by law for so long as the securities 93029
are outstanding, unless a provision is made by law or by the board 93030
of county commissioners for an adequate substitute for that 93031
revenue that is satisfactory to the trustee if a trust agreement 93032
secures payment of the debt charges. The increase in rate shall be 93033

subject to the regulations adopted under division (A)(1) of this 93034
section, except that the resolution may provide that no portion of 93035
the revenue from the increase in the rate shall be returned to 93036
townships or municipal corporations as would otherwise be required 93037
under division (A)(1) of this section. 93038

(c) If, on December 31, 2019, the convention and visitors' 93039
bureau has not entered into a contract for the construction, 93040
improvement, or maintenance of a professional sports facility that 93041
is or will be located on property acquired, in whole or in part, 93042
with revenue from the increased rate, the authority to levy the 93043
tax under division (A)(12)(b) of this section is hereby repealed 93044
on that date. 93045

(B)(1) The legislative authority of a municipal corporation 93046
or the board of trustees of a township that is not wholly or 93047
partly located in a county that has in effect a resolution levying 93048
an excise tax pursuant to division (A)(1) of this section may, by 93049
ordinance or resolution, levy an excise tax not to exceed three 93050
per cent on transactions by which lodging by a hotel is or is to 93051
be furnished to transient guests. The legislative authority of the 93052
municipal corporation or the board of trustees of the township 93053
shall deposit at least fifty per cent of the revenue from the tax 93054
levied pursuant to this division into a separate fund, which shall 93055
be spent solely to make contributions to convention and visitors' 93056
bureaus operating within the county in which the municipal 93057
corporation or township is wholly or partly located, and the 93058
balance of that revenue shall be deposited in the general fund. 93059
The municipal corporation or township shall establish all 93060
regulations necessary to provide for the administration and 93061
allocation of the tax. The regulations may prescribe the time for 93062
payment of the tax, and may provide for the imposition of a 93063
penalty or interest, or both, for late payments, provided that the 93064
penalty does not exceed ten per cent of the amount of tax due, and 93065

the rate at which interest accrues does not exceed the rate per 93066
annum prescribed pursuant to section 5703.47 of the Revised Code. 93067
The levy of a tax under this division is in addition to any tax 93068
imposed on the same transaction by a municipal corporation or a 93069
township as authorized by division (A) of section 5739.08 of the 93070
Revised Code. 93071

(2)(a) The legislative authority of the most populous 93072
municipal corporation located wholly or partly in a county in 93073
which the board of county commissioners has levied a tax under 93074
division (A)(4) of this section may amend, on or before September 93075
30, 2002, that municipal corporation's ordinance or resolution 93076
that levies an excise tax on transactions by which lodging by a 93077
hotel is or is to be furnished to transient guests, to provide for 93078
all of the following: 93079

(i) That the rate of the tax shall be increased by not more 93080
than an additional one per cent on each transaction; 93081

(ii) That all of the revenue from the increase in rate shall 93082
be pledged and contributed to a convention facilities authority 93083
established by the board of county commissioners under Chapter 93084
351. of the Revised Code on or before May 15, 2002, and be used to 93085
pay costs of constructing, expanding, maintaining, operating, or 93086
promoting a convention center in the county, including paying 93087
bonds, or notes issued in anticipation of bonds, as provided by 93088
that chapter; 93089

(iii) That the increase in rate shall not be subject to 93090
diminution by initiative or referendum or by law while any bonds, 93091
or notes in anticipation of bonds, issued by the authority under 93092
Chapter 351. of the Revised Code to which the revenue is pledged, 93093
remain outstanding in accordance with their terms, unless 93094
provision is made by law, by the board of county commissioners, or 93095
by the legislative authority, for an adequate substitute therefor 93096
that is satisfactory to the trustee if a trust agreement secures 93097

the bonds. 93098

(b) The legislative authority of a municipal corporation 93099
that, pursuant to division (B)(2)(a) of this section, has amended 93100
its ordinance or resolution to increase the rate of the tax 93101
authorized by division (B)(1) of this section may further amend 93102
the ordinance or resolution to provide that the revenue referred 93103
to in division (B)(2)(a)(ii) of this section shall be pledged and 93104
contributed both to a convention facilities authority to pay the 93105
costs of constructing, expanding, maintaining, or operating one or 93106
more convention centers in the county, including paying bonds, or 93107
notes issued in anticipation of bonds, as provided in Chapter 351. 93108
of the Revised Code, and to a convention and visitors' bureau to 93109
pay the costs of promoting one or more convention centers in the 93110
county. 93111

As used in division (B)(2) of this section, "cost" has the 93112
same meaning as in section 351.01 of the Revised Code, and 93113
"convention center" has the same meaning as in section 307.695 of 93114
the Revised Code. 93115

(3) The legislative authority of an eligible municipal 93116
corporation may amend, on or before December 31, 2017, that 93117
municipal corporation's ordinance or resolution that levies an 93118
excise tax on transactions by which lodging by a hotel is or is to 93119
be furnished to transient guests, to provide for the following: 93120

(a) That the rate of the tax shall be increased by not more 93121
than an additional three per cent on each transaction; 93122

(b) That all of the revenue from the increase in rate shall 93123
be used by the municipal corporation for economic development and 93124
tourism-related purposes. 93125

As used in division (B)(3) of this section, "eligible 93126
municipal corporation" means a municipal corporation that, on the 93127
effective date of the amendment of this section by H.B. 49 of the 93128

132nd general assembly, September 29, 2017, levied a tax under 93129
division (B)(1) of this section at a rate of three per cent and 93130
that is located in a county that, on that date, levied a tax under 93131
division (A) of this section at a rate of three per cent and that 93132
has, according to the most recent federal decennial census, a 93133
population exceeding three hundred thousand but not greater than 93134
three hundred fifty thousand. 93135

(C) For the purposes described in section 307.695 of the 93136
Revised Code and to cover the costs of administering the tax, a 93137
board of county commissioners of a county where a tax imposed 93138
under division (A)(1) of this section is in effect may, by 93139
resolution adopted within ninety days after July 15, 1985, by a 93140
majority of the members of the board, levy an additional excise 93141
tax not to exceed three per cent on transactions by which lodging 93142
by a hotel is or is to be furnished to transient guests. The tax 93143
authorized by this division shall be in addition to any tax that 93144
is levied pursuant to division (A) of this section, but it shall 93145
not apply to transactions subject to a tax levied by a municipal 93146
corporation or township pursuant to the authorization granted by 93147
division (A) of section 5739.08 of the Revised Code. The board 93148
shall establish all regulations necessary to provide for the 93149
administration and allocation of the tax. The regulations may 93150
prescribe the time for payment of the tax, and may provide for the 93151
imposition of a penalty or interest, or both, for late payments, 93152
provided that the penalty does not exceed ten per cent of the 93153
amount of tax due, and the rate at which interest accrues does not 93154
exceed the rate per annum prescribed pursuant to section 5703.47 93155
of the Revised Code. All revenues arising from the tax shall be 93156
expended in accordance with section 307.695 of the Revised Code. 93157
The board of county commissioners of an eligible county as defined 93158
in section 307.695 of the Revised Code may, by resolution adopted 93159
by a majority of the members of the board, amend the resolution 93160
levying a tax under this division to provide that the revenue from 93161

the tax shall be used by the board as described in division (H) of 93162
section 307.695 of the Revised Code. A tax imposed under this 93163
division shall remain in effect at the rate at which it is imposed 93164
for the duration of the period during which any agreement entered 93165
into by the board under section 307.695 of the Revised Code is in 93166
effect, the duration of the period during which any securities 93167
issued by the board under division (I) of section 307.695 of the 93168
Revised Code are outstanding, or the duration of the period during 93169
which the board owns a project as defined in section 307.695 of 93170
the Revised Code, whichever duration is longest. 93171

(D) For the purpose of providing contributions under division 93172
(B)(1) of section 307.671 of the Revised Code to enable the 93173
acquisition, construction, and equipping of a port authority 93174
educational and cultural facility in the county and, to the extent 93175
provided for in the cooperative agreement authorized by that 93176
section, for the purpose of paying debt service charges on bonds, 93177
or notes in anticipation of bonds, described in division (B)(1)(b) 93178
of that section, a board of county commissioners, by resolution 93179
adopted within ninety days after December 22, 1992, by a majority 93180
of the members of the board, may levy an additional excise tax not 93181
to exceed one and one-half per cent on transactions by which 93182
lodging by a hotel is or is to be furnished to transient guests. 93183
The excise tax authorized by this division shall be in addition to 93184
any tax that is levied pursuant to divisions (A), (B), and (C) of 93185
this section, to any excise tax levied pursuant to section 5739.08 93186
of the Revised Code, and to any excise tax levied pursuant to 93187
section 351.021 of the Revised Code. The board of county 93188
commissioners shall establish all regulations necessary to provide 93189
for the administration and allocation of the tax that are not 93190
inconsistent with this section or section 307.671 of the Revised 93191
Code. The regulations may prescribe the time for payment of the 93192
tax, and may provide for the imposition of a penalty or interest, 93193
or both, for late payments, provided that the penalty does not 93194

exceed ten per cent of the amount of tax due, and the rate at 93195
which interest accrues does not exceed the rate per annum 93196
prescribed pursuant to section 5703.47 of the Revised Code. All 93197
revenues arising from the tax shall be expended in accordance with 93198
section 307.671 of the Revised Code and division (D) of this 93199
section. The levy of a tax imposed under this division may not 93200
commence prior to the first day of the month next following the 93201
execution of the cooperative agreement authorized by section 93202
307.671 of the Revised Code by all parties to that agreement. The 93203
tax shall remain in effect at the rate at which it is imposed for 93204
the period of time described in division (C) of section 307.671 of 93205
the Revised Code for which the revenue from the tax has been 93206
pledged by the county to the corporation pursuant to that section, 93207
but, to any extent provided for in the cooperative agreement, for 93208
no lesser period than the period of time required for payment of 93209
the debt service charges on bonds, or notes in anticipation of 93210
bonds, described in division (B)(1)(b) of that section. 93211

(E) For the purpose of paying the costs of acquiring, 93212
constructing, equipping, and improving a municipal educational and 93213
cultural facility, including debt service charges on bonds 93214
provided for in division (B) of section 307.672 of the Revised 93215
Code, and for any additional purposes determined by the county in 93216
the resolution levying the tax or amendments to the resolution, 93217
including subsequent amendments providing for paying costs of 93218
acquiring, constructing, renovating, rehabilitating, equipping, 93219
and improving a port authority educational and cultural performing 93220
arts facility, as defined in section 307.674 of the Revised Code, 93221
and including debt service charges on bonds provided for in 93222
division (B) of section 307.674 of the Revised Code, the 93223
legislative authority of a county, by resolution adopted within 93224
ninety days after June 30, 1993, by a majority of the members of 93225
the legislative authority, may levy an additional excise tax not 93226
to exceed one and one-half per cent on transactions by which 93227

lodging by a hotel is or is to be furnished to transient guests. 93228
The excise tax authorized by this division shall be in addition to 93229
any tax that is levied pursuant to divisions (A), (B), (C), and 93230
(D) of this section, to any excise tax levied pursuant to section 93231
5739.08 of the Revised Code, and to any excise tax levied pursuant 93232
to section 351.021 of the Revised Code. The legislative authority 93233
of the county shall establish all regulations necessary to provide 93234
for the administration and allocation of the tax. The regulations 93235
may prescribe the time for payment of the tax, and may provide for 93236
the imposition of a penalty or interest, or both, for late 93237
payments, provided that the penalty does not exceed ten per cent 93238
of the amount of tax due, and the rate at which interest accrues 93239
does not exceed the rate per annum prescribed pursuant to section 93240
5703.47 of the Revised Code. All revenues arising from the tax 93241
shall be expended in accordance with section 307.672 of the 93242
Revised Code and this division. The levy of a tax imposed under 93243
this division shall not commence prior to the first day of the 93244
month next following the execution of the cooperative agreement 93245
authorized by section 307.672 of the Revised Code by all parties 93246
to that agreement. The tax shall remain in effect at the rate at 93247
which it is imposed for the period of time determined by the 93248
legislative authority of the county. That period of time shall not 93249
exceed fifteen years, except that the legislative authority of a 93250
county with a population of less than two hundred fifty thousand 93251
according to the most recent federal decennial census, by 93252
resolution adopted by a majority of its members before the 93253
original tax expires, may extend the duration of the tax for an 93254
additional period of time. The additional period of time by which 93255
a legislative authority extends a tax levied under this division 93256
shall not exceed fifteen years. 93257

(F) The legislative authority of a county that has levied a 93258
tax under division (E) of this section may, by resolution adopted 93259
within one hundred eighty days after January 4, 2001, by a 93260

majority of the members of the legislative authority, amend the 93261
resolution levying a tax under that division to provide for the 93262
use of the proceeds of that tax, to the extent that it is no 93263
longer needed for its original purpose as determined by the 93264
parties to a cooperative agreement amendment pursuant to division 93265
(D) of section 307.672 of the Revised Code, to pay costs of 93266
acquiring, constructing, renovating, rehabilitating, equipping, 93267
and improving a port authority educational and cultural performing 93268
arts facility, including debt service charges on bonds provided 93269
for in division (B) of section 307.674 of the Revised Code, and to 93270
pay all obligations under any guaranty agreements, reimbursement 93271
agreements, or other credit enhancement agreements described in 93272
division (C) of section 307.674 of the Revised Code. The 93273
resolution may also provide for the extension of the tax at the 93274
same rate for the longer of the period of time determined by the 93275
legislative authority of the county, but not to exceed an 93276
additional twenty-five years, or the period of time required to 93277
pay all debt service charges on bonds provided for in division (B) 93278
of section 307.672 of the Revised Code and on port authority 93279
revenue bonds provided for in division (B) of section 307.674 of 93280
the Revised Code. All revenues arising from the amendment and 93281
extension of the tax shall be expended in accordance with section 93282
307.674 of the Revised Code, this division, and division (E) of 93283

administering the tax. The form of the ballot in an election held 93759
pursuant to this section shall be as prescribed in section 307.697 93760
of the Revised Code. 93761

this section and section 5743.323 of the Revised Code shall be 93763
credited as follows: 93764

(1) To the tax refund fund created by section 5703.052 of the 93765

under this section certified by the tax commissioner pursuant to 93767
section 5743.05 of the Revised Code; 93768

(2) Following the crediting of amounts pursuant to division 93769

equal to ninety-eight per cent of the remainder collected; 93773

(b) To the local excise tax administrative fund, which is 93774
hereby created in the state treasury, an amount equal to two per 93775
cent of such remainder, for use by the tax commissioner in 93776
defraying costs incurred in administering the tax. 93777

On or before the tenth day of each month, the tax 93778
commissioner shall distribute the amount credited to the 93779
permissive tax distribution fund during the preceding month by 93780

(C) The board of county commissioners of a county in which a 93783
tax is imposed under this section on the effective date of the 93784
amendment of this section by H.B. 59 of the 130th general 93785
assembly, September 29, 2013, may levy a tax for the purpose of 93786
section 307.673 of the Revised Code regardless of whether or not 93787
the cooperative agreement authorized under that section has been 93788
entered into prior to the day the resolution adopted under 93789
division (C)(1) or (2) of this section is adopted, for the purpose 93790
of reimbursing a county for costs incurred in the construction of 93791
a sports facility pursuant to an agreement entered into by the 93792
county under section 307.696 of the Revised Code, or for the 93793
purpose of paying the costs of capital repairs of and improvements 93794
to a sports facility. The tax shall be levied and approved in one 93795
of the manners prescribed by division (C)(1) or (2) of this 93796

(1) The tax may be levied pursuant to a resolution adopted by 93798
a majority of the members of the board of county commissioners not 93799
later than forty-five days after July 19, 1995. A board of county 93800
commissioners approving a tax under division (C)(1) of this 93801
section may approve a tax under division (D)(1) of section 307.697 93802
or division (B)(1) of section 4301.421 of the Revised Code at the 93803
same time. Subject to the resolution being submitted to a 93804
referendum under sections 305.31 to 305.41 of the Revised Code, 93805
the resolution shall take effect immediately, but the tax levied 93806
pursuant to the resolution shall not be levied prior to the day 93807
following the last day that any tax previously levied pursuant to 93808
this division may be levied. 93809

(2) The tax may be levied pursuant to a resolution adopted by 93810
a majority of the members of the board of county commissioners not 93811
later than September 1, 2015, and approved by a majority of the 93812
electors of the county voting on the question of levying the tax 93813
at a general election or a special election held on a day on which 93814
a primary election may be held. The board of county commissioners 93815
shall certify a copy of the resolution to the board of elections 93816
immediately upon adopting a resolution under division (C)(2) of 93817
this section. The election may be held ~~on the date of a general or~~ 93818
~~special election held~~ not sooner than ninety days after the date 93819
the board certifies its resolution to the board of elections. The 93820
form of the ballot shall be as prescribed by division (C) of 93821
section 307.697 of the Revised Code, except that the phrase 93822
"paying not more than one-half of the costs of providing a sports 93823
facility together with related redevelopment and economic 93824
development projects" shall be replaced by the phrase "paying the 93825
costs of constructing, renovating, improving, or repairing a 93826
sports facility and reimbursing a county for costs incurred by the 93827
county in the construction of a sports facility," and the phrase 93828

", beginning (here insert the earliest date the tax
would take effect)" shall be appended after "years." A board of
county commissioners submitting the question of a tax under
division (C)(2) of this section may submit the question of a tax
under division (D)(2) of section 307.697 or division (B)(2) of
section 4301.421 of the Revised Code as a single question, and the
form of the ballot shall include each of the proposed taxes.

If approved by a majority of electors voting on the question,
the tax shall take effect on the day specified on the ballot,
which shall not be earlier than the day following the last day
that any tax previously levied pursuant to this division may be
levied.

The rate of a tax levied pursuant to division (C)(1) or (2)
of this section shall not exceed the rate specified in division
(A) of this section. A tax levied pursuant to division (C)(1) or
(2) of this section may be levied for any number of years not
exceeding twenty.

A board of county commissioners adopting a resolution under
this division shall certify a copy of the resolution to the tax
commissioner immediately upon adoption of the resolution.

(D) No tax shall be levied under division (A) of this section
on or after September 23, 2008. This division does not apply to a
tax levied under division (C) of this section, and does not
prevent the collection of any tax levied under this section before
September 23, 2008, so long as that tax remains effective.

Sec. 5743.026. For the purposes of section 351.26 of the
Revised Code, to pay the expenses of administering the tax, and to
pay any or all of the charge the board of elections makes against
the county to hold the election on the question of levying the
tax, the board of county commissioners, in the manner prescribed
by division (A) of section 351.26 of the Revised Code, may levy a

tax on sales of cigarettes sold for resale at retail in the 93860
county. The rate of the tax shall not exceed two and twenty-five 93861
hundredths mills per cigarette, and shall be computed on each 93862
cigarette sold. The tax may be levied for any number of years not 93863
to exceed twenty. Only one sale of the same article shall be used 93864
in computing the amount of tax due. 93865

The tax shall be levied pursuant to a resolution of the board 93866
of county commissioners adopted as prescribed by division (A) of 93867
section 351.26 of the Revised Code and approved by a majority of 93868
the electors in the county voting on the question of levying the 93869
tax at a general election or a special election held on a day on 93870
which a primary election may be held. The resolution shall specify 93871
the rate of the tax, the number of years the tax will be levied, 93872
and the purposes for which the tax is levied. Such election may be 93873
held ~~on the date of a general or special election held~~ not sooner 93874
than ninety days after the date the board certifies its resolution 93875
to the board of elections. If approved by voters, the tax shall 93876
take effect on the first day of the month specified in the 93877
resolution but not sooner than the first day of the month that is 93878
at least sixty days after the certification of the election 93879
results by the board of elections. A copy of the resolution 93880
levying the tax shall be certified to the tax commissioner at 93881
least sixty days prior to the date on which the tax is to become 93882
effective. 93883

A resolution under this section may be joined on the ballot 93884
as a single question with a resolution adopted under section 93885
4301.424 of the Revised Code to levy a tax for the same purposes 93886
and for the purpose of paying the expenses of administering the 93887
tax. The form of the ballot in an election held pursuant to this 93888
section shall be as prescribed in section 351.26 of the Revised 93889
Code. 93890

The treasurer of state shall credit all moneys arising from 93891

each tax levied under this section and section 5743.324 of the Revised Code in the same manner prescribed by section 5743.024 of the Revised Code for the crediting of money arising from taxes levied under that section, except that the tax commissioner shall distribute the amount credited to the permissive tax distribution fund by providing for payment of the appropriate amount to the county treasurer of the county in which the tax is levied, who shall credit the payment to the fund or account designated by the board of directors of the convention facilities authority levying the tax.

Sec. 5748.02. (A) The board of education of any school district, except a joint vocational school district, may declare, by resolution, the necessity of raising annually a specified amount of money for school district purposes. The resolution shall specify whether the income that is to be subject to the tax is taxable income of individuals and estates as defined in divisions (E)(1)(a) and (2) of section 5748.01 of the Revised Code or taxable income of individuals as defined in division (E)(1)(b) of that section. A copy of the resolution shall be certified to the tax commissioner no later than one hundred days prior to the date of the election at which the board intends to propose a levy under this section. Upon receipt of the copy of the resolution, the tax commissioner shall estimate both of the following:

(1) The property tax rate that would have to be imposed in the current year by the district to produce an equivalent amount of money;

(2) The income tax rate that would have had to have been in effect for the current year to produce an equivalent amount of money from a school district income tax.

Within ten days of receiving the copy of the board's resolution, the commissioner shall prepare these estimates and

certify them to the board. Upon receipt of the certification, the 93923
board may adopt a resolution proposing an income tax under 93924
division (B) of this section at the estimated rate contained in 93925
the certification rounded to the nearest one-fourth of one per 93926
cent. The commissioner's certification applies only to the board's 93927
proposal to levy an income tax at the election for which the board 93928
requested the certification. If the board intends to submit a 93929
proposal to levy an income tax at any other election, it shall 93930
request another certification for that election in the manner 93931
prescribed in this division. 93932

(B)(1) Upon the receipt of a certification from the tax 93933
commissioner under division (A) of this section, a majority of the 93934
members of a board of education may adopt a resolution proposing 93935
the levy of an annual tax for school district purposes on school 93936
district income. The proposed levy may be for a continuing period 93937
of time or for a specified number of years. The resolution shall 93938
set forth the purpose for which the tax is to be imposed, the rate 93939
of the tax, which shall be the rate set forth in the 93940
commissioner's certification rounded to the nearest one-fourth of 93941
one per cent, the number of years the tax will be levied or that 93942
it will be levied for a continuing period of time, the date on 93943
which the tax shall take effect, which shall be the first day of 93944
January of any year following the year in which the question is 93945
submitted, and the date of the election at which the proposal 93946
shall be submitted to the electors of the district, which shall be 93947
on the date of a ~~primary, general, election~~ or a special election 93948
held on a day on which a primary election the date of which is 93949
~~consistent with section 3501.01 of the Revised Code~~ may be held. 93950
The resolution shall specify whether the income that is to be 93951
subject to the tax is taxable income of individuals and estates as 93952
defined in divisions (E)(1)(a) and (2) of section 5748.01 of the 93953
Revised Code or taxable income of individuals as defined in 93954
division (E)(1)(b) of that section. The specification shall be the 93955

same as the specification in the resolution adopted and certified 93956
under division (A) of this section. 93957

If the tax is to be levied for current expenses and permanent 93958
improvements, the resolution shall apportion the annual rate of 93959
the tax. The apportionment may be the same or different for each 93960
year the tax is levied, but the respective portions of the rate 93961
actually levied each year for current expenses and for permanent 93962
improvements shall be limited by the apportionment. 93963

If the board of education currently imposes an income tax 93964
pursuant to this chapter that is due to expire and a question is 93965
submitted under this section for a proposed income tax to take 93966
effect upon the expiration of the existing tax, the board may 93967
specify in the resolution that the proposed tax renews the 93968
expiring tax. Two or more expiring income taxes may be renewed 93969
under this paragraph if the taxes are due to expire on the same 93970
date. If the tax rate being proposed is no higher than the total 93971
tax rate imposed by the expiring tax or taxes, the resolution may 93972
state that the proposed tax is not an additional income tax. 93973

(2) A board of education adopting a resolution under division 93974
(B)(1) of this section proposing a school district income tax for 93975
a continuing period of time and limited to the purpose of current 93976
expenses may propose in that resolution to reduce the rate or 93977
rates of one or more of the school district's property taxes 93978
levied for a continuing period of time in excess of the ten-mill 93979
limitation for the purpose of current expenses. The reduction in 93980
the rate of a property tax may be any amount, expressed in mills 93981
per one dollar in valuation, not exceeding the rate at which the 93982
tax is authorized to be levied. The reduction in the rate of a tax 93983
shall first take effect for the tax year that includes the day on 93984
which the school district income tax first takes effect, and shall 93985
continue for each tax year that both the school district income 93986
tax and the property tax levy are in effect. 93987

In addition to the matters required to be set forth in the resolution under division (B)(1) of this section, a resolution containing a proposal to reduce the rate of one or more property taxes shall state for each such tax the maximum rate at which it currently may be levied and the maximum rate at which the tax could be levied after the proposed reduction, expressed in mills per one dollar in valuation, and that the tax is levied for a continuing period of time.

If a board of education proposes to reduce the rate of one or more property taxes under division (B)(2) of this section, the board, when it makes the certification required under division (A) of this section, shall designate the specific levy or levies to be reduced, the maximum rate at which each levy currently is authorized to be levied, and the rate by which each levy is proposed to be reduced. The tax commissioner, when making the certification to the board under division (A) of this section, also shall certify the reduction in the total effective tax rate for current expenses for each class of property that would have resulted if the proposed reduction in the rate or rates had been in effect the previous tax year. As used in this paragraph, "effective tax rate" has the same meaning as in section 323.08 of the Revised Code.

(C) A resolution adopted under division (B) of this section shall go into immediate effect upon its passage, and no publication of the resolution shall be necessary other than that provided for in the notice of election. Immediately after its adoption and at least ninety days prior to the election at which the question will appear on the ballot, a copy of the resolution shall be certified to the board of elections of the proper county, which shall submit the proposal to the electors on the date specified in the resolution. The form of the ballot shall be as provided in section 5748.03 of the Revised Code. Publication of

notice of the election shall be made in a newspaper of general 94020
circulation in the county once a week for two consecutive weeks, 94021
or as provided in section 7.16 of the Revised Code, prior to the 94022
election. If the board of elections operates and maintains a web 94023
site, the board of elections shall post notice of the election on 94024
its web site for thirty days prior to the election. The notice 94025
shall contain the time and place of the election and the question 94026
to be submitted to the electors. The question covered by the 94027
resolution shall be submitted as a separate proposition, but may 94028
be printed on the same ballot with any other proposition submitted 94029
at the same election, other than the election of officers. 94030

~~(D) No board of education shall submit the question of a tax 94031
on school district income to the electors of the district more 94032
than twice in any calendar year. If a board submits the question 94033
twice in any calendar year, one of the elections on the question 94034
shall be held on the date of the general election. 94035~~

~~(E)~~(1) No board of education may submit to the electors of 94036
the district the question of a tax on school district income on 94037
the taxable income of individuals as defined in division (E)(1)(b) 94038
of section 5748.01 of the Revised Code if that tax would be in 94039
addition to an existing tax on the taxable income of individuals 94040
and estates as defined in divisions (E)(1)(a) and (2) of that 94041
section. 94042

(2) No board of education may submit to the electors of the 94043
district the question of a tax on school district income on the 94044
taxable income of individuals and estates as defined in divisions 94045
(E)(1)(a) and (2) of section 5748.01 of the Revised Code if that 94046
tax would be in addition to an existing tax on the taxable income 94047
of individuals as defined in division (E)(1)(b) of that section. 94048

Sec. 5748.021. A board of education that levies a tax under 94049
section 5748.02 of the Revised Code on the school district income 94050

of individuals and estates as defined in divisions (G) and 94051
(E)(1)(a) and (2) of section 5748.01 of the Revised Code may 94052
declare, at any time, by a resolution adopted by a majority of its 94053
members, the necessity of raising annually a specified amount of 94054
money for school district purposes by replacing the existing tax 94055
with a tax on the school district income of individuals as defined 94056
in divisions (G)(1) and (E)(1)(b) of section 5748.01 of the 94057
Revised Code. The specified amount of money to be raised annually 94058
may be the same as, or more or less than, the amount of money 94059
raised annually by the existing tax. 94060

The board shall certify a copy of the resolution to the tax 94061
commissioner not later than the eighty-fifth day before the date 94062
of the election at which the board intends to propose the 94063
replacement to the electors of the school district. Not later than 94064
the tenth day after receiving the resolution, the tax commissioner 94065
shall estimate the tax rate that would be required in the school 94066
district annually to raise the amount of money specified in the 94067
resolution. The tax commissioner shall certify the estimate to the 94068
board. 94069

Upon receipt of the tax commissioner's estimate, the board 94070
may propose, by a resolution adopted by a majority of its members, 94071
to replace the existing tax on the school district income of 94072
individuals and estates as defined in divisions (G) and (E)(1)(a) 94073
and (2) of section 5748.01 of the Revised Code with the levy of an 94074
annual tax on the school district income of individuals as defined 94075
in divisions (G)(1) and (E)(1)(b) of section 5748.01 of the 94076
Revised Code. In the resolution, the board shall specify the rate 94077
of the replacement tax, whether the replacement tax is to be 94078
levied for a specified number of years or for a continuing time, 94079
the specific school district purposes for which the replacement 94080
tax is to be levied, the date on which the replacement tax will 94081
begin to be levied, the date of the election at which the question 94082

of the replacement is to be submitted to the electors of the 94083
school district, that the existing tax will cease to be levied and 94084
the replacement tax will begin to be levied if the replacement is 94085
approved by a majority of the electors voting on the replacement, 94086
and that if the replacement is not approved by a majority of the 94087
electors voting on the replacement the existing tax will remain in 94088
effect under its original authority for the remainder of its 94089
previously approved term. The resolution goes into immediate 94090
effect upon its adoption. Publication of the resolution is not 94091
necessary, and the information that will be provided in the notice 94092
of election is sufficient notice. At least seventy-five days 94093
before the date of the election at which the question of the 94094
replacement will be submitted to the electors of the school 94095
district, the board shall certify a copy of the resolution to the 94096
board of elections. 94097

The replacement tax shall have the same specific school 94098
district purposes as the existing tax, and its rate shall be the 94099
same as the tax commissioner's estimate rounded to the nearest 94100
one-fourth of one per cent. The replacement tax shall begin to be 94101
levied on the first day of January of the year following the year 94102
in which the question of the replacement is submitted to and 94103
approved by the electors of the school district or on the first 94104
day of January of a later year, as specified in the resolution. 94105
The date of the election shall be the date of ~~an otherwise~~ 94106
~~scheduled primary, a general,~~ election or a special election held 94107
on a day on which a primary election may be held. 94108

The board of elections shall make arrangements to submit the 94109
question of the replacement to the electors of the school district 94110
on the date specified in the resolution. The board of elections 94111
shall publish notice of the election on the question of the 94112
replacement in one newspaper of general circulation in the school 94113
district once a week for four consecutive weeks or as provided in 94114

section 7.16 of the Revised Code. The notice shall set forth the 94115
question to be submitted to the electors and the time and place of 94116
the election thereon. 94117

The question shall be submitted to the electors of the school 94118
district as a separate proposition, but may be printed on the same 94119
ballot with other propositions that are submitted at the same 94120
election, other than the election of officers. The form of the 94121
ballot shall be substantially as follows: 94122

"Shall the existing tax of (state the rate) on the 94123
school district income of individuals and estates imposed by 94124
(state the name of the school district) be replaced by a tax of 94125
..... (state the rate) on the earned income of individuals 94126
residing in the school district for (state the number of 94127
years the tax is to be in effect or that it will be in effect for 94128
a continuing time), beginning (state the date the new tax 94129
will take effect), for the purpose of (state the specific 94130
school district purposes of the tax)? If the new tax is not 94131
approved, the existing tax will remain in effect under its 94132
original authority, for the remainder of its previously approved 94133
term. 94134

The board of elections shall conduct and canvass the election 94137
in the same manner as regular elections in the school district for 94138
the election of county officers. The board shall certify the 94139

Sec. 5748.07. Notwithstanding any section of the Revised Code 94157
to the contrary, the board of education of a school district may 94158
submit a proposal to levy a tax under this chapter on the ballot 94159
at a special election held in August if the resolution or 94160
ordinance proposing the tax declares that the purpose of such tax, 94161

this chapter, is to prevent the conditions that would qualify the 94163
school district for a fiscal emergency declaration as described in 94164
division (B) of section 3316.03 of the Revised Code. This 94165
additional purpose shall be included in the election notice 94166

or a special election held on a day on which a primary election 94184

resolution proposing for a specified number of years or for a 94209
continuing period of time the levy of an annual tax for school 94210
district purposes on school district income and declaring that the 94211
amount of taxes that can be raised within the ten-mill limitation 94212
will be insufficient to provide an adequate amount for the present 94213
and future requirements of the school district; that it is 94214
necessary to issue general obligation bonds of the school district 94215
for specified permanent improvements and to levy an additional tax 94216

If necessary, in order to pay benefits in a timely manner 94669
pursuant to sections 5919.31 and 5919.33 of the Revised Code, the 94670

General may subsequently seek Controlling Board approval to 94675
restore the appropriation in the appropriation item from which 94676
such a transfer was made. 94677

For active duty members of the Ohio National Guard who died 94678
after October 7, 2001, while performing active duty, the death 94679

FIRE DEPARTMENT GRANTS

(A) The foregoing appropriation item 800639, Fire Department Grants, shall be used to make annual grants to the following eligible recipients: volunteer fire departments, fire departments that serve one or more small municipalities or small townships, joint fire districts comprised of fire departments that primarily serve small municipalities or small townships, local units of government responsible for such fire departments, and local units of government responsible for the provision of fire protection services for small municipalities or small townships. For the purposes of these grants, a private fire company, as that phrase is defined in section 9.60 of the Revised Code, that is providing fire protection services under a contract to a political subdivision of the state, is an additional eligible recipient for a training grant.

Eligible recipients that consist of small municipalities or small townships that all intend to contract with the same fire department or private fire company for fire protection services may jointly apply and be considered for a grant. If a joint applicant is awarded a grant, the State Fire Marshal shall, if feasible, proportionately award the grant and any equipment purchased with grant funds to each of the joint applicants based upon each applicant's contribution to and demonstrated need for fire protection services. For the purpose of this grant program, an eligible recipient or any firefighting entity that is contracted to serve an eligible recipient may only file, be listed as joint applicant, or be designated as a service provider on one grant application per fiscal year.

If the grant awarded to joint applicants is an equipment

grant and the equipment to be purchased cannot be readily 95907
distributed or possessed by multiple recipients, each of the joint 95908
applicants shall be awarded by the State Fire Marshal an ownership 95909
interest in the equipment so purchased in proportion to each 95910
applicant's contribution to and demonstrated need for fire 95911
protection services. The joint applicants shall then mutually 95912
agree on how the equipment is to be maintained, operated, stored, 95913
or disposed of. If, for any reason, the joint applicants cannot 95914
agree as to how jointly owned equipment is to be maintained, 95915
operated, stored, or disposed of or any of the joint applicants no 95916
longer maintain a contract with the same fire protection service 95917
provider as the other applicants, then the joint applicants shall, 95918
with the assistance of the State Fire Marshal, mutually agree as 95919
to how the jointly owned equipment is to be maintained, operated, 95920
stored, disposed of, or owned. If the joint applicants cannot 95921
agree how the grant equipment is to be maintained, operated, 95922
stored, disposed of, or owned, the State Fire Marshal may, in its 95923
discretion, require all of the equipment acquired by the joint 95924
applicants with grant funds to be returned to the State Fire 95925
Marshal. The State Fire Marshal may then award the returned 95926
equipment to any eligible recipients. For this paragraph only, an 95927
"equipment grant" also includes a MARCS Grant. 95928

(B) Except as otherwise provided in this section, the grants 95929
shall be used by recipients to purchase firefighting or rescue 95930
equipment or gear or similar items, to provide full or partial 95931
reimbursement for the documented costs of firefighter training, 95932
or, at the discretion of the State Fire Marshal, to cover fire 95933
department costs for providing fire protection services in that 95934
grant recipient's jurisdiction. 95935

(1) Of the foregoing appropriation item 800639, Fire 95936
Department Grants, up to \$1,000,000 per fiscal year may be used to 95937
pay for the State Fire Marshal's costs of providing firefighter I 95938

certification classes or other firefighter classes approved by the 95939
State Fire Marshal at no cost to selected students attending the 95940
Ohio Fire Academy or other class providers approved by the State 95941
Fire Marshal. The State Fire Marshal may establish the 95942
qualifications and selection processes for students to attend such 95943
classes by written policy, and such students shall be considered 95944
eligible recipients of fire department grants for the purposes of 95945
this portion of the grant program. 95946

(2) Of the foregoing appropriation item 800639, Fire 95947
Department Grants, up to \$3,000,000 in each fiscal year may be 95948
used for MARCS Grants. MARCS Grants may be used for the payment of 95949
user access fees by the eligible recipient to cover costs for 95950
accessing MARCS. 95951

For purposes of this section, a MARCS Grant is a grant for 95952
systems, equipment, or services that are a part of, integrated 95953
into, or otherwise interoperable with the Multi-Agency Radio 95954
Communication System (MARCS) operated by the state. 95955

MARCS Grant awards may be up to \$50,000 in each fiscal year 95956
per eligible recipient. Each eligible recipient may apply, as a 95957
separate entity or as a part of a joint application, for only one 95958
MARCS Grant per fiscal year. The State Fire Marshal may give a 95959
preference to MARCS Grants that will enhance the overall 95960
interoperability and effectiveness of emergency communication 95961
networks in the geographic region that includes and that is 95962
adjacent to the applicant. 95963

Eligible recipients that are or were awarded fire department 95964
grants that are not MARCS Grants may also apply for and receive 95965
MARCS Grants in accordance with criteria for the awarding of grant 95966
funds established by the State Fire Marshal. 95967

(3) Grant awards for firefighting or rescue equipment or gear 95968
or for fire department costs of providing fire protection services 95969

shall be up to \$15,000 per fiscal year, or up to \$25,000 per 95970
fiscal year if an eligible entity serves a jurisdiction in which 95971
the Governor declared a natural disaster during the preceding or 95972
current fiscal year in which the grant was awarded. In addition to 95973
any grant funds awarded for rescue equipment or gear, or for fire 95974
department costs associated with the provision of fire protection 95975
services, an eligible entity may receive a grant for up to \$15,000 95976
per fiscal year for full or partial reimbursement of the 95977
documented costs of firefighter training. For each fiscal year, 95978
the State Fire Marshal shall determine the total amounts to be 95979
allocated for each eligible purpose. 95980

(C) The grants shall be administered by the State Fire 95981
Marshal in accordance with rules the State Fire Marshal adopts as 95982
part of the state fire code adopted pursuant to section 3737.82 of 95983
the Revised Code that are necessary for the administration and 95984
operation of the grant program. The rules may further define the 95985
entities eligible to receive grants and establish criteria for the 95986
awarding and expenditure of grant funds, including methods the 95987
State Fire Marshal may use to verify the proper use of grant funds 95988
or to obtain reimbursement for or the return of equipment for 95989
improperly used grant funds. To the extent consistent with this 95990
section and until the rules are updated, the existing rules in the 95991
state fire code adopted pursuant to section 3737.82 of the Revised 95992
Code for fire department grants under this section apply to MARCS 95993
Grants. Any amounts in appropriation item 800639, Fire Department 95994
Grants, in excess of the amount allocated for these grants may be 95995
used for the administration of the grant program. 95996

INDUSTRIAL COMPLIANCE 95997

Of the foregoing appropriation item 800615, Industrial 95998
Compliance, \$1,200,000 in each fiscal year shall be used for the 95999
Bureau of Wage and Hour Administration within the Division of the 96000
Industrial Compliance. 96001

Section 265.20. OPERATING EXPENSES 97025

Of the foregoing appropriation item 200321, Operating 97026

Expenses, up to \$75,000 in each fiscal year shall be distributed 97027
by the Department of Education to eligible districts pursuant to 97028
the section of this act entitled "FAFSA COMPLETION PROGRAM." 97029

A portion of the foregoing appropriation item 200321, 97030
Operating Expenses, shall be used by the Department of Education 97031
to provide matching funds related to career-technical education 97032
under 20 U.S.C. 2321. 97033

EARLY CHILDHOOD EDUCATION 97034

The Department of Education shall distribute the foregoing 97035
appropriation item 200408, Early Childhood Education, to pay the 97036
costs of early childhood education programs. The Department shall 97037
distribute such funds directly to qualifying providers. 97038

(A) As used in this section: 97039

(1) "Provider" means a city, local, exempted village, or 97040
joint vocational school district; an educational service center; a 97041
community school sponsored by an exemplary sponsor; a chartered 97042
nonpublic school; an early childhood education child care provider 97043
licensed under Chapter 5104. of the Revised Code that participates 97044
in and meets at least the third highest tier of the Step Up to 97045
Quality program established pursuant to section 5104.29 of the 97046
Revised Code; or a combination of entities described in this 97047
paragraph. 97048

(2) In the case of a city, local, or exempted village school 97049
district or early childhood education child care provider licensed 97050
under Chapter 5104. of the Revised Code, "new eligible provider" 97051
means a provider that did not receive state funding for Early 97052
Childhood Education in the previous fiscal year or demonstrates a 97053
need for early childhood programs as defined in division (D) of 97054
this section. 97055

(3) In the case of a community school, "new eligible 97056
provider" means any of the following: 97057

(a) A community school established under Chapter 3314. of the Revised Code that is sponsored by a sponsor rated "exemplary" in accordance with section 3314.016 of the Revised Code that offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code that did not receive state funding for Early Childhood Education in the previous fiscal year;

(b) A community school established under Chapter 3314. of the Revised Code that satisfies all of the following criteria:

(i) It has received, on its most recent report card, either of the following:

(I) If the school offers any of grade levels four through twelve, a grade of "C" or better for the overall value-added progress dimension under division (C)(1)(e) of section 3302.03 of the Revised Code and for the performance index score under division (C)(1)(b) of section 3302.03 of the Revised Code;

(II) If the school does not offer a grade level higher than three, a grade of "C" or better for making progress in improving literacy in grades kindergarten through three under division (C)(1)(g) of section 3302.03 of the Revised Code.

(ii) It offers a child care program in accordance with sections 3301.50 to 3301.59 of the Revised Code.

(iii) It did not receive state funding for Early Childhood Education in the previous fiscal year.

(c) A community school established under Chapter 3314. of the Revised Code that is sponsored by a municipal school district and operates a program that uses the Montessori method endorsed by the American Montessori Society, the Montessori Accreditation Council for Teacher Education, or the Association Montessori Internationale as its primary method of instruction, as authorized by division (A) of section 3314.06 of the Revised Code, that did not receive state funding for Early Childhood Education in the

previous year or demonstrates a need for early childhood programs 97089
as defined in division (D) of this section. 97090

(4)(a) "Eligible child" means a child who is at least four 97091
years of age, is not of the age to be eligible for kindergarten, 97092
and whose family earns not more than two hundred per cent of the 97093
federal poverty guidelines as defined in division (A)(3) of 97094
section 5101.46 of the Revised Code. Children with an 97095
Individualized Education Program and where the Early Childhood 97096
Education program is the least restrictive environment may be 97097
enrolled on their fourth birthday. 97098

(b) If, on the first day of October of each fiscal year, a 97099
provider has remaining award funds after enrolling eligible 97100
children under division (A)(4)(a) of this section, the provider 97101
may seek approval from the Department to consider a child who is 97102
at least three years of age, is not of age to be eligible for 97103
kindergarten, and whose family earns not more than two hundred per 97104
cent of the federal poverty guidelines as an eligible child. Upon 97105
approval from the Department, the provider may use the remaining 97106
award funds to serve such three-year-old children as eligible 97107
children. 97108

(5) "Early learning program standards" means early learning 97109
program standards for school readiness developed by the Department 97110
to assess the operation of early learning and development 97111
programs. 97112

(6) "Early learning and development programs" has the same 97113
meaning as section 5104.29 of the Revised Code. 97114

(B) In each fiscal year, up to two per cent of the total 97115
appropriation may be used by the Department for program support 97116
and technical assistance. The Department shall distribute the 97117
remainder of the appropriation in each fiscal year to serve 97118
eligible children. 97119

(C) The Department shall provide an annual report to the Governor, the Speaker of the House of Representatives, and the President of the Senate and post the report to the Department's web site, regarding early childhood education programs operated under this section and the early learning program standards.

(D) After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2020, the Department shall distribute funds first to recipients of funds for early childhood education programs under Section 265.20 of Am. Sub. H.B. 49 of the 132nd General Assembly in the previous fiscal year and the balance to new eligible providers of early childhood education programs or to existing providers to serve more eligible children pursuant to division (E) of this section or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

After setting aside the amounts to make payments due from the previous fiscal year, in fiscal year 2021, the Department shall distribute funds first to providers of early childhood education programs under this section in the previous fiscal year and the balance to new eligible providers or to existing providers to serve more eligible children as outlined under division (E) of this section or for purposes of program expansion, improvement, or special projects to promote quality and innovation.

(E)(1) The Department shall distribute any new or remaining funding to existing providers of early childhood education programs or any new eligible providers in an effort to invest in high quality early childhood programs where there is a need as determined by the Department. The Department shall distribute the new or remaining funds to existing providers of early childhood education programs or any new eligible providers to serve additional eligible children based on community economic disadvantage, limited access to high quality preschool or

childcare services, and demonstration of high quality preschool 97152
services as determined by the Department using new metrics 97153
developed pursuant to Ohio's Race to the Top—Early Learning 97154
Challenge Grant, awarded to the Department in December 2011. 97155

(2) Awards under divisions (D) and (E) of this section shall 97156
be distributed on a per-pupil basis, and in accordance with 97157
division (I) of this section. The Department may adjust the 97158
per-pupil amount so that the per-pupil amount multiplied by the 97159
number of eligible children enrolled and receiving services on the 97160
first day of December or the business day closest to that date 97161
equals the amount allocated under this section. 97162

(F) Costs for developing and administering an early childhood 97163
education program may not exceed fifteen per cent of the total 97164
approved costs of the program. 97165

All providers shall maintain such fiscal control and 97166
accounting procedures as may be necessary to ensure the 97167
disbursement of, and accounting for, these funds. The control of 97168
funds provided in this program, and title to property obtained, 97169
shall be under the authority of the approved provider for purposes 97170
provided in the program unless, as described in division (K) of 97171
this section, the program waives its right for funding or a 97172
program's funding is eliminated or reduced due to its inability to 97173
meet financial or early learning program standards. The approved 97174
provider shall administer and use such property and funds for the 97175
purposes specified. 97176

(G) The Department may examine a provider's financial and 97177
program records. If the financial practices of the program are not 97178
in accordance with standard accounting principles or do not meet 97179
financial standards outlined under division (F) of this section, 97180
or if the program fails to substantially meet the early learning 97181
program standards, meet a quality rating level in the Step Up to 97182
Quality program established pursuant to section 5104.29 of the 97183

Revised Code as prescribed by the Department, or exhibits below 97184
average performance as measured against the standards, the early 97185
childhood education program shall propose and implement a 97186
corrective action plan that has been approved by the Department. 97187
The approved corrective action plan shall be signed by the chief 97188
executive officer and the executive of the official governing body 97189
of the provider. The corrective action plan shall include a 97190
schedule for monitoring by the Department. Such monitoring may 97191
include monthly reports, inspections, a timeline for correction of 97192
deficiencies, and technical assistance to be provided by the 97193
Department or obtained by the early childhood education program. 97194
The Department may withhold funding pending corrective action. If 97195
an early childhood education program fails to satisfactorily 97196
complete a corrective action plan, the Department may deny 97197
expansion funding to the program or withdraw all or part of the 97198
funding to the program and establish a new eligible provider 97199
through a selection process established by the Department. 97200

(H)(1) If the early childhood education program is licensed 97201
by the Department of Education and is not highly rated, as 97202
determined by the Director of Job and Family Services, under the 97203
Step Up to Quality program established pursuant to section 5104.29 97204
of the Revised Code, the program shall do all of the following: 97205

(a) Meet teacher qualification requirements prescribed by 97206
section 3301.311 of the Revised Code; 97207

(b) Align curriculum to the early learning content standards 97208
developed by the Department; 97209

(c) Meet any child or program assessment requirements 97210
prescribed by the Department; 97211

(d) Require teachers, except teachers enrolled and working to 97212
obtain a degree pursuant to section 3301.311 of the Revised Code, 97213
to attend a minimum of twenty hours every two years of 97214

professional development as prescribed by the Department; 97215

(e) Document and report child progress as prescribed by the 97216
Department; 97217

(f) Meet and report compliance with the early learning 97218
program standards as prescribed by the Department; 97219

(g) Participate in the Step Up to Quality program established 97220
pursuant to section 5104.29 of the Revised Code. 97221

(2) If the program is highly rated, as determined by the 97222
Director of Job and Family Services, under the Step Up to Quality 97223
program established pursuant to section 5104.29 of the Revised 97224
Code, the program shall comply with the requirements of that 97225
program. 97226

(I) Per-pupil funding for programs subject to this section 97227
shall be sufficient to provide eligible children with services for 97228
a standard early childhood schedule which shall be defined in this 97229
section as a minimum of twelve and one-half hours per school week 97230
as defined in section 3313.62 of the Revised Code for the minimum 97231
school year as defined in sections 3313.48, 3313.481, and 3313.482 97232
of the Revised Code. Nothing in this section shall be construed to 97233
prohibit program providers from utilizing other funds to serve 97234
eligible children in programs that exceed the twelve and one-half 97235
hours per week or that exceed the minimum school year. For any 97236
provider for which a standard early childhood education schedule 97237
creates a hardship or for which the provider shows evidence that 97238
the provider is working in collaboration with a preschool special 97239
education program, the provider may submit a waiver to the 97240
Department requesting an alternate schedule. If the Department 97241
approves a waiver for an alternate schedule that provides services 97242
for less time than the standard early childhood education 97243
schedule, the Department may reduce the provider's annual 97244
allocation proportionately. Under no circumstances shall an annual 97245

allocation be increased because of the approval of an alternate 97246
schedule. 97247

(J) Each provider shall develop a sliding fee scale based on 97248
family incomes and shall charge families who earn more than two 97249
hundred per cent of the federal poverty guidelines, as defined in 97250
division (A)(3) of section 5101.46 of the Revised Code, for the 97251
early childhood education program. 97252

The Department shall conduct an annual survey of each 97253
provider to determine whether the provider charges families 97254
tuition or fees, the amount families are charged relative to 97255
family income levels, and the number of families and students 97256
charged tuition and fees for the early childhood program. 97257

(K) If an early childhood education program voluntarily 97258
waives its right for funding, or has its funding eliminated for 97259
not meeting financial standards or the early learning program 97260
standards, the provider shall transfer control of title to 97261
property, equipment, and remaining supplies obtained through the 97262
program to providers designated by the Department and return any 97263
unexpended funds to the Department along with any reports 97264
prescribed by the Department. The funding made available from a 97265
program that waives its right for funding or has its funding 97266
eliminated or reduced may be used by the Department for new grant 97267
awards or expansion grants. The Department may award new grants or 97268
expansion grants to eligible providers who apply. The eligible 97269
providers who apply must do so in accordance with the selection 97270
process established by the Department. 97271

(L) Eligible expenditures for the Early Childhood Education 97272
Program shall be claimed each fiscal year to help meet the state's 97273
TANF maintenance of effort requirement. The Superintendent of 97274
Public Instruction and the Director of Job and Family Services 97275
shall enter into an interagency agreement to carry out the 97276
requirements under this division, which shall include developing 97277

reporting guidelines for these expenditures. 97278

(M)(1) The Department of Education and the Department of Job 97279
and Family Services shall continue to work toward establishing the 97280
following in common between early childhood education programs and 97281
publicly funded child care: 97282

(a) An application; 97283

(b) Program eligibility; 97284

(c) Funding; 97285

(d) An attendance policy; 97286

(e) An attendance tracking system. 97287

(2) In accordance with section 5104.34 of the Revised Code, 97288
eligible families may receive publicly funded child care beyond 97289
the standard early childhood schedule defined in division (I) of 97290
this section. 97291

(3) All providers, agencies, and school districts 97292
participating in the early childhood education program or 97293
providing care to eligible families beyond the standard early 97294
childhood schedule shall follow the common policies established 97295
under this division. 97296

Section 265.30. INFORMATION TECHNOLOGY DEVELOPMENT AND 97297
SUPPORT 97298

The foregoing appropriation item 200420, Information 97299
Technology Development and Support, shall be used to support the 97300
development and implementation of information technology solutions 97301
designed to improve the performance and services of the Department 97302
of Education. Funds may be used for personnel, maintenance, and 97303
equipment costs related to the development and implementation of 97304
these technical system projects. Implementation of these systems 97305
shall allow the Department to provide greater levels of assistance 97306

to school districts and to provide more timely information to the public, including school districts, administrators, and legislators. Funds may also be used to support data-driven decision-making and differentiated instruction, as well as to communicate academic content standards and curriculum models to schools through web-based applications.

Section 265.50. SCHOOL MANAGEMENT ASSISTANCE

The foregoing appropriation item 200422, School Management Assistance, shall be used by the Department of Education to provide fiscal technical assistance and inservice education for school district management personnel and to administer, monitor, and implement the fiscal caution, fiscal watch, and fiscal emergency provisions under Chapter 3316. of the Revised Code.

Section 265.60. POLICY ANALYSIS

The foregoing appropriation item 200424, Policy Analysis, shall be used by the Department of Education to support a system of administrative, statistical, and legislative education information to be used for policy analysis. Staff supported by this appropriation shall administer the development of reports, analyses, and briefings to inform education policymakers of current trends in education practice, efficient and effective use of resources, and evaluation of programs to improve education results. A portion of these funds shall be used to maintain a longitudinal database to support the assessment of the impact of policies and programs on Ohio's education and workforce development systems. The research efforts supported by this appropriation item shall be used to supply information and analysis of data to and in consultation with the General Assembly and other state policymakers, including the Office of Budget and Management and the Legislative Service Commission.

A portion of the foregoing appropriation item, 200424, Policy Analysis, may be used by the Department to support the development and implementation of an evidence-based clearinghouse to support school improvement strategies as part of the Every Student Succeeds Act.

The Department may use funding from this appropriation item to purchase or contract for the development of software systems or contract for policy studies that will assist in the provision and analysis of policy-related information. Funding from this appropriation item also may be used to monitor and enhance quality assurance for research-based policy analysis and program evaluation to enhance the effective use of education information to inform education policymakers.

Section 265.70. OHIO EDUCATIONAL COMPUTER NETWORK

The foregoing appropriation item 200426, Ohio Educational Computer Network, shall be used by the Department of Education to maintain a system of information technology throughout Ohio and to provide technical assistance for such a system.

Of the foregoing appropriation item 200426, Ohio Educational Computer Network, up to \$9,686,658 in each fiscal year shall be used by the Department to support connection of all public school buildings and participating chartered nonpublic schools to the state's education network, to each other, and to the Internet. In each fiscal year, the Department shall use these funds to assist information technology centers or school districts with the operational costs associated with this connectivity. The Department shall develop a formula and guidelines for the distribution of these funds to information technology centers or individual school districts. As used in this section, "public school building" means a school building of any city, local, exempted village, or joint vocational school district, any

community school established under Chapter 3314. of the Revised 97368
Code, any college preparatory boarding school established under 97369
Chapter 3328. of the Revised Code, any STEM school established 97370
under Chapter 3326. of the Revised Code, any educational service 97371
center building used for instructional purposes, the Ohio School 97372
for the Deaf and the Ohio School for the Blind, high schools 97373
chartered by the Ohio Department of Youth Services, or high 97374
schools operated by Ohio Department of Rehabilitation and 97375
Corrections' Ohio Central School System. 97376

Of the foregoing appropriation item 200426, Ohio Educational 97377
Computer Network, up to \$4,843,329 in each fiscal year shall be 97378
used, through a formula and guidelines devised by the Department, 97379
to support the activities of designated information technology 97380
centers, as defined by State Board of Education rules, to provide 97381
school districts and chartered nonpublic schools with 97382
computer-based student and teacher instructional and 97383

(D) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA 103307
ENTITLEMENTS AND ADJUSTMENTS FOR UNIVERSITIES 103308

(1) Of the foregoing appropriation item 235501, State Share 103309
of Instruction, 50 per cent of the appropriation for universities, 103310
as established in division (A)(2) of the section of this act 103311
entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 103312
2021," in each fiscal year shall be reserved for support of 103313
associate, baccalaureate, master's, and professional level degree 103314
attainment. 103315

The degree attainment funding shall be allocated to 103316
universities in proportion to each campus's share of the total 103317
statewide degrees granted, weighted by the cost of the degree 103318
programs. The degree cost calculations shall include the model 103319
cost weights for the science, technology, engineering, 103320
mathematics, and medicine models as established in division (C) of 103321
this section. 103322

For degrees including credits earned at multiple 103323
institutions, degree attainment funding shall be allocated to 103324
universities in proportion to each campus's share of the 103325
student-specific cost of earned credits for the degree. Each 103326
institution shall receive its prorated share of degree funding for 103327
credits earned at that institution. Cost of credits not earned at 103328
a university main or regional campus shall be credited to the 103329
degree-granting institution for the first degree earned by a 103330
student at each degree level. The cost credited to the 103331
degree-granting institution shall not be eligible for at-risk 103332
weights and shall be limited to 12.5 per cent of the 103333
student-specific degree costs. However, the 12.5 per cent 103334
limitation shall not apply if the student transferred 12 or fewer 103335
credits into the degree granting institution. 103336

In calculating the subsidy entitlements for degree attainment 103337
for universities, the Chancellor shall use the following count of 103338
degrees and degree costs: 103339

(a) The subsidy eligible undergraduate degrees shall be 103340
defined as follows: 103341

(i) The subsidy eligible degrees conferred to students 103342
identified as residents of the state of Ohio in any term of their 103343
studies, as reported through the Higher Education Information 103344
(HEI) system student enrollment file, shall be weighted by a 103345
factor of 1. 103346

(ii) The subsidy eligible degrees conferred to students 103347
identified as out-of-state residents during all terms of their 103348
studies, as reported through the Higher Education Information 103349
(HEI) system student enrollment file, who remain in the state of 103350
Ohio at least one year after graduation, as calculated based on 103351
the three-year average in-state residency rate using the 103352
Unemployment Wage data for out-of-state graduates at each 103353
institution, shall be weighted by a factor of 50 per cent. 103354

(iii) Subsidy eligible associate degrees are defined as those 103355
earned by students attending any state-supported university main 103356
or regional campus. 103357

(b) In calculating each campus's count of degrees, the 103358
Chancellor shall use the three-year average associate, 103359
baccalaureate, master's, and professional degrees awarded for the 103360
three-year period ending in the prior year. 103361

(i) If a student is awarded an associate degree and, 103362
subsequently, is awarded a baccalaureate degree, the amount funded 103363
for the baccalaureate degree shall be limited to either the 103364
difference in cost between the cost of the baccalaureate degree 103365
and the cost of the associate degree paid previously, or if the 103366
associate degree has a higher cost than the baccalaureate degree, 103367

the cost of the credits earned by the student after the associate degree was awarded. 103368
103369

(ii) If a student earns an associate degree then, 103370
subsequently, earns a baccalaureate degree, the associate degree 103371
granting institution shall only receive the prorated share of the 103372
baccalaureate degree funding for the credits earned at that 103373
institution after the associate degree is awarded. 103374

(iii) If a student earns more than one degree at the same 103375
institution at the same degree level in the same fiscal year, the 103376
funding for the highest cost degree shall be prorated among 103377
institutions based on where the credits were earned and additional 103378
degrees shall be funded at 25 per cent of the cost of the degrees. 103379

(c) Associate degrees and baccalaureate degrees earned by a 103380
student defined as at-risk based on academic underpreparation, 103381
age, minority status, financial status, or first generation 103382
post-secondary status based on neither parent completing any 103383
education beyond high school, shall be defined as degrees earned 103384
by an at-risk student and shall be weighted by the following: 103385

A student-specific degree completion weight, where the weight 103386
is calculated based on the at-risk factors of the individual 103387
student, determined by calculating the difference between the 103388
percentage of students with each risk factor who earned a degree 103389
and the percentage of non-at-risk students who earned a degree. 103390

(2) Of the foregoing appropriation item 235501, State Share 103391
of Instruction, up to 11.78 per cent of the appropriation for 103392
universities, as established in division (A)(2) of the section of 103393
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 103394
2020 and 2021," in each fiscal year shall be reserved for support 103395
of doctoral programs to implement the funding recommendations made 103396
by representatives of the universities. The amount so reserved 103397
shall be referred to as the doctoral set-aside. 103398

In each fiscal year, the doctoral set-aside funding 103399
allocation shall be allocated to universities as follows: 103400

(a) 25 per cent of the doctoral set-aside shall be allocated 103401
to universities in proportion to their share of the statewide 103402
total earnings of each state institution's three-year average 103403
course completions. The subsidy eligible enrollments by model 103404
shall equal only those FTE students who successfully complete the 103405
course as defined and reported through the Higher Education 103406
Information (HEI) system course enrollment file. Course completion 103407
earnings shall be determined by multiplying the amounts listed 103408
above in divisions (B) and (C) of this section by the 103409
subsidy-eligible FTEs for the three-year period ending in the 103410
prior year for all doctoral enrollments in graduate-level models. 103411

(b) 50 per cent of the doctoral set-aside shall be allocated 103412
to universities in proportion to each campus's share of the total 103413
statewide doctoral degrees, weighted by the cost of the doctoral 103414
discipline. In calculating each campus's doctoral degrees the 103415
Chancellor shall use the three-year average doctoral degrees 103416
awarded for the three-year period ending in the prior year. 103417

(c) 25 per cent of the doctoral set-aside shall be allocated 103418
to universities in proportion to their share of research grant 103419
activity. Funding for this component shall be allocated to 103420
eligible universities in proportion to their share of research 103421
grant activity published by the National Science Foundation. Grant 103422
awards from the Department of Health and Human Services shall be 103423
weighted at 50 per cent. 103424

(3) Of the foregoing appropriation item 235501, State Share 103425
of Instruction, 6.41 per cent of the appropriation for 103426
universities, as established in division (A)(2) of the section of 103427
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 103428
2020 AND 2021," in each fiscal year shall be reserved for support 103429
of Medical II FTEs. The amount so reserved shall be referred to as 103430

the medical II set-aside. 103431

The medical II set-aside shall be allocated to universities 103432
in proportion to their share of the statewide total of each state 103433
institution's three-year average Medical II FTEs as calculated in 103434
division (A) of this section. 103435

In calculating the core subsidy entitlements for Medical II 103436
models only, students repeating terms may be no more than five per 103437
cent of current year enrollment. 103438

(4) Of the foregoing appropriation item 235501, State Share 103439
of Instruction, 1.48 per cent of the appropriation for 103440
universities, as established in division (A)(2) of the section of 103441
this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 103442
2020 AND 2021," in each fiscal year shall be reserved for support 103443
of Medical I FTEs. The amount so reserved shall be referred to as 103444
the medical I set-aside. 103445

The medical I set-aside shall be allocated to universities in 103446
proportion to their share of the statewide total of each state 103447
institution's three-year average Medical I FTEs as calculated in 103448
division (A) of this section. 103449

(5) In calculating the course completion funding for 103450
universities, the Chancellor shall use the following count of FTE 103451
students: 103452

(a) The subsidy eligible enrollments by model shall equal 103453
only those FTE students who successfully complete the course as 103454
defined and reported through the Higher Education Information 103455
(HEI) system course enrollment file; 103456

(b) Those undergraduate FTE students with successful course 103457
completions, identified in division (D)(5)(a) of this section, 103458
that are defined as at-risk based on academic under-preparation or 103459
financial status shall have their eligible completions weighted by 103460
the following: 103461

(i) Institution-specific course completion indexes, where the indexes are calculated based upon the number of at-risk students enrolled during the 2016-2018 academic years; and

(ii) A statewide average at-risk course completion weight determined for each subsidy model. The statewide average at-risk course completion weight shall be determined by calculating the difference between the percentage of traditional students who complete a course and the percentage of at-risk students who complete the same course.

(c) The course completion earnings shall be determined by multiplying the amounts listed above in divisions (B) and (C) of this section by the subsidy-eligible FTEs for the three-year period ending in the prior year for all models except Medical I, Medical II, Doctoral I, and Doctoral II.

(d) For universities, the Chancellor shall compute the course completion earnings by dividing the appropriation for universities, established in division (A)(2) of the section of this act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," less the degree attainment funding as calculated in division (D)(1) of this section, less the doctoral set-aside, less the medical I set-aside, and less the medical II set-aside, by the sum of all campuses' instructional costs as calculated in division (D)(5) of this section.

(E) CALCULATION OF STATE SHARE OF INSTRUCTION FORMULA ENTITLEMENTS AND ADJUSTMENTS FOR COMMUNITY COLLEGES

(1) Of the foregoing appropriation item 235501, State Share of Instruction, 50 per cent of the appropriation for state-supported community colleges, state community colleges, and technical colleges as established in division (A)(1) of the section of the act entitled "STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved for

course completion FTEs as aggregated by the subsidy models defined 103493
in division (B) of this section. 103494

The course completion funding shall be allocated to campuses 103495
in proportion to each campus's share of the total sector's course 103496
completions, weighted by the instructional cost of the subsidy 103497
models. 103498

To calculate the subsidy entitlements for course completions 103499
at community colleges, state community colleges, and technical 103500
colleges, the Chancellor shall use the following calculations: 103501

(a) In calculating each campus's count of FTE course 103502
completions, the Chancellor shall use a three-year average for 103503
course completions for the three year period ending in the prior 103504
year. 103505

(b) The subsidy eligible enrollments by model shall equal 103506
only those FTE students who successfully complete the course as 103507
defined and reported through the Higher Education Information 103508
(HEI) system course enrollment file. 103509

(c) Those students with successful course completions, that 103510
are defined as access students based on financial status, minority 103511
status, age, or academic under-preparation shall have their 103512
eligible course completions weighted by a statewide access weight. 103513
The weight given to any student that meets any access factor shall 103514
be 15 per cent for all course completions. 103515

(d) The model costs as used in the calculation shall be 103516
augmented by the model weights for science, technology, 103517
engineering, mathematics, and medicine models as established in 103518
division (C) of this section. 103519

(2) Of the foregoing appropriation item 235501, State Share 103520
of Instruction, 25 per cent of the appropriation for 103521
state-supported community colleges, state community colleges, and 103522
technical colleges as established in division (A)(1) of the 103523

section of this act entitled "STATE SHARE OF INSTRUCTION FOR 103524
FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved 103525
for colleges in proportion to their share of college student 103526
success factors. 103527

Student success factors shall be awarded at the institutional 103528
level for each student that successfully: 103529

(a) Completes a developmental math course and, within the 103530
next year, enrolls in a college-level math course. 103531

(b) Completes a developmental English course and, within the 103532
next year, enrolls in a college-level English course. 103533

(c) Completes 12 semester credit hours of college-level 103534
coursework. 103535

(d) Completes 24 semester credit hours of college-level 103536
coursework. 103537

(e) Completes 36 semester credit hours of college-level 103538
coursework. 103539

(3) Of the foregoing appropriation item 235501, State Share 103540
of Instruction, 25 per cent of the appropriation for 103541
state-supported community colleges, state community colleges, and 103542
technical colleges as established in division (A)(1) of the 103543
section of this act entitled "STATE SHARE OF INSTRUCTION FOR 103544
FISCAL YEARS 2020 AND 2021," in each fiscal year shall be reserved 103545
for completion milestones. 103546

Completion milestones shall include associate degrees, 103547
technical certificates over 30 credit hours as designated by the 103548
Department of Higher Education, and students transferring to any 103549
four-year institution with at least 12 credit hours of 103550
college-level coursework earned at that community college, state 103551
community college, or technical college. 103552

The completion milestone funding shall be allocated to 103553

colleges in proportion to each institution's share of the sector's total completion milestones, weighted by the instructional cost of the associate degree, certificate, or transfer models. Costs for technical certificates over 30 hours shall be weighted at one-half of the associate degree model costs and transfers with at least 12 credit hours of college-level coursework shall be weighted at one-fourth of the average cost for all associate degree model costs.

(4) To calculate the subsidy entitlements for completions at community colleges, state community colleges, and technical colleges, the Chancellor shall use the following calculations:

(a) In calculating each campus's count of completions, the Chancellor shall use a three-year average for completion metrics.

(b) The subsidy eligible completion milestones by model shall equal only those students who successfully complete an associate degree or technical certificate over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework as defined and reported in the Higher Education Information (HEI) system. Student completions reported in HEI shall have an accompanying course enrollment record in order to be subsidy eligible.

(c) Those students with successful completions for associate degrees, technical certificates over 30 credit hours, or transfer to any four-year institution with at least 12 credit hours of college-level coursework, identified in division (E)(3) of this section, that are defined as access students based on financial status, minority status, age, or academic under-preparation shall have their eligible completions weighted by a statewide access weight. The weight shall be 25 per cent for students with one access factor, 66 per cent for students with two access factors, 150 per cent for students with three access factors, and 200 per cent for students with four access factors.

(d) For those students who complete more than one completion 103586
milestone, funding for each additional associate degree or 103587
technical certificate over 30 credit hours designated as such by 103588
the Department of Higher Education shall be funded at 50 per cent 103589
of the model costs as defined in division (3) of this section. 103590

(F) CAPITAL COMPONENT DEDUCTION 103591

After all other adjustments have been made, state share of 103592
instruction earnings shall be reduced for each campus by the 103593
amount, if any, by which debt service charged in Am. H.B. 748 of 103594
the 121st General Assembly, Am. Sub. H.B. 850 of the 122nd General 103595
Assembly, Am. Sub. H.B. 640 of the 123rd General Assembly, H.B. 103596
675 of the 124th General Assembly, Am. Sub. H.B. 16 of the 126th 103597
General Assembly, Am. Sub. H.B. 699 of the 126th General Assembly, 103598
Am. Sub. H.B. 496 of the 127th General Assembly, and Am. Sub. H.B. 103599
562 of the 127th General Assembly for that campus exceeds that 103600
campus's capital component earnings. The sum of the amounts 103601
deducted shall be transferred to appropriation item 235552, 103602
Capital Component, in each fiscal year. 103603

(G) EXCEPTIONAL CIRCUMSTANCES 103604

Adjustments may be made to the state share of instruction 103605
payments and other subsidies distributed by the Chancellor of 103606
Higher Education to state colleges and universities for 103607
exceptional circumstances. No adjustments for exceptional 103608
circumstances may be made without the recommendation of the 103609
Chancellor and the approval of the Controlling Board. 103610

(H) APPROPRIATION REDUCTIONS TO THE STATE SHARE OF 103611
INSTRUCTION 103612

The standard provisions of the state share of instruction 103613
calculation as described in the preceding sections of temporary 103614
law shall apply to any reductions made to appropriation item 103615
235501, State Share of Instruction, before the Chancellor has 103616

formally approved the final allocation of the state share of 103617
instruction funds for any fiscal year. 103618

Any reductions made to appropriation item 235501, State Share 103619
of Instruction, after the Chancellor has formally approved the 103620
final allocation of the state share of instruction funds for any 103621
fiscal year, shall be uniformly applied to each campus in 103622
proportion to its share of the final allocation. 103623

(I) DISTRIBUTION OF STATE SHARE OF INSTRUCTION 103624

The state share of instruction payments to the institutions 103625
shall be in substantially equal monthly amounts during the fiscal 103626
year, unless otherwise determined by the Director of Budget and 103627
Management pursuant to section 126.09 of the Revised Code. 103628
Payments during the first six months of the fiscal year shall be 103629
based upon the state share of instruction appropriation estimates 103630
made for the various institutions of higher education and payments 103631
during the last six months of the fiscal year shall be based on 103632
the final data from the Chancellor. 103633

(J) STUDY ON THE USE OF EMPLOYMENT METRICS FOR THE STATE 103634
SHARE OF INSTRUCTION FORMULAS 103635

The Inter-University Council and Ohio Association of 103636
Community Colleges shall each recommend eight members representing 103637
their institutions to serve on the Employment Metrics 103638
Consultation, which shall assist the Chancellor of Higher 103639
Education to study the most appropriate formula weights for 103640
post-graduation employment measures that may be used in the 103641
distribution to universities and community colleges from the 103642
foregoing appropriation item 235501, State Share of Instruction, 103643
beginning in fiscal year 2022. The Chancellor, or the Chancellor's 103644
designee, shall lead the Consultation and call its first meeting. 103645
The Consultation shall research the most appropriate data sources 103646
available to measure employment outcomes and evaluate the public 103647

policy benefits of adding such measures to the current State Share 103648
of Instruction allocation formulas to reward institutional 103649
performance of job placement. The Consultation shall also identify 103650
and evaluate the most critical factors that should be considered 103651
as possible enhancements to the formula, such as the relevance of 103652
graduates' degrees to job placement, employment in Ohio versus out 103653
of state, placement in high demand fields, and other qualitative 103654
factors. Separate allocation factors may be considered within each 103655
sector's share of the foregoing appropriation item 235501, State 103656
Share of Instruction. The study shall be completed by June 30, 103657
2020. 103658

Section 381.150. STATE SHARE OF INSTRUCTION FOR FISCAL YEARS 103659
2020 AND 2021 103660

(A) The foregoing appropriation item 235501, State Share of 103661
Instruction, shall be distributed according to the section of this 103662
act entitled "STATE SHARE OF INSTRUCTION FORMULAS." 103663

(1) Of the foregoing appropriation item 235501, State Share 103664
of Instruction, \$460,818,566 in fiscal year 2020 and \$465,426,752 103665
in fiscal year 2021 shall be distributed to state-supported 103666
community colleges, state community colleges, and technical 103667
colleges. 103668

(2) Of the foregoing appropriation item 235501, State Share 103669
of Instruction, \$1,538,392,149 in fiscal year 2020 and 103670
\$1,553,776,070 in fiscal year 2021 shall be distributed to 103671
state-supported university main and regional campuses. 103672

Any increases in the amount distributed to an institution 103673
from appropriation item 235501, State Share of Instruction, above 103674
the prior year shall be used by the institution to provide 103675
need-based aid and to provide counseling, support services, and 103676
workforce preparation services to students. 103677

Section 381.160. RESTRICTION ON FEE INCREASES 103678

(A) In fiscal years 2020 and 2021, the boards of trustees of 103679
state institutions of higher education shall restrain increases in 103680
in-state undergraduate instructional and general fees. 103681

(1) For the 2019-2020 and 2020-2021 academic years, all of 103682
the following shall apply: 103683

(a) Each state university or college, as defined in section 103684
3345.12 and university branch established under Chapter 3355. of 103685
the Revised Code shall not increase its in-state undergraduate 103686
instructional and general fees by more than two per cent over what 103687
the institution charged for the previous academic year. 103688

(b) Each community college established under Chapter 3354., 103689
state community college established under Chapter 3358., or 103690
technical college established under Chapter 3357. of the Revised 103691
Code may increase its in-state undergraduate instructional and 103692
general fees by not more than \$5 per credit hour over what the 103693
institution charged for the 2018-2019 academic year. 103694

(c) For state institutions of higher education, as defined in 103695
section 3345.011 of the Revised Code, increases for all other 103696
special fees, including the creation of new special fees, shall be 103697
subject to the approval of the Chancellor of Higher Education. 103698

(2) The limitations under division (A)(1) of this section do 103699
not apply to room and board, student health insurance, fees for 103700
auxiliary goods or services provided to students at the cost 103701
incurred to the institution, fees assessed to students as a 103702
pass-through for licensure and certification examinations, fees in 103703
elective courses associated with travel experiences, elective 103704
service charges, fines, voluntary sales transactions, fees, which 103705
may appear directly on a student's tuition bill as assessed by the 103706
institution's bursar, to offset the cost of providing textbooks to 103707

students, and, subject to approval of the chancellor, fees for 103708
student mental health and substance abuse services. 103709

(B) The limitations under this section shall not apply to 103710
increases required to comply with institutional covenants related 103711
to their obligations or to meet unfunded legal mandates or legally 103712
binding obligations incurred or commitments made prior to the 103713
effective date of this section with respect to which the 103714
institution had identified such fee increases as the source of 103715
funds. Any increase required by such covenants and any such 103716
mandates, obligations, or commitments shall be reported by the 103717
Chancellor of Higher Education to the Controlling Board. These 103718
limitations may also be modified by the Chancellor, with the 103719
approval of the Controlling Board, to respond to exceptional 103720
circumstances as identified by the Chancellor. 103721

(C) Institutions offering an undergraduate tuition guarantee 103722
pursuant to section 3345.48 of the Revised Code may increase 103723
instructional and general fees pursuant to that section. 103724

(D) The Chancellor may establish a differential tuition 103725
program for undergraduate students. If the Chancellor establishes 103726
such a program, eligible institutions may offer the program to 103727
eligible students. The Chancellor shall develop criteria for 103728
participation in the program that may include, but not be limited 103729
to, requirements that revenues generated by the program shall 103730
support student services and need-based financial aid. 103731

Section 381.165. STUDY REGARDING PAST-DUE FEES 103732

(A) As used in this section, "state institution of higher 103733
education" has the same meaning as in section 3345.011 of the 103734
Revised Code. 103735

(B) The Chancellor of Higher Education, in consultation with 103736
state institutions of higher education, shall conduct a study 103737

regarding general and special fees incurred by students that are 103738
past-due and the best practices to collect those fees before they 103739
are certified to the Attorney General for debt collection. In 103740
conducting the study, the Chancellor shall review the June 2017 103741
Report of the Attorney General's Student Debt Advisory Group. The 103742
Chancellor also shall investigate, among other things, all of the 103743
following: 103744

(1) State institutions' obtaining express prior consent from 103745
students to allow institutions, and third parties collecting debts 103746
on behalf of institutions, to contact students using the most 103747
effective forms of communication available; 103748

(2) The adoption of statewide uniform standards for fees and 103749
penalties and certification practices for student debts; 103750

(3) State institutions' notifying students that past-due 103751
debts will be transferred to the Attorney General for debt 103752
collection; 103753

(4) An amnesty program for past-due fees, including the 103754
feasibility of the program, the criteria under which a student may 103755
qualify, and any other program component determined appropriate by 103756
the Chancellor. 103757

(C) Not later than December 31, 2019, the Chancellor, in 103758
consultation with state institutions of higher education, shall 103759
submit a report based on the study to the General Assembly in 103760
accordance with section 101.68 of the Revised Code. The report 103761
shall include recommendations regarding the following: 103762

(1) The best practices to collect past-due general and 103763
special fees before the fees must be certified to the Attorney 103764
General; 103765

(2) Any changes to the Revised Code and the Administrative 103766
Code that may be needed for a uniform statewide policy regarding 103767
the collection of past-due general and special fees. 103768

Section 381.170. HIGHER EDUCATION - BOARD OF TRUSTEES 103769

(A) Funds appropriated for instructional subsidies at 103770
colleges and universities may be used to provide such branch or 103771
other off-campus undergraduate courses of study and such master's 103772
degree courses of study as may be approved by the Chancellor of 103773
Higher Education. 103774

(B) In providing instructional and other services to 103775
students, boards of trustees of state institutions of higher 103776
education shall supplement state subsidies with income from 103777
charges to students. Except as otherwise provided in this act, 103778
each board shall establish the fees to be charged to all students, 103779
including an instructional fee for educational and associated 103780
operational support of the institution and a general fee for 103781
noninstructional services, including locally financed student 103782
services facilities used for the benefit of enrolled students. The 103783
instructional fee and the general fee shall encompass all charges 103784
for services assessed uniformly to all enrolled students. Each 103785
board may also establish special purpose fees, service charges, 103786
and fines as required; such special purpose fees and service 103787
charges shall be for services or benefits furnished individual 103788
students or specific categories of students and shall not be 103789
applied uniformly to all enrolled students. A tuition surcharge 103790
shall be paid by all students who are not residents of Ohio. 103791

The board of trustees of a state institution of higher 103792
education shall not authorize a waiver or nonpayment of 103793
instructional fees or general fees for any particular student or 103794
any class of students other than waivers specifically authorized 103795

Section 503.20. SATISFACTION OF JUDGMENTS AND SETTLEMENTS 105317
AGAINST THE STATE 105318

Except as otherwise provided in this section, an 105319
appropriation in this act or any other act may be used for the 105320
purpose of satisfying judgments, settlements, or administrative 105321

with the purpose for which any related obligations were issued or 105334
entered into. Nothing contained in this section is intended to 105335
subject the state to suit in any forum in which it is not 105336
otherwise subject to suit, and is not intended to waive or 105337
compromise any defense or right available to the state in any suit 105338
against it. 105339

Section 503.30. CAPITAL PROJECT SETTLEMENTS 105340

This section specifies an additional and supplemental 105341
procedure to provide for payments of judgments and settlements if 105342
the Director of Budget and Management determines, pursuant to 105343
division (C)(4) of section 2743.19 of the Revised Code, that 105344
sufficient unencumbered moneys do not exist in the fund to support 105345
a particular appropriation to pay the amount of a final judgment 105346
rendered against the state or a state agency, including the 105347
settlement of a claim approved by a court, in an action upon and 105348
arising out of a contractual obligation for the construction or 105349
improvement of a capital facility if the costs under the contract 105350
were payable in whole or in part from a state capital projects 105351
appropriation. In such a case, the Director may either proceed 105352
pursuant to division (C)(4) of section 2743.19 of the Revised Code 105353
or apply to the Controlling Board to increase an appropriation or 105354
create an appropriation out of any unencumbered moneys in the 105355

state treasury to the credit of the capital projects fund from 105356
which the initial state appropriation was made. The amount of an 105357
increase in appropriation or new appropriation approved by the 105358
Controlling Board is hereby appropriated from the applicable 105359
capital projects fund and made available for the payment of the 105360
judgment or settlement. 105361

If the Director does not make the application authorized by 105362
this section or the Controlling Board disapproves the application, 105363
and the Director does not make application under division (C)(4) 105364
of section 2743.19 of the Revised Code, the Director shall for the 105365
purpose of making that payment make a request to the General 105366
Assembly as provided for in division (C)(5) of that section. 105367

In order to provide funds for the reissuance of voided 105369
warrants under section 126.37 of the Revised Code, there is hereby 105370
appropriated, out of moneys in the state treasury from the fund 105371
credited as provided in section 126.37 of the Revised Code, that 105372

(3) For an encumbrance for reclamation of land or oil and gas wells, for a period ending when the encumbered appropriation is expended provided such period does not extend beyond the FY 2020 - FY 2021 biennium;

(4) For an encumbrance for any other type of expense not otherwise identified in division (A)(1), (2), or (3) of this section, for such period as the Director approves, provided such period does not extend beyond the FY 2020 - FY 2021 biennium.

(B) Any operating appropriations for which unexpended balances are reappropriated in fiscal year 2020 or fiscal year 2021 pursuant to division (A)(2) of this section shall be reported to the Controlling Board by the Director of Budget and Management by the thirty-first day of December of each year. The report shall include the item, the cost of the item, and the name of the vendor. The report shall be updated on a quarterly basis for encumbrances remaining open.

(C) Upon the expiration of the reappropriation period set out in division (A) of this section, a reappropriation made by this section lapses and the Director of Budget and Management shall cancel the encumbrance of the unexpended reappropriation not later than the end of the weekend following the expiration of the

reappropriation period. 105417

(D) If the Controlling Board approved a purchase, that 105418
approval remains in effect so long as the appropriation used to 105419
make that purchase remains encumbered. 105420

state institution of higher education, as defined in section 105430
3345.011 of the Revised Code, such as reestablishing prior year 105431

reestablished encumbrance amounts are hereby appropriated. 105433

Section 503.70. TEMPORARY REVENUE HOLDING 105434

The Director of Budget and Management may create funds in the 105435
state treasury solely for the purpose of temporarily holding 105436
revenue required to be credited to a fund in the state treasury, 105437
whose disposition is not immediately known at the time of receipt. 105438
Once identified, the Director shall credit the revenue to the 105439
appropriate fund in the state treasury. 105440

Whenever the Director of Budget and Management determines 105519
that an appropriation made to a state agency from a fund of the 105520
state is insufficient to provide for the recovery of statewide 105521

amount required for such purpose is hereby appropriated from the 105523
available receipts of such fund. 105524

Section 505.30. TRANSFERS ON BEHALF OF THE STATEWIDE INDIRECT 105525

The total transfers made from the General Revenue Fund by the 105527
Director of Budget and Management under this section shall not 105528
exceed the amounts transferred into the General Revenue Fund under 105529
section 126.12 of the Revised Code. 105530

The director of an agency may certify to the Director of 105531

Budget and Management the amount of expenses not allowed to be 105532

126.12 of the Revised Code. 105536

Upon determining that no alternative source of funding is 105537
available to pay for such expenses, the Director of Budget and 105538
Management may transfer cash from the General Revenue Fund into 105539
the fund for which the certification is made, up to the amount of 105540
the certification. The director of the agency receiving such funds 105541
shall include, as part of the next budget submission prepared 105542

The director of an agency may certify to the Director of 105546
Budget and Management the amount of expenses paid in error from a 105547
fund included in the Statewide Indirect Cost Allocation Plan. The 105548
Director of Budget and Management may transfer cash from the fund 105549
from which the expenditure should have been made into the fund 105550
from which the expenses were erroneously paid, up to the amount of 105551

allowed to be included in the Statewide Indirect Cost Allocation 105555
Plan under federal regulations, for any fund included in the 105556
Statewide Indirect Cost Allocation Plan, for which the federal 105557
government requires payment. If the Director of Budget and 105558
Management determines that an appropriation made to a state agency 105559
from a fund of the state is insufficient to pay the amount 105560
required by the federal government, the amount required for such 105561
purpose is hereby appropriated from the available receipts of such 105562
fund, up to the amount of the certification. 105563

(D) of this section. 105993

(6) In place of the inflation adjustment otherwise calculated 105994
under division ~~(D)~~(E)(1) of section 5124.211 of the Revised Code 105995

from the calendar year in which the fiscal year begins. 106014

(E)~~(1)~~ If the mean total per Medicaid day rate for all 106015

the fiscal year for which the rate is determined, the total per 106022
Medicaid day rate for each ICF/IID to which this section applies 106023

~~(2) The amount to be used for the purpose of division (E)(1)~~ 106027
~~of this section shall be not less than \$290.10. The Department, in~~ 106028
~~its sole discretion, may use a larger amount for the purpose of~~ 106029

~~(b) The increase in Medicaid payments made for ICF/IID services provided during the fiscal year immediately preceding the fiscal year for which the determination is made, and the increase that is projected to occur in the fiscal year for which the determination is made, as a result of the modifications to the payment rates made under section 5124.101 of the Revised Code;~~

~~(d) Other factors the Department determines to be relevant.~~

106050

(F) If the United States Centers for Medicare and Medicaid Services requires that the franchise permit fee be reduced or eliminated, the Department shall reduce the rate determined under this section as necessary to reflect the loss to the state of the revenue and federal financial participation generated from the franchise permit fee.

62 of the 133rd General Assembly is hereby repealed. 106384

Section 610.10. That Sections 4, 5, and 6 of Am. Sub. H.B. 70 106385
of the 131st General Assembly are hereby repealed. 106386

Section 701.10. Notwithstanding any provision of the Revised 106387
Code to the contrary, designees of the Office of Budget and 106388
Management and the Department of Administrative Services jointly 106389
shall review agency functions and programs and determine if any 106390
overlap or duplicative functions exist and shall collaborate with 106391
affected agencies in the course of their review. The designees 106392
shall determine the cost-effectiveness of the programming in terms 106393
of administrative and operational costs, including facilities, 106394
personnel, technology, supplies, contracts, and services. 106395
Following review and not later than January 1, 2020, the Directors 106396
of Budget and Management and Administrative Services jointly shall 106397
determine, in consultation with the affected agencies, the 106398
functions that may be consolidated within and across state 106399
departments, with particular emphasis on facilities utilization, 106400

the Office of Budget and Management's Shared Services Center. 106405

Should the consolidation of functions result in consolidation 106406

within the Shared Services Center or otherwise impact any employee 106407
not subject to Chapter 4117. of the Revised Code, the Director of 106408
Administrative Services may assign, reassign, classify, 106409
reclassify, transfer, reduce, promote, or demote any employee so 106410
transferred. Any employment records and actions, including 106411
personnel actions, disciplinary actions, performance improvement 106412
plans, and performance evaluations transfer with the employee. 106413
These employees are subject to the policies, procedures, and work 106414
rules of the agency to which they are transferred. The Director of 106415
Administrative Services also may transfer all equipment and assets 106416
relating to the program or function that is being consolidated to 106417
the department that is to be responsible for the functions after 106418
consolidation occurs. 106419

On or after the effective date of the respective 106420
consolidation of functions and notwithstanding any provision of 106421
law to the contrary, the Director of Budget and Management may 106422
make budget changes made necessary by this section, including 106423
cancelling encumbrances and reestablishing them as encumbrances of 106424
the department that is to be responsible for the functions after 106425
consolidation occurs. Any reestablished encumbrances are hereby 106426
appropriated. 106427

Section 701.20. On the effective date of this act, or as soon 106428
as possible thereafter, the Director of Budget and Management 106429
shall transfer the cash balance from all money collected under 106430

municipal income tax fund to the municipal net profit tax fund. 106432

Section 701.30. COORDINATION OF BENEFITS 106433

The Development Services Agency and the Department of Job and 106434
Family Services may collaborate to coordinate benefits available 106435
to eligible Ohioans. By evaluating current procedures and working 106436

toward a goal of developing a single application for eligible 106437
customers, the agencies shall work to produce new efficiencies and 106438
prevent duplication of efforts. 106439

Section 701.40. RECOVERY HOUSING PILOT PROGRAM 106440

The Department of Mental Health and Addiction Services shall 106441
work with the Development Services Agency to develop a pilot 106442
program in partnership with rural Ohio counties hard hit by the 106443
opioid epidemic to enhance funding availability for recovery 106444
housing. This partnership may include local OhioMeansJobs and Job 106445
and Family Services entities to develop workforce job training and 106446
employer participation for those individuals participating in 106447

Code in Section 101.01 of this act, the General Assembly finds all 106463
of the following: 106464

(B) Although self-policing efforts by industry watchdog groups may have some success in educating some fundraisers about their obligations under state consumer and investor laws, in other cases the only meaningful deterrent to unlawful conduct is the vigorous assessment and collection of civil penalties.

(C) It is in the public interest to provide that civil penalties for violations of law may also be assessed and collected by aggrieved crowdfunding investors acting as private attorneys general enforcement.

(A) As used in this section, "eligible district" means any educational service center or city, exempted village, local, or joint vocational school district.

(C) In each fiscal year in which the program operates, the 106499
Department shall solicit, review, and approve proposals from 106500
eligible districts. The Department shall award a grant to each 106501
eligible district with an approved proposal, except that, if the 106502
funds appropriated by the General Assembly for the program are 106503

lower wealth eligible districts. Each award shall be up to five 106505
thousand dollars and each eligible district with an approved 106506
proposal shall receive one award per fiscal year. 106507

(D) The Department shall adopt guidelines and procedures for 106508
the program, including all of the following: 106509

immediately preceding the effective date of the amendment by this 106543
act to that section, and the applicant appealed the denial under 106544
section 3702.60 of the Revised Code, the Director shall reverse 106545
the denial and grant the application not later than ten days after 106546
the effective date of this section regardless of the status of the 106547
appeal if division (B)(1)(b) of section 3702.59 of the Revised 106548
Code would not have been grounds for denying the application had 106549
the amendment by this act to that section been in effect at the 106550
time the application was submitted to the Director. 106551

Section 737.30. The Director of Environmental Protection 106552

(D) That the Agency, and any other entity that the Agency 106571

The Board of Executives of Long-Term Services and Supports is 106604
not required to amend any rule for the sole purpose of updating 106605
the citation in the Ohio Administrative Code to the rule's 106606
authorizing statute to reflect that this act renumbers the 106607
authorizing statute or relocates it to another Revised Code 106608

As soon as practicable, the State Medical Board shall convert all such telemedicine certificates to licenses, as if they were issued under section 4731.14 of the Revised Code. Once a telemedicine certificate is converted, the holder is subject to all requirements and privileges attendant to a license issued under section 4731.14 of the Revised Code, including continuing medical education requirements.

(B) The Board may take any action it considers necessary to rename the certificates issued under Chapters 4731., 4760., 4762., and 4774. of the Revised Code as licenses, as provided by the amendments made by this act to those chapters.
